to the community and be a part of it.

Although she informed us that she would need somebody in the near future the couple would have to meet the high standards that the Funeral Home has set for the people of the County.

There will be one difference in the operation and that being that the Funeral Home will terminate the Emergency Ambulance Service that they have provided in the past, effective October 1, 1972.

TBW
Many of us have never considered the Emergency Ambulance Service that was provided by White Funeral Home in Lynn County. With the termination of the service it will be necessary for taxing bodies within the County to perform this service. There are less than 100 Funeral Homes in the State of Texas that still operate an Emergency Ambulance Service.

This is a service that Lynn County can not be without and will have to be worked out in a short period of time. During this period that the service is being worked out the Volunteer Fire Department has agreed to work the Emergency Calls at night, which we would like to commend them for. This is not just a Tahoka problem, but a problem of the entire county.

TBW
We were disappointed Friday night as know some of you were when the Bulldogs lost their season opener to Stanton, but then again it will probably be one of the best things that will happen all season to the Bulldogs even though they lost on a freak pass play. The Bulldogs looked great in some areas, yet lack some work in others and also have been hampered by injuries. We are looking forward to the Bulldogs reaching their peak when they go in to District and we also feel that the Bulldog coaching staff is doing a great job and are looking forward to a 9-1 regular season record. Hope to see you out Friday night, let's back the Bulldogs and boost them to their first victory of the season.

TBW
Friday night was the first time in several years that we have been cheered by fans at a football game. And, we hope for our sake that it will be the last time. Although we appreciate the cheering section, and have heard such comments as what No. are you wearing this week, we hope we see no action at the game Friday night.

Voting List Compiled For A S C Elections

A list of eligible voters for Lynn County Agricultural Stabilization and Conservation (ASC) community committee elections is now being compiled at the ASCS office.

Producers may check at the local ASCS office to make sure that they are listed to receive ballots in the mail elections to be held later this year. Producers and the general public may inspect the list from now until December 1, at the Lynn County ASCS office, 1705 Lockwood.

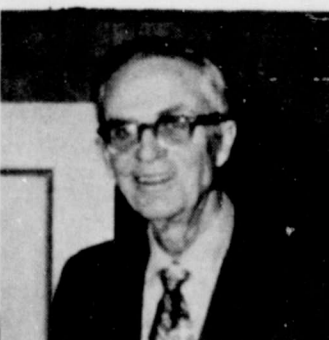

Voter eligibility for ASC committee elections is non-discriminatory and is applicable without regard to race, creed, color, sex, or national origin.

A farmer who is eligible to participate in any ASCS program is eligible to vote in ASC elections. This includes not only producers of legal

voting age who own, rent, or sharecrop a farm, but also minors who supervise and conduct farming operations on an entire farm. Spouses of eligible voters can participate in ASCS elections if they are joint owners or joint tenants of the farm.

In addition to these voters, any legal partnership, such as associations, estates, trusts, State, or State agencies, may also receive a ballot. Each owner in a joint farm ownership also has a vote. However, a producer may only vote in one community election in the county regardless of the number of farming interests he has in different communities.

Spouses of eligible voters may also vote.

Rev. Hardin Day Sunday

To the friends of Rev. A. C. Hardin, you are cordially invited to join with members of the New Home Baptist Church at New Home, to worship and join in fellowship on Sunday Sept. 17th, 1972.

This date being the 50th anniversary of A. C. Hardin in the ministry of our Lord. After Sunday School and a song service Rev. Hardin will preach the morning service 11:30 to 12:00. Lunch will be served from 12:20 to 1:30 in the school cafeteria. A come and go reception will be in fellowship hall of the church from 2:30 to 5:30.

Labor Survey Being Conducted By Chamber Of Commerce

A labor survey of available women workers for a sewing room in Tahoka is being conducted by the Tahoka Chamber of Commerce.

According to information released by Garland Thornton, President, a large garment manufacturing concern has indicated an interest in establishing a sewing room in Tahoka.

This new business for Tahoka would employ thirty to forty women and anyone interested in this type employment is urged to fill out one of the survey forms or contact Maurice Small Chamber manager, at the local office.

This type employment does not require experience and training will be made available by the manufacturing concern.

This survey will have to be completed within the next two weeks and those who are interested are urged to fill out the forms immediately.

Survey forms will be available at several businesses, the chamber office, and will be printed in the Lynn County News.

Joe D. Unfred Elected To Board Of Federal Land Bank

The Federal Land Bank Association of Tahoka had their annual Stockholders meeting Saturday afternoon, September 9th at the Tahoka Cafeteria. Other than routine business, Mr. Joe D. Unfred of New Home was elected as a new director of the Association. Joe D. is an outstanding farmer and civic worker of his community and no doubt he will make a fine director, for the Association and the community in which it serves.

Mr. Unfred fills the place on the Board that was vacated by Mr. Vernon Willhoit who requested that his name not be placed for re-election. Mr. Willhoit has served as a director on the Federal Land Bank Board for the past 25

years. Other directors of the Association are Fred McGinty, L.A. Forsythe, J.D. McCampbell, and Avery Moore Jr. and Mr. Ross Smith is manager.

ROY HINKLE, LIONS CLUB LIGHT BULB SALE CHAIRMAN DISPLAYS LIGHT BULBS TO BE SOLD.

