**INTERESTED IN DEED**—There were plenty of persons interested in the deed to 1,938 acres of land for a new state park at Quanah Tuesday of last week, but none more interested than from left, Dr. W. A. Brooks of Quanah, Henry Black of Crowell, State Rep. W. S. "Bill" Healy of Paducah, State Parks

board chairman, Pearce Johnson, John McAlister of Crowell and Bill Carpenter of Quanah. Dr. Brooks, Black, McAlister and Carpenter were members of the original board which started the project for a park. (Engraving courtesy Times Publishing Co., Wichita Falls.)

### Over 350 People Hear Rev. Hamblen Preach at Methodist Church Sunday

Over 350 persons jammed the sanctuary of the First Methodist Church in Crowell Sunday morning to hear a sermon by Dr. J. H. Hamblen of Abilene.

Dr. Hamblen, who will be 93 years of age in November, was the local pastor when the present church building was completed in 1920, and preached the first sermon in the new building. Still an active preacher, Dr. Hamblen accepted an invitation of the local church to return and preach again on the fiftieth anniversary of the completion of the church.

Dr. Hamblen was accompanied to Crowell by his wife and two daughters, Mrs. Roy (Lola May) Ricks, and Mr. Ricks of San Bernardino, Calif., and Mrs. Walter (Oberia) Anderson and Mr. Anderson of Los Angeles, Calif.

His son, famous song writer Stuart Hamblen, was invited to attend, but was unable to be present.

An old-fashioned gospel preacher, Dr. Hamblen is still a vigorous speaker, and minces no words as he preaches.

On behalf of the local church, Dr. Hamblen presented a plaque to Sam Mills, who directed the choir for 39 years before he resigned earlier this year. Dr. Hamblen also performed the marriage ceremony for Mr. and Mrs. Mills when he was pastor here. A number of other persons present Sunday were married by Dr. Hamblen.

Rev. Walter Driver, pastor, presided at the morning service and Leslie Thomas gave a brief history of the local church. Virgil Johnson welcomed the many local and out-of-town guests present.

In addition to the choir singing, the children's department sang two numbers; a quartet composed of Jacque Gillispie, Kristi McLain, Peggy Rasherby and Peggy Welch, sang "Reach Out to Jesus," with Rhonda Vecera playing piano accompaniment. Mrs. Howard Ferguson and Mrs. Delmar McBeath sang, "It Is No Secret What God Can Do," a song written and made famous by Dr. Hamblen's son, Stuart.

John Cogdell, finance chairman, also made brief remarks.

Following the service, dinner was served to those present in the basement of the church.

The check presented Henry L. Gossage of Quanah for the deed to 1,938 acres of picturesque land on the Pease River 12 miles south of Quanah and eight miles north of Crowell, will be bringing this section a big recreational attraction.

Pearce Johnson, chairman of the state parks board, was present for the transfer of title and said the new park would do a lot for Texas and the parks system. "We need to put parks where they are needed."

The area has been designated as one of the most recreationally deficient parts of the state.

Mark Gosdin, director of parks services, said last week "Opening of the park will be slow in coming, just like in acquiring the land. There is a lot of red tape."

Gosdin did say the department will have a superintendent in Quanah within 10 days to oversee the property. Aerial and topography maps will be made of the L-shaped tract to decide land use plans.

Gosdin said it could be six to eight months before any work could start. He said the state also would apply for matching federal funds "to make the state dollar go as far as possible. And it all takes time."

The operations chief indicated, however, that limited use of the facility may be allowed before such things as water and access roads are completed. A few picnic tables and chemical toilets were named as perhaps the first things for the park.

State Rep. W. S. "Bill" Healy of Paducah, given a special tribute for his work on the project, said he felt parks added to the strength of character to those of youth. He noted it was the first park for the 80th Legislative District and added that parks were the greatest of all attractions for tourists.

Healy also announced plans for a museum for the park. He said he was lending his support to the idea. "I think we'll have a museum about the time the park is ready," he added.

The southeastern tip of the park adjoins the U. S. 283 bridge between Crowell and Quanah. The area is rich in wildlife and filled with juniper, cedar, hackberry and a variety of other trees. There are bluffs, several ponds and part of the area was previously used as a private fishing and camping area. The lands are now closed to the public until preliminary work can be completed.

Johnson stressed that the park would be operated on a business-like basis. Entrance fees are charged to help pay back bond money spent on development.

Foard County interests had joined Hardeman County backers in plugging for the new park in exchange for help on securing a salt control project lake in Foard County.

