NEW HOME NEWS

BY MRS. W. W. DAVIES

Weekend guest in the Luther Foeerster home Mr. and Mrs. Earl Toler, Cecil Menzel, and Walter Prentice, from Boketto, Oklahoma. They came by private plane landing at the Mac Armontrout's air strip south of New Home. These friends of the Foeerster family returned home Sunday morning.

Debbie, Shannon and Robbie Heman, Lisa and Stajo Lowrey were here with their grandparents, Mr. and Mrs. Cesar Lowrey, Thursday night Sunday, while their parents were in Aguilar, Colo. with Bob and the Rangers enjoying a great crowd gathered at a three days picnic. Clarence says they were treated royally, and he never before and played as much or more of the delicious food provided by the people there. Bob's parents and many other relatives live in that area.

Mr. and Mrs. Edward Myers went to Odessa Tuesday morning to visit his mother, Mrs. Christine Myers.

Mr. and Mrs. E. M. Rudd New Home, Mr. and Mrs. Marlo Rudd and son, Eunice, N.M., Mr. and Mrs. Nick Ford, children, Denver City and Mr. and Mrs. Joe Beach and son, Eunice, N.M. were in Slaton Sunday for the annual Rudd Family reunion in the Slaton Club House, 50 registered. After the dinner the group enjoyed a song fest.

Mr. and Mrs. Kenneth Campbell, Lisa, Kenneth, and Stevie of Lubbock visited with their Uncle Harlan Dean and family Saturday and with us Saturday morning.

Mr. and Mrs. Ronnie Dulin and girls spent the weekend at Oak Creek Lake.

Mr. and Mrs. Jimmie Dean and family, Mr. and Mrs. Wesley Dean and children of Lubbock were Sunday visitors in the home of their parents,

Mr. and Mrs. Harland Dean, Kay Dean of Dallas is recuperating at the parental home and is doing fine and expects to return to Dallas soon. Wesley Dean's 1971 pickup was stolen from in front of their home Saturday night and has not been recovered.

We were sorry to lose our dress shop to Slaton, but wish Earlene and Jenny lots of Luck in the new location. They opened the Country Casual Shop here Monday but will have their formal opening on Friday and Saturday. Gift certificates will be given as door prizes.

Miss Becky Lea Ratlik and Dennis Edmond Hill both of Warrior, Alabama will marry Thursday July 27th at 8 p.m. in the Zion Baptist Church in Warrior. Becky is the daughter of Mr. and Mrs. Henry Ratlik and attended school here before moving to Alabama.

Seven year old Andy and four year old Stoney Campo of Enumclaw, Washington are visiting their Uncle Calvin Tucker and family.

Dahlan Hancock spent a week in the Methodist Camp at Ceta Canyon and Donette stayed the week with her grandmother Mrs. W. F. Raymond in Wilton.

Miss Beth Barton of Ft. Bragg, Calif., sister of Mrs. Bill Kopecky came with them last week to visit Bill's parents, Mr. and Mrs. Clarence Kopecky.

Mrs. Bertha Followell of Holbrook, Arizona is visiting here with her son Clyde Followell and family.

Mrs. Barney Marfield returned home last week after visiting in Tennessee for two weeks. Her sister from Michigan met her there. Pauline's cousin Blanche Ellis returned home with her and stayed a week here. On the way home Pauline and Blanche visited with a cousin in Wynne, Ark.

Lehman Rogers underwent surgery in the Highland Hospital Thursday.

Donald John Caudle and family were here during the 4th of July holiday visiting his grandparents Mr. and Mrs. John Armontrout and other relatives. John whose home is in Pleasanton, Texas is Game Warden District Supervisor of 16 counties.

Mrs. Burl Cooley was in Austin Wednesday to take her State Test for beauty operator license. Her sister, Mrs. David Vaughn of Lubbock, accompanied her as her model.

Mr. and Mrs. Willie Nieman, Rod and Rand spent 3 days sightseeing in New Mexico, visited in El Paso, and went through the Carlsbad Caverns. Sunday they, and Mr. and Mrs. Charlie Schneider of Slide spent the day with Mr. and Mrs. W. G. Nieman Sr.