Lions Sponsor Light Bulb Sale

The Tahoka Lions Club will conduct an all-out drive from September 18 to September 19 to sell electric light bulbs to residents, according to an announcement made today by Club President Wendall Paterson.

The light bulbs will be sold in handy Project - Paks, each containing 2-100's, 2-75's and 2-60 watt bulbs at the regular price of \$2.00. Every householder can use light bulbs and this drive affords an opportunity to get a good supply, while helping a most worthy cause.

The entire membership of the Tahoka Lions club has been organized to supply friends and neighbors with light bulbs delivered right to their door on the dates shown above. The funds from the pro-

ject will go toward sight conservation and other welfare services.

First Bale Ginned At O'Donnell

E.H. Conrad of Rt. 2, O'Donnell brought in the first bale of cotton for the county this year. The cotton was dryland cotton planted April 10. It was Lockett 4789. This bale was raised in Lynn

County and was ginned Monday, Sept. 11, and ginned at Woolam Gin, in O'Donnell.

The bale weighed 520 pounds and was grown 2 miles south of New Moore.

Bulldogs Lose Season Opener 13-7

BULLDOG VARSITY REVIEW

Freak Play Makes Difference

The Bulldogs lost their season opener last Friday night to the Stanton Buffaloes by a score of 13-7 on a freak pass play that cost the Bulldogs 35 yards and the game as the Buffaloes went over after the pass play that cost the game bounced from a Bulldog defender's hands right into a Buffalo's which put them on the three yard line.

Very little of the potential of the Bulldogs team showed through Friday night as it had in their scrimmages against two strong teams although we feel like it will in the next few weeks the Bulldogs will build up steam to go into conference play.

On the Bulldogs first possession of the ball they moved with ease down the field until they got into striking distance but then bogged down. Neither team was able to put anything on the scoreboard

until the last half.

In the second half of action the Bulldogs received the kickoff and moved almost all the way down the field to draw first blood on the scoreboard as Phil McClendon, Bulldog quarterback tossed a 25 yard aerial to end Gary McCord who wound up inside the 10 yard line with No. 21, Jimmy Bailey going in for the lone Bulldog touchdown from eight yards away around right end. Louis Zedlitz booted the point after touchdown to give

the Bulldogs a 7-0 lead.

But the Bulldog touchdown was to do avail as the Buffaloes marched in on their first possession after the Bulldog score to get six points and narrow the margin to 1. Two penalties, a 15 yarder and a five yarder probably cost the Bulldogs the six points as mistakes were a sure factor in the loss.

The long 35 yard freak play near the end of the game gave the Buffaloes the winning touchdown as they went in from

the three and kicked the PAT to give them the ball game. The Bulldogs had another possession but were able to muster any offense and had to give up the ball on downs and Stanton let the clock run out.

The Bulldogs will play their first home game this Friday night at Kelley Stadium against the Abernathy Antelopes and will be looking for their first win of the season. The game will begin at 8:00 p.m.

The Lion's Line

REV. HUGH DANIEL

Local Lions traveled again last week, this time to Alaska via the movie film of Rev. Hugh Daniel.

Daniel and his family recently spent four weeks in Nulchik, Alaska, a small fishing village 180 miles south

of Anchorage on Cook Inlet. Hugh's brother is a commercial fisherman.

A highlight of the trip centered around the fishing done by "Captain" Hugh Daniel, skipper of the Mary I.

Fishing could only be done two days per week. Films showed Skipper Hugh putting out some 900 feet of gill net then bringing it back onto the boat removing the large salmon as it fed back onto the reel.

Fishermen catch four types of Salmon in the gill nets. A fifth type, the giant King Salmon is caught on rod and reel. Hugh caught a King that weighed 50 lbs. and processed out a case of salmon.

Hugh's films were very good and afforded Lions a good look at summer-time in Alaska. The program was arranged by Lion Wayne Huffaker, Ex-District Governor Clyde K. Schneider was a guest at the luncheon meeting.

Fire Resistant Finish Sought

Industry is investing \$20 million per year in research to develop new fire-resistant finishes and fibers, according to George S. Buck, National Cotton Council research consultant.

Safety can be advanced quicker, in Buck's opinion, by encouraging manufacturers to develop new technology than by "devising pitfalls and penalties for non-compliance with impractical flammability standards for textile products."

"Almost all textiles will burn but are not as dangerous as many household products including knives, chemicals and medicines, stairs and ladders, electrical appliances, and flammable fluids."

He said calling for non-burning textiles is like calling for "knives that can't cut, chemicals that can't poison, electricity that can't shock, and gasoline that won't explode."

**Caprock District
Board To Meet
Oct. 6 & 7**

The Caprock District E. Board will meet in the evenings of Oct. 6 and 7, at the Anlatoch Baptist Church, located on North-East 7th St. in Tahoka. Officers to attend are: Rev. O. W. Gentry, Moderator; Rev. V. Spencer, Vice Moderator; Sister Novela Spencer, secretary and Rev. Anderson, treasurer. All churches and choirs of the city are asked to help make the Caprock District Board feel welcome in Tahoka. This will be their first time here. Rooms are available for those who wish to stay over. Others that are to help are Rev. McKeever, Rev. James K. Scott and Rev. Brown, their churches and choirs. Rev. Miller is the pastor and Mary Davis is the reporter.

