### Wildcats Lose Conference Game to Archer City 21-6

The Crowell High School football team suffered its first conference loss last Friday night when the Archer City Wildcats defeated the local Wildcats 21-6 at Archer City.

The win gives Archer City a 4-0 district record, tied for the lead with Munday. Crowell, with a 2-1 district record, dropped into second place.

Relying on the running of fullback Gary Tepper and halfback Mike Stewart most of the game, the Archer City Cats dominated the ball and racked up 301 yards on the ground. Crowell, led by quarterback Dan Mike Bird and halfback Mike Payne managed to move 145 yards on the ground.

Archer City got its break early in the second quarter following a Crowell punt which went out of bounds on Crowell's 29. In seven plays Billy Holder swept right end for two yards and paydirt. Barry Morrison kicked his first of three extra points for the night.

The Archer County Wildcats drove for their second TD after holding Crowell in its series and took over on their own 41 after Bird punted. Stewart and Holder ground out most of the yardage and moved the ball to the one. From there Tepper crashed over and Archer City led 14-0 with 28 seconds left in the first half.

After intermission, Bird took Larry Graham's kickoff and raced from his 25 to Archer City's 45. On the first play from scrimmage, Lee Looney skirted right end, was hit at the line, but kept his feet and raced for the goal. The try for the extra two points failed.

Late in the third period, Archer City started its last TD march from its own 48. With Tepper carrying most of the load, Stewart carried the final one over right end.

Crowell didn't threaten in the fourth period, but were close to Archer City's goal in the first quarter and in the second. They moved to Archer City's 26 early in the game and to the 38 in the late part of the second period.

### HOW IS THE TIME FOR ALL GOOD MEN

Next Tuesday is Election Day. This is a time of perennial, electric excitement which seems unique only to elections. Also, it is a time of sobering sadness.

Here's why: This year in Texas there are an estimated 5,900,000 people over 21, but only 3,110,000 are eligible to vote. And that "eligibility estimate" takes in everybody: poll-taxpayers, folks who were issued exemptions and those who live in towns who do not require over-age exemptions, and those who registered under the federal provision.

So, right off the bat we lost more than two million potential voters.

Now, some forecasters predict a voting turnout of 2,500,000 Texans. That would be a record, but not a record of which to be proud.

That means only about seven out of ten Texans who are eligible to vote will take time out to do so.

You—and only you—can do something about it. Only you can go to the polls; only you can cast your vote.

It's up to you. You are voting for more than yourself. You are voting for half of Texas which can't vote for themselves.

lot of alfalfa hay of lower quality refused 23.3 per cent of the forage.

Hop clover hay had a TDN value comparable to that of alfalfa hay studied but the digestibility of crude protein was much less. In all cases hay refused by animals had a crude fiber content of over 40 per cent, Meekma said.

The influence of silage preservative additions on the acceptability to animals of alfalfa and oat silage was investigated. Intake data and silage quality scores indicate that silages made from these forages were not affected by adding preservative studied.

**Nutritive Value of Forages Studied**

Seven separate studies have been conducted by researchers at the University of Arkansas Agricultural Experiment Station to determine the nutritive value of certain forages for dairy cattle. According to A. M. Meekma, Extension dairy specialist, Texas A. & M. University, the goal of the studies has been to determine the chemical composition, digestibility and total digestible nutrients (TDN) content of several common forages. Also tested was the effect of certain additives to these forages.

In one test, Meekma observes, digestion trials were conducted on three alfalfa hays and hop clover hay. Alfalfa hay conditioned by a hay crimper during the harvesting process was compared to non-conditioned hay. None of the conditioned hay was refused by the animals to which it was fed, but 7.7 per cent of the non-conditioned hay from the same field was refused. Animals offered a third

in the various REC districts in Texas. Who knows but some of you juniors may be a winner then. Gayle and her mother finally settled down to a good night's rest at the Rice Hotel and relaxed the following day on an uneventful trip home.

### Sandra Weatherred Senior Personality

Although bad luck captured Sandra Weatherred, the 17-year-old daughter of Mr. and Mrs. Baylor Weatherred when she was in an automobile accident three weeks ago and she was sent to the hospital for several weeks, she still is considered the "Smile Girl" of CHS. The band especially misses her presence because she was their drum major. Other organizations that miss her are F. T. A. Sub-Junior Columbian Club, Drama Club and Spanish Club. She is also missed in the various activities of the Methodist Church. Sandra shows that she is an

ordinary American girl when she remarked that her pet peeve was people who think they are better than others. Her list of favorites includes: food, shrimp; color, blue; activity, swimming; song, My Heart Sings; actor, James Garner; actress, Hayley Mills; and season, summer.

Sandra's future plans are either to be a secretary or archeologist. She isn't certain what college she will attend, but wherever she goes, she will be a success because of her zest for living.

