## Royce Bevers Named Mgr. At Poka Lambro

On Thursday in a regular meeting of the board of directors of Poka - Lambro, rural telephone cooperative, Royce Bevers was employed as manager of the cooperative to fill the vacancy of W. D. Harmon who had resigned early in the year pending the hiring of a new manager.

Bevers is a 11 year employee of Poka - Lambro, prior to this he was employed by Lyntegar Telephone Co.

Harmon had been manager of the cooperative for 21 years. He will retire Dec. 31 of this year and will remain as advisor until that date.

D. Unfred, President of the board made the announcement at a meeting last morning.

Other members of the board are Donald Love, vice president; the Key community in Dawson County, George Sealy is secretary of the Pettit community, Bartlett of Needmore in Terrell County is the treasurer and McCleskey of Fletcher Car-

ter area, Calvin Foster of the Patricia area in Dawson County and Billy Ray Jones of the Johnson area resigned after moving out of the district of the telephone coop.

The Board of Directors will appoint a man to fill the vacancy, hopefully at the next regular board meeting.

## Bulldogs Lose Opener To Stanton 26 To 6

Inexperience causing numerous mistakes was the name of the game for the Bulldogs at Kelley field last Friday night as they were defeated by the Stanton Buffaloes, 26-6.

The Bulldogs, even though they hustled well, almost everytime they were making a serious mistake a fumble are some other mistake caused them to give the ball back to the Buffaloes.

Tahoka won the toss and received the opening kickoff and Martin ran from his own 9 to the 27 but fumbled and Stanton recovered. On the first play from scrimmage, Wingback Gordon Eiland bulled through left guard, broke into the open and went 27 yards for a touchdown. Vernon Brown kicked; score Stanton 7, Tahoka 0 with less than a minute of play.

Two plays after the Buffaloe kick-off, Tailback Jimmy Bailey broke away on a 30 yard run, but on the next play Tahoka fumbled and Stanton recovered. Bulldogs held, took over on its own 25, then Warren got away on a 31-yard keeper gallop, but on the next play the Bulldogs lost the ball for the third time in the quarter on a fumble.

Stanton move to the Tahoka 11, tried a field goal which failed on 4th down.

Tahoka couldn't move after the field goal, but Weldon Warren got off a 47 yard punt. Later in the second period the Buffaloes moved 54 yards on 5 first downs, and Eiland went the last 4 yards to score. PAT failed leaving the score at 0-13. Timmie White ran the kick off all the way back from the Tahoka 21 to the Stanton 35 (44 yards). On the next play Quarterback Weldon Warren completed a pass to end Terry McCord for 35 yards and Tahoka's only score. McCord had gotten behind the Stanton defenders, took the ball at about the 10 yard line and raced in for the score.

Stanton's next drive was stopped when David Glenn intercepted a Stanton pass, but four plays later Stanton's Hernandez stole a Tahoka pass on the Tahoka 30 yard line. Stanton quarterback Bill Howard then ran for 5, hit David Standefer with a 14 yard pass, and with 11 seconds left in the first half he hit Eiland with a 11 yard scoring pass. The Stanton try for point after touchdown failed.

Halftime score was 19-6 in favor of the Buffaloes.

In the third period neither team could move consistently, Tahoka lost another fumble late in the quarter, and Stanton moved 33 yards in five plays with HB Mitchell Irvin hitting left guard 2 yards to score. Brown kicked, and that was the end of the scoring, 26-6.

In the final period, David Glenn intercepted another Stanton pass early in the quarter, but Stanton returned the favor a few plays later after Tahoka had moved to the Stanton 12.

Regular Quarterback Steve Miller was out with a broken arm, and Weldon Warren took over the

position with only a day or two's practice. Late in the game Soph. quarterback David Glenn got some experience at the position.

Having lost 22 boys by graduation from last year's team, the '73 Bulldogs are very short on experience, but there were some bright spots in Friday's game,

and fans predicted the team will improve as the season progresses.

Like the football team, the THS band directed by David, Tucker, is on a building program, but the 50-member group looked good in its halftime show.

**DEFENSIVE ACTION** -- The Tahoka Bulldogs are shown in defensive action against the Stanton Buffaloes last Friday night. Shown are No. 12, David Glenn, No. 63, Johnny Brandon and No. 21, Jimmy Bailey. The Bulldogs lost the contest 26-6.

**GET READY, HERE HE COMES** -- Ken Turner and Timmie White are shown above getting ready for the Stanton Ball carrier last Friday night at Kelley Field. The Bulldogs lost their season opener.