Lengthening Draperies
Here's a neat trick to make old draperies longer: simply add a row of decorative cotton fringe at the hem. Another idea from the National Cotton Council is to splice a strip of plain material into your draperies about six inches from the bottom. Make the strip long enough to bring the draperies to the floor, and then cover over the insert with rows of cotton braid or fringe.

**Mrs. Wilmer Smith
Receives Award**

MRS. WILMER SMITH

Four former students of Texas Tech University who have achieved outstanding recognition in their chosen fields of activity will be honored as distinguished alumni at the sixth annual "Distinguished Alumnus" banquet at 7:00 p.m. Friday, September 29, in the University Center.

The awards program is sponsored jointly by the Ex-Students Association and Texas Tech University. The 1972 recipients of the coveted honors are Mrs. Wilmer Smith, the former Lola Wheeler, class of 1939, of the New Home community, the second woman to be so honored; Major General Ross Ayers of Austin, class of 1933; Charles H. Feltz of Los Angeles, class of 1940; and Don Maddox of Gastonia, North Carolina class of 1934.

Announcement of the recipients of this year's distinguished alumnus awards was made Wednesday (Sept. 6) by Wayne James, Executive Director of the Texas Tech Ex-Students Association.

The only other woman to receive the award was Mrs. Preston Smith, wife of Texas Governor Smith, Governor and Mrs. Smith were 1969 recipients.

Mrs. Smith is an internationally recognized leader of women's organizations and has served as national president of the National Extension Homemakers Council 1967-69, and served as the U. S. delegate to the world conference of the Association County Women of the World.

She was named Texas Woman of the Year in 1961 and was the only woman ever to receive the Texas Extension Service Knapp Porter Award. James said a number of the previous recipients will be present to participate in this year's program. The complete program will be announced later.

Feltz and Maddox have been

previously honored as "Distinguished Engineers" by the College of Engineering at Texas Tech University.

Feltz has been extremely active in the Southern California Chapter of the Ex-Students Association and is currently an Association District Representative.

All four recipients are members of the Texas Tech Century Club.

All club members are urged to attend this meeting.

**LINDA HUFFAKER
SAYS ...**

Anytime and anywhere food is served, it's sandwich time. Whether it's daytime or after dark sandwiches are in demand.

The versatility, convenience and adaptability of sandwiches make them servable anytime -- from breakfast to a bedtime snack.

Sandwiches boast the wholesome goodness of wheat in a host of shapes and styles -- hard and soft rolls, seeded buns, crusty French and Italian loaves, brown bread, English muffins, long buns or round ones.

Also nut, raisin, cheese or rye bread, whole wheat, cracked wheat and enriched white bread in round or square slices are among the choices.

Select a bread, use your imagination and start building sandwiches.

For fillings choose from the many "sandwich-able" dairy products, meat, fish, poultry, eggs, fruits, vegetables and condiments available.

Some tips to help the busy homemaker build nutritious sandwiches are as follows:

A soft sesame seed-topped roll spread with whole berry cranberry sauce and filled with thin-sliced breast of turkey.

A soft bun covered with chicken salad sparked with chopped ripe olives and sprinkled with grated cheese, broiled until cheese is bubbly, garnished with sliced tomato and carrot sticks.

Or a toasted English muffin spread with tuna salad and garnished with hard-cooked egg slices and red pimiento strips.

Top brown bread with thin-sliced ham roll-ups filled with sour cream and chopped cucumber all garnished with sliced tomato.

Other sandwich hints include the following:

A toasted bun boasting hot baked beans and cut-up franks between the halves.

Raisin toast with peanut butter and jelly.
Or two slices of rye bread filled with corned beef and cabbage slaw, enhanced with chopped peanuts and mustard pickle relish.
Your choice of salad dressing goes on cracked wheat bread slices with lettuce, sliced tomatoes and cucumbers.

Hot thin-sliced roast beef au jus and horse radish-flavored sour cream can top a hard, crusty roll.

Or you might spread nut bread with a blend of softened cream cheese and chopped prunes or apricots.

Take a vacation from cooking, and serve hearty, wholesome sandwiches often.

electric heating estimate

an eye-opener for:

makes molehills out of mountains

Why sift through a heap of information about
heating? An accurate, easily understood esti-
mate of what it would cost to heat the electric
way makes the decision easy. It makes any
ideas about electric heating costing too much
come apart at the seams. It's the moment of
truth when customers decide to switch to the
total comfort of electric heat. Let us make a
believer out of you. Call us. The estimate is free,
accurate and a real eye-opener.

ELECTRICITY - IT DOES SO MUCH GOOD

FOR SO MANY PEOPLE

NEW HOME NEWS

BY MRS. W. W. DAVIES

Congratulations to Mrs. Wilmer Smith on being named one of Texas Tech's distinguished alumni. Further details will be found in another part of the paper.

As usual when a call for help goes out, our people respond wholeheartedly. The newspaper drive to aid Jerry Wilson of Brownfield went over far beyond expectations, tripling the original goal of 100,000 lbs. The Terry County citizens band radio organization who started the drive had the papers picked up here Mrs. Wayne Fillington, New Home; her brother, Robert Kent and a friend, Johnnie Smrude, both of Lubbock took a pick up load to Lubbock Saturday. We understand that another load will be picked up Saturday. Thanks to everyone for helping.

Mr. and Mrs. Bobbie Taylor and children of Lubbock visited her parents, Mr. and Mrs. J. W. Edwards here Sunday.

