LYNN COUNTY NEWS, THURSDAY, NOVEMBER 12, 1970

NUMBER 46

The Country Editor says that a taxpayer is a person who doesn't have to pass a civil service exam in order to work for the government.

Mayor Meldon Leslie has proclaimed November 19 as Americanism Day in Tahoka as the Tahoka Study Clubs have set the date and the day is being co-sponsored by the Lions Club, P.T.A., and the Chamber of Commerce. The day will be filled with many activities. Mrs. Stathacos Condos will be the speaker on that day and talking with some of the local ladies concerning the program we will be very fortunate to have her speak in Tahoka concerning Americanism. We would like to urge each of you to fly a flag and come and join in this great day of Americanism in Tahoka.

Coach A.J. Viertel has displayed all season one of what we refer to as one of the best coached high school football teams in the state. He and his assistants have really done an excellent job of preparing the boys for the season and even though we have lost four games this season in most instances we were just outmanned or the breaks came at the wrong time. We're sure looking forward to next season.

We heard through the grape vine that Bill Cheney would like to get out of the bet he made with me. I guess he's just plain scared of having to push that old wheel barrow. But, talking to Bill he says that it is just not true. He says he has already greased the wheel barrow so he would be easier to push. I will have to admit that I am a wee bit scared after the Teddy Bears became grizzly's against Texas last week. For a while there I thought we were going to have to send Royal to A&M. Oh well, who ever heard of a hog being as tough as a Bear?

Quail season opens this coming Saturday in the county and the limit has been upped to 15 per day and 45 in possession. Talking to most people in the county there is a good crop of quail and hunting should be excellent. The election being over with local gun owners were particularly interested in the outcome of several senate races. Joe Tydings, Charles Goodell, and Albert Gore all failed in re-election efforts. Sports magazines hit these three hard for wanting to restrict ownership of firearms. All three were defeated. Senator Scott was also bitterly opposed by gun owners, but managed a narrow win over an unknown in Penna. Sportsmen in all parts of the United States were no doubt happy with these returns. It goes to show when a solon tries to ignore a basic right guaranteed in the constitution, the people will speak out at the polls.

Tahoka's population dropped only 4.9 percent over the past 10 years and we feel at the Lynn County News that this is just great. Nearly every town in West Texas had a larger percentage of decrease than Tahoka. Many times we tend to overlook Tahoka's great assets and many blessings. We should feel privileged to live in this great area of West Texas.

"Grand Coulee," yelled the deacon when he hit his thumb with a hammer. After he cooled down, a friend asked why he shouted that. "It's the world's largest dam," was the reply.

Bulldogs Roll Over Roosevelt, 34-21

Tahoka Population Drops 4.9 Percent

Area Towns Have Larger Loss

The Tahoka City population has dropped in the last 10 years 4.9 percent. Tahoka population census taken in 1960 showed Tahoka to have 3,012 compared to the 1970 census taken recently by the Federal Government which gives Tahoka a 2,866 reading. Compared to area towns other than Lubbock, Tahoka actually fared quite well. Lubbock was the only town with an increase in population which probably stemmed from the growth of Texas Tech and industry moving in. Post had an 18 percent drop in the past ten years going down from 4,663 in the 1960 census to 3,825 in the 1970 census. O'Donnell also had an 18 percent decrease in population going from 1356 in 1960 to 1,112 in the recent census. Brownfield dropped from 10,286 in 1960 to 9,701 for a 5.7 percent decrease while Lamesa had a 8.6 percent decrease dropping from 12,438 in 1960 to 11,401 in the 70 census.

Plan Christmas Decorations For Down-Town Tahoka

Plans for the Christmas season were made at a meeting of Chamber of Commerce directors Monday night. Drawing for cash certificates will be held again this year the last three Saturdays immediately preceding Christmas Day. An effort will be made to get the lights up by Thanksgiving, and show windows of vacant buildings will be decorated, if present plans work out. Merchants are also being urged to get their Christmas displays up early.

Santa Claus will again visit the downtown area this Saturday preceding Christmas. The C. of C. also voted to cooperate in the staging of Americanism Day here on November 19, proclaimed by Mayor Meldon Leslie, and assist Phebe K. Warner Club in sponsorship of the addresses of Mrs. Stathacos Condos on "Americanism" at the high school the morning of that day and the address before the general public that night in Tahoka High auditorium. Also discussed was publication of a revised brochure advertising Tahoka and promotion of the Tahoka Daisy by packaging seed for free distribution. Citizens who wish to plant the seed in beds should gather such seed now before they all shatter and plant broadcast, with very thin cover of dirt during November and December. The C. of C. is urging local people to attend the Grassland historical marker dedication program which will be held at Central Baptist Church on Sunday, Nov. 22, at 2:30 p.m. at Central Baptist Church, two miles north of Grassland on Highway 380.

Grassland Marker Program Date Changed To 22

Grassland's historical marker will be dedicated on Sunday afternoon, Nov. 22, instead of this Saturday, as was announced in The News last week. Change in date was made necessary by conflicting engagements of participants and Grassland citizens, states Frank Hill of the Lynn County Historical Survey Committee. The program will be at 2:30 p.m. Sunday, Nov. 22, at Central Baptist Church, two miles north of Grassland, on Highway 390 and Farm Road 212.

Grassland Hobby Club will serve refreshments at the meeting. Mrs. Ben Moore, O'Donnell, is county chairman of the historical committee.

Civil Air Patrol Work Important

Importance of Civil Air Patrol was emphasized in a talk at Tahoka Rotary Club last Thursday by Douglass Rohre, minister of Crescent Hill Church of Christ in Brownfield and officer in CAP. Rohre told of CAP activities in World War II, following its organization by volunteers on Dec. 1, 1941, less than a week before Pearl Harbor. Principal contributions to the war effort included flying coast patrol to locate enemy submarines and convoy missions. Basically civilian, its members drawing no pay, 64 pilots were lost in the war. Civil Air Patrol today is under command of the Air Force, has 85,000 people enlisted nationwide, 11,000 pilots, and 3,500 private planes and 800 Air Force planes. Rohre was accompanied by Jim Cloe, former Tahokan living in Brownfield. Dr. David Midkiff was in charge of the program.

INTERCEPTION--Roger Miller is shown here as he makes an interception against the Roosevelt Eagles last Friday night. This was one of four interceptions made by Roger last Friday night.

Blue Ends Season Friday At Ralls

The Tahoka Bulldogs displaying a well coached football team rolled over the Roosevelt Eagles last Friday night 34-21. The Bulldogs playing good football all year capitalized on every mistake the Eagles made and came out on top to give them a 5-4 season record. Sophomore John Thomas started the scoring for the night on a blocked punt, after the Bulldogs held Roosevelt on their 28 yard line. Halfback Bob Fletcher back to punt was rushed by Thomas who blocked the punt and the ball bounced to about the 10 yard line where Thomas picked it up on the run and went into the end zone untouched. Durham's conversion kick was no good leaving the score at 6-0 with 8:25 left in the quarter. Roosevelt came right back after the kick off and marched 52 yards in 10 plays with Steve Maimes going the last 3 yards at left guard. The PAT was no good with the kick hitting the goal post. Tahoka couldn't move after the kickoff, but Stark's good punt (avg. 4 for 35) set the Eagles back on their own 19, but 4 plays later quarterback Don Jackson found End Rickey Daniel way down the field behind the Tahoka defenders, and tossed him a perfect long pass good for a touchdown on a 66 yard play. Eagle kicker Johnny Brown kicked the PAT to give the Eagles a first quarter lead of 13-6. Neither team could move in the early part of the 2nd quarter. John Sladana covered a Roosevelt quarterback fumble on the Roosevelt 12. But, Tahoka moved only to the 7 yard line in 3 plays and then threw an incomplete pass on 4th down. The Eagles then moved out to the 13 and punted 27 yards to the 40 where Roger Miller (a real standout all night) hauled in the ball and raced down the right side line to the Eagle 7 yard line. The Roosevelt defense stiffened but were unable to hold the 'Dogs. Robert Montemayor raced around right end for 1 yard and the score. The conversion try failed and the Bulldogs trailed at halftime 12-13. Beginning the third period the Bulldogs had 2 touchdowns and only 1 first down, but had different ideas the second half. The Dogs defense forced Roosevelt miscues which helped the Bulldogs to victory over the

Mayor Meldon Leslie Proclaims Americanism Day November 19

As Americans, we have received a magnificent Heritage: A Heritage of law and freedom, of order and liberty. Our priceless Heritage of freedom is in constant danger from forces opposed to our traditional concepts of government, and particularly to our concept of liberty under law. It is to us, as it has been to our predecessors, that the task of guarding that heritage for ourselves and for those who will follow us, falls. At the very founding of America, the signers of the Declaration of Independence pledged their mutual trust and sacred honor to the common ideals of freedom and equality that have brought greatness to our country. That pledge has been renewed, each in its own time, by every generation of Americans. Loyalty to our country must rest on understanding of our priceless heritage. Each of us has an obligation to fulfill these ideals of justice, liberty and equality and to preserve them for our children and for succeeding generations. The very foundation of America demands more than mere lip service. It demands the kind of active concern we show to anything we deeply care for. It demands our attention, our understanding of our National values, and the manner in which our government functions as a democracy. American Citizenship therefore is demanding. Its demands, however, are more than matched by its benefits. Each citizen can help himself, his fellow citizens, and his Nation, if he takes some time out of his life to read and talk and think about what it means to be an American. In recognition of our heritage as Americans, I have been requested to issue a Proclamation inviting the people of the City of Tahoka, Texas, to observe a day whereby they might pause to look within themselves, and put a measure to the depths of their beliefs as Americans. NOW, THEREFORE, I, Meldon Leslie, Mayor of the City of Tahoka, Texas, do hereby designate the 19th day of November 1970, as AMERICANISM DAY; and I call upon all people of Tahoka to display the Flag at their homes, places of business and all other appropriate places and I urge the people to observe that day with appropriate ceremonies and activities in our schools and churches, and other suitable places, to the end that we all might be inspired as citizens to rededicate ourselves to the ideals and heritages of America. IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Tahoka, Texas, to be affixed, on this the 6th day of November A.D. 1970.

