TAHOKA HIGH SCHOOL CHEERLEADERS...Shown here are the Tahoka High School Varsity Cheerleaders for 1970-1971. (left to right) Becky Franklin - Sophomore, Suzanne Warren Senior, Dale Rogers - Junior, Sheri Short - Sophomore, Toni Leverett - Senior, headcheerleader and Tommy Hale - Junior. These girls are planning to attend cheerleading camp at Cisco Junior College June 7 - 12.

Tahoka Lions Are No. 3 In Contest

The Tahoka Lions Club has captured the No. 3 spot in the District 2-T-2 Governors Contest. Tahoka Lion President Bill Chancy accepted the third place plaque from District Governor Clyde K. Schneider in special convention ceremonies held in Lubbock on May 23. The contest is run on a point system and all 63 clubs in District 2-T-2 are eligible for the trophies. The contest begins annually on the first of September and runs through the month of March. The local club didn't decide to make an effort for a top spot in the contest until the entire contest program was discussed in a board of directors meeting on January 6th. It was decided at that meeting that the year old organization would try for a top spot and try to gain some recognition for Tahoka.

Since the contest is governed on a point basis, activities were outlined that would benefit the club and at the same time serve to uphold the Lion tradition of civic betterment within the community. One of the first activities launched was the visitation of other clubs within the district. A total of 33 clubs were visited by 15 local lions in teams of three or more on each visit. Some 2975 miles were driven visiting other clubs within the district. A total of 3 clubs were visited by 15 local lions in teams of three or more on each visit. Some 2,975 miles were driven visiting other clubs, and broken down into man

man miles accounted for some 9,638 man miles driven.

The club hosted a volleyball tournament in late March and several officers and members attended the Mid Winter District Conference held in Snyder. The Christmas wreath project was also entered on the tally sheet along with a bake sale for C.A.R.E. held in late March. The club garnered points for having reports in on time, attending zone meetings and for entering the Club Sweetheart, Suzanne Warren, in the District Queens Contest. Eight members visited the Crippled Childrens Camp in Kerrville in March. The club also voted to become a 100 percent club by donating \$10 for each member enrolled, to the Crippled Childrens Camp.

Another project being currently carried on by the club is the foreign exchange student program in which the club will host a foreign student in member's homes during the summer. In return, the 1969-70 Club Sweetheart, Ja Jean Jaquess, will travel to Sweden as an exchange student from the U.S.

The Tahoka Lions Club is very proud of their standing in District 2-T-2 and invite any prospective members to meet with them any Wednesday noon at the Tahoka Cafeteria. Gale Hartman will become President of the Local Club on July 1st. Bill Chancy is currently President of the local organization.

Lynn Co. Open Golf Tourney This Weekend

The Lynn County Open Golf Tournament will be held Friday, Saturday and Sunday, June 5-6-7. Anyone that lives in Lynn County may enter and entry fee will be \$5.00. Deadline to enter is Thursday, June 4, (today).

The ladies will tee off at 9 a.m. Friday and Saturday and the men will tee off at 2 p.m. Friday and Saturday. The ladies and men's finals will begin at 1:30 p.m. Sunday. After the finals a meal will be served and trophies awarded.

Softball Scores

The scores for the men's Softball teams are as follows: May 15, Ginners 11 - Tigers 5; Tatum Brothers 13 - Pace-setters 4; May 19, Ginners 8 - Tatum Brothers 7; Pace-setters 9 - Tigers 4; May 22, Tatum Brothers 4 - Tigers 3; Pace-setters 5 - Ginners 4; May 25, rained out; May 29, Pace-setters 17 - Tigers 1; Tatum Brothers 11 - Ginners 7; June 1, Pace-setters 6 - Ginners 2; Tigers 8 Tatum Brothers 7.

Pitchers for the teams are as follows: Ginners, Sam Davis and Raymond Stotts; Tigers, Leonard Dunn; Pace-setters, Rickey Edwards and Morris Bingham; Tatum Brothers, Ken Huffaker and Bro. Hugh Daniel.

Mike Davis, B.L. Miller and Rickey Edwards have each knocked a home run (over the fence).

Cubs Have Pinewood Derby

Highlight of Cub Pack No. 782, May 28th, meeting was Pinewood derby race. Cubs and Dads built derbies from a "do it yourself" kit. Cubs intrigued with anxiety, spellbound with excitement watched their cars zoom down the race track. Each cub is a winner in the fact that he built an individual derby and ran the race with sportsmanship. Winners of Plaques were: First - Ronnie Roberts Second - Carlton Ash Third - Mike Nettles Fourth - Curtis Stewart

Mr. and Mrs. Ronald Roberts and family and Judy Park visited Mrs. Roberts, family, Mr. and Mrs. Brooks Vick in Selma, Ala. Janice Vick, sister of Mrs. Roberts, came back to Tahoka with them to spend the summer.

Official Memorandum

GREETINGS:

The State of Texas has had a proud and colorful history; an unsurpassed heritage filled with dedication, devotion and individualism.

We owe a great debt to our forefathers; the pioneers and early settlers whose accomplishments have been an inspiration and a guiding light to all Texans.

All too often, in these modern times, we tend to overlook and fail to recognize and appreciate the labors of these great men and women.

Increased public appreciation is needed for the men and women who toiled, under extreme hardships, and traveled to the far corners of our great state, and established themselves as the pioneers of our proud heritage.

The Texas State Historical Survey Committee and the two hundred fifty-four County Historical Survey Committees are working diligently and efficiently to Record, Appreciate, Mark, Preserve and Survey Texas' historic past. The County Committees, this year, are making a special effort to focus public attention to the dramatic course of events in their Counties, thus designating each day of a week for special activities highlighting the various elements of the RAMPS Program such as the beautification of the approaches to and areas surrounding historic sites and markers; the locating and recording of noteworthy landmarks; honoring pioneers and early settlers; involving the youth in historic work, and touring historical exhibits, sites and markers.

THEREFORE, I, as Governor of Texas, do hereby designate the week of June 14 to 20 as COUNTY HISTORY APPRECIATION WEEK IN Lynn County, Texas and urge all citizens to support and participate in the activities of this observance.

In official recognition whereof, I hereby affix my signature this 17th day of March, 1970.

Preston Smith
Governor of Texas

Historical Marker To Be Erected

An official Texas Historical Marker for Lynn County will be erected on June 20, 1970. It was announced today by Mrs. Ben Moore, Sr. of O'Donnell, chairman of the Lynn County Historical Survey Committee. The marker will be placed at the Court house lawn, north side, adjacent to S. 1st Street, in Tahoka.

Dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 27 by 42 inches and is sponsored by Lynn County Historical Survey Committee.

The inscription on the marker reads:

Lynn County
Created 1876 from Bexar Territory. Name Honors G.W. Lynn, "one of those who baptized the altar of Texas with 'life blood at the Alamo'". Tahoka Lake and Double Lakes Springs were watering places on Indian, Spanish, U.S. Army and cattle-driving trails. This was home land of Nomadic Indians; visited by Spaniards, 1500s - 1800s; used by New Mexicans grazing large herds of sheep in 1860's; site of last great buffalo hunts and the U.S. Cavalry's drive against Comanches, 1874-1877. Last cowboy-Indian skirmish occurred 1879 at Double Lakes. Earliest Open-range cattlemen settled here in 1880s. First schools, Lynn and T-Bar opened in 1902. In April 1903

County was organized with Tahoka as county seat. The first officials: M.L. Elliott, county judge; S.N. McDaniel, county and district clerk; C.H. Doak, Sheriff and Tax Collector; G.L. Miller, Treasurer; A.S. Coughran, Tax Assessor; W.E. Porterfield, surveyor; J.E. Ketner, H.E. Baldrige, B. Humphries, and W.T. Petty, Commissioners.

