**Guilty Plea in Car Theft Case Brings 10-Year Sentence**  
District Judge Tom Davis of the 46th District Court sentenced Edward Lee Russell of Wewoka, Okla., to two years in the state penitentiary and a 10-year sentence in court action here Thursday.

Russell had been in the Foard County jail most of the time since the July 12 theft. He was referred to Huntsville by Sheriff Dan Callaway.

## Holiday Wins 15-8 in Rain

### WILDCATS LOSE FIRST DISTRICT 8-A GAME

In a game played in its entirety in the rain, the Holiday Eagles came from behind last Friday night to take a 15-8 win over the Crowell Wildcats at Holliday. This was the first District 8-A game for both teams.

The Wildcats dominated play in the first half and held an 8-0 lead at the half. However, the Eagles moved the ball in for the tying points in the fourth quarter and then used a break to set up the go-ahead touchdown.

The Wildcats moved the ball 60 yards for a score in the second quarter with fullback Jim Tom (Frog) Smith going the final two yards on a blast up the middle.

Quarterback Mike Weathered passed to end Jimmy Glover for the two-point conversion.

In the third period, the Eagles went 52 yards for their first TD with halfback Ricky Allgood going over from the two. Loren Gillmore lunged over for the two points.

The Eagles received a big break in the final period when defensive halfback Rodney Hodgkins intercepted a Wildcat pass at mid-field and returned it to the Crowell 45. It took the Eagles eight plays to score with Allgood going the final three yards. Coy Sanders booted for the extra point.

Wildcats seeing action in the game were Weathered, Smith, Junior Urquizo, George Eavenson, Kenneth Sellers, Terry Farrar, David Myers, Rocky Bachman, Douglas Chowning, Jimmy Glover, Johnny Urquizo, Rex Driver, Marvin Machach, Bill Erwin, Jessie Barrera, Ronnie Naylor, Lupe Palacio, Jackie Thomas, Bob Burkett, Harry Lee Swan and Bill Taylor.

## News About Our MEN IN SERVICE

Mr. and Mrs. A. Z. Pittman of Crowell and their daughter-in-law, Mrs. Skip Pittman, have returned from a vacation in California to visit with their son and husband, Pvt. Skip Pittman. He is stationed at Fort Ord, Monterey, Calif., where he will complete his basic training October 23. En route to California, the Pittmans stopped at the Grand Canyon and Hoover Dam.

## School to Dismiss Classes Friday

Supt. Larry Jones said this week that the Crowell Schools will be dismissed all day Friday, October 23, so the teachers can attend the district convention of the Texas State Teachers Association. The convention will be held in Vernon. For the past number of years, the district meeting had been held in the spring, but it was scheduled for the fall this year.

## Miss Sharla Haynie in Top Twelve Finalists at State Dress Revue

Winners of the State 4-H Dress Revue were announced Friday afternoon in Dallas. First place overall winner was Ginger Rogers of Coleman County. Second place overall winner was Kathy Atkinson of Harris County. Both Ginger and Kathy were first and second place winners in the all-wool division. Winners in the all-cotton division were Debra Gates of Lubbock County and Patricia Horst of Brazos County.

Sharla Haynie of Foard County placed in the top twelve finalists. Others attending the state dress revue from Foard County were Mr. and Mrs. Joe Burkett, Mr. and Mrs. T. R. Cates, Jr., Pat Cates and Miss Helen Fincher.

## General Election Is Nov. 3

### FOARD VOTERS URGED TO CAST BALLOTS

Foard County Democrats this week got a strong plea from their chairman, Ray Shirley, to "go vote" on November 3, or to cast their ballots absentee.

Absentee voting began on Wednesday, Oct. 14, both in person and by mail, and will end on Friday, October 30, inclusive.

Shirley was particularly emphatic in his urging Democrats to let their voices be heard because he said "the Democratic vote for governor from this county this year will determine how many delegates to the state convention Foard County will get in 1972."

Shirley said Foard County will be allowed one delegate to the state convention for every 300 votes cast for the Democratic governor nominee.

"Our Democratic vote in Foard

County this year will determine the number of delegates we are allowed when we go to the important state Democratic convention in 1972," Shirley reminded his fellow Democrats. He also reminded Democratic voters that 1972 state convention "will be extremely important since that is the year for a presidential candidate nomination."

The Democratic chairman said a total of 1,266 voters registered in Foard County this year. He added that only 636 voted in the first Democratic primary. (There was no second primary held in this county).

Any qualified voters who expect to be absent from Foard County on November 3 may cast the absentee ballot by taking his voter's registration certificate to the county clerk's office in the court house during the hours of operation in the Oct. 13-Oct. 30 period.

Requests by mail for the ballots should also be made through the county clerk's office.

## Band Booster Club Plans Future Events at Monday Meeting

The Band Booster Club met on Monday night in the band room, and welcomed four new members, Mr. and Mrs. Clois Cobb and Mr. and Mrs. Mellroy.

Plans were made to have a bake sale Friday, Oct. 30, at Shirley-Youree Drug beginning at 9 a. m. It was announced that the band will have a practice session at Vernon on Saturday, Oct. 31, in preparation for the U. I. L. contest in Wichita Falls Nov. 3.

The band boosters expressed their thanks to Setliff Machine Shop for the donation to the concession stand. They also thanked everyone who volunteered to work in the stand. Band boosters will meet again on Nov. 16.

## Whistle Blows Sunday Night; But No Fire

Fire Chief Leonard Tole said Monday morning that, although the fire whistle blew for about five minutes late Sunday night, there was no fire.

Tole said the fire alarm apparently shorted out causing it to sound.

## Two New Vehicles

Two new vehicles were registered here last week: Oct. 15, Leo Cates, 1971 Chevrolet Vega coupe; Oct. 15, J. A. Marr, 1971 Chrysler 4-door.

## Lester Hickman of Truscott Died Sunday Morning

### Funeral Services Held at Truscott Monday Afternoon

Lester Hickman, 72, resident of the Truscott community for most of his life, died Sunday morning at his home in Truscott after a brief illness.

Funeral services were held at 2:30 p. m. Monday, Oct. 19, at the Truscott Methodist Church. Officiating was Rev. Manuel Reynolds of Chillicothe, who was assisted by the pastor, Rev. Robert Peak, and Rev. Joe Mitchell, pastor of the Truscott Baptist Church.

Interment was in the Truscott Cemetery with Womack Funeral Home in charge.

Pall bearers were Don Daniel, J. G. Adcock, C. A. Bullion, Marion Chowning, Jr., C. H. Laquey, Charlie Guynn Hickman. Named as honorary pall bearers were Jimmy Lewis Jones, Joe Reed Jones, Tony Jones and Babe Jones.

Lester Dewey Hickman was born May 28, 1898, in Jack County, Texas, son of the late Mr. and Mrs. Frank Hickman. He moved to Truscott when he was a small child and had lived there since that time. He was a farmer and had recently retired as manager of the Farmers Co-Op. Elevator in Truscott. Mr. Hickman was a member of the Truscott Methodist Church.

Mr. Hickman's first wife, Bernice Solomon Hickman, died July 14, 1950. He married Lucille Jones on Dec. 1, 1951.

Survivors include his wife; one brother, Guynn Hickman of Truscott; one granddaughter, Mrs. Dale Henry of Crowell; one grandson, Jack E. Hickman of Lubbock; and four great grandchildren.

Mr. Hickman was preceded in death by his only son, Jack William Hickman, on May 7, 1969.

## Crowell Receives 1.49 Inches

### COUNTY RECEIVES MOISTURE LAST WEEK

A slow-falling, general rain over Foard County all day Thursday brought moisture to bring up the wheat and put enough moisture in the ground to benefit pasture land. Official measurement here up to 8 a. m. Friday

was .81 inch. The light rains continued again later in the day Friday and by Saturday morning, a total of 1.49 inches had been recorded by the government gauge.

The rain was reported to be general over the county. The slow-falling moisture practically all soaked into the ground, and did not provide any water for stock tanks.

