## Region 20 Art Exhibit On Display In Tahoka

Selected paintings by Region 20 of the Texas Art Association will be on display in the lobby of the National Bank of Tahoka during the entire month of June. The works were chosen from a field of 180 entries by Judges Otis Lumpkin, Angelo State College, Jimos Hickmott of Odessa College. The fifteen paintings selected for the exhibit have recently been displayed at City Hall in Tahoka and St. Mary's in Plains Hospital prior to their representation in the

show are Tahoka's Bill Craig, Mary June Holton, Jinny Lynn, Evelyn Rorex, Ruth McNaughton, Jean Green, Dorothy Bryan, Bob Pritt, Frances Green, Peggy Howard, Neta Berry and Kay Milam. Region 20 covers an area including Tahoka, Lubbock, Plainview, Olton and other South Plains cities.

The exhibit will be open to the public free of charge, during regular banking hours. The works are all for sale, by the artists with the commission on all sales going to support the Lubbock Art Association.

## Lynn Co. Delegates Attend Cancer Meet

Gerald Woolam, a Lubbock surgeon and a volunteer for the American Cancer Society, told the delegates to the District Annual Meeting of the American Cancer Society in Lubbock on June 3 much progress is being made in the curing of early stage cancer by surgery, radiation, and chemotherapy. Techniques are being adapted and used in these three ways of treating cancer. Dr. Carl Page, medical director of District 3, also addressed the group outlining a more active public health approach to cancer. The approach to medicine to cure more people than before. Physicians are now managing long term cancer cases much more effectively through a combination of surgery, radiation and chemotherapy. Dr. Robert H. Sammons, a Lubbock radiologist, addressed the group and discussed the use of new techniques of locating tumors much more effectively with little or no discomfort to the patient. Dr. Carl Jones of Brown-

field, district crusade chairman, discussed district wide program objectives, some of which included stressing the six-site program in clubs and organizations; conducting employee education programs for the major employee groups in each district; and establishing youth subcommittees in every major unit.

Delegates to the meeting elected three District Directors to represent them on the State Board of the Society. Elected were Dr. Carl Page, Lubbock; Earl Jones, Brownfield; and Mrs. L. C. McLain, Hart.

The Golden Achievement Award was presented to Lynn County along with Dickens and Hall counties for reaching an all-time high in Crusade income and for exceeding the per capita goal of the Texas Division in the 1972 crusade. Dr. David Midkiff of Tahoka, local crusade chairman, was also presented the Golden Achievement Award.

Attending from Lynn County were Mr. Howard Moore, president of the local unit and Mrs. Kenneth Turner.

## 4-Hers Enter State Contest

Lynn County 4-H demonstration teams, winning district contests, were at State Station Wednesday for the State Contest. The young people were accompanied by Home Demonstration Agent Linda Huffaker, County Agent Bill Griffin. One of the four teams, coached by Mrs. Huffaker, won their demonstration before Tahoka Rodeo Club last Thursday. The title "Know These Poisonous Plants" was the title of the demonstration presented

by Terri Steen and Carla Wilke, both of Wilson.

Jana and Joanna Adams, both of Tahoka presented their demonstration on "Milk Matters."

Richard and Cindy Cook, both of O'Donnell, gave their district winning demonstration on "The American Way."

The fourth team going to A & M contests is composed of Kevin Wood of O'Donnell and Renn Dorman of Tahoka who presented a demonstration of Farm and Ranch management.

## Proposed Labor Cost Increases Alarm Grain Sorghum Producers

Grain sorghum farmers are alarmed over increased labor costs that will be forthcoming if a proposed bill passed recently by the Senate Committee becomes law. The bill would raise minimum wages from \$1.60 an hour to \$2.00 in 60 days, and \$2.20 in one year.

same time to guarantee an increase in prices for farm products, farmers will be forced out of business.

Cost of labor is a significant part of the total cost of production of grain sorghum. The proposed wage hike, if passed by Congress, would increase grain sorghum production costs considerably.

Mrs. H. L. Henry caused some excitement in town last week as she rode her 3 wheel bike to the laundry. Mrs. Henry is 80 years old. She and her daughter have recently moved to Tahoka from California.

## Annual Rodeo Is Scheduled

Two weeks from today the 12th Annual Tahoka Rodeo will get underway starting with the annual parade at 5:30 p. m. with cowboys and cowgirls of all ages, floats, wagons, bands, and riding clubs.

At 8:30 p.m. the rodeo itself will begin with the colorful Grand Entry. The first night the crowning of the 1973 Rodeo Queen will take place. The girls vying for the honor this year are Karen Edwards

from New Home, Brenda Crowson from Wilson, and Jo Anna Adams from Tahoka. Sharon McNeely the 1972 Rodeo Queen will be on hand to crown the new queen. The contest for queen is chosen by the selling of advance rodeo tickets. The girl selling the most will be the next rodeo queen. The girls work hard trying to sell tickets to help them out and buy your tickets in advance. Adults tickets are \$1.50 and children

are \$1.00.