The Santa Fe Railroad built to this point in 1910. This has since become a major agricultural area, ranking among top ten cotton counties in Texas - and one of the top twenty in the United States. (1970)

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name and location of the present marker will appear in the next edition of the Guide to Official Texas Historical Markers in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

Chamber Hears Industry Report

An economic research study which reveals those industries best adapted to the communities in its service area has been prepared for Southwestern Public Service Company by Arthur D. Little, Inc., nationally-known management consulting and research organization. The confidential information of the electric company's service area which have a going program for industrial and area development. Members of the Chamber of Commerce heard a presentation of the study by Harold Roberts, local manager for Southwestern Public Service Company and members of the area development department, at a meeting May 27.

Larry Milner and Elvin Schfield of Public Service and the local group that the study allows the electric company to sight in on target industries for this area, those which best utilize the natural, human and geographic resources of the region.

"We have developed a national advertising program including direct mail and trade paper insertions, which will be aimed at those industries which the surveys show are most compatible to this region. We'll start with those with the most plus factors and work through the list," they said.

Emphasizing the highly competitive nature of industrial and area development, they urged the local industrial development team to make use of the information but to not broadcast it because much of the information in the study will apply to adjacent areas as well as the territory served by Southwestern Public Service Company.

"There's no sense in all of us working together to get this information paying to have it put in usable form and then give it away. Most of the communities we serve helped compile the data that we have and we want them to be able to use it," they added.

The economic research study points out what industries should be sought by communities in the area and why. Several types of industry are available to nearly all towns in the region while there are a number for which only one or two communities have the desired elements.

The survey revealed that among the strengths of the region are a high quality labor supply, an excellent business climate and exceptional transportation facilities for shipment in any direction.

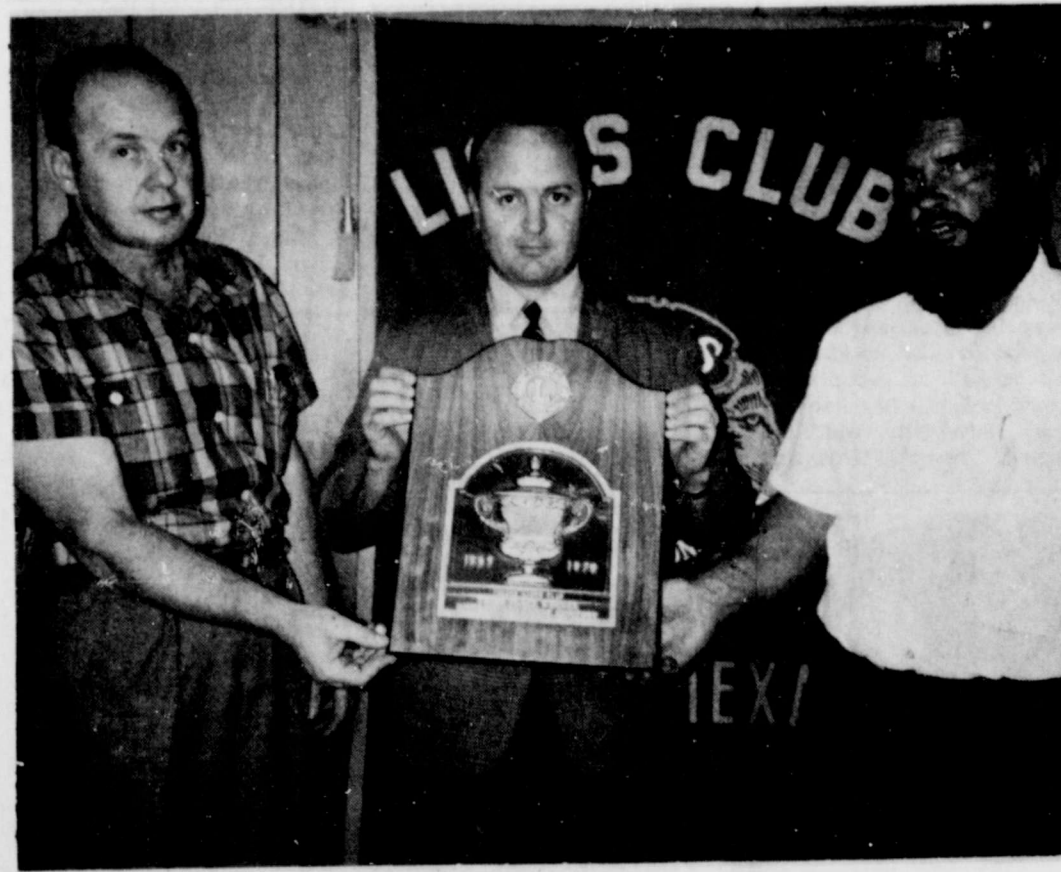

The study indicates that continued vertical integration of the area's agricultural production is vital to continued industrial growth. Vertical integration means adding value to the raw product and shipping out of the area a finished consumer product rather than a raw material.

"We are telling the communities we serve which are interested in industrial development what we are going to do as a result of the study, and offering them the opportunity to integrate their efforts with ours. We are going to offer industries on the survey list anything and everything they want to know, including plant location studies. We want to get the communities and industries which match together, because that's what industrial development is all about," they concluded.

A copy of the study is available in the local office of the Southwestern Public Service Company for use by the local industrial development team.

Community Action Meets June 22

The Lynn County Commissioner's Court, in special session 22nd, June 1970, will make the consideration of the designation of a Community Action Agency for Lynn County. The Lynn County Community Action Committee which proposes to operate a Community Action Program in Lynn County has requested of the Commissioner's Court that the South Plains Community Action Association, Inc., of which the Lynn County Community Action Committee is an associated part, be designated by the Court to the Office of Economic Opportunity as the Community Action Agency to serve Lynn County.

A Community Action Agency must be given consideration in the selection of a Community Action Agency. Since the Commissioner's Court is the general purpose governmental unit having jurisdiction over the area in which the Lynn County Community Action Committee proposes to operate, the Court has the prerogative of making a designation of a Community Action Agency (with formal notice being given to other political subdivisions). A written report will be mailed to each incorporated town in Lynn County in view of this requirement.

After making an investigation of the purposes and intended work program of the Lynn County Community Action Committee, the Commissioner's Court will be asked to designate the South Plains Community Action Association Inc. the Community Action Agency for the county and recognize the Lynn County Community Action Committee as the local operating committee for the program.

Anyone wishing to comment on the program or make observations relative to the designation may appear in person before the Court on 22nd, June, 1970, or submit a written comment to reach the Court before that time.

Plane To Spray City Of Tahoka

The City of Tahoka will be sprayed for mosquitoes and flies by an air plane in the near future. It will be sprayed with malathion.

JACK BAILEY
LAKEVIEW BAPTIST CHURCH REVIVAL

Lakeview Baptist Church has scheduled a series of revival services for June 7-14. Morning services Mon-Fri. 10 a.m. Evening services Monday at 8 p.m. Nursery provided for each service. Preacher is Rev. Jack Bailey, pastor of Memorial Baptist Church Channelview, formerly of Calvary Baptist Church of Brownfield. Music under the direction of Danny Pennington, music and youth director of Calvary Baptist Church of Brownfield. Special Youth Services conducted during the Revival. The public is cordially invited.

ROGERS MADE LIEUTENANT. John R. Rogers, son of Mr. and Mrs. William H. Rogers of Tahoka, has been given a direct commission as a first lieutenant in the Air Defense Artillery at the Army Primary Helicopter School, where he is an instructor pilot. His wife Louella and Major Robert Fitzgerald (right), his flight commander, pinned the new insignia of rank to his uniform. The former chief warrant officer came here last November from a combat tour in Vietnam with the 15th Assault Helicopter Co. His decorations include the Air Medal and the Army Commendation Medal. A 1963 graduate of Tahoka High School, he attended Texas Technological College prior to entering the Army in 1967. He and his wife (daughter of Mrs. G.B. Tomlinson of Tahoka) and their daughter, Jennifer, reside at 2104 N. W. 4th Ave., Mineral Wells.

