# Girls To Receive State FHA Degrees

Seven senior girls from Tahoka High will receive their state degrees of achievement at the state Future Homemakers meeting Friday morning, April 24. This is the largest number of girls from Tahoka to receive this degree. The recipients of this degree are: Yolanda Chapa, Connie Miller, Cathy Leverett, Sheila Tankersley, Donna Edwards, Vicky Owens, and Betty Owen.

The state FHA meeting will be in Austin this year April 22-24. Those who will be going from Tahoka are: Carol Thomas, Donnie Dudgeon, Staci Short, Yolanda Chapa, Connie Miller, Cathy Leverett, Betty Owen and Mr. and Mrs. Pete Hegi. Carol is our chapter president; Donnie is the chapter first vice president; and Staci is the new area FHA president. Three of the state degree recipients will not be able to attend because of district UIL play competitions.

The girls and their accomplishments are:

Betty Owen has served as president of the National Honor Society. First vice-president of Future Homemakers, class favorite her senior year, class president junior year, and student council representative her sophomore year. She has been a member of FHA for four years; NHS for three years; pep squad for three years, annual staff for two years, and honor graduate. She is an active member of the First Baptist church and is the daughter of Mr. and Mrs. Wes Owen. Connie Miller has been an active member in FHA for the last four years. She has served as FHA historian her senior year. She has been in band four years, speech club two years, and library assistant her junior and senior years. This

year she was selected as a teacher-aid. She is the daughter of Mr. and Mrs. Lionel Miller.

Cathy Leverett has been an active member of FHA for the last four years. The last two years she has held the offices of Recording Secretary and Second Vice-President. She has been a member of band for four years, a library assistant for three years, Secretary treasurer of the Library Club, member of Speech Club and held the office of Reporter in this Club. She has helped in the Junior High Office as an assistant. She was elected as a member of NHS, and held the office of Yearbook Chairman. Also, Cathy was elected as Class Favorite in her Freshman year. Cathy Leverett is the daughter of Mr. and Mrs. Clois Leverett.

Yolanda Chapa has been an active member of FHA for 4 years. The last 2 years in

FHA, she has been chapter treasurer and president. She was a member of the Basketball team freshman and sophomore years, and a member of Physical Education her junior and senior year. She received the Physical Education award her junior year. A pep squad member 4 years and vice-president her senior year. She was a library assistant for 2 years and president of the library club her senior year. Member of the Spanish Club her junior year. Member of NHS her junior and senior years. Secretary of her Junior and Senior Class. Elected to who's who her senior year. Is a member of St. Jude's Catholic Church. Yolanda is the daughter of Mr. and Mrs. John Chapa Jr.

Sheila Tankersley has been in FHA 4 years; Chapter Of-

ficers Jr. and Senior year. She has been in NHS 2 years. She has been in Student Council 1 year; class secretary her sophomore year; band 8 years; Cheerleader 1, 2, and 4th year; Speech Club secretary; UIL Speech play cast; Sheila was in the Junior Play and Senior play; office assistant 3 years; She is an active member of First Baptist Church; 4-H member for 8 years; runnerup in the State 4-H dress review and Past Worthy Advisor in Tahoka Rainbow Assembly. She is the daughter of Mr. and Mrs. Hubert Tankersley.

Donna Edwards has been in FHA 4 years. She is Chapter pianist and Chapter 4th vice president; participated in Band 2 years; a member of Speech club 2 years, Spanish Club 2 years; Speech UIL play, and Senior play. She has worked as office assistant 3 years. Donna is an active member of First Baptist Church and is assistant pianist and organist. She is the daughter of Mr. and Mrs. Robert Edwards.

Vicky Owens has been in FHA 4 years. She has served as Chapter Parliamentarian - Soph. years, Chapter Secretary Senior year. She has been a band member for 8 years; band projects chairman her senior year.

A member of Who's Who; Speech Club; Speech U.I.L. play Jr. and Sr. years; NHS member sophomore - senior years; Secretary senior years; She is the local MYF president and the district treasurer. Vicky has been in the Junior play and Senior play; Vicky is active member of First United Methodist Church and the daughter of Mr. and Mrs. Elmer Owens.

### Daylight Time Begins Sunday

Sunday morning, April 26, at 2 a.m. is the time to run your clock up an hour, as Texas goes on day-light savings time.

Daylight savings time will continue for six months, when you gain your hour back, you lost.

### Rabid Skunk Killed At Jack Hoskins'

A skunk was first seen on the Jack Hoskins' farm, west of Tahoka, about 2 p.m. Tuesday April 7. The family were talking about it acting funny around the dog. They heard a noise and Mr. Hoskins went to the back door and opened it and looked out. There on the back porch stood the skunk. Before he could shut the door the skunk sprayed him and the door. One of the boys ran out the front door to get the dog and there was the skunk on the front porch and he sprayed that door. As he started off they shot the skunk and he had rabies.

Billie heard about tomato juice being good to get rid of the odor and she tried it. She said it really worked.

Dr. Prohl wants to warn people about the polecats and urge you to shoot them.

### Tahoka Volunteer Fire Department Receives Check

The Tahoka Volunteer Fire Department received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Farmers Co-op Association No. 1, Box 698, Tahoka, Texas.

The money will be used for purchase of equipment.

The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

The Insurance Company believes volunteer fire departments have contributed to reduce the amount of loss involved by fire and more important, to prevent fires. It is their hope this money will help the Tahoka Volunteer Fire Department in their program.

VICKY OWENS

BETTY OWEN

### First Baptist Revival Services

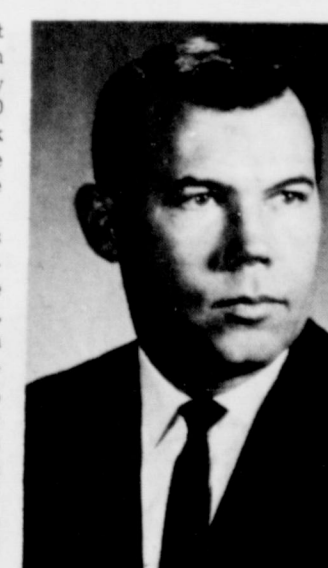

Revival Services at the First Baptist Church, Tahoka, begin Sunday at 10:55. The Sunday evening service will be at 7:00 p.m. Services during the week nights will all be at 8:00 due to the daylight savings time change.

Evangelist for the services will be Rev. H.M. "Mack" Farrington, pastor of the Belmore Baptist Church in San Angelo, Bro. Farrington was raised in and around San Angelo and became a Christian in Quannah, Texas. He surrendered to the preaching ministry in 1952 just before his senior year in high school in Lake View. He was licensed to preach in the Lake View Baptist Church and ordained in 1956 at Corinth Baptist Church in Anton, Texas. He attended Hardin-Simmons University and Southwestern Baptist Theological Seminary in Ft. Worth.

Farrington is married to Jean Ann Herring Farrington and they have two daughters, Carla D'Ann, 8 years old, and Terri J'Dale, 5 years old.

Bob Strait, Minister of Music, Youth, and Education at the Church will direct the music for the services. He is a student at Wayland Baptist College majoring in Music Education. He is past president of the International Choir at the school and a member of Phi Mu Alpha, a national honorary music fraternity. Strait served at Happy, Shallowater, Wilson, Dimmitt, and Olton before moving to Tahoka.