## Shotgun Blasts Injures Tahokans

A shooting last Sunday night on the Piggly Wiggly No. 2 parking lot resulted in injury to two Tahoka men. Rudy Lazos and Joe Lazos were seriously injured by two shot gun blasts from the window of a vehicle about 11:00 p.m. Sept. 9.

The shooting took place after an argument occurred when Tim Roderick told the men to leave two women alone that were parked on the lot.

The suspect then reportedly left and returned with a shot gun and told two bystanders to get out of the way, he reportedly then fired two shot gun blasts.

The two men are reported in satisfactory condition in Methodist Hospital in Lubbock.

The suspect is being held in the county jail and has been

charged with assault with intent to murder.

The two men were taken to the hospital by David Amador.

BY - TEAL CORLEY

The seventh and eighth grade Bulldogs played Abernathy Tuesday night. I'll have the score next week.

Here is the Bulldog schedule for the 1973-74 school year:

Abernathy - Sept. 11 - there  
Idalou - Sept. 25 - there  
Abernathy - Oct. 2 - here  
Frenship - Oct. 9 - here  
Cooper - Oct. 16 - there  
Slaton - Oct. 23 - here  
Roosevelt - Oct. 30 - here  
Post - Nov. 13 - there

My thanks to Wynn Brookshire for supplying the schedule.

The seventh and eighth grade basketball girls are looking pretty good as they are getting in shape for their first game. Under Mrs. Massey's direction, they are learning to shoot and rebound better.

The Student Council met this morning at 8:00 a.m. in Mrs. Cox's room. Mrs. Cox and coach McAnelly are Student Council sponsors.

Now that Congress is back at work, Mrs. Burks is putting her eighth grade history classes to work too. They are reading the paper every day plus their civics book! Isn't that awful? And we're only eighth graders! It isn't really as hard as I've made it sound as a matter of fact, history's almost fun with Mrs. Burks.

Sixth grade classes have elected their officers for the first semester. They are;

- 6 - A  
President - Danny Engle  
Vice-President - Kevin Harvick  
Secretary - Jeri Beth McKibben  
Treasurer - Patti Saldana

### O'DONNELL TRIPS WILSON

The O'Donnell Eagles had to fight off a determined Wilson Mustang team to hold on to their state - ranking reputation in a tough non - district game at Wilson Friday night. The Eagles scored with 4 seconds remaining in the game after a 24-yard pass interference call, to break a 14-14 tie, and win 20 - 14.

O'Donnell lit up the scoreboard first on a 9 - yard run by Bennie Hancock. Hancock then threw to Paul Ruiz for 2 extra points. In the 2nd quarter, the Mustangs scored on a 3 - yard run by Phil Kitten with excellent blocks from the offensive line. Quarterback Mike Bednarz then threw to his brother Greg, for 2 extra points to tie the game. Just before half - time Wilson's Richard Cedillo intercepted a pass, but the Mustangs were unable to score. For the 1st. half, Wilson led O'Donnell in total offense; 56 yards to 49 yards.

During the 2nd half, neither team scored until Phil Kitten dashed 59 yards for a Mustang TD with 44 seconds remaining in the 3rd quarter, the Wilson defense did not allow O'Donnell to score and forced 2 fumbles which were recovered by Oscar Ortega and Mark Brieger.

O'Donnell's David Pearson

scored on a 5 - yard run in the 4th quarter, but the extra point try failed, leaving the score 14-14. Later the Mustangs forced another fumble which was recovered by Clyde Wilke. With less than a minute remaining in the game, Wilson was called for interference on a 24-yard pass in the end zone. Odell Hunter then ran the one yard for the winning TD.

The leading rusher for the Mustangs was Phil Kitten with 92 yards, followed by Chris Coleman with 62, and Clyde Wilke with 20.

On defense, Wilke led with 18 tackles, followed by Johnny Arellano with 15, Coleman with 12, Lester Walker with 9, and Mike Bednarz with 8. Wilke also punted 5 times for Wilson for an average of 40 yards.

# Nursing Home News

One more week has passed. Sunday was a long day for all of us. There were no church services as the St. Paul's Lutheran Church has discontinued coming on the second Sunday of each month. The O'Donnell Church has asked for the first open Sunday we have and Mrs. Price has been trying to get hold of Bro. Bowman and see if they are still interested. So, many of the patients complained of being down in the dumps. Corine spent most of Sunday in bed as her aches and pains were bad. Everyone was looking forward to Monday evening singing to brighten the week. We do enjoy this singing so much.

Lois Bishop, our activity director, hasn't been able to come to the home now for about two weeks. She is having to fill in at the Colonial Nursing Home in Lubbock as some of the office help is on vacation.

