## Water, Inc. Starts Membership Drive

Solicitors of the Lynn County Unit of Water, Inc., have launched an intensive 45-day drive for new members. The effort is a part of an area-wide membership campaign and is aimed at swelling overall membership totals to 3,000. There are currently 30 paid-up Water, Inc., members in Lynn County. The county needs at least 100 members to give Lynn County a representative on the Board of directors of Water, Inc.

The campaign was launched with an organization-wide kickoff meeting in Lubbock Oct. 9. The special emphasis will continue throughout the month of November and during the first half of December.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search for water for the future. It

has more than 2,500 members in West Texas, Eastern New Mexico and the Oklahoma Panhandle.

Heading up the membership drive in Lynn County is T. B. Mason. Mason is president of the local unit. He challenged his neighbors in Lynn County not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

Membership dues to Water, Inc., are deductible as a business expense. Some who will be assisting in the membership drive are: Cleave Littlepage, Bertie Askew, Howard Moore, Leland White, Dan Cook, Jimmy Forbes, Graham Hensley, Boyd Barnes, Jim B. Porterfield, Dan Martin and others.

## Southwestern Public Service New Electric Plant To Be Dedicated

Clifford B. Jones Station, the newest electric generating facility on the Southwestern Public Service Company's system, will be dedicated at ceremonies to be held at 11 a.m. on Saturday, Nov. 6. The plant is located southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road. Following the dedication ceremonies, the plant will be open to the public for two days, with the visiting hours on Saturday being 11 to 7 p.m. and on Sunday from 1 p.m. to 7 p.m.

Dr. Clifford B. Jones, President-Emeritus of Texas Tech University and a director of Southwestern Public Service Company for more than a quarter-century, will dedicate the new facility. The response to Dr. Jones' dedicatory remarks will be made by Roy Talk, president of Southwestern Public Service Company. The Rev. J. M. Washington, rector of St. Paul's-on-the-Plains Episcopal Church, will offer the invocation.

The new generating facility has a first unit capability of 250,000 kilowatts. This machine is the largest single unit on the Southwestern system. Construction has already started for a second unit of the same size, scheduled to be in service in 1974. When the second unit does go on the line three years from now, Jones Station will be the largest of the 11 major generating stations on the Southwestern system.

The turbine control system at the new station is the first of its type in the world. The result of cooperation in research and development between Westinghouse Electric Corporation, the manufacturer of the turbine, and Southwestern, the system utilizes a digital computer and data recording devices to bring the turbine on the line and control it while in operation. Peter G. Botsonis, a supervisory engineer for Southwestern and a 1958 Texas Tech graduate, played a major role in the development of the control system.

The new facility uses treated sewage effluent, purchased from the City of Lubbock, as its cooling water. In addition, it has equipment which makes it possible to use sewage effluent for the boiler water for test periods of operation. The sewage effluent is also used for irrigation purposes after it has left the plant system.

The use of the reclaimed water at Jones Station and at Nichols Station on the North Plains results in a daily saving of fresh water which is sufficient to meet the needs of a city of 25,000 people.

The generating capability of Jones Station will be controlled by an automatic dispatching system, which regulates the production of dispatching system knows which generators do their work the most efficiently when everything, particularly the cost of fuel, is taken into consideration. So, the ADS loads up those generators which are most efficient first, and conversely, takes the load off those machines which are least efficient first. The result is that, under any given conditions of electric load - maximum - average - minimum - the electric company is working to provide its customers with the most efficient - and economical - electricity that it can produce.

The plant has a central information system which takes nearly 500 different readings every minute, records them and calculates their meaning insofar as the plant's efficiency is concerned.

The excitement or romance of the central information system lies, of course, in what it does on those infrequent occasions when there are problems. It is both the alarm that reports trouble and the detective that finds out why there was trouble.

But, it is its day-to-day operation - routine operation, so to speak - that is of greatest importance to the electric company's customers insofar as the cost of their electric service is concerned. The information that it provides to the control room helps make it possible to generate electric power at the lowest possible cost, at the same time that it assures the customer of the most dependable service.

(SEE PHOTOS PAGE 5)

The combination of new, efficient, larger generating units, which produce more kilowatts for less fuel, plus the central information system working to keep those machines producing at the high levels of efficiency for which they were designed are vital weapons in the fight against inflation.

Jones Station is located on 320 acre tract which was formerly part of the V-8 Ranch. It has been under construction for about 36 months and has provided more than \$5,000,000 in payroll and local purchases for the area economy.

While it isn't something you could put together with a "do-it-yourself" kit, the plant is, in fact, a home-made product. The design, engineering and construction supervision was done by Southwestern Public Service Company's own engineering department, under the direction of H. O. Hodson and E. W. Robinson, vice presidents. Missouri Valley Constructors, Inc., of Amarillo, was the mechanical and structural contractor and Budwine Service Electric Company, Carlsbad, New Mexico, was the electrical contractor. J. B. Bottoms was resident engineer for Southwestern Public Service Company during construction of the new unit, and Floyd Starks is the plant manager. Bottoms will also serve as resident engineer for construction of the second unit.

BAND SWEETHEART CANDIDATES. Shown above in the three photos are the band sweetheart candidates in their finery as they appeared last Friday night. Top photo is Miss Southern Wells, daughter of Mr. and Mrs. Johnnie Wells. Middle photo is Sheree Brookshire, daughter of Mr. and Mrs. Charles Brookshire. Bottom photo is Cynthia Barham, daughter of Mr. and Mrs. Bill Barham.

## Bob Nash Lions Speaker

Bob Nash, veteran radio announcer from Lubbock's KFYO, was the guest speaker at Lions last Wednesday.

Nash, assistant manager of the station, outlined his station's role during Lubbock's tornado of May 11, 1970. His audience was very attentive as Nash methodically outlined the movements of station personnel prior to the disaster.

KFYO is a member of the Emergency Broadcasting System which was originally set up for nuclear emergencies. However, natural disasters also play an important role in the emergency stations' duties.

A disaster plan for the station was written many years ago but had never been put in force until May 11. Nash told his fellow employees movements prior to the tornado and how the station cancelled the Astros ball game so they could stand by on weather alert. Although the conditions outside were growing ugly and mean, many people swamped the station with calls demanding the game be put back on the air.

The announcer at the time of the tornado had just answered the phone to find it was long distance from KRLD in Dallas. That station was inquiring about the reported bad weather around the Lubbock area. They were asked to hold the line, and hold they did, for 22 hours! Officials of the station were to find later that they had the only long distance line out of Lubbock that night, as reports of death and destruction were fed to the world outside from KRLD and UPI in Dallas.

The KFYO studios were in

the center of the stricken area but through some miracle, they were spared. With power from an emergency generator, they became an emergency communications center relaying emergency traffic for the city of Lubbock.

So it went for many hours. People, half naked, and dazed from the blow, wandered through the night and found shelter at the KFYO building where lights were like welcoming beacons.

There were many stories that grew out of events of that night and Nash touched on some of them.

For it's role in time of emergency, and for outstanding broadcasting, KFYO was awarded the top broadcasting award of 1970. An award which was recently accepted by the station's manager, Gordon Thompson, in Boston, Mass.

The Lions agreed that this was one of the better programs given the club in some time.

A good attendance was evident Wednesday as four new members were introduced and three visitors were present.

New members include, James Atwood, First National Bank; Steve Chancy, Chancy and Son, Wayne Huffaker, Farmer; and Rudy Johnston, Southwestern Public Service. Visitors at Wednesday's meeting included Mrs. Larry Monk, Bill Hall of Lubbock, and Bob Price of Lubbock.

Visitors and prospective members are welcome at Lions Club. The club meets Wednesday noons at the cafeteria, Jackie Jaquess is Lion Boss.

RECEIVES LETTER OPENER--Bob Nash (Right) Assistant Manager of KFYO in Lubbock is shown accepting a Lions letter opener from Lion Boss Jack Jaquess Jr. Nash spoke to the club concerning KFYO's role in the May 11 tornado.

## "TWO BITS WORTH"

Country Editor says that you can't change the past, but you can ruin a perfectly good future by worrying about it. TBW According to E. L. Short proposed boundary for the district holds Short will one county and pick up others. It will mean a lot of about 28,000 people new district. TBW The proposal he would Dawson County and would Terry and Hockley counties this district. TBW The proposed districts include Gaines, Lynn, Terry, Hockley, and others. TBW It is considered very important in Gaines, Lynn, and other counties, and was a

## 1972 Tahoka Football Schedule

Football schedule for 1972 has been completed with the addition of Abernathy, Coahoma and Levelland, plus teams that were on the schedule. 1972 Schedule: 8 - Stanton (There) 15 - Abernathy (Here) 22 - Idalou (Here) 29 - Open Date 6 - Levelland (Here) 13 - Friendship (There) 20 - Cooper (Here) 27 - Slaton (There) 3 - Roosevelt (There) 10 - Denver City (Here) 17 - Post (Here) District Games will give us six home and four games away this year while the 1973 team will find us playing the games and with only four games. Abernathy is a AA team, Levelland is a AA team and all others are Class AA, the same as Tahoka.

# COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Board members and the administrative responsible for collection and disbursements under the "Cotton - a - bale" Cotton Act, and Promotion Act, set November 4 and 5 at the Red Raider Center to review research and development projects.

Recommendations will come from Cotton Incorporated, Cotton Producers Institute, an organization with the Cotton Board carrying out projects.

Approved CI projects and expenses will be outlined for the general session on Thursday, November 4. "This will give us a better informed scope of CI work and some of the results being achieved," stated Donald S. Cotton Board alternate Executive Vice President Plains Cotton Growers, Inc. host for the meeting.

"We are urging all who are interested in the cotton to attend," he added.

The group will arrive in Lubbock over the November 6-7 weekend and most will have the opportunity for individual conferences with area cotton shippers on Saturday evening or Sunday. Monday's activities will begin with an 8:30 a.m. breakfast at the In-Town Inn at which PCG and LCE officials will brief tour participants on the size and scope of the Plains cotton industry and answer whatever questions may arise. Later the spinners will be shown the Textile Research Center and instrument classing line at Texas Tech University and narrow-row cotton production and stripper harvesting at the Texas A&M Research and Extension Center. The team is scheduled to leave Lubbock Monday afternoon.

The tour runs from October 31 to November 12 and includes visits to cotton facilities in California, Arizona, Texas, Mississippi and Tennessee.

