Rains Keep On Falling

Some Measurements Exceed Two Inches

July this year has opened with an almost unprecedented wet spell and cloudy damp weather Tuesday and Wednesday similar to some fall days.

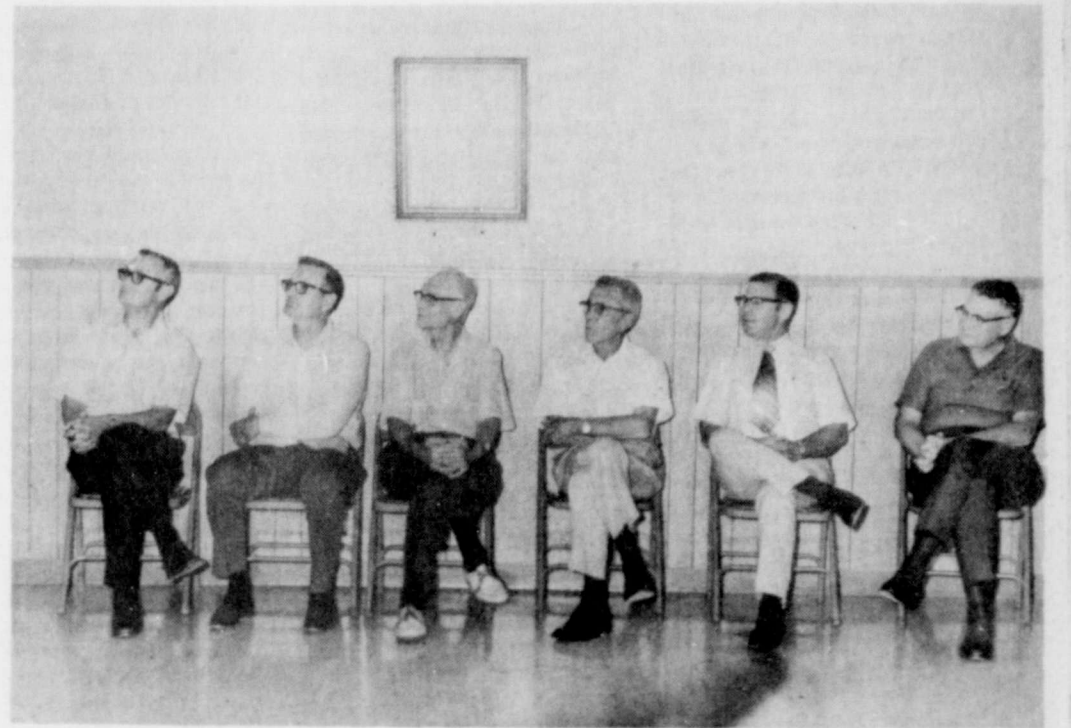

Tahoka received a total of 2.81 inches of rain July 1 through July 4, and the high temperature recorded on the 4th was 68 degrees, lowest high reading here since that July 4 "blizzard" in 1924.

Some areas of the county, especially northeast and west received much more rain, crops were damaged or destroyed in two areas -- south of West Point and also north of West Point and south of Petty -- many lakes were filled with water and some crops covered up with water, and some fields badly washed and eroded.

However, for the most part, farmers report crops are doing beautifully well and prospects great, barring some disaster or too hot and dry weather in August and September.

Tahoka received a total of 2.31 inches of rain in June this year slightly below the normal of 2.37 inches. May rainfall totaled 2.61 inches. Already, the 2.81 inches the first four days of July exceeds

Lynn Co. Dress Review Tonight

Tonight at 8 p.m. in the Lyntegar Electric Cooperative the 4-H girls of Lynn County will be competing for top honors in the annual 4-H Dress Review. The revue will highlight the summer 4-H clothing projects carried by girls from New Home, Wilson, Tahoka and O'Donnell.

The welcome and introductions will be made by Jan Wilke of Wilson. Sandra Swiny of O'Donnell will give the invocation. Narrators will be Terie Steen, Terry Mears, and Carla Wilke all of Wilson. The closing will be by Twilla Talkmitt, also of Wilson.

The girls will be competing for ribbons and the honor to attend the District Contest in Lubbock July 27.

The public is invited to attend.