Meldon Leslie, Mayor

Chas. Townes Scores Fourth Hole-In-One

Charles Townes, local postmaster who is quite a golf player in his off time, recently scored the fourth hole-in-one of his golfing career and last week received an official certificate certifying the fact. Townes, using a six iron and the wind to his back saw his tee shot roll onto the green and into the cup on the 183-yard No. 2 hole at Lubbock Country Club. Each day, UNICEF vehicles travel roughly the distance of 35 times around the world.

SIGNS PROCLAMATION--Mayor Meldon Leslie is shown above signing the Proclamation for Americanism Day, November 19. Watching are Mrs. Jerry Brown, general chairman of the activities for the day and Mrs. J.D. Atwell, President of Phebe K. Warner Club who originated the idea.

Eagles. Tahoka kicked off at the Eagles 31 and the Roosevelt 11 moved to the Tahoka 29, but the hard hitting Bulldogs forced a fumble and Larry Durham covered on the Tahoka 26. Three rushes and an Eagle 5 yard penalty enabled Tahoka to get a first down on the 39 yard line. Then Gardner passed 12 yards to Gene Walker, then 28 to John Thomas, the last partially nullified by clipping on the Roosevelt 32. Robert Montemayor then went for 7 yards, then Roosevelt drew a 15 yard penalty for a personal foul and Tahoka's scoring opportunity was now from the 12 yard line. Montemayor then went for 6, Cliff Gardner for 4, and Larry Durham hit right guard for 2 yards and a touchdown. Gardner then circled right end on a keeper for the two point conversion to put Tahoka out in front 20-13. Roosevelt moved the ball again but bogged down on the Tahoka 34. The Bulldogs moved to the 37 yard line where the 3rd period of play ended. Starting the fourth period the Bulldogs moved from the 37 to the 16 when a 14 yard pass to Walker was inches short of a first down. But 3 plays later Roger Miller intercepted another Eagle pass on their 26. Gardner hit Walker with 17 yard pass to the Eagle 9, Robert Montemayor then plowed his way around right end for eight yards, then Larry Durham bulled over right guard for a 1 yard touchdown. Conversion run by Gardner failed after a 5 yard delay penalty leaving the score at 26-13. It appeared the Bulldogs had the contest sacked up but Roosevelt had different ideas and ran the kickoff back to the 45, moved to the Tahoka 30 in six plays, and then Vasquez caught Tahoka pass defenders napping and took a 30 yard pass for a score. A two-point conversion to Viney made it 26-21. Tahoka couldn't move after the kickoff and had to punt, drew a 15-yard penalty for rolling on, but 2 plays later Roger Miller again intercepted an Eagle pass (his third of the night) on the Tahoka 45 and raced all the way to Roosevelt's 32. Robert Montemayor then ate up 17 yards in three rushes. Then, Gardner, finding Gene Walker all alone behind the Eagle defense in the end zone, shot a perfect pass to him for a touchdown. Gardner then passed to Montemayor, who made a grass roots catch for the two point conversion ending the scoring for the night and giving the Bulldogs their fifth win of the season 34-21. Although the Bulldogs had the game iced away the Eagles moved up field aided by two 15 yard penalties against the Bulldogs, and rushed the Tahoka 7. With time running out Hig-tower (now in for Jackson who had gone out 5 plays earlier with a leg injury) attempted a pass and Roger Miller intercepted it his fourth pass of the game to end the grid contest.

SOIL CONSERVATION NEWS

George Washington and Thomas Jefferson early in American history wrote about farming on the contour around slopes. But we have gotten away from contour farming partly because of large equipment and partly because of convenience of farming.

If you can see where water has run out of the end of rows after a good rain then you can be sure the rows are carrying water off the field. This water that gets out of these fields could be held on the land and turned into profitable production. Many times contour farming will increase production and stop erosion. In order to make maximum use of the water that falls from the sky one must have his rows on the contour. If you see evidence of water getting out of your field ask the Soil Conservation Service to take a look at it with you.

Wasted water takes with it soil and plant nutrients. Don't let the water that falls on your place be wasted. Utilize it to make more production.

With the cotton harvest approaching the half-way mark in Lynn County, many people turn their minds to preparing the land for the next crop. Let us look at reasons we have rows. They determine where to put the seed, what pattern to plant in and are a guide for cultivation operations to follow. On irrigated land, rows act as a guide for the water. Regardless of their purposes they hold or carry water when it rains.

If rows are not on the level it is costing the farmer money. If they don't hold water they are carrying water off the land. Many farmers have changed their row direction to put them on the level and increased yield. It also stopped their field from washing. The more slope a piece of land has the more water it loses. Therefore, it is more important to have level rows on sloping land than it is on level land.

Farming on the contour is not a new idea in farming.

'People who cook with pride cook with GAS. Mrs. Cecil Burke does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking.

Good cooks like Mrs. Burke and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Burke's favorite recipes.

JEWELLED CHEESE PUFFS

- Mrs. Cecil Burke, 2426 Walnut, Amarillo
- 2 cups sifted all-purpose flour
 - 2 teaspoons baking powder
 - 2 tablespoons sugar
 - 1/4 teaspoon salt
 - 1 cup butter
 - 1 package (8-oz.) cream cheese
 - 2 eggs, beaten
- Preserves or jelly

Sift together dry ingredients. Beat butter and cream cheese until fluffy. Add beaten eggs and beat well. Blend into sifted dry ingredients. Chill dough one hour. On lightly floured board, roll dough 1/4 inch thick. Cut individual rounds with floured biscuit cutter. Make an impression in center of each round with thumb. Fill imprint with preserves or jelly (about 1 teaspoon). Bake on an ungreased baking sheet in moderate gas oven (375 degrees) for 15 minutes or until delicately browned. Serve warm. Makes about 24.

Thunderbirds Are Coming To Lubbock November 14

The Thunderbirds are coming! On Saturday, November 14, the five supersonic jets of the United States Air Force's Air Demonstration Squadron will soar and dive through the skies over Reese Air Force Base.

During this demonstration, the air will be charged with flashing red, white, and blue aircraft. First, the four planes of the Thunderbird diamond formation appear, their wings overlapped six feet.

Over they roll, the pilots never letting their aircraft move out of alignment. Their task is to demonstrate the capabilities of modern fighter air-

craft and the ultimate in precision formation flying.

As the diamond pilots complete their maneuver, the Thunderbird solo roars in at minimum altitude. With vertical rolls, aileron rolls, and reverse half-Cuban eights, the solo pilot displays the high performance and maximum capabilities of the aircraft.

This aerial demonstration on November 14, will be only one of some 100 shows for which the Thunderbirds are scheduled each year. Now into their eighteenth season, the team has flown more than 1,400 demon-

strations in all of the 50 states and more than 40 foreign countries.

Over 80,000 spectators throughout the Free World have awarded the Thunderbirds the title "America's Ambassadors in Blue."

Representing the entire United States Air Force is the mission of this team-to symbolize the skill and dedication of almost 1,000,000 people stationed around the globe.

THUNDERBIRDS ARE COMING--The Air Force Thunderbirds are coming to Reese Air Force Base November 14. The public is invited to see their performance beginning at 2 p.m.

Water, Inc. Holding Membership Drive

Water, Inc., the non-profit organization dedicated to bringing water to West Texas, is holding its annual membership drive beginning this week. Joe D. Unfred of New Home, acting chairman of the Lynn County Unit of Water, Inc., announced today that personal solicitation of Lynn County residents is impossible due to the early harvest season now in progress. It is extremely important that Lynn County have at least 100 members registered in order

that the county be represented fully in negotiations leading to the importation of water to this area.

Due to the extreme need for Lynn County to reach its membership goal a sample application form is printed below. Interested persons are encouraged to fill out this form and to mail it with their check for membership dues to the Lubbock address listed on the membership application or to Water, Inc., Drawer C, Tahoka.

The Thunderbirds particularly portray the tactical air forces. For instance, the tactical fighter aircraft which the team flies, is the same Air Force Phantom II that is supporting our ground troops in Southeast Asia.

Moreover, all of the Thunderbird pilots are Vietnam veterans with a total of 1,214 combat missions. Collectively, they have been decorated with three Silver Star Medals, eight Distinguished Flying Crosses, two Bronze Stars, and 65 Air Medals.

These highly experienced pilots are supported by 84 equally professional ground crewmen who can boast of never having canceled a show because of maintenance difficulty.

You will be able to meet all of the men of the Thunderbird team following the aerial demonstration on Saturday. Take off time is 2 p.m.

