CROWELL, FOARD COUNTY, TEXAS THURSDAY, OCTOBER 18, 1973

SINGLE COPY FIFTEEN CENTS

**SCHOOL PEP SQUAD**—Pictured above are members of the grade school pep squad for 1973. This picture was made last Thursday following the pep rally for the seventh and eighth grade football games which were played that night.

## Frank Gribble Succumbed

**Funeral Services Held at Methodist Church Sunday**

Mrs. Frank Gribble, 62, resident of Foard County for over 45 years, died in a Wichita Falls hospital Friday morning following a lengthy illness.

Funeral services were held at 2:30 p.m. Sunday at the First Methodist Church conducted by the pastor, Rev. W. O. Rucker, Jr., assisted by Rev. Joe Ainsworth, pastor of First Baptist Church, and Rev. Warren Everson, pastor of Bethel Church.

Interment was in the Crowell Cemetery under the direction of Womach Funeral Home.

Bearers were Gordon Erwin, J. T. Hughston, Henry Black, Joe Smith, Gerald Knox and Loraine Carter.

The former Jessie Frank Pennington was born November 13, 1910, in Hamlin. She moved to Foard County with her mother in 1927 and had lived here since that time. She and R. G. (Chick) Gribble were married July 23, 1938, in Pampa. Mr. Gribble died in 1956.

She was a member of the First Methodist Church for more than forty years, and had been a worker with the Foard County Unit of the American Cancer Society and just recently had received a 10-year service pin for her work with the Cancer Society.

Survivors include her mother, Mrs. Beulah Holcombe of Crowell; one sister, Mrs. C. W. Henry of Pampa; one niece, Mrs. L. Douglas Holley of Norman, Okla., 3 great nephews and 2 great nieces.

## Senior Citizens Plan Luncheon

The senior citizens will have a covered dish luncheon, Tuesday, October 23, at the Housing Authority community building. Mrs. B. J. Halenack senior citizen aide for Foard County announced Tuesday.

Stew will be served and those attending are asked to bring a dish to go with the stew. Dominoes and 42 will be played in the afternoon, Mrs. Halenack said. Every interested person is invited to attend.

## Foard County Farm Income Takes Big Jump During 1972

Agricultural income for Foard County farmers took a drastic jump from 1972 over 1971, according to information com-

plied by the Texas and U. S. Departments of Agriculture. The new statistical information has just been released.

## Crowell Wildcats Host Paducah Dragons Friday in First District Game

**TWIRLERS AND CHEERLEADERS**—These girls pictured above are the cheerleaders and twirlers for the grade school pep squad. Front row, from the left, are Gail Fish, Terri McDaniel, Eva Neal and Jan Reeder. Standing are Jill Bell holding Beth Graves, Carol Sue Scott and Hedi Vecera holding Christi Smith.

The Crowell Wildcats, after a week of rest, start the District 7-A wars at Dick Todd Field here Friday night when they host the Paducah Dragons—a team Wildcat Coach Printiss Gidney said Monday will probably be in contention for the district title this year.

Coach Gidney says Paducah has a fine passer in quarterback Steve Burns, and Burns has two big fast ends -- Carl Wright and John Jones -- to throw to. Backs Danny Garrett and James McGruder are also speedsters, Coach Gidney said. The Dragons play off the wishbone offense this year, and have been successful with it.

The Dragons have posted wins over Chillicothe, Valley and Rochester, while they have been defeated by Matador and Chiles.

The Wildcats have had numerous injuries thus far, but after the week off, Coach Gidney expects them all to be ready to go Friday night. The Wildcats won their first two games this year, over Quanah and Chillicothe, and have dropped contests to Memphis, Electra and Bowie.

## Class of 1923 To Have Reunion Here Saturday

The 1923 graduating class of Crowell High School will have a 50th anniversary at the new community center in Crowell Saturday, October 20. This is the first reunion the class had ever held, and a large percentage of the members have indicated they plan to attend.

Glenn Jones, a member of the class, was in the News office Tuesday with a copy of "The Melting Pot", the annual issued by the class.

The annual pictures the following 34 members of the class:

Roy Awbrey, Lois Buckley, Tom Beverly, Mattie Russell, Annie Hardy, Roy Sloan, Jewel Kenner, Pearl Saunders, Nathalie Dickerson, Susie Johnson, Millard McDonnell, Myrtle Fish, Jack White, Dollie Fish, May King, Glenna Jones, Paul Crews, Mary Billington, Martha Lou Ray, Beulah Kenner,

George Cates, Beulah Patton, Ruth Grimm, Henry Black, Lillian Bell White, Doris Bailey, Roy Buckley, Verelyn Jones, Virgie Borchardt, Annie Mae Ellis, Anna Lee Cannon, Garland Shultz, Sam Ivie, Henry Ferguson. Mascot of the class was James Allee.

R. C. Campbell was superintendent of schools that year and Dow W. Tate was high school principal. Teachers pictured in the annual were Lena B. Rasor, Litha Crews, Ethel Ross, Mrs. Owens, Miss Hopkins, Mrs. Crews and Bess Thompson.

Friends of the class are invited to visit with those present for the reunion, during the afternoon or evening.

## News of Our MEN IN SERVICE

First Lieutenant T. F. Lambert, III arrived here last week to visit his parents, Mr. and Mrs. T. F. Lambert, Jr. and family. Lt. Lambert has just returned from eleven months duty with the U. S. Army in Korea. His next assignment will be at Fort Knox, Ky.

Lt. Lambert is a graduate of Crowell High School and Midwestern University.

## Lee Meads Is Elected to Office at VRJC

Miss Lee Meads of Crowell, freshman student at Vernon Regional Junior College, last week was elected as freshman representative to the Student Government Association of the college.

Miss Meads is the daughter of Mr. and Mrs. Marion Meads of Crowell.

