# Open House Set At First National

# **Visitors Invited To** Visit Sunday

opened for business last Monday in it's new quarters and will hold it's open House, Sunday, November 28 from 2 to 5 p.m. The modern new banking facilities is located on the block formerly occupied by Cicero Smith Lumber Company. Everyone is invited to attend.

At the same time, Southwestern Public Service Company will be open for inspection by visitors at its new quarters adjoining the bank on the south. SWPS moved to its new quarters last week.

Workmen are busy this week putting finishing touches to the building, installing new equipment, landscaping the grounds and moving many of the records from the present bank building.

The building is of contemporary Spanish style architecture, exterior finish of exposed marble aggregate. Interior desing features pastel colors, most modern furnishings, and abundance of room for customers and bank officers and employees.

The building contains about 8,000 square feet of floor space, plus a 2,000 square foot basement, and 1,500 square feet office space in the adjoining building for SWPS. Also, there is a community room of about 900 square feet which has seating for 40 people. Court yards enhance the beauty of the building.

Tahoka's First National Bank is a far cry from the modest beginning sixty - five years ago on May 4, 1906, when its predecessor, First State Bank, opened for business with paid up capital stock of \$10,000.

Nearly a year later, on March 16, 1907, the First State was liquidated, some more stockholders were added in a reorganization move, and the First National Bank of Tahoka was chartered with

paid up capital of \$25,000. First bank statement, published in The Lynn County News on April 5, 1907, showed the bank had total resources of \$80,599.90 and individual deposits of \$48,042.09.

The last report was on Sept. 30, 1971, when the bank showed total resources of \$13,957,111,75 and deposits of \$12,376,676.34. Capital stock now is \$400,000 and surplus \$400,000.

According to files of The News, original First National owners included O. L. Slaton of Lubbock president; Jack Alley, vice president; W. D. Nevels, cashier; W. B. Slaton, Nevels, Alley, E. D. Skinner, G. W. Reed, G. W. Coughran, and W. S. Posey of Lub-

O. L. Slaton, Nevels, Posey, Alley and Coughran had organized the old First State Bank, predecessor to First National.

Actually, the First National's move to its new modern plant this year, is only the third move made by the institution since it was founded.

First, the bank occupied a small wooden structure on the north side of the square. Then it built the brick building, then the most imposing in town, at the northwest corner of the square, the building now occupied by the County Agents' offices and the

City . County Library. After Guaranty State Bank was organized in the 'teens, the two banks exchanged buildings and the First National became owner of the building from which it is now moving.

A. L. Lockwood acquired stock in the bank in the early days, and in about 1920 succeeded O. L. Slaton as presi-

The First National Bank dent of the institution. He headed the bank until his death on March 26, 1944. His widow Mrs. Ione T. Lockwood, succeeded him and served as president until her death on Sept. 6, 1955.

W. B. Slaton, nephew of O. L. Slaton, who had joined the bank as a bookkeeper in1907 at the age of 19, advanced to cashier in 1912 to succeed W. D. Nevels, became vice president in 1950, and president and major stockholder in 1955. Actually, he had been head man in the bank many years prior to that.

When Mr. Slaton suffered a stroke in 1956, A.C. (Charles) Verner, who had been associated with D. W. Gaignat Hardware and Furniture several years, joined the bank and soon became the president March, 1961. He served until December, 1963, when he went to First National of Lubbock as executive vice president, later becoming president of that institution.

Mr. Slaton passed away August 10, 1961, and Mrs. Slaton and daughter, Mrs. Lucille Lethenstrom, inherited the majority stock. Earlyin 1964, they sold their stock to Dr. C. M. Phillips, prominent Levelland physician, and his sonin-law, James S. Moore, Lubbock attorney. Sale of the stock ended 57 years of the Slatons association with the bank .:

F. B. (Pete) Hegi, who came to the First National in 1929 as a clerk, became president of the bank Jan. 1, 1965, the position he still holds.

Reared at Petersburg the son of pioneer Plains settlers, he started his banking career as a youth with the Petersburg bank, and has now been with the local bank 42 years, serving successively as teller, cashier, vice president, and ' president and director.

Warren Embree, senior vice president, came to the local bank from presidency of First National Bank of Bovina. A banker of many years experience, he was at Petersburg six years and Lockney three years.

W. Garland Thornton Jr., executive vice president is a native of Littlefield, and prior to coming here from Richardson, where he was a bank officer, and before that an officer of the Shallowater bank.

Latest addition to the official staff is James R. Atwood, who came here last month as cashier from Abilene, where he was assistant cashier of Citizens National Bank.

Other bank officers include W. H. Eudy from Hillsboro Citizens National, who joined the local bank in 1950, and J. W. Inklebarger, reared at Grassland, who joined the insitution in 1945, both assis-

tant cashiers. Directors are Dr. Phillips, board chariman, Hegi, Moore, Thornton, Embree, Eudy, Verner, Bryan Wright and W. T.

Kidwell. Kidwell and Wright were elect ed to the bank board in January, 1971.

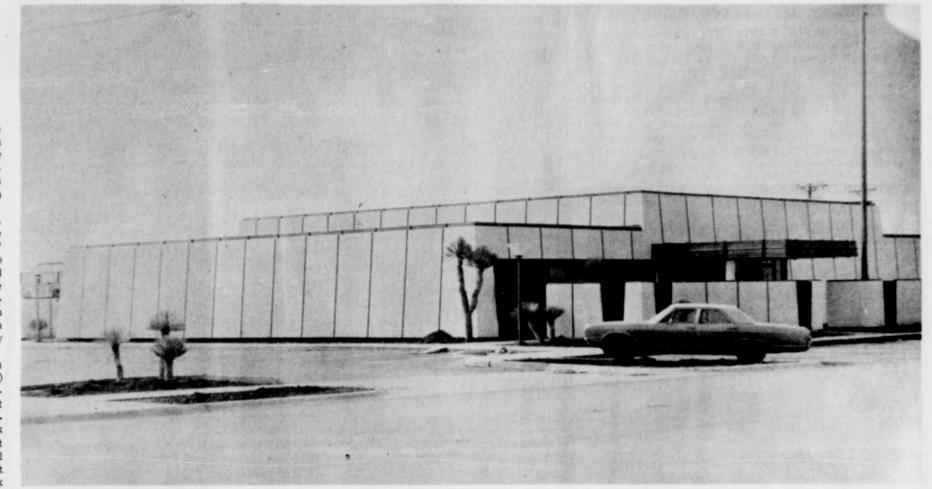

Other bank personnel include: Darlene Gurley, teller, Helen Biggerstaff, bookkeeping; and drive-in teller, Ann David-

Bookkeeping department, Marjorie Craig, Margaret Stone, Cathy Kounovsky, Dorothy Jones, and Susan Zant. Proof department, Darlene Rash and Ricky Gurley.