Fashion And Beauty Tip Program Casares Funeral Held Sunday

The Tahoka Junior Women's Study Club will sponsor a program on Fashion and Beauty Tips presented by the Robert Spench School of Lubbock. The program will be held in the Fellowship Hall of the Tahoka United Methodist Church at 7:30 p.m., November 12. Admittance will be 25c and door prizes will be given which are donated by Tahoka Merchants. Refresh-

ments will also be served. This program is open to the public and everyone interested in new ideas of beauty and fashion are urged to attend.

Casares Funeral Held Sunday

Enemencio S. Casares, 59, of Rt. 2, Tahoka, died at his residence Friday after an apparent heart attack.

Services were held at 3 p.m. Sunday in St. Jude's Catholic Church in Tahoka. The Rev. John Dillon, pastor officiated. Burial was in the Tahoka Cemetery directed by White Funeral Home.

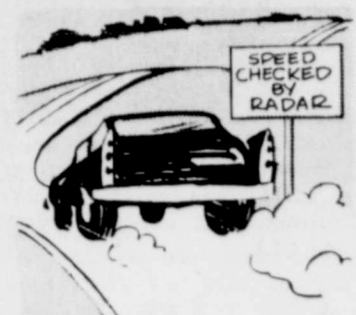

THE FAMILY LAWYER

Radar Vs. Motorist

Citizen Haines, given a ticket for speeding, determined to fight his case in court. At the hearing, officers relied on radar evidence to prove the charge against him. According to radar, Haines had indeed been travelling well over the speed limit.

But the police overlooked one thing. They failed to produce evidence that their radar equipment was in good working order on the day Haines was arrested. Result: he won an acquittal.

This case illustrates how the law, while accepting the benefits of technical progress, is also concerned with fair play for the individual. Almost everywhere, in

for their general reliability, without the necessity of expert testimony as to the scientific principles underlying them. The use of radar for speed detection may now be said to fall in this category."

In one case an arrested motorist, flagged down by radar, tried a different tack. He claimed to be the victim of an illegal "speed trap." But the evidence showed:

1) That the vehicle containing the radar equipment was plainly marked as a police car; and

2) That the officers manning were dressed in their regular uniforms.

Unable to see any "trap" in this situation, the court ordered the motorist to pay his fine. The judge felt that a speeder could not complain merely because the police had found a new and better way to catch him.

New Home Beat By Meadow

The New Home Leopards lost their game to Meadow last Friday night, 48-19.

The Leopards' first score came as Rick Maloney scored on a 40-yard pass from Jimmy Fillingim. Maloney kicked the extra point. Maloney then scored on a 55-yard pass from Craig Ewing but punted try failed. Then Fillingim ran 51-yards in the second period. New Home is 0-3 in district play.

New Home will meet Wisconsin Friday night at New Home at 7:30 p.m.

Intensive care units are to be constructed at VA hospitals in Buffalo, Providence, Shreveport, Iowa City, Miami and Fayetteville, Ark., at a cost of nearly \$2 million bringing the total number of such units to 93.

AT LEGISLATIVE COUNCIL HEARING--Paul Burka, Austin attorney representing the Texas Legislative Council, Judge W.D. Henson from Dalhart, and E.L. Short, state representative from this district, are shown during hearings in Lamesa Wednesday studying county governmental affairs. Other members of the committee who were there for the hearings were State Rep. Walter Knapp of Amarillo and State Rep. Dee Jon Davis (Rep. - elect) from Big Spring. A large turnout of county officials from throughout a wide area of West Texas were on hand for the sessions at Forrest Park Community Center. Rep. Short said the meeting was one of the best, not only in attendance, but in participation, by county leaders of the six already conducted state-wide.

Tahoka Junior High Presents Comedy

The Tahoka Junior High School Choir will present a 90 minute musical comedy entitled THIS IS MY COUNTRY, November 17, at 7:00 p.m. in the auditorium. Tickets are being sold by choir members or may be bought at the door. The price is 50c for adults and 25c for students.

The musical play is an amusing patriotic account of a boy who looks for the easy way to condense two pages of program notes for an American heritage concert from an 1100 page history book. He sarcastically waves his magic wand (a pencil) and is magically whisked through history from colonial days to the space age, with Uncle Sam at his guide.

Featured as Scooter Baxter is Trent Leverett. Johnny McDonald doubles as Mr. Madison, the choir director, and Uncle Sam. Other characters who appear in several different roles throughout the production are Leslie Ford, Curtis Stice, Phillip Cox, Denny Johnston, Tommy Botkin, Mike Aten, Stacy Turner, Darrell Craig and Roy Garcia. Girls roles are played by Adriana Rivera, Leah Fowkes, Matea Martinez, Denise Jones, Sharon Newsom, Lucy Pena, Sherry Haney, Romelia Antu, Linda Perez, Jeanie Inklebarger and Elaine DeLeon.

The Junior High Choir, accompanied by Barbara Steiner, is featured throughout the musical as they perform such patriotic songs as "This is My Country", "Freedom Isn't Free", "The Battle Hymn of the Republic", "When Johnny Comes Marching Home", and "God Bless America".

H.W. (Cotton) Carter of Iowa Park, formerly of Tahoka, underwent major surgery in a Wichita Falls hospital last week and is reported to be in serious condition.

BANK TO PRESENT BOOKLETS-Pictured above are Mr. Garland Thornton, Vice-President of the First National Bank, showing Mrs. Jerry Brown, chairman of Americanism Day, booklets, "Etiquette On the Stars and Stripes", which will be distributed to school students on November 19. The Bank will also distribute flag decals to those attending the Americanism Program in the High School Auditorium at 7:30 o n Nov. 19, Mrs. Stathos Condos will be the speaker.

AMERICANISM DAY PROCLAIMED-Pictured above are the presidents of organizations sponsoring Americanism Day presenting Mrs. Jerry Brown, general chairman, with checks. Left to right are: Harold Reynolds, Chamber of Commerce; Mrs. Jerry McKibben, Tahoka Junior Women's Club; Mrs. Brown; Mrs. Jacky Henry, P.T.A.; Mrs. J.D. Atwell, Phebe K. Warner; and Gale Hartman, Lions Club.

Americanism Day Slated Nov. 19

November 19, 1970 will be the day Tahoka Study Clubs are set for Americanism Day being co-sponsored with Lions Club, P.T.A. and Chamber of Commerce. This day is filled with many exciting activities. Let us each start the day by having an American Flag flown from all homes. In case you are in need of a flag the local homemaking girls will

be conducting a door to door campaign after November 12. If you are missed you may contact a member of Phebe K. Warner Club or Mrs. Warren Embree.

The honored guest of Americanism Day will be Mrs. Stathos Condos, of Dallas. Mrs. Condos is an outstanding Dallas civic leader and a first generation American. Tahoka is privileged to have such a distinguished lady to encourage us to be more loyal to our great country.

Mrs. Condos will speak at an assembly, beginning at 10:30 a.m. in the Tahoka High School Auditorium. She will later appear on Community Close-Up at 12:15 p.m., KCB-D-TV with Mayor Mel Leslie.

A tea honoring Mrs. Condos given by Junior Study Club from 3:30 - 4:30 p.m. in the United Methodist Church parlor. Women of all clubs in Tahoka are cordially invited to meet and visit with Mrs. Condos at this time.

The climax of Americanism Day will be the speech delivered at 7:30 p.m. in the Tahoka High School Auditorium by Mrs. Condos. There will be no admission charge. Awards will be presented for best poster and essays promoting Americanism. Posters are being entered by 3-4 grades and 5-6 grades. Essays from both Jr. High and High School students have been written. Also during this program we will witness a Flag Ceremony given by our local Girl Scouts. Our Boy Scouts are in charge of the ushering. A choir from our public school will sing.

All citizens of Lynn County are urged to join in this great day of Americanism.

Cotton producer income in 1971, 1972 and 1973, as well as the ability of producers to adequately supply the markets for cotton in the U.S. and abroad, is now largely up to the Secretary of Agriculture.

This was the conclusion reached in Dallas October 28 when the Executive officers of the Texas Association of Cotton Producer Organizations (TACPO), met to discuss cotton industry prospects under the cotton program pending in the Senate. There is little doubt that the program will pass and be signed into law by the President.

TACPO has arranged a meeting with USDA officials on November 5 at which the statewide cotton producer group expects to assist the Secretary in forming "rules and regulations with regard to the new program which will work to the maximum advantage of producers and the industry for both the long and short terms," according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, and TACPO Secretary - Treasurer.

The TACPO group singled out seven issues on which it felt the Secretary will be required to make critical decisions under the new three year law. "It appears the Secretary has such broad authority on these points that he can either make or break the program. And in so doing he may either make or break U.S. producers of cotton, wheat and feed grains," Johnson said.

Pointing out that direct price support payment rates under the law will almost certainly be lower than in 1970, Johnson says it is the Secretary's responsibility to administer the program so as to afford producers the maximum opportunity to make up lost income through increased efficiency and improved marketing conditions.

Major topics for initial discussion between TACPO and USDA are:

1. The level of non-recourse loans on cotton, together with regulations governing operation of the new variable maturity concept and resale policies of Commodity Credit Corporation. Johnson notes that the loan level for cotton should be no lower than is absolutely necessary to keep cotton competitive, and that data now being developed appears to "build a pretty good case" for not dropping the loan below the 20.25 cents in effect this year.

2. A definition of "person" as the word applies to the \$55,000 per person payment limitation, as well as the adjustment of acreage set-aside requirements for farmers affected by the limit.

