Homecoming Big Success, Dogs 62, Lobos 13

Begin District Play Friday Night

The Tahoka Bulldogs made the Tahoka Homecoming a big success Friday night by highlighting the activities with a 62-13 crushing victory over the Levelland Lobos. The Lobos were picked to win the contest at a few early fumbles by the Bulldogs and scores by the Bulldogs broke the game wide open for the Big Blue team. The Bulldogs were back where everyone expected them to be at the start of the season and with the Bulldogs beginning District play this Friday night will have to be up for every contest. The Bulldogs District is probably one of the toughest conferences anywhere and as usual the Denver City Mustangs are picked to lead the pack. The Mustangs started out Conference play last week with a 33-0 romping of Slaton.

Tahoka received the opening kick-off last Friday night from the Lobos to begin the grid contest and moved the ball from their own 25 yard line to the 34 yard line where they were forced to punt the ball away to Levelland. The Lobo fumbled the punt and Tommy Martin covered the Levelland fumble on Levelland's 35 yard line. It took the Bulldogs just 6 plays to score from that point with Bailey and Thomas getting the yardage. John Thomas carried the ball over right guard for 1 yard to get the tally and Louis Zedlitz kicked the extra point to give the Bulldogs an early 7-0 lead.

After the kick-off the Levelland Eleven were forced to punt on their first series and after a little razzle-dazzle by the Tahoka squad, Jimmy Bailey faked a run and threw a pass to Louis Zedlitz at the Lobo 25 and Zedlitz ran it in for another Bulldog score. Zedlitz missed the PAT to leave the score at 13-0 in favor of the Doggies. Again on the Bulldogs next possession of the football after Levelland received the kick-off and couldn't move the ball and had to punt to Tahoka with Phil McClendon taking the punt on the Bulldogs 43 yard line. Three plays later the score came with Jimmy Bailey getting a 16 yard gain around right end, Phil McClendon getting 16 on a keeper around left end and John Thomas getting his second score of the night, broke through right guard, broke several tackles and went 25 yards for the 6-pointer standing up. PAT was blocked by the Lobos, giving the Bulldogs a 19-0 lead at the end of the first stanza.

In the second period of action, Levelland threatened to score by driving to the Bulldog 10 yard line. But, on fourth down Levelland bobbled the ball and Menford Gandy recovered the fumble on the Bulldog 14 yard line. A short time later after the Bulldogs were forced to punt and the Lobos were forced to punt the Bulldogs taking over on their 47 yard line moved 53 yards in 3 plays for another Bulldog tally. On a 21 yard pass from Quarterback Phil McClendon to Gary McCord, Jimmy Bailey went 19 yards to the middle and then John Thomas getting his third TD of the night took a pitch-out and raced around left end for 13 yards for the score. Louis Zedlitz kicked the PAT to put the Bulldogs out front by a score of 26-0.

After the kick-off Gary McCord intercepted a Lobo pass and ran to the 22 yard line Zedlitz then caught a 10 yard pass from McClendon, 3 plays later, Thomas took a pitch-out, faked a run, and passed 25 yards to Gary McCord for a touchdown. McClendon ran the conversion putting the Bulldogs out front by a score of 34-0.

Soon after the kick-off John Thomas covered a Levelland fumble on the Tahoka 43 yard

line. An 18 yard pass play to Timmy White covered 18 yards, 4 running plays were good for 27 yards and then McClendon hit Larry Reynolds with a 12-yard scoring pass. McClendon then passed to Gary McCord for a 2-point conversion giving the Bulldogs aniced away victory and a 42-0 half-time margin.

Coach A. J. Viertel used reserves most of the second half with Weldon Warren as Quarterback. Then backfield men Dean Rogers and David Martin moved the ball to the Levelland 30 yard line and John Thomas came and with a quick kick and the ball was down on the Lobo 5 yard line. The Bulldogs held the Lobos and took over the ball again on a short punt at the Levelland 35 yard line. 4 plays later Weldon Warren on a keeper started to right looking for pass receiver, reversed field and went to left and scored from 25 yards out. The PAT failed giving the Doggies a 48-0 lead.

Early in the 4th stanza, after Levelland had been held on downs and Levelland punt blocked, the Bulldogs took over on the Lobos 26 yard line and on 7 plays David Martin scooted over from the one yard line for another Bulldog score. Timmy White then ran the ball for a two point conversion giving the Bulldogs a 56-0 lead.

On the first play after the kick off Lobo Evans brought the ball to the Lobo 37 yard line and went into action from that point. Lobo quarterback Bobby Smith found Back Sam Mitchell open, hit him with a long pass at about the Tahoka 35 yard line and Mitchell went in to score on a 63-yard pass play getting the Lobos on the scoreboard for the first time late in the fourth period. The two point run conversion failed leaving the score at 56-6.

The Bulldogs weren't through, though, and after the KO, moved the ball to the Levelland 47, Brown punted and Leslie Paris covered the fumble on the Levelland 14 yard line. Two plays later, Martin ran right end for 3 yards to score the final Tahoka TD. The PAT run try failed and left the score at 62-6.

The Lobos weren't through scoring either. Later in the final period McCord and Warren each intercepted a Lobo pass, but Tahoka lost the ball on a fumble, and the next time lost on a pass interception, and the Levelland Lobos moved 57 yards in 9 plays. With 18 seconds left, Larry Sheppard went 1 yard for the TD and Steve Kirkpatrick kicked the PAT to end the scoring and the game at 62-13 in favor of the Doggies.

To pick out a player and say they played excellent football by the Bulldogs would be almost impossible with each player really hustling the entire game. The Bulldogs made very few mistakes and Levelland was plagued with mistakes all night. Moving into conference play this Friday night at Frenship the Bulldogs will need every ones support, so be there and wear something blue to the game and wear something Blue all day Friday. See you at the game. STATISTICS

HOMECOMING QUEEN CANDIDATES -- Pictured above are the four Homecoming Queen Candidates for Tahoka High School for 1972. The Girls are pictured from left to right, Debbie Raindl, Gwen Sterling, Homecoming Queen, Becky Franklin and Leasa Huffaker.

O'Donnell Homecoming Is This Friday

Homecoming activities for all O'Donnell ex-students are scheduled for Friday, October 13, 1972. The Homecoming banquet will be at 6 p.m. in the school cafeteria, at which time the Class of 1947 will be the honored guests. Following the banquet, the O'Donnell Eagles will be hosts to the Spur Bulldogs. Receptions for the various classes will be held after the football game. The O'Donnell Community Center will be available all day Friday for those who wish to visit with their friends and class mates there.

