Geo. Cates Died in Montana

Interment To Be Held in Crowell Cemetery

George A. Cates, 69, native of Foard County, died early Sunday at his home in Missoula, Montana.

Funeral services were held at the Missoula Baptist Church Tuesday. Burial will be in the Crowell Cemetery either Friday or Saturday, with definite details of the time not yet established.

Mr. Cates was born in Foard County, a son of the late Mr. and Mrs. I. M. Cates. He attended Foard County schools. He moved to Montana in the 1940's and had been a rancher there since that time. He was a member of the Missoula Baptist Church.

Back in the late 30's, Mr. Cates entered a "Pony express race" and rode horseback from Nocona, Texas, to San Francisco, Ca.

He is survived by his wife, eight children and four sisters, Mrs. George Mapp and Mrs. Jim Cook of Crowell, Mrs. Bertha Shultz of Abilene and Mrs. Ruby Mitchell of Ellenwood, Ga.

Couple Move to Crowell

Mr. and Mrs. Buddy Jones of Houston have moved to Crowell to make their home. Mrs. Jones is the former Miss Peggy Black of Crowell and is the daughter of Thomas Black of Crowell and the late Mrs. Velma Black.

Mr. Jones has been employed in the construction business for the past twenty years as a carpenter, electrician and plumber and will be working with Mr. Black in the building trade.

Mr. and Mrs. Jones are making their home with Mr. and Mrs. Black while they are looking for a 2- or 3-bedroom house to rent, at which time they will complete their move from Houston.

February Is Heart Month

February has been proclaimed as Heart Month, and Sunday, February 17, has also been proclaimed as Heart Sunday across the nation, as funds are being solicited to fight one of America's greatest killers—heart disease.

Mrs. Henry Borchardt is fund drive chairman for Foard County and she announced Monday that Heart Sunday will be observed in local churches and solicit funds for the annual campaign. Also rural areas will be canvassed during the week, Mrs. Borchardt added.

The cooperation of all Foard County residents is urgently solicited as workers seek donations during the next few days.

Sets Trips to Crowell

Highway Patrolman Lewis Templeton of Vernon, drivers license examiner for Foard County, said last week that on his next scheduled visit here—February 21—he will be at the local high school from 9 a. m. to 12 noon giving drivers education tests to students.

He added that he will be in his office in the court house from 1 to 5 p. m. that afternoon.

Mr. Templeton comes to Foard County on the first, third and fifth Thursdays of each month.

Player Draft Drama Club Is Thursday to Present Program

Sixteen new Little Dribblers will be drafted into the League Thursday, February 14. A meeting of all coaches and assistants will be held at 7:30 p. m. that night in the home of Ace Whitley, league president.

A total of thirty-five boys have signed up this year and they will be filling the rosters of the six teams that make up the Crowell Little Dribblers League.

Nineteen veterans return and a rundown of each team follows: The Turtles will return Billy Bond and Mike Brown. The Frogs have John Henry McGee, Richard Westbrook, Ken Gentry and Lonnie Mitchell. The Ponies will be led by Jamie Martin and Loyd Ray Daniel. The Eagles, who are the defending champs, return only one player and that is Jeff Christopher. The Roadrunners look strong with Dan Klepper, Dan Brown, Joe Lee Brown and Ruben Santos.

The Hawks will also show some muscle as they return the most veterans of all the teams. They have five experienced boys in Dan Gatewood, Leslie Denton, Randy Foster, Ray Don Werley and Bobby Joe Cerda.

The rookies this year will be as follows: Harold Sparkman, Tommy Russell, Charles Reed, John Halsell, Dean Werley, Tom Adams, Larry Criss, Mike Branch, Joe Glen Setliff, Ronnie Wasia. Also Ray Smith, Thomas Carroll Polk, David Dunn, Jimmy Garcia, Vincent Anderson and Guy Todd III.

League play is scheduled to begin on Monday night, February 25. Games will be played on Monday and Thursday with the first of three games each night to begin at 6:30 p. m., the second at 7:30 and the last to start at 8:30.