House Votes Not To Lower Payments

By a margin "thin enough to send chills up the spine of a fence post" House members in Washington June 29 voted down a move to lower the payment limitation under federal cotton, wheat and feed grain programs from \$55,000 to \$20,000 per crop per farmer. The final vote, which required breaking of an initial 191 to 191 tie, was 192 to 189.

The "chills up a fence post" quote is from Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock. Johnson, along with PCG President Donnell Echols of Lamesa, was in Washington to join forces with other cotton industry leaders who mounted the major opposition to the lower limitation figure.

The move to lower the limitation level came, as usual, in the form of an amendment by Representative Silvio Conte (R-Mass.) to the annual Agricultural Appropriations Bill. Conte or one of his city-minded colleagues has offered a similar amendment each year since enactment of a direct-payments-type farm program

in 1965. Votes on the amendments from 1965 through 1970 were of the non-record variety in which each Congressman's vote does not become a matter of public knowledge, and the limit-lowering effort failed each year.

But the 1971 vote was a record vote and Conte's amendment carried in the house by a vote of 214 to 198. However the Senate in 1971 failed to go along with the House and the lower limit was deleted in Senate-House conference.

The vote June 29 was also a record or "teller" vote and therefore marks the first time a \$20,000 limitation amendment has been defeated in the House under those conditions.

The Texas delegation played a significant role in the amendment's defeat, with Lubbock's Congressman George Mahon, Waco's Bob Poage, Bob Price of Pampa and Graham Purcell of Wichita Falls making effective speeches on the House floor. Mahon is chairman of the House Appropriations Committee. Poage is chairman and both Price and Purcell are members of the

Local Group To Sing In Europe

Four young people and two adults from Tahoka will leave on a twenty day evangelistic singing tour of the major cities of Europe this Tuesday.

The singers are Betty Curry, daughter of Mr. and Mrs. Albert Curry, Pam Riddle, daughter of Mr. and Mrs. T. R. Riddle, Sherry Haney, daughter of Mr. and Mrs. Bob Haney, Jana Adams, daughter of Mr. and Mrs. Lester Adams, and Mr. and Mrs. Bob Strait.

The sixty voice choir is composed of auditioned singers from all over the United States. The tour will take them to sing in Berlin, Copenhagen, Amsterdam, London, Paris, Zurich, and Rome. As special features of the trip, Miss Pattie Horn will be soloist and Andrai Crouch, composer and band leader, will accompany the choir on the trip.

The purpose of the choir and the trip is to evangelize the youth of Europe for Jesus Christ and to share the good news of salvation with as many people as possible. This purpose will be sought after by daily personal witnessing on the streets and in parks, and nightly concerts in auditoriums and parks with evangelistic messages in song.

The choir will sing for the Pope in the Vatican and be taped as they sing in the Coliseum for broadcast over Vatican Radio and Television. Following that, the choir will visit the resort spot Sorrento, Italy, and the Isle of Capri.

This group from West Texas is under the direction of Bob Strait, Minister of Music and Youth at the First Baptist Church of Tahoka. Strait explained that many exciting experiences await the choir as they sing in places previously unreachable of Christians of Europe. One example of this is, that in Copenhagen, there is a place that is the Disneyland of Europe called Tivoli. The Christians there had been unable to get a singing group in to sing there until this choir made the request. The request was granted and the choir given two dates to present the Gospel through song!

This choir would like to ask as many as possible who would like to become a part of their ministry, to do so by praying for them daily.

The youth in the picture are from left to right Betty Curry, Sherry Haney, Jennie Lynn Gunter, Marlana May, Jana Adams, Pam Riddle, and Mr. and Mrs. Bob Strait.

The inequities involved and the illogical nature of payment limitations notwithstanding, the most telling arguments against the lower payment limit on the floor of the House were (1) Congress

should not be attempting to write legislation or substantially change existing legislation during consideration of an appropriations bill, and (2) to lower the statutory \$55,000 payment limit before the 1973 expiration of the Agriculture Act of 1970 would constitute a breach of faith with farmers.

The point was also made that since the present farm program expires in 1973, Congress will have an opportunity next year to make whatever changes it deems necessary, including the adoption of a lower payment limit.

Draw Reunion Sunday, July 16

COME TO THE DRAW REUNION. All people who have ever lived in the Draw community are cordially invited to attend, Sunday July 16. Come to the Tahoka Community Center in Tahoka. We are expecting a good attendance this year and we also expect to have a wonderful get together and a good time visiting. This year we are expecting you. Bring a basket lunch. There will be plenty of ice tea and hot coffee to drink. Pat Hensley and Marvin J. Munn.

