### PAPERS FOR NEW HOME

Mrs. Ruben Mitchell is above (right) as she and her husband (center) signed papers for a loan to construct a new home. Others in the picture are (left to right) Hubert Leslie, FHA representative; Vernon, Leslie Thomas, EOAC board member; Mr. Mitchell and Felix Taylor, Operation Mainstream Director. The loan of \$8,550 is a Farmers Home Administration interest credit and is the first loan of this type made in this FHA district. Crowell County Lumber Company will be the contractor and work on the house, which will be in the southeast part of town. (News photo)

## S. Band Wins Division I and II Ratings in Band Festival Thursday

Crowell High School Band, under the direction of Jerry Floyd, Division I and a Division II rating in the Interscholastic Band Festival held in Vero Beach, Florida, April 24. The band received a plaque for Division I rating (superior) and in concert playing. The Division II (excellent) rating was also received. The school has no record of obtaining a Division I rating in concert playing, so the local band made CHS history when they won this rating last week. Selections played by the band in the contest were "Music from Borliss Godounov," "Overture in Miniature" and "Captain Colbrick." Members of the band are Bette Barry, Deann Dodd, Ruth Brown, Susan Autry, Missy Williams, Kristi McLain, Renee Cooper, Nancy Looney, Betty Whitfield, Jane Hughtson, Janis Gray, Linda Gray, Niki Woods, Sandy Whitfield, Debbie Scott, Nellie Leija, Kay Shirley, Mieke Owens, Cathy McLain, Debbie Johnson, Carolyn Nichols, Sharla Haynie, Shayne Garrett, Darla Bell, Debra Rasberry, Karen Gray, Michelle Gafford, Bill Myers, Anthony Powers, Trey Autry, Terri Garrett, Reed Davis, Rhonda Vecera, Trudy Bird, Daryl Halenack, Cindy Wisdom, Cheryl Branch, Cathy Shirley, David Stapp, Harold Myers, Carolyn Jones, Beth Welch, Louis Lopez, Murry Bullion, George Brown, Peggy Rasberry, Ricky Lopez and Sharon Brown.

GLENN N. JONES

## Glenn N. Jones Elected President of New Mexico Organization

Glenn N. Jones, Foard County resident, was elected president of the New Mexico Society of Agricultural Technology for the 1970-71 term at the twenty-first annual convention held April 10-12 in Las Cruces. Jones served as a member in 1968-69. The 1970-71 National Membership Award was given to the society for the highest per cent of membership increase in the nation during the time Jones was chairman of that committee. He graduated from Crowell High School in 1951 and Hardin-Simmons University in 1954. He is employed at Clovis Memorial Hospital and is the son of Mr. and Mrs. Glenn M. Jones of Crowell.

## E. M. Cox Died in Dallas Hospital Thursday Morning

### Funeral Services Held at Baptist Church Saturday

Funeral services for E. M. Cox, 68, a resident of Foard County for 57 years, were held at 2 p. m. Saturday from the First Baptist Church. Mr. Cox died in a Dallas hospital Thursday morning following a short illness. Rev. M. L. Crosby, pastor of the Free Will Baptist Church, and Rev. H. H. Haston of Paducah, a former pastor of the Free Will Baptist Church here, officiated. Interment was in the Crowell Cemetery with Womack Funeral Home in charge. Pall bearers were Ernest Boren, Pat McDaniel, John Wheeler, Leonard Tole, C. V. Barker and Ruel Scott. E. M. (Earn) Cox was born June 26, 1900, in Brown County. He was married to Clara Belle Phillips in Crowell on Sept. 26, 1935. He was a member of the Free Will Baptist Church of Crowell. He is survived by his wife; a son, Arnold Cox of Crowell; three brothers, Leeroy of Lubbock, W. M. and Carl, both of Crowell; five sisters, Mrs. Grace Davis, Mrs. Bonnie Pratt, Mrs. Irma Jean Haynes and Mrs. Opal Stinebaugh, all of Crowell, and Mrs. Ruby Traveek of Seminole and three grandchildren.

### TO ENTER STATE TRACK MEET

Kenneth Sellers, pictured above, will enter the state UIL track meet in Austin May 1, 2, 3. Kenneth won second in the regional meet in Denton in the 220-yard dash to qualify for the state meet. He is the son of Claude Sellers of Crowell. (News photo)

## Diverted Acreage Can Be Grazed Until May 14th

Foard County farmers are being permitted to graze diverted acres until May 14—instead of May 1—according to an announcement made by Mrs. Jean Reeder, office manager of the ASCS office. This change which affects 34 counties in this section of the state, is for 1969 only. "Small grain crops on diverted acreage such as oats, rye, wheat and barley must be destroyed by grazing, clipping, incorporated into the soil or destroyed by natural causes by May 14, 1969," Mrs. Reeder said.

## Greenbelt L. V. N. Graduates Pass State Examination

Mrs. Dorothy Dodd, Mrs. Trula Woods and Mrs. Bobbie Foster of Crowell were among the 724 candidates who passed the state vocational nursing examination in Austin March 20-22 and were issued vocational nurse licenses. The three women from Crowell were members of the first class of the Greenbelt School of Vocational Nursing, which had Mrs. Edith Roark and Mrs. Alene Williams as instructors. There were 74 approved vocational nurse training programs participating in the March examination. At this meeting, 139 applicants from other states were granted reciprocity licenses. Mrs. Janette Lumpkin, also a member of the Greenbelt School, achieved one of the top 13 scores in the examination. pennies and several keys belonging to Bill Foster, operator of the station.