### Archer City Claws Crowell 21-6

A battle between two groups of Wildcats took place at Archer City last Friday night, Oct. 23. The Archer City Wildcats defeated the Crowell Wildcats 21-6.

Neither team was able to score in the first period, but during the second quarter, Archer City made two touchdowns. The first was made by Billy Holder with quarterback Barry Morrison kicking the extra point. Next, Gary Tepper ran the second Archer City touchdown, and Morrison again kicked the extra point. Thus Archer City led 14-0 at halftime. During the third quarter, Crowell retaliated when Lee Looney made Crowell's touchdown. Dan Mike Bird's run for extra points failed.

Archer City halfback Mike Stewart ran their final touchdown with Morrison kicking the extra point. This defeat left Archer City and Munday tied for first place in the district.

All Crowell fans should go with the Wildcats next Friday night to see them battle the Greyhounds of Knox City, a school that has been added to class A competition this year. Last week they defeated Paducah 24-0. Crowell can't hope to defeat the Greyhounds by a 57-0 score as they did when they played them in a practice game in 1960, but they can, with your help, defeat them!

### District VII Reports 100 Per Cent TSTA Membership

Supt. Black announces that District VII of the Texas State Teachers Association has been recognized for its 100 per cent membership.

This is quite a record for the district includes 23 counties, nearly 100 schools and several thousand teachers. Dues for membership are \$10 per year.

The teachers of the state recognize that many problems of the educational field; only through the united efforts of TSTA can progress be made.

### Student Body Chooses CHS Personalities

"Who will be chosen CHS personalities?" was the question foremost in the minds of the student body as they voted for the candidates of their choice Monday, October 19.

The winners of the Student-Council-sponsored election are the following: Mr. CHS, Ken Ferguson; Miss CHS, Mary Ann Ramsey; friendliest, Gary Taylor and Sherry Sandlin; most athletic, Dan Mike Bird and Evelyn Faske; most courteous, Mike Gamble and Mary Sue Speer; wittiest, Monty Smith and Renee Daniels; guys, Mike Gamble, Glen Doyle Goodwin, Lee Looney and Teye McCurley; dolls, Mary Ann Ramsey, Lanette Lemons, Hollis Halbert and Lana Stewart.

Other nominees for these positions were Gary Taylor and Teye McCurley, Mr. CHS; Scherry Goodwin, Sherry Sandlin and Elaine Crowell, Miss CHS; Ricky Trawek, Jackie Eddy, Merida Taylor, Mary Ann Ramsey and Dolores Eubanks, friendliest; Ronnie Eavenson, Teye McCurley, Mike Payne, Scherry Goodwin and Linda Whitley, most athletic; Rocky Wisdom, Randy Smith, T. F. Lambert III, Kathy Eubank, Mary Ann Ramsey and Suella Smith, most courteous; George Myers, Jackie Eddy, Merida Taylor, Mary Ann Ramsey and Dolores Eubanks, wittiest. Other nominees for guys were T. F. Lambert III, Randy Smith, Randy Adkins and Ronnie Ressel. Kay Looney, Kathy Eubank, Scherry Goodwin, Sandra Weatherred, Elaine Crowell and Betty Ann Welch were nominated for dolls.

Congratulations to each of the winners. We are glad to have you as the CHS personalities for 1964-1965.

### Library News

When a student checks out a library book or merely walks by the library, how often does he notice the bulletin board? This is a very important part of the library, for it always has good suggestions and may introduce new or unusual books.

Every two weeks one of the librarians is responsible for the bulletin board. She must use her own ideas and artistic abilities. For the past two weeks the theme of the bulletin board has been: "Reading, the Key to Past, Present, and Future." The truth of this phrase is very evident because in no other place can you find so much useful and interesting material about so many subjects.

So, when you are browsing in the library, remember to notice the bulletin board.

### Annual Sale Open to Public

The school sale for the 1965 annuals was completed last Friday, Oct. 23, with 125 copies having been sold. However, any adult who wishes to buy an annual may contact Otis Smith this week. The price of an annual is now \$5.50.

### Pep Club Chooses Jackets

Tuesday, Oct. 20, the Pep Club met with the sports goods company representative to look at sweaters and jackets. Samples were passed around, and the girls voted to buy black jackets with gold sleeves.

Those who want to buy jackets must pay within two weeks. A girl does not have to buy a jacket to remain in the club.

### Halloween

Halloween in the distant past was believed by some to be the time when the unseen world of the spirits was closer to this world of ours than any other point in the calendar year. On this night the souls of the dead returned. The mischievous elves and trolls and evil witches were also about.

There are many interpretations of Halloween, but we would like to present some of the more modern. Of course, Halloween for the "little ones" means getting dressed in funny costumes and going from house to house asking the same question, "trick or treat?" The results of this happy night are usually upset stomachs and toothaches.

