Loron B. Robertson Succumbed

Loron B. Robertson, 66 a farmer in the Margaret community for many years, died last Thursday morning in the Foard County Hospital following an apparent heart attack suffered at his home earlier in the morning.

Funeral services were conducted at 10:30 a.m. Saturday at Henderson-Fields Funeral Chapel in Vernon with Rev. Archie Kennedy of Wichita Falls, pastor of the Pentecostal-Apostolic Church of Vernon and Wichita Falls, officiating. Burial was in Wilbarger Memorial Park, with Thalia Masonic Lodge in charge of graveside rites.

Mr. Robertson was born June 15, 1908, in Calhoun, Miss., son of the late Mr. and Mrs. Thomas Robertson. The family moved to this area in 1926.

He married Kathleen Morgan July 28, 1934, at Lockett. He attended the Haney Community School. Mr. Robertson was a Baptist and also a member of the Thalia Masonic Lodge.

Survivors include his wife; one son, Johnny Morgan Robertson of Vernon; two brothers, Lonnie Robertson of Fort Towson, Ok.; one granddaughter and several nieces and nephews.

Bearers were Newell Hoffmann, Bobby Bond, H. L. Ayers, Bob Miller, Joe W. Coufal, and James W. Erwin.

STRANGE LOOKING CRITTER

Jim Hill Erwin was in the News office Friday afternoon with a tomato which is a strange looking critter. Taken from Erwin's home garden, the tomato was 3 or 4 inches across. On the bottom side, in the middle were several different looking varieties of tomatoes growing. One appeared to be a bell tomato and others look like Porters.

Envelopes to fit every mailing job. Up to size 10x15 at the News office.

Crowell Receives 1.3 Inches Rain Last Week

Foard County continued to receive more moisture last week, as cooler weather moving through kicked off rain showers. A light rain of .07 inch fell here Tuesday of last week. Then on Wednesday night, rain started falling and it continued most of Thursday. Total for the three-day period as recorded by the government gauge was 1.3 inches. Back in the west part of the county from 2 to 3 inches fell, with a like amount falling in

the Good Creek area. About 1.5 inches was reported at Thalia.

With the drouth of last summer still fresh on minds of Foard Countians, it is almost impossible to gripe about the rain, but at the present time, open weather is needed. Lots of cotton has been defoliated, and with some favorable weather, ginning will begin to get started.

Another rain Sunday night brought .31 inch more of moisture.

Mrs. Ermer Whitlock Succumbed

Funeral services were held Monday, October 21 in the Malcolm Stone Funeral Home Chapel in Gladewater for Mrs. Ermer Mae Whitlock, 66, a former resident of Crowell.

Mrs. Whitlock died suddenly Saturday, Oct. 19, in a Gladewater hospital. Burial was in Friendship Cemetery.

An employee of Oak Manor nursing home, she is survived by two sons, Eugene Whitlock and Don Whitlock, both of Gladewater, and one daughter, Mrs. Grace McLain of Kaufman. Eight grandchildren, three great grandchildren and a sister, Mrs. Eula Landers of Winona, also survive.

CORRECTION
In last week's article concerning the Crowell-Paducah football team, it was Ernie Myers who caught a pass covering over 30 yards for a Crowell touchdown. Last week, this touchdown was erroneously reported as having been scored by another Crowell player.

General Election Is Next Tuesday

Important Development Corp. Meeting Set for Friday Morning

Jimmy Henry, president of the Foard County Development Corporation, announced last week that an important meeting of the organization will be held

Friday morning, November 1, beginning at 7:30 o'clock at the Foard County community center.

In a letter mailed out to FCDC

members last week, it was pointed out that more members in the organization are needed. The corporation is responsible for one half of the payment of the cap factory as per the contract signed with John Truelove when he moved the plant to Crowell. That payment is \$492.62 per month and the \$2.00 per month from the 112 members does not provide enough money for this purpose. The cap factory is employing some 40 persons with a weekly payroll of \$4,000.

In the letter mailed out last week, Henry said, "Wouldn't it be a good thing if we could get a payroll for men? This could be possible in the future if as a towns-people we continue to support all phases of growth."

"We will have a rest home here some day soon. We have hit a snag but we still have our initial money that was collected for that purpose. A Certificate of Deposit has been purchased in the amount of approximately \$11,000 and that will draw interest until we start construction."

If you are interested in the development of Foard County, attend the meeting Friday morning.

Halloween Carnival Set for Thursday Night

A Halloween carnival will be held at the old fire hall on North Main Street in Crowell Thursday night, October 31.

Baptists Break Ground for New Building

Members of the First Baptist Church gathered at 2 p.m. Sunday and broke the ground for the new building to be constructed in the north part of Crowell. The 18,000 square foot, \$273,000 structure will be built on a block of land just north of the city donated by the C. M. and Elton Carroll families.

The short program of ground breaking consisted of a hymn sung by the congregation and led by Doug Pharis. Following the invocation by C. L. Cavin, the pastor, Rev. Joe Ainsworth, made brief remarks, followed by scripture reading by the group. Edgar Jones of Wichita Falls, area Baptist missionary, spoke briefly, and the prayer of dedication was given by Larry Jones.

A three-handed shovel broke the first ground for the building and it was operated by Margaret Curtis, Grady Halbert, and W. F. Statser. The benediction was given by Keith Nichols.

Johnny Ray & Associates of Amarillo, contractor, is expected to begin work this week. The present Baptist building was constructed following the tornado of April 28, 1942, which completely destroyed the church building.

