News About Our MEN IN SERVICE

Son of Crowell Couple Participates in Capitol Ceremonies

Washington, D. C.—Army Private First Class Edgar L. Boyd, 20, son of Mr. and Mrs. J. T. Boyd of Crowell, participated recently in a colorful military pageant, "Prelude to Taps," that was the Army's contribution to the annual National Cherry Blossom Festival held in Washington, D. C., March 29 through April 10.

Pvt. Boyd is a member of Company D, 1st Battalion, 3rd Infantry (The Old Guard), at Fort Myer, Va. He had a role in "The Army Story," a re-enactment of scenes tracing important events in American history involving the Army.

Since its inception in 1960, the 90-minute "Prelude to Taps" production has thrilled thousands of spectators. It features pageantry, military skills and precision drills by members of the elite 1st Battalion. Other highlights of the event are performances of the Old Guard Rifle and Drum Corps and the U. S. Army Drill Team, and the stirring music of the U. S. Army Band and Chorus.

The Old Guard is the oldest active infantry unit in the Army, dating to 1784. It is the official Army ceremonial unit and has the additional missions of providing security for the Capitol and serving as honor guard and escort for the President.

Pvt. Boyd's wife, Mary, lives in Arlington, Va.

Promoted to Lt. Col.

Jack Huebner, husband of the former Miss Bobbie Ruth Abston of Crowell, has recently been promoted from Major to Lieutenant Colonel. Lt. Col. Huebner is now stationed at Wright Patterson Air Force Base of Dayton, Ohio, but is being transferred to Whiteman AFB located at Knob Nostre, Mo., April 28. In his new assignment he will serve as base commander.

Mrs. Huebner is the daughter of Mr. and Mrs. Bob Abston of Vernon, former residents of this county. Lt. Col. Huebner and Mrs. Huebner are parents of three children, Tracy 11, Mitchell 9 and Janice 5. Mrs. Abston has recently returned to Vernon following a 10-day visit with her daughter and family.

Dot Hammonds Died at Floydada

Clarence T. "Dot" Hammonds, 67, of Floydada died unexpectedly Tuesday, April 13, following an apparent heart attack.

Reared in Foard County, Mr. Hammonds was the son of Mrs. Maggie Hammonds and the late Jim Hammonds of Thalia.

His home was 3 miles south of Floydada where he and his wife, Ila Price Hammonds, and two younger sons, Mike and Mickey, resided. Mr. and Mrs. Hammonds were the parents of seven children. He was preceded in death by one son, Jimmie, who died in 1967. He is also survived by six grandchildren and two brothers, Gus Hammonds of Floydada and Fred Hammonds of Thalia.

Attending the funeral from this area were his mother, Mrs. Maggie Hammonds; his brother, Fred Hammonds and family, Mrs. L. H. Hammonds, Mr. and Mrs. Merle Moore, Mike and Carolyn, Jim and Bob Moore, Mrs. Myrtle Neill, Mr. and Mrs. Billy Hammonds and Ricky, all of Thalia; Mr. and Mrs. Leotis Roberts of Crowell; Otis Hammonds, Mrs. Mae Hudgens and Mr. and Mrs. Leroy Henry of Vernon.

Trail Ride to Vernon Set for Next Tuesday

A meeting of members of the Crowell Riding Club will be held Friday, April 23, at Connie's Cafe beginning at 7:30 o'clock. President Bill Bell said the meeting is being held for the purpose of making final plans for the trail ride to the Santa Rosa Roundup.

The local riders will leave on Tuesday, April 27. They will eat supper and camp at the Ed Lehman farm in Wilbarger County. Foard County residents are invited to drive over Tuesday afternoon to the Lehman farm and eat supper with the riders. Tickets can be purchased from Mrs. Connie Williams.

The riders will leave Crowell about noon Tuesday on the ride.

Henry Bogusch Family Moves to New Mobile Home

Mr. and Mrs. Henry Bogusch and son, Charlie, moved last Thursday to the mobile home they recently purchased from Mr. and Mrs. Clark Brown. The Bogusches moved their mobile home from the Brown's lot to a location in the west part of town.

Mr. and Mrs. Brown purchased a vacant farm home and moved it to their lot just west of the City Park.

CHS Wins One-Act Play Contest Here Last Friday

Crowell Participants Receive Best Actor, Actress Awards

Crowell High School won top honors in Friday's District 8A one-act play competition with Monday High School taking second. The contest was held in the C. H. S. auditorium.

Best actor award went to Pat Cates and best actress award went to Sharla Haynie, both members of the Crowell entry, "Beginnings." Trey Autry, the third member of the local cast, was named to the all-star cast.

Crew for the local play is Mickle Owens and Jimmy Glover.

Other members of the meet's all star cast were Larry Smith and Linda Owens, both of Monday; Cindy Lahr and Barry Justice, both of Chillicothe; Debbie Stone, Debbie Dean and Bill Buckley, all of Holliday.

Honorable mention was given Betty Hicckel of Monday and Laura Smith of Paducah.

Michael Garlach of Midwestern University, Wichita Falls, was the judge. Mrs. Jean Halbert is director of the local cast and Crowell Supt. Larry Jones presented the awards following the tournament.

Paducah, Chillicothe, Monday, Holliday and Crowell were all entered in the meet.

The play will enter regional competition on Friday, April 23, at Texas Tech University in Lubbock.

Pat, Trey and Sharla will compete in individual literary events on Saturday, in addition to the play.

Two Foard Counties On Dean's List at Texas Tech University

Paul A. Stapp and James H. Hammonds, both of Crowell, were among the more than 1,650 students in the College of Arts and Sciences at Texas Tech University to be named to the Dean's List during the fall semester.

To qualify for the Dean's List, a student must have a grade point average of 3.0 or more and must be taking as many as 12 hours of work.

Announcement of honor students was made this week by Arts and Sciences Dean Lawrence L. Graves.

Farmers Co-Op. Gin in Crowell Plans Annual Meeting

The annual stockholders' meeting of the Farmers Co-Operative Gin of Crowell will be held at the gin office Saturday, April 24, W. M. King, manager, said this week.

The meeting will begin at 1 p. m., Mr. King said, and he added that the purpose of the meeting will be to receive the annual audit and the election of directors.

WEEK END SHOWERS FALL IN FOARD COUNTY

It wasn't any drouth-breaker by any means, but it helped. It rained in Foard County and this section of Texas last week end and when it was over, a total of .47 inch was recorded by the government gauge here. Rain here Friday amounted to .38 inch and .09 fell Saturday.

Little League Player Draft Set For Thursday

All boys of Little League age —9 through 12—who have not been drafted for Little League play in previous years, were asked this week to report to the Little League field Thursday afternoon, April 22, at 6 p. m. Following a one-hour work out during which the four team managers will observe the boys in action, the annual Little League draft will take place.

This draft is for new boys only, Mr. Wall said, and the 9-year-olds will be drafted at this time, on condition that full squads cannot be obtained for the four teams from this year's crop of 10, 11 and 12 year old boys.

Boys who have not registered for this season must do so before the player draft if they want to play this year.

First game of the regular schedule will be played on May 18.