David Henderson At Lackland

U.S. Air Force Master Sergeant David R. Henderson, son of Mr. and Mrs. Virgil Henderson, Wilson, Tex., has arrived for duty at Lackland AFB, Tex. Sergeant Henderson, a communications wiring technician, is assigned to Detachment 1, 1923rd Communications Squadron. His unit is part of the Air Force Communications Service which provides global communications and air traffic control for the USAF. He previously served at Yokota AB, Japan, and has completed 12 months of duty in Vietnam. The sergeant is a 1954 graduate of Wilson High School. His wife is the former Mitsue Miyayama.

D.E.C.A. Officers Attend Conference

Two officers of the local D.E.C.A. chapter, Kim Chandler and Melinda Sheppard, and their coordinator, Bill Burns, attended a D.E.C.A. Leadership Conference Saturday and Sunday, September 30 and October 1. The conference was built around getting acquainted with strangers and meeting new friends. Persons attending became acquainted with each other after which they set to work on learning to organize a successful D.E.C.A. club by learning a few basic facts. Participants learned the value of working as a team

and learning to accept responsibility. The last day each person was evaluated as to how well he fit into his group and how involved he became in the work.

Burnes, a graduate of San Angelo State University, is teaching for the first time in Tahoka. Kim a senior, is treasurer of the local D.E.C.A. chapter and is employed at

White Funeral Home. She is the daughter of Mrs. Dave Hill. Melinda D.E.C.A. reporter is the daughter of Mr. and Mrs. Allen Sheppard. She is a junior and is employed at Durham-Midkiff Dental office.

Lions To Sell Halloween Candy

LIONS CANDY SALE Tahoka Lions will make a house-to-house canvass of Tahoka homes October 19, offering Halloween candy to local residents, according to Bill Chancy, project chairman.

The 160 piece bag sells for \$1.00 per bag and is popular with most spooks and hobgoblins. Proceeds from the sale are used for Lions projects. The sale starts at 6:00 p.m. Thursday night and all Lions are asked to meet at Chancy and Son.

BECKY FRANKLIN, HOMECOMING QUEEN AND ESCORT, EUGENE BROWN

Class Of 1952 Honored At Homecoming

The Class of 1952 was the honoree class at Tahoka's annual homecoming last Friday night when the Bulldogs triumphantly outlasted the AAA Levelland Lobos 62-13.

Wayne Martin, 1952 class president and now production manager of Plains Co-op Oil at Lubbock, was principal speaker at the 2:30 p.m. homecoming program held in school auditorium.

Lighting humor with nostalgic Martin cited his classmates as an example of what education can do in reaching goals. For example, he cited the 1951-52 athletes who read the papers which usually picked them to lose, the football team with the average eleven averaging

about 154 pounds in weight won the district championship, then along came the basketball team also to win the district title for Tahoka.

Harry Lee Short was master of ceremonies. John Thomas, student council president, welcomed the exes and visitors; and Wayne Tekell in a short talk told of the 1952 athletic progress and then introduced his class, about twenty of whom were present, and other class representatives present.

Mrs. Frankie Fenton won the prize for the earliest graduate (1924) present, and Mrs. Janie Florence Shea the prize for the Ex. coming the greatest distance, 1700 miles from Michigan.

Mrs. Joy Bragg, Ex. secretary, registered ex-students present.

Other activities included a pep rally in the gymnasium following the program, a reunion of the Class of '52 in the home of Mr. and Mrs. Jack Fenton, a barbecue supper sponsored by the Rainbow girls, visiting and noon luncheon in Lyntegar building, an entertainment at First Baptist Church following the game, and a Homecoming dance at the Community Center also following the game.

In ceremonies of the football field just prior to the game, Becky Franklin was crowned Homecoming Queen, other candidates being Debbie Raindl, Leasa Huffaker, and Gwen Sterling. The new queen was crowned by last year's honoree, Dale Rogers, and the 1952 queen, Barbara McNeely White was recognized.

Presentation of the colors was by a ROTC drill team from Lubbock, arranged by Buddy Knox.

New ex-student officers elected were, Joe Brooks, president, who moved up from vice-president, Jimmy Bragg, vice-president and secretaries, Doris Stotts, Jackie Stephens and Johnette Havens.

H. Boosters Report Meadow

The New Home Leopard Club met October 9, in the school cafeteria reviewed the New Homecoming game. Coach Zant gave a scouting report on Meadow.

The club would like to thank the Poer for the time and to be gave to help install new lights for the football field.

Wesley Ray Phifer was asked to be in charge of a supper to raise funds for a sewing machine for the Athletic Department. It will be on October 3, before the game at Whiteface.

The New Home Jr. High team will travel to Lubbock Thursday October 12. The game will be played at 6:00 p.m.

On Wednesday, October 17 at 7:00 p.m. the Girls A and B basketball team will play Sands at New Home. Coach Johnson would like for everyone to come out for the season

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

Senate rejection of Secretary of State Bob Bullock to the State Insurance Board amid the special session's bitterest infighting opened new speculation as to who may get the job.

Sources close to Gov. Preston Smith appeared to be deliberately encouraging rumors that former U.S. Sen. Ralph W. Yarborough would be the Governor's next choice for the Insurance Board.

Yarborough himself said he had never been offered the post by the Governor or even felt out on his availability by intermediaries. AFL-CIO president Roy Evans and State Sen. Oscar Maury formally urged Smith to designate Yarborough, and Maury predicted the former senator could get state senate confirmation where Bullock and Larry Teaver failed.

Would he take the job if offered? Said Yarborough: "That's entirely too 'iffy' a question."

Senators voted 19-11 (with one abstaining) for the Bullock confirmation. Eleven opposition votes can block any appointment.

Bullock promptly blamed Lt. Gov. Ben Barnes and the insurance industry lobby for his defeat.

Smith chastised the Senate, charging the body "apparently will not permit a person who is committed to protecting the insurance consumer serve on the State Board of Insurance."

Bullock foes claimed the Governor had used some persuasive tactics of his own, jangling the prospect of submitting pet home district projects to the Legislature for senators who would support Bullock.

The Secretary of State said he now intends to remain in his present job through the Smith administration.

SESSION : SUCCESS DOUBTED -- Some legislators are doubting if the special legislative session really is going to come up with a competitive rating bill, the subject Smith called them to work on.

Senator Maury of Dallas, one of the bill sponsors in the Senate, says he doesn't think a competitive rate bill can be agreed on because of House opposition. Maury charged the House committee hearing the rate measure is lobby dominated.

Conflicting testimony was heard on advantages vs. disadvantages of free competition in rating during week-long testimony by out-of-state experts.

At the end of the period, Lt. Gov. Ben Barnes acknowledged:

"I have never been so much in the dark on legislation. People want to vote for a bill, but proponents have not done a good enough job convincing people competitive rates would be beneficial."

AGENDA BROADENED -- A special session that started off confined to insurance and broadening the governor's fiscal powers has three times been expanded.