A complete schedule, along with team rosters and coaches, will be published as soon as they are worked out.

Santa Rosa District Resident To Speak in Crowell Wednesday

Mrs. Bray Cook, president of the Santa Rosa District of the Texas Federation of Women's Clubs, will be the guest speaker at the Wednesday, February 20, meeting of the Adelphian Club Crowell.

The meeting will be at the Adelphian Club house beginning at 3:30. All members of sister clubs in Foard County are invited to attend and hear Mrs. Cook.

Prevention is the best medicine. And that's what the Heart Association is all about. Heart Association programs are designed to stop heart disease before it starts. Call your local Heart Association for free information on how you can reduce your risk of heart attack and stroke. Help your heart.

James Streit, music director in Crowell High School, has guided the CHS Band to many awards of merit during the past few years.

In addition to his talent as a musician, Mr. Streit also is an inventor and last week received a United States patent on what he calls a "teaching machine."

A few years ago, as Mr. Streit tells it, he saw the need for an aid in his band program which would help the individual student with his music lessons. He had an idea for a machine that would contain lessons for each of the 20 different instruments in the band, from beginner through advanced.

Before he attempted to build such a machine, he decided to first check to see if another such teaching aid was being made. He drew his plans, hired a patent attorney to handle the legal work and hired a draftsman to draw the detailed illustrations needed to accompany the patent application.

His attorney filed his patent

application on July 17, 1972, and it was approved on January 1, 1974, and Mr. Streit now has patent No. 3,782,007 covering his invention for the next seventeen years.

Although Mr. Streit labels his invention simply a "teaching machine," the name as listed on the patent is "Lesson Selector Element Controlled Device, for Presenting Visual and Audio Lessons and Receiving Recorded Answers on a Sound Track."

Mr. Streit designed the machine to use cards which can be inserted into the machine. Each card will contain a lesson which the individual student can complete. A test given by the machine is recorded for later use by the instructor.

Mr. Streit says the machine is adaptable for any subject, in addition to music instruction.

Mr. Streit has not made any plans as to the manufacture of the machine as yet, but he already has been contacted by one manufacturer.

HONORED ON 80th BIRTHDAY—Roy Fox, seated, right, was honored on his eightieth birthday Sunday with a dinner at the home of his sister, Mrs. Charles Dickerson, and husband. Pictured with Mr. Fox are his five

47 YEARS OF PERFECT ATTENDANCE—Mrs. Jim Cook, right, was honored Sunday on the occasion of her attaining 47 years of perfect attendance at Sunday school. Standing with Mrs. Cook is W. H. Posey,

Minister of the First Christian Church, where Mrs. Cook has compiled her long perfect attendance record. Mrs. Cook was presented the flowers shown in the picture.

Boosters To Meet

Plans for the March 1 band program and for the pancake supper in March will be completed at a regular meeting of the Band Boosters next Monday night at the band hall. Clois Cobb, president, said the meeting will begin at 8:00 and he urged everyone interested in the band program to be present.

CHS Band Program Coming Here Soon

Friday, March 1, is the date set for the big CHS Band program and Miss Petite

Contest. The Miss Petite Contest proved to be a big hit with area residents two years ago. The contest is open to pre-school girls with each penny donated counting as a vote for the particular young lady.

There are two official voting places—D&T Foodway and Crowell Food Mart—where voting cans will be located.

Parents, grandparents or other interested persons may enter a young lady in the contest by contacting Mrs. George Scott and furnishing her with a picture of the entrant to be used on the voting can. Also serving with Mrs. Scott are Mrs. Glendon Russell and Mrs. Donald Werley. The sooner an entry is made, the sooner the votes will start coming in.

In addition to the Miss Petite contest, the band will present several numbers on the program, which is planned to be a "Johnny Carson" type show.

Proceeds from the big night's entertainment will go to help defray expenses of the band to a contest in Amarillo later in the spring.

WELCOME TO C.H.S.