## FREEWILL BAPTIST TO HAVE GUEST SPEAKER

The Freewill Baptist Church announces that Floyd Burdett of Skellytown will be guest speaker, Sunday, October 21st. Everyone is invited to attend.

## School Board Votes to Join in Suit Against Paper Supplier

In a called meeting Tuesday night of last week, the Crowell school board approved some \$13,000 in bills to be paid covering the period from August 22 through October 9.

Also at the meeting last week, the tax roll for the school district for the current year was approved. Valuations in the district are \$10,929,270 for 1973 which is an increase of \$129,540 over the preceding year. Tax rate in the district is \$1.80 per \$100 valuations.

The board accepted the resignation of Ernest Tucker as school bus driver, and recommended to the county school board that Willie Rodriguez be hired to replace Tucker.

The board reviewed bus drivers physical examinations, as set by the state. Since every person that drives a school bus must have both a physical examination and a drivers license check, the board voted to reimburse the cost of physicals. Present cost of the physical exams is \$7.00. A number of people drive buses on special occasions as a courtesy to the school, such as driving the band students to contests and other occasions.

The board agreed to join other schools in Region IX in a suit against Barnes Maintenance Co. of Wichita Falls which secured a contract to supply all schools in Region IX with paper at 68 cents per ream and has not yet delivered the paper. According to local school officials, Region IX has secured paper from other sources for 98 cents per ream for one-fourth of that needed by each school with the other three-fourths to cost

\$1.06. This will cost the local district some \$350 in additional paper expenses. Due to state requirements that lunch room prices for adult staff members must be at least fifteen cents more than that charged students, staff lunches at the local lunch room will now be 65 cents.

The commodity program of food given by the U. S. Department of Agriculture was thought to be a thing of the past, but last week, the local school received some more commodities, this time being flour, shortening and butter. The commodities were picked up in Wichita Falls and the total received last week will supply the local lunch room for about a month.

A special education plan proposed for Crowell, Quanah and Childress was discussed, but no action was taken. If this proposal is adopted, it will mean an increase in staff for special education purposes in the three schools.

It was announced at the meeting that preparations are underway to plant 24 Arizona ash trees on the campus. The Crowell Student Council has agreed to pay some of the cost of the trees.

The first 10 per cent installment for Title I program in the local school district was received and the Title I teachers began their duties last week.

Mrs. Myrna Jones is remedial arithmetic teacher, Mrs. W. F. Jones teaches remedial reading and Mrs. Wilma Jean Johnson is aide to the two teachers.

## Band Boosters Meet Next Monday Night

A regular monthly meeting of the Crowell Band Booster Club will be held at the band hall, Monday night, Oct. 22, at 7:30 p.m.

W. J. Cobb, president, announced the meeting and urged every interested person to attend.

## NEW VEHICLES

Four new vehicles were registered here last week, as follows:

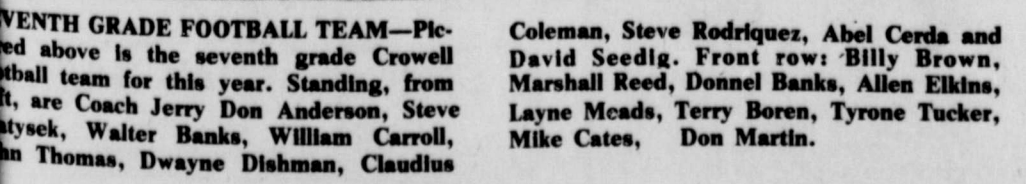

October 8, Loter Enterprises, Oldsmobile 4-door; October 8, T. R. Hough, 1974 Chevrolet pickup; October 8, C. Campbell, 1974 Chevrolet pickup; October 9, Jim P. Thomas, 1974 Chevrolet 4-door.

## NOTICES

NG LESSONS includes basic reading and writing. Starts Oct. 14-4561 or see agent.

## SECURITY

New social security card effective Oct. 1. Earn up to \$2000 a year. Get your social security card. This also means you receive a check in which you do not pay 175.00, no more you earn during the effects you have on social security. It is very well worth it. Age 62 or over. It is in for you. This new security card. Phone your security office for information.

**SEVENTH GRADE FOOTBALL TEAM**—Pictured above is the seventh grade Crowell football team for this year. Standing, from left, are Coach Jerry Don Anderson, Steve Matyssek, Walter Banks, William Carroll, and Tom Thomas, Dwayne Dishman, Claudius

## Children to Collect for CROP

The children of the First United Methodist Churches of Thalia, Margaret, Truscott and Crowell will be collecting money for "CROP" Saturday, October 27.

The purpose of the drive is to help collect money for the needy children and families of the world. CROP stands for Christian Relief of Oppressed People. There are many needs in the world, but none more urgent than feeding hungry children. Christian people should give generously and open-heartedly to this cause.

The children are to meet at the Crowell Methodist Church at 4:15 p. m. After the drive, there will be a weiner roast at the Raspberry Park west of Crowell. Mrs. Ike Everson, children's leader for the Crowell Methodist Church, says that rides will be provided for all needing transportation to or from home.