Healy announced at the park ceremony that he had received notice from U. S. Rep. Graham Purrell that he was working with the U. S. Army Corps of Engineers to secure a 5,000-acre-foot lake. "I think we're going to have some water," Healy said.

The state's newest park is without a name. The Quanah Chamber of Commerce and the Crowell Booster Club are starting a contest to decide a name with a \$100 savings bond to be awarded if the state commission chooses a submitted name.

The six-year drive for the park was spearheaded originally by Dr. W. A. Brooks and Bill Carpenter of Quanah and Henry Black and John McAlister. Efforts were also noted by Healy and State Senator Jack Hightower of Vernon.

## Voter Registration Now in Progress

Mrs. Mary Borchardt, employee of the county and state tax assessor-collector's office, estimated Monday that approximately 400 of the county's 1200 adult residents have already registered to vote for 1971.

Mrs. Borchardt reminded those that have not already registered that the person's social security number and signature must be filled in on the voter registration application blank.

## WILDCATS WIN 19-14 THRILLER AT MEMPHIS

Coming from behind in the final minutes in what proved to be one of the most exciting football games the Crowell Wildcats played in years, the Crowell youngsters racked up a 19-14 win Friday night at Memphis against the strong Cyclones.

The final Crowell score came in less than two minutes to play as the Wildcats down 14-13. It was Crowell's quarterback, Mike Weathered, who passed to Junior Arquizo who caught the 20-yard pass at the Memphis 30, knocked the Cyclone tackler out of his path and flew into the end zone to win the game-winning TD with 1:20 left on the clock.

After a scoreless first quarter, the Wildcats began to move the ball in the second with quarterback Weathered mixing his plays well. The first TD was scored by Kenneth Sellers, who fell on the ball in the end zone after an 8-yard run and fumble by Jim Tompkins Smith. Smith then kicked the point-after.

Shortly afterwards, the Cats kicked a Cyclone punt and took over on the Memphis 15, and with 1:55 left in the first half, Billy Neal, Wildcat halfback, scored

ed from one yard out. The attempt for point-after failed.

The Cyclones got on the scoreboard late in the second quarter when they trapped Ken Sellers, back to punt, in the end zone, for two points. With only 2:19 left in the half, Memphis scored a touchdown when speedy John Carman went over from the one. The try for PAT failed.

The two evenly matched teams battled scorelessly throughout the third period. The Wildcats ate up big chunks of yardage at times in the last half, but fumbled twice to kill good drives. Early in the fourth period, the Cyclones managed to take the lead when quarterback Roger Kehr connected with Carman on a scoring pass play that covered 15 yards. The extra point attempt failed.

But, it was the Weathered-Arquizo combination that pulled the Cats back from defeat to victory as the final minutes ticked away.

Seeing action for the Wildcats in this game were Weathered, Smith, Arquizo, George Eavenson, Kenneth Sellers, Terry Farrar, David Myers, Rocky Bachman, Douglas Chowning, Jimmy Glover, Johnny Arquizo, Billy Ray Neal, Rex Driver, Marvin Machac, Bill Erwin, Jessie Barrera, Buff Nelson, Ronnie Naylor, Lupe Palacio, Jackie Thomas, Bob Burkett, Harry Lee Swan and Bill Taylor.

The two outstanding defensive players against the Cyclones were Weathered and Barrera.

Coach Scott Boyd, in commenting on the game, said, "I was very proud of the Wildcats. They had a chance to quit trying when they had to give up the ball with 3 minutes remaining in the game. But they didn't give up; they stopped Memphis, got the ball back and went 84 yards for the winning TD in 12 plays."

Last week the Harris Rating System had the Wildcats in Position No. 24 among the state's class A teams.

Statistics	Crowell	Memphis
First downs	18	11
Yards gained rushing	144	228
Yards gained passing	164	25

## Automatic Stamp Dispenser Placed in Post Office

Postmaster Ted Reeder has called to the attention of Foard County residents that a new automatic stamp dispenser has been installed in the local post office. The new machine, which will be used primarily when the post office windows are closed, has 5c, 10c and 25c slots.

The 5c slot delivers five one-cent stamps; the 10c slot delivers two five-cent stamps; and the 25c slot delivers four six-cent stamps and one one-cent stamp.

The new dispenser is located in the one of the three windows at the post office.

## Lions Club Street Carnival Slated Here Next Week

Three nights of entertainment for the entire family are coming up next week as the annual Lions Club street carnival will be held on the square in Crowell on Monday, Tuesday and Wednesday nights, October 19, 20, 21.

In addition to carnival rides, games, bingo, etc. and refreshments, drawings will be held each night for valuable prizes. Winners do not have to be present in order to claim their prize.

