## WILDCATS HOST POWERFUL KNOX CITY FRIDAY NIGHT

Two of the powerhouse teams of District 7-A this year, Crowell and Knox City, will battle it out in the second district football game of the season for both teams, at Dick Todd Field Friday night. Game time is 7:30

p.m. and a large turnout of football fans is expected to be on hand.

Knox City crushed Munday last Friday night 58-0 for its only district game. The Greyhounds are 6-0 for the season and will

be trying desperately to keep their string of victories alive. Meanwhile, the Wildcats, who have lost one game, a rain-soaked battle to powerhouse Memphis, will be doing their best to chalk up another District 7-A win.

Both teams will also be keeping in mind that Aspermont, another undefeated team in this district, crushed Haskell 26-6 last Friday night. Both Crowell and Knox City have to contend with Aspermont and Haskell later in the season.

The Wildcats suffered no disabling injuries in the Paducah game last week, Coach Printiss Gidney said Monday, and he expects the Cats will be in good physical condition for Friday night's game.

In looking over the Knox City lineup, Al Bateman was the big gun in KC's game last week as he rushed for 195 yards, scored three touchdowns and passed 2 times for a total of 84 yards, one of which was for a TD. Also scoring for the Greyhounds last week were Dale Bloxham, Jerry Stamps, Joe Huff and Joey Swain.

All in all, it looks like a fine game coming up for Friday night and probably a record crowd for the season will show up if the weather cooperates.

## Farmers Union to Have Annual Meeting Sat.

The annual membership meeting of the Foard County Farmers Union will be held Saturday, October 26, at the community center in Crowell, Eldon Whitman, president, announced last week.

General admission tickets for the Crowell-Knox City football game are now on sale at the office of J. H. Gillespie, school secretary, in the court house.

School officials are expecting a large turnout for this big game at Dick Todd Field Friday night, and they hope that many local and area residents will avoid the long line of ticket-purchasers tomorrow night by buying their tickets before then.

Adult tickets are \$1.50 each and students 50 cents each. There are no reserved seats in Wildcat stadium and these tickets are general admission.

## Long Distance Phone Service Is Disrupted

## City Council Seeks Information from Middle Income Families

At a regular monthly meeting of the Crowell City Council Tuesday night of last week, it was voted to employ Johnson & King of Vernon to make the annual audit of the City.

In other action, the board agreed to grant permission to the Foard County Historical Survey Committee to lease the old City Hall on North Main Street as the site for a museum for Foard County. Another resolution passed by the Council set the price for the City land in the Margaret community which is presently being sold by the

City to an individual.

An ordinance was also passed which will prohibit solicitors from working in Crowell without first having obtained a permit from the City.

Joe Bill Pierce of Midland, architect who drew up the plans for the Housing Authority units built south east of the square, met with the council and explained a new program presently available to provide housing for "Moderate income" families. Differing from the low rent units, these units must be rented for enough to repay the

loan which can be obtained from the Farmers Home Administration at a low interest rate. They will be one- and two-bedroom units. The Council is having printed in this week's paper a rental housing survey. All area residents who would be interested in new housing are urged to fill out this form and either take it or mail it to the City of Crowell. If enough interested persons respond, the council can proceed further but if insufficient response is noted the study of the program will be dropped.

**DAILY DILLIES**  
 Congratulations to the football team. They beat Paducah 51-15 in the district opener last Friday. They take on the Knox City Greyhounds this week. This will be one of the area highlight games of the week. Good luck, Wildcats!

Some of the football players, cheerleaders, and fans predicted scores for the Knox City game. Everybody picked Crowell as the winner. The predictions were:

Dwain Crosby, 6-0; Randy Prince, 21-0; Allan Tapp, 16-0; Karen Statser, 23-7; Steve Setliff, 28-21; Bob Brown, 22-7; Pam Whitley, 24-12; Jackie Brown, 14-6.

Photographers from Blunk Studios in Clinton, Ok., came to school last Thursday to take pictures of students, teachers, and school board members. Everyone is sure that their pictures are bad, but at least one broke the camera.

Hurry! There are only 51 more shopping days until Christmas.