## Foard County 4-H Youths to Enter District Contest

District III 4-H Elimination Contest will be held at Midwestern University, Wichita Falls, on Saturday, May 3, according to Joe Burkett, county agent. Foard County will have the following 4-H'ers entered: Public Speaking: Pat Cates in the boys division and Peggy Jan Welch in the girls division. Favorite food show, senior division: Sharla Haynie, Fruit-Vegetable group; Rita Coffey, meat group. Junior division: April Werley, bread-cereal group; Jacquelyn Brown, fruit-vegetable group; Ruth Brown, meat group; Connie Werley, milk group. Soil evaluation: Jimmy Hammonds, Richard Statter, Marvin Machac and Leslie Hopkins. Share-the-Fun: Jerry Martin, Darryl Worley and Kathy Denton. Mrs. Warren Haynie, Mrs. Kenneth Halbert and Mrs. Clarence Garrett will assist with judging the electric contest, safety contest, and favorite food show. There will be a total of 32 different contests. Other adult leaders accompanying the group will be Mrs. Donald Werley, Mrs. Jack Brown and Mr. Burkett.

## Two from Here to Be Inducted into Service May 13th

Selective Service Board No. 131 has issued its May call for induction and pre-induction physicals. Of the eighteen men from the three-county area of Foard, Wilbarger and Hardeman, two Foard Counties were listed as having received induction orders for May 13. They are Edward Thomas Mechell, Jr., and Stephen James Weathered. Thirty-three men from the three counties were ordered for pre-induction physical examinations on May 13. Three of these are from Foard County. They are Daniel de los Santos, Roy Lee Aydelott and Ronald Keith Eavenson.

## New Drivers License Examiner to Be in Crowell Each Tuesday

Highway Patrolman Mick Kivlehen is the new drivers license examiner for Foard, Wilbarger and Hardeman Counties. He will be at the court house in Crowell each Tuesday to take applications for drivers licenses and renew expiring licenses.

## PROSPECTS BRIGHT FOR NEW LAKE CONSTRUCTION IN FOARD COUNTY

### Little League's New Members Assigned to Teams

At a meeting of Little League managers Tuesday night of last week at Bird's Dry Goods store, the final draft of new players for the LL program was made. The new boys were assigned as follows: Baylor Weathered, manager of the VFW team, chose Dean Hoffmann, William Bachman, Irwin Jackson and Delbert Glover. Bill Bell, Crowell State Bank manager, selected Tommy Tappelen, Rocky Marlow, Marvin Coleman and Norman Hopper. For the Farmers Elevator team, Roy Whitley selected James Aranda, Fred Gray, George Brown, Gary Glover and Timothy Garrett; while Marcus Mills, Foard County Mill manager, chose Audey Dunham and Myron Halenack. After a lengthy discussion, the four managers voted that any boy not residing in the Crowell School District boundaries or in the Gililand community at the time of registration would not be eligible to play in the local LL program. Little League President L. H. Wall, Jr., said this week that the Pee Wee baseball program will be organized later.

GRANDOL FOREHAND

## East Side Church of Christ to Have Gospel Meeting

The members of the East Side Church of Christ are inviting residents of this area to a gospel meeting to be held at their church beginning Sunday, May 4, and continuing through the following Sunday, May 11. Services will begin at 8 o'clock each night. Grandol Forehand, evangelist of Dalhart, will be bringing the messages. Mr. Forehand conducted a revival at the church here last spring. Wayne Oneal, local minister, added, "Hear the Gospel of Christ preached in truth and love."

## Checks Coming In for History of Foard County

Three days after the formal announcement of the History of Foard County in book form, the first check for the forthcoming book was received, and others have followed subsequently. Families are urged to begin immediately to collect individual family histories. If anyone has any information on the old post office, "Holmes," the Historical Survey Committee would like to know about it. Records from Washington show that it was established in 1881 and was discontinued in 1883. William C. Holmes was the only postmaster.

## Crowell Residents Complete Ambulance Attendants' Course

Pat McDaniel, Recie Womack and Joe Don Brown of Crowell are now certified ambulance attendants following their completion of a three day course in Wichita Falls last week in "Emergency Care for the Sick and Injured." The course was conducted by the Texas State Department of Health. The school was attended by residents from a wide area of North Texas. A new law in Texas makes it necessary for an ambulance carrying either sick or injured persons to have at least two qualified attendants in the ambulance.

## Two from Crowell to Receive Degrees from W. T. S. U.

Two students from Crowell are among the 687 candidates for degrees at West Texas State University in Canyon. Convocation will be May 18 in Amarillo Civic Center at 4:30 p. m. Crowell candidates for bachelor of science degrees are Miss Sherry Sandlin, daughter of Mr. and Mrs. James Sandlin; and Kenneth Archie Campbell, son of Mr. and Mrs. Archie Campbell.

## Mrs. Tom Bursey Observed 85th Birthday Sunday

Mrs. Tom Bursey, long-time resident of Foard County, observed her 85th birthday Sunday, April 27. Special guests present for the occasion were Mrs. Bursey's sisters, Mrs. Elmer Horne of Truscott, Mrs. A. B. McKinnis of Wichita Falls and Mrs. M. E. Winters of Greenville; and her two nieces, Mrs. Clay Dodson and Mrs. Bobby Coleman, both of Dallas.

