NUMBER 24

The Country Editor says: "Once upon a time there was a teacher who didn't want an increase in pay; a carpenter who didn't ask for union wages; a man who healed the sick and afflicted whether they had insurance or medicare or whether they didn't; who traveled the country feeding the people, ... and they crucified him."

Most crops in the county are up now and it looks as if we could have a bumper crop. Talking to most farmers we find that only a few spots in the county don't have their crops up. TBW

The Haberdasher, new men's store in Tahoka opened their doors last Monday with a good selection of man's clothing. The business firm was badly needed in Tahoka and we are very proud of it as all citizens of Tahoka should be. Go by and shop with the Haber. dasher. The Haberdasher is owned by two of the nicest "Good Guys" that ever lived in Tahoka, Jack and Jackie Jaquess. Good Luck Fel-

The Tahoka Youth Center in conjunction with the Tahoka Chamber of Commerce and City of Tahoka will have a Clean-Up and Beautify Week, June 19 through 26. We would like to urge each of our citizens to join them in this project. Last year the Chamber of Commerce held a cleanup and beautify week and received very little help from Tahoka citizens. You should be proud of Tahoka, it is your

We have a few of the little eague team pictures but need to set a date to take the rest. We like to ask the managers to call us and give us a time to take this photos.

Clean-Up Week Has Been Designated June 19-26

Tahoka's Youth Center, "The Shadow," with the cooperation of the Chamber of Commerce and the City of Tahoka will have a Clean - up and Beautify Week, June 19th thru 26th

All of the youth are asked to meet at the Youth Center Saturday moring at 10 a.m. A trailer will be parked on the east side of the building to hold litter and trash. The youth have been collecting aluminum cans and old newspapers this summer and will pick them up if people will call 998-4437.

Businessmen are asked to clean up trash and litter around stores. Owners will be contacted by members of

ing behind stores and any other jobs necessary to help beautify the town. The youth will also be around the residential section Tuesday to paint house numbers on street curbs. The charge will be \$1.00 for this service. Property owners are asked to clean around homes, alleys, and vacant lots.

The City has already comshredder to be used and people can call City Hall for this hoka. service. The City has already commenced with their summer insect spraying program. They need the cooperation of everyone, in not leav-

the Youth Center about clean- ing garbage exposed to attract flies and mosquitoes. They also have a street sweeper in operation.

> The Youth Center is in the process of putting some new litter barrels in town and people are urged to use them. It is hoped that something

can be done in the near future about removing junk from private property especially where it is visible to people entering and leaving Ta-

Let's everyone get busy and do our part, in helping the youth make Tahoka a cleaner and more beautiful place to

a bit of reminiscing and tell some of the humorous happenings of the past.

Clint Walker will serve as master of ceremonies during

Accident Picture Rotary Program

"Before the Emergency" was the title of a shocking color movie presented as the Rotary Club program last Thursday by Bob Koonce of the Texas Department of Health,

The picture emphasized the importance of upgrading emergency service in Texas towns to properly handle people injured in car accidents, as well as other major catastrophies.

This particular picture was of a simulated school bus wreck in which a number of children were injured and pointed out importance of having trained personnel in the town's police and fire departments, ambulance and hospital services.

Horace Rogers arranged the program and introduced the speaker.

The club was informed by President V. F. Jones that Bill Sewell of Slaton, formerly with the First National Bank of Tahoka and later vice president of a Midland bank, is the nominee for Rotary District Governor for this 573rd District of Rotary Internation-

Stansell Clement, Lamesa Attorney well known here, is being proposed by Lamesa Rotary Club as District Gover-

nor two years from now, in **Board Approves**

Education accepted the resign. ation of five teachers and approved the employment of four others at its regular meeting Thursday evening, June 10.

