CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MAY 28, 1970

SINGLE COPY TEN CENTS

Quota is \$970.00

CROSS DRIVE BEGIN ON JUNE 1

Plans were formulated by Red Cross chairman Billy Daniel and other workers, who met in the office on Tuesday, May 26, at 7:30 p. m. for the annual cross drive to be held in Foard County. At the meeting, Daniel, former chairman, was elected cross drive chairman for the current year, and the drive is scheduled to commence on June 1, and continue through the week of June 1. All who have a car should pick up supplies from the Red Cross on or before June 1.

Quota awarded to Foard County is \$970.00, and of this \$500.00 will remain in Foard County for local work. The balance forwarded to the National Chapter for over-all work.

Damage created by the flood storm should be repaired. Foard County residents in a similar situation which occurred in 1942 after Crow-

ell had a similar visitor, and they should remember, also, just how rapidly the Red Cross moved in and began lending assistance to the needy and homeless. Thousands of dollars were expended in repairing homes that were severely damaged in the storm and in building those from the ground up where they were totally demolished; and in providing food and clothing and medical aid.

Red Cross Blood Program
In addition to the assistance to flood and tornado victims afforded by the Red Cross, perhaps the most effective and the most needed service provided is the Blood Bank Program to local hospitals, and it should be remembered that before a county hospital can participate in the Blood Bank program, the county must have an active Red Cross program and must make an annual drive for funds.

Red Cross Chairman Daniel and Drive Chairman McDaniel urge one and all to give generously to this worthy cause.

Mrs. C. W. Ross Died May 20 in Crowell Hospital

Funeral Services Held Thursday at Margaret Church

Mrs. C. W. Ross, 65, resident of Foard County since 1923, died in the Foard County Hospital on Wednesday, May 20, after a long illness.

Funeral services were conducted at 2 p. m., Thursday, May 21, at the Margaret Methodist Church conducted by Judge Leslie Thomas and Rev. D. C. Reed, pastor. Interment was in the Crowell Cemetery with Womack Funeral Home directing.

Pall bearers were Billy Bond, Ray Hysinger, Cotton Owens, B. J. Halenak, A. B. Owens, Bill Murphy, Raymond A. Bell, Jack McGinnis.

The former Miss Bonnie Blanche Lisenby was born June 17, 1904, at Matador, daughter of the late Mr. and Mrs. John C. Lisenby. She married Clarence W. Ross May 6, 1923, in Matador and they moved to Margaret to make their home where Mr. Ross was engaged in farming. He died May 20, 1957. She continued to live on their farm until 1964, when she moved to Crowell. Mrs. Ross was a member of the Margaret Methodist Church and was active in the church and other activities of the community.

She is survived by one daughter, Mrs. Edwina Halenak of Margaret; one grandson, Daryl Halenak of Margaret; one granddaughter, Lisa Halenak of Margaret; four sisters, Mrs. Frank Montgomery and Mrs. John Irwin of Matador and Mrs. Jack Lacy and Mrs. H. C. Stephens of Turkey. She was preceded in death by her husband, her parents, and one brother.

Four-Cent Hike in Wheat Loan Rate Announced

An increase of four cents per bushel in the 1970 wheat loan rate has been announced for Foard County, according to Mrs. Jean Reeder, local ASCS office manager.

The 1970 loan rate will be \$1.30 per bushel. The 1969 loan rate was \$1.26 per bushel.

A one-cent-per-bushel discount for number two wheat, three cent discount for number three and four cent discount for number four wheat was announced.

Light smutty wheat also will be discounted two cents per bushel.

Number three or better wheat will draw a premium of two cents per bushel.

Again in 1970, protein premiums will be paid. Protein content from 12.0 to 12.4 will be 1 1/2 cents, 12.5 to 12.9 will be 3 cents and 13.0 to 13.4 will be six cents per bushel.

Commercial warehouse storage charges will be twelve cents per bushel from May 16 through June 12, eleven cents per bushel charge from June 13 through July 10, and ten cents from July 11 through August 7.

Marilyn Cates Named to Who's Who in College

Miss Marilyn Cates, Hardin-Simmons University senior from Crowell, was one of twenty-four recipients of the Who's Who Among Students in American Colleges and Universities certificates presented in the annual H-SU Awards Assembly.

Who's Who certificates are presented upon recommendation of a committee of nine appointed by Dr. Elwin L. Skiles, H-SU president. This committee selects outstanding students who meet the requirements of a minimum of a 2.5 grade point average with a minimum of 75 semester hours completed.

A 1966 graduate of Crowell High School, Miss Cates recently graduated from H-SU in exercises May 18. She was awarded a bachelor of science degree with a major in elementary education and a minor in English.

At H-SU, Miss Cates was a member of Alpha Chi scholastic honorary, Alpha Mu Gamma foreign language honorary, Sigma Tau Delta English honor society and Delta social club. She graduated from H-SU magna cum laude. Miss Cates is the daughter of Mr. and Mrs. Bill Cates, Route 2, Crowell.

Spotted Showers Fall in County Last Saturday

Foard County received some widely scattered rain showers late Saturday afternoon. Official measurement in Crowell was .9 inch.

The rain measured from only a few drops to .2 up to 1 1/2 and 2 inches.

An example of the spottiness of the rain is shown by the fact that .9 was recorded here, while Jeff Bell reported that only a sprinkle fell at the home of the late Mr. and Mrs. S. S. Bell just west of town. Between Crowell and the Bell hill, J. A. Garrett reported about 2 and one-quarter inches at his home.