The new building, featuring a spire and of brick construction, will seat 345 people, including a choir area with space for 36. The auditorium will have a small overflow balcony. Brick for the new structure are stacked on a lot southeast of the square.

ATTEND STATE MEETING

Mmes. Virgil Johnson, Otis Gafford, L. A. Andrews, Monroe Karcher and Lewis Sloan were in New Braunfels last week to attend the annual meeting of the Texas Historical Commission.

Crowell Hosts Haskell Three Games Thursday

Three district football games are scheduled to be played at Dick Todd Field tonight,

Thursday, October 31. Haskell teams, new members of District 7-A, will be providing the opposition. Seventh grade action starts at five, to be followed by the eighth grade game and then the junior varsity.

Crowell teams won their games at Knox City last Thursday night.

Large dosage of vitamin A is toxic to children and adults. Too much vitamin A causes excessive calcium in the blood as well as symptoms associated with a brain tumor. Mrs. Mary Sweeten, foods and nutrition specialist with the Extension Service, points out.

Next Tuesday, November 5, voters of Foard County will go to the polls in the general election which will see several hotly-contested races decided. One of these is the race between incumbent Republican Congressman Bob Price and Democrat Jack Hightower who is trying to unseat Price. Also in the State Senatorial race, Mrs. Mary Kirchoff, Republican of Plainview, and Ray Farabee, Wichita Falls Democrat, are trying to get the job being vacated by Hightower, as Senator from the 30th District.

For the first time in many years, Leslie Thomas' name will not be listed as a candidate for county judge; however, he is on the ballot as candidate for judge of the 46th district. Seth Halbert, interim county judge, is listed on the ballot for county judge.

For those who want to study the ballot, a sample ballot is printed elsewhere in this paper.

A total of 15 cast absentee ballots up to Monday of this week. Absentee voting ends November 1.

Polls will be open from 8 a.m. to 7 p.m. with voters casting ballots in the following locations with the named officials:

Precinct 1, county clerk's office, Hazel Ramsey, judge; Jean Bell, assistant.

Precinct 2, county judge's office, L. A. Andrews, judge; Ray Hysinger, assistant.

Precinct 3, sheriff's office, Eleanor Black, judge; Mrs. Glen Shook, assistant.

Precinct 4, county attorney's office, Otis Gafford, judge; Herbert Fish, assistant.

Precinct 5, Margaret community house, J. S. Owens, judge; Mrs. Ed Mechell, assistant.

Precinct 6, Thalia Gin office, Mrs. R. H. Cooper, Jr., judge; Mrs. Sim V. Gamble, assistant.

Precinct 7, Thalia gymnasium, T. R. Cates, Jr., judge; Mrs. Maggie Capps, assistant.

Precinct 11, Lawson Store in Rayland, Tom Lawson, judge; Mrs. Tom Lawson, assistant.

Teachers to Attend Meet

The Crowell Schools will be dismissed all day Friday, November 1, so that the local faculty can attend a district convention of the Texas State Teachers Association.

This convention, which is an annual affair, will be held in Vernon.

Wildcats Go to Haskell Friday Another Big 7-A Game

Crowell Wildcats, after Friday night by City Greyhounds, will travel to Haskell Friday night when they

travel to Haskell to take on the Indians, a team which has been AA for many years, until realignment dropped them to A and put them in District 7-A.

For the season, Haskell has won 4 and lost 3, and is 1-1 in district. Last Friday night, they defeated the Munday Moguls by a lopsided score. The previous week they were defeated 26-6 by Aspermont, another newcomer to District 7-A and one of the powerhouses of the district.

The Wildcats, in district play, are just like the Indians, 1-1. The Cats lost last Friday night to the Knox City Greyhounds, and the previous Friday night, shellacked the Paducah Dragons 51 to 15. The Wildcats only other loss was to Memphis in a non-district contest.

The Wildcats still have a shot at the district title, and a big crowd of local supporters are planning to follow their team to Haskell. Game time is 7:30 p.m.

Aydelotts Purchase Local Cafe

Mr. and Mrs. Harvey Aydelott announced last week that they have purchased Connie's Cafe on East Commerce Street from Mr. and Mrs. Odell Williams.

The cafe will be known as Aydelott's Cafe, and the new owners invite everyone in this area to visit them.

"Spirit Week" Set at CHS

"Spirit Week" at Crowell High School has been set for the week of November 4 through 8, Principal L. H. Wall announced Monday.

To climax the "Spirit Week" activities, a "Spirit Week" queen will be crowned at half-time of the Crowell-Munday football game Friday night, November 8.

No Unsigned Letters to Be Published

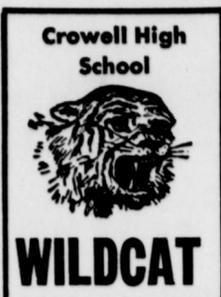

The News welcomes letters from our readers. We received a letter Monday morning with a Crowell postmark from a person who signed himself "A Wildcat Supporter."

It was a letter complimentary to the Crowell Wildcats, but unsigned letters will not be printed in this newspaper. Anyone who cares to write us should at least let us know who wrote the letter.

SCHEDULE
 Thursday: Haskell here, 5:30, 7, 8, JV.
 Friday: Teacher meeting, Haskell there 7:30.
 Tuesday: Band UIL marching contest.

MUSICAL NOTES
 Rain, sleet or snow, the band will always perform or show. Maybe this isn't true all the time, but the band practiced Tuesday night in the cold, drizzly weather. L.E. Gray, a former Wichita Falls high band director, held a clinic on the band's contest show.