Those resigning positions in the Tahoka School System are Eddie Heath, who will become head of the Chemistry Department at Altus, Oklahoma, High School; Mrs. Sharon Hansen. Girls' Physical Education

Teachers for the past year: and Miss Donna Terrell and Mrs. Gail Turnbough who taught in the high school and junior high school respective. ly. Also resigning is Mrs. Billie White who has guided the Distributive Education Program through its first year of operation.

ployment of Mrs. Joy Daniel for Girls' Physical Education, Miss Barbara Kitchens, High School Business Education, and Miss Martha Martin and Mrs. Shirley Bates for elementary school assignments. Mrs. Daniel holds a B.S.De-

The Board approved the em-

gree from McMurry College, where she majored in Physical Education and Speech. She has eight years teaching experience. She is the wife of Rev. Hugh Daniel who is pastor of the First United Methodist Church in Tahoka.

Miss Kitchens is a graduate of Texas Tech, where she majored in Business Education. Miss Martin is also a graduate of Texas Tech, where she was an Elementary Education major. Mrs. Bates is a graduate of Tarleton State College. She majored in Elementary Education, and she has taught the past year in the Paducah School System.

In other business, the Board approved the First National Bank's depository pledge of \$240,000 for the next biennium beginning September 1, 1971, and extending through August 31, 1973. Statutes provide that the depository bank for school district funds pledge certain types of securities in an amount equal to the estimated highest daily balance of funds for the current biennuim.

Various reports concerning the operation of the schools were presented and June 15, was selected as a date for a budget work session.

Board members attending the meeting were Joe Brooks, President; Ruben McElroy, Vice President; James Brookshire, Secretary; Dan Curry, Othell Meeks, Maurice Huffaker, and Kenneth Turner. Also attending were Mrs. Peggy Elliott, Director of Business Affairs, and Superintendent Harold Reynolds.

Pioneer Picture! Needed By New:

The Lynn County News would appreciate the loan of a number of pioneer Lynn county pictures for use in next week's edition of the newspaper.

Such pictures will not be harmed, and may be picked up on Thursday after the paper comes out.

Six Accidents In Lynn County

The Texas Highway Patrol investigated six accidents on rural highways in Lynn County diring the month of May, according to Sergeant H. E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and eight persons injured.

TIGERS GINNERS

PACESETTERS TATUM BROS.

Thursday, June 10, the Red hot mean Green Ginners shut out the Pacesetters 9-0. Morshut out this season with a little help of his teamates. They turned in the second triple play of the leagues' history. Morris Bingham was pitching when the first triple play was

performed. But Mike Caldwell pitched a fine game and yet took the loss. The Ginners are yet to be beat.

The Enco-UHaul Tigers stayed close by passing the Tatum Brothers team 13-3. Leonard Dunn was the winning pitcher with Alton James taking the

loss. Jim Brown pitched in relief of James in the last few innings of the ball game. Charlie Holland hit his fifth home run of the season.

On Saturday night the Tahoka Softball League All-Stars played the Lamesa All . Stars a double hitter. Tahoka won the first game7-6 with Leonard Dunn the winning pitcher. In the second game Lamesa won 3-2 with Morris Bingham the

The All-Stars will play in Lamesa this week end in a tournament. If you wish to see some very good ball playing come to this tournment.

The All-Stars are picked from the four teams in the league. They are considered to be the best in the league by their fellow players. The players are: John Armes, James Bing, ham, Roy Smith, Mike Hul. faker, Leonard Dunn, Don Coats, Charlie Brown, Mike Davis, Dennis Fenton, Charlie Holland, Rick Edwards, Mor. ris Bingham, Greg Thomas, Cecil Robinson, Doyle Schnie. der, Joe Brooks, and Milton Miller. Bill Chancy is our manager and he is chosen by popular vote as the man most able to be the manager of the All-Stars.

Monday night the hard charg. ing Tigers took on the front running Ginners to try to gain ground on them. Leonard Dunn took the mound for the Tigers and Morris Bingham for the Ginners. But by the time the dust from the west gothere the score was 13-3 Ginners, Morris Bingham the winner. Leonard Dunnthe loser. Char. lie Holland hit his sixth homer of the year.