Mrs. Chestnut on TADA Board

Mrs. Frances Chestnut, one of very few women dealers in Texas has been appointed to the key post of Area Director of the Texas Automobile Dealers Association for an additional one-year term.

Gene N. Fondren, TADA Executive Vice President in Austin said Mrs. Chestnut will report to the TADA Board on all phases of activity relating to the motor vehicle buying public in the Lynn County area.

"Mrs. Chestnut will work closely with legislative and other governmental officials on all matters pertaining to the industry and the auto buying public," commented Fondren.

"The job of Area Director is one of the most important in our giant state-wide association," said TADA President John N. Cleveland, San Angelo, and we are confident Frances Chestnut will continue to serve with distinction."

BILL GRIFFIN SAYS ...

If farmers in Lynn County are not already familiar with the new safety standards required by the new Williams-Steiger Occupational Safety and Health Act (OSHA) of 1970 they should become acquainted with the act as soon as possible.

The OSHA has special implications to the farmer who employs anyone at any time outside of his own family, points out the agent. In this case the farmer must display a 10-by-16 inch safety poster from the U. S. Department of Labor and must comply with four standards that apply to agriculture.

These four standards cover (1) temporary labor camps, (2) storage and handling of anhydrous ammonia, (3) pulwood logging, and (4) slow-moving vehicle emblem.

The new law also requires farmers to have available for inspection and keep a "Log of Occupation Injuries and Illnesses" even though none have occurred.

Both the record form and safety poster are in the Department of Labor booklet, "Recordkeeping Requirements." Each farmer in the county should have received a copy of the booklet. If it has been lost or misplaced, another free copy is available from the Occupational Safety and Health Administration Regional Office, Room 730-C, Mayflower Building, 411 North Akard Street, Dallas, Texas 75201.

A copy of "Safety and Health Standards for Agriculture" is also available from the Dallas office. This publication contains detailed standards applicable to agriculture.

The new act requires all farmers employing people outside their immediate family to maintain accurate records of work-related illnesses and injuries and to report deaths within 48 hours to the regional OSHA office. Employers are also required to be able to supply an annual summary of occupational injuries and illnesses upon request from the Labor Department.

The OSHA provides for mandatory penalties of up to \$1,000 for each serious violation and for optional penalties of up to \$1,000 for each non-serious violation. Records must be maintained for at least five years following the end of the calendar year to which they relate.

There will be no bills introduced on the Food Stamp Program. The Governor requested \$7.7 million to assist the 28 counties now under the program and to meet the request of many additional counties to change from commodities to Food Stamps -- it is expected that the Federal Government will soon provide the money for administering these programs.

State Institutions on higher education have all ask for more appropriations -- a big part of this additional request is for increase in salaries to meet the rise in living cost. No one has suggested that some salaries were too big before it became popular to say "I need a salary increase because of rise in living costs."

At UT Austin, Deans of Professors range from 36 to 48 thousand annually.

The Coordinating Board has recommended that tuition be increased to \$125 per semester for residents and \$500 per semester for nonresidents at public senior institutions. It is now approximately \$40 and \$200.

The average sentence for marijuana possession is 9.64 years. The uninformed are screaming their heads off that this is too harsh. They won't let themselves believe that a person receiving this kind of sentence has had a number of appearances before the courts and in most of their cases received a probated sentence. It is figured that over one million people in Texas have used marijuana.

The appellate judges on civil cases, namely the 14 Courts of Civil Appeals and the Texas Supreme Court wrote 1,272 opinions last year or 25 per judge. Compared to the 5 judges on the Court of Criminal Appeals who produced 853 opinions or 174 per judge. In some circles, it is thought the courts could operate more efficiently with consolidation of certain courts.

Mrs. Lina Horstmon missed Grand Temple this year, due to Hugo's illness. She had attended for 31 years in succession. A love offering was presented to her. Nineteen sisters attended the meeting.

4-H'ers To Attend Electricity Camp

Some 120 4-H boys and girls from 14 South Plains counties will be heading for Cloudcroft, N.M., on Monday, July 10 for a fun-filled week of recreation and leadership training in electricity at Scott Able 4-H Camp.