We would like to welcome to our school, Cheryl Johnson. Cheryl and her family moved here from Oxnard, Ca. We're very glad to have you, Cheryl and we hope you enjoy it. Cheryl is a senior.

VALENTINES FOR TEACHERS

Mr. Hobson: The language is plain, you're my Valentine.
 Mrs. Hord: Just plain English, Happy Valentines Day.
 Mr. Wall: It's the principal of the thing, I want you for my Valentine.
 Mrs. Halbert: I'll make no speech, Be my Valentine.
 Mr. Gafford: If my figures are correct, you're my Valentine.
 Mr. Welch: It's scientific, You and Me—Valentines.
 Mr. Brock: You'll go down in history, as my Valentine.
 Mr. Myers: Do I have to hammer it in, You're my

Valentine.
 Mrs. Brown: I'm cooking up something special for you Valentine.
 Coach Gidney: The score is right, You're my Valentine.
 Coach McGough: I'll catch you on the rebound, Valentine.

SENIOR NEWS

The senior class had a study week this week. History six weeks test was given Monday. Last Friday, the speech test was taken, and in English they are summing up Hamlet.
 Oddly this week, there were no basketball games, but Paducah scrimmaged Megargel here Friday night in C.H.S. Gym.
 Friday night, the senior class had a class party at the Community Center. The students bought hamburgers at the Dairy Bar and took them to the center for a snack. Tapes were played and dancing was done for fun.
 The class had a fun get-together, and would like to thank Mr. and Mrs. Felix Taylor and Mr. and Mrs. Jesse Whitfield for sponsoring.

SENIOR SPOTLIGHT

The senior in this week's spotlight is Ricky Nichols. Born on September 12, 1955, to Mr. and Mrs. Wilburn Nichols, Ricky is 6 ft. and is 18 years old. He has blue eyes and brown hair. He is a member of the First Baptist Church in Crowell.
 Ricky's favorites include: Food—spaghetti; Song—Why Me; Actor—John Wayne; Actress—Ann-Margaret; Subject—history; Hobby—flying and racing gas engine model cars and planes.
 Ricky has played football in Crowell High School and his future plans will be to attend V.R.J.C. and then go to a Bible school.
 The other senior in the spotlight is Danny Mike Ownbey. He is the son of Kenneth Ownbey. The 6 ft. 17 year old, green eyed, blonde haired, senior attends the First Methodist Church of Crowell.
 Danny's favorites include: Food—shrimp and Mexican food;

Danny was chosen freshman favorite his first year in high school. He played football for two years and is playing tennis this year. He is a member of the F.F.A. and has been for 4 years. He is Sentinal, and has been on the judging team 3 years. Danny has been to area, regional and state in dairy judging. He was chosen from the student body of C.H.S. this year as being "Best Dressed" boy in high school. Also, Danny's calf was named for being Reserved Champion in the local stock show and Best Groomed calf his junior year.
 Danny plans to attend college in Amarillo at T.S.T.I.

SOPHOMORE SCOOP

Last Thursday the personalities had their pictures made. Some of us really enjoyed it because we were able to get out of class.
 Well, basketball season is over, but track is now getting underway. We hope the track team has a very successful season.
 Soon another six weeks will be over. Tests will be starting soon. Everyone will have to start working their brains. Some of them for the first time this six weeks.

FRESHMAN NEWS

Everyone is getting ready for the Talent Show the 15th. It always proves to be good so everyone come.
 Student Council elections are coming up soon. People who are running for office need to turn in their names by Friday.
 How about all you boys getting real nice around the 14th and buy your sweetheart a box of candy. Even better than that, she doesn't have to be a sweetheart.
 By the way, since this is six weeks, why don't we buy all the teachers a box of candy? We all know how overworked, overburdened and mistreated they are!

TALENT SHOW TO BE FEBRUARY 15th

The Annual All-School Talent Show will be February 15, at 7:31 p.m. in the CHS Auditorium. Many different types of entertainment are in store and all promise fun and enjoyment.
 Everyone is urged to attend this annual event, that is sure to be as success. All proceeds go to the CHS Drama Department.