Possibility for a large lake and recreation area for Foard County—and possibly a state park—look brighter all the time as the U. S. Corps of Engineers continue their work in an area about 6 or 8 miles northwest of Crowell in preparation for the construction of a brine lake. The dam to the northwest of Crowell and also one near Truscott on the Wichita River are part of a gigantic effort to halt the flow of salt water into the Wichita and Pense Rivers. Labeled by the Corps of Engineers as Brine Dam No. VII, the proposed facility northwest of Crowell would impound water over an approximate 8,000-acre area when full, and the dam will be about 3 miles long. The part of the county in the area of the lake is one of the most scenic in the county, and hopes are high that a state park can be established in the area, which would make this county the scene of an important tourist and recreation attraction for this section of the state. Although the water will be salty, it is believed that fresh water fish will thrive in the lake, but if they will not, salt water species can be stocked in the impoundment. **Dam Site** Already, survey marks have been put out by the Corps of Engineers, Tulsa District, along the center line of the dam, and a great deal of work has already been done in analyzing the soil for use in the construction of the dam. **Need for Roads and Picnic Areas** It has been pointed out that no plans are being made at the present for the construction of roads around the lake or for picnic site construction. In connection with this, area residents are urged to write to their representatives concerning this problem, which is explained in the following letter: "Survey and planning work for a Salt Water Retention project is being made at the present time by the U. S. Corps of Army Engineers. This project contemplates building dams for 5 lakes, three of which will be located in the Four Winds area and the other two will be located in Knox County. "At present no plans have been made for public recreational facilities on any of these lakes. "It is not too late to include recreational facilities on these lakes. It is necessary that the District Engineers be informed that the people of this area need and want recreational facilities provided on these lakes. This would include hard-surfaced access roads to the lakes; boat ramps and picnic areas also would be a part of the recreational area. "This public recreation area can be provided as part of the plan without any additional tax on any local area. "It is imperative that the citizens of the area take immediate action to have recreational facilities included as part of the overall plan. "You are urged to write to the following officials regarding this need for the lakes: "Col. Vernon W. Pinkey, District Engineer, U. S. Army Engineer District, Tulsa Corps of Engineers, Box 61, Tulsa, Okla. 74102. "Senator John Tower, Washington, D. C. "Senator Ralph Yarborough, Washington, D. C. "Congressman Graham Purcell, Washington, D. C. "Congressman Bob Price, Washington, D. C. "Governor Preston Smith, Austin, Texas. "Lt. Gov. Ben Barnes, Austin, Texas. "Rep. W. S. "Bill" Healy, Austin, Texas. "Senator Jack Hightower, Austin, Texas. "Let us strive to make the 4-Winds area one of the most desirable places in the U. S. Sincerely, Bill Neal, President, 4-Winds Industrial Corp., Sim Vaughn, President, Board of Directors, 4 Winds RC&D.

## Car Strikes Two Calves on Highway 70 Friday Night

Larry Stamps of Paducah was uninjured about 8:30 p. m. Friday night as the 1963 Ford car he was driving struck and killed two yearling calves a few miles east of Crowell on US 70. The calves, according to a report, belonged to Sonny Eddy. The car was termed a total loss, and both calves were killed.

### Senior Class

"Wat it! My arm is sore!" was the cry of many seniors last week after they had taken small pox and tetanus shots. Colleges usually require seniors to take these shots before they enter.

Seniors met Wednesday and Friday for class meetings. The class voted to have a barbecue Saturday, May 3, at Mr. Welch's home.

Four senior girls, Janice Gray, Debra Rasberry, Cathy McLain and Renee Cooper were members of the Crowell High School Band which participated in the UIL contest in Vernon Thursday. The band made a first division rating in concert.

The annual Junior-Senior banquet was held Saturday night. Seniors along with juniors enjoyed "An Evening in Paris." This was a sad as well as happy occasion for the seniors since it was their last high school banquet. After the banquet, many people returned for the prom which was sponsored by the junior class. A hearty thank you goes to the junior class, its sponsors, and class mothers for all the hard work and long hours spent in making the banquet such a success.

### The Junior Report

The junior class wishes to thank Mr. and Mrs. Tyler and all of the room mothers and fathers for the help they gave to put on our annual Junior-Senior Banquet. The banquet was decorated in the theme of an "Evening in Paris." A sidewalk cafe was illustrated by the canopied ceiling. The windows were covered with blue curtains to accent the atmosphere of the night. The front door was decorated by a large mural while the Eiffel Tower and the welcoming table were other attractions. The "Truth," a band from Wichita Falls, played for the prom.

### Senior Spotlight

The senior spotlight is focused this week on Renee Cooper, daughter of Mr. and Mrs. Crews Cooper. Renee is 5'5" with blue eyes and black hair. She attends the Methodist Church. Renee's 4 years of high school have been very busy and rewarding. She served as vice president of her freshman class and reporter of the senior class. For two years she has been a member of the Spanish Club, acting as its vice presi-

dent the first year and secretary-reporter the second year. Renee has taken a very active part in band. She has been a member of the marching band four years, the concert band four years, and the stage band three years. This year, she was drum major of the band. Her junior year, she was vice president, and her senior year, she was treasurer. Renee has also been a prominent member of FHA four years. She was reporter her junior year, and she was selected as homemaking queen that year.