Mr. A. R. Poole and his bride, the former Mrs. Adeline Tatum of Lubbock visited here Wednesday and Thursday with his daughter and son-in-law, Virgil and Hava Haley. They are at home in Portales New Mexico.

L. H. Moore was in Spur Tuesday for a meeting of the 20 counties South Plains SWCD's. L. H. is a director in the association and Vice President of the Lynn County District.

Mr. and Mrs. George Eakin, New Home and Mr. and Mrs. Olen Hogan and Mr. and Mrs. Wallace of Lubbock were in Corpus Christi Friday until Sunday for dedication services for the new Eagles Lodge building, recently completed, built almost entirely by the lodge members. The old lodge hall was destroyed when the hurricane struck Corpus about two years ago.

Mr. and Mrs. Orvel Ray Phifer and children spent a week at Fun Valley, Colorado where Paula spent the spring and summer working. She returned home with them and has entered West Texas State University. Melody Peck is also attending WTSU.

New officers elected for the Parents, Teachers Club

are: President, Mrs. Jean Ford; Vice Pres., Mrs. Joyce Davies; Sec.-Treas., Mrs. Beth Phifer; Reporter, Mrs. Charlene Kieth. Outgoing officers were: Pres., Charlene Kieth; Vice Pres., Mrs. Don Sharp; Sec.-Treas., Mrs. Beth Phifer.

The teachers reception, sponsored by the club, was held Tuesday Sept. 5th, with about 60 in attendance. School Supt. Russell Howe introduced the school board. Mr. Lynn Denton, high school principal, introduced the high school teachers, and Mr. Lynn Johnston, junior high principal, introduced the junior high teachers. Mr. Harold Gober elementary principal, introduced the elementary teachers. Refreshments of cookies, tea and coffee were served. The Parents, Teachers Club meet the 1st Thursday each month at 3:00 p.m. in the cafeteria. All teachers and parents are urged to attend.

Larry Critchlow left by plane Saturday for his home in Fontana, California. He had been here about a month with his uncle Ed Follis and family.

Congratulations to Mr. and Mrs. Eddie Garces on the birth of a son, born 11:30 p.m., Friday, Sept. 1st, in Mercy Hospital in Slaton. Weighing 6lbs. 12oz., his name is Jeremy Mark. Grandparents are: Mr. and Mrs. Andres Rodriguez of Dalhart, and Mr. and Mrs. Tereno Garces of

Wilson. The father is employed at the Texico Station in New Home.

Mr. and Mrs. C. G. Roper, New Home, her father, Rowland Thompson, Lubbock, Lowell Thompson, Bakersfield, California, and Joe Wayne Roper, Seminole, fished at Lake Brownwood, Monday until Saturday.

Mr. S. S. Liles of Rochester visited here a few days last week with his daughter, Mrs. Bob Parker and family.

Mr. and Mrs. Al Davis spent most of last week in Lubbock with their son, Gene Bob and family, to be near the hospital, where Al's mother, Mrs. Mary Davis of Crosbyton remains in serious condition.

Ben Pectol, minister of the New Home Church of Christ, started the fall classes in Sun-

set School of Preaching in Lubbock, Monday, Sept. 4th. Lynn Blair has also started classes again after working the summer.

Rev. Leo Cole was guest speaker at the YMCA in Lubbock for the boys opportunity work. A hamburger supper provided by the Calvary Baptist Church was enjoyed by the group, and swimming in the YMCA pool.

Mr. and Mrs. Marvin Holt of Seminole visited their daughter, Mrs. Carl Armes and family Sunday, and attended church services at the New Home Baptist Church, Sunday evening.

Mr. and Mrs. Scott Lowry vacationed in New Mexico and Colorado. They spent some time in Colorado Springs and visited with Mary Ellen James.

Mr. C. G. Eads and Pete Alexander are on a business trip to Sulphur Springs.

Mr. and Mrs. Earl Cooley visited their daughter, Mrs. Ed Miller and family in Big Spring this week end and did a bit of fishing.

Mr. and Mrs. David Vaughn and children of Lubbock spent the week end here with her parents, Mr. and Mrs. Ed Follis.

Dawn Cherie Unfred has the chicken pox, at the home of her grandparents, Joe and Betty.

W S C S Begins New Study

The W.S.C.S. met Monday afternoon, Sept. 11, in the United Methodist Church parlor to begin a new course of study. The study is on the ethics of technology. The time has come for us to take a look at the pollution caused by our industries and by the products as we use them, and to think about what we can do to prevent further damage.

Tahoka Junior High Football Scrimmage

Tahoka Junior High School football teams will scrimmage among themselves on Tuesday, September 19th. The seventh grade scrimmage will be at 5:30 p.m. with eighth grade scrimmage to follow at approximately 7:00 p.m. There will be no admission charge and the public is invited to attend.

About 20,000 on Texas welfare rolls may lose their eligibility next month due to increased federal Social Security benefits.

Probably 110,000 more may get a cut in state Old Age Assistance as the federal benefit goes up.

However, Department of Public Welfare Commissioner Raymond W. Vowell emphasized that total income will still be higher even where state benefits drop.

Federal law requires the state welfare agencies to count Social Security income in figuring financial need for welfare grants.

Vowell said the Welfare Department is trying to lower or deny welfare grants wherever possible.

