Last Rites for Miss Nancy Cogdell Held Saturday

Former Crowell Resident Killed in Car-Train Wreck

Miss Nancy Cogdell, 57, native of Foard County, was killed in a car-train accident near Carlsbad, N. M., Wednesday, July 21. She and her sister-in-law, Mrs. Allen Cogdell, were returning home from vacation and had let her sister, Mrs. Mildred Neal, out at her home at Carlsbad. Their car hit a train about 35 miles east of Carlsbad at a railroad crossing at Kermack Potash Co. Mrs. Cogdell was flown in critical condition to an El Paso hospital.

Funeral services were held at 3:30 p. m., Saturday, July 24, from the First United Methodist Church conducted by the pastor, Rev. Walter Driver, and Rev. Warren Everson, pastor of the Bethel Church.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge. Pall bearers were Henry Black, George Davis, Milton Hunter, Guy Todd, Otto Davenport, and W. C. Smith.

Nancy Violet Cogdell was born in Crowell October 6, 1913, daughter of the late Mr. and Mrs. W. A. Cogdell. She attended the Crowell schools and graduated from Baylor Hospital School of Nursing in 1936. She spent one year as a nurse in Dallas before going to work at the Veterans Hospital in Wichita, Kansas. She was employed there 34 years—the longest of any employee at the hospital.

A memorial service for Miss Cogdell was held at the Veterans Hospital in Wichita Monday. She was a member of the First Baptist Church of Wichita; and was a member—and had held a state office—in the American Nurses Association.

She is survived by three brothers, Weldon K. Cogdell of Houston, Ralph R. Cogdell of Floydada; and John P. Cogdell of Crowell; two sisters, Mrs. James Brothers of Shamrock and Mrs. Mildred Neal of Carlsbad; thirteen nieces and nephews and 8 great nieces and nephews. She was preceded in death by her parents and one brother, Allen Cogdell.

Foard County Receives Badly-Needed Rain Last Week

Local Teacher Makes Unique Water Control

A decision by the Crowell school board back in the spring to have some water wells dug on the school campus for watering grass, has resulted in the construction of a novel timing device built by James Streit, CHS band director.

Grass was sodded in late spring in an area of the school grounds just south of the football field to provide a place this fall for the CHS band to practice its march routines.

Mr. Streit constructed in his home shop, a unique device to water a part of the sodded area every 24 hours.

He spaced 6 sprinklers over the practice area, and the timing device he built lets two of the sprinklers operate at a time. After the first two sprinklers have run for three hours, the device automatically changes the water to the next two sprinklers which run 3 hours; then on to the last two; and then the cycle begins again.

Mr. Streit uses the force of the water going through the hose to operate the "Rube Goldberg" special. It has proved to be very successful and is providing the band practice area with well-distributed watering, with no one having to periodically change the sprinklers.

"Four County Jamboree" Set for Monday, Aug. 2

Charles Branch's Band to Play for Senior Citizens

A Senior-Citizens-sponsored "Four County Jamboree" will be held at 7:30 p. m., Monday, Aug. 2, at the community center in Crowell, Mrs. B. J. Halenak, senior citizen aide for Foard County, announced Monday.

A program of country and western music will be presented by Charles Branch and his band. A large crowd of senior citizens from Foard, Cottle, Hardeman and Wilbarger counties is expected to attend.

June Saving Bonds Sales Are \$2,945 In Foard County

Sales of Series E and H United States Savings Bonds in Foard County during June were \$2,945, the U. S. Treasury Department announced this week. Sales for the first six months totaled \$13,406, for 19 percent of the 1971 goal of \$70,000.

District 4-H Dress Revue to Be Held Aug. 2 in Vernon

The District 4-H Dress Revue will be held Monday, August 2, at Wilbarger auditorium in Vernon. The revue is scheduled to start at 12:30. Those wishing to attend the dress revue should call Miss Helen Fincher, Home Demonstration Agent, by July 28 and make their reservations. Tickets to the dress revue luncheon are \$1.70 each, Miss Fincher stated. Karen Statter and Connie Werley will be the winners from Foard County to attend.

Children's Pictures Taken Free Aug. 11

The Foard County News will be publishing pictures of children taken by a photographer who will be in Crowell on Wednesday, Aug. 11. The photographer will be set up in room 11, L&O Motel, between the hours of 10 a. m. and 5 p. m.

Pictures will be in color; however, they will not be published in color in the News. There is no cost or obligation to the parents; of course, pictures will be on sale to the parents.

Appointments may be made by calling Mrs. Tom Smith, 684-4311. While appointments are not necessary, it could avoid having to wait. The pictures to be run free in the News will be of children 10 years of age and below.

Sharla Haynie at Theatre Workshop at Texas Tech

Miss Sharla Haynie of Crowell is among a group of more than 50 participants from across the state in this year's annual Texas Tech High School Theatre Workshop being conducted on the university campus in Lubbock through July 29.

Sponsored by Tech's Department of Speech and Theatre Arts, the two-week workshop in theatre activities for high school sophomores and juniors includes study and practice in voice, diction, stage movement, acting, makeup, costume, stagecraft and lighting. According to workshop director Mrs. Noyce Burleson of Meadow, participating students will produce four one-act plays on the final evening of the workshop and on July 30, beginning at 7 p. m. in Tech's University Theatre on campus. Price of admission is \$1.

Foard County received some badly-needed moisture last week as showers fell across this area Thursday night and Friday.

Official measurement by the government gauge showed a total of .99 inch—.44 of which fell on Thursday and .55 inch on Friday. Added to the .21 received earlier in the month, this brought the July total to 1.2 inches.

Heavier rains were reported to the south and southeast of Crowell, while Floyd Thomas said he received .4 at his farm in the Vivian community. About .4 inch was also reported east of Margaret.

It brought some relief from the high temperature readings, as well as being a benefit to crops and pastures. The showers had no effect on the long period of drought being experienced in West Texas.

Rev. John Gillispie Resigns as Pastor 1st Baptist Church

Gillispie Family Will Move Next Tuesday to Groom

Rev. John Gillispie, pastor of the First Baptist Church in Crowell since July, 1967, has resigned that position and he and his family will move to Groom where he will serve as pastor of the First Baptist Church.

Rev. Gillispie's last day as pastor of the local church will be Sunday, August 1, and the family will move to Groom Tuesday, August 3.

The Gillispie family moved to Crowell from Seminole where he had been pastor of the South Seminole Baptist Church.

Rev. Gillispie is serving his second term on the executive board of the Baptist General Convention of Texas, and is presently serving as moderator of the Red Fork Association. He has served on the North Texas Baptist area and camp board and has been chairman of the camp development committee.

The Gillispies are the parents of four daughters. The oldest, Darlene, was married to John Lawrence Nunn in the local church September 5, 1970. Beverly was graduated from Crowell High School in 1969 and Jacques is a 1971 CHS graduate. The Gillispies' youngest daughter, Kimberly, was born here August 21, 1969.

The Gillispie family has been an asset to this community, always active with youth activities especially. He has been a member of the Rotary Club of Crowell for some time and also has been active in the Crowell Ministerial Association.

Three New Banquet Tables Purchased for Community Center

The Women's Service League will join the Lions and Rotary Clubs in the purchase of three additional banquet tables for the community center.

The WSL would appreciate additional contributions toward the proposed purchase of a heart rescuator that will be available for county-wide use.

Miss Jean Leverett, summer youth director of the First Baptist Church, will present the program at this Thursday's luncheon.

CHS Pep Squad Selling Football Magazine

The Crowell High School Pep Squad, in a money-raising effort for the coming school year, is now selling the "West Texas High School Football Magazine," Miss Rhonda Swan, pep squad president, announced Tuesday.