Truscott Elevator Sets Annual Meeting for Saturday, April 24

The annual membership meeting of the Farmers Co-Operative Elevator Association of Truscott will be held at the Truscott school house on Saturday, April 24, Elmo Todd, manager, said this week.

In addition to a drawing for merchandise, directors will be elected and the auditor's report will be given.

Present members of the board are C. A. Bullion, Sammy Abbott, Louis Baty, Roy C. Daniel, Jack W. Brown, A. J. Navratil and Charles Carroll.

Mr. Todd urges all members of the association to attend this annual meeting.

Wilburn Nichols Family Moves to Crowell from Lubbock

Mr. and Mrs. Wilburn Nichols and four sons, Ricky, Keith, Leslie and Dale, have moved to Crowell to make their new home. The family had been living in Lubbock before moving here.

Mr. Nichols is establishing an insulation contracting business and has rented office space in Dale Grimes' newly-remodeled building on the west side of the square.

Generally, all areas of the county received as much or more than fell here. Up to an inch was reported in the far west part of the county. About a half-inch was reported in the Margaret area, with up to an inch in an area east of Margaret. Southeast of Thalia only a light sprinkle fell.

The rain failed to run an appreciable amount of water, but it was welcomed and needed by all of Foard County.

Tuesday, heavy dark clouds moved across this area with a Pacific front. Prospects looked good for more rain, but only a few sprinkles materialized.

Honor Students Named for CHS Graduating Class

Crowell High School Principal L. H. Wall, Jr., Monday announced the valedictorian, salutatorian and honor students for the 39-member 1971 graduating class.

Valedictorian is Douglas Chowning, son of Marion Chowning of Truscott. Douglas' four-year grade average is 95.06.

The salutatorian is Pat Cates. Pat is the son of Mr. and Mrs. T. R. Cates, Jr. of Thalia and his grade average is 93.63.

Other honor students whose averages were 90 or above include Elaine Jackson, Bill Myers, Mickle Owens, Rita Coffey, Sherry Prince, Kristi McLain, Peggy Welch and Toni Baggett.

Baccalaureate services for the 1971 class have been set for Sunday, May 9, at Crowell United Methodist Church beginning at 4 p. m. Rev. M. L. Crosby, pastor of Free Will Baptist Church, will be the principal speaker.

The commencement exercises are set for Friday, May 14, in the high school auditorium with County Judge Leslie Thomas as the principal speaker.

Farmers Urged to Leave Wheat Cover on Land

All wheat farmers are urged to leave any wheat cover on the land instead of plowing it under. If drouth conditions continue and the land is plowed, it will add to the wind erosion problems that already exist, according to Mrs. Jean Reeder, office manager of the Foard County ASCS.

"You may file a written request at the ASCS office to leave the wheat for cover only. Final reminder—May 1, 1971, is the final date to certify wheat acreage," Mrs. Reeder added.

CHS Track Team Goes to Lubbock Saturday, April 24, for Regional Meet

Seven Crowell High School track and field winners in the district meet at Holliday a few weeks ago, will enter the regional track meet at Lubbock Saturday, April 24. The regional meet will be held at Coronado High School, which is located in the south part of Lubbock, Coach Scott Boyd said this week.

The mile relay and sprint relay teams, which won at all the meets entered, will be performing in the Lubbock meet. Members of the relay teams are Junior Urquizo, George Eavenson, Mike Weatherred and Kenneth Sellers.

Sellers, who broke the 440 dash record at the district meet, will be entered in this event, and Jesse Barrera will be entered in shot put competition. Barrera broke the district shot put record of 47.975 with a tremendous heave of 50-7.

Urquizo won his specialty, the half-mile run, in 1:05.6 and will enter this competition in the regional meet, while Weatherred will be entering the intermediate hurdles, having won the district meet with a 41.7.

Harry Lee Swan won first place in the mile run at district with a time of 5:01.1, and will be entered in the regional meet. Johnny Urquizo will be in the 220 yard dash as a result of winning second in

Home Talent Show, Queen Coronation Planned for May 3rd

A home talent show and Crowell High School homemaking queen coronation sponsored by the Women's Service League is set for May 3rd at 8 p. m. in the high school auditorium.

The program has been planned for the entire family, according to Mrs. Leo Cates, general chairman.

Some 40 of Mrs. Ray Brown's students have indicated they will compete in the homemaking contest.

Cakes will be sold during intermissions. Proceeds from the undertaking are earmarked for WSL community projects. Tickets may be purchased at the door.

Ken Ferguson to Be Initiated into National Society at Texas Tech

Ken Ferguson of Crowell is one of eleven outstanding economics students who will be initiated into Omicron Delta Epsilon, national economics honorary society, at the annual banquet program in Lubbock Saturday, April 24.

Ferguson, son of Mr. and Mrs. C. T. Hord of Crowell, is a student at Texas Tech University.

James W. McKie, an economist from Vanderbilt University currently on leave as a senior research fellow at the Brookings Institute in Washington, will be the guest speaker. McKie is president of the Southern Economics Association, the oldest and largest of the regional economics associations.

Ferguson's wife is the former Miss Mary Ann Ramsey, daughter of Mr. and Mrs. Walter Ramsey of Crowell.

Junior High Honor Students Named

Gordon Erwin, Principal, Crowell Junior High School, Monday announced the honor students for the eighth grade class of 1970-71. Valedictorian is Jacquelyn Brown with an average of 97.6. Salutatorian is Mary Ann Quintero with an average of 96.7.

1971 Cancer Drive In County Will Be Held on April 27th

Goal for 1971 in Foard County Set at \$800.00

Next Tuesday morning, April 27, beginning at 9:30 o'clock, the 1971 drive for funds for the American Cancer Society will be conducted in Foard County. The announcement of the upcoming fund drive was made this week by Mmes. Larry Jones and Jim Mack Gaffard, co-chairmen of this year's drive.

Volunteer workers will canvass each home in Crowell and other workers will contact the county's rural residents.

Anyone who is missed in the drive next Tuesday is invited to contact either Mrs. Jones or Mrs. Gaffard, or leave their donation with Jon Lee Black at the Crowell State Bank.

The goal for Foard County this year has been set for \$800. Here in Texas, 38 cents of each dollar collected goes for cancer research, 15 cents for professional education, fellowship and service, 21 cents for public education, 23 cents for service to patients, 5 cents for development of the program and administration, and 9 cents for financing the campaign. This \$1.11 total expenditure reflects increased research allocations to Texas by the National organization.

Promoted to Lt. Col.

Jack Huebner, husband of the former Miss Bobbie Ruth Abston of Crowell, has recently been promoted from Major to Lieutenant Colonel. Lt. Col. Huebner is now stationed at Wright Patterson Air Force Base of Dayton, Ohio, but is being transferred to Whiteman AFB located at Knob Nostre, Mo., April 28. Following a one-hour work out during which the four team managers will observe the boys in action, the annual Little League draft will take place.

This draft is for new boys only. Mr. Wall said, and the 9-year-olds will be drafted at this time, on condition that full squads cannot be obtained for the four teams from this year's crop of 10, 11 and 12 year old boys.

Boys who have not registered for this season must do so before the player draft if they want to play this year.

First game of the regular schedule will be played on May 18.

