Fred B. Hegi, Jr. Completes Doctorate

Fred B. Hegi, Jr., a graduate of Tahoka High School, completed work for his PHD last week at the University of Texas.

He is taking a position with First Capital Corporation, which is a subsidiary of the First National Bank of Chicago. He will report to work Monday, Nov. 9, 1970.

Fred is married to the former Jan Vestal of Snyder and the Hegi's will live in LaGrange Illinois, a suburb of Chicago.

Mr. Hegi received his B.A. from SMU then received his Masters from Harvard before going to the University of Texas for his doctorate.

Fred is the son of Mr. and Mrs. Fred B. Hegi of 1701 N. 7th St. in Tahoka.

A Tahoka native, Fred is a former Tahoka High School Athletic standout in football and basketball and graduated with academic honors. He is also a musician playing the organ.

C. E. BIRDWELL IS INJURED IN MISHAP

C. E. Birdwell was injured Tuesday, when his tractor ran over him, in his field. He is a patient in the Medical Arts Hospital, Lamesa.

Extent of injury was not known at press time.

The Tahoka High School footballers have been playing excellent football this season under the direction of grid boss A.J. Viertel and his assistants. The Lynn County News tries to publicize these games as much as possible but is still sometimes unable to give credit where credit is deserved. Many times blockers and defensive men or just linemen in general which are the backbone of any good football team go unrecognized when they are playing excellent football. The Bulldogs will play their last home game of the season this Friday night so let's all get out and boost them on to victory.

The Phebe K. Warner club has given a big boost to Americanism in Tahoka in the past weeks which is a project of the club. We would like to urge all citizens of Lynn County to join these ladies in a move that is not only needed in Lynn County but the whole of the United States. We hope this move will sweep across the U.S.

While on Americanism we received a Letter to the Editor from Billy Birdwell this week concerning the paintings on the Tahoka overpasses which read "America - Love It Or Leave It" and "America".

While we go along with Billy it is against the law, we would like those signs before the Highway Department covered them up. What we can't see out is that obscene language and everything imaginable on overpasses and bridges over Texas but the Highway Department doesn't cover all of them up. The District Highway Boss had the local Department to cover the signs. Let's see the Highway Dept. to cover these signs up too.

Play Last Home Game Here Friday

The tough Tahoka Bulldogs lost to Slaton last Friday night with just 13 seconds left in the game. The Slaton Tigers kicked a 24 yard field goal and came out on top of the blue gridders 3-0.

Coach A.J. Viertel said that a fine effort was put forth by the Bulldogs but a Slaton 8 man rush by bigger, stronger boys hurt the Bulldog passing attack. Although a big rush was put on Cliff Gardner, Tahoka Bulldog quarterback still completed 7 of 12 attempts. Also, bad breaks at critical times hurt the Bulldogs.

The Bulldogs received the opening kickoff, and John Thomas brought the ball out to the 40 yard line. The Dogs stalled on the 49 and kicker Reggie Stark punted the ball to the two yard line. Slaton could not move at that point and was forced to punt. Tahoka then took the ball on the 49 and in five plays moved to the Slaton 33. Cliff Gardner was dumped for a loss at that time and the Tigers took over. Slaton made one first down but lost possession on an interception by Cliff Gardner on the Tahoka 30. Tahoka then moved to the 48 with Montemayor and Durham carrying the mail and Reggie Stark then punted to the Slaton 20, ending the first quarter of action.

Slaton's drive after the punt took them to the 47 yard line where Slaton fumbled a pass reception when tackled and the Bulldogs took over. John Thomas then ran for 12 yards to the Slaton 27 and Gardner completed a pass to Ladd Roberts for 16 yards but a 15 yard clipping penalty nullified the play. Gardner then threw to Stark for 12 yards to the Slaton 27. Thomas then ran to the Slaton 20 but fumbled and the ball was covered on the 26 by Slaton. They then moved to the 36 and held on downs and punted to the Tahoka 5.

Picadors Host Fish In Shrine Bowl

The Texas Tech Picadors return to action Thursday night as they host the Texas A&M Fish in the fourth annual Khiva Shrine Bowl.

The game will pit the undefeated Picadors against a winless Fish Team. Tech has beaten New Mexico Military, 55-7, Arkansas, 24-6, and Oklahoma 18-10. The Fish have lost to TCU, 31-7, Baylor, 12-7, and Rice, 31-8.

The game will be the eighth between the two frosh teams, with the Picadors down in the series, 4-3. In last year's game, Texas A&M's Vance Kerbow flashed for 200 yards rushing to lead the Fish to a 35-0 blanking of the Picadors. Tech's last win came in 1967 when they pulled out a 21-20 heartstopper.

Last year's Shrine Bowl proved to be one of the most exciting football games to be played in Jones Stadium. It pitted the Pics against a fine Arkansas team led by Joe Ferguson. The Shoats won 23-22 with Tech kicker Dickie Ingram just missing a 53 yard field goal with no time left showing on the scoreboard clock.

This year's contest will see two of the finest former schoolboy quarterbacks in Texas facing each other for the second time. Tech's Jimmy Carmichael and A&M's Tim Trimmer hooked up against each other in the Texas High School Coaches Association All-Star game this summer with Trimmer and the South coming out on top, 35-19. Starting in the backfield with Carmichael will be running-backs James Mosley and Joe Barnes. Mosley is the team's leading rusher with 226 yards.

Bulldogs got out of a hole in moving to the 22 and punted as the half ended with the score 0-0.

In the third period Laws kicked out of the end zone, but on the 1st play from scrimmage Slaton got away on a 18 yard run, but Tahoka covered a fumble on the next play, and had good position on Slaton's 39 yard line, but after 3 plays the Bulldogs lost back to the 50 yard line. Reggie Stark got off a beautiful punt to the Slaton 4.

Three plays netted the Tigers only 4 yards and they punted to their own 45. Tahoka couldn't move and they punted back to Slaton who moved from their own 22 out to the 35 and had to boot again. John Thomas ran the punt back to the Tahoka 42 and Tahoka rolled with the ball in their best drive of the night. The big gainers on the drive were a 14 yard run by Robert Montemayor, a 12 yard pass from Cliff Gardner to Gene Walker, a 11 yard pass tucked in by Roger Miller, which ended the 3rd period of grid action.

But opening the fourth period Tahoka drew a 15 yard penalty. The penalties came all night just when the Bulldogs were in scoring territory. After the penalty Gardner lost 7 yards on a passing attempt and Slaton took over on the Bulldog 35, and moved to Tahoka's 42 yard line with Alan Fondy, Self and Rogers carrying and punted. Tahoka moved to the 30 and then Self intercepted Gardner's pass on the Tahoka's 45.

Staton then moved to Tahoka's 11 yard line on 2 passes and 3 running plays, but the Dogs held on their own 5 and on fourth down place kicker Sanders came in, but the quarterback faked and threw a pass incomplete. Tahoka took over on the 5 and made 9 yards in three tries, then Gardner's quarterback sneak failed to get needed footage for the first.

With 25 seconds left on the scoreboard clock, Slaton took over on Tahoka's 14 yard line. Fondy hit the line for 4, and there was 23 second left on the clock. (Clock operator evidently had failed to start clock.) Eastman then went 5 to Tahoka's 5.

Sanders, Tiger field goal booter, came back in and kicked a perfect 24 yard field goal with 13 seconds left.

Tahoka brought back the kickoff to their own 27 with 9 seconds left. A pass was incomplete, then Gardner hit Roger Miller with a 13 yard pass to the 40 yard line as time ran out.

The Bulldogs are now 4-4 for the season and play their last home game of the season this Friday night against Roosevelt. How other teams fared in District 4-A last week: Denver City 32 - Frenship 7; Roosevelt 14, Ralls 0; Idalou 47, Post 0.

Wilson Bank Robbery Plot Prevented By Law Officers

Law enforcement officers arrested three heavily armed men disguised in theatrical makeup Tuesday morning when what was believed to be a plot to rob the Wilson State Bank went awry.

Arrested on charges of conspiring to rob the bank were Herschel McKnight, 42, of 319 53rd St.; Jimmy Huel Young, 33, of 511 56th St.; and Mearl Dwayne Sormrude, 29, of Waco. Bonds were set at \$100,000 each.

Several Banks Watched
The drama unfolded Monday night when officers were alerted by a telephone call that a bank robbery was planned Tuesday morning in the Lubbock area.

A team of officers—including the FBI, the Texas Rangers and the Department of Public Safety—was assembled.

A spokesman for the federal agency said "several banks" were under surveillance. Other sources said guards were watching banks in Wilson, Tahoka and Slaton.

Officers Staked Out
In Wilson, Highway Patrolmen Wayne Kirkpatrick, Mike Stark and an FBI agent huddled in the back of a camper on Kirkpatrick's pickup truck parked across the street from the Wilson State Bank.