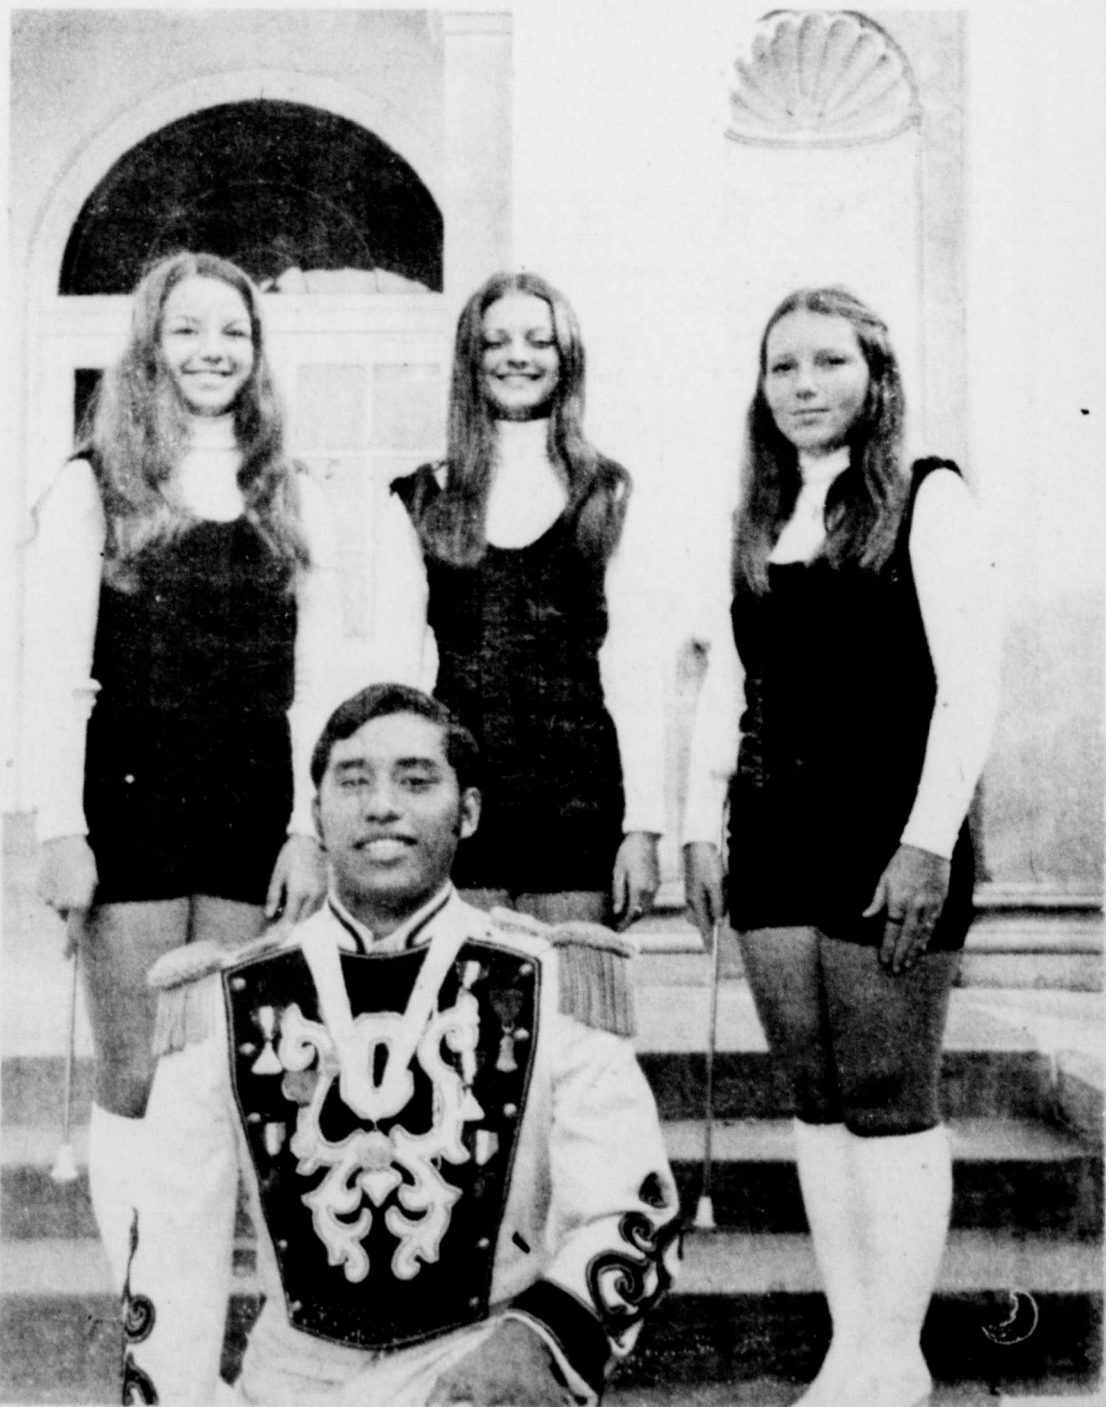

## Named to Who's Who

Miss Carolyn Nichols, daughter of Mr. and Mrs. Bill Nichols of Crowell, has been nominated for Who's Who in American Colleges and Universities.

Miss Nichols is a senior psychology major at Abilene Christian College. She has a double minor in English and business administration.

## DRY AND ABANDONED

A Foard County wildcat, the No. 1 Maggie Campbell, drilled by Amoco, but originally filed by Pan American, has been plugged and abandoned at a total depth of 4,814 feet. The duster is located five miles northeast of Crowell, 1,980 feet from the south and west lines of Section 330, Block A, H&TC survey.

**DRUM MAJOR AND TWIRLERS**— Drum Major Arthur Cerda is pictured above in front of the three twirlers for the CHS Band this year. Twirlers, from left, are Kathy Whitfield, Susan Autry and Jova Russell.

New Shipment Whirlpool refrigerators, stoves and freezers in stock - Womack's. tfc

Mr. and Mrs. W. A. Cassle of Hamlin visited friends here Sunday and attended the funeral of Mrs. Frank Gribble.

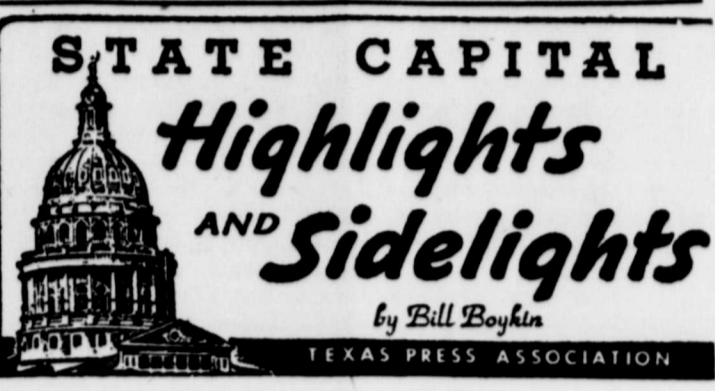

Mr. and Mrs. Joe Hudgens of Spring Branch are here visiting Mrs. Hudgens' sister, Mrs. Cornelia McDaniel. Another sister of Mrs. McDaniel, Mrs. Clois Orr, and Mr. Orr of Houston visited here last week.