Honor Students Named for CHS Graduating Class

Crowell High School Principal L. H. Wall, Jr., Monday announced the valedictorian, salutatorian and honor students for the 39-member 1971 graduating class.

Valedictorian is Douglas Chowning, son of Marion Chowning of Truscott. Douglas' four-year grade average is 95.06.

The salutatorian is Pat Cates. Pat is the son of Mr. and Mrs. T. R. Cates, Jr. of Thalia and his grade average is 93.63.

Other honor students whose averages were 90 or above include Elaine Jackson, Bill Myers, Mike Owens, Rita Coffey, Sherry Prince, Kristi McLain, Peggy Welch and Toni Baggett.

Baccalaureate services for the 1971 class have been set for Sunday, May 9, at Crowell United Methodist Church beginning at 4 p. m. Rev. M. L. Crosby, pastor of Free Will Baptist Church, will be the principal speaker.

The commencement exercises are set for Friday, May 14, in the high school auditorium with County Judge Leslie Thomas as the principal speaker.

Truscott Elevator Sets Annual Meeting for Saturday, April 24

The annual membership meeting of the Farmers Co-Operative Elevator Association of Truscott will be held at the Truscott school house on Saturday, April 24, Elmo Todd, manager, said this week.

In addition to a drawing for merchandise, directors will be elected and the auditor's report will be given.

Present members of the board are C. A. Bullion, Sammy Abbott, Louis Baty, Roy C. Daniel, Jack W. Brown, A. J. Navratil and Charles Carroll.

Mr. Todd urges all members of the association to attend this annual meeting.

Farmers Urged to Leave Wheat Cover on Land

All wheat farmers are urged to leave any wheat cover on the land instead of plowing it under. If drouth conditions continue and the land is plowed, it will add to the wind erosion problems that already exist, according to Mrs. Jean Reeder, office manager of the Foard County ASCS.

"You may file a written request at the ASCS office to leave the wheat for cover only. Final reminder—May 1, 1971, is the final date to certify wheat acreage," Mrs. Reeder added.

Red River Valley Association Pledges Support for Proposed Pease River Dam

The first major step toward construction of a fresh water dam on Pease River near the new Cooper Breaks State Park between Crowell and Quanah—endorsement by the prestigious Red River Valley Association—has been accomplished.

Regional delegates returned last week from the two-day annual convention of the Association in Shreveport with word that a resolution introduced by Ed Lehman Jr. of Wilbarger County was unanimously approved by the Association.

The resolution, approved in the exact form presented by Mr. Lehman, called for assistance of the multi-state Association to develop and implement planning for the construction of a flood control structure on the Pease River in the western sector of the region served by the Nortex Regional Planning Commission.

Mr. Lehman also pushed through approval of a second resolution in which the Association also pledged unanimously to actively support State and National Soil and Water Conservation Districts' recommended budgets for 1972 that would return support to Soil Con-

servation agencies to the 1967 level.

Delegates to the convention from this area, in addition to Mr. Lehman, were J. A. Marr, chairman of the Foard County Soil and Water Conservation District; Bob Mowery, assistant director of the Nortex Regional Planning Commission; and Ed Coltharp, executive vice president of the Vernon Chamber of Commerce.

Mr. Lehman is chairman of the Wilbarger Soil and Water Conservation District and a director of the Nortex Regional Planning Commission.

Among the speakers appearing on the two-day Association program in Shreveport were Lt. Gen. Frederick J. Clark of Washington, D. C., chief of engineers of the U. S. Army Corps of Engineers; U. S. Senator Allen Ellender and U. S. Senator Russell B. Long of Louisiana, Texas Congressmen Wright Patman and Ray Roberts, and Louisiana Congressmen Otto E. Passman and Speedy O. Long.

Also featured on the program were Kenneth E. Grant, administrator of the Soil Conservation Service in Washington, D. C.; Brig. Gen. Harold R. Parfitt of Dallas, division engineer of the Southwest Division of the Corps of Engineers; and Maj. Gen. Andrew P. Rollins, Jr., of Vicksburg, Miss., division engineer for the Lower Mississippi Valley Division of the Corps of Engineers.

Rolling Plains PCA Elects Directors and Officers last Week

At a meeting of the board of directors at the Childress office following the annual stockholders meeting of the Rolling Plains Production Credit Association, Lasater Hensley of Guthrie was elected chairman of the board and Dean Decker of Childress was elected vice chairman. J. P. Perrin of Haskell was elected at the stockholders meeting to succeed C. G. Burson, Sr. of Haskell, who retired from the board after 31 years service as a board member. Other members of the board include W. C. "Jiggs" Mann of Clarendon, who was re-elected for a 3-year term, and Mack T. Claburn of Anson.

Officers re-elected at the organizational meeting of the board are J. L. Hill, Jr., president; J. R. Gleaton, vice president; R. C. Cobb, vice president and secretary; Bill L. Glenn, vice president; Joe A. Hanson, treasurer; and Carolyn Ford, assistant secretary.

Approximately 500 people attended the 37th annual stockholders meeting of the organization in Childress last Saturday. The central office of the association is maintained in Stamford with other offices in Spur, Childress, Munday and Matador.

THIRTY YEARS AGO

News items below were taken from the Thursday, April 24, 1941, edition of The Foard County News:

Foard County's Golden Anniversary Jubilee, which will be the greatest celebration in the history of the county, will be opened Monday morning at 10 o'clock and continue until Tuesday midnight.

The newly completed Foard County Hospital will be officially turned over to the county in a short program on the morning of the first day of the Golden Jubilee, according to a statement released by Judge Leslie Thomas.

Monte Reger of Woodward, Okla., arrived in Crowell late Wednesday afternoon with the first of the stock for the Golden Anniversary Jubilee rodeo Monday and Tuesday, and among this group was "Bobby," the steer with the world's longest horns. Over 100 head of stock will be in Crowell for the rodeo by Saturday.

Crowell High School's one-act play, "Last Flight Over," won the regional championship at Canyon last Friday. The Crowell cast will enter the state one-act play tournament in Austin on Saturday, May 3. Members of the cast, under the direction of Mrs. I. T. Graves, are A. Y. Olds, June Billington, Joe Wallace Beverly, Virginia Thomas and Billy Scott Bruce.

A first aid school will be opened in Crowell on Monday, May 6, under the supervision of Adrian Thomson and anyone wanting to attend this school is asked to contact him at once.

John Coffey, Jr., youngest son of Mr. and Mrs. John Coffey of Fayetteville, Ark., former Crowell resident, has been selected from 100 pupils to sing three solos in an operetta that will be held in that city. He has also been chosen to appear in a play. This is unusual talent for a child of only ten years.

The Oriental furniture of Mrs. Cassie Shivers will be exhibited at the City Hotel by members of the Assembly of God Church during the two days of the celebration. Admission will be 25c and 40c and the proceeds will go to the church.

The Boy Scouts of Crowell will be actively engaged during the Golden Anniversary Jubilee next Monday and Tuesday by acting as messenger boys and will be in charge of drinking water which will be placed conveniently around the square.