DAILY DILLYS
 Autumn has set in for good! Have you been noticing the trees? The leaves have started changing colors and dropping off, and they're really pretty! Tonight is Halloween! Be sure to stay inside your house or

a goblin (or maybe even a water balloon) will get you!
 Next Tuesday, the band goes to the UIL marching contest in Wichita Falls. The band has been working hard for this, and hopes to get a 1. Good luck!

SPECIAL ASSEMBLY
 Jack Brown, an ex-convict and drug addict, spoke about his life in prison to Crowell students Tuesday. Before he was converted to Christianity, Jack was a con man who had to "earn" tons of money to support his drug habit. This always took him back to the same place, and he served for more than 17 years in several of our nation's toughest prisons. While in them, he met underworld identities such as Bonnie and Clyde, Machine Gun Kelly, the Birdman of Alcatraz, and Al Capone. Jack was a drug addict for 30 years and was pronounced incurable at one time.

Eight years ago, he was converted to Christianity and was pardoned by former governor Pat Brown. Jack's desire is to tell his story to the young people of America so that they won't follow his example and suffer his misery. He has over 20 speaking engagements each week and speaks to more than half a million young people each year.

TSTA MEETING
 1,500 to 2,000 teachers will meet in Vernon this Thursday and Friday for the District 9 Texas State Teachers Association Convention. Many public schools in this area, including Crowell, will suspend classes Friday so that teachers may attend the convention.

The Convention will be opened Thursday at 6:30 p.m. with a meeting of the house of delegates. They will elect district officers for 1975-76, and reports from standing committees will be heard and delegates to the March State House of Delegates meeting in Houston will be certified. Dr. Gerald H. Fisher, president of Garland County

Community College of Hot Springs, Arkansas will be featured speaker at the Friday morning session. The Vernon High School A Cappella Choir will present some selections at the general assembly.

Luncheons will be combined with 30 sectional meetings to conclude the convention on Friday afternoon.

SENIOR NEWS
 Monday the Seniors took an Army Vocational Aptitude Test. This took all morning, so we missed all of our morning classes.

The students at CHS get a vacation Friday, since the teachers will be gone. English IV has just finished giving oral reports on various subjects.

The Wildcats played a heartbreaking game Friday night. This Friday they travel to Haskell, and everyone is anticipating an exciting comeback!
 Sr's say, "Claw the Indians!"

SENIOR SPOTLIGHT
 Cornelius Frater is in the Senior Spotlight this week. Cornelius, commonly known as Nathan, is the son of Mr. and Mrs. Eddie J. Frater. The 18-year-old senior is 6' 2", has black hair and black eyes. He previously attended school at Vernon, and attends the Church of Christ.

His favorites are: food, steak and cheeseburgers; color, red; song, "Skin Tight"; actor, Fat Albert; actress, Marlo Thomas; hobbies, hunting for women; and subject, study hall. Nathan's favorite extracurricular activity is playing football. He is starting on the varsity team and plays offensive end and defensive back.

JUNIOR JIVE
 Last Wednesday we had an assembly given by Jack Brown, an ex-convict and drug addict. The student body enjoyed hearing of the rehabilitation of his life for Christ.

He has spent the last 10 years traveling, lecturing, and witnessing for Christ to students of High Schools throughout the U.S.

In English, the Juniors have been trying to determine the difference between accomplishment and an appositive. It's confused some students, but most understand it.

The candidate representing the Junior class for Band Sweetheart is Amie Brasher. The other two candidates are Karen Stater-Senior and Anita Vecera-Sophomore. The queen

will be presented at the last home game of the season.
 Next week the Wildcats travel to Haskell to take on the Indians. Juniors say: "Scalp the Indians!"

SOPHOMORE SCOOP
 Sophomore FHA girls brewed up a new recipe for all students: Follow directions carefully:
 1 cup English, 1/2 cup of algebra, 1 Tbsp. of history, stir thoroughly, then mix in 1 Tbsp. of biology, 1/4 tsp. of your personality, 1 full cup of attention.

Grease brain by cleaning all thoughtless materials out of your mind, pour into your brains, let soak until you comprehend it, then use it wisely.

FRESHMEN FROLICS
 School has been going on for several months now, and no one has tried to skip. (Ha!) Last Friday I asked six freshmen students what class they'd like to skip. Here are the responses. Richard Fish-English; Weldon Adams-Related Math; Lynn Simmons-English; Toni Ranjel-Science; Gail Dorsey-all of them; and John Klepper-English.

We would like to congratulate the JV on a great win over Knox City. They are undefeated in district play. This week they will be playing Haskell. Freshmen say, "Hassle Haskell!"

WILDCAT SPOTLIGHT
 Rudy Rodriguez, son of Mr. and Mrs. Willie Rodriguez, is in the Wildcat Spotlight this week. Rudy weighs 190 pounds, is 5' 7" tall, and is number 63. He plays nose guard on Crowell's team. Rudy's favorite team is the Crowell Wildcats. He has played football his 7th, 8th, 10th and 12th grade years. He also likes baseball, and played in the Little League for 3 years and in the Colt League for 1 year.

Don Sparkman, another senior, is also in the spotlight. He is number 11, weighs 149 pounds, and is 5' 9" tall. Don is the son of Mr. James Sparkman. Don's favorite sports are football and basketball. His favorite player is O.J. Simpson of the Buffalo Bills. Don was in track his 7th, 10th and 11th grade years. He is very active in football and basketball, and has been involved in both of these sports since the 7th grade.

CAFETERIA MENU
 Monday: Fish with tartar sauce, macaroni and cheese, buttered spinach, carrot sticks,

corn bread, chocolate cake with fudge icing, milk.
 Tuesday: Barbecued franks, pinto beans, mixed vegetables, cabbage salad, rolls, cobbler, milk.