Hallmark cards, gift books, stationery, notes, scrap books, wedding and baby books. Candles and gift items. King Candy.—Crowell Flower Shop. 46-tfc

Mr. and Mrs. Hugh Norman and son, Leslie, of Moran visited relatives in Foard County Sunday.

## Boosters Can Help or Hurt

# Athletic Clubs Can Build Or Break Sports Programs

AUSTIN, Tex.—The chairman of the State Railroad Commission has issued a grim new warning that natural gas shortages will hit Texans hard this winter.

In a speech to Texas Mid-Continent Oil and Gas Association at Dallas, Chairman Jim Langdon said:

Propane already is in short supply due to stockpiling to offset the natural gas shortage. As much as 500,000 barrels daily of distillate fuel oil will be needed from November to March.

If distillate use is as high as predicted in the state, three to five times above normal, shipments to out-of-state consumers may have to be cut 50 per cent.

Out-of-State commitments, mandatory federal allocations and other factors may require that Texans share proportionally in shortages.

"This means that Texas might not only be denied access to its total distillate needs, but that access to its normal requirements could be cut," said Langdon. "The gasoline supply-demand situation, as well as every other petroleum product, will experience shortages this winter. As in the case of natural gas, a shortage in any type of fuel which results in an unsatisfied demand will exert pressure on available supplies of other fuels, setting up a domino-like effect."

Langdon recommended early construction of offshore deep-water ports to accommodate super-tankers from foreign countries and stepped-up development of domestic reserves of oil and gas (including shale oil) and increased use of coal.

Meanwhile, only one major customer of Lo-Vaca Gathering Company, Lone Star Gas Company of Dallas, rejected a Railroad Commission temporary rate increase -- to 29.55 cents per 1,000 cubic feet -- on natural gas delivered by the big Houston-based company to its customers around the state.

U.S. District Judge Jack Roberts directed the federal government to spend the entire \$11 billion appropriated by Congress to build water treatment plants. He granted a summary judgment sought by Texas.

The State Supreme Court agreed to review a case involving the amount of recoveries under uninsured motorist insurance policies.

The U.S. Supreme Court held Texas cannot hold back on giving prisoners credit for good behavior until their appeals are final. The decision affirmed lower court findings that the system rewards some prisoners while denying time credit to others.

Mr. and Mrs. Leonard Boren of Pottsboro and Mr. and Mrs. Richard Doyle of Fairbanks, Ca., visited Mrs. E. A. Boren Friday.

Three-year experience factor. Christie wanted to figure on the basis of 1972 losses only, which would cut reducing term rates 25.3 per cent and level term rates 18.6 per cent. The chairman later told newsmen Shockley had recommended the larger reduction during Board conferences.

Board statistics point to \$15 million to \$18 million overcharges annually.

**TASK FORCE CREATED**—Gov. Dolph Briscoe set up a multi-agency task force on youth care and rehabilitation to coordinate efforts at problem solving in the area.

Said Briscoe:

There is too much duplication of effort and overlapping of service; too much emphasis on institutionalization and not enough on prevention; not enough inter-lay between governmental agencies; not enough study to determine how to correct deficiencies; and too many cases of child abuse and neglect.

He named his executive assistant, Charles Purnell, chairman. Other members of the task force are the Welfare Commissioner, Mental Health, Mental Retardation Commissioner, Health Commissioner, Education Commissioner and executive directors of the Texas Rehabilitation Commission and Texas Youth Council. Units of the Governor's office will assist in evolving a statewide plan for development of effective programs of youth social services.

**COURTS SPEAK**—The Court of Criminal Appeals held unconstitutional a resentencing provision of the new law reducing marijuana penalties, designed to permit lighter sentences for those convicted under old statutes.

Mr. and Mrs. Bill Gafford have returned home from a trip to South Texas. They visited his aunt, Mrs. Gregg Laurence in Van Vleck, and Mrs. Gafford's brother, C. E. Keese, and family in Trinidad.

Dr. Rhea H. Williams, Director, Texas Interscholastic League

In practically all communities in Texas, groups of football fans are meeting regularly as Quarterback Clubs, Booster Clubs, Athletic Clubs, or under similar names. These clubs vary widely in membership, purposes and objectives.

Such clubs, if properly directed, have a valuable function in the promotion of high school athletics. Some legitimate functions for these clubs are advertising athletic events, assisting in ticket sales, creating better relationships between school and community, and conducting programs to create better sportsmanship.

Publicity Attitude

Unfortunately some clubs assume a press agent attitude toward high school athletics. They often think of athletics as an advertisement for the home town in terms of financial returns and winning, rather than the educational experiences accruing to students. This attitude will lead inevitably to interference in the high school athletic program.

Such practices as recruiting, pressure to pass athletes in school work, hiring and dismissing of coaches, winning at all costs, and divided allegiance of the coaching staff between school authorities and key men in the club are end results of such a policy.

In practically all cases of proselytizing, the state office has investigated, there has been an active quarterback club in the community, and impetus for the recruiting usually can be traced to members of this organization.

**Divided Allegiance**

Clubs of this type often collect large bonuses and expensive gifts, such as cars, to give the coaching staff after a successful season. Experience has shown that the same group which gives the coaching staff such gifts is the first to insist that it be dismissed if it does not produce constant winners.

