Miles Welch Receives Promotion

Miles Welch, son of Mr. and Mrs. M. M. Welch of Crowell, was recently promoted to district manager of Dun & Bradstreet and transferred to Memphis, Tenn.

He began his career with D&B in 1968 in Dallas as a reporter. In 1970, he was moved to Shreveport, La., then made branch manager at Baton Rouge, and in September of last year, he was transferred to Wichita, Kansas, as area manager.

He began his new duties in Memphis on Sept. 2.

Welch is married to the former Marsha Buhrman. They have one daughter, Mandy.

New H. D. Agent Is Employed

Mrs. Loretta Hardin, pictured above, was accepted by the Foard County Commissioners' Court as County Extension Agent. The announcement was made by Thelma Wirges, District Extension Agent.

A native of Walters, Oklahoma, Mrs. Hardin is a graduate of Cameron University. She holds a B. S. degree in home economics.

While doing student teaching, she served as a 4-H leader. She also worked in a training program in the County Extension Office in Lawton, Oklahoma. Her experience also includes work as a 4-H Club member.

Mrs. Hardin and her husband will move to Crowell in the near future. She will train in Cottle County and assume duties in Foard County November 16.

NEW REST HOME SETS OPEN HOUSE FOR SUNDAY

Residents of this entire area have been extended an invitation to attend open house Sunday afternoon, Sept. 14, at the new Crowell Nursing Center located

southwest of the square. Visiting hours for the open house are from 2:30 - 5 p. m. The completely new 80-bed facility will fill a need long felt in Crowell for elderly

residents and the home will offer the most modern facilities.

Mrs. Marie Townsend is administrator of the home and Mrs. Judy Faske is director of nurses. Mrs. Townsend said this week that about 18 persons will be employed at first by the home with others to be added as they are needed.

Each of the rooms in the home have a commode and lavatory. The lobby has color television and an electric organ for use in entertaining the guests. Worship services will be held in the dining area which has a piano. The most modern of equipment to assist the staff in caring for the residents has been installed, and the building is centrally heated and cooled.

R. D. Montgomery and Jack Burgess, who own nursing homes at Azle and Breckenridge, are owners of the Crowell Nursing Center. The building was built by R. W. McDonald of Abilene and he sold the local nursing center in August to the present owners.

Mrs. Townsend says she expects to start admitting residents on Monday, September 15.

GRANDDAUGHTER OF QUANAH PARKER VISITS HERE—Mrs. Marconi Eavenson of Amarillo, right, is pictured above with Mrs. N. J. Roberts of Crowell last Sunday afternoon as Mrs. Eavenson looked through a scrapbook of Mrs. Roberts' on Quanah Parker, famous Indian chief. Mrs. Eavenson, the former Teresa Parker, is a granddaughter of the Comanche chief. She was born at Lawton. Her father, Thomas (Little) Parker, died in Oklahoma a few weeks ago. He was the last surviving son of Quanah Parker. Mr. and Mrs. Eavenson of Amarillo spent the week end in Crowell visiting his aunt, Mrs. Howard Ferguson, and husband and other relatives.

Crowell Roping Club Sets Meeting

A called meeting of the Crowell Roping Club, has been scheduled for September 22, 1975, at The Crowell Community Center to begin at 7:30 p. m., county agent Garland Wiemers announced Tuesday.

A final decision will be made at the meeting as to a request by the Foard County 4-H Horse Club members and leaders to lease a portion of the property in order to build a 4-H Horse Club Arena.

Band Boosters to Meet Monday Night

The Crowell Band Boosters will have a regular meeting next Monday night, Sept. 15, beginning at 8 p. m. in the band hall.

All members are urged to attend.

Wildcats to Host Seymour Friday

The Crowell Wildcats host the AA Seymour Panthers at Dick Todd Field Friday night starting at 8 in the second game of the current season for both teams.

The Wildcats won 13-7 over Quanah last week while the Panthers were winning 6-0 over the Munday Moguls.

