## 4-H Youths Are District Winners on Record Books

Five Foard County 4-H'ers won ribbons on the record books they entered in district competition. These books were judged on July 30 in Vernon with the judges being county extension agents from District III.

Three record books were entered in the junior division: Jacquelyn Brown, consumer education, blue ribbon; Renee Westbrook, consumer education, blue ribbon; and Bob Brown, horse, red ribbon.

Two senior record books were entered. Ruth Brown won first place in district competition for her record book in consumer education. Her record book will go on for judging in state competition, and she will receive a blue ribbon for her district win. Sharla Haynie entered her record book in the dress revue. Record books entered in this division are not awarded ribbons, since the record book score is part of the total score for their entry in the dress revue.

## Mrs. T. L. Ward, Foard Pioneer, Died Here Tuesday

**Funeral Services Held Wednesday at Thalia Church**

Mrs. T. L. Ward, 91, pioneer resident of the Thalia community, died about 5 a. m. Tuesday in the Foard County Hospital after a long illness.

Funeral services were held at 3 p. m. Wednesday from the Thalia Church of Christ. Interment was in the Thalia Cemetery under the direction of Dudley Fields Funeral Home of Vernon.

Mrs. Ward was born Dec. 10, 1878, in Grapeland as Annie Clark, daughter of the late Mr. and Mrs. P. D. Clark. She and Mr. Ward were married Oct. 11, 1899, in Grapeland and moved to Wilbarger County in 1902. They moved to Foard County in 1906. Mr. Ward died Sept. 13, 1952.

Mrs. Ward was a member of the Church of Christ.

She is survived by two sons, Tom Ward of Chillicothe and Walter Ward of Santa Rosa, Calif.; four daughters, Mrs. Pearl Kuehn of Thalia, Mrs. Kadie Taylor of Quanah and Mrs. Minnie Kasparak and Mrs. Edna Goodrick, both of Pasadena; one sister, Mrs. Essie Cannon of Poteet; two brothers, Will Clark of Carlsbad, N. M. and Buck Clark of Vernon; 19 grandchildren, 39 great grandchildren and 49 great great grandchildren.

## Fifty-One Transfers Reported to Local School System from Vernon District

The Crowell School Board, in a regular monthly meeting Monday night, learned that the school system will end the current year's operation with a deficit which is several thousand dollars less than was anticipated at the beginning of the fiscal period.

The board authorized the issuance of warrants to handle the expected deficit of \$34,500. Last year it was estimated that the deficit would be something over \$40,000 this year.

The board was informed by Supt. Larry Jones that a total of 51 transfers have been received from students residing in the Vernon district. They will be coming from an area of the old Lockett district which has consolidated with Vernon. Also there are seven transfers from the Gilliland district.

In a revamping of the bus routes for the district, two routes are being consolidated and the following drivers were employed for the routes: Marcus Mills, George Fox, Clyde Russell, Joe Smith, M. L. Crosby and Ray Glascock, in addition to Allen Taylor, Boots Henry and Ray Quintero who are full-time school employees.

The two bus routes running to Vivian last year are being made into one route and the two buses going to Foard City and Four Corners will be replaced by one bus covering these areas.

The board was notified that the three new buses to be purchased will be delivered in the fall. The buses are one 48-passenger vehicle to cost \$5,466 and two 18-passenger buses to cost \$3,525 each.

The four small school buses which the board advertised for sale a few months ago were sold to an Odessa firm for a total price of \$548.00.

The board has purchased 100 gallons of paint to paint the two football stadiums. In other action concerning athletics, the board voted to again sell parking spaces around the football field at \$3.00 each. Work is in progress on the new Dick Todd Field entrance honoring Crowell's most famous football player.

**Cafeteria Workers**

The board re-employed last year's cafeteria workers who are Mrs. Gloria Pierce, supervisor; and Mrs. Maude Golden, Mrs. Jody Miller and Mrs. Anna Laura Eavenson.

In other action, the board voted to buy four new evaporative air conditioners to be installed in the kitchen of the home economics building, the cafeteria, the Grade School study hall and the southwest room on the ground floor of the high school.

The Crowell schools will again be a cooperating member of the Region IX Education Service Center in Wichita Falls. It is through this agency that the local schools receive many films and other instructional aides.

## COMMUNITY COMMITTEEMEN BE NOMINATED BY PETITION

Foard County farmers will soon have the opportunity to nominate by petition candidates for ASC community committee posts.