Witches and jack o lanterns are also connected to the fun and frolics of Halloween. Our present day witch is nothing more than an ugly woman on a broom with

her cat perched behind her. Years ago witches were as real to some people as the brooms that they supposedly rode. The story of the jack o lantern comes from an Irish tale of a man, Jack, who was known for his drunkenness and meanness. The struggle that he lost with the devil caused him to live in a turnip. Ever since he has been wandering the earth, a lost soul without a place to go.

For some, Halloween is a very religious holiday. Halloween is the eve of All Hallows—of all Saints Day—and as such it is one of the most solemn festivals of the Catholic Church. In all Latin countries, Halloween is commemorated by attending extra masses. In 834 B. C., Pope Gregory IV introduced All Saints Day to the church calendar because the year was not long enough to dedicate a special day for each saint of the church.

### Truscott H. D. Club Urges Retention of Agricultural Offices

Retention of the three Knox County agriculturally related offices in danger of being abolished, is urged in petitions being circulated this week by Truscott Home Demonstration Club members.

The offices of county agent, county home demonstration agent and county trapper are mentioned in the petitions addressed to the Knox County Commissioners Court. The Commissioners Court has issued a ballot for a straw vote at the Nov. 3 general election. Knox County voters will indicate which of these offices they wish to keep and which to abolish. The office of county service agent is also listed on the ballot ordered by the court, according to information furnished The News by Mrs. Jackie W. Brown of Truscott.

Petition circulators declare the main purpose of the petition is to arouse interest in the issue. The petition reads in part, "Since agriculture is the chief industry of

this county, we feel all citizens will be done a disservice if these offices (county agent, home demonstration agent and county trapper) are abolished."

## The 1965 Ford rides quieter than a Rolls-Royce!

Prior to the introduction of the 1965 Fords, the country's leading automotive writers drove the new models at Dearborn. Most of these experts remarked about the extraordinary quietness and smoothness of the Ford ride. An automotive writer in *Mechanix Illustrated*, said, "If there is a quieter car made in this country, I haven't driven it."

**Quiet Means Quality . . .** Since quiet is a traditional measure of car quality, Ford engineers designed the '65 Ford for maximum quietness. To illustrate

New Rolls-Royce Silver Cloud III during series of tests.

this quality achievement, Ford chose to make a documented test against the world's finest luxury car—Rolls-Royce.

Bolt, Beranek and Newman, Inc., world's leading acoustic consultants to government and industry, conducted the tests under supervision of the authoritative United States Auto Club. All cars were tuned to factory specifications.

**The Result . . .** The Fords proved

to be slightly quieter at all speeds.

The official test report reads, in part: "At all moving speeds, on both courses, the Fords were quieter than the Rolls-Royces."

**The Difference . . .** The sound level difference, to be sure, is small—but it is there. At 60 miles an hour, Ford was actually 2.8 decibels\* quieter than Rolls-Royce. At 40, Ford was 5.5 decibels\* quieter. At 20, Ford was 4.9 decibels\* quieter. However small these advantages over Rolls-Royce may be, they are significant evidence of quality—important to anyone buying a car in Ford's class.

**Take A Test Drive . . .** A key—and a warm welcome—await you at your Ford Dealer's. The key, incidentally, fits in the lock no matter which side is up—symbolic of the hundreds of advances you'll find in any Ford you road-test. Come in and see for yourself.

\*Decibels are the universally recognized units for measuring the volume of sound.

 MRS. MAGGIE CAPPS

Visitors of Mr. and Mrs. Ray-  
 and Grimm Thursday were Mr.  
 Mrs. Fred Rennels of Bryan,  
 Mr. and Mrs. John Thompson of  
 Vernon and Mr. and Mrs. Bob  
 Johnston of Crowell.  
 Mrs. Georgia Wood of Tyler  
 and Mrs. Myrtle Neill Satur-

day.  
 This community and the sur-  
 rounding area was grieved Satur-  
 day night by the death of one of  
 our pioneer citizens, G. A. (Allen)  
 Shultz who passed away early  
 Saturday night after suffering a  
 heart attack Saturday morning on  
 his farm 9 miles south of Vernon.  
 David Carpenter, his son-in-law,  
 was with him and took him to a  
 Vernon hospital immediately. Mr.  
 Shultz has been an outstanding  
 leader in church and civic affairs  
 and was noted for his benevolence  
 and readiness to help everyone he  
 came in contact with. He will be  
 greatly missed by everyone, old  
 and young.  
 Mr. and Mrs. J. L. Shultz were

involved in a one-car accident  
 Tuesday near Ingram. Blinded by  
 the late afternoon sun, Mr. Shultz  
 drove into an abutment and dam-  
 aged the car severely but he and  
 Mrs. Shultz escaped with a few  
 severe bruises.  
 Mrs. G. A. Shultz, Mrs. C. C.  
 Wheeler, Mrs. Myrtle Neill and  
 Mrs. Georgia Adkins attended the  
 Baptist associational meeting in  
 Vernon Tuesday night.  
 Mrs. Jake Wisdom had major  
 surgery in the Crowell hospital  
 Tuesday.  
 Mr. and Mrs. J. L. Shultz left  
 Wednesday for Leakey where they  
 will spend the deer hunting sea-  
 son.  
 Mr. and Mrs. Charlie Wood of