He advised welfare recipients to notify their local aid offices of any recent changes in their need or other income.

Budgetary revisions in welfare procedures will permit continued assistance to about

4,700 old folks who otherwise would have had their welfare grants denied, Vowell said.

DEATH SENTENCES COMMUTED -- Some 25 prisoners sentenced to death have had their sentences commuted to life imprisonment following a high court decision that capital punishment as now applied in Texas is unconstitutional.

Atty. Gen. Crawford Martin August 2 held the U. S. Supreme Court decision (now on appeal) meant sentences must either be commuted or prisoners given new trials.

A Board of Pardons and Paroles member said he did not know when inmates whose sentences have been commuted by Gov. Preston Smith actually will get the official news. He said there are 45 on death row in Texas prison and that the Board may wait until all sentences are commuted before informing either prisoners or the public.

Before action can be taken on commutations, prosecutors who do not want to start new trials must make formal written requests to the Board. In nearly all cases, local prosecutors are expected to request commutation rather than retrial.

The Board plans a meeting within the next month to take formal action. **DRAFT NUMBER AT 95** -- Young Texans whose draft lottery number is 95 can relax for the rest of 1972.

State Director of Selective Service Col. Melvin N. Glantz said 95 is the lottery number cut-off for induction of non-volunteers for the rest of the year. Lottery cut-off for September is 75.

The Department of Defense has asked for 15,900 men from all states October-December. Glantz indicated about 1,100 Texans will be drafted during the last three months of the year. Induction orders will go to men qualified for military service who were born in 1952 and those who lost a deferment in 1972.

RATE CUTS TAKE EFFECT That 11 per cent average statewide auto insurance rate cut went into effect September 1 as scheduled.

They will be available to auto owners when they purchase new policies or renew existing coverage in the next 12 months.

An additional 10 per cent cut is possible after passing a National Safety Council-prescribed defensive driving course. Total reductions amount to about \$70 million. **DAM HEARING POSTPONED** Texas Water Rights Commission recessed hearings on feasibility of rival damsites for the next reservoir in the Nueces River watershed until September 28.

Wilson Stops Eagles, 27-8

The Wilson Mustangs opened the 1972 football season with a pleasant hard fought victory over the O'Donnell Eagles last Friday 27-8.

Wilson received the opening K.O. and after one first down were forced to punt. O'Donnell ran 4 plays and Wilson took over on O'Donnell 45 yard line. It took the Mustangs 10 downs to score with the T.D. coming on a 35 yard pass from John Fields to Greg Wied. Fields picked the extra point to end the first quarter with Wilson leading 7-0.

After an exchange of fumbles the latter being covered by David Savell Wilson drove to O'Donnell's 10 yard line before being stopped. O'Donnell ran three plays and punted. The punt traveled 5 yards past the line of scrimmage and hit a Wilson player and O'Donnell recovered on their own 10 yard line. O'Donnell again found the going tough as the stout Wilson defensive unit headed by linbackers Danny Crowson and Leland Brieger, ends David Savell and Clyde Wilke, tackles Lynn Jones and Johnny Arellano, and nose-guard Danny Trotter forced O'Donnell into another punting situation. O'Donnell faked the punt and tried to run, but Johnny Arellano and Clyde Wilke threw O'Donnell for a 6 yard loss. It took Wilson four plays to score with Danny Trotter plowing one yard for the score. The half ended with Wilson leading 13-0.

The second half opened with O'Donnell exploding for a T.D. on three plays with O'Dell Hunter blasting 29 yards for O'Donnell's only T.D. O'Donnell's extra point came on a fumble into the end zone where an O'Donnell player fell on the ball.

Chris Coleman ran the ensuing K.O. back to O'Donnell's 49 yard line where the determined Mustangs scored 9 plays later on a 11 yard run by Lynn Jones. The T.D. was set up by a 16 yard pass from

Fields to Coleman. Fields passed to Danny Crowson for the E.P. making the score 21-8.

After an exchange of hands O'Donnell tried to run again on fourth and long and Lynn Jones caught O'Donnell for a 11 yard loss.

Again Wilson capitalized on the O'Donnell mistake and Greg Wied followed the Wilson offensive line over for the final T.D. of the game.

The Wilson offense was led by Greg Wied, Danny Trotter, Lynn Jones, and David Hernandez who followed an out-manned, but not outplayed Wilson line headed by center, David Savell, guards Tony Bishop and Clyde Wilke, tackles Leland Brieger and Arturo Zuniga and ends Danny Crowson and Chris Coleman.

John Fields had a good night at the helm completing 5 of 10 passes for 98 yards to ends Crowson and Coleman and wingback Greg Wied.

The Wilson defense was led by Danny Crowson with 15 tackles, Danny Trotter II, Leland Brieger 10, Clyde Wilke 8, Johnny Arellano and Greg Wied at 7.

Lorraine Beats Leopards, 21-16

Robert G. Lorraine, club president, appointed several committees to carry out the functions of the coming year. The club again voted to feed the football boys at the ball games that are away from home. About 40 members attended the meeting. All fans of the community are urged to attend the meetings. Booster Club meets each Monday night at 8:00 p.m.

and a 21-8 lead, Darnell kicking. McNeely got New Home's consolation touchdown later in the third, Thomas getting the PAT's.

New Home gained about 300 yards to Lorraine's 200 yards. Next Friday the Leopards will play Happy at New Home, beginning at 8 p.m.