Everyone in this area is invited to attend. Proceeds from the carnival will be used by the Lions in their various community projects sponsored throughout the year.

Felix Taylor is the Lions Club's general chairman for the carnival this year.

## Pep Rally Set for Friday Afternoon

Miss Kristi McLain, head cheerleader at Crowell High School, announced Tuesday that a parade and pep rally will be held Friday afternoon, October 16, beginning at 2 o'clock on the west side of the square.

"Everyone is urged to come boost the undefeated Wildcats to another victory," Miss McLain said.

**Foard County Youth Enrolls in Technical Institute in Waco**

Billy N. Noah has enrolled at the James Connally Campus of the Texas State Technical Institute in Waco.

His major course of study is automotive technology. He is the son of Mr. and Mrs. George Noah of Crowell.

TSTI opened its fifth year this fall with a total of 57 different courses of study. It is the state's first technical institute.

The multi-campus technical institute also includes the Mid-Continent Campus at Amarillo, the Rio Grande Campus at Harlingen, and the Sweetwater facility at Sweetwater.

## Three New Vehicles

Three new vehicles were registered here last week, as follows: Oct. 5, Tom Hudson, 1971 Chevrolet pickup; Oct. 8, Floyd Webb, 1971 Ford pickup; Oct. 7, Ronnie Swan, 1970 Honda.

## Wildcats Travel to Holiday Friday Night for Opening District 8-A Game

The Crowell Wildcats will be getting down to the "nitty-gritty" of the 1970 season on Friday night when they begin their race for the District 8-A crown by going to Holliday to challenge the strong and constantly-improving

## News About Our MEN IN SERVICE

Gerald C. Barton, son of Mr. and Mrs. Raymond M. Barton of Lubbock, has been commissioned a second lieutenant in the U. S. Air Force upon graduation from Officer Training School (OTS), at Lackland AFB, Texas.

Lieutenant Barton, selected for OTS through competitive examination, is being assigned to Mather AFB, Calif., for navigator training.

The lieutenant, a 1965 graduate of Monterey Senior High School, received a B. A. degree from Texas Technological University.

His wife, Charlotte, is the daughter of Mr. and Mrs. Charles J. Drabek of Crowell.

## Wildcat Staked on M. K. Berry Land North of Thalia

A wildcat oil test has been staked five miles north of Thalia. It is Publishers Petroleum No. 1 M. K. Berry, 2640 feet from south line and 467 feet from west line of section 25, block 8, H&TC survey.

The test, scheduled to be drilled to a depth of 5,000 feet, is located on a 779-acre lease.

## Gerhardt Family Buys House to Replace Home That Burned

Mr. and Mrs. John Gerhardt and daughters have moved back to their place about a mile northwest of Crowell, following a fire in the summer which destroyed their home and belongings.

The Gerhardts bought the house belonging to the late Mrs. Ike Everson on US 70 in the west part of town and moved the house to the site where their first house burned.

## Junior Varsity and Grade School Teams Play Here Thursday

There are two football games on tap for local fans here on Thursday night. Chillicothe will provide the opposition.

Beginning at 6 o'clock, the Crowell grade school team coached by Printiss Gidney will be playing the Chillicothe grade school.

Following the grade school game, the Crowell and Chillicothe junior varsity teams will play.

## Thalia Gin Gets First Bale 1970 Feard Cotton

The first bale of cotton ginned in Foard County for 1970 was brought to the Farmers Co-Op. Gin in Thalia on Tuesday, Oct. 6. Wayne Gamble brought this first bale in.

The bale was hand pulled and weighed 511 pounds and yielded 820 pounds of seed. The load weighed a total of 1,880 pounds.

Grade on this first bale was middling light spot, 15-16 inch.

**First Bale at Crowell**

The Farmers Co-Op. Gin here in Crowell ginned its first bale on Tuesday, October 13.

The cotton, which was gathered by a stripping machine, weighed a total of 2,100 pounds and was brought in by Monkres & Hysinger.

The bale weighed 520 pounds with 800 pounds of seed.

**First Bale Last Year**

The first cotton brought in for 1970 was more than a month earlier than last year, when the first 1969 bale was ginned on Nov. 11.

## Absentee Voting Progress for General Election

Wednesday, Oct. 14, to Friday, Oct. 30, inclusive, is the period for absentee voting by personal appearance in the Nov. 3 general election.

Any qualified voter in Texas who expects to be absent from the county of his residence on Nov. 3 may cast an absentee ballot. To do so, he should take his voter's registration certificate to the county clerk's office during the hours of operation in the Oct. 14-Oct. 30 period.