The nominating period began July 28 and will close August 17. "This year we hope farmers in Foard County will nominate by petition full slates for all three communities. A full slate means a minimum of six candidates to choose from in electing a community committee of three members and two alternates," R. J. Owens, chairman of the Foard County Agricultural Stabilization and Conservation Committee, said this week.

All ASC community committees are elected annually. The newly elected community committeemen will convene shortly after their September election to elect one new ASC county committee member and two alternates. County committee members serve three-year terms, with one new member elected each year. Alternates are elected annually.

Mr. Owens explained that the county ASC committee administers agricultural programs such as marketing quotas and acreage allotments, price-support loans and purchases, conservation cost-sharing, and other farm action programs at the county level, dealing directly with producers. Community committees not only elect county committee members and alternates, but also help the county committee administer these programs.

"There's no red tape tied up in nominating a community committee candidate by petition," Mr. Owens said. "All that's really needed is a sheet of paper naming a candidate—and six or more signatures by eligible voters on that paper. Petitions are limited to one nominee each, but voters may sign as many petitions as they want. A farmer who is an owner, tenant, or sharecropper is an eligible voter in the community where his farm interest is. He can only nominate and vote in one community, however, even if he has farm interests in more than one."

Mr. Owens said that at least six eligible candidates are nominated by petitions submitted by farmers in their community, no other nominations need be made. However, if less than six are nominated by petition, the incumbent community committee will complete the slate, selecting candidates actively engaged in farming or ranching.

## Program on Drugs Planned at Out-Reach Center

The Youth Council of the Hardeman-Foard Out-Reach Service Center in Quanah is sponsoring a drug panel to be given on Monday, August 10, at 7:30 at the First United Methodist Church in Quanah.

Members of the panel will be Dr. Frankie Williams, Melvin Thorne, and other staff members from the Texas Mental Health and Mental Retardation Center in Vernon. Also on the panel will be a drug addict from Abilene and Quanah youth.

This will be an educational program on drugs and their effects, and everyone is urged to be present.

## Registration of C. H. S. Students Now in Progress

Registration of Crowell High School students is in progress this week by CHS Principal L. H. Wall Jr. Senior registration was on Monday, August 10; juniors registered on Tuesday, August 11; sophomores on Thursday, August 13, and freshmen will register on Friday, August 14.

Mr. Wall stated that if a student cannot register on the day assigned, he or she can come in any day this week except Wednesday morning. The office will be open from 9 a. m. until 3 p. m. and any student not registering on his assigned day is urged to come and register by Friday. Mr. Wall said "We would like to get every student pre-enrolled before school starts."

## Revival Set for Christian Church

Members of the grand jury were Moody Bursey, Noel Matthews, Bernice Huskey, Katherine Fox, Eldon Whitman, Billy Ray Dunn, J. M. Barker, Dwayne Boren, T. F. Lambert, Mae Naylor, Jake Wisdom and Donald Werley.

## School Year Begins August 12 for Crowell Teachers and Teacher Aides

Next Wednesday, August 12, the 1970-71 school year officially begins for the teachers and teacher aides of the Crowell Public Schools. Supt. Larry Jones says this early date is the result of state legislation which requires an additional fifteen days of work for Texas teachers.

Five of these fifteen additional days will increase the required days of student instruction to 180 days. The other ten days are for in-service training for the teachers (three of which will be August 12-14).

Supt. Jones said that on Wednesday, Aug. 12, at 8 a. m., the school faculty will meet in the cafeteria for a general session at which time coffee and donuts will be served. Following the general session, Principals L. H. Wall, Jr. and Gordon Erwin will hold separate faculty meetings in their respective buildings. Mr. Wall is the new High School principal and Mr. Erwin is principal of the Elementary School.

Cafeteria employees will meet Thursday, August 13, at 9 a. m. in the cafeteria and bus drivers will meet Friday, August 14, at 8 a. m., in the school cafeteria.

## Football Boys to Report August 12

**THIRTY YEARS AGO**

News items below were taken  
 from the Thursday, August 1,  
 1940, issue of The Foard County  
 News:

One hundred Boy Scouts and  
 leaders were in a three-day camp  
 at the pocket park three miles  
 north of Crowell Monday, Tuesday  
 and Wednesday.

Gov. W. Lee O'Daniel became  
 the governor of Texas for the  
 second time in a first Democratic  
 primary when he polled over 53  
 per cent of the votes cast last  
 Saturday. This year, O'Daniel's  
 campaign was not quite as spec-  
 tacular as that of two years ago  
 when he toured the state with  
 his musical troupe, but one unique  
 feature of his campaign was the  
 rendition of his own composition,  
 "There Ain't Gonna Be No Run-  
 Off," at all of his speakings.

