"TWO BITS WORTH"
JOHNNY VALENTINE

The Country Editor says that the people cause happiness wherever they go; others when they go.

TBW Eugene Meschi of Vineland, N.J. was inducted into the Army on Nov. 13, 1918, the day World War I ended—and he says, he was sent home to wait orders.

He's still waiting, and Rep. Charles Sandman, R-N.J., has asked the Pentagon for an examination and a discharge, if the Army somehow has forgotten Meschi.

Meschi, now 73, says he was inducted with about 120 local men the day after the war ended. "Now I'm going to send home to await further orders," he says an officer told him after he was sworn in.

New Jersey cannot boast the one though because George J. was inducted into the Army on Nov. 12, 1918, and he never received a discharge from the Army. George says he and a group of men were inducted on that day but left Tahoka. George may be entitled to retirement pay if he has been in the Army since 1918.

TBW We are not sure where this information came from but we understand that Mary Beth McEwen has already asked for a share of the million dollar that we received in Tahoka week. Good luck Mary.

TBW March 7-13 has been proclaimed as Girl Scout Week in Tahoka by the Mayor of Tahoka Mel Leslie. We would like to urge the citizens of Tahoka to honor these young women as they are the women of the future. Give everyone in the United States a better place in which to live.

TBW The Hegli called at the Lynn County News Office early Wednesday morning, March 3 and told me what he named the arrival. I guess Pete has a faith in Joe D. Unfred's signs than I do, but at the time we still have a few left for him to be right. May Joe D. Unfred come by office with a box of candy to tell my boss that it was a consolation prize in case he missed the date. Could be his is dwindling a little.

1 Bond Sales Underway

County Bond Chairman F.B. announced today that the United States Savings Bond goal for Lynn County is \$1,000. January sales were \$7 with 3 per cent of goal saved.

January Texas sales amounted to \$17,375,765 -- an increase of 9.5 per cent over total January 1970 sales of \$15.8 and Freedom Shares. It is 10 per cent of the annual goal of \$181.9 million.

Annually, Savings Bond sales for January 1971 were \$430 million for 8.9 per cent of the goal of \$4.8 billion. January 1970 sales were \$390 million or 13 per cent above 1969. Cash value of Savings Bonds and Freedom Shares outstanding on January 31 reached a new all-time peak of \$52.6 billion.

Mrs. T. L. Houston and her parents, Mr. and Mrs. Frank Stanley of Tahoka, visited their new granddaughters, Christine and her parents, Mr. and Mrs. Frankie Stanley of Tahoka, last Monday.

MAYOR SIGNS PROCLAMATION--Mayor Meldon Leslie of Tahoka is shown here with a group of local Girl Scouts as he signs a Proclamation proclaiming Girl Scout Week in Tahoka March 7 through March 13. The Scouts pictured from left to right with Mr. Leslie are Rhonda Chandler, Susan Meeks, Cheryl Billington, Mary Ann Owen and Kim Owens. Scout workers in the photo are from left to right Mrs. Othell Meeks and Mrs. Wes Owens.

Girl Scout Week March 7-13

The Honorable Meldon Leslie has issued a proclamation celebrating March 7-13 as Girl Scout Week in Tahoka. In his proclamation, the Mayor saluted Girl Scouts of the U.S.A. on the occasion of its 59th anniversary and called upon all citizens to join with Tahoka Girl Scouts in their efforts to "improve the quality of our environment and build better relationships among persons of all ages, religions, races and nationalities".

Mayor Leslie invites citizens of Lynn County to pledge to Girl Scouts their "continued interest, cooperation and support so that increasing numbers of girls may benefit from a program that benefits us all". Girl Scouting was founded in the United States in Savannah, Georgia, on March 12, 1912, by Juliette Gordon Low. In the ensuing 59 years its membership has grown from the original troop of 18 girls to nearly 4 million girls and adults, including nearly 60,000 men participants.

The Girl Scout Week proclamation was signed by Mayor

Leslie in the presence of Mrs. Bill Stewart, Mrs. Othell Meeks and Mrs. Wes Owens. There are 80 girls participating in the Girl Scout program in Tahoka and approximately 20 adult leaders and assistants who are working with them. The six troops of Brownies, Junior Girl Scouts and Cadettes are sponsored by the Tahoka Junior Women's Study Club. This sponsoring group has provided the Scouts with funds to meet various obligations and with help on the annual service unit went.

Girl Scouts in Tahoka are participating with other Scouts around the world in observance of Girl Scout Week. On March 7, Girl Scout Sunday, they will be attending church services at Sweet Street Baptist Church in Tahoka. A family night has been planned for March 11 to celebrate the birthday of Girl Scouting.

The Tahoka Girl Scouts are now having their annual cookie sale. The cookies are 50c a box. Following are two recipes using Girl Scout Cookies.

DATE AND NUT ROLL

Butter flavored cookies. One dozen Girl Scout cookies - broken, not too fine, 1/4 cup chopped dates, 1/4 marshmallows - cut up, 1 cup chopped nuts, 1/2 cup whipped cream. Combine the above - saving 1/2 cup crumbs, mix well and roll up with 1/2 cup crumbs on the outside. Wrap in waxed paper and put in refrigerator at least 5 hours. Cut in slices and top with whipped cream.

HEAVENLY COOKIE CREAM

10 Girl Scout butter or peanut butter sandwich cookies, plus extra cookies, 1 cup well drained crushed pineapple, 1/2 cup chopped dates or grained maraschino cherries, 1/2 cup chopped nut meats, 1 cup heavy cream or 1 pkg. dessert topping mix, 1 tsp. vanilla, 1/2 tsp. lemon flavoring. Roll the 10 cookies between a fold of waxed paper or even crumbs (cream filling mixes with crumbs). Combine with fruits and nuts. Whip cream or prepare dessert topping mix as directed on package. Fold in flavorings and crumb mixture. Chill. Spoon into dessert dishes. Set a vanilla or chocolate sandwich cookie on edge into each serving with insignia and "GS" letters in full view.

Two More File For School Board

Two more citizens of the Tahoka School District, Leonard Dunn and Kenneth Turner, have filed for places on the Tahoka School Board in the annual Trustee Election set for Saturday, April 3. Those having already

filed are Bert Stevens, Othell Meeks, Wayne Tekell, H. G. Franklin and Bettye Green. Three board members will be elected. Absentee voting will begin March 21 and extend through March 30 at the office of C.W. Roberts, County Clerk.

Open House At Tahoka Public Schools Tonight

Tahoka public schools week observance will be held this week, March 1st to March 5th. This year marks the 117th year of public schools in Texas. Chairman of this year's activities is Dean Andrews. He will be assisted by personnel from all the campuses plus the principal from each school. Also on the committee are Mrs. Jackie Henry for the P.T.A., Maurice Small for the Chamber of Commerce and Harold Roberts for the Tahoka Masonic Lodge. Open House for public school

week will be this Thursday, March 4th, from 7 p.m. to 8:30 p.m. Parents and other interested persons are always welcome, but are especially urged to attend the classrooms on this date, either during the day or at the evening open house.

North Elementary will have a square dance demonstration from 7:15 p.m. to 7:45 p.m. during the open house and the physical education department will have a demonstration at the gym from 7:45 p.m. to 8:15 p.m.

Farm And Home Management Shortcourse

WHEREAS, Girl Scouts of the U.S.A. will celebrate the 59th anniversary of its founding on March 12, One Thousand Nine Hundred and Seventy One; and

WHEREAS, this organization, founded with 18 members in 1912, now counts nearly 4 million girl and adult members from every strata of our society, and continues to serve well our daughters, our communities, and our nation; and

WHEREAS, we in Tahoka, Texas are continually benefited by their efforts on behalf of this community.

NOW, THEREFORE, I, Meldon Leslie by virtue of the authority vested in me as Mayor of Tahoka, hereby proclaim March 7 through March 13 of this year 1971 as Girl Scout Week in the city of Tahoka; and I do further call upon all citizens of Lynn County to give to the Girl Scouts now and in the coming year their continued interest, cooperation, and support so that increasing numbers of girls may benefit from a program that benefits us all. Signed: Meldon Leslie

Mayor Mel Leslie To Attend Conference In New Orleans

Tahoka Mayor Meldon Leslie, president of the South Plains Association of Governments (SPAG) will depart Saturday, March 6, to attend the 5th annual conference of National Service to regional councils in New Orleans. Mayor Leslie will be the official SPAG representative during the business sessions at the conference. Accompanying Mayor Leslie will be Lubbock County Judge Rodrick L. Shaw, Lubbock City Councilman Lonnie Hollingsworth, SPAG Executive Director, H. Alden Deyst and administrative assistant Richard Lewis.

The conference, slated to be held Sunday, March 7, and lasting until Wednesday, March 10, will have workshop sessions focusing on environmental quality, rural and economic development, funding techniques, human resources, transportation, housing, regional goals, governmental administration.

The theme of the year's conference is "Goals for Action", with the tentative program listing some 31 topics of regional interest. Conference officials such as this provide local officials the opportunity to discuss problems and solutions with individuals from other parts of the nation. The national service to regional councils, a service organization for organizations such as SPAG, attempts to disseminate information on the various programs, methods, and solutions being utilized to solve the problems of government today. Being located in Washington, D. C., NSRC is readily accessible to sources of information.

Mayor Leslie also attended last year's conference held in Atlanta. We anticipate that the knowledge he will gain at the conference will be not only useful to Tahoka, but also the South Plains Region.

INDUSTRIAL COMMISSION MAKES TAHOKA REPORT

Twelve Tahoka business and civic leaders received citations today from the Texas Industrial Commission and Governor Preston Smith for having made a "significant contribution to Texas' industrial development". The citations were presented to local recipients by E. H. Sheffield of the commission staff in a meeting culminating nearly a year's work towards incorporating pertinent industrial location information on Tahoka into the nation's most sophisticated computerized site location data bank.

