PEP RALLY—The CHS gym was a lively action last Friday afternoon during the first pep rally of the current football season.

Wildcats Win Season Opener over Quanah

The Crowell Wildcats launched the 1974 football season at Dick Todd Field last Friday night by defeating the Quanah Indians 24-0. "It was a team effort," Coach Printiss Gidney said, in commenting on the game. He said the defense looked exceptionally well for this early in the season while the offense still has "some rough edges which will be smoothed out as the boys get more experience."

Don Sparkman put the first 6

of the Wildcats points on the board as he ran for 10 yards and the TD. David Bell scored his first point of the night with a perfect kick for point-after.

Bell then added 6 more points as he blasted over from three yards out and he added another kick for extra point.

Crowell's last TD came in the third quarter when Allen Tapp galloped 35 yards after intercepting an Indian pass. Again, Bell added the point-after to push the score to 21-0. Later in the third period, Bell kicked a perfect 25-yard field goal to make it 24-0.

The Wildcats held the Indians to only 81 total yards and it was midway through the third period before Quanah earned its first first down.

Wildcats seeing action in this game in addition to those already mentioned were Ricky Hammonds, Keith McDaniel, Randy Prince, Hal Williams, Rudy Rodriguez, Chavelo Ranjel, Nathan Frater, Duane Daniel, Ronnie Swan, Billy Halencak, Rocky Glasscock, Richard Naylor, Ernie Myers, Dee Finley, Louis Cerda, Norman Hopper and William Bachman.

Thomas Hughston Succumbed

Thomas Hughston, 75, resident of Foard County for almost all of his life, died at his home in Crowell Saturday morning following an apparent heart attack.

Funeral services were conducted at the First United Methodist Church at 2 p.m. Sunday with the pastor, Rev. W. O. Rucker, officiating. Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Music was presented by a trio composed of Misses Betty Collins, Susan Autry and Pam Whatley, with Mike Manard as organist. Bearers were Robert Kincaid, Jack Walker, Dick Todd, Joe Don Brown, Thomas L. Tamplen and Bill Klepper.

Thomas Frank Hughston was born in Plano, Collin County, on April 30, 1899, son of the late Mr. and Mrs. T. L. Hughston. The family moved to Crowell in 1908. On August 30, 1922, he married the former Miss Mabel Pittillo in Crowell. She preceded him in death June 14, 1968. He was a member of the First Methodist Church, and was a farmer and rancher in Foard County.

He is survived by one son, J. T. Hughston of Crowell, two daughters, Mrs. Ralph Flesher of Denton and Mrs. Jim Paul Norman of Crowell; one brother, M. L. Hughston of Crowell; six grandchildren and one great grandchild.

Funeral services were held at 2:30 p.m. Wednesday, September 11, at Eastside Church of Christ with Minister R. C. Williams officiating. Interment was in the Quanah Cemetery with Womack Funeral Home in charge of arrangements.

Pall bearers were Marvin Henry of Archer City, Dale Henry and Jimmy Henry of Crowell, Larry Henry of Childress, and Johnny Wayne Henry and B. J. Evans of Vernon.

Mr. Henry was born March 15, 1887, in Springfield, Mo. He married Nancy Alice McDaniel January 16, 1910, in Foard County. Mrs. Henry died May 28, 1967. He moved to Hardeman County in 1938 and retired in 1958 from the gypsum mill west of Quanah. He was a member of the Church of Christ.

Survivors include three sons, Leroy Henry of Vernon, B. E. Henry and Jim Henry of Crowell; one daughter, Mrs. Lela Evans of Vernon; one brother, Pete Henry of Delhi, La.; 23 grandchildren, several great grandchildren and one great great grandson. He was preceded in death by one son, William Henry Jr., Feb. 25, 1951, and one daughter, Mrs. Bertha Meddin, in 1969.

Mrs. Hazelwood Completes Justice of the Peace Training

Mrs. Opal Hazelwood, Foard County Justice of the Peace, was in Amarillo September 4, 5, and 6 to take a course in justice of the peace training. Mrs. Hazelwood, who has been justice of the peace for 10 years, now has a total of 80 hours of training for her position.

VISIT HERE

Mr. and Mrs. Craig Sandlin and sons, Gary and Bradley, have been here visiting his brother, James Sandlin, and family and other relatives. Gary is a student at the University of Texas at Arlington and Mr. and Mrs. Sandlin and Bradley live at St. Croix, U.S. Virgin Islands.

Mr. Sandlin is employed in the refinery of the Hess Oil Virgin Islands Corporation and the family has lived in the Virgin Islands for the past eight years.

William Henry Died Monday

William Walter Henry, 87, resident of Crowell for the past seven years, and father of two local men, died at 10 a.m. Monday, Sept. 9, in the Foard County Hospital.

Funeral services were held at 2:30 p.m. Wednesday, September 11, at Eastside Church of Christ with Minister R. C. Williams officiating. Interment was in the Quanah Cemetery with Womack Funeral Home in charge of arrangements.

Pall bearers were Marvin Henry of Archer City, Dale Henry and Jimmy Henry of Crowell, Larry Henry of Childress, and Johnny Wayne Henry and B. J. Evans of Vernon.

Mr. Henry was born March 15, 1887, in Springfield, Mo. He married Nancy Alice McDaniel January 16, 1910, in Foard County. Mrs. Henry died May 28, 1967. He moved to Hardeman County in 1938 and retired in 1958 from the gypsum mill west of Quanah. He was a member of the Church of Christ.

Survivors include three sons, Leroy Henry of Vernon, B. E. Henry and Jim Henry of Crowell; one daughter, Mrs. Lela Evans of Vernon; one brother, Pete Henry of Delhi, La.; 23 grandchildren, several great grandchildren and one great great grandson. He was preceded in death by one son, William Henry Jr., Feb. 25, 1951, and one daughter, Mrs. Bertha Meddin, in 1969.

Major James Denton Stationed in Thailand

Major James R. Denton has arrived in Thailand for one year's overseas duty. His wife, Guyne, and their two daughters will remain in Woodbridge, Va., while Major Denton is overseas.

He is the son of Mr. and Mrs. I. L. Denton of Crowell. His address is 432, MMS, PO Box 2481, APO, San Francisco 96237.

ATTENDING VRJC

Mrs. Larry Bursley is a freshman at Vernon Regional Junior College, and Miss Pat Matus, daughter of Mr. and Mrs. John Matus Jr., is a sophomore at the Vernon college.