In my opinion any coach who accepts such valuable consideration is definitely placing his allegiance at least partially in the hands of a group of downtown quarterbacks. It is an unwritten law that to accept valuable consideration places one under obligation to the donors. A person cannot serve two masters. Often the policy of accepting gifts places a coaching staff in a position where it must choose between the educational viewpoint of the school administrators, or the "win at all costs" viewpoint of a downtown club.

**Educational Values**

It is difficult to convince other teachers in a school system that coaches using school property, utilizing the most precious natural resources of the community, the youth, and being paid a commensurate salary, are due any extra compensation for doing their duty. This has been a sore spot in many communities for years. The coach can make a valuable contribution to school morale by assuming a strict educational viewpoint.

**Superintendent's Responsibility**

The League holds the superintendent of schools responsible for the enforcement of eligibility rules and the management and control of athletics. Athletic councils and various organizations are not recognized by the League, but instead, complete responsibility is placed on the administrative head of the school system, the superintendent, for the proper conduct of the sports program.

In cases of protest against a high school and with a resultant investigation revealing that the superintendent did not have veto powers over decisions of the athletic council, then, in my opinion, the school would be in violation of League rules. The superintendent of schools must have veto power over the action of the athletic council. Otherwise, it would seem to indicate that control was outside school administration. The League strongly advises against athletic councils organized outside the school system. If such committees are formed outside the

eration is definitely placing his allegiance at least partially in the hands of a group of downtown quarterbacks. It is an unwritten law that to accept valuable consideration places one under obligation to the donors. A person cannot serve two masters. Often the policy of accepting gifts places a coaching staff in a position where it must choose between the educational viewpoint of the school administrators, or the "win at all costs" viewpoint of a downtown club.

eration is definitely placing his allegiance at least partially in the hands of a group of downtown quarterbacks. Often the policy of accepting gifts places a coaching staff in a position where it must choose between the educational viewpoint of the school administrators, or the "win at all costs" viewpoint of a downtown club.

school, they should be purely advisory.

**Dynamite**

All people interested in the welfare of high school athletics should strive to see that quarterback clubs, booster clubs and athletic councils are guided in the correct direction. School administrators and coaches should belong to all such groups and should be present at all meetings to guide and direct activities into desirable educational channels. Performing their proper functions they are valuable. If allowed to go astray, they are veritable kegs of dynamite in a school's high school athletic program.

## District Hi-Way Engineer Retires

State Highway Engineer B. L. DeBerry last week announced the retirement of Virgil J. McGee as district engineer of the Texas Highway Department in Childress and named Lewis H. White as his successor.

McGee has been in charge of Highway Department operations in 13 Northwest Texas counties since 1964.

McGee began with the Highway Department in 1935 as a rodman in the Moore County residency. He became district engineer in Amarillo before becoming district engineer at Childress two years later. His retirement is effective Nov. 30.

The Childress district includes Dickens, King, Knox, Foard, Hardeman, Cottle, Motley, Childress, Hall, Briscoe, Collingsworth, Donley and Wheeler counties.

**NEWS FROM THE SCHOOL OFFICE**

The average daily attendance in high school for the past six weeks was 156.85. The enrollment was 163. The average daily attendance in grade school was 319.73. The enrollment was 352. In high school, the seniors had 95.78% attendance, the juniors had 98.26% attendance, the sophomores had 97.13% attendance and the freshmen had 97.92% attendance.

## Family-Living Committee Has Meeting

The Family-Living Committee (a sub-committee of the Foard County Program Building Committee) met for the first time with the new County Extension Agent, Mrs. Rhonda Ward, Mrs. Clarence Garrett, chairman, called the meeting to order at 3 p. m., October 8, in the agent's office. Their purpose was to select an in-depth program area for 1974-75. The agent will use this as a basis for her plan for work.

A short quiz on "county program building" opened the meeting. Then Foard County's problems in home economics were reviewed and studied from the Long Range County Program Book. Five major areas of concern were listed:

Clothing, consumer competence and home management, food and nutrition, housing, family life. The women recognized food and nutrition as the county's biggest immediate problem which needs educational attention. The Family-Living Sub-committee will meet again at a later date with the food and nutrition specialist from the extension service.

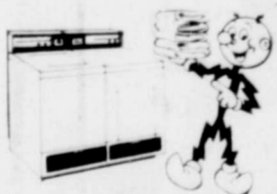

There were five committee members present: Mmes. Clarence Garrett, Willie Garrett, Elton Carroll, Virgil Johnson and Lee Tucker. If anyone is interested in serving on this committee, they are invited to contact Mrs. Ward, the extension agent.

The Veterans Administration cautions veterans to check on availability of benefits before traveling or establishing residence abroad.

## Hints for Homemaker

Hints for the Homemaker by Rhonda Ward, C.E.A.

### Pumpkins and Halloween

Jolly jack-o-lanterns, ornament for fruit baskets and fall centerpieces, popular pie and different desserts—all from the all-American pumpkin. For eating choose a heavy pumpkin which has more meat, less waste and is more likely to taste sweeter. For a jack-o-lantern, choose a light weight one which will cost less. Pumpkins may be kept for 2 to 3 months in a cool, dry place.

Since pumpkin is a vegetable it can be baked and used like squash. To bake, simply wash and cut into serving size portions. Remove seeds (saving

them to roast) and strings. Place in a pan, shell side up and bake at 325 degrees in oven for 1 hour or more until it is fork tender. During the last 15 minutes, turn flesh side up and brush with butter or a glaze of brown sugar and butter.

To roast pumpkin seeds, separate them from the fibers, but do not wash. Spread seeds on shallow baking pan. Sprinkle with salt. Pout 1 T. melted margarine over seeds. Roast 1 hour in pre-heated 250 degree oven or until they are dried and lightly browned. Let cool and serve as a snack while making lanterns.

Try this quick and easy recipe for your Halloween party:

1 st. soft margarine, 1 T. milk or cream, 1 box powdered sugar, 1 t. peppermint flavor, red and yellow food color, whole cloves.