Charles Lyles of Lovington, N.M. spent the weekend here with his aunt, Mrs. Bob Parker and family.

Mr. and Mrs. Lee Towns and 3 children and Mr. and Mrs. Keith Kimbler of Lubbock visited with us here Sunday evening.

Larry Wells of Tulla was a guest in the John Edwards home Sunday.

Mrs. Howard Madison and children of Follett, her son Jay Kent, his wife and baby of Coynosa, came Friday night and spent the weekend with Mr. and Mrs. J. W. Edwards. Mr. Madison and a friend, Gene Borne, came Sunday by plane to return Evelyn home. Clint stayed for a longer visit with his grandparents and

other relatives.

Congratulations... Mr. and Mrs. Russell Balch of Lubbock on the birth of a son, born at 4:30 p.m. July 17th in St. Marys Hospital. His name is Jay Dylan and weighs 7 lbs. 3 ozs.

Grandparents are Mrs. Kathy Vavrechka, of Houston and Mrs. Era Balch of New Home.

Mr. and Mrs. Wilfred Burgess and three children were here last week with the Dale Zant family and visiting other friends in this area, coming from Lisbon, Portugal where they have been for two and one half years as minister of the Church of Christ. The Burgess lived here while he was a student in the Sunset Church of Christ school of Preaching in Lubbock. They arrived in the states July 11th and visited their parents in Monroe, La., before coming here. Winfred spoke at the New Home Church of Christ Sunday morning, telling of the work in Portugal.

Mrs. Don Sharp was in Canyon Sunday for the annual Burtz family reunion.

Among visitors in the New Home Baptist Church Sunday were Mrs. Wayne Harris, Slaton, Andy and Stoney Campo, Enumclaw, Washington, Charles Lyles, Lovington, N.M.

The Little League Area 4 All-Star tournament was held last week in Tahoka. The first game was Tahoka vs O'Donnell, with Tahoka shutting out O'Donnell, 7-0 Mike Harvick was the winning pitcher, with Nathan Brown taking the loss. Harvick pitched a no hitter.

The second game Tuesday night was between Post and Lamesa with Lamesa winning, 3-0. Keith Lee was the winning hurler for Lamesa and Evans Heaton absorbed the loss.

The first game Wednesday night was Post 11 and O'Donnell 0.

Satisfaction and security are what all are seeking in this world and only Jesus Christ can give them to us.

Archie Redman's Services Slated

POST (Special) — Services for Archie Lynn Redman, 32, of Elk City, Okla., will be at 4 p.m. today at the Calvary Baptist Church here. The Rev. James Criswell, pastor, will officiate.

BILL GRIFFIN SAYS ...

Cotton is making normal progress in areas where early cotton was maintained. Some late cotton was planted due to hail and other weather damage is progressing slow due to damage from wet weather, bright and wet soil.

This disease is located in the heavy rain areas, and can be identified by circular brown spots on the leaves. In severe cases the leaves will drop and slow plant growth.

Some damage has been caused by isolated heavy fleahopper infestations. 35 to 50 fleahoppers per hundred terminals with usual damage to small squares would warrant control. If the plant has sufficient squares for a normal crop controls would not be necessary.

Application of control measures at this time of year may cause an infestation of ball worms.

Services for a former Lynn County man, Mr. Ira Crooks, were at 4 p.m. Wednesday in the Franklin Bartley Funeral Home Chapel in Lubbock. Mr. Crooks died at 9:25 p.m. Monday in Methodist Hospital and graveside services were at 11 a.m. Thursday at Fairmont Cemetery in San Angelo.

Tahoka Places 2nd. In All Star TOURNEY

The next game Wednesday night was a nerve wrecking game, between Tahoka and Lamesa. Lamesa won after eleven innings, 9-8. Randy Meeks pitched 9 innings for Tahoka and Rayford Harris with 14 strike outs. Joe Martinez was the winning pitcher.

Rayford Harris hit a home run in both tournament games. Lamesa won the first place trophy and Tahoka received a second place trophy.

Boys representing Tahoka in the All-Star tournament were Manuel Garcia, Danny Garcia, James Chaney, Mike Nettles, Carlton Jolly, Brit Dockery, Rene Ledesma, Jerry Hatchett, Randy Meeks, Mike Harvick, Clifford Bailey, Roddy Brooks, Rayford Harris and Jayson Knox. Ronnie Nettles was the manager and Charlie Holland was the coach.