Texas Rangers, including Capt. James Rogers, Sgt. S. H. Denison, Frank Roger and Jim Singleton were parked down the street.

A Department of Public Safety helicopter manned by Carl Mullins, Bill Meador and Sgt. O. C. Guthrie hovered in the air nearby.

Trio Wore Makeup
Lynn County Sheriff Norvell (Booger) Reeb was stationed on Farm Road 400 between Wilson and Tahoka.

At 9:35 a.m., officers said, a blue Buick drove past the bank, circled the block, and then parked in front of it.

The three men inside the vehicle wore "Navy-type" toboggans, mustaches and had rouged faces, investigators said, and the officers triggered their operation with walkie-talkie radios.

"It parked there for what seemed like 20 minutes," an officer said, "although it must have been only 20 seconds."

No one got out of the car, and it drove away.

The trio was arrested without incident. The pilot was questioned but was not in custody Tuesday night.

McKnight, Young and Sormrude were named in complaints filed before U. S. Commissioner Frank R. Murray that charged them with conspiring "to rob the Wilson State Bank, a bank the deposits of which are insured by an agency of the U. S. Government, to wit, the Federal Deposit Insurance Corporation, by driving up to the door of the Wilson State Bank, wearing makeup, mustaches, costumes and disguises and armed with pistols."

Trio Remain In Jail
The trio remained in Lubbock County Jail late Tuesday in lieu of bail.

During arraignment McKnight, a husky, sandy-haired man, turned to Singleton, one of the arresting officers.

"I thought for a minute that you didn't recognize me this morning," McKnight told Singleton.

"I recognized you," Singleton replied.

"I had an alias picked out but you sure spoiled it," McKnight told Singleton.

McKnight said he had never been convicted of a felony.

Young said Tuesday was the first time he had ever been arrested, except once on a misdemeanor. He said he had worked as a salesman for a prefabricated home company.

Sormrude said he had lived in Fort Stockton, Odessa, Abilene and Waco, and had worked as a trouble shooter for an electric company, as a drag line operator and as a real estate salesman.

Investigators said the car the suspects were driving was reported stolen Tuesday morning and was registered to L. J. Frazier of 114 E. Rice St.

Frazier had given the vehicle to his son, Michael Wayne Frazier, as a wedding present. The youth parked the vehicle on the parking lot of his residence at Varsity Apartments at 2222

Lynn County Votes Go Strong Demo

SMITH, BENTSEN, BARNES TAKE TEXAS DEMOCRATIC VICTORIES

A "UNITED" Texas Democratic party, shelving its bloody internal battles for the moment, swept roughshod over the GOP Tuesday to drive Lloyd Bentsen into the U. S. Senate and to send Preston Smith back to the Governor's Mansion.

The Democrats brushed aside half a dozen Republican candidates offering token resistance for secondary state offices as voters flocked to the polls in larger than expected numbers.

Both Smith and Bentsen won with comparative ease in a vote turnout that surpassed the two million mark.

Returns early today with more than 88 per cent of the total vote counted gave Bentsen a decisive edge on Republican Congressman George Bush, who left a safe House seat in Houston at Nixon's request to run for the Senate.

Gov. Preston Smith, the Democratic incumbent, won re-election to a second term by the same 54-46 per cent margin over Paul Eggers of Wichita Falls.

Also a late hour, the vote count showed voters firmly defeated an amendment to tax farm land on the basis of profit, and results showed two other proposed constitutional amendments in trouble—that of easier road bonds passage and consolidation of local offices.

Barnes Easy Winner

Lt. Gov. Ben Barnes, with only token opposition, swamped Republican challenger Byron Fullerton to gain a second term and then said he would announce his political plans for 1972 before the opening of the legislature in January. There has been speculation he would seek either

the Senate seat now held by Sen. John Tower or go for the governor's office.

A bigger-than-expected voter turnout in generally fair weather across the state was the key to the Texas Democratic victory. Observers had speculated a smaller vote would aid Bush and other GOP hopefuls.

At one point, the Republicans saw a great chance to send George Bush to the Senate and poured money and their best political talent into the state in an effort to beat Bentsen.

Lynn County voters, displaying a strong Democratic majority, gave strong support Tuesday to Lloyd Bentsen, Preston Smith, Ben Barnes and their party colleagues, but refused to go along with five of the seven proposed constitutional amendments. The 1,965 votes cast Tuesday approved only No. 1 and No. 6—the measures to remove justices and to increase the value of homestead exemptions.

Cotton Harvest Goes Into High Gear

Lynn County cotton harvest is now in "high gear", and most farmers are reporting production in exceeding their expectations.

With a backlog of unginning cotton on most gin yards, the News estimates approximately 35,000 bales ginned up until Tuesday of this week.

Tahoka ginners reported a total of 9,143 bales processed; O'Donnell, 10,189; Wilson, 2,898; New Home, Lakeview and Petty, 6,729; Grassland, Draw, and

New Lynn, 4,296; and West Point, 770. Hackberry, which reports half its cotton from Lynn county, had ginned 700.

Gordon reported it was just getting started, and the News was unable to contact Wells and Newmoore.

This brings the total to date

for those reporting to 34,375, plus the ginings at Wells, Newmoore and Gordon.

Some farmers are wrapping up their crop already, but many are just starting harvest and many others have not yet started—waiting for green bolls to crack.

Recent light freezes, followed by a hard freeze this Wednesday morning is causing most remaining cotton bolls to open, and the rush will be on now for the next few weeks.

Local elevator men estimate milo production at 1,000 lbs. per acre or more. However, area grain is short this year.

In spite of a hot dry summer during which there was little or no rain for nearly three months, dryland cotton has turned out much better than almost anyone could expect.

M.D. Drive Begins Nov. 11

The Future Homemakers of America will be collecting for Muscular Dystrophy on Wednesday, November 11. The drive will be from 4:30 to 5:00 p.m. The official signal for the drive to start will be the blowing of the fire whistle.

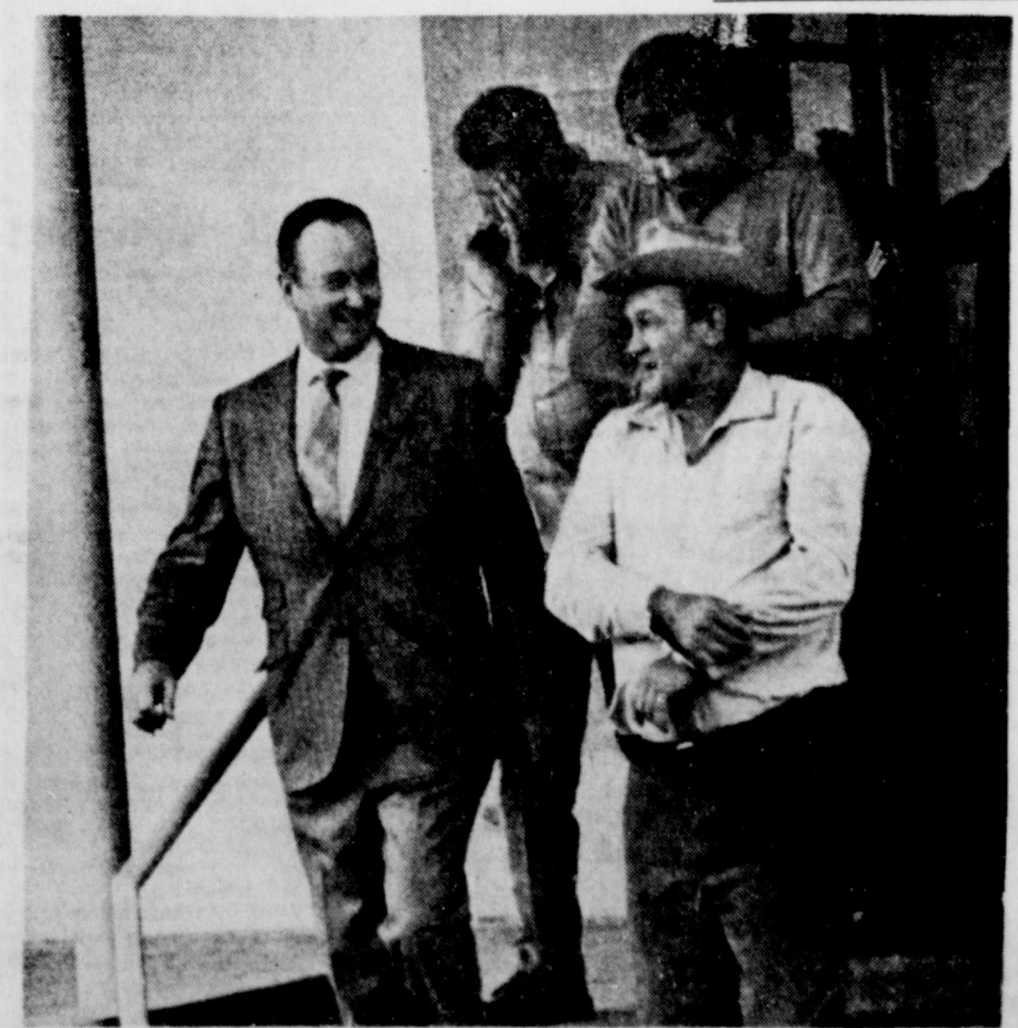

W.C. Steinhauser Funeral Today

Walter Carl Steinhauser, 61, of Rt. 2, Wilson, died about 2:25 p.m. Tuesday in Highland Hospital in Lubbock. He had suffered an apparent stroke at his home Monday.