Gov. Preston Smith has signed into law a new voter registration act and filing fee

Earlier the Texas Legis. lature enacted a resolution ratifying the federal constitutional amendment extending full voting rights to 18 - year olds. Federal amendment may not be finally cleared in time for the 1972 elections, but young voters can participate in presidential and congres. sional voting and the national mominating convention series. New voter registration provides for year-around signup (with temporary cutoff 30 days before any election) and automatic renewal for three years by voting in any primary or general election. First registration under the new system will begin October 1. March 1, 1972, is the earliest voting date for new reristrants. Voters will continue using present registraion certificates for elections

through next February. A federal court invalidated the old Texas annual registration requirement, w h i c h was unique in the nation. Texas' new automatic registration law would be repealed if appelate courts reinstate annual

Under a bill passed by the 62nd Legislature, in response to another federal ruling that present filing fees are excessive, candidates would pay a maximum of four per cent of the term of office salaries to get on the ballot.

Bill also permits "filing

by affidavit" stating that the candidate cannot pay the prescribed fee, or by a "petition" signed by 10 per cent of the voters in the last general election within the area (state, county, precinct) served by the office sought. If the Supreme Court invalidates this act, a special legislative session may be necessary to provide a method of paying primary election costs in 1972. IMMUNIZATION REQUIRED. Texas students must begin an immunization program by Jan. 1, 1972, under legislation just signed into law, says the Tex-

as Department of Health. Students will be allowed to enter schools during the summer and fall terms with provision that their immuniza. tions against at least one of six diseases will be started by Jan. 1 and completed as soon as medically possible.

Required immunization for grade school level youngsters included diptheria, tetanus, poliomyelitis, measles, rubella and small pox. Measles immunization is not required if there is a history of measles illness.

Exceptions may be granted on religious grounds or to those who may be harmed by

immunization (on written certification by a physician). However, exemptions would not be permitted in a time of emergency or epidemic, the Health Department adds.

AUTO RATE HEARINGS SET .. Hearings are set for 9 a.m. June 30 here to consider new auto rates to replace the controversial schedule put into effect January 1.

State Board of Insurance is expected to hear usual crossrecommendations to raise and lower rates. Hearing will be conducted in the State Highway Department auditorium on casualty and physical damage rates, rating plans and rules.

All those who wish to have subject matter placed on the agenda were advised by the Board to contact its automobile office here by June 23 and provide written state. ments in quadruplicate.

Rate revisions will be effective on and after September 1 under present indications. After hearings last year the

Board increased rates an aver age of 14 per cent, statewide. This raised an angry reaction from many insurance purchasers. Insurance companies, which urged a 27.7 per cent increase, were equally unhap-

COURTS SPEAK .- Third Court of Civil Appeals has ruled that the Ector County Commissioners Court had no authority to spend county funds to purchase a 280-acre tract as the site for the University of Texas of Permian Basin, Odessa. Court decision said the rest of the campus tract, 308 acres, was properly acquired for the new state university as a gift.

State Supreme Court upheld the "spoke" annexation of a narrow strip of territory by the City of San Antonio and noted that the new law banning such annexation does not apply to past city actions.

High Court refused to place on the June 29 charter election ballot in Pharr a committee.proposed recall amend-

On July 7 arguments will be heard by the Supreme Court as to whether a minister can be held in contempt of court for refusing to move his church.

Reversing a district court ruling the Third Court of Civil Appeals said that an Austin area teacher whose contract was not renewed deser- Democratic Executive Com-

mittee hudget of \$81,000. U. S. Supreme Court vacated a three-judge federal court finding in San Antonio that the Texas safety responsibility

P. F. Brookshire Services Set

Price Ford Brookshire, 54, of Post died Tuesday afternoon in Lynn County Hospital in Tahoka.

Services will be held in the Tahoka First United Methodist Church Thursday June 17, at 2 p.m. with the Rev. Jim Turner, pastor of the First Baptist Church and the Rev. C. E. Yeats, of Grassland. Burial will be in the Grass. land Cemetery directed by White Funeral Home of Taho-

Brookshire was a native of Shelby County. His family came to Lynn County from Center in 1925.