Tyler spent Friday night with Mr.  
 and Mrs. Lee Sims and Saturday  
 night with Mr. and Mrs. W. R.  
 Moore.  
 Mrs. B. A. Whitman took her  
 small grandson, Darrell Whitman,  
 to his home in Wichita Falls last  
 Tuesday after he had spent a few  
 days visiting here.  
 Word was received by Mrs. B.  
 A. Whitman and Eldon of the  
 death of Earl Duncan of Delano,  
 Calif., Wed., Oct. 21. He was the  
 youngest son of Mrs. Emma Dun-  
 can of McFarland, Calif., and the  
 late Mr. Duncan. The Duncans  
 lived here before moving to Cal-  
 ifornia. Mrs. Duncan was a sister  
 of the late Lee Whitman and aunt  
 of the late B. A. Whitman. Earl

Duncan was married to Miss Opal  
 Pierce before moving to Califor-  
 nia.  
 Ida Mae Mints of Crowell visit-  
 ed Mrs. Ed Payne, Mrs. G. A.  
 Shultz and Mrs. Maggie Capps  
 Tuesday.  
 Mrs. Georgia Adkins spent Sat-  
 urday night in the home of Mr.  
 and Mrs. Houston Adkins and  
 family in Crowell.  
 Mrs. Duane Capps and children  
 spent the week end in the home  
 of her sister, Mrs. Jake Wisdom,  
 assisting in caring for the chil-  
 dren and the home while Mrs.  
 Wisdom was in the Crowell hos-  
 pital following surgery.  
 Harletta Capps spent Saturday  
 night with Mrs. Maggie Capps.  
 Mrs. Velma Scales of Vernon  
 visited Mrs. O. M. Grimm Satur-  
 day morning.  
 Woodroe Johnson of Amarillo  
 spent the week end with the C. O.  
 Johnsons, and also visited his  
 aunts, Mrs. Myrtle Neill and Mrs.  
 Susie Roberts.  
 The James McCleans and chil-  
 dren of Quanah visited Mrs. Jake  
 Wisdom in the Crowell hospital  
 Saturday.  
 Mr. and Mrs. Duane Capps and  
 family of Vernon visited Mrs.  
 Maggie Capps and the Jake Wis-  
 dom family Saturday night.  
 Mrs. Celeste Johnson of Ver-  
 non visited Miss Irene Doty during  
 the week end.  
 Mr. and Mrs. David Carpenter,  
 Rusty and baby girl, returned to  
 their home in Vernon Saturday  
 after spending about two weeks  
 with their parents here.  
 Mrs. Eula Huntley of Vernon  
 and Mrs. Wayne Gamble of Riv-  
 erside visited Mrs. Cap Adkins  
 Sunday afternoon.  
 Mr. and Mrs. Raymond Grimm  
 and Mrs. O. M. Grimm were Wich-  
 ita Falls visitors Monday.  
 Mr. and Mrs. Loyd Gray and  
 son, W. L., of Vernon visited his  
 mother, Mrs. H. W. Gray, Sunday.  
 Mr. and Mrs. Clyde Crisp and  
 Charles of Northside visited their  
 daughter and sister, Mrs. Beverly  
 Gray, and family Sunday.  
 Mrs. Pookie Miller and her  
 mother-in-law, Mrs. Miller, of Ver-  
 non visited Mrs. Jake Wisdom in  
 the Crowell hospital Friday night.  
 Mrs. Earl Taylor of Denton  
 spent the week end with her sis-  
 ter, Mrs. Ben Hogan, and husband.  
 Mrs. Lee Sims accompanied her  
 sister, Mrs. Opal Bockman of  
 Wichita Falls to Lubbock Tues-  
 day to visit relatives.  
 Mrs. Lee Sims visited her aunt,  
 Mrs. Maggie Craddock, in Knox  
 City Friday.  
 Mrs. Anna Mark Woodward of  
 Richmond, Va., is visiting her  
 father, M. C. Adkins, and the E.  
 J. McKinleys.  
 Roy and Ralph Shultz went to  
 Leakey Sunday to bring their par-  
 ents, the Lee Shultzes, home to  
 attend the funeral of their uncle  
 and brother, Allen Shultz.  
 Aud Daniel of Crowell visited  
 the Earl McKinleys Wednesday  
 night.