PCG Executive Vice President Donald Johnson stated "The presence of these foreign cotton customers in Lubbock will provide the opportunity for an open exchange of ideas, for putting our tremendous cotton production and processing facilities on display, and hopefully will lay the groundwork for sales of High Plains cotton which might otherwise come from some of our competitors in other exporting countries or in other sections of the cotton belt here in the U. S."

C. Unfred of Tahoka. CI Directors are also apportioned to states on the basis of production, and Texas in 1972 will have only 10 directors as a result of low 1971 production.

Fourteen textile executives representing cotton spinners from 11 Far East countries will be in Lubbock on Monday, November 8 to familiarize themselves with the High Plains cotton industry and confer with area cotton shippers. Hosting the group will be Plains Cotton Growers, Inc. regional producer organization, and the Lubbock Cotton Exchange, made up of High Plains cotton merchants.

"Cotton Orientation Teams" from foreign countries tour the U. S. cotton industry each year under the sponsorship of the National Cotton Council, Cotton Council International and USDA's Foreign Agriculture Service. A representative from each of the sponsors will accompany the team to Lubbock.

In 1970-71 the countries to be represented here November 8 imported over 2.6 million bales of U. S. cotton, more than 70 percent of the 3.7 million bales exported from the U. S. last year. It is estimated that about three fourths of the cotton shipped to the Far East came from the High Plains, Rolling Plains and Oklahoma, most of it from the High Plains.

On the 1971 team are spinner representatives from Japan, India, Indonesia, Korea, Malaysia, Singapore, the Philippines, Taiwan, Thailand and Vietnam.

The group will arrive in Lubbock over the November 6-7 weekend and most will have the opportunity for individual conferences with area cotton shippers on Saturday evening or Sunday. Monday's activities will begin with an 8:30 a.m. breakfast at the In-Town Inn at which PCG and LCE officials will brief tour participants on the size and scope of the Plains cotton industry and answer whatever questions may arise. Later the spinners will be shown the Textile Research Center and instrument classing line at Texas Tech University and narrow-row cotton production and stripper harvesting at the Texas A&M Research and Extension Center. The team is scheduled to leave Lubbock Monday afternoon.

## Revival At Sweet Street Nov. 7 - 14

Revival services are to begin at Sweet Street Baptist Church on Sunday, November 7, and continue through Sunday, November 14. Coming to preach the Word of God will be Rev. David Miller, pastor of Woodrow Baptist Church. Rev. Miller is a graduate of Wayland Baptist College, and has been pastoring and preaching in the South Plains area for over eight years.

DAVID MILLER

The services on Sunday are at 11:00 a.m. and 6:00 p.m. Weekday services will be at 10:00 a.m. and 7:30 p.m. All services are open to the public, and everyone is invited to come. Rev. Miller says, "I am coming to enjoy the presence of the Lord with the people of Tahoka. I can assure the people that God loves them and wants the very best for them."

Following the Sunday morning service on November 14, there will be a covered dish luncheon for all who attend.

On Monday night, November 8, a youth choir from Woodrow, the Peacemakers, will be

### Tahoka High Happenings

BY SOUTHERN WELLS

Most beautiful, most handsome nominees were announced Monday and include the following: Staci Short, Sheri Short, Georgia Thomas, Dale Rogers, Becky Franklin, Sharon Norwood, Lisa Atwell, Dana Martin, Leasa Huffaker, Sherree Brookshire.

Also at this time the Greenhand quiz will be given to all first year F.F.A. members.

Ladd Roberts, Jeff Atwell, David Turner, Rex Hensley, Clyde Curry, Gary McCord, Gary McElroy, Jim Thomas, Phil McClendon, John Thomas.

This week has been designated as "Buy Your Annual Week". During this week, annual staff members will be in the study halls to sell the yearbooks.

The prices include: annual \$5.45, supplement - \$1.30, name - \$.75.

This year's KENNEL promises to be really great and if you wish to order a book, contact any staff member.

The contest will be held Monday, November 8. Mr. Clifton Gardner will serve as Master of Ceremonies and the contest will begin at 7:30 p.m. Wednesday afternoon from 1:00 to 4:00 there will be a leadership contest held in the auditorium. Representing the Tahoka F.F.A. and conducting a radio broadcast program will be Randy Craig, Weldon Warren, and Johnny Brandon.

Several people in Wilson and Slaton are trying to buy a stereo-radiation combination for the Slaton Convalescence Home in Slaton for Christmas. These elderly people do not have a radio there.

If you would like to make a Home happy with one Christmas Gift please leave your donation with the following people: in Slaton, Bobbie Hogue, Wendell's TV & Repair, and Slaton Convalescence Home. In Wilson, Mrs. Ethel Covey, Arlena Heck and Gladys Moore.

Laverne Meeks is a patient in St. Mary's Hospital, Lubbock.

## G. V. Carrillo In Vietnam

Army Private First Class Guadalupe V. Carrillo, 21, son of Mr. and Mrs. Mauricio M. Carrillo, Route 5, Tahoka, Tex., recently was assigned to the 624th supply and service company in Vietnam.

PFC. Carrillo is a truck driver with the company near Long Binh.

## 1971 4-H Scholarships at Record Level

SPECIAL - Rapidly approaching is an occasion of special significance for nearly 3-million youths. It is the 50th National 4-H Congress, Nov. 28-Dec. 2.

And this Golden Anniversary will turn into actual gold for nearly 300 4-H members who will receive educational scholarships ranging from \$300 to \$1,600.

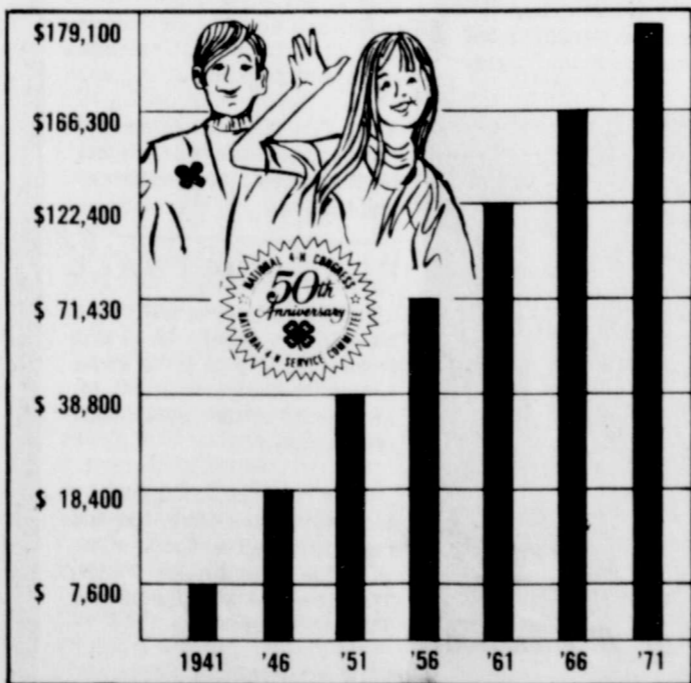

Scholarships available to 4-H'ers during the Golden Anniversary year are at an all-time high - \$179,100. Most of them in the amount of \$700 will be presented to the fortunate young people at special events during the Congress.

The funds are provided through the generosity of donors to 4-H through the awards programs supervised by the Cooperative Extension Service and arranged by the National 4-H Service Committee.

6,400 over 40 Years

Scholarships were first offered 4-H members some 40 years ago. Since then donors have provided some 6,400 scholarships valued at more than \$2.8 million. And they also have funded an estimated 50,000 expense-paid trips to the National 4-H Congress and other events over the 50-year period.

Besides the scholarships and trips in 1971 nearly 200,000 other 4-H'ers will be recognized for outstanding accomplishments in the form of county medals, U.S. Savings Bonds, watches, plaques and other awards.

Some 60 companies, foundations and civic organizations have contributed this year over \$1.4 million to the support of 4-H through the National Committee and several lent their support throughout the 50 years the committee has been in existence. Others are in their first decade of sponsorship.

Some 60 companies, foundations and civic organizations have contributed this year over \$1.4 million to the support of 4-H through the National Committee and several lent their support throughout the 50 years the committee has been in existence. Others are in their first decade of sponsorship.

Donors Span 50 Years

Armour and Company has allocated funds for advancement of 4-H activities for over half a century. Cities Service Company, Coats and Clark Inc., Allis-Chalmers and Carnation Company also are

among long-time sponsors. Ford Motor Company Fund, Hercules Incorporated, Standard Brands Incorporated and Union Oil Company of California have been contributors over several decades.

John Deere, Eli Lilly and Company and General Foods Corporation joined the 4-H donor ranks more than 10 years ago. More recently, the list of 4-H supporters has included Allied Mills Foundation, Champion Valley Farms, Inc., Elanco Products Company, The Goodyear Tire and Rubber Company and Merck & Co., Inc.

## Booster Club To Meet Monday

The Tahoka Bulldog Booster Club met in the School Cafeteria with president, J. D. Atwell presiding.

The film of the Tahoka-Slaton game was shown and a scouting report was given on Roosevelt, by Coach McMillan.

The time will be changed for the next meeting. The Booster Club will meet next Monday, November 8 at 6:30 p.m. in the school cafeteria.

## Bond Sales 50% Of Goal

According to a report received from County Bond Chairman F. B. Hegl, sales of Series E and H United States Savings Bonds in Lynn County during September totaled \$5,929. Nine-month sales were \$64,503 for 50 per cent of the 1971 goal of \$130,000.

Sales in Texas during the month were \$15,465,128 compared to \$15,033,398 during September 1970. The January-September sales totaled \$152,382,599 with 84 per cent of the 1971 goal of \$181.9 million achieved.

Nationwide, purchases of Series E and H Savings Bonds totaled \$415 million - 18 per cent above 1970 sales. The January - September sales were the best since 1952 totaling \$4,174 million - 19.2 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$197 million were reported for the first nine months of 1971 - 8 per cent above those exchanged in 1970.

## Softball League Presents Awards

Tahoka Softball League finished this past season with Joel Inklebarger winning the Sportsmanship Award. The Pymaster Ginnets (Me a n Green) won the league while only losing one game to the second place Enco-U Haul Tigers. The third place team was the Tatum Brothers, and the fourth place team was the Big Red Machine Bray Chevrolet Facesseters.