Services will be held at 10 a.m. Thursday (today) Nov. 5, in St. John's Lutheran Church in Wilson. The Rev. Delmas Luedke, pastor of Grace Lutheran Church of Slaton, will officiate. Burial will be in Green Memorial Park here under direction of White Funeral Home of Tahoka.

Steinhauser was born May 25, 1909 in Holland. The family moved to Garza county in 1926 and to Lynn County in 1939. He had lived and farmed in the

Grassland Marker Will Be Dedicated November 14

An Official Texas Historical Marker for Grassland will be dedicated on Saturday, Nov. 14, at 10:30 a.m., it was announced today by Charles Woodburn, president of the Texas State Historical Survey Committee.

The marker will be unveiled following a program at Central Baptist Church honoring this historic South Plains community, states Frank Hill, local marker committee chairman. The Grassland marker has been erected at the intersection of U.S. 380 and Farm Road 212, near the church and two miles north of Grassland, by Texas Highway Department to help promote tourism and community pride.

All people of the community and area are invited, and are asked to notify former residents living elsewhere of the time

and place. If weather is bad, the program will be in the church.

Mrs. A.L. Norman and Mrs. Mittie Walker head a committee from Grassland Hobby Club that will serve refreshments of coffee and cookies. All four Grassland church groups are assisting.

This marker, awarded through a special Legislative appropriation known as the State Matching Fund, recognizes the outstanding work of the Lynn County Historical Survey Committee. This group is headed by Mrs. Ben Moore, Sr. of O'Donnell chairman.

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These also include archeologi-

cal investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name of this marker and its location will appear in the next edition of the Guide to Official Texas Historical Markers in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locality with their unique heritage.

Tahoka High Happenings

BY DONNIE DUDGEON

The hardest fought football game of the season was played last Friday night. The Bulldogs held the Slaton Tigers to a score of 0-0 until the last seconds of the game. Then the Tigers kicked a successful field goal ending the game with a score of 3-0.

This week the Most Beautiful and Most Handsome Contest will be held. The nominees for Most Beautiful are: Tommy Hale, Dale Rogers, Suzanne Warren, Becky Franklin, Sheri Short, Penny Parker, Staci Short, Dana Martin, Carol Thomas and Georgia Thomas. Nominees for Most Handsome are: Bruce Franklin, Cliff Gardner, Roger Miller, Ladd Roberts, David Turner, Jeff Atwell, James Martin, John Thomas, and Rux Hensley.

Susan Griffing, daughter of Mr. and Mrs. Carl Griffing was chosen as F.F.A. Sweetheart. She was selected by popular

vote of the F.F.A. members. She is a senior and serves as a class officer. The other candidate was Sheri Short, daughter of Mr. and Mrs. H.L. Short.

This Friday night is our last home game of the season. Come out and support the Bulldogs as they meet Roosevelt.

Servicemens Club Needs Names

Lynn County Servicemens Club met at the home of Mrs. A.D. Riddle Monday, Nov. 2. Plans were discussed for sending packages to the servicemen from our county.

The Club is a small group of parents, wives and friends of service men who work to get packages to each service man in our county. This is made possible by the help of people of our county. You can help by getting names and addresses of men, contributing money, fudge, peanut brittle, fruit cakes (applesauce or other cakes of that type), small cans of mixed nuts or any other suitable article for the package.

The date set for wrapping packages is November 21. Please help by getting these things to us by then. We expect to have 75 to 100 men to mail packages to so please help in any way you can.

The people of Lynn County have never failed us and we are expecting great things again.

Beginning next week we will publish a list of donors. Send your list of names to Mrs. T.R. Riddle, Box 754, Tahoka, Tex. 79373 or Lynn County News.

The airplane has been rented, authorities said, and Ranger Capt. Rogers, a former military pilot, flew it back to a Lubbock airport.

The "X" apparently had been marked on the roof of the vehicle so that it could easily be spotted from the air, officers theorized.

One investigator quoted the suspects as saying a "sixth sense" told them to leave the bank because "everything was not right."

Week of Oct. 22-29, 1970

Mr. and Mrs. Robert Poer last week moved into their new brick home on Smith street from their farm 8 1/2 miles south west of New Home where they lived for 28 years. The Poer's son, Wayne, his wife and three children, 10 year old Lynna, 8 year old Dana and four year old Robert have moved from Aberrath to the farm home. We welcome these young people to our community. The girls have enrolled in school. Lanna is the 5th, and Dana in the 3rd. Wayne graduated from New Home High School in 1957.

Mr. and Mrs. James Williams of Dallas visited here last week with his sister, Mrs. Bessie Strain.

Mrs. Frank McDonald, Ross and Shelly of Sweetwater were here a few days last week with her parents, Mr. and Mrs. Boswell Edwards.

Mrs. Walter Morris has had an eye infection this week.

Mr. and Mrs. Joe D. Unfried had as dinner guests Sunday evening their parents, Mrs. Joe Pether, and Mr. and Mrs. J.R. Unfried, Lub; their daughters, Vicki, Texas Tech student and Nancy, Baylor School of Nursing, Dallas, and a friend Carolyn Masco, a senior student in North Texas at Denton, Texas and Carolyn, former Tech Students came to attend the homecoming at Texas Tech and attended the game with the Texans. The girls drove back to Dallas Sunday night.

Mrs. Carol Bradley and son, Ross, of Aberrath, visited with Mr. and Mrs. Wayne Poer Monday.

The traditional pre-homecoming bonfire kicked off the homecoming activities Thursday night. The wood had been assembled on the Jerry McNeely farm west of New Home. In the center of the pile of wood a Sundown Oil Derrick was visible, and this set the mood for the spirited yells, speeches and fireworks used to get the rally started. After the fire died down the large group of students and adult fans moved to the lot across from the high school building where a car bash was held. Every one enjoyed venting his emotions on the old car, ending the 1970 bonfire event.

At the game Friday night, Jeanne Bruton, a senior and daughter of Mr. and Mrs. Eugene Bruton was crowned homecoming queen by Steve Fillingim, 1970 pep squad king. Kieth Sharp, a senior son of Mr. and Mrs. Don Sharp was presented as pep club king by Sonya Armontrout, 1970 queen. He was presented a red football from the club. Jeanne was presented a bouquet of American Beauty Roses by Jimmie Fillingim, who represented the football boys. The homecoming did not end on a pleasant note as the Leopards lost to the Sundown Roughnecks. One of the Leopards was injured in the game, Dennis Lisebmy son of Mr. and Mrs. Frank Lisebmy Jr. was carried to a Lubbock Hospital for treatment of a neck injury.

Before the game Friday, a dinner in the cafeteria for all ex-students was held. A fried chicken dinner catered by Underwoods was enjoyed by a large number. Joe D. Unfried

ton, age 51, died Saturday in a hospital there. Services were to be at 2 p.m. Monday in the Freeman Mortuary Chapel with Rev. L.M. Sheffield officiating, and burial with full military honors. Odell was a World War II veteran born in Ladonia, Tex. Survivors are his wife, Ruth, a daughter, a son, 4 sisters and a brother, Jack Liston, Lubbock. He was manager of Holiday Inn (downtown) in Jefferson City. He was a former resident of Lynn Co.

Linda Huffaker, CHD Agent, Says.....

Wild, warm fake fur is the target for big sewing ventures this winter. To hit the bull's eye in style when sewing fake fur, follow these tips.

Choose a design with few styling details. Eased seams are difficult to handle.

Since fake fur is a pile fabric with a nap, check the pattern envelope under "With nap" for yardage required. If not listed, add three-eighths to three-fourths yard for cutting pattern pieces one way.

When cutting the fur fabric, eliminate seams wherever possible. For example, if there is a front opening, cut the facing and front center together. Lay pattern pieces on the wrong side of the fabric and have the nap running downward. Cut one layer at a time in deep pile, cutting only the backing to avoid cutting the pile. Mark the fur fabric with chalk or tailor's tacks.

Baste seams of the fake fur garment to prevent shifting, and stitch in the direction of the pile whenever possible. Long pile yarns may get caught in the seams but can be released by pulling them gently with a pin or needle. If stitching on the pile side of the fabric, keep the pile flat by stitching through transparent cellophane tape. Buttonholes are difficult to handle on fake fur garments, so another type closure is usually preferred.