A band of Comanche Indians from Cache, Okla., will be in Crowell during both days of the Golden Anniversary Jubilee. They will be camped at the rodeo grounds and will take part in the parade and grand entrance at the rodeo. The Indians will also dance in the streets of Crowell some time during the Jubilee. Arrangements for the appearance of the Indians were made by Charlie Hart, foreman for the Triangle division of the Tom L. Burnett estate, during a recent visit to Cache where he visited Mrs. Laura Birdsong, who is a daughter of Quanah Parker and granddaughter of Cynthia Ann Parker. Mr. Hart lived among the Indians for many years in the Indian Territory and can speak the Comanche language fluently.

Mr. and Mrs. R. L. Liles Honored on 50th Anniversary

Mr. and Mrs. R. L. Liles of 2910 West Front Street in Tyler, celebrated their 50th wedding anniversary on Friday, April 16.

Mr. and Mrs. Liles are former residents of Crowell, making their home here in the 30's and part of the 40's.

They were married in Mount Pleasant, Texas, April 16, 1921, and are the parents of two daughters, Mrs. J. D. Kellett of Arlington and Mrs. J. D. Burkett of Archer City.

The also have one grandson, 4 granddaughters and 3 great-grandsons.

Mrs. Burkett and Mrs. Kellett honored their parents with a reception in Tyler.

Instruction Sessions Set for Wheat Referendum and Election Officials

A series of eight instruction sessions for wheat referendum and producer board election officials are scheduled April 27 through April 29, according to Bill Nelson, executive vice president of Texas Wheat Producers Association. Bob Gray, assistant director of marketing, for the Texas Department of Agriculture, who supervises such commodity referendums, will be the principal instructor along with Charles Vincent of the Department, and association officials.

Nelson said that the county director of Texas Wheat Producers Association and at least two individuals designated to actually conduct the referendum and election will attend the sessions. The eight separate sessions have been scheduled in such a manner that no one should have to drive more than

to an adjoining county. Nelson said that, while assignments have been made for attendance from specific counties at each meeting place, that if time and location of other meetings are more convenient, they may be substituted.

At the referendum and election being held by Texas Wheat Producers Association on May 11, wheat producers in a 34-county area of Texas will vote whether or not to assess themselves not more than five mills per bushel on all wheat produced and will elect a nine-man producer board from a slate of fourteen names on the ballot (or write-in vote for others) to administer funds of such a program for research and promotion.

The meeting for Foard, Childress, Hardeman and Wilbarger Counties will be held Thursday, April 29, at 8 p. m. in the Security Bank building in Quanah.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for March, 1971, shows a total of 521 accidents resulting in 20 persons killed and 251 persons injured as compared to March, 1970, with 543 accidents resulting in 20 persons killed and 275 persons injured.

The 20 traffic deaths for the month of March, 1971, occurred in the following counties: Palo Pinto, 3; Armstrong and Cottle, 2 each; Archer, Lamb, Lubbock, Montague, Parker, Stonewall, Wichita, Wise, Young, Collingsworth, Gray, Moore and Randall with one each.

Temporary

Exemption Given Drivers of Texas Farm Vehicles

Drivers of farm vehicles are temporarily exempt from compliance with new safety regulations established by the U. S. Department of Transportation's Bureau of Motor Carrier Safety for drivers involved in interstate commerce. Texas Commissioner of Agriculture John C. White says that considerable confusion has developed among farm vehicle drivers following adoption of the new safety standards, but that an amendment to the regulations adopted January 1, 1971, exempts drivers of farm vehicles for a six-month period until July 1, 1971.

Commissioner White says that according to the amendment, farm vehicle drivers must be 18 years old, rather than 21 as required in the general safety standards, and that other provisions of the regulations—including written examinations, road tests and physical examinations—will not apply.

White pointed out, however, that farm vehicle drivers are defined as persons who are at least 18 years old, are driving a vehicle controlled and operated by a farmer and are being used to transport produce from the farm or supplies to the farm. In addition, the vehicle being driven must have a gross weight, including load, of 10,000 pounds or less and is not used in the operations of a for-hire carrier.

Scott Boyd Tells Rotary Club About C. H. S. Track Team

Coach Scott Boyd told Rotarians at their meeting Wednesday of last week about the 1971 CHS track team which has had a very successful year, and several members of which will enter the regional meet at Lubbock this week end.

Boyd said the team has five outstanding seniors this year: Kenneth Sellers, who is undefeated in any meet in which he ran; Mike Weathered, Junior Urquizo and George Evenson, members of the relay teams which have broken many records this year, and Jesse Barrera, an outstanding man in the shot put competition.

Juniors on the team are Billy Ray Neal and Harry Lee Swan; sophomores are Rocky Bachman and Johnny Urquizo; and freshmen are Tim Daniel, Billy Evenson, Ernest Barrera, Philip Bell and Bob Taylor.

The local track team has won 4 of the 7 meets entered, and the relay teams have broken records at Vernon, Knox City, district meet at Holliday and Andrews.

Coach Boyd expressed optimism for the team's chances to win at both regional and state levels. Other visitors at the meeting were B. R. Foster, Jr. of Quanah and Phil Wilson and Bob Cook of Crowell. Cook is the assistant track coach this year.

Lots of Twine

The twine used to bale hay in the United States and Canada last year would stretch to the moon 72 times, reports farm machinery engineers.

Austin, Tex. — Steadily-rising welfare costs will "bankrupt" state government unless prompt braking is applied, Lt. Gov. Ben Barnes has warned.

Barnes—acknowledging that a tax bill which may climb to nearly a billion dollars is necessary to balance the Senate's \$6.99 billion version of the biennial state budget—named a special committee to recommend how to effect welfare economies.

Senate, meanwhile, approved the record budget while a sub-committee drafted a tax bill. The house is expected to move out this week with its appropriations bill.

Only one year of welfare financing is included in the Senate bill. With a half-year welfare budget, about \$600 million in new taxes will be needed this year. Appropriating for welfare in a later special session will require nearly \$300 million more, unless the federal government steps in with additional aid.

Barnes' staff calculates Aid to Families with Dependent Children rolls are increasing by 3.10 percent per month. Where 288,826 AFDC beneficiaries are anticipated by September 1 this year, 906,236 are seen by August 31, 1973. The latter figure would bring the AFDC cost to \$76 million a year—\$16 million above the proposed new \$55 million annual ceiling to be voted on May 18.

The Lieutenant Governor also noted that Medicaid costs have increased from \$22 million in 1968 to an estimated \$144 million for next year. He said state medical services to the needy—financed through Blue Cross family insurance policies which will cost nearly \$75 per family next year—are better than those received by all but the very wealthy.

"I am convinced we are going to have to reduce the cost, or the state is going bankrupt," said Barnes.

INSURANCE CHANGES VOTED—The Legislature had some good news for insurance purchasers last week.

A bill to create a special pool to guarantee coverage to property owners in "catastrophe areas" (subject to hurricanes, tornadoes and other disasters) won final passage. The pool will be effective May 14. A pool arrangement may

Two Accidents Reported in County During March

The Texas Highway Patrol investigated two accidents on rural highways in Foard County during the month of March, according to Sgt. Jack Therwanger, Highway Patrol supervisor of this area.

One person was injured and none were killed in these two accidents.