The weather continued cloudy and cold all day Saturday and Sunday. Monday's sunshine was the first since Wednesday of last week.

## Farm Bureau to Have Annual Meeting Oct. 24

Glenn Jones, president of the Foard County Farm Bureau, announced this week that the annual membership meeting of the organization will be held at 7 p. m., Saturday, Oct. 24, at the high school cafeteria. Free chili and stew will be served to all members and their families.

Misses Elaine Jackson and Peggy Welch will give reports on their trip to the Farm Bureau seminar in Waco.

Included in the business session will be the election of directors, passing of resolutions, elections of voting delegates to state convention, and the drawing for two free memberships. Mr. Jones said there will also be a drawing for several door prizes.

## Halloween Carnival Set for October 29 at Gilliland School

The Gilliland School will have its annual Halloween Carnival on October 29, at 7 p. m. at the school house.

## List Compiled of Persons Attending Methodist Services in 1920 and 1970

Mrs. Gordon Cooper has compiled a list of the persons who attended the first service held in the Methodist Church's present building in 1920, and then were here for the fiftieth anniversary service of the building on Sunday, October 11. The list compiled by Mrs. Cooper follows:

Rev. J. H. Hamblen, Mrs. Lola Mae Hamblen Ricks, Mrs. Oberia Hamblen Anderson, Mrs. Bevie Jewell Ringgold Brooks, Mrs. Frankie Kirkpatrick Cassle, Miss

Sybil Hays, Marion L. Hughston, Mrs. Lela Patton Hunter, Mrs. Irene Patton Powell, Ella Patton, Milton Hunter, Mrs. Mabel Hunter Moody, Mrs. Myrtle Hunter Ingram, Jeff Bruce, Mrs. Cressie Bell Erwin, Miss Dorothy Erwin, Sam Mills, Mrs. Myrtle Gentry Mills, Mrs. Ila Lovelady Borchart, Mrs. Runie Maude Wallace Beverly, Mrs. Bulah Henson Beideman, Mrs. Cornelia Beideman McDaniel, Miss Mayme Lee Collins, Sidney Collins, Clint White, Mrs. Lottie Russell Estes, Mrs. Maggie Russell Gentry, Fredia Miller, John Cogdell, Mrs. Myrtle Cooper Gentry, Mrs. Veda Clifford Cooper, Mrs. Lucille Howard Swindell, Mrs. Pansy Howard Weber, Henry Ross, Mrs. Geneva Welch Ross, Mrs. Bennie Wright Shirley, Mrs. Nora Campbell Flesher.

## Former Crowell Resident, Mrs. S. B. Hord, Died Oct. 14

Mrs. S. B. Hord, 64, a former resident of Crowell, died Wednesday, October 14, in a nursing home in Abilene following a long illness.

Funeral services were held at Elliott Funeral Home in Abilene Thursday morning, and interment was made in the Crowell Cemetery Thursday afternoon.

Mrs. Hord lived in Foard and Knox Counties most of her life, before the family moved to Abilene in 1950. She was a member of Emmanuel Baptist Church in Abilene.

Survivors include her husband of Abilene; two sons, W. P. Hord of Austin and Bobby Hord of Fort Worth; one daughter, Mrs. Sue Terrell of San Antonio; two brothers, Criss Moody of Wichita Falls; and Fred Moody of Wichita Falls; three sisters, Mrs. Effie McCutcheon of Safford, Ariz., Mrs. Elvis Brinkley of Springfield, Colo., and Mrs. Beulah Cox of Canon City, Colo.; and six grandchildren.

## Same District 8-A Lineup Set for 1971 Football Season

The Texas Interscholastic League has announced the tentative 1971 football list for UIL participating schools.

The District 8-A alignment will be the same as during this year: Archer City, Chillicothe, Crowell, Holliday, Munday, Paducah.

## Wildcats Host Archer City Friday Night in Second District 8-A Contest

The Crowell Wildcats will play hosts to the Wildcats from Archer City here Friday night in the second District 8-A game for both teams. Starting time is set for 8:00 o'clock.

The Archer City team won its first conference game last Friday night with a 44-0 victory over the Munday Moguls. Coach Scott Boyd's Crowell Wildcats dropped their first game of the season last Friday night to Holliday by a 15 to 8 score.

In other games played this season, Archer City has won over Electra, tied Throckmorton and lost to Nocona and Notre Dame.

One of the AC Wildcats' outstanding players is Casey Rogers, quarterback.

## Crowell Junior High, Junior Varsity to Play at Quanah Thursday

The Crowell junior varsity and junior high football teams will go to Quanah Thursday night for games.

The junior high game is scheduled to begin at 6 o'clock with the junior varsity game following.

## Plans Complete for School Reunion on October 30th

At a meeting of officers of the ex-student association Monday afternoon, a tentative schedule of activities was planned for the annual reunion of ex-students and ex-teachers of the Crowell Schools scheduled to be held on Friday, October 30.

A pep rally will be held Friday afternoon, and the exact time will be announced next week.

A chili supper sponsored by the Junior Class will begin in the school cafeteria at 5 p. m. and continue until 7:45.

Registration of ex-students will be held from 5:30 to 6:30 in the gym, and 6:30 to 7 p. m., has been set as the time for the business meeting of the group.

A nominating committee composed of Mr. and Mrs. Cecil Carroll, Mr. and Mrs. Bud McLain and Mr. and Mrs. Marion Crowell will present their recommendations of a slate of officers for the coming year. The committee will also ask the group of ex-students to vote on whether they want the reunion to be each year, or change it to every other year.

The homecoming football game will begin at 7:30 with the Monday Moguls providing the opposition for the Wildcats in a District 8-A contest.

Following the football game, a dance is scheduled at the Thalia gym. Bill Bond is serving as chairman of the committee in charge of the dance.

Mrs. Moody Bursey is president of the ex-students association this year. This will be the fourth annual reunion here.

## Clocks Move Back One Hour Sunday, Oct. 25

Foard County, along with the rest of the nation, shifts back to Standard Time Sunday, October 25, leaving Daylight Savings Time for six months.

To get that extra hour of sleep missed the last Sunday in April—when Daylight Savings Time went into effect—all one has to do is turn the clock back one hour Saturday night and be right on time with the rest of the nation Sunday morning.

Change of time goes into effect at exactly 2 a. m. on Sunday morning, October 25.

**Weekly Schedule**

Mon., Tues.; horror house, Lions Club carnival.  
Tuesday: PSAT test, Juniors.  
Thursday: health careers assembly, Junior varsity, Quanaah.  
Friday: no school, TSTA district meeting, Archer City, here.

**Senior Happenings**

Due to the rain Friday afternoon, the downtown pep rally was moved to the gym, but the spirit was still high. The band led a parade through the halls playing the fight song as everyone trailed behind and went to the gym. Jacques Gillispie, one of our high spirited seniors, received the Big Mouth Award. The Fighting Heart award was given to the entire Wildcat team for their great drive

in the Memphis game. Congratulations!  
The basement of the court house was the scene of the Drama Club horror house Monday and Tuesday nights of the Lions Club carnival. Members were dressed up as everything from ghosts to mummies. This gave several people a chance to show their true identity. Seniors participating were Jerry Martin, Pat Cates, Brenda McBeath, Mieke Owens, Marvin Machac, Peggy Rasberry, George Eavenson, Kenneth Sellers, Peggy Welch, Kathy Denton, Jimmy Glover, Kay Shirley, Rita Coffey and Kristi McLain.  
Several seniors received honors last week. Michael Weatherred was elected FHA beau and Rita Coffey FFA sweetheart. Congratulations!

The State 4-H Council met in the Sheraton Dallas Hotel Friday. Pat Cates, District III chairman, attended. He received the State Fair of Honor award given by the fair to outstanding rural youth at a banquet Friday night. Seniors would also like to congratulate Sharla Haynie on being in the 12 finalists at the state 4-H dress revue held Saturday. Pat was also an escort at the dress revue.