The magazine includes information about the Crowell Wildcats and also about all the teams the Wildcats will be playing this fall. The magazine can be purchased from members of the pep squad.

One New Vehicle

One new vehicle was registered here last week: July 21, C. G. Graves, 1971 Chevrolet 4-door.

Last Rites for Marshall Carroll Held Sunday

Former Crowell Resident, 40, Died July 22

Marshall Carroll, 40, native of Foard County and resident of Frisco, died unexpectedly Thursday, July 22.

Funeral services were held at 2:30 p. m., Sunday, July 25, from the East Side Church of Christ conducted by Minister Wayne Oneal.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Pall bearers were Don Werley, Winfred Bolinger, Adon Burns, Howard Ferguson, Joe Ray Setliff and Delmar P. McBeath.

Marshall Franklin Carroll was born March 24, 1931, in Crowell, son of Mrs. Grace Manning and the late Hubert Carroll. He was reared here and attended Crowell Schools. He and the former Miss Letha Marlow were married in Crowell December 21, 1950. They moved to Frisco, Texas, four years ago where he was employed by a construction company as an x-ray technician. He had been on a job at Texarkana for one day at the time of his death.

The Carroll family moved away from Crowell about 12 years ago. Mr. Carroll was a member of the East Side Church of Christ in Crowell.

He is survived by his wife, Letha of Frisco; three sons, Dale, Dean and Darrell Carroll and one daughter, Marsha, all of the home; his mother, Mrs. Bill Manning, and step-father, Mr. Manning, of Abilene; two sisters, Mrs. Lucille Zimmerle of Abilene and Mrs. Teresa Mann of Frisco; and his maternal grandmother, Mrs. Lallah Alston of Abilene.

Second Phase State Kindergarten to Begin in August

In accordance with state law, Crowell Schools will expand its kindergarten program consistent with state eligibility standards, Supt. Larry Jones said last week.

"State Eligibility" is as follows: 1. A child must be between the age of 5 (birthday after Sept. 1) and 5 years 2 months (5 years old prior to July 1, 1971). 2. A child who cannot speak, read and comprehend the English language to the extent that he is not familiar with the common English language words that are necessary for normal progress in the first grade.

3. A child who is from a family whose annual income is \$3,000 or less.

Supt. Jones added:

"Children that are not eligible by state standards may attend. However, due to the fact that no state money will be available for such children, it has been deemed necessary to require a \$25.00 a month tuition fee for all ineligible students between the ages of 5 and 6 (must be 5 by Sept. 1)."

Mrs. E. L. Yeats Died in Roby

Mrs. E. L. Yeats, a former resident of Crowell, died July 4, at Roby, according to information furnished the News by Mrs. A. V. McCombs.

Mrs. Yeats' husband, Rev. E. L. Yeats, was pastor of the Crowell Methodist Church for several years back in the late 1930's.

Final Figures Given on 1970 Cotton Crop

Foard County, according to the "1970 Texas Cotton Statistics," produced 2,800 bales of cotton last year with an average yield of 162 pounds per acre. The booklet stated that Foard County had 9,800 acres planted to cotton last year, of which 8,500 acres were harvested.

The cotton statistics booklet is published annually by the Texas Department of Agriculture and the United States Department of Agriculture.

Son of Former Crowell Resident Receives Master's Degree

Leo Cates, son of Mr. and Mrs. William P. Cates of Bell, Calif., received his master's degree in business administration (marketing) June 11 from San Diego, (Calif.) State College. He is also a second lieutenant in the R. O. T. C. program and will soon serve his two years.

Leo is a grandson of the late Mr. and Mrs. Frank Cates of Crowell. His father was reared here.

Budget Has Funds Included for Lake Kemp Project

Money to finance two projects involving the Red River or its tributaries has been included in President Nixon's budget in response to requests by Red River Valley Association.

Red River Valley Association recommended and the President's budget included, \$3.5 million to continue the rehabilitation of the Lake Kemp dam on the Wichita River.

The President's budget included \$75,000 against a request of \$180,000 by Red River Valley Association for general investigation of Red River above Denison Dam (Lake Texoma.)

Red River Valley Association is a four-state organization dedicated to development of both land and water resources of the Red River basin. It has headquarters in Shreveport, La.

Disabled Veterans Can Buy License Plates at Reduced Price

Sheriff Edward Howard has requested the News to publicize the fact that due to the passage of a law by the last Texas Legislature, disabled veterans can purchase their license plates for \$1.00.

To qualify for disabled veteran license plates, a veteran must be a Texas resident, be a veteran of the U. S. armed forces, have a service-connected disability of at least 70 per cent, now be receiving compensation from the federal government as a result of such disability; Texas title must be in applicant's name before application for disabled veteran license plates can be approved.

Sheriff Howard said that any disabled Foard veterans can secure complete details at his office. Application deadline date is October 1.

Foard County Unit of Water, Inc. Organized July 22

A Foard County unit of Water, Inc., was organized Thursday night of last week at a meeting of the community center.

Virgil Johnson was elected president of the local organization and M. L. Hughston was elected president. Henry Black was elected as secretary-treasurer.

A. V. McCombs is education chairman, Bill Klepper publicity chairman and Jeff Bell, membership chairman.

Named directors are Roy C. Steele, Marvin Myers, H. L. Ayers, John Cogdell and J. F. Matthews, Jr.

Mr. Johnson stated that another meeting will be held in the near future for the local unit to adopt a set of by-laws.

Water Inc., with headquarters in Lubbock, is an organization formed to promote the importation of water to Texas for irrigation purposes.

Social Security to Have Representative in Crowell August 4th

Jack L. Ashcraft, representative of the Vernon social security office, will be at the community center in Crowell on Wednesday, August 4, at 9:30 a. m. He will take applications for social security.

All people in Crowell and Foard County desiring to file applications for social security benefits are invited to meet Mr. Ashcraft at this convenient location.

News from . . . THALIA

BY MRS. MAGGIE CAPPS

Mr. and Mrs. Billy Johnson and Debbie spent Friday night with Mr. and Mrs. Woodrow Johnson in Amarillo at the closing of the twirlers camp where Debbie had spent the past two weeks.

Burl and Robert Abston visited their mother, Mrs. Ora Abston, in the Woods convalescent home in Vernon Sunday.

Visiting Mrs. Myrtle Neill Monday were Mr. and Mrs. Leotis Roberts of Crowell and Mr. and Mrs. A. J. Stratton and two daughters of Fort Worth.

Rob Cooper of Atlanta, Ga., has been visiting his grandparents, Mr. and Mrs. R. H. Cooper, and relatives in Vernon.

Mr. and Mrs. Clyde Self attended a reunion of their family at Lake Lugert last week end.

Attending were Mrs. T. R. Cates, Jr., Terri and Pat, of Thalia; Coleman Self, Mark and Tricia, of Amarillo, Mr. and Mrs. Elmer Laurence and Lauri of Mineral Wells, Mr. and Mrs. Garnet Gilbert and Cheryl and Mr. and Mrs. James Marian and daughter of Fort Worth and Mr. and Mrs. John Lawrence of Duke, Okla.

Mr. and Mrs. Ben Hopkins of Lemon Grove, Calif., visited Mr. and Mrs. Sam Kuehn Thursday.

Mickey Hammonds of Floydada visited his grandmother, Mrs. Maggie Hammonds, Sunday. Another visitor was Mrs. Oran Dyer of Vernon.

Mr. and Mrs. Billy Dean Brown and daughters of Dallas visited his mother, Mrs. F. A. Brown, Sunday. They were en route home from Colorado where they had been vacationing several days.