Strait's wife, Carol, teaches at Tahoka Junior High School. The Revival Choir will sing each night during the services as well as various other choral groups made up of church members. The Revival Choir will practice each night at 7:30 and all adults and youth are encouraged to participate. Mexican Dinners will be served

H. M. FARRINGTON

BOB STRAIT

to two groups during the meeting. The high school youth will be treated on Tuesday evening. The students in Junior High School will be fed on Thursday evening. Both suppers are at 6:15.

The Youth will have a Prayer Breakfast Wednesday morning at 7:15. They will also have a special time for visitation on Saturday morning at 9:00.

The whole church will participate in a Fellowship on Monday night in which a "spoof" on "Meet Bro. Farrington" will be given. All Church fellowships such as this find all ages enjoying each other.

Saturday night will be "Junior High Night". These students will fill the choir loft on this night and have a fellowship following the service. A Junior "Hot Dog Supper" will be held on Saturday at 5:00. There will be time for play, fun, and food. They will also sit together during the evening service.

You are hereby assured an invitation to participate in these services. Something good will

happen to you if you will. The singing and preaching are just what you need. Jimmy A. Turner is pastor of the church.

### Rainbow Girls Sponsor Supper

The Tahoka Rainbow Girls will sponsor and casserole-salad supper Thursday (tonight) April 23, following the parade. Serving will be between 5:30 and 7:30 p.m. in the United Methodist Church fellowship hall.

This is a charity project and admission will be \$1.25 for adults and 75c for children. Everyone is invited to attend.

John Slover, who had been patient in Methodist Hospital, was moved last week end to Ray's Hospitality Home in Lubbock.

### 10th Rodeo Will Start Today

The 10th annual Tahoka Rodeo will be held next weekend, April 23, 24, and 25, with each performance to be kicked off at 8 p.m. nightly. Heading up the festivities will be the "Big" little town parade to be held Thursday at 5 p.m. Some of the groups from out of town that will be in the parade will be Charcoal Cody, 7 riding clubs and posses, Kiva Shrine Motorcycle Club from Lubbock and Baton Twirling Club, consisting

of 30 girls from Slaton.

There will be a big rodeo dance held nightly in the Tahoka Community Center beginning after the Rodeo. The Westernaires

The big events of the Rodeo will be wild bull riding, bare back, saddle bronc, calf roping, Jr. ribbon roping (17 and under) barrel races, special events for under 10 years old and special events for other ages. From Post will furnish the music. They will also be here for

the parade.

There are 3 queen contestants this year. They are Aleta Powers, daughter of Mr. and Mrs. O.W. Powers, sponsored by Lions Club, Julie Robinson, daughter of Mr. and Mrs. Jack Robinson, sponsored by the Chamber of Commerce; and Debbie Renfro, daughter of Mr. and Mrs. C.J. Renfro, sponsored by the Rotary Club. Contact one of these girls for your rodeo tickets.

SADDLING HORSE NO PROBLEM... Leah Short, junior from Tahoka, Tex., does not think that saddling a horse is any problem, but she will learn "how to" again when she enrolls this fall in West Texas State University's new physical education course for women - elementary horsemanship. The course will be offered by the agriculture department.

**"TWO BITS WORTH"**  
BY JOHNNY VALENTINE

The Country Editor says the trouble with using tranquillizers is that a person finds himself being nice to someone he doesn't like.

TBW

The big Frontier Days Tahoka Rodeo will get a big send off this afternoon with the Big Little Town Parade. According to Maurice Small every riding club that was invited has agreed to be here except one and Maurice found out later that they didn't even have a riding club. That's a pretty fair award for anybody's parade.

Everyone resident of Lynn County is urged to wear western clothes Saturday and help give the town the atmosphere of the oldest. All merchants need to finish up their floats for the parade even if it is just a tractor or whatever. Let's all make this the biggest event ever in Tahoka.

TBW

Good old daylight savings time will be here again this Sunday, April 26. So Saturday night before going to bed set your clocks up one hour.

TBW

Three knife-wielding thugs attack a lone citizen in Fort Smith. At least 100 people witnessed the assault, and not a man raised his hand to stop the murderous attack. University students riot, attack a policeman and boo the dean. Troopers have to be called in to quell the riot. An anti-poverty society is organized in Philadelphia. Tahoka of violence are a threat to the morals of young readers. A priest from St. Louis speaks in Ireland, denouncing the police as "vermin" and proclaiming himself a "rebel at heart." Women protest the high price of coffee and men call for lower taxes. Sounds like headlines from today's newspapers. Guess again. These news items were hot off the press in 1937.

The paper was called Indian Journal and it was published in Buffalo, Indian Territory, by Dr. Leo Bennett, a Creek by lineage.

Are you interested in politics you should be. Here are things that you can do to get your voice heard.

Only party members, those who have voted in the primary, participate in Precinct, County or Senatorial District, State Conventions, or hold a party office.

Join a party by voting in that party's primary election.

Join a political club, or citizenship group that has political influence. Seek friends and neighbors that agree with your point of view.

Offer to work in the party of your choice.

Attend party meetings of all kinds.

By all means, attend your precinct convention. Have a plan of action and well organized support.

Select delegates to party convention who will represent your point of view.

Fight hard to get your candidate elected.

Let your elected government officials know what you expect of them. Communicate with them.

They are elected to represent you....

First Democratic Primary election is May 2nd, so remember to and voice your opinion at the polls.

## NEW HOME NEWS

BY MRS. W.W. DAVIES

Rev. and Mrs. Gene B. Louder attended a Lubbock and area McMurry College dinner meeting Thursday night of last week in Lubbock.

Attending services at the New Home United Methodist Church Sunday morning were Mr. and Mrs. Clyde Beck and their son, Russell of Vera, their daughter Cozette and two nephews and one of their wife, Mr. and Mrs. Billy Beck and Danny Beck students at Texas Tech University, Lubbock. They are former members of Rev. Gene B. Louder when he was pastor of the Methodist Church in Vera.

Mrs. Gene B. Louder and Monte and her mother-in-law, Mrs. Earl H. Louder of Lubbock visited Thursday with her mother, Mrs. Lester LaGrange who is a patient in the South Plains Hospital in Amherst.

The all sports banquet was held Monday evening, April 13, in the New Home School Cafeteria. Invocation was given

by Rev. Waylon Bruton, welcome School Supt. Russell Howle; Robbie Gill was master of ceremony. Clarence Nieman and Marlo Rudd entertained with musical numbers and singing. Athletic awards were presented by Coach Zay Lafever, Asst. Coach Melvin Chism, Basketball Coach Melvin Williams and Russell Howle.

A fine dinner of chicken fried steak, baked potatoes, green beans, salad, cherry cobbler, coffee or tea was served to 215 paid guests and all athletes free. Joe D. Unfried introduced the guest speaker, Mr. Bob Bass, head basketball coach at Texas Tech.

Mrs. Delbert Mouser has been with her mother, Mrs. Clarence Benton of Spade, who underwent major surgery in Methodist Hospital last Monday. She is out of intensive care unit and doing fine. The tornado which struck near Spade Friday night missed the Bentons home about a quarter mile.

## THE PHILOSOPHER

### Far-Out Ideas

(Editor's note: The Sandhills Philosopher on his Johnson grass farm lives up to his promise of last week, possibly.)

Dear editor:  
In case you've forgotten, in my letter last week I promised to figure out something for the 50,000 people being let off by the space agency to do.