3. Set-aside requirements, including the number of acres to be laid out, the uses that will be permitted of those acres and which acres in skip-row patterns can be counted as set-aside for which crops. On this point there are strong arguments under cotton's current supply situation for a very minimal set-aside requirement and for permission to plant cotton on set-aside acreage.

4. Guidelines for use by county ASCS committees in determining whether or not cotton acreage will be permitted to move out of the county under sale and lease provisions.

5. Methods which will be used in adjusting actual yields for adverse weather conditions and other factors in the establishment of yields for payment purposes.

6. The possible need for revision of the present system of spot market price quotations in view of the added significance of these quotations under the new program.

7. Regulations pertaining to the assurance of and the "how and when" of funding for the newly provided market development fund of \$10 million per year. The law says that this amount will be provided by CCC from funds saved by reason of individual payment limitations.

The idea for this latter provision originated with PCG on the Plains and was vigorously supported by the six member organizations of TACPO throughout some 18 months of legislative deliberations.

Johnson concluded by saying "There are many new features in the upcoming program with which no one has any past experience. And we are hopeful that producer groups, the industry and USDA officials can work closely together in making the program as beneficial as possible to cotton producers and to agriculture in general."

Mrs. Lightfoot's Services Held

"43 Years in Tahoka"

NURSING HOME NEWS

Sunday, we had worship services. Bro. Tyler, pastor of the assembly of God Church, brought the message. We enjoyed the music and singing also.

Monday was a quite day, some played games and visited the ones who can not get out of their rooms. Lorenzo played the violin for us.

Tuesday we had several visitors who joined us in our games.

On Wednesday Mrs. Webb, Mrs. Bartley and Gladys Brock from Wilson sang for us.

Thursday, Mrs. John Roberts played the piano and led us in singing hymns.

On Friday, Leo read to us, from the Plainsman Column, in the Lubbock Avalanche Journal, an article about Lynn West. We enjoyed this.

Mr. West has brought us many vegetables and a lot of beautiful flowers from his gardens. He visits us often and we are indeed grateful for these contributions.

Mr. Huat, who lives in the home, is the father-in-law of one of Mr. West's sisters.

The article was written by Perry Flippin, the nephew of Mr. Howard Draper, who lives in the home. Would you believe, Mr. West carried Leo and Jimmy to Lovington, N.M. to get married some 35 years ago, so as far back as we can trace, Lynn has been just this generous and we at the home are certainly admirers of his, and love him.

Miss Virginia Dann has returned home after spending two weeks visiting friends in Big Springs.

We are excited over a report we received Friday; Mr. Glass says, he has chartered a bus, to carry all that are able and want to go to Lubbock to see the Christmas lights. We will go about five days before Christmas.

We were sorry to hear that Mrs. Hoskins is not doing well. She is in room 28 at Medical Arts Hospital in Lamesa.

Come to see us; we look for you and are glad to shake your hand.

VISITORS

Maria Salinas, Ora Russell, Frances Hitchcock, Musken, Mich. Dorothy Kidwell, Richard Holden, Hemon Cunningham, Portales, N.M.

Robin Hood, Linda Hood, Sandra Rushing, Slaton; Eva Calvillo, Jewel Rodgers, Linda Perez, Olga Alcosta, Bill Elmore Russville, Ark.

Barbara Stainer, Barbara Abbe, Lana Taylor, Paula Pullian, Lucy Pena, Rosa Amader Manuel Garza, Mrs. Claude Thomas, Mr. and Mrs. Jesse Martinez, Lub., Alex and Trudie Sanders, Wilson, Mr. and Mrs. Arthur Martinez, Lubbock.

Mrs. Minnie Gickhorn, Wilson; Mrs. Thelma Wied, Wilson; Mrs. Ronnie Nolte, Wilson; Mrs. Felix Nolte, Wilson, Rhonda Nolte, Earl Turnnell, Mrs. Linda Owens, Mrs. Claudia Cawman, Mrs. Edgar Hammonds, Eva Connolly, Denver City, Thomas Connolly, Willie Thomas, Mr. and Mrs. Hubbard Hamilton, Florence, Tex.

Mr. and Mrs. Thomas Jolly and family of Snyder visited relatives in Tahoka last weekend.

DIRECTOR OF NURSES NAMED... Myrtle Hays has been named the Director of Nurses at Colonial Nursing Home. Mrs. Hays received her L.V.N. training at Brownfield General Hospital. She graduated in 1959. She has had a broad background caring for geriatric patients. Mr. Glass, the administrator feels fortunate to obtain the services of such a highly qualified person. Mrs. Hays has lived in the Tahoka area for 24 years. Mr. Hays is a farmer near the Wells community.

Some 40,000 Texas ranchers and farmers, including a representative number from Lynn County will be involved in the 1970 State livestock survey.

During the last half of November survey questionnaires will be mailed to the selected livestock producers by the Texas Crop and Livestock Reporting Service. Each should fill out the questionnaire as soon as possible and return it in the enclosed envelope.

The reports will be used, explained the county agent, by the state statistician in making an accurate estimate of the cattle, hogs and chickens in the farms and ranches of Texas.

There are many uses, both in and out of Texas, for this information. We use it here in the county in connection with our program building activities and in conducting educational programs involving livestock.

The more questionnaires returned, the more accurate will be the estimates; therefore, it is important that each producer in Lynn County who receives a questionnaire, complete and return it immediately.

Grassland News
BY MRS. E.A. RAWLINGS

The Grassland Hobby Club met on last Tuesday afternoon in the Annex at the Church of the Nazarene in Grassland. There were twenty five members present and three visitors. Mrs. O.H. Hoover demonstrated how to make a covering for a trash basket by wrapping yarn thread around it. She also demonstrated how to make yarn flowers.

Arrangements have been made to unveil the Historical Marker on the highway two miles north of Grassland on Sunday afternoon, November 22, at 2:30 p.m. The Grassland Hobby Club agreed to serve coffee and cookies after the ceremony in the annex of the Central Baptist Church. Everyone is invited to attend.

Mrs. W.G. McCleskey visited with Mrs. Inklebarger on Monday afternoon of this week.

Mr. and Mrs. Leonard Gribble, Mr. and Mrs. W.G. McCleskey, and Mr. and Mrs. T.J. Murray went to the Singing at Slaton on Sunday afternoon. They report that the service was very enjoyable.

Mr. and Mrs. W.G. McCleskey visited in Brownfield on last Thursday with Mrs. McCleskey's sister and brother-in-law, Mr. and Mrs. W.M. Bubose.

Mrs. Delbert McCleskey has been ill this past week.

Mrs. Earl Gregg, wife of former Grassland resident, Mr. Earl Gregg, has had surgery at Methodist Hospital in Lubbock. At last report, Mrs. Gregg was recuperating satisfactorily. The Greggs now live in Abernathy.

Helen and Gerald Gerner had dinner on Sunday with Gerald's parents, Mr. and Mrs. Amos Gerner.

Mrs. Amos Gerner visited on Thursday of last week with Mr. and Mrs. Terrell Brown at Post.

Mrs. Amos Gerner attended memorial services for Mr. Walter Steinhauser at Wilson on last Thursday morning. Later, she had dinner and visited with Mr. and Mrs. V.P. Halley at New Home.

Mr. and Mrs. Shirley Young and family, who have been living at Stephenville, have moved back to their home in Midland, Texas.

Erwin and Lynn Young had dinner on Sunday with Mr. and Mrs. Jurd Young.

Charley and Vivian Craig visited in the afternoon in the

Jurd Young home.

Mrs. Maudie Dobbs, sister to Mrs. Jurd Young, has returned to the hospital on Thursday of this week for a check-up.

Mrs. Walter Josey visited with Mrs. Jurd Young one night last week.

Rocky Gribble, who is a student at Bethany Nazarene College of the Nazarene in Oklahoma has become a member of the choir at the Village Church of the Nazarene in Oklahoma City. He is planning on coming home for the Thanksgiving holiday.

Mrs. Bernice Gribble, Talana and Kim, and Mrs. Herman Huffaker journeyed to Lamesa on Monday evening to hear a lecture on Communism given by a Russian minister who spent fourteen years in a Communist Prison because he bore a Christian witness.

Our Flag - A Symbol Of Pride

Our flag - a Symbol of Pride. Trouble and strife, both internal and external, have marked much of our nation's history.

People immigrated to these shores with different religious and ethnic backgrounds. They differed in appearance, manners of dress, language, and viewpoint...often leading to differing opinions on how to form and maintain a free nation. But all shared the belief that a free, democratic nation should be formed and should be maintained, and all were eventually unified under one flag: "Old Glory."

The conflicts and differences of opinion continue. But the freedom of America continues also, as it shall for as long as the vast majority of people recognize and respect the flag as a symbol of man's highest ideals.

The best way Americans can express their loyalty to the flag is by displaying it...respectfully and properly. Wearing a flag pin is a simple yet profound way for

every American - Democrat, Republican, Independent, Conservative, Liberal - regardless of political philosophy, to say to everyone you meet: "I am an American...and proud of it!" On and in the home...the school...the church...the place of business...the American flag should fly as high and proud as our nation's hopes. Know how to fly the flag, in accordance with the federal flag code, then fly it.

Mayor Leslie has proclaimed November 19 as Americanism Day and it is hoped that everyone will fly a flag on that day as a symbol of our willingness to pull together in a single cause: the preservation of a free America.

If you need a flag for your car antenna, they are available at the drug stores and the bank. If you would like to have one for your home, they are available from any member of Phebe K. Warner for only \$3.00 or you may call 998-4563 and one will be delivered to you.