The camp is sponsored annually by Southwestern Public

Service Co., according to Billy C. Gunter and Mrs. Catherine B. Crawford, district agents with the Texas Agricultural Extension Service which conducts the 4-H Club program. Company representatives will give instruction on lighting, house plan wiring, space age cooling and an electrical craft activity. Instructional material presented at these group sessions will be aimed toward developing method demonstrations on electricity and its use.

Organized recreation is scheduled throughout the week and a vesper service will conclude each day's activities.

This year the planning committee for the electric camp includes the 4-H Councils from Cochran, Hockley, Lamb and Bailey counties.

Cochran County Extension agents Roy McClung and Gail O'Neal are serving as agent advisors for the annual camp.

In addition to the district agents and agent advisors, others accompanying the group will include county Extension agents and adult 4-H Club leaders from each of the participating counties. These are Bailey, Crosby, Floyd, Hockley, Lubbock Cochran, Farza Galnes, Howard, Briscoe, Dawson, Hale, Lamb and Lynn.

a flared skirt of dacron organza with a deeper flounced hem, that swept to a chapel length train. Tiny buttons accented the front and back of the bodice. The headpiece was a Juliet cap of lace holding three tiers of illusion. She carried a bouquet of white feathered carnations and yellow rose buds atop a white Bible.

Mrs. Lenro Brieger, sister of the bride, was matron of honor and Misses Linda Mears and Jan Gatzki, cousin of the groom were bridesmaids. They wore gowns of yellow voile with square necklines edged with white Val lace. They featured 3-quarter length sleeves with a flare cuff. The empire bodice was accented with rows of set in Val lace. Softly gathered skirts with a deep flounce edged with lace fell floor length. They wore large brimmed yellow hats of tulle with long streamers. They carried circle bouquets of yellow feathered carnations.

Misses Jana Wuensche and Melinda Ehlers, nieces of the bride, were flower girls. They wore floor length gowns of yellow crepe with chiffon covered skirts with a deep flounce. The back was accented with a large crepe bow, with long streamers. Miss Kay Herzog played wedding music, and Mrs. Ray Ehlers, sister of the bride, sang the Lord's Prayer and The Wedding Prayer.

Misses Donna Ehlers, niece of the bride, and Lynn Stabeno lighted candles. They wore floor length gowns of green crepe. Mark Gatzki stood as best man for his brother. Groomsmen were James Wuensche, brother of the bride, and Lonnie Stabeno. Rings were carried by Gregory Ehlers, nephew of the bride.

Guests were seated by Mike Gatzki, Lenro Brieger, and Lawrence Stabeno. A reception followed in the Parish Hall. Hostesses were Meses. Arlis Ehlers, James Wuensche, Jimmy Gickhorn, Bruce Schafer, Ronnie Nolte, Howard Moerbe, Alvin Kaatz, Misses Sherry Herzog and Janis Talkmitt.

For the honeymoon the bride wore a yellow polyester dress with long lace sleeves and a softly pleated skirt. She had yellow accessories and wore a corsage of yellow rose buds taken from her bouquet. The bride is a 1971 graduate of Wilson High School and a former employee of Lubbock State School.

Gatzki is a 1967 graduate of Wilson High, he attended Bee Vile Jr. College and is a 1971 graduate of Draughton's Business College of Lubbock. He is presently employed at Southwest Wheels Co., Broadway, in Lubbock.

MRS. JEAN MOFFATT
YOUNG CAREER WOMAN

Mrs. Jean Moffatt Named Young Career Woman

A former Tahoka resident, Mrs. Jean Moffatt of Seminole, was announced Saturday night as Young Career Woman of Texas by the state Federation of Business and Professional Women's Clubs at its convention in Houston. By virtue of her selection, Mrs. Moffatt will represent her club and the state at the national federation convention July 23-27 in Atlantic City, N. J. Her trip will be financed by B & PW clubs throughout the state.

She will be one of 50 young Career Women from each state in the nation at the convention. Representatives of the group will be designated as "National Young Careerist" winners. This marks only the fourth year that the Texas Federation has sent a Young Career Woman to the national convention, and the first from West Texas. Others went in 1968, 1969 and 1971.

Mrs. Moffatt, 24, was the nominee of the Seminole B & PW Club and was selected by District 8 as its entry in the state competition. She won over seven other YCW nominees from across the state.