As you know, the space agency has decided by popular demand that one trip to the moon after another from now on is more than the people are interested in paying for, so it has let off 50,000 of its workers and cut back some of its programs.

Now here we've got a fine group of trained, skilled people who have demonstrated, with the amazing success of the moon shots, that they know how to concentrate on a problem and whip it brilliantly.

Why let them scatter to the far reaches of the country and hunt up other jobs that won't challenge their full abilities? Why not keep them intact and put them to work on something as challenging as the first two moon shots were?

Of course, it has to be something within the realm of the possible. No use assigning them the job say of ending wars. Everybody knows the way to end wars is to

change the brand of human beings we've got, which is like saying the way to end hurricanes is to change the brand of weather we've got. Pollution? That problem is too big too. I figure the answer to pollution is people and the more people you have working on it the more pollution you've got.

Remember, 50,000 is a relatively small figure in a population of over 200 million, so let's put them on a relatively small problem.

I'd like to see them tackle the problem of tin cans and bottles. I've forgotten how many million tons of cans and bottles this country is throwing away every year but it's enormous, judging by the ones on the road near this grass farm, and a hundred years from now we'll all be up to our ankles in the things, not to mention where 200 years from now.

What this country needs is a tin can that disintegrates 15 minutes after you open it and a bottle that melts when you're through with it. Also, while they're at it they ought to work on a plate you can eat for dessert and a cup and saucer you can crumble up for dog food.

If you don't think this idea will work, remember I don't either.  
Yours faithfully,  
J. A.

Mrs. Morris Russell is visiting her nephew Charlie Parr and family in Arlington.

Several from the New Home Methodist Church attended the Lay Witness Mission held Friday, Saturday and Sunday at the Tahoka Methodist Church.

We spent Saturday night and Sunday in Snyder with our daughter Mrs. Wayland Walton and family. Sunday guests in the Walton home were Mary Ellen James, New Home; Mr. and Mrs. Gerald Walton, Houston; Jack Inman, Snyder; Mr. and Mrs. John Inman of Abilene; and Mr. R.C. Walton of Snyder.

I drove to Lamesa Monday and had dinner with my sister and brother-in-law, Mr. and Mrs. M.M. Shearer. My niece Mrs. Willard Tapley of Welch also visited with us there.

Miss Menette Maloney went by plane to Jennings, Louisiana recently to visit her sister, Mrs. Bobby Killough and family.

Mrs. Ross Robinson Sr. and her daughter-in-law, Mrs. Ross Robinson, Jr. both of Eunice, New Mex. visited here Wednesday with Mr. and Mrs. Marlo Rudd.

Mrs. Sandra Workman was in Mercy Hospital in Slaton two days last week.

Mr. and Mrs. Luther Rogers from Brownfield visited here one day last week with her niece Mrs. C.B. Nowlin.

Mrs. Thurl Swinson has been in Nashville, Tenn. for 10 days with her daughter, Mrs. Don Moore and family.

Miss Karen McNabb started work this Monday morning at therapy technician No. 1 at the new State School in Lubbock.

The New Home United Methodist Church will have Charge-Conference next Sunday morning. The District Superintendent of the Brownfield District will be in charge. He will also deliver the morning mes-

sage. Following the worship and conference there will be a church-wide covered dish dinner in the fellowship hall of the church. The pastor, Gene B. Louder urges all members and friends of the church to make plans to attend this important service of the church.

Mrs. Forest Raymond of Wilson spent Wednesday and Thursday here with her daughter, Mrs. Donald Hancock and family.

Mr. and Mrs. John Edwards, John Dudley and Mitch Clem were at Lake Stamford last weekend.

Saturday Bob McAllister and

Joe Mac Armontrout flew over the path that the tornado made on Friday night, and they say that one has to see to believe

the devastation left by the storm Friday night. Seems a miracle that more lives were not lost. Many people here have

relatives and friends in that area but so far we have had no report of any serious damage from them.

Roy Smith and Ronnie Farr won first place in doubles at the interscholastic tennis meet in Brownfield last Tuesday.

### TAHOKA MENU

MONDAY: Bar-b-q on beans, English peas, fresh mushroom salad and raisin cake.

TUESDAY: Baked ham, buttered potatoes, green bean tossed salad, rolls and apple sauce.

WEDNESDAY: Chili con carne, fiesta rice, buttered corn, bread, orange juice, and pecan butter cookies.

THURSDAY: Frito pie with cheese, black-eyed peas, buttered carrots, rolls and plum pudding.

FRIDAY: Hamburgers, French fries, lettuce, onions pickled and purple plum cobbler.

E.A. RAWLINGS

Mrs. R.B. McCord visited with her daughter and son-in-law, Mr. and Mrs. C.F. of Grassland. Mrs. McCord is reported feeling very well.

Mrs. Grace Norman, Miss Beulah Tew, and Mrs. Mary in Post on Wednesday of last week.

Craig visited with Mrs. J.W. Inklebarger last Tuesday evening.

Mrs. E.L. Short and Mrs. C.E. Short attended the Chamber of Commerce Banquet at Plains. They reported having an enjoyable evening visiting with...

The Leonard Gribbles reported a wonderful trip over in East Texas at Bonham. They also went to Tyler where they saw azaleas in full bloom.

Mrs. Amos Gerner and Mrs. Ruby Claborn visited on Thursday evening with Mrs. Emma Mueller until bedtime.

Mrs. Amos Gerner reports that her little granddaughter, Kim, six weeks old, who lives with her parents in Houston, has been ill with pneumonia but is better at this writing.

Leona and Pattie Pendleton from Brownfield, Karen Craig from Tahoka, and Pearl Herman of Lubbock visited with Mrs. Mary Craig Sunday evening.

Mrs. Amos Gerner and Mrs. Ruby Claborn visited with Laura Gerner in Lubbock last Tuesday.

Mrs. Amos Gerner visited with her mother, Mrs. O.F. at Twin Cedar Rest Home.

ing.

Cindy Laws spent last Wednesday with Mrs. Mary Craig.

A fine crowd was reported present at the Grassland Co-op Meeting on Monday evening. Everyone enjoyed a wonderful supper.

## Pre-school Day To Be April 24

A Preschool day will be held for next year's beginning students on Friday, April 24. This is for next year's first graders and these children must be 6 years of age on or before September 1, 1970. Registration will be from 8:30 until 9:00 in the all of the South Elementary Building. After the registration the parents will assemble in the lunchroom for refreshments and an orientation meeting.

These pre-school children must be accompanied by a parent or other responsible adult and must be picked up at 11:45 in the hall of the First Grade Department. There will be no bus room for these children, and they must not come on the bus with older brothers and sisters, expecting to spend the day. Parents may eat dinner in the lunchroom for 45c and the children may eat for 35c.

The regular First Graders will not attend school on this date.

## Mrs. Brunett Seeks J.P. Office

Attention Voters of Pct. 4 Mrs. Sceanie Brunette candidate for Justice of Peace, Precinct 4.

I believe I have the experience necessary to fill the office I am seeking.

Due to my recent illness and stay in the hospital I will not be able to see each of you personally. Please except this as your invitation to vote for me on May 2. Your vote and support would be appreciated. Thank you, Mrs. Sceanie Brunette

## Effort Needed To Control Weevils

A coordinated effort is the key to halting the westward movement of the boll weevil on the High Plains, says County Agricultural Agent Bill Griffin. Ways and means to bring about this coordination were discussed at a recent meeting in Lubbock. Attending were county agricultural agents from counties bordering the Caprock both above and below, and from counties in the southern part of the South Plains.