Some of the other organizations Renee participates in are: FTA, 2 years; Drama Club, 2 years; Library Club, 2 years; and Wildcat staff, 1 year. All four years of high school, Renee has been an excellent student. She has been on the honor roll every six weeks and was a who's who last year. A short time ago, she was named an Outstanding West Texas Scholar. Last year Renee was a member of the spelling and writing team that went to the District UIL Literary meet. Outside of school, Renee has served in the Sub-Junior Adolphian Club for four years. Last year, she acted as federation counselor and this year, as secretary. Some of the favorites of this 18-year-old senior are: food, chow mein; color, pink; song, "Classical Gas;" actor, Steve McQueen; actress, Audrey Hepburn; subjects, English and homemaking; and hobby, sewing. Her number one dislike is people who use other people. After she graduates, Renee plans to attend TCU and to major in fashion merchandising.

### Honor Roll

The following students made all A's this past six weeks: Bettie Ann Burkett, Renee Cooper, Jo Driver, Harriet Halbert, Debra Rasberry, Murry Bullion, Carolyn Nichols, Douglas Chowning, Betty Sue Barry, Carolyn Jones, Nancy Looney, Jerry McLain, Ronny Naylor, Rhonda Swan.

The following students made all B's and better: Terry Bird, Yolanda Brown, Pam Carter, Pam Myers, Janice Gray, Mary Bob Long, Cathy McLain, Jan Welch, Sara Collins, Buz Basberry, Jimmy Glover, Elaine Jackson, Bill Myers, Kristi McLain, Sherry Prince, Steve Adams, Trey Autry, Nancy Carter, Teri Garrett, Rhonda Howard, Debbie Johnson, Ophelia McGee, Patricia Matus, David Stapp, Bill Taylor, Betty Linda Whitfield, Gladys Whitley.

### Spanish Club

El club de español de las escuela superior de Crowell tuvieron

su fiesta ultima martes, el viente nueve de abril mil novecientos y sesientos y nueve.

(The Spanish Club of Crowell High School had a party last Tuesday, April 29, 1969.) Fourteen members went to Vernon; while there they enjoyed roller skating. After the skating party, many of the members had acquired bruises. The group really had fun playing roller derby; With the skating over, the members and the sponsor, Mr. Gafford, ate at the Pizza Point. Would you believe a Spanish Club eating Italian food? Everyone had lots of fun. To our sponsor, Mr. Gafford, we would like to say "muchas gracias."

### FHA Demonstration

Mr. Gribble, representative of the West Texas Utilities Company of Wellington, demonstrated the use and care of electric ranges to all homemaking girls last Wednesday. He talked to the girls about the proper care of stoves and other electric appliances and explained how to cook meats in an electric oven, how to broil meats, etc. It was very interesting and all the girls who attended this session learned a great deal.

### Midwestern Choir

Tuesday, April 22, the entire student body was entertained by the Midwestern University Choir, under the direction of Bill Boland. The choir presented several classical compositions and three Spanish songs.

### Pep Club

A Pep Club meeting was held in the auditorium Thursday, April 24. Janis Bell, the new president, presided. The girls discussed the uniforms that will be worn next year. It was decided that the uniforms used this year would also be used next year. This includes black collotes, sweaters and tennis shoes, and white socks, gloves and diceys. Black and white pom poms will be used. Also during the meeting a new treasurer was elected to fill the vacancy. Jo Ann Williams was selected.

### Band News

The Crowell High School Band competed Thursday afternoon in the Interscholastic League Band Festival in Vernon. The three selections chosen by the band were "Captain Koebnick," "Overture in Miniature," and "Music from Boris Godounov."

The band won a Division I in concert and a Division II in sight reading in class A competition. Division I is "superior" and Division II is "excellence." The officials presented a plaque to the band with the word "excellence" inscribed across the center. The excitement of the band was expressed by the art work on the bus and the shouts of joy.

The members of the CHS Band would like to express their gratitude to Mr. Floyd, the band director, for all his efforts and work for making this possible. We are especially thrilled for this honor because the school has no record of ever obtaining a Division I rating in concert playing.

### Essay Contest

Two junior students, Lanette Franklin and Carolyn Nichols, entered the 6th REA essay contest, sponsored each year by the Southwest Electric Association of Tipton, Okla. The subject for the essay was "Power, Out Where There's Room to Grow."

On Wednesday night, April 23, an awards dinner was held at the REA building in Tipton. Winners from both Oklahoma and Texas were announced. Carolyn Nichols, daughter of Mr. and Mrs. Bill Nichols, was named second place Texas winner. Each contestant was the recipient of a transistor radio. Accompanying the girls were T. H. Franklin, Mr. and Mrs. Bill Nichols, Miss Linda Foster,

## Publication of Amendments Begins This Week

Publication is beginning this week of the nine proposed amendments to the Constitution of Texas. Voting by Texas residents on these amendments will be held on August 5.

Readers are urged to study these proposed changes in the constitution so they can cast an enlightened vote at election time.

### Ruben Mitchells Awarded FHA Loan for New Residence

Mr. and Mrs. Ruben Mitchell of Crowell have been granted a Farmers Home Administration interest credit loan for the construction of a new home. This is the first FHA loan of this type to be made in this area, according to Hubert Leslie, Farmers Home Administration officer from Vernon.

Mr. Mitchell has been enrolled in Operation Mainstream since April 8, 1968, in the work-training program sponsored by the Economic Opportunities Advancement Corporation of Crowell.

He will be employed by the City of Crowell in the near future.

Mr. and Mrs. Mitchell have seven children, and they have resided here for about seven years.