Smith earlier submitted trailer - brake - light exemptions, school disannexation, exempting aviation schools from the proprietary school act, and reimbursement of medical schools for \$13.5 million in funds "borrowed" to avert a 1970 welfare crisis.

Last week he asked the Legislature to define the state's role and responsibility in developing deep draft offshore port facilities.

HIGHWAY FUNDS SHORT -- Demand for better highways is running ahead of state ability to pay for them. High way Commission Chairman DeWitt C. Greer says.

High way work pending ranges in need "from immediate to desperate," according to Greer, and there is no money in sight.

An adequate program for

next year, with maintenance and operational costs, \$1.2 billion, Greer estimates.

Highway Department net income for the next 12 months is estimated at about \$482 million. Greer cites these factors in the financial squeeze:

-- It now takes \$1.58 to buy highway construction that cost \$1 only 10 years ago.

-- Release of money from the federal highway trust fund has been spasmodic for several years. This year, Texas anticipated about \$283 million from the trust fund -- derived from federal highway user taxes. Actually, prospects are the state will receive only about \$189 million from the federal trust fund.

Greer says the Highway Commission has pending requests for highway projects totalling about \$2.7 billion. The Commission is pushing for a gasoline tax raise next year.

AG OPINIONS -- Retired or active judges sitting as commissioners of the Court of Criminal Appeals are merely assigned additional duties and not a new office, Atty. Gen. Crawford Martin held. Martin said the appointments may be compensated.

In other recent opinions, he concluded:

-- The U.S. Postal Service is an agency of the U. S. government for purposes of eligibility for state fund investment.

-- A transaction by an original manufacturer agreeing to give exclusive use of a motor vehicle to another for any period of time and for a consideration is to be taxed on the basis of the gross receipts from the transaction.

-- The College Coordinating Board can contract with Houston-Tillotson College to provide work for students in the college - work study program there.

-- A woman state employee is eligible for maternity leave regardless of marital status.

MIGRANT WORKSHOP PLANNED -- More than 2,900 teachers from 21 states will meet in McAllen October 9-11 for the 10th annual Child Migrant Workshop sponsored by Texas Education Agency.

Sixty-six consultants will teach 262 workshops. Meeting will focus on continuing needs of migrant students including oral language, reading, bilingual education and individualized instruction.

Texas Education Agency advisory committees held a joint meeting here Tuesday on cultural or language differences among the state's school children.

SHORT SNORTS

Waldo E. Lewis will succeed Kenneth Kimbro as chief clerk and tax administrator for the State Comptroller.

Forty-six Texas tourist industry representatives left San Antonio Sunday on a state sponsored travel mission to Mexico.

Texas Board of Chiropractic Examiners limited newspaper advertising of chiropractors to two column inches except for board-approved "organizational and institutional" ads. The Board also ruled out treatment by acupuncture with needles.

Twenty-three applications to sell \$40.2 million in securities were filed in Texas last week.

Legislators have urged Governor Smith to submit death penalty and non-parolable life sentences as items for special session consideration.

The Governor also has been asked to submit the explosive issue of congressional and state House of Representatives to the special session.

The governor's committee for employment of the handicapped met here last week at the start of "Employ the Handicapped" week.

WINNERS NAMED - The annual Lynn County Sew It With Cotton Contest was held Saturday, Sept. 30, at New Home. Shown left to right, front row, are: Perry Haley of New Home, Charmi Wood of O'Donnell, Kerrie Lee, Cindy Klaus, Tonya Houchin, Tamera Houchin, Trusha Houchin, of Wilson, back row, Paige Bishop of Wilson, Mary Bess Edwards, Karon Edwards, Camille Rice of New Home, Mandi Lee of Wilson, Adreanna Aguirre of Tahoka and Jerri Pridmore of Lubbock.

DEFENSIVE PLAY -- Timmie White is shown here as he makes a defensive play against the Levelland Lobos last Friday night. The Bulldogs won the game 62-13.

DISTINGUISHED ALUMNUS -- Mrs. Wilmer Smith of the New Home Community south of Lubbock, right, has been named "distinguished alumna" of Texas Tech University. She is a 1939 graduate of the institution. The presentation of her certificate was made by Mrs. Preston Smith, wife of the Governor of Texas, also a recipient of the "distinguished alumna" award in 1969. The two Mrs. Smiths are the only women ever to receive the honor from Texas Tech. This year's recipient is an internationally recognized leader of women's organizations and has served as president of the National Extension Homemakers Council.

HOMECOMING QUEEN -- Becky Franklin is shown above being crowned Homecoming Queen for 1972. Becky is being crowned by last year's queen, Dale Rogers and is escorted by Eugene Brown.

LINDA HUFFAKER SAYS ...

It's pumpkin time again -- with those familiar golden-orange spheres appearing on the scene.

With Halloween just around the corner, they have to market in full force.

Pumpkins are famous through fact and fiction -- from Thanksgiving's pie and Halloween's jack-o-lanterns to Cinderella's Coach and Peter Pumpkin Eater's famous place.

When purchasing the pumpkin, the consumer should choose one that is blemish-free and has a hard rind. Look for one that's heavy for its size.

The agent warned that extra large pumpkins may have stringy, coarse flesh with less flavor than that of small to medium ones.

Handle pumpkins with care and store in a moderately cool, dry, well ventilated place at about 50 to 60 degrees F. Stored this way, they will keep from two to six months.

For long periods of storage, select pumpkins that are not bruised or otherwise injured.

Even left-over Halloween pumpkins don't have to be wasted. If used within two or three days after cutting, jack-o-lantern pumpkins can be cooked, cooled and frozen into

quantities suitable for one meal.

One pound of pumpkin will yield one cup when cooked. One pint of cooked pumpkin usually makes three to four servings, while one and one-half to two cups of it will make a nine-inch pie.

Store cooked pumpkin in the refrigerator in a covered container. For best flavor, plan to use it within two or three days.

To cook this "fun squash" first wash and peel it, then cut it into pieces. Boil in a small amount of water in a covered container until tender. Either mash the cooked pumpkin or put it through

a sieve or blender, season, if desired, and season, if desired.

Baking is another way preparing pumpkin. Fit the pumpkin in half or quarters and remove seeds. Place the section, cut side down, in a shallow pan and bake at 350 degrees F. until tender.

A second method of cooking involves sealing the pumpkin in foil and baking at 350 degree oven.

Once done, scoop the from the shell, mash through a sieve or blender. At this point, the cooked pumpkin is ready for use favorite recipe.

Steaming is still another way of preparing this little product. To place the pumpkin on a rack over boiling water covered container. Steam till it's tender.

For use as a vegetable and mash the pumpkin season with butter, salt and pepper.