In addition to state, district and local races, the Nov. 3 ballot will include seven proposed amendments to the Texas Constitution.

By subject, the proposed amendments relate to: (1) censure and removal of judges; (2) authority for mixed beverage law; (3) assessment of farm, ranch and forest lands; (4) reconstitute State Building Commission; (5) county road bonds and assessed valuation; (6) increase value of homestead exemption from forced sale; and (7) authority to consolidate functions of government.

Texas has a record 4,150,645 registered voters this year. Normally, absentee voting accounts for approximately five per cent of the total vote turnout.

## McCurley Family Moves to Crowell

Mrs. Mildred McCurley and three daughters, Pamela 11, Darlene 14 and Denise 15, moved last week from Pampa to Crowell to make their home. They have rented the Clyde James house on North Third Street.

Mrs. McCurley is the daughter of Mr. and Mrs. M. D. Durham of Crowell.

 Thursday: Jr., Chillothee.  
 Friday: Holiday, there.

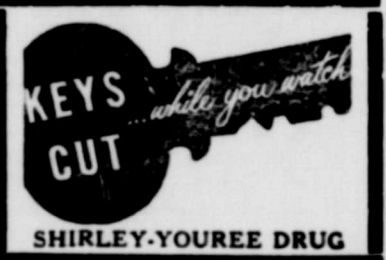

**Midi? Mini? Style Setters Upset Leg-Gazers**

One of the absurdities of our time is the tendency of the female population to follow a fashion fad unpopular with the majority of men as well as women.

When the mini skirt appeared a few years ago on the fashion scene, girls happily revealed curly legs to an admiring male audience. The tiny mini won the hearts of everyday style-setters as well as Paris designers and London models.

Now comes the midi. Looking much like an unhemmed mini, it hangs severely on the feminine figure and distorts the basic shape of the leg. Doubtless, most avid girl watchers are distressed at this new turn in fashion, as are the mini-girls who adore being adored.

CHS students are being caught up in this midi-mini struggle. But don't be alarmed, leg-gazers, for this time the females are fighting back! A public opinion poll taken in 4th period study hall on Monday, Oct. 12, revealed a unani-

mous decision for the mini out of 20 pupils. Not a single mid-minded male or female among the group. Famous comedienne Joan Rivers says she wears the midi, "because if you're going to be ugly, you might as well be this year's ugly!" However, the mini continues to reign as the favored length. A product that doesn't sell will soon be totally rejected by all parties involved (hopefully!).

Thus, the clothing designers are discovering that today's woman refuses to be ruled by what a minority of individuals deem stylish. The girls have minds and tastes of their own, Paris, and the guys are glad of it.

P. S.: To date, at this writing, not a single midi has shown its ugly hemline in the halls of CHS.

**Senior Happenings**

Mrs. Cook has been working with the seniors to prepare them for the ACT Test by giving reading comprehension tests and vocabulary words. The test will be given October 17.

Douglas Chowning, the Cats' tackle, gave a very good speech Friday at the pep rally. The "Fighting Heart Award" which Coach Boyd said "was a very tough decision, was given to two senior boys. They were Junior Urquiza and Jim Tom Smith. Congratulations boys!"

The seniors in Spanish had a vocabulary test Friday. They would like to say, "Que vaya bien, Gatos!"

**Junior Class**

Thursday, the 18th, the junior class had a meeting to discuss the chili supper. Each class member is to bring a pan of home made chili containing two pounds of beef. Working shifts were announced. Remember, the chili supper will be held on Oct. 30 at homecoming.

The class also decided to sponsor a campus cleanup which will take place Oct. 21 and 22. The cleanup is to make the CHS campus neat for homecoming. But don't get the idea that only juniors are to help. We encourage everyone from 9 to 99 to come.

Junior who have received awards last week are Terry Farrar, "Fighting Heart Award" and Rhonda Swan, "Loud Mouth" award.

This week the Cats are playing their first conference game and they need your backing more than ever.

**Sophomore Scoop**

The sophomore class knows what makes a good school—involvement. Sophomores are very involved in matters pertaining to our school. In several organizations, sophomore class members hold offices and contribute much time and effort to the activities. Several organizations with are drama, library and pep clubs, FFA, FHA, band, football and the newspaper staff.

A touch of winter hit Crowell last week as temperatures dropped way down. Band and football practices continued even though the members shivered. Congratulations to the junior varsity, varsity, band, pep squad and student body as their team and school spirit was overwhelming Friday night.

If you missed the pep rally on Friday, you missed something indeed. Signs were all over the gym, enthusiasm was at a peak, and everyone enjoyed it.