The rural traffic accident summary for this county during the first three months of 1971 shows a total of eight accidents with two persons injured and none killed.

Two Minutes With the Bible

True Prayer

Let us suppose that I have just had the joy of leading a soul to Christ. He was a godless, wicked creature until lately, but now a great transformation has taken place in his life. He is overwhelmed with the joy of sins forgiven. Nevertheless a few things still trouble him.

As he stands there, touched by the love of Christ, he says: "I don't look very much like a Christian. Look at my clothes. And I ought to get a job and work like other people do. Then, too, I've been a wicked blasphemer. Swearing seems to be part of my nature. I don't know how I'll ever stop it."

I suggest that we pray about it, but he says that he has never prayed in his life and doesn't know how, so I teach him. I tell him how simple prayer is—that he should simply talk to God and say, "Lord, I need a decent suit of clothes and a job, and oh, will Thou not help me to stop swearing? I ask it in the name of the Lord Jesus Christ."

We arise from prayer and, feeling for the man, I myself get him a suit of clothes and a job, and he goes on his way rejoicing.

Now, let us suppose that I return ten years later to find that he is happily married, has three children and is living a consistent Christian life. Calling at his home, however, I find that one of his children is dangerously ill. We get on our knees to pray for the child and he begins: "Lord, I need a decent suit of clothes and a job, and oh, will Thou not help me to stop swearing!"

Ridiculous! you say. No man would be so foolish. Yes, ridiculous indeed, yet many people simply repeat prayers in the same way. The so-called "Lord's Prayer," is, of course, a perfect prayer, but is it not significant that in the giving of this very prayer, our Lord cautioned His disciples: "When ye pray, use not vain repetitions as the heathen do . . . Be not like unto them . . . After this manner therefore pray ye . . ." (Matt. 6:7-9). Yet this very prayer is repeated word for word at funerals and weddings, in storms at sea, before meals and at church services—on practically any occasion, whether it applies or not.

Thank God for those who truly know God through the Lord Jesus Christ and can truly enter into His presence in prayer "to obtain mercy and to find grace to help in time of need." (Hebrews 6:16).

Crowell Assigned to District 8-A for Next Year's Basketball

The University Interscholastic League in Austin has released the 1971-72 tentative boys' and girls' basketball list for Conference A.

The Conference A list shows that Crowell will again be assigned to District 8 and will be competing against the same schools as last year: Archer City, Chilli-cothe, Holliday, Munday, Paducah and Petrolia.

Crowell's Little Dribblers Compete In Friona Tourney

Crowell's Little Dribbler All-Stars got their first experience in tournament play last week end when they traveled to Friona to participate in the District III regional basketball tournament. The four American Division teams entered were Friona, Farwell, Springlake-Earth, and Crowell with Friona capturing the championship title.

Crowell and Friona closed play on Friday night, with Friona claiming a 31-8 victory to put Crowell in the loser's bracket against last year's national champions, Springlake-Earth. Earlier, Farwell edged Springlake-Earth 27-26 in a thrilling overtime game.

Crowell Little Dribblers opened play Saturday morning against Springlake-Earth and lost 35-26. The last stars were in the game all the way, but just couldn't put on a final surge. Paul Whitley had a fine game, scoring 14 points. Dean Hofmann followed close behind with 9. Willie Bachman was Crowell's leading rebounder and came up with a number of key rebounds against a taller and more experienced team.

In other games played Saturday, Friona beat Farwell 35-12; Farwell dumped Springlake-Earth 27-20 and in the championship game, Friona blasted Farwell 36-13. The two top teams, Friona and Farwell, will now advance to the national tournament in Levelland on April 29-30.

Crowell coaches, Randy Adkins and Bud McLain, had high praise for their team. They felt that, except for Friona, Crowell's all-stars were equal in ability to the other two teams. Crowell's lack of experience seemed to be their biggest handicap. Since five of this year's team will be back next year, the coaches are very optimistic about Crowell Little Dribblers' future.

Boys playing their last Little Dribbler game were Dean Hofmann, Audey Dunham, Willie Bachman, Rocky Marlow and Tommy Templen. The five returning players are Claudius Coleman, Terry Glover, Paul Whitley, Randall Russell and Scott Streit.

Drought Aid Is Authorized

President Nixon authorized the Office of Emergency Preparedness Wednesday of last week to muster full federal assistance for drought stricken areas in Texas.

The disaster agency notified the office of Sen. John Tower, R-Tex., that disaster relief is being initiated with the importation of hay and grain for cattle feeding in the most severely hit areas.

The President acted under a provision of the 1970 federal disaster relief act authorizing use of all federal agencies and other sources to avert or lessen the effects of a major disaster determined to be imminent.

The OEP said the authorization of disaster relief is not restricted to the 60 counties in west and south Texas for which Gov. Preston Smith asked a disaster declaration.

The governor's request, OEP reported, was rejected in favor of a broader authorization.

CHS Track Team Breaks Records at Qualifiers Meet

Members of the Crowell Wildcat track team—as has been the case all season—continued to shatter records in both the mile relay and the sprint relay last Saturday. This time it was at the qualifiers' meet at Kress. The local track boys were slated to go to the qualifiers meet at DeLeon, but that meet was rained out.

The Wildcats, who will be battling for Class B regional honors next Friday and Saturday at Lubbock, easily won the meet championship at Kress.

The sprint relay team composed of George Eavenson, Mike Weathered, Kenneth Sellers and Junior Urquizo, ran a 42.9 for a new meet mark. The same foursome then set a new record for the mile relay with a 3:24.5 clocking.

Urquizo won the 880-yard run with a time of 2:00.8 and Sellers easily won the 100-yard dash with a 9.9 clocking.

Weathered placed third in the intermediate hurdles with a 41.3 time and Johnny Urquizo was third in the 220 with a 23.4.

Other Crowell points were produced by a fifth in the mile by Harry Lee Swan and a second in the shot put by Jesse Barrera.

A. C. Westbrook Died Monday

A. C. (Archie) Westbrook, long-time employee of the Santa Fe Railway Company, and a frequent visitor to Foard County, died Monday, April 19, following a brief illness.

Funeral services were held on Wednesday, April 21, at Miles, Texas.

Mr. Westbrook was in charge of a Santa Fe bridge crew, and during the years, he and his crew did considerable railroad bridge work in this county and area. He took his Masonic degrees in the Crowell Lodge No. 840, AF&AM, during the time the Santa Fe bridge over Pease River was rebuilt back in the 50's.

Ballots on Wheat Election Available at Extension Office

Foard County Farmers Can Vote Absentee From April 27-May 10

Wheat producers in Foard County who desire to vote absentee in the upcoming wheat referendum and producer board election can pick up an absentee ballot to do so at the county agricultural extension office beginning April 27. County Agent Joe Burkett said Monday.

"We will have ballots available for any producers who want to vote absentee in the election between April 27 and May 10," says Burkett. "On May 11, the Texas Wheat Producers Association will hold an election over a 34-county area to determine whether or not to assess producers not more than five mills per bushel on all wheat produced for purposes of research and promotion. At the same time, producers will have an opportunity to elect a nine-man producers board to administer funds for such a research and promotion program."