Wednesday: Fried chicken, whipped potatoes, green beans, celery sticks, jello with fruit, rolls, milk.

Thursday: Enchilada casserole, Spanish rice, buttered corn, tossed salad, fruit with dream whip, milk.

Friday: Hamburgers, French fries, lettuce, tomatoes, onions, pickle slices, apricot cobbler, milk.

What's your heart? It's the muscle that pumps your blood via arteries to bring nourishment and oxygen to your billion body cells, and to remove waste from these cells. About 27 million Americans have some form of heart and blood vessel ailment.

One way to help prevent a heart attack is to watch your diet. Beware of calories and cholesterol. Eat less fat, substituting polyunsaturated vegetable oils and margarine for saturated fat. Eat more fish and poultry in place of meat. Eat fewer high cholesterol foods.

Polyunsaturated fats are usually oils and more abundant in plant seed and fish oils. Nearly all fats from plant sources are unsaturated. The only major exception is coconut oil, which is highly saturated. A great deal of research is being done by industries to develop ways to modify the kinds of fat, and especially to reduce the amount of fat, in meat and dairy products and in processed foods such as bakery goods and other convenience food items.

Many of these foods are already available in the market-place—lean meat; low-fat milk, cheese, and ice cream; and salad dressings with a high proportion of polyunsaturated vegetable oil. These foods offer increased variety to consumers and are of special help to persons with special dietary needs.

It has been more than 15 years since the controversy over the role of fats in cardiovascular disease began. During this time, thousands of research studies have been made and many facts have been uncovered and are being discovered every

about 30 people attending from Crowell, Benjamin, Munday, Gilliland and Truscott.

Henry Abbott, former Truscott resident and uncle of Sammy Abbott and Mrs. Lumir Tomanek, died Thursday in San Angelo. His funeral was held Thursday in the Johnston Funeral Home, in San Angelo. He was married to the former Zora Chowning.

Mr. and Mrs. Lumir Tomanek visited his mother and sister, Mrs. Anna Tomanek and Mr. and Mrs. Fojtik and family in Knox City Friday afternoon.

This Saturday on Channel 3 KFDX-TV the "You Can Do It" series will present "Faucet Fixits" from 1:00-1:30.

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things....

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

They all promised no new taxes; Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

Care of Terraces Good Conservation

If you can see signs of erosion on cultivated land, you are probably losing soil at the rate of more than 14 tons per year. "A loss this high shows that the land is inadequately protected," Thomas Shinn of the local Soil Conservation Service says. "Generally, losses much higher than this occur when rain or wind can strike bare cropland. Very steep unprotected land can lose more than 300 tons of soil per acre per year."

"It is not particularly important that the landuser is able to tell how many tons of soil is lost," Shinn says. The important thing is that if the landuser can see erosion—something needs to be done, fast.

"A common misconception

is to blame all visible water erosion on running water, which we call runoff," Shinn says. "Runoff does cut ditches and rills, but is generally a sign of advanced problems, which actually start with raindrops striking bare soil. You can prove this to yourself by observing bare soil in a small flower box or enclosure. Beating raindrops will actually erode the surface of the soil by splash action with no runoff at all. On the other hand, if you cover the box of soil with straw, or plant it thickly in grass, no measurable splash erosion will occur. What this tells us is that a cover on the cultivated land—either vegetation or a residue—is best soil protection."

"There are several things that landusers can do about erosion," Shinn said. "First, practices can be used that keep a cover on the land. Believe it or not, this can be done in fields of small grain, sorghum, cotton or guar with a practice called minimum tillage."

"Farming on the contour, crop rotation, terracing, and other methods are also helpful to keep runoff from carrying the soil from the field," Shinn said.

"For the gardener, a compost heap is a good investment in erosion control," Shinn says. "Just build a big box of old boards or wire fence in a shady place in your back yard and put all your leaves, grass clippings, and organic waste in it. Over time, nature will transform this material into excellent organic fertilizer. Mixed into the garden, compost will make the soil more spongy. It will absorb and hold more water. Used as a surface mulch, it will prevent water erosion."

U.S. AG AND WORLD PRODUCTION

World production of food and fiber during the current fiscal year will be down mainly due to declines in agricultural production in the United States, says an economist for the Texas Agricultural Extension Service. Grain production will be down in both the U.S. and other countries while cotton will be down sharply in the U.S. but up slightly on a world basis. Livestock production will be up slightly on a world basis and will be about steady in the U.S. Prices for all farm products in the U.S. should increase an average of about 8 per cent over last year while the prices of farm food products should increase only about 5.5 per cent.

Gift Certificate Campaign Started

The Texas Farm Bureau today launched a statewide gift certificate campaign to increase the consumption of meat, poultry and dairy products.

TFB President J. T. (Red) Woodson said this is a "positive approach" to moving agricultural commodities which are in serious trouble at this time. In a letter to all 210 organized county Farm Bureaus, Woodson said the promotion involves Christmas gift certificates for these food products. Theme of the campaign will be "Give meat, poultry and dairy products for an old-fashioned farm and ranch Christmas."

"What better way to express the true spirit of Christmas than by giving a gift certificate for these foods," the farm leader said. "We believe that the concept will catch on. The American Farm Bureau Federation has been asked to carry the idea nationwide."

Woodson said Farm Bureau would seek the cooperation of other agricultural groups, food chains and independent grocers as well as top state government officials.

Special envelopes and message cards will be provided for persons wishing to send

checks or money orders instead of gift certificates. These will be available at county Farm Bureau offices.