Mr. and Mrs. Paul Shirley and  
 family moved Monday to the C.  
 R. Ferguson brick home on North  
 Main Street which they bought  
 last week.

J. H. Minnick and daughter,  
 Peggy, returned Sunday from a  
 tour of South Texas where Mr.  
 Minnick inspected horses for  
 eligibility as quarter horses for  
 the Quarter Horse Association with  
 headquarters in Fort Worth. All  
 ranches in South Texas were vis-  
 ited, but at the King Ranch, Mr.  
 Minnick found 250 horses subject  
 to registration as quarter horses,  
 probably as many as can be found  
 in all other parts of the state.

Diek Todd will leave Crowell  
 Friday for the Washington Red-  
 skins' training camp in Spokane,  
 Wash., to start his second year  
 of professional football.

Leslie Thomas was elected  
 Foard County judge in the first  
 primary here last Saturday. Mrs.  
 Ruth Marts received the nomina-  
 tion for treasurer of Foard Coun-  
 ty.

Banks Campbell returned to his  
 home in Crowell last week from  
 a six-weeks geology field trip in  
 the Eagle Mountains about 100  
 miles east of El Paso.

Two teams of Crowell business  
 men will meet in a softball game  
 under the lights here Friday night  
 in a match that is expected to  
 draw lots of attention. Any busi-  
 ness man who wishes to play is  
 asked to contact Jack Turner for  
 a position on one of the clubs.

Joe Eddy announced Wednes-  
 day afternoon that his new cafe  
 on Highway 70 six blocks east  
 of the square would be opened  
 Saturday afternoon at 6 o'clock.

Glendon Hays returned to his  
 home in Crowell last Friday from  
 Lawton, Okla., where he had been  
 visiting his brother, Jim Hays,  
 for the past month.

The rear portion of the Bird  
 Dry Goods Store in Crowell has  
 been moved back 20 feet to give  
 more floor space to the ladies'  
 ready-to-wear and shoe depart-  
 ments of that store.

Seventy-five women and girls  
 attended the Foard County Home  
 Demonstration Club and Girls'  
 4-H Club encampment at the  
 Spring Lake Country Club July  
 23 and 24.

Lavoyce Lefevre received sev-  
 eral severe cuts and bruises about  
 her body last Friday afternoon  
 when she was thrown from a car  
 fender into a barbed wire fence  
 and dragged several feet while  
 entangled in the wire.

**Drownings Take**  
**275 Lives in Texas**

A number of recent drownings  
 indicate an alarming fact, accord-  
 ing to George Cook, director of  
 Water Safety Service for the Tex-  
 as Parks and Wildlife Department.

The fact is that a great many  
 people go to the water for out-  
 door recreation and yet can't  
 swim 20 feet to save their lives.

"Last year Texas had 516  
 drownings, and we have had 275  
 since January this year," said  
 Cook. "In many cases just a few  
 swimming strokes could have got-  
 ten the victim out of trouble."

Cook said a recurring, almost  
 inexplicable, situation has to do  
 with waders who step in deep  
 holes and drown. In cases such  
 as these, safety is only a step  
 away, yet these waders can't  
 make it.

"Three-quarters of this planet  
 is covered by water. Texas is sec-  
 ond to Alaska in the amount of in-  
 land water. It would seem that if  
 we are to live on this planet in  
 Texas, learning to swim would be  
 in order," said Cook.

Cook said that for the most  
 part drowning victims are solely  
 responsible for their fate due to  
 their own carelessness, but there  
 are exceptions.

The exceptions are children  
 who go unattended around bod-  
 ies of water. "Over and over  
 again we get reports of tragic  
 instances in which a small child  
 topples into a swimming pool, a  
 lake or a drainage ditch and  
 whose absence is noted only too  
 late," said Cook. "Children must  
 rely on their parents for proper  
 supervision and protection, and  
 if this supervision is relaxed,  
 children pay with their lives."

ley County alone more than 500 residents are paying for Medicare, in addition to areas north into Hall County and south into Dickens County.

It is also pointed out that elderly people would be forced to travel 100 miles or more for treatment, away from their homes and relatives. It is also declared that many hospitals in larger cities are already crowded to capacity.

**Hospital Remains Open**

The Motley General Hospital is still open for business, fully staffed and ready to accept patients, honoring all acceptable insurance policies with the exception of Medicare.

Yesterday it was learned that a strong effort is being made to get the facility accepted as an access hospital, which would give it Medicare affiliation.

Rubber bands, all sizes and colors. Only 10c a bundle at the News office.