Wildcats Go to Seymour Friday Second Game of Season

The Crowell Wildcats will make it 2 in a row when they travel to Seymour to take on the Panthers. In years past, the Wildcats and Panthers have met in non-conference games, but the series was discontinued several years ago, and this will be their first meeting in a long time.

Both teams won their season-opener last week. Crowell took the Quanah Indians 24 to 0 while Seymour was winning over Munday 48 to 20.

Coach Printiss Gidney said Monday that none of his charges suffered disabling injuries in the Quanah game, and all should be ready for action Friday night.

Game time is 8 o'clock and a large delegation of Wildcat fans is expected to make the trip to Seymour.

Classes Announced for Lions Club Carnival

The Lions Club has been set for Tuesday and Wednesday, October 7, 8 and 9. A variety of rides and games will again be featured at this year's carnival.

A variety of rides and games will again be featured at this year's carnival.

Football Games Played Here Today Night

The Crowell seventh and eighth grade football teams will bounce back from their loss last week when they play the Panthers of Seymour at Dick Todd Field Thursday night.

Guilty pleas last week before District Judge Rex Sullivan Jr. of Quanah brought probated terms to two men involved in recent burglaries in farm houses. One man received a 7-year probated term and the other a 5-year probated term.

Sheriff Emmitt Howard said the third person allegedly involved in the burglaries is a juvenile and the case will be handled in county court.

Howard said seven recent burglaries of rural houses were solved with the arrests.

Band Boosters Will Meet Monday Night

The regular monthly meeting of the Crowell Band Boosters will be held next Monday night, September 18, at the band hall.

Band Booster President Baxter Gentry said the meeting will begin at 8 o'clock and he urged all interested persons to attend.

OFFICERS—Pictured above are the new officers of the Crowell Future Farmers of America chapter. From left are Hal Williams, secretary; Rocky Glasscock, vice president; Norman, FFA Sweetheart; Richard Naylor, treasurer; Allen Tapp, reporter; Ricky Hammonds, sentinel; and Don Welch, FFA advisor.

NEW SIGNS—Texas Highway department employees Richard Winters and Baylor Weathered, are pictured above as they erected new signs on the northeast corner of the square last Friday morning. The three signs have a blue background, and point the way for travelers to locate the local hospital.

Nursing School Starts

Facilities at Dick Todd Field Will Be Enlarged

The Crowell school board, at a meeting Tuesday night of last week, approved the payment of some \$7,000 in current bills which includes \$3,300 for the 28 windows bought and installed in the grade school building during the summer months.

The school has recently acquired the concrete blocks left over from the construction of the interpretive center at Copper Breaks State Park, and the board voted Tuesday to make an addition to the concession stand at Dick Todd Field.

A 12x26 foot addition will be made to the south end of the

concession stand and will contain two rooms. One of these will be a storage area for the concession stand and the other will be a new women's rest room. The work of construction will be done as time, material and labor permit. Preliminary work of taking down the fence and leveling the area got underway Monday.

The board okayed the tax roll for 1974 school taxes and noted that valuations are up slightly and now stand at \$11,750,552. The tax rate for the Crowell district is \$1.80 per \$100 and includes \$1.50 for local maintenance and 30c for interest and sinking fund.

LVN School Starts
Supt Larry Jones announced that the new Greenbelt Licensed Vocational Nurses School got underway here this week with five Crowell residents among the 20 enrolled: Martha Cash, Mildred McCurley, LaVerne Prince, Sharon Brown and Winifred Powers.

The LVN school, which is sponsored by the local school, has Mrs. Edith Roark and Mrs. Hazel Marlow as instructors. In other action, the board decided to purchase 58 more aluminum windows at a cost of \$7,400. The windows, when installed next summer will give the grade school a complete set of new aluminum windows. They will be installed by local school personnel.

ATTENDING TCU

Bette Sue Barry, daughter of Mr. and Mrs. Harold Barry, is back at Texas Christian University in Fort Worth for her junior year majoring in speech pathology.

Building New Home

A new three-bedroom, two-bath residence is now under construction for Mr. and Mrs. Billy Ray Dunn and family. The new brick home is being built in the southwest part of Crowell.

Wins Saddle

Steve Powers, son of Mr. and Mrs. Bill Powers of Midland and grandson of Mr. and Mrs. Dee Powers of Thalia, was presented with a saddle for winning reserve all-round cowboy at the West Texas Junior Rodeo Association finals held in Big Lake August 29, 30 and 31.

He was also named Mr. W.T.J.R.A. and was presented with a gold wrist watch and hand tooled breast collar. He was also presented with a silver belt buckle for winning reserve all around bronc rider of the year.

Named Service Manager at Vernon Auto Dealership

Billy Joe Halencak, who has been employed at Borchardt-Goodwin Chevrolet in Crowell since 1956, last week began his new duties in Vernon as service manager at Gordon Tidmore Chevrolet in Vernon.

A native of Foard County, Mr. Halencak is a son of Mrs. Frank Halencak and the late Mr. Halencak. He and his family live in Margaret and they are continuing to make their home there.

WSL To Sponsor Bake Sale September 21

The Women's Service League will sponsor a bake sale and grab bag event Saturday September 21 beginning at 6 p.m. in the city park, according to Mrs. Fern McKown, WSL president.

Mrs. Wilma Cates, grab bag chairman, announced that she would appreciate donations of articles that were no longer of use to their owners. Music is planned for entertainment during the evening.

TWIRLERS—Pictured above are the four twirlers for the Crowell High School Wildcat band for this year. From the left, are Carol Sue Scott, daughter of Mr. and Mrs. George Scott; Jana Russell, daughter of Mr. and Mrs.

Rusty Russell; Kathy Whitfield, daughter of Mr. and Mrs. Jesse Whitfield; and Molly Wisdom, daughter of Mr. and Mrs. J. C. Wisdom.

Longhorns Graze At Copper Breaks

The Longhorn cattle grazed contentedly on the short native grass along the edge of Devil's Canyon.

From a solid white to a deep red, they were a motley herd, looking very much the anachronisms they are just off to the east of Highway 287 13 miles south of Quanah.

The herd, one of the new additions to Copper Breaks State Park, moved to the park this summer. They are pastured on the field of cane planted near the entrance of the park and allowed to graze to the south off into the breaks of Devil's Canyon.