Gradually mix ingredients in order. Create a pumpkin color with food color. Roll into small balls. Make pumpkin grooves with toothpick. Stick 1 clove in top of each for a stem. Chill. Yield: 40-50 pumpkins.

There will be a county-wide program on "preservation of Foliage and Flowers," October 19, at the community center at 2:30. The agent invites all interested persons to attend, regardless of race, color, or ethnic group.

### FOARD COUNTY H. D. COUNCIL HAS MEETING

The Foard County Home Demonstration Council met for a regular meeting October 11 in the extension agent's office and the chairman called the meeting to order at 2:30 o'clock. The three H. D. clubs of the county were represented. Mrs. Grover Moore of the Riverside club gave the opening exercise, "Country Living." Mrs. Homer Ketchersid, recreation leader, in the absence of Mrs. John Ray, gave, "I Can't Believe I Ate the Whole Thing." Roll call was answered by eight members and one visitor, the extension agent, Mrs. Rhonda Ward.

Each club president gave her club report. It was voted to elect council officers in April, instead of September, and be installed in May. The standing rules were revised to read "The regular meeting in April shall be the annual meeting for the election of officers." The Gambleville Club's contribution to council was \$36 and West Side Club's was \$45.

The next meeting of the council will be November 8.

### CHEERLEADER CHATTER

Thursday the Crowell Junior High cheerleaders and twirlers were very excited about the football games against Paducah.

We started off the pep rally with cheers to build up the spirit for our football boys. The twirlers did a great routine and the pep squad did a great job of Yelling. Our twirlers for this year are, eighth grade, head, Jan Reeder and Eva Neal; seventh grade, Gail Fish and Terri McDaniel; cheerleaders, eighth grade, head Beth Graves and Christi Smith; seventh grade, Jill Bell and Hedi Vecera.

Our boys got beat 14 to 6, but we still want to congratulate them on their great playing. The Paducah ball game was our second district game. The cheerleaders say "Beat Vernon".

One big scotch tape dispenser for sale at a fraction of its cost.—News office.

Recent Veterans Administration statistics reveal that more than 1,200 Vietnam era veterans, comprising nearly 7 percent of Vietnam era veterans working for the agency, are women.

### WEST SIDE H.D. CLUB HEARS REPORT

Mrs. W. J. Garrett of the Gambleville Home Demonstration Club gave her report on the 47th annual State Texas Home Demonstration Association convention. The convention was held at Waco Sept. 19-20 at the Waco Convention Center. Mrs. Garrett represented Foard County and she gave a very informative talk on her trip.

Mrs. C. M. Carroll was hostess with the president, Mrs. Louise Churchill, presiding. Mrs. Lois Boren, secretary read the minutes and called the roll. Roll call was answered by seven members and two visitors, Mrs. W. J. Garrett, and Mrs. Rhonda Ward, extension agent.

Plans were made for Rally Day. Mrs. Ward announced a county-wide meeting set for October 19 at 2:30. The meeting is to be held at the Community Center and Mrs. Hubert Brown will bring the program on preservation of foliage and flowers.

The next meeting will be held in the home of Mrs. J. W. Fielder November 20. The program will be Christmas ideas by Mmes C. M. Carroll and Fielder.

## Irma Quintero to Join Social Club at LCC

Miss Irma Quintero of Crowell has been selected to be a member of Theta Rho women's social club at Lubbock Christian College.

Miss Quintero, a 1973 graduate of Crowell High School is a freshman elementary education major.

Theta Rho is one of eight women's social clubs at the college.

### FUELS FERTILIZERS FOR 1974

Fuels and fertilizers may be in short supply in 1974, says an economist for the Extension Service. The fertilizer situation is due to increased production with the release of set-aside acres and the strong foreign demand. Also, nitrogen fertilizer production is being slowed due to low supplies of natural gas, its feedstock. Expanded production will continue to put pressure on gasoline and diesel supplies, but the big concern is over the short supply of LP gas.

### Collision With Ambulance

Driving home from work, Harold crashed into an ambulance at a busy intersection. In short order he found himself facing a charge of "failing to yield the right-of-way to an emergency vehicle."

But in court, Harold came up with the following facts in his own defense:

- 1) that the traffic light had been in his favor;
- 2) that he had not heard the siren because he had his windows up and his radio on; and
- 3) that he had not seen the ambulance until the last moment, because other cars were obscuring his vision.

Under these circumstances the court could find nothing negligent in Harold's conduct, and dismissed the charge.

Traffic codes generally do give special privileges to ambulances. However, these privileges are not absolute. In case of a collision between an ambulance and a private car, the court will weigh the entire situation on its merits.

Furthermore, ambulances have privileges only when there is (or at least appears to be) a true emergency.

Thus, in another case, an ambulance that was merely returning to its home office was held not entitled to go through a stop sign.

And an ambulance transporting a patient to the hospital, with no apparent need for haste, was held not entitled to disregard a red light.

Still, in most situations, the ambulance's right-of-way will be upheld. One indignant citizen decided this preference was a form of unfair discrimination against the motoring public. But when he challenged it in court, the judge held that he had no kick coming.

"The grant of special privileges to an emergency vehicle," said the judge, "is a proper exercise of the police power of the state. When human life may be at stake, prompt performance of the duties imposed upon drivers of emergency vehicles is imperative."

## Honored at Capping Ceremony

6—Foard County News, Crowell, Tx. October 18

### It's a great country

Nineteen members of the sixth class of the Greenbelt School of Vocational Nursing received their caps in special capping ceremonies Saturday at the First Methodist Church in Crowell. The capping ceremony marks the end of the students' pre-clinical training program.

Principal speaker for the program was Mrs. Birdie Neal, R.N. director of the Department of Nursing at Vernon Regional Junior College. Her topic was the important role nurses play in the field of medicine.

Presentation of caps was made by Mrs. Edith Roark, director of the school, and Mrs. Hazel Marlow, assistant director.