Check the label on the end of the fake fur fabric bolt for information about ironing. Some fur fabrics cannot be pressed with heat or steam; finger pressing may then be used. If a velvet ironing board is not available, try a turkish towel or self-fabric placed face up on board with pile side of garment on top. Press lightly with steam iron in direction of the nap. Remaining fur fabric pieces may be used as trim detail on other garments.

Recipe of the week
Double Cheddar Cornbread
1 cup yellow corn meal
1 cup flour
3 teaspoons baking powder
1 teaspoon salt
2 cups shredded sharp cheese
1 cup milk
1/4 cup margarine melted
1 egg, beaten
1/2 teaspoon dry mustard
4 slices crispy cooked bacon, crumbled
1 green pepper, cut into rings
Sift together dry ingredients
Stir in 1 cup cheese. Combine milk, margarine and egg; add to dry ingredients, mixing until blended. Pour into greased 9-inch layer pan. Top with remaining cheese mixed with mustard. Sprinkle with bacon; top with green pepper rings. Bake at 425 degrees, 25 minutes.

Grassland News

BY MRS. E.A. RAWLINGS

The Texas Historical Society has placed a historical marker on Highway 380, two miles north of Grassland. We are anxiously awaiting the unveiling of the marker.

The Grassland Hobby Club Community supper was held last week at the Methodist Annex. There was a nice crowd present.

We were happy to see Mrs. Clint Walker and her aunt, Mrs. O.H. Hoover in the morning services at the Church of the Nazarene last Sunday. Mrs. Hoover, a long time resident of Grassland Community, is now living in Plainview.

Dinner guests at the home of Mr. and Mrs. Leonard Gribble on Sunday were Mr. and Mrs. A.E. Riley, Mr. and Mrs. Herman Huffaker, Mr. and Mrs. T.J. Murray, Mr. and Mrs. W.G. McCleskey and the pastors.

Mrs. W.G. McCleskey and Mrs. T.J. Murray visited with Mr. and Mrs. Jurd Young on Monday of last week.

John Tyler Plays Football At A.S.U.

"Big Ram" Johnny Tyler is still one of the smallest players on the Angelo State University roster but the 161-pound 5' 9 1/2" Junior must have one of the biggest hearts of all the Rams.

Tyler's one of those little fellows who, through determination and grit, make the big boys move over. So quick and so spirited is the Tahoka High School graduate that he has earned himself the position as the primary receiver for Quarterback Dwite Burns, Junior split end, Tyler leads in receiving with 28 catches for 368 yards and 5 Td's. He was also voted player of the week. He has heretofore averaged 17.4 with 23 punt returns in 6 games. He can also play defensive half-back if needed but as long as he can continue to befuddle the opposition on offense head coach Grant Teaff doesn't waste him on defense too much.

It has been noted that Tyler has been called Big John, Little John and Jitter Tyler.

Asked if the different names bothered him, "Not at all. I just try to keep my grades up and play so we can win." Johnny Tyler answered.

Though majoring in mathematics, Tyler would like to become a coach after graduation.

Tyler is the son of Mr. and Mrs. Graham Tyler of Tahoka.

The teen Bible quizzers had their regular meeting at the Kelly Law home on Monday evening. They studied the 13th and 14th chapters of Matthew.

Mr. and Mrs. Gerald Gerner visited over the week-end with Mr. and Mrs. A.T. Stowers in Lubbock. The Stowers are Mrs. Gerner's parents. The occasion was to help Mrs. Gerner's parents celebrate their twenty-fifth wedding anniversary.

Mrs. Amos Gerner and Laura Gerner visited in the A.T. Stowers home on Sunday.

Mrs. Anna Mueller's daughter, Linda, from East Texas visited with her mother over the week-end. Mrs. Amos Gerner visited in the Mueller home on Saturday evening.

TEXAS PRESS ASSOCIATION

Auto insurance company spokesmen have called for an "absolute minimum" 11.7 per cent profit allowance after taxes.

Industry representatives told the State Board of Insurance at a two-day hearing that they must have that margin to stay afloat and serve car owners.

At the same time, they told the Board it should consider all sources of insurance company earnings in arriving at rates. Meeting was to hear testimony as to whether company investment income should be included in the auto premium rate base.

Further hearing in November will determine what actual rate recommendations will be. Apparently, no rate change will

go into effect before next January.

Industry recommendations -- including consideration of all income and fixed allowance for a fair rate of return -- would add up to a 6.5 per cent increase in the auto premium rate for most motorists, experts estimated.

Under industry recommendations, future rate inadequacies would be the "sole responsibility of the (state) regulators if they fail to recognize a proper rate of return," spokesmen said.

Expert witnesses told the Board that state-regulated utilities, which have far less risk of loss than casualty insurance companies, are permitted higher profits.

Others said that casualty insurance companies are among those that have the lowest rates of return of any major industry.

Unimpressed, Texas AFL-CIO President H.S. (Hank) Brown promised the biggest fight "since the Battle of the Alamo" if the Board agrees to another rate increase.

out mandatory pay rate reduction not to exceed "step 7" of lower pay group.

Central Education Agency has authority to contract with private firms to set up and operate experimental diagnostic programs for language-handicapped children.

Harris County Commissioners Court has the mandatory ministerial duty to approve and pay budgetary expenses allotted for the county purchasing agent and fixed by board of judges.

Wife of Waller County road administrator may be employed in the county road and bridge department.

BOND LIMIT RAISE URGED. Interim study committee has called on the 62nd Legislature to expedite submission of a constitutional amendment to remove the four-per-cent interest ceiling on Water Development Bonds.

Texas Water Resources Study Committee, in a special report, emphasized that the Water Development Board has authorization to sell \$100 million in bonds to make loans to local governments for water improvements, but the interest limit makes the bonds unmarketable.

Inability to sell at prevailing high interest rates is blocking construction of dams, reservoirs and treatment facilities in all parts of the state, said the committee.

Members pledged to offer later recommendations for providing financial assistance to cities and towns to help them get adequate facilities and attract federal matching funds.

There are 427,472 students in Texas public and private junior and senior institutions of higher education this fall. It's a new high!

Percentage of enrollment growth was 8.34 per cent over 1969 when enrollment reached 398,102. Texas growth rate is well above the national average of 4.5 per cent. Figures are preliminary.

Public junior college enrollment jump was phenomenal 16.25 per cent -- totaling 112,219. Public senior college and university headcount increased 5.68 per cent to 240,597. Private senior colleges and universities also gained -- 4.61 per cent -- to 67,810. Only the private junior colleges showed a drop. They were off 24.87 per cent, to 6,846.

COURTS SPEAK. Texas Court of Criminal Appeals held that a Houston judge was not disqualified from presiding at the trial of a man whom he prosecuted (as a district attorney) 10 years earlier on another charge.

State Supreme Court set arguments for December 2 over whether a Dallas firm's contracts giving dealers exclusive territories for breath sweeteners is a violation of anti-trust laws.

Also set for December 2 were arguments over losses covered by "vandalism and malicious mischief" provisions in insurance policies.

Still another December 2 argument is scheduled in an Austin case involving whether death of a motorist was solely due to an auto accident or whether chronic illnesses contributed. Son of the deceased man would collect \$20,000 in insurance if the accident was ruled to be the sole cause of his death.

AG OPINIONS. A county may pay overtime subject to budget and maximum salary laws and may pay for accumulated vacation time in line with contracts, Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded that:

Public junior college districts are classified as political subdivisions of the state for the purpose of elective coverage of employees under unemployment insurance.

State employees under the classification system may be reclassified downward without change in duty assignment, with

way at Port Arthur.

PASS EASEMENT ACCEPTED. Parks and Wildlife Commission voted 2-1 to accept a 400-foot easement for the \$3 million Corpus Christi water exchange (fish) pass across Mustang Island.

Commission also accepted from Mrs. Sam E. Wilson Jr. of Corpus Christi the gift of 130.5 acres of land on the island to provide fishermen access to the pass from the north.

Meanwhile, at a budget hearing, the Commission directed its staff to ask the Legislature for more general appropriations

and to rely less on income from hunting and fishing fees to finance operations.

Actual contract for the pass will be delayed pending a permit from the U.S. Corps of Engineers and formal approval by the State Building Commission and the governor.

SHORT SNORTS. First moon visitors -- Apollo 11 astronauts -- received Texas medals of valor in ceremonies at the capitol.

Attorney general warns that mail-order cigarettes may cost more after state tax stamps are paid by the purchaser.

Stream polluters should have to pay the cost of restocking fish, Parks-Wildlife Commission Chairman Pearce Johnson told a Seante committee.

Mrs. Ima Smith, Texas' first lady, received two truckloads of "Ima Smith" chrysanthemums as a birthday gift.

State bank charter is being sought at White Oak in Gregg County.

Coordinating Board, Texas College and University System approved the controversial plan to divide University of Texas School of Arts and Sciences into three schools with divisions.