Called "Insta-Site", the commission's computer program has already received two distinguished awards itself from the Southern Industrial Development Council, a professional society covering sixteen Southern states. Participation of local leaders in gathering information for "Insta-Site" means that infor-

mation on Tahoka's industrial assets will be instantly available to all industrial firms considering new plant sites in Texas. Sheffield presented Maurice Small, who served as the commission's local coordinator for the project, a massive 88 page printout containing 1444 items of information on the printout and the balance were collected for the community by the commission staff. As soon as the local group has reviewed the information and suggested any changes necessary, a computerized Community Analysis Report will be available that shows how Tahoka compares with other cities of similar size on the factors that industrialists look for in locating new plants. Using the Community Analysis Report as a guide, Tahoka leaders will be able to plan effective measures to spur local economic growth.

"The next phase in the development of the computer program is to match Tahoka's plant location resources with a profile of the locations requirements of all types of expanding industries", Sheffield said. "This will enable us at the Commission to help you concentrate your industrial development program on companies you have the best chance of attracting to Tahoka", Sheffield continued. Statewide, more than 14,000 business and civic leaders in 390 Texas cities will receive the special citation for their part in making the new program possible. Local leaders receiving citations were: J. M. Small, V. F. Jones, Harold Reynolds, Clint Walker, J. M. Uzzle, Harold Roberts, C. E. Boles, Garland Thornton, Lynn Seales, Peggy Elliott, George McCracken, and R. H. Gibson.

Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

Legislators moved toward their first major tax showdown this week.

House Revenue and Tax Committee was due to bring out its version of a revenue-sharing measure to balance a record budget.

Heart of the measure is a raise in the sales tax rate from 3.25 per cent to four per cent (good for \$300 million in additional biennial revenue) and an increase in motor vehicle sales tax from three to four per cent (for another \$70 million).

Proposal to be advanced to the House floor for debate reportedly will include:

An increase of 50 cents (to \$3.75) per \$1,000 in the corporation franchise tax rate, \$26 million.

Extension of the sales tax to repairs, laundry, dry cleaning, haircuts and beauty shop services, \$100 million.

Sales tax on amusements, including professional sports and tourist attractions, \$35 million.

An increase in hotel room tax from three to four per cent, \$4 million.

Sales tax on telephone and telegraph bills, \$40 million.

House already has passed a bill to raise out-of-state students' tuition at state-supported colleges and universities from \$200 to \$700 a semester and a \$185 million bond bill to finance new college buildings. Neither measure has moved beyond subcommittee in the Senate.

Speaker Gus Mutscher has indicated he will allow representatives a full run with amendments to the tax bill on the House floor.

Revenue and Tax Committee Chairman Rep. Ben Atwell of Dallas said lawmakers have the choice of wringing major new revenue out of tried sales taxes or looking to a combination corporate-personal income tax.

APPOINTMENTS--Harry Burchell of Austin, longtime head of the U.S. Bureau of Reclamation activities in Texas, will become executive director of the Texas Water Development Board effective March 11. He succeeds Howard B. Boswell who retired October 1.

Gov. Preston Smith appointed John F. Pettit of Del Rio to succeed Douglas A. Newton of Del Rio, who resigned as 63rd district attorney.

He placed on the Board of Regents, State Senior Colleges Mrs. Edward A. Clark of Austin, Lee Drain of Dallas and James Tuttle of San Marcos. Smith designated Ralford Stripling of San Augustine a member of Texas Conservation Foundation, succeeding Jack Stone of Wells who was confirmed to the Parks and Wildlife Commission.

Governor named to the Neches River Conservation Board of Directors Emmett H. Whitehead of Rusk, Otis E. Lock of Lufkin, Arthur Temple Jr. of Diboll, Pitsner H. Garrison of Lufkin, N. C. Garrison of Garrison, Joe Davis Foster of Center and re-appointed Jack W. Flock of Tyler.

He named Carl Walter Swenson of Ganado to the Lavaca-Navidad River Authority Board.

Texas Senate confirmed Governor Smith's appointment of the following to the Coordinating Board, Texas College and University System: Harry Provenance of Waco and Watson W. Wise of Tyler for terms expiring in 1975, Newton Gresham of Houston and Wayne E. Thomas of Hereford for terms expiring in 1972.

AG OPINIONS--A voter registration certificate should not be issued to one convicted of a felony and placed on probation until the court sets aside the complaint or indictment as specified in the election code, Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin concluded that:

A justice of the peace is not entitled to any fee for conducting administrative hearings on the revocation or suspension of driver's licenses.

Jury panels selected by jury commissioners appointed by a county judge who has an interest in a pending case in county court are not void and the jurors are not disqualified to serve on county court juries.

COURTS SPEAK--U. S. Supreme Court reinstated the Texas obscenity law in a Dallas case involving prosecution of an underground newspaper.

State Supreme Court granted a new hearing for a Cameron County man who blamed his insurance company for negligence in defending him in a 1958 suit arising from a traffic accident and in rejecting reasonable settlement offers.

High Court ruled a Harris County iron and metal firm waited too long to bring suit against an insurance company to recover for electrical transformers and wiring taken from its warehouse by burglars.

Court of Criminal Appeals upheld the life sentence of a Dallas man in the beating death of his wife and rejected the appeal of a Lubbock man from a life sentence for participating in the fatal attack on a jaller.

REVENUE TO STATE OF--\$243 million in federal revenue during the first year of the President's proposed \$5 billion revenue-sharing plan, according to Sen. John Tower.

Under Nixon's plan, the state would be required to pass on 47.9 per cent of its receipts from Washington to local governments via a complex formula. For example, the city of Austin would get \$2.2 million, Travis County \$604,000; the city of San Antonio would receive \$4.68 million and Bexar County \$1.16 million.

Officials warned these figures may not be completely reliable, for federal-grants-in-aid may be reduced.

Reports from Washington indicate efforts by the administration to reach a workable compromise on revenue sharing, veterans land program

REVIVED--Land Commissioner Bob Armstrong signed the first three loan commitments to veterans from Jasper, Brownwood

and Fort Worth under the newly-reactivated Veterans' Land Program.

More than 4,500 veterans have requested application forms and information booklets since the program reopened February 1. More than 225 loan applications have been received in the land office, and are being processed, Armstrong reported.

Veterans Land Program began operations again this year after \$25 million in additional state bonds finally were sold.

PEANL CODE REVISE HIT--Attorney General Martin joined leading state prosecutors in urging the Legislature to put off passage of a proposed penal code revision for two years.

Dallas District Atty. Henry Wade blasted the code at a committee hearing as a "monstrosity" which would make it more difficult for law officers to do their jobs.

Martin said a five-year study by the State Bar has been available to the public only about two months and that there is not enough known about what it contains.

RATES PROTESTED--A crowd of 500 turned out for the February 23 special hearing to protest a 14 per cent auto insurance rate hike.

Witnesses accused the State Board of Insurance of working "hand in glove" with insurance companies.

Board members, irked at the heated protests, said they had met the test of applying fair and reasonable rates. While the public was blasting the Board about setting rates too high, the industry grumbled threats of filing legal action attacking them as too low.

SHORT SHORTS--Senate passed a bill to license new car dealers and manufacturers.

Bill to require inoculations against six diseases for public school admission also received Senate approval.

Buffalo no longer is classified as a game but a "domestic animal" under a bill passed by the House.

Senate Jurisprudence Committee advanced liquor-by-the-drink bill.

All 80 Texas Rangers were in Austin last weekend for specialized training in techniques of criminal investigation.

Thirty-second annual Texas Safety Conference is slated for Houston April 4-7.

Water Development Board granted a permit for weather modification license in San Angelo area field operation but denied a license for a rain-making experiment in drought-stricken Stonewall County.

Tahoka Placed 7th In Track Meet

Tahoka entered the track meet held in Fort Stockton Saturday, Feb. 27. Thirty-one schools were entered in the meet. Ozone placed first in the meet with 87 points. Tahoka placed 7th with 24 points.

Gene Walker won 18 points for Tahoka. He placed 1st in the high hurdles, winning 10 points in 15.8 and 2nd in the intermediates winning 8 points in 42.4.

Joe Hoskins placed 3rd in the broad jump earning 6 points. He jumped 20 feet 1/2 in. In the 440 yard relay, Miller, Gardner, Walker and Calvillo ran 472. In the mile relay Gardner, Montemayor, McClindon and Calvillo ran in 340.22.

DE Students Set State Meeting

EUNICE SMITH

SYLVIA MAREZ

More than 1,600 student leaders and faculty advisors in marketing and distribution will meet in Ft. Worth beginning Friday, March 5, for the 25th Annual State Leadership Conference of the Distributive Education Clubs of America, generally called DECA.

Representing some 16,000 DECA members in 465 high schools, the delegates will hear from nationally known leaders in marketing, education, and government during two days of workshop and seminar sessions which end on Saturday, March 6.

A special feature of the Conference will be contests to select state winners in career categories, public speaking, advertising, display, sales demonstration, job interviews, and student of the year. Only first-place winners in local competition are eligible to compete, and state winners will be announced Saturday night at the concluding banquet session.

Advice and guidance to assist parents, employers and other persons in understanding and accepting the crippled and in finding needed treatment for handicaps is available from your Easter Seal Society.

Last year, thousands of children were killed in avoidable accidents and thousands more crippled. The Texas Easter Seal Society works to rehabilitate many of these children with funds contributed to the annual Easter Seal campaign, March 1-April 11.

Record Number Of Texas Cattle On Feed

There were 1,575,000 head of cattle and calves on feed for slaughter market in Texas on February 1, establishing a new State record, according to the Texas Crop and Livestock Reporting Service.

This is 12 percent above a year ago and 6 percent above the 1,480,000 on feed a month ago.