Receiving caps were Helen Gonzales, of Knox City, Mary L. Brown of Crowell, Elaine Dishman of Crowell, Jane Shahan of Quanah, Alice Sainz of Knox City, Nellie Anguiano of Crowell, Edith Howard of Vernon, Phyllis McCoy of Paducah, Mary Willie of Vernon, Shirley Bradford of Vernon, Elizabeth Haynes of White City, Charlotte Walker of Crowell, Jane Ferguson of Quanah, Ruth Gobin of Crowell, Ken Hendry of Vernon, Mary Helen Gregory of Paducah, Glenda Holley and Demaris Chaney, also of Paducah.

Rev. W. O. Rucker, Jr. pastor of the host church, gave the invocation and Mrs. Walter Stapp, organist, presented special music.

A reception was held in the church basement for the large crowd of relatives and friends attending the capping ceremony.

The Greenbelt School of Vocational Nursing is in its sixth year and takes its students from Foard and neighboring counties. It is funded by the Economic Opportunities Advancement Corp. and is operated through the local school system. Mrs. Roark has been director of the school since it was first started.

USE BREAD... Use bread to banish budget blues. Mix it with ground beef—or a combination of ground beef and lettuce—for a delicious meal that will serve twice as many as the meat alone, suggests extension service.

Some 1,000 Department of Army employees and 82 national cemeteries operated by the Army was transferred to the Veterans Administration on Sept. 1, 1973, as authorized under Public Law 93-43 (June 18, 1973).

## Foard County Farm Bureau JACK WELCH AGENT

### TULIPS FOR EARLY SPRING COLOR

In the Southern states, tulips require cold storage before planting, according to landscape horticulturalists for extension service. Store tulips in a refrigerator at 35 degrees for at least 45 days; then plant them in December as soon as they are removed from cold storage. When purchasing tulips, see only those that are firm, and free of insects and disease.

Foard County News—7

Crowell, Tx. October 18, 1973

From the News...

## 30 YEARS AGO

News items below were taken from the Thursday, October 14, 1943, issue of the FCN:

The Crowell High School football team will open its district race tonight (Thursday) at Holliday against the Holliday Eagles.

The Texas Company will play Santa Claus this year to the tune of a fifty dollar war bond for each of its approximately 4,500 employees in the military service.

Once again the school officials of Texas have been called upon to issue War Ration Books and registration will be held for War Ration Book #5 at the Crowell, Thalia, Margaret, and Riverside schools.

Commodities now selling above parity are corn, oats, cotton seed, sweet potatoes, hogs, beef cattle, lambs, butter, milk, chickens, turkeys, eggs and wool. Those selling below parity are barley, cotton and peanuts.

Pfc. Clyde Eddy of Seattle, Wash., has been promoted to sergeant, according to information furnished the News.

A former pharmacist at the Ferguson's Drug Store in Crowell, Pfc. Tom Beverly is now following the same line of work in the South Pacific, where he is stationed with an Army Hospital unit. He was inducted into the Army in July, 1942.

Jim Minnick will sell 125 head of mules, geldings, mares and colts at the Vernon Auction Barn, one mile east of Vernon tomorrow. Mr. Minnick is disposing of all the stock he has in Foard and Knox Counties with the exception of four or five mares.

Hardin Russell of Dalhart spent the weekend in Crowell visiting his family. He is now working at the barber's trade in Dalhart.

The marriage of Cecil Carroll, MOMMI-C and Miss Marietta Wilcox of Abilene was solemnized at the parsonage of the Methodist Church in Crowell on Sept. 25, with Mr. and Mrs. Elton Carroll and Mr. and Mrs. Milburn Carroll as attendants.

On October 5, members of the Foard City H.D. Club met at the home of Mrs. Grady Halbert with Miss Elizabeth Elliot demonstrating the preparation of home canned food.

Ann Walden, daughter of Mr. and Mrs. Verne Walden, observed her third birthday with a party given by her mother, Friday. Guests included Betty Davis, Mary Anne Myers, Jana Black, Judy Borhardt, Patricia Ann Prosser, Carol Faye Stout, Don Patton, Charlie Bell, Lyn Stout, Kerry Mason Brown and Sidney Lanier.

The labor problem so far as this area is concerned has not changed materially according to D. F. Eaton, county farm agent. There is still an inadequate supply, however, it has been adequate in counties east and south where picking is complete, Mr. Eaton says.

From the News of Oct. 17, 1913: C. P. Sandifer informs us that he will build a home on the fine block of land that he owns near the school building.

Hot lunches are now being served for the school children at Margaret. Mrs. Arthur Bell is doing the cooking, having started Monday.

Lt. Riley Griffin of Camp Livingston, La., is here visiting his parents.

Someone sizes up the pay-as-you-go income tax as follows: Pay as you go before you know how much you owe.

Mrs. Luther Tamplen and children visited in Whitesboro last week.

Sgt. J. C. Rader, who is stationed at Clovis, N. M. came Monday for a visit with relatives at Foard City.

# Discipline Is The Key To Success In Sports

**By Dr. Rhea Williams  
Texas Interscholastic League**  
One of the greatest attributes of competitive athletics is that it develops an appreciation for "making sacrifices." This contribution of athletics is seldom given due credit, and to many people it perhaps is the one contribution which ranks above all others which can be traced to the competitive program.

## GROVELL STATE BANK

is now paying the following interest rates on **Certificates of Deposit:**

Single and Multiple Maturity Time Deposits of less than \$100,000.00:	
30 to 89 Days.....	<b>5.00%</b>
90 Days to Less than 1 Year.....	<b>5.50%</b>
1 Year to Less than 2 1/2 Years.....	<b>6.00%</b>
2 1/2 Years.....	<b>6.50%</b>

The above rates are retroactive to July 1, 1973 and apply to all existing Certificates of Deposit in force with this bank.

Federal law and regulation prohibit the payment of a time deposit prior to maturity unless three months of the interest thereon is forfeited and interest on the amount withdrawn is reduced to the passbook rate.