Mr. and Mrs. R. H. Cooper visited their granddaughter, Mrs. Tom Clancy, and husband and in-

fant daughter in Dallas last week. Mrs. Clancy is the former Miss Candice Cooper, daughter of Mr. and Mrs. Bob Cooper of Atlanta, Ga., who along with their son, Rob, were also visitors in the Clancy home.

Mr. and Mrs. Billy Burton Wisdom and family of Stephenville visited last week with his grandmother, Mrs. A. B. Wisdom, and Frank and also the Jake Wisdom family.

Mrs. Fay Britt of Wichita Falls spent the week end with her sister, Mrs. Lee Sims, and husband. They attended church in Vernon Sunday morning and visited Mr. and Mrs. Ford Waldrip in O'Brien Sunday afternoon.

Miss Oneta Cates of Abilene and Mrs. Edith Downing of Lubbock and Mr. and Mrs. Rufus Whitman and four sons of Amarillo have returned to their homes after several days visiting Mrs. Fay Whitman and Mr. and Mrs. Thornia Cates. The Whitman family also visited her parents, Mr. and Mrs. Doug Tucker; also W. L. Johnson and Mr. and Mrs. Morgan Price.

Mrs. C. C. Wheeler accompanied Mr. and Mrs. Billy Hammonds and Ricky to Vernon Saturday night where they attended the evangelistic crusade staged by the young people of Wilbarger county at the Wildbarger auditorium.

Visiting Mr. and Mrs. Raymond Grimm Thursday were their nephews, David (Dave) Abston, son of Mr. and Mrs. Bill Abston of Garland, and Mitchell Huebner, son of Mr. and Mrs. Jack Huebner of Knob Noster, Mo. They are also visiting Mrs. Bob Abston in Vernon.

Mr. and Mrs. Eudale Oliver attended the Oliver family reunion in Lubbock Sunday. They also visited her brothers, Loyd and Edward Shultz, and families.

Mr. and Mrs. O'Neal Johnson visited Mrs. Naomi Fitzgerald in Wichita Falls Wednesday.

"I say this," Purcell continued, "because everyone might as well know the truth about VEE. It is going to be with us for a long time."

"Perhaps the saddest thing about the present situation in Texas," Purcell said, "is that it might have been confined to a limited area, or possibly even been avoided."

Purcell said that the Subcommittee on Livestock and Grains, which he chairs, began holding hearings on the epidemic beginning Wednesday, July 28, not only to inquire into the VEE situation, but also to examine contingency plans which the administration possesses to combat African swine fever, a disease recently discovered in Cuba for which there is no known vaccine.

ters remained with her this week. Mr. and Mrs. Roy Carruth of Vernon were here Sunday morning to hear our young preacher, Larry Swan, preach at the Church of Christ.

Mrs. George Key of Vernon visited Mrs. Annie Shultz Sunday.

Mrs. Mamie Shultz of Vernon spent the week end with Mr. and Mrs. Eudale Oliver. Other visitors were Mr. and Mrs. Leotis Roberts of Crowell, Mr. and Mrs. A. J. Stratton and two daughters of Fort Worth and Mrs. Myrtle Neill.

Keith Owens of Vernon spent Sunday with Larry Swan.

Mr. and Mrs. Glen Fuller and family of Houston and Mr. and Mrs. Edwin Schroeder of Tomball visited Mr. and Mrs. Sam Kuehn last week.

Purcell Criticizes Federal Efforts to Halt VEE Spread

Washington — Congressman Graham Purcell (D-Tex.) last week voiced open criticism of federal efforts to halt the spread of Venezuelan Equine Encephalomyelitis (VEE), which is presently sweeping through South Texas horse herds, and has resulted in massive quarantine measures in Texas, Oklahoma, New Mexico, Louisiana and Arkansas.

In a speech on the floor of the House of Representatives last week, Purcell stated his doubts about the effectiveness of the present program to halt the spread of VEE: "Most experts agree that the present attempts to halt the spread of the disease, including the mandatory vaccination of the entire million-horse population in Texas, and the massive spraying attempts, will fail."

"I say this," Purcell continued, "because everyone might as well know the truth about VEE. It is going to be with us for a long time."

"Perhaps the saddest thing about the present situation in Texas," Purcell said, "is that it might have been confined to a limited area, or possibly even been avoided."

Purcell said that the Subcommittee on Livestock and Grains, which he chairs, began holding hearings on the epidemic beginning Wednesday, July 28, not only to inquire into the VEE situation, but also to examine contingency plans which the administration possesses to combat African swine fever, a disease recently discovered in Cuba for which there is no known vaccine.

Law enforcement officers throughout Texas were called upon today to join in a statewide mobilization for national defense. A complete inventory of police personnel and equipment is being made in every political subdivision, it was announced by Col. Homer Garrison, Jr., State Police Director.

Mr. and Mrs. Wayne Brown and their daughter, Debbie, attended funeral services for his father last Sunday.

Mrs. Rada Dunn of Crowell visited Mr. and Mrs. Roy Daniel Sunday.

Mr. and Mrs. Wayne Brown and their daughter, Debbie, attended funeral services for his father last Sunday.

Mmes. Florence Miller, June Navratil, Arnold Navratil, Homer Martin, Venta Horne and Ottis Cook attended the Knox County 4-H dress revue last Friday.

Chad and Beverly Tolison of Benjamin visited their grandparents, Mr. and Mrs. Roy Daniel, last Tuesday and Wednesday. Their parents, Mr. and Mrs. Buddy Tolison, came for them Wednesday.

Those from Truscott who entered the Foard County 4-H dress revue Saturday were Christy

From the News . . . THIRTY YEARS AGO

News items below were taken from the Thursday, July 31, 1941, issue of The Foard County News:

According to an estimate made by a close check of the number of bushels of wheat delivered to grain elevators of Foard County, the total amount of wheat saved from the 1941 crop in this county is around 375,000 bushels.

Born to Mr. and Mrs. Thomas F. Cates, a boy, Jimmy Frank, July 23.

Although the Foard County Hospital was opened for inspection during the Golden Jubilee Anniversary celebration, it was not until May 1 that its doors were thrown open for official business and the first patient received.

Since opening, a total of fifty-one patients have passed through the hospital, hospitalized from 1 to 26 days; eight births have occurred therein and twenty-four operations have been performed. The hospital is under the management of Mrs. L. E. Tackett as superintendent and Mr. Tackett as technician.

Japan's ambassador K. Nomura, after a conference with Acting Secretary of State Sumner Welles, expressed the hope that U. S. Japanese relations would get "better and better." Welles, however, is said to have told Nomura that Japan's actions in Indo-China were a threat to U. S. security.

An outstanding event of the Rotary year is the visit to the club of the District Governor.

This occasion was celebrated Wednesday evening with the Crowell club when District Governor Cal Farley, his daughter, Jean, and two other young ladies, Vesta O'Dell and Marilyn Cornelius of Amarillo were guests of the local Rotary Club. Mr. Farley spoke of his work at "Boys' Ranch" near Amarillo.

Law enforcement officers throughout Texas were called upon today to join in a statewide mobilization for national defense. A complete inventory of police personnel and equipment is being made in every political subdivision, it was announced by Col. Homer Garrison, Jr., State Police Director.

Campaign Pays Off

"In the last four years the automotive industry has been the target of mounting safety concern, bolstered by the belief that modern technology possesses the capability to produce vehicles that are much safer than present models and the continuing adoption by the federal government of new safety standards. This campaign has begun to pay off. For the first time in many years, automobile fatalities were down in 1970 over 1969, despite the presence of more vehicles on the road. Estimates of the number of lives saved in 1970 because of safety standards adopted in the last four years range up to 9,000." — Altoona, Pa., Mirror.