John Huffaker On Staff Of Law Review

John Huffaker, son of Mr. and Mrs. W. C. Huffaker, Jr. of Tahoka, has been named to the staff of the Texas Tech Law Review.

The Law Review is the journal of the Texas Tech University School of Law. It contains articles written by prominent members of the legal profession and by outstanding law students. The journal is published twice annually and has a nationwide circulation.

Participation in Law Review word is both a recognition of superior academic achievement and an unusual educational opportunity. Only those students who rank at the top of their class are invited to serve on Law Review.

Huffaker is a second-year law student at Texas Tech. He was graduated from Tahoka High School in 1966 and from Texas Tech in 1970 with a Bachelor's degree in Range and Wildlife Management. At Tech he was a member of Phi Kappa Phi and Alpha Zeta, scholastic honorary fraternities.

In law school Huffaker was named to the Dean's honor list for the 1971-72 school year. He is a member of the Texas Tech Student Bar Association and serves as secretary for Phi Delta Phi law fraternity.

His wife, Charlotte, is the daughter of Mr. and Mrs. R. L. Warren of Tahoka.

JIM TRINKLE

Hello, Again

COLLEGE STATION — As Cliff Thomas was saying... ha, you never heard of Cliff Thomas, didja? Mister, if you were around Tahoka, Texas, in 1968, you'd have thought Cliff was Doak Walker. You've heard of the Doaker, haven't you, mister?

It was at the Thomas place that some of the goldarnedest scuffling took place. Cliff's folks didn't want him to be an Aggie. Say, he could've been a hippie and his folks wouldn't have minded. But an Aggie?

"My mother and dad didn't like A&M, or College Station or Coach (Gene) Stallings," says Thomas, whose dark good looks could pass him as Omar Sharif's stand-in. But Cliff saw the Aggies beat Texas Tech on Edd Hargett's run after time had run out in '67.

"I liked that," says Cliff, remembering that he and three Tahoka buddies drove over to Lubbock for that game. Dr. and Mrs. Thomas wanted Cliff at Texas. Mrs. Thomas, who's a fierce A&M fan now, cautioned Stallings with a note of asperity. "Why, he has a chance to play football for DARRELL ROYAL!"

"They said they didn't care," the reserve running back said, "until it looked like I'd settled on A&M. Then they said I could go anywhere — out of state, even — if I wouldn't come here."

But he did, lettered as a sophomore, lost a year to knee surgery, played sparingly last fall — and hasn't regretted it.

AGGIES TODAY NOT WHAT THEY USED TO BE

"Mother thought I was sort of slickered into coming here, but now she's a fan," Thomas said. "She's sitting over there in the stands now. It's been good here, and we'll do okay whether I play or not."

With such exalted buddies as blaster Mark Green and swirling Bubba Bean geared for halfbacks, and roommate Brad Dusek a fullback to delight any coach, Cliff may not soil his football knickers. It's worth it.

"Coach Bellard yells like any other coach," he says, "but he's the best teacher and knows more about the wishbone offense than any coach I ever saw. Let other teams do what they want to. We'll do the things that work best for us."

Thomas and some other Aggies have mustaches, neat ones. Some of them don't show a full ear beneath their sideburns. Like girls on campus, all this is new and exciting stuff to an old Aggie of 22.

"Football is hard. I say that after five years here," Cliff said. "Football's hard, no matter who the coach is. But we're more relaxed. We can wear our hair longer. We can have mustaches if we don't let them get out of hand."

"I like to talk. The last time I talked we finished 2-and-9. But I don't feel that way. We play Nebraska and LSU, but I'm still confident. Our strategy is to beat 'em with what we have."

What the Aggies have, aside from experience, is a new factor of searing speed from freshman halfback Bean — who scored 79 TDs in high school — and frosh split end Richard Osborne, who is 6-3 and has the instinctive, willowy moves of all great receivers.

MOTHER WAS RIGHT — ONLY BY CHANCE

"Bean is the best kid I've ever seen, a great runner," Thomas said. "Osborne can catch anything. Brad Dusek is my roommate, and he is a super-stud player."

Cliff pointed to Mark Green nearby, his 6-3, 218-pound physique planted before a camera. Mark has a dash of Errol Flynn to him, with a well-defined mustache. Thomas shook his head.

"A&M has girls now, but they're too young for me," he said. "It's better here now. Take a guy like Mark. He's GOTTA have girls to come here."

Some one might say Cliff Thomas would have been better off signing with the University of Texas recruiter five years ago. He was one of Tahoka's heroes. But he may be a bench jockey while the Aggies come alive again.

"I lack one easy semester to graduate in finance," he says. "I may go to graduate school. It would help me get a job if we'd go to the Cotton Bowl. We can step on the field with anyone. I've seen a lot of things here. I've been a starter and I've been hurt and I've been a redshirt. I'm under one of the best coaches I've seen."

He wouldn't have been if five years ago he had listened to his mother and dad. The Texas recruiter was Emory Bellard.

"When I told him I wasn't going to Texas, he wished me luck," Cliff said. "He said if he could ever help me, to call him."

Cliff Thomas is a running back you may not read about again. But he thinks his coach helps him every day.

Past Days In Lynn County

Copied from Sept. 1, 1932

A. J. Mullins of this city sustained a fracture of both bones of the left forearm Tuesday morning when he fell from the distributor of a gin in O'Donnell on which he was making repairs to the floor beneath, a distance of about ten feet.