Feedlots of 1,000 or more capacity held 1,531,000 (97 percent) of the total being fattened for slaughter market--12 percent above February 1970 and 6 percent above last month's count. Of the 257 large feed-

lots, 185 reported cattle on feed February 1 while the other 72 reported their feedlots as empty.

Placements into Texas feedlots during January totaled 346,000 head. These placements are 45 percent above January 1970 and 63 percent above the previous month.

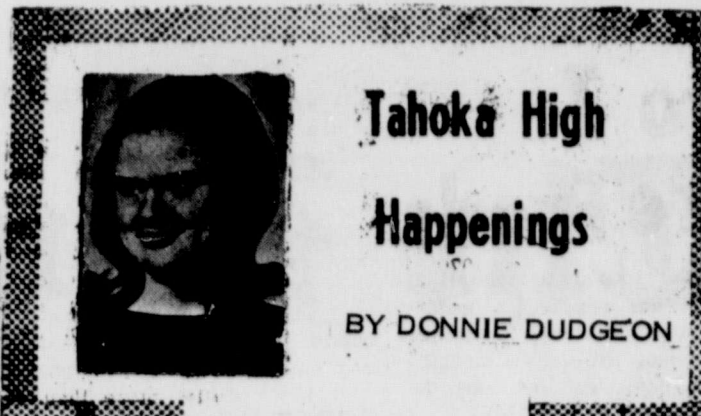

This reflects less wheat pasture available than last year. Marketings of fat cattle during January totaled 251,000 head, the same as January 1970 and 6 percent above marketings for December 1970.

You will find a great many actors and actresses around T.H.S. The speech play for Interscholastic League has been cast and they are busily preparing for the competition.

"Antic Spring" is the play chosen for the UIL competition. Those chosen for the cast are: Robert - Mark Flippin; Ginger - Penny Parker; Sam - Dean Rogers; Gwendolyn - Sandra Marez; Elbert - Gary McCord; Blossom Olga De Leon. Others helping with the play are: assistant

director - Barry Jaquess; lighting manager - Sue Warren; make up manager - Suzanne Warren.

The junior class is also preparing for their annual play. They will be producing "Rest Assured" on March 19, 1971.

This week, March 1-7, is Public School Week. Openhouse will be Thursday evening. Be sure to attend.

Several high school and junior high students participated in the UIL solo and ensemble contest at Monterey High School in Lubbock on February 27, 1971. The ratings received by the high school students were:

saxophone quartet consisting of Weldon Allen, Anita Glenn, Jo Anna Adams and June Raindl; woodwind ensemble consisting of Dana Martin, Deborah Draper and Ginger Sterling - II; flute quartet consisting of Donnie Dudgeon, Cynthia Barham, Ginger Sterling and Barbara Steiner - II; flute solo - Deborah Draper - II; flute solo - Donnie Dudgeon - III; Barbara Steiner and Southern Wells accompanied these solos. The rating I means superior, II - excellent, III - average.

Handicapped adults who need vocational rehabilitation in order to hold useful jobs often require the combined talents of specialists in the areas of medicine, social work, physical and occupational therapy, psychology, counseling and selected placement. The Easter Seal Society provides this care, financed by contributions to the Easter Seal campaign, March 1-April 11.

Crippling prevents almost one in six Americans from leading an active life, according to the Texas Easter Seal Society. Easter Seal rehabilitation is financed by the Easter Seal Campaign, March 1-April 11.

These students and their coordinator, Mrs. Billie White, will leave Thursday morning from Lubbock with other representatives and coordinators from this area by chartered bus. They will return Sunday morning.

Rhonda Lawrence UT Graduate

Rhonda Sue Lawrence, daughter of Mr. and Mrs. Clayton Lawrence 1715 E. Repetto, Brownfield, graduated from the

University of Texas at El Paso in January 1971, with high honors, signifying a minimum overall grade point average of 3.8 on a 4.0 system.

Miss Lawrence earned her bachelor of arts degree with major in history and a minor in English.

LONGER LIFE SPAN

Of all the people who ever lived and that's from the beginning of the kind-1 in 20 are living today. An impressive statistic. But an understandable one. Advances in medicine, drugs, and health practices have given life a chance it never had before. Through medicine, a baby stands a better chance of being born... of staying healthy... and of staying alive. And through medicine, life span will probably be longer.

Pharmacy has had an important role in helping make this longer possible. And we will continue to help.

Poka-Lambro To Receive More Funds

Availability of more funds to Poka-Lambro Rural Telephone Co-op Inc. in their program of service upgrading and improvement came a giant step toward reality with action taken by the Agriculture Committee of the House of Representatives in Washington on February 10, 1971.

A 23-3 vote the Committee passed a bill (H.R. 7) to establish a bank to provide new financial financing for rural telephone systems. The legislation is primarily intended to funnel funds from the private market into the rural telephone program to augment present Rural Electrification Administration (REA) loan programs.

Poka-Lambro Rural Telephone Cooperative, Inc. has participated in the REA program since 1951 but there is currently a backlog of over \$450 million in loan applications that has been unable to meet its annual appropriation. The National Telephone Cooperative Association, of which Poka-Lambro Rural Telephone Cooperative, Inc. is a member, strongly endorsed H. R. 7.

Agriculture Committee Chairman, W. R. Poage (D-Tex.) who introduced the bill on January 27, expressed confidence that the measure would not meet the same fate as a nearly identical bill -- also numbered H. R. 7 -- which died in the Rules Committee with adjournment of the 91st Congress.

"We feel we now can expect serious consideration of the bill," said Chairman Poage. It is understood in Washington that Poage has reached an understanding with Rules Committee Chairman William Colmer (D-Miss.) to clear the long delayed telephone bank bill.

Among the items moving the telephone bank bill into the forefront has been the development of strong administration support for the legislation. President Nixon specifically included the telephone bank bill among the items of "Must legislation" not enacted by the previous Congress and the Fiscal Year 1972 budget he recently submitted includes funding to begin bank operations after congressional approval.

"We need this telephone bank," said V. H. Wheatley, President of the board of Poka-Lambro Rural Telephone Cooperative, Inc. "Availability of capital for expansion and improvement of service is the crucial question to all telephone systems--large and small. Considering that the 20-year old REA loan program has not been able to meet the increased demand, this bank which will make supplemental funds available at a rate of interest tied to the individual borrower's ability to pay, thus seems the best available solution to our board."

Under the provisions of H. R. 7, the government would furnish capital to the telephone bank at a rate of \$30 million annually until the total investment reaches \$300 million. Eventually, the borrowers themselves would become sole owners of the bank, as has been the case regarding the very successful Federal Land Bank program.

gram. Approximately three-fourths of the 878 telephone systems which presently receive their financing from REA are commercial enterprises; the remainder are cooperatives. Most of the pending loan applications propose improvements to existing telephone service by reducing the number of parties on a single line and other types of facility updating.

"When funds are available, either from REA or the new bank," Poka-Lambro Rural Telephone Cooperative, Inc. manager, W. D. Harmon, commented, "our biggest priority project will be Improved Service."

Linda Huffaker, CHD Agent, Says.....

Your attitude toward money is likely to influence the attitude of your small child. Boys and girls develop their attitudes concerning making and receiving money and its use at an early age. Parental values and goals are most often the ones children will adopt.

Young people must acquire a philosophy and a pattern of spending from experience. They need money for necessities as well as for extras. By making choices in the way money is used, children grow in their ability to manage it.

If your child has an allowance or a job that pays some money, he will have the opportunity to learn. Even if you dole money out to your child as he requests it, he should have some freedom in the way it is spent in order to learn to make wise choices.

When a child first begins to handle money, limits should be set on the amount. If he faces situations with not enough money, he will realize when he makes a mistake in judgement.

A child will make many mistakes, but these are learning experiences. The lessons are necessary early in life to avoid wrong decisions later that could become disasters.

Help your child learn that there are some expenditures he must make, and that he has obligations to himself and others. If you let your child learn through experience, he will grow up to be happy about his money management skills.

DISCUSS PROPOSED BUILDING - County Farm Bureau presidents from District II discussed the proposed Texas Farm Bureau headquarters building and other matters in a meeting February 26, 1971, in Lubbock, Texas. Shown viewing an artist's sketch of the building are (left to right): President J. T. (Red) Woodson of the Texas Farm Bureau, T. B. Mason, Howard Moore, A. L. White and H. L. (Hub) King State Director of District II. Construction on the TFB home office building in Waco is expected to begin in the near future. Farm Bureau members have been contributing toward the cost of the building as a part of their membership dues for the past 19 years. The four-story, contemporary design building of approximately 100,000 square feet will be located on a beautiful suburban site overlooking Lake Waco in northwest Waco.

Farm Bureau Has Conference

Several Farm Bureau programs and activities, including plans for constructing a brand new state headquarters building, were discussed in a District II conference of county Farm Bureau presidents Feb. 26, 1971 in Lubbock Texas.

T. B. Mason, A. L. White, Billy Weaver, Howard Moore and Herman Wuensche Vice-president of the Lynn County Farm Bureau, represented the local organization at the conference.

Construction on the four-story, contemporary design building of approximately 100,000 square feet, is expected to start in the near future, Vice-president Wuensche reports. The new headquarters for the TFB will be located on a beautiful suburban site overlooking Lake Waco in northwest Waco.

"Front burner" matters discussed at the meeting included: state and national legislative issues, program expansion activities, co-ordination of county and state Farm Bureau programs, responsibilities of county and state Farm Bureau lead-

ers, and a financial report from the TFB.

Farm Bureau members in Texas have been contributing toward the cost of a new building, through their membership dues, for the past 19 years. The membership at that time foresaw the need for a future home for the state Farm Bureau.

Total cost of constructing the new edifice, including 59 acres of land on which the building will be located, is \$3.1 million. Low bidder on the building was Smith Building Co. of Waco. The architectural form of Bush & Dudley of Waco, in association with the firm of Harrell-Hamilton of Dallas, designed and planned the building.

