TEXAN OF THE YEAR - Allen Ludden of Corpus Christi received Texas Press Association's 1967 "Texan of the Year" Award. Presentation of the copper, engraved plaque was made to Ludden by TPA Pres. Jim Barnhill, publisher of the Hillsboro Daily Mirror. Ludden, pictured here with his lovely wife Betty White, was honored for the tremendous publicity he has given the Lone Star State on his CBS-TV program, "Password." Presentation of the Award was made at TPA's Honor Banquet at its Winter Meeting in San Antonio. Award is given annually to a former Texan now residing outside the state and bringing recognition to the state.

Pioneer Circle

The Pioneer Circle of the Woman's Society of Christian Service of the Crowell Methodist Church met for a social hour at the home of Mrs. Frank Flesher Monday at 3 p. m.

The meeting was opened by Mrs. A. R. Sanders, president. She led in the singing of three hymns, and was also program leader for

the day. Substituting for Mrs. R. J. Thomas, who was unable to be present, Mrs. Sanders led a dramatic devotional discussion. Taken from a book on prayer by Lau-

bach, she handed out slips of pa-

meaningful sentences from the book. The ensuing discussion was inspired as each woman read her respective sentence.

The program study was on mis-America Chapter was host to Mar- sion schools in Asia. TOTAL ELECTRIC LIVING A CLEAN BREAK WITH THE PAST

Count the ways electricity benefits you

In your home alone, 166 electrical appliances are available to save time, reduce work and do a better job faster and more economically.

Small wonder that in the last 10 years the typical American family has nearly doubled its use of electricity. And at very low cost. While the cost-of-living has been spiraling upwards, the price of electicity has been coming down.

Here at WTU we keep pace with the increasing use of electricity in industry, in business and in the home. It is a way of life with us, for we know that electricity powers progress.
