## **New President Elected** For Cotton Growers

Ray Joe Riley, widely known in Castro County, was unanimously elected President of Lubbock-based Plains Cotton Growers, Inc. at the organization's 15th annual meeting in Lubbock September 28. He succeeds Donnell Echols of Lamesa, who was ineligible for re - election after serving two one-year terms as President. Echols automatically becomes Chairman of the Board, replacing Don Anderson of

Crosbyton. Lamb County ginner Paul Bennett of Littlefield was elected Vice - President, the post previously held for two terms by Riley. Bennett, the former Secretary-Treasurer was succeeded in that post by Don Marble of South Plains, in Floyd County.

Born at Plainview and reared on a farm between Hart and Spring Lake, Riley was graduated from Spring Lake High School as valedictorian of his class. He earned high honors in taking his B. S. in Agronomy-Crop Production degree from Texas Tech in 1956. He was National 4-H Club Field Crops winner in 1951, earned the International Harvester Field Crops Scholarship the same year, was selected Out-

> Riley is now a farmer, seed breeder and cattleman. He operates over 4,000 acres in Castro, Lamb and Fannin Counties, producing cotton lint and planting seed, sorghum, wheat, corn, alfalfa, Charolais and Hereford cattle.

The new PCG President has a long history in the organization, having been a Castro County Director since 1958 and serving as Chairman of the PCG Agrucultural Research Committee and a member of the Executive Committee. He was elected Secretary-Treasurer in 1967 and Vice-President in 1969.

Until 1969 Bennett was both farmer and ginner. He sold his farming operation in 1969 but continies as manager of the Farmers Cooperative Gin at Amherst. Marble, a Floyd County native, operates a large cotton, wheat, sorghum, soybean and cattle farm in conjunction with two brothers. Both Bennett and Marble have long been associated with PCG as Directors and committee members from their respective counties.

One of the economy-stimulating suggestions in President Nixon's new economic policy announced August 15 was a request that Congress repeal the federal excise tax on passenger cars. "Which is well and good." says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. "but the President apparently forgot people in agruculture.

fact Nixon did not mention repealing the excise tax on pickup trucks. "Hopefully this was an unfortunate oversight on the part of the Presi-

dent," he said, "and not intentional discrimination against those of us who drive pickups instead of sports cars or limousines."

In a letter to Congressmen George Mahon of Lubbock and Bob Price of Pampa, Johnson stated "Pickups are not only a vital tool in the operation of Texas farms but also the basic means of transportation for many farm families in this state. Therefore it seems a rank injustice that the federal excise tax should be repealed on Jaguars and Cadillacs while farmers and others in farmrelated businesses continue to pay the tax on pickups."

Representative Harold Runnels of Lovington, New Mexico has introduced a Pickup Truck Excise Tax Repeal Bill which would repeal excise taxes on trucks having a gross weight of 10,000 pounds or less; make floor stock refunds to pickup manufacturers, and grant purchaser refunds on all pickups bought after August 15, 1971. In effect, the bill would benefit the pickup buyer to the same extent and in the same way as Nixon's proposal would benefit the purchaser of a passenger car.

"Whether Congressman Runnels' goal can best be accomplished with this separate bill, or through an amendment to the general legislation, we would not presume to say." Johnson told Mahon and Price, "but I'm sure you will agree that the inequity needs correcting by one means or an-

#### Texaco Moves To New Location

The Texaco Co. has moved from the north-east part of town to the old Gulf Warehouse on North Main Street. Tom Cloe invites all his customers to visit Texaco's new facilities.

Chairman F. B. Hegi. Total sales for the eight-month period were \$58,674 for 45 percent of the 1971 sales goal of \$130,000.

Texans purchased \$18,190,-740 in Series E and H Bonds during August for a 20.7 per cent increase over the same month of 1970 and believed to be the highest sales during any August since World War II.

Total sales for the eight-month period of both series in Texas were \$136,917,471, over  $15^{1/2}$  million above the same period last year, a 12.9 per cent increase.

Nationally, E and H Bond sales totaled \$516 million for 33 per cent above the same period in 1970, a record for any August since 1952. Yearto-date sales amounted to \$3, 759 million - 19.4 per cent above a year earlier.

"Alaska has more potential for development than any place I have ever seen," Calloway Huffaker told Tahoka Rotar. ians last Thursday in relating the trip made to that state by he and his wife early in August.