The Tigers lead the league in team home runs with 13 and the home run leader with Charlie Holland with 8 home

runs. Mike Davis and Joel Inklebarger of the Tigers hit four a n d one respectively. Milton Miller and Curtis Harvick of the Ginnets hit one each.

The League wishes to thank all its fans for the fine turnout this year for the games and for the tournament and the all-stars games. We hope we have pleased you this season. Morris Bingham is the league's president and a league meeting will be called in the near future to elect a new league president. Once again we want to say many thanks to our fans and we'll see you next season.

## Harp Concert At Lubbock Nov. 22

Lubbock Symphony Orchestra will have as guest artist for the second concert of the season a nationally known artist whose home is Lubbock. Mrs. Gail Barber, head of the harp department at Texas Tech University, is not only a skilled performer and musician. She is also a composer and newly elected editor of the American Harp Journal, official magazine of the American Harp Society. When the national society met in Lubbock in June, 1970, she served ably as chairman of arrangements. She organized the Lubbock chapter in 1967 and was its first president. She is the Southwestern Regional Director of the American Harp Society.

Mrs. Barber says she had "never see a harp" until she started her college work at Baylor University. Within two and one-half years, she was a member of the Rochester Philharmonic Orchestra and had recorded for Mercury with the Eastman - Rochester Orchestra. Two years later, she was touring as harp soloist with the Chicago Little Symphony, a tour which took her

to 21 states, Canada and Mexico. A graduate of Eastman School of Music with highest distinction and the performer's certificate in harp, she formerly taught at Baylor University and Furman University. Her publications include "Windmill Sketches," original compositions for harp related to the history of the Southwest. Last summer, she taught at Rocky Ridge Music Center in Colorado and performed on the "Music in the Mountains" concert series in Estes Park.

Lubbock Symphony concert under direction of William A. Harrod will begin the second concert of the season at 8:15 Monday evening, November 22 in Lubbock Municipal Auditorium. Advanced tickets may be secured at the Symphony Office, 1416 Avenue Q, telephone 782-4707. Prices are \$5, \$4.50, \$3.50, \$2 and \$1. All tickets will be sent to Municipal Box Office on Sunday, November 21 and will go on sale 1:00 to 5:00 p.m. Sunday and 9:00 until concert time on November 22.

## The Deacon Says

BY W. A. REDDELL

There is no such thing as a nominal Christian. One is a Christian and knows it and loves God and man or he just isn't one.

Mrs. Albert DeBusk of Hobbs visited Mrs. Carroll Edwards, last week end.

Mr. and Mrs. Abe Turner of Haskell visited Mr. and Mrs. Wes Owen, last weekend.

The dahlia is named for the Swedish botanist Dahl.

# Bulldogs Lose To Slaton, 7-0

## Play Unbeaten Roosevelt This Friday Night

The Slaton Tigers, ready for action Friday night, defeated the Tahoka Bulldogs Friday night in a game that no one knew how would end until the final moments of action by a score of 7-0.

The Slaton Tigers on their first possession after receiving the opening kickoff marched 79 yards in 13 plays and 5 first downs, with halfback Randy Davis going 22 yards around right end for the tally.

The Slaton Tigers missed their extra point attempt but got a second chance when the officials caught the Bulldogs off sides. On the second attempt the ball sailed through the up rights giving the visiting team a 7-0 lead with 7:05 left in the first quarter.

The Tahoka Bulldogs had only five first downs in the first half to 11 for the Slaton Tigers.

In the second half action the Bulldogs pulled off a almost unbelievable feat by not allowing the Slaton Tigers a first down. The Bulldogs also controlled the ball most of the last half.

Late in the 3rd quarter Tahoka's John Thomas covered a Slaton fumble on the Slaton 48 yard line and the Bulldogs marched to the Slaton 3 yard line where they had a first and goal. John Thomas then drove to the Slaton 1 yard line on the first play of the 4 quarter. On third down and 1 yard to go quarterback Jeff Atwell drove over on a quarterback keeper but a motion charge against the Bulldogs moved the ball back to the six. Jimmy Bailey then drove for three yards on third and six, but on fourth Tahoka fumbled back on the 10 yard line where Slaton took over with 1:40 left in the game.

Tahoka got the ball back twice more but was stymied by the Slaton defense.

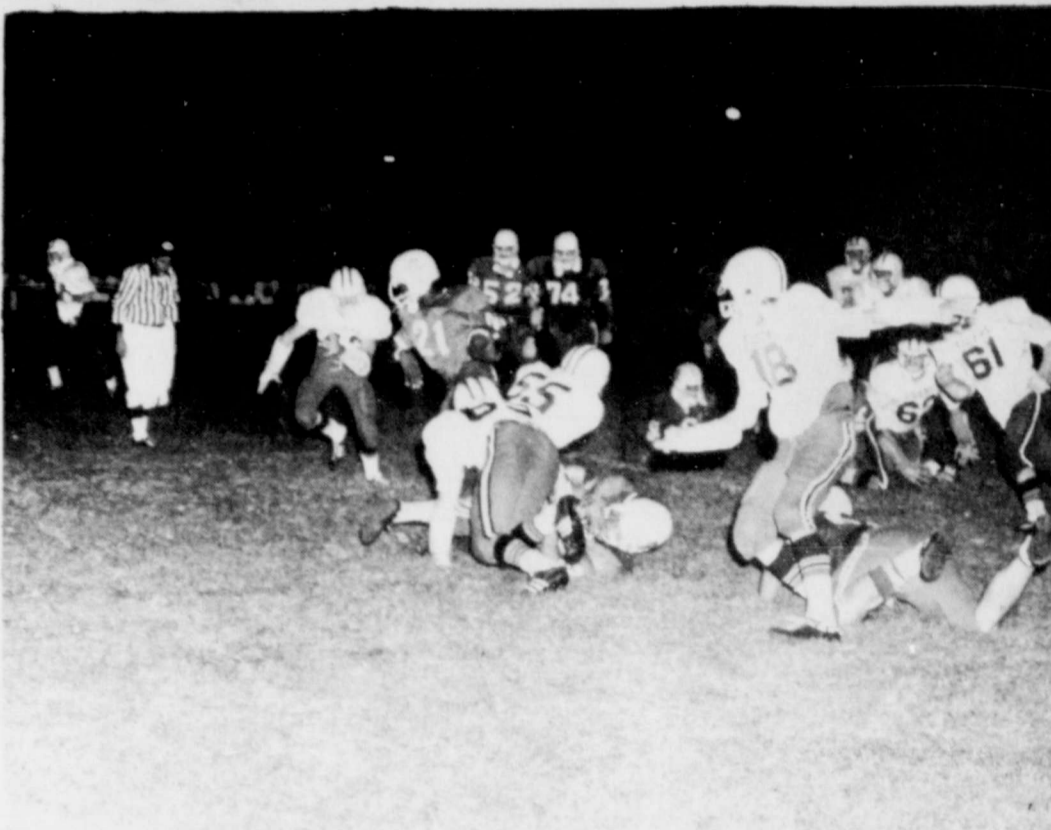

The Bulldogs played good hard nose football but each time they were in scoring position they made mistakes that cost them the game.

Coach Viertel's Bulldogs travel to Roosevelt this Friday night to take on the unbeaten in District play, Roosevelt Eagles. Kick off time will be at 7:30 p.m.

**GOOD YARDAGE**--Jimmy Bailey is shown here on one of his good gainers for the Tahoka Bulldogs Friday night against Slaton. Jimmy is really giving the Bulldogs a lot of help this year even though they were defeated by Slaton 7-0. Photo by Finney.

**DEFENSIVE ACTION**--David Turner, No. 61 makes a good shoe string tackle as shown in the photo above against the Slaton Tigers last Friday night. David has been a big help to the Bulldogs all year and is assisted on the tackle here by Jeff Atwell, No. 11.

**HEAVY TRAFFIC**--Jeff Atwell, Tahoka Bulldog quarterback runs in to heavy traffic here as he carries the ball on a quarterback keeper against the Slaton Tigers last Friday night.

## BULLDOG VARSITY REVIEW

**JOHNNY BRANDON**  
 Johnny Brandon, son of Mr. and Mrs. J. F. Brandon, is a sophomore in Tahoka High School. Johnny plays guard on the Bulldog Varsity squad for Coach Viertel. He is 5 feet 10 inches tall and weighs 150 pounds. Johnny wears Jersey No. 63.

**PETE SALDANA**  
 Pete Saldana, son of Mr. and Mrs. Saldana, is a junior in Tahoka High School. Pete is the manager for the Bulldog Varsity squad. His job is very important to the team's success as he looks after equipment and supplies, keeps everything in order, helps during workouts and games. Pete works hard for little credit.

## Wilson Trips Whiteface, 20-12

The Wilson Mustangs beat Whiteface, last Friday night, 20-12.

The Mustangs were trailing at half-time 12-0. The Mustangs marched 53-yards in the 3rd quarter. John Fields scored on a three-yard run. Hernandez ran 22 yards for the second score and Fields rocketed a 38-yard scoring pass to Chris Coleman with just 12 seconds left.

Wilson gained 224 yards rushing and 54 yards passing, picking up 16 first downs. Wilson noseguard Danny Trotter and linebacker Danny Crowson each had 21 tackles to earn defensive standout honors.

This Friday night the Mustangs will meet Sundown there at 7:30 p.m.

## O'Donnell Lost To Seagraves

The O'Donnell got on the scoreboard first in the opening quarter when Rex Childress, scampered across the goal line from 35-yards out. Walter Brown carried the ball over for the two extra points.

O'Donnell netted 11 first downs, 233 rushing yards and only 13 yards passing.

Friday, Nov. 5, the Eagles will play Lubbock Christian there at 7:30 p.m.

**ADD TO TOP OF O'Donnell**  
 The O'Donnell Eagles lost to Seagraves 28-8 last Friday night.

### FLAG FOOTBALL

The Tech Raiders fell to the New Home Dodgers 48-36 last Sunday to slip to a 1/2 game behind the Dodgers. The Raiders led all of the season until last Sunday.

The Vikings completed a touchdown pass after time had run out to give them a tie with the Cowboys at 24 all. The Cowboys still lead in the Tahoka Division.