Another light shower fell in Crowell shortly before 7 a. m. Tuesday.

Dan Mike Bird 1970 Graduate of Rice University

Dan Mike Bird, son of Mr. and Mrs. Mike Bird of Crowell, is a 1970 graduate of Rice University in Houston.

Bird received his bachelor's degree in political science, and is a pre-law major.

He plans to continue his law studies at the Texas Tech Law School.

Minister Philip Wilson Moves Here After MCC Graduation

Bro. Philip Wilson, Minister of the First Christian Church in Crowell, received his Bachelor of Divinity degree from Midwest Christian College May 22. He won the Forensic Award; first place on his manuscript, "Christ, the Refining Force," and first place on his delivery of it.

He has moved into the Christian Church parsonage and will be full-time minister here for the summer.

Ronny Clifton Receives Degree from West Texas State University

Ronny Clifton, son of Mr. and Mrs. George Clifton of Crowell, received his Bachelor of Science degree from West Texas State University at commencement exercises held at the municipal coliseum in Amarillo Saturday afternoon.

Clifton, one of 796 graduates receiving degrees, majored in physical education and biology.

Attending the graduation from Crowell were Mr. and Mrs. George Clifton and Mike and Mr. and Mrs. Jerry Clifton and children.

Foard County Judge Leslie Thomas delivered the first load of Foard County's 1970 wheat crop to the Farmers Co-Op. Elevator in Crowell about 4:30 p. m., Wednesday, May 20. This first load for Foard County was less than 24 hours later than the first load harvested in the nation for the current year. The nation's first load was cut in Wichita County late Tuesday afternoon.

According to elevator manager Homer Johnson, this first load contained 126 bushels, testing 60 pounds per bushel with a moisture content of 13.80. A \$25.00 premium for this first load was paid by the elevator.

The wheat was grown on the Thomas land a few miles southwest of Crowell.

The 1970 first load was six days earlier than last year as the first 1969 wheat was brought to the Foard County Mill on May 26.

The Foard County Mill received its first load Thursday, May 21, when a load grown on land belonging to Mrs. Gordon Bell was brought in. This first load contained 36 bushels, tested 56 pounds and had a moisture content of 16.

Combines Here
A large number of combines are parked all over Crowell this week, and when the land dries out from the rains, lots of the wheat should be ready to go.

Oats Cut
Many acres of oats have been cut during the past week, as the oats matured earlier than wheat.

Plenty of Hopper Cars
Tom Ellis, local Santa Fe agent, said Monday that the railroad will begin the season with plenty of hopper cars. He reported that two trains of empty cars were brought to Foard County over the week end and another train was scheduled to leave Hamlin early this week, en route to Foard County.

It had been reported earlier that a shortage of hopper cars would probably occur this harvest season.

Foard County Has 53,119 Acres Land Planted to Wheat

Wheat Acreage in County Shows Big Drop in 3 Years

Over the past three years, land planted to wheat in Foard County has decreased some 27,000 acres, according to the latest figures released by the local ASCS office.

A tabulation by the ASCS office last week showed that a total of 53,119 acres are planted to wheat in this county this year.

Last year, 62,000 were planted to wheat, and in 1968, the county had 80,626 acres planted to wheat.

Davis Named Outstanding Student at M. C. C.

Davis, husband of the former Sandra Ellis of Crowell, an award for the outstanding minister of Methodist College in Oklahoma. The award to Davis is at a banquet honoring graduates of the college held Friday night, May 21.

Mr. and Mrs. Davis will receive a free trip to Land.

The first year this award was given, and it will be annual award at MCC.

Mr. and Mrs. Davis received degrees at commencement exercises Friday night.

Davis is Minister of the Methodist Church of Cashion, and the graduation exercises were held at Crowell were Mrs. Daniels, Mr. and Mrs. Tom her brother, Larry.

Roy J. Cates Receives Honorary College Degree

Dr. J. O. Perpene, president of Jarvis Christian College, announced last week that Roy J. Cates has been awarded an Honorary Doctor of Literature degree at the school's spring commencement.

Approved by the board of trustees, Roy received one of only two special degrees being presented by the college this year.

Mr. Cates is a Foard County native and graduated from Crowell High School. He now makes his home in Austin.

The citation accompanying the degree reads in part, "Roy J. Cates, licensed lay minister, holder of the Executive Directorship of the Texas Conference of Churches, journalist, exponent of Christianity in action, ardent supporter of medical societies and related organizations, writer, producer and director of drama with music, teacher, radio-television artist and artisan—the epitome of a life lived abundantly." The citation takes cognizance of Roy's serving as an Elder of University Christian Church and his contribution as a past chairman of the official board of University Christian Church.

The honorary degree was presented in special ceremonies accompanying the college's spring commencement which was held on Sunday, May 17, at the school in Hawkins, Texas.

Cancer Society Sets Annual Meeting For June 4th

Over \$800.00 Received in April Cancer Crusade

The annual election-of-officers meeting of the Foard County Chapter of The American Cancer Society will be held on Thursday night, June 4, beginning at 8 o'clock at the Men's Sunday school class building of the Methodist Church, Ray Shirley, chairman, announced this week.

Cancer Drive
Mike Bird, secretary-treasurer of the local unit, said Saturday that a total of \$678.27 was raised during the Crusade Month of April here in Foard County. This does not include some \$122.00 in memorial donations also received by the local chapter.