(Editor's note: The following article is reprinted from the last week's edition of the Matador Tribune, and concerns small hospitals.)

The same government that lent more than \$190,000 to the Motley County Hospital district to improve, equip and modernize a hospital facility here, has forbidden its use.

The same government that has financed LVN training courses in which hundreds of young women and men have prepared themselves for hospital service, has also declared the LVN almost needless.

The fate of the Motley General Hospital is no different than other small hospitals throughout the country. The fate of more than 500 Medicare beneficiaries in Motley County is their problem. They can receive Medicare benefits by going to Lubbock, Amarillo, or other larger centers.

The doom was sounded last week when two representatives visited the Motley General Hospital. They were Registered Nurse Joyce J. Hoover of Dallas, representing the Texas Health Department, and Wayne Johnson of Lubbock, representative of Medicare.

RN Hoover told Administrator Fred Wallace and other personnel that an LVN has no right to give medication to a patient, even if it is ordered by the doctor. All orders must be presented to the RN and the RN is the only one qualified to officially fill the order.

"They told me," Wallace said, "if you had this 13-bed hospital filled to capacity 24 hours a day, 7 days a week, 365 days a year, you could not pay 4.2 registered nurses if they were available, and you might as well quit kidding yourselves . . ."

The central hospitalization plan is designed to save money for the government, according to the two representatives.

When asked about a heart attack or accident victim, the representatives said they could be flown by helicopter to a medical center.

**Other Hospitals in Fight**

Other small hospitals throughout the nation, and especially in Texas, are joining in a fight to preserve local medical facilities. Congressman George Mahon was contacted concerning the grave situation. State Representative Bill Heatly of Paducah was contacted to lend his support in the struggle to keep hospitals in small communities. Up at McLean, hundreds of letters are being written Congressman Bob Price to be used as evidence in changing the restrictions.

The West Texas Chamber of Commerce has a representative in Washington who is using all possible influence to give the right to medical care back to the people in small communities, who have bought and paid for it. State Senator Jack Hightower of Vernon has promised his influence to remedy the condition.

It is pointed out that in Mot-

**Brides-to-Be Honored With Kitchen Shower**

Misses Darlene Gillispie, bride-elect of Larry Nunn of Amarillo, and Miss Virginia Stapp, bride-elect of Jimmy Cross of California, were honored with a double kitchen gadget shower Thursday, night, July 30, in the home of Mr. and Mrs. Jackie Walker.

Miss Gillispie, daughter of Rev. and Mrs. John Gillispie, will be married in September. Miss Stapp, daughter of Dr. and Mrs. Walter Stapp, will be married August 15.

The shower was given by the Ruth Class of the First Baptist Church. The class presented to each bride-to-be, "Miss Priscilla"—the kitchen maid. She was made out of a floor mop which stood in a plastic bucket with cup towels for her blouse and skirt. Her face was of a chore girl and her hat was a pot holder. Everything used to make Priscilla was a useful kitchen item.

After the gifts were opened, everyone enjoyed fellowship and games, along with cake and ice cream.

Those present were Miss Gillispie; Mrs. John Gillispie, her mother; and Miss Beverly Gillispie, her sister; Miss Stapp and her mother, Mrs. Walter Stapp, and Mmes. Myrna Walker, Sherry Wright, Barbara Black, Myrna Jones, Carolyn Henry, Sheryl Cook, Scott Boyd and Nelda Hopkins. Also, Miss Ora Mae Fox attended.

## Miss Janis Bell and Ike Everson Plan Fall Wedding

Mrs. Recie Womack announces the engagement and approaching marriage of her daughter, Janis Maudyn Bell, to Ike Marvin Everson, son of Mr. and Mrs. Dayton Everson of Crowell. Miss Bell is the daughter of Mrs. Womack and the late James Arthur Bell.

Miss Bell is a 1970 graduate of Crowell High School and Mr. Everson graduated from CHS in 1969.

The couple is planning a fall wedding.

## Bridal Shower Honors Miss Virginia Stapp

Miss Virginia Ann Stapp, bride-elect of James Lee Cross, Jr. of Barstow, Calif., was honored with a miscellaneous shower Saturday afternoon, July 25, at the community center.

Guests were received by Miss Ora Mae Fox and introduced to the honoree; her mother, Mrs. Walter H. Stapp; and the honoree's two grandmothers, Mrs. J. H. Stapp of Burnet and Mrs. H. E. Davis of Waco.

Miss Jon Ann Carter presided at the registry table which held the bride's book and a single Mo-jave rosebud in a crystal vase. Piano selections were presented by Miss Cathy McLain during the

hour the guests were received.