### 8—Foard County News Crowell, Tx. October 18, 1973

**Orderly Program**  
Another important discipline which must come along with every successful athlete is the ability to have an orderly and reasonably scheduled activity program. There must be adequate time set aside for study, for one of the most desirable disciplines is the ability to set aside a specified period of time and let nothing interfere with this program. This means that the boy must give up many activities in which others are engaging. There have been no great achievements made in any area, whether in athletics, science, politics or religion, which have not been achieved through sacrifices on the part of someone.

There is no other way to develop self-discipline than to make sacrifices. Discipline and sacrifice go hand in hand, regardless of whether it is on a personal or group basis.  
**Self Discipline**  
One of the first and most important sacrifices any athlete must make is to give up many of the so-called "pleasures" which accrue to non-athletes. This includes eating only the proper foods and getting regular hours of sleep and abstaining from tobacco and alcohol. It means that an athlete must discipline himself into giving up many parties, dates and other social activities. Only through sacrifice can a boy achieve his best physical and mental condition and best insure that he will be ready to give his best for his team.  
**Give Up Ego**  
It is necessary that each athlete sacrifice his own personal ego and his own personal dreams of achieving individual glory in order that the team may participate as a well-organized unit. There are countless numbers of instances on record where failure of individual boys to make sacrifices to team unity have resulted in team failures. Most people are self-centered, and one of the most difficult disciplines is the sacrifice which eleven individual boys must make in order to develop a well organized team effort in football. Although individual ego must be disciplined more in team games than in individual games, there must be adequate discipline

Next year, 10 Veterans Administration hospitals in the Appalachian region will test a space satellite which will provide medical education and consultation via TV and radio.

Supplemental Security Income, a new program to be administered by the social security administration, will replace most adult categories of the present state public assistance programs. People now receiving state assistance need not file a claim because their case be will automatically transferred to the new program. An application would be necessary for those who are not now receiving state assistance. Your income and assets will determine your eligibility. Call the Vernon social security office.

Robert Kincaid, Sec.

### Native of Foard County Died in Wichita Falls

Funeral services were held at 4 p. m. Wednesday, October 10, at Hobart Baptist Church in Pampa for Mrs. Ina Mae Hicks, 46, who died the preceding Sunday in Wichita General Hospital. Mrs. Hicks was a cousin of Mrs. Warren Everson of Crowell.

Officiating was Rev. John C. Dyer, pastor of Memorial Heights Baptist Church of Claremore, Okla. Burial was in Fairview Cemetery by Carmichael-Whitley Funeral Directors, Inc.

Mrs. Hicks died of injuries sustained in a two-car accident in Chillicothe September 2 which also claimed the lives of her husband, Bill Hicks, and three Chillicothe youths.

She was born October 26, 1926, in the Vivian community of Foard County. She had been a Pampa resident 21 years. Mrs. Hicks was a member of Hobart Baptist Church.

She was a registered nurse and a 1946 graduate of Methodist Hospital School of Nursing in Houston. She was married to Billy L. Hicks July 23, 1949, at Weatherford, Texas.

Survivors include a son, Gary, of the home; one daughter, Mrs. Kay Schafer of Hayes, Kansas; her parents, Mr. and Mrs. A. Roy Young of Fort Worth; two brothers, Curley Young of Crowley and Jimmy Young of Mansfield; three sisters, Mrs. Orleans Rogers, Mrs. June Whitmore and Mrs. Winnie Stouffer, all of Fort Worth, and one grandson.

Rev. and Mrs. Warren Everson of Crowell attended the funeral services.

**4-H GROWING IN TEXAS**  
Almost 146,000 boys and girls between the ages of 9 and 19 are now enrolled in 4-H over the state. That's an increase of more than 23,000 during the past year, according to Dr. Don Stormer, state 4-H and youth leader for the extension service. The past year also showed an increase of almost 2,000 among the adult leader ranks, which now total about 14,000. Individual projects have increased almost 34,000 to a total well over 181,000.

### For Rent

**FOR RENT—3 room furnished** apartment, bills paid.—Clint White, 684-3341. 16-tfc

## 2 Minutes with the Bible

**CREATION & REDEMPTION**  
In Romans 1:18 the Apostle Paul declares that ungodly men are "without excuse" because they are surrounded by the evidences of the Creator's "eternal power and Godhead."  
Our Authorized Version calls the creation, in this passage, "the things that are made," but in the Greek it is called literally "the poyeama," from which we get our word poem.

The apostle refers, of course, to the harmony of God's creation. And is it not indeed amazing how billions of heavenly bodies can continually revolve in the vastness of space and never collide! And are not the flowers, the seasons, the sunsets all part of a harmonious creation, which God alone could have conceived and set to music?

But very interestingly, this word poyeama is used just once more in Scripture. We find it in Eph. 2:10 where it is translated "workmanship." Let's consider this passage in its context:

"For by grace are ye saved, through faith, and that not of yourselves; it is the gift of God: 'Not of works, lest any man should boast."

"For we are His workmanship [Greek, poyeama], created in Christ Jesus unto good works, which God hath before ordained that we should walk in them" (Eph. 2:8-10).

Romans speaks of the poem of creation, Ephesians of the poem of redemption, and the latter is the more wonderful. An old hymn says: "'Twas great to speak a world from naught; 'tis greater to redeem."

In this poem of redemption which God has composed, we believers too often want to change some word or phrase. We would like this or that in our circumstances to be different. Ah, but this would destroy the meter and the meaning of God's new creation.  
Thank God, when we who trust Christ some day go to be with Him, we will see the beauty and glory of the poem of redemption. Then we will rejoice that He did indeed "work all things together for good" for us.

### For Sale

**FOR SALE—Over 14x66 ft., 2 bedrooms, baths.** Phone 684-5300

**FOR SALE—We have our Weed and Feed. It's time to put it to use. Fertilizer & Chemical.**