**Freshman Report**

Having, for the most part, recovered from the shock of receiving our report cards, the freshmen have settled down and really worked hard this week.

Ask any Home Ec I girl what she had for lunch and she'll probably say "Iron, niacin, and vitamin B."

The loyal fans who braved the cold winds Thursday and Friday nights saw the junior varsity boys play an outstanding game when they mashed the Munday Moguls 24-0 and another victory on Friday for the Mighty Wildcats against Memphis. Yea, team!

Freshman Brenda Cox received the "Loud Mouth Award." Congratulations!

**Library Club Meets**

The Teen-Age Library Association of Crowell High School met Tuesday, Oct. 6, for a monthly meeting. Pat Cates, president, presided. The meeting began with roll call and the reading of the minutes by secretary Teri Garrett.

A treasurer's report was given by Jerry McLain who stressed the need for all dues to be paid by October 9. The club voted to tour the Empire Book Bindery in Wichita Falls and go through Kempf Public Library and Midwestern University Library. Monday, Oct. 12, was the day for this educational tour.

After issuing the 1970 year-books, the election of club "Honorary Librarian" was discussed. The winner will be announced later in the year. This year, the year-

book is dedicated to Mrs. Vera Manard for her tremendous contributions to CHS.

Mrs. Halbert, sponsor, gave the librarians a progress test after which refreshments were served by Brenda Cox and Teri Garrett.

**Sports**

It is true the local litter (the Wildcats) won the contest Friday night, but they let the Cyclones go off with some points.

Our coaches are not dummies and the lamps burned late after the contest. Many plans had to be discarded while new ideas erupted from many fans.

For instance, it was suggested that one good way to stop those deep pass patterns was to plant anti-personnel mines all over our half of the field. The suggestion was withdrawn when it was pointed out that it would be time consuming to dig them up at the end of each quarter.

A second suggestion that the opposing team not be allowed to use our football gained some attention, but it was also discarded. It would not be long until the other teams got the word and brought their own footballs.

So, too, went the suggestions for covering the field with Astro-concrete, letting our defensive backs carry guns and taking the rest room facilities out of the visitors' dressing rooms.

I've been reading the rule book and there are a lot of things our linebacksers can't do. They can't grab face masks or kick a man when he's down. But I want you to show me where it says they can't carry three-foot clubs!

Now there is an idea. You let an opposing fullback pop through a tackle and get swaked with a short two-by-four and it won't be long until he manages to get stopped at the line of scrimmage.

Another thing is, I don't see why our safeties can't carry bushel baskets. It might slow them down a step but I bet it would sure improve our interception ratio.

Even though we may not be able to use these suggestions, we can back our Mighty Wildcats Friday night at Holiday when they pluck the Eagles.

**Menus for Next Week**

Monday: fish, blackeyed peas, cabbage, carrot, green pepper slaw, macaroni and cheese, apple sauce cake, hot rolls, milk.

Tuesday: fried chicken, gravy, buttered rice, green peas, carrot strips, hot bread, Jello with fruit, milk.

Wednesday: Navy beans, sour kraut with wienies, buttered corn, celery sticks, corn meal muffins, apple cobbler and milk.

Thursday: hamburgers, lettuce, tomato, onion, pickle slices, french fries, brownies, milk.

Friday: no school.

**Health Careers Program**

The Texas Health Careers program will stage an assembly program for Crowell High School at 10 a. m. Oct. 22. A unique presentation, this assembly is designed to introduce students to the exciting opportunities which await the health-care professional of tomorrow. The need for health manpower in Texas is, indeed, great. Statistics indicate that 50,000 qualified health personnel will be needed by 1975 to fill vacant paramedical seats.

Speaker for the Health Careers Assembly will be Spencer Guimarin, director of the Texas Health Careers Program. A noted educator and entertainer, Mr. Guimarin will speak of "You — Health Careers — And The Future," the mighty message of challenging, rewarding careers in health care.

The next meeting will be Nov. 19.

as and other states set their bag limits within tighter federal guidelines. The daily bag limit for Texas gunners in 1934 was 12 ducks. It dropped to 10 ducks by 1937, and remained at that number through 1945. After World War II, the situation had worsened to the point that the bag limit was lowered to 7 birds in 1946 and to only 4 in 1947. The bag limit fluctuated from 4 to 5 birds in the next few years, but hit an all-time low in 1962. That year, only two birds were allowed each hunter daily.