Custodian, Raymond Monte-

Orginally, all bank records were kept in longhand, but in 1912 the institution bought that modern invention, a typewrit-

NEW BANKING HOUSE. Shown above is an outside view of the new home of First National Bank of Tahoka. The bank will hold it's Open House this

Sunday, November 28 from 2 to 5 p.m. Everyone is invited to attend. The bank is beautifully decorated inside and will enhance the beauty of Tahoka.

### **Hunting Pictures** Shown At Rotary

Rev. Hugh Daniel, local Methodist pastor and hunting engram at Rotary last Thursday which included color pictures taken on Aoudad sheep and mule deer hunts in Palo Duro Canyon on the McGeehee Ranch near Wayside.

Rev. Daniel is one of the few hunters who has been able to kill one of the rare Aoudad bucks stocked in the rough canvon a few years ago.

In a talk which accompanied showing of the pictures, the ·speaker put up a defense of gun ownership and had an

answer to some of the so-

called exology experts. The market hunter, and not the sportsman hunter, is to be blamed for game depletion in certain areas. Control of game, such as prairie dogs and deer, is necessary or they would soon overgraze grassland important to the stockman. Sportsman hunters do

tion however, he said. Furthermore, he said the sportsman is important to the economy of the country, as 17 million hunters spend 2.2 billion dollars. Federal duck stamps alone bring 117 mil-

not oppose good gun legisla-

lion to the U. S. Treasury and to propogation of game. thusiast, presented the pro- As a result of sportsman programs and state and federal game laws, there is more wild game today then in the

> Rev. Daniel is a live member of the National Rifle Association. While pastor at New Home, he won the state rifle marksmanship championship.

Garland Thornton was in charge of the program and introduced the speaker.

### Band Selling Fruit Cakes

The Tahoka Band students are again selling Manor Texas Fruit Cakes. These cakes are packed in blue tin with the Texas Bluebonnets on top. They make lovely gifts and come .with greeting card and packed in a sturdy carton, ready to ship. They are made from a famous Southern recipe and filled with the choicest fruits and nuts blended in a perfectly balanced batter of just enough butter, eggs and flour.

These cakes can be purchased from any band member for only \$4.35 each. So let's help our band and enjoy a delicious Fruit cake.

> Cotton Executive Retail food prices are up 48 per cent over what they were in 1947, '48 and '49 according to Don Johnson, Executive Vice . President of

the Plains Cotton Growers. Johnson spoke to the noon meeting of Lions last Wednesday during Texas Food and Fiber Appreciation week.

Although food prices are up considerably the farmers share total is down 3 per cent over the same period.

Johnson, designated as an official spokes man by the Gov. ernor for Food and Fiber week talked mainly on points of interest to people who are not connected with farming. Several points were made to point out that the inflation trend is not caused by the farmer but rather the people who process farm commodities.

In one instance he mentioned the farmer received only 23c for the cotton in the \$9.00 shirt he was wearing.

Todays cotton farmer is selling his cotton below the actual cost of production. This is the answer to why we have Federal programs although only 2 per cent of the Federal budget actually benefits the agriculture producer.

"The future of agriculture depends on public understanding," stated Johnson.

Agriculture is our nations largest industry and therefore contributes more to the nations well being.

In Texas alone, agriculture is an \$8 billion business. \$3.7 billion from actual production of farm commodities and another 4.3 billion from the processing, manufacture and distribution of agriculture related products.

Johnson pointed out that food

processing is our states largest industry and 4 out of 10 people derive their incomes from agriculture orientated

Lions Hear

Each Lion was urged to take an active and interested view in agriculture.

County Agent Bill Griffin introduced the speaker.

In other business, the club has started it's annual Christmas wreath project and orders are now being taken for the evergreen wreaths.

Lion Boss Jackie Jaquess announced that one of the pin designs submitted by Lion Ed Redwine on behalf of the club won the district competition and will be adopted as our official district pin.

Visitors at last weeks meeting included Q. T. Brian of Abilene, and Marvin Dixon of Big Spring.

Prospective members and visitors are welcome at each meeting of Lions.

### Past Days In Lynn County

Copied from Nov. 8, 1934 of the present control plan and A county-wide meeting, to be held in Tahoka Saturday afternoon. Nov. 10, 2 p.m. at the court house, has been called. the purpose of which will be to permit a discussion among

farmers of the Bankhead act. Farmers of Lynn county, whether in whole-hearted sympathy with the act or not, are urged to attend this meeting as the body will likely ask for a modification of the present

The meeting called for next Saturday is the outgrowth of one held at Redwine Monday night, when approximately one hundred farmers from that and adjoining communities discussed the cotton situation and the Bankhead bill in particular. Several modifications

new plans were suggested.

Practically all the stores of Tahoka will close Monday in observance of Armistice Day, which comes on Sunday this year. The day is an official holiday in Texas, and the bank and post office will likewise be closed.

A closing agreement was signed this morning by all grocery stores and markets, dry goods, variety, hardware stores and shoe shops. It is presumed barber shops and filling stations will likewise observe a holiday.

Postmaster W. C. Wells reports that the office has sold fifteen government stamps permitting the killing of ducks,

The car is a 1929 model coupe with yellow body and black fenders.