Among criteria for nominees are that they must be between the ages of 21 and 26, and must have been actively engaged in business for at least a year. They are judged on accomplishments in their career, community activities, poise, intelligence and the ability to get along with others.

Mrs. Moffatt, daughter of Mr. and Mrs. Welch Flippin of Tahoka, is a 1965 Tahoka High School graduate, a 1967 Lubbock Christian College graduate and a 1968 graduate of Harding College with a B. A. in journalism. She became editor of the Seminole Sentinel in September 1968. She has been a member of the Seminole B & PW Club since its beginnings, serving as legislative chairman, bulletin editor and public relations chairman.

In 1970 she was chosen by the Seminole Rotary Club as community ambassador to Mexico with The Experiment in International Living. She was selected in 1971 to "Outstanding Young Women of America." Club memberships held by the honoree are in the Seminole Junior Study Club, where she is recording secretary and a state board member; the Seminole Music Club, where she is first vice-president and a district board member; and the Memorial Hospital Auxiliary, where she holds a 100-hour service pin. She is in her second year as president of the Gaines County Unit, American Cancer Society.

LINDA HUFFAKER SAYS ...

Cheese, one of our oldest foods packed solid with protein, rates as both a luxury and as economical food. It all depends on which cheese you choose, how it's packaged and how much you buy. Cheese buying puzzles many shoppers since more than 800 varieties from all around the world are marketed. And package labels usually omit cheese flavor descriptions, serving suggestions and storage hints.

Natural cheese and blends or combinations of natural cheeses are all labeled, process cheese, cheese food or cheese spread. Cheese shoppers can be more selective by remembering a few points. Aged or sharp cheese usually costs more than mild cheese. Imported often costs more than domestic, and cubed or grated, more than wedges or sticks. Refrigeration is generally required to preserve cheese at its best. How long it can be stored depends on the kind and the wrapping.

Soft cheeses are highly perishable. Hard cheeses keep much longer if protected from drying out. Cheese is delicious served in main dishes, salads, and sauces, served with fruit and crackers or used as a sure-to-please appetizer, dessert or snack.

SOIL CONSERVATION NEWS

By MAX W. BAKER

The Lynn County Soil and Water Conservation District and the Tahoka Public Schools are working together to provide jobs for students under the Neighborhood Youth Corps program (NYC). The NYC is a federally sponsored program to provide on-the-job training for high school students in local communities around the country.

The Soil Conservation Service now has two NYC students employed for the summer. They are Dahlia Gutierrez and Richard Ledesma. Dahlia is 17 years of age and is a Senior at Tahoka High School. She is the daughter of Mrs. Margaret Gutierrez of Tahoka. Dahlia helps with secretarial duties in the office such as typing plans and filing.

Richard is 17 years of age and is a Junior at Tahoka High School. He is the son of Mr. and Mrs. Roger Ledesma of Tahoka. Richard helps prepare conservation plans as well as assisting with

field work such as grid mapping in preparing terrace designs for systems to be installed after the crops are off this fall.

This close co-operation of local organizations provides much needed job experience to the youth of the area as well as giving them an active part in the activities of the community.

L. J. LANN

L. J. Lann To Retire

Logan W. Crews is being promoted to assistant state conservationist for watershed with the U. S. Soil Conservation Service, State Conservationist Edward E. Thomas announced today.

Crews will replace L. J. Lann who is retiring June 30. In his new position, Crews will provide leadership for the SCS upstream watershed protection work in Texas carried out cooperatively with soil and water conservation districts, cities, counties, watershed authorities and other state and federal agencies.

A native of Lindale, Crews has been an assistant state conservationist for operations in Temple since 1963. From 1957 to 1963, he was area conservationist for SCS at Corsicana. He also worked at Athens, Mount Pleasant, Wortham, and Hubbard.

Crews, a 1939 graduate of Texas A & M University, is a combat veteran of World War II. In the early morning hours of June 6, 1944, he took part in the attack on bloody Omaha Beach in the Allied invasion of Normandy as a member of the 5th Engineering Special Brigade. He is an elder in the Presbyterian Church and is president of the Heart of Texas Chapter of the Soil Conservation Society of America.

Lann has been in charge of the upstream watershed program in Texas since 1966. He plans to reside in San Marcos after retirement.