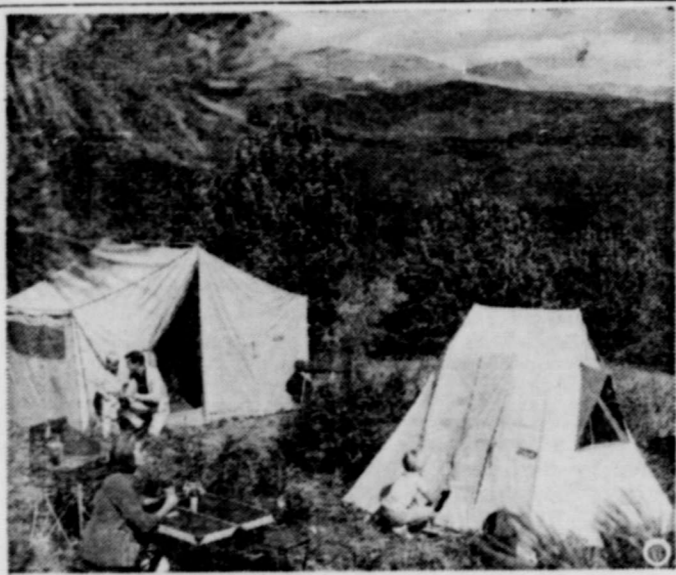

An imported white Irish linen outwork cloth, laid over the bride's chosen color of flamingo pink, covered the table from which frosted punch and cookies ornamented with confectionery roses were served by Meses. E. C. King, Newell Hofmann and Harry Tra-week. The floral arrangement of pink carnations was centered with a miniature bride and groom.

Assisting with the display of gifts were Meses. Chester Hord, Delton Coffey and Warren Haynie. Other hostesses were Meses. Bob Thomas, Glen Goodwin, Bill Gafford, Harold Fish, Jeff Bell, Leslie Thomas, Martin Jones and W. F. Statser.

## Program Planned Honoring Founder of Eastern Star

A program honoring Rob Morris, the founder of the Order of the Eastern Star, is slated for the stated meeting of Crowell Chapter No. 916, at 8 p. m. on August 11 in the Masonic hall. Meses. Arthur Bell, Bob Thomas and Elton Carroll have planned the program.

The ritualistic opening will be directed by Mrs. Pat Pittillo, worthy matron, and W. R. Moore, worthy patron. Hostesses for the social hour will be Mrs. Jim Moore and Miss Odessa Moore.

**TENTING TONIGHT**—Good tenting and good camping go together. The grown-ups find the model at left perfectly suited to their needs. Made of cotton canvas, it's simple to pack and easy to erect. FOARD COUNTY NEWS

CROWELL, TEXAS

# STATE Capital NEWS

BY VERN SANFORD

Austin, Tex.—Campaigns are shaping up on some of the seven proposed constitutional amendments to be voted on by Texans at the general election on November 3.

While public interest centers on the liquor-by-the-drink amendment, there are other major alterations in the state's laws to be considered by the voters.

In their order on the ballot, these are:

1. Enlarge the powers of the Judicial Qualifications Commission to censure or remove lower court judges and justices of the peace as well as district and appellate judges.

2. Authorize the legislature to enact a law on the sale of mixed drinks.

3. Provide for legislative establishment of a uniform method of tax assessment on ranch, farm and forest lands based on the capability of the lands to support the raising of livestock or production of farm and forest crops.

4. Make the State Building Commission a three-member appointive agency.

5. Permit counties to issue road bonds up to one-fourth of their assessed real property valuation on a majority vote.

6. Make town or city home-stands of \$10,000 and less exempt from forced sale (presently set at \$5,000).

7. Allow the legislature to provide for consolidating offices and functions of government and for performance of governmental functions by contract between the political subdivisions in any county.

Texas voters have adopted 195 amendments to the 1876 constitution, over the years, and rejected 125.

**DESEGREGATION SUITS THREATEN**—Federal negotiators report that only a few of the 38 Texas school districts, called on the carpet concerning segregation, had satisfactory plans for complying with U. S. guidelines. They conducted a two-day conference with school officials here and gave most of them another week to try and work out something or face a lawsuit by the U. S. Justice Department.

Negotiators suggested "pairing" of adjoining neighborhood school districts to get better racial balance.

Lufkin, Marshall, Midland and Katy found no ground for agreement with the U. S. Department of Health, Education and Welfare and Justice Department negotiators. Some complained that federal officials raised a new issue . . . that of integrating Mexican-Americans, as well as blacks. Most want to continue their efforts to find a way to comply with suggested plans.