We would like to congratulate the Tahoka boys for playing such good baseball, and to say we are proud of you.

We have a complete line of PURINA & ECONOMY livestock and poultry feeds.

What's electricity been doing lately? ...Getting ahead with the

POLLUTION SOLUTIONS

ELECTRICITY - IT DOES SO MUCH GOOD

The Electric Company
FOR SO MANY PEOPLE

Providing enough power to take the smoke out of smoke stacks... to operate new urban mass transit systems... to recycle junk metal for new uses... whatever ways engineers, scientists or technologists think up to reduce or eliminate the many varieties of pollution, chances are Reddy will be their right-hand man. Electricity is the cleanest, most versatile form of energy that can get the big jobs of environmental clean-up accomplished. It'll take a lot of brain and power, but that's a natural part of Reddy's job - serving tomorrow's needs today.

NURSING HOME NEWS

Hello again from the Colonial Nursing Home. Say, we have enjoyed this last week. Mr. Ed Hamilton brought his slides of his trip to the Holy Land. Those of us who were not in bed really enjoyed it as he spoke of so many places we read about in the Bible. Thank you Ed, and Mr. Elliott for arranging for us to see this.

We also had a movie. The film was "Yosemite, The End of the Rainbow." It was one of the best films yet.

Most of our people are feeling better - some are able to go outside for a while. Mr. Allen has decided to try out the walker so he can get ready for a fishing trip - wonder where he will go.

Mrs. Willens went back to see her doctor. We hope she gets to feeling better.

Mrs. Clayton, our Director of Nurses, got moved to Tahoka Saturday. Now she will not have to make the long drive

so early in the morning.

Mr. and Mrs. Rob Barnett brought a big variety of vegetables and some fresh peaches to us. We had some of the beans Sunday and they were really good.

Mr. and Mrs. Delbert Towell and four boys of Eagle Mountain, Calif. and Mr. and Mrs. Ronnie Pyborn and daughter of Dallas visited Mrs. Clark. They were all grandchildren and great-grandchildren.

Dr. Prohl visited us Saturday and checked most of his patients.

Mrs. Stigler has moved back home. We all miss her, but wish her continued recovery.

Astena Lawson had lunch with her mother, Mrs. Harter Sunday.

Mr. Anderson went out for a drive and brought back news of the crops. It sure sounds good, if mother nature will cooperate till harvest.

Our hearts are saddened for

the Clem family in the loss of their father. He was only here at our home for a short while, but we learned to love him.

Mr. and Mrs. Calvin and Mrs. Bob Boren from Snyder visited Mrs. Connell Monday and took her out for lunch.

Corine Izard had a lovely birthday Monday. Several friends and all the home wished her many more birthdays.

Miss Carrie Dillard had a visitor from Houston, Mrs. W. R. Shepherd.

Kaye Harston of Lockney and Patsy Fortenberry and children of Sunroy visited Mahala Harston. This was another visit of children, grandchildren, and great-grandchildren.

Mrs. Hammonds is back from vacation and on the job, and the singing and fellowship was wonderful Monday. Why don't you come join us next Monday.

Others signing our guest book include Randy Brewer, Bill Underwood, Mrs. Jesse James, Mr. and Mrs. Buford, Powers, Micky Bertreuz, Marshall Bertreuz, Laura and Bert Stice, Lee McFadden, and Gertie, Lela Wood, Elaine McMillan, Clara Thomas, Mrs. Doyle Terry, Mrs. Hubert Tankersley and Beula Atkins.

Until next week - good by, and come to see us.

The Lion's Line

R. L. (BOB) WARREN

R. L. (Bob) Warren touched the highlights of his recent trip to the orient for Lions last Wednesday.

Warren, a life long Lynn County resident and cotton grower, made the trip for the U. S. Department of Agricul-

ture and Cotton Council International.

Nine people made up the tour including growers, buyers, shippers and representatives of U.S.D.A. and C.C.I.

Stops were made in Japan, Korea, Taiwan and Hong Kong. The group visited with cotton representatives in each country.