Also present were officials of Plains Cotton Growers, Inc., Texas Department of Agriculture, Plant Protection Division, Texas A&M University Agricultural Research and Extension Center at Lubbock, and the Extension District 6 office in Fort Stockton.

Most of the discussion centered around the diapause boll weevil control program which was initiated in the fall of 1964 and which has been conducted each fall since then.

A lack of funds the past two years has hampered the program, points out Griffin, but this should not be the case this fall. Actually, available funds in 1968 and 1969 were spread too thin by trying to halt the outbreak of weevils in counties outside the control zone. Thus the control program was less effective than in its earlier years.

Griffin points out that it is important to control the movement of boll weevils in the southern and western counties. If the weevils gain a foothold in these counties, they will march right across the South Plains.

The need to keep officials of the Plant Protection Division in Lubbock informed of detection of weevils or weevil damage is especially critical, emphasizes Griffin. He urges all producers in the county to check their cotton closely at regular intervals during the season and to report any findings to his office.

Pheromone traps will be located throughout the nearly infested area in an attempt to monitor weevil movement. As in past years, survey teams will be working throughout the control zone and in neighboring areas to keep a close check on the weevil situation.

Twenty-three survey teams of two men each will spring into action about July 15, explains Griffin. When weevils or weevil damage is detected, a white flag will be placed at that location in the field. If weevil infestations are heavy at these locations, an in-season spray program may be necessary, adds the agent.

If weevil infestations are found early in the season, producers will be urged to carry out a limited spot treatment spray program, says Griffin. This method of treatment has proved successful in preventing the spread of weevils before the period of peak weevil movement which is usually about mid-August. Spot treatment also has less harmful effects on the beneficial insect population in the field. Carbaryl (Sevin) is one of the safest materials to use for spot treatments with a ground spray rig.

If all goes according to plan, the diapause spray program will get under way about September 1, adds Griffin.

He urges all farmers to be sure to sign a permit with the Texas Department of Agriculture before this time. These permits can be obtained at the county agent's office.

## Guests Attends Dulin-Duke Wedding

Out of town guests attending the wedding of Jimmie Lou and Curtis Duke were Mr. and Mrs. Jerry Collins, Mr. and Mrs. Curtis Collins and Steve, of Brownfield; Mr. and Mrs. W.T. Lemon, Mrs. Barbara Martin, Mrs. Louis Shambeck, Mr. and Mrs. Alvin Shambeck, Mrs. Willie Shambeck, Debbie and Brenda, all of Lubbock; Vernon Lusk Brooks Muhare and Mr. and Mrs. Gary Williams of Reese AFB; Mrs. Glenda Sparkman of Killeen, Mrs. Jeannie Stice of Brownfield, Mr. and Mrs. Glen Williams and Randy of Muleshoe; Mr. and Mrs. Robert Cocken of San Antonio, Mr. and Mrs. Cyrel Reasoner and Mr. and Mrs. Wendell Morrow of Lubbock; Mrs. Mabel Duke, Miss Jessie Duke, Mr. and Mrs. Walter Duke and daughters of Houston.

It took 53 man-hours to produce 100 bushels of corn twenty years ago. By the mid-sixties, the number had been cut to six.

## Linda Huffaker, CHD Agent, Says.....

Hearings are expected this spring on a congressional bill to require dating of perishable and semi-perishable foods on a grocer's shelf so shoppers can tell the product's age.

Most items sold in a supermarket carry a coded date to help store employees.

Most customers know the codes exist but they don't know what they mean.

"Any identical coding between chains is purely coincidental and codes change as frequently as once a month--and probably sooner, if publicized," according to Representative Leonard Fargenstein of New York. He introduced the bill (HR 14816) in November.

Consumers could push for voluntary dating at grocery stores in their communities until a law is passed.

In 1964 a manufacturer of women's apparel needed about 3.2 square yards of cotton to make a skirt. In 1968, he used only 1.9 square yards of fabric for a skirt. The current word on

lowering the hemlines will directly affect the cotton textile industry and the man-made fiber manufacturers.

In 1970, Americans will use two hours and 43 minutes of their eight-hour workday to meet their taxes. This is nine minutes more than in 1969. In 1966, they worked two hours and 19 minutes to meet taxes.

RECIPE FOR THE WEEK  
Praline Cheesecake:  
1 cup graham cracker crumbs  
3 tbs. margarine, melted  
3 tbs. sugar

3 8 oz. pkgs. cream cheese  
1 1/4 cups dark brown sugar, packed  
2 tbs. flour  
3 eggs  
1 1/2 teaspoons vanilla  
1/2 cup chopped pecans

Combine crumbs, margarine and sugar. Press onto bot-

tom of 9-inch spring pan. Bake at 350 degrees, 10 minutes. Combine softened cream cheese, sugar and flour, mixing until well blended. Add eggs, one at a

time, mixing well after each addition. Stir in vanilla and nuts. Pour batter over crust. Bake at 350 degrees, 50 to 55 minutes. Loosen cake from rim of pan; cool before removing from pan. Chill. Brush with maple syrup and garnish with pecan halves, if desired. Serves 10 to 12.

Nearly three-quarters of the nation's agricultural graduates now come from cities according to New Holland, the farm equipment division of Sperry Rand.

Four members of the Tahoka High School Student Council attended the 39th Annual Texas Association of Student Council Convention at Austin April 9, 10, 11. The theme of the Convention was "The Shape of Things to Come." Attending were Robert Montemayor, Carol Thomas, Ladd Roberts, Tommy Hale and Mr. Don Coats as Sponsor. They attended workshops and learned how to promote and entuse students in more activities. They had a very nice time and came back with work on their minds.

# Little Cliff Bids For Halfback Slot

Replacing Larry Stegent A&M's top running back the past two seasons, is one of the key concerns during the Aggies' spring football drills these days. Winning an offensive halfback's berth is the top concern for Clifford Thomas, a six-foot, 190-pound battler from Tahoka out in West Texas.

Clifford, better known as "Little Cliff" around Aggietland to distinguish him from Clifton "Big Cliff" Thomas, a 6-5, 234-pound linebacker from Tidehaven, was a great all-around athlete at Tahoka High. He played halfback and linebacker and made all-district and all-South Plains both ways. He also played basketball and ran the intermediate hurdles and broad jumped in track.

When he came to A&M, he specialized as a linebacker on the 1968 Fish team that went unbeaten. He started out last spring at the same position but was later shifted to offense and played both tailback and fullback. This spring he is concentrating on the right halfback spot.

Little Cliff can run the 100 in 10.4 flat and he moves with balance and power when he has the football. He's known as a fierce competitor, and that's what it'll take to eventually win the starting halfback slots this coming season.

The son of Dr. and Mrs. C.S. Thomas of Tahoka, Cliff had a high school grade average of

91, was a member of the National Honor Society and president of the student council. He is a pre-vet medicine major at A&M and plans to become a veterinarian.

He only carried the football four times last season and gained nine yards while earning his letter as a sophomore.

But, with two more varsity seasons ahead, you can look for Little Cliff to make his presence felt in the Aggies' offensive backfield.

## S.C.S. District Host Breakfast

The Lynn County Soil and Water Conservation District was host for a breakfast and tour for the ministers of Lynn County in preparation for Soil Stewardship Week, May 3 to 10. The event was attended by seven ministers from New Home, Wilson, O'Donnell and Tahoka.