PARALLEL TERRACES...This system of parallel terraces illustrate the effectiveness of water distribution. A portion of the lake area once not suitable for cultivation has become valuable cropland.

SOIL CONSERVATION NEWS

By Thomas W. Caldwell
Lynn County farmers have been fortunate in their desire to improve their farming operations through the Great Plains Conservation Program. Generally, money has been available. And we hope that more will become available during the 1971 fiscal year which begins July 1st. How much will be allocated to Lynn County remains to be seen.

Of the 585,600 acres of total land area in Lynn County 465,300 acres are cropland. From 1963 to 1969 farmers installed over five million feet of parallel terraces. In this 1970 fiscal year alone over a million and a quarter feet were installed bringing the total to around 6 and one half million feet or over twelve hundred miles of parallel terraces.

Looking at it another way roughly 28,000 acres are protected by parallel terraces which represents 5 percent of the total land area or 6 and one half percent of the cropland.

Mr. C.M. Pearce, a farmer in the O'Donnell area said that since he had installed parallel terraces his cotton yield has increased from 300 to 400 pounds of lint per acre due to improved water distribution. Let's assume for a moment that this holds true on every system. Taking the 28,000 acres protected by the terraces and assuming a cotton allotment of 50 percent we can say that 14,000 acres would have an added yield of 100 pounds per acre or one million four hundred thousand pounds increase over the county per year. If cotton sells for 25 cents that would mean an added income of 350 thousand dollars per year for Lynn County farmers just on the terraces alone.

Income, while an important consideration, is minor compared to the added benefits of soil and water conservation. This land is ours only for the time we work it. How we work it now will have a great deal to do with how others will live in the future.

Two-thirds of all the nation's rainwater never reaches streams, but sustains vast acreages of crops, pastures, rangeland and forests.

Past Days In Lynn County

Copied from June 5, 1930
Approximately 15,000 acres of Lynn county farm land has been terraced or contoured this year, according to County Agent Ray Shaver, making a total of nearly 20,000 acres in the county. Of this amount Shaver has personally terraced 6,000 acres. About 3,000 acres have been terraced by farmers themselves and another 6,000 by Taylor White, Vernon Martin and C.N. Kopeczy, vocational agriculture teachers at Tahoka, O'Donnell and Wilson respectively, and their students.

One farmer reports that terracing doubly helped him due to the fact that some of his neighboring farmers did not terrace. His terraces held every drop of water that fell in the field, and in addition caught the overflow from the neighbors who had not become sold on the terracing idea.

The school board of the Tahoka Independent School District has been awarded the sum of \$940.00 by the insurance company to cover damage by hail to the roof of the high school building and the board has made a contract for the replacement of the roof at the same figure.

Adjustment of the claim for damages to the Central Ward school will probably be made this week.

Lubbock and Southland both fell before the Tahoka All-Stars in a double-header here Sunday afternoon, the visiting team receiving the small ends of the scores of 8 to 3 and 9 to 0 respectively. Squires received thirteen strike-outs against Lubbock. The games were featured by the heavy hitting of Larkin, Karr, Wells and Squires.

Tahoka will go to Lamesa next Sunday afternoon for a game with the strong team of that place.

At a regular meeting of the Masonic order Tuesday night the following officers were elected, according to information given the News: C.R. Riley, Worshipful Master; W.S. Anglin, Senior Warden; D.H. Goodnough, Junior Warden; J.L. Peare, Secretary, re-elected; and W.O. Thomas, Treasurer, re-elected.

Revival services will be conducted at the Nazarene Church, beginning Wednesday, June 18, and closing Sunday, June 29, by Evangelist Lee L. Hamric of Hamlin.

Brother Harmic organized the local church and is well known in Tahoka and the public will be glad to know he will be with us again soon. Mr. M.C. Ritchey also will know here will conduct the singing. The noted Grassland

quartette will sing. Services at 10 o'clock each morning and 8 o'clock each evening. You are invited to attend all these services.

WANTED-200 more members Pay premium when married. Nothing to pay now. Send name and age with this ad. Western Marriage Ass'n., P.O. Box 455, Abilene, Texas.

The Joe Bailey 4-H Club will present a play entitled "A Poor Married Man" at Redwine Friday night of this week. The proceeds will be used to defray the expenses of one of the girls who will go to College Station to attend the A&M short course.

Everyone is invited to see the show. Admission is 10 and 15 cents.

Mr. and Mrs. W.B. Edwards returned Saturday from Tuscola, and were accompanied back home by Mrs. Edwards' mother, Mrs. W.B. Nunley, who will visit here several weeks.

Mrs. Harlan Cook is visiting her mother and other relatives in Central Texas.

Miss Lila Male Reid came home Saturday from McMurry College, Abilene, where she was a student again the past year.

Mrs. F.L. Kelley of Wellington is here visiting her daughter, Mrs. R.C. Wells.

Mr. and Mrs. Sissy of Lubbock were visiting Mrs. Applin Monday. Miss Doris Sissy will stay a few days with her friend Miss Claudie Draper.

Mrs. John Berry gave a "hen party" Monday night. X.L. Sherrill is here visiting home folks for awhile. Skip Taylor and Don Bradley attended a meeting of the West Texas Abstracts Association in Lubbock Saturday.

Miss Lucille McCord entertained the T.K. Kard Klub Tuesday evening in the lovely home of Mrs. D.W. Gagnat, Miss Hazel Stafford winning high score. Favors of pinks were given. Refreshments of sandwiches, pickles, potato chips and chocolate pecan roll with ice tea were served to the following: Misses Alene

Taylor, Faye Brown, Lillamae Reid, Loyce Shaffer, Gertrude Bishop, Hazel Stafford, Lola Belle Edwards, Juarine Edwards, Charlotte Barnett, Mmes. Roy Taylor and Clyne Thomas, and Messrs. and Mmes A.D. Sanders, Gaig-

nat and the hostess.
Mrs. H.C. Story was hostess to the All-Sew Club Wednesday afternoon from 3 to 5. Refreshments of sandwiches and ice tea were served to the following: Mrs. W.M. Harris, H.B. Howell, A.L. Lockwood, A.J. Thomas, W.C. Wells, G.H. Nelson, Claude Wells, C.B. Keltner. The guests were Mrs. C.H. Cain and Mrs. Seroyer.

Bond Sales Are 18% of 1970 Goal

April sales of Series E and H United States Savings Bonds and Freedom Shares amounting to \$3,335,000 in Lynn County were reported today by F.B. Hegi, Chairman of the Lynn County Savings Bonds Committee. January-April sales totaled \$23,700.00 - 18 per cent of the 1970 goal achieved.

Texas sales during the month were \$15,725,617 - and year-to-date purchases totaled \$62,584,024 - 34.7 per cent of the 1970 goal of \$179.9 million.

"No doubt many people are looking for last minute graduation and wedding gifts, and our Bond Committee would like to remind them that United States Savings Bonds make ideal gifts for many occasions. Local banks have special gift envelopes to be used when Savings Bonds are given as gifts, so why not give the gift that keeps on giving - United States Savings Bonds," Chairman Hegi stated.

T-BAR BRIDGE

T-Bar Country Club Duplicate Bridge met May 26th. Mrs. J.M. Small and Mrs. A. Norman placed first, Mrs. Clint Walker and Mrs. Oscar Roberts were second, and Mrs. Wilmer Smith and Roy Lemond were third.

SENIORS TO HAVE SUNDAY DINNER

The Tahoka Senior class is having a "Sunday Dinner" June 7, in the school cafeteria. Lunch will be served between 12 noon and 1:30 p.m. Prices are \$1.50 for adults and 75 cents for children.

Everyone come on out and eat with the seniors.