Warren reported that none of the people visited were interested in any of the 1971 South Plains Cotton crop. They couldn't even give it away by the time they arrived at Hong Kong. The government finally moved 100,000 bales by giving it to Bangladesh. Most oriental cotton buyers want to contract 1972's crop for 22 cents. Bob also reported on a shortage of spindles in Hong Kong, some 200,000 having moved to Bangladesh.

Warren says South Plains cotton producers are going to have to return to a longer staple, higher quality cotton in order to remain competitive.

Lions meet Wednesday noon at the cafeteria, visitors are welcome. Wendall Patterson is Boss Lion.

Cattle Short Course To Accent Reproduction

Discussions at the 22nd annual Beef Cattle Short Course at Texas A & M University, August 21 - 22, will center on "Improving Reproductive Efficiency." The event will begin with registration at 7:30 a.m. on August 21 at the Ramada Inn in College Station.

"The program is a follow-up of last year's event, an on-campus County Agricultural Agent Bill Griffin. "The short course is designed to complete the story of management factors which limit breeding performance of beef cattle."

Emphasis will be given to genetic factors, death loss and disease. Select topics will include artificial insemination, crossbreeding, cow and bull fertility, calving losses, controlled calving and double muscling.

"Much emphasis will be placed on increasing the calf crop since calf crop percentage is the most important consideration affecting beef production," points out Griffin. "With each one percent increase in calf crop, the Texas cattle industry adds \$7 to \$8 million to agricultural income."

It's costly to maintain a barren cow for a year, notes Griffin, since this means sacrificing the profit on three to five weaned calves. Slow breeding of brood cows can further reduce income because for each heat period a cow fails to conceive, there is a loss of \$12 to \$14.

A number of Texas A&M officials will be on the program, including Clyde Wells, president of the Texas A&M Board of Directors, Dr. T. C. Cartwright, Dr. T. D. Rich and Dr. Nat Kieffer.

Other keynote speakers will

be from the U. S. Range Livestock Experiment Station in Montana, the University of Florida and Colorado State University.

Some 500 cattlemen and others with interests in the livestock industry are expected to attend the two-day session. Griffin encourages all producers from Lynn County to attend if possible.

Rites Held For W. C. Roberts

Services for W. C. Roberts, 66, of Rt. 1, Wilson, who was dead on arrival about 7 a.m. Sunday at Methodist Hospital after suffering an apparent heart attack, was held at 2 p.m. Tuesday at the W. W. Rix Chapel.

Officiating will be the Rev. Claude Cone, pastor of the Calvary Baptist Church. Burial was at City of Lubbock Cemetery.

Roberts was a member of the Calvary Baptist Church and had lived in Wilson for about a year, moving there from Santa Fe, N.M.

Survivors include his wife; six sons, W. C. Roberts, Jr. and Jack Roberts, both of Las Vegas, N.M.; Elvan Roberts of Page, Ariz.; Doyle Roberts of Ruidoso, N.M.; Tom Roberts of Santa Fe and Wayne Roberts of Lubbock; five daughters, Mrs. Patsy Bourland of Port Arthur, Mrs. J. M. Winfield of Las Vegas, N.M., Mrs. Bob Smith of Wilson, Mrs. Tommy White of Ruidoso and Mrs. Ansl Locke of Pensacola, Fla.; two brothers, J. C. of California and David of Lubbock; six sisters, Mrs. Winnie Coleman, Mrs. Ray Littrell and Miss Daffadell Roberts, all of Lubbock, Mrs. Pearl Hoffman of California and Mrs. Mary Lofland and Mrs. Ozell Wilkerson, both of Washington; 28 grandchildren and 3 great-grandchildren.

G.S.P.A. Board Meet Announced

A full board meeting of the Grain Sorghum Producers Association will be held on Friday, July 28, 1972, at 1:00 p.m. in Amarillo, Texas. The Board will meet at the Pioneer Natural Gas Building in the "Flame Room," 310 South Taylor Street.

GSPA Executive Director Elbert Harp urged all GSPA Directors, Alternate Directors, and interested producers to attend the meeting. They will discuss proposed changes in the GSPA By-Laws, and a minimum of two-thirds of the directors must be present to vote on these changes. Harp said the Association has grown in the past year to include members throughout Kansas, Nebraska, East and South Texas, as well as the original area of the High Plains of Texas, New Mexico and Oklahoma.