Lions Present Flag Plaques To Schools

The first flag plaques publicized last week by the Tahoka, Lions Club have been presented to the local schools.

John Deering, committee chairman made the presentation of four plaques to School Superintendent Harold Reynolds last Thursday. A plaque will be displayed in each of the four school units.

The plaque is a beautiful color presentation of the with the slogan, "This is Our Flag, Be Proud of It!"

Other plaques will be sent to the Hospital Library.

The attractive plaques are available to the Lions Club to any individual and can be obtained by contacting Lion.

PRESENTS PLAQUE - Pictured above is John Deering, chairman of the Lions Club Publicism Committee, as he presents the flag plaque to Harold Reynolds, superintendent of Tahoka Schools. A plaque will be displayed in each school.

George Mahon

I have no opponent in the election but I want to thank you for your unwavering goodwill and support through the years and pledge my continued best efforts to be of service to our area and the nation.

Deborah Draper Installed As Worthy Advisor

Members of Tahoka Rain Assembly No. 234 were installed Friday night, October 29, in the Masonic Temple. Officers installed were: Advisor, Deborah Draper; Worthy Associate Advisor, Becky Franklin; Charities, Charlene Chamblee; Hope, Weeks; Faith, Belinda; Chaplain, Denise; Drill Leader, Beverly Harvick; Love, Linda Bryan; Religion, Robin Short; Nature, Tol Bragg; Immortality, Wayla Craig; Fidelity, Lou Ann Mc Auley; Patriotism, Kathy Griddin; Service, Carla Stevens; Outer Observer, Debbie Adamson; Musician, Ginger Sterling; Choir, Susan Thornton. The Monday night following saw Cindy Park installed as Confidential Observer. In-

stalling officers were: Installing Officer Mrs. Walton Terry; Installing Marshall, Cynthia Barham; Installing Recorder, Patti Short; Installing Musician, Southern Wells; Installing Chaplain, Cathy Wells; Installing Mason, Joe Bob Billman. Following the ceremony, a program on love was presented by Mrs. F.B. Hegl and Gary McElroy. Refreshments were then served to about seventy guests from a table decorated with a tropical rose bouquet. All members of the Masonic Fraternity and the Order of the Eastern Star are invited to all meetings, which are held at 5:00 p.m. every first and third Monday night.

Flower Show To Be Held Oct. 24

The Tahoka Garden Club will have their annual fall flower show, entitled "Four Seasons" Tuesday, Oct. 24, from 3:30 p.m. to 8:00 p.m. in the Hospitality Room at Lynetgar Electric Coop., Inc. Everyone is invited to enter arrangements in the flower show.

Next week the News will run a complete list of rules and divisions in the paper.

Hobby Club Met October 3

The Grassland Hobby Club held its regular meeting Tuesday, Oct. 3, with Mrs. Yeats and Mrs. Roy serving as hostesses.

After the business meeting, presided over by the president, Mrs. Mildred King, a most interesting and informative demonstration on gift making was conducted by the hostesses. The finance committee composed of Mrs. Faye Ramsey, Mrs. Maurine Bush and Mrs. E.B. Galtner announced a "Country Store" sale to be held in the fellowship hall of the United Methodist Church from 2 to 5 p.m. Nov. 4.

Mrs. Madeline Sheppard was a visitor at the meeting. Delicious refreshments and a fellowship hour was enjoyed by all attending. Mrs. Gribble and Mrs. Ramsey are hostesses for the next meeting.

Mr. and Mrs. Thomas Jolly and family of Snyder visited his parents, Mr. and Mrs. Allen Jolly and Her parents Mr. and Mrs. Dave Hubbard, last week end.

The Ladies

PAULA PULLIAM

... ENGAGED

Pulliam-Taylor Announce Plans

Rev. and Mrs. Jim Pulliam wish to announce the engagement of their daughter, Paula Jean, to Jiggs Taylor, son of Mr. and Mrs. B.R. Taylor of Tahoka. The couple plan to have a late October wedding.

Terri Nieman Pledges Sorority

Terri Nieman, daughter of Mrs. Willie Nieman, has recently pledged the Phi Eta chapter of Delta Delta Delta at Texas Tech University.

Winners in duplicate bridge play last week at T-Bar Country Club were: Mrs. Coye Collier and Frank Hill, first; Mrs. C. W. Leverett and Mrs. Olen Renfro and Mrs. Audra Norman and Mrs. Frank Hill, tied for second and third; Miss Echo Milliken and Mrs. Mel-don Leslie, fourth.

Mrs. Harvick Elected President

On October 4, 1972, Mrs. Janet Harvick was elected President of the Mu Rho Sigma Sorority at Sul Ross University in Alpine, Texas. Mrs. Harvick is 1969 graduate of Tahoka High School and a 1970 graduate from Commercial College in Lubbock, Texas.

Mrs. Harvick's husband, Curtis is a Senior Wildlife Biology major at Sul Ross. Mr. and Mrs. Harvick were residents of Tahoka, before moving to Alpine.

Mu Rho Sigma is an organization consisting of married women, whose husbands are enrolled at Sul Ross.

The purpose of Mu Rho Sigma is to further the unity and fellowship among all married women affiliated with a college or university.

JANET HARVICK

November Is Texas Food And Fiber Abundance Month

The entire month of November will be observed as "Texas Food and Fiber Abundance Month."

Consumers can be assured of highest quality and large quantities of Texas food and fiber products at reasonable prices, officials emphasize. The month-long observance is being promoted by agricultural groups of the state to inform and reassure consumers of the quality and abundance of food and fiber materials.

Never before have consumers had such a wide array of food and fiber products at such a reasonable cost from which

to choose, program officials emphasize.

It is most appropriate that Texas Food and Fiber Abundance Month be observed in November and that Texas consumers and others join in

placing emphasis on the blessing and abundance of food and natural fibers that come from farms and ranches around the state, said Jack Barton of Houston, president of the Food and Fiber Abundance Month observance.

The salute to agriculture and the general emphasis on quality food and fiber products will be implemented in virtually every county of the state in November, traditionally a time to show appreciation and give thanks for the abundance, value and wide choices of excellent products, says County Extension Agent Bill Griffin.

The Food and Fiber Abundance message is being directed toward the urban dweller, reaching homemakers who do most of the buying.

Calling attention to Food and Fiber Abundance month will be a wide variety of educational programs, including displays and exhibits at shopping malls and other strategic locations such as grocery stores and banks; school observances; talks before civic vision; youth activities; and articles in daily and weekly newspapers and magazines.

Mr. and Mrs. Roy Jolly and Mrs. Dovie Jolly visited Mrs. Faye Bankston in Highland Hospital, Monday night.