This year the stock is Campbell and Cordell from Childress. The first event each night will be the Wild Bull Riding. The other events are Bareback, Saddle Bronc, Calf Roping (entries fee for each of these is \$25.00), Jr. Ribbon Roping - 17 and under (\$10 entry fee) and Barrel Races (open with \$15 entry fee.) One go in all events. There will be special events for children under 10 years of age each night. The books will open at 9:00 a.m. June 20 and close at noon June 22, phone 998-4115. A trophy buckle is given in each event. There will be a big rodeo dance each night at the Community Center.

The rodeo this year coincides with the Old Settlers Reunion. Everyone come out and join in the fun and excitement and help cheer on these fine cowboys and cowgirls!

## F.H.A. Sponsor Reading Program

Again this summer, the FHA will sponsor the State Summer Reading Program for boys and girls.

The reading program will start Saturday, June 10 and end July 29. Future Homemakers will serve as volunteer librarians each Wednesday afternoon from one until five. They will assist boys and girls in the selection of books for their reading level. A record of books read by each summer reader will be kept. At the end of the summer program, the boys and girls having read 12 books,

will receive a certificate from the Texas State Library.

Many new books for children have been received from the State Library to be used in the summer reading program.

Volunteer librarians for Saturday will be Betty Curry, Becky Burks, Romella Antu Idilla Benitez and Mary Benitez. Volunteer librarians for Wednesday of next week will be Jackie Roseberry, Marilyn Thomas, Cindy Park and Helen Barrientez.

## Early Farm Program Payments Depend On Early Certification

Set-aside payments will begin promptly with the beginning of the fiscal year on July 1 for farm program participants who have made early certification of compliance in the 1972 feed grain, cotton, and wheat set-aside programs.

Farm program payments are dependent upon producer certification, Tommy Lawson, County Executive Director of the local ASCS office, pointed out. "Early certification means an early payments," he said. However, no one should make certification until he knows he is in compliance.

When a farmer certifies compliance, he reports the exact acreage of his set-aside land and program crops and designates the location of his set-aside acreage on a photocopy of his farmland. He also certifies that he has complied and will continue to comply with all program regulations. Certification is made at the

ASCS County Office. As soon as a farmer certifies, ASCS begins processing for his program payments. Payments cannot be made before July 1 but the law provides they must be made as soon as possible thereafter.

## City Of Tahoka To Spray For Mosquitos By Air

One day in the near future the city of Tahoka will spray the town of Tahoka for Mosquitos by airplane. The Mayor and city councilmen feel they can get better coverage with this means than by the two recent sprayings they have conducted.

So don't get worried when an airplane comes over your house at a low altitude. The spraying will begin near dark and will be completed a short time after dark.

It is recommended that if you have clothes on the line to get them in a little earlier so they want be filled with the smell of insecticide.

Also as soon as a farmer certifies, his farm is subject to spot-check for compliance. A number of farms in the county are chosen at random each year for spot-checking.

While commenting that early certification means early payments, Lawson also said that accurate certification is essential. Once a farmer has made his final certification, he may not change his mind nor make acreage adjustments, and a mistake can mean loss of some or all of his program payment.

Final certification date in Lynn County is August 1, 1972. Some 25 County farm program participants have already certified, Lawson reported. Hopefully the number of early payments this year will exceed last year.

"However, it all depends on how soon farmers come in to the ASCS County Office to make certification. Judging by last year, if a farmer certifies by June 15th, he will receive payments during the first ten days in July. After that, the time between certification and payment will range from 2 to 4 weeks," said Lawson.

## Lynn Co. Produces Crude Oil

Texas crude oil production in 1971 topped 1 billion barrels for the seventh consecutive year as reserves fell toward the 13 billion barrel mark, according to a study by the Texas Mid-Continent Oil & Gas Assn.

Texas oil wells produced 1,210,818,658 barrels last year, bringing the state's 52-year production total to 35.3 billion barrels. Reserves dropped 172,000 barrels.

"With producers unable to increase drilling activities, additional oil supplies in Texas hinge on recovering more oil from existing fields," Robert A. Buschman, Association president, commented. Secondary recovery units in Scurry County contributed a major portion of the county's 5.5 million barrel increase in 1971, which jumped the county to No. 1 in Texas.

Lynn County oil wells have produced 7,647,484 barrels since recorded production began in 1950. The county in 1971 produced 865 barrels a day for a total of 315,793 barrels.

Fourteen Texas counties produced more than 25 million barrels last year. The top three were Scurry, 73 million barrels; Ector, 69 million barrels; and Andrews, 67 million barrels.

The top three counties in cumulative production are Gregg, 2.2 billion barrels; Ector, 1.7 billion barrels; and Andrews, 1.5 billion barrels.

## Rev. Hugh Daniel Is Returned Here

Rev. Hugh Daniel, pastor of Tahoka Methodist Church, has been returned here to serve this church for the 7th year. This is said to be a record here, no pastor ever before having served the local church more than 6 years.

Pastoral appointments were announced last week during the session of Northwest Texas Conference of United Methodist Church.

Rev. E. Hardy Cole, who has been at Anson was assigned to Wilson succeeding Rev. C. T. Jackson, who goes to Anson. Dr. Cole will also serve the Cooper church.

Rev. James R. Taylor was returned to New Home, and Rev. Ralph Odum to O'Donnell-Draw.