## Past Days In Lynn County

Copied from Oct. 25, 1946  
 A deal was consummated here last week whereby B. T. Smith local pilot and instructor, became the operator of Tahoka Airport which was built and operated by Bill McNeely. Mr. McNeely retains the land, but Mr. Smith has bought all equipment, including four airplanes shop equipment, and dealer-ship for Piper Cubs, and has leased the airport. The new operator took charge Sunday. Mr. McNeely expects to move back to his farm near Dixie.

B. T. Smith this week announced plans for further improvement of the airport in order to secure approval of a Secondary Flight School with instruction leading toward commercial pilot licenses under the GI Bill of Rights. The airport already is a government flight school and about 50 pilots are enrolled for training in flying.

To qualify for the advanced flying school, Smith expects to buy two more planes of larger horsepower, install lights on the runways, and equip at least one ship with radio and landing lights.

Smith has been a pilot for many years and has qualified as a pilot for many years as a commercial and ground instructor in all subjects. McNeely had built up a big business in a short time since starting the airport only a few months ago. Some visiting plane lands here almost every day, and Tahoka has become recognized as one of the most enthusiastic flying towns, for its size, in the entire South-west.

The office of the Tahoka Public Schools' tax assessor, collector and secretary will be moved within the next few days from its present location to the court house to space rented by the school board in the Dean Nowlin Building. The news is informed, due largely to lack of sufficient room in

the office now occupied. Ivan McWhirter, former teacher in the local schools and for many years principal of the West Point school, is the present assessor and collector for the district.

Winston C. Wharton, local Continental dealer, has been awarded a premium by the Continental Oil Company as winner of a place in a sales contest recently conducted among its 20,000 dealers and jobbers throughout the nation. The award, presented by C. S. Black, district sales representative, was given for the promotion of Continental's travel service to motorists.

Students of the Tahoka Schools, under sponsorship of the local PTA are busy making plans for a big Halloween carnival in the Grade School gym next Tuesday night, October 29. All people of this area, young and old, are invited. Proceeds will go toward carrying out the local school activities.

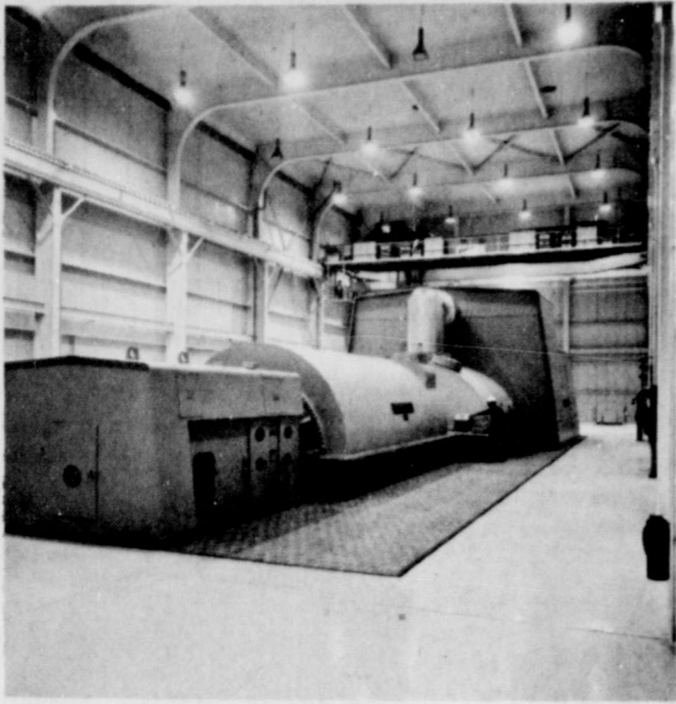

Among the events being held in conjunction with the carnival, is a baby contest. All babies between the ages of six months and three years are eligible to enter. Those wishing to make entries should see Mrs. Terry Thompson or Mrs. Ted Clayton. The judging will be done by three "experts". Another feature will be the crowning of queens of both the High School and the Grade School.

In addition, there will be sideshows, fortune tellers, games, stunts and food and drinks to add to the gaiety of the festivities.

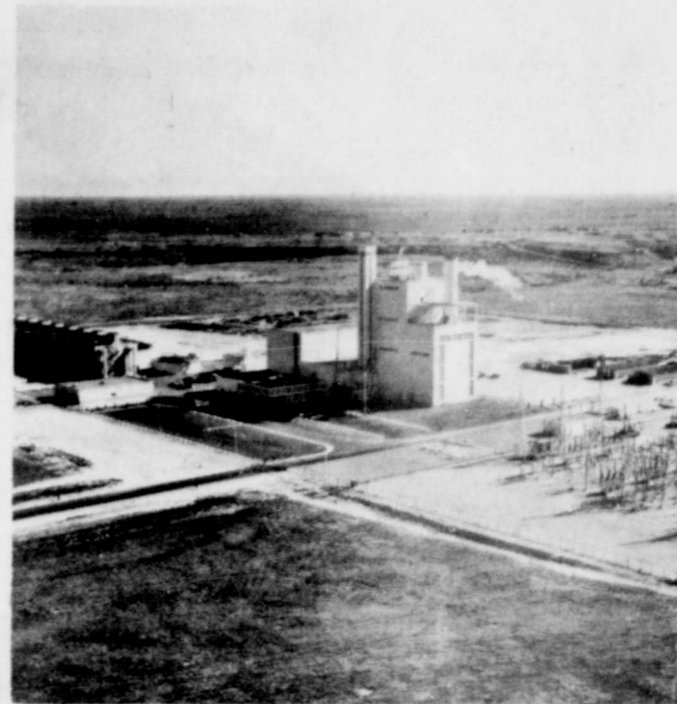

Cpl. Carl Griffing Jr. arrived home Monday from the San Antonio Separation Center, after serving 20 months in the Army, over a year of which he was stationed on Iwo Jima. He expects to receive his discharge by mail in about six weeks.

A court of honor for the Tahoka troop of Boy Scouts will be conducted by Scoutmaster A. R. Milliken in the W.O.W. Hall here on next Monday night, according to an announcement given to the News, beginning at 7:30 o'clock. The parents and friends of the boys are invited to be present.

Last Friday afternoon the Tahoka Bulldogs, champions

**GENERATOR**-This 256,000 kilowatt generator, the largest single unit on Southwestern Public Service Company's system, is at Jones Station, southeast of Lubbock. The new generating facility, named for Dr. Clifford B. Jones, president-emeritus of Texas Tech, will be dedicated at 11 a.m., Saturday, November 6. It will be open to visitors from 11 to 7 on Saturday and from 1 to 7 on Sunday, November 7.

**JONES STATION**-An aerial view of Southwestern Public Service Company's Jones Station, southeast of Lubbock. Named for Clifford B. Jones, president-emeritus of Texas Tech, and a Southwestern director for more than a quarter-century, the new plant will be dedicated at 11 a.m. on Saturday, November 6. It will open to visitors from 11 until 7 on Saturday and from 1 until 7 on Sunday, November 7.

**CONTROL ROOM**-The control room at Southwestern Public Service Company's Jones Station, southeast of Lubbock is the terminal center for data recording equipment which takes nearly 500 readings every minute, records them and calculates their meaning insofar as plant efficiency is concerned. The plant's turbine control system is the first of its kind in the world. It utilizes a digital computer and data recording devices to bring the turbine on the line and control it during operation. Jones Station, named for Dr. Clifford B. Jones, president-emeritus of Texas Tech, will be dedicated on November 6. The plant will be open to visitors from 11 until 7 on Saturday and from 1 until 7 on Sunday, November 7.

of district 6-A bowed to the strong Lobos of Levelland, 5-A district champs, for the bi-district title 38-0.

The stubborn Bulldog defense held the Lobos to only 12 points in the first half, but could not keep the Lobo offense stopped in the second half.

The Bulldogs offense was stopped by the strong Lobo defense and the Bulldogs lost a couple or three chances to score when they lost the ball deep in Lobo territory on fumbles. Joe Don Minor, steller Bulldog back was also suffering from an injury received earlier in the week and was unable to perform in top form.

The Bulldogs are not making any excuses though... when a good little team meets a good big team the result is usually just what happened last Friday afternoon on Lobo field in Levelland.

Although Bobby Hart, W. A. Wise and E. C. Seifert, all Lobo backs presented the fans with plenty of action in scoring runs and long gains, the star of the afternoon was Bill Kelley Bulldog guard, who actually played the biggest part of the game in the Lobo backfield on defense and threw them for tremendous losses at times. Kelley was undoubtedly the most outstanding player on field when the Bulldogs and Lobos met last Friday afternoon.

Congratulations... Mr. and Mrs. Welch Flippin of Tahoka on birth of a daughter weighing 7 lbs. 11 ozs. in Lubbock Memorial hospital at

12:39 a.m. Sunday. Mr. and Mrs. Pug Parker on the birth of a daughter in Tahoka Clinic, Thursday, Dec. 4, at 10:55 p.m., wt. 7 lbs. 4 ozs. She was named Nancy Rae.

Copied from Dec. 19, 1947  
 Supt. A. L. Pace of New Home reports that his boys' basketball team recently won second place in the Roosevelt tournament and third place in the New Deal tournament. The New Home girls carried away first place honors in the Roosevelt event.

The boys have lost only three games out of 14 played this year, while the girls have done slightly better, losing two out of 14.

New Home schools close today for the Christmas holidays. Students will return to their studies on December 29th.

One of the New Home teachers, Miss Wanda Verner of Meadow, is resigning her position as commerial teacher, to get married during the holidays. Mr. Pace is looking for some teacher to replace her.

H. L. McMillan and A. J. Jester, who have been doing service in the Navy for the past 22 months, 19 months of which they were in the same "outfit," are home with their discharges. H. L. arrived home on December 9, and A. J. got in Sunday.

During their tour of service, they were stationed in China, Japan and Guam aboard a repair ship.

Thursday's Rotary program was presented by a group of ladies from the First Baptist Church in special observance of Christmas.

The story of Christ's birth was told in soty and song, and the program was most effective. Mrs. Beulah Pridmore read the story, which was interspersed with appropriate vocal music by the trio composed of Mmes. K. R. Durham, Dub Kenley and L. D. Howell, accompanied at the piano by Mrs. Pat Hutchison.

Tom Gill was program chairman. Preceding the program, Christmas gifts were presented to Mrs. W. S. Taylor, who has long had charge of preparing of club luncheons, and to Miss Bitsy Haney, club sweetheart.

Rotary members brought Christmas packages to be presented to need families of the town.