DONNA McALLISTER

... ENGAGED

McAllister-Ross Plan Wedding

Mr. and Mrs. Elmer McAllister announce the engagement of their daughter, Miss Donna Ann McAllister to David Allen Ross, son of Mr. and Mrs. Charles J. Ross of Fern Park, Florida.

A December 16 wedding is planned in the First United Methodist Church in Tahoka.

A 1968 graduate of Tahoka High School, Miss McAllister is a candidate to receive a B. S. degree in home economics education in December from Texas Tech University.

Ross is a 1966 graduate of Lubbock High School and attended Del Mar Technical Institute in Corpus Christi. He is now serving in the U.S. Army stationed at Ft. Huachuca, Arizona.

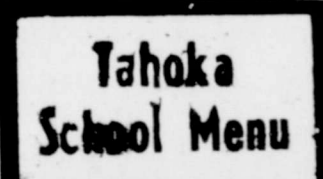

At Home Shoppers Course

Twenty-four homemakers in Lynn County were launched Monday on a new venture -- food buying, called "You -- The Food Shopper". This announcement was made by Linda Hufaker, County Extension Agent for Lynn County, who is conducting the course.

The course is designed to provide "at home" lessons for homebound homemakers, most of whom are the mothers of young children. The content of the course is planned to help homemakers get more for their food money and in turn, help them in feeding their families.

There are six lessons, each of which has an assignment to be done at home and returned to the County Extension Agent.

According to Linda, "The Cooperative Extension Service's Home Economics program in Lynn County is continually seeking new ways to reach homemakers with timely, usable and needed information. We hope that the correspondence course technique may help us in reaching those who we might not reach any other way."

- MONDAY: Spaghetti with meat sauce, Green Beans, Rolls, Butter, Cherry Cobbler.
- TUESDAY: Turkey sandwiches, Buttered Corn, Tossed Salad, Peanut Butter cake with icing.
- WEDNESDAY: Hamburgers, French Fries, Lettuce, Onions, Pickles, Apricot Cobbler.
- THURSDAY: Breaded steak, Creamed Potatoes, Tossed Salad, Rolls, Butter, Apple-sauce Cake.
- FRIDAY: Bar-B-Q Franks, Blackeyed Peas, Mixed Greens, Cornbread, Butter, Chocolate Pudding.

Boosters See Levelland Film

The Tahoka Bulldog Booster Club met October 9 in the school cafeteria. Coach Viertel showed the Tahoka - Levelland game film and made comments during the showing.

The next meeting of the Booster Club will be October 16, 1972 in the school cafeteria at 7:30 p.m.

Mr. and Mrs. E. A. Hargrave have recently moved to Sulpher Springs from Tahoka. They would appreciate

hearing from all of their friends. Their address is 206 Anglin Street, Sulpher Springs, Texas 75482.

Oris Smith's To Observe 50th Anniversary

The children of Mr. and Mrs. Oris Smith will honor their parents with a reception in honor of their golden wedding anniversary at their home in Cottonwood, Sunday, Oct. 15 from 2 to 5 p.m.

Children hosting the reception will be Harley Smith of Cross Plains, Mrs. Roy Blewins of New Home, and Mrs. Jim Sherman of Lubbock. The

couple have eleven grandchildren and seven great-

grandchildren.

Smith and Lessie Beaty were married at Estelline, Texas Oct. 16, 1922. They moved to Petty in Lynn County in 1923 and then to Cross Plains in 1963.

All of the couple's friends are invited to attend.

MR. AND MRS. ORIS SMITH 50TH ANNIVERSARY

Mrs. Tankersley To Host Tahoka Garden Club Meet

The Tahoka Garden Club will have their monthly meeting in the home of Mrs. H.R. Tankersley, 2101 North 1st, St. October 17. Other hostesses will be Mrs. A.C. Weaver, Mrs. J. B. Oliver and Mrs. Leslie Paris.

Mrs. Tankersley will give a report on the Yard of the Month and Mrs. L.D. Howell will give a report on PATE project.

The arrangement will be a table display of wild and garden flowers, furnished by the members.

The program will be presented by Mrs. J. H. Lambright of Slaton on "Let's Grow It Organically."

Mr. and Mrs. Charles Kennedy of Lubbock visited Mrs. L.M. Nordyke.

THE MOST VALUABLE PART OF YOUR BACTERIA IS GONE WHEN YOU HAVE IT PUMPED!

This is important! When someone calls at your home with a truck and tells you that your tank is almost full, that is correct. It has to be full to be filtering properly, and the most harmful thing you could do would be to have it pumped, for pumping destroys the most valuable part of your bacteria. Pumping doesn't clean your lines or eliminate odors and you pay an enormous price for the harm done.

DON'T TAKE RURAL TEXANS FOR A RIDE... AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, "The Republicans admire our government so much they want to buy it."

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state... because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern... and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT. RURAL TEXANS NEED McGOVERN

Pol. adv. paid for by Texas McGovern-Shriver Campaign Committee, Bob Armstrong and John White, Co-Chairmen, Austin, Tx 78703

Tahoka High School Marching Band Members

MIKE BRYAN
Mike Bryan plays the bass and is Drum Major in the Tahoka High School Marching Band. He is a senior in Tahoka High School. Mike is the son of Mr. and Mrs. R.D. Bryan.

SHERRI BROOKS
Sherri Brooks is the daughter of Mr. and Mrs. Joe Brooks. She is a sophomore in Tahoka High School. Sherri plays the clarinet in the Tahoka High School Marching Band.

CYNTHIA BARHAM
Cynthia Barham is the daughter of Mr. and Mrs. Bill Barham. She plays the flute in the Tahoka High School Marching Band. Cynthia is a senior in Tahoka High School.

BECKY BURKS
Becky Burks plays the clarinet in the Tahoka High School Marching Band. She is the daughter of Mr. and Mrs. Melvin Burks. Becky is a junior in Tahoka High School.

SHEREE BROOKSHIRE
Sheree Brookshire is a junior in Tahoka High School and plays the alto clarinet in the Tahoka High School Marching Band. Sheree is the daughter of Mr. and Mrs. Charles Brookshire.

KIM BYRD
Kim Byrd is the son of Mr. and Mrs. Lewis Byrd. He is a sophomore in Tahoka High School. Kim plays baritone in the Tahoka High School Marching Band.

Whitfield Presents Lions Program

Mr. Jerry Whitfield, a counselor for the State Commission for the blind presented the program at Lions last Wednesday.

Whitfield outlined the objectives of the commission which includes rehabilitation and contacting of potential employers for the blind. He cited an example of a man who runs four machines in a shop in

Lubbock and another in El Paso that can repair 2 automatic transmissions per day.

Whitfield currently is carrying 150 cases in 7 counties. The commission is currently working with 8 to 10

people in Tahoka and 5 more within the county.