During the time of scarcity, regulations became more stringent and complicated. In addition, some species of ducks such as the wood duck—were given full protection of the law. Since 1962 biologists have noted an increase in most species of ducks, thanks to international efforts at habitat preservation and hunting control. The daily bag limit in Texas, set annually by the Texas Parks and Wildlife Commission, remained at 4 ducks from 1963 through

the 1969-70 season. This year, the commission departed from tradition by approving a new point system for duck bag limits. The system, called the most liberal in 25 years, offers a possible daily bag limit of 10 ducks. However, the point system places a low numerical value on common duck species and a high value on species fewer in number. This was designed to allow hunters a liberal harvest of the plentiful species, but give much-needed protection to the others. The point system already has been adopted in several other states with good results. The duck season opens in Texas Nov. 4 and continues through Jan. 12. Under the new system, 90-point ducks are the mallard hen, black duck, wood duck, redhead, canvasback, New Mexican duck and hooded merganser, both drakes and hens. Ducks rated at 20 points are mallard drakes, pintail hens, both drake and hen, ring-necked ducks and mottled ducks. All other ducks, not listed above, count 10 points each, except for the closed season on fulvous and black-bellied tree ducks. The proclamation explains, "The daily bag limit will be reached when the point value of the last bird taken during the day and added to the sum of the point value of other ducks already taken during that day reaches or exceeds 100 points." For example, a hunter who has taken nine ducks of 10 points value each for a count of 90 may fill his daily bag with one more duck of any value. On the other hand, a hunter with one 90-point duck in the bag who then takes a second duck of any species

**We Support Heatly VOTE FOR EFFECTIVE REPRESENTATION**

The choice for Representative from the 80th Legislative District should be on the basis of knowledge of the State's needs and demonstrated ability to deal with them. The 62nd Legislature will be required to make an unusual number of critical decisions. Action at this session will affect the well being of the State of Texas and its people for the crucial years remaining of the 20th century.

A major responsibility has to do with creating new districts for members of Congress and both branches of the Legislature, which will remain in effect until 1981. Predominantly rural counties of the 80th Legislative District could be badly hurt, if absorbed into a district with a large city.

Other critical subjects include: long range plans for public education, conservation of water and other natural resources, protection of environment from pollution, adoption of tax policies which will provide adequate revenue for essential services and at the same time avoid injustice to any interest or group of taxpayers.

The issue in this campaign is whether the people of the 80th Legislative District will have a voice in state affairs, and will be certain their interests are protected. We are fortunate in having in Bill Heatly a Representative who has the experience and influence necessary for effective service to his constituents. The next session of the Legislature will face many tough decisions that vitally affect the future of Texas. We need an experienced Representative, not a novice or a member of the minority who will be little more than an observer.

Bill Heatly has earned our gratitude for countless services rendered to Foard County and its citizens, especially in matters involving agriculture and conservation of water resources. We, the undersigned citizens of Foard County, ask our friends and neighbors throughout the 80th Legislative District, who appreciate capable representation in Austin, to join in giving him an overwhelming victory November 3.

## Miss Ellen Taylor Becomes Bride of Paul Campbell

Miss Ellen Taylor became the bride of Paul Campbell of Eastland in a double ring wedding ceremony performed at the Menonite Church in Perryton by Rev. Sidney Martin on September 24 at 8:00 p. m.

The bride is the daughter of Mr. and Mrs. Wiley L. Taylor of Perryton. Parents of the groom are Mr. and Mrs. Archie Campbell of Crowell.

The altar centerpiece was a basket of white gladioli and greenery. Candelabra holding white taper entwined with smilax completed the setting.

Miss Barbara Shomaker was organist and soloist sang "Let It Be Me" and "Whither Thou Goest."

The bride, given in marriage by her father, wore a floor length princess gown of silk organza with long fitted sleeves of lace trimmed with pearls. Her headpiece was a white and pink stephanotis surrounding a white orchid.

Miss Eloise Taylor of Amarillo, twin sister of the bride, was maid of honor. Her gown was floor length Nile green shantung with

matching head dress. She carried a nosegay of split white carnations.

Kenneth Campbell of Dallas, brother of the groom, was usher.

The bride is a graduate of Perryton High School and attended West Texas State University. The groom is a graduate of Crowell High School and West Texas State University.

The couple will make their home in Eastland where the groom is assistant county agent. The reception was held following the ceremony in the fellowship hall.

Out of town guests from Crowell included Mr. and Mrs. Archie Campbell and Mrs. Darwin Bell. Mrs. W. L. Taylor of Oklahoma City also attended.

## Mrs. Johnson to Attend WTU Women's Conference in Abilene

Mrs. W. L. Johnson of the local West Texas Utilities Company office is scheduled to attend the 16th annual Women's Conference of WTU in Abilene October 19 with an expected attendance of 200 women employees and guests. The all-day meeting will be at

the Abilene Country Club.