Seymour has five starters

from last year's team back for 1975. They looked real sharp in their two scrimmages the two weeks before the win over Munday. The Wildcats are shaping up well and also looked good in their pre-season scrimmages. A large crowd of Crowell and Seymour fans is expected to be on hand here Friday night for the contest.

RESPLENDENT in their new uniforms are the drum majors of the Baylor University Golden Wave Band. David Stapp (left), a senior from Crowell, and Tony Lewis, a graduate student from Hamlin, share the responsibility of leading the 200-member band during football game half-time performances this fall. Stapp, who is the son of Dr. and Mrs. Walter Stapp, is majoring in music education at the Baptist university. He also serves as a student director of the band and as its chaplain. He is a member of Phi Mu Alpha Sinfonia, national men's music fraternity.

County Hires Court House Custodian

Foard County commissioners okayed the payment of current bills at their Monday morning session.

Also approved was the hiring of Lupe Hernandez as custodian of the local court house.

The commissioners have recently redistricted the county and the new boundary lines for the precincts will become effective after the general election in November.

Many Foard County Young People Are Attending College

A large number of Foard County young people are attending college this fall and the News has been furnished information about the following:

Allen Dwain Crosby, son of Mr. and Mrs. M. L. Crosby, has enrolled as a freshman at Hillsdale Free Will Baptist

College in Moore, Ok.

Babs Streit is a junior music education major at Baylor University and is a member of the Golden Wave Marching Band. Her sister, Julie, is a sophomore piano major at Baylor. Julie was on the dean's honor roll for the spring semester. They are the daughters of Mr. and Mrs. James Streit.

Mr. and Mrs. Billy Hord are both students at Texas Tech. He is doing work on his master's degree in park administration and management and his wife is a junior botany major. He is the son of Mrs. Russi Hord and his wife is the former Janice Gray, daughter of Mr. and Mrs. Fred Gray.

Mr. and Mrs. Joe Haynie are both sophomores at Texas A&M University. His major is agronomy and Mrs. Haynie is an elementary education major. He is the son of Mr. and Mrs. Warren Haynie and his wife is the former Susan Autry, daughter of Mr. and Mrs. J. C. Autry Jr.

Miss Sharla Haynie is doing graduate work at Texas Tech in speech therapy. Miss Haynie, daughter of Mr. and Mrs. Warren Haynie, received the bachelor's degree in August with a speech pathology and speech therapy major.

Miss Rita Hodges, daughter of Mr. and Mrs. Gerald Hodges, has enrolled as a freshman at West Texas State University in Canyon.

Mr. and Mrs. Mike Winters have enrolled as sophomores at Vernon Regional College. He is the son of Mr. and Mrs. Richard Winters and his wife, the former Miss Brenda Graves, is the daughter of Mrs. Billye Gidney.

Steve Graves, son of Mrs. Billye Gidney of Crowell and Gordon Graves of Hauppauge, N. Y., is a sophomore at Vernon Regional College.

Vivida Alexander, daughter of Mrs. I. J. Jackson, is a senior music education major at Texas Tech University.

Daryl Halencak, son of Mrs. Frankie Halencak, is a junior student at Texas Tech.

DEMONSTRATION—I. J. Jackson, left, and county extension agent Garland Wiemers, right, are pictured standing in the cotton variety

demonstration at the Jackson farm on Pease River north of Crowell. Signs on the highway point to the demonstration and anyone interested is invited to look it over.

WALK-A-THON PARTICIPANTS—These 40 people made a Walk-a-Thon to help and back Saturday to raise funds for the Cystic Fibrosis Foundation. The boys in the front row are, left to right, Daniel, Ruben Santos and Dirk

Gentry. Back row, from left, are Sulema Santos, Pam Whatley, Dana Miller, Amie Brasher, Sherry Gray, Jana Glover, Delia Santos, Betty Cox, Rita Glover, Risa Winters, Dennis Setliff, Cindy Black, Grady Hinkle, Rita Hinkle.

Wildcats Win 13-7 at Quanah Last Friday

The Crowell Wildcats led the 1975 season on a high note Friday night of September 6 when they defeated the Quanah Indians 13-7 at home.