BRENDA CLOE HAS ACCIDENT

Brenda Cloe, daughter of Mr. and Mrs. Tom Cloe, had an accident and had to have over a 100 stitches in her elbow. The accident occurred last Tuesday and Brenda had to stay overnight in the hospital. She is home now and is doing fine.

Sharon Payne Is Engaged

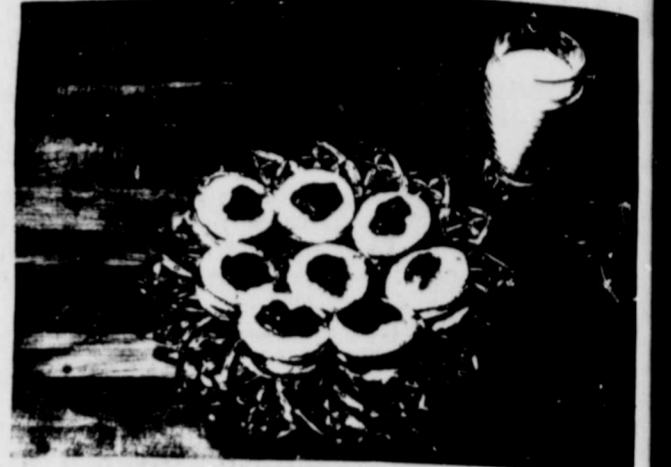

Mr. and Mrs. Harold Payne, O'Donnell, Texas announce the engagement and approaching marriage of their daughter, Sharon, to Jim Farris, son of Mrs. M. Farris of Lubbock, Texas.

Miss Payne is a graduate of O'Donnell High School and attended Wayland Baptist Col-

lege, Plainview Texas and is a Senior at Texas Tech University.

Farris is a graduate of Lubbock High and is a Senior at Texas Tech University. He is employed at the Lubbock Avalanche Journal.

The couple plans an August 21st wedding in the First Baptist Church, O'Donnell.

STRAWBERRY STACKS

Elegant or simple, these easy-to make stacks are always delicious. The children will love them for after school snacks.

- | | |
|-----------------|--|
| 3/4 cups sugar | 2 cups flour |
| 4 Tbsps. butter | 1 tsp. baking powder |
| 1 egg | 1/2 tsp. salt |
| 3 Tbsps. milk | 1/4 tsp. nutmeg |
| 1 tsp. vanilla | 3/4 cup Griffin's Strawberry Preserves |

Cream butter till soft, add sugar and beat until creamy. Combine egg, milk and vanilla, add to mixture. Sift flour with baking powder, salt and nutmeg. Beat into mixture. Chill several hours. Roll out 1/4 thick and cut with floured cutter. Place on ungreased baking sheet and bake at 375° about ten minutes. Cool. Spread each round with preserves and make stacks 3 or 4 rounds high. Top with a dab of whipped cream for a festive touch.

"TWO BITS WORTH"
BY JOHNNY VALENTINE

The Country Editor Says that when in deep water, a great deal depends on keeping the mouth shut.

TBW

The Annual Pioneer Reunion will be held here on the 20th of June and since the News will publish an issue regarding that subject we would like to ask our readers to contribute any old photographs that might be of interest to old timers. The photos will not be returned in any way and will be burned immediately after use.

TBW

Mayor of Tahoka, M-1 Leslie has been selected by the directors of SPAG as the new president of the organization. We are sure this is a great honor to Mel but even a greater honor for Tahoka to have him there. M-1 follows former Lubbock Mayor Dub Rogers in this position and I for one am glad to see the presidential position out of the hands of the Big City Fellows. This will help Lynn County in many ways with publicity as well as financial help.

TBW

Did you know...

That in one season all the baseball teams put together give up almost 20,000 walks? That women own 83 per cent of the nation's wealth, spend 85 per cent of the family budget, are beneficiaries of 87 per cent of all trust funds, and 67 per cent of the nation's savings accounts are in their name and that they own more than half of all common shares outstanding?

That the average American taxpayer started working for himself on May 9 this year since he worked up until that date just to pay his federal, state and local taxes.

That the average American taxpayer works two hours and 48 minutes out of an eight-hour day to pay all of his bills?

TBW

A new crutch for the cigarette smoker who can't bring himself to give up the habit entirely is a 1 1/2" strip of sticky tape that shrinks with heat. Called the "LifeGuard Strip," it can be placed around a cigarette at the place where the smoker wants to stop puffing. When the burning end reaches the strip, the tape shrinks and, in effect, strangles the cigarette.

Neat, huh? Preferably, this point should be at the last third of a cigarette, for the last third, (which filters tar and nicotine from the first two-thirds)... yields about 50 per cent of the total tar and nicotine normally inhaled. Thus, the strip can help a smoker control the amount of hazardous substances he inhales.

A self-snuffing cigarette sounds like a good idea. But not just from a personal health standpoint. More lives and property have been lost in fires started by cigarettes that weren't put out in time than have ever been hurt by the little weed itself.

TBW

One way to get hubby to take you out to dinner is to mention that you have just found the most wonderful recipe for goulash.

Ja Jean Jaquess Going On Lions Trip

JaJean Jaquess will represent the Tahoka Lions club in the Texas Lions Youth Exchange Program. JaJean was last year's sweetheart for the local Lions. There will be 62 youths from Texas going on this tour. Each are sponsored by the different Lions Clubs and range in age from 16 to 21.

This will be a trip to learn international living, as well as a sight seeing trip. Ja Jean will room with Kathy Wilson and Karen Hall, both of Petersburg. There will be students going from Slaton, Midland, Pampa, Levelland, Vernon, Morton, Amarillo and all over Texas. The group had to attend an Orientation meeting in Dallas, April 26.

The group will leave June 8 from Dallas and go to New York then to London where they will tour for 2 days then to Paris for 3 days. Next the group will go to Stockholm and there JaJean will be met by her host family. This is where the group separates.

Ja Jean will be staying with the Nils Wahlquist family who lives in a small village of Sosdala in the southern part of Sweden. The Wahlquist family has 2 daughters, age 16 and 19. They will stay in Sosdala for 1 week and then go to their small summer house, located in the northern part of the Swedish west coast, where they will swim, sail and fish.

The group will all meet in Stockholm July 12, where they will go to Rome for 2 days. They will go to Florence, Italy for 1 day and return to Dallas the 15th of July.

Tahoka will be sponsoring an exchange student from Sweden, this year.

JaJean Jaquess

Rites Held For Claude Donaldson

Claude Donaldson, 73, of Snyder died at 11 a.m. Sunday in Cogdell Memorial Hospital after a brief illness.

Services were held at 2 p.m. Tuesday in the Tahoka United Methodist church with the Rev. Hugh Daniel, pastor, officiating assisted by the Rev. George Turrentine of Lubbock. Burial was in the Tahoka Cemetery.

Mr. Donaldson was born January 16, 1897 in Moody, Texas and came to Lynn County in 1902. He was the first manager of the Farmers Co-op Gin for several years. Later he was in the cotton and insurance business. He moved from Tahoka to Snyder in 1967. Donaldson and Mima Roberts were married March 18, 1927 in Wichita Falls. He was a member of the United Methodist Church.

Survivors include his wife; a daughter, Miss Jane Donaldson of Snyder; 1 son, Claude C. Donaldson of Snyder; his mother, Mrs. Ada Donaldson of Lubbock; 1 sister, Mrs. Aubrey Thomas of McAllen; a brother, Dr. J.D. Donaldson of Lubbock; and three grandchildren.

Austin Hoover Visits Library

Mr. Austin Hoover from El Paso, Texas, Field Service Division consultant for libraries visited the City-County Library in Tahoka, Texas, Wednesday April 27, 1970 at 9:00 a.m. He was very complimentary in regard to the library and the services it offers.