## All Stores Urged To Decorate For Old Settlers Day

The committee in charge of selecting the judges for decoration of downtown businesses for our Old Settlers Day in Tahoka are urging all stores downtown to start decorating their windows commemorat-

ing early days in Lynn County. We are hoping and expecting that every store in Tahoka will follow the pioneer theme in decorating their buildings and windows for our June 24th celebration. Frances E. Dunagan, Chairman.

## All-American Air Show, June 25

More than footballs toted by All-Americans will be "up in the air" the weekend of the Coaches All-American Game in Lubbock. A postgame "All-America Air Show" at Town and Country Airport, Lubbock, has been set for 1 p.m. Sunday, June 25, the day after the game.

Aerobatic thrills will be provided by Junior Burchinal, owner and operator of the Flying Tigers School and Air Museum in Paris, Texas. He is an accomplished aerobatic pilot and flying instructor. He has flown in several movies with his planes, including his B-25 in "Catch 22," a Grumman Duck in "Murphy's War," and the B-26 in "12 O'Clock High." Burchinal will

perform the hammerhead stall, loop, Immelman, and other aerobatics.

Narration and color will be by Gary McMillan, Lubbock radio personality and flying expert.

Ticket stubs from the Coaches All-America Game will admit spectators free of charge. All profits from the regular admission of \$1.00 will go to All-America Game charities.

The postgame All-America Air Show was planned to encourage flying enthusiasts to wing their way to Lubbock for the big game, and stay over for the aerobatics at Town and Country Airport, 3 1/2 miles south of Loop 289 on South Quirt.

## Methodist Ministers Wives Elect Officers

The United Methodist Ministers Wives of the NORTHWEST TEXAS CONFERENCE elected a new slate of officers Thursday June 1, during a luncheon in Memorial Hall of First United Methodist Church in Lubbock.

Pictured are, from left, Mmes. James E. Useilton of Amarillo, vice president; Hugh B. Daniel of Tahoka, president; James W. Smith of

Lamesa, secretary-treasurer; and Vernon O'Kelly of Ralls, publicity chairman.

The NORTHWEST TEXAS CONFERENCE will meet next June 5-8 1973 in El Paso,

Texas. Three Conferences will meet together to celebrate the 100 Anniversary of the Rio Grande Conference, which is the Spanish Conference for the Methodist Church.

**NEW OFFICERS** - Shown above are the United Methodist Ministers Wives of the NORTHWEST TEXAS CONFERENCE officers that were installed June 1, in the First United Methodist Church in Lubbock. # NURSING HOME NEWS

Hello from Colonial Nursing Home again. What an enjoyable week we have had here. We had our usual singing on Monday with Mrs. Hammonds and the ladies. How we do enjoy them and the time together.

On Sunday afternoon, the Sweet Street Baptist Church was here for our services. It is wonderful for you to think of us and we invite everyone to come for our Church Service at 3:00 on Sunday afternoon.

Say, have you noticed our flag. Mr. E. L. Short, our State Representative, gave us a Texas flag and we have been flying it some. We understand three American flags fly downtown, and now Tahoka has a Texas flag also.

The rain sure made our grass green up and our roses have been blooming. It is just a wonderful time of the year. Making it even better is our residents who have returned from the hospital. Mrs. McCord is home and doing much better. Her daughter visits with her often.

Mr. Allen came home June 3rd and has already been sitting out in the lobby. It is so good to have him back and he also has a lot of family and friends visiting.

All our sick residents seem to be doing better. Mrs. Harter and Mr. Young have been to the clinic for a check-up. Both have good reports. The report on Mrs. Harston is good, but she remains in the hospital in Stalon. Mrs. Woods was taken to the Lynn County Hospital Saturday night, but is doing good at this time. We hope they both can come home soon.

Mrs. Ponella Anderson has recovered enough to go home. We are sure happy for her, but we do miss her here. We hope she continues to improve and comes back to see us often.

I don't know all of our birthdays for June but John Anderson had one June 4th. He

enjoyed it with his children. Bud Inklebarger also had one June 4th with his children and grandchildren and Mrs. Lucille Walker who was here with cake and punch for all. Mrs. Terry and Mrs. McGrew, Jim and Jackie were here earlier, in the week, but could not be back with Bud on Sunday.

Saturday afternoon we had a film on the old river Mississippi, from a tiny stream to the Gulf of Mexico, how it floods and why, and what is being done to stop the floods.

Mrs. Lucy Izard from Lubbock visited Corine Izard Saturday.

Mr. Roy Moreman visited out of the home Sunday afternoon, and Mr. C. A. Clem's children have been visiting him.

Bert Zachary visited her father Mr. O. W. Green and Buford and Zora Powers of Wilson visited Carrie Dillard, Ponella Anderson and Corine Izard.

Elva Jo Edwards Parrish shared with us some flowers from her wedding. How wonderful to let us share in this happy event in this way.

Others signing out guest book are Louise Valdez of Post, Bernice Shepherd, Laura and Bert Stice, Mr. and Mrs. Lewis Phillips, Mrs. Bobbie Herrin, Mr. and Mrs. O. W. Powers, Dan Thomas, Dan Rupp, Rodger Potts, Annie Belle Stice, Buela Atkins, and Mrs. Skip Taylor.

We look forward to another good week and invite you to stop by for a visit with us. This sure brightens our day, so remember you are welcome at the Colonial Nursing Home.