Also under discussion at the meeting will be a farm program proposal that would base payments and loans to farmers on the cost of production plus a fair return. Harp said the Board will explore some new uses for farm government programs for 1973 and thereafter.

The election of GSPA directors for the fiscal year that will begin October 1, 1972 is now being conducted by mail ballot. Results of the election are expected to be completed by the meeting date, and the new directors for the fiscal year 1972-73 will be announced at the meeting.

Mr. Harp and Jack King, GSPA Research Director, are currently in Washington, D.C. working on several GSPA projects, including the farm program proposal and the shipment of grain to Russia.

Judy and Phillip Snyder of Glendale, Ariz., visited in the Hugh Jack Norwood home, last weekend.

SOIL CONSERVATION NEWS

The Soil Conservation Service works closely planners and developers at every possible opportunity. Recently the SCS assisted George Mitchell and Associates, a Houston baseland development company, to map the soils of a new community site in detail. James Veltman an Ecological Planner with George Mitchell and Associates made a presentation recently in Corpus Christi at the Texas Council Meeting of the Soil Conservation Society.

Veltman and his company took the detailed soil survey and developed their planned community around it. They used it to determine the wildlife sites, home sites, sites for commercial buildings, recreation sites and many other determination. Even though the soil survey of Montgomery County was current, it did not have the detail the developers thought they needed. Therefore they paid 100 percent of the cost of the highly intensive survey of this 17,000 acres north of Houston. They have project and changed the concept of urbanized development to a great extent. One of the unique developments is a payment that will absorb the rainfall

right through the streets and highways thus eliminating the need for a storm sewer. Residential area will be adjacent to community open spaces which is not in land development new. They have planned the new city in a way that they will have no adverse effect of the ecology of the area. There will be no sediment from the town and no unclean water naturally and not artificially. The new city is in the projected growth pattern of Houston and will probably be added to Houston in 1980. The city of Foresttown is what is called at the present. Planning and developing of a nation can be done in conjunction with the ecological balance of nature. This is part of the work of the Soil Conservation Service that has not been needed in Lynn County but when you consider that percent of Texas live in concentrated urban area it makes sense. These 15 to 20 acres of over 75,000 people will be a great deal of trouble when they double in size. The type ecological planning, natural resources in the urbanization is important to the future of the nation.

Bill Lester Dies; Services Pend

POST (Special) — Bill I. Lester, 47, died about 10:30 a.m. Tuesday en route by ambulance from Mercy Hospital in Slaton to a Lubbock Hospital where he was to undergo surgery today. He had been ill a short time. Rites are pending at Mason Funeral Home here.

Lester, a life-long resident of Lynn County, is survived by his wife; his mother, Mrs. William P. Lester of the Gordon community; two sons, Gary and Gregg, both of the home; a sister, Mrs. Maurine Duff of Levelland; and three brothers, Troy Lester of Midland, Joe Lester of Amarillo and Winston Lester of Lubbock.

Palbearers will be Mack Terry, Cecil Bland, Ronnie Dunn, Robert Mock, Edmond Wilke and Raymond Gatzki.

Mrs. Olan Renfro is a patient in Methodist Hospital, Lubbock.

Do you help pave big city streets?

Everytime you make an out-of-town shopping trip you add more concrete and asphalt to big city streets.

And everytime you shop out of town you take away local money needed to make improvements in our community.

Hometown buying has a bounce-back, double-dollar value you can't find anywhere else.

When you have hometown loyalty our business community prospers and our entire community prospers.

Let's pave hometown streets first. Shop at home.

WILSON CLUB MEETING... Mr. F Johnson... CALL 924-3... YNCO... NE

Couple Repeat Marriage Vows

Wedding vows were repeated by Mrs. Wanda Hopkins and J. W. Inklebarger in a home ceremony, Sunday, July 16, at 2 p.m. Paul Kenley of Tahoka preformed the ceremony.

Mrs. Helen Whitaker of Tahoka was matron of honor and C. A. Walker served as best man.