Total donations for the county exceed \$800.00.

Daughter of Crowell Couple Receives Degree at W. T. S. U.

Mrs. Gail A. Null of Happy, daughter of Mr. and Mrs. Gerald Knox of Crowell, received her Bachelor of Science degree from West Texas State University at graduation exercises held Saturday, May 23, in the Amarillo Civic Center Coliseum. Mrs. Null is now working on her Master's degree.

An elementary education major, Mrs. Null is a member of the Texas Zeta Chapter of Alpha Chi, general scholastic honor society. She was one of 85 WTSU juniors and seniors initiated into the organization early this year. To be eligible, senior students had to have a 2.12 or better grade point average.

Mrs. Gerald Knox of Crowell and her granddaughter, Miss Stacy Knox of Quanah, attended the graduation exercises.

Winners Named in Pitch, Hit and Throw Contest Saturday

The county Pitch, Hit and Throw contest sponsored by Houston Adkins was held Saturday at Little League park for boys ages 9 through 12.

Rocky Glascock was winner in the 12-year-old division; Dean Hofmann won the 11-year-old division; Oran Carroll, Jr., was winner in the 10-year-old group; and John Klepper won the 9-year-old division.

Each boy who entered the contest will receive a Pitch, Hit and Throw patch to wear on their shirt, and the winners in each division received a plaque. The winners will go to Amarillo for the district contest.

Cub Scouts Discontinue Picking Up Old Newspaper in Crowell

Robert Foster, one of the leaders in the local Cub Scout program who has also been in charge of collecting old newspapers to be sold for benefit of the Cub program, said this week that newspapers will not be picked up any more by the Cub Scouts.

He expressed his thanks to everyone who had been so cooperative in putting their old papers out on paper collection days.

FOARD YOUTHS TO GO A&M FOR CONTESTS

Eight top 4-H Club contestants from throughout the 12 Service districts of Texas are expected to participate in the 4-H Food Show on June 4 at A&M University.

Contestants will be honored at the reception the night of the Texas Poultry Federation and the Extension Service.

People who will participate in the youth educational activities are expected to do so by the districts in their respective districts in one of the

basic four food groups: milk, meats, bread and cereal, or fruit and vegetable categories.

Those entering from Foard County are Rita Coffey in the meat division, and Sharla Haynie in the fruit-vegetable division.

The top winner in each of the food groups will be awarded a scholarship, and other winners will receive ribbon awards.

Contestants will place their food on exhibit for judging on June 3. The foods will be judged that morning. The public will be allowed to view the foods starting at 2:30 that afternoon. Contestants will be recognized and awards presented at 3:15 p. m. Awards will be presented by Bull Starnes of Fant Milling Company.

Others from Foard County attending Round-Up will be Jerry Martin, who will compete June 4 in the Money Management contest. Miss Ruth Brown will also compete June 4 in the Foods and Nutrition Activity contest.

Accompanying the group to College Station will be Pat Cates, who is a member of the State 4-H Council, and County Extension Agents Miss Helen Fincher and Joe Burbett.

James Weiss, Ex-Crowell Resident, Died Saturday

James Weiss, 52, a former resident of Crowell, died Saturday afternoon of an apparent heart attack while driving his car about six miles north of Big Spring. Mr. Weiss lived in Lamesa and was a dealer for a golf cart manufacturer.

He and his family lived in Crowell during the late 40's and early 50's when he was the local International-Harvester dealer.

Funeral services were held at the First Baptist Church in Lamesa at 2:30 Monday afternoon. Interment was in a Lubbock cemetery.

Survivors include his wife; two sons, Bob of Irving and Mike of Welch, Texas; his mother, Mrs. J. R. Weiss of Lubbock; one brother, George Weiss of Brownfield; and four grandchildren.

Mr. and Mrs. Ted Reeder and daughter, Jan, attended the funeral services from Crowell.

Austin, Tex.—Big turnover in state jobs is costing taxpayers \$19 million a year.

Henry Rothell, associate administrator of Texas Employment Commission, said the turnover of 26.48 per cent is due to "competitiveness" of industrial salaries.

"The state is acting as a training agency for private industry at a cost too expensive to follow," the veteran employment executive reported.

Despite difficulties in retaining skilled personnel, state employees have received substantial pay raises from the last two legislative sessions. Unemployment rate for the state as a whole continues well below the national average.

Employees in convention here were urged to continue working with legislative bodies to help solve the problems.

INDUSTRIAL RACE ON — Plans for establishment of 126 new manufacturing plants and expansion of 176 existing plants in the first five months of 1970 are reported in "Texas Industrial Expansion," published by UT's Bu-

reau of Business Research.

Twenty-nine new plants reported in May alone are located in Aransas Pass, Commerce (2), Corpus Christi, Corsicana, Dalhart, Duncanville, El Paso, Fort Worth (3), Galveston, Garland (2), Grand Saline, Houston (3), Katy, Laredo, Lubbock, McGregor, Mineral Wells, Pearland, Richardson, San Marcos, Seabrook, Stanton and Tyler.

DRAFT QUOTA SET — Texas draft call for June is down again—from 834 in May to 801, and no man will be inducted with a random sequence number higher than 170.

State quota for pre-induction physical and mental examinations in June is 2,320, less than half the May figure of 5,828.

Those with random sequence numbers 1-215 will be the only ones sent for these exams. No men with random sequence numbers above 215 will be forwarded for examination until further notice.