Palestine reached a tentative agreement on pairing plans involving two grades in each school and requiring limited busing.

**COURTS SPEAK**—Alcoholic Beverage Commission's rules governing private clubs are headed for a U. S. Supreme Court test after the highest state court finally upheld the agency's regulation. Club operators claim "king's-x" against the rules while their appeal is "diligently pursued."

Texas will be among the first states to challenge constitutionality of the new federal act extending voting rights to 18-year-olds.

State Supreme Court, splitting 5-4, held that a businessman could not collect a \$10,000 libel judgement against a Denton newspaper for a story, based on an accurate account of a statement made at a city council meeting where it was erroneously reported that the man had declared bankruptcy.

La Raza Unida Party brought a mandamus suit in the Supreme Court to require its candidates' names to be placed on the general election ballots in three South Texas counties (Dimmitt, LaSalle and Zavala.)

Supreme Court agreed with an intermediate court decision that judges cannot grant occupational drivers' licenses just so those whose licenses have been suspended can get to work.

**LOOPHOLE COSTS**—State has lost millions in land revenue due to an old loophole in the law, which was temporarily closed last year.

State Land Office has been forced to sell submerged land for \$1 an acre to any navigation district that wanted it. Another law permitted district to declare land so acquired surplus to their needs—and sell it to the highest bidder.

So, Aransas County Navigation District, for example, acquired 604 acres near Rockport (in Little Bay) for \$1 an acre, then resold to a corporation. Some 165 acres of property now is selling for \$33,098 an acre.

Now, no more state-owned beaches, islands or submerged land may be sold or leased until the Interagency Natural Resources Council makes its final report to

the Legislature—or until May 31, 1973—whichever date is first. Unless the legislature takes a permanent step, the Land Commissioner once more could be forced to sell land requested by navigation districts for \$1 an acre.

**GAS PRICE RISE URGED**—Federal Power Commission at hearings on natural gas prices in the Permian Basin was urged to end pricing controls or raise rates fast and substantially.

Commission examiner reopened the Permian Basin rate case that resulted in the establishment in 1965 of ceiling rates at well-head.

Witnesses, including producers and political officeholders, called on the commission also to halt "two-price" system for wells drilled before 1961 and new wells.

Some called the 1965 regulation a dismal failure that led to the current shortage in gas reserves.

Atty. Gen. Crawford C. Martin pledged full resources of his office against any effort at federal regulation of Texas intrastate gas market. FPC now regulates gas moving interstate.

**AIR POLLUTION END SEEN**—An end to "visible" air pollution in Texas in less than a decade has been predicted by the director of the State Air Control Board.

ACB Chief Charles Barden so forecast at a budget hearing for his agency.

Board, revealed Barden, now is working on a state regulation to control pollution from vehicles. Regulation will be in effect before the year is out.

**Short Snorts**

New York World's Fair dinosaurs have been donated by Sinclair (Atlantic Richfield) to Dinosaur Valley State Scenic Park at Glen Rose.

More than two million hunting and fishing licenses are being shipped to local distributors this week (for fiscal 1970-71), reports Parks and Wildlife Commission.

Half of the nation's potential oil and gas reserves remain to be discovered, say geologists.

Twenty-seven applications for permits to sell \$31.9 million worth of securities in Texas were filed with the State Securities Board last week.

Joe H. Jones, special research associate with the UT Bureau of Business Research, reports that a recession in Texas economy was clearly in evidence through the first half of 1970, with prospects for a significant economic recovery within the next six months appearing unlikely.

## Miss Stapp Honored at Saturday Luncheon

Miss Virginia Stapp, bride-elect of James Cross, was honored with a luncheon Saturday, August 1. Hostesses for the occasion were Mrs. Merl Kincaid and Mrs. Glenn Halsell, Jr., in the home of Mrs. Halsell.

The tables were laid with pink cloth and overlaid with white organdy cloths brought from Lisbon, Portugal, by Mrs. Kincaid. Flamingo pink carnations arranged in a silver bowl centered the main table and pink rosebuds made a fitting arrangement for the smaller table. Lunch was served on antique china service plates originally belonging to Mrs. Furd Halsell of Fort Worth. Gold and crystal appointments completed the table setting.

Those attending included Misses Jon Ann Carter, Frances Cates, Cathy McLain, Kristi McLain, Hollis Halbert, and Meses. Grady Halbert, Dwight Campbell, Gerald Barton, the honoree and her mother, Mrs. Walter Stapp.