**CONSTITUTIONAL AMENDMENT**  
NUMBER TWO ON THE BALLOT (HJR9)

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Constitution of the State of Texas, be amended by adding thereto a new Section 49-d-1. (a) In addition to the Texas Water Development Bonds heretofore authorized to be issued by the Legislature under the Constitution, the Texas Water Development Board may receive grants and, in addition, execute contracts with the United States or any of its agencies, other states of the United States, foreign governments and others, for the acquisition and development of such water resources and facilities for the State of Texas. Such contracts when executed may be secured by the general credit of the state, and if so secured shall constitute general obligations of the State of Texas in the same manner and with the same effect as the Texas Water Development Bonds. If facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment. The aggregate principal amount of Texas Water Development Bonds authorized herein and in said Sections 49-c and 49-d shall be reduced by the aggregate of principal payments committed under such contracts constituting general obligations of the state. The provisions hereof shall not be construed to limit the authority of the Texas

Water Development Board to execute contracts or issue revenue bonds when such contracts or bonds are not secured by the general credit of the state.  
“(f) Texas Water Development Bonds and such contracts secured by the general credit of the state shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.  
“(g) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character.”  
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on Tuesday, August 5, 1969, at which election all ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment broadening the powers of the Texas Water Development Board and the purposes of the Texas Water Development Fund; eliminating the interest limitations on Texas Water Development Bonds; raising the authorized amount of Texas Water Development Bonds by \$3,500,000,000; extending the maturity schedule on Texas Water Development Bonds; eliminating the procedures for curtailment and the curtailment date of financial assistance to be provided by the Texas Water Development Board.”

**CONSTITUTIONAL AMENDMENT**  
NUMBER FIVE ON THE BALLOT (SJR5)

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 51-a of Article III of the Constitution of the State of Texas be amended so as to read as follows: “Section 51-a. The Legislature shall have the power, by law, to provide, subject to such limitations as may be imposed by the Legislature, such other restrictions and regulations as may be deemed expedient, for the purpose of providing financial assistance to and/or for the care for, and for the maintenance and any other services included in the federal laws which are now read or as may hereafter be amended, providing matching funds to such families and individuals who are unable to pay for care for themselves or for their dependent children. The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care for needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of state funds for such purposes provided that the maximum amount paid out of state funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of such assistance payments out of state funds on behalf of such individuals shall not exceed the amount of Eighty Million Dollars (\$80,000,000) during any fiscal year.  
“Supplementing legislative appropriations for assistance payments authorized by this Section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning September 1, 1969 and ending August 31, 1971: Three Million Six Hundred Thousand Dollars (\$3,600,000) for Old Age Assistance, Two Million, Five Hundred Thousand Dollars (\$2,500,000) for Aid to the Permanently and Totally Disabled, and Twenty-Three Million, Nine Hundred Thousand Dollars (\$23,900,000) for Aid to Families with Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments and otherwise shall be subject to the provisions of currently existing laws making allocations and appropriations for these purposes.  
“Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal laws, as they now are or as they may hereafter be amended, to the extent that federal matching money is not available to

the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.  
“Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state.”  
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday in August, 1969. At the election the ballots shall be printed to provide for voting “FOR” or “AGAINST” the proposition: “The Constitutional Amendment providing for assistance to and/or medical care on behalf of the needy aged, the needy blind, the needy disabled, and the needy dependent children and their caretakers; establishing Eighty Million Dollars (\$80,000,000) as the maximum amount that may be paid per year from state funds for assistance only; allocating and appropriating additional sums supplementing current legislative appropriations for assistance grants; and authorizing the Legislature to enact such laws as may be necessary in order that federal matching money will be available for assistance and/or medical care.”

**Texas Legislators Pass Over 100 Bills Last Thursday**

Austin, Tex.—After a slow Monday-Wednesday, legislators wound up last week in a blaze of speed, turning out more than 100 bills on climactic Thursday. Senate passage of a much-amended \$1.25 an hour minimum wage bill, with a push from Lt. Gov. Ben Barnes, highlighted the action. Bill survived Senate filibusters. Now it goes to the House where Speaker Gus Mutscher reports its fate will be decided in a floor battle.

Also triumphant over filibusters was the bill to set up Texas State Technical Institute under a separate governing board with authority to operate facilities in Waco, Harlingen and Amarillo areas. It is now known as James Connally Technical Institute and is under the Texas A&M University System. Only those courses which area junior colleges can't or won't offer could be taught in this job preparation field. Bill goes to Gov. Preston Smith for signature.

House earlier voted to split the Parks and Wildlife Department into separate agencies regulating parks and game and fish. Senate apparently is cool to the "divorce" plan.

House also voted to create University of Texas of Permian Basin near the present Odessa College campus and agreed the name of the Liquor Control Board should be changed to Texas Alcoholic Beverage Commission.

Both houses agreed on bills to provide for misdemeanor action against corporations charged with air and water pollution. A Senate-passed bill would permit admission of oral confessions as evidence in criminal trials.

**Mesquite in Bloom "Official" Sign That Spring Has Arrived**

As is shown in the picture above, mesquite is in full bloom. This, according to most people, is a sign that spring has officially arrived. It should also be a sign to most farmers and ranchers in the county of the ever increasing need for some way of controlling the pesky plant. According to Steve Smith, range conservationist of the local Soil Conservation Service office, chemical control of mesquite provides good control. There are two recognized methods of controlling mesquite with chemicals—basal treatment and aerial spraying.

Basal treatment of mesquite, when done properly, gives the best control of any of the present methods of brush control. The advantages of this method of control are: it can be done at any time of the year, it provides a way of controlling mesquite before a stand becomes too thick, and when done properly, will result in a high per cent of total kill of mesquite—often as high as 90 to 95 per cent of the plants killed. The cost of basal treatment limits this method of control to thin stands of mesquite.