A reception followed the ceremony. Those attending were the immediate family of the bride and groom.

After a wedding trip to Arkansas and Missouri the couple are at home at 2311 North 3rd Street in Tahoka.

Stout Family Reunion Friday

Mrs. Bert Zaekary of Tahoka will attend the Stout Family reunion. She is the daughter of the late Mr. and Mrs. O. W. Green.

The reunion will begin Friday, July 28, and continue thru Saturday. Friday they will meet at the K. N. Klap Park in Lubbock and Saturday they will meet in the community building at McKenzie State Park.

Hills See Ex-Tahokans While In Colorado

Mr. and Mrs. Frank Hill returned last mid-week from a 10 day vacation trip to Lake City, Colo., where they visited Mr. and Mrs. L. F. Jacobs, Becky and Fran of Bovina who have sold their Lake City Drug and bought a summer home in that vacation resort.

While there they saw Mr. and Mrs. Eddie Bowman, formerly of Tahoka. Eddie, former band director here, now owns, in partnership with another man five music stores, four in Denver and suburbs and one in Colorado Springs. His wife, Laura, former home demonstration agent here, has been in a similar position 13 years at Littleton, Arapaho county, which includes the south part of Denver. They have two children, a boy 11 and a girl six years of age.

While returning by way of the scenic 'Million Dollar Highway' they chanced to run into Mr. and Mrs. Carey Frisby and two children of Dallas in Silverton. Mrs. Frisby is the former Susie Smith, daughter of the late Mr. and Mrs. Happy Smith.

WHAT'S A BARGAIN?

Just what is a bargain? A shiny new auto that you buy for less than \$4,000? A color TV you buy for less than \$500? Or is it more of a bargain when your health is restored or maintained with a prescription costing, say, \$4.50?

We in the pharmaceutical industry are aware that total expenditures for health and medical care are rising sharply. And we're also aware—and proud—of the fact that expenditures for drugs and sundries are and have been a declining percentage of the total. One expert on the subject says that in 1960, expenditures for drugs and sundries were 14.4 percent of the total outlay for health care. By 1980, he estimates the total for drugs and sundries at 9.4 percent.

And while the cost of filling individual prescriptions has been going steadily down, the industry's cost of researching, developing and marketing a new drug has been soaring. We in the industry are proud of this very real service to the ultimate consumers of our products.

Terry Mears And Sharon Ernst In 4-H Dress Revue

The two "best dressed" 4-H girls from Lynn County will be competing in the Extension District 2 4-H Dress Revue at Lubbock on Thursday, July 27. Young Designers will be the 1972 dress revue theme.

Terry Mears of Route 1, Wilson will be competing in the senior division while Sharon Ernst of Route 4 Tahoka will enter her garment in the junior division announces Linda Huffaker, County Home Demonstration Agent.

The revue will be held at 1:15 p.m. for public viewing at the Red Raider Inn, 6125 Avenue A. Judging of the senior division will begin at 9:30 a.m. with the senior girls judging themselves. Junior girls will not be judged. Activities for the juniors, parents and guests will start at 10:30 a.m.

A noon luncheon will be sponsored by the Plains Cooperative Oil Mill of Lubbock. John Herzer is manager of the Oil Mill.

Senior girls will be judged on the overall appearance of their garment, suitability of the design, color and texture for the individual, grooming, posture, attitude, poise, personality, 4-H records and other factors.

Special awards will be presented at the revue. These will include the best all cotton garment and best all wool garment in addition to a scholarship for the most outstanding 4-H girl in the district.

The top five girls (or 2 or the total entries) in the senior division will be eligible to compete in the State 4-H Dress Revue which will be held in October in Dallas, Texas in conjunction with the State Fair of Texas.

LINDA HUFFAKER SAYS ...

Are convenience foods worth high price tags? Or do they really cost that much? "A study has revealed that some convenience foods cost as much as three times the price of ingredients needed to prepare similar foods at home."

Cost relationships might have differed substantially if home-prepared dinners had used another cut of meat or poultry.

Extension county home demonstration agent, reported.

"But the study also showed that some cost less than their homemade counterparts." Homemakers generally pay a higher price for convenience.