The Wildcats scored the first points of the game when they got the ball. Quarterback Marion Crowell told his weekly newsletter, "I kicked on the 21. With power they got to the end zone. Then QB Tom Templen—picked up 9 yards and one. Bell failed to gain. Third

down and still one. Swan (Ronnie) failed to gain; fourth down and still one. Coach Printiss Gidney refused to punt! And Swan came through on the next play with 9 yards and the first down. Four plays later (from the 13) David Bell broke through with tacklers falling all over the field and fought his way into the end zone for the TD. (6:41 left in the first quarter). Then David kicked the PAT and it's 7-0. Crowell, after a very business-like display of near perfect football."

In the second quarter, Rocky Glasscock punted to the Indians. A fumble recovered by Ernie Myers gave the Wildcats the ball on the Quanah 19. Three plays later, again from the 13, Bell ran over and through a host of would-be tacklers as he crossed the double stripe for 6 points. The try for point-after failed.

It was an uneventful third quarter with neither team scoring. Then with 2:03 showing in the fourth period, the Indians

scooped up a Wildcat fumble, and a few plays later scored on an 11-yard pass.

William Bachman and Melvin Westover were Wildcat standouts on defense.

SCHEDULE

Friday, Sept. 12—Crowell vs. Seymour at 8 at the Dick Todd Stadium.

WHAT KIND ARE YOU?

There are three kinds of students: those who learn from their own experiences—the wise; those who learn from others' experience—the happy; and those who learn from neither experience—the fools!

SPRIT OF '76

The Crowell Wildcats came home from Quanah last Friday night with a 13-7 victory! Everyone was so happy after the game. Congratulations, boys!!

We're going into our fourth week of school and some of the seniors are already wishing for school to be out. We sure are anxious to get that little slip of paper that says: "Graduate."

We want to wish our team the best of luck this week against the Seymour Panthers. Seniors say: "Send the Panthers Home!!!"

JUNIORS

The first week of the annual junior magazine sale was tremendous! The juniors want to thank everyone for buying magazines and ask

your continued support in our effort to raise money for the Junior-Senior banquet. We will be closing the sale soon, so if you need to renew your present subscription or take out one for yourself or for a gift, please contact a junior. Juniors say "Spin Seymour!"

SOPHOMORES

The sophomores would like to congratulate the football team on their win over Quanah!

In English II we are working on vocabulary and their definitions. In VA we are studying the breeding of livestock; in biology we are studying electrons; and in algebra we are studying the properties of mathematics. As you can see—we are busy!

The sophomores say "Sock Seymour!"

FRESHMAN FOCUS

Yeah for football. Friday we traveled to Quanah for our annual rivalry with the Indians. This week we were busy having lots of fun and excitement making signs and preparing for our first football game. Some freshmen got together and decided that because we are the youngest in high school and are often considered "low men on the totem pole" our freshman battle cry has a very big meaning to it after all. All the freshmen have very loud mouths when it comes to excitement, and here is what we yell...

- V—victorious and vicious.
- I—intelligent and inter-venient.
- C—courageous and capable.
- T—tolerable and tremendous.
- O—obligated and observant.
- R—rare and real.
- Y—young and yearning.

That's our freshman battle cry!

Friday let's all be observing the Wildcat team as they host the Seymour Panthers here at 8. Freshmen say, "Show 'em a little Cat Power!"

PEP SQUAD NEWS

Last Friday night, the Wildcats started off a good season as they went to Quanah and defeated the Indians 13 to 7.

The pep squad, cheerleaders, and fans cheered the team on, and the band did an excellent job as they performed at half time. This Friday, Sept. 12, the Wildcats will host the Seymour Panthers at Dick Todd field at 8. See you at the game! Pep squad says, "Prosecute the Panthers!"

Rotarians Hear About Make-Ups

Experiences while making up Rotary attendance were related by several members of the local Rotary Club at the Wednesday, Sept. 3, meeting. Marion Crowell was in charge of the program.