The Longhorns are excellent specimens of the breed of cattle that helped establish the mammoth Texas cattle industry. Al-

though the cattle are no longer part of the breeds used on modern ranches, their numbers are growing as more and more stockmen and governmental agencies try to preserve the historic cattle.

The largest of the herd at Copper Breaks stand almost six feet tall with curved horn spreads of five to six feet. The Longhorn was originally a Spanish cattle breed, brought over by the colonists in the 1700's from Andalusia and other provinces of Spain.

In time the cattle strayed from the ranches and developed a wild breed that by the post-Civil War days had multiplied and developed in the lush grasslands of the Texas plains.

The Longhorns are just another phase of development for Copper Breaks State Park. Although the park has been open officially for tourists since the first of 1974, improvements continue to be made.

This summer, Park Ranger Bob Martin and his staff built an amphitheatre for nature talks that will seat up to 70 persons, started work on a nature trail that will be completed this fall, built a children's stockade play area and added some concrete pits for fires at camping and picnic areas.

The Park's new Quanah Parker Interpretative Center is near completion on the eastern rim of the canyon while the new 60-acre Copper Breaks Lake is under construction at the mouth

of Devil's Creek and is slated for completion before the end of the year.

Copper Breaks had an estimated 500 visitors a week this summer but with completion of the lake and other facilities, attendance is expected to more than double.

The park is open year round. Annual permits may be obtained for \$5 for the park while a permit for all Texas parks may be obtained for \$12 a year.

Cotton Figures Down 1.6 Million Bales

AUSTIN—Latest cotton figures reveal that production has declined more than 1.6 million bales from last year and projected yield is 3.1 million bales, according to Agriculture Commissioner John C. White.

White said dry conditions throughout Texas are responsible for the heavy decrease, which also has hit grain sorghum and wheat.

Sorghum production is projected at 295 million bushels, a 122-million bushel decrease from 1973.

Wheat yields are down 45.8 million bushels from 1973's record 98.6 million bushel yield.

"These are the final production figures for the 1974 wheat crop, and they indicate just how badly some of the High Plains' farmers were hurt by the drought," White said.

Harvested cotton acreage has decreased almost eight percent to 4.8 million acres. Cotton being harvested is averaging only 305 pounds an acre compared to 431 pounds in 1973.

Harvested sorghum acreage is estimated at 5.9 million acres, a million acre decrease from last year. White said many dryland farmers were unable to plant because of lack of preplant moisture in the soil.

Prospects look brighter for corn and rice. Corn is expected to yield almost 70 million bushels and acreage is up 135 thousand acres. Rice production is projected at around 24 million pounds per hundredweight, a 15 percent increase over 1973.

LAW ENFORCEMENT

Of the 1,207 offenders known to have been involved in the killing of police officers during the period 1964-1973, 77 percent were arrested on some criminal charge before becoming involved in the slayings. Forty-two percent of the total offenders were previously arrested for a violent crime such as murder, forcible rape, robbery, assault with intent to kill, and so forth. Fifty-nine percent of the 1,207 offenders involved in police killings had prior convictions on criminal charges.

LAW ENFORCEMENT

Eight hundred fifty-eight law enforcement officers were killed in the line of duty from 1964 through 1973. Since 1964, firearms have been used by offenders to commit 95 percent of these police killings. Seventy-one percent of the weapons used were handguns.

Milestone For Railroad Progress

Santa Fe Railway has installed its 5,000th mile of welded rail, more than any other railroad, as part of an ongoing program of upgrading facilities. Regular 39-foot rail welded into lengths about 1/4-mile long at the railroad's welding plant at Amarillo, Tex., hauled to location aboard special rail trains. Other equipment then hoists it into place. mechanized spike drivers fasten it firmly. Ends of the long pieces are then welded together resulting in a solid rail interrupted only for switches and signal purposes. In addition to reducing a smoother, safer ride, elimination of the joints also eliminates nearly 114 million joints. The railroad expects it will have welded rail on all its principal routes within seven years, culminating a program that began with a 5-mile section installed in 1947 at Cedar Point, Kans. Coupling the rail program with replacing 1 1/2 to 2 million ties a electronic track checking equipment and routine maintenance procedures has produced a physical plant that enables Santa Fe to regularly operate freight trains at speeds up to 70

Official Memorandum

By DOLPH BRISCOE
Governor of Texas

AUSTIN, TEXAS

The right to vote is one of the most important rights guaranteed under our Federal and State Constitutions. The rights and privileges of citizenship cannot be valuably enjoyed unless each qualified voter accepts the responsibility to be a part of the decision-making process of our government. On May 1, 1964, in the State of the next General Election in Texas, and on this date all citizens of Texas will, by their vote, determine who shall hold their state, local and federal offices. In order to be eligible to exercise the right to vote in the next General Election, Texas first must register to vote with the Registrar (Tax Assessor-Collector) in their county of residence. To this end I am directing the Chief Elections Officer of the State of Texas, Secretary of State, Mark W. White, Jr., to work with all organizations, groups, and individuals to endeavor to have all eligible voters register, and

WHEREFORE, I, as Governor of Texas, do hereby designate the week of September 9, 1974 - September 21, 1974, as

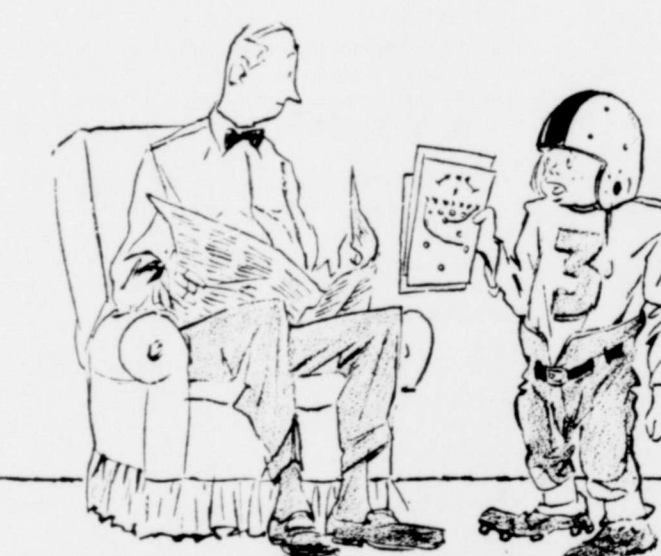

VOTER REGISTRATION WEEK

in Texas, and call upon all Texans who have not done so to register to vote in an effort to insure maximum citizen participation in the selection of officers of state, local and federal government.