After visiting the Randolph Rutherfords, formerly of Tahoka, in Gold Beach, Oregon, they drove to Seattle, flew from there to Anchorage, rode by railroad to Fairbanks, went by bus to Whitehorse, toSkag. way by narrow-gauge railroad. came back through the inward passage via a Greek steamboat, and proceeded back to Seattle by ferryboat.

He was greatly impressed by the farming potential of this tremendous state, but said most of the land is owned by either the Federal government or the state and is not yet opened for development.

Rev. Hugh Daniel was in charge of the program.

President Dwain Lusk presented a Youth Exchange Program being offered by Rotary International, and the club voted to participate. Under this program, for a nominal fee any child of a Rotary Club member between ages of 14 and 21 is eligible to participate and spend two weeks in a foreign country.

## Workshop Oct. 12 For TADA In Lubbock

Local Chevrolet dealer, Mrs. Frances Chestnutt, Area Director of the Texas Automobile Dealers Association announced today that the Johnson House in Lubbock will be the site of a one day study session to be held on October 12. The theme of the workshop will be "Laws, Legislation, and Legalities". Several other prominent new-dealers planto attend along with their key personnel.

"Dealers will learn first hand their responsibilities under the state's consumer automobile law in this the first of a series of statewide workshops sponsored by the Texas Automobile Dealers Association," said Mrs. Chestnutt. She said the workshops would bring together at regional

meeting, dealers throughout the state to meet with members of the Texas Motor Vehicle Commission.

The new dealer-manufacturer law was passed by the 62nd Legislature and requires the licensing of automobile dealers, manufacturers, and their representatives.

H. C. Pittman, Executive Vice President of TADA and Finley Ewing, President of TADA are directing the workshop series along with the TADA Executive Committee members who will be serving as Moderator Hosts.

Featured participants of the workshops will be TMVC's Executive Director BillCrock er and also R. W. Townsley, Director of the Motor Vehicle Division of the Texas Highway Department.

Mr. Scheele received his B. S. Degree in Secondary Ed. ucation from Texas Tech in 1971. Mrs. Scheele also attended Texas Tech and is presently working as a legal secretary in Lubbock. She plans to return to college in the spring and complete work on her degree in Home Econ. omics.

Mr. Scheele's hobbies are playing the guitar, water skiing, collecting arrowheads and other artifacts, and football as a spectator.

As his goal for this year, Mr. Scheele would like to have a part in bettering the educa. tion of the youth of today. He also feels that he should keep an open mind and be receptive to new ideas and points of view thus increasing his own knowledge and understanding. With his youth and exuberance, plus his firm determination to always maintain high standards, Mr. Scheele is certain to be a successful teacher.

NAN ADAMS Nan Adams 6th

#### Grade Teacher

Nan Beth, as she was called during her school days at Tahoka, is the daughter of Mr. and Mrs. Willis Pennington. She graduated from Tahoka High School as an honor student at the age of 16. She was a charter member of the Tahoka High School National Honor Society, and served as president of the Student Council for T.H.S. in 1947-48. She is now Mrs. Ray Adams and a very efficient sixth grade teacher in Tahoka Junior High School. She and Mr. Adams live at 2225 North 2nd Street with their son, Jim, now a junior at Texas Tech and their daughter, Jo Anna, who is a sophomore at Tahoka High School. Mr. Adams, also a home town product, is engaged in extensive farming and livestock operations in Lynn County.

Mrs. Adams received her B. S. Degree from Texas Tech and is in her 14th year of teaching, all of which have been in the Tahoka School System. Her interests other than her school work include the Phebe K. Warner Study Club where she serves as parlimentarian. She is pianist for the First Baptist Church of Tahoka. Another hobby is gardening as she keeps her own yard and may well be the best looking "yard man" in Tahoka. Mrs. Adams feels that it is

rewarding to teach in the same school, even the same classroom, that she attended. Her goals for this year are to lead her students to a greater appreciation of our language and literature. She also hopes to help her students develop a greater command of the English language.

Congratulations to Mr. and Mrs. John Detrich Mann of Lubbock on the birth of a son, weighing 8 lbs. 81/2 ozs. at 1:50 a.m. Thursday, Sept. 30, in the Highland Hospital. His name is Gregory Shawn. The father is employed by R. C. Mann Motor Sales.

Grandparents are Mr. and Mrs. Luther Foerster of New Home, and Mr. and Mrs. Ray Mann of Carlysle. Greatgrandparents are Mr. and Mrs. Alvin Schoppa, and Mr. Fritz Speckman of New Home.