When the house is closed up... and the kitchen's soot free

## Flameless Electric Cooking is all it could be

During the winter months when the house is closed up, a flameless electric range is almost a necessity. Only an electric range can prevent the ugly, oily film on windows, walls, cabinets...everything in the kitchen and adjacent rooms, because there's no combustion. Since heat is delivered directly by metal-to-metal contact with the bottom of the utensils, you don't have to clean soot from pots and pans. There's no doubt about it...electric cooking is clean, accurate, fast, and by putting the heat into the food, not into the air...you don't have to pay for dissipated heat.

Visit an electric appliance dealer soon and bring home an electric range so you, too, can have a bright and shiny kitchen.

FREE WIRING - An extra for WTU customers. If you are a customer of WTU and purchase your flameless electric range from a local appliance dealer, WTU will install the wiring at no charge to you.

**Questions Answered  
 Concerning Who Can  
 Vote in Election Nov. 3**

Ray Shirley said Tuesday that in the past few days, several citizens over 60 years of age have asked him if they could vote in the Tuesday general election without an exemption certificate. Mr. Shirley's reply is "Yes (if you are over 60). In our county you do not have to have an exemption certificate. This is for counties that have over 10,000 population."

Art. 5.02 of the Texas Election Laws says: "Any qualified elector who is over sixty years of age on the day of an election at which he offers to vote and who does not reside in a city of ten thousand or more inhabitants may vote at the election without having registered as a voter, but no other person shall be permitted to vote unless he has registered in accordance with the provisions of this code."

Art. 5.02a. Voting for federal offices: Qualification and requirements for voting for federal offices. Notwithstanding any other provision of this Code or of the Constitution of this state, the payment of the poll tax shall not be required as a condition for voting for United States Senator, for United States Representative (including Congressman-at-Large), or for President and Vice President or electors for President and Vice President of the United States, in any general, special, or primary election. To be eligible to vote for such offices, a person must be a qualified elector under the Constitution and laws of this state in all other respects. If he is not subject to payment of the poll tax, he must have obtained an exemption certificate in accordance with the provisions of this Code if he is required to hold an exemption certificate as a condition for voting generally. If he is subject to payment of the poll tax, he must have paid the tax and obtained a receipt therefor prior to the first day of February preceding the election; or he must have obtained a poll tax receipt without payment of the tax, in the manner and within the time provided in subdivision 2 of this section.

**'Project Happiness' at  
 Vernon State Hospital**

Letters, over 500, will go to organizations in the six county area, Baylor, Foard, Hardeman, Knox, Cottle and Wilbarger, relative to Christmas plans for the Vernon State Hospital.

For a number of years the Sorority Study Club has undertaken the job of publicizing this worthy cause, as one of their community services. The letters explain the needs of the hospital, suggested gift lists, directions for sending or delivering the gifts. This gives all citizens an opportunity of joining in the project.

"Everyone is needed to provide a happy Christmas for more than 400 patients," Mrs. Kade West, chairman of community service for the Sorority Club says. Serving with Mrs. West is Mrs. John Carmichael, Mrs. P. L. Ribble and Mrs. Ross Speer.

Other federated clubs in the area assisting is the 1964 Study Club of Quannah, Mrs. Hugh Marshall, president; Adelpian Club, Mrs. Robert Kinard, Crowell, president; and the Bluebonnet Study Club, Chillicothe, Mrs. T. C. Duffie, president.

It is the aim of these clubs to assure each patient at least two packages, Mrs. West added. "Without your help this will not be possible. May we count on you?"

**A 'Shocking' Lesson in Fire Prevention**

Junior Fire Marshal Stanley Livingston, holding frayed electrical cord, gets a lesson in fire prevention from his TV dad, Fred MacMurray, star of ABC-TV's popular "My Three Sons." Stanley, who plays the role of "Chip" in the series, is one of 45 million boys and girls who will qualify as Junior Fire Marshals by inspecting their homes for fire hazards such as this one during National Fire Prevention Week (Oct. 4-10). The year-found school Junior Fire Marshal program is a public service of The Hartford Fire Insurance Group and its agents across the country.

Bailey also visited in the home of Lawrence Glover and his son, Joe Glover, and family, Mrs. Bailey and Mrs. Zeibig are sisters.

**Card of Thanks**

Because we cannot thank each of you personally, we take this way of expressing to our friends and loved ones our sincere thanks for the love and kindness shown us during the death of our beloved father, M. B. Patton. We are so grateful to all who sent flowers and to all who brought food, especially to Alma and Trudy for letting us come into their home, and the ones who sang in choir, the ones who played the organ and piano, the pall bearers, Bro. Glenn Chambers and Bro. Glenn Willison for their comforting words, also to W. R. Womack, Funeral Home for their fine hand-

ling of all the arrangements of the funeral. We thank all of you. The children of M. B. Patton, Cumi Garrett, Agnes Weaver, Monty Patton.

**New Office Hours for Vernon IRS Office**

The local office of Internal Revenue Service is changing its office hours effective Nov. 2, Murray C. King, administrative officer of the Vernon office announced this week. Mr. King also announced that the Dallas headquarters offices are moving to a new location Nov. 2. The new address of the Dallas District Director will be 1600 Patterson Street at North Ervay, Dallas, Texas 75201.