RIGHT WAY TO DISPLAY THE FLAG

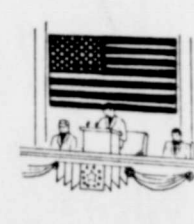

Our flag should always have stars to the left of the picture, fabric floating to the right.

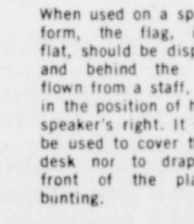

When hanging with the stripes in a vertical position against the wall, as shown in the picture, the stars should be in the upper left hand corner.

When our flag is carried with other flags in parade it should always claim the place of honor - at the right.

When used on a speaker's platform, the flag, if displayed flat, should be displayed above and behind the speaker. If flown from a staff, it should be in the position of honor, at the speaker's right. It should never be used to cover the speaker's desk nor to drape over the front of the platform. Use bunting.

Never place our flag in position of this illustration, below the seats of a platform or stand, or twisted in any fancy shape whatever.

No other flag should be hoisted above OUR FLAG except a church pennant, which is allowed to fly at the masthead above the Stars and Stripes when religious services are in progress in a military chapel or aboard a ship of our navy.

WRONG WAY TO DISPLAY THE FLAG

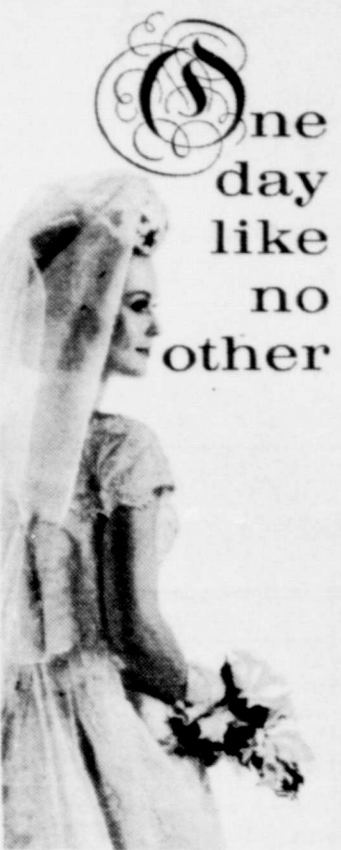

Our flag must not be used as a table cloth, nothing can rest upon it.

Do not display the flag of the U.S.A. with the Union down except as a signal of distress.

Do not let the flag of the United States touch the ground or the floor, or trail in the water.

INTEGRITY LOYALTY SERVICE

4245 Years of it!!

You can talk about integrity or loyalty or service and not prove a thing. Talk's cheap. On the other hand, you can live integrity and loyalty and service and that means something. 282 Southwesterners are going to receive Awards of Merit this year for periods of service ranging from 5 to 45 years. As a group, they have worked and lived with integrity, loyalty and service for 4245 years. That's important. To you - To this company - To the communities in which we all live.

Farmer's Tax Guide Is Here

The 1971 Farmers Tax Guide will be available at your County Agent's office, as well as all the Internal Revenue Service offices, within a few days. If you are one of that vanishing breed of Texans that still till the soil for a living, you had better pick up a copy and start plowing through this year's tax problems. You may be interested in a copy even though you simply live on a farm, work for wages or a salary, and farm for food - and maybe a little profit. Actually the Farmers Tax Guide is as valuable for the city dweller who owns a farm and does his farming through the windshield of his car as it is for the on-the-farm dweller. The price is right - it's free.

Servicemen's Club Needs Addresses

November 21st has been set as the time to wrap packages for the military men from our county. Plans are being made to send a package to each man in your county in the Service with in the states or over seas. This is a yearly project made possible by you, the people of Lynn County. At the present time contributions of money, cakes (fruit applesauce, etc.), fudge, peanut brittle, and any other suitable article for mailing are needed. Most of all addresses are needed of your friends or loved ones in military service. Packages will be wrapped in the Banquet Room of Tahoka Cafeteria beginning at 9 o'clock Sat., Nov. 21. There will be a meeting Mon., Nov. 16th, at 4:45 p.m. at the Tahoka Cafeteria to complete plans for wrapping packages. Donations to date are: Tahoka Rotary Club... \$100.00 Anonymous... 5.00 Anonymous... 5.00 Charles Hastings... 5.00 Farmers' Co-op... .pens Please get your contributions in so all the men can be remembered. We should have about 75 men from our county when

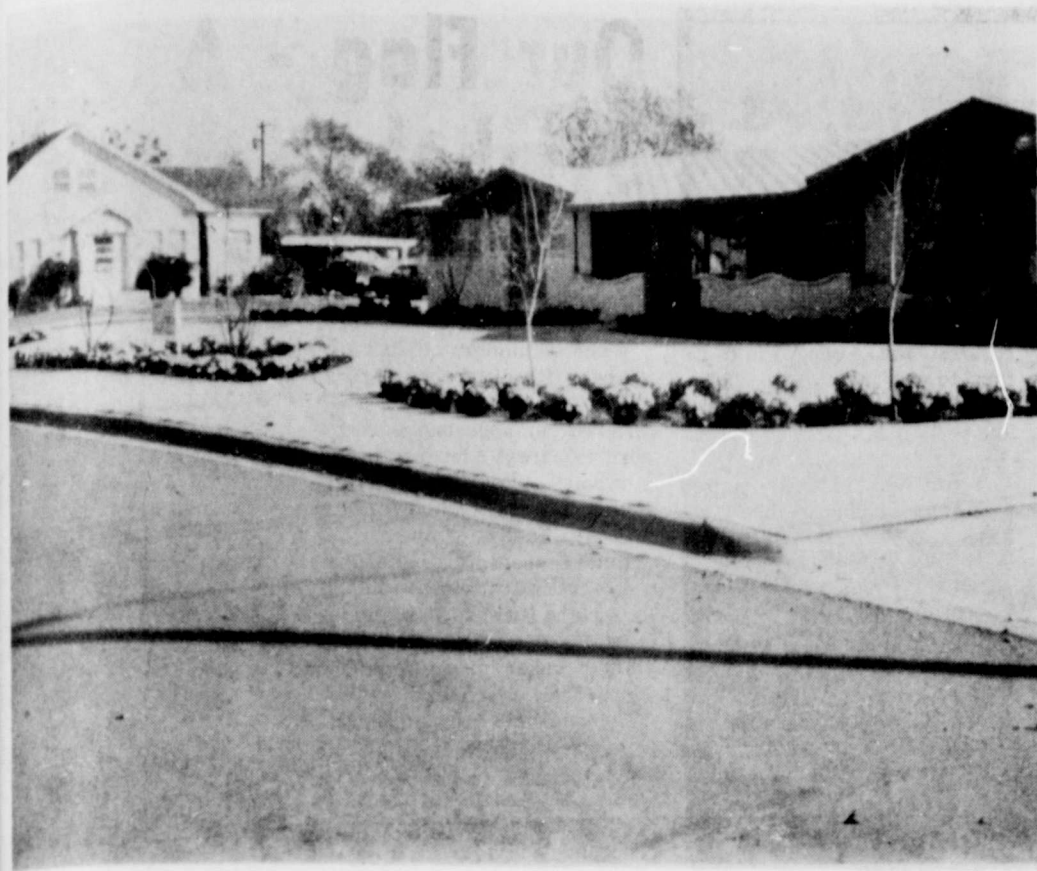

addresses are complete. So please help in any way mentioned.

Local Lady Needs Clothing

Mrs. Lillie Mae Williams who lives on East-North 6th Street needs clothes and household furnishings as her house was destroyed by fire last week. Mrs. Williams needs clothing for boys and girls, from 15 years old and up.

LOYALTY
Loyalty - it costs little or nothing, yet it is priceless when attained. Whether for a cause, for a person, for a business, or for a product - loyalty must be earned through quality, performance, reliability! We have striven towards earning your loyalty by serving you in a manner which would be deserving of your loyalty. The reliability of our personnel, of our products, of our services are all geared to win your loyal patronage. Ours is an awareness that loyal customers are truly our most prized possessions.

Past Days In Lynn County

Copied from Nov. 5, 1931

Last week we flung out the challenge for anybody to beat a cotton picking record that had been made by Jack Fenton, Amel Willingham, and Grover Shaffer, who had pulled more than 2,800 pounds in one day. Well, we got responses aplenty of them.

First, J. D. Noble reported the following cotton picking record made by five youths who were pulling for his brother, C.V. Noble of the Dixie community. This record was made on Monday and Tuesday of last week. Here it is: Fow Kirkpatrick, age 15, Monday 828 pounds, Tuesday, 816 pounds; Walter Kirkpatrick, Monday 1032 pounds, Tuesday 1013 pounds; Frank Riddlehoover, Monday 1046 pounds, Tuesday, 1217 pounds; Bob Riddlehoover, Monday 1111 pounds, Tuesday 1031 pounds, Clarence Baker, Monday 1217 pounds, Tuesday 1207 pounds. These boys are from Grayson county and this is their first experience in "pulling" cotton, Mr. Noble states. They have doubtless had a lot of experience in picking cotton, however.

Then came D.D. Odum of the Grassland community and reported that B.O. Norman of that community had pulled 1125 pounds in one day and that he and his brother had pulled about 2200 pounds.

H.B. Armstrong reported that Wade Humphries had pulled 5,527 pounds in five and a half days last week. He began Monday morning and quit Saturday at noon, averaging a little more than a thousand pounds a day for the entire period.