**SOUTHERN ASSEMBLY**  
 Last Friday at 1:30 the world-famous Waltons family from Belgium came to our school to demonstrate their outstanding athletic prowess and unique acrobatics.

Their young and vivacious daughters amazed everyone with their unusual agility and great sense of balance. As a real show-stopper, they reflected their enjoyment of the excitement and labors which they shared with their parents.

This was an exceptional program, bringing together the athlete and entertainer. Their hair-raising feats astonished everyone and entertained all.

Keith's favorite sports are basketball and football. His favorite player is O. J. Simpson of the Buffalo Bills, which is also his favorite team.

Randy Prince is the son of Mr. and Mrs. Denny Prince. This 150 pound senior is 5' 10" tall, and is Crowell's varsity quarterback. Although Randy's favorite sports are basketball and football; he is an all-round athlete. He has participated in football, basketball, track, tennis, and volleyball every year through high school. Last year, Randy made all-district in football, basketball, and track, and went to regional in track for his third year.

Randy's favorite pro team is the Green Bay Packers, and his favorite player is John Brockington of that same team.

**SENIOR SCENE**

The full impact of being seniors has finally been realized by the seniors when pictures were made last Thursday. The proofs should be in by next week (hopefully.) Everyone is patiently waiting for these, hoping they turn out all right.

Our school work has been getting progressively harder and more interesting. In civics we are studying the formation of our government, the civil rights, and the constitution as a whole. English IV has started composition and everyone is busy writing and giving oral reports. The Home Ec III and the consumer education classes have both started to sew. Everyone is kept busy doing homework, plus all the other activities the school offers.

The Student Council met and set the date for Spirit Week as Nov. 4-8. The spirit queen will be crowned at halftime of the Crowell-Munday game.

The Wildcats deserve a hearty congratulations for their victory over the Paducah Dragons. This was the first district game and the Wildcats looked really good. This week the Cats host the Knox City Greyhounds. This should be an interesting game, so let's all go and support the Wildcats! Seniors say "Leash the Hounds!"

**SENIOR SPOTLIGHT**

David Cowdry is in this week's senior spotlight. David, who is 17 years old, is the son of Mrs. Mary Wiggins. The 5'6" senior has brown eyes and red hair. David previously attended Tulia High School. He attends the Baptist and Assembly of God Churches.

David's favorites include food, hamburgers and French fries; color, blue; song, Country Bumpkin; hobby, riding around town; and subject, civics. David is a member of the Journalism Club. His future plans are to go to college or go back to Tulia and start farming.

**SENIOR SPOTLIGHT**

Dwain Crosby, son of Rev. and Mrs. M. L. Crosby, is in the senior spotlight this week. He is 17 years old, is 5'11" tall, has brown hair and brown eyes. Dwain has previously attended Flour Bluff High School for one year. He attends the Free Will Baptist Church. His favorites include: food, shrimp; color, green; song, Crowell School song; actor, Jimmy Cagney; actress, Patty Duke; hobbies, writing, listening to music and reading; subjects, English or band.

He has also played tennis for three years.

Dwain's future plans are to attend Hillsdale Free Will Baptist Bible College and major in master theology.

**JUNIOR JIVE**

This is your friendly neighborhood gypsy. We are pleased with the results of the daydream box. It is very interesting to hear what juniors daydream about. Here are some we would like to share with you!

I dream about:  
 Betty Collins—Mr. Hobson, but mainly a butcher.

Kim Norman—I don't know.  
 Tammy Glover—A white Chevy custom deluxe pickup.  
 Duane Daniel—No comment.  
 Teri Evenson—rodeos and yellow daisies.

Staci Garrett—My bull rider.  
 Vickie Pharis—boys.  
 Connie Werley—A certain boy.

Sylvia Quintero—I don't even think.

Sulema Santos—Guys.  
 Thanks for your day dreams. The juniors say: "Ground the Hounds!"

**SOPHOMORE SCOOP**

To many sophomores English II is a battlefield called "Compositions."

Paragraphs run around trying to shoot each other with sentence-fragment guns. When you walk into the class, a hand grenade with "Sentence" written on it comes flying through the window and explodes. Past tenses and direct objects are thrown all over the room.

You fall to the floor, but it is made of moving verbs. You sink it!