When the Texas Farm Bureau moved its headquarters to Waco from Brownwood in 1938, it moved into a rent-free, two-

FARM MANAGEMENT DECISION IN 70s

TO GO OR STAY

Farm families will face a multitude of management decisions in the 1970's. That's certainly an understatement if there ever was one. But wise management decisions hold the key to the continued survival of farming operations during this decade.

What decisions face farm families? Dr. William E. Black, economist in marketing and policy with the Texas Agricultural Extension Service, discussed 13 issues at a Farm Family Management Conference recently in Lamesa.

TO FARM OR NOT
1. With the continued narrowing of profit margins per unit of farm production, farmers are motivated to do one of two things -- enlarge their farming operation to more production units, or drop out of farming. For those who cannot expand and must quit farming, the major decision is when to drop out and what is the husband's alternative employment opportunity. Moving from farm to non-farm employment is more of an adjustment than many farm families realize or are willing to make.

2. "If the decision is to stay in farming, then the farmer should consider investing in marketing," says Black. The farmer will need to have his production locked into a marketing arrangement ahead of time, or he will not produce. This marketing arrangement can become the basis for financing his production.

RIGHT TO MANAGE
3. "Farmers must retain their identity so that they will be able to make management decisions," emphasizes the economist. "Whether farmers will fight for the type of marketing arrangements that will keep them as independent managers or not is one of the major decisions they will have to make in the 70's."

Agricultural producers will have to give up more of their vanity of traditional independence in production and marketing and bring about a system of greater late national cooperation and coordination. One goal will be greater disciplined control over output as to quality, quantity and timing. "If farmers rely upon nonagricultural business firms or the

government to develop and operate these controls, they will lose their right to manage their farms."

4. "Farmers will need to decide between the political arena and the market place for their economic gains. The guarantee of income in agriculture is not without its price. Until the treasury faucet is turned off, farmers will not become overly serious about their own supply management programs."

5. According to Black, the rising expectations of farm people is another management decision. Farm families today demand income and leisure time comparable to what people in most occupations have. Whether or not they can get and enjoy that kind of life will be another concern in the 70's.

NEW TECHNOLOGY TO CONSUME
6. New technology will continue to pose new opportunities and new choices. Extensive investment in research and development will likely continue to pay off in more economical sources of power, high automated systems and unique production techniques. How much investment the farmer will make to aid output -- both in research and application -- will be another decision.

7. Farmers will also be confronted with social programs that initially seem hard to swallow, such as the public concern about pesticides, nitrates and odors. These public concerns are bringing about restrictions on farm operations, and threats of further restrictions will influence the farmer's choices. Instead of remaining a part of the problem, Black suggests that farmers become a part of the solution.

8. Income taxes will increase. The economist cites two reasons for this -- Larger anticipated income per farm, and greater demand for public services and programs at the local, state and national levels. Thus, taxes will become increasingly important as a consideration in managing farms -- particularly income and estate taxes.

LABOR PICTURE CHANGING
9. "The hired farm labor situation is changing. Farmers must now compete with the total

economy in a more or less national market." As farmers expand in the labor-intensive enterprises, they become involved in new concepts for employing labor -- employment and health insurance, minimum wages, pension plans and unionization rights. Part of these programs will be defrayed by the farmer directly.

10. "The geographic and cultural divisions between the farm and non-farm world will continue to fade," contends Black. "Farms will not be able to operate in an agrarian world. They will become a bigger part of the process that allows society to survive. The farm public will be demanding educational assistance in a wide variety of subject matter in addition to that for commercial agriculture."

CONSUMER ORIENTATION NEEDED
11. "In order to compete with farm product substitutes, farmers must become more concerned with how the consumer accepts his product -- and her desires regarding that product. They must relate their business to their customer rather than to themselves. Farmers must take a stronger hand in developing and maintaining markets for their products."

12. Agriculture will become more international. Thus farmers will need to relate to the worldwide dimensions of food and fiber, points out the economist. "International trade will continue to be one of the mainstays of our agricultural economy."

13. Financial arrangements will change as the financial structure of farms and ranches changes and could become a part of the marketing arrangement. More reliable sources of credit will be sought and there will be changes in rental arrangements, consultant services, custom work and incorporation. "Farmers must become more and more concerned with the threat of agribusiness takeover."

"The management decisions facing farm families in the 70's constitute a continuing and intense challenge to those planning to succeed in farming," points out Black. "Many adjustments must be made now, and the pace will continue to pick up."

Forage Testing

Knowing the nutritive value of forage being fed is important anytime, but under the prevailing conditions it is doubly so, advises A. C. Novosad, Extension pasture specialist. Feeding of livestock, because of the lack of moisture and grazing, is heavy over most of the

state. The forage portion of a dairy or beef cattle feeding program is a significant part of the ration, and the wide differences in forage nutritive values makes the balancing of rations a very difficult task, explains Novosad. The feeding of unbalanced rations can result in lower milk and beef production, and lower profits, warns the specialist.

Last summer the Texas A&M University Forage Testing Service put into use new analytical techniques which give more reliable and accurate information. Novosad says the analysis now being made includes percentage values for crude protein, cell walls and moisture. Calculated values are given for digestible energy, net energy, TDN (total digestible nutrients) and digestible protein.

Results of the analysis are sent to the producer and his county agent so they can consult with each other if problems arise. Extension beef and dairy specialists will also make recommendations when requested to do so.

Analyses can be made by the testing service on samples of four basic types of forage; baled hay, loose or chopped hay, pasture forage and pelleted forage. Tests are also made on silage.

The National Easter Seal Society for Crippled Children and Adults, with 2,500 facilities and programs, is the oldest and largest voluntary agency serving the physically handicapped. Contributions to the annual Easter Seal campaign, March 1-April 11, finance the major share of its work.

WILSON NEWS

BY MARGARET BARTLEY

A Youth Evangelistic Rally planned for Thursday, March 4, 7:30 p.m. at the First Baptist Church, Lubbock. This Youth Rally will feature evangelist Richard Hogue of Oklahoma City. This will be the most exciting spiritual happening of the year for Lubbock Baptist Youth. If ever there has been a God-called evangelist who speaks the language of youth, Richard Hogue is that man. Singing for the rally will be a unique trio, Bill, Dave and Mary, whose singing will set your hearts a-flame.

Hogue was featured at the Texas Baptist Youth Evangelism Conference last July and recently has been working with John Bisagno, pastor of First Baptist Church, Houston, in crusades and youth outreach efforts in Houston high schools.

There will be cars leaving First Baptist Church at 6:45 p.m. (Thursday). Do your part in coming and bringing.

Saturday in Monterey High school in Lubbock the UIL Solo and Ensemble contests for high school students was held.

Twenty-three students from Wilson attended. Those receiving Division I ratings were: Ray Herzog - Piano solo; Suzy McCormick - piano and flute solos; Cindy Eakin - clarinet solo; Dina Wilke, Helen Cedillo and Beverly Hobbs - clarinet trio. Division II: Beverly Hobbs - clarinet solo; Sharon Herzog, Clyde Wilke, Beverly Backler, Sherry Herzog, Carl Wilke and Richard Savell - brass sextet; Warren Moerbe, Oscar Ortega, Craig Wilke and Kelly News - cornet quartet; Division III: Kay Herzog - clarinet solo; Linda Mears, Glynn Moore, Renea Zant and Susan Lane - clarinet quartet.

The Wilson Lions Club would sponsor its annual volleyball tournament Saturday. The tourney consisting of 12 women's teams playing for championship - consolation bracket and 8 men's teams playing a double elimination bracket.

The Rounders from Lubbock beat the men's bracket, by beating Tatom Brothers Elevators from Tahoka, Tahoka Auto won first.

Citizen State Bank of Slaton won first in the women's bracket by beating the Wackers from Slaton.

The New Home women won consolation side by beating the O'Donnell Exes.

The Lions would like to thank the teams that entered and support and work of the people of the Wilson community in making the tourney a success.

Mr. and Mrs. W. T. Baxley visited Friday with Mr. and Mrs. Harvel Phillips of New Deal.

Headly Gumm, Bessy Martin, Diane and Elisha Howel visited Friday with Mrs. W. F. Klos.

Mr. and Mrs. Jack Scheutte, Bruce, Kenny, Roxanne and Vance, Alan Fondy all of Slaton visited Sunday with Mr. and Mrs. W. F. Klos. The Klos' returned with them to Slaton for a fish fry in the Scheutte home.

The Wilson Sewing Club was held in the home of Johnnie Cook Monday. Twelve ladies attended.

Mr. and Mrs. Erving Sander, Mr. and Mrs. Ruben Sander and Susan, Mrs. Anton Ahrens and Edgar and Mr. and Mrs. Henry Ahrens and Kathy of Olton visited in the home of Mrs. Olga Sander, Sunday.

The Girl Scouts will have a special presentation in First Baptist Church March 7.

The Baptist Church Men met Monday night. They heard a tape of Rev. Bob Harrington, Chaplain of Burbon Street in New Orleans. A good crowd attended.

There will be a vacation Bible School clinic at First Baptist Church, Plainview. It will be Tuesday and Wednesday, March 9 and 10. All women planning to work in Vacation Bible School are urged to attend.

Congratulations to Rev. and Mrs. Elieso Gomez on the birth of a daughter, Ethel. She was born Feb. 6 and weighed 6 lbs. 7 ozs. in Methodist Hospital. She is their tenth child. Rev. Gomez is pastor at the Baptist Mission in Wilson.

A daughter was born to Mr. and Mrs. Laylan Musick, Feb. 24, 1971 at 9:25 p.m. in the Lynn County Hospital. She weighed 8 lbs. 3 oz. and has been named Melody Joyce.