GOLDEN RULES FOR DRIVERS

As the six weeks draws to an end with the end of the Driver's Ed class, we thought it appropriate to publish these "Ten Commandments" for the new drivers at our school.
 Thou shalt hold onto the steering wheel.
 Thou shalt not make unto thee a God of horsepower.
 Thou shalt not take the center lane in vain.
 Remember the driver behind, to help him pass thee.

LETTER TO THE EDITOR

2946 Motor Avenue,
 L.A. Ca. 90064
 February 5, 1974
 Dear Mr. Klepper:
 I am writing this letter in response to a front page article "Kills Coyotes" from the January 31 edition of The Foard County News. This is not a letter to sway anyone's opinion, but I hope to provoke thought about the future of wildlife.
 Because I belong to a number of volunteer organizations that work very hard to preserve the remaining wildlife throughout the world, I am always disturbed when I read of wildlife being killed, particularly when the necessity for the killing is questionable.
 I believe that people generally do not understand their environment and the creatures that share it with them. It is not just Foard County, Texas; it is Africa, Asia, South America—anyplace where wild animals cross man's path and dollars and cents are involved.
 Every animal has its place in nature and aids in keeping things in balance—many people do not realize that wildlife is necessary to man's well being. It is not the role of a predator—such as a coyote—to eat cattle or sheep or goats. The coyote, being neither a pack animal nor very large, cannot kill large animals. It normally preys upon rabbits, rodents, other small mammals and reptiles, and prevents overpopulation of these animals. Great numbers of rats, mice, or rabbits can cause much more financial destruction (to crops, etc.) than coyotes. However—in an area where the jackrabbit has been killed off (usually hunted at night by spotlight), where the prairie dog has been poisoned, where there are annual rattlesnake "round-ups"—there is little for the coyote to eat. It may, therefore, become an opportunist and hunt what is available. What is available may be a calf or lamb—even though these are not its natural prey. For a predator, killing is not promiscuous. It kills to live.
 I realize that writing a letter to a paper in a farming and ranching community may cause a reaction from area residents. It is easy for a city dweller to criticize; the readers' livelihood depends on the land. However, wildlife conservation must begin where there is still wildlife.
 Will the coyote go the way of other wild animals? The grizzly bear has been exterminated throughout most of the continental U. S. Fear and ignorance was the reason for that. Wolves are now found only in isolated parts of the states. The cougar is fast disappearing, and most kinds of eagles are shot or poisoned because ranchers fear them. Bounties have even been paid for many of these animals. Although the coyote is not yet an endangered animal, what will be his fate?
 For thousands of years, animals have been evolving and refining their adaptations. Many species have naturally become extinct. Those that have survived are the sum of generations past. Nature is a marvel. Its creatures each have a place and purpose and are interrelated. One cannot disturb one species without affecting many others.
 As I said at the beginning, I am not trying to change anyone's opinion. I just hope to make someone think about and appreciate the natural world and God's creatures. The world is not here for man alone; he shares it with thousands of other species.
 Most sincerely,
 Carole Stepp.

High School Basketball Season Ended

Crowell High School basketball has ended for the season under Coach Russell McGough. The high school girls set a season record of 18 wins and 5 losses and they won 6 and lost 4 of their 10 district games.
 Crowell won two of the last three games played. They won over Paducah 63 to 50, over Monday 59 to 46 and lost to Holliday in a close one 60 to 56.
 The varsity boys had a 16 to 11 season record and in district action, came out with a 5-5 record.
 The varsity on Jan. 29 was defeated 73 to 61 by Paducah. The next game they won 71 to 67 over Monday and in the last game of the season, they defeated Holliday 57 to 51.
 The junior varsity defeated Paducah JV 44 to 41, won over Monday 72 to 55 and in the last game lost to Holliday 52 to 39.