Following the breakfast and discussion a slide talk, "Conservation of Our Local Resources", was given by Allen Sheppard of the local Soil Conservation Service office. The group then went on a tour stopping at the W.T. Davis farm to view parallel terraces already

constructed and the B.W. Baker farm where terraces were being constructed. Other conservation practices such as Cover Crop, Strip Cropping, Residue Management were also observed during the tour.

Mrs. Janis Chandler left Tuesday morning for Hawaii to visit her husband, Mike who will be on his R&R. He is stationed in Vietnam. He has been injured 3 times while there, but none very serious.

**LITTLE CLIFF** - Clifford Thomas is one of the top candidates in the Texas A&M spring drills for one of the starting halfback slots. He carried but four times last season but could see a lot more action when the Aggies open with Wichita State in the fall.

## Athletic Banquet Set Saturday

The Tahoka High School Athletic Banquet will be held Saturday night, April 25th, at 8:00 p.m. in the School Cafeteria. Cliff Thomas, former Bulldog Great and now an Aggie Footballer, will be the speaker while entertainment will be provided by Bobby Strait, Music

## Old Settler Committee Meet

A special planning meeting for the Annual Lynn County Old Settlers Reunion will be held Friday night, May 1st at 8:00 p.m. in the Directors Room of Lyntegar Electric Cooperative.

Committees will be appointed and a definite date for the Reunion will be set, according to Ed Redwine, President of the Reunion.

Persons interested in helping plan and develop this years reunion are urged to attend this meeting.

This years reunion will be especially significant because of a Historical dedication and the possibility of the Governor naming a "Lynn County Week."

Other officers of the Reunion include: Maurice Huffaker, Vice-President; and Mrs. Frank (Lois) Greathouse, Secretary-Treasurer.

## Draw H.D. Met In Ready Room

The Draw Home Demonstration Club met their scheduled April meeting. The meeting was held in the Southwestern Public Ready Room. Mrs. Lambright, President, presided over the meeting. Roll call was answered by naming something money can't buy. The Lynn County Stock Show concession was discussed and the meeting for April 16, which was held at the Lyntegar Room on Money Management was also discussed. The Drawclub were to be responsible for the refreshments. After the business meeting, the program was turned over to Mrs. Xie Collins, Home Service Advisor for Southwestern Public Service. Her program was on small electrical appliances. She demonstrated the electric skillett, electric blender and the electric fondue pot. She fixed recipes and after the meeting served them to the Club women. Xie also demonstrated the electric knife.

The meeting was very interesting and new information was learned by all about electrical appliances.

Three visitors were present for the meeting.

## New Home Church Continues Study

The United Methodist Church at New Home will continue their study on Narcotics this Sunday night, April 26, at 7:30 p.m. in the church. Persons in charge

of the study are Mrs. Stewart Rice, Mrs. Gene Eades, Mrs. Leland White, Lit H. Moore, Jr., and Rev. Gene Louder, pastor.

The series began last Sunday night in the Baptist Church with the Rev. Richard Blain as speaker. He has done extensive work with dope addicts in Fort Worth. This Sunday night Rickey Alexander, a Junior in a Lubbock High School will be the speaker. He is on Mayor Rogers council on Drug Abuse.

May 3, the speakers will be Dr. H. Eugene Brown and Mr. Dale Miller. May 10, Captain Bill Cox of Lubbock Police Department will be the speaker.

Everyone is invited to attend any or all of the service.

**THE GLORYLAND QUARTET...** According to pastor Tyler of the Assembly of God Church in Tahoka, The Gloryland Quartet will perform here Saturday, April 25, at 7:30 p.m. The public is invited.

TEXAS PRESS ASSOCIATION

State Welfare costs may goup sharply next year if Congress passes a new Medicaid bill.

State Senate Committee on Welfare Reform heard estimates that Medicaid amendments alone will require at least \$25.9 million in additional state outlays during the coming biennium.

Burton G. Hackney, State Welfare Commissioner, predicts President Nixon's Family Assistance Plan of legislation might cost Texas a minimum of \$22 million more each year and double the number of children on state aid rolls.

Senate committee heard estimates that Medicaid changes will, at best, be in debt \$13.5 million come January. That's the amount Gov. Preston Smith transferred to welfare from medical school construction funds to head off the scheduled April 1 cut in payments to the needy.

If rough estimates presented

the committee are correct, the legislature will be looking at an increase of \$70 million for new programs during the next fiscal period-not to mention another \$20 million "catch-up" money carrying over from the current biennium.

If Congress places mental retardation under new limitations for inpatient services, the state could end up with another \$9 million a year in new obligations, plus \$8.2 million in unexpected expenses for the present fiscal period.

SCHOOL FUND- Largest single piece of income for the Texas permanent school fund, \$139 million, has been assured. After 11 months of discussion, School Land Board accepted a unitization agreement on the high new sulphur deposit found in Culberson County by the Duval Corporation of Houston. Deposit is the second largest in the world. It contains \$1 million long tons of sulphur.

Agreement involves the drilling of 6,000 wells.

High bids on public school land oil and gas leases totaled \$33.1 million, representing an average of \$36.84 an acre. Twenty two per cent of the acreage sold was in El Paso and Hudspeth counties. Land lying in Loving and Ward counties brought a bid of \$120,006, topping all others.

Second highest bid of \$113,040 was on a 1,440-acre tract of submerged coastal lands in Jefferson County.

Third highest was \$110,053 for 411 acres in Reeves County.

Receipts from the sale boosted the permanent school fund to \$839.6 million, for total increase of nearly 86 per cent in last decade.

COURTS SPEAK-Third Court of Civil Appeals held the 1969 law giving tobacco distributors 15 days to pay for cigarette tax stamps is constitutional, but State Treasurer Jesse James said he will appeal.

State Supreme Court refused the request of Fred Williams, Houston, to force Land Commissioner Jerry Sadler to make public veterans' land loan applicants.

In other actions the Supreme Court:

Set May 6 arguments on liability of an insecticide firm for damages in the death of a Colorado County child who swallowed bug spray.

Held there was no conspiracy in an alleged breach of contract involving a fishing fleet and an Ecuadorian seafood pack plant.

Refused to review a Dallas furniture company's challenge of the Sunday closing law.

APPOINTMENTS - Governor Smith named eight members to the American Revolution Bicentennial Commission. They are Mrs. Marcella Perry of Houston, John T. Steen of San Antonio, Dr. George Ruble Woolfork of Prairie View, Mrs. Ina May McAdams of Austin, Sam Kinch of Austin, Charles Ray Richeson of Dallas and Frank Tolbert of Dallas.

Smith also made these appointments:

Hospital Advisory Council-Edward S. Reese of Gonzales, Jesse H. Oppenheimer of San Antonio, Robert P. Gordon of San Angelo, Charles M. Kennedy of Texarkana, Sister Mary David of Houston and George David Trader of Robstown.

Interim Committee on Aid to Private Education - Manuel C. DeBusk of Dallas, Ben R. Howell of El Paso, Sister Margaret Evans of Houston, Jack McIntosh of Austin and Dr. John Moseley of Sherman.

Commissioners of the National Conference on Uniform State Laws - Tom Martin Davis of Houston, Talbot Rain of Dallas and Millard H. Ruid of Austin.

State Board of Chiropractic Examiners - Dr. S.M. Elliott of Dayton.

Gulf States Marine Fisheries Commission - John A. Mehos of Galveston.