Mrs. E.J. Cooper reported Tuesday morning that the six Cooper children had pulled a little more than 3500 on Monday of this week. Andrew gathered a little more than 1200 pounds; Miss Myrtle pulled a little more than 600; Truett, II, exceeded 600; Geneva, 14, got 555; Mildred, 9, weighed up 340; and Vinita, 7, 234.

There are probably other records just as good as any of the above but they have not been reported to us.

Folks, we don't need any cotton picking machine in Lynn county.

Copied from Nov. 12, 1931

Many of the American Legion boys and their wives went over to Slaton Wednesday to observe Armistice day and to enjoy the holiday festivities staged there. There was no

observance of the day here other than the closing of a few of the stores and a football game between Brownfield and Tahoka in the afternoon. The banks also closed for the occasion.

Wednesday marked the thirtieth year since the armistice was signed and the great war came to a close.

For the first half of the Armistice day football game between Brownfield and Tahoka here, the visitors ran over the home team to pile up five touchdowns; but in the second half Tahoka came back fighting and managed to hold her own and in addition, to score one touchdown.

The final score was 26 to 6. Tahoka, out of practice for a month, could not hold the bigger and better Brownfield team, and was out-played in every feature of the game except punting. Stevens, the most consistent player punted 11 times for an average of 38 yards Brownfield punted 7 times for a 29 yard average. Also Tahoka, passed 12 times, five complete for 91 yards. Brownfield completed 5 out of 9 attempted passes for 68 yards. But the visitors amassed a total of 410 yards gain to Tahoka's 225. Two of the visitors' touchdowns were made on 60 yard runs.

Tahoka put up a hard fight to stop Brownfield's invasion but the light weight and inexperience of the Bulldogs enabled the heavy Brownfield boys to handle them almost at will until they had piled up a score too great to overcome.

The local boys deserve much credit for the hard fight they put up in the second half in the face of almost certain defeat.

While Uncle Cass Edwards, his son, and another companion were on their way to Fort Worth last Sunday, something went wrong with one of the wheels of the car near Roby and the car turned over completely. Uncle Cass received some severe bruises and one of the fingers is probably broken. One

of the shoulder bones is also very sore and may be fractured but Uncle Cass is still up and going as spry as a sixteen-year-old.

The top of the car was smashed and the car otherwise badly damaged, one wheel being totally wrecked. Mrs. Edwards says this is the second wreck he has been in within the past six weeks, but he was not seriously hurt in either of them. His companions in the car last Sunday were practically uninjured.

Copied from Nov. 26, 1931

Fire of undetermined origin did serious damage to the home of Mr. and Mrs. D.W. Gagnat and its contents on last Thursday night. No member of the family was at home when the fire started, Mrs. Gagnat having gone to a picture show and Mr. Gagnat being in town.

The damage to the building has been conservatively estimated at nearly \$1,900.00, while the damage to the furniture will amount to \$2,200.00 or \$2,300.00. The house and contents were partially covered by insurance.

The fire evidently started in the kitchen and it is believed that it spread in some way from the gas cook stove that might have been left lighted. The house was one of the best in town and was elegantly furnished.

Karr Wells, who has been working in a gin at New Home, is now in the West Texas Hospital in Lubbock with a badly crushed ankle. The injury occurred last Friday night when Karr jumped from a window down into a cotton house, thinking that the cotton covered the floor was two or three feet deep. As a matter of fact it was only a few inches deep and the impact of his feet upon the floor was so great that a number of the bones in one of the ankles were badly broken.

He was taken to the hospital for treatment and the probabilities are that he will be there several days yet, though

the injury is said to be healing in a satisfactory manner.

A public library has been opened on the third floor of the court house by the Phebe K. Warner club of this city. It will be open from 3 to 5 o'clock each Saturday afternoon and two ladies will be there to wait on the patrons.

This library will afford much good reading matter for all who care to avail themselves of the opportunity to use it. The Club has opened this library for the benefit of the public and it is hoped that the people will feel no hesitancy in making the best possible use of it. Especially are those invited to use it who do not have good libraries in their own homes.

The Phebe K. Warner Club is to be commended for this good work.

Linda Huffaker, CHD Agent, Says....

For women, boots are the important fashion accessory this season. And for children boots beat rain, snow, slush and cold weather. By choosing carefully, you can have smart looks and easy care in today's leg-accented scene. Certainly, it's never been more important to keep boots looking store-fresh. And the easiest avenue to soft sheen is suds-cleaneable boots.

Echoir: the fashion theme is shoes, boots and more elegant, leg-loving, and sleek; designed in styles for rough-and-tumble, casual, and dressy wear. The most popular seem to be knee-high which can be worn with any skirt length and with pants. But the newest look is the lower mid boot. There are front and side lacing, zippers and expandable gores, stretch leather-look and shiny crushed patents. Tour a shoe store or department to see the main styles and colors for dawn to dark activities.

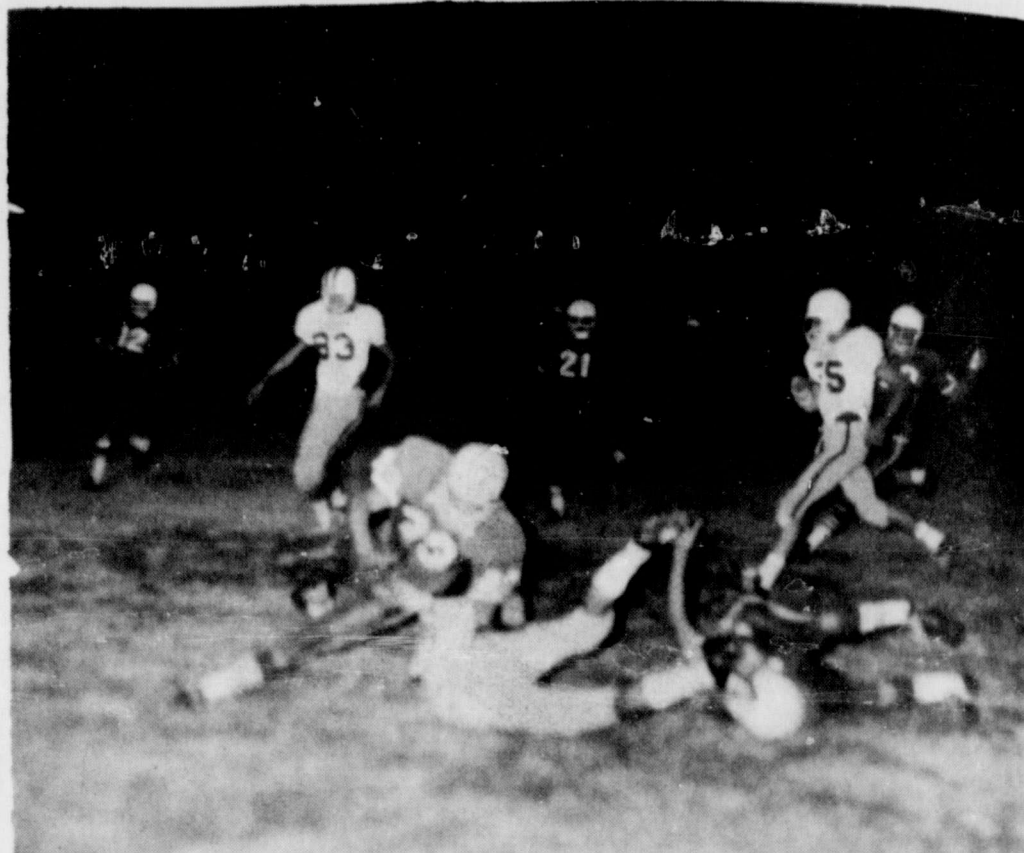

Fashion boots are made most often of leather or vinyl. Winter boots are pile-or-foam lined for warmth. For fall and spring boots are lined with nylon tricot or lightweight cotton or nylon fleece. There are also rubber or molded vinyl over-the-show boots -- always waterproof for wet weather wear.

To avoid possible disappointment, know the difference between waterproof and water repellent and ask questions before buying. Many of the handsome, highstyle boots will resist splashes or damp pavement but cannot be expected to keep feet dry in puddles or snow. The secret is in construction. Boots that are cut and sewn, whether leather or vinyl, are not waterproof unless seams have been sealed. In addition, leather itself must be treated to gain water repellency or waterproof properties. Leather boots are cut and sewn, a method which allows greater detailing. Leather also has built-in breathability for comfort, a rich texture and beautiful grain. Boots of vinyl may be molded from a single piece which automatically makes them waterproof. Vinyls simulate leather grains and textures from smooth to crumpled to reptile. When boots are made from sheet vinyl instead of the molding process, they are constructed like leather boots, have greater detailing, but require special tape for waterproofing.

Boots can enhance or ruin general appearance. Good looks depend on establishing a regular routine -- after-wear-a-little-care -- especially in wet or snowy weather. Vinyl boots and those of other man-made materials should be wiped clean with a sudsy sponge and dried with a cloth. Today's leather boots have special finishes to keep them soft and flexible. These, too, may be cleaned with a sudsy sponge. Then rinse with a clean damp cloth and wipe dry. Scuffs may be minimized with shoe polish or application of paste wax. It is especially important to clean boots after walking through rock salt will discolor boots.