Patients are encouraged to pay their own way but financial assistance is available in cases where it is necessary.

One point brought out during the program involved funding. Whitfield says the state appropriation was not what was needed this year so contributions are extremely welcome. The beauty of this is that the Federal Government will match any funds given on a 20-80 basis and the money can be used where the donor states.

Guests at last weeks meeting included Jacky Henry and Terry Harvick.

Lion Pat Patterson was in charge of the program.

PAT PATTERSON JERRY WHITFIELD

Oscar Crain Is Rotary Speaker

Oscar Crain, Lubbock district State Highway Department engineer brought the program at the Rotary Club last Thursday.

Mr. Crain warned that the Texas highway and farm-to-market road programs are in danger of great harm as members of Congress are threatening to transfer federal funds for road construction to big cities for mass transit systems. He said citizens should protest to mem-

bers of the U.S. House and Senate now in an effort to head off such destruction of the roads program.

He showed a color movie depicting the progress of highway building in Texas from the early days until today, Texas being the nation's outstanding example in building good roads.

Clifton Clark was in charge of the program and introduced the speaker.

Cotton producers across the Belt are asking "What happened to our markets?" And almost simultaneously, "What can be done about it?"

"There is an unfortunate but plausible answer to the first question, but the second is not so easy," according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. of Lubbock.

The carryover of cotton on August 1 this year was down to 3.2 million bales, the lowest in 20 years and some 3 million bales below what most in the industry say is needed each year to prevent market losses to competing fibers.

U.S. production for 1972 is now forecast at 13.6 million bales, enough to satisfy this year's expected domestic and export oftake of 11.5 million bales and bring the August 1, 1973 carryover back to over 5 million bales.

Are these facts alone enough to explain the drop in spot market quotations of over eight cents a pound since July 1 of this year? Do they constitute a reason why many producers in early harvesting sections of the Belt can't find a buyer for their production at any price?

"Obviously not," says Johnson. "The prospects for a 1972 crop of 13.6 million bales, coupled with the fact that expected oftake for this marketing year is expected to be some 2 million bales below that figure, is obviously a factor in the current market situation," he said, "but it is not the only factor."

Along with these statistics, Johnson notes, goes the fact that many mills contracted in advance for cotton to meet their needs well past the time when the 1972 crop will be fully available to the market. "It was easy to predict

that cotton prices would soften somewhat in July when prospects of a larger 1972 crop showed promise of easing the tight supply situation that developed last year. But this price softening was turned into a price nose-dive when mills, with no pressing need for cotton at the moment, withdrew from the market altogether.

"It is natural in a rising market, such as the one in late 1971, that buyers will rush to fill supply requirements before the price goes higher, and it is equally natural that they are reluctant to buy for future needs in a market that is going lower every day."

As for "What can be done about it," Johnson is of the opinion that preventive action should have been taken last Fall when USDA announced provisions of this year's government cotton program, but that any remedial action that can be taken at this late date will be less than effective.

As an example of "preventive" action, he believes the loan level for 1972-crop cotton should have been set well above 19.5 cents per pound, the level announced by USDA in October, 1971. He went on to say "PCG in early 1971 presented to USDA and to the Senate Subcommittee on Cotton an abundance of reasons for a higher loan level to protect producers against disastrous prices. And we documented the fact that there was legislative authority for a higher loan level, but to no avail."

PCG also urged USDA to raise the minimum resale price for stocks of cotton held by the government as an additional means of shoring up prices in declining market situations. But this too was rejected.

FIRST PLACE POSTER -- The Sophomore poster above won first place for the 1972 Tahoka Homecoming. The Poster reads, "Bug the Lobos".

"Since that time," Johnson continued, "we have spent a lot of time and effort toward getting USDA to make more effective use of the PL 480 program in moving cotton into foreign markets, particularly the excess supply of low quality short staple cotton. In this respect we have had some success, but not enough to stave off the dire market prospects we feared all along."

Other organizations are now proposing that the loan level for 1972-crop cotton be raised or that "emergency" action

in some other form be instituted.

We are already into the harvest season, the damage from short-sighted government policy has already begun, there is little or nothing that USDA can do within its current authority to alleviate the situation, and the thought that Congress will now enact helpful legislation is little short of day-dreaming," Johnson stated.

"But we can look ahead and search out ways in which to prevent a recurrence of the present market situation," he concluded.

BILL GRIFFIN SAYS ...

As the fall season arrived, most of the sterile fly drops over Texas were being concentrated in Central and South Texas, according to Dr. James Novy, veterinarian in charge of field operations.

"The most northwestern drop line is currently situated on a line beginning at Langtry, continuing across to Kerrville, Austin and eastward to Jacksonville."

Heaviest concentration of the sterile flies -- 3,200 per square mile -- now is occurring from Langtry east across Edwards, Real, Kerr, and Kendall, then south across Bexar, Atascosa, Live Oak, San Patricio and Nueces Counties, and extending all the way to the Rio Grande.

Screwworms will survive an ordinary winter at any point south of this line because of mild temperatures.

The next heaviest fly release -- 2,000 per square mile -- goes into a rectangle east and north of the first fly drop area. The line continues from Kendall to Blanco, Hays and part of Travis County, then across Bastrop, Fayette, Lavaca and Jackson.

A concentration of 1,000 sterile flies per square mile is being released over a triangular section of East Texas, continuing from the eastern portion of Travis County across Williamson, Milam, Robertson, Freestone, Anderson, then southward to Trinity, Grimes and Brazor-

la.

"Hot-spotting fly drops being made to the east of last described area in a line extending from the south of Smith County across top of Rusk and Panola counties to the Louisiana border," Novy added.

No sterile flies are being dropped north of the described, and only a portion of Mexico lying to the Rio Grande is receiving fly drops, Novy said.

"The locations and concentrations of sterile fly treatments are based on the number of samples being taken from producers within areas and elsewhere. Areas and elsewhere, according to records of other years, screwworms have not survived winter temperatures north of the areas described," the veterinarian emphasized.

Novy said it is more important than ever to more larvae samples so that the Screwworm Laboratory officials can determine changes in outbreak patterns.

"Samples are the only way we have to know where they are striking and in what numbers. Historically, samples are important, for they serve as a guide to determine fly drops. Samples will serve as a mark against which future outbreaks are measured and a permanent record needed for future plans."

Building bridges, not fences, between people

Our clergymen are more likely to be seen with their sleeves rolled up to work, than with their eyes rolled up to heaven.

Our local clergy know that good works count more than good words. So they practice

a lot more than they preach.

And they work long and hard doing the kinds of things that help bring us all a little closer to each other. We hope to be their neighbors in the next life, too.