Farm-Ranch Study Committee Claude K. McCan Jr., Victoria; James M. Price, Corpus Christi; Joe Key York Jr., Kinney;

Joe David Rankin, Ralls; and Frank H. Lewis, Bay City.

Smith named 75 to serve on governor's advisory committee on children and youth to plan state participation in the White House conference on children and youth.

AG RULINGS- Atty. Gen. Crawford Martin says, in an opin-

## The Missing Day In Time

Did you know that the space program is busy proving that what has been called "myth" in the Bible is true? Harold Hill, president of the Curtis Engine Company in Baltimore, Md., and a consultant in the space program, relates the following development:

"I think one of the most amazing things that God has for us today happened to our astronauts and space scientists at Green Belt, Md. They were checking the position of the sun, moon, and planets out in space, where they would be 100 years and 1,000 years from now. We have to know this so we don't send a satellite up and have it bump into something later on in its orbits. We have to lay out the whole orbit in terms of the satellite, and where the planets will be so the whole thing will not bog down!

They ran the computer measurement back and forth over the centuries and it came to a halt. The computer stopped and put up a red signal, which meant that there was something wrong either with the info fed into it or with the results as compared to the standards. They called in the service department to check it out and they said, "It's perfect." The IBM head of operations said, "What's wrong?" The IBM said, "What's wrong?" Well we have found there is a day missing in space in elapsed time. They scratched their heads and tore their hair. There was no answer.

The religious fellow on the team said, "You know one time I was in Sunday School and they talked about the sun standing still." They didn't believe him, but they didn't have any other answer so they said, "Show us." So he got a Bible and went back to the book of Joshua where they found a pretty ridiculous statement for anybody who had "common sense." There they found the Lord saying to Joshua, "Fear them not, I have delivered them into thy mind; there shall not a man of them stand before thee." Joshua was concerned because he was surrounded by the enemy and if darkness fell they would

over power them.

So Joshua asked the Lord to make the sun stand still. That's right! The sun stood still and the moon stayed and lasted not to go down about a whole day!"

The space men said, "There is the missing day!" Well, they checked the computers going back into the time it was written and found it was close but not close enough. The elapsed time that was missing back in Joshua's day was 23 hours and 20 minutes - not a whole day. They read the Bible and there it said, "about (approximately) a day." JOSHUA 10: 12-13.

These little words in the Bible are important. But they were still in trouble because if you cannot account for 40 minutes you will be in trouble 1,000 years from now. Forty minutes had to be found because it can be multiplied many times over in orbits.

Well, this religious fellow also remembered somewhere in the Bible where it said the sun went backwards. The space men told him he was out of his mind. But they got out the Bible and read those words in II Kings, chapter 20, Hezekiah, on his death-bed, was visited by the prophet Isaiah who told him that he was not going to die. Hezekiah did not believe him and asked for a sign as proof.

Isaiah said, "do you want the sun to go ahead ten degrees?" Hezekiah said, "It's nothing for the sun to go ahead ten degrees, but let the shadow return backward ten degrees." Isaiah spoke to the Lord and the Lord brought the shadow ten degrees backward! II King 20:10-11.

Ten degrees is exactly 40 minutes! Twenty-three hours and 20 minutes in Joshua, plus 40 minutes in II Kings, make the missing 24 hours the space travelers had to log in the logbook as being the missing day in the universe! Isn't that amazing? Our God is rubbing their noses in His TRUTH!

ion requested by Wiley L. Cheat-ham of Cuero, that a Justice of the Peace may conduct court on criminal cases on Sundays. He added that he also could enter judgments and sentences and collect fines on Sundays.

In another opinion, Martin ruled that Commissioners Courts may enter into contract with the U.S. to administer job training programs under a concentrated employment project.

FEDERAL - STATE GRANTS MADE - Office of Child Development grant of \$208,594 in new federal funds went to Bee County Community Council for Head Start school programs in Beville, Goliad and Pettus.

A federal recreation grant of \$126, 800 has been approved for acquisition of 15.5 acres of land to enlarge Pasadena's Memorial Park.

Governor approved an \$11,250 regional planning assistance state grant to Ark-Tex Council of Governments, Texarkana, and a \$22,190 planning grant to El Paso C.O.G.

SHORT SNORTS--Highway Commission has told the U.S. Department of Transportation it will not make any more studies about possible routes for the North Expressway in San Antonio and asked for 50 per cent aid to help build the road.

Victoria, Harris, LaSalle and San Patricio counties have been added to the list of those with brucellosis control programs by the U.S. Department of Agriculture and the State Animal Health Commission.

Aeronautics Commission staff has recommended that 28 cities in the state be provided intrastate cargo-only air service and approved four companies to serve them.

Governor Smith has accepted the resignation of District Judge Sterling Williams of Snyder, but is not expected to appoint anyone to the post until after the district Democratic com-

student presidents. Parks & Wildlife Department is asking cities and counties along the Gulf Coast to submit applications in May for participation in the beach cleaning and maintenance assistance program enacted by the last Legislature.

Other new officers include: John Deering, 1st Vice-President; Bill Stewart, 2nd Vice-President; Jerry Slover, 3rd Vice-President; Wendall Patterson, Secretary; Jack Jackson, Treasurer; Al Lehman, Lion Tamer; and Ed Redwine, Tail Twister.

Directors elected were: Pat Patterson and Lional Miller, 2 Year Directors; Joe Brooks, 1 year Director; Hilton Wood, Hold Over Director and Bill Chancy, Past President.

The new term of office will begin July 1.

The Club is anxiously awaiting news of the District 2-T-2 Contest Standing. Although the club got a late start in the contest, many members feel that a 2nd place position for the club could be a real possibility. Contest winners will be announced before the District convention to be held in Lubbock May 14, 15 and 16.

tee has selected its nominee for the May 2 primary.

Tax revenue from smoking increased more than \$4.5 million last month, over March 1969, due to the increase from 11 cents to 15 1/2 cents a pack on cigarettes.

Governor Smith has called an April 16-18 conference of college

## Lions Club Elects New Officers

There were many various activities the club could perform to gain points in District standing. For the local club, activities included a trip to the Crippled Children's Camp at Kerrville, special community oriented projects, visits to 33 neighboring clubs, sponsorship of an Exchange student to Sweden, a fund raising project for C.A.R.E., and an entry in the District Queen's Contest. The Lions Club meet Wednesday at noon at the Tahoka Cafeteria. Visitors are welcome.

## Roberts Observe 50th Anniversary

Mr. and Mrs. Oscar C. Roberts, Lynn county residents since early childhood, observed their Golden Wedding anniversary last week by entertaining their immediate family at the Sunday House in Fredericksburg.

Oscar and Bernice were married April 18, 1920, in the home of her parents, Mr. and Mrs. J.S. Wells, with Brother Parker, a Baptist minister, officiating. Miss Era Small, now Mrs. Irving Stewart, played the wedding music.

Bernice was an infant when her parents moved here in 1903 from Indian Territory (Oklahoma) and bought the first store which Mr. Wells and sons operated for years. Both Mr. and Mrs. Wells were prominent in all early day affairs of Tahoka and Lynn County. Mr. Wells built the first gin, was an early-day sheriff, school trustee, and took a big interest in politics.