SOIL, WATER CONSERVATIONIST NAMED

The Texas Agricultural Extension Service has named Dr. Billy L. Harris to the position of soil and water conservation specialist. He will give increased emphasis to education programs in the efficient use of soil and water. Harris is a native of Mitchell County, with degrees from Texas Tech University and Oregon State University. He has been a soils specialist for the Oregon State University Extension Service for the past year-and-a-half.

Wildcats Drop District Contest Knox City by 20-3 Score

Wildcats spotted about midway through the third period. One of the big gainers in this drive was a spectacular catch of a Randy Prince pass by Ernie Myers who was "in a crowd" when he snagged the pigskin. The final score was 20-3 with Knox City remaining undefeated in district play.

The Greyhounds jumped out front quickly in the contest. The Wildcats received the opening kickoff, failed to make a first down, and punted. The Hounds moved the ball down to the 1 from where quarterback Joey Swain burst over for the TD.

The Greyhounds came back at the beginning of the second quarter to add to their margin. On a second-and-long situation Swain kept the ball, circled left end, side-stepped several tacklers and 61 yards later was in the Wildcat end zone. He then kicked the point-after to make it 13-0. In the waning moments of the first half, Crowell, operating from its own 34, had a pass intercepted by Jimmy Moore who returned 46 yards for the

KC TD with only 31 seconds left in the half.

The Wildcats came back strong after the intermission, but in spite of holding the Hounds without a first down until late in the game, and the Cats moving the ball all over the field, they were unable to push across a touchdown. Allen Tapp picked up lots of yards as did Bell. Late in the contest, the Cats held at their own 1, stopping yet another possible KC score and moved the ball rapidly out to midfield as the game ended.

PRESENTS MEMENTO FROM GERMANY—Pictured above are Mr. and Mrs. Rudolf Herrgen of Langenbusch, West Germany, (left) and Emmitt Howard, president of the Lions Club of Crowell, Mrs. Herrgen is holding a banner from the Lions Club of Hanover, Germany, which she

presented to the Crowell Lions Club. Mr. Howard is holding a Lions Club memento the local club presented to Mrs. Herrgen to take back to Germany. Her father is secretary of the Hanover Lions Club and sent the banner by his daughter to present to the local Lions.

German Visitors Return Home

When Mr. and Mrs. Rudolf Herrgen left last week for their home in Langenbusch, West Germany, they had completed a two-weeks visit in Texas with friends and also showed Mr. Herrgen the "second home" of his wife. It was back in 1959 that Mrs. Herrgen lived for a year with a family in Quanaah, attended Quanaah High School and was employed at the Acme Gypsum plant. She had become influenced by American culture by living in Heidelberg, formerly in the American zone of Germany.

Following her year in Quanaah, she left Texas in the fall of 1960 to marry Rudolf Herrgen in Manila, Philippines, where he was working as production manager of an American-Filipino company. Since their marriage, the couple has lived in India, Germany, Australia and now reside in Wermelskirchen, near Cologne, Germany. Mr. Herrgen is manager of a large hand-tool manufacturing company and his wife is assistant manager of group travel for a large travel agency in Germany.

Mrs. Herrgen's father is a retired general of the army, and

is now working as personnel manager of a large printing company in Hanover. He has served as secretary of the Hanover Lions Club for several years, and sent a banner of friendship to the Crowell Lions Club. On behalf of the German club, Mrs. Herrgen presented the banner to local Lions president Edward Howard Friday before they left Saturday for Germany. Her father's name

is Heinz Muller-Lankow, and his address is 3006 Grossburg Wedel, Hermann-Lons, Weg, 5, West Germany, should any member of the local Lions Club wish to write him.

During their stay in Texas, they visited in Crowell with Mr. and Mrs. Moody Bursey and also with friends in Quanaah. Mrs. Bursey was a teacher in Quanaah at the time Mrs. Herrgen attended QHS.

1974 IS A DEMOCRATIC YEAR
But only if Democrats Go to the Polls in Full Strength Tuesday, November 5

I am very grateful for the fact that I do not have an opponent in my race for re-election as Representative from the 101st District. But I hereby solicit the support of every voter in my District. I do this not only for myself but for every nominee of the Democratic Party, from Governor, Congressman, State Senator [from the State House to the Court House] down to and including candidates for district, county and precinct offices.

There has never been a time when there was more urgent need for every Democrat to go to the polls than this year. Our country needs the kind of public service which only Democrats seem capable of giving.

Farmers Union Has Meeting

The Foard County Farmers Union heard State Senatorial candidate Ray Farabee of Wichita Falls, speak on industrial development at the organization's annual meeting at the community center in Crowell Saturday night. Mr. Farabee cited the cap factory in Crowell, and also told about another small town, Spur, which has seen a spurt of industrial development within the past two years. Additionally, he told how industrial development had progressed in his home town of Wichita Falls. Mr. Farabee was introduced by Henry Black.

Preceding the program, a ham dinner was served to the more than sixty persons attending. Two special musical numbers were presented by Miss Amy Brasher and Steve Setliff.

In the annual election of officers, Eldon Whitman was re-elected president; T. R. Cates, vice president; Cecil Carroll, secretary; and Mrs. Warren Haynie, treasurer. Directors will be selected by the officers.

Named as delegates to the state convention in Houston in December were Mr. and Mrs. J. F. Matthews, Mr. and Mrs. T. R. Cates and Mr. and Mrs. Kenneth Halbert.

The group adopted the following resolutions to be sent to the state meeting: We, the Foard County Farmers Union, feel that the State of Texas should have a uniform brand law.