In the study, each of four commercially prepared frozen, ready-to-heat dinners of meat loaf, beef, fried chicken and turkey cost more than if prepared at home. Costs for fried chicken dinners averaged 25 percent higher.

"Costs were based on home-prepared dinners that had the same amount of food (meat, potatoes and a second vegetable) as commercial dinners."

For example, the home-prepared fried chicken dinner used a whole ready-to-cook frying chicken (cut up) costing 42 cents a pound. If the meal had served chicken parts -- breasts with ribs and legs --

at 65 cents a pound, the dinner would have totaled 35 cents instead of 25 cents. The commercial fried chicken dinner, then, would have cost only 50 percent than the home meal rather than 110 percent higher.

Some brands of frozen ready-to-heat main dishes cost much more than other brands, partly because they contain more meat or poultry. "One brand of beef pie, for instance, cost twice as much while another cost about the same as beef pie made from a home recipe. The less expensive frozen pie contained only three-

fourths as much meat as the homemade pie. Similarly, one brand of chicken pie cost 150 percent more while another brand was only 20 percent higher."

She added that cheese pizza made from a packaged mix cost only slightly more than pizza made from scratch. But frozen pizza, ready for the oven, cost 60 percent more.

"Apple pie, pound cake, brownies, sugar cookies, waffles and baking powder biscuits made from mixes ranged in cost from slightly less to one-third more than similar foods made at home."

Frozen waffles, heated in the toaster cost three times as much as homemade waffles, but canned, chilled biscuits, ready-to-bake, cost only one-third more."

Apple pie bought ready-to-eat cost about 80 percent more, but ready-to-eat brownies and sugar cookies cost about the same as homemade brownies and cookies.

Paying these higher prices for convenience may be a saving for persons living alone.

Preparing some dishes at home can require too many ingredients and yield too many servings to be practical. Or a homemaker may simply prefer to use her time for activities other than cooking.

When shopping for convenience foods, compare costs of equal-sized servings of home-

prepared and convenience prepared foods. This will prevent paying more for convenience than you had intended. Calculating precise costs for mixed dishes isn't necessary. Before attempting the item first to check if acceptable. RECIPE OF THE WEEK
Lemon Nut Bread
1/4 cup Margarine
3 eggs
2 1/2 cups flour
2 teaspoons baking powder
1 teaspoon salt
1/2 cup milk

one-third cup lemon juice
2 teaspoons grated lemon rind
3/4 cup chopped pecans
Heat oven to 350 degrees.
Cream margarine and until light and fluffy. Add eggs. Combine flour, powder and salt; add gradually with milk to create stiff dough. Stir in lemon rind and rind; mix well. Pour into greased pan. Bake at 350 degrees for 20 minutes. Cool 5 minutes; remove from pan.

BRIDGE CLUB

Winners for bridge at Country Club on July 27: first, Mr. and Mrs. Cope; second, Mrs. Wharton and Randall; third, Mrs. Tommy Ken Wilson and fourth, D. W. Gaignat and Mrs. Walker.

Church News

Visitors attending services last Sunday at the First Baptist Church were Judy and Phillip Snyder of Glandale, Ariz., Mrs. Marie Womack Reid, San Jose, Calif., Mr. and Mrs. Terry Garvin, Mr. and Mrs. Joe Malcuit and Anna, Rev. and Mrs. Joe Webb and Steven Webb, all of Albany, Geavine Hartnett of Dallas, Lezlie and Todd Spruiell, Shellie New of Houston, Leroy Akins, Sandy Akins, Louis Bryant of Fort Hood, Mr. and Mrs. Bentley Galther and family, Mrs. Wanda Miller, Allan, Robin and Tommy all of Lubbock.

Paula and Josefa Morin of Tahoka visited the Baptist Mission, last Sunday.

Debbie Wright Recieves Torino

The cotton industry's good will ambassador -- 1972 Maid of Cotton Debbie Wright of Tahoka, Texas -- was on the receiving end of a good will gesture here today.

The good will "gesture" took the form of a handsome new Torino presented to the Maid by more than 200 Ford dealers in the five-state Memphis district.

Making the presentation on behalf of the dealers was District President James L. Rippey, Sr., Union City, Tenn. The event marked the 26th year that Ford dealers have presented a car to a Maid of Cotton.