He attended school at Grass. land and graduated from Tyler College. He was a member of the United Methodist Church a 32nd degree mason, er, and was in the 15th Air Force in World War II, stationed in Italy. He flew 55 missions and received a number of decorations including an Air medal with 3 oak leaf

Survivors include his father, William Brookshire of Post, and six brothers, Preston Brookshire and Benny Brookshire, both of Post, Dan Brook shire of Brownfield, Melvin Brookshire of Conroe and James Brookshire and Charles Brookshire, both of Ta-

David Sprayberry Attends IH Show

David Sprayberry of D. & J. Implement, International farm equipment dealer in Tahoka has just returned from Rock Island, Ill., where he attended a two . day showing of International Harvester Company's new 66 Series tractor line, plus two new low profile compact utility trac-

The first of the two - day sessions was devoted to the introduction of six new models of farm tractors in the 79 to 133 hp range plus two utility tractors in the 40 and 52 hp class in an arena show and later in field demonstrations, while the second day was reserved for a tour of the company's Farmall Works, where the new 66 Series line is being manufactured. Dealers from 17 district office territories attended the two - day

The six new tractors comprising International Har-66 Series line have the strength to match their powerful looks, Sprayberry said. With the new engines and all . new styling they offer easy driving; new comfort and safety features; improved hydraulics; and high accuracy draft control sys-

Sprayberry said, farmers can choose from turbo, non - turbo, gear drive or hydrostatic drive in the new International 966, 1066 and 1466 models, powered with new long life diesel engines that offer greater power and producti-

vity with less noise and smoke: Two big new Hydro tractor models, the 966 and 1066, Sprayberry added, offer onelever, no clutch, Hydrostatic drive, with infinite speeds and change . on . the . go at full horsepower.

The two compact tractors are the newest utility tractors in 20 years, Sprayberry pointed out.

Biggest producer of the New

Red diesels is the 133 PTO HP (mfr. est. max.) International 1466 Turbo tractor, with an all . new 436 cu. in. 6cylinder, direct injection turbo diesel engine. Equipped with hydrostatic power steering, the 1466 has an easy shift 8-4 speed transmission (16-8 with optional Torque Amplifier): hydraulically adjusted seat; power disc brakes; and dial gauges instead of warning lights to keep the operator informed on tractor function, Sprayberry stated. All dials and shift levers are illuminated by indirect light. The engine cannto be started unless the clutch is depressed he added.

The International 966 and 1066 Turbo tractors are two big gear drive producres with new diesel engines and outstanding torque characteristics, Sprayberry said. Eight forward and four reverse speeds are standard. Optional Torque Qmplifier offers 16-8 and power shift on - the - go. The 95 PTO hp (mfr.est. max.) 966 gear drive tractor has a 414 cu. in., 6 - cylinder, multirange diesel engine. The 1066 has a 115 PTO hp (mfr. est. max.) rating.

For maximum productivity, ih offers the International 966 and 1066 Hydro models that provided infinite speeds with no clutch, one-lever shift-onthe-go -- all at full power, Sprayberry said. The 90.5 provide infinite speeds with no clutch, one - lever shift - on the . go .. all at full power. Sprayberry said. The 90.5 pto hp (mfr. est. max.) International 966 Hydrostatic drive tractor has a 6 - cylinder 414 cu. in. diesel engine and offers infinitely variable speeds from 8 mph in reverse to 17 mph forward and everything in between

"The big difference in Hydrostatic drive," Sprayberry explained, "is that only Hydro provides infinite speeds and no . clutch shift . on . the . go at full power to drawbar, PTO and hydraulics. With Hydro, farmers can run at optimum speed and operate PTO machines at capacity, slow up in heavy yields and speed up in lighter yields,"

Designed for more profitable farming, both the 40 PTO hp International 454 and the 52 hp International 574 (mfr. est. max.) tractors have identical features aside from their respective hp ratings. The 574 model also is available as a row - crop tractor.

"Offering new styling, operating ease and comfort, plus dependability, both oft hese new low profile models have the desired user features wanted in a low, compact, utility tractor," Sprayberry said.

Included among the features of the 454 and 574 are: New gasoline or diesel engines; synchromesh transmis. sion with "lightning flash" shift pattern and a handy for-

ward . reverse for shuttle work new planetary final drive; draft control 3 - point hitch with infinite rate response control; easy - connecting, power-actuated IPTO with twin 540 and 1000 rpm shafts; big - capacity live independent hydraulics; alternator; optional differential lock; 8.9, 9 and 9.8-foot turning radius; hydrostatic power steering, dynamic parking brake; safety starting; flashing rear lights; and optional safety frame.