In official recognition whereof, I hereby affix my signature this 12th day of September, 1974.

Mark W. White, Jr.
Secretary of State

Three Foard Delegates to Attend State THDA Meeting

by Sally Sowell
County H.D. Agent
Three delegates from Foard County will be traveling to the 48th Annual State meeting of the Texas Home Demonstration Association (THDA) in Amarillo September 17-19. Mrs. J. W. Cannon will represent Westside

Home Demonstration Club. Mrs. Clarence Garrett will represent Gambelville Home Demonstration Club, and Mrs. Allen Shultz will represent Riverside Home Demonstration Club.

Activities during the three-

day meeting will be workshops on delegates, publicity, citizenship, family life, 4-H, health, cultural arts and recreation, safety, and THDA itself.

Three women in government and education will address the state meeting. As keynote speaker Judge Lou Robinson of Amarillo will discuss the role of women in a changing world. Mrs. Wilmer Smith of Wilson, Texas will speak Wednesday morning. Mrs. Smith is a former president of THDA and currently is serving as a member of the Texas A&M board of directors. Mrs. Florence W. Low, assistant director, Texas Agricultural Extension Service, Texas A&M University System, will address the group on "Looking Forward with THDA."

The THDA was organized in August 1926 by 399 women attending a farmer's short course at A&M University. The primary purpose of organization was to establish a scholarship for a deserving 4-H club girl. This original scholarship of \$200 has grown to three given annually in the amount of \$500.

Just a reminder to all young homemakers...The Extension Home Economics Study Group will meet at 4:00 p.m. on Tuesday, September 17 in the county extension agent's office at the courthouse. Your help is needed at this meeting to plan this study group and to help organize this activity.

Researchers have found that when consumers say "flavor" they often mean sugar, said Agriculture Commissioner John C. White. Tomatoes, sweet corn, tangelos and many other products have been developed to suit the public's taste.

Over the past two decades the fat content of the average 220-pound hog carcass has been trimmed by about 20 pounds and replaced by lean, according to Agriculture Commissioner John C. White.

A big supply of stamp pads just received. All colors.—News office.

TURKEY AND VEGETABLES EN BROCHETTE

- 1-inch cubes of cooked turkey (4-5 pieces a serving)
- 1 tsp. ground ginger
- 1/2 tsp. monosodium glutamate
- 1 Tbsp. sugar or molasses
- 1/2 tsp. dry mustard
- 1/2 cup soy sauce
- 1/4 cup salad oil
- 1 clove garlic, minced
- 1-inch pieces small zucchini, unpeeled
- Strips of green pepper
- Cherry tomatoes

Combine ginger, mustard, msg, molasses, soy sauce, salad oil and garlic in glass or pottery bowl and allow to stand for 24 hours at room temperature. Pour over turkey and allow to marinate several hours in refrigerator. Drain turkey and thread onto skewers alternately with zucchini, green peppers and tomatoes. Brush with marinade and broil 2 inches above coals, brushing with marinade and turning often, until meat is sizzling hot and vegetables are cooked through. Brush once more with marinade and serve immediately. Serve with sweet potatoes.

Maggie Capps

Mrs. Olna Jacobs of Vernon visited Mrs. Maggie Capps Tuesday.

Mrs. Flora Short was dismissed from the Foard County Hospital in Crowell Wednesday after spending a few days there.

Roy Self and Mrs. Maggie Capps visited John Warren in the Foard County Hospital Friday morning.

Larry Swan and Miss Nancy Wiley of Lubbock spent the weekend with his parents, Mr. and Mrs. Glen Swan. A Sunday guest was Joe Laird of Iowa Park who filled his regular appointment at the Church of

Christ.

Mike Cates who has been employed in Austin for some time, has moved back to the home of his parents, Mr. and Mrs. T. R. Cates. Pat Cates of Lubbock was home also a few days last week. He attends Texas Tech and is employed at the Methodist Hospital in Lubbock.

Mr. and Mrs. Clyde Self visited his brother-in-law, Z. S. Mason in the Woods convalescent home in Vernon Friday. He had returned to the home after several days in the hospital. The Selfs also visited John Warren in the Crowell Hospital Sunday. John had been dismissed at the hospital and had purchased a residence in Crowell. He was in the process of moving in his new home when he suffered another fall and injured his hip again. He expects to be in the hospital several days.

Visiting the Oliver Hollands Friday night of last week were her daughter and family, Mr. and Mrs. Bob Martin of New Boston, Tex. The Martins also

visited his parents and Yvonne of Vernon.

Mr. and Mrs. Oliver Holland were accompanied by Mr. and Mrs. Jady Toole of Wichita Falls to San Antonio where they attended the wedding of Mrs. Holland's nephew, John Hugh Banister Jr. The Hollands and the Tooles then went to Utopia, Tex., as guests of Mrs. Holland's brother, John H. Banister and wife on their ranch in that area.

Mr. and Mrs. Eudale Oliver of Aransas Pass and Thalia and their son, Leon, of Abilene are here for a few weeks stay. They have been visiting Mr. and Mrs. Ralph Shultz, Mr. and Mrs. Roy Shultz and other relatives in Vernon. They also visited Mrs. Clara Veteto in Vernon Sunday.

Weekend visitors of Mrs. Flora Short and Mrs. Ruth Ellen McBeath included Mr. and Mrs. Bennie Short and son of Kinsley, Kansas, Mr. and Mrs. Fred Glover and sons and Mrs. Mary Jo Veal and baby of Crowell. The Bennie Shorts

were in the area to visit her father at Goodlett, who had suffered a broken hip resulting from a kick by a horse. He was to have surgery Monday.

Mr. and Mrs. Red Hudgens of Olney spent the weekend with Mr. and Mrs. Jesse Moore and other relatives.

Ray Hudgens and son, Roy of Dallas, spent Friday night with his sister, Mrs. Jim Moore and Bob. Bob has been incapacitated several days with a fractured leg suffered while

LAW ENFORCEMENT EMPLOYEE DATA

In 1973, there were employees (sworn) per 1,000 inhabitants United States. This remained unchanged 1971. During this population has increased percent.

Reddy's consumer tips on lighting

Edison's light bulb has come a long way since it first lit the night in 1879; today, lighting is such a natural part of our life we hardly give it a thought. But the fact is, the more thought we have in how we can use light, the more attention we should pay to how we buy and use light bulbs and lighting fixtures. Pay attention to the following Reddy's money-saving energy-conserving lighting tips:

CARE FOR LIGHTING EQUIPMENT

Dust and dirt alone cause substantial losses in the amount of light produced. Systematic cleaning is important. Clean lamp bulbs (when they are cool) with a cloth.