The Joyce Corley Sunday School class made us some home made ice cream and it sure was enjoyed by all. Thank you ladies so much as each thing you do or each visit you make makes so happy.

Bill Foster is coming along good with his walker and Oliver Ford has a new wheel chair.

He can't remember to brake his wheels each time he stops though.

Ruby McNeely visited her mother, Mahala Harston. Also, Bennie Shepard had visitors.

The rain has helped the farmers but Mr. John Ford says he hopes his lake on the smaller place doesn't fill up as his feed is to good to waste.

Dora Carpenter brought her sister, Carrie Dillard a big sack full of cookies, candies and fried pies. Mrs. Carpenter is going to be gone for a couple of weeks.

Claud Thomas brought us cantaloupes. Mr. and Mrs. Neal Watson from Midland visited Mr. Huffman, also John Huffman, Cora Bowman and Barbara visited.

Visitors in the home signing the guest book were Lottie Spears Rosalinda Garcia, T. R. Riddle, Laura Stice, Mr. and Mrs. Alex Garcia, Thelma Dubre, Wilma Ramsey, Rita Arriaga, Domingo Salzard, Lynn and Clarita Brown - E. A. Howell.

We are expecting some patients to be moving into the home during this month. They have already called Mrs. Price inquiring about the home.

Mrs. Ollie Hill went to Lubbock Monday with her son for a check - up.

Mrs. Short brought the staff radishes. They sure are enjoying them.

Mrs. Dora Carpenter made 10

new aprons for the kitchen workers. They sure are pretty. She also baked three cakes and brought Monday afternoon when she came for the Monday evening singing. We all just love her to death. She is always doing something nice for us.

# Perkins Family Reunion Held

### Carolyn Haley Says...

Do you know someone who needs to further his education? Read on, the following information may be of interest to you.

National legislation has created a new program called the Education Opportunity Program. This program provides a portion of the funds needed for their education and training after high school. Students who qualify are eligible for a grant regardless of financial aid received from other programs. And remember, this is a gift which does not have to be paid back as does a loan.

This program became effective in 1973 and is administered by the office of Education. The Grant Program provides financial assistance for educational expenses at any approved college, university, or hospital school of nursing. The amount of each grant is based on two factors: (1) the actual cost of the educational program as determined by the student, including tuition, fees, room and board, books and supplies, miscellaneous expenses, (2) the family's ability to pay for the education, or in the event the student is independent of a family, the student's own ability to pay for the education.

Eligibility for grants is restricted to those students who are enrolled for the first time in post-secondary education after July 1, 1973 (2) enroll on a full-time basis (3) enroll in a program leading to a high school diploma showing sufficient levels of financial need.

The amount of the grant varies, but a successful applicant cannot receive more than half the determined financial need as determined by the family's ability to contribute to the education.

It is an important item to remember that this program is that it is not influenced by other sources of funding. That means if a student qualifies for and receives a grant under this program, he may also then receive other money if he is eligible under another funding source.

If you are interested and need more information or instructions, please apply contact the County Extension Office, a high school guidance counselor or the local extension office.

#### RECIPE OF THE WEEK: Coconut Kisses

- 3 egg whites
  - 1/2 teaspoon vanilla
  - 1 cup granulated sugar
  - 2 cups cornflakes
  - 1 3/4-ounce can (1 one-third cups) flaked coconut
  - 2 1-ounce squares semisweet chocolate
  - 2 teaspoons shortening
- Heat oven to 350 degrees. Beat egg whites with dash salt and vanilla to soft peaks; gradually add sugar; beat stiff. Stir in cereal, coconut and nuts.

Drop from teaspoon onto well-greased cookie sheet. Bake at 350 degrees for 18 to 20 min. Remove cookies immediately. If they stick to pan, return to oven. Melt chocolate and shortening together; drizzle atop cookies. Makes 3 1/2 dozen.

The first semester of the 1973-74 school term is now in full swing and, along with it, meetings are being held, activities are brewing, and election of officers are adding to the excitement of a new year.

THS has many new faces this year. Both the student body and the faculty have been spiced with the ever-needed new personalities, bringing variety and challenge to our school.

Class officers and favorites were elected August 29. Senior favorites are Georgia Thomas and Timmie White. Juniors named Marilyn Thomas and Jimmy Bailey their favorites, while sophomore VIP's are Gwen Sterling and Larry Brito. Eva Rangel and Tilo Garcia are tagged "fish favorites".