## Family Planning Meet Today

A Family Planning meeting will be held Thursday (today), June 8, beginning at 2 p.m. in the Community Action center.

Everyone is invited to attend.

## THANK YOU

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK EVERYONE THAT VOTED FOR ME IN THE RECENT ELECTION.

I ENJOYED MEETING AND TALKING WITH ALL THE PEOPLE IN PRECINCT 1 AND APPRECIATE VERY MUCH THE PEOPLE THAT WORKED SO HARD FOR ME. ALTHOUGH I LOST THE RACE I FEEL LIKE I HAVE MADE MANY NEW FRIENDS WHILE CAMPAIGNING FOR THIS ELECTION.

THANKS AGAIN,

## STATE CAPITAL Highlights AND Sidelights

by Bill Boykin

TEXAS PRESS ASSOCIATION

Forecast for the State Democratic Convention at San Antonio June 13 grows steadily stormier.

Agriculture Commissioner John C. White, who already had announced as a candidate for convention chairman against Roy Orr of De Soto, the state Democratic executive committee chairman, received backing of National Committeewoman Mrs. Carrin Patman, Ganado.

Mrs. Patman accused Orr of "wrecking the party" and predicted a "disastrous blood-letting" at San Antonio if he presides. She said Orr won't abide by the party rules he helped write himself, and that giving him the convention gavel would "sabotage chances of the Texas delegation's being seated at the July 10 national convention."

Supporters of Sen. George McGovern for president agreed Orr should not be chairman and that White is a "fair man." However they contended, an endorsement on their part would be "pre-mature."

Also under fire is makeup of the convention credentials committee named by Orr. Critics claim it isn't representative of presidential preferences and age and ethnic groups.

Orr earlier fired back that "liberals" are trying to take over and run the show, and he isn't going to permit it if he can help it.

Some observers have calculated the convention delegate spread is actually pretty close, with backers of McGovern, Gov. George Wallace and Sen. Hubert Humphrey all claiming a sizeable chunk of the votes. To gain as much strength as McGovern and Wallace on the 130-vote Texas delegation to the national convention, Humphrey would have to pick up most of the uncommitted delegates.

Republicans see only harmony for their state convention in Galveston June 13. They are even scheduling beach parties.

AUTO RATE CUT SEEN.. The State Board of Insurance will meet July 24 for its annual hearing on auto insurance rates, and Chairman Larry Teaver thinks a reduction is in order.

A 2.8 per cent increase approved last year was blocked by a presidential wage-price freeze. Rates have been in effect since Jan. 1, 1971, when a 14 per cent boost was approved. There has been no reduction since a fractional cut in 1967.

Teaver said profits from underwriting nationally are at an all-time high, as are investment profits of auto insurance companies. He plans to submit a "personal injury protection" proposal to the Board as a substitute for no-fault auto insurance. The Teaver recommendation includes liberalized medical benefits on a no-fault basis, income replacement and life insurance

instead of uninsured motorists and medical payments coverage.

Conceivably, Teaver could be out of a job before the July hearing. The Legislature convenes in special session June 14, and Teaver's appointment to the Board is pending in the Senate.

DRAFT PLANS TOLD -- About 400 men from Texas are expected to be inducted into military service during the month of July, although no quota yet has been assigned the state.

State Selective Service Headquarters has announced that young men with lottery numbers of 50 or lower in the year's first priority selection group will get their induction orders next month.

Those with numbers of 90 or lower may get pre-induction physical examinations during July.

Col. Melvin Glantz, state director of Selective Service, said 30 days' notice is planned for all induction orders. COURTS SPEAK -- Farmers can sue cattle feedlot operators for damages due to offensive odors even if they don't live on their land, the State Supreme Court held.

To properly assess whether movies are obscene, judges and juries must see the entire films, the Court of Criminal Appeals ruled.

A 300-year prison sentence assessed a Wichita County man for selling heroin was reversed because he didn't get a court-appointed attorney until the day of trial.

A federal district court ordered the State to make payments to Wichita County for aid to families with dependent children, even though it lacks control over welfare personnel employment there.

SMITH SEEKS FUNDS -- Gov. Preston Smith went to Washington in search of federal matching funds for social services to welfare beneficiaries.

He said the federal government now pays states \$3 for every \$1 they spend on social services, but the White house's proposed new rules would prevent Texas and other states from considering work by some agencies.

An aide to the governor said the state is not getting federal matching money for counseling, family planning and homemaking assistance to the needy.

COLLEGE FUNDS AVAILABLE -- More than \$13.2 million is now available on a formula basis for 17 universities to construct buildings, Comptroller Robert S. Calvert announced.

Calvert said these sums are available to the following institutions:

University of Houston, \$1.15 million; Texas Woman's University, \$225,596; Texas A & I, \$803,969; Texas Tech, \$723,226; Lamar \$1 million; Midwestern, \$205,822; Pan American, \$586,169; East Texas State, \$614,673; North Texas State, \$1.1 million; Stephen K. Austin, \$1.6 million; West Texas State, \$259,710;

Angelo State, \$396,203; Sam Houston State, \$1.3 million; Southwest Texas State, \$2 million and Sul Ross, \$109,952. AG. OPINIONS -- Atty. Gen. Crawford C. Martin held the state's 1970 contract to purchase 3,965 acres of Mustang Island at \$4.2 million for a park is a binding obligation. Opponents on the Parks and Wildlife Commission insisted the Commission can still revoke the contract, although Martin indicated the state may be liable for a lawsuit if that happens.