Texas Public Employees' Association is waging a get-out-the-vote campaign.

A new era for Texas forestry in the decade of the '70's is seen by the UT Bureau of Business Research.

BOUNDARY SOUGHT. Attorney General Martin and former Gov. Price Daniel will tour the Sabine-Neches area this week (Oct. 30) looking over territory involved in Texas-Louisiana boundary dispute.

Louisiana claims the western shore of the Sabine River and Lake as part of the Louisiana Purchase. Texas Claims Jurisdiction to the middle of the river and lake. Outcome of the lawsuit is seen as a major significance to the Sabine-Neches area. Official party will cruise the Sabine from Orange to Sabine-Neches Waterway at Port Arthur.

BOUNDARY SOUGHT. Attorney General Martin and former Gov. Price Daniel will tour the Sabine-Neches area this week (Oct. 30) looking over territory involved in Texas-Louisiana boundary dispute.

Louisiana claims the western shore of the Sabine River and Lake as part of the Louisiana Purchase. Texas Claims Jurisdiction to the middle of the river and lake. Outcome of the lawsuit is seen as a major significance to the Sabine-Neches area. Official party will cruise the Sabine from Orange to Sabine-Neches Waterway at Port Arthur.

PASS EASEMENT ACCEPTED. Parks and Wildlife Commission voted 2-1 to accept a 400-foot easement for the \$3 million Corpus Christi water exchange (fish) pass across Mustang Island.

Commission also accepted from Mrs. Sam E. Wilson Jr. of Corpus Christi the gift of 130.5 acres of land on the island to provide fishermen access to the pass from the north.

Meanwhile, at a budget hearing, the Commission directed its staff to ask the Legislature for more general appropriations

and to rely less on income from hunting and fishing fees to finance operations.

Actual contract for the pass will be delayed pending a permit from the U.S. Corps of Engineers and formal approval by the State Building Commission and the governor.

SHORT SNORTS. First moon visitors -- Apollo 11 astronauts -- received Texas medals of valor in ceremonies at the capitol.

Attorney general warns that mail-order cigarettes may cost more after state tax stamps are paid by the purchaser.

Stream polluters should have to pay the cost of restocking fish, Parks-Wildlife Commission Chairman Pearce Johnson told a Seante committee.

Mrs. Ima Smith, Texas' first lady, received two truckloads of "Ima Smith" chrysanthemums as a birthday gift.

State bank charter is being sought at White Oak in Gregg County.

Coordinating Board, Texas College and University System approved the controversial plan to divide University of Texas School of Arts and Sciences into three schools with divisions.

Texas Public Employees' Association is waging a get-out-the-vote campaign.

A new era for Texas forestry in the decade of the '70's is seen by the UT Bureau of Business Research.

League of Women Voters is distributing 250,000 voter's guides.

There are 427,472 students in Texas public and private junior and senior institutions of higher education this fall. It's a new high!

Percentage of enrollment growth was 8.34 per cent over 1969 when enrollment reached 398,102. Texas growth rate is well above the national average of 4.5 per cent. Figures are preliminary.

Seagraves Jolts O'Donnell, 64-26

The Seagraves Eagles jolted the O'Donnell Eagles last Friday night, by a score of 64-26. O'Donnell's first score came when Louie Amaro passed seven yards to Billy Wood to make the score 30-6.

Mark Porter, who gained 73 yards rushing for O'Donnell, made a TD from the seven. Then Amaro passed 22 yards to Porter and Porter ran over the extras. The last play for the game Porter scored from the one.

Next Friday the Eagles meet L.C.H. at O'Donnell beginning at 7:30 p.m.

Townsen's Tour British Columbia

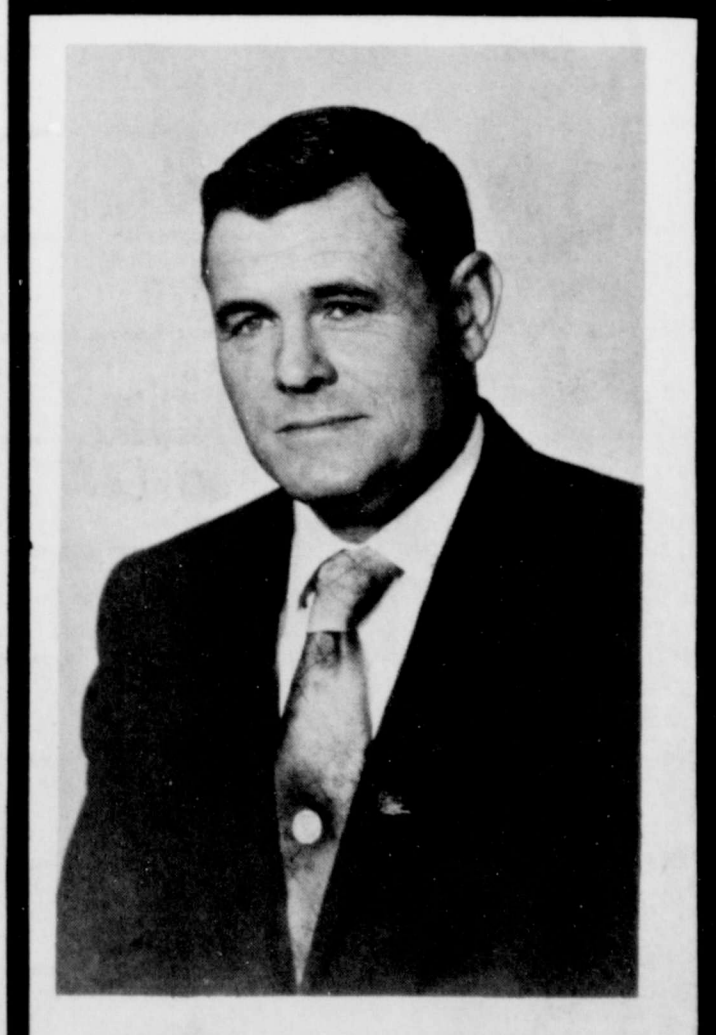

This trip had been planned by Dwight and us for several years, so on the tenth of last September we arrived at Dwight's home in Pendleton, Oregon. Dwight has lived in Pendleton for the past seven years. We packed the car on Saturday evening, September 12th. Just after church Sunday, Dwight, Steven, his son, and Bertha and I left Pendleton going north. We soon crossed the great Columbia River on the Um Matillo bridge just below the McNairy dam. And our general direction was Northwest. We were headed for the Mount Rainier National Park. We were soon in the Cascade Mts. Mount Rainier, is about in the center of the Cascade's which at this point is about 80 miles wide, from east to west. We soon were in sight at times of Rainier. The road passes in about 3 miles of the base, Rainier is too vast, too steep for roads. It is the second highest mountain in the U.S.A. And it has more Glacier, now than any other mountain in the U.S.A., not counting Alaska. It is really something to see. We were soon back on the freeway.

Headed toward Seattle, at 10 mph we stopped and spent the night. Next morning we were up early, and by 9:30 a.m. we were at the world famous Needle in Seattle. At the top we could look down on a city of 800,000 population. The traffic conditions were equal to that found in Los Angeles, Calif. By eleven o'clock we were back on the freeway again, going north.

Mr. and Mrs. Dave Hubbard visited their son and family, Mr. and Mrs. Billy Hubbard and girls in Lorenzo, last Sunday.

One hundred miles north of Seattle, at Sedro Woolley, we turned west some 15 miles to Anacortes. Here we caught a Ferry. It was now close to night. This ferry only would take us to the island named Orcas. Of course we had the car ferried too. We unloaded it at this island, and we had quite a time finding a place to spend the night. But finally did by driving 8 miles to the northern edge of the island. Here we found a nice place, because it was the terminal for planes that used pontoons, and brought people by air to this island. It was damp and cool here. Next morning at 6 a.m. we stopped at a restaurant, and warmed by a wood stove while our breakfast was cooked on a wood stove. These people were British. We caught that ferry, and in a little while we crossed over into British Columbia. We just wove along the islands that are called the San Juan Islands, but soon came to Vancouver Island.

It is very large. We landed at Sidney, unloaded the 105 cars and over 300 people, then traveled to the Capitol Victoria. Here we found the architecture all British, especially the older buildings. The Hotel Empress is world famous, and very beautiful. It was built starting in 1899 to 1907, built in the (Hay Day) of the British Empire. They lavished money in its construction, as well as the Parliament Buildings. The Empress is always booked from 30 to 60 days in advance. It has made

CONFUSION WITH DISTURBING FACTS!

We of Cottonseed Delinters, Inc. offer you the following information as a Public Service. Included is Fatty Acid and Germination tests we had done at laboratories which consisted of many man hours putting this report together. Sources of information includes analysis of Fatty Acid from three College Professors, research from Texas A&M, published recommendations of Texas Agriculture Department and studies from a report purchased from Plains Laboratories.