If you are a bride, it is important that the change of name that comes with marriage be reported to social security. Then the change can be made on all records including the social security card.

Miss Martha Rettig left Wednesday afternoon for her home in St. Louis, Mo., after spending a month's vacation here visiting relatives. She is medical supervisor in the Barnest Hospital.

DA OFFERS GREATER ASSISTANCE TO FARMERS AFFECTED BY AREA DROUTH

Foard County farmers who have been hit by drouth or other natural disasters this year are being given greater income protection in a manner in which their cotton yields will be computed for payment purposes in a way that Secretary of Agriculture Earl Warren announced last week. Secretary also announced additional changes in provisions which will offer relief to drouth-affected farmers.

The action on cotton production to strengthen income for 1972 and subsequent years for farmers in the drouth areas of the Southwest. An adjustment in the actual 1971 cotton yield to 90 percent of his payment yield—instead of previous level of 80 percent—was permitted where this year's yield is reduced by adverse natural conditions.

Additional items covered in last week's announcement include: An extension through Dec. 31, 1971, of the emergency live-feed program and hay-making program of land diverted under crop adjustment and set-aside programs. They were originally scheduled to end Aug. 31, 1971.

A revision of procedures to help farmers to use their own resources as an additional source of transportation, where means have caused delays, and delivery of feed grains drouth areas. Transportation assistance rates have been established for helping farmers meet additional expense. Orders for feed grains now can be expedited rapidly by the county office contacting the Kansas City Commodity Office directly instead of routing requests through state ASCS offices. Also, follow-up on all loading orders made within one week from date of order.

severe yield reduction as a result of natural disaster in 1971 will receive a higher payment yield for 1972 than they would have under rules previously in effect. This is expected to be helpful not only to farmers in the Southwest but also to farmers who suffered severely from excessive rains early in the growing season elsewhere in the country.

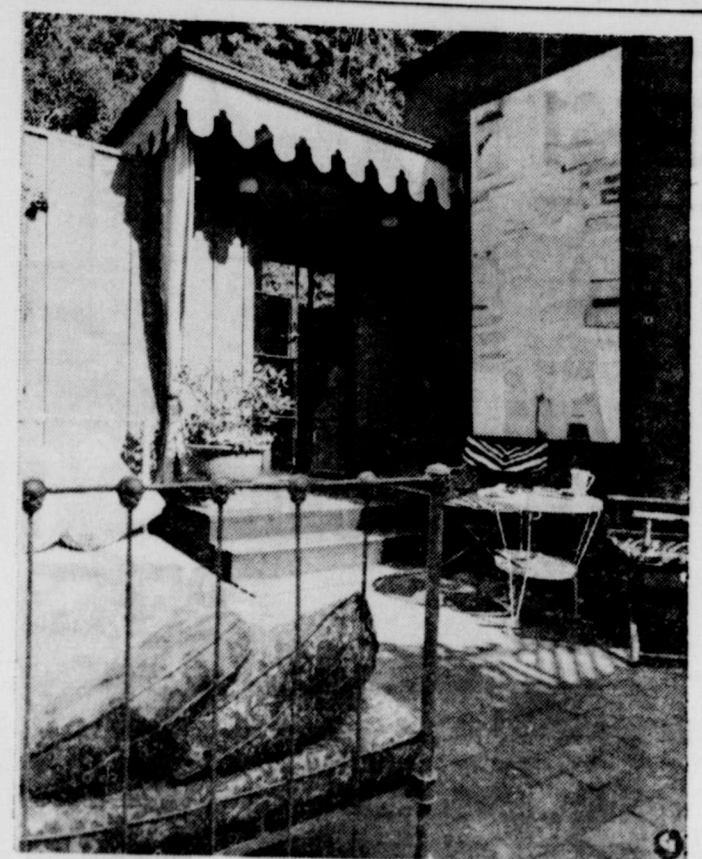

Dove, Teal Duck Seasons Are Set

The Texas Parks and Wildlife Commission set the open season on mourning doves in the north zone for September 1 through October 30, from 12 noon to sunset. In the south zone, the dates are Sept. 25 through Nov. 23, except for the counties which have a season for white-winged doves. In those counties, the mourning dove season ends Nov. 19.

The daily bag and possession limit is unchanged from last year, at 10 and 20 birds for both species. The early teal season this year will be Sept. 11 through Sept. 19. The daily bag limit will be four birds in the aggregate of the three species of teal (blue-winged, green wing and cinnamon), and possession limit is eight in the aggregate.

Out of town relatives attending the funeral of Miss Nancy Cogdell here Saturday were Mr. and Mrs. Ralph Cogdell of Floydada, Mr. and Mrs. James Brothers of Shamrock, Mrs. Mildred Neal of Carlsbad, N. M., Mr. and Mrs. T. W. Williams and Mike of Garland, Mrs. Ed Whitehead, Sandra and Laura, of Lubbock; David Cogdell of Floydada, Mr. and Mrs. Charles Brothers of Shamrock, Major Charles A. Brothers of Air Force Academy, Colo.; Mr. and Mrs. Jim Brothers of Dallas; Mr. and Mrs. Jim Beck of Lubbock and Mrs. Neva Ensley of Alvord.

Out of town friends attending the funeral were Mrs. Carol Seek, Miss Mary Krier, Mrs. Hazel Kimmell and Miss Catherine Dettle, all of Wichita, Kansas; Rev. and Mrs. Bob Beck, Mr. and Mrs. Roy Powell, Mr. and Mrs. John Gilbert and Mr. and Mrs. Dink Woods of Paducah; Mr. and Mrs. Ernest Blake and Mrs. Guy Hardin of Shamrock.

FROM THE TERRACE—Cotton canvas strikes a stylish note on this unusual terrace. A converted iron bedstead fitted out with canvas cushions makes a conversation piece and adds seating and sunning space. Tieback canvas curtains topped by a Mediterranean awning valance frame the wrought iron double-door entrance, and zebra-striped canvas covers handsome director's chairs grouped around a refreshment table.

Former Crowell Resident Died in Vernon July 18

Mrs. A. J. Standlee, 80, former resident of Foard County, died Sunday, July 18, in the Vernon hospital. Services were held at 10 a. m. Tuesday, July 20, in the First Methodist Church in Vernon with Rev. A. B. Cockrell, pastor, officiating. Burial was in Wilbar Memorial Park under direction of Sullivan Funeral Home.

Survivors include five sons, John of Knox City, Jack of Altus, Okla., and Bryan, William and Joe, all of Vernon; four daughters, Mrs. Dolly Daniel of Oklahoma, Mrs. Dorothy Fitzhugh of Andrews, Mrs. Alice Stephens of Altus, and Mrs. Betty Fowler of Abilene; five sisters, Mrs. Wes Anthony and Mrs. Easter Bell Briggs, both of Lubbock; Mrs. Blanche Rowland of New Mexico, Mrs. Dolla Langley of Olton and Mrs. Etna Jones of Ruidoso, N. M.; two brothers, Ewing Woods of Slaton and Dink Woods of Paducah; 16 grandchildren and 7 great grandchildren.

Miss Cogdell's brother, Weldon K. Cogdell and wife of Houston, were vacationing in the western United States at the time of the accident and could not be located until after the funeral.

Austin, Tex. — Investigations of stock loan scandals which have rocked the state for nearly seven months moved forward on three fronts during the past week.

Travis County District Attorney Robert O. Smith announced plans to present to the grand jury here evidence compiled by Texas Atty. Gen. Crawford C. Martin's staff.