The ceremony concluded an extensive good will tour on behalf of the American cotton industry by Miss Wright. Since her selection as the 24th Maid of Cotton here last December she has made appearances throughout the United States, Canada, the Far East and Europe. A recent graduate of Texas Tech University, Miss Wright will return to Memphis this December for selection of the 1973 Maid.

Cattle Marketings Up... Cotton Production Report Due Aug. 12... Farm Safety Week July 25-31... Milk Production Declines...

Texas feedlot operators report intentions to market 1,208,000 cattle between now and Sept. 30. This would be 19 per cent more than marketed during the same period last year.

Cattle being fed for slaughter in the state totaled 2,119,000 as of July 1. This is 25 per cent above the 1,700,000 head on feed a year earlier.

In the state there are 283 feedlots with a capacity of 1,000 head or more. Of these, 205 reported cattle on feed July 1, while the other 78 reported their feedlots as empty. Capacity for all 283 large feedlots totaled 2,621,950 head and showed a 79 per cent occupancy.

Nationally, the trend for higher production is also noted. Cattle feeders in a 23-state area plan to market about 7,184,000 head between now and Sept. 30. The anticipated marketings are nine per cent higher than those sold during the same period last year.

A REPORT on cotton production for 1972 is expected to be released Aug. 12. Cotton industry people as well as cotton producers and textile manufacturers will be watching that report with more than usual interest because of the present cotton supply situation. Acreage-wise in Texas the Texas Crop and Livestock Reporting Service reports upland cotton planted in Texas this year is estimated at 5,450,000 acres. This is an increase of 220,000 acres over the amount planted in 1971.

Generally, most of the crop is reported to be making excellent progress with some having been destroyed by hail and heavy rains. Insects are also a problem in many areas.

FARM SAFETY week is July 25-31. In 1971, farm and ranch accidents took the lives of 203 persons. Leading cause of deaths were fires, explosions or burns. Other factors for accidental deaths included drownings, accidental shootings, machinery accidents, tractor accidents, falls and animals.

The figures show a continuing upward trend in accidental deaths. Agriculture is one of the most dangerous of all professions.

Safety officials urge constant alertness and eliminating potential accidental death possibilities as ways to lessen the accidental death rate throughout the state.

MILK production in Texas during June dipped slightly below that of a year ago. Milk production in the state totaled 270,000,000 pounds. This is down two per cent below June, 1971, and is eight per cent below the previous month's production.

Milk production per cow kept for milk averaged 760 pounds per cow for the month of June. This is 15 pounds below a year earlier and 65 pounds below the previous month.

Preliminary price for all wholesale milk for June was estimated at \$6.70 per hundredweight.

Nationally, milk production during June totaled two per cent higher than a year ago. Milk cows on farms totaled 12,219,000, down one per cent from June of last year.

TEXAS GARDEN-fresh vegetables are in abundance now, and most consumers agree that these Texas agricultural products are first in quantity and quality. There are 105 counties in 13 areas of the state growing vegetables in commercial quantities on a total of 214,140 acres. The State ranks third in the nation, behind California and Florida, in production of fresh market vegetables; and is first among the states in production of watermelons, spinach and cabbage.

The state is a major producer of 17 vegetable crops, including the three named above and tomatoes, strawberries, cucumbers, honeydew melons, lettuce, beans, potatoes, cauliflower, broccoli, sweet corn, cantaloupe, carrots, onions, and green pepper.

CROP PROSPECTS over Texas are good, according to the regular reports put out by the Texas Crop and Livestock Reporting Service. Grain sorghum prospects are good and wheat yields are higher than were expected earlier. Rice harvest is getting underway, and yields have been cut some by rains and high winds in a few places. A few bales of cotton have been picked in the Rio Grande Valley, and soybeans are making good progress on the Gulf Coast.

In the Rio Grande Valley where cotton harvest is beginning and grain sorghum harvest is nearing completion, land preparation for the fall vegetable crops is well along and next year's citrus crop is making satisfactory progress.

Rains and scattered showers during the past 10 days provided moisture to finish planting peanuts, sorghums and soybeans in the northern parts of the state. Corn is making good growth on the High Plains, and little insect damage has been noted.