Copied from Nov. 15, 1934 Dr. E. E. Callaway and Grover Stewart left Thursday morning to spend a few days hunting deer down in Gillespie

Aubra Cade and T. I. Tippit left Wednesday afternoon for the hill country of southwest Texas to try their marksmanship if any fleet-footed deer should cross their path. R. H. Turner and E. S. Tippit also loaded their guns into a car and "lit out" for the deer country.

Sheriff B. L. Parker got the deer fever early. He and W. O. Thokas, A. I. Thomas and Bob Finley of Wilson left very early Wednesday morning for Del Rio and Devil's River region expecting to bring back a big assortment of venison.

Cody Bragg, C. T. Tankersley, and Joe Tankersley left Thursday morning loaded for deer, and bear too, if any member of Mr. Bruin's family should raise up and defythem. L. A. Mooney of Petty and F. M. Middleton and J. F.

and Bill Farris of New Home are also on their way to the mountains of southwest Texas to engage in the popular sport. There are doubtless quite

wife, Ann, have three married daughters: Mrs. Cal Womack of Tahoka, Mrs. Jim Crawford of Muleshoe and Mrs. Ken Lamberson of Lubbock. a number of other Lynn county citizens not reported to us who have betaken themselves to the haunts of the deer this week.

Drawing names and making other plans for the Christmas party to be held about a week before Christmas in the home of Mrs. W. W. Harris was the chief business attended to by the All-Sew Club in their meeting in the home of Mrs. G. M. Reid, November 8.

We may hear from them later.

During the social hour a refreshment plate of delicious pie with coffee was served to the following club members and visitors: Mesdames A. L. Lockwood, A. I. Thomas, H. B. Howell, Roy Leslie, J. A. South, V. F. Jones, J. D. Strickland, R. L. Richardson, M. O. Canaday and J. B. Stokes Mrs. H. C. Smith, will be hostess for the next meeting. November 22, and we urge every member to be present.

SOUTHWESTERN MANAGER. Harold Roberts, came to work for Southwestern Public Ser-

vice Company on October 20, 1948 at Levelland as a clerk in the accounting department

and advanced to office manager before moving to Tahoka as manager October 1, 1961. Harold

has served as president of the Tahoka Rotary Club, President of the Tahoka Chamber of

Commerce and is the present president of the Tahoka Industrial Foundation. Harold and his

Copied from Nov. 22, 1934 Little Dannie Lockaby, the 13 months old son of Mr. and Mrs. T. M. Lockaby living in the South Ward community has been given honorable mention in a nation wide baby contest held at the Century of Progress in Chicago. The child has been awarded a gold me-

More improvements are being made this week on the Tahoka High School campus, relief workers being used on the work, Dr. L. E. Turrentine of the school board states.

The work consists of claying tennis courts, improving a basketball court, and further levelling up the school grounds, The board hopes to be able to set out some trees on the campus soon.

Tahoka has another short wave radio operator.

Raymond Bulman reveived a Federal license Saturday to operate amateur radio station

W5EQS, bother the sending and receiving sets being built by himself.

Raymond reports that he has carried on conversation through the ether with a "ham" in Vancouver, Canada, and with two private stations in Mexico. He picks up stations over many parts of the United States.

The only other amateur radio operator in Tahoka is G. A. Brasfield, who likewise built

Football season for the Tahola Bulldogs is over. Friday's game with Ralls in which the Pups played a good game against a much stronger squad brought it to a close. In one sense of the word the season has been a success. Ever though the percentage of victories is not large the Bulldogs have learned to play anew type of football. They have a new conception of the purpose of the game. They have made many errors but they have profited by them and will be better prepared to fight harder next year inasmuch as spring training now seems likely. It is possible that one more

game, Bulldogs vs. an all. star team, may be staged Thanksgiving Day. The pur. pose of this game is to raise enough money to finish paying for sweaters for letterman,

### Rites Held For George Upchurch

George Melvin Upchurch, 41, a Ropesville resident for 11/2 years, was dead about 3:30 p.m. Wednesday on arrival at Lubbock's Methodist Hospital. Justice of the Peace Charles Smith conducted an inquest and ruled death due to a heart attack.

Services were at 2 p.m. Saturday in Tahoka First Baptist Church with the Rev. Hezekiah Hallum, pastor of Ropes. ville First Baptist Church, officiating, assisted by the Rev. Jim Turner, pastor. Burial was in Tahoka Cemetery directed by White's Funeral

Upchurch was born Feb. 23, 1930 in Randlett, Okla., and moved to Lynn County from Blue Ridge about 12 years ago. He lived in the Lakeview and Tahoka area.

He was a ginner, a veteran of the Korean War and a member of the Lakeview Baptist Church.

Upchurch and Geneva Tuett were married Jan. 26, 1930, at Colorado City.

Survivors include his wife; two daughters, Susan Upchurch of the home and Mrs. Roger Lee of Levelland; four sons, Jimmy, Danny, Ronnie and Gray, all of the home; his mother, Mrs. Martha Upchurch of Tahoka; four sisters, Mrs. Ruth Ware of Lubbock, Mrs. Geneva Martin of Blue Ridge, Mrs. Darrell Rough of Grants Pass, Ore., and Mrs. Ruby Rhoads of Hou-

ma, La.; and a grandson. Pallbearers were D. C. Craig, Buford Bray, Melvin Marcy, Jerry Jephcott, Domingo Ybarbo and Kenneth

TAHOKA WINNER .- Pictured above is Roy Russell of 1502 Ave. L, Tahoka, holding a \$65.00 check from KLBK-TV, channel 13, for naming the correct preceeding commercial. Mr. Russell says, "It pays to look at commercials."

# **Eagles Have Winning Season**

a team wins at least two more games than it loses. This year the eagles had the best defensive teams since 1948. The 1948 team, under Coach Gano Tubb, only gave up 81 points, but they only played eight games. The 1971 Eagles gave up 109 points in ten games and scored 240

O'Donnell had the District 5.A's three leading scorers in Sophomore Odel! Hunter 82 points, Senior Rex Childress 70 points, and Sophomore Walter Brown 66 points.