Ray Adams Elected Director

The Annual Meeting of the Texas Angus Association was held on Monday Night February at the Holiday Inn, Fort Worth. A good crowd was on hand for the Annual event. Everyone seemed to enjoy the meeting, banquet, and entertainment.

A. E. "Al" Richmond, Midland was elected to serve as President for the upcoming year. Al has been in the Angus business over 20 years and has served on the Board of Directors for the past 6 years. He has a good herd of Angus located on his Ranch near Bangs, Texas.

Other Officer and Directors elected at the meeting were: Rex Robinson, Snyder-1st Vice-President; Bill Bradley, Memphis-2nd Vice-President; Directors for 3-year term: J. D. Sargent, Tolar; Mike Moore, Eldorado; Leland Knight, Beeville; James Baker, Harelton; Cy Clayton, Bryson. Elected to serve a 2-year term was Ray Adams, Tahoka. Those serving as directors for a 2-year term are: C. W. Chandler, Jr., Ringgold; Oliver Grote, Mason; Jack Van Caspel, Houston; and Richmond Hales, Canyon. Those serving as Directors for a 1 year term are: Hulen Cook, Wichita Falls; J.V. Hammett, Lampasas; Harry Whitworth, Austin; J.E.R. Chilton, Jr., Dallas; and Otis Deal, Mertzon.

The Wilson Sewing Club was held in the home of Johnnie Cook Monday. Twelve ladies attended.

Past Days In Lynn County

Copied from Nov. 26, 1936 Tom Hale, who was recently elected county commissioner from precinct No. 4, is completing a modern new home out at his place twelve miles west of Tahoka, according to Sam Ramsey, one of the carpenters.

The building is 28 by 40 feet and consists of six rooms. It will be given a stucco finish outside and will be elegant inside. Gas pipes are being laid and all the modern conveniences will be installed. Mr. Ramsey says it will be one of the most substantial and attractive country homes in the entire county.

Wathel Littlepage, 18, son of Mr. and Mrs. R. L. Littlepage of Midway and a student this year in Texas Tech, underwent an operation for rupture in the West Texas Hospital in Lubbock Wednesday morning. Reports from the hospital are to the effect that he is "just doing fine."

Equipment Sale At O'Donnell

The O'Donnell Young Farmer's will have their third annual equipment sale, Thursday March 11, at 10:30 a.m. at the O'Donnell Co-op Gin. The March 2 sale was postponed because of the snow. Shipments welcome. Everyone is invited to attend.

much other valuable information. By the way, the Texas delegation in Congress is a pretty fine looking bunch, among whom George Mahon already takes high rank.

The ladies were accompanied to Lubbock by their husbands and by Mrs. Wiley Fortenberry.

Draw and O'Donnell wind up their 1936 football season with a game at O'Donnell today (Thursday). In a previous game this season, O'Donnell won 2 to 0.

The Tahoka Bulldogs were losers to Post in the Thanksgiving football game played here Wednesday afternoon. The score was 12 to 0. One touchdown was made by Post in the first quarter and one in the second. This is the last game of the season.

Proceeding the game, Miss Doris Laverne Lawler was crowned football queen of the Tahoka High School. Duchesses were Misses Lottie Jo Townes, Melba Evans, Mary Ellen Conway, and Jerry Jean Simmons.

A good-sized crowd witnessed the coronation and the game that followed.

Copied from Nov. 20, 1936 The county has tentatively purchased a new grader for commissioners precinct No. 4. It was delivered Wednesday and Jim Izard is trying it out this week on his roads. If the machine proves satisfactory, it will become the county's property.

A number of our citizens have gotten tickets recently for parking their cars across the sidewalk and thus blocking traffic.

It is a violation of a city ordinance to park a car across a sidewalk and yet people persist in doing it right in the business section of town. Warnings by the city marshal have done little good, so he decided recently to invite all offenders to tell it to the court.

If you don't have a dollar to throw away better not block sidewalks with your car.

F.M. Sherrod, 80, who has been seriously sick several weeks, is showing no improvement, we are sorry to report. Mr. Sherrod came to the plains many years ago as a buffalo hunter and he has known practically all of the old-timers in this section of the state. Many friends hope that he may yet be restored to health.

Miss Lucille Wright, daughter of Mr. and Mrs. W. C. Wright and a student in the Tech, who underwent an appendicitis operation in a Lubbock hospital recently, was released from the hospital and brought home Sunday.

H. B. McCord was a business visitor in Amarillo Tuesday and he reports that it is still very dry in the Panhandle. Much of the wheat north of Amarillo is dying, he states.

Mr. and Mrs. S. H. Howell have moved to Seminole to spend the winter with their son, Babe, whose wife died a few weeks ago, leaving the husband and four children.

Rites Held For E. R. Bertreaux

Earnest Ray Bertreaux, Sr. 55, of Tahoka died about 6 a.m. Sunday in the veterans hospital in Dallas where he had recently undergone surgery. He had suffered an extended illness.

Services were held at 2 p.m. Tuesday, March 2, in the Sweet Street Baptist Church with the Rev. E. L. Tyler, pastor of the Assembly of God Church and the Rev. Lee Jones pastor, officiating. Burial was in the Tahoka Cemetery directed by White Funeral Home.

Bertreaux was born Sept. 15, 1914 in Bell Plains, Kansas. He was a veteran of World War II.

Survivors include two daughters, Mrs. Carolyn O'Neal of Midland and Claudia Bertreaux of Stamford, Conn.; a son, Earnest Ray Jr. (Mickey) of Tahoka; a sister, Mrs. Bula Belyeu of Post; a brother, Dock of Truth Or Consequences, N. M.; and seven grandchildren.

Pallbearers were Billy Jolly, Bobby P. ndleton, Denver Merlyman, Jerry Isbell, Elmer Lindsey and Bill Taylor.

We have had a quite week. Seems we have not felt too good. Several had to see their doctor and Mrs. McCord was carried to the hospital. Leo was bedfast a couple of days. So you could say we have enjoyed ourselves more in the past.

We are happy to have Mrs. Makovey back. She too was ill. There was a good crowd for church services Sunday. Darnell Boyd preached for us.

Edwardo Grove has come to live with us. We welcome him and hope he will enjoy his new home. Mrs. Dub Kenley and Mrs. Gerald Huffaker visited with us and brought cookies which we enjoyed and we are thankful to them.

It was sweet of the 1st and 2nd grade Bible Classes of the Church of Christ to make us the plate favors. We love these children and want them to come to see us. We are grateful for their teachers, Ina and Myrtle Ledbetter. We enjoyed the delicious cake Mr. and Mrs. H. B. McCord brought us. This being served at the reception celebrating their golden wedding anniversary. We extend best wishes to them.

Dwaine Glass has been on our sick list this week. Mr. Henderson is some better at this time. He has been quite sick several days now.

Following are bills that were presented to the Legislature this past week. Addresses of State Representative E. L. Short and Senator H. J. (Doc) Blanchard are: State Capitol, Austin, Texas 78711.

GOVERNOR'S SUPPLEMENTAL TAX MESSAGE

Governor Preston Smith addressed a joint session of the Texas Legislature at 11:00 a.m. on Thursday, February 18, and made the following recommendations in regard to methods of raising new revenue for operation of state government for the next biennium:

1. Continue efforts to get federal government to take over funding of state welfare programs.
2. Increase selective sales tax, retaining current exemptions, from the present 3 1/4 percent, beginning July 1, 1971. This method would raise approximately 300 million dollars for the biennium.
3. Increase tuition costs per semester for out-of-state students to \$500 and for in-state students from \$50 to \$125. This would raise approximately 100 million dollars for the biennium.
4. Increase the tax rate on the sale of motor vehicles from 3 percent to 4 percent to raise an additional \$70 million during the biennium.

The Governor's revised budget for 1972-73 calls for total new spending authority of \$420 million. The proposed increases in the sales tax, motor vehicle sales tax, and college tuition would bring in approximately \$470 million—providing a \$50 million excess to take care of welfare needs until the federal government takes over funding of welfare programs.

LOVESTOCK H.B. 557 by Poerner, a bill giving the Texas Animal Health Commission authority to quarantine small areas within the State to control outbreaks of hog cholera, was introduced in the House of Representatives and referred to the House Committee on Livestock. H.B. 557 was heard by the Committee on Livestock on Tuesday, February 16, and was referred to a subcommittee for emergency action.

COMMODITY PROMOTION H. B. 525 by Jones of Lubbock, a bill providing a method for additional counties or areas to

be included in the promotion program of a commodity organization, was introduced in the House of Representatives and referred to the House Committee on Agriculture. H.B. 525 provides that producers of an agricultural commodity in an area not within the jurisdiction of a commodity producers board for that commodity may petition the board for a referendum in their area to determine if producers in the area wish to come under jurisdiction of the board. If the referendum carries, the new area will be included.

DAYLIGHT SAVING TIME S.B. 167 by Connally, a bill to exempt Texas from the federal Daylight Saving Time Act, was introduced in the House of Representatives, referred to the Committee on State Affairs.

WELFARE H.C.R. 12 by Lombardino, a resolution memorializing Congress to take over funding of state welfare programs, was introduced in the House of Representatives, referred to the Committee on State Affairs, reported out favorably by the Committee, passed almost unanimously by the House of Representatives, sent to the Senate where it was referred to the Senate Committee on Federal Programs, reported out favorably by the Committee, and was finally passed by the Senate.

Copies of the resolution will be sent to all members of the Texas Delegation in Congress.

RURAL REPRESENTATION S. C.R. 1 by Mauzy, a Senate Concurrent Resolution memorializing Congress to disregard S.C.R. 24 passed by the 59th Legislature in 1965 which called for a Constitutional Convention to overturn the "one-man-vote" ruling of the Supreme Court, was introduced in the Senate and referred to the Senate Committee on Legislative, Congressional and Judicial Districts. S.C.R. 1 was heard very briefly by the Committee and reported out favorably. This Resolution is expected to sail through the Senate, but there is a chance that it can be stopped in the House.