Men born in 1951, who have no random sequence numbers, will

not be called for this purpose. A drawing will be held later this year to establish the numbers for the 1951 group. All volunteers at the draft boards must be inducted ahead of the non-volunteers selected and ordered to report for induction by random sequence number.

Texas' induction quota is the state's share of June's national call of 15,000 men, all for the Army.

COURTS SPEAK — State Supreme Court reversed the intermediate court in holding that Methodist Church property used as the residence of a district superintendent in the San Antonio district is exempt from city taxation.

High Court heard arguments that the Liquor Control Board's controversial guest card rule for private clubs is needed to enforce its ban on open saloons. Third Court of Civil Appeals threw out the rule as vague and issued without finding of fact.

Supreme Court overturned Freestone County and Travis County lower courts decisions in condemnation cases on questions involving admissibility of evidence concerning comparable property values.

Court of Criminal Appeals agreed to review an earlier finding upholding the extradition of Charles Watson to California in the Sharon Tate murder case.

AG RULES — Judges may retire when eligible on any date they choose and create a vacancy in their office, and a vacancy is also created when a judge is removed for cause. So ruled Atty. Gen. Crawford Martin.

In other recent opinions, Martin concluded that: —Political party precinct committeemen are not entitled to compensation or expense allowances for attending a county executive committee meeting.

—Mental Health-Mental Retardation commissioner may remove his deputy for constitutional cause without MH-MR board approval.

—Former Brownwood fireman who was rehired is eligible to participate in the city retirement fund though he now is over 35; however, to get credit for previous service, he would have to refund contributions earlier made and withdrawn.

—State Board of Morticians has authority to request disinterment of a body by a county medical examiner, and the examiner may order disinterment if facts show need for inquest.

SCREWORM RULE OUT — Texas Animal Health Commission unanimously voted to knock out a screwworm quarantine rule bitterly opposed by Mexico.

Regulation required a two-week quarantine of lots of imported Mexican livestock exposed to animals infected with the screwworm parasite.

Mexican director general of animal health argued that the rule was not justified because Mexico treats its own animals for screwworm before sending them across the Rio Grande. Quarantine, officials said, resulted in unreasonably heavy losses to Mexican cat-

Missionaries Send Letter on Alaska

Mrs. H. E. Thomson is visiting her son, Rev. K. W. Thomson and family in Alaska and writes the News that Rev. and Mrs. Thomson are parents of a baby girl born May 14, with both mother and baby doing fine.

Rev. and Mrs. Thomson are Assembly of God missionaries in Alaska, and his mother enclosed one of her son's newsletters. In it he stated:

"Spring has finally arrived for us too, not like Texas of course, but the snow has started to melt in Stevens Village now. This is the one time of year when bush flying in Alaska stops. The soft melting snow will let neither wheels or skis land safely.

"Already the days are getting very long and soon it will be daylight all the time in the village. After a long dark winter the temperature is coming above freezing and the days are getting longer; boy is it great! But what is really great is to see the light of the gospel of Jesus Christ shine into the souls of men that have been bound in the darkness of sin.

Since our last newsletter, I have been privileged to hold several outreach revivals. God has been so good; as people have prayed for God to move, He has. As the Holy Spirit moved, men, women and young people have prayed for God to save, fill and heal them.

"When we first went to Stevens Village and as the gospel was preached, the Holy Spirit began to move and convict men of their sins. They wanted us to leave. Though everything one could think of was tried to make us leave, even to shooting holes in and cutting the fabric on the airplane and destroying part of our winter supplies, God was so good as it only went so far. But the Spirit of God was so good as it has continued to move through this past year. Many of these are now saved, and most of the rest come to church and say they are so glad we stayed.

"God uses many strange things to work out his plans and opens doors in ways we never expect. A fish-wheel breaks loose in the Yukon River and I come up the river

RATES UP — Higher fire, extended coverage and homeowners insurance rates are due to go into effect July 1, if the State Board of Insurance follows its staff's recommendations.

However, the board knows of no company request yet in the making for higher auto policy premiums.

Board staff said new building coverage will vary in price according to construction, location and use.

Homeowners' policies may go up as much as 18 per cent statewide, but fire coverage will increase only about 1.7 per cent and extended coverage 6.9 per cent, under staff recommendations pending before the board.

in my "Speed the Light" boat, just at the right time to help two native men. Another time at "just the right time," I arrive in the boat to pull two other native men back to the village after their little outboard motor went out and the current would have taken them down river.

"As our's is the only airplane in this part of the Yukon flats, I've flown several emergency cases out of the bush to the hospital in Fairbanks. . . . Praying for the sick has opened two families' cabin doors to us. One way or the other God has moved till every cabin in the village is open to us now. . . ."

Teaching Aid Printed by Parks, Wildlife Dept.

An attractive booklet designed to stimulate teachers' imagination in leading class discussion on the environment is being offered by the Texas Parks and Wildlife Department.

Written by information and education division coordinator Theodore D. Carroll, the free booklet is entitled "Facts, Situations and Challenges."

The work of department illustrators Nancy McGowan, Larry Smitherman and Bob Grigsby brightens the publication. A bibliography lists current books, reports and bulletins which also might be helpful to teachers in the study of man's effect on his environment.

They are available through the state's 20 education service centers. If the centers are unable to supply them, the booklets may be obtained by writing the department.