Over-the-foot boots for children are becoming more and more popular for winter warmth. Usually made of molded vinyl in pull-on or zipper styles, winter ones are pile-lined. Decorative pile cuffs or knitted leg-hugging tops provide extra warmth and discourage snow slipping over the top. Ample gussets behind zipper and other closures are added protection from cold and wetness.

Over-the shoe boots of rubber or molded vinyl close with a zipper, a strap-plus-gusset, or have an extra-wide top with loop and button or adjustable

strap. Getting boots on and closed can be a source of great frustration for nursery and kindergarten age children. Rubbing a bar of soap up and down inside the back helps shoes slide in. If the child can manage it, a plastic bag put over the shoe first provides better sliding power than rubber heels.

Children's boots respond quickly to suds care and should be given frequent attention since children tend to be rough on footwear. Boots should be cleaned inside from time to time and the crevice tool of a vacuum cleaner is ideal for this. In spite of precautions, snow-time fun usually means snow inside the boots. If boots are really soaked, blot up moisture with paper towels or clean cloths. Then insert the hose of a hair dryer into the top and blow the pile dry. This makes boots ready for wear in a short time and prevents odor build-up from long periods of wetness.

RECIPES OF THE WEEK
Frosty Fruit Rounds
 1 can (17 oz.) fruit cocktail
 1 pkg. (2 oz.) dessert topping mix
 1/4 cup mayonnaise
 1/2 tsp. grated lemon rind
 1/2 tsp. lemon juice
 1 cup miniature marshmallows
 1/4 cup toasted coconut

Drain fruit cocktail. Prepare dessert topping mix according to directions. Fold in mayonnaise, lemon rind and lemon juice. Then fold in drained cocktail, miniature marshmallows and coconut. Turn into two 17-ounce cans and freeze firm. Push out of cans and cut into slices. Makes six to eight servings.

Sundown Stuns Wilson, 19-14

The Wilson Mustangs were beaten last Friday night by the Sundown Roughnecks, 19-14, which broke their unblemished District 4-B record, at Wilson last Friday night.

Wilson's first score came as David Wied hit John Fields with an eight-yard pass.

The Mustangs took a one-point lead in the third period on an 18-yard scoring run by Woody Follis and an extra-point carry by Steve Bednarz.

The Mustangs will meet the New Home Leopards at New Home Friday, Nov. 13 at 7:30 p.m.

The Lion's Line

Tahoka Lions Club has gained five new members the past month, and now has a total membership of 27, according to Gale Hartmen, president.

New members are Robert Ryan, Dean Andrews, Tom Caldwell, Richard Christie, and Lee Holden.

Attendance at club meetings has also improved, Hartman says, to a record of 93.8 percent for the month of October.

Roadside signs telling time and place of Tahoka club meetings have been erected on highways north, east and south of town, and a fourth will be erected west of town.

Tahoka Lions are again competing for the Lion Governor's trophy given each year for achievements. The club placed third in District 2-T-2 last year Roy Lynn Kahlich of Wilson is the district governor.

This contest is based on activities, projects, and among other things visits to other area clubs. At least 15 members have made visits to other clubs the past two months. In fact 22 clubs have been visited by local club members since September 1. This not only promotes good fellowship, but helps advertise the club, town of Tahoka and Lynn county.

Visitors attending services Sunday at the United Methodist Church were Mrs. Lee M. Schockley, Debra Haynes, Mrs. T.E. Bradshaw and Dan Bradshaw, all of Lubbock.

Mr. and Mrs. Roy Baxter of Floydada, attended services last Sunday at the First Baptist Church.

Dr. C.S. Thomas is a patient in a Dallas Hospital.

P.T.A. Meeting Held Tuesday

The Tahoka P.T.A. met Nov. 3, in the school cafeteria. The president called the meeting to order. Br. Turner, pastor of the First Baptist Church, gave the invocation.

Mrs. Dwain Lusk read the minutes of the last meeting, in absence of Mrs. Mary Boyd. Mrs. Bill Chancy gave the membership report and the treasurer's report.

Mr. and Mrs. Dwain Lusk will attend the State Convention this month in Galveston as delegates. The room count winners were 7th grade and Miss Holloway's fifth grade.

Mrs. Melba Thomas, program chairman introduced the speakers, Mrs. Billy White and Taylor Knight. They explained the Co-op part time training program, we now have in our schools. Mrs. White's class is given jobs in town at different merchants and they are checked out in different areas of their work. They spend 1 hour in class and 3 hours on the job. Mr. Knight's program is much the same, only they are placed in agricultural jobs. This program is new and is proving to be very effective if there is something in their jobs they are having difficulty with they try to work this problem out in class so they can overcome that problem on the job.

There will not be a meeting in December.

Three out of four children live in areas where mortality rates among one to four-year-olds are about 40 times higher than in the developed countries. UNICEF means help and hope for those children.

Congratulations to Mr. and Mrs. Terry Hopkins on birth of a daughter, born Monday, Nov. 2, 9:30 a.m. in a Lubbock Hospital. She has been named Dara Dennett.

Mrs. Ed Strain of Colorado City was here Sunday until Tuesday with her sister-in-law, Mrs. J.R. Strain, on Tuesday, Mrs. Lon Strain and Mrs. Preston Morris of Colorado City spent the day, and all returned home

in the evening.

Mrs. David Vaughn and children of Lubbock visited here Wednesday with her parents, Mr. and Mrs. Ed Follis.

Mr. and Mrs. Russell Balch have opened the Bed and Bath Fashion Shop at 3033 34th St. in Lubbock. They had a formal opening Oct. 21st. They invite all their friends to stop in to see them. Russell, son of Mrs. Bill Balch graduate from New Home High School in 1962 attended South Plains College two years, was in the Navy for two years and graduated from Texas Tech University in May 1969. He and his wife the former Glenna Mills of Houston were married in May 1969. The young couple attended a sales school in Dallas for two weeks before opening their new business.

Mr. Ed Follis, New Home City Maintenance man, attended the 10th annual West Texas Regional Water Utilities Short Course in Lubbock three days last week.

Mrs. Pete Dorman of Tahoka and her cousin, Mrs. Ada J. Renkeo of Dallas, visited with us here Monday afternoon.

Last week Mr. and Mrs. Richard Westfall received a letter from their son, Neal Marchbank from Eureka Northwest Territory, commenting that the mail service was very good, as a letter mailed to him from them on Rt. 4, Tahoka had reached him in three days. On the same day the Westfalls received a letter from an aunt Mrs. Myrtle Westfall of Spur, mailed on a rural route. It was 9 days getting to its destination. Faster mail service for us? We wonder.

Our sympathy to Mr. and

Mrs. Charlie Hemmeline on the death of their son-in-law, Bill Murray of Houston, and to his wife, Peggy and their three children. The family is expected home from Houston this week.

Funeral services and burial were in Houston on Monday last week.

Mrs. Don Sharp, kindergarten and first grade teacher was out of school Monday because of illness. So many in the community have had a virus, among these are the Billy Emerson family, Lacy Crooks and Charlie Elliott.

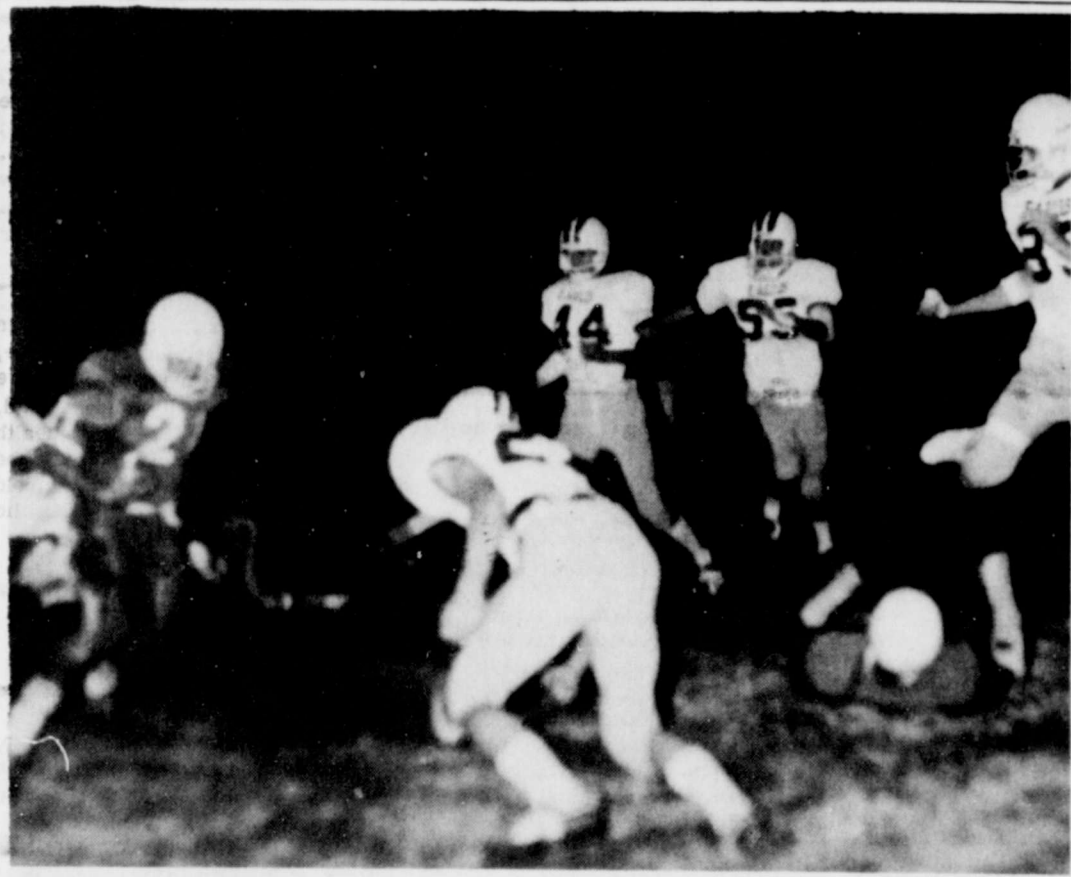

Mrs. A.C. Fillingim, Jr. and her sister, Mrs. Pat Irving of Roswell, N.M. accompanied their aunt, Mrs. Morris Russell to Modesto, Calif. after learning of the serious condition of Mrs. Russell's brother L.C. Parr, who was injured in a truck crash early in Oct. Betty and Pat making the trip by plane returned home after a week in Calif. but have since made another trip to their uncle's bedside returning home last week. Mrs. Russell is now in Phoenix, Arizona with another brother, J.C. Parr; the injured man was reported in fair condition this Monday.