Mr. Hoover suggested that on exchange of paper back books be promoted. If you have a paper-back book bring and leave it at the library. In a few weeks there should be some to select from. They will not be checked out as other books. No record will be kept as to the number read. The bring-one-take-one (exchange) is a challenge to get people to read.

The summer reading program is being promoted. Registration to enter the program will begin June 3, 1970 at the library when it opens at 1:00 p.m. All youngsters from first grade to age 12 are urged to enter and read books to get a certificate in August when the program ends.

Mr. Binie White, Mrs. Gladys Stokes, Mrs. Lady Stewart and Mrs. Pearl Davidson, directors for the city-county library met with Mr. Hoover, also Mrs. A.J. Kaddatz the librarian.

Little League Baseball Scores

YANKS VS GIANTS
The Giants won over the Yanks with a score 14-1, May 28. Scoring for the Yanks was Daniel Gutierrez, with Jesse Pinaque being the pitcher.

Scoring for the Giants were Martin Anchondo, Mike Harvick, Clint Gardner, Jim Bragg, David Graves, Britt Brooks, and Timmy James. Martin Anchondo was the Giants pitcher.

CUBS VS CARDS
The second game was played with the Cards 4 and the Cubs 0. Pitching for the Cards was Clifford Bailey. Scoring for the Cards were Vink Miller, Mark Tekell and Danny Moore.

YANKS VS CARDS
The first game Monday June 1, was between the Yanks and Cards, with the score 2-7 respectively. Scoring for the Yanks were Rene Ledesma and Hector Ledesma. Joe Martinez pitched for the Yanks. Jay Kelley was the pitcher for the Cubs. Scoring for the Cubs were Johnny Torres, Mark McNeil, Ricky Meeds, Curtis Stice, Valton Stephens, Lindy Thomas, Rayford Harris and Math Bartley.

simply thick albumen. Within the egg are combined the choicest elements, completely balanced for producing a healthy chick.

This original purpose of the egg explains the perfect grouping of proteins, fats, minerals, amino acids, vitamins and other lifesustaining ingredients contained within the shell. Among the most valuable of the many food properties ascribed to eggs are the vitamins.

Eggs are excellent source ably no single food can be utilized in a greater number of dishes.

RECIPE OF THE WEEK
FROZEN PINK SALAD
1 package (3 - oz.) cherry flavored gelatin
1 cup boiling water
1 can (15 - oz.) sliced peaches
1 can (13 1/2 - oz.) crushed pineapple
1 can (1 - lb.) pears, diced
1 cup miniature marshmallows
1/2 cup chopped nuts
1 cup whipping cream
1/4 cup sugar
1 package (3 oz.) cream cheese softened
1/2 cup mayonnaise

Dissolve gelatin in boiling water and chill. Drain fruits and add with marshmallows and nuts to gelatin; chill. Whip cream, until stiff; add sugar, cream cheese and mayonnaise. Add to the gelatin as soon as it begins to congeal. Pour into mold and freeze. Store in covered freezer container. Take from freezer 10 minutes before serving.

YIELD: 16 to 18 servings

which opens on May 25; and the Sweetwater facility which is scheduled to open for classes in September, 1970.

The James Connally Campus is in its fourth year of operation and offers 54 different courses of study. TSTI is the state's first technical institute.

Thurman is a graduate of Tahoka High School in Tahoka.

AFTER THE BALL IS OVER

Newly created lakes and reservoirs quickly gain reputations as good places to fish. But — like Cinderella — they also eventually face a mid-night situation when glamor is lost and ordinary fishing becomes the rule.

Eventually the lake may again become a good fishing place, but in the meantime many anglers spend a lot of time fishing there without much success.

There is a way to by-pass this slump, say the angling experts at Mercury outdoors. To know what happens to fish as a lake matures is the key to continued success after the first few years of hot fishing are over.

If you fish a lake during its hot-activity stage, learn as much as possible about its deep-water areas. This information will be important later when the lake has matured and fishing begins to slow down.

As a lake becomes older, its fish population hits a high and then levels off. The lake has reached its carrying capacity under present conditions. Fish populations may even decrease, but there usually are a good number of large fish left.

Knowing about the deep water now pays off, for that's where the big fish tend to stay. It's also in deep water that you'll find fish in schools.

Another important change occurs in feeding habits. As fish grow larger and become less active, their routes to feeding places become firmly established and they're not likely to stray from these known paths.

Mr. and Mrs. O.W. Powers and Nina returned home Sunday after visiting a few days with Mr. and Mrs. J.A. Wise in Oklahoma.

Froy Salinas Goes To Hawaii

Froy D. Salinas, leading representative on the staff of Metropolitan Life Insurance Company's Lubbock, has been invited to participate in a four-day business conference with company officials and other field representatives at the Hilton Hawaiian Village in Honolulu during the week of June 7-12.

Salinas is a former resident of Tahoka.

Stamp Club To Have Show

The South Plains Stamp Club of Lubbock, Texas, in conjunction with the High Plains Philatelic Association will hold their annual stamp exhibition on June 13th and 14th. It will be held at the Municipal Garden and Arts Center, 42nd and University Avenue, Lubbock, Texas. The hours will be from 9:00 a.m. to 9:00 p.m. on Saturday, June 13th, and from 9:00 a.m. to 5:00 p.m. on Sunday, June 14.

Well over 100 frames will be on display featuring United States stamps in a general as well as a specialized category, foreign, topical, United Nations, and covers in both foreign and U.S. categories.

Anyone in Lubbock at the time of our show will be most welcome to drop by and view our exhibit. We will be happy to show them around.

Mr. and Mrs. Raymond Cadwallader of Fort Worth spent the week-end in Tahoka with her aunts, Mrs. D.V. Smith and Mrs. C.T. Oliver and family.

Perry Flippin Will Attend Texas Tech

Mr. and Mrs. Perry Flippin arrived here last week and he expects to enter Texas Tech to work on his Master's degree. Until recently he has been with the Department of Agriculture in Washington, D.C.

He met his wife, Ingrid, while serving with the Army in Germany, and they were married in July, 1968. Her mother, Mrs. Lore Voigt, from near Frankfurt, Germany, is with them.

Linda Huffaker, CHD Agent, Says.....

A question frequently asked by consumers is, "What is that bunch of white stuff at each end of the egg yolk when it is broken out?"

The "White stuff" is called chalaza and is simply thick strands of white albumen which help keep the egg yolk suspended in the center of the egg. It is very similar to a paper wrap on candy kisses. It covers the egg yolk, even though it cannot be seen and is twisted on each end.

"The egg is the most perfect single food unit known to a man," and the chalaza is perfectly edible since it is of vitamin A, and among natural foods, eggs probably stand at the head of the list as a source of Vitamin D. The quantities of other vitamins in eggs are enough to make a substantial contribution.

"Because they are attractive, palatable, easily assimilated, nourishing and healthful, eggs have become one of our most popular foods. They may be tucked into the diet in a variety of ways, and prob-

NEW HOME NEWS

BY MRS. W.W. DAVIES

Mr. and Mrs. George Gilson of Santa Anna, California were here last week with his sister, Mrs. Weldon McClintock and family. Mr. and Mrs. Bill Kirby and children of Irvin spent the week-end with them and on Sunday Mrs. Willard Tibbitt and boys from Muleshoe and Mr. and Mrs. Clint McClintock and children joined the family for a dinner.

Mr. and Mrs. Mario Rudd accompanied by her parents Mr. and Mrs. Ross Robinson of Eunice, New Mexico went to Kingsland for the week-end.

Howard Mayfield visited friends and relatives in Lindsay, Oklahoma last week and with his son Horace Mayfield and family in Oklahoma City. After visiting the family there Howard and Horace went to Lake Texhoma for a few days fishing. Howard caught a 6 lb. bass which made him eligible for membership in the Sportsman Club. The men returned to the city Monday and Howard drove home the same day.