Two junior Rotarians, E. A. Park and Joe Don Minor, were presented.

Copied from Jan. 9, 1948

The latest model electric scoreboard, clock and control panels will be installed in the Tahoka gym within the next few days which will add to the pleasure of the game for spectators and be of great aid to players and officials.

The scoreboard is exactly like those recently installed at Texas Tech and West Texas State gyms, and one which will be installed at New Home soon.

Several fans, headed by Maurice Small started a fund for the score board, and though not near enough money has been contributed yet, the board was ordered anyway. Give your check to Mr. Small now. Cost of the board is nearly \$400.

W. I. Lemon recently purchased the store building on North Main Street occupied by J. E. Foust as the Short-Stop Grocery, and has moved his own stock of groceries from the Southside Grocery store on South Main into this new building and is now operating it as the W. I. Lemon Grocery.

## WILSON NEWS

BY MARGARET BARTLEY

Mrs. Clara Phillips and William Phillips spent Sunday and Monday with Mrs. Allene Nobel, Phil and Allan in Post.

Sam and Alfred Crowson visited their parents Mr. and Mrs. R. B. Crowson and other relatives, last week-end in Sulpher Springs.

Mrs. Margaret Bartley, Mitch, Tracy and Jayson of Slaton spent the week-end with Mrs. A. N. Crowson and Mrs. Clara Phillips.

Vance Schuette of Slaton spent Saturday and Sunday with Mr. and Mrs. Bill Kios.

Mrs. Jack Schuette, Bruce, Kenny, and Roxanna of Slaton spent Sunday with Mr. and Mrs. Bill Kios.

Mrs. Urna Bruckner and Oliver of Slaton visited Mr. and Mrs. Bill Kios, Wednesday.

The St. Paul Lutheran Women's Turkey Supper was held last Friday before the game against Whiteface. Rev. Ascher reported it was a great success.

The First Baptist Church is working up a community wide Christmas Musical Program to be presented December 12, 1971. The choir will be directed by Mr. Don Chastain of Lubbock. Choir practices are being conducted each Sunday afternoon 4:30 p. m. at the First Baptist Church. Anyone who would like to sing in the choir for this program is urged to come Sunday afternoon at 4:30 to the First Baptist Church.

There will be an after game Youth Activities in the Educational Building of the First Baptist Church following the Homecoming football game with New Home on November 12.

A meeting of officers of the Wilson-exes was held Friday night after the game in the home of Mr. and Mrs. Arles Ehlers.

Those attending were president, Billy Weaver; vice president, Dan Cook; secretary, Janette Wuensche; and reporter, Gevena Ehlers.

There will be coffee and donuts served after homecoming game on November 12, in the lunchroom of the High School. The annual meeting of all W.H.S. exes will be that night also. All exes are welcome and urged to attend. Come by and see all your old friends.

A Mexican supper will be held at the Sundown school cafeteria preceding the Wilson-Sundown football game on November 5th, from 4:30 - 6:30 p.m. Cost of the meal is \$1.25 for children and \$1.50 for adults.

The Girls High School Varsity and B teams played Lorenzo, Tuesday at Lorenzo. Next week the Girls teams play Sands here.

The High School Football team goes to Sundown to play Friday at 7:30 p.m.

The Jr. High Football team has won the District Cham-

They have one more game today (Thursday) against Anton here at 5:00. This game is not a district standing game.

The F.T.A. will meet today (Thursday) at 4:00 p.m., for their regular meeting.

Homecoming mums are still on sale. To buy one contact Rene' Kahlich, Connie Moore,

Terie Steen, Lou Lyn Moore, Dina Wilke, Charmone Mears and Karen Hagens. Mums are \$2.50 each.

The Band would like to thank all the people for attending the Halloween Carnival and Coronation, last Saturday. The band collected about \$600 after expenses were taken out.

At the coronation King and Queen of High School and Elementary were named. Elementary King and Queen are Mrs. Bartley's 1st grade, Michele Smith and Lucas Garcia,

and High School are the Sophomore class, Connie Moore and Phil Kitten.

ATTENTION!!!!

Would you like to make a home happy with one Christmas Gift?? If so, please leave a donation for a Stereo-Radio Combination for Convalescence Home in Slaton with the following people:

In Slaton: Bobbie Hogue, Wendell's TV & Repair, Slaton Convalescent Home.

In Wilson: Mrs. Ethel Covey, Arlena Heck, Gladys Moore. Thank you!

# 'When To Cut' Problem Faces Grain Producers

The annual problem of when to cut grain again is being faced by grain sorghum producers, with an added twist this year. Grain is coming in elevators with higher than normal moisture content.

The late rains and subnormal temperatures have delayed drying of the grain, which is constantly saturated with wind loss during the fall months, according to Marvin Sartin, extension area economist at Lubbock.

Producers must decide whether to go ahead and accept the reduced price that goes with early harvest

or to wait for the grain to field dry and take a chance on yield loss.

Recent rains caused sucker heads to emerge on the plants, which increases the moisture level of the entire crop.

"As of last week, the numbers of carloads moved through Lubbock was only about ten per cent of the amount moved by the same date last year," says Ray Anthis, chief inspector for Lubbock Grain Exchange. He explains that harvest usually peaks the last half of October, but will probably come much later this year.

A possibility that presents problems to both the producer and the elevator

manager is the chance of an early frost. The young suckers would be frozen and dried out, Anthis explains, but the endosperm will remain white. A test at the elevator will show the load of grain to be low enough in moisture, but damage will still occur. Anthis says the white endosperm will eventually turn brown and show signs of head damage without ever getting hot.

Elevators generally desire grain with 14 per cent moisture or lower, which is at the level commonly referred to as "storable moisture." Grain which is harvested at 20 per cent moisture will lose about seven per cent of its weight to shrinkage by the time the elevator can dry

it to 14 per cent, says John Seibert, grain marketing specialist at Texas A&M University.

Grain harvested at lower moisture levels loses much less weight to shrinkage. For instance, 18-per cent grain will lose only 4.6 per cent of its weight when dried to 14 per cent moisture.

Another factor that Seibert points out is that there is much less carry-over in elevators than in past years. Ordinarily, an elevator can combine the new grain with older material that is very low in moisture, and help in the overall drying process. Reduced yields in recent years, plus the big increase in grain sorghum use, has resulted in very little carry-over, he says.

The obvious question is "why doesn't the producer just wait until the grain is dried?" Here is where vital decisions must be made. Old Man Weather is the chief factor.

The dock on wet grain may seem like quite a large sum, but one day of damaging wind can easily offset the income gained by waiting to harvest. Also, the producer must often schedule his harvest to match the availability of custom equipment.

**Bill Griffin,  
County Agent,  
Says.....**

The agricultural economy in Texas has undergone some major changes during the past decade. It's only fitting to reflect on some of these as preparations are in progress for the observance of Texas Food and Fiber Abundance Week, November 15-21.

Agricultural producers in Texas as elsewhere are caught up in the cost-price squeeze. Production expenses rose 62 per cent during the 1960's while realized gross farm income rose only 65 per cent. Current operating expenses such as feed, breeding stock, seed, fertilizer, repairs, labor and operating capital accounted for 75 per cent of the costs.

During the past five years, production costs have increased 26 per cent to hold net income gains to 11.8 per cent—about half of the five-year advance in inflation (21.6 per cent).

Changes have also taken place with regard to farm credit. Farm debt has increased sharply since World War II and was one of the factors required to bring about great changes in Texas Agriculture. There has been a marked shift from farm tenancy to part ownership of farms, a notable increase in the number of larger farms, and a sharp decline in small farms.

With these changes have come an increase in the needs for farm credit and an increase in farm debts. Farm mortgage debt in Texas has risen from \$314 million in 1964 to \$2 billion in 1970. Non-real estate farm debt has also shown sharp increases, totaling \$1.24 billion in 1970 compared with \$261 million in 1950.

Farm and ranch assets continue to spiral upward and on January 1, 1971, totaled \$29.2 billion, an increase of almost four per cent from a year earlier. Increase in value of real estate accounted for most of the gains.

CROP AND LIVESTOCK REPORTS NEEDED FROM FARMERS AND RANCHERS!

During the last half of November and in December, some 65,000 ranchers and farmers will receive either a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service. Accurate estimates are of great importance to producers, providing an accurate picture of agriculture for each county and for the State of Texas. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin.

A producer with a crop that will yield 6,000 pounds per acre will have to face a reduction of 11 cents per

## Swine Erysipelas Found On Plains

The recent quarantine for hog cholera in portions of Hockley, Lamb and Lubbock counties has resulted in the discovery of swine erysipelas, according to Dr. Gilbert R. Hollis, Extension area swine specialist.

Positive results of specimens from 27 of 30 different swine herds in the Lubbock-South Plains area have confirmed the presence of erysipelas, the specialist says. The discoveries were made by state and federal animal health officials who were inspecting herds for cholera.

Erysipelas is an infectious disease affecting swine of all ages, but is usually most common in young and growing animals, Hollis explains.

The disease is caused by a bacterium that is resistant to ordinary disinfectants. The organism may be widespread in soil that has been contaminated by infected pigs at an earlier date. Recovered animals sometimes carry the disease and may contaminate water and soil, he continues.

Erysipelas may occur in any of three forms: acute, subacute (diamond skin form) and chronic form. Acute swine erysipelas is characterized by a sudden appearance, with death of one or more animals.

The subacute, or diamond skin, form follows an attack of the acute form. Diamond shaped skin lesions may develop which, at first, are areas of purplish-red discoloration, but may finally result in peeling away of some sectors. Chronic erysipelas may

hundredweight if the grain has 18 per cent moisture at the elevator. This would amount to \$6.60 per acre lost for the early harvesting.

If he decides to wait, and adverse weather such as wind and rain knocks down ten per cent of his crop, this would be a loss of almost \$11 per acre if the current price of grain sorghum was \$1.80 per hundredweight.

Under the heavy financing that most crops are burdened with, it is easy to see why the producer harvests early.

There are alternatives to every question; and this is just another of the problems faced by High Plains and Panhandle producers, whether to harvest early or wait.

## 1.6 Million Feeders

Cattle being fed for slaughter market totaled 1,608,000 head October 1, according to the Texas Crop and Livestock Reporting Service.

This is 13 percent above the 1,418,000 head on feed a year earlier, 1 percent above the 1,589,000 head on feed September 1, but 5 percent below the 1,700,000 head on feed July 1.