The colorful booklet is written primarily for junior high or middle school grades, but is easily adaptable to higher or lower grade levels, Carroll said. It also can be applied to various courses.

"This publication is not meant to replace anything," he added. "It's simply a 'stimulator' for teachers who wish to deal with wildlife or ecological problems in their classroom work."

Teachers may follow the format, which utilizes two or three-part "fact, situation and challenge" statements, or they may use the various discussion topics as idea stimulators for projects of their own design.

Simmer Down

"What's bothering you may be making you a dangerous man behind the wheel. Simmer down. You can't change the world for a moment, or the guy who's got your dander up. But you can save your own life!"—Milwaukee, Wis., Times.

Power Lawn Mower Can Be Dangerous

A power lawn mower is a necessary piece of equipment for maintaining a beautiful lawn. But it can also cause plenty of trouble, even fatal injury, when used in a careless manner or on areas where stones, pieces of wire, sticks and bones may be strewn.

County Agent Joe Burkett offers these suggestions for preventing lawn mower accidents.

Keep the lawn clean and in good condition. Pick up toys, stones, sticks, wire and other objects before starting the mowing job. Keep the mower in good repair and the blade sharp and keep people, especially children and pets, away from an operating mower.

Mow across embankments or terraces and never up and down. When starting the engine, stand away from the mower and make sure your feet cannot come in contact with the whirling blade. Never leave the engine running while the mower is unattended.

Operate the mower only fast enough to get a good, clean cut. Extremely high blade speeds are dangerous and cause excessive wear on the mower. If the mower is self-propelled, adjust the speed to your walking pace. Never let it pull you.

Fuel should be safely handled and stored. Don't fill the gas tank while the engine is hot. If the mower becomes clogged, stop the engine and disconnect the spark-plug wire before unclogging or doing any work on the underside of the mower.

Do not operate electric mowers on wet ground. Riding lawn mowers present the same problems as push or self-propelled types and the rules of safety should always be observed.

Using a power mower is no job for a child, warns the county agent. It should be operated only

by a person who is familiar with it and will follow safety instructions.

Social Security

If you are self-employed, trade, or a farmer, an accurate record of your income and expenses is most important in furnishing information to your social security claim. For the protection of your family, keep an accurate record of your income and expenses.

YEARS AGO**

News items below were taken
from the Thursday, May 23, 1940,
issue of The Foard County News:

Another step for obtaining state
designation for a highway con-
necting Crowell and Seymour was
made this week when delegations
from these two cities viewed the
plans for the proposed highway
before the State Highway Com-
mission at a hearing in Austin
Monday.

Born to Mr. and Mrs. Harold
Clayton Chapman, a girl, Edith
Pauline, May 20.

Born to Mr. and Mrs. John D.

**Display of Flag
Reduces Attacks on
Policemen in Georgia**

Since July, 1968, officers of
the Macon, Georgia, Police De-
partment have been wearing U.
S.-flag patches on the sleeves of
their uniforms and displaying flag
decals on their patrol cars, reports
the FBI Law Enforcement Bulle-
tin. During the first six months
of 1968, some 29 officers were
assaulted by citizens; during the
last half of the year, after the
flag was displayed, only one po-
liceman was attacked.

Rallying Point

... there was the usual an-
nual Newspaper Week observance,
with a lot of credit extended to
those fine young men who deliver
millions of newspapers a week as
private enterprisers, the newspa-
per boys. There are no newspaper
girls in California because the
streets are not safe for little girls.
It would seem that this would be
a rallying point for someone —
why not make the streets safe for
all children, but very unsafe for
criminals? ... —Montrose, Calif.,
Ledger.

To Take More Material

In 1964, a manufacturer of wo-
men's apparel needed about 3.2
square yards of cotton fabric to
make a skirt. In 1968, he used
only 1.9 square yards of fabric
for a skirt. Dr. Graham Hard, ex-
tension clothing specialist, notes
that the current word on lowering
the hemlines will directly affect
the cotton textile industry and
the man-made fiber manufactur-
ers.

Receives Honor in
Field of Pediatrics**

Dr. Eugene Ray Todd of Dallas,
and son of Mr. and Mrs. Walker
Todd of Quannah, was one of 316
pediatricians elected to fellowship
in the American Academy of Pe-
diatrics at its spring session in
Washington, D. C. Dr. Todd's par-
ents are former residents of Foard
County.
To qualify as a fellow of the
Academy, a pediatrician must be a
citizen of one of the countries
of the Americas. Certification re-
quires a minimum of 5 years
specialized study and/or practice
in pediatrics after graduation from
a medical school satisfactory to
the AAP executive board.
In the United States, an AAP
fellow must have been certified
by the American Board of Pe-
diatrics as a fully-qualified special-
ist in the field of child health.

Receives Degree at
West Texas State U.**

The Bachelor of Arts degree
was conferred by West Texas State
University upon Lowell Calvin
McKown, son of Mr. and Mrs.
Lynn L. McKown of Memphis, on
Saturday, May 23, at the Amarillo
Coliseum.
Lowell's parents are former resi-
dents of Foard County, and he is
a nephew of G. L. Cole and the
late Mrs. Cole of Crowell.
While at West Texas State Uni-
versity, Lowell served as vice pre-
sident, secretary, treasurer and
program advisor of the fraternity
to which he belongs, Alpha Phi
Omega. He served two years as
advisor for his dormitory and re-
ceived the certificate of recogni-
tion from Guenther Hall Council.
Lowell majored in English with
a minor in history. He is employed
with the editorial department of
the Amarillo Daily News and
Globe-Times and plans to contin-
ue his work toward a master's de-
gree which he started in January
of this year.