We recommend continuing the screw worm program.

We oppose the unrestricted import of beef.

We, the Farmers Union, recommend that we promote exports of wheat, cotton, feed grains, soybeans and other farm products.

We recommend promoting farm commodities. We oppose government freezes on all farm commodities.

We recommend the old law to eradicate predatory animals be re-instated.

We recommend the restrictions on insecticides be lifted for farmers' use.

We urge assistance in control of bindweed on farms and recommend legislation to require the state and county to eradicate the same on their right-of-ways.

We recommend the continuing and accelerated research from the state and federal level for a practical method of eradication of mesquite, prickly pear and juniper.

We recommend a revival of the barcera program for farm labor.

We recommend a continuance of the farm-to-market road program.

We believe that there is an urgent need to strengthen and not weaken America's rural co-operatives.

We recommend that agricultural land should be taxed to its productive value.

We are opposed to land use planning.

We recommend a program of development of pesticides and herbicides be continued.

We are opposed to wheat reserve.

Disaster payment for wheat should be on bushels produced on allotted acres—with no penalty on bushels produced on excess acres. Payment should be made on 66 2/3 of production, and not factored down as it was on the 1974 crop. Disaster payment should be raised to \$1.00 per bushel.

We are opposed to export controls of any kind on all farm commodities.

We recommend that the wheat program should be made by August 1, and not to be changed at later dates.

We recommend target price on wheat should be raised from \$2.05 to \$3.05 per bushel.

We recommend that cotton bale weights without penalty should have a range from 425 to 600 pounds.

We recommend that cotton disaster payments be raised to 28.5 cents per pound.

We feel that the cotton grading system is presently unfair to both farmer and mills as buyers are having cotton regraded and profiting from government grading. We need a system that will be binding once it is graded and no further cuts allowed after it is sold by the producer. We recommend that automatic grades be further tested and regulated for future use.

Crowell Teams Win Three Football Games at Knox City

Crowell football teams made a clean sweep at Knox City last Thursday night, winning three games over the Knox County boys.

In the first game, which pitted the seventh grade teams, Crowell won 12-0 behind the power running of Steve Smith and Sammy Neal. Each of these boys scored a touchdown, both on long runs. They continued to

gain big yardage all evening against the KC boys.

The eighth graders from Foard County found themselves trailing 16-12 at halftime, but with a strong second half effort came back and took a 48-16 victory.

John Thomas, big Crowell quarterback, accounted for five touchdowns. Claudius Coleman and Abel Cerda had one TD

each, while Coleman added 4 extra points and Cerda 2.

The Crowell junior varsity blanked the KC JV by a 24-0 score. Oran Carroll kicked two field goals, one from 35 yards out and the other from 25 yards away to give the Crowell boys 6 points. He also caught a short pass from quarterback Jay Wall for a touchdown, while Wall on a quarterback sneak, added 6 more points. A handoff from Wall to C. B. Sparkman who then passed to Marvin Coleman on a play covering 70 yards put another 6 points on the board for Crowell. None of the tries for extra points were good.

The Crowell boys were penalized over 100 yards in this game, all of them being 15-yards.

Offensive standout for Crowell was Carroll. Rocky Marlow was the outstanding defensive player for Crowell with other defensive standouts being Michael Daniel, Erwin Jackson and Audley Dunham.

Other boys playing for Crowell in this one were Jerry Bob Daniel, Ramero Quintero, Gilbert Torres, Gary Hodges, Randall Russell, Don Johnson, Daniel Field, Fred Gray, David Westover, George Brown and Terry Glover.

EHE STUDY GROUP MEETS

On Monday evening, October 28, the Extension Home Economics Study Group met in the home of Barbara Wall. Four new members were welcomed and introduced. "Meal Planning Made Easy" was the program given by the agent, Sally Sowell. The five steps in planning a meal were discussed. The agent showed how to make various vegetable garnishes to enhance the appealability of a meal. Delicious refreshments were served by Barbara Wall and Martha Kay Welch to the following: Margie Johnson, Fleta Whitman, Glenda Pittillo, Martha Kay Welch, Laura Halbert, Sandi Adcock, Judy Carpenter, Mary Sue Adkins, Phyllis Inman, Janis Everson, Jo Ann Vecera, Barbara Wall, and Sally Sowell.

The next meeting of the EHE Study Group will be on Monday evening at 7 o'clock in the home of Margie Johnson on November 18.

RIVERSIDE H.D. CLUB

Mrs. Allen Shultz was hostess Tuesday, October 15, to four members of the Riverside Home Demonstration Club. Also present was one visitor, Miss Sally Sowell. Mrs. John Ray presided in the absence of the president and roll call was "a costly mistake I made by not reading labels."

The program "Labeling foods and fabrics" was given by Miss Sowell. She said that nutrition information must appear in a standard format and unless space does not permit, always on the part of the label immediately to the right of the main panel. She distributed several labels, having the

women to compare information on them. Care labels are supposed to be given with the purchase of fabrics, if not ask for them. Next meeting will be Nov. 5 in the home of Mrs. W. E. Schoolcraft. Visitors and new members are always welcome.

WESTSIDE H.D. CLUB

Mrs. Ida Sellers was hostess to the Westside Club when it met in her home October 22. "Do you read the labels on what you buy?" The question asked by agent, Miss Sally Sowell, when she gave the program on food labeling. "By 1975, all foods should have more informative information on the labels. The label should plainly state the content, Nutrition, calories and others. Also servings per can or package. So it is really important to read the labels on what you buy," she said.