Fifty-four percent of all cattle on feed on October 1 had been on feed less than three months; 43 percent had been on feed three-six months; and 3 percent on feed over 6 months.

Cattle placed on feed in Texas feedlots from July 1 to October 1 was 920,000 head, 17 percent above placements one year ago.

## Cattle Selling Clips Record

Fat cattle sales out of Texas and Oklahoma Panhandle feedlots reached a record high last week, as more than 57,000 steers and heifers were sold to be loaded on trucks and shipped to the packing plant.

Records released from Jerry McCarty, livestock market reporter for the U.S. Department of Agriculture's Market News Service, show this was the most cattle ever sold in one week from area feedlots.

McCarty, and Gordon Duty, livestock market reporter in charge of meats, working out of their office above the Amarillo Livestock Auction, keep a daily count of cattle sales transactions throughout the Panhandle.

"One of the reasons for this record-breaking week was that carcass beef prices were about \$1 per hundredweight higher than last week and there was a good demand for fat cattle," McCarty said.

He also said that some 25 per cent of the cattle sold

were shipped out of this area for slaughter. They were shipped as far away as Florida, New York, Canada, and nearly every state on the East Coast.

A total of 50,800 slaughter steers and 6,200 slaughter heifers were sold out of the 85 feedlots reporting. The territory includes lots all the way from Morton, on the South Plains, to Guymon in the Oklahoma panhandle.

McCarty said that choice slaughter steers sold for \$31.50 to \$32.50 per hundredweight, while choice slaughter heifers were bringing \$30.50 to \$31.25 per hundredweight.

"The feedlots are filling back up with cattle just about as fast as they are selling them," McCarty said. "If this continues, Texas will continue to remain the nation's leading state for cattle on feed."

Duty and McCarty make a continuing number of phone calls hourly, to keep up with the feedlot transactions, and the movement of beef through area packing plants.

## Jeanie McDonald Receives Cap

Jeanie McDonald, daughter of Mr. and Mrs. Marvin McDonald of Tahoka received her junior student nursing cap from Methodist Hospital School of Nursing in the capping ceremony held October 31, at the First United Methodist Church of Lubbock.

Miss McDonald a 1970 honor graduate of Tahoka High School, attended West Texas State University, where she majored in history education and pre-nursing. She was also named to the WTSU Dean's Honor List. After becoming a registered nurse, Jeanie plans to become a nurse-anesthetist.

## Velma Carter Jr. High Math

Mrs. Velma Carter teaches seventh and eighth grade Math in Tahoka Junior High School. She has taught for twenty-two years and all teaching experience has been in Lynn County. She has her Bachelor of Science and her Master of Education Degrees from Texas Tech and has attended the University of Hawaii.

expecting a new arrival in December.

Mrs. Strait worked on her Masters Degree Thesis at West Texas State this summer. While in college she was fortunate enough to tour Mexico and Canada as a member of the choir.

Singing and sewing are Mrs. Strait's hobbies while her goal for this year is to encourage students to learn by exposing them to a wide variety of activities and experiences.

## Carole Sanders Teaches 6TH

Mrs. Carole Sanders teaches Math, Geography, Spelling, and Art to sixth grade students in Tahoka Junior High School. She and her husband, Thomas, who live at 2005 North 2nd Street in Tahoka are both from Pecos and are both graduates of the University of Texas in Austin. Prior to entering Texas University, she attended Texas Christian University for one year. This is the second year Mrs. Sanders and her husband, who teaches high school Math, have been with our school system. She attended summer school at Texas Tech this year.

A new era for the home furnishings industry... That's Debut 1972. And, it's the first national home furnishings event for America.

Initiated this fall, Debut '72 is a home furnishings version of the Paris couture openings... an environmental fashion show. The idea is to bring together coordinated furnishings in total-look room settings.

In the past, consumers may have shopped for weeks, trying to choose from the abundance of furnishings available, only winding up confused and disenchanted. Now, the industry hopes to help the consumer with her decision-making by consolidating collections of nearly three hundred manufacturers and suppliers into one super collection... Debut '72.

As a new shopping approach, the "super" showing features model room and vignette displays. While making the consumer aware of fiber, texture, color, pattern, performance and cost, the aim of the displays will be to relate selections with individual decorating concepts and life styles.

The consumer should be able to realize her dreams and desires for a beautiful, well-designed personalized home... no matter what income level. Across the country, an estimated four to five thousand stores will feature Debut '72.

Manufacturers and retailers are working together to put the consumer first. Many innovative designs enhancing the total environment or home furnishing "package" concept will be seen.

Next regular meeting will be Tuesday November 9, at 7:30 p. m.

Mr. and Mrs. Dave Hubbard and Mr. and Mrs. Billy Hubbard and girls of Lorenzo, visited Mr. and Mrs. Reb Burkhalter and family in Carrollton, last Sunday.

slices of potatoes to cover bottom. Spread onion rings over potatoes. Top with chicken pieces. Fill in spaces between chicken with green beans. Combine soup and sour cream. Pour over all. Bake in 350 degree oven about 1 hour and 10 minutes. Makes 4 servings.

## Rebekah Lodge Halloween Party

Halloween decorations and costumes were featured Tuesday night October 6, with Tahoka Rebekah Lodge No. 209 met in regular session. Noble Grand Trudy Schuknecht presided at the short business meeting.

The occasion was the annual "Rebekah Friendship Night." Inclement weather conditions prevented some lodges in the district from visiting but there were six members of Brownfield No. 56 present. District Deputy President Imogene Nicholson was a special guest.

Games were played and a barbecue chicken supper was served.

Next regular meeting will be Tuesday November 9, at 7:30 p. m.

## Phebe K Club Collect Flatware

The Phebe K. Warner Club of Tahoka will join with the Caprock District Texas Federation Women's Clubs to collect the stainless steel flatware settings being placed in various 1961 through the area. Phebe K. No. 1 and No. 2 will provide a box where interested persons may place these sets of ware if they wish to contribute to this worthy cause. The flatware is being collected for use at Girlstons, which is located at Whiteface, Texas. There is also a need for cloths, dish cloths, cup and party hosiery and all types of toilet articles. Mrs. Maud Huffaker is Chairman of Projects and Finance Committee and Mrs. J. D. Aldridge is President of the local organization.

Any persons interested in contributing any of these items is urged to contact any Phebe K. Warner Club member. The flatware will be placed in the box provided for the local stores.

T-BAR BRIDGE: T-Bar Country Club will have a picnic on Tuesday night, October 26th. Mrs. Wharton and Mrs. Alley Robinson placed Mrs. Wilmer Smith and Mrs. Hill were second, and Mrs. Auda Norman and Ploy were third.

DEBBIE WRIGHT, daughter of Mr. and Mrs. Bryan Wright has been named to Who's Who among students in American Colleges and Universities. Debbie is a senior at Texas Tech.

## Larry Lee Science Teacher

Mr. Larry Lee teaches science in Tahoka Junior High School. This is his second year of teaching both of which have been in Tahoka. He is a graduate of Texas Tech having attended Lubbock Christian College and Eastern New Mexico State at Portales. Prior to enrolling at Texas Tech, he was an outstanding athlete at Snyder High School and received many athletic scholarship offers.

Mr. Lee and his wife Janet, who is from Floydada, live at 1001 North 5th Street in Tahoka with their sons, Jimmy and Michael, ages five and two respectively.

Mr. Lee's hobbies are sports and science, and his goals for this year are to provide a well balanced science program for junior high students which can be used as a basis for their high school science work.

## Carol Strait Teaches Jr. High

Mrs. Carol Strait is teaching Reading, English and Choir for the second year in Tahoka Junior High School. Prior to coming to Tahoka she taught at Kress and Olton. She attended Wayland Baptist College in Plainville where she met and married Bobby Strait who is Music, Youth and Education Director for the First Baptist Church at Tahoka. She received her B. A. degree from Wayland and has done graduate study at West Texas State and Texas Tech.

Mrs. Strait is from Amarillo while her husband, Bobby, is from Richardson, Texas. They live at 1701 North First in Tahoka where they are

## Ethel Denzy Teachers Aid

Mrs. Ethel Denzy is a teacher aide in the Special Education Program in Tahoka Junior High School. Mrs. Denzy grew up here and is a graduate of Tahoka High School. She attended West Texas State University and Lubbock School of Vocational Nursing.

Mrs. Denzy is married to Terry Denzy who works for Farm Pac Kitchens in Lubbock and they have two children, Corey Wayne and Tonia Reshell.

This is Mrs. Denzy's second year with the Tahoka Schools, and she has attended numerous workshops on Special Education and the duties and responsibilities of teacher aides. Sewing and cooking are Mrs. Denzy's hobbies and her goals for this year are to stress the importance of staying in school and trying to learn as she feels this is a necessity in today's world.

ELVIRA VEE PRESENTS "HORROR-SCOPE" YOUR CHARACTER ANALYSIS PLUS A DAY-TO-DAY LIFE GUIDE

## SCORPIO

Men and women born under the sign of Scorpio have very active minds, body and police records. This sign is all fuzzed up with mythological happenings about a pretty lady who gave a nice man a scorpion which promptly bite him and gave him such a lump he never got over it. Much of life is like that for the Scorpios . . . They never get over it or in it or anything about it. To begin with Mercury rules the pelvis of each Scorpio. Due to this pelvic problem Scorpio has a thing about love. Crying out for love, but shoving it away when it comes. (Doesn't this one choke you up?) Scorpio men, on the other hand, find happiness in the Armed Services, since they are simply marvelous cheaters at poker and craps. The women are neat and clean and take care of business, especially other peoples.

## Time Now For Mailing Overseas

If you plan to send Christmas presents to your friends and relatives serving with the military forces overseas, you'd better get busy. The following dates are suggested for the various types of mail services available: Ordinary surface parcels by Nov. 8; SAM (Space Available Mail)

by Nov. 19; PAL (Parcel Air Lift) by Nov. 26; Airmail parcels by Dec. 10; ordinary greeting cards by Nov. 15; and airmail greeting cards by Dec. 10.