The ACT test was given in Vernon Saturday and those who took it say: Roses are red, violets are blue. Headaches cause pain, ACT tests do too!

**Junior Class**

The junior class is busily preparing for the chili supper during homecoming. It begins at 5 p. m. and lasts until 7:45 p. m. Oct. 30 in the school cafeteria. Prices are \$1 for adults and 75c for age 12 and under.

Sharla Haynie, a member of the junior class, participated in the state 4-H Dress Revue in Dallas. We are happy to say that Sharla placed in the 12 finalists out of the entire participants.

We are planning on your being

at the clean-up campaign Thursday, Oct. 29.

**Sophomore Scoop**

Karen Gray presided at a meeting Thursday morning. The class will meet in the Thalia gym on Sat., Oct. 24, to make homecoming signs. All sophomores are urged to come at 2 o'clock.

Tests were given in geometry and biology last week. This just proves the old saying, "When it rains, it pours."

Friday afternoon at 2:30, there was a pep rally in the gym. A large crowd of adults as well as students was present. Sophomores say "Send Archer City home defeated!"

**Fish Report**

Well, this has been one of those weeks when everybody just kind of glided along and nothing went just exactly the way you planned.

One thing that did go off as planned, despite the rain, was the junior varsity game; the mighty Cats bomber the Eagles 22-0.

Mr. Cook attended a seminar on drugs Monday and Tuesday at Wichita Falls, but the fun for English I class was short-lived. He came back Wednesday and brought an English test with him.

**FFA Meeting**

The Crowell Chapter of Future Farmers of America met Friday morning with David Myers presiding to elect a chapter sweetheart. Rita Coffey was elected. She will compete in the district contest in Vernon; the winner of the district contest will then go to area, with that winner representing the area in state competition. Best of luck, Rita!

**Sports**

This past week, the Crowell football boys were asked the question, "Why do you play football?" There were many who gave me bewildered and strange looks, asking if I were serious; what I responded before I had time to write them down. Here is a representative sampling from my survey.

Jimmy Glover: I like a hard-hitting contact sport.

David Myers: I like the body contact sports that involve competition and teamwork efforts.

Junior Urquizo: I like to play football 'cause you match your ability to the ability of others.

Mike Weatherred: Cause I enjoy competition.

Bill Taylor: I like football because you can try your skills against your opponents.

Bob Burkett: I just like it.

Ronny Naylor: I like the challenge that football requires and the great cooperation which comes with a winning football team.

Bill Erwin: I like the challenge the sport requires.

**Student Council**

The Crowell High School Student Council met last Monday to discuss project firewood. Wood is to be gathered on Mondays; any students or adults that would like to help are asked to contact some Student Council member.

The Student Council, on behalf of the entire student body, sent a good luck telegram and roses to Sharla Haynie, who was participating in the State 4-H Dress Revue in Dallas last week.

**Library Club**

The CHS Library Club had a fascinating and very educational trip to Wichita Falls Monday, Oct. 12. The trip included a visit to Kemp Public Library, Midwestern Library and the Empire Book Binery.

Librarians attending were Teri Garrett, Margaret Foster, Louis Lopez, Johnny Harris, Kathy Shirley, Jerry McLain, Cliff Booker, Jerry Martin, Brenda Cox, Debra McDaniel and Pat Cates. The club members wish to thank our sponsor, Mrs. Jean Halbert, for arranging the trip.

**Yearbook News**

Hear ye! Hear ye! For those CHS students who missed out on the purchase of a 1969-70 yearbook, take heart! There are still a few of these memorable annuals left; however, these will be on a first come, first served basis and the supply won't last long. Remember, these yearbooks are unique and there will never be any more like them; besides, they are just plain good! If you want to buy a 1969-70 edition of the yearbook, see Mrs. Welch in the special education room today!

**Pep Club**

The CHS Pep Club had a meeting Thursday afternoon, Oct. 6. The group made signs for the game last Friday. Everyone is proud of our "Big Mouth" award winners. Those receiving the award in the past five weeks have been Brenda McBeath, Rhonda Swan, Molly Lopez, Brenda Cox and Jacques Gillispie.

The Pep Club is happy that the townspeople are helping with the yells by the club and the cheerleaders in backing our great football team.

**Clean-Up Campaign**

The CHS Junior Class is sponsoring a clean-up campaign on Thursday, Oct. 29. The main cause is to pick up all the trash on the campus. We want our school to be nice and neat for the annual homecoming slated Oct. 30 and 31. This is not just for the junior class. It is for everyone. We want all types of volunteers, old and young. We will begin right after school and continue until it is clean. Everyone make a note of this, and be sure to help.

**Menus for Next Week**

Monday: hot dogs with chili sauce, french fries, pork and beans, tossed salad, peach cobbler, milk.

Tuesday: fried chicken and gravy, creamed potatoes, green beans, celery sticks, fruit salad and peanut butter cookies, rolls, milk.

Wednesday: enchiladas, cabbage slaw, green beans, hot rolls, butter cake with icing, milk.

Thursday: fish with tartar sauce, buttered whole potatoes, English peas, tomato wedge, hot bread, cherry cobbler and milk.

Friday: hamburgers, lettuce, tomato, onion and pickle slices, french fries, banana pudding, milk.

**FHA Meeting**

The FHA members met Oct. 13 at the homemaking cottage with the meeting opened with the FHA creed. Debbie Johnson, treasurer, reported a total of \$131.43 in the bank and members were reminded to pay dues. For the past few weeks, the FHA has been selling stationery and recipe cards.

Darla Bell reported on this project and Mrs. Brown said about \$20 had been made on the project. Peggy Jan Welch read the minutes. They elected their beau for the year. Nominees were freshmen, Freddy Matyssek; sophomore, Rex Driver; junior, Ronny Naylor and senior, Michael Weatherred. Michael won. Peggy Jan and Elaine Jackson gave the program on their trip to Waco for the Farm Bureau citizenship seminar. Refreshments were served by Rhonda Howard, Gladys Whitley, Rita

Coffey, Betty Linda Whitfield and Sharla Haynie. Next meeting will be Nov. 10.

PAT CATES

**Pat Cates of Thalia Honored at State Fair Award Dinner**

Pat Cates, son of Mr. and Mrs. T. R. Cates, Jr. of Thalia, and a member of the Foard County Junior Leaders 4-H Club, was honored at the State Fair Honor Award dinner held in the Sheraton-Dallas Hotel in Dallas last Friday night.

Pat, chairman of the 22-county District III 4-H Council, attended the State 4-H Council meeting last Friday, then was a guest of the State Fair of Texas along with 23 top young 4-H leaders from across Texas who participated in the event.

The honored young people represent the top leadership in 4-H in Texas.

County Agent Joe Burkett says Pat has been outstanding in every phase of work he has under-

taken in his eight years in 4-H activities.

The young Foard County 4-H Clubber has compiled an outstanding record. He is chairman of District 4-H Council and will preside at the annual District Gold Star banquet in Vernon Dec. 12. Pat is an outstanding speaker and has spoken at numerous county and district meetings, including civic and service clubs of this area.

He has conducted demonstrations in safety, citizenship, money management, leadership, electricity and public speaking. Pat has won county medals in citizenship, leadership, achievement, safety, and public speaking, in addition to Gold Star in 1967. He won second place in state in public speaking in 1969.

Pat was a delegate to the State 4-H Leadership Lab at Lake Brownwood and on the State 4-H Roundup committee this year. He will serve as chairman of the Foard County 4-H Council for 1971.

Pat was accompanied to Dallas by his parents and Mr. and Mrs. Burkett, all of whom were guests at the honor award dinner.

**Two Accidents Are Investigated in Foard County in September**

The Texas Highway Patrol investigated two accidents on rural highways in Foard County during the month of September, according to Sgt. Jack Therwhanger, Highway Patrol supervisor of this area.

These two crashes resulted in an estimated property damage of \$1,275.00.