The bones were set by an O'Donnell physician and the injured arm placed in a sling. Mr. Mullins thinks that the broken ends of the bones will soon knit together again and that the member will soon be as strong practically as ever.

Fred Alexander has been circulating a petition asking the legislature to enact an Old Age Dependent Pension law. The petition has been numerously signed by business men and other citizens of Tahoka. The movement is being sponsored by Major S. W. Riley, Tyler Texas, who is engaged in general mission and relief work.

Mr. Alexander is general director for Lynn county, while Mr. Estes, the justice of the peace at O'Donnell, is local representative at that place. Mr. Alexander says that some funds are badly needed to carry on the work and he would like to have a number of small contributions to pay expenses. The proposed legislation would doubtless be a boon to many aged people in this state who are in indigent circumstances.

Jim Woods, high school student reports that lightning struck the house of his father, S. H. Woods, at about 4:30 Tuesday afternoon during the rainstorm, knocking a large hole in the roof possibly two feet wide and eight or ten feet long. The roof caught fire and burned for a moment but was soon extinguished by the heavy rain. Mr. and Mrs. Woods and other occupants of the house were slightly shocked but no one was injured.

The Woods live on a farm three miles east and a mile and a half north of Tahoka.

A young man was arrested and placed in jail here Wednesday charged with the theft of a battery vacuum tank, and other automobile accessories from the car of Winter Knight a few weeks ago. The stolen property has been located and recovered. A complaint has been filed against the accused in the justice court.

Copied from Sept. 8, 1932
Although rain has fallen nearly every day for the past week, Lynn county and the entire South Plains are fortunate in that they have had no terrific downpours such as have occurred a little further east. The total precipitation in Tahoka since this showery weather began nearly two weeks ago has amounted to 2.50 inches, according to the U.S. rain gauge kept by the News. The rainfall since the first of this month amounts to 1.23. In some portions of the county possibly more rain than that has fallen, for there are a few localities in which the downpour was heavy at times, but for the most part the rains throughout this section have fallen slowly and have soaked into the soil. Unprecedented rains have visited some sections of the West. Sweet water and Roscoe reporting as much as ten inches last week and five inches this week. Heavy rains have also fallen at Snyder and Post, while La-

mesa has received much more rain, according to reports, than has fallen here.

These rains have greatly delayed harvesting of the feed crops and some of the feed has been very seriously damaged by the continued wet weather. The opening of cotton has also been delayed and some fear that worms may yet seriously damage the late cotton. An immense feed crop has been raised, however and the cotton crop still promises to be fine.

The rainfall this year has been a little heavier than usual in this section and has been well distributed throughout the entire year thus far. The annual rainfall here averages about 21 inches. Tahoka has already had this year almost exactly 18 inches.

Bill Holland, the man who opened the M-System store here, is back as manager and it is said that he is to remain here permanently.

Miller Cosby, who came here from Hobbs, N.M., a few weeks ago as manager, will return to Hobbs Saturday.

Mr. Holland is well and favorably known to the people of Tahoka and its trade territory and he has many friends here who will welcome him back.

G. W. Knov was guest of honor at his home Sunday at a birthday dinner given by his friends and relatives in celebration of his seventy-fifth birthday. Twenty-four people were present to enjoy the feast.

They were: Mr. and Mrs. J. M. Johnson and children, Mr. and Mrs. J. H. Dorman and children, Mr. and Mrs. Cecil Caraway and child, Mr. and Mrs. Edward Quinsey, Mr. and Mrs. Norman Johnson and baby, Noble King of near Brownfield, Sherman Russell, and Mr. and Mrs. Knov.

Copied from Sept. 15, 1932
Mrs. J. N. Townsend was hostess Tuesday, Sept. 13, to the B. D. club in the High School auditorium at Morgan. After the business session in which the ladies voted to have a picnic supper with their families Saturday night in the open section near the Morgan school house.

There were five members present: Mesdames F. M. Davidson, Pal Cato, M. L. Cade, Shine Miller and J. N. Townsend. Fourteen visitors were present. Those from other communities were: Mesdames James Rayburn, W. T. Brown and W. D. Eads. From the Gordon community were Mrs. Hill Corbell, president of the club, and Mrs. Lewis Manly. Mrs. James Rayburn and Mrs. Hill Corbell each gave interesting talks. Mrs. Pal Cato, Mrs. Ann Davidson, and Miss Hallie Wall won the contest on "United States". Several tied for first place in the magazine contest. Mrs. M. L. Cade and Mrs. Shine Miller won the paper race, Miss Hallie Wall, piano teacher from Lubbock, assisted Jessie Townsend in a musical program which consisted of readings, piano duets, vocal solos and piano solos.

On Friday, Sept. 9th, the Federated Clubs of Tahoka met at the American Legion Hall, the Phebe K. Warner Club taking charge.

On entering, a punch was served. The meeting was started by singing "Texas,

Our Texas". Then the roll call. Mrs. Callway gave an inspiring talk as president. Miss Caveness and Mrs. Knight from Les Savantes and the Junior Phebe K. Warner Club, respectively, spoke. Mrs. Haney, Mrs. Swan, Mrs. Slaton and Mrs. Nevils gave interesting papers. Miss Slaton and Miss Maddox sang delightful songs. The meeting was then adjourned adjourned until Sept. 23.