Aerial spraying normally does not result in as good a total kill of mesquite as basal treatment, Smith said. A 20 per cent kill is considered a very good kill when aerial sprayed. Although aerial spraying does not result in as good a kill as basal treatment, the cost of spraying is much less and this must be taken into consideration.

Spraying should be done on moderate to thick stands of mesquite. Mesquite should be sprayed from 40 to 90 days after the first leaves appear in the spring. This normally is from about May 20 to July 1.

Another point to consider in controlling mesquite is to provide a rest period following the control measure. This is overlooked in many instances; yet, is very important to any range improvement program. At least 90 days of rest following the control measure should be planned for a pasture. This will allow the grass to increase in vigor, allow the better plants to produce a seed crop and thus promote the natural revegetation of the pasture. In many instances, excess wheat acreage or idle cropland may be planted to some type of forage sorghum to provide an excellent source of feed for cattle during the rest period.

Mr. Smith added, "The control measure to use will vary from farm to farm and often from pasture to pasture. For guidance on which method of control to use on your farm or ranch, contact any of the personnel at the local Soil Conservation Service office."

Mr. and Mrs. Clay Markham of Stamford.

Sim V. Gamble of Thalia visited the W. M. Rakes Tuesday.

Mrs. Mary Hennessee of Wichita Falls visited her parents, Mr. and Mrs. W. H. Haynie, last Monday.

Bill Rake went fishing at Lake Kemp Monday.

Frances Bayers, daughter of Mr. and Mrs. A. R. Bayers and a freshman at the University of Texas, was on a radio program Sunday night.

**Food Is a Good Buy in America Today**

According to the Arizona Farm Bureau, crop production per acre has increased 124 per cent since 1950 despite 50 million less cropland acres in production. Crop production per man hour has increased 148 per cent, and livestock production per man hour is up 149 per cent. Food is a good buy in America because of the productive ability of our American farmers and ranchers.

## Memorial Program Planned at Eastern Star Meeting Tuesday

A memorial program is planned for the stated meeting of Crowell Chapter No. 916, Order of the Eastern Star, Tuesday at 8 p. m. Officers are asked to wear their chapter dresses. Hostesses will include Mrs. Alyene Pittillo, Miss Odessa Moore and Mrs. Marietta Carroll.

Members desiring to join the Pink Ties and Pink Ladies may do so for \$1 per year. Annual dues are payable by May 31.

Local members have been invited to be guests of the Seymour chapter on May 5 at 8 p. m. when their three Grand Chapter officers will be honored.

## Vietnam Veteran Is Speaker at W. S. L.

At last Thursday meeting of the Women's Service League, Johnny Robertson described Vietnam as "a beautiful country geographically with a wide range of terrain," as he showed slides he had made while serving as a Marine. Due to high humidity, the

servicemen are subject to heat exhaustion. Mail from home is by far the best morale booster, according to Robertson. Mark Harris, also a veteran, was a special guest.

Mrs. W. L. Johnson will conduct a business meeting at this week's luncheon.

## Junior Columbians

The mother's tea was the highlight of the afternoon for the Sub-Junior Columbian Club meeting at 4 p. m. April 16 at the home of Mrs. Clinton McLain.

It was delightful to have so many mothers attending. The program was entitled "Teenagers," and it showed some events in a teenager's life at home. Jacque Gillispie was in charge of the program; she was assisted by Kristi McLain, Rita Coffey, Mieke Owens, Peggy Raspberry and Sara Collins. Punch, cake, and coffee were served by Zerne Gafford, Cathy McLain and Jo Driver. It was a memorable event for the mothers as well as the club members.

The next meeting will be the club banquet at Vernon. Next year's new members will be special guests. All will attend the show after the banquet.

## National Garden Club Convention to Be Held in Dallas

The 40th annual spring meeting of National Council of State Garden Clubs, Inc., will be held at the Sheraton Dallas Hotel in Dallas May 8-14. Theme of the convention will be "Our Fortieth Year—Pride and Purpose."

The national council has 500,000 members including those in the fifty states and affiliate groups on every continent of the world. Foard County Garden Club members are being invited to attend the convention.

## Library Workshop to Be Held in Vernon

A workshop will be held at the Carnegie City-County Library in Vernon on Thursday, May 8, at 10 a. m. for all persons interested in libraries. The topic for discussion will be trusteeship.

Sponsorship of the workshop is by the Carnegie City-County Library and the Field Services Division of the Texas State Library. The workshop, which will be conducted by Mendell Morgan, assistant director, Field Services Division, Texas State Library, will be devoted to the solution of the problems of members of boards of trustees and to profiles of successful boards.

All persons interested in the improvement of library service in their community are urged to attend.

## Junior Adelpheans

The Sub-Junior Adelphean Club met at the club house Friday for the last regular meeting. A committee report was given by Jan Welch and final plans for the spring dinner were made; it will be held at Canton Cafe May 8. At the dinner new members will be honored and new officers installed. Renee Cooper gave the secretary's report and Jam Carter the treasurer's report.

Julia Whitfield introduced the guest speaker, Mrs. R. G. Raspberry, who talked on "Bread and Butter and Other Notes." A question and answer period followed. Mrs. W. S. Carter and Nancy served refreshments to 15 members.