Postmaster Charles Townes reminded that some packages never reach their destinations because they are poorly wrapped or incorrectly addressed. He offered these suggestions to Christmas package mailers: See that all packages are durable, so they won't fall apart under handling; that all packages are wrapped in heavy paper and tied with strong twine; that the contents are tightly packed; that the correct address is legibly printed on one side of the package giving the name and address of the mailer and addressee and listing the contents of the package. The use of stick-on labels is discouraged, because such labels will come off if they get wet.

## Wilson School Menu

MONDAY: Veg. Beef Stew, Lettuce Tomato Salad, Crackers, Milk, Cinnamon Rolls. TUESDAY: Enchilada, Broccoli, Milk, Hot Rolls, Butter, Apple Betty. WEDNESDAY: Fried Chicken, Cream Potatoes, Indian Cole Slaw, Hot Rolls, Milk, Plain Jello. THURSDAY: Meat Loaf, Spinach, Corn, Cornbread, Butter, Peach Cobbler. FRIDAY: Hamburger with Cheese, Veg. Salad, Onions, Pickles, Orange Juice, Buns, Milk, Chips, Buttered Rice.

## 5-B Presents Halloween Skit

The students of room 5B of North Elementary School presented a Halloween skit, "The Ballad of Lucifer Mean," on Friday, October 29 in the school gymnasium. Cloye Roseberry was Master of Ceremonies. Characters in the skit were: Narrators - Kay Pehsworth, Melinda Terry, Mary Gayle Raindl, Diana DeLeon, and Brenda White. Lucifer Mean - Carlton Ash; Ghost of Halloween Eve - Darryl Stotts.

Other class members participating in the skit were: Elena Aleman, Flora Antu, Mickey Bertreux, Johnny Calvillo, Roger Cloe, Jack Dunlap, Vicki Dunn, David Garcia, Roxanne Gutierrez, Dean Hagle, Carlton Jolly, Sharon Jolly, Martin Liendo, Ray Morales, Debbie Pinkston, Ronald Scott, Mary Alice Sosa, Robin Taylor, Joe Zedlitz, Pauline Sepeda, Betty Jean Cazares, Lupe Resendez, and Marva Pierce. Mrs. Patterson and Mrs. Atwell directed the skit.

## Wilson 4-H Club Met Tuesday

The Wilson 4-H Club met Tuesday at the school building and elected officers. The following officers were elected: Calvin Wilke, president; Joe Clarey, vice-president; Jody Burbeson, secretary; and Denny Garcia, reporter.

## Wilson 4-H Elects Officers Post Music Club To Have Program

The Wilson 4-H Club held its first meeting of the year on Oct. 12 at 9:30 a.m. in the math room of the Wilson Jr. High building. Bill Griffin county agent and Mrs. Huffaker were present and discussed projects each member would take. Officers elected are as follows.

President, Johnny Areonal; vice president, Joy Arnold; secretary, Donna Brieger; reporter, Cindy Wuensche.

There were 20 people present but some did not join.

## Family Planning Meet Today

A Family Planning Meeting will be held Thursday, Nov. 4, (today) at 2 p.m. at the Community Center.

Mrs. Marilyn Miller, RN will show films on family planning. Everyone is invited to attend.

## Fulkerson's To Be Honored Sunday

Mr. and Mrs. Charles Fulkerson, 913 East Oak Street, Brownfield will be honored at an open house, for their 50th wedding anniversary, Sunday, Nov. 7, from 2:30 to 5 p.m. Everyone is invited to attend.

Visiting in the Carl Williams home last week end were Mr. and Mrs. J. P. Davis and family of Midland.

On the two nights, November 4 and November 6, Post Music Club will present an original adaptation of the folk tale, "Snow White and the Seven Dwarfs".

Included in the program will be vocalists, Martie Pennell, Lex Roby, Marilyn Miller, Jim Wells, and George Miller as soloists. Instrumental numbers will also be presented as well as rhythmic background music. Mrs. Jo Ann Mitchell, Mrs. Jan Cornwell, Mrs. Boo Olson, and Mrs. Libby Ford will provide piano accompaniment throughout the performance. Members of the club chorus will portray the seven dwarfs. Mrs. Wanda Mitchell, Mrs. Rosemary Chapman, and Mrs. Zoe Kirkpatrick will do impersonations of forest animals and a variety of dance numbers. Mrs. Wesley Scott is directing the production.

Illustrious and unusual stage settings were created by Mr. Joe Taylor assisted by club members. Original costumes were also designed by club members. "Snow White and the Seven Dwarfs" was presented by the club five years ago and is being reassembled by requests of many parents and friends who enjoyed it tremendously at that time. It was truly an unforgettable experience for the children and adults alike. Admission prices are \$1.25 for adults and \$.50 for students. Post Music Club annually contributes to worthy community endeavors. This presentation will enable them to further such projects.

# INSTANT CONTROL

Efficient, economical and controlled - that's the story on the largest electric generating unit on the High Plains.

That would be the first unit at Clifford B. Jones Station - Southwestern's new power plant southeast of Lubbock. It will be open Saturday and Sunday and we hope that you'll come. You'll see instant control - and a real powerhouse planned for your electrical future.

Don't miss the OPEN HOUSE  
Saturday, November 6 - 11 a.m. - 7 p.m.  
Sunday, November 7 - 1 p.m. - 7 p.m.  
Dedication Ceremony - Saturday, 11 a.m.

GOLDEN ANNIVERSARY  
The ELECTRIC Company  
1921-1971

Jones Station is southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road (FM 3020). Be sure to dress casually and comfortably for the plant tour and ladies should wear low-heeled shoes.

**NURSING HOME NEWS**

Hello from your friends at the Nursing home. We had lots of visitors and nice things done for us. We had a good Halloween. The fourth grade Girl Scouts with Mrs. Paris, leader, came and sang for us and passed around "spooky" candy. Thank you so much girls for thinking about us. Most of these girls signed our guest register and you'll find their names at the end of the column. Also, Mrs. Noble one of our L.V.N. made a plate of Halloween candy for each patient. Everyone enjoyed it so much.

Mr. A. J. Kaddatz celebrated a birthday this past week on Halloween night as a matter of fact! He had lots of visitors and shared a beautiful birthday cake. Mrs. Noble celebrated the same day. Happy birthday, folks.

Mr. George Jones had to go to the hospital several days. He is back with us now and feeling much better.

Mrs. Makovy and her daughter and grandson were in to visit old friends and make sure we were still running the kitchen right without her. She brought us a cake and we enjoyed her visit.

Thank you Milt Draper for the turnip greens.

Corine Izard was feeling much better this week and was even able to go out to dinner with Mrs. Carpenter and Ruby Harvick. Mrs. Otto Carter sent her a huge bouquet of mums. Other visitors to her room were: Mrs. J. C. Womack, Mr. and Mrs. Ernest Walker, Nell and Nelma Gandy and Audrey Akin. When you're in the home go by and say "hello" to Corine and see her sitting in her new rocking chair.

Elizabeth Connell and Mrs. Nell McCray were in to see Mrs. Connell this past week. Jean Jackson brought her son, Joe, to visit. He gets around real good with crutches and we're glad to see him doing so well.

Toy Bell Uery went to Austin this week to take her State Board Examination to get her L.V.N. license. She won't know the results from this test for about 6 weeks, but we sure wish her well.

A special thanks again to Mrs. Pauline Smith for coming and singing for us. Our favorite song she sings is "Where will you be a million years from now?" It really makes us think!

Mr. Polk's granddaughter brought him a cake and Mrs. Dennie Polk took him out for a ride and to town to take care of some business.

Mrs. Hammonds, Mrs. Luther Wood, Mrs. Pearl McDonald, and Mrs. Avis Henry brought our Monday singing and piano playing. We've grown to expect these folks who give of their time for us. Thank you, ladies.

Mrs. McCord had dinner at the Thomas' home Sunday. Several of her children were there Ruth and Carlce Edwards, Bascum and Estella McCord and others. She said she sure enjoyed the day.

We request your continuing prayers for those of our "family" who are very ill. This week let's remember Bonnie Smith and Mr. Haney.

The Assembly of God Church brought our Sunday Church services. All of us who were out were blessed.

Mother Stewart had special visitors, her two sons and daughters-in-law from San Antonio Texas. She got to see her 3 month old grandson and had her picture made with the visitors.

Mrs. Hill is sporting a new permanent and pretty hairdo. Minnie Conwell came and gave her a permanent and Mrs. Hill's daughter, Jean Freeman gave her a shampoo and set.

Claudia Cawman wishes to thank everyone for the prayers and good wishes when she suddenly became ill and had to miss work this week-end. The patients miss her when she doesn't work but not nearly as much as she misses them!

Mr. Dial goes out almost every afternoon with Mr. Hines. They go to town to play dominoes.

Bib Benson made her regular visit to see her daughter our Mrs. Byrd. Mrs. Wood's daughter, Adaline Cox and her family and Mr. Frank Woods, were in to see her over the week-end.

Other visitors signing our guest book, and there's lots of them, were: Mrs. Bob Ruthledge, Mrs. Carl Griffin, Sr., Mrs. Grover Tomlinson,

Miss Treasure Uery, Jo Anna Adams, Sharon McNeely, Johnette Hatchett, Helen Payne, Pam Witt, Vickie Jolly, Jackie Nance, Dianne Merryman, Sharla Short, Kinda Windham, Jerri Beth McKibben, Kellie Paris, Julie Dunlap, Maxine Paris, Melante Windham, Mrs. Edd Akin, Mr. and Mrs. Jack Cox, United Pentecostal Church, Mr. and Mrs. Roy Prado, Mr. and Mrs. Otis Haney, Mr. and Mrs. W. O. Duff, Jr., Mrs. Charles Stewart, Charles Marus and Clay Henry, Mrs. C. A. Thomas, Mrs. G. M. Stewart, Mrs. V. V. Hones, Della and Odilla Cabdello, Lucy Pena, Dahlia Gutierrez, Mrs. Paul McDonald, Mrs. Luther Wood, Mrs. Carroll Edwards, Staci Short, C. E. Birdwell, Margaret Pena Mr. and Mrs. Ernest Walker, Leona and Bill Waldrip, Lavonia Lowe, Mrs. Neeley Brooks, Mrs. J. S. McKaughum, Erylne Womack, W. M. U. First Baptist Church (candy), Mrs. G. B. Sherrod (flowers), Elma Antu, Pat Benitez.

**Rites Held For Truman Balch**

Truman Balch 70, of Mineral Wells for 20 years, died about 3:10 p.m. Tuesday in Mineral Wells Hospital.