The new office hours will be 8 a. m. to 4:30 p. m. Monday through Friday. The hours will be the same at the Dallas headquarters office and all of the 18 local offices in the Dallas district.

**Tax Man Sam Says:**

When Junior says he is a double income tax exemption, it comes as a surprise to thousands of Dads each year. Dads have had 10 years since the law was changed in 1954 to learn about the student exemption—but they haven't.

The student must claim his own exemption on his own return. If he is under 18 or a full time student and is receiving principal support from Dad, he can be claimed on Dad's return too.

However, the mixup continues. A lot of Dads send word to the teacher teaching the little IRS tax course at school that they are teaching the course all wrong. Dad tells the teacher that you can't "double dip." Well, Dad, in this case Junior gets an exemption and you also get an exemption.

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

**THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?**

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

**PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY**

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

## Santa Rosa District Workshop Held in Childress Wednesday

One hundred and thirty-five women attended a Santa Rosa District TFWC workshop in Childress last Wednesday.

Mrs. W. Baxter Johnson of Crowell, president of Santa Rosa, directed the business sessions beginning at 9 a. m. following an executive meeting.

Sue Speer, president, presided. Karen Shirley gave a very interesting talk on Halloween. Delicious refreshments were served by Mary Sue Carter and Cheryl Goodwin. The girls made about \$60 from the bake sale Oct. 17. This money is to be used to help sponsor the club's part of the new year's eve dance, which is sponsored every year by the Sub-Junior Adolphian and Columbian Clubs.

## Whooping Crane Gain Indicated by Recent Survey

Hazards of a whooping crane, even before it faces a 2,500-mile firing line between summer and winter areas, were reported from the far north to the Parks and Wildlife Department.

Arriving simultaneously with word that the first whooper of the season had arrived on the Texas coast, was a communique to the Whooper Network describing the recent injury to a young crane.

R. M. Cackey, operations supervisor for the Canadian Department of Northern Affairs and Northern Resources, wrote:

"A young bird with an injured wing was taken by helicopter from the pair (of whoopers) listed as having no young. It apparently ran into a tree snag while learning to fly. A local veterinarian removed a piece of a branch about two inches long from the shoulder muscle."

Mackey, quoted Nick Novakowski, Canadian Wildlife Service biologist, stationed at Fort Smith, Northwest Territory, that the final whooping crane survey of the summer nesting areas in the Sess River country, showed:

One pair with two young;  
Three pairs with one young each;  
One pair without young;  
Three adult birds;  
A total of 13 adults and five young.

Novakowski said the survey "is better than average and provides optimism this year." He added:

"We hope that 19 other whoopers that flew north in the spring have been just as successful."

Gordon Folzenlogen, assistant manager at the Aransas National Wildlife Refuge near Rorkport, from where 32 whoopers flew north last spring, said the first arriving whooper apparently was a loner—known as Scarface—which was the last to leave in the spring of 1964. Others are expected in by singles and pairs shortly.

## 'Variety' Is Key Word at Supermarket

Consumers have a wide choice of foods regardless of the department of the store in which they shop, says Mrs. Gwen Clyatt, Extension consumer marketing specialist.

The improved quality of vegetables gives homemakers greater freedom in planning menus for hearty appetites. Green beans are featured at some stores, while head lettuce is featured at others. The most economical tomatoes are the small or medium-sized packaged offerings.

Apples are plentiful at fruit counters. There are red and yellow delicious for salads or eating out-of-hand; Jonathan, Winesap or Rome Beauty for cooking. A good crop of Bartlett pears from the West Coast has resulted in attractive prices for this fruit.

Supplies of fryers are plentiful and will be featured items at many markets. Pork has started its seasonal increase, with pork loin roasts, ham portions, bacon and liver among the more economical choices.

## Proper Use of Native Grasses

by Don Newhouse  
Range Conservationist

The management of grassland in the Lower Pease River Soil Conservation District is of prime importance when one considers that over half of the agriculture land in Foard County is in grass.

Grass to the livestock man is a crop. Grazing animals harvest the grass which in turn is converted to beef. The more grass that is produced per acre, the more pounds of beef that is produced per acre. Several factors will influence grass production besides weather. We cannot change the weather to meet our individual needs, but we can do something about managing our grass to produce the maximum amount of forage.

The most important management tool is to properly use the available grass. Nearly everyone agrees that overgrazing is harmful to grass. However, how many of us know when a pasture is overgrazed? Most of the time overgrazing is recognized, as some express it, "grazed into the ground." Since grass means beef and beef means money, grass is important to our livelihood. Therefore, it is important to know and recognize the proper use of rangeland. A good rule of thumb method is "take half and leave half." If your pasture produces 2,000 pounds of grass per acre, then leave 1,000 pounds per acre on the ground for humus, organic matter, soil protection, water absorption, reduction of evaporation and higher production.