Sprayberry stated that the various tractor models will soon be available at his place of business for showing to farmers in his area.

Clint Sikes was released from the Methodist Hospital, Tues-

RCA AND WHIRLPOOL SALES AND SERVICE WE SERVICE ALL MAKES AND MODELS

John Hegi of Lamesa, has been selected for inclusion in the 1971 edition of "Out-standing Young Men of America," it was announced last Thursday by the Lamesa Chamber of

by a special chamber committee, Hegi was chosen for the publication on the basis of community achievement.

Now in its eighth year"Outstanding Young Men of Ameiica" is an annual awards volu m e sponsored by leading men's civic and service organizations. Purpose of the pub-

lication is to recognize and honor young men across the nation who are working toward excellence in their careers and community service.

Hegi, currently serving as vice-president of the Lamesa National Bank, graduated from Tahoka High School in 1959 and earned his BBA degree in finance from Baylor University in 1963. He has also attended the American Institute of Banking with courses in basic and standard certificates.

The "Outstanding Young American" is also serving as foreman of the Round-up Club of the Chamber of Commerce on the Board of Directors of the Chamber of Commerce, is an adult leader for Methodist Youth and a member of the First United Methodist Board of Stewards, a director of the Noon Lions Club, treasurer and past division leader of the United Fund, secretary-treasurer of the Industrial Foundation, member of the district committee of Boy Scouts, and serves on various committees for the Junior Livestock show.

While attending Baylor University, Hegi was a member of the Baylor Student Congress during his junior and senior years, vice-president of Alpha Phi Omega, on the Baylor

country get well.

Yes, I may be sick, but

ours is a "sick" society: That our county is sick: Our govern ment is sick: that we are sick. Well, maybe they're right. I submit that I'm sick. . .and maybe you are, too. I am sick of having policemen ridiculed and called "pigs" while cop killers are hailed as some kind of folk hero.

I am sick of being told that religion is the opiate of the people, but marijuana should be legalized.

I am sick of commentators and columnists canonizing anarchists, revolutionaries and criminal rapists, but condemning law enforcement when such criminals are brought to justice.

I am sick of being told that pornography is the right of a free press, but freedom of the press does not include being able to read the Bible on school grounds.

I am sick of paying more and more taxes to build schools while I see some faculty members encouraging students either to tear them down or burn them.

I am sick of Supreme Court decisions which turn criminals loose on society -- while other decisions try to take away my means of protecting my home and family.

I am sick of pot smoking entertainers deluging me with their condemnation of my moral standards on late - night television. I am sick of being told that

policemen are mad dogs who should not have guns - but that crimianls who use guns to rob, maim and murder should be understood and helped back to society.

I am sick of being told it is wrong to use napalm to end a war overseas . but if it's a molotov cocktail or a bomb at home. I must understand the provocations.

I am sick of not being able to take family to a movie unless I want to have them exposed to nudity, homosexuality and the glorification of narcotics.

I am sick of riots, marches, protests, demonstrations, con frontations, and the other mob temper tantrums of people intellectually encapable of working within the system.

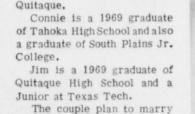

I am sick of hearing the same phrases, the same slick slogans, the cries of people who must chant the same thing like zombies because they haven't the capacity for verbalizing thought.

I am sick of those who say I owe them this or that because of the sins of my forefathers - when I have looked down both ends of a gun barrel to defend their rights, their liberties and their families. I am sick of cynical attitudes toward patriotism. I am sick of politicians with no back-

I am sick of permissiveness.

I am sick of the dirty, the foul - mouthed, the unwashed. I am sick of the decline of personal honesty, personal integrity and human sincerity.