In another recent opinion, Martin held the Parks and Wildlife Department cannot contract for sale of water to a private individual whose property adjoins a state park. A Grand Prairie man had sought a permit to tap the water line in Eisenhower State Park.

DANIEL CLAIMS SPEAKER-SHIP -- Rep. Price Daniel Jr. of Liberty claims 85 firm votes for speaker of the House of Representatives next year.

Present Speaker Rayford Price of Palestine faced a strong runoff challenge for reelection in his home district.

Daniel said he would not be a party to any movement to oust Price as speaker during the June special session.

ETHICS BILL PLANNED -- A House committee on rules reform scheduled a June 8 meeting to write an ethics bill requiring full financial disclosure by members of the legislature, the governor and lieutenant governor.

Rep. Guy Floyd of San Antonio said the committee will offer reform rules to the special session. Floyd said he envisions an ethics bill requiring reporting of stock and land transactions annually as well as all income sources.

SHORT SNORTS Retired teacher of the year award went to Mrs. Billie Smith Bollin of San Angelo.

The index of estimated Texas personal income declined one percentage point in April, according to University of Texas researchers.

Two hundred and 33 of the 254 counties have been paid more than \$1.5 million by the state for issuing voter registration certificates for the 12 months ending January 31.

**BILL GRIFFIN SAYS ...**

Today's pork producers contain 50 percent fewer calories than 10 years ago. This has been accomplished by today's progressive hog producer through well planned breeding and selection programs.

Further progress is still possible through the use of intelligent breeding plans. In order to make these plans, pork producers need to know heritability estimates.

When a particular trait is highly heritable, selection of outstanding individuals for breeding permits rapid progress. But when heritability is low, the producer needs to consider the total family and progeny performance if he wants to make significant progress.

Carcass traits such as body length, backfat thickness, loin-eye area, and percent lean cuts are highly heritable. The breeder can make rapid progress by selecting individual gilts and boars that excel in these traits.

Growth and feed efficiency are medium in heritability. Progress can be made by selecting boars with outstanding gain and efficiency records and through sib and progeny testing. However, progress in this way is slower than in carcass traits.

Traits such as the number of pigs farrowed and weight at weaning have low heritability estimates. The number of pigs farrowed reflects the overall management program, especially the plane of nutrition and disease. These affect ovulation rate, fertilization rate and embryonic mortality.

Pork producers should select gilt replacements from family lines which have proven themselves by farrowing and raising large litters with heavy weaning rates. Research has proven that crossbred females have increased reproductive performance as compared to the same family lines of purebreds.

These round, ready-to-cook chickens weigh from one and a half to three and a half pounds and from 6 to 10 weeks old. They're specially bred, fed and pampered to produce high quality birds that come in convenient forms at a reasonable price. Their balanced rations are enriched with vitamins and minerals, tailored

to produce today's fryer. It's a fascinating story of scientific progress. Chicken's a protein-rich food. Therefore it takes its place in any meal as the meat course for dinner. Remember chicken at picnics, barbecues, cookouts or in packed lunches. It's versatile and adaptable to every type of meal whether for the toddler, the hearty eater, the gourmet or the calorie counter. Serve chicken at the low cost meal or the guest dinner. Chicken abounds in protein, and it's protein of the best quality because it contains all the essential amino acids. Calorie watchers should know the low fat content of chicken. However, fried chicken or chicken with fat added in cooking does increase in calories. Place fresh chicken in the refrigerator and hold it there until you're ready to cook. If you don't use fresh chicken within a day or two after purchasing it, be sure to freeze it. Keep frozen chickens in the freezing compartment of the refrigerator for a few days if necessary. Every debt incurred in Paid by the State, no member ever receives cash money except for his certified travel vouchers and stamp (withdrawal). Some spend it all, one has over \$30,000 built up in his account. It has been the members prerogative to turn back money if he desires. My expense has averaged about \$400 per month -- before the Regular Session began in 1971, I was one of three members and was the first to turn back money to General Revenue, amount \$7,500. As important West Tex-

as matters arise such as Welfare abuse, trailer lighting, meat inspection, I notify each House and Senate Member of our problem -- average months letter mailout about 1,000 and phone calls over 200. Take home pay \$259.25 per month. Federal Law permits a man to make \$359 and still be eligible for welfare. I don't know any Senator or House Members on the Gravy Train but some lick a lot of stamps. Legislative: Education Committee Meeting will be in Seminole at 2:00 p.m. on June 9th, watch for place and details in local paper. The tools of a lawyer are his books and knowledge; To a farmer his plow; To a legislator it is those you send to Lead Texas for the next two years. The Lt. Governor's Race is upmost important. The names are secondary to the issues. It's Liberals versus Conservatives; Lessening the penalties on marijuana versus strengthening them; Water for West Texas versus none. What will who on June 3rd. Liquor taxes and licenses first eight months \$61,141, 350. Federal Court told Alabama Mental Institutions to hire 217 employees for ever 250 patients. A one-way ticket home is being offered to out of State Welfare Applicants in Connecticut. Tax policy committee figures show the tax burden in Texas (the percentage of personal income paid out in taxes) was 8.5 percent in 1968, the low percentage ranking Texas 49th of the 50 states. No politicking allowed at the polls -- at one location people were asked to remove campaign buttons -- then in walked a young female wearing a Frances Farenthold tee shirt. The officials conferred in whispers and let her go ahead and vote.