Martin said evidence includes material pertaining to federal Securities and Exchange Commission allegations that large bank loans were extended to high state officials by the Sharpstown State Bank in 1969. Money went to stock purchases by officials at the time Sharpstown bank head Frank Sharp was trying to get deposit insurance legislation passed.

Sharp was invited to testify within the next three weeks before a House General Investigating Committee.

Committee asked Sharp to talk about bills in which he was interested in 1969 "and other matters that may be pertinent concerning Sharpstown State Bank, the National Bankers Life Insurance Company and any relationship with public officials."

der 21 may not serve on juries in Texas despite recently-lowered voting age to 18, Attorney General Martin held.

MEDICINE AID SYSTEM IS CHANGED — On Sept. 1, State Department of Public Welfare will begin making payments directly to pharmacists for drugs prescribed to Texas welfare recipients.

Under current system, allowance for drugs is included on the monthly assistance checks. Legislation this year appropriated \$11.9 million for new vendor drug program.

Welfare authorities believe the new system will provide improved prescribed medicine coverage and delay a cut in overall welfare payments for food, clothing and shelter.

However, some complained of welfare check cuts, since drug allotments no longer will go to recipients, and a few who get only payments for drugs will be taken off welfare rolls. Latter will be interviewed by Welfare Department to determine if they should still get cash aid.

When you like to travel

You'll enjoy it more knowing that every mile you go you're protected by a Farm Bureau Auto Insurance Policy. No matter where you go, there's a Farm Bureau insurance agent nearby, ready to "come to the rescue" if you should need his services. He's a vital part of every Farm Bureau insurance auto policy that's sold. Get in touch with your local Farm Bureau insurance agent before you go—he's a good man to know.

Two Minutes With the Bible

Will Good Works Save? "And almost all things are by the law purged with blood; and without shedding of blood is no remission" (Hebrews 9:22).

The apostle's argument in the above passage is that since Israel's ceremonial law was typical of things to come, its constant shedding of blood pointed to the necessity of Christ's sacrificial death for the remission of sins. Certainly the Bible teaches that "Christ died for our sins" (1 Corinthians 15:3).

Those who seek instead to make themselves acceptable to God by good works should consider the following: Our Lord never committed one sin. He always did those things which pleased the Father. His ministry was filled with acts of mercy and kindness. He healed the sick, cleansed the leper, made the blind to see, the deaf to hear and the lame to leap for joy. He preached the gospel to the poor, deliverance to the captives, and healed the brokenhearted. Yet all these good works could not avail to cancel one sin or ease the conscience of one guilty sinner.

Indeed, had He done all these good works and then gone to heaven without dying in our stead, He would have left us in a deeper condemnation than before, for His holy, spotless life could only emphasize our sin and guilt by contrast.

Progress Reported in Hog Cholera Eradication

Over 40 per cent of the nation's swine are now produced in states officially free of hog cholera. Officials of the eradication program are making plans for the achievement of the program's objective, a nation free of hog cholera by the end of 1972.

New Cotton Study At Texas A&M

A method of establishing the impact of restrictions in the use of agricultural chemicals on cotton production is under study at Texas A&M University. Emphasis of the study, to be conducted by research workers of the Texas agricultural experiment station, is to test a new technique for establishing the relationship between cotton production and pesticide use.

Are you signed up for Medicare? If so, your monthly premium for social security is now \$5.60.

Government Offers Aid to Drouth Area Residents

The federal government is making available to residents of the Southwest many types of assistance to help you through the drouth and its aftermath. Listed below are the programs available to residents of this county.

If you need agricultural assistance loans, contact Farmers Home Administration. If you need a business economic injury loan, contact Small Business Administration. Contact the A. S. C. S. office if you need feed at a reduced rate, emergency conservation assistance, haying and grazing on set-aside acres, or hay transportation assistance.

Social Security News

If you change employers frequently, be sure to check your social security account at least every 3 years. By doing this, you can make sure that your record is accurate. If an error has been made in reporting your wages, it can usually be corrected with little effort. The form to use in checking your account is a special postcard which you can get by calling the social security office. Or you can ask for it at the local post office.

Tax Man Sam Sez

Unfortunately the drouth has forced many livestock owners to sell a part or all of their herd. The Internal Revenue Service provides a modified form of tax relief on the sale of livestock due to a drouth. You are not required to pay taxes on any profit that you make on the sale of your herd (provided your sales for the year are in excess of normal sales) if you reinvest within two years with the same type of herd. An extension of this period beyond two years may be granted by the Commissioner of Internal Revenue Service in exceptional cases. Publication 225, the Farmers Tax Guide, spells out all the requirements on drouth sales of livestock on pages 36 through 40. Local county agents have free copies of the Farmers Tax Guide for you. IRS advises farmers considering a drouth sale to obtain a Farmers Tax Guide and carefully check the rules in advance.

Fisher, and son, David, came for them Saturday and they all returned home Monday.

Fred Borchardt underwent heart surgery in a Dallas hospital Monday morning. He is reported to be recuperating satisfactorily.

Mr. and Mrs. Otto Davenport have returned from a 10-day vacation trip spent in Oregon, Montana and other western states. Miss Willie Mae Davenport of Fort Worth accompanied them.

Mr. and Mrs. Jeff Bruce returned home last week from Arizona. They met Mr. and Mrs. L. N. Battershall and Eddie of Lakeview, Calif., at Oak Creek Canyon, which is 29 miles from Flagstaff. Mrs. Battershall is the former Miss Jane Bruce.

Tommie and Bruce McRae of Mesquite visited over the week end with their parents, Mr. and Mrs. Foy McRae; also Mr. and Mrs. Marion Gentry and Dirk.

Jake Mitchell and friend of Plainview, Mr. and Mrs. Danny McRae and family of Lockett visited Monday with their relatives, Mr. and Mrs. Foy McRae and Mr. and Mrs. Marion Gentry and Dirk.

Visiting Mr. and Mrs. S. H. Ross over the week end were Mr. and Mrs. J. C. Prosser and daughters, Lessley and Stephanie, of San Angelo, Mrs. Pat Werley and children, Dean and Jo, of Iowa Park, and Jo Ann Smith of Wichita Falls.

Relatives that visited Mr. and Mrs. Grover Nichols last week were Mrs. Helen Murray of Roaring Springs, Mr. and Mrs. Dink Woods of Paducah; their daughter, Mrs. Lois Bursey, and Mr. and Mrs. Charles Griffin and children, Russ and Sheri, of Quanah; Mr. and Mrs. David Bursey and children, Kennie, Rickie and Tena, Springfield, Mo.; Mr. and Mrs. John Teague, Mr. and Mrs. Leotis Roberts, Sherman Nichols, and Mrs. Ector Solis, all of Crowell; Mr. and Mrs. Oliver Holland of Thalia and Mr. and Mrs. Claren Nichols of Clinton, Okla. Mr. Nichols has just been recently returned home from the hospital. He is improving some, Mrs. Nichols says.

Doesn't Seem Bright

"The future of transportation in this country doesn't seem bright. Our rail system and Merchant Marine, vital to the national defense, are becoming shells of their former selves. Were we ever to be faced again with a war of the magnitude of World War II, with our present declining railroads and Merchant Marine, we would indeed be in trouble. They literally moved armies in those days. Recent airlifting of troops to Europe proved that it is not feasible to move large bodies of men in this fashion. So what will happen with no trains and no ships available in sizeable numbers if another full scale war ever comes?"—Millheim, Pa., Journal.

Long Live America

Next to God, the most sacred word in all the world to me is America. When I hear that word, something begins singing in my heart and sometimes the tears come in my eyes. I am not ashamed of those tears. For in that one word, America, are enshrined all my love, my dreams, my hopes, my faith in a future when not only I but all men shall be free. Who would not fight and if need be die for this blessed land of ours? Long live America. — Unknown American Immigrant.