Late summer of 1969 began to bring about conditions detrimental to good planting seed for the 1970 crop year. This year tests indicate the presents of Fatty Acid once again. We tested 60 different peoples seed from our storage, 32 of which tested 1.0 percent or more Fatty Acid. The 28 tests under 1.0 percent had no significant change in Germination. The Germination test was run 3 to 5 months apart with the Fatty Acid taken at the same time as the last germination. It was learned that the percent of Fatty Acid can increase from harvest to planting in turn causing germination to lower. Laboratory reports show if seed contain less than 1.0 percent of Fatty Acid that in a few weeks it can still increase. Therefore in our judgment early testing will not give a true picture. Moisture in cottonseed is exactly like moisture in maize, it's either wet or green. Elevators, of course, dock the milo by moisture testing. Most cottonseed processors run moisture tests. We never accept seeds with 12 percent or more moisture. The seed can be easily dried down to 12% moisture content for storage purposes, but can never be dried to prevent the harmful effects occurring within the seed which bring about low germination, and now we know moisture is closely related to Fatty Acid. Our problem here is one of hundreds facing agriculture. I hope this information might assist you.

E. N. Shaw

We Know

1. Fatty acid works against the germination.
2. Fatty acid is present in all seed.
3. The higher the percent the quicker the germination reduces.
4. 1.3 and over is critical.
5. The lower the germination the more rapid the fatty acid works.
6. Fatty acid is activated by moisture.
7. Drying is the best known checking system.
8. Fatty acid percent will not reduce but can increase.
9. Water, rain and heavy dews through natural causes of handling can increase fatty acid.
10. Storage is necessary under dry conditions.
11. The germination can decrease under near perfect storage conditions.
12. Germinate tests should be made shortly before planting.
13. If germination tests are suitable shortly before planting, fatty acid tests are not necessary.

We Wonder

1. Does different soils growing the same seed effect fatty acid percent?
2. Do the same seed on the same soil, but at different planting dates, effect the fatty acid percent?
3. Is the hull of seeds of one variety thinner or thicker than another?
4. At what period of growth is the seed more susceptible?

We Believe

1. Cottonseed for planting should be 9 percent moisture or less.
2. If moisture is 9 percent to 12 percent, they should be dried immediately with no steam or water through processing.
3. The Texas Agriculture Dept. should require the fatty acid content and date on all commercial seed sales.

NURSING HOME NEWS

Week of Oct. 22-29
It was a nice week for us at Colonial Nursing Home. We had visitors and entertainment everyday.

Mr. and Mrs. Clay Bennett came Monday, she played the piano for Glenda Morris Sparkman, to sing. This was enjoyed by all.

Tuesday, Mrs. Jessie Russ visited, and played the piano, we enjoyed talking with Jessie, she taught some of our children and grandchildren. We are looking forward to her coming again.

On Wednesday, we played games and did hand work.

On Thursday, Mrs. Bess Reid and Mrs. Helen Honeycutt entertained us. Mrs. Reid played the piano and Helen joined in the domino game. We want them to come again too.

Friday was a real treat. Elmo Tyler, the pastor of the Assembly of God Church, played the guitar and sang. Then he played the French harp too. This we did enjoy.

We are indeed grateful for these people who help us enjoy each day.

You should have seen the gorgeous dalaas Mr. Lynn West brought in for us. We certainly have enjoyed them,

and want to thank him, along with all you who have brought flowers to the home. Its nice of you.

Mrs. McCord had a nice visit with her daughter, Mrs. C.E. Short. She spent four days in their home and says "she enjoyed it, so much, she is going again."

Miss Annie Garcia was honored with a wedding shower at 2:30 p.m. Sat. 1 n the nursing home. Co-hostesses were Margaret Pena, Rosa Linda Perez and Margaret Williams. Sheets and pillow cases were hostess gifts. She received several nice gifts. Refreshments of cake punch and coffee were served.

We are happy to have Mr. Alton Merret back with us. He spent some time in the hospital in Lamesa.

Come to see us, we are looking for you.

VISITORS

This has been another pleasant week for us here at the Nursing Home, just a lot of going on.

On Monday, Mrs. Edgar Hammonds played the piano and Mary Davis and daughter sang. Tuesday, Mrs. John Roberts played and sang songs we requested. We do so enjoy these ladies entertaining us.

Wednesday was a real treat, Bro. Turner from First Baptist Church brought the Evangelist, Bro. James McGinley and song leader, Steve Taylor, who were holding a revival here, to sing for us. Mrs. Bennett played the piano and Mr. Taylor played the trumpet and led some songs for us. Then later, Mrs. Nettie Edwards played a few selections too. We are always happy to have people play for us.

The greatest happiness of life is the conviction that we are loved. Thursday was Miss Myrtle Williams birthday, so we had a party. A delicious, as well as beautiful cake with punch and coffee was served.

Friday, we celebrated two birthdays, Mr. John Slover and A.J. Kaddatz. It was a nice day and we wish them many more such birthday. Mrs. J.E. Nance played the piano.

Wish you could have seen the beautiful flowers the Billman's placed in the home this week. An arrangement for each birthday.

On Sat., Mr. Kaddatz's children, relatives and friends joined Mr. Kaddatz in a party in his room and more gorgeous flowers you never saw. Then the flowers for Annie's wedding. So we say thanks again to Aneta and Joe Bob for brightening our home and "sending flowers while we live."

It had been some years since some of us had the honor of attending a wedding, and a more beautiful one you never saw. Annie Garcia and Juan Gorona were married at three o'clock Sat. afternoon in the home. Bro. Jim Turner read the ceremony. Mrs. Bess Reid played the wedding march. We wish them a long happy married life.

To cap the day, we had a nice treat. The Martha Sunday School class of Wilson brought each recipient a pretty Halloween card and a bag of candy. We sure do appreciate these things.

The employees enjoyed a delicious cake brought for us by Mrs. Jack Hoskins.

We say thanks to Lynn West for the nice turnips.

We welcome Mrs. Myrtle Hays, an L.V.N., who is with us. We are indeed grateful to have her care.

Mary Mason in ACCC Band

Abilene--Mary Mason of Tahoka, was among 150 Abilene Christian College band members who marched at the Houston Oilers-Pittsburg Steelers game, October 18, in Houston's Astrodome.

Miss Mason, a 1970 graduate of Wilson High School in Wilson, Texas, is the daughter of Mr. and Mrs. Thomas Benjamin Mason, Route 1, Tahoka.

LETTERS TO THE EDITOR

Dear Mr. Valentine,

Being away at college and having been away from the News for awhile, when I was home last week-end, I decided to glance through an issue. I noticed a patriotic article. This interested me, so I looked in a more current issue and found the Pledge of Allegiance and the American Creed. I wish to go on record as saying I support your patriotic articles.

Now, it seems that someone (or ones) else is also patriotic. This summer there was some defacing of public property in Tahoka. Rumor has it, that some college or high school students were the people who painted "America - Love It or Leave It" and "America" on the overpasses. I realize this is against the law, but it was rather colorful and it was patriotic.

While traveling to Houston, I noticed that many overpasses had been painted. Without exception, those that had been painted had an obscenity.

Had something immoral or in poor taste been painted in Tahoka, I would be all for blasting it off, but something like in the pictures I am enclosing only shows that the kids want everyone to know that they believe in this nation and are willing to support it.
It is very discouraging to know that there are those who wish to burn this country, but it is encouraging to see proof of the patriotism of most of the young people in this country.

Lynn County Cotton Club To Meet Monday

The Lynn County Cotton Club will meet next Monday, November 9, at 2:00 p.m. in the Lyntegar meeting room. An interesting program has been planned by Mrs. Natalie Unfred, Mrs. Don Alford, and Mrs. John Alford featuring ideas for Christmas. Gifts, decorations, and crafts made of cotton will be featured, and all members are urged to attend and take advantage of new ideas for this exciting time of year.

T.I. Hammonds Services Held

Services for Thomas Ira Hammonds, 87, of Morton were held at 2 p.m. Monday, Nov. 2, in the First United Methodist Church of Tahoka.

Officiating was the Rev. Hugh Daniels, pastor. Burial was in the Tahoka Cemetery.

Hammonds died about 6:20 p.m. Saturday in a Morton convalescent home following a lengthy illness.

A retired farmer, Hammonds had lived here since 1960. He was a native of Missouri. Hammonds came to Lynn County in 1916 and lived in the Edith community until Mrs. Hammonds' death in 1934.

Survivors include three daughters, Mrs. Joe Hodge of Whiteface, Mrs. S.W. Inman of Muleshoe and Mrs. Wallace Vaughn of Bakersfield, Calif., two sons, Edgar of Tahoka and Arthur of Roswell; two sisters, Mrs. Lon Hester of Merkel and Mrs. Lula Ottinger of Raymondville; a brother, M.L. of Winne-wood, Okla.; 22 grandchildren and 44 great-grandchildren.