Lynn Students On Honor Roll

Several Lynn County students in the college of Arts and Sciences at Texas Tech University qualified for the dean's honor list for the 1972 spring semester.

Those qualifying were: Robert Montemayor, Tahoka, freshman, pre-law; David Rogers, Tahoka, sophomore, pre-med; Vicky Owens, Tahoka sophomore, zoology; Francisco G. Farrera, Tahoka junior, journalism; Laura Lewis, Tahoka junior design; Cathy Hancock, Tahoka senior, Spanish; Richard White, Tahoka, senior zoology; Karen Hobbs, Wilson, freshman, music education; and Linda Mears, Wilson, freshman, liberal arts.

Copied from June 25, 1948 Miss Abby Palmer of Hollis, N. Y., is here visiting the W. A. Redells and the Joe Bob Billmans. There is a little story back of this visit. Ten years ago last month there was a week called Air Mail week. On one particular day in that week, airplanes stopped at most of the towns in the United States and picked up air mail to be transported to the destination addressed. Accordingly thousands land perhaps millions of school children wrote to relatives, friends, acquaintances, or unknown but real persons living in other states, and sent these messages, on the day set, by air mail. LaVerne Reddell, now Mrs. LaVerne Hafley, wrote one such letter and addresses to a school girl in Hollis, N.Y. It was delivered promptly, and the recipient, Abby Palmer, a school girl of Hollis, answered the letter. From that day until this, Abby and LaVerne have kept up a correspondence.

So, a few days ago, Abby Palmer decided she would come down to Texas and visit her unknown friend. She came, and she has been here now some two or three weeks and is enjoying her visit greatly as her Texas friends are enjoying it also.

Of course this Southern drawl is just as strange to her as her Northern brogue is to us, but she is a very attractive young woman and it would not surprise us if she is writing home soon that "I came, I saw, I conquered."

Tahoka's baseball team won its second game in as many starts in the new Cotton Belt League Sunday at Seagraves by a score of 24 to 12. Welch won over O'Donnell 18-6, and Union nosed out Loop 11 to 10.

In games the previous Sunday, Tahoka defeated Loop 16 to 11, Welch won over Seagraves 21 to 6, and O'Donnell was victorious over Union, score not available here.

In the game last Sunday, G. W. White was Tahoka's winning pitcher, relieved by E. L. Short in the eighth.

The game was featured by unusual batting by "Hank" Walker who batted six for six, J. E. Ramsey, who batted five for six, two of which were home runs, and E. L. Short, five for six.

Next Sunday, Tahoka plays at Welch, O'Donnell at Loop and Seagraves at Union. Among the players on the Tahoka nine are: Dub Harvick second; Glenn Norman, catcher; G. W. White, pitcher; Joe Harvick and Noah Lee Cromer left field; Cotton Davis and James Karr, right field; Slick Wells and Rebel Thomas, center field; "Hank" Walker short stop; J. E. Ramsey, third base; and E. L. Short, first base.

Gifts from Tahoka High School Senior classes of 1947 and 1948 are being installed on the school premises this week by Everton Nevill, according to Mrs. Mary Margaret Stewart, of the faculty.

The Class of 1947, contributed \$147.50 for the installation of outdoor drinking fountain, which are being placed north of the High School building, where they will be accessible to both students and attendants at football games.

The Class of 1948's contribution was \$100 for the erection of a flagpole, which is being located on the south front of the High School campus. The flagpole is 25 feet high.

The W. S. C. S. on the New Home Methodist Church met in the home of Mrs. Wilmer Smith Monday, June 14, at 4 p.m. A spiritual life program was given with Mrs. R. H. Belew and Mrs. C. E. Roper as the principal speakers.

A business session was held and a social hour followed. Refreshments were served to the following members: Mrs. J. R. Strain, Mrs. C. C. Hammons, Mrs. H. W. Smith, Mrs. B. A. Marrow, Mrs. Lester Short, Mrs. W. R. Fleming, Mrs. N. A. Rogers, Mrs. Belew, Mrs. Roper, and the hostess.

Copied from July 2, 1948 Deputy Sheriff Tom Hale and a representative of the liquor control board made a successful quest for illicit liquor Tuesday night. After some investigation and a long vigil they intercepted a car at about 12 o'clock Tuesday night on the highway a few miles this side of O'Donnell, stopped the driver took him and his cargo in charge, and brought the man, car and all the contents on to Tahoka.