.... Bob Poer and Cleburn Nowlin reported real good luck fishing at Lake Whitney last week. Catching over 250 fish. A fish fry was enjoyed Sunday evening at the Nowlin home. Those present were Mr. and Mrs. Nathan Boradman and girls, Crosbyton, Mr. and Mrs Cotton Phillips, Lamesa; Mrs. Emily Beaver, Brownfield; Mr. and Mrs. Loyd Huddleston and Children, Lakeview.

Mrs. Loyd Nunley was in Highland Hospital a few days last week for test.

Mr. and Mrs. Joe Beach and two month old, Neosha have moved to Littlefield, where Joe is employed by the State Line Irrigation Company.

Capt. Robert Sparkman arrived here Sept. 27, to join his wife, Glenda at the farm home of her parents. Mr. and Mrs. Ronnie Morris, where she has been living while he did a years tour of duty in Vietnam. After his leave he will report to Ft. Sam Houston at San Antonio. The couple are there now to locate a place to park their trailor home.

Mr. and Mrs. Herbert Lamb of Seattle, Washington are here for a week visiting her

We had another good week at the nursing home. We're glad to see the weather warm up for us some.

We'd like to congratulate Corine Izard on being selected "Resident of the Month" of October. This was a good choice as Corine is a real asset to the home. She has had lots of nursing training in resent years and also brightens the home with a bright smile and wonderful sence of humor.

We'd like to thank Mrs. Edgar Hammonds for coming to us and bringing a beautiful message in song. Lots of us joined in the singing and all were blessed as we nearly shook the rafters. Bro. Hugh Daniel and several

members of the Methodist Church here in Tahoka brought us our Sunday services last Sunday. Thank you each one for coming to the home.

Mrs. Hill, who had been in the home just a few weeks, was taken to the hospital and passed away this past Friday. We didn't have her long at the home, but we will miss her and our sympathy goes out to her family at this time. We have three of our people out of the home and in the hospital at this writing. John Slover is still quite ill and we don't know when he will be able to return to the home. Mr. Haney had to go to the hospital also, and is in fair condition. Bonnie Smith is still in the hospital but the doctors feel she has improved enough to come back to the home the early part of this week. We'll be glad to have her back as we love her dearly. Corine Izard was out of the home for a while this past week to help Mr. Henry Mock celebrate his 93rd birthday. Happy birthday Mr. Mock!

Jean Jackson reports that her son Bobby Joe is slowly but surely improving. He is home now and manuvers a wheel chair pretty good due to the seriousness of his accident they don't know when he will be able to return to school.

Cap Rowe was in to the home Saturday and was telling us about his most recent trip to Arkansas. Guess he had a real good time.

Bunk Chandler was ill sever al days last week but we prav for his speedy recovery. Drop in to see him when you visit the ho

Valeta Burks has come back to the home after being out a week. Don't know how we can muzzle Corines snoring soher room mate can sleep!

Dave and Mildred Polk came and brought Mr. Polk a birthday cake. He sure enjoyed the attention.

Dorothy Norwood attended her husbands' cousins funeral Friday and Mrs. Black went to her brother.in.laws' funeral in Lubbock. Our sympathy to the folks.

Some of Mrs. Reed's folks were in and left watermelon and cantalope for everyone. We sure appreciated this gift to the home.

Mr. Stone had to go to the Clinic Monday to be treated for a sore throat but feels much better now.

We'd like to thank Mrs. Pauline Walters for the turnip greens she brought Saturday. We will sure enjoy them.

The nursing class in Lubbock elected Claudia Cawman president of the class.

Mystery spots on your car pet call for quick action. When family members and pets can't give you clues needed immediately to detect the spot, remove it as follows.

Blot up liquid with tissues or scrape off semi-solid material with a knife or spatula. Use a spot cleaner of 1 quart warm water, 1 teaspoon gentle detergent (not soap) for fine fabrics, and 1 teaspoon of white vinegar. Dab on cleaner with a clean cloth. Wipe gently from the edges of the spot into the center. Keep the carpet from becoming too wet by blotting it with a dry, clean cloth. Dry the carpet quickly with air from a fan or vacuum cleaner.

If the detergent spot cleaner has taken away some of the spot, use this cleaner again. Dry the carpet, then brush the carpet tufts back up gently. However, if the detergent

spot cleaner has not taken away the spot, try a dry-cleaning solvent used for clothing. Follow the directions on the bottle. Also, be sure to dab on cleaning fluid gently with a cloth. Work from the outside of the spot toward the center. Dry the carpet, then brush carpet tufts gently.

Many commercial carpet cleaners are presently on the market, so check the lable for spot removing directions.

Call the local home demonstration agent if you have any questions about carpet care.