Harvest Tea To Be Held Monday

The W.S.C.S. of the United Methodist Church are entertaining with a Harvest Tea Monday, November 16, 1970 at the Parsonage, 2421 N. 4th, at 4 p.m.

Mrs. Gene Sorley and Mrs. Joe Carr are bringing the program and are co-authors of two books—"God Bless this Mess" and "Too Busy Not to Pray".

The women of the Methodist Church and the public are invited.

LOOK OUT AHEAD--Robert Montemayor is shown here as four Roosevelt Eagle defenders move in to make the tackle. An unidentified blocker is shown on the ground.

Tahoka High Happenings
BY DONNIE DUDGEON

During the last home game Friday night, the Bulldogs handed the Roosevelt Eagles a 34-21 loss. The Tahoka team has worked hard this season and has a conference record of 3-2. Our last game will be played this Friday night at Ralls.

Most Beautiful and Most Handsome of Tahoka High School were selected last Tuesday, November 3, in the high school auditorium. Miss Suzanne Warren, daughter of Mr. and Mrs. Robert Warren, was selected as Most Beautiful. Suzanne is a senior student and a high school cheerleader.

Mr. James Martin, son of Mr. and Mrs. Dan Martin, was chosen Most Handsome. James, a senior, also, plays football

for the varsity squad.

National Honor Society met in the home of Jeff Atwell on November 9, 1970. They discussed their upcoming Narcotics Awareness Day. This is scheduled for December 2. Its purpose is to inform the students on drugs and the harmful effects of drug abuse.

Phebe K. Warner Study Club is sponsoring an "Americanism Day" on November 19. Many students are actively involved in helping with this. The F.H.A. girls will be selling flags for the study club to help promote patriotism. I feel that the young people are enthused about this upcoming event and I hope to see a good reaction from the adults of our town.

Highlights AND Sidelights

by Vern Sanford TEXAS PRESS ASSOCIATION

Half a dozen new amendments have been added to the Texas Constitution, including one authorizing sale of liquor-by-the-drink.

Passage of Amendment 2, however, does not mean automatic mixed drink dispensing. Amendment merely repeals the ban on open saloons and empowers the legislature to pass a law regulating liquor-by-the-drink.

Starting next January, lawmakers must first act to establish procedures, licensing

requirements and regulations. Then, local option elections must be held to determine where mixed drink sales are wanted by voters.

Many observers feel there actually will be no legal sales of booze over the bar in public establishments before the end of 1971. Others think preliminaries will be disposed of in some areas by mid-year, but that would mean passage of the bill by a two-thirds majority to place it in immediate effect. More likely effective date of legislation is next September, with elections to follow.

Other constitutional changes would provide for:

Disciplinary action, including censure, of all judges. Appointed (by governor) three-man State Building Commission County issue of road bonds up to one-fourth of assessed value of all local real property, on majority vote of property taxpayers.

Increase from \$5,000 to \$10,000 in value of homestead which is exempt from forced sale. Laws permitting all counties to consolidate certain services and offices.

Amendment to permit farm land assessment on the basis of crop yield was defeated. GOPS ECONOMIZING -- Texas Republican party began off-year cutting back on its operation 24 hours after the general election.

Headquarters staff here shrank suddenly from 23 to eight, and further reduction is expected. Slash in staff and a move to smaller offices were described as the "collective decision" of top party leaders including Sen. John Tower, State Chairman William Steger of Tyler and National Committeeman Peter O'Donnell Jr. of Dallas.

Party spokesmen said GOP, following the election defeat, has serious debt problems and has no choice but to retrench. Democratic leaders -- Gov. Preston Smith, Senator-elect Lloyd Bentsen and Lt. Gov. Ben Barnes -- meanwhile, began sizing up Tower for attack in 1972 election. Barnes said he is thinking about running against Tower himself, although he has not firmly ruled out the governor's race.

APPOINTMENTS -- Governor Smith named Judge Louis T. Holland of Montague presiding judge of the Eighth Administrative Judicial District.

Smith also appointed Mrs. Bertha P. Huff of Amarillo to his advisory council on aging. E. Bruce Street of Graham was selected chairman of Texas Research League, Charles F. Jones of Houston vice Chairman and Grogan Lord of Georgetown was re-elected treasurer.

BRINE HEARING ON--Railroad Commission conducted a hearing here on Parks and Wildlife Department complaints that oil companies are polluting bay waters with oilfield brine.

PWD contends that discharges are harmful to environment necessary to support marine life. Companies countered with witnesses that insufficient evidence of pollution and danger to salt water creatures was shown at the two-day hearing.

ATTORNEY GENERAL RULES Texas Water Development fund loans may be used to build sewage treatment plants, Atty. Gen. Crawford Martin has held. He said the state also may own such plants.

In other recent opinions, Martin concluded that: Federal technicians employed by the Texas National Guard have the right to belong to a labor union, but state-paid Guard technicians have no such right.

Del Rio city councilman may not accept employment as executive director of Val Verde County Community Action Agency, although he has the right to select which job to keep, and may be ousted by legal action if he doesn't vacate one. County clerk does not have authority to issue a marriage license to those presently legally married to each other un-

der common law unless they meet age and/or parental consent requirements and waiver of "I am not presently married" oath is obtained from county judge.

Texas State Board of Examiners in Fitting and Dispensing of Hearing Aids has no authority to conduct educational seminars; Board rule requiring all license applicants to furnish a home address in Texas is void and unenforceable.

Texas Water Quality Board can make a lump sum payment to Gulf Coast Waste Disposal Authority of the remaining portion of \$100,000 appropriated to the Board for the current fiscal year.

Parks & Wildlife Department has authority to contract with Texas Highway Department for construction of a bridge over the proposed water exchange pass through Mustang Island.

A County Commissioner does not vacate his office automatically when he moves to another part of the county.

TAX BURDEN LOWER--Texans may be tax-shy after reading what is going to happen to them in the next legislative session, but they are better off than most industrial state residents, according to a new study.

Only Ohio among 10 most industrial states has a lower state and local tax burden, Texas Research League reports. Texans' 1969 burden amounted to 8.5 per cent of personal income. Ohio's was 5.2 per cent, study showed.

Louisiana and Oklahoma had 10.7 and 9.4 per cent, respectively.

League's study found that a Houston family of four with gross income of \$10,000 would have paid \$510 in 1968, excluding city sales tax. Same family would have paid \$545 in Cleveland and \$891 in Boston.

In the \$3,500 income class, Texas ranks 10th among the 12 states in tax burden, while in the \$50,000 class, Texas is 12th.

Rich or poor, said the League, Texas' burden is relatively low. BOUNDARY DISPUTED STUDIED--Attorney General Martin met with city officials in Orange and Port Arthur to view the area in boundary dispute between Texas and Louisiana.

More than 30,000 acres in Sabine Lake are involved in the lawsuit. This includes 3,000 acres of reclaimed land, plus submerged lands in the western half of Sabine River. Louisiana claims ownership of water boundary to the western shore, while Texas claims to the middle of the Sabine. Texas has taxed submerged lands and has given leases on lands, as well as jointly financing bridges across the river with Louisiana.

EMPLOYMENT DOWN--For the first time in more than 20 years, September unemployment figure for Texas exceeded jobs less for August. Texas Employment Commission reported a tenth of one per cent hike in the jobless rate.

Just three times since 1947 has the September rate ever been as high as August. Last September's total climbed 3,000 to 179,500; but overall the state average was just 3.8 per cent. High was in Laredo with 5.5 per cent unemployed, and low in Houston and Austin -- with just 2.7 per cent.

SHORT SNORTS--Governor approved and sent to Washington applications for alcohol safety action programs in Houston, San Antonio, Dallas, El Paso, and Central Texas Council of Governments area of six counties.

Court of Criminal Appeals received a \$16,609 grant toward a \$46,936 program of augmenting administrative capabilities of court.

Savings and loan associations seek branch offices in Pasadena, San Antonio and Houston.

Cigarette taxes dropped \$600,000 in October, but that's \$1.2 million higher than a year ago--or \$15.2 million total for the month.

Interscholastic League Legislative Council agreed to vote in 1,300 member schools on relaxing rules on athletic amateur awards.

Mackenzie Municipal Water Authority in High Plains got \$300,000 from the Texas Water Development Board for dam site acquisition near Silvertown in Briscoe County.