Foard County producers who do not vote absentee are encouraged to vote in the election on May 11 at the court house in Crowell. Elton Carroll and V. A. Johnson will be in charge of conducting the referendum and election.

Burkett points out that the Texas Commissioner of Agriculture has certified the TWPA to hold such a referendum and election, and that a two-thirds favorable vote will be required to enact the self-assessment program. If the program is approved, the nine-man producers board will have total authority for the collection, use and accounting of all funds and the implementation of programs designed to strengthen wheat growers' income.

Rebirth of Confidence in Cotton Foreseen by Cotton Council Head

"With the new law and other things we have going for us, I think we can see a rebirth of confidence in cotton," the chairman of the board of the National Cotton Council said in Stamford last week.

Bruce N. Lynn, Gilliam, La., urged cotton people to have confidence in themselves and in the worth of their fiber.

"We also must have confidence in the organizations that serve us at the local, state, and national levels. Without them the cotton industry would be powerless to help itself," he told the Rolling Plains Cotton Growers.

Pressure for payment limitations, shaping of farm legislation when the current program expires, and steadily increasing textile imports were cited among problems demanding strong representation by the Council in Washington. He said textile imports are a bigger threat to raw cotton people than to the mills since farmers stand to lose a substantial part of the domestic market—their biggest and best—and they can't afford it.

Mr. Lynn stressed that the council has the only economic and market research program of its kind for cotton. Efforts to expand overseas markets, prevention of unrealistic restrictions on pesticides and textile flammability, obtaining funds for research, and publicizing the over-all program in cotton's behalf were enumerated among other continuing responsibilities demanding a central organization for cotton.

Session of District Court Cancelled

The scheduled trial of two civil cases for Monday of this week was called off last Friday when District Judge Tom Davis of Vernon notified Mrs. Cornelia McDaniel, county and district clerk, that the court would not meet as scheduled.

The 50 prospective jurors were notified of the change by the Foard County Sheriff's office.

Mr. and Mrs. Charles Griffin of Quanah are the parents of a baby girl born Monday, April 19, in the Quanah hospital. Named Sherri Jannice, the baby weighed 7½ pounds. Grandparents are Mr. and Mrs. J. D. Bursley and Mrs. Ruby Griffin of Quanah. Great grandparents are Mr. and Mrs. R. G. Nichols and Mrs. Tom Bursley of Crowell.

Diabetic Camp Opens May 30th

Camp Sweeney Diabetic Training Center for diabetic boys and girls will open its 22nd season May 30 with three three-week sessions as follows: May 30 to June 19, June 20 to July 10; July 11 to July 31.

Camp Sweeney is located nine miles east and one mile north of Gainesville on 338 acres of beautiful rolling timbered hills with three dormitories for boys and three for girls; a non-denominational chapel; a modern hospital; a 30 acre lake for boating, fishing and water skiing; a sanitary swimming pool, tennis courts, recreational pavilion, target range and 20 gentle saddle horses.

Under the supervision of a specialized medical staff, dietitian and counsellors, these children are taught their proper diet with regulated exercise, how to take their own urine tests and give their own insulin injections. Of major importance, through this group association with other young diabetics, they realize they are not alone with their problem and with proper knowledge and instruction, they can learn how to live with their life-long, inherited affliction: diabetes!

Diabetes is hereditary, incurable and increasing yearly. It is the 7th killer of diseases and ranks 3rd as a cause of blindness. Medical authorities estimate one-fourth of the world's population carries the diabetic gene.

Camp Sweeney is operated and maintained by Southwestern Diabetic Foundation, Inc., and is a state project of the Texas Jaycees. If you know or hear of a diabetic child who needs help, and for application blanks, brochures, write to James V. Campbell, Camp Sweeney Director, or Southwestern Diabetic Foundation Inc., PO Drawer 918, Gainesville, Texas 76240.

Annual Junior-Senior Banquet, Prom Held Last Thursday Night

On April 15, the annual Crowell High School Junior-Senior banquet and prom was held in the cafeteria. The theme was Zodiac Parade and it was a tribute given for the Senior Class of 1971. The colors chosen by the juniors were three shades of purple: royal purple, orchid, and malta purple. The walls were covered with orchid crepe paper. The door area was covered with portraits of each graduating senior. Each zodiac sign, done in the three shades of purple, was on the wall directly behind head table. The opposing wall had a ceiling-high medallion of an Aquarius in the center pouring water into a silver fountain

donated by Mrs. Opal Marr, situated on the floor below it. The ceiling was covered with black crepe paper and had glittered styrofoam stars hanging from it.

From the outside, two large frames were visible, covered in black and gold letters reading "Seniors '71."

As each senior entered the banquet room, he or she were introduced by name, and the sign of the zodiac under which they were born. They were then escorted to their seats by the servers: Trudy Bird, Darla Bell, Babs Streit, Rhonda Vecera, Veda Everson, Rex Driver, Johnnie Daniel and Rocky Bachman. The male servers were clad in white dinner jackets, black pants, white shirts and black ties, while the girls were dressed as Aquarius, with sheets draped over their shoulders in Grecian

fashion.

The servers sang the "Age of Aquarius" and to top the evening off, Dick Todd was the guest speaker, giving an inspiring talk on the appreciation that the people have for the youth of Crowell. The banquet was catered by Underwoods and the band was "The One of Us." Seniors expressed their appreciation to the juniors for such a memorable banquet and prom.

Miss Julie Streit Will Be Presented in Recital Monday

Mrs. Leroy Connor will present Miss Julie Streit in recital Monday evening at 7:30 in the Forum Room of the Wilbarger auditorium in Vernon.

Miss Streit will be assisted in her recital by the woodwind quintet of the Crowell High School Band, which is directed by Miss Streit's father, James Streit. The quintet will play "Allegro Molto," by Mozart, on which they received a division I rating at the University Interscholastic League solo and ensemble contest. Since the piece was a Class I, the quintet will advance to the state contest in Austin June 11 and 12. Members of the quintet are Babs Streit, flute; Nancy Looney, clarinet; David Stapp, French horn; Julie Streit, bassoon; and Kristi McLain, oboe.

Julie will also be taking a solo to competition at the state meet. She was rated a division I on a class I piano solo at the UIL chorus contest, which included piano solos. Julie has been rated superior in most of the piano contests she has entered, which includes eight years in the National Piano Guild auditions and several Sonatina and Baroque Festivals. She entered the Texas Girls Choir Piano Contest three years. At the Fort Worth Classics Contest, she was placed third in the eighth grade division last year and fourth in the senior division this year.

Miss Streit's program for Monday night includes: Creole Dance by Alberto Ginastera; Prelude and Fugue No. 2, Vol. I by Bach; Sonata in C Minor, "Pathetique," by Beethoven; Allegro Molto by Mozart, woodwind quintet; Valse, op. 64, no. 2 by Chopin; From a Wandering Iceberg by MacDowell; Prelude in C Minor, op. 3, no. 2 by Rachmaninoff; and Jungle Drums, by Ernesto Lecuona. Second piano, Mrs. Connor.

The public is cordially invited.