Rotarian W. F. Statser reported on a meeting of the project show committee last Thursday night in which the rules and regulations for the 1976 show were set. He added that a new division of the show will be inaugurated next year. It will be the stocker calf division in which a youth can buy a calf through a sale barn, run the animal on wheat for a time, and then enter the stocker division of the project show. Prizes would be awarded to winners in the division.

There were six visitors at the meeting: Rotarians B. R. Foster, Arthur Wade and Vernon Fulton of Quanah, Dan Perry of Temple and E. C. Carrew and Ronald Davis of Vernon.

SCREWORMS WERE WIDELY SPREAD ACROSS TEXAS IN AUGUST

Screwworms were widely spread across Texas, from Cameron County on the south to Wichita on the north; from Hudspeeth on the west to Brazoria, Walker and Houston counties on the east, during August.

More than half the 2,549 August cases came from southernmost counties where an unusually wet summer has led to great numbers of Gulf Coast ear ticks. As many as 60% of currently reported cases are coming from ears of cattle in this region.

The 5,676 Texas screwworm cases confirmed by laboratory identification by the end of August is second only to 54,769 in 1972 by this date in history of the U. S. Department of Agriculture (USDA) Screwworm Eradication for the program administered by the Animal and Plant Health Inspection Service (APHIS).

PEP SQUAD NEWS

The junior high pep squad traveled to Vernon to watch the football game between the Vernon Lions and the Crowell Wildcats. In the 8th grade game, Crowell was defeated 16-0. In the seventh grade game, they also lost 28-0. Next week they go to Seymour. Wildcats say "We're ready for the Panthers any day."

creamed potatoes, chilled applesauce with graham crackers, rolls, milk.

Tuesday: corn dogs, baked potato rounds, tossed salad, Jello salad, milk.

Wednesday: smoked links, little white beans, corn bread, spinach, cabbage slaw, peaches and whipped cream, milk.

School Board Asks Specifications, Bids on New VA Barn

The Crowell school board in its regular monthly meeting Monday night requested exact specifications and bids to be asked for construction of a 60x100 foot, V. A. show barn. VA instructor Don Welch has drawn some preliminary plans already for the proposed new building.

The board was informed by Supt. Larry Jones that Mrs. Betty LaFlower of Knox City, who was hired two weeks ago as instructor for the new LVN school, began her duties Monday and will spend the first six weeks in preparation to teach the school during the coming year. Anyone interested in attending the school should make application at the Texas Employment Commission offices in either Vernon, Paducah or Childress.

In other action, the board decided to dispense with any gasoline provisions for students in extra-curricular activities.

The school has placed new

numbers for parking spaces around the football field and school officials are urging everyone who has parking space for the games to show their ticket as they enter the field.

Before washing white shoe strings in an automatic washer, loop them through the buttonhole of a white garment and tie loosely, the extension service says.

The Foard County Agent Says...

By Garland Wiemers
County Extension Agent

An early evaluation of the eleven cotton varieties included on the I. J. Jackson farm was made this past week. Cotton varieties represented in the test include: Early Cot 32, Paymaster 18, Delta Pine SR-2, Blanco 3363, Lankart LX571, Lankart 611, Lankart 3840, Tamcot SP-37, Lockett 77, Lockett 4789A, and Lockett BXL.

This result demonstration is located along the Pease River east of Mr. Jackson's home. Road signs and variety signs have been placed to help those interested in finding the

demonstration. At the present time, those varieties which show the best fruiting include Early Cot 32, Tamcot SP-37, Lockett 77, Lankart 611, Lankart LX571, Lankart 3840 and Blanco 3363. Another evaluation will be made in late September. The test cotton will be harvested mechanically and ginned at the local gin to determine yield data.

Soil Testing Important
Proper rates of fertilization should be a major concern of producers who intend to plant small grains, winter pastures, or other fall crops.

High crop yields or successful grazing cannot be realized without adequate soil fertility and most soils in

Foard County are low in one or more nutrients. In most cases nitrogen and phosphorus. Soil tests are the most accurate indicator of what nutrients are available and which ones are in short supply and should be the basis for developing fertilizer programs.