**May 29-June 6
Is Spraying Time
for Pecan Trees**

**Pecan Nut Case
Bearers Damage
Pecan Production**

May 29 through June 6 is the
time to spray pecan trees in Foard
County for the pecan nut case
bearers, says Joe Burkett, county
agent.
If more than one application is
made, the second should be ap-
plied one week after the first ap-
plication.
The agent says the following
insecticides may be used: Mala-
thion, 3 pounds of 25 per cent
wetttable powder per 100 gallons
water; Sevin, 2 pounds of 80 per
cent wetttable powder per 100 gal-
lons water; or Toxaphene, 5
pounds 40 per cent wetttable pow-
der per 100 gallons water.
Extensive tree banding in the
past few weeks indicate pecan
nut casebearer larvae are now
emerging in Foard County. Pecan
trees should be sprayed in order
to prevent the larvae from enter-
ing the nutlet, causing extensive
nut loss, Burkett said.
The pecan nut casebearer is the
number one pest of pecans in Tex-
as, the agent added, and thus be-
comes a determining factor in pro-
ducing pecans, whether on a few
trees or in large groves.
To effectively control the pecan
nut casebearer, it is necessary to
provide thorough insecticide cov-
erage of the nutlet clusters during
the period when the larvae are
hatching. This will prevent nutlet
damage and poor pecan produc-
tion.
"For further information on
spraying your pecan trees, call or
come by my office," Burkett ad-
ded.

**Average Pay for
Federal Employees
Is \$10,200.00**

There were 2,928,473 persons
on the civilian payrolls of the
executive, legislative, and judicial
branches of the Federal govern-
ment at the end of February.
But the Chamber of Commerce
of the United States urges you to
take heart because that total is
a drop from the 3,049,502 who
were working as of July, 1969.
It may not be a restorative for
the agonies you underwent on in-

be interested in knowing how much
of your money goes to pay federal
salaries.
According to the Washington
Post, the average pay of federal
civilian employees is now \$10,200

Malinda McBeath Receives Honors at High School in Austin

Miss Malinda McBeath, daughter of Sherman McBeath of Austin, and a 1969-70 graduate of Sidney Lanier High School in Austin, has received many honors during her senior year.

For the 1969-70 Lanier Beauty Review, Malinda was crowned 1969-70 Beautiful. She was also tapped into the National Honor Society for a high grade average during her four high school years. To

receive this honor, she had to have high recommendations from all teachers, who made the final decision.

Malinda received the 1969-70 Val Halla Award. This award goes to the person chosen by classmates and teachers as the most outstanding senior this year.

Malinda is the granddaughter of Mr. and Mrs. C. S. Bartley of Crowell and Mrs. J. L. McBeath Sr. of Vernon.

Eastern Star to Install Officers Thursday Night

Mrs. Pauline Foreman, deputy grand matron, and a team of Vernon members, will install the new officers of Crowell Chapter No. 916, Order of the Eastern Star, in a formal open ceremony at 8 p. m., Tuesday, in the Masonic hall.

Hostesses for the social hour will be Mmes. D. Estes, Homer Black and Bob Thomas.

Fred Cash and Miss Patterson Wed in Gilliland Rites

Miss Veta LaNay Patterson and Fred Wilburn Cash were married May 16 in the home of Mrs. Charlie Mislove of Gilliland. Rev. Charles Spence, pastor of the Truscott Methodist Church, officiated.

Parents of the couple are Mr. and Mrs. O. L. Patterson, Jr. of Benjamin, and Mr. and Mrs. Jim Cash of Gilliland.

The bride wore a blue and white dotted A-line dress and her white veil was attached to a satin bow. She carried white carnations on a taffeta.

Miss Trenna Cash, sister of the bridegroom, was maid of honor. She wore a yellow lace dress over taffeta.

Kerry Cash was his brother's best man.

A reception was held following the ceremony in the Mislove home.

The bride was graduated from Benjamin High School. The bridegroom attended Lubbock Christian College and is now a student at Midwestern University in Wichita Falls. They are living at the Benvers-Mulky Ranch near Truscott where he is employed.

Gambleville H. D. Club

The Gambleville Home Demonstration Club met Friday, May 22, at 2:30 p. m. in the home of Mrs. Warren Haynie. Mrs. Elton Carroll presided during the business session, in the absence of Mrs. Milton Hunter. Mrs. James Sandlin conducted a "guess who" contest.

Pictures of each club member from babyhood until now were displayed on a bulletin board and numbered with each member guessing "who."

Roll call was answered with "my favorite cake icing." Mrs. I. J. Jackson gave a very interesting program on "decorative icings" of cakes and was also presented the hostess gift.

Refreshments of cake and punch were served to 10 members and three visitors, Mmes. Jackson, Edgar Boyd and Truman Boyd.

The next meeting will be in September.

Work for Taxes

In 1970, Americans will use two hours and 43 minutes of their eight-hour workday to meet their taxes. This is nine minutes more than in 1969. In 1966, they worked two hours and 19 minutes to meet taxes, reports Doris Myers, extension home management specialist at Texas A&M University.

Two Minutes With the Bible

Faith and Hearing

"Faith cometh by hearing, and hearing by the Word of God" (Rom. 10:17).