O'Donnell finished the season tied for second place in regular season play and fourth in District play. Only the 1934 team (9-0)

and the 1958 team (7-3) won more games than this year's Eagles. The Eagles also won six games in 1948 and 1970. Rex Childress lead the Eagle

rushing attack this year with 1099 yards in 157 tries. He was followed by sophomore sensations Odell Hunter 808 yards in 149 tries and Walter Brown 482 yards in 92 attempts. Joe Valadez was the fourth leading rusher with 205 yards in 92 tries.

Big Mike Rodriquez lead the Warbirds on defense with 121 tackles. Mike is one of the best linebackers in this part of the state. He was followed by David McLaurin 81, Scotty Thompson 79, George Morales 71, Augustine Pena 64, Jimmy Brownlow 60, Joe Valadez 54, Rex Childress 49, Randy Williams 48, Odell Hunter 47, Kenneth Williams 41, Henry Vargas, and Walter Brown 37.

O'Donnell had six players elected to the District 5-A All-District Team. Seniors Rex Childress and David McLaurin, junior Mike Rodriquez and sophomores Odell Hunter, Scotty Thompson, and Walter

THALIA BURKS

### Thalia Burks History Teacher

Mrs. Thalia Burks teaches seventh and eighth grade history in Tahoka Junior High School. She is the wife of Melvin Burks, Director of Guidance for Tahoka Schools and has two daughters. Her older daughter, Mrs. Karen Woodman, is a junior at Texas Tech and her younger daughter, Becky, is a sophomore at Tahoka High School.

Mrs. Burks was reared in Lubbock and Crosby County and graduated from Lorenzo High School. She attended Texas Womens University one year immediately after she finished high school and then one year during World War II while her husband was overseas. She was a full-time housewife until 1960 when she started back to college. She received her B. S. Degree from Sam Houston State in Huntsville, Texas, in 1961 and started teaching that fall in junior high school at Livingston. Texas. She taught five years at Evans Junior High School in Lubbock and has been at Tahoka three years.

Mrs. Burks ia a member of the Texas Education Agency Region XVII Advisory Committee, is a member of the Lubbock Chapter of Delta Kappa Gamma and is president of the Regional (24 county) Social Studies Association. This year she served as chairman of the Welfare Committee for District XVII of Texas State Teachers Association.

During World War II Mrs. Burks lived in Norfolk, Virginia, Ft. Pierce, Florida, and San Diego, California withher In 1962 she pent two weeks in New York City and the Washington D. C. area where she took advantage of every opportunity to broaden her knowledge of American History. She has also visited bile, Alabama; and New Orleans, Louisiana. Additional Francisco, several trips to the

# Meet The Tahoka School Teachers

Old Mexico.

As hobbies Mrs. Burks lists crossword puzzles and watching T.V. (not football games). She enjoys very much the opportunity to keep her two year old granddaughter, Shelly Woodman. Her goals for the year are to help her students become informed citizens able to participate in our American society, and to help students acquire an appreciation of our American heritage through the study of history.

### Ann Whorton Teaches Reading

Mrs. Ann Whorton has been teaching remedial reading in Tahoka South Elementary School since 1966. She moved here with her husband, W. O. "Cap" Whorton, and her daughter, Barbara, from Albany, Texas in January 1965 and has really become a part of the community. Her husband is manager of Whorton Motor Company and her daughter, Barbara, who graduated as Valedictorian of Tahoka High School in 1969, is a junior at McMurry College in Abilene

Mrs. Whorton was reared at Naples, Texas while Mr. Whorton lists Albany as his home town. She attended Hardin Simmons University and has her B. S. Degree from East Texas State University in Commerce, Texas. Mrs. Whorton has 24 years of teaching experience but is constantly involved in self improvement. She attended a six weeks reading improvement program sponsored by Panhandle Educational Association in Levelland a few summers ago and this past summer she attended a reading workshop sponsored by Region XVII Educational Service Center at Cooper School. She considers the teaching medial reading by far the most rewarding work she has ever done as it is full of surprises everyday. With 24 years of teaching experience, plus taking out several years to raise her daughter, Mrs. Whorton is living proof that enthusiasm is not always the product of youth for she is very motivating and inspirational in her everyday contact with her students.

Her special interests include reading for pleasure, growing flowers, cooking, entertaining guests, collecting pottery and traveling. Her goals for the year are to be able to recognize each child as an indivi-

JANET MCWHIRTER

### Jan McWhirter Jr. High Teacher

Mrs. Janet McWhirter teaches sixth grade in Tahoka Junior High School. She and her husband, Jim, live in Lubbock at 4410 . 62nd Street. Mr. McWhirter is a general salesman for Humble Oil and Refining Company.

Mrs. McWhirter is from Dumas, Texas, and attended McMurry College in Abilene where she received her B. S. Degree with a major in English. Mr. McWhirter also graduated from McMurryCollege where he attended on a football scholarship.

This is Mrs. McWhirter's

first year to teach and she is enjoying her work very much. She likes tennis, skiing, arts and crafts, and is working on her Masters Degree at Texas Tech. Her goals for the year are to motivate each child so that his reading will contribute richness and depth to other learnings, and to provide a combination of methods with varying emphasis for individual development of each

ON THE OPENING

1603 AVE. J.

And the president of at least one dues - supported association thinks this a very proper question. Ray Joe Riley of Hart, newly elected president of Plains Cotton Growers, Inc., believes every PCG member should ask it, and that each is entitled to an an-

PCG members include cotton producers and allied businessmen in 25-county area surrounding Lubbock. Producer dues, 15 cents per bale voluntarily paid on each year's

Officers,

Directors

And

Employees

of the

preduction, make up some 85 percent of the organization's revenue. The remainder comes from dues paid by ginners, warehousemen, cottonseed oil mills, banks, suppliers and others whose business depends in large part on cotton production.