LESS IS MORE

Generally, you'll get more light for your money if you use the least amount of bulbs that give the light you need. For instance, one 100-watt bulb gives more light than three 40-watt bulbs—and costs about one-third less to buy and replace.

READ THE LABEL

Speaking of "lumen," you'll find that all light bulbs have ratings on their packaging. They tell you what the light bulb's performance of the bulb is. They tell you how much electricity needed to produce that light "bulb life" is the estimated length of time it will take the filament of the bulb to burn out. Brightness is more important than bulb life—for reading, studying, working—choose the "standard" bulb that gives you the most light for its wattage.

Remember, Reddy supplies the energy, but only you can use it wisely!

Somebody's trying to take something that belongs to you.

Right here in Texas

In fact, somebody's trying to take something that belongs to all of us: freedom of speech. Somebody's undermining your right to communicate, to listen, to have all available information on a given subject.

Somebody's trying to tell certain Arkansas companies they may not advertise their services.

But advertising is just another word for communication. It is public information; it gives you a choice. It encourages new and better ways of doing things and helps continue the development of newer, better and more economical consumer goods.

Now, however, the right of certain Texas companies to communicate with their customers is in danger. This could ultimately have more far-reaching effects on free speech as we know it.

Right now, we want you to think very long, very hard and very deeply about advertising and about the good it does in America. We want you to think about its effect on business, on your own entertainment, on radio, television, newspapers and magazines, on your right to know.

We want you to think about the effect advertising has on your company's sales, and how the sales of your company affect your own life-style.

Right now, we want you to think very long, very hard and very deeply about the issue of free speech. Then we want you to write Governor Dolph Briscoe, State Capitol, Austin, Texas 78711, and your legislators and your friends and tell them how you feel.

The ball is in your hands. It's up to you not to drop it.

Advertising is everybody's business.

This ad appears as a public service of this newspaper.

Ray Farabee to Speak at Austin Caucus

Ray Farabee, Democratic nominee for the Texas Senate, will be the featured speaker at the 30th district caucus in Austin. Delegates to the Texas Democratic Convention from the 29 counties in the 30th district will meet on Monday, September 16 at 4:30 in the afternoon. Primary interest of the delegates at that meeting is expected to center on the election of a district committeeman. A three man race has developed and voting on that position will take place during the Monday caucus.

Candidates for the committeeman post are Lynn Darden of Wichita County, Elmer Parish of Wichita County and Charles Stenholm of Jones County.

Foard County delegates to the Democratic convention are Robert Kincaid and Ray Shirley. Alternates to the Austin meeting are Thelma Garrett and Virginia Shirley.

SCHEDULE
 Tuesday—Sept. 10, FHA.
 Thursday, Sept. 12—Seymour, here, 7 and 8th grade and JV, at 5:30.
 Friday—Sept. 13, Crowell plays Seymour, (There) 8:00.

SYMPATHY
 The students of Crowell High School would like to extend their sympathy to Kim and Pat Norman upon the death of their grandfather, Thomas Hughston.

PREDICTIONS
 The past few weeks, many people have made predictions concerning catastrophes, world rulers, football victories, and other such important matters. Now it is time to see what is in store for Crowell High School students and teachers. The great prophet, Jan Trixon, has made the following predictions.
 1,752 wads of gum will be found on the seats in study hall.
 1,752 gum wrappers will be discovered in study hall desks and library shelves.
 Mr. Wall will tell 49 boys and 1 girl to get their hair cut.
 34 students and 3 teachers will be struck by flying paper wads in the class rooms.
 Approximately 250 pairs of hose will be ruined by the chairs in the home ec cottage and 439 finger nails will be broken in typing class.
 Jan also sees a very happy occasion for the seniors sometime in May, but she can't quite figure out what it is...

called a class meeting in which we discussed the making of spirit signs for the football games. Then he suggested that committees be formed to make the signs.

The sophomore football players are Timmy Christopher, William Bachman, Fred Gray, Steve Criss, Jerry Daniel, Audy Dunham, Rocky Marlow, Erwin Jackson, Gilbert Torres, Norman Hopper, Carlos Hudgens, Ramiro Quintero, Ricky Coleman, Tommy Tamplen, Lloyd Smith, and Daniel Field.

In World History, we have been studying the stone age and river valley civilizations. This class is very interesting because we discuss the discoveries archaeologists have found about these primitive men and their culture.

Several sophomores signed up for the PSAT-NMSQT test which will be given in October.

We are really busy painting signs and raising spirit for the game against Seymour. Classes are competing for the spirit stick and it looks like we've got some real competition.

FRESHMAN FROLICS
 The boys in VA I have been learning to figure depreciation for the past week. In English Mrs. Halbert finally issued our workbooks. Now with football season underway, the Freshman are having fun making signs. Everyone was excited Friday night as the Wildcats took on Quannah for the first football game of the season. Freshman say "Sock Seymour."

SPANISH CLUB NEWS
 With the start of school comes the reorganizing of clubs and the Spanish Club was no exception. Wednesday we had our first meeting of the year and elected officers.
 Serving as Spanish Club officers for 1974-1975 are Jackie Brown, president; Chavelo Ranjel, vice president; Sylvia Quintero, secretary; Bernie Greening, reporter; and Arthur Cerda, treasurer.
 Plans for a fiesta were discussed before the meeting was adjourned. Thus ended the first meeting of the Spanish Club. "Hasta la Vista".

SPORTS
 Hey all you Wildcat fans—Stand up and clap your hands. The first clap is for Sparkman for our first TD. The second clap is for Bell who ran the second TD. The third clap is for Tapp, for his pass interception, took advantage of and ran it over the goal. The fourth clap will be for Bell's three extra points and field goal. The last clap is for the rest of the team because without them blocking, no one would run across the goal. Now lets clap for the other team members and manager: Hammonds, McDaniel, Prince, Williams, Rodriguez, Ranjel, Frater, Daniel, Swan, Halencak, B. Halencak, Glover, Glasscock, Naylor, Myers, Finley, Hopper, Bachman, manager Leslie Nichols. Now add up the TD's and the score was 24-0 over Quannah.
 This week Junior Varsity plays Seymour here on Thursday. Varsity travels to Seymour Friday. So Wildcats, let's pickle those Panthers.