This important passage of Scripture is, sad to say, little understood. Many people think of faith in the abstract, as though it were some mysterious power in itself. They speak of faith, but what do they mean? Faith in what? or in whom? Surely it is not possible just to have faith, without something or someone to have faith in.

Faith is not wishing hard, or feeling confident. Much less is it optimism or presumption or imagination. Faith must have a basis, a foundation. Thus the Christian's faith is founded on "the Word of God"—on what God has said in the Bible. The above passage explains: "Faith cometh by hearing."

Isn't that simple? Isn't it true? Some have said that "seeing is believing," but a moment's reflection will reveal that, like the phrase: "I'm from Missouri," this saying is an expression of UNbelief. When we have seen a thing we need no longer believe it; it has been demonstrated to us. But when we hear (or read) a matter reported, we may either believe or doubt it. "Faith cometh by hearing." And likewise hearing comes through what has been said. We believe what we hear and we hear what has been said. The Christian's faith, then, comes by hearing (God) and hearing by the Word of God. All true Christian faith is founded on the Word of God.

Actually the word "hearing," in Rom. 10:17, has the idea of heeding—paying attention, eagerly listening. This is why Gal. 3:5 speaks of "the hearing of faith." Thus Eph. 1:13, referring to Christ, says: "In Whom ye also trusted, having heard the Word of Truth, the Gospel of your salvation." Similarly we read in John 5:24 the words of the Lord Jesus: "He that heareth My Word, and believeth on Him that sent Me, hath everlasting life, and shall not come into judgment, but is passed from death unto life."

Durable Press Cotton Abrasion Resistant

Thanks to a new process developed by the U. S. Department of Agriculture, durable press cotton is now abrasion resistant.

Wearing in men's trousers at knees, pockets and cuffs has been a problem with all-cotton durable press garments, according to Joanne Thurber, extension consumer education specialist in clothing at Texas A&M University.

The new permanent sizing process improved abrasion resistance as much as five times on sample trouser cuffs. The sample also showed about 65 per cent greater tear strength than conventional durable press fabrics.

Miss Thurber says the sizing does not interfere with durable press qualities in clothes.

Farmers Elevator Undeclared; Takes Little League Lead

The Farmers Elevator Little League baseball team is the only undefeated team in the league, as recorded at the conclusion of play last Friday night. The elevator took two wins over Foard County Mill last week to retain its undefeated position. The Mill is in second place with 2 wins and 2 losses and VFW and Crowell State Bank are tied for third with one win and three losses each.

In the 6 o'clock game Tuesday night, May 19, VFW "broke the ice" and won its first regular season game this season, and it also was VFW's first win since the 1968 season. They took an 11 to 6 win over Crowell State Bank.

Willie Bachman hit his first home run of his career for VFW, and Dean Hofmann led in scoring for VFW with 3 runs on 3 hits. Randy Foster scored 1 run on 1 hit; Kim Daniel hit safely twice but failed to manage a score; Lane Simmons got 2 runs on 1 hit, and Richard Naylor got 1 run on no hits. Also scoring 1 run each on no hits were Jesse Henry, Milton Tennell and Billy Brown.

Rocky Marlow led the Bank's scoring with 2 runs on 1 hit. Tommy Tamplen got 1 run on 1 hit; Claudie Coleman got 2 hits but did not score and Dewayne Finley scored once with 2 hits. Reggie Jackson and Jay Wall each scored one run, with neither player getting a hit.

One of the best ball games of this or any other Little League season took place at 8 o'clock with Farmers Elevator finally coming out on top of a 14-12 score over Foard County Mill.

For the winners, Ernest Myers and David Bell each hit a home run and Steve Stapp hit a homer for the losers.

Bell got 3 runs on 4 hits; Jack Whitley 3 runs and 1 hit, Ernest Myers and Allen Tapp each got 2 runs on 2 hits, while George Brown got 2 hits, but failed to score. Randell Russell scored 1 run on 1 hit; Steve Rodriguez scored twice with no hits and Paul Whitley scored 1 run with no hits.

For the Mill, Stan Gentry got 2 runs and 0 hits; Audie Dunham, 2 runs and 1 hit; Myron Halencak and Rocky Glascock each got 2 runs and both hit safely 3 times. Stapp scored 1 run on 1 hit, as did Don Johnson, Dennis Setliff and Pat Norman scored 1 run each, but failed to get a hit.

Friday, May 22
In the 6 o'clock game Friday night, Farmers Elevator won over Foard County Mill 8 to 3.

David Bell hit a home run for the Elevator and scored 3 runs on his two hits. Wade Davis, Steve Rodriguez and Wayne Mitchell each scored one run and got no hits. Jack Whitley got a hit but failed to score. Allen Tapp and Randell Russell each scored 1

run and each got a hit.
For the Mill, Stan Gentry got a hit but failed to score; Myron Halencak scored 2 runs but failed to get a hit; Audie Dunham scored 1 run on 1 hit; and Rocky Glascock got a hit, but failed to score.

In the 8 o'clock game, Crowell State Bank took a 12 to 5 win over VFW. For the winners, Tommy Tamplen, Rocky Marlow, Steve Criss and James Aranda each got 1 hit on 1 run each. Claudius Coleman scored 2 runs on 1 hit; Dewayne Finley scored 3 runs and got one hit; Marvin Coleman scored 1 run but failed to get a hit; and Norman Hopper and Jay Wall each scored 1 run with no hits.