INSURANCE OF ALL KINDS

Interest Picking Up in Copper Breaks Park

Copper Breaks State Park, despite the fact that fees are charged for entrance to the facility, is fast becoming a popular spot for people in Foard and Hardeman counties, Bob Martin, superintendent of the state park, told the Quannah Tribune-Chief last week. He added that it is only a matter of time before its popularity spreads.
 The 1,933-acre recreational facility was opened on January 1 and with unseasonable warm weather, hundreds of visitors have been coming to the park to take advantage of its facilities which are unique in this area.
 A story in last week's Quannah paper told that Martin said that some people have the wrong idea about signs that say that the park is closed at 10 p. m. He pointed out that the park only closes to visitors and all those who are not staying overnight at the campsites. He emphasized that overnight camping is permitted at the park for only a \$1.50 camping fee per night.
 Many people from Quannah, Crowell and other surrounding towns are coming to the park for a Sunday outing, just to look over the newly-completed facilities at the park.
 Visitors to the new park can only enter the area at the east entrance on Texas Highway 283, 13 miles south of Quannah and 8 miles north of Crowell. The back entrance used while the construction was underway has been closed.
 In addition to the \$1 per car entrance fee or \$1.50 for camping, Martin says that entrance may also be gained to the park if an annual park permit is displayed on the windshield of the vehicle. Either a restricted annual permit costing \$5 or an annual entrance permit costing \$12 can be used for a year's entrance to the park.
 The restricted permit allows the vehicle and its occupants entrance privileges to any one state park specified by the buyer at the time of his purchase while the \$12 permit allows entrance to any state park in Texas.
 After entering the park, the road winds across a pasture set aside for a herd of longhorn cattle which is to be placed there soon and then the road takes the visitor down into Devil's Creek canyon where several picnic sites and restrooms are located in addition to a sand beach and

6 WAYS TO CONSERVE AND SAVE FOR THE HOMEMAKER

- Let Nature help you to save on operating costs.
 - Let the sunshine in during winter months to help cut heating costs.
 - Shade your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.
- Be prudent when using appliances. Wash full loads of dishes and laundry, and follow manufacturer's owner-manual for best results.
- Proper insulation helps secure your home against dirt and noise and defends it against outside heat and cold, offering year round comfort and savings. Insulation can pay for itself in the savings from operating cost in about 1 1/2 years.
- You purchased fine-home comfort when you bought your air conditioning and heating units. Properly maintained, they offer you years of efficient service. A once-a-year check-up by your dealer pays dividends in savings on operating and break-down costs.
- For savings on energy, set the thermostat on the temperature setting that provides adequate comfort (the President suggests 68°). Don't continually switch it up and down. Remember, the lower you set the thermostat in the winter the more money you save on energy.
- Adequate lighting is essential for creating a safe and pleasing environment in every room of your home. Dust and dirt alone cause substantial losses in the amount of light produced. Systematic cleaning is important. Clean lamp bulbs (when they are cool) with a damp cloth. Conserve and save energy by turning lights off in rooms that are not needed.

STUDENTS HELP WITH PARK AND RECREATION INSTITUTE—Two Texas Tech University senior park administration majors, one from Crowell and one from Midland, were among 35 students at the university who helped to produce and conduct the Southwest Park and Recreation Training Institute just concluded at Lake Texoma. They are shown receiving registration instructions from Dr. James W. Kitchen, right, professor of park administration and landscape architecture at Texas Tech and program director for the institute. The students are, from left, Billy B. Hord, son of Mrs. Russel Hord of Crowell, and Dan Thorsen, son of Mr. and Mrs. W. G. Thorsen of 1607 Holloway, Midland. Approximately 500 persons from seven Southwestern states attended the institute which was conducted by Texas Tech's Department of Park Administration, Landscape Architecture and Horticulture.

NOTICE!

Spectators at the fire which destroyed the Sammy Neal house blocked the street and interfered with movement of the fire trucks. This practice endangers both life and property.

We ask everyone to keep the streets clear when there is a fire. Otherwise we will have to levy fines to those who impede travel of the fire trucks. Thank you.