The West Texas Legislative Committee studying the problems of financing public education will hold a public hearing in Seminole at 2:00 p.m., June 9. The meeting will be held in the Community Building. The Committee Members are: Rep. E. L. Short, Tahoka; Rep. Lynn Nabers, Brownwood; Rep. Charles Tupper, El Paso; Rep. Brian Poff Jr., Amarillo; Rep. Phil Cates, Pampa; and Rep. Delwin Jones, Lubbock. Rep. Short stated, "By holding a public hearing in Seminole the 24 school districts in the 77th Legislative District will be afforded the opportunity to testify on how they would like to see public education finance and the method used to distribute the moneys to all the schools in the state." The Federal Court ruling in San Antonio on the Rodriguez case said, "That the Texas Education Agency and the Texas Legislature must solve this problem within two years." "Each individual or organized group will be given the opportunity to express his view point, prepared statements will be welcome, all testimony will be taped and studied by the Committee as a whole late this year."

MR. AND MRS. PAT HINES

**Mr. & Mrs. Pat Hines Observe Anniversary**

Mr. and Mrs. G. H. (Pat) Hines observed their Golden Wedding Anniversary Sunday at their home here, 2006 North Sixth Street. Their two sons and families helped them observe the event. Pat Hines and the former Opal Welch were married here on June 5, 1922, in the home of her parents, Mr. and Mrs. J. C. Welch, with Rev. J. M. Doshier, then pastor of Tahoka First Baptist Church, performing the ceremony. Mr. Hines was born in Wise county in 1900. His father died when he was four years of age. His mother, Mrs. Nora Hines, and four children, who had migrated to Fisher county in 1906, started out for Lynn county in November, 1909, to join her brother, Arthur Dial. After being snow bound in Snyder for a week, the family finally arrived in West Point community. They had made the trip by covered wagon with Pat and his older brother driving the livestock. Mrs. Hines later bought a farm in the Three Lakes area. Born in Oklahoma, Mrs. Hines at the age of 10 came to Lynn County from Fort Worth in 1913, and grew to womanhood here. After the wedding, Pat worked for a time in his father-in-law's meat market, but on Jan. 1, 1923, went to work for City of Tahoka. After 42 years with the City, Pat retired on his 65th birthday on May 28, 1965, and on the following Sunday was honored by a host of friends at a reception in the Community Center. While with the City, he became water superintendent and was instrumental in developing the present city park and other community projects. Mrs. Hines has also been active in local affairs. She was Eastern Star Worthy Matron in 1954-55, and then served 11 years, 1958 to 1969 as Eastern Star secretary. She is also a member of Tahoka Garden Club. Here for the anniversary were their two sons, Truman and W. T. and their families. Truman is with Texas Union, a subsidiary of Texas Chemicals, and lives in Robert Lee, where his wife, Nell, is hospital administrator. Their daughter Nell, is a teacher; and their son, Terry, and wife live at Monahana, where he is with National Supply Co. W. T. and wife, Imogene, daughter of Mr. and Mrs. H. O. Hargett, live in Albuquerque. Their younger daughter, Patti, is at home, and the elder daughter is Mrs. Jim Sanchez, and her husband is with First National Bank of Albuquerque. They have one son, Steve, only grandson of the Hines.

RICKY COBURN

**Party Honors Mrs. C.A. Thomas**

Mrs. C. A. Thomas was honored with a birthday luncheon Friday in the home of Mrs. Charles Hill, 4714 27th St., Lubbock. Co-hostesses were Mrs. W. O. Thomas and Miss Jennie Hill. The table was decorated with a centerpiece of red and white roses and a beautifully decorated birthday cake. The honoree was presented gifts. Other guests attending were Mrs. R. M. Stewart and Mrs. G. M. Stewart of Tahoka and Miss Candy Bogard of Lubbock.

**W.S.C.S. Has Summer Luncheon**

The regular W. S. C. S. monthly summer luncheon was held Monday, June 5, at the church. Twenty-six members and guests attended. Special guests were Dr. and Mrs. Skiles Thomas who were helping honor Mrs. C. A. Thomas on her birthday. Other guests were Jim Smith, pastor of Northridge United Methodist Church in Lamesa and his daughter, Jill, Dean Rogers, Dawn Daniel, Dane Daniel and Hugh Daniel. Hugh Daniel gave the invocation; Dawn gave the reading "The Village Blacksmith"; and Joy, Dawn, Dane and Dean sang some selections; and Jim Smith gave the benediction.

**Lynn Co. Ag. Club Met Monday**

Monday, June 12, at 8:30 p.m. the Lynn Co. Ag. Club will meet at the Lyntegar Bldg. At our last meeting the members voted to change the meeting time for the summer to 8:30. The Plains Co-op Oil Mill will present this month's program on processing cotton seed oil and meal into food products. We would like to invite guests to attend our meetings. After 40 remember to ask your doctor for a procto as part of your annual health checkup. It's a lifesaver, says the American Cancer Society.