In the absence of both the president and vice president, Mrs. Homer Ketchersid was appointed by the secretary to act as president.

The recommendations of all the committees were read and accepted by vote.

Plans for Rally day were discussed. Refreshments were served to six members and one visitor.

The next meeting will be Rally Day, November 14 at the community center.

BIRTHDAY PARTY

John Dorcy Odell, son of Mr. and Mrs. Johnny M. Odell of Paducah, was honored on his second birthday October 25 with a party at the family home.

Ice cream and cake were served to Jesse and Erin Odell and Mr. and Mrs. John Odell of Crowell; Mrs. C. J. Gregory and children, Atonya, Buck, Sandra and Shawnie, Mr. and Mrs. Leslie Ford and daughter, Melanie, Mrs. Julie Coursey, Albert Ford, Mr. and Mrs. Johnny Lee Dishman and sons, William and Joshua, all of Paducah.

John received many nice gifts.

TO SPEAK IN QUANAH

The Quannah Council of Royal Arch Masons is sponsoring a supper and open meeting for area Masons, Eastern Star members and their families on Thursday night, November 14, Wm. Wisdom of Medicine Mound announced Tuesday. Mr. Wisdom said that Robert H. Hall, Most Illustrious Grand Master of the Grand Council, will be the speaker.

Serving of the turkey and ham dinner will begin at 6 o'clock, and the program will get underway at 7:30. Mr. Wisdom added.

The Quannah Council is inviting and urging a large attendance at the meeting.

The Foxes of Inflation

Everyone knows you don't hire the fox to guard the hen house. But what can you expect when the farmer who does the hiring is one of the foxes.

Well, it happens in the nation's capital, where your tax dollars are collected and spent. Congress gives federal bureaucrats the job of making the surveys to determine pay increases for 3.5 million federal civilian and military employees. The law under which the increases are computed is intended to make government salaries competitive with jobs in private industry.

Not surprisingly, under such a setup, federal salaries have outstripped those of workers in private industry. An article in Washington Report, biweekly publication of the Chamber of Commerce of the United States, states:

"According to the Department of Commerce, average federal pay is \$12,984 per year, or 46 per cent more than the average \$8,900 received in the private sector.

"But that's not all. A Department of Labor report states that Federal Government fringe benefits, as a percentage of pay, are about 12% greater than those of workers employed in the private sector. Federal Government employees, according to the report, receive better vacations, holidays, sick and leave benefits, retirement programs and health insurance programs than those employed in the private sector."

Pictures Go on Sale

Color pictures of the members of the 1974 CHS Wildcat football team were recently taken by Charles Stewart of Stewart's Studio of Vernon.

Proofs of the pictures can be seen at the News office and orders will be taken for the pictures. Payment of the pictures will be made at the time orders are placed. Mr. Stewart said Monday.

AMERICANS NEED TO EAT MORE BEEF

Based on the three-and-a-half ounces of cooked beef per individual per day recommended by the American Heart Association, Americans should be eating more beef, contends a livestock marketing specialist for the Texas Agricultural Extension Service. Using 1972 figures when both beef production and consumption was up, there were about 61 pounds of cooked beef available for each American that year. Yet, the AHA recommended annual total amounts to 78.75 pounds. The 116 pounds of beef that were available for each American in 1972 must be reduced more than 55 per cent to allow for cutting losses, bone and fat and for weight lost during cooking.

30 Years Ago in The News

News items below were taken from the Thursday, October 26, 1944, issue of The Foard County News:

Pvt. Marion Crowell, who has been at Camp Crowder, Mo., since entering the service, is now taking a six-weeks course in radio maintenance in Baltimore, Md.

Congressman Ed Gossett of Wichita Falls was here Wednesday afternoon visiting friends.

Six Foard County men went to Dallas on Oct. 15 and were inducted into the armed forces Monday, Oct. 16. Those accepted for the Army were Fred R. Borchardt, Milton C. Evans, Thomas E. Ward, Herman W. Gloyna and Hollis C. Payne. Edgar A. Johnson was accepted for the Navy. Men transferred to other boards were Roland L. Washburn, Edward G. Lester and Leymon L. Solomon.

L. C. Clarke of Wichita Falls, district supervisor of the Continental Oil Co., was here Monday and Tuesday and James Bowers was checked in as wholesale agent for Conoco products in this county. The new agent will establish his office and headquarters in the building with the Johnson Produce Co. on the east side of the square. One of the pioneer oil companies in this county, the Continental Oil Co. has not had an agent in Crowell since Byron Davis gave up the agency in October, 1942, to enter the armed forces.

What should be the most important football game of the District 12-A race will be played here tomorrow night when the Holliday Eagles and the Crowell Wildcats play for the district lead.

T-S Wayne E. Diggs is a member of the Fifth Armored Division, which made the initial break through into German north of Trier Sept. 11.

Cpl. Harold W. Banister has arrived in India, according to letters received by his parents.

J. P. Davidson, city secretary, assumed the additional duties as city marshal this week and will direct traffic and not allow parking in the middle of the streets and double parking.

Helen Russell has returned from Paducah after a week's visit with her brother, Rev. Foster Russell, and family.

Mr. and Mrs. Guy Todd and two children of Vigo Park, spent Sunday here visiting relatives.

There will be a hobo stew at the Gambleville school house Tuesday night of next week. There will be games of 42 and plenty of stew and coffee.