The May 5-9 referendum on this question will be the fourth to be conducted by mail. Ballots will be delivered to all cotton growers of record in counties holding a referendum next month. Officials said a mail vote has proved to be more convenient for growers, rather than having to appear in person at their polling place, particularly during a busy season. To be counted, all votes should be in the office of the county Agricultural Stabilization and Conservation Committee before the close of business on May 9, or be postmarked by midnight May 9.

## Cotton Vote for Foard County Set for May 5-9

Foard County cotton producers will join upland cotton farmers across the nation's cotton belt in an election May 5-9 on whether to permit the transfer of 1970 cotton acreage allotments to farms in other counties by sale or lease, Mrs. Jean Reeder, office manager for the ASCS, said last week.

Local cotton farmers in all previous such elections have rejected transfers and the May mail election will be the last under the present law, unless it is extended.

If in any county at least two-thirds of the growers voting favor the transfer, growers of that county will be permitted to transfer their allotments by sale or lease to farmers in other counties within the same state. (Any lease agreement filed with the county ASC committee between June 1, and Dec. 31, 1969, where an allotment is transferred within or outside a county, will, if approved, be honored by the committee for the number of years specified in the lease.) Allotments may not be shifted to other states.

Where approved by at least two-thirds of the growers voting in the county transfer of allotments to other counties will be permitted during 1970. The transfer of allotments is authorized in the Food and Agriculture Act of 1965. This act, as amended, and the authority to transfer allotments expires at the end of 1970.

## Former Christian Church Minister Here Has New Assignment

Two former area residents have been named to prominent positions of the Christian Church at a meeting of the state organization in Lubbock last week.

Dr. Harrell A. Rea, executive secretary of the Christian Church Commission of Greater Kansas City for the past 11 years, was named as a member of the executive team and is now an associate executive minister. Dr. Rea was minister of the First Christian Church here back in the 30's. He served as Scoutmaster and was active in other community affairs when he made his home here.

## Successful Cancer Crusade Drive in County Brings in Total of \$871.00

The Foard County unit of the American Cancer Society had its annual drive on April 15. A total of \$871.00 has been raised to date, according to Mrs. Glenn Halsell, Jr., chairman of the drive, who expressed the appreciation of the Cancer Society officers for the generous donations of residents of this county.

Mrs. Halsell listed the following who helped in the drive this year: business area workers, Mmes.

### Funeral Services for Willie B. Byrd Held Here Monday

Mrs. Willie B. Byrd, 55, resident of Foard County for many years, died in the Crowell hospital Saturday, April 26.

Funeral services were held at the Hopewell Baptist Church at 3 p. m. Monday with interment in the Crowell cemetery.

Mrs. Byrd was born in Smith County, Texas, Dec. 16, 1913, a daughter of Mr. and Mrs. Robert Henry.

She is survived by her husband, Ulee Byrd; one son, Perry Lee Byrd; 3 sisters, Lessie B. Walton, Genola Sillemon and Sammie Lee Glover, all of Crowell.

### One New Vehicle

One new vehicle was registered here last week: D. L. Campbell, 1969 Chevrolet pickup.

Fred Youree, Hubert Brown, Foster Davis, C. R. Seale, J. A. Marr and Crews Cooper. Residential area workers: Mmes. J. T. Hughston, T. O. Ellis, Gordon Erwin, Cecil Driver, James Sandlin, Elton Carroll, Moody Bursey, Evelyn Steele, Glyndon Johnson, Robert Kincaid, Ralph Adams, John McAlister, Baxter Gentry, Thomas L. Tamplen, Early Pruitt, J. T. Brooks, Larry Wright and Dale Henry. Community area workers: Mmes. Duane Naylor, Felix Taylor, Otto Bachman, Jr., Fred Gray, W. A. Dunn, Monroe Karcher, Duane Johnson and V. A. Johnson.

Mrs. Bud McLain served as residential area captain and Mrs. Halsell as crusade chairman. Others helping with the drive include Mrs. Gordon Cooper, educational chairman; Mrs. John Borchardt, memorial chairman; Mike Bird, treasurer, and Mrs. Henry Borchardt.

### Local Car Dealer to Attend State Convention in Austin

Glenn Goodwin of Crowell will be among the 1,000 delegates to the 52nd annual Texas Automobile Dealers Association convention in Austin May 8-10.

Mr. Goodwin is a partner in the Borchardt-Goodwin Chevrolet and Oldsmobile dealership in Crowell.

## Soldier's Wife Writes of Reunion in Sydney, Australia Last Month

(The following article was written by Mrs. Joan Naron and appeared in the Childress Index. Mrs. Naron's husband is Lt. Norman Naron who is the son of Mr. and Mrs. Ray Naron of Vernon and grandson of Mr. and Mrs. Sam Mills of Crowell and Mrs. Guy Naron of Quanah.)

Would you believe a person could travel halfway around the world, going over 15,000 miles, to Sydney, Australia, and meet someone else from Childress?

It seemed impossible enough after extensive planning and anticipation that I could possibly be united with Norman coming from Vietnam, but all went well, and we spent six lovely days in Australia.

The unusual part of our trip was seeing George Tipps, Jr., a former Childress citizen who was in Sydney holding a Campaign for Christ with a group of 45 other persons from an Oklahoma City Church of Christ congregation.

I cannot resist this opportunity to tell you more about my interesting and exciting trip to Sydney. In traveling, I made three stops—Los Angeles, Honolulu and the Fiji Islands.