NEW HOME NEWS

BY MRS. W. W. DAVIES

Mrs. Jack Rogers accompanied by her daughter-in-law, Mrs. Bobbie Rogers of Aberrath visited Mrs. Rogers, grand daughter, Mrs. Karen Lowe and family in Ft. Worth Tuesday until Friday last week. After returning home Friday, Mrs. Rogers drove to Ruidoso to meet her son, C.L. and his family from Wilcox, Arizona for a visit there.

Do you have things for years? Maybe you have some things stored away that you would donate to the New Home kindergarten. The Parent-Teachers Club would appreciate your help in securing the following items: 2 or 3 tricycles, a wagon, doll carriage, saw, hammer, clamps, screw drivers, tool box, hand drill, and square, dolls, child's ironing board, child size stove, sink and refrigerator, saw horses, and one old boat. Please bring the items to the New Home Elementary Building. Thank you for your help.

Congratulations to Mr. and Mrs. Pat Mouser of Turkey, Texas on the birth of a daughter, born August 29 in the Hall County Hospital. Mandi Christine weighed 7 lbs.

Grand parents are Mrs. Irene Newell, of Robert Lee. And Mr. and Mrs. Delbert Mouser, of New Home. Great

grand parents are Mr. and Mrs. Clarence Benton of Spade and Mrs. Bertha Mouser of Spade.

The father is Junior High and Asst. High School coach in Turkey.

Several Ladies from the New Home Church of Christ have been attending Monday night classes for ladies at Sunset in Lubbock. All ladies are invited to attend. If you are interested see Joyce Stamps, Ethelyn Zant, or Jimmie Pectol.

The New Home Parents, - Teachers Club met Thursday Oct. 5 at 3 p.m. Vice-president Joyce Davies presided over the meeting. The goals for the 1972 - 73 school year were presented to the club by the chairman of the goals committee, Mrs. Fern Lewis. The members voted unanimously to begin working to fulfill these goals. Next meeting will be the 1st Thursday in November. 20 members attended this meeting.

Charles and Billie Jo Freeman of Crosbyton and Joe Loyd of Lamesa visited with us after the Crosbyton, Ropes game Friday night. Mr. and Mrs. Corbett Ottwell of Levelland were here Friday evening for the ball game and visiting the John Edwards family.

Mrs. Bonnie Bannaway has sold her home on North Main to Mr. and Mrs. Leon Harmonson, and she moved to Lubbock last week. Leon, Charlene, Tommie, Ronnie and Vicki moved into the home Saturday from the farm in the Lake View Community where he was born and has lived most of his life.

We spent Saturday night and Sunday in Snyder with our daughter and family, the Wayland Waltons. We also visited with Mr. and Mrs. O.D. Elliott. In spite of the fact that Pappy's condition grad-

ually grows worse, he remains cheerful and always appreciates visits from friends.

While in Snyder I talked with Rev. A. C. Hardin's brother and he reported that Rev. Hardin, who was making satisfactory recovery from surgery was preparing to leave the hospital Saturday and return to their home in Eastland, to recuperate awhile before further surgery. But on Friday night he suffered a light stroke, partially paralyzing his left side. So he remains in the West Texas Medical Center Room 217. Rev. Hardin told his brother "I am not able to bale hay, but I'll still make it."

Mrs. D.W. Hancock was able to return home Saturday from Dallas where she has been since Aug. 23 in the Wadley Research Institute Morton Hospital Center. Mr. Hancock, who has been in Dallas to be near his wife, drove them home.

Adella Hernandez, teachers aid in the migrant program has issued a plea for used clothing for all age children in the New Home School. If you will help with this please bring the clothing to the elementary building.

Brian Kieth was reported in much improved condition Monday. Brian, 14 year old son of Mr. and Mrs. Jimmie Kieth is in room 501 Methodist Hospital. He was injured in football practice Tuesday.

Rev. and Mrs. Leo Cole were in Silverton Friday to see her mother, Mrs. J.F. David who was ill in the Silverton Hospital. Mrs. Davis is home and doing fine at this time.

Mr. and Mrs. C.B. Nowlin returned home Monday after a week spent in Cloud Croft and with her father, Mr. Acie Bailey who is ill in a Midland Hospital.

Mr. and Mrs. Claude Brown recently returned from a 15 day trip to the northwest spending some time in the Moab, Utah area. The scenery was outstanding, huge red bluff and natural stone arches. The trees were red and gold in the Salt Lake City Area. They went to Idaho Falls and to Snake River, Crater of the Moon, Sun Valley Idaho, saw Tooth Mountains. They visited with the Jessie Minicas, in Idaho. They went to Hells Canyon and Dam on the Snake River, the Gorge is a mile deep there. At Crater Lake they ran into a heavy snow. About 4 inches. The 1900 ft. deep lake is a beautiful sight. Going on through the Red Wood Forest in Northern California.

Mr. and Mrs. Nate Rogers were in Slaton Sunday to visit their grandson, Leslie Peterson. Leslie 14 year old son of Mr. and Mrs. David Peterson of Wilson, received a broken left leg in the ball game with Whiteface last week. He is in room 603 Mercy Hospital in Slaton.

Mr. and Mrs. Aubrey Smith returned home Sunday afternoon from a two weeks tour of the states. Traveling and sight seeing in 14 states. They visited Marjorie's nephew, Mike McQuirter who is in college in Ames, Iowa. On their return trip they stopped in Abilene and visited briefly with Rev. A. C. Hardin, and in Snyder with Mr. and Mrs. O.D. Elliott.

Mrs. C. B. Nowlin was the speaker at the homecoming banquet Friday evening, when the classes of 1947, 48, & 49 were honored. The theme of Flora Dells talk was "They Had Their Dream" with apologies to the author of "The Class Of 57 Had Its Dream." Many interesting stories were told on the members of the classes. A short business meeting was held, and new officer were elected as follows: Mrs. LeRoy Nettles - President; Mrs. Clifton Clem - Vice President; Mrs. Leonard Nettles - Secretary, Treasurer.

Invocation was by Joe D. Unfred.

After the game between the New Home Leopards and the Sundown Roughnecks the exes gathered back at the cafeteria for coffee and doughnuts and lots of visiting and reminiscing about the good ole school days here.

Mr. and Mrs. L. C. Unfred returned home Monday after a week spent in Cloud Croft and with her father, Mr. Acie Bailey who is ill in a Midland Hospital.

Mr. and Mrs. Claude Brown recently returned from a 15 day trip to the northwest spending some time in the Moab, Utah area. The scenery was outstanding, huge red bluff and natural stone arches. The trees were red and gold in the Salt Lake City Area. They went to Idaho Falls and to Snake River, Crater of the Moon, Sun Valley Idaho, saw Tooth Mountains. They visited with the Jessie Minicas, in Idaho. They went to Hells Canyon and Dam on the Snake River, the Gorge is a mile deep there. At Crater Lake they ran into a heavy snow. About 4 inches. The 1900 ft. deep lake is a beautiful sight. Going on through the Red Wood Forest in Northern California.