The rural accident summary for this county during the first nine months of 1970 shows a total of 23 accidents resulting in one person killed, six persons injured, and an estimated property damage of \$12,825.00.

Total traffic accidents in Texas during the last twenty years have increased from 200,000 in 1950 to approximately one million in 1969. Total number of persons injured in traffic accidents has increased from 69,000 in 1959 to 223,000 in 1969. Total number of persons killed in traffic accidents has increased from 2,410 in 1950 to 3,551 in 1969.

The sergeant reminded all Texas motorists that vehicles bearing red motor vehicle inspection stickers with the large black numeral "10" in the lower left-hand corner of the windshield must be reinspected before midnight, Oct. 31.

**Governor Smith Urges Texas Electorate to Vote November 3**

Governor Preston Smith said in a letter to the News last week that he fears a great many people may not vote in the general election on November 3.

He said, "You'll agree, I'm certain, that it will be a bad thing for Texas if, say, only 35 per cent of the Texas electorate turns out. If such should happen, it would be mathematically possible that a winning candidate would

# LOOK AT THE 7 PROPOSED CONSTITUTIONAL AMENDMENTS

Will Be Voted on at General Election Nov. 3, 1970

proposed amendments discussed in the order in which they will appear on the ballot. The wording will appear on the ballot at the beginning of discussion.

not the purpose of these amendments to indicate how anyone should vote but to present which will be helpful in determining whether these amendments are desirable—and as a whole.

Our Constitution is a document guaranteeing our liberties and since it is not easy to revise it, we have a great responsibility in voting to adopt or reject proposals such as the amendments which are separately analyzed in the following article.

**Proposition 1—Removal, Retirement or Censure of Justices and Justices of the Peace**

The election you will be asked to vote FOR or AGAINST: Constitutional Amendment to the removal, retirement or censure of Justices, and Justices of the Peace prescribed circumstances.

1965 Texas voters adopted a constitutional provision setting a mandatory retirement date for judges and appellate judges and a State Judicial Qualification Commission which would conduct a continuing study of judicial conduct and disabilities.

The Commission was instructed to recommend to the Supreme Court of Texas removal from office of a judge, before retirement or willful or persistent conduct which is clearly inconsistent with the proper performance of his or her duties, or casts public discredit on the judiciary or administration of justice. It was further authorized to recommend involuntary removal from office of a judge or justice of the peace, or to become permanent in

the proposed amendment of Section 1-A would extend the Commission's duties to: "Any county judge, any judge of a county court at law, a justice of the peace, a judge of a probate court, a judge of a municipal court, a judge of a justice of the peace, and a judge or presiding officer of a special court created by the legislature as provided in Section V of our State Constitution."

Proposition 2—Local Option Mixed Drinks

You will be asked to vote FOR or AGAINST: "The Repeal of the prohibition against open saloons in Sec. 20, Article XVI of the Constitution of the State of Texas."

When our State Constitution was adopted in 1876, it provided for submitting to the people of any locality the question of whether they would license or prohibit saloons. During World War I, both the nation and the state adopted prohibition. The Federal Constitutional Amendment was repealed in 1933. The present provisions of our State Constitution allowing sale of liquor on local option basis were adopted in 1935.

This amendment would apply to only Subsection (a) of Sec. 20, Article XVI, which prohibits the "open saloon," but it would still require local election permission to adopt any new law providing for mixed drinks.

Under local option there are 129 counties in Texas which allow the sale of distilled liquor by bottle in part or all of the county. In 31 of these, sales are legal throughout the county. Texas is one of the six states which prohibit liquor by the drink in saloons open to the public. The arguments for and against sale of liquor by the drink are too well known to require listing here. The major issues in most discussions are concerned with which method is most enforceable and most likely to result in temperance and respect for law.

**Proposition 3—Special Tax Provisions for Ranch, Farm and Forest Lands**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."

Four years ago a constitutional amendment was adopted which provided that land designated by its owner for agricultural use shall be assessed for tax purposes on the basis of its agricultural use only, though it might be more valuable for other purposes. This means that land near a city, for example, can continue to be taxed on its value as ranch or farm land so long as the owner wants to use it that way, regardless of its worth for present or future development as residential or industrial property.

To get this lower assessment, a number of provisions must be met. The land must be owned by natural persons. Products of the soil must be grown under natural conditions, and as a business venture for profit. This must be the primary occupation and source of income of the owner. The requirements for eligibility, filing, etc., are lengthy and detailed.

Under the proposed amendment, the legislature could do by law what the present wording of this section guarantees expressly and minutely. However, it would change the impact from the owner applying for a different consideration to requiring the taxing authority to establish a uniform assessment on land meeting the statutory definitions.

The purpose of the amendment is to recognize the problems in inequities under the present assessing practices, particularly as applied to crops which take longer than one year to mature. Its terms are so broad, however, the Legislature may find it difficult to define and limit their application. Capability is capacity of being used or developed. It is having the ability or qualities necessary for a purpose, in this instance for raising livestock or producing crops. The full potential of a piece of land, and of neighboring property, might be affected by intensity of development, fertilizers, the kind of crops grown, or the breed of livestock raised.

The legislature apparently could define what constitutes farm or forest land. It might find such a definition necessary in order to distinguish property near enough a city, or an oil well, or other development which it determines shall be assessed on its speculative value.

While the amendment would allow the legislature to adopt a new assessment method, it does require it. If the amendment passes, and the legislature does not act, assessing the policies will revert to those in effect prior to November, 1966. If and when it does adopt legislation, the method of assessment will have to be uniform, apparently in all cases and throughout the state. If the legislature should feel it was necessary, this could include consolidation or assessing authorities within certain areas, or some sort of state agency to insure uniform state-wide application of the law, or both. If either approach is reasonably successful and accepted, pressure may be generated for uniform methods of assessing all other ad valorem taxes.

The powers are broad enough and the problems are big enough to spur some new thinking and

some new approaches to tax problems and to other relations between local governments and the state.

**Proposition 4—Reconstituting State Building Commission**

At the election you will be asked to vote FOR or AGAINST: "The Constitutional Amendment reconstituting the State Building Commission as a three-member appointive commission."

This is a proposal to change the membership of the State Building Commission from state officials, ex-officio, to three citizens appointed by the governor with the advice and consent of the Senate. At present the commission requires that the commission be composed of the governor, the attorney general and either the chairman of the State Board of Control or another official designated by the legislature.

If adopted, the first appointment will be a member named for a two-year term, one for four years and one for six years. Thereafter the governor will appoint a new member every two years, for a six-year term. He will designate one member as chairman and also fill the vacancy of any unexpired term.

This section of the Constitution creating a State Building Commission was adopted in November, 1954. The commission was authorized to acquire property and construct and equip buildings for state purposes. The first structure was required to be the State Supreme Court building. Land has been acquired and several buildings constructed in the development of a capitol complex stretching northward from the main capitol building.

The commission has had available the revenues remaining and unused each year from a two-cent ad valorem tax for confederate pensions. A 1968 constitutional amendment prohibits levy of this tax after 1976. The proposed amendment would not change the financing provisions. After 1976 the commission would have available to it only the money the legislature appropriates from the general revenue fund. The amendment would be self-enacting.

**Proposition 5—County Road Bonds on Majority Vote**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing any county, on the vote of a majority of its qualified property tax paying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

Section 52, Article III of our Constitution allows counties, cities and other political subdivisions of the state to issue bonds for roads and turnpikes, and certain other public improvements, when authorized by two-thirds majority vote of the resident property taxpayers voting thereon who are qualified electors.

The total bonds issued may not exceed one-fourth of the assessed value of real property of the issuing authority.

The proposed amendment would rewrite this section to allow any county in the state to issue bonds for roads and turnpikes on the approval of a simple majority of those voting in an election, rather than the two-thirds majority presently required. The election would still be restricted to qualified electors who are resident property taxpayers.