Oscar had come even earlier, in 1901, also as an infant with his parents, W.W. Roberts and wife, the latter affectionately known, until her death a few years ago as "Aunt Becky." His grandfather, L.L. Forrester, had come to western Lynn County in 1900 to establish the Forrester Ranch. His father and ranch cowboys filed on the land to help form the ranch. Later the ranch was dissolved, but still later, in the 1940's Oscar came into possession of a part of that ranch adjacent to Mound Lake in partnership with Marvin Wood, and later bought Marvin's interest.

Both Oscar and Bernice attended the local schools, Oscar graduating in 1917 and Bernice in 1919. The young lady was attending Baylor College, Belton, and Oscar was working for Thomas Bros. Drug when "Absence made the heart grow fonder" resulting in the wedding ceremony.

Oscar worked for Thomas Brothers 26 years, saved his money, bought farmland and was able to "Retire" in about 1943 to ranch life. A few years ago, the couple built a fine home in town and returned to Tahoka. He also developed the Roberts Addition in west Tahoka and is now developing the Country Club Addition, where some fine new brick homes are being built.

The eighteen family members present for the anniversary event were: Mr. and Mrs. Roberts; their son, James F. Roberts, wife and four sons, Jeff, Ladd, Steve and Chris, the latter two students in Texas A&M; Mrs. Eldon (Weesie) Carroll, husband, and daughters Andra Sue and Cindy; and Mrs. Van (Betty Sue) Greene and husband of Morton and son, Andy T. Wilson, wife and two children of Lubbock. Andra Sue's husband, Lieut. Jim Solomon, is in service stationed in Washington state and could not be present.

## Sorority Installs New Officers

Members of Theta Eta Chapter of Delta Kappa Gamma held an initiation - installation banquet at Tahoka Cafeteria on Thursday evening, April 16, with Ann Adams, Nan Adams, Peggy Atwell, Anna Jo Carter, Velma Carter, Lennie Cox, Willa Mitchell and J'Lynn Ryan acting as Hostesses. Forty-four members from Lynn, Garza and Terry counties were present.

The following were initiated: Sandra Alexander, Post; Beth Chapman, Brownfield; La Vonne Sharp, New Home; Winnolee Johnson, Meadow; and Peggy Wheeler, Southland.

Outgoing president, Florene Allen from Post presided. J'Lynn Ryan, Tahoka, served as initiation chairman.

New officers installed were: President, Willa B. Patterson, Brownfield; First Vice-President, Bernice Fulgham, Brownfield; Second Vice-President, Gloria Price, Wilson; Recording Secretary, Laverne Lewis; New Home; Corresponding Secretary, Fern Niles, Brownfield Treasurer, Natalie Blakenship; Wilson; Parliamentarian Ella Mae Hudman; Post.

## T-BAR BRIDGE

Four tables were in play at T-Bar Country Club Duplicate Bridge Tuesday night, April 14th. Floyd Tubb and Auda Norman placed first, Mrs. Clint Walker and Mrs. Meldon Leslie were second and Mrs. Frank Hill and Mrs. Jess Gurley were third.

CATCH FISH...Shown here are Mr. and Mrs. Allen Jolly with part of their catch while on a fishing trip at Langtry on the Rio Grande River.

## Jolly's Return From Fishing Trip

Mr. and Mrs. Allen Jolly and sons, Billy and Thomas, all of Tahoka and their daughter and son-in-law, Mr. and Mrs. Sammy Engle of Artesia, N.M. have recently returned from a fishing trip at Langtry on the Rio Grande River.

They had a very good catch. They caught 85 fish, weighing from 2 lbs. to 22 lbs. for a total of 300 lbs. This is an annual fishing trip and they reported to have really had a good time.

## NEW HOME BOWLING

Mayfield Grocery won four games from Wilson State Bank. Natalie Unfred had both high game 198 with a 512 series for Mayfield's Barbara Cooley had high game 151 with Billie Kirbie's blind series 441 for the Bank.

Pridmore Spraying won four from Petty Gin. Betsy Pridmore had a very nice 236 high game also high series 561 for "Sam" Lil Todd also had both high game 175 and 493 series for the Gin.

New Home Co-op Gin won all four from Mary Ellen's Beauty Shop. Helen Lee Peek had high game 186 with Havah Haley's 495 series for the Co-op. For the Shop, Faye Armontrout racked up both high game 184 and a 470 series. Wilson Co-op Gin won three

MRS. CURTIS DUKE  
... NEE JIMMYE LOU DULIN

PHOTO BY FINNEY

## Dulin-Duke Double Ring Vows

Miss Jimmye Lou Dulin and Curtis O'Lee Duke were married in a double ring ceremony at 8 p.m. Saturday, April 18, in the Sweet Street Baptist Church. Elder Glen Williams, minister of the Tahoka Primitive Baptist Church officiated the ceremony.

Mr. and Mrs. J.E. Dulin of Tahoka are parents of the bride. She is a 1969 graduate of Tahoka High School and Isbell-Powell's and is employed by Hanging Gardens Beauty Salon in Lubbock.

The bridegroom is the son of Mrs. Oscar Duke of Houston and the late Mr. Duke. He is a 1966 graduate of Splendora High School and is serving in the U.S. Air Force, stationed at Reese Air Force Base.

Given in marriage by her father, the bride wore a floor-length dress of white rose over-lay brocade satin and embroidered silk organza, designed and made by her mother. She carried a bouquet of white orchid surrounded by white roses carried on a white bible. For something old she wore pearls, new - chip diamond necklace, gift from the groom; borrowed bible and blue - her garter.

INCOME TAX SURE GETS SOME FOLKS...The News caught this picture this week in front of the Soil Conservation Office. Loamuh Harston's pickup is shown loaded with trees with a sign on the back, For Sale, Christmas Trees (cheap). Doubt if he will do much business this time of year.

## SOIL CONSERVATION NEWS

By Thomas W. Caldwell

As we look around us in Lynn and surrounding counties we can see the effects of good conservation practices. We see where terrace systems have prevented erosion and held rainfall needed by crops. We see how the use of crop residue remaining on the soil surface has held the soil while the wind has had a devastating effect on land left unprotected.

We see where properly constructed grassed waterways have channeled the surge of onrushing water to its destination without taking the valuable topsoil with it.

We see cattle grazing on lush lands unsuitable for cultivation.

We see all this and say, "This is good." It is good; good for our economy; good for production of food and fiber. It is good for future generations who will need the land we use today for their tomorrow.

Yet taking a second look there is still much more to be done not only agriculturally but aesthetically as well.

Let's take a good long look at our environment; the air we breathe, our roadsides, our parks, our own lawns and houses. These are things which concern all of us, not only those in agriculture and related fields but all people.

Conservation of our environment is also important and it is everyone's job to see that it is carried out. We can all help by being a little more careful where we throw our litter. Have you noticed the beer cans, pop bottles, and other debris scattered along our highways and backroads? Have you also asked yourself "Am I guilty?"

I think we are all guilty to a degree. We are certainly guilty if some of the trash once belonged to us and we are guilty if we tolerate such wasteful and disgusting practices.

Let us ever be mindful that we have but one environment. Don't neglect it.

**OUR PLIGHT**

Oh, I have walked the sacred land and explored its wondrous sight  
It's lakes I've fished and camped in its woods  
and climbed its mountains height

But as I look back to where I've been  
and the trails that I have trod  
I am appalled to gaze upon a sight  
not made by God.

For in my haste to use the things of nature  
untold schemes  
I've left behind a trail of trash  
once Godly scenes

My thoughtless ways and lack of care  
has turned this bountiful land  
into a wretched mire of waste  
not fit for beast nor man

What can I do to save this world that's  
been so good to me  
I can go back and clean it up;  
the land, the air, the sea.