NOTICE OF CHANGE

Because of the apparent interest in the rummage sale which was previously announced to be in the garage at the home of Mrs. N. J. Roberts on March 2, it has become necessary to change the place to the community center on March 1 and 2.

Mrs. Virgil Johnson made the following statement: "Since a museum is a much-needed community project, we appeal to everyone to contribute to our sale. Call us for pick-up service. We have had numerous inquiries about old furniture. What do you have for us?"

Miss Speer, Wed to Mr. McAnally

Mr. and Mrs. Leon E. Speer, 2300 Antelope, Vernon, announce the marriage of their daughter, Mary Sue, to Richard Franklin McAnally, son of Mr. and Mrs. Frank McAnally, Jr. of Megargel. The wedding was an event of Saturday, February 9, in Perkins Chapel, First United Methodist Church in Wichita Falls. Miss Speer is the granddaughter of M. L. Hughston of Crowell.

Miss Sheri Melinda Speer, sister of the bride, was maid of honor and Gary McAnally, the groom's brother, was best man. The bride graduated from Crowell High School and

MRS. MCANALLY

Midwestern University and was employed as a secretary at First-Wichita National Bank. The groom graduated from Allen Military Academy in Bryan, attended Midwestern University and is employed by Beneficial Finance Company. They will live in Denton.

Miss Moore Wed to Mr. Talbot

Miss Carolyn Fay Moore and Billy Glen Talbot exchanged wedding vows recently in the Thalia Methodist Church with Rev. Wilson Holman, pastor, officiating for the double ring ceremony.

Parents of the bride are Mr. and Mrs. Merle Moore of Crowell. The bridegroom is a son of Mr. and Mrs. Glen Talbot of 2120 Marshall.

Vows were pledged beneath an arch covered with greenery and flanked on either side by a seven-branched candelabra entwined with greens. Instrumental music was provided by Mrs. Edward Howard who also accompanied Mrs. Billy Hammonds as she sang "Wedding Prayer" and "One Hand, One Heart."

The bride, given in marriage by her father, wore an old-fashioned gown of organza with pearl-trimmed Venice lace encircling the high neckline. The gown was styled with long full sleeves, empire waistline and floor length A-line skirt. Her three-tiered veil of elbow length was attached to a bandeau of Venice lace with pearl trim and a velvet bow. She carried a continental bouquet of white Frenched carnations and pompons interspersed with white tulle puffs and ribbon with white satin streamers.

Miss Wynell Shannon of Vernon as maid of honor and Miss Janie Dimore of Vernon as bridesmaid wore yellow and white gowns complemented with white ribbons in their hair. Each carried a long-stemmed yellow carnation with a yellow satin bow and streamers.

Steve Nelson served as best man with Freddy Wilson as groomsmen. Both are from Vernon. Ushers were Mike Moore, brother of the bride and Ricky Hammonds, cousin of the bride.

The bride's mother selected a dress of pink double knit with bone accessories. A corsage of pink carnations complemented her dress. The mother of the bridegroom wore a yellow lace dress accented with white accessories and a corsage of yellow Frenched carnations.

Reception
The fellowship hall was the scene of a reception honoring the newlyweds after the ceremony.

The bride's table featured a three-tiered cake of white and yellow. A silver candelabra held an arrangement of yellow and green carnations, and crystal appointments graced the table.

Mrs. Kathy Henry and Miss Patricia Leist assisted with serving duties. Mrs. Kathy Carroll presided at the register table, and Miss Zerlina Henry, daughter of Mr. and Mrs. Billy Roy Henry distributed rice bags among the guests.

For her going-away costume the bride chose a western pantsuit of purple double knit enhanced with the corsage from her bridal bouquet.

A graduate of Crowell High School, the bride attended Vernon Regional Junior College for one year and is now employed at Vernon MH-MR Center. The bridegroom is a graduate of Vernon High School, now employed by Waggoner Estate. They will reside at 2004 St. James.