In 1968 a new Section 52e applying only to Dallas County was adopted. It will not be affected by this proposed amendment. The '68 amendment allows road bonds to be issued by Dallas County without being subject to the debt limit prescribed in Section 52, and on the approval of a simple majority of the qualified voters taking part in the election.

The proposal to be voted on in November does not go this far. It would make only the one change allowing county bonds for construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes to be adopted by a vote of a simple majority, rather than the two-thirds now required. The amendment would be self-enacting.

**Proposition 6—Raising Homestead Exemption from \$5000 to \$10,000**

rural homestead not in a town or city would remain at 200 acres of land, which may be in one or more parcels, and includes the improvements on the land.

The homestead exemption originated in Texas. While governed by a Spanish colonial law, Texas became familiar with exemptions for family clothing, a minimum amount of furniture and the implements of the breadwinner, none of which could be taken for forced payments of debts. In an agricultural community it was natural that this concept should be extended to the family home and land.

The earliest homestead exemption law was adopted by the Republic of Texas in 1839. It was written into the Constitution when Texas became a state in 1845. Originally, the dollar value exemption for urban lots was \$2000. It was increased to \$5000 in the Constitution of 1869. The Constitution of 1876, which is our present Constitution, continued the same exemption in its Article XVI, Sec. 51, which this proposal would amend.

The increase in the dollar amount of the exemption is urged as recognition of changing economic conditions and increased land costs. Without going back to 1876, the lot which could be bought several years ago for \$5000, and which may be still exempt as a homestead, could not in most instances be purchased today for the \$10,000 proposed as the new maximum. However, the exemption operates only as a floor under the welfare and fortunes of a family, and the question is whether the floor should be raised.

**Proposition 7—Consolidating Some Functions of Local Government**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

This proposal would authorize the Legislature to provide by special statute for consolidation of government offices and functions of government within any county in the state. It would allow a special law to be tailored to the requests and desires of the people of any one county.

It would also allow a county government, or any political subdivision within the county, to contract one with another for performance of any governmental functions either required or authorized by the Constitution or laws of Texas under such terms and conditions which the Legislature may prescribe. The term "gov-

An amendment was adopted in 1933 providing for county home rule charters. It is long and detailed and has never been used. In 1966 a constitutional provision very similar to this proposal was approved, applicable only to Harris County. In 1968 an amendment applicable to El Paso and Tarrant Counties was adopted. Neither of these has been used, but the last one is the basis of the present proposal which would make its procedures available to all counties.

The impact of this amendment, if adopted, would in a large part depend on the extent to which the Legislature implemented it with legislation. Should the implementation be broad, it might produce economies in some counties that would set a statewide pattern for the combining of many of the functions of local government either by contract or by actual consolidations. It is a fertile field for experiment.

### TO VOTERS OF THE 80TH LEGISLATIVE DISTRICT:

We want to direct your attention to the candidacy of State Representative Bill Heatly of Paducah, and to enlist your active support in his behalf. Our reasons are these:

His knowledge of law and government eminently qualify him for the position. Fortunately, Bill has a clear understanding of this district's goals and problems. His ability and courage to do something about them is unquestioned. These qualities have won him recognition and respect within the Democratic House majority and the public officials with whom he works.

# LOOK AT THE 7 PROPOSED CONSTITUTIONAL AMENDMENTS

Will Be Voted on at General Election Nov. 3, 1970. The proposed amendments discussed in the order in which they will appear on the ballot. The wording of each amendment will appear on the ballot at the beginning of discussion.

It is not the purpose of these amendments to indicate how anyone should vote but to present proposals which will be helpful in determining whether these amendments are desirable—and the best interests of our state as a whole.

Because our Constitution is an instrument guaranteeing our liberties and since it is not easy to revise it, it is a great responsibility to vote to adopt or to reject proposals such as the following which are separately analyzed in the following article.

**Proposition 1—Removal, Retirement or Censure of Justices, Judges and Justices of the Peace**

The election you will be asked to vote FOR or AGAINST: Constitutional Amendment to the removal, retirement or censure of Justices, Judges and Justices of the Peace prescribed circumstances.

1965 Texas voters adopted a constitutional provision setting a retirement date for state and appellate judges and a State Judicial Qualifications Commission which would conduct a continuing study of judicial conduct and disabilities.

The Commission was instructed to recommend to the Supreme Court of Texas removal from office of a judge, before retirement for willful or persistent conduct which is clearly inconsistent with the proper performance of his duties, or casts public discredit on the judiciary or administration of justice. It was further authorized to recommend involuntary retirement for disability seriously interfering with the performance of a judge's duties which is, or is likely to become, permanent in nature.

The proposed amendment of Article 5, Section 1-A would extend the Commission's duties to include: "Any county judge, any judge of a county court at law, any judge of domestic relations, a juvenile court, a probate court, or a justice of the peace, or a judge or presiding officer of an appellate court created by the legislature as provided in Section 5, Article V of our State Constitution."

It would add two new lesser penalties: (1) A private reprimand from the Commission, (2) Public censure from either the Commission or the State Supreme Court.

Under this proposed amendment any of these members of the judiciary could be removed from office or censured in lieu of removal, for willful or persistent conduct which is clearly inconsistent with the proper performance of his duties or which casts public discredit upon the judiciary or the administration of justice.

A permanent disability seriously interfering with the performance of his duties, or a disability likely to become permanent, a person could be removed from office. He is eligible for benefits under the laws for judicial retirement, removal would take the form of involuntary retirement.

Judges have been removed from office since the current constitutional revisions were adopted in 1965, but it is generally believed that the availability of a procedure for removal from office had a beneficial effect on the administration of justice. The opportunity for reprimand and censure would add further assurance that should be highly effective, especially so long as we have an elective judiciary.

**Proposition 2—Local Option Mixed Drinks**

You will be asked to vote FOR or AGAINST the "Repeal of the prohibition against open saloons" in Sec. 20, Article XVI of the Constitution of the State of Texas.

The Legislature would have the power to enact a mixed beverage law regulating the sale of mixed alcoholic beverages on a local option basis.

There has been a long time debate on whether or not the constitutional prohibition against open saloons would permit any form of a "mixed drink" statute. The last regular session of the Legislature resolved the debate by letting that decision to the voters. The Legislature has the power to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a state monopoly on the sale of distilled liquors. These powers are also subject to local option elections.

When our State Constitution was adopted in 1876, it provided for submitting to the people of any locality the question of whether they would license or prohibit saloons. During World War I, both the nation and the state adopted prohibition. The Federal Constitutional Amendment was repealed in 1933. The present provisions of our State Constitution allowing sale of liquor on local option basis were adopted in 1935.

This amendment would apply to only Subsection (a) of Sec. 20, Article XVI, which prohibits the "open saloon," but it would still require local election permission to adopt any new law providing for mixed drinks.

Under local option there are 129 counties in Texas which allow the sale of distilled liquor by bottle in part or all of the county. In 31 of these, sales are legal throughout the county. Texas is one of the six states which prohibit liquor by the drink in saloons open to the public. The arguments for and against sale of liquor by the drink are too well known to require listing here. The major issues in most discussions are concerned with which method is most enforceable and most likely to result in temperance and respect for law.

**Proposition 3—Special Tax Provisions for Ranch, Farm and Forest Lands**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."

Four years ago a constitutional amendment was adopted which provided that land designated by its owner for agricultural use shall be assessed for tax purposes on the basis of its agricultural use only, though it might be more valuable for other purposes. This means that land near a city, for example, can continue to be taxed on its value as ranch or farm land so long as the owner wants to use it that way, regardless of its worth for present or future development as residential or industrial property.

To get this lower assessment, a number of provisions must be met. The land must be owned by natural persons. Products of the soil must be grown under natural conditions, and as a business venture for profit. This must be the primary occupation and source of income of the owner. The requirements for eligibility, filing, etc., are lengthy and detailed.

Under the proposed amendment, the legislature could do by law what the present wording of this section guarantees expressly and minutely. However, it would change the impact from the owner applying for a different consideration to requiring the taxing authority to establish a uniform assessment on land meeting the statutory definitions.