Miss Jon Ann Carter Charter Member of Baylor Organization

Miss Jon Ann Carter of Crowell, a senior at Baylor University at Waco and a member of Laurel Society, was one of 15 charter members initiated as a chapter of Mortar Board. Others initiated into Mortar Board were alumnae and honorary members of Laurel Society.

Laurel Society, Baylor's honorary society for senior women, is one of six university groups in Texas to be a member of Mortar Board, national council of women's honorary societies. The formal initiation was held April 4 in Armstrong Browning Library on the Baylor campus.

To conduct the installation was the national Mortar Board director of expansion, Mrs. Mary L. McAlister of Arcadia, Calif. Assisting her was Mrs. Connie A. Wallace of the University of Houston, section director.

Miss Carter was one of 15 junior women tapped into Laurel Society in April, 1970. An honor society composed of individuals who excelled in the areas of service, scholarship and leadership, Mortar Board functions as a liaison and encourages communication between the campus and surrounding area.

Miss Carter is the daughter of Mr. and Mrs. Loraine Carter of Crowell. She is a home economics major at Baylor where she will graduate in May with a Bachelor of Science degree. She is a member of Delta Alpha Pi and Tri D.

Musical Program Presented at Women's Service League

Mrs. Howard Ferguson and Mrs. W. W. Lemons presented three of their original musical compositions at the Women's Service League meeting last Thursday in the community center. They told of their inspiration for each.

Miss Kay Shirley will bring the program this week.

Correction

In the article in last week's edition about Crowell Junior High School's participating in the district UIL contests, the News was informed that Ruth Brown won second place in ready writing.

It was Ruth Stone who won second in ready writing instead of Ruth Brown.

Couple Married in Crowell to Note 50th Anniversary

Rev. and Mrs. Lawrence Leonard Newman of Route 3, Mansfield, will be honored with an open house April 25 from 2 to 5 p. m. at the home of their son, Melvin S. Newman, 214 W. Mannington Drive, Dallas.

Mr. and Mrs. Newman were united in marriage May 21, 1921, here in Crowell.

He is a native of Dallas County where they lived until moving to Mansfield in 1963 where he has retired from Full Gospel evangelistic work. She is the former Miss Laura Hale.

Their children are Mrs. Pearl Risch of Dallas, Mrs. Guy R. Woodard of Alameda, Calif., Melvin S. and Benny M. Newman of Dallas, Lester T. Newman of Irving, and Evangelist Dick Newman of Baytown. There are 17 grandchildren and 4 great grandchildren.

Mrs. Pat Pittillo, Elton Carroll Named to Head Eastern Star

Mrs. Pat Pittillo and Elton Carroll were elected worthy matron and worthy patron, respectively, at the stated meeting of Crowell Chapter No. 916, Order of the Eastern Star, April 13.

Other elected officers include Mrs. Laura McLarty, associate matron; Pat Pittillo, associate patron; Mrs. Cecil Carroll, secretary; Mrs. Doris Gentry, treasurer; Mrs. A. Z. Pittman, conductress; and Mrs. Elton Carroll, associate conductress.

Mrs. Pittillo will name the appointive officers prior to the early June installation.

The altar was draped in memory of L. G. Tension, past worthy patron.

W. R. Moore gave the invocation at the covered dish supper served before the meeting.

Time for Notaries Public to Pay Fee, File New Bond, Oath

Secretary of State Martin Dies, Jr., has announced that all qualified notaries public desiring appointment for the new term which begins June 1, 1971, and ends June 1, 1973, must pay the required fee and file a new oath and bond with the county clerk between May 1, 1971, and May 15, 1971, inclusive.

Mr. Dies further stated that any person not now a notary public who desires appointment for the beginning of the new term on June 1, 1971, should apply to the county clerk before May 14, 1971. The county clerk has the required application forms.

Mr. Dies emphasized that notaries public should not send requests for appointment or for commissions directly to the Secretary of State inasmuch as the law specifically requires that the county clerk approve notary bonds and forward copies of the application to the Secretary of State.

Gambleville H. D. Club

The home of Mrs. Clarence Garrett was the scene of the Gambleville Home Demonstration Club's April meeting with Mrs. Garrett presiding. Mrs. Elton Carroll gave a report on the district THDA meeting she attended in Rotan.

Mrs. Garrett gave the opening exercise with a reading, "Today, Tomorrow and Always." Ten minutes of fun was showing recent pictures of the members' grandchildren. Nine members and two visitors, Mrs. Herman Gentry and Master Duane Carroll of Truscott, answered roll call with a display of clever gifts they had made. Hostess gift was presented to Mrs. Milton Hunter.

Mrs. Milburn Carroll was program chairman for the meeting at which time she introduced Mrs. Gentry, a former member, who instructed the making of decorative pillows.

Next meeting will be at the home of Mrs. Warren Haynie on May 7, at which time secret pals will be revealed.

Wichita Falls Writer Visits Copper Breaks State Park North of Crowell

(Editor's note: The Copper Breaks State Park between Crowell and Quanah is attracting considerable attention in the daily newspapers of this area. An article on the park has appeared in the Amarillo paper and the following article written by Larry Grauerholz, appeared in the April 12 edition of the Wichita Falls Record News.)

Copper Breaks State Park, nine miles north of Crowell on S. H. 283 at Pease River, is in business. Although the new park will not be formally dedicated until summer, it is open seven days a week, 8 a. m. to 5 p. m., for picnicking, horseback riding and fishing.

Bob Martin, whose father used to coach football at Hamlin, is the park superintendent. He and his family are living in a mobile home about a mile north of the Pease River bridge. Park development, scheduled to cost more than \$1 million in the first phase, hasn't begun. But Martin counted 47 cars entering the park on a recent Sunday, and traffic is expected to accelerate with spring and with wider acceptance of the park.

Copper Breaks is the only state park between Arrowhead in Clay County and Palo Duro, and as such is intended to serve the recreational needs of a semi-arid region where water-oriented facilities are scarce.

The park includes about three sections of land in Hardeman County, with the Pease River as the southern boundary and State Highway 283 to the east. The property was acquired from Mr. and Mrs. H. L. Gossage for \$144,000 under the state parks development program.

The terrain is typical of the "breaks" found along tributaries of Red River. The landscape architect for the parks and wildlife department described the site as possessing a "stark and rugged beauty."

Most prominent feature of the property is Devils Creek, a meandering spring-fed stream that empties in the Pease at the edge of the park. Most of the proposed development will be along Devils Creek, Martin says.

First phase development is scheduled for completion by the summer of 1973. The plan for the park includes seven miles of paved roads, a headquarters building and visitors' center on the highway, group camp sites, rest rooms and screened shelters. A temporary park headquarters and flagpole will soon be erected at the present entrance on the north side of the park, reached via a county road off the highway two miles north of the river bridge.

Focal point of the proposed development will be formation of a 90-acre lake by construction of a dam on Devils Creek in the center of the park. Camping areas will be provided near the dam and along the upper reaches. The lake will not be large enough to accommodate water skiing—it'll be for fishermen only.

Already on the property are a dozen small livestock ponds well stocked with black bass and chan-

nel cat. Largest of the existing lakes is about eight acres, a sparkling gem of emerald in the stark rangeland. Development work will probably begin this summer, according to Martin, and some facilities are likely to be in operation by the summer of 1972.