## W. S. L. Meeting

The Women's Service League will have a business meeting at the Thursday luncheon at the community center. Members are urged to attend and assist in planning fall activities.

## Boys Will Be Boys

Reported in the St. Louis, Mo., County Medical Society Bulletin, as it appeared in an ad by Warner and Swasey: "Boys will be boys" is, perhaps, enough excuse for a harmless Halloween prank, but emphatically no excuse for burning buildings, disrupting a big city's traffic, interfering with the majority of students who want an education, nor supporting our country's vicious enemies. It may well be, as some say, that these people are hardened thugs in the pay of foreign revolutionary groups who want to weaken and destroy America, but whether this is true or not, we think the working, taxpaying, respectable Americans who are the ones whose opinions are worth considering, are sick and tired of the trouble makers and don't intend to have much more of it. And the great majority of the young people agree."

## Miss Nicki Williams Honored at Bridal Shower Saturday

Miss Nicki Williams was honored with a pre-nuptial shower on Saturday, August 1, at the Crowell community center.

Miss Williams will become the bride of Don Bill Statser of Crowell on Friday, August 14, at the Shelton Avenue Baptist Church in Breckenridge.

The bride-elect's chosen colors are fuchsia and pink and these colors were used to enhance the bride's table. The cloth was a pink skirt with a floor-length dark fuchsia overlay of silk organza. The central point of the table arrangement was a brass chandelier holding a cut glass epergne with crystal teardrops, and filled with pale pink carnations. The epergne was flanked by matching candelabra with pale pink tapers.

Tiny cookies and frosted punch were served to the guests.

Miss Karen Statser, sister of the groom-elect, presided at the register table which was adorned with an arrangement of pink carnations in a cut glass vase.

Assisting with serving duties were Misses Jon Ann Carter, Virginia Stapp and Debbie Johnson.

Musical selections were played by Misses Carter and Stapp during the calling hours.

Mrs. Glen Goodwin greeted the guests and presented them to the honoree, Miss Williams; her mother, Mrs. John S. Williams; and Mrs. W. F. Statser, mother of the groom-elect.

The guests were then invited to view the lovely gifts displayed in the gift room. The bride-elect was presented a stein iron from the following hostesses: Meses. L. E. Archer, Cecil Carpenter, Glyndon Johnson, Billy Johnson, Homer Black, E. C. King, Jake Wisdom, Glen Goodwin, James Welch, Fred Gray, Beverly Gray, Leo Cates, Fred Borchardt, Glenn

## Former Crowell Groceryman Has Coupon Firm

Bob Harrison of Knox City, a former owner of the Super Save food store in Crowell, moved his Knox City grocery last week into a new building.

An interesting aspect of Mr. Harrison's business is the result of an idea Harrison had in January, 1967, concerning a coupon clearing house and in April of that year, he opened one of the five coupon clearing houses in Texas and named it Wes-Tex Coupon Clearing House. The Wes-Tex firm acts as an agent for other stores for product coupons redeemed from customers.

The local stores mail the redeemed coupons to Wes-Tex which in turn mails them out to the respective manufacturers on the coupons. Each shipment processed represents from 80 to 120 different coupons from various grocery stores from Texas, New Mexico, Arkansas and Oklahoma which his firm serves. A total of \$53,000 was paid to the grocers, he said.

The Knox City clearing house is housed in a building recently purchased by Harrison. Two full-time employees are hired to process the stamps.

## Kilowatt Hour

According to the National Public Power Association, consumers are often puzzled by the term, "kilowatt hours," the unit in which electricity is billed. To quickly define a kilowatt hour, it is only necessary to point out that the use of 1,000 watts is equal to the use of 1 kilowatt for a period of one hour. Example: in common household use, a television set (350 watts) for 10 hours or operating a radio for three hours. If a man were to duplicate the energy cost in just one kilowatt hour of electricity, he would have to work himself for 13 hours in hard manual labor. His work effort, expressed in another way, is equivalent to about one-horsepower per hour.

## Amendments Presented for Consideration

On behalf of public interest, The Foard County News presents a concise analysis received from the Texas Legislative Council, of seven proposed constitutional amendments which are being printed in the News and which will be coming up for vote across the state on November 3.