Riley answers the question with an emphatic "Yes, and then some," and indoing so he reveals some of his personal feelings toward the organization he heads and association work in general. Noting that the benefits that accrue to association members cannot always be translated immediately into neat profit figures. Riley likens association activities to the downfield blocker in football who clears the field for someone else to

"The scoreboard lists no points for the centers, tackles and blocking backs, but they are necessary to the scoring, just as the work of associations is a necessary precedent to the success of businessmen and cotton producers," Riley states.

"For example, in PCG, research often directed and financed either wholly or in part with association money runs ahead of the farmer to find economical ways to control insects, weeds and diseases and to discover new and better varieties. And without these things most of us would find earning a profit much more difficult if not im-

"It is also association fiber

tests that go ahead of the far mer to textile mills in this country and aboard, making it much easier for him to score in the marketplace. And of course it takes advertising, direct communication and personal contact which comes under the heading 'Promotion'.

"It is the association that goes to Washington and Austin with facts and figures to prove the case against bad farm laws and to promote passage of legislation favorable to association members. This we call 'Service'," Riley con-

"But by the time the farmer plants an improved variety, protects it with effective herbicides and insecticides, collects his indispensable price support payment, and by the time he sells the fruits of his labors in a favorable market .. by this time his downfield blocker, the association, has already been there, cleared the field and gone on to prepare for the next challenge.

"This is why association members ask: Is it worth it? And this is why it is necessary to answer with something more than the time . worn words used to justify an association's existence : Research, Promotion and Ser-If understood in the broadest sense these words accurately describe not only work of Plains Cotton

Sorghum Producers, Sugar Beet Growers, Wheat Growers and any number of other asso-

LIONS SPEAKER .. Don Johnson, (left) Executive Vice President of Plains Cotton Growers, visits with County Agent Bill Griffin at last weeks meeting of the Lions Club. Johnson was guest speaker. (Lions photo)

"But these words have been left to stand alone, without benefit of explanation, so long and so often they have become meaningless to many association members, and a more detailed accounting of association activities and accomplishments is required to answer this question which every association member has a per-

Riley goes on to point out that there are a number of examples, concrete and provable beyond doubt, with which

fect right to ask."

PCG can show definite dollars. and - cents returns to growers far beyond the amount anyone ever paid in dues.

"But association members look upon these examples as something in the past, something that has already been paid for with last year's dues or dues from the year before. And to a large extent they are justified in that attitude." Riley concludes by saying

"While president of PCG this year I hope we can continue PCG's long record of sucess. fully running interference the production and market of our cotton for profit. addition, I would like

more association me actively involved in assor tion affairs to give then broader, deeper understa ing of the organization and purposes.

"With that understanding have no doubt they will beable to answer for themselves question 'Is it worth it?

# Linda Huffaker CHD Agent,

It's turkey time again! And after holiday feasting, there are always turkey leftovers. But those leftovers can be frozen and used later when the family is again ready for a turkey treat.

Leftover turkey can be taken off the bones, used in combin-

ation dishes and frozen for later use. To prevent vegetables and other ingredients in these dishes from becoming too soft or having a warmedover taste when reheated, slightly under cook the intial

product.

Another way to assure a better final product is to cool food dishes immediately after cooking. Cooling stops the cooking process and helps preserve the natural food flavor. color and texture. To cool, set the uncovered pan of food in iced or very cold water, changing the water as often as necessary to keep it cool. Unbreakable pans may be placed directly on ice.

Avoid placing a very hot dish directly in the refrigerator, this may cause other refrigerated foods to warm up and spoil.

Foods to be baked after freezing may be frozen directly in ovenproof containers. To do this, line the casserole dish with heavy aluminum foil, then freeze the food. When frozen, remove the casserole for other uses while the food is stored. And since the frozen food will be in the shape of the casserole, simple remove the foil and replace the food in the casserole when ready for reheating or cooking.

Several methods can be used for thawing frozen foods. Thawing time will depend on the package size as well as the method used.

One technique is to place the package on a plate or pan in the refrigerator. Or, place the frozen item on a counter at room temperature. Thawing at room temperature requires less time, but the food must be checked more often than when defrosted in the refrigerator.

And if the package is truly moisture proof, the food may be placed in a bowl of cold water or under cool running

For best results with all defrosting methods, leave the

As a final suggestion, a stuffed turkey, either raw or cooked bird, should never be frozen. Stuffing prevents the penetration of heat and cold.

food and any equipment touch

ing the food clean.

With a little planning, you can enjoy your special holiday turkey meal, then have interesting turkey dishes throughout the following weeks

RECIPE OF THE WEEK: Cherry Salad

- can sour pitted cherries can pineapple tidbits
- Tablespoons corn starch 8 Teaspoon salt
- Tablespoon red food color-
- 2 cups sugar (or sugar substitute)
- Teaspoon vanilla

bananas cup chopped pecans

Drain cherries and pineapple; add enough water to liquid to make 2 cups, add corn starch, salt, food coloring, sugar, vanilla and cherries, mixing well after each addition; cook until very thick, stirring often. Stir pineapple into thickened mixture; set aside until very cool then stir in diced bananas and chopped pecans; pour into 131/2 X 81/2 X 2 dish; chill overnight or until set. Top with 2 envelopes whipped topping, whipped cream or cool whip.

The Wilson School Board met in regular session Monday, November 15, 1971. Items of business included the approval of the band competing in the Greater Southwest Band estival in Amarillo in April, approval of a practice uniform for girls engaged in the high school athletic program, and approval of a textbook committee for new books to be used in 1972-73. In other action the board authorized a bus maintenance foreman to take Mr. Roy Robinson's place while he

is ill. The board also gave approval for the Superintendent to apply for additional federal money for a migrant program. The board also gave final approval to recommended changes in the sick leave policy for school employees.

Members present for this meeting were Roy L. Kahlich, Curtis Wilke, James Savell, Loyd R. McCormick, Jr., Tommy Bednarz, Billy Weaver, and Alvin Kitten, and Superintendent Glen H. Mitchell.