For VFW, Randy Foster, Junior Carroll and Jesse Henry each tallied a score, but failed to get a hit. Kim Daniel got 2 hits but did not score; and Dean Hofmann scored 2 runs while managing 1 hit.

This Week's Action
On Friday, May 29, at 6 o'clock, Crowell State Bank and Foard County Mill will meet; while in the 8 o'clock game, VFW will challenge Farmers Elevator.

Next Tuesday night, June 2, Crowell State Bank and Farmers Elevator will play in the 6 o'clock game, while at 8, VFW and Foard County Mill will be playing.

Who eats out? As income rises more money is spent on food. The USDA studies show that families with an annual income of \$10,000 and over spend more than 25 per cent of their food money on meals away from home. Families with less than \$3,000 income spend only about 10 per cent on meals away from home.

Time to Turn Back the Clock?

It's getting to be more of a compliment all the time to be told that we are trying to "turn back the clock" when we stand up for a solid, time-honored principle. Some back-tracking would be good for us all. The Chamber of Commerce of the United States observes that before jumping to conclusions it would be well to think how Grandpa probably would have reacted

to suggestions that he give up blessings like these:
Respect for the flag, now replaced by the kind of acts and utterances that were once punished as treason.
Safety on the streets, so far gone that men may soon arm themselves to go to church, like the Pilgrim Fathers.
Discipline in the schools and order on the campuses.
Modesty in entertainment, instead of the lewdness and filth, to which we are now subjected.
Inspiration in literature, instead of chastisements for our "mass guilt."
Courtesy in salesmanship —

the indifferent, snippy attitude of today's store clerks "is threatening to become the significant failure of American enterprise," according to Jack I. Strauss, R. H. Macy and Co.
Pride in craftsmanship, now given way to the mediocrity, featherbedding and fee-gouging prevalent in so many trades.
The right to work, which is denied in many places to all but union members.
The right to spend one's earnings, instead of being forced to turn over an average 35 per cent to tax collectors.
 All in all, Grandpa may have preferred it like it was. And if the present social ailments get much worse, so may we. It's time to revive some old scruples, to re-discover the virtues of honest work, thrift, respect for authority and personal and community responsibilities.
 If that requires turning back the clock, then, says the National Chamber, let's start turning.

district executive committee and this committee has the authority to declare the pupil eligible if there is no justifiable evidence for denying the release.

In other referenda, the league voted:
 —To keep the present awards rule, which prohibits awards worth more than \$20 over a high school athlete's entire career for participating in interschool competition, plus \$3 per year for additional "symbolic awards."
 —To retain spring training in conference AAAA football.
 —To prohibit participation in league competition of anyone who did not attend school a major portion of the preceding semester, completing at least three and one-half units or the equivalent, including at least two separate courses.
 —To change the opening date for football games to the second Thursday in September.
 —To carry Conference B eight man and six man football through to a state championship.

Interscholastic League Changes Rule on Transfer of Seniors

The Interscholastic League has announced that it has changed its controversial transfer rule to permit an athlete who changes schools to play football or basketball in his senior year.

The vote of member schools was 876 for and 127 against, changing the rule which has sparked debate everywhere from the playing fields to the legislature.

A provision was written into the rule requiring an athlete to get certification from his school superintendent and from the principal and coach of his former school that he was not recruited and that no "undue" influence was exerted against him or his family to move.

The gaining district's executive committee also must approve, and can overrule opposition to the athlete's participation.

Formerly the league operated under a transfer rule adopted to halt the football recruiting wars of the 1920s. That rule, in effect until passage of the new regulation, required transfer pupils to sit out a year of football or basketball.

This ended high school sports participation of seniors whose families had to move.

The new rule says: "A student who has only one year of eligibility remaining may participate in any new school to which he may transfer, provided he has a release, signed by the superintendent of the district or by other delegated administrator, and by the principal and coach of the school he previously attended, to the effect that the pupil was not recruited and that no undue influence was exerted upon him or his family; provided he is approved by the district executive committee of the district to which he is transferring."
 "Refusal to release a pupil may be reviewed by the receiving dis-

Pollution Problem Boils Down to Only One Question

"The whole pollution problem boils down to this: Do we really want to clean up America? Are we, private citizen and industry alike, willing to pay what it will cost—not only in terms of money but in terms of 'conveniences' we now take for granted, from throw-away bottles on the local beach to throw-away sewage in the local river? As of now, the answer is a resounding 'No!'"—Somerset, Ky. Commonwealth-Journal.

Two New Directors Named for Federal Land Bank, Vernon

At a recent meeting of the board of directors of the Federal Land Bank Association of Vernon, Ed Meharg of Chillicothe and Edward Turner of Quanah were appointed to serve on the board due to the recent deaths of W. V. Favor of Quanah and W. A. Dunn of Crowell.

C. L. Glazener, manager, stated that the deaths of these two directors was not only a severe loss to the association, but to the entire area. He also stated, however, that the association feels that it is fortunate to obtain the services of Meharg and Turner. Both are life-long, highly respected farmers and ranchers and have lived in their respective areas all of their lives. They are well acquainted with agriculture in this entire area as to values of farm and ranch land and both are considered leaders of their areas.

Lesson to Be Learned

"One lesson to be learned from the economic ills that gnaw at the nation's stability and threaten the citizens' prosperity is that government authorities do not know as much about managing the economy as had been assumed." —Portland, Ore., Journal.