The 61st Legislature, which convened in January, 1969, proposed a total of 16 amendments to the Texas Constitution, nine of which were voted on August 5, 1969, with the remaining seven to be considered by the Texas electorate on November 3, 1970. Only four of the proposals presented to the voters last year received ap-

proval; the so-called clean-up amendment, which removed obsolete, superfluous, and unnecessary sections of the constitution; the amendment giving the legislature authority to increase the ceiling on state assistance for the four classes of needy to a maximum of \$80 million; the amendment authorizing the legislature to provide for payment of assistance to surviving spouses and minor children of certain governmental officials and employees, including members of organized volunteer fire departments and certain organized police reserve or auxiliary units; and the amendment authorizing the legislature to provide for additional loans to students at institutions of higher education under the Texas Opportunity Plan.

Changes in the constitution are the most permanent form of legislation and also constitute the one area of legislation in which Texas citizens may participate directly by endorsement or by exercising veto power. The seven proposed constitutional amendments for the consideration of Texas citizens this year are:

1. Amending Article V, Section 10a, of the Texas Constitution, relating to removal, retirement, or censure of justices, judges, and justices of the peace under prescribed circumstances.
2. Amending Article XVI, Section 20, Subsection (a), to authorize the legislature to enact a mixed beverage law regulating the sale of mixed alcoholic beverages on a local optional basis.
3. Authorizing the legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm, and forest lands based upon the capability of the lands to support the raising of livestock or to produce farm and forest crops.
4. Amending Article III, Section 51-b, Subsection (a), to reconstitute the State Building Commission as a three-member appointed commission.
5. Authorizing any county to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real prop-

erty in the county under certain conditions.

6. Amending Article XVI, Section 51, to increase the value of the homestead exempt from forced sale from \$5,000 to \$10,000.

7. Authorizing the legislature to provide for consolidating offices and functions of government and for performance of governmental functions by contract between political subdivisions in any county.

The State Affairs Committee of the West Texas Chamber of Commerce will recommend that the board of directors endorse two of the seven amendments; they are amendments one and seven. The committee opposes amendments four and five. No. 4 would reconstitute the State Building Commission as a three-member appointed commission. At present, the governor, attorney general and chairman of control constitute the commission.

The group opposed No. 5 because of a U. S. Supreme Court ruling which would allow non-taxpayers to vote on bond elections. The Texas Legislative Council takes no position for or against with respect to the merits of the proposed amendments. In listing the arguments, the council staff is merely presenting arguments most commonly offered by proponents and opponents of each proposal.

## Two Minutes With the Bible

God Hath Spoken

In his farewell address to the nation Israel, Moses said: "As now of the days that are past . . . since the day that God created man upon the earth, and ask from one side of heaven to the other, whether there hath been any such thing as this great thing is, or hath been heard like it? Did ever people hear the voice of God speaking out of the midst of the fire, as thou hast heard . . . ?"

Moses referred, of course, to the giving of the law, when God spoke to Israel by word of mouth amid the lightnings and thunders of Sinai. In Israel's case along "God spake all these words" audibly. Never before had He undertaken to address a nation personally.

This was indeed a great honor for Israel, but God has since spoken to all mankind in an even more striking manner, for in Hebrew 1:1,2 we read:

"God . . . hath in these last days spoken unto us in His Son . . . who . . . when He had by Himself purged our sins, sat down at the right hand of the Majesty on high."

At Sinai God spoke the words of the law; but now, in Christ, He speaks of mercy and grace. There He spoke of the righteousness which He demands; but here He tells of the righteousness which He provides in Christ.

Some suppose that the absence of miraculous demonstrations, the want of divine intervention in the affairs of men, etc., indicate indifference on God's part, but actually this apparent indifference speaks to us of His love and grace.

Remember, the Psalms and all prophecy had predicted God's judgment upon men for their rejection of Christ, yet today the Son still voluntarily remains a royal exile from the world, while neither He nor the Father do anything to avenge His cruel crucifixion. Meanwhile, still lingering in mercy, He sends His ambassa-

## News from Crowell Senior Citizens

Mrs. B. J. Halenack, Foard County Senior Citizens

The Crowell senior citizens started a new schedule of activities. Sewing has been added to the program. We meet every Tuesday from 1 until 3 p. m. sewing classes are Monday, Tuesday and Friday. Arts and crafts are on Tuesday and Thursday. If the citizens wish, they may meet every afternoon.

The arts and crafts have belt keepers, book markers, wool flowers and hot pads. They are very inexpensive and wonderful gifts.

The ladies are sewing dresses, aprons, pillow cases, and pants. They have made 6 dresses, 2 aprons, a pair of pillow cases, and an apron. Two dresses are cut out ready for sewing.

We had 12 people for our iced dish luncheon and to see nurse at our center. The luncheon was weighed and low calorie. We weighed each other to lose pounds by next month at the time.