The purpose of the amendment is to recognize the problems in inequities under the present assessing practices, particularly as applied to crops which take longer than one year to mature. Its terms are so broad, however, the Legislature may find it difficult to define and limit their application. Capability is capacity of being used or developed. It is having the ability or qualities necessary for a purpose, in this instance for raising livestock or producing crops. The full potential of a piece of land, and of neighboring property, might be affected by intensity of development, fertilizers, the kind of crops grown, or the breed of livestock raised.

The legislature apparently could define what constitutes farm or forest land. It might find such a definition necessary in order to distinguish property near enough a city, or an oil well, or other development which it determines shall be assessed on its speculative value.

While the amendment would allow the legislature to adopt a new assessment method, it does require it. If the amendment passes, and the legislature does not act, assessing the policies will revert to those in effect prior to November, 1966. If and when it does adopt legislation, the method of assessment will have to be uniform, apparently in all cases and throughout the state. If the legislature should feel it was necessary, this could include consolidation or assessing authorities within certain areas, or some sort of state agency to insure uniform state-wide application of the law, or both. If either approach is reasonably successful and accepted, pressure may be generated for uniform methods of assessing all other ad valorem taxes.

The powers are broad enough and the problems are big enough to spur some new thinking and

some new approaches to tax problems, and to other relations between local governments and the state.

**Proposition 4—Reconstituting State Building Commission**

At the election you will be asked to vote FOR or AGAINST: "The Constitutional Amendment reconstituting the State Building Commission as a three-member appointive commission."

This is a proposal to change the membership of the State Building Commission from state officials, ex-officio, to three citizens appointed by the governor with the advice and consent of the Senate. At present the constitution requires that the commission be composed of the governor, the attorney general and either the chairman of the State Board of Control or another official designated by the legislature.

If adopted, the first appointment will be a member named for a two-year term, one for four years and one for six years. Thereafter the governor will appoint a new member every two years, for a six-year term. He will designate one member as chairman and also fill the vacancy of any unexpired term.

This section of the Constitution creating a State Building Commission was adopted in November, 1954. The commission was authorized to acquire property and construct and equip buildings for state purposes. The first structure was required to be the State Supreme Court building. Land has been acquired and several buildings constructed in the development of a capitol complex stretching northward from the main capitol building.

The commission has had available the revenues remaining and unused each year from a two-cent ad valorem tax for confederate pensions. A 1968 constitutional amendment prohibits levy of this tax after 1976. The proposed amendment would not change the financing provisions. After 1976 the commission would have available to it only the money the legislature appropriates from the general revenue fund. The amendment would be self-enacting.

**Proposition 5—County Road Bonds on Majority Vote**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing any county, on the vote of a majority of its qualified property tax paying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

Section 52, Article III of our Constitution allows counties, cities and other political subdivisions of the state to issue bonds for roads and turnpikes, and certain other public improvements, when authorized by two-thirds majority vote of the resident property taxpayers voting thereon who are qualified electors.

The total bonds issued may not exceed one-fourth of the assessed value of real property of the issuing authority.

The proposed amendment would rewrite this section to allow any county in the state to issue bonds for roads and turnpikes on the approval of a simple majority of those voting in an election, rather than the two-thirds majority presently required. The election would still be restricted to qualified electors who are resident property taxpayers.

In 1968 a new Section 52e applying only to Dallas County was adopted. It will not be affected by this proposed amendment. The '68 amendment allows road bonds to be issued by Dallas County without being subject to the debt limit prescribed in Section 52, and on the approval of a simple majority of the qualified voters taking part in the election.

The proposal to be voted on in November does not go this far. It would make only the one change allowing county bonds for construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes to be adopted by a vote of a simple majority, rather than the two-thirds now required. The amendment would be self-enacting.

**Proposition 6—Raising Homestead Exemption from \$5000 to \$10,000**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment increasing the value of the homestead which is exempt from forced sale."

This is a proposal to increase the maximum value of a town or city block or lot which may be claimed as a homestead from \$5000 to \$10,000. This limit applies to the value of the real property without reference to any improvements on it. It applies to value at the time the property was designated a homestead, regardless of later increases in value. A homestead must be used for the purposes of a home, or as a place to exercise the calling or business of the head of the family. The

rural homestead not in a town or city would remain at 200 acres of land, which may be in one or more parcels, and includes the improvements on the land.

The homestead exemption originated in Texas. While governed by a Spanish colonial law, Texas became familiar with exemptions for family clothing, a minimum amount of furniture and the implements of the breadwinner, none of which could be taken for forced payments of debts. In an agricultural community it was natural that this concept should be extended to the family home and land.

The earliest homestead exemption law was adopted by the Republic of Texas in 1839. It was written into the Constitution when Texas became a state in 1845. Originally, the dollar value exemption for urban lots was \$2000. It was increased to \$5000 in the Constitution of 1869. The Constitution of 1876, which is our present Constitution, continued the same exemption in its Article XVI, Sec. 51, which this proposal would amend.

The increase in the dollar amount of the exemption is urged as recognition of changing economic conditions and increased land costs. Without going back to 1876, the lot which could be bought several years ago for \$5000, and which may be still exempt as a homestead, could not in most instances be purchased today for the \$10,000 proposed as the new maximum. However, the exemption operates only as a floor under the welfare and fortunes of a family, and the question is whether the floor should be raised.

**Proposition 7—Consolidating Some Functions of Local Government**

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

This proposal would authorize the Legislature to provide by special statute for consolidation of government offices and functions of government within any county in the state. It would allow a special law to be tailored to the requests and desires of the people of any one county.

It would also allow a county government, or any political subdivision within the county, to contract one with another for performance of any governmental functions either required or authorized by the Constitution or laws of Texas under such terms and conditions which the Legislature may prescribe. The term "gov-

## Miss Virginia Sue Russell and Jimmy Ray Carr Are Wed

Miss Virginia Sue Russell and Jimmy Ray Carr were married in the home of the bride's parents in Quannah at 7:30 p. m. Saturday with Rev. O. C. Harper, Minister of Central Christian Church in Vernon, officiating for the double ring rites conducted before an arch covered with lemon greenery and twinkling star lights. Organ music was provided by Mrs. Harper who accompanied Mr. Harper as he sang "The Lord's Prayer" at the close of the ceremony.

Parents of the couple are Mr. and Mrs. Sam D. Russell of Quannah and Mr. and Mrs. C. C. Carr of Lockett.

The bride is a granddaughter of Mr. and Mrs. T. F. Russell and a great granddaughter of Mrs. W. S. J. Russell, all of Crowell.

Presented in marriage by her father, the bride wore a gown of white satin peau de soie styled with a high collar. The formal length gown was fashioned with a front lace panel edged with a lace ruffle, and the chapel length train was accented with lace and a long bow. Her elbow length veil of silk illusion was secured to a pillbox of white satin trimmed with pearls. She carried a colonial nosegay of white roses, and followed the traditional "something old, something new," complete with a sixpence in her shoe.

Mrs. Robert Melcar attended her sister as matron of honor. She was attired in a street length dress of blue double knit with matching accessories. She carried a long stemmed white rose.

Serving his brother as best man was W. C. (Butch) Carr of Lockett.

The bride's parents were hosts for a reception in their home following the ceremony.

The table was covered with a white satin cloth overlaid with white and tied with blue satin ribbon. Immediately after the reception the couple left for a wedding trip to Dallas. The bride was wearing a navy and white dress.

The bride is a 1967 graduate of Quannah High School. She attended Draughon's Business College in Wichita Falls, and is presently employed by the Waggoner National Bank of Vernon. The bridegroom was graduated from Lockett High School in 1968, and

## Mrs. Vera Thomas Named to Committee at State OES Meeting

Mrs. Vera Thomas was installed as a member of the state Time and Talent committee at the recent Grand Chapter of Texas, Order of the Eastern Star session in Houston.