Services were held at 2 p.m. Friday, in the Tahoka First Baptist Church with the Rev. Jim Turner, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Balch was born Jan. 28, 1901 in Jonesboro, he lived in Lynn County for many years and married the former Jeanette Oliver Jan 23, 1949 in Odessa. He was a member of the New Home First Baptist Church and was a retired real estate broker.

Survivors include his wife; a daughter, Mrs. Frank Timmons of Lubbock; two stepdaughters Mrs. Paula Todd of New Orleans, La., and Mrs. Nancy K. Piccolo of San Bernardino, Calif., a step-son, Tommy Brock of Houston; a sister, Mrs. E. G. Blair of Farwell; four brothers, Woody of Mineral Wells, John of Big Spring, E. R. of Lubbock and Arthur of Canon City, Colo.; 11 grandchildren and 2 great-grandchildren.

Pallbearers were Don Balch, Jerry Don Balch, Lonnie Balch, Jerry McNeely, Russell Balch and Bobby Fillingim.

**Voter Conference At Tech**

A Regional Voter Registration Conference for young voters will be held at Texas Tech University in Lubbock on Saturday, November 6. Interested young people from the northwest quarter of Texas will be brought together to learn what the voter registration law provides, how to organize a voter registration drive, and the details of both parties' convention systems.

The Conference will include seminars on Voter Registration, with explanation and discussion of the new registration law and techniques of organizing voter registration drives; Party Convention Systems, including explanation of how to participate in one's party convention - with emphasis on the precinct level; and an Issues Seminar, outlining and discussing pertinent issues facing young voters at the local, state, and national level. The Conference will also include special workshops for Blacks, Chicanos, Women, High School, and College Students.

The Voter Registration Conference is non-partisan in the sense that it includes and has the support of both Democrats and Republicans.

For further information call Hank Fletcher or Pat Moody at (806) 742-2250, Student Association Office, University Center, Texas Tech Univ., Lubbock, Tex.

**Church News**

Visitors attending services last Sunday at the First Baptist Church were Mrs. Albert DeBusk of Hobbs, Mr. and Mrs. Abe Turner of Haskell, Mr. and Mrs. J. P. Davis and family of Midland, Mr. and Mrs. Alex Webb, Lynn and Webb of Slaton, Erma Riley of Lubbock and Newman Bartley of Tahoka.

Visitors attending services at the Baptist Mission, last Sunday were Jesse and Janie Velazquez of Lubbock, Lupe Valdeze, Luis and Roy Salinal and Tomas Tijerina, all of Tahoka.

**ATTEND THE CHURCH OF YOUR CHOICE**

THE DOOR through which hundreds of laughing brides and grooms have made their exit in a shower of rice.

THE DOOR through which a thousand babies have been brought for holy baptism.

THE DOOR through which tens of thousands have entered to worship God and left to serve mankind.

THE DOOR which opens and closes countless times — always leaving its mark on the souls of men and women.

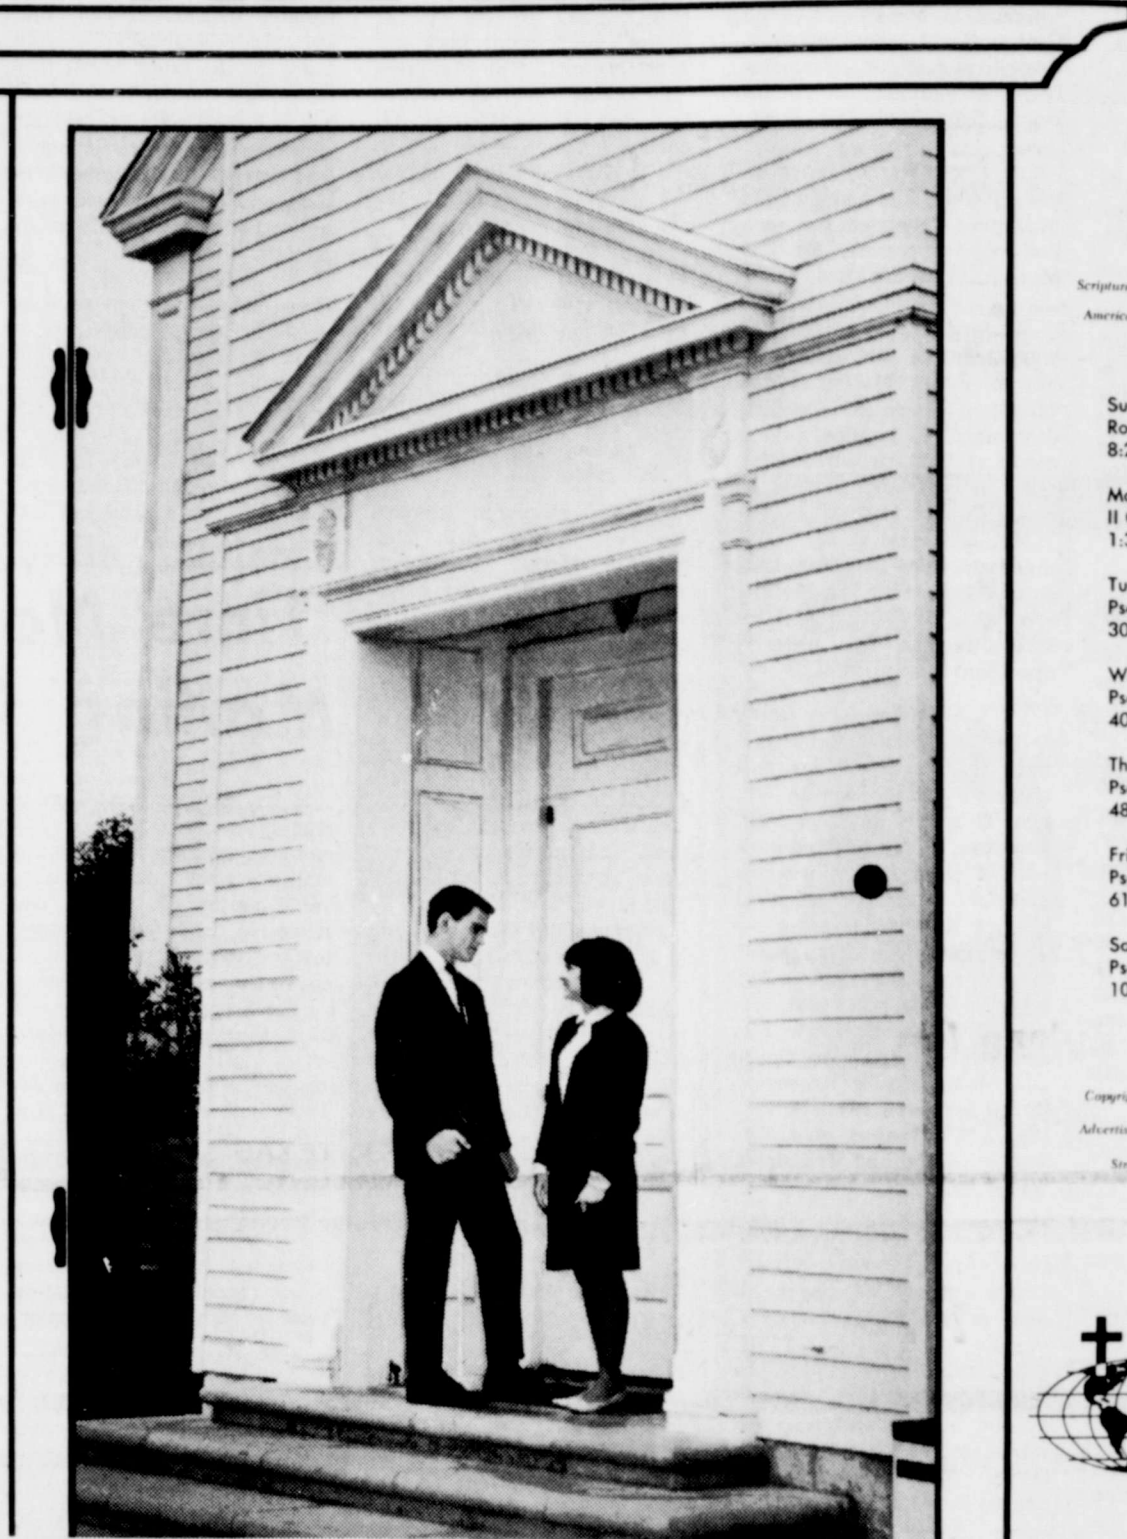

Today before THE DOOR boy meets girl. No better time. No better place.

Will their friendship blossom into love? Will they one day share that shower of rice — and bring their own child to the font?

THE DOOR cannot answer such questions.

But THE DOOR can open for them, as it does for all men, the Way to God's blessing in our dreams and our hopes.

**THE DOOR**

Scriptures selected by the American Bible Society

- Sunday Romans 8:26-39
- Monday II Corinthians 1:3-11
- Tuesday Psalms 30:1-12
- Wednesday Psalms 40:1-10
- Thursday Psalms 48:1-14
- Friday Psalms 61:1-8
- Saturday Psalms 107:1-9

An hour's factory pay today can buy 8.9 pounds of frying chicken. In 1950, one hour's pay would buy only 2.4 pounds. 44-1tp

I'd like to thank all my friends my pastor, Sunday School teacher for your visits and prayers.  
The beautiful flowers, cards, gifts and the Church of Christ for the pillow corsage each Sunday, while I was in the hospital and for the food brought since I've been home. Especially do I thank Dr. Thomas and Dr. Prohl and all the nurses for their care, also Martin White.  
May God bless each and everyone of you.  
Mrs. Pat Hines. 44-1tp

The family and loved ones of Truman Balch wish to thank their many friends for all their kindnesses, the food, the prayers and kind words.  
Thanks also to Bro. Turner and Mr. and Mrs. White.  
May God graciously bless each and everyone of you. 44-1tp

WANTED: Middle-aged or elderly couple; woman needed for housework, man to work either full or part-time on farm. House furnished on farm, bills paid; good salary Write R. S. Greer, Box 1142, Tahoka, Texas 79733. 44-tfc

All of the people that live in the Golden Manor Apartments wish to express their thanks to the Tahoka Lions Club for the new washer and dryer they donated. It was needed very much and we know your kind deeds will always be remembered.  
Thanks and God bless you. The Citizens in Golden Manor Apartments.