The trip took over 26 hours, and I had to keep assuring myself that there was land somewhere in that tremendous span of ocean water. In the confusion of time changes, the international date-line, and flight schedules, I arrived two days before Norman, and in a foreign city of over 2½ million people—all foreigners to me—I did not feel secure until I heard a knock on the hotel door and a very familiar and long-awaited voice call my name.

Shortly after arriving, Norman put in a long distance phone call to his parents, Mr. and Mrs. Ray Naron of Vernon. They were very surprised and happy to hear Norman's voice and could hardly believe he was speaking from Australia.

There are one or two flights each day into Sydney bringing soldiers from Vietnam in for six days of rest and relaxation. The people of Sydney are very hospitable and quite helpful when after hearing us speak only a few words, they knew we were Americans.

The people sounded quite British to us, but if we listened carefully, we had no trouble understanding what they said. We learned that if something was very "dear"—it was high in cost, and they were not being insulting when they called someone a "bloat!"

In the six days, we toured the city and tried to see all the attractions from their beautiful harbors and beaches to the populous suburbs and into the bushland country where we petted kangaroos and koala bears and saw other native animals.

The most extraordinary sight was their enormous opera house being constructed on the ocean harbor's edge. It has been under construction since 1965 and was originally to cost \$8 million. They are now predicting its completion in 1972 and at a cost of \$85 million.

Sydney is a very modern city and very much like Chicago with its crowded streets and busy people. We found it hard to believe that we were on the opposite side of the world and down under, where as children we thought that people must be walking on their heads.

Having to see Norman once again leave for Vietnam was the hardest part of the journey. His tour of duty will be over in June, and he is so anxious to return.

As my plane approached the lovely California coast, I was filled with great pride and relief to be back in the USA, yet I thought that my feelings must be nothing compared to the feeling of relief and joy that all our soldiers returning from Vietnam experience when they get their first glimpse of this beautiful and wonderful land which they had to leave so long before and for which they have fought and sacrificed for so many months.

Norman is a first lieutenant in the Army Artillery. His battery is located in the Central Highlands near Pleiku. For the past six months, his home has been a seven foot, well covered hole in the ground. He says he will really know how to appreciate a soft bed, a bathtub, and a good meal when he returns.

Norman's most prized possession in Vietnam is a cat which he managed to acquire in a trade with a South Vietnamese villager. The South Vietnamese enjoy the delicacy of eating cat meat, so cats are quite rare. Norman says that they help in lowering the rat population in the battery area, therefore, this is a very popular and fortunate cat.

## Two Minutes With the Bible

The Time Element in Scripture

How many problems would be solved, how many seeming contradictions in Scripture explained, if we were more careful to note the time element, emphasized so strongly in the Word of God.

In Romans 5:12 we learn that sin entered the human race by Adam. Then later "the law entered" (ver. 20). But still later the Apostle Paul arose to say: "But now, the righteousness of God without the law is manifested" (Rom. 3:21).

Early in man's history blood sacrifices were required for acceptance with God (see Gen. 4:4; Heb. 11:4); later circumcision and the law (Gen. 17:14; Ex. 19:5), and still later, repentance and water baptism (Mk. 1:4; Acts 2:38). But not until Paul do we learn of salvation by grace through faith alone, on the basis of Christ's finished, all-sufficient work of redemption.

This is why the apostle refers in Gal. 3:23 to "the faith which should afterward be revealed." This is why he declares that our Lord "gave Himself a ransom for all, to be manifested in due time," and adds: "whereunto I am ordained a preacher and an apostle" (1 Tim. 2:6,7).

It is only as we recognize the time element in Scripture that we see the difference between "the kingdom of heaven" and "Body of Christ," between "the gospel of the grace of God," and "the dispensation of law" and "the dispensation of the grace of God."

A comparison of Romans 3:21 and 26 shows how this time element is emphasized in Scripture.

After discussing the function of the law in verses 19 and 20, the Apostle Paul declares:

"But now the righteousness of God without the law is manifested."

Then, in verse 26 he states that it is God's purpose: "To declare, I say, at this time, His (Christ's) righteousness; that He (God) might be just and the Justifier of him that believeth in Jesus."

There you have God's terms of salvation for today. The sinner who places his trust in Jesus Christ, who paid the penalty for our sins, is justified before the bar of God. Glorious message: "Believe on the Lord Jesus Christ and thou shalt be saved."

**New Assistant to Congressman Purcell Visits Here Thursday**

Special assistant to Congressman Graham Purcell, Bill Hanes, accompanied by the congressman's son, Blaine Purcell, visited with a number of Foard County residents at an informal coffee in the director's room of the Crowell State Bank last Thursday morning.

Mr. Hanes has recently taken the job of the congressman's special assistant replacing Norman Duncan, who resigned from the job after serving for several years. Mr. Hanes' visit here and over this part of the district was to become acquainted with as many area residents as possible. A graduate of the U. S. Navy Academy and 7-year veteran of the Navy Air service, Mr. Hanes had been employed as an engineer by Collins Radio and worked in the tracking station network for the Apollo space program before going to work for Congressman Purcell.

He stressed, in his talk here, the desire of both Purcell and himself for the establishing of a communication program between the people of the 13th district and their representative in Congress. He said that he hoped to set up monthly visits to the various parts of the district with Congressman Purcell visiting the area at least every 4 months. He urged constituents to write letters to the Congressman telling him of their ideas and wishes concerning national legislation.

Blaine Purcell, veterinary student at Texas A&M, accompanied Mr. Hanes on his swing through the district in the absence of the Congressman, who was in Vietnam last week.