Miss Sandi Rucker Honored with Kitchen Gadget Shower

Miss Sandi Rucker, oridelect of Mike Weatherred, was honored with a kitchen gadget shower Saturday afternoon in the home of the Ray Shirleys. Misses Susan Autry and Kathy and Kristi Shirley were hostesses, assisted by their mothers, Mmes. J. C. Autry, Jr. and Ray Shirley.

The bride's colors of orchid and purple were carried out in the centerpiece on the tea table. Fluted purple checked taffeta ribbon outlined a large heart centered by an orchid candle. Surrounding the candle were artificial flowers in shaded hues from light orchid to deep purple. The orchid napkins had "Sandi and Mike" imprinted in gold. Raspberry sherbet punch was served from a crystal punch bowl with a Dirilyte ladle. Wooden circular trays held the dainty sandwiches and heart-shaped cookies. Other appointments were of crystal.

The honoree wore a shell colored jumper with chocolate brown knitted blouse. Her corsage from the hostesses was made of copper scouring puffs, a set of measuring spoons, small cookie cutters, and a clothes sprinkler head, accented by purple checked taffeta ribbon.

The shower gifts were presented the honoree in a laundry basket with hostess gifts being pulled in a little wagon. The gift was in the form of a mannequin made from a broom, kitchen gadgets, utensils and linen.

Guests registering the honoree, her mother, Mrs. W. O. Rucker, Jr., the groom-to-be's mother, Mrs. Baylor Weatherred, Mmes. Freddie Prather, Steve Weatherred and Tricia, Fred Adcock, and Misses Darla Powers, Debbie Scott, Barbie Scott, Debra McDaniel, Betty Collins, Trudy Bird, Cheryl Branch, Rhonda Vecera, and Anita Vecera.

Couple Sets Wedding Date

Mrs. Billye Graves of Crowell and Gordon Graves of Austin announce the engagement and approaching marriage of their daughter, Brenda Gay, to Michial Dolan Winters, son of Mr. and Mrs. Richard Winters of Crowell.

The wedding is planned for May 25 at the First Baptist Church in Crowell.

The prospective bride and groom will be 1974 spring graduates of Crowell High School.

Man-made fibers represent about two-thirds of all fibers used by American mills for woven and knitted fabrics, carpets and other fiber products, notes the extension service.

JACK HIGHTOWER

Sen. Jack Hightower Enters Race

State Senator Jack Hightower, Democrat of Vernon, has authorized the News to announce that he will enter the 1974 race for Congressman from the 13th Congressional District.

Hightower, who has been a State Senator since 1965, was elected president pro tem of the Senate in 1971. This year, as chairman of the Administration Committee, he helped reduce the Senate's operating budget by more than \$200,000. He was a leader in the no-new-taxes legislative session—only the second time in some 20 years that state government was funded without a tax bill. His performance as a Senator resulted in the passage of the second highest number of bills passed in the Senate last year. Hightower is one of five senators on the constitutional convention planning committee and is also active on the West Texas sub-committee of the Citizens Advisory Committee of Water.

Hightower, 47, ran his first race the year after receiving a law degree from Baylor University and won a term (1953-54) in the Texas House of Representatives.

He was appointed and then re-elected twice as district attorney of the 46th Judicial District, serving as president of the Texas District and County Attorneys Association and being named "Outstanding District Attorney of Texas" for 1959.

Hightower was appointed by Governor Price Daniel to the Texas Law Enforcement Commission in 1957 and has served as vice president of the Texas Junior Bar Association.

He was elected to the Senate from the 23rd District and two years later won the 30th District race against a fellow senator and another candidate without a runoff. He was unopposed for re-election in 1970 and 1972.

Hightower was vice chairman of the Board of Regents of Midwestern University and is currently a member of the Board of Trustees of Baylor University.