We, too, are known by our names. Mention of John Smith immediately inspires a positive or negative reaction, depending upon the man's reputation. A good name is indeed our most priceless, yet most perishable.

Day in and day out, our thoughts, words and actions must be on the side of goodness, for it is today which determines tomorrow's past - for good or for bad.

If we could only perform each act and utter each word as if they were our last, those by which we would be remembered, then how great would be the significance of our names!

In this confused era where better can we turn for guidance and help than to the Church? Here we will discover the teachings of Christ - the most hallowed name of all.

She enjoyed each of your visits. This writer would like to thank Corine for keeping notes for this newspaper article. With-

J. A. Pebsworth and Mrs. Cleta Freeman and Tod Pebsworth visited Mother Reed this past week. Thank you for

Thank you one and all for your visits and kind thoughts.

### Bill Griffin, County Agent, Says....

So you've decided to add some trees or shrubs to your landscape this fall! Then do a good job of planting and caring for them and reap the benefits in later years.

Whether planting bare-root or balled or burlapped trees or shrubs, the first step is to dig a hole of sufficient size. If the plant is bare-root, the hole should be large to allow the root system to spread out naturally.

As far as depth is concerned, plant the tree or shrub about the same depth it was growing in the nursery. This is often two to three inches above the uppermost roots. One a bare-root plant the trunk or main stem is often discolored at the original soil line. Plant a balled and burlapped plant so the top of the soil ball is at the soil surface.

When planting small balled and burlapped plants, the planting pit should be about times the diameter of the ball. The depth should be the same as the depth of the ball. Larger plants will require an even greater hole size in relation to the ball diameter.

After setting the tree or shrub in its hold, backfill with a good soil mixture, using onethird peat moss and two-thirds good topsoil. Then water the

plant throughly. Fertilizer should not be used in the fall on new plants. It should be used only after the plant has become well established in the new location.

### Raiders Win Co. Flag Bowl

With ten seconds left in the ball game Steve Breger swept around left end to score and give the Raiders a 36-30 victory over the Tahoka Cow-

Behind most of the game the Raiders lead by Greg Thomas battled back to take a 30-24 lead with three minutes left in the ball game. But Charlie Holland to Doyle Schneider combination that had produced two touch downs worked again to tie the game. On the next kick-off the

Raiders couldn't move and the Cowboys took over. A penalty put the Cowboys back and two short passes sailed to pick up the first down. Holland rushed around left end for a scrambling first down.

But on the next play Holland's pass for Schneider was picked off by Billy Curry and returned it to midfield. Thomas hit Curry twice in the drive to set up Breger's touch down

Holland hit five touch down passes, three to Doyle Schneider, one to Jackie Burkhalter, and one to Dewayne Schuknecht Thomas threw three touch

down passes out to Tim Walker. Steve Breger, and one to Jim Adams. Thomas ran for two touch downs and Breger ran for the winning TD. The season ended with victories for both the Raiders and

Cowboys. Both had to win to

get into the Super Flag Bowl. The Raiders were 17 point favorites. Jimmy Fillingim of the New Home Draft Dodgers was the leagues most valuable player. Steve Breger and Char-

lie Holland tied for honors in the Bowl game. Many thanks to the players of the league for participating in this years games in Lynn County's first flag football league. And we hope we plaesed all the fans that turned out to watch us.

Robert Fulton was a portrait painter before he became an inventor.

### Kelsay-Blacklock Chevrolet Company

manufacturers have proven ing the public what they want

the beginning of the automobile industry. The new Chevrolet is another example of smoother and faster performance. and at prices within the reach

These automobiles can be

of Kelsay-Blacklock Chevrolet Company located at 321 West Broadway in Brownfield, Phone 637-2596.

Chevrolet, the car that likes to be compared, is the result of years of experimenting, the spending of vast sums of money and a consistent refusal to accept any test as final. This is indeed a wonderful car for the price.

When you purchase an automobile from this well-known firm, this does not mean that

the transaction is closed, for they realize that pleasing a customer means success to them. They have, at the public's disposal, one of the most modern and up-to-date garages to be found in the state. It is the home of good service for all automobiles.

The people have learned that in dealing with Kelsay-Blacklock Chevrolet Company, they can be sure of satisfactory ser

vice and work well done.

# Rains Slow Cotton Harvest

The South Plains cotton harvest continued to gain momentum last week-end and early this week but was slowed by rain in the northern counties on Tuesday and Wednesday, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A.

The number of samples received at the Lubbock, Brownfield, Lamesa and Levelland classing offices had reached a seasonal high of approximately 7,000 samples daily when the rain slowed the har-

The four classing offices classed 20,700 samples during the week ending Friday, November 19th. This brought the total classed this season to 30,300. At this date last year 517,000 samples of the 1970 crop had been classed.

Strict Low Middling Light Spotted and Low Middling Light Spotted were the predominant grades at Lubbock last week with 54 per cent of all cotton classed. Strict

Low Middling made up 8 percent, Low Middling 17 per cent and Middling Spotted 7 per

Staple length improved slightly and averaged approximately Sixty-six per cent stapled 31/32 and longer compared to 58 per cent the previous week.

Only seven per cent of the cotton "miked" in the Lubbock office was in the premium range of 3.5 to 4.9, 8 per cent "miked" 3.3 and 3.4, 27 per cent 3.0 through 3.2, 40 per cent was 2.7 through 2.9 and 18 per cent was 2.6 and be-

The Consumer and Market. ing Service of the U.S.D.A. reported increased trading in the new crop cotton. Prices were steady.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Low Middling 31/32 26.45, Low Middling 1-Inch 26.55, Strict Low Middlin Light Spotted 31/32 . 26.65 Strict Low Middling Light Spot ted 1-Inch - 26.85, Low Middling Light Spotted 31/32 26.30 and Low Middling Ligh Spotted 1-Inch - 26.35.