You reach for a rope called "conjunction."

To the end of this rope is tied a dependent clause, which breaks off at the ceiling.

You wonder if you are going to be taken to the participle's office.

You get off your comma and race to your next class period.

**FRESHMAN FROLICS**

Thursday we had our pictures made for the annual. Everyone looked so nice that day. Last Friday we also enjoyed our first Southern Assembly program of the year which was an acrobatic show, presented by the Waltens, a family from Belgium. We would like to congratulate the JV on a victory over Paducah 7-0. We would also like to congratulate our Wildcats Varsity team on the victory over Paducah 51-15. The Wildcats will be playing Knox City here, this week and freshman say, "Shock Knox City."

**FFA NEWS**

The Crowell FFA Chapter held its first meeting Monday night. Hal Williams presided over the 47 members in attendance. The ceremony and initiation for receiving Greenhands was performed by the officers and 20 freshman became Honorary Greenhands. Plans for the FFA-FHA hayride were also discussed. Refreshments were served after the meeting.

**MUSICAL NOTES**

Last Friday the Band seemed to have performed a show people of all ages liked. The person featured in the trombone act was Dennis Setliff, a sophomore in CHS. We were pleased to see everyone enjoyed themselves so much.

The CHS Band is now practicing a show for the UIL contest November 5. In making a I in marching, you can go on to try for sweepstakes which requires a I in sight reading and concert. The CHS Band won Sweepstakes in 1972 and 1974.

It's a real native American—the pumpkin. The Indians introduced this cucurbit to the Pilgrims at the first Thanksgiving. "Cooked by the sun" is the general meaning of the Greek word from which "pumpkin" is derived. How apt the description, because the pumpkin must have a period of sunshine to ripen and mellow to be at its best.

The pumpkin has become the symbol of autumn and the signal for the gaiety of Halloween. What is more exciting for a child than a "real" pumpkin to make his own jack-o-latern?

Adequate supplies of pumpkins in all sizes and shades of orange are moving to local markets now. The same general buying criteria for pumpkins and winter squash apply. They should be mature and have a rich, orange color. They should be clean, free from soft spots and excessive searing. Store in a cool dry place.

There are many versions of pumpkin pie, but whatever your favorite here are some ideas to brighten the dish. Dairy sour cream makes pumpkin pie. For variety, add 2 teaspoons grated orange rind, 4 teaspoons orange juice and 3 teaspoons sugar to a cup of sour cream. Another choice may be whipped cream topping. Add creativity with combinations of spices, fruits, nuts, and flavorings.

Fall and winter fashions show the hemlines at the knee and below. Many women may be caught with skirts with not enough fabric to let the hem down. Marlene Odle, clothing specialist predicts.

**CONSERVE ENERGY With Proper Insulation**

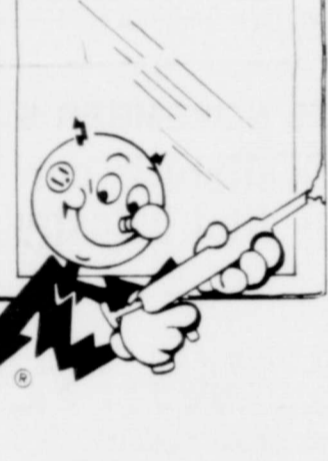

Proper insulation helps to keep OUT heat in the summer, cold in the winter, helps to reduce outside noises, and absorbs inside sounds.

Adequate insulation can save over 40% on energy costs annually. You should have at least 1" in walls and 6" in ceilings. Heating and air conditioning ductwork should be wrapped with insulating material.

Insulation can pay for itself with the savings from operating costs in about 1 1/2 years. Your home will be cleaner because insulation will help to keep dust and dirt pollution from sitting in.

**SAVE ENERGY WITH CAULKING AND WEATHERSTRIPPING**

Check all windows and doors. If a cold draft indicates you are losing heat, install weatherstripping and caulking where needed. It will save on both heating and cooling costs.