Only a Means

Money alone is only a mean; it presupposes a man to use it. The rich man can go where he pleases, but perhaps please himself nowhere. He can buy a library or visit the whole world, but perhaps has neither patience to read nor intelligence to see. The purse may be full and the heart empty. He may have gained the world and lost himself; and with all his wealth around him he may live as blank a life as any tattered ditcher. — Robert Louis Stevenson.

Clenched Fist

If you go through life with a clenched fist, nobody can ever put anything in it.

Pictures Are Available

During the course of the past few years, the News has taken a large number of pictures for use in this paper. Most of these pictures are here at the News office and they are available to anyone who wants them for 50 cents each.

Dr. and Mrs. Ralph Flesher to Move To Fort Worth

Members of the Santa Rosa Palomino Club honored Dr. Ralph Flesher with a farewell party at Hill Crest Country Club Saturday night, July 17. Dr. and Mrs. Flesher will be moving to Fort Worth around August 15 where he will be associated with Lone Star Veterinary Supply, which is engaged in the distribution of veterinary products.

Dr. Flesher earlier this year was appointed veterinary representative of the Texas Animal Health Commission by Gov. Preston Smith. Dr. Flesher, son of Mrs. F. B. Flesher of Crowell, was reared in Foard County and graduated from Crowell High School in 1941. His wife, the former Beverly Hughton, is the daughter of T. F. Hughton of Crowell. She was also born and reared in this county.

A graduate of Texas A&M University, he moved to Vernon June 2, 1947, to establish his veterinary practice. Dr. and Mrs. Flesher have one daughter, Karen, a junior student at Texas Christian University.

He has been active in Vernon's Palomino Club, the Chamber of Commerce and the Rotary Club. Past presidents of the Santa Rosa Palomino Club presented the program Saturday night entitled "This Is Your Palomino Club Life Doc Flesher."

Show Your Appreciation

Certainly one of the deepest qualities of human nature — and one of the most overlooked — is the craving to be appreciated. Husbands, wives, children, bosses, workers — almost all people — do not pay enough attention to this important trait. Few executives seem to realize that a word of praise for a good job well done by one of the employees may mean almost as much in the long-run as a pay raise. After living together for years, a husband and wife take everything for granted. Perhaps they still notice the little things about each other that first attracted them, but usually they do fail to mention them. Parents do not always realize that a little bit of praise for their child's latest project is important to his character building and growing up.

Humor on Highways

"Even the National Safety Council sometimes get tired of harping on the tragic side of driving. It has discovered there is humor on the highways, too, as evidenced by a roundup of funny signs published in an issue of the council's magazine, 'Traffic Safety.' For instance, on one side of a signboard on an Ohio secondary road the message says: 'Road Closed—Do Not Enter.' The other side reads, 'Welcome Back, Stupid!' In Cleveland, signs posted along a main rush-hour artery admonish: 'Keep Moving.' Then, add, almost wistfully, 'When Possible' . . . When nobody paid any attention to a 10 m. p. h. speed limit sign in a mobile park in Oxnard, Calif., the manager revised the sign slightly to get better results. Catching the eye of motorists was this new restriction: 'Speed Limit 9 1/2 m. p. h.' —Somerset, Ky., Commonwealth-Journal.

The Real Test

The place to take the true measure of a man is not the forum or the field, nor the market place or the amen corner, but at his own fireside. There he lays aside his mask and you may judge whether he's imp or angel, king or cur, hero or humbug. I care not what the world says of him, whether it crowns him with bays or pelts him with bad eggs; I care never a copper what his reputation or religion may be; if his babes dread his homecoming, and his better half swallows her heart every time she has to ask him for a five-dollar bill, he's a fraud of the first water, even though he howls Hallelujah till he shakes the eternal hills. But if his children rush to the front gate to greet him, and love's own sunshine illumines the face of his wife when she hears his footfall, you may take it for granted that he's true gold, for his home's a heaven, and the humbug never acts that near to the great white Throne of God. — W. C. Brann.

Effective July 1, the premium rate for Part B, the doctor bill part of Medicare, increased from \$5.30 to \$5.60 a month.

MOTHER-DAUGHTER PEASANTRY—Cotton patchwork prints trimmed with no-iron cotton rick rack take on true peasant flavor. Wright's jumbo rick rack borders off the patches in the print of the mother's skirt, while medium size is used in the little girl's skirt. The look is completed with cotton peasant blouses edged in matching rick rack. Simplicity Patterns 9022 and 8208 are used for the mother's outfit, while daughter's is made from Simplicity 9091.

Men Can Enlist In 4th Division

FORT CARSON, COLO. — It is now possible to enlist in the Army for assignment to the 4th Infantry Division, it was announced by Maj. Gen. John C. Bennett, commanding general of the unit. Under the enlistment plan, young men who sign up for the 4th Infantry Division will receive up to 20 months of their first three years of service with the unit, currently stationed at Ft. Carson. Enlistees will take basic and advanced training at one of the Army's training centers. Upon completion of advanced training, the enlistee will either join the 4th, or go overseas for a short tour. Those who go over-

seas will, upon completion of the short tour, rejoin the 4th Infantry Division. "This enlistment opportunity enables a young man to pick the unit, and location where he would like to spend what could be a major portion of his enlistment," Maj. Gen. Bennett said. Young men who join the 4th Infantry Division will become part of a unit with a rich heritage and a long list of military accomplishments. Units of the 4th were the first American troops to enter Paris during World War II. Soldiers of the 4th Infantry also were active in Vietnam, working with youngsters and the disadvantaged in various community projects.

Card of Thanks

We are thankful beyond measure for all of our good friends who helped us so much during our recent sadness. May we offer our humblest thanks for your comfort and love. The family of George Seedig and Mr. and Mrs. Bobby Dunham. 4-1tp

FIRST BAPTIST CHURCH
WELCOMES YOU!

HOMECOMING
 All former members of the **THALIA CHURCH OF CHRIST** and their families are invited to attend a homecoming Sunday **AUGUST 8**
 The first day of our Gospel Meeting conducted by John H. Banister.
DINNER WILL BE SERVED.

YOU DON'T NEED TO USE NEWSPAPER ADVERTISING! IF YOU THINK SO, THEN

PREACHERS—Should preach only one sermon or so a year. We are all against sin anyway, so why harp on it?

TRAFFIC LIGHTS—Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

TEACHERS—No need to review lessons. Tell the children just once and they'll never forget.

HIGHWAY POLICY—Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

MAIL ORDER FIRMS—That send catalogs are wasting their money. Everyone knows what is sold at area stores and of course they'll shop there.

IF YOU ARE ONE OF THE foolish kind, like the Notre Dame Cathedral that has stood for six centuries but still rings the bell every day to let people know it is there and if you believe in consistent profitable advertising, then you will . . .

Daughter of Former Crowell Resident Wed in California

When Sandy Cates, daughter of Mr. and Mrs. William P. Cates, of Bell, Calif., became the bride of Ernie Chapin, son of Mr. and Mrs. Maynard Chapin of Huntington Park, Calif., she wore a white full length gown of chiffon over satin fashioned with a bodice of imported French lace.

The bride's father was reared in Foard County and she is the granddaughter of the late Mr. and Mrs. Frank Cates of Crowell.

The evening double ring rites were conducted by Rev. Clayton Schletewitz in the Bell Friends Church.

Sandy's gown was created with long sleeves of chiffon and a long train of chiffon trimmed in lace. Her lace edged veil of illusion was caught by a petal bow headpiece.

When she was escorted to the altar by her father, she carried

a cascade of white carnations surrounding a white orchid and accented by stephanotis. For something old, she wore her first birthstone ring.