CAFETERIA MENU
 SEPT. 16-20
 Monday—Sloppy joes on bun, French fries, tossed salad, peaches and whipped cream, milk.
 Tuesday—Pinto beans, Spanish rice with beef, turnip greens, corn bread, pear half with graham cracker, milk.
 Wednesday—Hamburger steaks with gravy, creamed potatoes, green beans, celery stick, jello with fruit, rolls, milk.
 Thursday—Fish with tartar sauce, macaroni and tomatoes, English peas, carrot sticks, butter cake, rolls, milk.
 Friday—Hamburgers, lettuce, tomatoes, onion slices, pickles, French fries, fruit cobbler, milk.

Wild Horses, Burros On Increase

Wild horses and wild burros are far from being a vanishing breed, reports the U. S. Departments of Agriculture and Interior.

A report on the Wild Free-Roaming Horse and Burro Act indicates that the number of animals using public lands is substantially greater than had been reported prior to passage of the act in 1972.

Data available in 1971 indicated there were approximately 17,000 wild horses and 10,000 wild burros on lands administered by Agriculture's Forest Service and Interior's Bureau of Land Management.

Today it is estimated that there are 27,000 wild unbranded and unclaimed horses and 14,000 burros grazing on public lands. Another 17,000 horses and 100 burros have been claimed as privately owned.

Expanded efforts to locate wild herds, improved inventory methods and population growth were given as the reasons for the increase.

Canned Biscuit Is A Honey

Dip refrigerator canned biscuits in 3 tablespoons honey and 2 tablespoons melted butter which have been whipped together. Then dip in 1/2 cup corn flake crumbs and 1/2 teaspoon cinnamon. Bake at 400 degrees 20 minutes. For additional recipes write Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

Doubleknit "corduroy" which is designed to look like the traditional woven cord material, has all the advantages of a knit fabric.

Labor Day weekend with their parents and grandparents, Mr. and Mrs. Pat McDaniel.

SCHOOL'S OPEN DRIVE CAREFULLY

AAA

SENIOR SCENE
 A senior class meeting was held last week and committees were assigned to make signs for the football games. Everyone is reminded to make their signs and have them put up before each game.

Representing the senior class as cheerleaders are: head cheerleader Karen Statter, and Barbie Scott. Mascot is Rita Hodges. Jana Russell is the senior twirler and Arthur Cerda is the CHS Band drum major. Seniors in the band are: April Werley, Steve Setliff, Karen Statter, Barbie Scott, Dwain Crosby, Adrian Martinez, Gary Glover, Lisa Halencak, Jana Russell, Arthur Cerda, and Jacquelyn Brown.

Friday night the Wildcats travel to Seymour to take on the Seymour Panthers. Lets all go and give our support to the Wildcats. Seniors say "Pulverize the Panthers!"

SENIOR SPOTLIGHT
 Robert Dolan Brown is in the senior spotlight this week. Bob is the son of Mrs. Sue Brown. He is 6 feet tall, has black hair and green eyes. His favorites include: food, Mexican; color, blue; song, "Shining On"; actor, John Wayne; actress, Ann Margaret. His hobby is golf and his favorite subject is Vocational Agriculture.

Bob was elected "Guy" his freshman year, reporter for FFA his junior year and is vice president of the senior class. He attends the Church of Christ. His future plans are to attend college.

JUNIOR JIVE
 This has really been an exciting week for the juniors, selling magazines, the pep rallies, and football games. The magazine sale will last until this weekend, so be sure and help the juniors by purchasing a magazine or two.

This year's junior cheerleaders are Pam Whately and Kim Norman. Juniors in the pep squad are Betty Collins, Christy Shirley, Vickie Tole, and Kathy Sparkman.

The Wildcats play Seymour Friday night. So let's all go to Seymour and show the Wildcats that we are behind them all the way. Juniors say, "Pounce the Panthers."

SOPHOMORE SCOOP
 Monday, the sophomores were overcome by a feeling of lassitude when they found out they had several tests the next day!

In English, we are studying the usage and structure of sentences which seems to be an onerous lesson to understand. Tuesday, William Bachman

LAW ENFORCEMENT
 One hundred twenty-seven local, county, and state law enforcement officers were killed due to criminal action during 1973. One hundred twelve local, county, and state law enforcement officers were slain in 1972, 126 officers in 1971, 100 officers in 1970, 86 officers in 1969, and 64 officers were killed in 1968. In addition, three Federal officers were slain during 1973 and two Federal officers were slain in 1972. There were four police officers killed in Puerto Rico during 1973 and two in 1972. During 1964-1973, 96 percent of the police killings were solved.

BRUNSWICK, GA., GLYNN REPORTER: "Once the freest, most independent people on Earth, we Americans seem more and more to meekly accept any regulation, rule, regimentation, order, etc., that our all powerful, socialistic, big brother type, bureaucrats hand out, no matter how arbitrary, capricious or unreasonable."

NEWSPAPER CARRIERS, YOU LEAD THE LEAGUE!

says the great Detroit Tigers star, Al Kaline. And Al knows something about league-leading—he's tops among active American league players in number of games and number of hits, and second in six other hitting categories.

As he entered this season Al was closing in on the 3,000-hit mark, which has been attained by only 11 players in baseball history—nine of them already in the Hall of Fame. But between his at-bats, he has time to pay tribute to America's newspaper carriers on the occasion of Newspaper Carrier Day 1974.

"It takes steadiness to be a good ball player," Al says. "You've got to be in there all the time, working hard, giving it all you've got. And that's exactly what your newspaper carrier gives you—steady performance every day. That's why these young folks are tops in my league!"

Carriers are tops in the U. S. Savings Bonds thrift league, too. Through the years they've supported the program, and thousands of them buy Bonds regularly out of their earnings. Many of them do it through Newspaper Carriers Thrift Clubs, saving dollars aside each month for college expenses or other important needs. They believe in their country's future and their own. That's what buy Bonds is all about.

Won't you join Al Kaline and the Treasury Department in a big "thank you" to your own and all of our country's newspaper carriers? It's their job in the sun—Newspaper Carrier Day 1974!

COLUMBIAN CLUB HAS FIRST MEETING OF YEAR

For the first meeting of the new club year, the Columbian Club met in the housing authority Wednesday, September 4, with the president, Mrs. Allen Shultz as hostess. After a rather lengthy business session, the roll call was answered by all telling of their activities since the club adjourned for the summer. This proved very entertaining as the activities ranged from canning, freezing and pickling everything available, to vacations in various parts of the United States, family reunions and attending the weddings of grandchildren, to welcoming the arrival of a new granddaughter.