**Sandra Schoppa On Deans List**

Miss Sandra Schoppa, daughter of Mr. and Mrs. Elmer Schoppa, was on the Dean's honor list at Texas Tech University, the spring semester.

Mrs. Terry Wayne Woolever  
...nee Barbara LaNell Martin

## Martin-Woolever Vows Exchanged

Miss Barbara LaNell Martin and Terry Wayne Woolever exchanged double ring wedding vows before a nuptial setting of an arch way entwined with a Killion of daisies and greenery Friday at the Slaton Church of Christ, Kenneth Burnette, minister, officiated.

Parents of the couple are Mr. and Mrs. Edwin Martin and Mr. and Mrs. Don D. Woolever, of Brenham.

Given in marriage by her father, the bride wore a formal length gown of organza over satin accented with chantilly lace. The scalloped Sabrina neckline, long lace petal point sleeves and an overlay of lace of the entire bod-

ice accented with rhinestones were the high lights of the dress. The skirt of flowered lace accented with applique sequins and French embroidered lace motifs.

She wore a elbow length fly away veil of silk illusion adorned with a coil of satin roses and seed pearls. The bride carried a cascade of white and purple carnations with stream of love knots.

Wedding selections were sung by a Church choir. Donald Sikes and Mickey Miles sang a duet of "Whither Thou Goest".

She was attended by Sherry Edwards of Tahoka. She wore a Juliet floor length gown of purple crepe with a purple

crushed velvet bodice. She carried three purple and white carnations. Mari Leigh Woolever of Brenham, sister of the groom was flower girl. Her gown was identical to the Maid of Honor. Vance Schuette of Lake Ransom Canyon was ring bearer.

Wicker Nowlin of Slaton served as best man. Curt Woolever of Brenham and Clinton Martin of Slaton were ushers.

Mrs. Woolever is a 1972 graduate of Wilson High school. Woolever is a 1971 graduate of Slaton High School.

The couple will reside in Brenham where they are employed by Southwestern Bell Telephone Co.

## Swimming Pool Open For Young People Fridays

The swimming pool will be open on Friday nights from 7:30 to 10:00 for all young people high school age and up. All young people from Wilson, New Home, and O'Donnell are invited.

Dates for swimming lessons and ladies morning will be announced at a later date.

Visiting her grandparents, Mr. and Mrs. Frank Hill last week was Fran Jacobs, and her friend, Tammy Dameron, both of Bovina. Fran's mother, Mrs. L. F. Jacobs, came Thursday, and on Saturday she and Fran left for Lake City, Colo., where another daughter, Becky is working this summer.

## THE FAMILY LAWYER

### Choosing a New Name

Embarrassed by his "foreign" name, a young man went to court to have it Americanized. But at the hearing, his own parents showed up to protest. In their eyes, he was disgracing his family and denying his past.

Nevertheless, the court approved the change.

"The law," said the court, "does not require a man to perpetuate the surname of his ancestors."

Unlike fingerprints, names may be changed with comparative ease. One way is to "get yourself known" by a new name. But a speedier, safer way, allowed almost everywhere, is to have the change formally approved in a court procedure.

Generally speaking, you may choose any name you please. However, courts do retain a certain amount of discretion to say no.

The most common reason for a refusal is to prevent fraud. In one case, a man seeking a name change admitted that he had seven unsatisfied judgments hanging over his head. The court turned him down, figuring that he was mainly interested in throwing creditors off his trail.

Commercial considerations also blocked another man's attempt to drop his first, middle, and last names in exchange for a single name. The court said: "Approval of the use of a single name would cause disruption of official records and complications in our economy, largely dependent on credit of easily identifiable persons."

Occasionally a change will be turned down because it is just too freakish.

Two actresses, paired as a night club team, once applied at the same time for exactly the same name. Under this arrangement, they pointed out to the court, neither one could get any more publicity than the other. They said they wanted to make certain that problems of professional jealousy would never arise between them.

But the judge foresaw so many mixups and complications that he denied their request. He said the two actresses would soon find themselves enacting a real-life "Comedy of Errors."

# Past Days In Lynn County

Copied from June 3, 1938 Miss Auda Mae Aycox on last Saturday tendered to H. C. Story her resignation as deputy county clerk, after having served most efficiently the past few years. Announcement was recently made of her approaching marriage. She and her sister, Mrs. Meldon Leslie, are spending this week in Dallas.

Miss Bobbie Dunagan, who returned home last week from Plainview where she has been attending Wayland College, has accepted a position in the county clerk's office, beginning her services Monday.

Summer School classes will begin at the High School Monday, June 13, at 8:30 a.m., according to Miss June Simkins, who will offer courses in several high school and seventh grade subjects, especially for students who failed in work last year or those who wish to make up other work.

Courses will be offered in English, Spanish, and any other subjects for which there is a demand. Tuition for the six weeks term will be \$10.00 per high school subject, and \$15.00 for the combination of seventh grade subjects. The work is open to anyone desiring this aid. Miss Simkins says.

Mr. and Mrs. Alford Mayfield of Anson, and Mr. and Mrs. Buster Hudgens of Sweet water visited here Wednesday and Thursday with Mr. and Mrs. O. D. Elliott.