Most of all, though, I am sick of being told I'm sick. I'm sick of being told my country is sick - when we have the greatest nation that man has ever brought forth on the

000

Lightening struck the residence of A. B. Ellis, in east Tahoka, Saturday evening about 7:30 o'clock. No serious damage was done; the bolt seemingly struck the roof first raising a few shingles and blackening the tin ridge roll, it went down the wall and passed through into the kitchen and struck one end of the kitchen cabinet ripping off a piece of moulding, the bolt broke a jug of vinegar sitting on the end of the cabinet and cut the tip off of a paper sack of beans that was sitting on the floor at the end of the cabinet; it is supposed that the bolt went through the floor although it made no hole. Miss Celeste Ellis was in the act of reaching into the cabinet when the bolt struck and considerably

000 Monday night of this week the Masons installed seven of the nine officers elected at their last meeting.

shocked.

The new officers elected were as follows: J. W. Elliott, W.M., W. B. Slaton, S.W., D. T. Rogers, J. W., J. H.

Edwards, Treas., T.G. Marks Sec., C. A. Thomas, S.D., F. E. Redwine, S.S., W. J. Mont. gomery, J.S., J. O. King, Tiler. The Junior Deacon has not yet been named.

The Masons have about the liveliest lodge in Tahoka at this time, they are seadily growing and have what no other lodge in Tahoka has - a good attendance at their meetings. 000

T. F. Doak, who lives in the West Point community, says it is very dry at his place, but he wanted to read about the fine rains in the other parts of the county so he takes the News for a year. While it is dry, his crops are holding up fine and he will make it all right yet if the rain doesn't hold of to long.

Mrs. J. E. Stokes gave a surprise party in honor of her nephew, Mr. Holt Stokes of G a i l, Firday afternoon from 3:00 to 6:00 o'clock, the occasion being his eighteenth birthday.

A "42" party at the home of Mr. and Mrs. W. B. Slaton, in North Tahoka, Wednesday evening was the occasion of a very enjoyable gathering of the younger set.

A few of the younger set spent a very pleasant evening at the home of Mrs. R. J. Roberts, in North Tahoka,

Bobby Lee Taking Course

Bobby Lee agriculture instructor at Wilson High School in Wilson is participating in a special short course at Texas Tech Universtiy.

The short course is designed to equip high school vocational agricultural teachers with methods and materials for conducting pre - employment laboratories in the field of meats processing. Two other similare short courses are also being conducted at Tech -- one in feedlot management and another in agricultural chemicals.

The short courses are bing conducted under a cooperative program with the Texas Education Agency and are scheduled to conclude on June 25.

Teaching the course in meats processing is Dr. Keith Lind. professor of meat industries.

Texas Tech is a multi-purpose university with eight academic divisions -- the colleges of Arts and Sciences, Engineering, Business Administration, Home Economics, Agricultural Sciences and Education, the School of Law and the Graduate School. Tech has a student body of more than

GAS LIGHT, #300 BLACK **#325 WHITE** Cash price \$60.41 *Budget price \$73.08 Budget terms \$2.03 per mo. for 36 mos

Prices include normal post-type installation (up to 50 feet of line) and 4.25% sales tax. *Budget terms are available at 12.75% annual interest on declining balance.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor. Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

SAVE \$28.50 BY BUYING A PATIO PAIR Gas Light #300 or #325 AND .

Master Chef (AMK) \$120.88 \$146.16 \$4.06/36 mos. Party Host (HEJ) \$138.60 \$167.76 \$4.66/36 mos. Chef's Choice (CC-1) \$173.00 \$209.16 \$5.81/36 mos. JOHNNY VALENTINE EDITOR-PUBLISHER

Farmers of 25 High Plains counties in 1971 brought in a net 187,973 acres of cotton allotments under the liberalized sale, lease and transfer provisions of the current cotton program. The 25 counties are those represented by Plains Cotton Growers, Inc., which sponsored more permissive rules governing cotton acreage transfers as the Agriculture Act of 1971 went through Congress last year.

Added to the area's original allotment of 1,630,222 acres the new acreage brings the 25county total base allotment to 1,818,195. In 1970 an estimated 50,000 to 60,000 acres of allotments this year is credited to the fact that the current program does not limit the number of acres that can be acquired by an individual farmer, doesn't prohibit acquisition of acreage by non allotment holders and provides a much longer period of time in

which leases and sales can be arranged.