To San Francisco. Across the Golden Gate Bridge, and Oakland Bay Bridge, went to Fishermans Warf and Telegraph Hill to the beach in San Clemente, and on to San Diego to visit Claudes brother, Brian and his wife, Jewel Brown. They stopped in Cloud Croft on the return trip. They drove 5023 miles and visited 10 states.

Mrs. Jack Clements and the girls came from their ranch home at Mangum, Oklahoma Friday evening and spent the week end with Jack and Jackie.

Mrs. Billie Emerson has opened the Petty Cafe. Free doughnuts and coffee were served opening day.

Fund Honoring W. L. Stangel Launched Locally

The fund is named to honor W. L. Stangel who has contributed greatly to the development of Tech's College of Agricultural Sciences into one of the largest and fastest growing agriculture programs in the nation.

Stangel retired as dean emeritus of agriculture at Texas Tech in August 1953. "We can think of no more appropriate gesture of gratitude and tribute than to establish a perpetual scholarship program in agriculture in the name of a man well known for putting his heart as well as his mind and hands into over four decades of service to agriculture, education and to Texas Tech," said Tech Agricultural Sciences Dean Anson R. Bertrand.

Bertrand added that a few dollars invested in a scholarship for a needy student can be the key to continued educational opportunity and that it also can be a major factor in attracting top level students in agricultural sciences.

Moreover, these "blue chip" students provide a high percentage of return on the scholarship investment in terms of the contributions they can make to the agricultural industry after graduation, Bertrand said.

An initial goal, through cash and property gifts, wills and bequests, and other forms of giving, has been set at a sufficient amount to provide a base fund from which accrued interest will provide for 50 individual scholarship grants on a continuing basis.

"Those in Lynn County who support the Dean Stangel Scholarship Fund will not only honor a great man with their contribution," Bill Griffin said, "but the deserving students in agricultural sciences at Texas Tech will be a continuing memorial to him. We will be extremely grateful for all support of the program and pledge our best efforts to administer it fairly and equitably."

The new scholarship program is named for one of the original members of the faculty at Texas Tech. When the institution opened its doors to students in 1925, Stangel was there as head of the Animal Husbandry Department, and he has been closely and continuously associated with livestock and other agricultural interests of Texas since 1914.

Stangel was appointed dean of agriculture at Tech in 1945 and in 1951 was named "Man of the Year in Texas Agriculture."

In addition to numerous other honors and achievements, he has served as general livestock superintendent at the State Fair of Texas since 1946; as superintendent of the Southwestern Exposition and Fat Stock Show in Fort Worth for 47 years; as judge in several other national and international livestock shows and expositions; and he is considered the "driving force" behind development of the West Texas feedlot industry.

Persons wishing to participate in the Dean W. L. Stangel Perpetual Scholarship Program may forward their pledge or arrange for contributions on a monthly, quarterly, semi-annual or annual basis. All checks should be made payable to Texas Tech University Foundation and designated for the Dean Stangel Scholarship Fund. All contributions are tax deductible.

Further information can be obtained by contacting the county scholarship program chairman or the Texas Tech University Foundation, Box 4650, Lubbock, Tex., 79409; telephone 742-2129.

Leopards Lose Before Large Homecoming Crowd

QUEEN AND KING -- Pictured above are Karon Edwards and Stanley McNeely. They were crowned New Home Homecoming Queen and King at ceremonies at half time during the New Home and Sundown game.

New Home had eleven first downs to the Roughneck's fifteen and had 127 yards offensively to Sundown's 262 yards.

New Home and all the other District 2-B teams have an open date this week. New Home will be preparing for their next opponent, Meadow, which they'll meet on October 20 at Meadow.

Ceremonies at half-time between the New Home Sundown clash were again quite exciting. The six candidates entered the field. The queen candidates were Debbie White, daughter of Mr. and Mrs. Leland White, Karon Edwards, daughter of Mr. and Mrs. John Edwards, and Menette Maloney, daughter of Mr. and Mrs. Marlin Maloney. The king candidates were Andy Fillingim son of Mr. and Mrs. Bobby Fillingim, Stanley McNeely, son of Mr. and Mrs. Jerry McNeely, and Mike White son of Mr. and Mrs. Leland White. The attendants were Mary Hernandez and Mike Rodriguez. The new king, Stanley McNeely was presented the traditional football

and a kiss by the 1971 Becky Blevins. Karon Edwards was bestowed the title of queen. She was crowned last year's king Rodney Nettles, and was tapped with a kiss of congratulations by Rodney and her new

TAKEN FROM FARM STOCKMAN MAGAZINE WE'D LIKE to meet farmer who can outdo Unfred with a calling Unfred, who hails from Home, is pictured on heroic pose, one hand the other holding a looks squarely at the from the end of a looking row of cotton, with his feet app words: "Outstanding field."

Highway Dept To Make Improvements

The Texas Highway Commission has approved the issue of \$1,900,000 for 1973 State Highway Safety Betterment and Farm Market Road Improvement program for District Five.

District Engineer Gene Crain of Lubbock stated the proposed improvement plan an important role Department's continuing way safety program.

He said that the work included in the plan includes reconstruction, base and surfacing.

LEGAL NOTICE

Open bids for a 1958 Chevrolet pickup, 4 speed transmission, 2 tool boxes, 6 cyl. Bids open until Oct. 17. Bids must be turned in to the City of New Home.

NOTICE OF INTENTION TO ADOPT A RESOLUTION AUTHORIZING THE ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF LYNN LYNN COUNTY HOSPITAL DISTRICT

Notice is hereby given that on the 31st day of October, 1972, the Board of Directors of the LYNN COUNTY HOSPITAL DISTRICT, Tahoka, Texas, will meet in special session at 7:30 o'clock p.m. at its regular meeting place, which is the Lynn County Hospital, Tahoka, Texas, and that said Board, at such time and place, intends to adopt a resolution authorizing the issuance of Revenue Bonds, for the purpose of constructing, acquiring, repairing, equipping or renovating buildings and improvements for hospital purposes. Such bonds shall be issued in an amount not to exceed \$100,000 and shall have a maximum maturity date of not later than December 31, 1987. Said bonds shall be payable from and secured by a pledge of all of the revenues of the District to be derived from the operation of its hospital or hospitals, all as authorized by Article 4494-1, V.A.T.C.S.

No taxes shall be levied for the payment of such bonds or interest thereon.

THIS NOTICE is given in accordance with the aforementioned statute, and pursuant to the resolution and direction of said Board of Directors, this the 3rd day of October, 1972.

W. T. KIDWELL