Prices paid farmers fo cottonseed ranged from \$56 \$70 per ton.

the beginning of the automobile industry. The new Chevrolet is another example of smoother and faster performance, and at prices within the reach

These automobiles can be seen at the modern sales room of Kelsay-Blacklock Chevrolet Company located at 321 West Broadway in Brownfield, Phone 637,2596.

Chevrolet, the car that likes to be compared, is the result of years of experimenting, the spending of vast sums of money and a consistent refusal to accept any test as final. This is indeed a wonderful car for the price.

When you purchase an automobile from this well-known firm, this does not mean that

the transaction is closed, for they realize that pleasing a customer means success to them. They have, at the public's disposal, one of the most modern and up-to-date garages to be found in the state. It is the home of good service for all automobiles.

The people have learned that in dealing with Kelsay-Blacklock Chevrolet Company, they can be sure of satisfactory ser-

vice and work well done.

# Rains Slow Cotton Harvest

The South Plains cotton harvest continued to gain momentum last week-end and early this week but was slowed by rain in the northern counties on Tuesday and Wednes. day, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A.

The number of samples received at the Lubbock, Brownfield, Lamesa and Levelland classing offices had reached a seasonal high of approximately 7,000 samples daily when the rain slowed the har-

The four classing offices classed 20,700 samples during the week ending Friday, November 19th. This brought the total classed this season to 30,300. At this date last year 517,000 samples of the 1970 crop had been classed.

Spotted and Low Middling Light Spotted were the predominant grades at Lubbock last week with 54 per cent of all cotton classed. Strict Low Middling made up 8 per-

cent, Low Middling 17 per cent and Middling Spotted 7 per-Staple length improved slightly and averaged approximately

Sixty-six per cent stapled 31/32 and longer compared to 58 per cent the pre-Only seven per cent of the

cotton "miked" in the Lubbock office was in the premium range of 3.5 to 4.9, 8 per cent "miked" 3.3 and 3.4, 27 per cent 3.0 through 3.2, 40 per cent was 2.7 through 2.9 and 18 per cent was 2.6 and be-

The Consumer and Market. ing Service of the U.S.D.A. reported increased trading in the new crop cotton. Prices were steady.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Low Middling 31/32. 26.45, Low Middling 1-Inch . 26.55, Strict Low Middling Light Spotted 31/32 . 26.65, Strict Low Middling Light Spot ted 1-Inch - 26.85, Low Middling Light Spotted 31/32 . 26.30 and Low Middling Light Spotted 1-Inch - 26.35.

Prices paid farmers for cottonseed ranged from \$56 to \$70 per ton.

Mr. and Mrs. David Hubbard visited her sister-in-law, Mrs. Wilma Young in Brownfield, last Sunday.

ATTENDS CONVENTION .. Lynn County Farm Bureau delegates are shown as they registered for the 38th annual meeting of the Texas Farm Bureau held Nov. 14-17 in Amarillo. They are, left to right, front row: Charlie Beckham, Herman Wuensche, Howard Moore; left to right, second row: Elmer Blankenship, T. B. Mason, L. C. Unfred, and Leland White. Also attending but not pictured were: Mr. and Mrs. R. L. Dulin, Woodrow Brewer, Mr. and Mrs. James Smith, and agents J. D. Atwell and Robert Harvick.

# Farm Bureau News

Lynn County Farm Bureau was represented at the 38th annual meeting of the Texas Farm Bureau Nov. 14-17 in Amarillo by 10 delegates. Sessions were held in the Amarillo Civic Center.

State policies and recommendations on national issues were adopted by more than 900 official voting delegates from most of the 206 organized county Farm Bureaus. Total attendance at the convention was more than 1.500.

Registration got underway Nov. 14. Highlights of that day included Discussion Meet and Talent Find competition for young people and vesper

The Monday morning program included the annual address by TFB President J. T. Woodson of Gober, an administrative report by Executive Director O. R. Long of Waco. and an address by William J. Kuhfuss, president of the A. merican Farm Bureau Federation. Special conferences

on Community Services. Young Farmers and Ranchers, Livestock, Dairy, and Natural Resources were held that afternoon. The annual Queen Contest, with 13 participants was held Monday evening.

Special conferences on Field Crops, Farm Labor, Research and Education, Services, Poultry, and Farm Bureau Women were held Tuesday morning. The annual banquet was held Tuesday evening with Dr. Earl L. Butz, Dean of Continuing Education and Vice President, Purdue Research Foundation, Purdue University as speak.

The business session convened at 10:30 Tuesday morning with voting on resolutions sent in by county Farm Bureaus. The voting session continued Wednesday until all recommendations were either adopted, amended, or rejected. Final order of business was election of directors and the president.

Master of Ceremonies was Bill McAlister, president of KSEL radio and television stations. The welcome was given by Cynthia Akin of Slaton, who is currently Miss Texas Rural Electrification. The banquet is sponsored each year by the twelve area electric coopera-

The Gold Star Award winners were presented by Extension District Agents Mrs. Catherine Crawford and Billy C. Gunter. Narration was by Walt Olivo, farm director of KCBD radio and television

The rest of the program was by South Plains 4-H members. Dinner music was furnished by Nancy Jones of Swisher County and Ginger Henderson of Floyd County, Program enter. tainment was by Eddy Nichol-

son and Richard Campbell. Rebecca Baumgardner of Hale County gave the invocation and the response to the welcome was by George Finley, the District 4-H council chairman.

Gold Star Winners, from Lynn County, include: Carla Wilke of Wilson and Mark Flippin of Tahoka.

Highlights \*\*\* Sidelights

Hearings of major interest to insurance policy holders are scheduled here December

The State Board of Insurance slated for that date public airing of new regulations to prevent insurance companies from arbitrarily cancelling coverage and a proposal to lower auto policy rates through "shock - absorbing" bumpers.