He served in the Navy during World War II before earning a BA degree at Baylor. In 1971 he was awarded an honorary LLD

Wheat was being planted in heavy crop residue using 16 fluted coulters followed by grain drill. Drill had fertilizer attachment. Equipment was carrying out seed bed preparation, seeding operation [wheat] and

fertilization, all in one operation. Equipment was rigged up by producer and SCS technicians. A good stand of wheat was obtained. The day picture was taken, 40 mile-per-hour wind was blowing. Pictured above are Wesley Robbins, district conservationist, standing, and W. Q. Richardson on tractor.

to demonstrate the use of non-vernized small grain no-till planted into standing corn and forage sorghums. Soil Conservation Service personnel Forrest Keith of Quanaah and Wes Robbins of Paducah arranged for the use of the special equipment. The no-till planting equipment is owned by the Cottle County Soil and Water Conservation District. This district, which is leading the way in minimum tillage in the Rolling Plains, furnished a double tool bar with fluted coulters at no cost to the experiment station.

No-till planting is making spring planting of non-vernized small grains less hazardous to wind erosion and dry weather. Non-vernized small grains are those which do not make seed heads because not enough total days of cold weather is received to initiate the heading process.

The fluted coulters can plant into any crop residue and get a stand, says Wes Robbins. He has even used them on "Soil Bank" land which hadn't been plowed in 15 years and has gotten a good stand.

Roy Fox Has 80th Birthday

The home of Mr. and Mrs. C.H. Dickerson was the setting Sunday for a birthday dinner honoring Roy Fox on his 80th birthday. Mr. Fox's five sisters, Mrs. Dickerson, Mmes. Bertha Burdine and Tola Thompson of Crowell, Mabel Daniel of Vernon and Loys Thomson of Fort Worth, joined in serving a turkey dinner for the occasion. Others attending were Adrian Thomson of Crowell, and his son, Gordon Thomson, and family of Oklahoma City, Nettie Daniel of Vernon, and Mr. Fox's daughters and families, Edith Fox and Margie Davis of Crowell; Mrs. Davis' son, Jimmy Davis, and family of Dallas, Lola Mae Fox of Memphis, and Mr. and Mrs. Randy Whitten and daughter, Michele, of Lubbock. Two large birthday cakes were the center of attraction. One was inscribed "Happy Birthday, Roy, 80 years young" and "Happy birthday, Dad," from his daughters.

Methodist Dinner Set for Friday

The annual smorgasbord sponsored by the United Methodist Women of the local Methodist Church will be held Friday, February 15, at the church. Serving hours are from 11 a.m. to 1 p.m. Tickets are \$2.00 for adults and \$1.00 for children under 12 years of age. This annual affair provides the local Methodist Women with funds for some of their projects. The public is cordially invited.

McAlister Is Rotary Speaker

John McAlister, who has served as interim director of the Resource, Conservation and Development (RC&D) project here for the past few years, was the speaker at the Wednesday, Feb. 6 meeting of the Rotary Club of Crowell. He showed slides and told some of the possibilities of the program in this area. The RC&D program has just been funded for planning and Foard County residents will be given the opportunity during the next several months to give their ideas on what projects could be developed that will help Foard County to grow.

The RC&D program covers Foard, Cottle, Hardeman and Childress Counties, and Wilbarger county is now being taken into the program.

Mr. McAlister stressed that local planning is the key to the program and not federal planning. He said it requires local leadership, local planning, local coordination, local initiative and local action.

McAlister was introduced by Rotarian Bud McLain. Other visitors included Rotarians Tom Shelton of Childress and Sam Breedlove of Quanaah.

Mr. Halbert Is WSL Speaker

Major diseases of the heart were discussed by Seth Halbert, publicity chairman for the Heart Fund, at last week's luncheon of the Women's Service League. The speaker and his wife were introduced by Mrs. Emma V. Traweck, program chairman.

Mr. Halbert also told of warning signs of stroke and heart attack. He urged those present to have their blood pressure checked at the free clinics, offered as a service, or to see their doctor. Although high blood pressure can usually be controlled by medication, there are often no prior symptoms. The speaker distributed booklets entitled, "Heart Attack—How to Reduce Your Risk" which is published by the American Heart Association.