An almost invisible 1/8" gap at the base of a standard 36" outside door is equal to a nine square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

**Hear Report on Uniforms**

At a meeting of the Band Boosters Club Monday night, it was voted to establish a "uniform fund" as a start in securing new uniforms for members of the CHS band. Rusty Russell was named project chairman for the new uniform project. Anyone wishing to make donations to this fund are invited to do so by contacting James Streit, band director, or any member of the band boosters.

Also the group voted to buy 500 Wildcat emblems, and 240 caps colored black and gold which will be sold as a money-raising project. Another project is the selling of fruit cakes which is presently in progress by the boosters. It was also announced that memberships in the band boosters, \$5.00 per family, are now payable and all residents of the area interested in the band program are invited to become members.

The decision to establish a uniform fund came after Mr. Streit showed some samples of uniforms and a long discussion was held concerning uniforms for the band.

**Crowell Teams Win Games with Paducah Here Last Thursday**

Crowell football teams made a clean sweep of their first district games of the season here last Thursday night when they hosted teams from Paducah.

In the first contest, the Crowell seventh graders won 22 to 0 over the little Paducah Dragons. Early in the second quarter, John Henry McGee slipped across from 3 yards out for the first Crowell score. Sammy Neal ran across for the two extra points. Later in the same period, Neal took a double

reverse handoff for a long gain down to the Paducah 4, and from there McGee took it in with Neal again adding the extra 2 points. In the fourth quarter, Neal galloped 20 yards for the final Crowell score.

In the eighth grade game, the Crowell boys won 14-0 with Milton Tennell and Claudius Coleman scoring the two Crowell TDs and Coleman scoring two extra points. One of the touchdowns came after a long pass play from quarterback John Thomas to Coleman. Wade Davis was outstanding on defense for Crowell in this one.

In the final action of the night, the Crowell junior varsity won a hard-fought 7-0 victory over the Paducah boys. The Crowell TD came after Oran Carroll recovered a Dragon fumble on the Paducah 27. Several runs got the ball down to the 1 and from there C. B. Sparkman carried it across. Carroll then kicked the extra point.

**1974 IS A DEMOCRATIC YEAR**

**But only if Democrats Go to the Polls in Full Strength Tuesday, November 5**

I am very grateful for the fact that I do not have an opponent in my race for re-election as Representative from the 101st District. But I hereby solicit the support of every voter in my District. I do this not only for myself but for every nominee of the Democratic Party, from Governor, Congressman, State Senator [from the State House to the Court House] down to and including candidates for district, county and precinct offices.

There has never been a time when there was more urgent need for every Democrat to go to the polls than this year. Our country needs the kind of public service which only Democrats seem capable of giving.

**Hunting Bigger Bargains**

**MOST OF US** are always on the trail of better values... more for our money.

It's an entertaining habit, and—if we play it right—it gets us more of the comforts and conveniences of modern living.

Of course, the first principle of successful hunting is... do it where the fattest game is... even if it's on your own doorstep. Being away off somewhere else doesn't make a rabbit... nor a dollar... any bigger.

That's why Hunting Bargains at home pays off best. Because that is where the biggest bargains are... even if we do get lured off to other fields sometimes by the siren calls of big-city operators.

Why are the Biggest Bargains in our own home stores and service establishments?

It's fundamental economics:

A dollar spent at home gets you the same goods at about the same prices... but in addition it also helps to support the growth of your own community... for more vigorous schools and churches and other community services... for YOUR enjoyment and profit.

## WSL Hears Report on Housing

"A survey will be made to determine if there is sufficient interest in Foard County for a moderate income housing project," Mrs. Wilma Cates stated at last Thursday's meeting of the Women's Service League.

She pointed out that Joe Billy Pierce of Midland, architect for the low-income housing undertaking, had recently met with the City Council and Housing Authority. He pointed out that Crowell is eligible for a non-profit or semi-profit sponsor desires to make application. The units will have a \$14,000 ceiling on them for construction. They must pay their own way with a loan interest of 1 to 3 per cent. Such a project entitled "rural family homes" would be available for families in the approximate \$7000 to \$12000 annual income bracket.

Mrs. Cates felt that it would be necessary to rent the one and two-bedroom units for \$75. and up in order to meet the necessary obligation. Mr. Pierce suggested that if such a project was obtained that the housing director oversee both undertakings.

The WSL will have a business meeting at this week's meeting under the direction of Mrs. Fern McKown, president.