Allstate Insurance Company of Illinois recommends a 10 per cent premium discount for new cars equipped with the tough bumpers beginning next year. Rates would be reduced to 15 per cent if cars can by demonstration take a five miles . per . hour front . end crash and a two-and-a-half miles - per - hour rear end wallop. Rates would drop 20 per cent if the bumpers can absorb a five . miles . perhour blow fore and aft. New federal regulations call

with five mph (front) and twoand - a - half mph (rear) capacity by 1973 models. Proposed regulations would

for the shock - absorb bumpers

prohibit cancellation of hazard and liability insurance which has been in effect 60 days or more unless holders fail to pay premiums or lose a driver's license (auto coverage).

Under the rules to be examined at the early December hearing, companies would have to give at least 30 days' written notice if they do not intend to renew a policy at the end of a year. Unless the notice is given, renewal would be required for another year. Firms which violate the rules could lose their licenses to operate in Texas.

The latter regulations resulted from special legislation passed this year following repeated complaints of motorists who claimed policies were cancelled without advance no-

A hearing was scheduled earlier for December 7 to consider all aspects of problems in operating the new castastrophe property insurance pool in 14 coastal counties. JUKE BOX HEARINGS SET .. The new Texas Vending Commission decided to air its problems in a series of seminars over the state after being hit with criticism over the regulations it must enforce.

Atty, Gen. Crawford C. Martin suggested a Commissionled seminar discussion of the coin operated amusements machine industry and pertinent laws.

Meanwhile, State Sen. Chet Brooks of Pasadena called on Gov. Preston Smith to remove Raymond B. Williams of Dallas, a vending machine tycoon, as chairman of the Commission. Smith noted the law provides for three industry representatives to serve on the Commission, and said it is too late to remove Williams. Williams said he has no inten-

tion of resigning. The House General Investigating Committee is gathering material concerning the vending industry controversy and Chairman Rep. Menton Murray of Harlingen has indicated a probe may be directed at a

later meeting. Commissioner Williams and the other two industry representatives vowed publicly they will not use their official positions to get information about their 2,800 competitions from

Commission files. PAY RAISES ORDERED .. The state proposed to begin the last half of this month granting state employees and school teachers pay raises approved by the Legislature unless stopped by the Federal Pay Board.

Governor Smith said an application has been sent to the Pay Board requesting permission to make retroactive raise payments to Septmeber 1 when the new state budget took ef-

The Pay Board set a 5.5 per cent salary increase guidepost on expiration of the wage-price freeze. The Legislature approved a 6.8 per cent pay raise for state employees. Texas was the only state government in the country blocked by the freeze from employee pay raises this year. Hikes in other states took effect before the president's order. A G OPINIONS .. "Surge" brakes for small trailers (such as those used in hauling boats) will meet the new re-

quirement of central braking

systems for trailers, Attorney General Martin held.

In other recent opinion, Martin concluded:

+ Counties are responsible for damages inflicted by reserve deputy sheriffs or constables to persons or property, but they are not liable for injuries to the reserve

+ A local option election to legalize liquor sale cannot be conducted in a new Randall County precinct because it has not been in existence 18 months.

+ The State Comptroller must transfer to the Texas Vending Commission all records and memoranda needed in enforcing coin - machine license fee requirements.

+ Counties are not authorized to contract with cities for the municipal tax assessorcollector to assess all property for tax purposes, but can contract for appraisal or assessment recommendations that do not abrogate the count y tax assessor - collector's constitutional duties.

+ School districts may purchase liability insurance for employees who are exposed to individual liability in their duties, but may not buy policies protecting other against tort claims for bodily injury and property damage.

+ No certificate of authority can be issued to an automobile club whose services constitute an insurance business. APPOINTMENT .. Hugo H.

Lowenstern Sr. of Amarillo, John McKee of Dallas and Hulen Marshall of Houston were appointed by Governor Smith to the Committee of State and Local Tax Policy. Smith named William M.

Streckert of Brownwood and Morris E. Bailey of Amarillo to the Texas State Technical Institute Board of Regents. He appointed Robert J. Long of Austin to the Lower Colorado River Authority.

First Court of Civil Appeals Associate Justice Phil Peden of Houston and Austin attorney Robert C. Mc-Ginnis were named to the State Judicial Qualifications Commission, and District Judge R. C. Vaughan of Sherman was reappointed.

Governor Smith made official his 18 appointments to a Commission on Intergovernmental Relations.

Dr. James H. Granberry of Lubbock and Mrs. Holt Atherton of San Antonio are cochairmen of the Texas delegation to the Southern Republican Conference.

Earl Luna of Dallas is new Statte Democratic Executive Committee counsel.

COURTS SPEAK .. A state law declaring desecration of the flag a felony was upheld by the Court of Criminal Appeals in a Dallas case where a 20. year-old flag burner got a fouryear prision sentence.

The Court's opinion called such acts "an invitation to violence" and said they are not protected by constitutional guarantees of free speech.

The State Supreme Court said it had no jurisdiction in a damage case involving a contractor's suit for damages over failure of metal rods used to raise the "top house" of the famous Tower of the Americas in San Antonio to its lofty place.

VACCINATION OUT .. Compulsory vaccination for smallpox has been lifted by the State Board of Health as a require-

ment for entering school. Required immunizations effective next Januray 1 include for grade school pupils diptheria, tetanus, poliomyelitis, rubella and measles (if the child hasn't had measles). The U. S. Public Health Service recently held compulsory smallpox immunization is no longer necessary in the U.S. since risk of the disease is so small here. Last known cases were in 1949 in the Rio Grande Valley. SHORT SNORTS

A \$23.3 million textbook order, largest in history, was

Governor Smith is calling for a "take crime out of Christmas" campaign to curb the crime wave which frequently

accompanies the Yule season. State Board of Public Welfare met Monday to discuss revisions in the food stamp program and policy changes required by lawsuits.

"Girl Scouting gave me an understanding and compassionate attitude towards life! It taught me fair play and self efficiency! Also it allowed me to practice leadership as far as leading singing and games is concerned which I believe has helped me in my career. I first found my love of singing and performing in Girl Scouting."

Debbie Reynolds - Actress -Hollywood, California.