Mr. and Mrs. Cecil Kieth and Mr. and Mrs. Bill McNeely were in Sunray Wednesday, May 29th. For the funeral of the men's cousin Mrs. D. M. Bonner. Funeral services were held in the Sunray Baptist Church with burial in the Sun-

ray Cemetery. Mrs. Bonner died Monday May 18th after several months illness. She is survived by her husband, one daughter, and two sons.

Joe and Deamos Estrada of San Marcos visited here Friday until Sunday with their Uncle Inez Estrada and family. The boys formerly lived here with their parents who were employed by E.M. Rudd.

Mr. and Mrs. C.H. Reese and children of Wink spent the weekend with us here and with his sister, Mrs. Edith Davis of Amarillo in the home of her son, Charles Evans in Lubbock.

Mr. and Mrs. Nick Ford and Chad have moved to Denver City from Jal, New Mexico. Her parents, Mr. and Mrs. E.M. Rudd were over helping them last week and Chad returned home with them for a few days.

Mrs. Joe Beach has arrived in Iran where Joe has been since March 7th. He is with N.I.G.C. Lynda has been here with her parents, Mr. and Mrs. E.M. Rudd. They will live in Mian Kuh and expect to be there for two years.

Mrs. Howard Mayfield and Dickie Turner, drove to San Marcos Thursday to attend graduation exercises at Southwestern State Teachers College. Mrs. Mayfield's granddaughter, Donna Clark was a member of the class. Donna graduated at mid-term, and has been teaching at Medina.

Mr. and Mrs. John Edwards visited in Levelland Saturday evening with Mr. and Mrs. Corbett Otwell.

Mr. and Mrs. C.G. Eades spent the weekend with Mr. and Mrs. Glenn Cobb at Lake Stamford.

The 6th grade class was surprised with an end-of-school party in the home of Mr. and Mrs. John Edwards. Home-made ice cream, cookies and soda pop was served to the pupils and their teachers, Mrs. Daughtery and Melvin Chism.

After nearly 20 years in the grocery business in Petty, Mr. and Mrs. H.C. Hemmeline have announced their retirement. Mr. and Mrs. Hemmeline, their son, Royce, and daughter, Peggy, were farming in the Petty Community when they bought the store from Mr. and Mrs. Odie Mayfield in 1951. Royce and his family live in Denver City and Peggy (Mrs. Bill Murray) and family live in Houston. Both Royce and Peggy graduated from New Home High School.

Charlie and Dink say "our home is here and we plan to stay, and though the store is closed our home is always open, come by to see us."

Mrs. Waylon Bruton who underwent major surgery last Thursday in Methodist Hospital is doing fine and hopes to be home in a few days, her mother, Mrs. Hope Bartlett and sister, Mrs. Doris Patterson, both of Odessa have been with the family.

Cindy Haley is here for the summer with her parents, Mr. and Mrs. V.P. Haley. She will return to West Texas State University next fall where she will be a unit advisor. She plans to work in Lubbock this summer. Ron Duscha from El Paso visited the Haleys Wednesday through Saturday.

We welcome back to New Home Mr. and Mrs. Jack Clements. Jackie, Wayne, Kathy, and Shirley. Jack has bought an interest in the New Home Gin Co. and been named manager. The Clements lived in New Home for 10 years before moving to Mangum, Oklahoma where they were ranching. They moved there in Feb. 1963. Jackie Wayne, will be a senior, Kathy a sophomore, and Shirley a freshman in the New Home School next semester.

Rev. Gene Louder, pastor of the New Home Methodist Church has been assigned to

the Church in Hartley and will move there today.

Sunday night, May 25th, following the evening service, Rev. and Mrs. Louder and Monte Gene were honored with a farewell social in the Fellowship Hall at the church. The Louders were presented a fare well gift from the church. Refreshments of coffee, punch and cookies were served.

Rev. James Taylor from the Abilene district will be the new pastor here and he and his family will move here this week.

AREA 2 FFA CONVENTION Bob Ballard took four boys to the area II FFA convention in Sweetwater Tuesday and Wednesday, May 2nd and 3rd. The four boys applying for Lone Star Degrees are Craig Zant, David Foerster, Jimmie Fillingim, and Bruce Harmonson. The degree is the highest recognized by the state association. New Home has had 20 Lone Star Farmers in the last 5 years.

Coach and Mrs. Zay Lavever and Richard are visiting in Tilden for two weeks, George Gonzales, who lives here and attends LCC returned home for the summer.

Mrs. W.T. Davis and son, Joe and Miss Marcia Karen Gregory visited here with the L.C. Denton family Friday and Saturday.

Mr. and Mrs. Russell Howle and Kim visited Mr. and Mrs. Simon Terrazas in Big Spring last week, Dean Howle and daughter also visited with the family there.

Mrs. Allen To Receive Degree

Mrs. Nona Helen Allen of New Home received her B.S. degree in Secondary Education from Texas A&I University in Kingsville. Commencement exercises were held in Jones Auditorium Wednesday, June 3.

Mr. and Mrs. D.R. Proffitt spent last week visiting relatives and friends in Hico and Dublin.

Farm Bureau Has District Meeting

Plans for an organizational activity to evaluate current Farm Bureau programs and to establish priorities for an expanded program on the county and state levels were discussed at a district meeting held May 29th in Lubbock and attended by representatives of the Lynn County Farm Bureau.

Texas Farm Bureau President Sidney Dean of Victoria and Executive Director O. R. Long of Waco spoke at the meeting and outlined plans for the study program which will involve all of the 203 organized county Farm Bureaus in the state. Dean said the program grew out of a recommendation of a special study committee which he appointed last year which has been making an in-depth study of Farm Bureau program and operations. The committee recommended that an activity be conducted involving county Farm Bureaus "in evaluating the organization and its program of work, setting forth top priority of goals and directions."

Long said the objective of the study will be to determine the kind of organizational programs farmers and ranchers of the future will need and

ascertain the means of putting them into operation.

The local county Farm Bureau will be involved in the study program, according to R.L. Dulin, president. He said a meeting of the Lynn County Farm Bureau Board of Directors will be held soon to develop recommendations for the expanded program.

Local Farm Bureau leaders attending the district meeting included Howard Moore, T.B. Mason, and Charlie Beckham.

Howards Graduate From Wayland

Two students from Tahoka, Mr. and Mrs. Eddie Howard, were graduated from Wayland Baptist College during commencement ceremonies on Saturday, May 23.

Howard, son of Mrs. Vivian F. Howard, formerly of Tahoka, received the bachelor of arts degree with a major in religion and a minor in philosophy.

He is a 1965 graduate of Tahoka High School. At Wayland, Howard held membership in Alpha Phi Omega, national service fraternity which he served as alumni secretary. He held membership in Ministerial Alliance and Volunteer Mission Band and served as freshman cheerleader.

Mrs. Howard, the former Stella Howle, is the daughter of Mr. and Mrs. E.A. Howle. She received the bachelor of arts degree with a major in elementary education and a minor in English. She holds membership in Alpha Chi, national honor society, and Texas Student Education Association.

Henson Discusses Catfish Farming

James Henson, a biologist on the state staff of Soil Conservation Service, discussed Catfish Farming and its potential in Lynn County with several area farmers. The meeting was held last Wednesday in the Tahoka SCS office with some 20 persons in attendance.

The group consisted of farmers, college professors and finance people in the area. During the meeting, Henson explained how by husbandry of fish, such as that of live-stock, an agricultural farming enterprise is made. This kind of farming consists of controlling quality of the water, managing the spawning, hatching, growing and feeding of the fish, then harvesting and marketing the fish crop.

It was explained that catfish can be grown in small ponds or large ponds, one pond or many ponds, if proper management and fishery techniques are used.

The major limiting factors of this type operation is the facilities that must be present. A single and most important factor is the water availability and distribution system. Another necessary facility is a pond or a place

for a pond that will hold water and is completely protected from floodwater. These factors were also discussed in selecting the proper and best type pond. A minimum of 3 feet depth with a slope of 8 feet is ideal for catfish.