Don't let good grass be some-

thing you read about, let it be something you can show your neighbor.

## North Zone Dove Season to Close Oct. 30

One of the major hunting seasons will end soon for about three-fourths of Texas, noted Al Springs, wildlife coordinator for the Parks and Wildlife Department.

At sundown Friday, Oct. 30, legal shooting of mourning doves in the northern zone will close for the season. The season in the north zone opened Sept. 1.

Meanwhile, said Springs, the south zone hunt which opened Sept. 26, will continue until Nov. 24 except in those counties having a whitewing season where the season will close Nov. 20.

Springs said the 1964 harvest has been "about average" in most areas and that some good hunting continues in the south zone.

From the News . . .

# THIRTY YEARS AGO

News items below were taken from the Thursday, Nov. 1, 1934, issue of The Foard County News:

Buster Smith of Tipton, Okla., son of Mr. and Mrs. E. J. Smith of Crowell, and Miss Myrna McCordle of Tipton were married in Lawton on Oct. 16 in the home of Rev. W. B. Slack, pastor of the Methodist Church of that city.

The Crowell Wildcats had little trouble in disposing of the Throckmorton Greyhounds by the score of 38 to 0 here last Friday afternoon, in the third conference game of the year for both clubs.

Trades Day in Crowell on Monday promises to be one of the best in the history of the regular First Monday events here and an extra large crowd is in prospect for the day.

Completion of Fain-McGaha's No. 1 J. G. Thompson oil well two miles northwest of Thalia, featured oil developments in Northwest Texas last week on account of the fact that this new oil well is producing an estimated 200 barrels daily from an entirely new lime formation.

Members of the Crowell High School band are the proud possessors of new uniforms which consist of white trousers, caps and black flannel capes, lined with gold sateen. One side folds back in military fashion. They also have a military collar. The 18 capes were made by Mrs. Tanner Billington.

The district veterinarian for the U. S. Government at Amarillo has been instructed to visit Foard County in the near future for the purpose of conducting T. B. tests on dairy cattle throughout the county.

Mrs. C. C. Browning and children, Anna Katherine and James Clyde, of Truscott were visiting in Crowell Saturday.

Mrs. A. P. Barry of Byers is here visiting her daughter, Mrs. Hartley Easley, of the Vivian community.

Miss Mable Lee Eddy, daughter of Mr. and Mrs. Joe E. Eddy of this city, became the wife of J. B. Fairchild in a marriage ceremony at Frederick, Okla., on Monday.

A treasure hunt was enjoyed by members of the senior class of Crowell High School last Wednesday evening. Beginning on the Wildcat football field, the party was divided into two groups. The hunt that followed led the two groups to the gymnasium, Pat's cow lot, the court house, Phillips 66 station, railroad track, steps on Red Ragland's porch and the 20-yard line on the football field. Burk Bell discovered the treasure 27 steps north on the 20-yard line.

J. M. Housouer, who was dressed as a tramp, won the prize for being the most suitably dressed at the junior class autumn party Monday evening in the Ringgold building.

Mr. and Mrs. Claude Callaway and daughter, Faye, left Monday for Sherman to visit relatives.

Mr. and Mrs. John Teague of Thrift attended singing at Black Sunday.

## Federal Employment Tax Forms Mailed

Federal Employment Tax forms are now being mailed to all employers of the Southwest Region from the new Internal Revenue Automatic Data Processing Center in Austin.

Ellis Campbell Jr., District Director of the Dallas Internal Revenue District, announced this week that Publication No. 393 containing order blanks for forms, Withholding Forms W-2, Exemption Forms W-4, and important instructions should be received by employers within the next few days. This pamphlet also contains a poster which explains to employees the requirements of furnishing Form W-4 to his employer.

Mr. Campbell stated that new employers not receiving the forms should contact the nearest IRS office regarding employer filing requirements.

**Wildkittens Lose Game to Odell**

The Crowell Wildkittens were defeated Monday night by the powerful Odell Cowboys by the score of 26 to 14 at Wildcat stadium. The majority of the scoring by Odell was made on long runs. Crowell's first touchdown was set up by a long run by Daniel Santos. The second TD was scored by Billy Hord, and the extra point was run by Gary Eddy. Some outstanding blocking was instrumental in both touchdowns. The Wildkittens will play their last game of this half of the district next Monday night at Knox City at 6:30.

The following boys played in the game: Larry Ellis, Billy Hammonds, Terry Bird, Jim Tom Smith, Gary Cates, Leslie Hopkins, Ike Everson, Charles Nichols, Rudy Magee, Daniel Santos, Billy Hord, Gary Eddy, Junior Carroll, Ronnie Holland and Danny Rogers.

A former Foard County resident, he was married to the former Miss Opal Pierce, daughter of Mrs. G. F. Pierce of Crowell.