If test results and recommendations are to be reliable, the soil sample must be carefully taken. Several cores or slices should be taken in the average field. The cores or slices should be placed in a clean container and thoroughly mixed before taking out the sample to represent the field.

Cartons for mailing the soil samples are available at the county agricultural extension agent's office as are

Page 4

Crowell, Tx., Sept. 11, 1975

instructions for taking samples. Cropping history blanks for reporting past uses of the tested area as well as crops to be planted in the immediate future are also available.

BIGGER CHECKS

Checks ranging from \$3 to \$174 will be mailed in September to 2.2 million disabled veterans and 320,000 dependents who qualify for increases in their disability compensation and dependency and indemnity compensation signed into law by President Ford on August 5.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11)

SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary, is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

effective January 1, 1979.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than the policy that the quality of the environment of the State of Texas is protected and established and the legislature is required to implement and enforce this policy. State funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reason for seaward beaches of the Gulf of Mexico coastal submerged belonging to the state held by the state in a perpetual trust for the people, and subject to reasonable limitations prescribed by law, public has the unrestricted right and benefit of beaches. The provision continued that, except otherwise provided by law, a rate of interest in excess of ten percent per year is usurious, and if a contract does not specify a rate of interest the rate under the contract may not exceed ten percent per year. Disposition against incapacitated persons is abated, and a goal state is established to provide every resident with adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Reddy's helpful tips for your Home Laundry

- Avoid wasting hot water while laundering. Use the cold and warm water setting as much as possible to cut down on the energy needed to heat water.
- Use the water level control on your washer. You should use less hot water for small loads.
- Follow detergent instructions carefully. Over-sudsing makes your washing machine motor work harder than it needs to.
- Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.

A way to save up to \$1500 of your taxable income.

It's your choice. You can go ahead and pay income tax on all of your earnings. Or you can create your own Individual Retirement Account (IRA), and pay little, or no current income tax on the amount you save... up to \$1500. You see, under the new Pension Reform Act, if you do not participate in a pension plan where you work, you can establish your own individual retirement plan with tax deductible dollars. That could mean up to \$15,000 in deductible savings over the next ten years.

This is important and valuable enough to be worth a little of your time... so Kansas City Life, The Lioness, would like to introduce you to one of our people who can help. Our people have an IRA Planning Kit which provides you with an easy way to make your plans. So just give one of our people a call, or drop us a line, and we'll make sure you get a copy.

Engagement Announced

Mr. and Mrs. J. C. Eavenson of Thalia have announced the engagement and approaching marriage of their daughter, Terri Jean, to Dow Lynn Nelson. Parents of the prospective bridegroom are Mr. and Mrs. Vance Nelson of Crowell.

The wedding will be an event of October 24 in the Bethel Church with Rev. Warren Everson officiating. Miss Eavenson is a senior in Crowell High School where she is a member of Future Homemakers of America. She is also a member of the Crowell Riding Club. The prospective bridegroom is a 1974 graduate of Crowell High School and is in business with his father in Crowell.

GAMBDEVILLE H. D. CLUB

The Gambdeville H. D. Club met Friday Sept. 5th for the first meeting of the 1975-76 year with the other clubs in a county wide meeting in the community center at 2:00 o'clock. Eleven members of the Gambdeville Club were present. Including the new officers-president, Mrs. Milburn Carroll; vice - pres. Mrs. James Sandlin and Secretary-treasurer Mrs. David Scott.

Sally Sowell was program leader and club members from each club brought the program in the form of skits - All you need to know about the metric system.

The measurements are: meter-distance, gram-weight and liter-capacity.

The next meeting of the Gambdeville club will be Sept. 19 at 2:00 p. m. in the home of Mrs. W. J. Garrett.

Everyone is welcome to attend-new member or visitor.

Mrs. Durham Is Speaker at WSL Meeting

Her involvement in the operation of a poodle kennel was explained by Mrs. Mary Durham at last week's meeting of the Women's Service League. She was introduced by Mrs. Glennie Owens, program leader.