Mr. and Mrs. Dick Standifer and Ralph spent this weekend with his mother, Mrs. Joe Boyd in Petersburg.

Mrs. Elmore Phillips of Coahoma and Mr. and Mrs. John Phillips and daughter of Big Spring visited Elmore's brother, O. D. Elliott and Evelyn Sunday.

Much fun and entertainment is promised those who attend the Merchants and Politicians Review at the Tahoka grade school building next Thursday night.

Included on the program will be a string orchestra featuring "Slim" Carpenter and others, two quartets headed by Homer St. Clair and Dr. Emil Prohl and other musical numbers arranged by Mrs. J. K. Applewhite, Raymond Weather will represent Truett Smith in the latter's race for district attorney, and Ray is expected to "do the job up brown. Jake Leedy will represent J. Golden Fleecer in opposing Truett. The D. A. will speak in behalf of Banker Weathers. J.O. Tinsley will represent the Collier Drug, and Wynne Collier will act as a milk peddler.

Many other merchants are expected to enter program numbers. A prize will be given for the best stunt and Dr. L. E. Turrentine, Jack Applewhite, and Chester Connolly will act as judges.

Candidates for office will be given three minutes each to present their stunts or talks. The program is sponsored by the Rotary Club but is open to the general public. Admission will be 35 and 15 cents.

Copied from June 10, 1938 Lawrence Price reports that on Wednesday night of last week he captured a 'possum out near his home in the Dixie community. The mar-

supial gentleman or lady whichever it was, was discovered walking along the public road possibly hoping to thumb a ride. Anyway Lawrence took him in-or-her.

If this thing keeps up it will not be long until East Texas will have nothing on 'possum production. It will be remembered that three Tahoka boys caught a mother 'possum out in the T-Bar pasture one

night not long ago. They brought her into town, and the next morning it was discovered that she had a whole picket full of little baby 'possums.

First thing we know somebody will be reporting a persimmon thicket out on the T-Bar somewhere.

Eight Lynn County boys were awarded gilts presented at a luncheon given by Sears, Roebuck and Co. at the Lubbock Hotel Tuesday.

These gilts are each 8 to 10 weeks old, weigh approximately 70 pounds, and are registered. They were given by Sears, Roebuck and Co. to the eight registered 4-H Club or Vocational Agricultural boys adjudged to have written the best papers on "The Hog, Cow, and Hen Plan of Farming."

The boys' ability to take care of the gilts was also an important consideration. Four of the Lynn County boys were 4-H members and four were Vocational Agriculture students.

The 4-H Club were organized by County Agent, V. F. Jones, and the four boys in this department awarded gilts were Glen Bratcher of Draw T. D. Short of Tahoka, Doyce Jennings of Joe Stokes, and Willard Bennett of New Home.

The four vocational agriculture students were as follows: Clyde Ashcraft of New home student of W. W. Hall, vocational agriculture teacher in New Home high school; Mack Brandon of Wilson, student of M. C. Brandon, vocational agriculture teacher in the Wilson high school; Leroy Johnson of Three Lakes and Lester Adams of Tahoka, students of Leslie Browning, teacher of vocational agri-

culture in the Tahoka School. Like awards were made 8 boys from each of the following counties: Lamb, Hockley, Crosby, and 40 boys in all being awarded gilts.

The boys, their fathers their teachers were given the luncheon at which awards were made.

It was explained that awards would be made to boys ranking highest in the fall. Each boy's gilt must return one gilt Company next year, when other contest will be held.

The 15 and 16 year old class of the Baptist School had their annual picnic Wednesday at the Lubbock.

During the day games enjoyed and class was transacted, including giving of a birthday show Joyce Russell and Ophelia Eudaley. A great feast enjoyed at the noon hour. # An evening out at home

... where the charm of a GAS light lets the evening last a little longer

... and the food has an exciting outdoor aroma and flavor, found nowhere else in the World!

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor. Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

Cotton could be found in the palaces of Persian rulers in 600 B.C. The first colored cotton terry towels were introduced in 1928. Prior to this time, all bath and hand towels were white.

### COTTON BALE BASE

A lighthouse in England, built on cotton bales, has stood for more than 200 years. When an American ship loaded with cotton from India was wrecked by a storm, the salvaged bales were piled ashore and settled in the soft sand. The combination of seawater, sand, and cotton turned the bales into a mass as solid as granite. Previously, no lighthouse could be built on this shore because of the soft sand.

An exceptionally large and potentially damaging number of boll weevils are emerging from hibernation this Spring in Cottle, King, Stonewall and other counties just East of the area covered by the High Plains Boll Weevil Control Program, according to Dr. Don Rummel, research entomologist at the Texas Agricultural Experiment Station, Lubbock.

Fall each year on all weevil infested acreage along the Eastern Plains border. This breaks the weevil's reproductive cycle in September, helping to control population build-ups, then kills a high percentage of remaining weevils in October and November before they attain "diapause," the state in which they are able to live through the winter in surrounding hibernation sites. Thus the number of weevils invading crops the following Spring is greatly reduced.

The increased incidence of weevil emergence this Spring, program officials note, is not the result of an ineffective program last year, but a consequence of an abnormally high rate of winter survival both inside and outside the control zone.