Survivors include his wife and five children.

**Notice to Bidders**

Notice is hereby given that the Commissioners' Court of Foard County, Texas, will on the 16th day of November, A. D. 1964, at 10 o'clock A. M., in its usual meeting place in the Courthouse at Crowell, Texas, proceed to receive and consider competitive bids for the purchase of the following described motor vehicles:

Two trucks, not less than 2-ton capacity; not less than 292 horsepower; not less than 154 inch wheelbase; 900x20, 10-ply tires on front; heater; H. D. springs both front and rear; right and left hand mirrors and two-speed axles,

and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law, but the Court reserves the right to reject any and all bids received. The successful bidder shall be required to execute a good and sufficient guaranty as to the uniform fitness of such vehicles and their soundness, and, if required, to furnish a good and sufficient bond, executed by some surety company authorized to do business in this State, in accordance with the provisions of Article 5160, Revised Civil Statutes of the State of Texas, 1925, and amendments thereto.

The Court offers as a trade-in and as part payment one used 1955 Chevrolet Truck and one 1951 used International Truck which such trucks may be inspected at the County Warehouse in Crowell, Texas.

Published by order of the Commissioners' Court of Foard County, Texas, pursuant to a Resolution passed by said Court on the 26th day of October, A. D. 1964, such Resolution being of record in Volume 8, Page 15, of the Minutes of the Commissioners' Court of Foard County, Texas.

**LESLIE THOMAS, County Judge,** by Order of the Commissioners' Court, Foard County, Texas. 17-2tc

**Everlasting Life**

Romans 8:2, when correctly read, is a most blessed passage of Scripture. To get the sense we should place a dash between the words "Spirit" and "of." Thus it would read: "For the law of the Spirit—of life in Christ Jesus, hath made me free from the law of sin and death."

When a sinner places his trust in Christ as Savior he is justified before the bar of God, because Christ's death and righteousness are imputed to him. This is a judicial matter.

But at the same moment something else happens: the Spirit regenerates and gives new life (Tit. 3:5). Now this is a law, an inexorable, unchangeable law. The sinner who sincerely places his trust in Christ as Savior is given life by the Holy Spirit. It is always so; it is never otherwise. I John 5:12 says: "He that hath the Son hath life . . ." John 3:36 says that "He that believeth on the Son hath everlasting life" and Col. 3:4 declares that the believer's life is "hid with Christ in God."

Thus the apostle could say: "The Law of the Spirit, (that of) life in Christ, hath made me free from the law of sin and death." Adam forfeited his life by sin, but the believer's new life can never be forfeited, for this life is nothing less than the life of Christ, in whom the sinner has already died, and paid for his sins—and in whom he now stands perfect and complete before God.

It is a law, a fixed unchangeable law, that sin brings forth death (Rom. 5:12; 6:23; et. al.). This is called "the law of sin and death," but the believer has already died for sin in Christ and has been given a new life by the Spirit. Thus "The law of the Spirit," that of "life in Christ," has made the simplest believer free from the "law of sin and death."

Thank God for "the law of the Spirit," everlasting life through the Lord Jesus Christ, who died for our sins.

**Business Manager of State Hospital to Speak in Crowell**

Texas Nurses Association Sub-District No. 11 will meet Tuesday, Nov. 10, at 7:30 at the Medical & Surgical Clinic in Crowell. Guest speaker for the evening will be Norman Roberts of Wichita Falls, who will speak on "Legal Aspects of Nursing."

Mr. Roberts, a graduate of the University of Chicago, is a member of the American and Texas Hospital Associations, Northwest Regional Hospital Association and the American Association of Mental Administrators. His present position is business manager of the Wichita Falls State Hospital.

**Card of Thanks**

I would like to thank my many Foard County friends for their concern for me while I was in the hospital in Oklahoma City. You just don't know how much I appreciated every card, letter, phone call, the flowers, and especially your prayers. May the Lord bless each and every one of you.

**Vernon Man to Head 1964 Census of Agriculture Here**

Omer E. Johney of Vernon has been named a crew leader for the 1964 Census of Agriculture, Percy R. Millard, director of the regional office of the U. S. Bureau of the Census at Dallas, announced Monday. The new crew leader is one of about 1,825 persons throughout the U. S. to receive this appointment.

The new crew leader will supervise a team of census enumerators who will visit all farms and ranches in Foard County to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

The census will be taken in the following way: shortly after November 5, the Bureau of the Census, an agency of the U. S. Department of Commerce, will mail census questionnaires to all rural boxholders. Those required to fill out the forms should do so and hold the questionnaires until a census enumerator comes to collect them. At that time, the enumerator will help answer any questions that may have proved troublesome.

The crew leader is a key person in conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

The Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. Such information is vital in making decision affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventories and information on farm equipment and improvements and income and some production expenditures.

The information will be published starting in 1965 for counties, states, and the nation.