SOIL CONSERVATION NEWS

BY RICHARD L. CHRISTIE

The Committee to develop the REAP has met and formulated the program. REAP is the Rural Environment Assistance Program and replaces the old ACP. The President had the name changed before he signed the bill.

The major changes were the elimination of non-permanent and non-enduring practices. This means there will be no cost sharing for deep plowing or applying cotton burrs this year. Another major change is that the total amount of cost sharing will be less than one-half of last year's amount. Lynn County will only have \$40,000.00 for diversions, water ways, ter-

aces, pipelines, seeding of permanent grass and pollution abatement. The new program has provisions to aid the livestock producer in preventing pollution. These pollution abatement practices will be the only new practices in the 1971 REAP.

The sign-up will be 2 weeks beginning Monday, March 8, 1971. If you wish to sign up for any practices in the new program, do so at the ASCS Office and then come by the office of the SCS to discuss it with us. I predict there will be enough money for everyone that signs up for these conservation practices.

Glass Tells Of Nursing Home

Dwain Glass, manager of Tahoka Colonial Nursing Home, told of the nursing home program in a talk at the Rotary Club Thursday.

The local home has 47 beds and currently has 43 patients. There are 17 full time employees and six part time workers. Everything is done possible to help make life pleasant and cheerful for the patients. A social program is conducted, and religious services are held periodically. Visits from friends and groups are encouraged.

About 10 percent of the patients pay their own way, while the rest qualify for medicare, paid by state and federal funds. To qualify for medicare, a patient must have no more property than a homestead and no more cash in the bank than \$1,500.00.

He told of the phenomenal growth of nursing home care the past few years. Today, there are about 260,000 beds in Texas nursing homes.

Lee Olin Poer's Funeral Held

Services for Lee Olin Poer, a former resident and farmer in Lynn County were held at 10:30 a.m. Thursday, Feb. 25, in the First Baptist Church in Tahoka.

The Rev. W. C. Williamson of Carlsbad, N.M. officiated. Burial was in the Tahoka cemetery directed by White Funeral Home.

Poer, 68, died about 7:45 a.m. Monday in Wagner General Hospital at Palacios, where he had resided eight years. He was born Nov. 22, 1901 in Hubbard City. He came to Lynn County in 1930 and farmed in the county until 1950, when he moved to Fort Worth and eventually Palacios. He and Miss Pearl Morrison were married in Lovington, N.M., in 1930.

Survivors include his wife; a daughter, Mrs. Jonell Hopkins of Waxahachie; four sisters, Mrs. Lois Williams, Mrs. Truay Smith and Mrs. Daphne Hays, all of Abilene, and Mrs. Minnie Rutherford of Lubbock; two brothers, Roy of Abilene and R. B. of San Antonio; and three grandchildren.

Mrs. Monk Hosts Jr. Study Club

The Tahoka Junior Women's Study Club met Thursday, February 25, 1971 in the home of Mrs. Larry Monk with Mrs. Milton Ehlers as co-hostess. Mrs. Linda Huffaker the County Home Demonstration Agent, presented a very interesting program on Budgeting in the Home. Visitors present were Mrs. Richard Christie, Mrs. Tom Caldwell, and Mrs. Donald Clanton.

The next meeting of the Tahoka Junior Women's Study Club has been cancelled due to the Girl Scouts Banquet. Tahoka Junior Women's Study Club sponsors the Girl Scouts and will help serve at the banquet, March 11, 1971 in the school cafeteria. All club members who do not have scouts are urged to help with the banquet. We will meet at 6:30 in the school cafeteria.

Tahoka's Annual Rodeo Set For April 22-23-24

The Annual Tahoka Frontiers Days Rodeo will be April 22-23-24. Again this year we will have Red Whitley as our stock producer.

The Rodeo Parade will be under the supervision of Maurice Small of the Chamber of Commerce.

Any girls wishing to run for Rodeo Queen this year should contact Cathy Kounousky as soon as possible for further information. Also, this year, girls from the surrounding towns of O'Donnell, Wilson, Grassland, Graham, NewHome, and Draw are eligible to run for rodeo queen. You may contact Cathy by writing Box 1023, Tahoka, or you may contact Maurice Small at the Chamber of Commerce, 998-4761.

The Rodeo Association will be remodeling the arena. This year the stands on the east side of the arena will be remodeled. Every Monday and

Friday night at 8:00 p.m. the rodeo association will meet at the arena to start getting ready for the rodeo. All members of the rodeo association are urged to meet at the arena on these nights. All available help is needed. Anyone interesting in becoming a member of the Tahoka Rodeo Association is invited to attend these meetings. Officers of the Rodeo Association for 1971 are: Oran Short, President; Carl Griffing, vice president; and Cathy Kounousky, secretary. Directors are Homer F. Gulin, Wallace Teaff, Wendy Inman, Jerry Ford Ruben McElroy and Billy Tomlinson.

PISCES Feb. 19 to Mar. 20

PISCES (Feb. 19 - March 20)

Pisces is the sexiest of all the birth signs. Nothing daunts a panting pisces. Pisces men have been known to walk 27 miles just to whisper a sweet nothing in a librarians ear. Pisces men excel at bliking old maids and widows out of money. Women born under this sign are also romantically inclined and have trim, lithe, well formed gums. Never sad, they have a fine sense of humor - laughing at everything from traffic accidents to rock slides and 4 years of bad crops. Society does not get its fullest advantage from Pisces people because so many of them slip into obscurity before they finish elementary school. While in school, though, they shine at cheating and passing notes to other students.

HS

Mar. 4 - The truth shall set you free. If it doesn't, get a good lawyer.

Mar. 5 - You worry too much about your job.

Mar. 6 - A 1,000-pound sack will not fall on you today. Tomorrow watch it.

Mar. 7 - Do not elope with the new acquaintance.

Mar. 8 - Love makes the world go 'round & 'round for you today. A teaspoon of baking soda might help.

Mar. 9 - You might marry a millionaire by March 9.

Mar. 10 - Do not sleep in tree tonight.

ferti-lome ROSE FOOD PROTECTS FROM WITHIN

Bothersome dusting or spraying is not necessary for control of certain insects when you feed your roses with ferti-lome Rose Food containing Systemic Insecticide. Monthly feedings will control piercing and sucking insects, while producing vigorous bushes and colorful blooms. The Systemic Insecticide is absorbed by the roots and gives invisible protection in new and old growth against aphids, lace bugs, leaf hoppers, mites, thrips, whiteflies, birch-leaf miner, pine tip moth, mimos webworm, red spider mites and others. It contains the primary plant foods for proper rose diet, plus cottonseed meal, bone meal, blood meal and chelated trace elements from Multi-Tracin. Available in 5-lb. box or 15-lb. bag. Treat yourself (and your roses) to the best!

CAROL, CLINT, JOAN AND CLIFTON GARDNER

Joan Gardner is the wife of the high school principal Clifton Gardner in Tahoka, Texas. She lives a busy life, keeping up with all the school activities whether her children are directly involved or not. This week is busier than usual with open-house planned in observance of School Week. Her life evolves around school.

Most of her life she has either been a student, a substitute teacher, or a wife and mother who sees to it that husband and children get to school on time.

The smiling easy-going Joan was born in Jayton, Texas; her parents moved to Aspermont where she graduated from school and worked for the Federal Land Bank. Her parents Mr. and Mrs. B.A. Cumble, Sr. still live in Aspermont. He is a retired banker.

Clifton was born and raised in Swenson, Texas. After service in the armed forces, Clifton returned to Abilene with his bride to further his education at Hardin-Simmons University. They both attended H-SU and Clifton graduated there in 1949. His work for a Masters degree was done at Texas Tech. His father is Ward Gardner, a rancher at Aspermont, Texas.

Since 1959, Mr. Gardner has been the Tahoka High School principal, coming here from Wilson, Texas where he was principal and coach three years. The Gardners have made their home in Aspermont, Blackwell, Wilson and Tahoka, Texas. Mrs. Gardner says "We enjoy living in Tahoka, and the association that we enjoy with the people in this community. We feel fortunate of having the opportunity of rearing our children in a community as we have here."

Mrs. Jim Monk (Connie) their oldest daughter, graduated here and at South Plains College in Levelland, attended Texas Tech and is now employed at J.C. Penny's in Lubbock. This past November 26, 1972, the Gardners observed their 25th wedding anniversary and Connie had a party in her home to honor the occasion.

Cliff, the oldest son, after graduating from High school here, attended Western Texas College Snyder his freshman year where he played basket-

ball. He transferred to McMurry College in order to play football and his team has done well. From 25 pledges Cliff was elected pledge captain of his fraternity Ko Sari. He also works part-time in the coaches office at McMurry.

Carol is an active member of the junior class in high school. She plays piano, basketball, works on the annual staff, is in the junior class play to be presented March 16, is a member of the National Honor Society and is a vice-president in F.H.A.

Fourteen year old Clint is in the 8th grade. Like the other family members, he likes sports of all kinds-bas-ketball, football, summer baseball, swimming, boating, and water skiing. This former Scout is skilled in hiking and camping. At his grandparents ranch he rides horses and helps tend to the cattle.

Carol recommended her mother's Brownie recipe to share with us. Joan makes them for banquets, or to package and mail as a gift since everyone enjoys them. This old, old recipe makes a big pan of brownies.

BROWNIES
Melt together in pan.
Two thirds cup shortening.
Two thirds cup cocoa.
when melted remove from heat and add
2 cups sugar
1/2 cup milk
1 heaping cup flour
1/2 t. baking powder
1 t. salt
Mix well and add
4 beaten eggs
1 cup pecans
2 t. vanilla

Bake in greased 9 by 12 cake pan at 350 degrees for 25-30 minutes.