Past Days In Lynn County

Copied from Oct. 23, 1930

As Judge G.C. Grider and son, Earl, were innocently making their way along the highway just this side of Lamesa last Thursday, they met a fool driving a big car. The result was that the radiator on the Judge's Ford was torn up, and the bumper, the lights and one fender were torn off, entailing a damage of about fifty dollars. The Judge and Earl were considerably shaken up but neither was seriously hurt.

The accident occurred when the driver of the big car, meeting some cotton wagons whipped by them on the wrong side of the road. Judge Grider was driving along just behind the cotton wagons, and when the big car passed the wagons it served a bit back toward the middle of the road and struck the Ford which the Judge was driving. The driver did not even have time to get his number.

An attempt to burglarize the Tahoka Drug Store Tuesday night was evidently frustrated before the culprits effected an entrance. A hole about six inches long and from one to two inches wide was cut in one of the lower panels of the back door, and knife marks about the margin of the panel indicated that the thieves would have affected an entrance if they had worked at the job a few minutes longer.

Harlan Cook, one of the clerks at the Tahoka Drug, was compelled to go to the store to get some medicine about 1:30 in the night, and it is supposed that his arrival frightened the thieves away.

Some young "squirts" about town are going to get in bad if this thing keeps on long.

Clyne Thomas is having a new front built to the old Red Building formerly occupied by the Hill Motor Company and now occupied by the Park feed store, preparatory to installing a filling station and will handle the Phillips products.

Clyne says that when the improvements are finished, this will be a most attractive station. He expects to have it ready to open about November 1.

Mr. and Mrs. Warren Hardt's little daughter, Bernice was sick last week but she is doing nicely now.

J.H. Smith of New Home was called to Jasper, Alabama, last week by the death of his mother, which event occurred on Wednesday, October 15. She was buried Friday. Mr. Smith has not yet returned.

Minnie Fay McMillan spent Saturday night with Mary Helen Henderson.

A little daughter was born to Mr. and Mrs. W.V. Starnes Tuesday morning out at New Home.

Mr. and Mrs. Ottis Jaynes are spending a few days with their parents, Mr. and Mrs. Spears and Mr. and Mrs. Jaynes.

George Claude Wells, son of Mr. and Mrs. J.C. Wells, received notification this week of his selection as one of the nineteen Texas boys who are to be given a free trip to Chicago to attend the 4-H Club Boys' National Encampment to be held in that city from November 28 to December 5th. The communication bearing the above message came from M.T. Payne, State Boys Club Agent, of the Extension Department of the Texas A&M College.

Of the nineteen boys to be sent as representatives from Texas, nine of them are South Plains boys according to Claude Wells, George Claude's father. This honor and privilege is extended to boys solely on merit, and George Claude is to be congratulated upon his achievement in winning a place. For a number of years he has been a member of the 4-H clubs of this county and has been a student of vocational agriculture in the Tahoka High School. He has been deeply interested in vocational agriculture subjects and in the 4-H club work, and has been making money as well as records in agricultural pursuits for several years.

Not only will George Claude and the other eighteen Texas boys gain much information from their attendance upon the encampment, but it is understood that a number of banquets social functions are to be given in Chicago in their honor. We shall expect George Claude to tell us about his trip upon his return home.

Dan Cupid has been at work again in the Petty community; he has shot his arrow through the hearts of the third couple this season.

On last Saturday night, Nov. 8th, at 7:30, in the home of Mr. and Mrs. J.A. Dockery, Mr. Warren Smith and Miss Pearl Dockery were united in marriage. Brother Nowlin, a Christian minister from Lubbock officiated with a very impressive ceremony.

The bride is the daughter of Mr. and Mrs. J.A. Dockery and if one of our most popular girls. She made a lovely bride in a brown flat crepe dress with shoes and hat to match.

The groom is the youngest son of Mr. and Mrs. Brook Smith long time residents of this part of Lynn County.

Just after the ceremony the couple were entertained with a party at the home of the groom's parents.

Mr. and Mrs. Smith will probably be at home with the groom's parents until they are further located.

Their many friends here and in other parts of the county extend hearty congratulations and may God's richest blessings be theirs.

Eleven members of this year's Tahoka Bulldogs will be lost by graduation before another football season. They are Jack Minor, captain, Coughran Ketner, Harlan Dean, Dee East-ridge, Vance Tredway, Amel Willingham, Billie Lester, Clifton Janak, Boswell Edwards, Robert Benson and Norville Redwine.

However, there will be at least ten good football men from this year's team around which another good team can be built next year. The 1930 squad members who will be eligible next year are Dayton Short, Clyde Tankersley, Woodrow Walder, Toy Ketner, Pete Curry, Frank Fenton, Vernon Jolly, "Stonewall" Jackson, Curtis Stevens and Jack Stevens.

The terracing schools which are being held over the county are proving very successful, according to County agent R.E. Shaver. Approximately 5,000 acres have been contoured at the three demonstrations already held.

A demonstration is being given today on the Thomas Brothers farm near Grassland, and another has been scheduled for Monday, Dec. 15 on the A.N. Chase farm at Gordon.

Demonstrations already held have been at the L. Perdue place, six miles east of Wilson, the Paul McDonald place at M-dway, and the Pruitt farm at Morgan.

A total of 16,000 acres were terraced or contoured under the direction of the county agent last year.

Register To Vote By Jan. 31

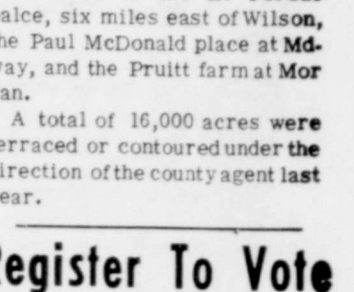

Lynn County Residents may register to vote through January 31st 1971. All residents must register in order to be eligible to vote in 1971 elections.

Persons who are eighteen years of age and under 21 years of age may register but the Certificates will not be mailed to them until the United States Supreme Court rules on the Constitutionality of the Federal law.

To date 875 have registered in order to be qualified to vote in 1971 elections.

Mr. and Mrs. D.R. Proffitt spent last week visiting relatives and friends in Hico and Dublin.

WILSON NEWS

BY MARGARET BARTLEY

Week of Nov. 1-5
Everyone in Wilson High is getting ready for Homecoming Friday and getting the football team in the spirit to win Friday night. Each day of this week has a different meaning, like Monday was backing the Mustangs. So everyone walked down the halls backwards. Tuesday was choko the Roughnecks, everyone wore a choker or something around their necks. Wednesday was Nail the Roughnecks so all the students brought a nail to school. On Thursday was Rattle the Roughnecks, so we all brought rattlers. And Friday is Color Day and also Pop the Roughnecks, everyone wear blue and white, and between 2nd and 3rd period bells everyone will get a balloon and pop it in the hall.

Don't forget the homecoming parade Thursday at 6:00 and the pep rally and bonfire afterwards.

The Beau candidates are David Wied, Woody Follis and Mike Koslan. The 3 are seniors.

Last week the Mustangs beat Whiteface 54 to 6 in their second district game.

The sophomore and freshman played 2 scrimmage basketball games against Lubbock Christian High School Monday night. Wilson won both, the first was 43 to 27 and the second was 17 to 16.

The Varsity and B team girls basketball teams will play Tuesday, November 10, 6:30 against Loop. These games will be played at Loop.

The band carnival held last Saturday night, turned out great. The band made around \$600 in all.

The Kings and Queens of the coronation were Cindy Slone and David Weaver in grade school and Karen Hagens and Lester Walker in Jr. High and High School. Cindy is the daughter of Mr. and Mrs. C.W. Slone and David is the son of Mr. and Mrs. Billy Weaver. Cindy and David are in the third grade.

Karen is the daughter of Lloyd Hagens and Lester is the son of E.L. Walker. Karen and Lester are eighth graders.

The Lions will have their Annual Pancake Supper, Fri. Nov. 6, from 5 till 7. It will be .75 for children and \$1.00 for adults. You can purchase your ticket from any of the Lions Club members or at the door.

Visitors at First Baptist Church were Mr. and Mrs. Dale Sides and Mrs. and Mrs. W.P. Stocker.

The First Baptist Church had their Spiritual Renewal week Nov. 1-5. Guest speakers were Sunday morning, Rev. C.R. Bridges of Lubbock State School in Lubbock, Sunday night - Rev. Claud Cone, of Calvary Baptist Church, Lubbock; Monday Dr. Carlos McLeod of First Baptist Church, Plainview; Tuesday - Rev. Floyd Haddock, First Baptist Falls; Wednesday - Rev. Stan Blevins, Oakwood Baptist Lubbock; and Thursday - Rev. Bill Hindman, Monterey Baptist Church, Lub.