Next meeting is September 18 with Mrs. Homer Black. Mrs. Shultz served refreshments to 12 members.

FORD REUNION

The eight living children of the late Mr. and Mrs. J. R. Ford met Aug. 16-18 at Lake Greenwood Christian Retreat at Brownwood for their three-day reunion.

Attending were Bertie Bell of Yucaipa, Ca., Robert Ford of Stratford, Mo., Mack Ford of Orange, Oran Ford of Thalia, Bill Ford of Cheyenne, Wyo., Lela Nolen of Odessa and Gertrude Hogue of Brownwood. Also Mrs. Bill (Henrietta) Ford and daughter, Lisa, of Cheyenne, Mrs. Texas Ford of Thalia, Mrs. Robert Ford of Stratford, Mo., Mrs. Mack Ford of Orange, Jim Nolen of Odessa, Marvin Hogue of Brownwood, Mr. and Mrs. Bill Isaac of Odessa, Joe and Ann Ballard and daughters, Julie and Susie of Odessa; R. E. and El Lea Hensley of Levelland, Sandy Martinez of Post, Tonie Allen of Temple, Hope Bell and Stella Brown of Lubbock, Denzil Ford and son, Mike, of Orange, Race and El Frances Higgs, Virginia Cleghorn of Dallas, Maxine Callaway of Duncanville, Thelma Garrett, Audrey Coffey of Crowell, Barbara McDougal and son, Wayne, and daughter, Shirlin, of Brownwood, Preston, Rhonda, Eddie, Jim and John Bowman of Midland, Mrs. Joe Emerson and son, Robert, of Buna, Vina White and son, Chris of Vidon; James Robert Ford III, James Robert Ford IV, and John Gordon Ford of Cheyenne.

Next year the family will meet the second Sunday in August at the Amarillo park.

CLUB TO MEET

The Riverside Home Demonstration Club will meet in the home of Mrs. John S. Ray September 18 at 2:30 p.m.

Field Day Is Set at Knox City SCS Materials Center

A field day and tour will be held at the Soil Conservation Service plant materials center at Knox City September 18, State Conservationist Edward E. Thomas announced last week.

Tours of the center, which serves Texas and Oklahoma, will be held from 8:30 a.m. to 3:00 p.m.

Boll Weevils Are Damaging Cotton

The latest insect report issued by Emory P. Boring, area entomologist, dated September 2, states that boll weevils are

causing 10 to 50 per cent square damage in dryland cotton fields in Foard County. Mr. Boring added that in Wilbarger County, 30 to 80 per cent square damage from boll weevils is reported in irrigated and dry land cotton.

HD Agent Is Rotary Speaker

Miss Sally Sowell, Foard County Home Demonstration Agent, said children are the greatest resource of any community, when she was the featured speaker at the Rotary Club meeting Wednesday, September 4.

She cited four requisites which children need: a sense of security, self-respect, a sense of values and recognition of abilities and accomplishments. She compared these four with teachings of 4-H, a program of which she has a vital part in Foard County. She was introduced by Rotarian Joe Burkett.

Visitors were student guests Hal Williams, Allen Tapp and Ricky Hammonds.

This Area Provides Tons of Salt for Red River

A volume of salt solids equivalent to the size of the Empire State Building moves down the Red River from our area each year. This can be reduced by about 80 percent by the Red River Chloride Control Project. This was recently explained at meetings in Childress and Vernon by the U.S. Corps of Engineers. Ten sites are being considered for control measures. One in Oklahoma, Nine in Texas with five in or joining the Four Winds RC&D Project area. A cost of \$200 million is estimated to complete the entire project. The Wichita and Pease River projects are designed and ready for construction. Funding for these two river projects is expected soon.

Local landowners within the area will benefit from the structures as well as users of water down the Red River. Water from the rivers would be available for more industrial and residential use. Removal of chlorides would reduce first cost and maintenance cost for industrial plants or municipal water systems using water from the streams. Water for irrigation would provide better crop yields and add additional acres to be cultivated. Land adjacent to the streams and reservoirs would increase in value for agriculture, industrial, recreational, and residential purposes.

RC&D funds could be used to construct reservoirs along our streams after the chlorides were removed. One-half of the construction cost for recreation and wildlife uses could be furnished. Additional storage for industrial or irrigation would be paid for by the local people. An irrigation system to distribute the water from such a structure could be cost-shared by RC&D funds.

GAMBLEVILLE H.D. CLUB

The first meeting of the new calendar year of the Gambleville Home Demonstration Club was held in the home of Mrs. Dink Woods Friday afternoon, with the president, Mrs. James Sandlin, presiding. Mrs. Clarence Garrett served as secretary and treasurer in the absence of Mrs. Elton Carroll. Gift of friendship was given by Mrs. Woods for opening exercise. Mrs. David Scott gave "September", and asked each member to tell something interesting they did this past summer. Roll call was answered by 14 members and one visitor, the agent, Sally Sowell. Dues, fines and birthdays were paid. The new yearbooks were filled out for the new year. Mrs. Henry Johnson was introduced as a new member. Other new members present were Mrs. Clint White, Mrs. Dink Woods and Mrs. Warren Haynie. The hostess gift was drawn by Mrs. Haynie.

Junior Leaders Have First Meeting of Year

The Foard County Junior Leaders met Thursday, September 5, for their first meeting of the year and the following officers were elected: president, April Werley; vice president, Connie Werley; secretary, Jacquelyn Brown; reporter, Sulema Santos. Boy delegates are William Bachman and Richard Naylor and girl delegates are Ruth Stone and Jana Glover. Kathy Whitfield, song leader, will be assisted by Rocky Marlow and Paul Whitley and the pianist, Carol Sue Scott, will be assisted by Kathy Whitfield.

Sally Sowell and Joe Burkett served refreshments to 40 members. Next meeting will be Sept. 19. Jacquelyn Brown will bring the program and hosts will be Rocky Marlow, William Bachman, Erwin Jackson and April Werley.

Mrs. Edna Sanders Represents Foard County on Committee

The newly-formed Advisory Committee on Aging for Nortex Regional Planning Commission met Wednesday, September 4, in the Reddy Room of Texas Electric Service Company in Wichita Falls.

Representing Foard County on the Committee is Mrs. Edna Sanders of Crowell.