While warm, ice with the following:

ICING
2 T. hot coffee
2 T. oleo or butter
2 T. cocoa
1/2 t. vanilla

powdered sugar is added to the above items after the coffee boils and the oleo melts. About three cups of powdered sugar makes icing thin enough to spread easily on hot cake.

The Veterans Administration recently opened its first specialized hospital unit for stroke victims and the agency is conducting an intensive medical research attack on strokes, heart disease, cancer, and emphysema.

Raindl-Brooks Pledge Double Ring Vows

Miss June Raindl and Gary Brooks pledge double ring vows Friday, Feb 23 at 2 p.m. in the Pleasant Ridge Baptist Church with Rev. Frankie Jones, pastor, officiating.

Given in marriage by her father, the bride wore a white thin knit street length dress, with long pointed sleeves. She carried a bouquet of blue and white carnations.

Mrs. Pamela Miller, sister of the bride was matron of honor and Vicky Roberts was bridesmaid.

Chris Roberts served as best man and B.L. Miller was groomsmen.

After a wedding trip to Galveston the couple are at home in Tahoka.

Mrs. Brooks is a senior in Tahoka High School, where she is finishing her education. Brooks is a graduate of Tahoka High School and is employed as a trucker.

Vehicle Registration

To date vehicle registration has been slow compared to last year at this time. About 1200 vehicles has been registered to date. Between five and six thousand vehicles should be registered in Lynn County by April the first which is the dead line for vehicle registration.

Please bring your registration slips that was received from the Highway Department or your titles and registration receipts when registering your vehicles.

In the living room, tack down carpet edges to prevent curling tripping hazards -- and use only scatter rugs with nonskid backing, advises Patricia Ann Bradshaw, housing and home furnishings specialist with the Texas Agricultural Extension Service, Texas A&M University.

Wilson Girl Scouts Observe NGSW

The Wilson Girl Scouts will be celebrating National Girl Scout Week Sunday, March 11-Saturday March 17. Below is a list of the week's activities.

1. Sun., Mar. 11 - Attend worship services as a group at St. Paul Lutheran Church.
2. Monday, Mar. 12 - Conduct a Flag Raising Ceremony at the School at 9:00 a.m. The

Community is invited to attend. Mon. is also Uniform Day for our Scouts.

3. Thurs. Mar. 15 - Present a program on Girl Scouting for the Wilson Lions Club, who so graciously support us each year.

4. Sat. Mar. 17 - Attend and participate in the "MALLELOUS" Celebration at the South Plains Mall in Lubbock. Troops No. 286 and No. 260 will be doing folk dancing. Troop No. 270 will be demonstrating First Aid.

Pythian Convention

District No. 9 Pythian Convention was held in Lubbock, Saturday, March 3rd. Registration began at 10 o'clock. Sandwiches and coffee were served for lunch. The afternoon meeting opened at 1 o'clock with Roll-Call being answered by twelve members from Tahoka. With 18 members for the evening meeting, Tahoka had the largest number of members from any Temple in the District. Tahoka exemplified the Draping of the Charter.

The afternoon meeting recessed at 3:30 until the evening meeting. A lovely banquet was served by the Lubbock ladies. The evening meeting op-

ened at 7:30. The main event being initiation of three members for the Lubbock Temple. Tahoka Degree Staff consisted of 16 members and their musician Florine McCracken, the Initiation Drill.

Those attending the Convention from Tahoka were Thelma Oliver Past Grand Chief, Judy Holden, Imogene Lynch, Trudy Schuknecht, Teddy Kelly, Bertha Williams, Nina Short, Elsie D. Brooks, Bernice Carter, Lucy Brice, Thelma Dewbre, Darlene Gurdley, Lottie House, Ferne Lewis, Ruth Reece, Zella Taylor and Pauline Warren.

Grand Chief of Texas, Bernice Keene and her traveling

companion visited our meeting officially.

The District Meeting for 1974 will be in Tahoka.

Bias in Bicycles?

To help its employees get around the premises, a large company kept a supply of bicycles available at all times. But all the bicycles were men's. Women workers finally went to the Equal Employment Opportunity Commission with a charge of "discrimination on the basis of sex."

At the hearing, they pointed out that men's bicycles were just not suitable for them, especially since they were also forbidden to wear slacks. This impressed the

Commission, which duly upheld their complaint.

The bicycle case is typical of the wide variety of issues that have arisen under famed Title Seven of the Civil Rights Act of 1964. Women have also complained — almost always with success — about hiring practices, dress codes, height requirements, smoking privileges, hours of work, and seniority rules.

"Title Seven," said one court, "rejects the notion of romantic paternalism toward women and

seeks to place them on an equal footing with men."

In fact, men too have won victories under the same law. For example, the Commission found sex discrimination in another company that gave half-hour lunch periods to its women employees but only 20 minutes to men.

Nevertheless, Title Seven does not apply to hardship situations that are not based on discrimination between the sexes. Take this case:

A saleswoman accused her department manager of violating Title Seven by deliberately making her life miserable. She said he made fun of her, gave her hard assignments, and bawled her out viciously.

It turned out, however, that her fellow men in the same department had the same tale of woe. Since male and female employees were being treated with equal harshness, the Commission decided to turn down the woman's complaint.

The Commission said she had not proven a violation of Title Seven, but merely that the department manager was a very nasty fellow.

**It Started
In 1912 ...**

Girl Scouting had its origin in England soon after Lord Baden-Powell founded Boy Scouting in 1908, but did not start in America until 1912, in Savannah, Ga. Mrs. Juliette Low, an American widow of an Englishman, was inspired by the boom of the Boy Scout movement and was a good friend of Lord and Mrs. Baden-Powell. She determined that not only boys, but girls as well should have this training, and got to work immediately upon her return to America. From her first troop of 12 girls, Girl Scouting has grown to a world-wide Movement which boasts 3 1/2 million members in the U. S. alone!

NEW HOME NEWS

BY MRS. W.W. DAVIES

Mrs. Christene Myers of Odessa has been here with her son, Edward Myers and family, having dental work done in Plainview. She accompanied Edward, his wife and daughter to Abilene Sunday where they attended the Abilene Christian College Lectureship Monday, Tuesday and Wednesday.

The New Home Future Homemakers are sponsoring a style show March 5th, 1971 at 7:30 p.m. in the New Home cafeteria. Fashions will be furnished by Lathams of Lubbock. Everyone is invited. Charges are 50c for students and 75c for adults.

Mr. and Mrs. Floyd Henson of Norman, Oklahoma were here Thursday until Sunday with their daughter, Mrs. Edward Myers and family.

Andy Pistone of Snyder visited with us here Saturday afternoon. He is a teacher in the Sweetwater school.

Alan Buchenek, full time evangelist from Longview is preaching at the revival meeting at Lakeview this week. Morning services are at 11:00 a.m. and evening services at 7:30 p.m. Several from our community plan to go to Lubbock, First Baptist Church, this Thursday, Mar. 4th, 7 p.m. to hear Richard Hogue, the young preacher who saw 4,000 college age young people converted during his great crusade in Houston. This is an associational youth rally. Plan now to go. His musical group will be with him and it is reported that these converted hard rock singers and musicians are great.

Miss Nancy Unfred of Dallas was here Thursday until Sunday with her parents, Mr. and Mrs. Joe D. Unfred. She came for the wedding Saturday night in the New Home Baptist Church. She was organ-

ist. Mrs. Dwayne Smith of Slaton spent the week-end here with her parents, Mr. and Mrs. Will Harris, while her husband was away on a business trip.

Miss Shelia Tankersley of Tahoka was visiting here Sunday and attended the New Home Baptist Church Sunday a.m.

Mr. and Mrs. Douglas Davis spent the week-end with relatives in Altus, Oklahoma.

Mr. and Mrs. Bryan Brown of San Diego, California were here 10 days with his brother, Claude Brown and family. The two couples attended the lectureships at Abilene Christian College and visited relatives in Fort Worth.

Rev. and Mrs. Waylon Brunton visited in Snyder Thursday with his grandmother, Mrs. Effie Keller, who is seriously ill in the Cogdell Memorial Hospital.

Mr. and Mrs. Clarence Kopecky returned home Thursday after 9 days visiting in El Campo with his mother, Mrs. J. J. Kopecky, and with his uncle, Mr. and Mrs. Claude Lancaster at Lometa, Tex.

Don Johnson the girls basketball coach, was in Austin last week-end for the state girls basketball tournament. Claude, where Mr. Johnson coached last year, won the state title, winning over Glen Rose 46 to 33.

New Home captured the LCHS track meet in Lubbock Saturday, winning both relays, the sprint in 3:53.4 and the mile in 3:39.7. Rickie Maloney won the long jump with 19-0. Jimmie Fillingim won the pole vault with a 10-6 leap. New Home's George Gonzalez, Sr. in LCHS won the mile run.

The Jr. High boys also won the meet, but we had no report

on this.

Mr. and Mrs. L. H. Moore, Jr. drove to San Marcos Thursday to return their grandson, Shane, to his parents, Mr. and Mrs. John Schweda. He had been with them two weeks.

Mrs. Jack Clements, Jackie and Kathy accompanied by three friends, Debbie Gilliam, Mandy Foraker and Carolyn Odom, all from Mangum, Okla spent the week-end here with Jack and Shirley. Since it was Kathy's 16th birthday, they went to Lubbock for dinner and a show. Mrs. Clements and the young folks returned to Mangum Sunday afternoon.

The snow last week left some moisture and this Tuesday morning. A beautiful snow is falling. We are hoping for a big, big one.

Whitley Infant's Services Held

Services for Richard Thomas Whitley Jr., infant son of Mr. and Mrs. Richard Thomas Whitley Sr. of Plainview were held Wednesday at 9:30 a.m. in the Church of God, 12th and Oak Street in Plainview. Burial was in the Plainview cemetery directed by White Funeral Home of Tahoka.