The Baptist Men held their meeting Monday morning. Twelve men attended.
....
Sunday, Nov. 8, Mrs. John Cook will present the slides she made while in Japan at the First Baptist Church. Everyone is invited to attend.

**Bill Griffin,
County Agent,
Says....**

Don't wait until the spring rush of field work to get your soil tested.

Soil sample boxes, information sheets and tips on how to take soil samples are all available from the offices of all county agents.

A soil auger or probe is the best tool for taking soil samples; however, a spade works fine.

A good soil sample is a must if it is to reflect the actual plant food situation in any given field. Several samples should be taken at different spots over the field and then mixed into a composite sample for the entire field.

Each composite sample should be numbered and the information sheet covering the field completely filled out. The information on the sheet is valuable to the soil scientists when they make their fertilizer recommendations.

By taking soil samples as soon as crops are harvested, time can be saved and in many areas of the state, the needed fertilizer or lime can be applied when the soil is prepared for next spring's crop. Fall application or early winter application of fertilizer insures that it will be out and ready when spring planting time arrives.

Saving Bonds 51% Of Goal

September sales of Series E and H United States Savings Bonds in Lynn County totaled \$9,892 according to a report from Mr. F.B. Hegl, Chairman of the Lynn County Savings Bonds Committee. A total of \$66,941 has been purchased in this county since January 1. This figure represents 51 per cent of the 1970 goal of \$130,000. Texans purchased \$15,033,393 in Savings Bonds during the month compared to \$14,480,583 for the same period a year ago -- an increase of 3.8 per cent. Sales for the nine-month period were \$136,303,218 for 76 per cent of the yearly goal of \$179.9 million.

Nationally, new purchases of Series E and H Bonds totaled \$351 million, 9.4 per cent above a year earlier. Exchanges of Series E for new Series H Bonds amounting to \$182 million were reported for the first nine months -- a 29 per cent increase over the \$141 million exchanged during 1969.

SOIL CONSERVATION NEWS

"Local Farmers Make Lakes Productive."
By Richard L. Christie

Many people are always trying to make these old playa lakes productive. Jim Bob Porterfield and R.L. Hagler can tell you the best way to make a good crop in these lakes. It is no real secret. R.L. Hagler is farming a place where he was raised and he doesn't remember ever having made a crop in the lake. It has been at least 23 years since he has harvested a crop in the lake but he will harvest one this year.

Parallel terraces around the lake is the answer to drying up these lakes and making the land productive. It is not the water that falls in the lake that drowns the crop but the water that falls on the slopes and runs into the lake that drowns the crop. If a farmer can hold the water on the land where it falls then no water runs into the lake. This makes the land more productive because excessive water that normally would run into the lake is utilized by the land and crops where it falls and the lake will then be more productive because it is no longer a lake. The water is being held out of it.

In 1969 on 20 acres of land that Jim Bob Porterfield considered a lake, cotton was planted and it drowned out. He terraced the land on this quarter section after the crop was harvested.

Although he got a lot of rain about planting time, this year he was able to plant a cotton crop in the previously considered lake at the same time he planted his other land. Now Porterfield considers this a low area of the farm but not a lake any more. This quarter section is just across the highway south of Porterfield's house. This area has 1 1/2 bales of cotton per acre on his 20 acres he once couldn't farm. Porterfield says, "Parallel terraces increased my income at least 60 bales of cotton on 120 acres of land. Farming operations were as easy as they were before parallel terraces with straight 1/2 mile rows."

Many people lost feed crops this year because they couldn't harvest grain in the lake because of water. These crops fell and it will be sometime before they can work the land. Just think of the added income that could come from these lake areas if they were all made productive in this manner. Porterfield says that these terraces sure improved his economic situation. It will make a real economic impact on Lynn County when all the land is parallel terraced. If you have made plans to do some terracing work, contact the Soil Conservation Service in Tahoka.

Cotton Harvest Gains Momentum

The South Plains cotton harvest continued to gain momentum during the past week as stripping operations increased in all counties, according to W.K. Palmer, in charge of the U.S.D.A. Cotton Classing Office in Lubbock. This was reflected in the increase of cotton samples received at the U.S.D.A.'s Lubbock, Brownfield, Lamesa and Levelland offices. The four classing offices classed 28,000 samples during the week ending Friday, October 30th. This brought the total classed this season to 40,000. Through October 30th last year only 10,000 samples of the 1969 crop had been classed.

Quality has been very good on these early harvested bales. Strict Low Middling was the predominant grade at Lubbock last week with 45 per cent of all cotton classed. Low Middling made up 13 per cent, Middling Light Spotted 15 per cent and Strict Low Middling Light Spotted 14 per cent.

Staple length averaged 31/32. Fifty-four per cent staples 31/32 and longer. Ninety-six per cent of all cotton classed at the Lubbock office last week had micronaire readings in the premium range of 3.5 to 4.0.

Ninety-nine percent of the cotton classed at Lubbock last week had Pressley readings of

BUNDLE

FOR WINTER...

Convert your home to COMFORT ELECTRIC HEATING NOW...and we'll install storm windows FREE!

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families!... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?
This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

Wilson Bombs Whiteface 56-6

The Wilson Mustangs bombed Whiteface last Friday night, 56-6.

Arturo Vergara went 37 yards and David Weld passed 27 yards to John Fields for a 12-0 first quarter lead. Greg Weld made a TD from 24 yards out, Fields went 29 yards and Vergara scored again in the second quarter.

An 80-yard punt return by Woody Follis, with Steven Bendarz adding two points, made the score 40-0.

Greg Weld went 25 yards in the third and Joe Vergara added the 2 extras. Stan Medlor ran 19 yards for a TD and Joe Vergara's scored the two-pointer.

This Friday, Nov. 6, the Mustangs will meet Sundown at 7:30 p.m. at Wilson.

J.L. Edwards Completes Course

Ft. Ben. Harrison, Ind., - Second Lieutenant John L. Edwards, son of Mr. and Mrs. John B. Edwards, Tahoka, Tex., has completed the Adjutant General Officer Basic Course, US Army Adjutant General School, Fort Benjamin Harrison, Ind. Edwards graduated from New Home High School in 1963, and Texas Technical University in 1968 and 1970, before receiving his commission in 1970.

Edwards is married to the former Marlene E. David, daughter of J.J. Davis, Olympia, Wash.

Some Seasons End While Others Begin

AUSTIN--The hunter's calendar this time of the month is busier than Grand Central Station with some hunting seasons closing and others opening.

Mourning dove hunters in the North Zone had better pack their guns and head south if they haven't had their fill of hunting.

The season in the North Zone ends at sunset Friday (Oct. 30) but hunters in the South Zone have until Nov. 24 to hunt except in those counties which had a white-winged dove season it will close Nov. 20.

The sandhill crane season begins Saturday (Oct. 31) west of a line from the International Toll Bridge at Del Rio following U.S. 277 to its junction with U.S. 87 at San Angelo, then following U.S. 87 to its junction with U.S. 287 at Dumas, then following U.S. 287 to the point where it crosses the state boundary in Dallam County.

Duck, goose, brant and coot hunters will take to the fields and ponds Nov. 4.

Bowhunters in most counties of the state have until one-half hour after sundown Saturday (Oct. 31) to get their deer. In eight counties of the Edwards Plateau, archers still have until Nov. 13 to hunt. Bows are legal weapons during regular season.

THE FAMILY LAWYER

Half-Picked Pocket

It was intermission time at the theater, and the lobby was crowded. Suddenly a patron felt his wallet being eased out of his back pocket. Whirling around, he seized both the wallet and the hand of the culprit.

In due course, the fellow was arrested on a charge of larceny. At the trial, however, he came up with a defense.

"I admit I had theft in mind," he told the court. "But I never did get that wallet more than half way out of the man's pocket. Maybe I'm guilty of an attempt, but nothing more."

Nevertheless, the court found him guilty of larceny, as charged. The judge said the offense was complete when he took full possession of the wallet and began moving it out of the victim's pocket.

The crime of larceny requires both a taking (even for a short time) and a carrying away (even for a short distance). Nothing less will do. Thus:

A prudent woman shopper kept her purse in a coat pocket, tied by a string to the inside of the pocket. Here, too, a man was caught in the act of lifting the purse out.

But this time, the court held him guilty of attempt only, not larceny. The court said that because of the string binding the purse to its owner, the defendant had never gotten it fully into his possession.

What about a would-be shoplifter who never gets the merchandise out of the store? Consider this case:

A woman pushing a shopping cart took a package of beef out of the freezer. But instead of dropping it in the cart with her other items, she slipped it inside her purse. An observant employee caught up with her just before she reached the checkout stand. When she was unable to explain her conduct, the woman was arrested on a charge of larceny. At the trial, she insisted that she could not be convicted because she had never gotten the beef out of the store.

But the court held her guilty anyhow. The judge said she had taken "complete and exclusive control" of the package by placing it inside her purse.

"The fact that the possession was brief," said the court, "is immaterial."