Maid of honor was Ginger Saunders who appeared in the bridal procession in a yellow chiffon over satin gown of empire style with long sheer sleeves. She carried an arrangement of yellow carnations with rainbow ribbon streamers.

In gowns identically styled to that of the maid of honor were bridesmaids Alice Andal in a light green dress with bouquet to match, Robin Johnson in pink with matching bouquet, Pam Luther in orange with light orange bouquet, Marie Vivilacqua in light blue with matching bouquet, and Susan Wagner in orchid with light purple bouquet.

Nieces of the bridegroom, Nancy DeVol and Cathy Chapin, were flower girls and wore white organza dresses with rainbow colored flowers in organza. They carried flower petals in baskets.

Ring bearer was Daniel Chapin,

a nephew of the bridegroom. Attending the bridegroom as best man was Bill Power and ushers were Leo Cates, Arnold Cole, Dan Mayfield, Bob Storey and Bill Nozle.

Dean McNichols was organ accompanist for Ken Salter who sang, "One Hand, One Heart" and "Because."

A reception was held for the more than 350 wedding guests in the reception hall.

For her daughter's wedding, Mrs. Cates chose a long blue crepe gown with buttons down the front. She wore a Hawaiian white orchid. Mrs. Chapin wore a long rose colored gown with lace bodice. An Hawaiian white orchid was her corsage.

After a wedding trip to San Diego and Mexico, the newly-wed is at home at 4311 A Walnut Ave., Bell.

The bride was graduated from Bell High School in 1968. She attended Cerritos Junior College for 2 1/2 years. Mrs. Chapin is now working at the Los Angeles office of Union Oil Co. of California in the accounting department.

Her husband is a 1968 graduate of Bell High School and attended East Los Angeles College for one year. He is in his fourth year at Azusa Pacific College and plans to graduate in June, 1972. He plays football.

Mrs. Billye Graves And O. T. Sims Wed Here June 27th

Mrs. Billye Graves and O. T. Sims, both of Austin, were united in marriage in a ceremony performed Sunday, June 27, at the home of the bride's parents, Mr. and Mrs. Bill Bell of Crowell.

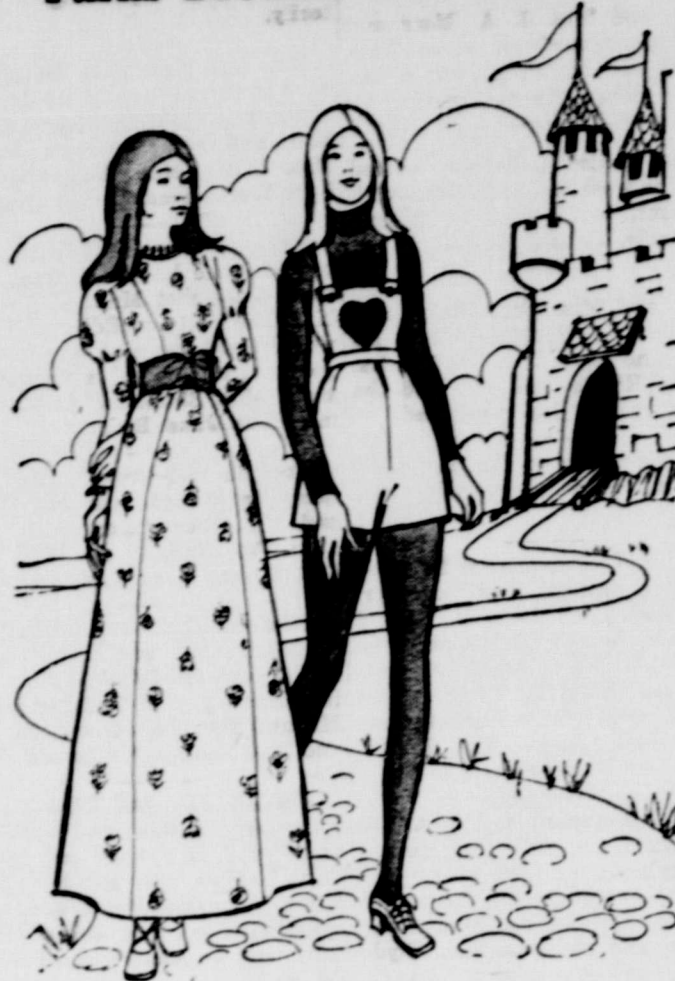

Leslie Thomas officiated at the exchange of vows.

Mr. and Mrs. Sims are at home in Austin where he is a building contractor.

\$200 a Pound

"Beecham, Inc., is in the market for hair and is paying \$200 a pound for it. The hair is needed to test hair grooming products the company makes. A good long-haired male or female, the company says, can collect about \$400 at a single clipping. That means, says the company, that a 'youngster starting high school this year could grow himself a trip to Europe by the time he graduates.' Who says long hair doesn't have its advantages?"—Roshort, S. D. Review.

National 4-H Dress Revue Turns Dreams Into Reality

Every young girl dreams of being a storybook princess with a prince charming gazing at her in admiration.

And 51 young ladies may bring their dreams to reality in Chicago later this year. Representing their home state and Puerto Rico, each will glide across the stage in self-created ensembles at the 1971 National 4-H Dress Revue sponsored by Simplicity Pattern Co. Inc.

The event climaxes a year's activity in which more than 350,000 4-H girls have participated in county and state dress revues conducted by the Cooperative Extension Service. Theme of the 1971 revue, sponsored by Simplicity for the 25th time, is Storybook Fashions.

With a "Prince Charming" to open the gala event and a "Fairy Godmother" to introduce the winners and describe their en-

Will the Private Economy Be Destroyed?

The House of Representatives has approved a revolutionary bill that has "the potential to destroy our private economy," declares one of the nation's leading businessmen.

Archie K. Davis, president of the Chamber of Commerce of the United States, warns that the annual guaranteed income provisions of the House-approved Social Security bill, H. R. 1, could run as high as \$75 billion a year—one-third the amount of the present federal budget—if the minimum guarantee certain groups are clamoring for is adopted.

The chamber federation president, who is also chairman of the board of Wachovia Bank and Trust Co., N. A., Winston-Salem, N. C., points out that, despite the \$2,400 guaranteed income for a family of four as contained in H. R. 1, advocates of this scheme feel the guarantee should be raised to meet the "minimum standard of need," and are trying to increase the annual guarantee to \$6,500.

Even the \$2,400 guarantee figure would nearly double the tremendous and costly welfare rolls, according to the House Ways and Means Committee estimate, and the \$6,500 guarantee would cover half the American population, the national chamber president declares.

The nation's welfare problems are in desperate need for reform, the national chamber contends, but guaranteeing a minimum income that promises to cost billions of the taxpayers' dollars is not the way to achieve change.

The chamber federation feels that, instead, those on the nation's welfare rolls who are truly unemployable should continue to receive assistance. Those who are capable of working ought to be offered job training, job placement, help in getting to and from jobs, and whatever else is needed to get them off welfare rolls and onto payrolls.

The decision whether or not to double—at the minimum—the present welfare rolls will soon come before the Senate. The national chamber encourages every citizen to consider how he feels about the issue, and to make his views known.

If you have lost your social security card or never had one, you can obtain an application for a card at the nearest post office or social security office.

Study Begins on Why Some Small Towns Growing

Sixteen Counties Reversed Trend; Grew During '60's

Plans for a comprehensive research project to discover why some Texas rural areas have begun a population upsurge while many more continue a 30-year loss have been announced by the Texas Industrial Commission.

A preliminary commission survey of Texas counties shows 16 counties that consistently declined in population from 1930 to 1960 reversed this trend during the 1960's and showed population growth.