The road to the temporary park entrance is indicated by a conventional state park marker on the main highway, 12 miles south of Quanah. Roads existing in the park are typical ranch roads that came with the property. Some are for four-wheel drive vehicles only, although many of the fishing spots can easily be reached by conventional autos. The park entrance is about 1½ miles off the paved highway.

Potable water for the park will come from a 12-inch Greenbelt Water Authority line that parallels the highway.

For what some people might consider a barren part of Texas, the park offers a variety of plant and animal life. Along rugged Bull Canyon, an arroyo that parallels Devils Creek, are bee caves and mud martin nests. Coyotes, which seem to be able to sense danger, are relatively unafraid in the park, posted as a wildlife refuge.

It will be a year or two before the park is developed to offer overnight camping, hot water and paved roads that people seem to seek, but Copper Breaks soon will be prepared to serve the recreational needs of fun-seeking Texans.

Crowell Man's Name to Appear on Wheat Producers Board Ballot

The number of individuals requesting that their names be placed on the ballot for election to a nine-man Wheat Producers Board reached fourteen on the April 12 deadline for accepting them in the office of the Texas Wheat Producers Association in Amarillo...

The name of John Cogdell of Crowell will appear on the ballot representing Foard County. The wheat producers board election will be held May 11 in connection with a wheat research and promotion referendum...

"Outlaws" to Be at Santa Rosa Rodeo This Year

A hard-core criminal element will soon invade the not completely unsuspecting city of Vernon.

Residents, however, need not be on the lookout for steely-eyed types with sixguns slung low, or shadowy, trench-coated figures carrying violin cases, for these "outlaws" are of the four-legged variety...

In the rugged world of big league rodeo, these anti-social quadrupeds could easily qualify for anyone's "ten most wanted list." Last year, in fact, fifteen of them qualified...

Beutler Bros., Linger and Cervi's strongest representation at last year's NFR was in bull riding. Following seven attempts by the sport's best bull riders, only two of the company's awesome brutes had been successfully ridden.

Tickets for the Santa Rosa are now on sale at Wagon Wheel Western Wear in Vernon, or by mail order in care of the rodeo ticket office, Box 2190. Prices are \$3.50 for box seats, \$3.00 for reserved grandstand, \$2.50 for adult general admission, and \$1.00 for children 12 years and under.

One New Vehicle

One new vehicle was registered here last week: April 12, Robert H. Borchardt, Jr., 1971 Chevrolet 4-door.

Texas Wheat Producers Association to hold such a referendum and election. If two-thirds of the wheat producers voting in the referendum favor the self-assessment program, the nine-man producers board will have total authority for the collection, use and accounting of all funds and implementation of programs designed to strengthen wheat growers income.

Each name submitted for inclusion on the producer board ballot was, according to statute regulations, supported by the signatures of ten other producers of wheat in the 34-county area, Nelson said. Those names which will appear on the ballot for the May 11 election of a wheat producers board are: John Cogdell, Crowell (Foard); W. R. Moore, Jr., Munday (Knox); Dwight Hamilton, Olney (Young); Winston Wilson, Quanah (Hardeman); Kenneth Kendrick, Stratford (Sherman); Delbert Timmons, Perryton (Ochiltree); C. L. Edwards, Panhandle (Carson); Henry J. Harnly, Spearman (Hansford); Frank Zinsler, Jr., Hereford (Deaf Smith); Leo Witkowski, Hereford (Castro); Otis Harman, Tulla (Swisher); Melvin Sachs, Friona (Parmer); and Davis Brown, Adrian (Oldham).

Social Security to Have Representative Here on April 28th

Jack L. Ashcraft, representative of the Vernon social security office, will be at the community center in Crowell on Wednesday, April 28, at 9:30 a. m. He will take applications for social security, and all people in Crowell and Foard County desiring to file applications for social security benefits are invited to meet Mr. Ashcraft during his visit here.

He is available to speak to interested groups about social security at any time. There are no charges for these services.

Daylight Savings Time to Begin on Sunday, April 25

At 2 a. m., Sunday, April 25, Texas residents will be setting their clocks ahead one hour, marking the beginning of daylight saving time.

People confused about the change can recall that in spring the hour hand springs forward one hour and in the fall the hour hand falls back. According to researchers at Bulova Watch Co., the original concept of DST began with Benjamin Franklin. While serving as U. S. Ambassador in Paris, he supposedly awoke late one morning, and seeing the sun high in the sky, thought of moving clocks ahead at least one hour to extend the working day.

It was not until 150 years later, during World War I, that Franklin's idea was adopted by the United States to save fuel for lighting and heating. The idea spread confusion, however, because different parts of the country set up their own systems. DST lapsed after the war and was not revived again until World War II.

Industrial Efforts Aimed at Helping Small Towns

Austin—Jim Harwell, executive director of the Texas Industrial Commission, has called for a concentrated industrial expansion program to repopulate smaller cities and stop the threat of overpopulation of metropolitan areas.

In a Texas Industrial Week statement, Harwell outlined a 3-pronged proposal to help 166 Texas counties that lost population in the last decade, and close the growing gap between the average Texan's income and the national average.

Harwell pointed out that although Texas is a leader in industrial growth, the state is still facing problems. He said Texas lost 52,000 manufacturing jobs last year due to tight money and federal cutbacks, and the trend toward concentrating industries in already-large cities threatens to overburden the areas' resources.

"We must stop the flow of people from our smaller towns and cities into the already-overpopulated areas," he said. "We must secure better, higher-paying jobs for Texans."

As an answer to the problem, the state industrial chief proposed a comprehensive planning program for the state's 21 industrial regions. He pointed out that the Commission is now able to match the needs of an industry with the assets of a city through a computerized program established within the TIC.

He also called for an incentive program to attract new industry to the less-populous regions of the state. "For all Texans to receive the benefits of industry, plants must locate not just in the big cities, but in all areas of the state," he said.

Harwell said all states but Texas already offer financing incentives to new industry and carrying out such a program would allow the state to remain competitive. He said Texas should institute a pre-employment training program to enable Texans to move from the vanishing farms into profitable industrial positions.

The third step would be continuation and more emphasis on the export market. He noted that exports have increased 64 per cent

Tourists Spend Almost \$1.5 Billion in Texas During Week-Long Trip

Out-of-state and foreign tourists totaled 2.1 million during 1970, and \$1,469,115,000, according to figures released by the Texas Department of Transportation. The totals reflect a decrease in tourists from the previous year. Auto visitors decreased 10 per cent during 1970, but commercial carriers totalled slightly less than one million. Auto travelers are attracted by the Highway Department, while commercial travelers are attracted by Texas Tourist Council.

Despite the decline, the Texas Department of Transportation continues to be a major contributor to the state's economy. Total visitors are up 12 per cent from the previous year. Total spending by tourists in Texas during 1970 was nearly \$1.5 billion, up 10 per cent from 1969. According to the survey, the most popular destination followed closely by Dallas, San Antonio, and Austin. Texas cities with significant appeal.

The Highway Department's 1970 survey was based on 314 in-depth questionnaires completed by auto visitors. The questionnaire, prepared by the Highway Department, also includes 339 visual traffic counts throughout the year.