A group of colorful and interesting slides was presented as Henson discussed the different phases of catfish production. One part of the program was on producing fry or young fish from brood fish, another portion was fingerling fish to food fish, and another was marketing of the product and fish pond management. Lynn County has some potential for catfish farming in some areas. We will be glad to discuss the potential in your area if you will let us know at the Soil Conservation Service of your interest.

The Deacon Says
BY W.A. REDDELL

Those who are always late getting to church are not on the alert for Christ. Alertness is one of the necessities for being a soul winner. A great way to witness for Christ is to always be on time.

A deal to believe in. From a dealer to believe in.

If it takes value to make you believe in a car, believe in the new Buick Skylark. Every Buick is crafted with integrity. And filled with value. You get things like a cooling system that should never overheat, even with air conditioning. You get an automobile so well built

that its drive train and chassis are literally tuned to the bias-belted tires that are standard equipment. So that they'll last even longer and provide even greater traction. One other point. Value also has to do

with the man who sells and services the car you buy. Good service can help you maintain the value of your new car. Check the good deals your Buick dealer is offering right now on the Buick of your choice. If you're looking for something to believe in, you'll find it there. After all, wouldn't you really rather have a Buick?

Buick Value/Buick Dealers. Something to believe in.

Electric Air Conditioning? NO QUESTION ABOUT IT!!!

OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs, either!

NO LOSS OF EFFICIENCY BECAUSE OF ALTITUDE

Our area is several thousand feet above sea level yet electric air conditioning is not adversely affected. It does its cooling job as efficiently as if it were at sea level. An important point to consider when buying.

CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

CHOICE OF SIZES

Only electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

BE SURE-GET ALL THE INFORMATION BEFORE YOU BUY

Special notice: Prices of all 1970 Opels have been reduced at your Buick-Opel Dealer with no change in features or equipment.

Minor League Baseball Scores

ASTROS VS ORIOLES
The first game played Tuesday May 26 was between the Astros vs Orioles with the Astros coming out on top, 13 to 7. The boys making the scores for the Astros were Pena, Williams, Hatchett, Carlton Jolly, David Jolly, Redwine, Graves and Marett, each with Hatcher and Marett each knocking a home run for the Astros. Pitching for the Astros were Graves, Marett and Jolly. The Astros lost David Jolly to the Yanks in Little League.

Pitching for the Orioles were Antu and Nettles. Making scores for the Orioles were Dunlap, Elrod, Nettles, Antu, Robertson and Walker.

PIRATES VS DODGERS

The second game May 26 showed the Dodgers beating the Pirates 14 to 7. Pitching for the Dodgers were Sastre and Garcia. Making scores Stotts, Tekell, Garcia, Reveria, Morales, Alverado, Tomlinson and Sastra.

Pitcher for the Pirates was Gonzales. Making scores for the Pirates were Brooks, Gonzales, Garcia and Bell. Jones pitched ball with blistered legs because he was needed to make a team.

DODGERS VS ORIOLES

Friday night, May 29, the Orioles lost to the Dodgers, 4 to 8. Pitching for the Orioles were Nettles and Antu. Scoring for the Orioles were Dunlap, Walker, Elrod and Brookshire. Pitching for the Dodgers were Sastra and Garcia. Making runs were Stotts, Reveria, Sastra, Garcia, Benevides, Morales and Tomlinson. They played only 4 1/2 innings, because of rain.

The second game between the Pirates and Astros was called because of rain. It was played Wednesday night, after the News went to press.

Up to date the Dodgers have 3 wins, 1 loss and 1 tie; Astros, 2 wins, 1 loss, 1 tie; Pirates, 2 wins, 1 loss, 1 tie; and Orioles 4 losses and 1 tie.

City Council Has Session

The Tahoka City Council was in session last Monday night at the Council room at City Hall.

The Council authorized putting a speaker system in at the Tahoka Swimming Pool and also authorized the purchasing of a 3-M Copying machine.

After the Council heard the minutes of the last meeting

read they discussed the upgrading of the Tahoka Communication system.

The Council also made a resolution to only let the Tahoka man open graves at the local cemetery. The Council also voted to let employees off Friday if a holiday falls on Saturday or on Monday if the holiday falls on Sunday, if the

other utility companies are off on these days.

Bills were paid and Council adjourned.

The Council will meet at 9:00 p.m. Wednesday with a group of Tahoka youngsters to discuss the possibilities of a youth center.

THE MEMBERS OF THE TAHOKA LIONS CLUB BELIEVE THAT IN ORDER FOR OUR NATION TO SURVIVE, ALL CITIZENS MUST UNITE TOGETHER TO COMBAT THE FORCES BOTH FROM WITHIN AND WITHOUT, WHICH WOULD DIVIDE AND CONQUOR US. THE TAHOKA LIONS CLUB MEMBERS THEREFORE PLEDGE TO LOYALLY SUPPORT THE PRESIDENT THE GOVERNOR, THE MAYOR, THE POLICE DEPARTMENT AND ALL OTHER OFFICIALS IN THEIR ACTIONS DESIGNED TO QUELL VIOLENCE, PROMOTE PEACE, AND BRING ABOUT THE FREEDOM, CONCORD AND UNITY FOR WHICH OUR NATION WAS FOUNDED AND STANDS AS A BULWARK IN A WORLD THREATENED BY OPPRESSION. WE ENCOURAGE EVERY LOYAL CITIZEN TO DO THE SAME!

signed, *Bill Chaney*
President

Please cut out on dotted line.

TO: The President, The Governor, The Mayor
I consider it a blessing, an honor and a privilege to live in the United States of America. I pledge to loyally support the President, the Governor, the Mayor, the Police Department, and all other officials in their actions designed to quell violence, promote peace and bring about the freedom, concord and unity for which our nation was founded and which stands as a bulwark in a world threatened by oppression.

I voluntarily affix my signature to this paper as proof of my allegiance.

Signed _____

After signing, send to your Mayor, who will forward to your Governor, who will forward to your President. You may mail or deliver this pledge to City Hall, or you may enclose it with your water, light, telephone bill, or any other correspondence with the city.

**Bill Griffin,
County Agent,
Says.....**

Be wary of stinging insects. Persons who are allergic to insect stings should be doubly careful. Records show that more people die each year from insect stings than from poisonous snakes with honey bees, bumblebees, and yellow jackets and wasps as the main culprits. Most people, after being stung feel a sharp pain for a short time with the area

swelling a bit. But those allergic to a sting, may suffer severe reactions or even death and they may not realize it until it's too late. To protect yourself use an approved insect repellent or wear protective clothing when working near stinging insects. Don't use hairdressing or perfumes that have floral scents. Wear light-colored clothing and move slowly if you are near a stinging insect's nest. Bees and wasps usually sting only if they are touched or their nests are threatened. Quick motions and air movements, however, will excite them. Nests, can be destroyed by the use of pesticides but be careful when doing the job. Check with your doctor on whether or not you have the special allergy to insect stings. Your doctor can advise on what to do in case you are stung. Excessive speed was the major factor in 1969's tragic highway record, according to an annual survey by The Travelers Insurance Companies. More than 56,000 persons were killed last year, and more than 4,700,000 injured.

Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Search for treasure off Padre Island will continue in a big way this summer. Texas Antiquities Committee granted a reconnaissance permit to the Institute for Underwater Research Inc. to pinpoint locations of additional 16th century Spanish galleons believed to have sunk in Padre area waters. A giant survey, using geophysical detection devices and scuba divers, may serve as the basis for a state master plan for protection, study and possible future excavation of submerged historic sites. State agencies, including the Land Office and major universities, will cooperate. Antiquities Committee granted \$3,000 to assist Underwater Research, a non-profit corporation financed with private

foundation funds. Antiquities Committee Chairman Dr. Fred Wendorf said there is good historical evidence that a fleet of Spanish ships was wrecked along the Texas coast in 1553. Committee, Dr. Wendorf emphasized, wants to prevent future looting by profit seekers and to preserve remaining ships so that historic data and artifacts may be retained by the state. Committee also put up \$6,000 to hire graduate students to compile inventory of major archaeological land sites in Texas. Inventory would enable sites to be nominated to National Register of Historic Places and gain some protection from future destruction. Wendorf, meanwhile, issued a new statement telling amateur treasure hunters, collectors and beachcombers not to think the Committee is spoiling their fun. Committee permits are required to dig on state or public land. But activities on private lands are covered only where property is declared a State archaeological landmark, and so far none has been so identified. SCHOOLS TROUBLED. Spokesmen for large, small and medium-sized school districts told a special study committee they face dire financial problems. Big city districts urged a more equitable formula for dispensing state aid. "Small districts have twice as much taxable wealth per student and receive 13 per cent more state aid per student," said Dr. Marvin H. Berkeley, Dallas Independent School District President. Eighteen-member committee headed by veteran Sen. A.M. Aikin Jr. of Paris was authorized by the last Legislature to study the financial relationship between state and local districts and examine structure of current economic index for schools. In its first session the Committee heard financial woes of Dallas, Fort Worth, San Antonio, New Braunfels and Lubbock school districts. WELFARE COST SOARING. Predictions about cost to Texas taxpayers of new federal welfare legislation get steadily

more alarming. Senate welfare reform committee was told by its staff chief, Dr. June Hyer, that bill s before Congress would increase state spending for medical care of needy by \$252 million to \$293 million during the next two and a half years. Welfare Commissioner Burton Hackney said assistance programs can be maintained at present levels until July 1, 1971, only if the Legislature boosts welfare appropriations to a ceiling of \$80 million in January. Hackney also saw a chance of getting \$80 million in emergency funds for purchasing medicines. APPOINTMENTS. Gov. Pres. to Smith announced these appointments: Committee to Study Employer-Employee Relations - William Norwood Hollis and Don Horn of Houston, Tommy V. Smith of Austin, Angus S. McSwain Jr. of Waco and W.T. Satterwhite of Dallas. Nueces River Conservation and Reclamation District Board - Joe E. Briscoe of Devine. Advisory Committee on Physical Fitness - Rep. Robert L. Armstrong of Austin and Rollin Singler of Nacogdoches. Coastal Industrial Water Authority Board - Buster Eugene French of Dayton (Reappointment) and James D. Dannenbaum of Houston. INSURANCE HEARING SLATED. State Board of Insurance announced investment income of insurance companies writing auto coverage in Texas and its effect on rates will be the major subject of a special hearing on July 14-15. Main hearing on statewide automobile rates is tentatively set for August 17. Board promised study and review of the entire rating formula. AG RULES... Atty. Gen. Crawford Martin slapped down Texas Water Development Board's plan to commit itself to the purchase of political subdivision bonds in the future, subject of availability of the funds at marketable interest rates. At the same time, Martin held constitutional a 1969 statute aimed at authorizing political subdivisions to purchase

and sell them at a discount. Opinion put the Board out of water project aid business for the time being. Martin also upheld the constitutionality of the new destination franchise tax on out-of-state firms selling products in Texas, but said it can't be collected on strictly-mail order businesses. In other recent opinions, Martin concluded that: County judge cannot grant misdemeanor probation to anyone who has received probationary sentence during the preceding five-year period. Cottonseed in physical possession of Valley Co-op Mill in Cameron County on January 1 is exempt from property taxes. In a county having only a single jail facility, it must be at the county seat. County commissioners, by unanimous consent, may allow temporary flooding of a county road if a suitable alternate route is provided. State Board of Health may not by rules expand the amount of equipment to be carried by ambulance, but may define minimum contents of first-aid kits. Purchases under \$2,000 may be subsequently ratified at the county commissioners meeting. Board of Examiners in Fitting and Dispensing of Hearing Aids can require recording of aid serial numbers on the bill of sale. Any person who can pass the exam or qualifies under the "grandfather clause" or reciprocity provisions is entitled to a license to fit and dispense hearing aids. Lump sum payment in addition to monthly pension can be paid to a retired fireman or survivor if additional payment was adopted at the time he was an active fulltime fireman or prior to that time. State Board of Landscape Architects must issue a license without examination to applicants who have been representing themselves as landscape architects for at least three years, if they have defined requirements. Trailer type carriers carry.

ing implements of husbandry may be moved up to 50 miles without special overwidth permit. When conviction or indictment is set aside, accused regains his civil rights (to vote and serve on juries) but may not truthfully state in job application he has never been "convicted" of felony. COURTS SPEAK... State Supreme Court, in a Beaumont case, upheld the state law requiring that barber colleges have at least 2,800 square feet and a minimum of 20 chairs in a permanent structure. In other cases the High Court held that: As an historic site, the home of the Texas patriot Jose Antonio Navarro in San Antonio is exempt from property taxes. A Dallas insurance company owes \$213,355 in 1967 personal property taxes, instead of \$33,367 it offered to pay. High Court agreed to review the Amarillo case in which a couple demand damages from a doctor, alleging negligence in pregnancy care of wife. Third Court of Civil Appeals overturned State Savings and Loan Commissioner Sale

Lewis' order granting authority to Brenham savings association to open an "agency" in La Grange. CARGO ROUTES APPROVED. Texas Aeronautics Commission has approved its first intrastate cargo routes. They were assigned to four Texas airlines. Certificates went to Lubbock-Amarillo Armored Service Inc. (West Texas, Plains, Permian Basin); American Courier Corp. (extending from Central Texas to the Mexican border and as far east as Texarkana); Aztec Airways Inc. (west and north Texas); and Tricon International Airlines (Austin, Gainsville, Longview, Temple, Tyler and Waco). SHORT SNORTS... Texas will be among the first seven states to participate in a new data system to trace school and health progress of migrant children. Hueco Tanks (near El Paso), Dinosaur Valley (near Glen Rose) and Pedernales Falls state parks opened June 1. Edna Fredericksburg, Flatonia and Uvalde received new child development grants of \$21,821, \$45,454, \$18,951 and \$11,810 respectively for "Head Start Programs."

THE FAMILY LAWYER

Woman's Age: Her Secret?

May a woman lie about her age? The question is not always a frivolous one. On the contrary, serious courtroom battles have been waged over this very issue.

Suppose, for example, that a bridegroom finds out after the wedding that his bride is older than she said she was. Does her deception give him a right to an annulment on grounds of fraud?

Generally, no. Annulments are indeed granted for fraud, but only when the fraud involves something truly fundamental to the marriage relationship—something more vital than mere age. The reason is that the law pre-

fers, whenever possible, to preserve a marriage, not to destroy it. One judge added wryly:

"Should the courts grant annulments just because women concealed their correct ages, the floodgates of litigation would be thrown wide open."

In another kind of age deception, a woman motorist was haled into court for giving three different ages—all in the thirties—on three different registration statements.

Here too, however, the court decided that her misstatements were not momentous enough to make her guilty of an offense. The court pointed out that the main purpose of asking for the woman's age was to make sure she was old enough to drive. In this case, said the court, there was no doubt about that.

Nevertheless, it may be a different story when a woman takes some years off her age in applying for life insurance.

In this situation, there is no question of gallantry, no question of maturity. It is simply a question of arithmetic. An insurance company calculates its risk on the basis of the woman's life expectancy, which in turn depends primarily upon her age.

In most cases, an understated age on an insurance application will mean that the beneficiary of the policy will collect proportionately less insurance.

In fact, if the misstatement is due not to coquettishness but to plain dishonesty, the entire policy might be held null and void. The law may condone vanity, but not cheating.