Only 15,304 acres of allotments were transferred to the Plains on a permanent basis by outright purchases, but these will remain here so long as there is an allotment type program. The remaining 172, 669 acres were leased by area farmers, in most instances for 1971 only. A few leases may have been made for the life of the current program, through 1973,

Farmers who leased or purchases allotments this year eligible for a production payment of 15c per pound times the "payment yield" established for the farm by the Agricultural Stabilization and Conservation Service. Leasedallotments, generally speaking, cost the lessee from 7 to 10 cents per pound, with an average price probably in the range of 81/2 to 9 cents. Purchased allotments, on which farmers will be eligible for payments through 1973, were moved in at prices ranging from about 21

A rattle snake was killed on the Post highway near Witt Butane. It was a small one. Be sure to remind your children to watch for snakes when out playing.

Mr. and Mrs. Webb Williams of El Paso have been here visiting Mr. and Mrs. Virginia Bailey and old friends here and at Wilson. She is the former Inez Weatherford, and Webb lived at Wilson a number of years before their mar-

Mrs. Farrell Murph and boys and Roberta Allen visited relatives in Oklahoma and Wichita Falls, last week end.

*Card of Thanks

We are deeply touched by each expression of love shown us during the illness and death of our loved one, Aubra M. Cade. The beautiful flower's, food brought to the homes, Sunday meal served to family and relative's, Memorial's, telephone call's, and a special thank's to the Martin White family, and every other act

of kindness. May the abundant blessing's of God be your's. The family of Aubra M. Cade

24-1tc

Our sincere appreciation to our many friends of Lynn County, for all the acts of kindness shown our family during the loss of our loved one, Maurine McClellan.

The cards, flowers, food, visits and especially your prayers made our burden so much lighter.

God Bless you Mr. and Mrs. W. J. Jorden Mr. & Mrs. Charles McCellan Mr. & Mrs. A. W. McClellan Mr. and Mrs. Doug McCellan Mr. and Mrs. Ellon Beard Mr. and Mrs. V. W. Farr Mrs. Charlene Farr

Mr. and Mrs. Thomas Jolly and family of Snyder visited his parents, Mr. and Mrs. Al Jolly and her parents, Mr. and Mrs. Dave Hubbard, last Sunday.

Visiting in the Bill Sherrod home last Sunday were Mr. and Mrs. Kenneth Kirby and family, Mrs. Perry, Mr. and Mrs. Harvey Chance, all of Lubbock, and Mr. and Mrs. Glen Worsham, Debbie and Deannie of New Deal.

Sharon Robertson of Lubbock has been visiting Barbara Sherrod.

Mrs. W. O. Thomas is moving to Lubbock.

Lt. and Mrs. Jim Wells are visiting his parents, Mr. and Mrs. George Claude Wells, and her parents, Mr. and Mrs. Maurice Huffaker and other relatives this week. Lt. Wells is to report for duty Monday in Arizona. He has been stationed in Baltimore,

Cattle Dies From **Emphysema**

COLLEGE STATION - Emphysema of the lungs has been the cause of death of a number of cattle throughout the state in the last two weeks, according to a reort from the Texas-Veterinary Medical Diagnostic Laboratory here.

"The disease is similar to the condition in humans, but the cause has nothing to do with smoke or air pollution," said Dr. W. L. Sipple, laboratory director.

He said it is thought to be caused by an allergic reaction to something the animals were eating, and he felt most of the current cases were associated with the high protein con-stituents of young Bermuda grass pastures.

Cattle have been on these pastures from two to 14 days when the first animals are affected. He said 5 to 50 per cent a herd can be stricken, and that as many as one-half of

those affefcted may die. If cases appear, Dr. Sippel suggests that the cattle be removed from the pasture immediately, without undue stress, fed hay and-or grain and watched closely for a few days. He said veterinarians are using antihistamines, atropine and other drugs, if affected cattle are found soon enough.

Dr. Sippel said cattle should be held off the pasture until it matures and then should be returned for short intervals only, at first. He said another alternative would be to feed hay prior to allowing cattle short grazing times on the pasture.