Due to the work load, Mrs. Durham feels as if one must love animals to be successful in her vocation. Originally a hunting dog the poodle has no body odor and doesn't shed if well cared for. She stated they are a very intelligent breed and are capable of learning almost anything.

Mrs. Durham cooks chicken for her dogs every third day. She noted it is very important to keep the poodle's ears clipped and clean due to possible infection. Many of the local dogs are sold to pet shops in Florida. As well as the poodles, Mrs. Durham also has a few bulldogs and a ceramic shop.

The WSL has voted to provide some playground equipment for the city park. The organization also plans to piece a quilt for a fund raising project during the Bicentennial year.

CARD OF THANKS

Thank each and everyone of you for your thoughtfulness during my illness. The cards, letters, flowers and visits were greatly appreciated. A special thanks for your prayers.

Engagement Announced

Mr. Glen Bates of Paducah, announces the engagement and forthcoming marriage of his daughter Rebecca Mae (Becky), of Amarillo to Jackie Charles Eavenson also of Amarillo.

Parents of the prospective bridegroom are Mr. and Mrs. J. C. Eavenson of Thalia.

The couple will wed on Friday, October 10, at 8 p. m. in the First Baptist Church of Paducah. A reception will follow in Fellowship Hall.

Miss Bates is a 1974 graduate of Paducah High School and is presently attending Northwest Texas School of Nursing. Mr. Eavenson graduated in 1974 from Crowell High School and is presently employed by the Randell County Cattle Company. The couple will reside in Amarillo.

All friends and relatives of the couple are invited to attend.

Program on Metric System Presented

A countywide demonstration on the metric system was given Friday afternoon Sept. 5 at the community center at 2 p. m. by Miss Sally Sowell.

Miss Sowell had prepared charts illustrating the subjects--meter for distance, grams for weight, liter for capacity. She displayed a meter stick, a tapemeasure which used inches on one side of the tape and centimeters on the other, and a measuring cup with calibrations for ounces, cups and grams. Measuring spoons for grams were not available now.

Each H. D. Club presented a skit on - The liter, the measure of capacity; Riverside - The measure for Distance and Westside - The Gram for weight. It was also shown that prefixes are very important whether kilo or mille are used.

This meeting was a regular meeting for the clubs.

SENIOR CITIZENS

The senior citizens met Tuesday with 27 members and 6 guests present. Oma Minyard drew the door prize and Russie Hord was guest speaker.

The Thursday craft program will be with resin. Also there will be a lesson on making hanging pots. The program will be at 3. Sylvia Quintero will speak Sept. 16 on her trip to Washington, D. C. Other plans for the month will be country and western music Sept. 20 at 7:30. A picnic is planned for Sept. 25 at the state park. The senior citizens received a gift of a punch bowl from the Columbian Club. The bowl had originally belonged to Mrs. R. L. Kincaid.

BEGINNING AGAIN

Did you ever wish you could erase all of your past mistakes and start life all over again? No doubt you have done so many times. We cannot begin life anew, however, by wishful thinking. There are two ways of looking at beginning again. One is to become a child of God and the other is to come back to Him if you are an erring child of His. Let us look at the two ways of coming to Him depending on the need.

First, to become His one must be "born again" as Jesus said in John 3:7. Of course, Jesus was talking about a spiritual birth as He explained in the context. Paul wrote in 2 Corinthians 5:17, "Wherefore if any man is in Christ, he is a new creature: the old things are passed away; behold all things are become new." Hence the Christian is frequently called a "new man" in the New Testament. We cannot exchange our fleshly bodies for new bodies as long as we stay on this earth, but we can obtain the forgiveness of all of our sins before God, by which our past is blotted out and we begin life anew. In order to begin life anew one must do so according to the will of God. The will of God for the alien sinner has been explained in previous articles, therefore we will not do so at this time.

Second, if a Christian forsakes Christ, there is a way for him to come back. Jesus always stands with open arms, ready to receive us again. And let us face it, He has never left anyone but men sometimes leave Him. But how do we come back to Him? James tells the erring Christian what he must do in James 5:16, when he writes, "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much."