Mrs. Alyene Pittillo, local representative, and Mrs. Thomas gave the highlights of the convention at the stated meeting of Crowell Chapter No. 916, OES, on October 13.

A November 17 turkey dinner and program was planned to honor Foard County Masons, their wives, Eastern Stars and their guests. Named to the food committee were Mmes. Marietta Carroll, Pearl Moore, Laura McLarty, and Grady Moore. The program will be under the direction of Mmes. Lona Pittman, Vetrice Gentry, Lottie Estes, Mae Naylor and Nona Backus.

Hostesses for the social hour were Mmes. Homer Black and Billy Johnson.

## Teachers Convention Set for Friday

Some 2,200 area teachers are expected to congregate in Vernon Friday, Oct. 23, as the District IX, Texas State Teachers Association, posts its annual fall convention in Wilbarger auditorium.

The general session, to be attended by teachers from a 12-county area in North Central Texas, opens at 10 a. m. with Frank O. McIntyre, director of information services, California Teachers Association, as keynote speaker.

Following the morning session, a series of luncheon meetings, divided along professional and curriculum lines, will be held at the various public schools and Wilbarger auditorium.

This year's convention is the third to be held in the newly-formed Greenbelt district, formerly a part of the Oilbelt district. It is the first fall convention to be held. Former conventions were held in the spring. The present district uses Montague County on the east and Hardeman, Foard and Knox counties on the west for boundaries.

## Mrs. John Nichols Honored at Rochester School Homecoming

Mrs. Evalyn (John) Nichols, a former teacher in the Crowell School, was given special recognition during the Rochester homecoming for ex-students and teachers of the Rochester Schools, Oct. 10. Mrs. Nichols was awarded a plaque at the assembly program for being the teacher in Rochester who had taught for the longest period of time, and was still teaching. The presentation was made by Herman Williams, president of the Rochester School Board, and reads as follows:

"Evalyn Nichols, 38 years, Texas Public Schools, Rochester Ex-Students Association, 1970. Mrs. Nichols received her B. A. degree from Baylor University, Waco, and her M. E. degree at Midwestern University. She began teaching in 1925, and has taught school in a number of places, including Ayersville, Black and Crowell in Foard Co. She has taught in every grade, 1-12 and at present is teaching 4th grade at Rochester."

## Gambleville H. D. Club

The Gambleville H. D. Club met Friday, Oct. 16, at 2:30 p. m. with Mrs. Bob Thomas as hostess in her home at which time she gave "Two Minutes Without God" as opening exercise.

Mrs. Betty Chatfield gave the financial report and read the minutes. Roll call was answered with "what I have done to help a 4-H club member" by the eleven members present.

Mrs. Warren Haynie introduced Jerry Martin, 4-H member, who gave a very informative program on record books, ribbons, different places one can go as a 4-H member, and scholarships members receive.

Mrs. Elton Carroll was presented the hostess gift and the next meeting will be in the home of Mrs. Carroll on Nov. 6. New members and visitors always welcome.

## Riverside H. D. Club

The Riverside H. D. Club had a meeting last week in the home of Mrs. John Ray, with the vice president, Mrs. Allen Shultz, in charge. Opening exercise was by Mrs. Grover Moore. Mrs. Ray presented a program on convenience foods.

At the first meeting of the month at Mrs. Grover Moore's, Miss Helen Fincher brought the program on drapery making.

Next meeting was on Oct. 20 with Mrs. W. E. Schoolcraft. A program on 4-H work and scholarships was presented and Mrs. Allen Shultz reported on the state convention in Galveston.

## THIRTY YEARS AGO

News items below were taken from the Thursday, Oct. 17, 1940, issue of The Foard County News:

Eight hundred and ten men between the ages of 21 and 36 registered at the twelve registration posts in Foard County Wednesday for a year's military training in Uncle Sam's first peacetime conscription, which is the outstanding part of the United States' defense program.

Work was started Monday morning on a five-room residence for Mr. and Mrs. Floyd Thomas. The new home will be located on North Main Street west of C. B. Graham's home.

Born to Mr. and Mrs. Charles Chatfield, a boy Wayne Nicholas, October 11.

Mr. and Mrs. A. W. Lilly honored the members of the Crowell High School Wildcat football squad with a barbecue at the roadside park three miles north of Crowell last Tuesday afternoon. A bountiful and delicious barbecue was prepared by H. K. Edwards, Sr.

John E. Long was appointed clerk of the Foard County draft board this week.

Born to Mr. and Mrs. T. J. Taylor, a girl, Mary Elaine, Oct. 11, in the West Texas Hospital in Lubbock.

Lowell Tamplin of Los Angeles, Calif., has been here this week visiting his parents, Mr. and Mrs. W. H. Tamplin.

The Crowell Wildcats drew much attention from the teams and football dopsters of District 9-A when they smothered the seasoned and favored Holliday Eagles under a 30 to 12 score here last Friday night in a conference opening game.

Born to Mr. and Mrs. Darwin Bell, a boy, Fred Carl, Oct. 13, in a Vernon hospital.

The following telegram was received Wednesday afternoon from Congressman Ed Gossett in Washington: "Foard County WPA county-wide road project to reconstruct and improve various county-owned roads throughout the county approved by the president with federal allotment of \$101,689. Projects eligible for operation at discretion of State Works Project Administration. Congratulations."

Drilling of the sixth well, the Wallace and Fish & Fish No. 1, in the Gamble-Dickerson oil pool 8 miles northeast of Crowell was started. This new well is 660 feet south of the discovery well, Thomason's E. M. Gamble No. 1, on the E. M. Gamble farm. According to information received, the production for Foard County's newest oil field, as set by the State Railroad Commission, is 120 barrels per day. There are three producers in the new field.

The school buses serving the various school districts of Foard County were inspected by State Highway Patrolman Conner here Tuesday morning.

Born to Mr. and Mrs. John Williamson, a girl, Virginia Ann, Oct. 13.

A trainload of World War vintage U. S. tanks have been shipped to Canada where they will be used to train Dominion tank corps.

## Consumer Program on Cotton to Be Held at Munday

"Signs of the '70's," a consumer program on cotton will be held Oct. 26 in the Munday High School auditorium at 2 p. m. This program is being sponsored by the family living subcommittee of the R-PEP. Registration will begin at 1:30 p. m.

The program will be presented by Mrs. Betty Eisenberg of TAP and Miss Joanne Thurber of the extension service.

Miss Helen Fincher, Foard H. D. Agent, says "This will be a very interesting and informative program that will benefit everyone."

## Community Concert Schedule Announced

Thursday, Dec. 10, Victor Borge; Thursday, Feb. 11, 1971, Addis and Crofut; Saturday, March 27, Three on Broadway; Thursday, April 1, Neil Wolfe trio.

## PLANS BEING MADE FOR AREA MUSEUM

The first of a series of museum organizational meetings in the Four Winds Industrial Foundation counties was held last week at the community center in Crowell.

Four Winds is made up of Foard, Cottle, Childress and Hardeman counties. Proposed site for the museum is on the new state park property between Crowell and Quannah, and has the pledge of Senator Jack Hightower and Rep. W. S. Heatly of their full support.

Henry Black, director of Four Winds from Foard County, presided at the meeting and presented Bill Carpenter of Quannah. Carpenter retraced the steps leading to the purchase of the land for the state park, reviewing 26 months of hard work and meetings. He pointed out a 12-inch water line between Crowell and Quannah would serve the park. Also emphasized was the rugged beauty of the almost 2,000 acres which is rich in historical significance to this area.

## Kenneth Wyatt to Have Show in Quannah

Kenneth Wyatt, artist, minister, humorist, will be in Quannah Sunday, Oct. 25, when his show opens at the First National Bank. The show is under the auspices of the Hardeman Art League and the High Plains Galleries of Amarillo. Opening hours Sunday will be from 2 to 5 p. m. with Wyatt on hand to greet his many friends in this area. The show may be seen during banking hours Monday and Tuesday.