They found that the contents consisted of ten cases of beer and 44 pints of whiskey. A complaint was filed against the driver of the car, a Lubbock man, who had recently pleaded guilty to a similar complaint in Lubbock county. In that case he had been fined \$100.00 and costs. That punishment having proved ineffective, a heavier penalty was sought here. Upon his plea of guilty, Judge Garrard assessed the fine at \$450 and cost. The beer and whiskey were confiscated.

County attorney B. P. Maddox represented the State in the court proceedings.

At a church conference held Wednesday night, the Baptist Church voted to accept a recommendation coming from the board of deacons that it proceed to build a new parsonage rather than to add to the present pastor's home. The vote was taken after considerable discussion of the recommendation.

Following the vote, Finance and Church building committees were appointed. The new building is to be constructed in lots owned by the Church, situated just west of the present church site. It is contemplated that the present parsonage and grounds will be sold following the completion of the new structure.

Major and Mrs. Jack Gray, Jenifer and Brian from Alabama are visiting with Mr. and Mrs. Sam Gatzki and Jan on their way to Las Vegas, where he will be stationed.

Also on Sunday night in the Sam Gatzki home there was a family reunion. Attending were: Mr. and Mrs. Raymond Gatzki Mark and David, Mr. and Mrs. Dan Gatzki, Mr. and Mrs. Gus Gatzki, Mr. and Mrs. Mike Gatzki Michael and Scott, Mr. and Mrs. Danny Redman, Ralynn and Stewart of Lubbock and Mrs. Ruby Stewart also of Lubbock.

Mrs. Kay Berry and Tanya of Odessa are staying with Mr. and Mrs. Jim Coleman and family.

Tuesday, June 27, 4-H members from Wilson attended a record book meeting to study records and plan the Lynn County Dress Review. The Jr. Leaders from Wilson there were Terie Steen, Carla Wilke, Jan Wilke, Terry Mears, Twilla Talkmitt and Roslario Ortiz.

Another old time Lynn County home is being wrecked this week, and the lumber therein will be used to build a house on the Oscar Roberts ranch in the west part of the county.

The house, located in west Tahoka next door to the "Aunt Becky" Roberts home, was originally built on the Walter Forrester land in the west part of the county about 40 years ago. The lumber was hauled overland from Colorado City.

Later, the house was moved into Tahoka, and Mrs. Roberts has owned it many years. Recently Mrs. Roberts sold the house to her son, Oscar.

O. W. Green long time Tahoka resident, died Tuesday afternoon in Lynn County Hospital. Services were held at 4 p.m. Friday in the First Baptist Church in Tahoka. Rev. Jim Turner, pastor, and the Rev. Paul Douglas Kenley officiated.

Burial was in the Tahoka Cemetery under the direction of White Funeral Home.

Green was born June 24, 1897 in Artesia, N.M., and was married to Lestine Bell Yates in 1918 in Roswell. They moved to Lynn County in 1924 from Roswell.

Green, 75, farmed for a number of years and had been custodian for the First Baptist Church in Tahoka for 25 years where he was also a member.

Survivors include three daughters, Mrs. Elva Lugo of Hayward, Calif., Mrs. Bertha Zachary of Tahoka and Mrs. Mabel Plabson of Hatxon, N.D. a sister, Mrs. Mary Janke of Albuquerque, N.M.; a brother, Clarence Green of El Paso; eight grandchildren and seven great-grandchildren.

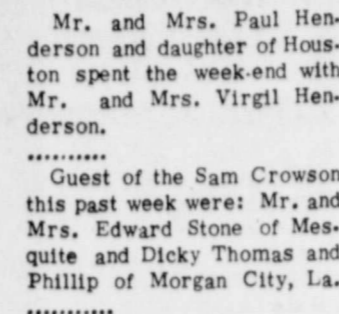

Pallbearers were Stanley Renfro, David Brookshire, Steve Miller, Gary McCord, Mike Reid, and Mike Lankford.

Jack Jaquess returned home this week from the Methodist Hospital, where he underwent heart surgery.

The Deacon Says

BY W. A. REDELL

Salvation doesn't necessarily make one good, but it makes one wish with all his heart he could be good. He will make a desperate effort to be.