Thus we see how simple it is for one to become a child of God and how simple it is for one to come back to the Lord. Will you hear and heed the invitation of Christ?

Americans tend to think of money as their only valuable resource. However, it's important to look closely at another resource that we seem to have less and less of as we become busier and busier. That resource is time.

FOOTBALL
Three area teams played Friday and one Thursday. Crowell beat Quanah 13-7. Munday lost to Seymour 0-6. Knox City beat Rochester 12-0. Benjamin won over Trent 36-6.

CORRECTION
In last weeks news I said that visiting the C. C. Myers' and the Jamisons were Mr. and Mrs. Leonard Myers and Mr. and Mrs. Ricky Patterson and son. It should have Mr. and Mrs. Leonard Myers and son. Since the Pattersons have only been married about a month, you can see the questions that arose. I'm very sorry for the confusion and I hope nothing like it happens again.

Social Security News...

Students 18-22 getting social security checks should report changes in their earnings, school enrollment, and marital status to social security, according to Carl R. Beisner of the Vernon social security office.

Over 680,000 students 18 and over get monthly social security payments because a parent gets disability or retirement benefits or has died. Students can continue

to get payments to slightly beyond graduation—as long as they remain full-time and unmarried.

30 Years Ago in The News

News items below were taken from the Thursday, August 30, 1945, issue of The Foard County News:

Everything is in readiness for the opening of the Crowell Public Schools on Monday morning, Sept. 3, with a short program to be held in the high school auditorium. J. W. Bruce, president of the school board, will give a welcoming talk and Supt. Grady Graves will make the necessary announcements. The public is invited to attend the program.

The bounty being paid by the county on coyotes will end on Wednesday, Sept. 5, it was announced this week by the Commissioners Court.

The United States Navy's mighty 45,000-ton battleship, the USS Missouri, will end her World War II career in a blaze of glory August 31 in Tokyo Bay when she serves as the scene of the historic unconditional surrender of Japan to the United Nations.

The new Ben Franklin Store, which has been put in by Mr. and Mrs. J. J. McCoy on the west side of the square, will be complete and ready to open to the public Friday morning.

S-Sgt. Glen D. Goodwin arrived in Crowell Wednesday night of last week.

Dorothy, Margaret and Bryant Thompson of Black spent Sunday in the home of their aunt, Mrs. George Pruitt, and family at Margaret.

Mrs. J. M. Barker and infant son were brought to their home at Foard City from the hospital at Crowell Monday of last week.

Houston Adkins went to Mineral Wells Monday after his wife, who had undergone an operation in a hospital there last Monday.

Mr. and Mrs. Joe Smith and son, Joe Vernon, visited last week in Richland and Wortham. They returned Sunday.

Mr. and Mrs. Willie Garrett are the parents of a baby boy, William Dennis, who was born in a Vernon hospital on August 1.

Mr. and Mrs. Bob Beck, who have been residing in Sudan for several years, have moved their residence to Lubbock. Miss George Ann McFarland, who lives in their home will attend Texas Technological College.

Mr. and Mrs. Sam Kuehn and son, Ward, are spending a few days with his mother at Houston.

"That socialized medicine is not good for the country was clearly proved during the depression when Emergency Medical Relief was organized as an embryonic government agency," declared Dr. Samuel Barbash, editor of the Atlantic County, N. J., Medical Society Bulletin.

Sgt. Jack Thomas and Mrs. Thomas of Dalhart have returned home after a 20-day leave spent visiting here in the homes of their mothers, Mrs. R. J. Thomas and Mrs. T. L. Collins.

The West Texas Chamber of Commerce is advertising in Time Magazine, the Wall Street Journal and New York Times inviting the nation's industrialists to investigate West Texas as possible sites for new industry. The advertising is coming just as World War II ends.

Menswear coordinates—separates and leisure suits—complement today's need for multi-purpose, comfortable, attractive clothing. More casual looks and economic factors also influence traditional tailored suits and jackets to be less highly constructed, Mrs. Becky Culp with the extension service says.