## Subscriptions to News

Subscriptions to the News received since October 12 follow: Edna Eubank, Crowell; A. A. Manning, Crowell; Mrs. Mike Gamble, Vernon; Miles Welch, Dallas; Ruby Hester, Arlington; Mrs. Leon Solomon, Crowell; Tom Harwell, Wichita Falls; John McAllister, Crowell; Pete Hord, Austin; Mrs. Guy Naron, Quannah; L. M. Carter, Houston; Mrs. T. L. Kociela, Roseville, Mich.; C. R. Moore, Plainview; V. C. Jackson, Garland.

## Columbian Club

The Columbian Club has held two meetings recently. First was on Sept. 30 with Mrs. Grady Halbert. The program was on women's rights and was presented by Leslie Thomas.

On Oct. 14 the club met in Truscott with Mrs. Bill Rake. Mrs. Chowning, assisted by Mrs. N. J. Roberts, presented a program on beauty spots of America.

Twelve members were present. Next meeting will be Nov. 19 with Mrs. John Ray.

In the developing nations, nearly half the population is under 15 years of age. Approximately three-quarters of the world's children live in areas where the average income is less than \$500 a year. The United Nations Children's Fund helps provide better food and medical care for these youngsters.

The proposed museum is expected to furnish recreation plus serve as a tourist attraction. In the plans is a larger lake in the area for water skiing, fishing, camping and hunting.

Mr. Black and John McAllister were named co-chairmen from Crowell to serve with Mmes. Otis Gafford, Virgil Johnson, N. J. Roberts and L. A. Andrews as an advisory committee from Foard County to work on the proposed museum.

Elected from Quannah were Mrs. R. P. Jones, chairman, with Bill Carpenter, Clark Burkett and Mrs. K. D. Stephenson as the advisory committee.

Scheduled this week is a meeting in Childress with Ron McClure, curator of the museum in Canyon as the principal speaker. Mr. McClure has offered help on the museum.

A group will be elected from Childress and Cottle Counties within the next week or ten days to work on the museum. The group from the four counties, when organized, will present to Rep. Heatly and Sen. Hightower what is needed in the park so the necessary legislation for funding for the museum can be planned to be acted on early in 1971.

Everyone in the four counties is urged to get involved in the museum project. Like getting the state park for the area, the museum can become a reality only if citizens give their time, talent and resources toward achieving the goal of a museum.

The new state park needs a name. People in the four counties are urged to submit a proposed name to the Quannah Chamber of Commerce or to the Crowell Booster Club in Crowell. A savings bond will be given to the winner.

With UNICEF's help, the death rate from malaria among children has been lowered from 3.5 million in the fifties to less than one million per year.

## Statistics Show Population, Retail Sales Are Down, Bank Deposits Up in County

The West Texas area showed a population increase of 6 per cent from 1960 to 1970, according to a study released by the West Texas Chamber of Commerce this week. Figures are based upon preliminary census figures and will change slightly when final figures are released by the Census Bureau.

Retail sales also showed a substantial gain of 58 per cent and bank deposits were up 86 per cent, according to F. V. Wallace of Amarillo, president of the regional organization.

The report compares population growth or loss with the economic trends for each of the 132 counties in the West Texas area. Chamber officials explained that a large percentage of the increase in retail sales and bank deposits can be attributed to inflation. After the inflation factor is removed, there are still substantial increases of 13 per cent in retail sales and 44 per cent increase in bank deposits.

The report shows that Foard County lost 34 per cent in population between 1960 and 1970. During the same period bank deposits in the county increased 40 per cent and retail sales decreased 7 per cent.

The eastern one-third of West Texas, east of the 100th meridian, showed a larger growth than other areas in both population and other economic factors.

The Central West Texas area showed a 14 per cent increase in population compared to a 2 per cent increase in the Southwest Texas area and a 6 per cent de-

crease in the Panhandle area.

The Central West Texas area had a 94 per cent increase in bank deposits compared to an 87 per cent increase in the Southwest, and a 71 per cent increase in the Panhandle. Increases in retail sales by area were: Central 71 per cent, Southwest 47 per cent, and Panhandle 45 per cent.

### Housing Situation Is Better in Corpus Christi Area

Why not consider the hurricane-damaged Corpus Christi area if you're planning a coastal fishing expedition?

Most of the emergency cleanup operations are completed, opening up much-needed hotel and motel spaces for coast fishermen—especially on the week ends.

Bob Conwell of the Corpus Christi Tourist Development Bureau said facilities still are crowded during weekdays by construction crews which still are working on storm repairs. But many of the workers leave for their homes scattered throughout the state on week ends.

Fishermen planning a trip to the Corpus Christi-Rockport area probably can find lodging even in the major motels along the shoreline during the week ends. During the week, vacancies usually exist in areas away from the shoreline, such as along State Highway 9 and Padre Island Drive.

Conwell said most of the party boats are in operation, and the weather is usually excellent this time of year. And, incidentally, the fishing is very good.

## Junior Varsity, Junior High Win Games Thursday

In football games played in the rain at Dick Todd Field Thursday night of last week, Crowell teams won both games.

In the first game, the Crowell Junior High team, coached by Printiss Gidney, won over the Chillicothe junior high by a 22 to 0 score.

Nathan Frater scored two of the Crowell touchdowns, and Chavelo Ranjel scored one and ran for two points after two of the TDs.

The local junior high team now has district wins over Chillicothe and Paducah.

Coach Gidney praised the Wildkittens blocking and defensive play against Chillicothe.

In the junior varsity game, the Crowell boys, coached by Bob Cook, took a 26-0 win over the Chillicothe JV.

Randy Dorsey scored two of the Crowell touchdowns on runs of 4 and 7 yards. Tim Daniel ran two yards for one Crowell TD and Bob Taylor galloped about fifty yards for the other Crowell score.

## Matador Hospital Forced to Close

(Editor's note: The following article appeared in the Thursday, October 15, edition of The Matador Tribune.)

A monument to the stupidity of bureaucracy, the Motley General Hospital will close its doors Saturday. The modern and completely equipped facility has received its final blow from the Dallas regional office of the Department of Health, Education and Welfare.

The following excerpt is the first paragraph in a letter to the hospital board: "We regret to inform you that your facility does not meet the requirements for participation in the Health Insurance for the aged program (Title XVIII) of the Social Security Act." The letter was signed by Mrs. Martha A. McSteen, Regional representative.

The hospital board called a special emergency meeting in the hospital Tuesday afternoon, and the announcement was made that the closing would be Saturday, October 17th.

The board said the personnel would be paid two weeks in advance. The utilities will be continued and the laboratory and X-ray facilities will be continued with Don Seigler in charge.

The hospital board had continued to keep the hospital open in the hopes that approval for Medicare would be made. It was explained that the operation had been on borrowed funds from next year's taxes. It is impossible for a hospital to operate with the present required high standards, without the support of Medicare.

The fate of Motley General Hospital may be the same awaiting other small hospitals. The requirements placed by state and national administrators may be so rigid that many small hospitals will be forced to close their doors.

At present, four bills are declared pending in Washington to restore the less than 50-bed hospital to a position of participation in the Medicare program.

The situation here is that the Motley General Hospital can not be reopened unless it has assured Medicare approval.

### "Fighting Heart Award" Goes to Entire Wildcat Squad

George Eavenson, Jim Tom (Frog) Smith and Junior Urquiza accepted the "Fighting Heart Award" for the entire Wildcat team which was presented by CHS Coach Scott Boyd at the pep rally last Friday afternoon. The three, Smith, Urquiza and Eavenson, are captains of the team this year.

Coach Boyd praised the total team effort in the win over Memphis the preceding week.

Miss Jaque Gillispie received the "Big Mouth Award" for being the most enthusiastic member of the pep squad.

The pep rally was scheduled to be held on the court house lawn, but due to the rainy weather was held in the gymnasium.

### Gilliland School Board Meets Last Week

At a meeting of the Gilliland school board last Monday night, the financial report was approved. The board members also discussed the purchase of heaters for the gym.