The leadership workshop conference was established 16 years ago to help the women employees of the company develop public relations know-how in order to better serve the public.

The day's activities will begin at 9 a. m. and will be concluded with a final banquet beginning at 7 o'clock and will feature a hat style show for the women. The welcome will be presented by Mrs. Joyce Drake of the Ballinger office. Mrs. Drake is the daughter of Clint White of Crowell.

## Engagement Told of Miss Kay Looney and Steve Gray

Mr. and Mrs. Newell Looney of Truscott are announcing the engagement of their daughter, Kay, to Steve Gray, son of Mr. and Mrs. Beverly Gray of Thalia.

The engaged couple were graduated from Crowell High School and are now attending Texas Tech in Lubbock where she is a junior home economics major and Steve is a senior finance major.

The bride-elect is the granddaughter of Mr. and Mrs. Guyon Hickman of Truscott and Mrs. Eula Looney of Dublin, Texas. The prospective bridegroom is the grandson of Mr. and Mrs. Clyde Crisp of Northside and Mrs. H. W. Gray of Thalia.

A spring wedding is planned.

## October Programs Announced for WSL

Women's Service League programs for the remainder of the month have been announced by Ora Mae Fox, program chairman. Thursday (today) Miss Fox will play a tape entitled, "Attitude," by Earl Nightingale. A business session under the direction of Mrs. Leo Cates, president, has been scheduled for October 22.

Annual installation of officers is set for October 29.

## Homebuilders Circle

Members of the Homebuilders Circle of the Methodist Church met at the church Tuesday night of last week. Mrs. B. W. Gentry, president, was in charge of a short business session.

Mrs. W. L. Johnson, program leader, presented a recording of Jack Graham's sermon, "The Second Coming of Christ."

Mrs. Fred Collins, hostess, served refreshments to 10 members during a period of fellowship.

Mrs. Bill Klepper will be hostess for the next meeting on Oct. 27.

In some developing countries, over 50 per cent of the teachers have had no professional training. UNICEF helps them with teacher training grants.

From the News . . .

## THIRTY YEARS AGO

News items below were taken from the Thursday, Oct. 10, 1940, issue of The Foard County News:

More than 2,100 bales of cotton from the 1940 crop in Foard County had been ginned up to Wednesday afternoon.

Orval Holt, 16-year-old boy preacher of Quanah, has been employed to fill the pulpit at the morning services at the First Christian Church until a regular pastor is secured.

General John J. Pershing celebrated his eightieth birthday on Sept. 30. Gen. Pershing was Commander of the American Expeditionary force during the World War and is still a close student of world affairs.

The Crowell Wildcats will open their '40 conference season here Friday night against the Holiday Eagles.

Foard County has taken its largest step in preparing for the registration of men between the ages of 21 and 36 next Wednesday, Oct. 16, for the United States' first peace time conscription, with the appointment of the chief registrars for each voting precinct of the county. The chief registrars will be Miss Mayme Lee Collins, N. J. Roberts, L. A. Andrews, J. E. Long, H. L. Ayers, E. G. Grimsley, A. B. Wisdom, A. W. Barker, J. J. McCoy, Hartley Easley, Mrs. John Ray and A. L. Davis.

Milton Magee, who is a senior at A&M College, has been promoted to first lieutenant in the ROTC with official title of Adjutant of the First Battalion Headquarters Staff, Field Artillery. Milton is also president of the A. S. A. E. student society.

The names of the men picked for the draft board for Foard County which has been appointed by Gov. W. Lee O'Daniel and subject to the approval of President Roosevelt were released last Wednesday. The men are J. R. Beverly of Crowell, W. A. Dunn of Margaret and H. W. Gray of Thalia. The board will begin classifying men of conscription age immediately after the registration Oct. 16.

Paul Wallace underwent an appendix operation in the Quanah hospital last week.

Rev. Allen Lambert, 34, who, disapproving of conscription, has told his congregation at Sinking Valley, Pa., that he would refuse to register for the draft.

Lee Gorrell and J. H. Lanier, Jr. returned Tuesday from a trip to Houston.

Edward Brisco, W. H. Adams, Eddie Campbell and Ocie Marlow have returned to their homes in Crowell after having been in CCC camps in Colorado.

Alfred Eddy is managing the Liberty Cafe for Mr. and Mrs. W. L. Ricks, owners.

Mr. and Mrs. Lewis Painter and little daughter, Marketta, of Tulsa, Okla., came Saturday for several days' visit with relatives at Margaret.