"Something happened in those counties to turn the population tide," said Jim Harwell, executive director of the Texas Industrial Commission. "Our goal is to make it happen in all of them."

Commission personnel will measure quantities ranging from industrial location patterns to new tourist attractions, Harwell said, and a computerized analysis will determine factors responsible for increasing rural population.

"We already know that factors like new lakes or resort areas have affected several areas," he said. "But a thorough study can detect more subtle qualities which make for healthy population growth."

Current population trends are deleting the state's rural areas and concentrating people into huge metropolitan complexes, Harwell said.

"Unless preventative action is taken, Texas could develop vast areas of vacant rural land and overpopulated, unmanageable cit-

What's the Fastest Growing Business?

"What would you guess is the fastest-growing business in the United States? Electronics? Wrong. The correct answer is government. Roughly one of seven employed Americans works for the government, state and local. Administration employment is growing much faster than employment in private enterprise. In effect every six private workers in the U. S. must support themselves the seventh who works for them. It is not an enviable situation. It is not why taxes at all levels are high and going higher."—Wash., Herald.

If you are planning to take social security benefits, get your proofs ready. For all claims, you will be required to have age proof and proof of earnings for last year. If you are not sure what proofs are required in your case, spend a few minutes and call the social security office before hand.

ies," he said. "This project is the start of that action."

Lots of Money for Highway System

According to "Motor West," "The United States spends almost as much money to build, maintain and operate its highway systems as the rest of the world combined. Figures gathered by the International Road Federation show that in 1968, a total of \$34.2 billion was spent for roads in 146 countries and territories. The only areas not supplying information were the Soviet Union, Red China, Rumania and Hungary. Of the total reported by the IRF for 1968, 48 per cent or \$16.3 billion were spent in the U. S. . . . Special levies on highway users—such as motor fuel taxes, registration and license fees—provide the bulk of U. S. road funds."

Increasingly Apparent

Governor Ronald Reagan of California in a message to the members of the legislature of California stated: "It is increasingly apparent to concerned citizens everywhere that no government—federal, state, county or city—can continue an ever-spiraling program of greater spending accompanied by heavier taxation. On the national level, the President has made it clear that even the immense resources of our federal government can be exhausted by this irresponsible game of leapfrog. Cities and counties also are finding their tax sources strained to the limit and new avenues of taxation nonexistent . . ."

Goofs by computers make the news—usually a check or bill many times over the correct amount. The millions of high-speed, correct operations are often overlooked. For instance, it formerly took a month or more to make a change of address for your social security check. Now it can be done in a matter of days with aid of the computer. The same speed and accuracy can be seen in figuring benefits and processing claims.

Favorites for Shoplifters

A representative of the Jewel Company, as noted by the Public Service Company of Colorado, points out in an article in Associate Grocers News, that groceries and meat outrank nonfood items with Chicago shoplifters. Of the shoplifters stopped, 23 per cent had chosen groceries, 20 per cent meat, 14 per cent nonfoods, 12 per cent tobacco, and the rest cosmetics, candy and liquor. It was pointed out that shoplifters are not limited to any one socioeconomic group, but instead are from a cross mix of society including the affluent. To some of the teen-agers, shoplifting is a game, with the benefit of feeling triumphant when successful in stealing goods.

FBI Director Sets the Record Straight

"J. Edgar Hoover . . . sets the record straight as follows: 'For the past several years our citizens have been barraged with unbridled vulgarity, obscenity, blasphemy, perversion and public degradation of our cherished ideals and symbols. Although strong protests have been made from portions of our concerned citizenry, for the most part these degrading and debasing activities are increasing. Immorality is becoming more of the rule than the exception . . .'"—Everett, Wash., Herald.

Study Made on Use of Automobile Tires

The National Bureau of Standards (U. S. Department of Commerce) has made a thorough review of most of the available data on how automobile tires are used and maintained in this country. Reporting on the conclusions reached, Motor West magazine says: "Proper inflation is a major factor in tire life . . . Tires are designed to carry a maximum load, and loading beyond this maximum often leads to handling difficulty and premature failure . . . Tire failures—including puncture—comprise 40 to 60 per cent of all vehicle breakdowns (excluding 'out-of-gas' on expressways) . . . Warranty claims are made against about 3 per cent of new tires."

Stop Expecting . . .

"If the American people wish the government to cut expenses, they are going to have to stop expecting the services they presume taxes should furnish, from hot lunches for school children to reading the labels on breakfast cereal for them. No matter where the cuts come, someone is going to be screaming. If the American people truly want more financial stability, they will have to revise their standard approach to every problem which usually commences: 'The government ought to do something about . . .'"—Fredonia, Kans., Citizen.

Saccharin is derived from coal-tar.

Family Returns from Australia

"It was interesting to note the return of a North Carolina family from Australia. Last year much publicity and ado was made over the migration of the Ray A. Price family to Australia because of the 'head of the house's' disapproval of certain things in this country. But time, experience and hindsight finally got through to him and he realized that things were not as bad as he had thought. So often this is true. As a school teacher, he found that government control of the schools was stronger, and felt more there than in this country. And the salaries paid were not as attractive on the site as from afar; and the independent, small merchant, merchandising specialist, is not the idyllic dream some opponents of bigness pre-pounded."—Walterboro, S. C. Press and Standard.

Millionth Customer

The little old lady entered the department store. Instantly, a band began to play, an orchid was pinned on her dress, a \$100 bill put in her hand. She found herself being photographed from all sides and a TV camera beamed down on her.

"You're the one-millionth customer," the master of ceremonies told her, smiling broadly. "And now can you tell us what you came here for today?"

"Yes," said the little old lady. "I'm on my way to the complaint department."

Are retirement plans in your near future? Even if they are not, you should get in touch with your nearest social security office within 3 months of your 65th birthday. The folks there will see to it that you are signed up for medicare even though you expect to continue working after your birthday. There is a time limit, so don't put it off.

NEW MODEL: Vietnamese farmers gather to examine a small motorized irrigation pump which will save them backbreaking hours in the rice paddies. The scene is the river valley area of Vo Dat, about 75 miles east of Saigon, where the U.S. Agency for International Development (AID) first introduced IR-8, a "miracle" rice seed which doubles and triples the normal local crop yield. Explaining the use and maintenance of the new pump, immediately popular with the farmers, is AID agricultural expert Ray Russell.

SOME QUESTIONS TO ASK THE PRINTING AND OFFICE SUPPLIES PEDDLER

When the person selling printing, office supplies and advertising solicits your business, here are some questions he should be willing to answer to YOUR SATISFACTION:

1. Is he a taxpayer in your community or county?
2. Does he donate space in the newspaper to local and county projects and enterprises?
3. Does he pay wages to employees who live and do business in your community?
4. Does he grant favors that you would ask of your local newspaper?
5. Does he donate newspaper space to promote you and your neighbor's business?
6. Does his price include freight, postage and insurance?
7. Does he support your civic organizations, schools and churches with free publicity?

We sincerely believe that these questions should be considered when you purchase printing and office supplies—a question of whether you should support those who help support you!

Too Available and Too Easy to Attend

"Institutions of higher learning have become too available and too easy to attend. Twenty years ago, even ten years ago, going to college was a privilege and an honor. More young people were unable to attend schools of higher learning than those who could. Today with all of the scholarships, increasing number of schools, anyone who wants to go to school can do so, in fact, it seems that many go who actually don't want to go. It would seem that the privilege of learning is no longer a privilege but now a place to demonstrate and riot. Although the minority are very much in the minority, they do cause enough disturbance to slow down the process of education."—Litchfield, Minn., Independent-Review.