Mrs. J. L. Hobbs has accepted a place in the post office, taking the place of Mrs. Bernice Hobbs, who recently resigned.

Miss Bernice Dunagan, daughter of Mr. and Mrs. A. L. Dunagan of north of town, underwent an operation for appendicitis last Thursday night at Lubbock. She is reported to be doing as well as could be expected.

MY HAND IN GOD'S

Each morning when I wake I say:
"I place my hand in God's today";
I know He'll walk close by my side
My every wandering step to guide.
He leads me with the tenderest care
When paths are dark and I despair --
No need for me to understand
If I but hold fast to His hand.
My hand in His! No surer way
To walk in safety through each day.
By His great bounty I am fed;
Warmed by His love, and comforted.
When at day's end I seek my rest
And realize how much I'm blessed,
My thanks pour out to Him;
and then
I place my hand in God's again.

This a card carried by Martin White expressing his faith and his family would like to share this with you.

NURSING HOME NEWS

The sun sure looks good even if we do stay in most of the time here at Colonial Nursing Home, we still get tired of the rain and mud.

Mrs. Elmore and Mr. Grow have returned home from the hospital but Mrs. Todd and Mrs. Harter were admitted to the hospital.

Ray Moreman has moved back with us. We welcome him back and also John Williams from Floyd County.

We were shocked over the death of Martin White, he will be greatly missed as he was always so nice to everyone. Our prayers are with the family and we thank them for sharing the flowers and other thoughts with us at this time.

Mrs. Tom Hale Sr. and Mrs. Tom Hale, Jr. were by to see us and left another delicious cake. Thanks.

Virginia Dann and Mrs. Clark attended services at their church Sunday, Virginia at Sweet Street Baptist and Mrs. Clark at the Church of Christ.

Tom Britwell, L.V.N. of Post helped us out Saturday. Her daughter and friends came by for a visit also.

Mrs. Bales graduated from L.V.N. school at Brownfield Friday. We are all proud of her and look forward to her getting to work with us.

BILL GRIFFIN SAYS ...

Unpalatability and reduced water consumption are often brought on by minerals dissolved in drinking water. Loss of appetite and in feed conversion efficiency result from this low water intake. Thus, for best results in animal production, clean, palatable water is a prime ingredient.

Water begins to decrease in palatability when the amount of minerals exceeds 500 to 1,000 parts per million (ppm) depending on the nature of the minerals. Beyond these limits, the water becomes increasingly unpalatable and finally toxic.

If better water is available, neither man nor farm animals will choose highly mineralized water. But if forced to drink it, he may develop a tolerance to its taste and effects. This varies, depending on the nature and amounts of minerals, age and condition. Unfortunately, although tolerance to its effects may develop, there is a definite limit to how much the animal's body will take. Beyond that both water and feed intake are depressed, followed by rapid loss of body weight, signs of toxicity and eventually, death.

Some minerals are understood better than others. Also, certain forms or compounds of the minerals are better tolerated.

Experience and research have found that cattle, swine, sheep and chickens remain in good health on saline wa-

We want to thank you folks for the fresh vegetables. Carlos Edwards brought us some nice tomatoes and okra, Mr. and Mrs. Delbert Mouser of New Home brought us some tomatoes also. Dovie Jolly came by with peas and tomatoes, Mrs. Jack Brewer gave us a mess of greens. C.E. Birdwell some tomatoes, and Helen Barriently baked us a cake.

Many of our family had visitors. Before she went to the hospital, Ma Todd was visited by Etta and Homer Aldridge of Clifton.

The Owens' visitor was Lynn Tally of Lubbock. Trula James visited Mrs. Willess and Debbie Cloe and Brenda Cloe visited Kate Jones and Mrs. Charles Gass visited Mrs. Cunningham.

Others signing our guest book were Mrs. Coleman, Laura and Bert Stice, E. A. Howle, Mrs. Skip Taylor and Mrs. Beula Atkins.

Mrs. Hills son Dave and his wife took her to see her doctor for a routine check up.

Our Monday singing was wonderful. God bless the ladies who come and help, Mrs. Hammonds. We enjoy this so much.

We look forward to seeing you at our home this week. Don't disappoint us.

Soil Conservation District Meet Held

80 People representing 18 soil and water conservation districts attended the September meeting of the South Plains Association of Soil Conservation District Directors, in Spur, Tuesday, September 5. Lit H. Moore, Jr. Secretary of the association has announced. Attending from the Lynn District were Harward Moore, Lit H. Moore, Jr., T. B. Mason and E. B. Crawford, A. V. Sheppard, District Conservationist, SCS, also attended.

Also we were happy that State Representative E. L. Short was able to attend and make a few remarks to the group, Moore explained.

The Duck Crub SWC District hosted the meeting. The program included an outstanding slide talk on conservation

affects both rural and urban people, by Albert Roach, State Soil Conservation Board Member Paris, Texas. Also a slide talk on experimental water being done at the Spur Experiment Station by Paul Marion, Supt. of the Station, Moore pointed out.

In the business meeting, officials of the Dawson SWC District invited the association to Lamesa in September of 1973. The February 1973 meeting will be hosted by the Terry SWC District in Brownfield, according to Moore.

Also the group elected one director to represent the soil conservation districts with the South Plains Association of Governments, Moore explained.