Miss Virginia Murphy of Margaret and Herman Blevins of Truscott were united in marriage Tuesday of last week at the home of Rev. Marvin Brotherton of Kirkland, who officiated.

## Truscott H. D. Club

The Truscott Home Demonstration Club toured the Gafford Museum west of Crowell last Thursday. Many antique furnishings and items of interest were on display.

Upon returning to Truscott, the eight members and two visitors met at the community center for a short business meeting with the vice president, Mrs. Tommy Tapp, presiding. Mrs. Warren Corder gave a council report and announced all Knox County clubs will tour the Vernon rehabilitation center Oct. 20. Members were also invited to hear Katherine Duff, Abilene columnist, speak at a meeting at the Munday Baptist Church.

Mrs. Clyde Bullion served refreshments. Mrs. Idoma Chowning will be in charge of the program at the next meeting.

Every time your pulse beats, three new babies are born into the world. Only one of these is delivered by a trained attendant. UNICEF helps by training and equipping more midwives in the developing countries.

## Mrs. Jean Halbert Named to District TSTA Committee

Mrs. Jean Halbert, a Crowell teacher, has been named to a district committee by Vance Rogers of Olney, president of District IX, Texas State Teachers Association.

A member of the committee for improving educational services, Mrs. Halbert will assist her committee in formulating plans along these lines for the district's teachers.

Her committee will make a report to the district teachers at the convention in Vernon Oct. 22 and 23. The House of Delegates meets the evening of Oct. 22 at a dinner meeting at which time the reports will be heard.

District IX encompasses a 12-county area in North Central Texas and has a teacher membership in excess of 2,000.

## Norther Last Week Brings Season's Low Temperature

The coldest weather of the fall season came to Foard County last Friday morning as the result of a cold, fast-moving norther blowing through the area Wednesday night and Thursday. As the norther blew in Wednesday night, a few scattered showers fell in the county. About .1 inch was reported in Crowell with up to one-half inch reported southeast of town.

The mercury dropped to the upper 30s early Friday morning.

## Junior Varsity Wins 24-0 at Munday Last Thursday Night

The Crowell High School junior varsity football team, coached by Bob Cook, took a 24-0 win over the Munday JV there Thursday night of last week.

The scoring went as follows: an 8-yard pass from Philip Bell to Emmitt Newman; Johnny Urquizo scored two TDs, one on a 55 yard punt return and the other on a 45-yard run. Randy Dorsey scored one touchdown on a 6-yard run.

Annual income of the United Nations Children's Fund is less than the amount spent on world armaments in two hours.

## Cotton Production Down from Last Year

Cotton production in Texas and the U. S. for 1969-70 is down from that of last year. A summary report issued by the University of Texas Cotton Economic Research indicates that Texas production was down 19 per cent, while the U. S. output declined nine per cent.

Cotton Economic Research estimates that the 1970-71 planted acreage with a yield of 380 pounds per acre, and with continued use of approved cultural practices and favorable weather, should produce 3,500,000 bales of good quality cotton. Texas growers are expected to plant a total of 5,375,000 acres of cotton for 1970-71, an increase of four per cent over 1969-70's 5,175,000 acres.

## Fire Damages House Monday Afternoon

Heavy smoke and water damage resulted from a fire at a house belonging to Dwight Campbell a few miles east of Crowell on US 70 Monday afternoon.

Mr. and Mrs. Bill Gray and family were living in the house. According to Fire Chief Leonard Tole, the fire apparently started in a clothes closet near the fireplace.

## Applications for Public Hunts Now Being Accepted

Hunters who wish to participate in public deer and quail hunts on Texas Parks and Wildlife Department Game management areas have until 5 p. m. Oct. 19 to apply.

A drawing will be held in the department's Austin headquarters at 2 p. m. Oct. 22. The hunters whose names are drawn will be notified by mail.

Application forms are available from the department at its offices in the John H. Reagan Building, Austin, Texas 78701, or from regional and district offices.

Applicants must list their name, social security number and the area desired. If an area is not specified, the incomplete application card will be returned to the sender.

## Engineer Warns on Farm Machinery Accidents

B. G. Reeves, extension agricultural engineer-machinery, says that every fall many farmers lose a hand or arm or even a life due to harvesting machine accidents. Complex harvesting machinery is conductive, he says, to crippling accidents. Most, he emphasizes, can be prevented if machine operators will only follow the rules of safety. Keep protective shields in place; never work on a machine until it is out of gear or the power source is cut off; be careful of footing when mounting or dismounting from a machine and don't wear loose fitting clothing. Never take chances, you are needed in agriculture.