Guests attending a party honoring Mary Ermine Cooper on her 10th birthday Monday were Nell Johnson, Jacquelyn Rasberry, George Scott, Nina Ruth Williamson, Betty Halbert, Glendon Johnson, Helen Fay Ribble, Don Gobin, Lois Eavenson, Margaret Thompson, Naida King, Wanda B. STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Previews of debate expected before the legislature next year on the key objective of revamping public school finance formulas already are being offered in Austin.

A legislative sub-committee last week was told state philosophies of education and funding methods must change if there is to be real equality in learning opportunities.

The same House interim sub-committee on public school finance heard differing opinions on whether the so-called "weighted pupil plan" will help correct inequities.

Dr. Jose Cardenas of Texas for Education Excellence and former superintendent of Edgewood School District, San Antonio, said the present Minimum Foundation Program must be scrapped and the "weighted pupil" plan substituted.

Dr. Lawrence Haskew, University of Texas at Austin education professor, conceded the "weighted pupil" approach may be a small step forward, but he said he could not see it as correcting all inequities.

The plan would place state school aid on the basis of need for various-level programs rather than on average daily attendance. Apparently, it figures in Gov. Dolph Briscoe's proposals for education assistance.

A Texas Advisory Com-

mission on Intergovernmental Relations public finance committee, meanwhile, suggested levying school taxes on a countywide basis as a

means of equalizing resources.

Draft of a 35-district survey of school property tax values for the Legislative Property Tax Committee is expected to be available next month for legislative guidance.

GASOLINE USE CUT—Texans used a little less gasoline last summer than they did in 1973 but increased natural gas consumption slightly.

A governor's energy office report indicated gasoline sales were down 1.3 per cent in July, but natural gas use was up 2.9 per cent. The report concluded the gas consumption rise was due to hotter weather in June-July 1974.

State agencies managed to decrease their use of both gas and gasoline substantially. Wharton County Junior College cut energy consumption by 29.7 per cent from December through July.

WELFARE "NOT PENALIZED"—Texas welfare programs have not been penalized regardless of a report from Washington, State Welfare Commissioner Raymond W. Vowell said.

Vowell said the state agency actually has "saved taxpayers \$1.5 million

through highly-successful quality control measures." He termed "misleading" a report from Washington that welfare grants to states had been slashed \$61.7 million in the last half of the year to crackdown on abuse.

The state official said Texas has exceeded federal

Health, Education and Welfare agency guidelines, and that "fiscal sanctions established by the feds a year ago lagged years behind Texas efforts to rid its rolls of error in welfare payments." **PAROLEES AIDED**—A group of Houston lawyers are aiding parolees from state prison in their adjustment to life outside penitentiary walls.

They will help find jobs, meet parole requirements and generally assist them in finding their place in society. The project is financed by Texas Criminal Justice Council.

COURTS SPEAK—The State Supreme Court ordered a hearing November 20 on whether the Railroad Commission has power to apportion in the public interest natural gas of Lo-Vaca Gathering Company to Austin and San Antonio.

In other cases, the high court:

Held Bellaire General Hospital of Houston was responsible for the death of a patient housed in a room without oxygen.

Refused to schedule a hearing on Coastal States Gas Corporation's effort to disqualify an Austin lawyer from a breach of contract suit against the firm on grounds the attorney helped negotiate the contract in question.

The Court of Criminal Appeals reversed a five-year prison sentence assessed a Dallas man in the accidental slaying of his wife.

AG OPINIONS—A Commissioners Court lacks authority to call for a referendum at public expense on a proposed dam project, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

• It is legal to prescribe different salaries for constables of separate county precincts.

• Residents of a commissioners precinct shifted to another have no vested interest in money assigned their old precinct.

• The Open Records Act does not require the Board of Pardons and Paroles to reveal its files on an inmate to an individual legislator.

• Governmental bodies holding sales tax permits must also furnish a bond or other security to the comptroller when they collect. So must individuals who sell taxable items from facilities on government property.

POLITICAL ANNOUNCEMENTS

For State Senator, 30th District:
RAY FARABEE (D)
MRS. MARY VIRGINIA KIRCHHOFF (R)

For County Judge:
SETH HALBERT

The above political announcements were paid for by the candidates listed.

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Foard County, Texas, will on the 11th day of November, A.D. 1974, at 10:00 A.M., in its usual meeting place in the Courthouse at Crowell, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery:

"One Heavy Duty Motor Grader, fully hydraulic, powered by Diesel Engine of not less than 135 Horse Power, the weight to be in comparison to such Horse Power, fully equipped with starter, heater, generator, lights, fully enclosed cab, 14 ft. power sliding moldboard and tires no smaller than 1400 x 24 in size, both front and rear."

And will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law, but the Court reserves the right to reject any and all bids received. The successful bidder shall be required to execute a good and sufficient guaranty as to the uniform fitness of such machine and its soundness, and if required, to furnish a good and sufficient bond, executed by some surety company authorized to do business in this State, in accordance with the provisions of Article 5160, Revised Civil Statutes of the State of Texas, 1925, and amendments thereto.

The Court offers a trade-in and as part payment one used Galion Motor Grader, 1968 Model, which may be inspected at the County Warehouse in Crowell, Texas; if any bid be accepted by the Court, it is the intention of the Court to pay the balance of the purchase price out of the Revenue Sharing Funds allotted to the County.

PUBLISHED BY ORDER OF THE COMMISSIONERS' COURT OF FOARD COUNTY, TEXAS, pursuant to a Resolution passed by said Court on the 14th day of October, A.D. 1974, such Resolution being of record in Volume 8, Page 435 of the Minutes of the Commissioners' Court of Foard County, Texas.

SETH HALBERT, County Judge, by order of the COMMISSIONERS' COURT, Foard County, Texas. 17-2tc