## Piano Program Set at Vernon

Vernon and area music-lovers are in for a treat Sunday, October 27th, when Larry Walz, highly-acclaimed recitalist and Professor of Piano at North Texas State University, performs in the First Presbyterian Church on Yamparika Street at 3:00 in the afternoon. His program will include Sonata No. 2 by Rachmoninoff and the 24 Preludes by Chopin. There will be no charge and the public is invited to enjoy the work of this great artist.

Mr. Walz will be here on the invitation of R. Glen Wester, instructor of music at the Vernon Regional Junior College, and the members of the Vernon Music Teachers Association. On the Saturday preceding his recital (October 26th) he will participate in a piano workshop from 9:30 a.m. to 1:00 p.m. in the Fine Arts Auditorium of the college. The theme will be "Technical and Interpretive Problems in Piano Music and Their Possible Solutions." Anyone who is interested may contact Mr. Wester at the college.

## COLUMBIAN CLUB

When the Columbian Club met at the home of Mrs. Grady Halbert on October 16, all of the officers except the parliamentarian, who was ill, were present. Mrs. Allen Shultz, president, conducted the business meeting. After routine business, including officers' reports had been disposed of, plans were made for a Halloween party at the Elms at Center North.

The theme for the year, Our World Today, was on women in the news with Mrs. John S. Ray as leader. She gave very brief sketches of three princesses, Margaret Ann and Grace, as well as Grace's daughter, Caroline. Lady Jane Wellesley was also mentioned briefly as was Angelina Alioto, Ethel Kennedy and Billy Jean King. Mrs. Shultz had an article on Joan Kennedy. Mrs. Ray then mentioned Cher Bono, the fortieth anniversary of the Dionnes birth and the tragedies in their lives. She showed a genealogical chart showing that Queen Elizabeth II is a direct descendant of Augustin Warner Jr., who was born in Virginia in the late 1600's, but who went to England about 1711. From Augustin Warner Sr., Robert E. Lee and George Washington also descended. This interesting bit of history was researched by the well-known historian Hector Bolitho. In her final remarks, Mrs. Ray mentioned the bride of the year, Nancy Kissinger.

For the final number on the program, Mrs. J. M. Chowning gave a talk on Mollie Bailey, at the close of which several mentioned that as children they had attended performances of the Mollie Bailey Circus.

Next meeting will be November 13 with Mrs. Jack Brown. During the social hour the hostesses served refreshments to nine members.

## Farm Bureau Has Annual Meeting

About 100 persons attended the annual membership meeting of the Foard County Farm Bureau Saturday night at the school cafeteria. Preceding the program, a chili and stew supper was prepared and served by Mrs. G. F. Pierce, Jr.

H. L. Ayers, Jr., president of the local organization, presided and introduced the program, which consisted of a talk by Miss Barbie Scott, who told of her experiences while attending the Farm Bureau Citizenship Seminar held during the summer in Waco. Miss Scott represented Foard County at the seminar.

On behalf of the local FB, Mr. Ayers presented a gift to Glen Jones, who resigned last year after having served 25 years as president of the organization.

In the business meeting, Jack Welch, secretary, reported membership is now 338, which is up 13 over the preceding year and the largest membership ever recorded by this county's Farm Bureau. Ayers and David Scott were re-elected as directors, while Melvin Moore was elected to the board replacing Grover M. Moore.

The following ten resolutions were adopted to be sent to the state convention which will be held Dec. 2-4 in Dallas:

1. Opposition to federal land use planning.
2. Opposition to limiting or controlling U.S. agricultural commodity exports.
3. Recommending the increasing of the federal and state exemptions on inheritance taxes.
4. Allowing the increasing of the net income for persons on social security so they can earn more without being penalized on their social security checks.
5. The escalator clause should be moved up to start in 1975 instead of 1976.
6. All meat used in school cafeterias and in the military should be U.S.-produced beef.
7. Recommend that the President use his authority to stop beef imports.
8. Recommend inspection of all imported canned meats coming into this country.
9. Recommend halting of exports of U.S. farm machinery and fertilizer.
10. Reaffirm the FB stand asking for a return of the bracero program.