In one hour a modern combine can harvest enough wheat to bake 20,000 loaves of bread, according to New Holland Division of Sperry Rand engineers.

JR. HIGHLITES

The Jr. High Students were entertained last Friday by the Senior play skits. The characters were introduced and then the skits were presented. The students really enjoyed it and many of us went to the play that night.

The Eighth Grade really had a big time at Carlsbad Caverns last Saturday. They left at 6:45 a.m. and got back around 10:00 p.m. It was really a long but enjoyable day for the students and teachers.

BY BETTY OWEN

The Senior's tradition-breaking play, "Hip Hippy Hurray," also broke attendance records with "standing room only" last Friday night. We would like to thank the community for such good support in all the activities we have had this year.

This week is Rodeo Week in Tahoka with its annual rodeo beginning Thursday and going through Saturday. Julie Robinson, Debbie Renfro, and Aleta Powers are running for the title of Rodeo Queen. The queen will be selected Thursday night according to the amount of tickets sold by her.

The Future Homemakers installed their new officers Monday night at the Mother-Daughter Banquet. Junior and Chapter degrees were also presented to the freshmen and sophomore girls who had worked to achieve these degrees. Recognition was given to the special guests, sponsors, state degree girls and their mothers. Four of the girls who have achieved their state degrees of achievement, Carol Thomas and Donnie Dudgeon, new chapter FHA president and first vice-president respectively, Staci Short, new area president; and Mr. and Mrs. Pete Hegl will attend the state FHA meeting in Austin on Thursday of this week. At this meeting state degree certificates will be presented. Those receiving their state degrees are Cathy Leverett, Connie Miller, Yolanda Chapa, Betty Owen, Sheila Tankersley, Donna Edwards, and Vicky O-

wens. The last three girls of these named will be unable to attend the state meeting, because of the regional UIL speech play, which will be Saturday. Interscholastic league literary events were held last Saturday in Idalou. Those from Tahoka placing were: typing - Cathy Wells - first; number sense - Rickey Gurley - first; Frank Barham - second, Billy Birdwell - third; Poetry Interpretation - Diane Rash - second; informative speaking - Charles McAuley - second, Brenda Crotwell - third; and Prose reading - Jeannie McDonald - second, Robert Montemayor - second. This made a very fine showing from Tahoka.

Our band also hopes to do well in their concert and sight-reading contest Wednesday in Dimmitt. The band is directed this year by Mr. Stotts.

**Golf Team Wins Second**

The High School Golf Team won 2nd place in district play at Meadow Brook Municipal Golf Course in Lubbock, last week-end.

The first and third teams play regional this Thursday and Friday at Pine Hill's Golf Course.

The Tahoka team consists of Jimmy McCord, Ladd Roberts, Gordon Hariveck, Gary McCord, and Jeff Atwell. The team is coached by Jim Boyd. Denver City was the district winner.

MRS. ROBERT RODRIGUEZ

...NEE MARY JANE SAMORA

**Samora - Rodriguz Vows Read**

Wedding vows were read for Mary Jane Samora and Robert Rodriguz Saturday, April 18, at 3:30 p.m. in the home of her parents, Mr. and Mrs. Pedro Samora, at West Point. Rodriguz is the son of Mr. and Mrs. Meteo Rodriguz of

Petty. Justice of Peace, E.A. Hargrave officiated the ceremony. The couple attended school at Tahoka and New Home. They plan to make their home at Rodriguz is a farm-

**Mrs. Prohl Host To Phebe K's**

Phebe Kay Warner Club met in the Home of Mrs. Emil Prohl Tuesday, April 14. Mrs. Warren Embree, the president, opened the meeting with a short business session, and welcomed the following guests: Mmes. W.O. Thomas, C.A. Thomas, Calloway Huffaker, Charles Townes, Gerald Huffaker, Ollie Martin, and Wayne Huffaker.

Mrs. Truett Smith, program chairman, introduced the guest speaker, Mrs. Joe Taylor, of Lockney. Mrs. Taylor spoke on "Patriotism". She told of some of the ways in which the Communist Manifesto which was issued over fifty years ago is being fulfilled in America today by leaders of the Communist party.

It is their goal to:  
A. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.  
B. Get control of all means of publicity, thereby:  
1. Get people's minds off their government by focusing

their attention on athletics, sex, books and plays and other trivialities.

2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and disgrace.

4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

6. Incite unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.

7. By specious argument, cause the breakdown of the old moral virtues - honesty, sobriety, self-restraint, faith in the pledged word, ruggedness.

C. Cause the registration of all firearms on some pretext, with a view to confiscating them

and leaving the population helpless.

That is quite a list, isn't it? Now, stop to think - how many of these rules are being carried out in this nation today?

Mrs. Taylor ended her speech by quoting the poem "I Am An American."

**LOCALS**

Dan Brookshire of Brownfield, formerly of Tahoka, who recently underwent tests in a Houston Hospital, is reported to be doing nicely. He is said to have had blood clots in the lower limbs.

Howard Draper, who recently suffered a stroke while at the Clairmont Ranch, is reported to be "holding his own" at the hospital in Snyder.

Mrs. Wilma Young of Brownfield visited Mr. and Mrs. Dan Hubbard last Sunday, also visiting were Mr. and Mrs. Bill Hubbard and girls of Lorenz.

Ronny Jolly, son of Mr. and Mrs. Billy Jolly injured his foot while mowing grass last week. He was walking backward and fell over a bicycle, the lawnmower kept coming and ran on his foot.

Arthur and Ethel Adams

### Texas Farmers Will Receive Questionnaires

During the last half of May, some 40,000 Texas farmers will receive at their mailboxes a most important questionnaire from the Texas Crop and Livestock Reporting Service in Austin.

County Agent Bill Griffin says it will be the annual acreage survey and that many farmers in Lynn County will be included in the 40,000. The information derived from the replies will be the basis for the official estimates of crop acreage for the State of Texas and for each county.

Cary D. Palmer, State Statistician for the Texas Reporting Service emphasizes the importance of getting back just as many of the 40,000 questionnaires as possible so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas Agriculture, Palmer adds.

### Women's Club Visits O'Donnell State President

The Federated Women's Club of O'Donnell, the 1946 Study Club, met at the Community Center in O'Donnell April 8, 1970. Since this was the official visit of our State President, Mrs. Henry F. Shaper, the business of the day was postponed. Mrs. Mack Forbes sang "If I Could Help Somebody." She was accompanied at the piano by Mrs. C.A. Doss. Mrs. Shaper gave an inspiring talk on our role as women to try to turn our great world back to decency. Guests from Tahoka, Lamesa, and Post, together with almost 100 per cent membership of the local club, enjoyed the program, fellowship, and refreshments. Hostesses were: Mrs. Truett Hodnett, Mrs. J.W. Gardenhire, and Mrs. Wayne Clayton. Manufacturers develop more than 5,000 new food products each year, of which only 15,000 ever reach the store shelves. Only 500 of these last more than a year in the marketplace. The development of new food products helps raise our food bills.

## YOUR VOTE

WILL BE APPRECIATED ON MAY 2ND, FOR

# L. B. THOMPSON

JUSTICE OF PEACE  
PRECINCT 1

He has lived in Lynn County for the past 24 years, has been in business, farmed and worked for others. We think he is the man who will be fair to one and all.