The infant died Saturday in Lubbock's Methodist Hospital about an hour and a half after birth.

Other survivors include a sister, Debbie of the home; his grandparents, Mr. and Mrs. Jack Waltman of Longwood, Fla. and Mr. and Mrs. Orville Waltman of Kokomo, Ind.

PENELOPE'S Tidbits

Well gang, its me again. Betcha thought I was past history didn't you?

Hey, ask Terry Laws how a person goes about enrolling in Grassland State University. I hear it's a swinging place.

Well basketball season is over and the boys are now jaunting "happily" onto the track field. The first meet of the season was last Saturday at Fort Stockton. Gene "Gobey" Walker finished 1st in high jumps and 2nd in the intermediates. Joe Hoskins won a 3rd place ribbon by jumping 20 ft. in the broad jump.

Coach Cecil Robinson and Mrs. George Wells sponsored a group of basketball girls on a trip to see the girls state tournaments at Austin last week-end. The girls making the trip were Cathy Wells, Cindy Cunningham, Dale Rogers, and Karen Craig. Expect great things from this team next year folks. They're gonna be hard to beat.

Who is Cornelia. Only days till graduation. See you next week. Promise, Penelope

Attention Seniors: Term papers are due March 15th. Catch a Freshman before it's too late.

We will definitely have a Donkey Ballgame. We promise.

The Tahoka Booster Club sponsored a volleyball tournament in the High School gym last week. There was a team named, simply, SENIORS which consisted of one ex, two juniors, and three seniors. They tried, honest.

It has been brought to my attention that Twirp Week was popular even way back when the over 30 group were kids. Sorry grown-ups, my error.

Only days till graduation. See you next week. Promise, Penelope

Bill Griffin, County Agent, Says.....

Planting season is just around the corner and despite the unfavorable soil moisture situation, the best seed available should be obtained for the crops to be planted.

Crops yields are greatly influenced by the kind and quality of the planting seed used. Varieties are important and many have been developed for specific areas and for resistance to disease.

Study variety reports and demonstration results in the area and then select the one best suited to your needs. Since it is not always easy to find the quality and purity needed in planting seed, sources should be checked and orders placed now for the seed needed.

Along with good seed, adequate lime, fertilizer, weed and insect control are 'musts' for successful farming.

Few farmers in Lynn County have overused fertilizer; but many are using too little for maximum crop production. Of course, we've got to get rain to germinate the seed and to give the fertilizer a chance to do its job.

Mr. and Mrs. Elgin Harper attended funeral services for Mrs. J. A. Kirkham in Cross Plains, last Tuesday.

Easter Seal Letters Are Being Delivered In County This Week

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

Jim Elrod's Sister Dies

Funeral services for Mrs. J. A. (Iva) Kirkham, 55, of Cross Plains were held at 3 p.m. Tuesday at the First Baptist Church in Cross Plains with Rev. Emmett Brooks, pastor, officiating, assisted by the Rev. V. D. Walters, pastor of the Elmwood Baptist Church in Abilene. Burial was in Cross Plains Cemetery.

Mrs. Kirkham died at 9:15 p.m. Sunday in Cox Memorial Hospital in Abilene after a long illness.

Survivors are her husband; a daughter, Mrs. Bonnie Davis, of Elmdale; four sons, Rick of the home, Cliff of Cross Plains, Bob of Hobbs, N.M. and Bill of Lubbock; a brother, Jim Elrod of Tahoka; six grandchildren.

Construction To Begin In County

A contract for highway construction in the Lubbock district have been awarded by the Texas Highway Commission.

The work will be under the supervision of District Engineer O. L. Crain, and will be in Lynn County.

Kerr Construction Company was awarded a contract for grading, structures, base and surfacing on 12.1 miles of FM 2053 and 179 in Lynn County. Low bid was \$188,357.63.

The project extends from the Dawson County line to U. S. Highway 87 at O'Donnell and from 0.9 mile west of FM 2053 to FM 2053. H.M. Ables of Lamesa is the Highway Department engineer in charge of the project which will take an estimated 140 working days.

THE FAMILY LAWYER

Tree in Dispute

Watson had a special affection for the old shade tree growing on the boundary line of his property. But Jenks, the man next door, considered it an eyesore. One day Jenks announced he was going to cut away half of the tree, trunk and all.

Watson hastened into court for a stop order. But at the hearing, Jenks stood firm.

"I own everything up to the boundary line," he said, "including half of the tree. If his half cannot survive on its own, that is his problem—not mine."

Nevertheless, the court ordered Jenks to leave the tree alone. The judge said the tree was owned not in two separate halves but jointly, with neither owner entitled to destroy the property rights of the other.

This is the law's usual attitude toward natural growth that happens to be located on a boundary line. Based on simple practicality, the rule generally applies not only to trees but to hedges as well.

Still, the rule may bend with circumstances. Take this situation:

A boundary line hedge between two homes began to get top-heavy. One of the home owners rented an electric shear and cut the hedge down low. His neighbor promptly filed suit for damages, accusing him of cutting away part of their jointly-owned property without permission.

But the court, unable to discern any damage, turned down the neighbor's claim. The court pointed out that the hedge, trimmed down, was actually in better condition than it had been before.

Occasionally even a total destruction by one of the co-owners may be justified. In another case, the roots of an old poplar had split the foundation of one of the adjacent houses. Overhead, the branches had grown dangerously brittle. Lopping off the roots and branches, according to a tree expert, could well cause the whole tree to topple over.

This time, a court ruled that the tree could be destroyed altogether. The court said the victim of a nuisance has the right to abate it—and this tree could fairly be classified as a nuisance.

79.9% People Live In Cities

The population movement to metropolitan and urban areas in Texas is continuing according to Dr. W. Kennedy Ugham, sociologist at Texas A&M University.

Final census figures show that 79.9 percent of the people in the state in 1970 lived in cities. Texas now ranks 11th among the states in its metropolitan population, with California heading the list at 90.5 percent.

The Lynn County, 32.5 percent of the people live in urban places.

Texas is now the nation's fourth most populous state with some 11,196,730 residents. Only California, New York and Pennsylvania rank higher. Texas ranked sixth in 1960.

Today, 73 percent of the state's population lives in the 23 Standard Metropolitan Statistical Areas, areas of population over 50,000 designated by the federal government. This number will increase if additional counties are added to the list after analysis of the detailed census results. In 1960, only 65.4 percent of Texas' people lived in counties thus designated as "metropolitan."

He pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1970, the Texas Easter Seal Society provided treatment and services for over 21,000 children and adults who were in need of rehabilitation. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Small added.

The Easter Seal Campaign will run through Easter Sunday, April 11.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR 21) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVII, Section 1, of the Texas Constitution, be amended to read as follows:

"Section 1. The Legislature by a vote of two-thirds of all the members elected to each House, to be entered by yeas and nays on the journals, may propose amendments to the Constitution, to be voted upon by the qualified electors for members of the Legislature, which proposed amendments shall be duly published once a week for four weeks, commencing at least three months before an election, the time of which shall be specified by the Legislature, in one weekly newspaper of each county, in which such a newspaper may be published; and it shall be the duty of the several returning officers of said election, to open a poll for, and make returns to the Secretary of State,

of the number of legal votes cast at said election for and against said amendments; and if more than one be proposed, the number of votes cast for and against each of them; and if it shall appear from said return, that a majority of the votes cast, have been cast in favor of any amendment, the said amendment so receiving a majority of the votes cast, shall become a part of this Constitution, and proclamation shall be made by the Governor thereof."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition; and the constitutional amendment providing that the Legislature may propose an amendment of the Constitution at any session of the Legislature."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (SJR 15) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the other Judges serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.

"(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

"(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, Legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.

"(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.

"(8) Each rule of ethics or change thereof made by the commission shall take effect on the 15th day of the legislative session following the proclamation unless disapproved before that day by resolution of either House of the Legislature.

"(9) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission shall not take effect until approved by resolution of both Houses of the Legislature.

"(10) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

"(11) Otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county sent now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

"(12) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improverments and economy in the legislative process."

Softball League Met Monday

The Tahoka Softball League met Monday night and elected the remaining officers. They were Charlie M. Holland, vice president and reporter; and Curtis Harvick, secretary-treasurer.

League rules were discussed with some modified, some changed and a few new rules. For those that missed and are wondering about the rules changed come to the next meeting and find how the rules read. Take pride in your league.

New Hybrids Aid Texas Farmers In Fighting Sorghum Diseases

For the Texas farmer whose livelihood depends on sorghum production, the ability to recognize sorghum diseases may determine his profit potential.

The Texas Agricultural Experiment Station at College Station has conducted extensive disease surveys on the problem for several years. They have found downy mildew present in 63 Texas gulf coast counties.

Economic losses to farmers in only ten coastal counties were estimated by Texas A & M officials at 2.5 million dollars in one year.

Progress to combat sorghum diseases is being made, however. Researchers at Northrup, King and Co., one of the nation's leading grain seed producers, recommends farmers take the following steps to minimize damage and loss:

1. Rotate non-related crops regularly.
2. Destroy sorghum stubble as soon after harvest as possible. This reduces organism buildup.
3. Plant resistant sorghum varieties.

The company's researchers report the development of two new downy mildew resistant sorghum hybrids which are now available to farmers. These hybrids, they say, are the best and most practical means to avoid sorghum disease infection.

Both new hybrid varieties resist downy mildew, head smut and other foliar diseases. The hybrids are: NK 233, an early maturing sorghum and NK 266, a medium maturing sorghum.

Many Texas sorghum farmers have suffered poor yields because of downy mildew and other diseases. The new hybrids are expected to go a long way towards solving these problems and boosting sagging farm profits.

Fields severely infected with downy mildew (right) show an extremely ragged appearance. Yields can be reduced 60 to 70% under severe infection.
