NUMBER 7

CATTLEMEN'S HELP--Wichita Falls, Tex .-- A pair of Foard County ranchers, Dick Todd, left, and Otis Gafford, right, see for themselves how money raised in the annual Crippled Children's Livestock Auction-set for next Wednesday in Wichita Falls-benefits youngsters like 412-year-old Laura Kwiotowski who has cerebral palsy. They toured the North Texas Rehabilitation Center in Wichita Falls and were shown how the auction funds are spent by Mrs. Bettye Wages, center, executive director of the center, and Miss Hollis Halbert of Crowell, who is working for the center during the summer. (Photo and engraving courtesy Times Publishing Co. and Joe Brown, farm editor.)

Holden, Knight Wedding Vows **Exchanged** in Vernon

Miss Rhonda Gale Holden became the bride of Spec. 5 Herman James Knight Jr. in a double ring ceremony performed at Second Baptist Church in Vernon at 8 p. m., Saturday, August 8, with Rev. Bill Stone, pastor, officiating. Traditional wedding music accompanied the rites.

The bride is a daughter of Mrs. Marcell Latham of Seymour, and the groom is a son of Mr. and Mrs. Herman J. Knight of Vernon and grandson of Mr. and Mrs. Pat McDaniel of Crowell.

The bride's gown of embossed satin designed with a round neckline and cap sleeves featured a straight panel that came to a point at the waist with tiny self buttons centered down the front and soft gathers in the back with the skirt flowing to floor length. A floral headpiece held her threelayered veil. The gown and veil were designed and created by the bridegroom's mother.

In fulfilling the tradition of 'something old, something new," the bride carried a white lace handkerchief and wore a blue lace garter. She wore a gold watch which was the bridegroom's gift to her, and she carried a bouquet of white rosebuds centered with an orchid and accented with white lace, net and satin streamers.

Mrs. Linda Burke of Electra attended as matron of honor wearing a gown of royal blue embossed satin styled similar to the bride's gown and a light blue floral veil. Her corsage was of white split carnations.

Best man was Brad Benson of the U. S. Army who is presently home on leave after spending a year in Vietnam.

The mother of the bride selected for the wedding a sky blue dress with satin stripes.

Mrs. Knight chose an A-line dress of royal blue double knit. A corsage of white split carnations adorned each mother's attire.

Following the ceremony, a reception was held in the church reception room

A white lace cloth over royal blue covered the table centered

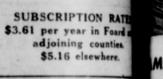

Betty Maxwell and Marion Anell, Royce Cato and Willie Swan-

The bride attended Seymour High School, and was a member of the Northeast Baptist Mission,

Rodeo to Be Held in Quanah on August 20, 21, 22

Scores of Greenbelt area citizens are making plans to attend the three-day Rodeo and Pioneer Celebration to be held in Quanah August 20, 21 and 22. Scheduled events include an opening day parade and barbecue, an old settlers reunion and old fiddlers contest, a farm and home show, and rodeo each night.

The Thursday, August 20, parade will get underway at 4:30 p. m. in downtown Quanah and will feature several area riding clubs as well as local entries from the Quanah area. Groups presently scheduled to ride in the parade include those from Hollis, Crowell,

More V-8 Power, Biggest Standard 6.

compare them all-and you'll buy Chevy

(HOE TYPE-SHOE OPENERS INSTEAD OF DISCS.)

1. Heavy straw or trash is no problem-wet or dry. 3-way stagger of gangs -gives same clearance as hi-clearance chisel plow. Discs often fail to turn and "push up" and are expensive to repair.

2. Narrow shoes will sow deeper, if necessary, to reach available moisture. Gets stand under doubtful conditions.

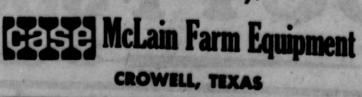

3. FLEXIBLE-to follow contour of any ground-from extreme terraces to justridged land. Oval type country roads are no problem.

4. Rubber tire press wheels (carrying half of the drill) are a standard part of it. They cost a lot if bought as extra on disc drills.

5. No End Wheels-sow next to fence. Our 16-ft. (2-8's) is no wider overall, than a 13-ft.

6. Put together your choice of flexible units. 2 of 7 ft. drills make a 14-ft. unit, or 2 of 8-ft. makes 16-ft. drill, 3 of 7-ft. makes a 21-ft. flexible unit. Get 2 drills now, and add a 3rd or 4th later.

7. You'll see many other uses, when you study these drills closely.