Ed Daniel, Executive Director of Nortex, explained the role of Nortex Regional Planning Commission and Kathy Scheid, Aging Coordinator, discussed what the Committee's objectives would be for the first grant year.

Nortex is working with an approximate \$50,000 grant from the Governor's Committee on Aging. With \$30,000 of this amount, Nortex will be contracting to provide information, referral and follow-up services for the 12-county region. Information concerns the help available to persons 60 years of age and older as to social, financial, and health services, with referrals made to the proper agency or individual where needed and follow-up to ensure that the client has made contact with the agency. Future meetings will be held the first Wednesday of every month at 2:00 p.m. in different locations in the 12-county region that Nortex covers.

CARD OF THANKS

I want to express my thanks to Dr. Stapp, the Crowell hospital and nurses, for the good care I received in the hospital. Also, I want to thank the ones who visited me, sent cards, flowers and the many prayers said for me.

Mrs. Bill Cox,
11-1tc

When planning a trip, arrange a schedule which considers your child's regular meal and bed times.

W. R. WOMACK FUNERAL HOME

Livestock producers, seed dealers, sportsmen, and others interested in the search for improved plants are being invited to attend.

Paul Kramer, director of the Texas Forest Service, will speak during the field day.

New grasses, forbs, legumes, shrubs, and other plants under evaluation at the center will be discussed during the day. Some 1,500 strains of more than 300 different plants are being grown at Knox City.

Chief goal of SCS plant materials work is to find new strains of grasses, legumes, forbs, or shrubs that will solve specific conservation problems. Since livestock and wildlife co-exist on the same land, the search extends to those which have values for both livestock and wildlife. Such plants are needed for use in range seedings, travel lane plantings, or other uses.

Plants are also being sought which will thrive on high saline soils as well as those which will prevent wave action damage on shorelines.

Strains which appear promising at Knox City are then grown and evaluated under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections which prove superior to other plants available commercially are then released by conservation districts to seed growers. These producers then grow seed and sell it to the public.

Grass strains proven and put into use by SCS include Mason sandhill lovegrass; Selection 75 kleingrass, El Reno, Uvalde, and Vaughn sideots grama; King Ranch bluestem; green sprangletop; and Greenville switchgrass.

Crowell Native Died

Clyde Steve "Chick" Johnson, 66, a native of Crowell, died Tuesday of last week in a Childress hospital following a long illness. Funeral services were held Thursday in Childress with interment in the Childress cemetery.

Johnson was born Feb. 24, 1908, in Crowell and moved to the Tellico community when he was 4. He moved to Childress in 1963 and retired from farming in 1971.

He is survived by his wife, three brothers, and five sisters.

Lots of Married Women Work in Jobs Covered by Social Security

About 40 percent of married women now work in jobs covered by social security compared to 30 percent in 1960, according to Terry Clements, social security representative in Crowell and Foard County.

Almost 19 million married women have jobs outside their homes compared to 12 1/4 million in 1960, according to the U.S. Department of Labor. Nine out of 10 jobs are covered by social security.

MOVILLE, IOWA, RECORD:

"Money is one of the necessities of life because it is the medium of exchange. The value of money lies not in what it is, but in what it can do. Money is the worker's reward. For his labors in the field or factory, he receives money to buy the food, clothing, shelter that keep his family happy and healthy. If anything, this is an important part of the 'system'—that individual effort is properly and justly rewarded."

30 Years Ago in The News

News items below were taken from the Thursday, September 7, 1944, issue of The Foard County News:

The 1944-45 term of school for the Crowell Independent School District opened Monday morning with a short program in the high school auditorium. A large number of patrons and friends of the school were present.

The Crowell High School football team has a new coach for the first time in eighteen years. Harold Wilkinson of Frederick, Ok., a former Vernon High School star and player on the Southwestern Tech college team, will be the new mentor. Grady Graves, who has coached the Wildcats for the past 17 years, has assumed his new duties as superintendent of Crowell schools, replacing I. T. Graves, who went to Floydada in the same capacity.

The second issuance of sugar for the purpose of home canning is now available, it was announced yesterday by the local rationing board.

Mrs. Darwin Bell and children Karl and Carol, visited her sister, Mrs. W. L. Morgan, and family of Floydada last week.

Mr. and Mrs. J. C. Prosser and daughter, Patricia Ann, spent several days last week visiting in Fort Worth.

Born to Mr. and Mrs. Fred Riley Borchardt, a boy, James Riley, in the Vernon Hospital, August 28.

Mr. and Mrs. Adrian Thomson moved to Paducah Tuesday where they will make their home.

The teachers of the Crowell schools and the members of the school board and their wives were entertained with a delightful dinner party at the grammar school building on Monday night with the delicious steak dinner having been prepared and served by the staff of the school cafeteria. Supt. and Mrs. Grady Graves were hosts for the dinner.

Texas, the birthplace of the American petroleum industry, is producing oil at a daily rate of about 2,110,000 barrels which is enough to meet the war demands for approximately 1,750,000 barrels daily and still have some left over to help supply civilian needs.

Mr. and Mrs. W. L. Johnson and family returned home Friday after a visit with relatives near Jacksboro. Mrs. J. W. Mills returned home with them for a visit in their home and with Mrs. G. G. Mills and son, Marcus.

Mr. and Mrs. Joe Bledsoe have returned home from an extended visit with relatives at Lawton, Ok.

Ask the Marinship Man at the United States Employment Service in Vernon about work at Marinship Sausalito (San Francisco), Calif. Good wages. 54-hour work week. Get paid for 61 hours per week.

Pvt. James Milton Cooper of the U.S. Marines, who has finished his basic training at San Diego, Calif., is at home on a ten-day furlough visiting his parents.

LETTER TO EDITOR

Dear Bill,
Thought I'd better let you know we have moved to Kaufman. Sure would hate to miss an issue of the Foard County News. It's the only way we can hear about our friends. I am a sewer superintendent here at Kaufman. We like it fine. Grace still works for Texas Color Printers in Dallas. She drives back and forth each day. Say "hello" to everyone in Foard County for us. Best Wishes.

Hoot McLain,
Kaufman, Texas.

CARD OF THANKS

I would like to thank everyone for the flowers, gifts, cards, and visits while I was in the hospital and a special thanks to Dr. Stapp and Dr. Orr and all the nurses and nurses aides and the prayers for me and my grandson, Justin Doyal, who was so very sick. God bless each and everyone.
Pearl Stermer.