Classes will be led by senior, Terry McCord; Junior, Marilyn Thomas; Sophomore, Cole

This week marks the sixth week of practice for the band, under the direction of David Tucker. The sixty-one member musical group is led by Kerry Muesick, drum major and head majorette, Sheree Brookshire. Other majorettes are Sharon Norwood, Jona Valentine, Jamie Gage, Sherri Brooks, and Jana Adams. The band will perform at football games and will march in the Panhandle - South Plains Fair Parade. An October marching contest is also on the calendar, according to Mr. Tucker.

Ginger Sterling has been named president of the newly-revived Speech Club. The club will be under the sponsorship of Mr. Jim Mammarella and many exciting activities are 'on tap'.

The National Honor Society, as well as the Library Club,

met and elected officers. Terry McCord will head the Honor Society and Sally Marez the librarians.

A holiday has already been observed at THS and, much to the delight of the seniors, their pictures were taken during this time.

The Bulldogs were defeated by Stanton in their season opener Friday night but are looking forward to their game with Abernathy there Friday night at 8 p.m.

The Junior High, Freshman, and JV teams are also getting their first games underway this week. The 7th and 8th grade Bulldogs traveled to Abernathy Tuesday night and the Freshmen and JV will take on Littlefield there tonight. Everyone is urged to come to all games this year and give his support to each team.

### Date Set For THDA Meeting

**COTTON TALKS**

Expressing a firm belief in the value of forward contracting as a cotton marketing tool "despite

its shortcomings," Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, told a beltwide meeting of industry representatives in Dallas September 10 that "no avenue to improving the utility of forward contracting should be neglected."

The subject of advanced cotton sales came in for full discussion by mills, shippers and producers

**Lynn County News**

at a day-long meeting of the Producer Steering Committee of the National Cotton Council.

Expressing doubt that forward contracting alone or in conjunction with the up coming government cotton program can provide the stable supplies and prices needed in the industry, Johnson said it nevertheless could be a useful marketing device in reaching that goal.

But he said the usefulness of forward contracting "can be greatly enhanced" by a way or ways to assure both producers and buyers that contract provisions will be met regardless of price action after contracts are signed.

Johnson also made the point that the producer's with contract performance on the part of the buyer is significantly more complicated than the problem faced by merchants.

He explained that buyers know from the beginning that a producer has the ability to meet the terms of a contract. "The producer is responsible only for delivery of his individual crop. And if he doesn't he has land, equipment and other visible assets that are placed in jeopardy.

"On the other hand," Johnson continued, "a merchant may contract for thousands of bales of cotton from any number of producers, and he may or may not have the financial ability to perform if the price goes against him and he may or may not have his commitments to producers backed up by corresponding commitments from consuming establishments. And if the buyer simply doesn't have and can't get the financing to meet his obligations, the producer in effect has no recourse."

With this explanation Johnson concluded that "The merchant's and the mill's problem with performance can be solved, largely, with more iron-clad contracts. But the producer's problem is much more complicated, and is the principal problem to which this group should address itself."

THE TENTH YEAR of insecticide application in the successful High Plains Boll Weevil Control Program began "on a happy note" and the first aerial spraying went on "in fine style," according to Ed Dean, Field Service Director for the coordinator of the program, Lubbock-based Plains Cotton Growers, Inc.

The "happy note" was supplied by the fact that it was only necessary to spray about 41,000 acres in the initial application whereas earlier indications had been that up to 100,000 acres might require treatment. Officials laid the reduction in expected weevil infestation to the hot, dry weather during the first three weeks of August.

"Weevil grubs and larvae in squares that fell from the cotton plant to the ground during this period simply died from heat and lack of moisture," Dean said, "and while that kind of weather

wasn't good for the area crop as a whole it certainly proved a boon to the boll weevil program."

Dean went on to say that officials were highly pleased with the performance of this year's aerial spray contractors and that "this first 41,000 acres was covered in fine style, beginning August 27, in a little over two days." The contract for spraying Unit I in the program, which lies North of Highway 82 along the Eastern edge of the Plains, was set this year to Palmer Aero Services of Harrisburg, Arkansas. South of Highway 82, in Unit II, the contract is held by Slaton Flying Service of Slaton.

The 41,000 acres treated in the first aerial pass of this year's program are located primarily in Dickens and Motley Counties, with smaller acreages in Floyd, Briscoe, Crosby, Borden and Kent Counties.

The program, designed to prevent the spread of cotton's number one pest into the vast High Plains cotton acreages above the Caprock, was initiated by PCG in 1964 and weevils have been successfully knocked back off the Caprock each year since. The program is jointly financed by cotton producers in PCG's 25-county territory through a per bale contribution each year, and by the Plant Protection Division of the U. S. Department of Agriculture, with some equipment and personnel being supplied by the Texas Department of Agriculture.

Asked about the effect on the

program of rainy weather blew into the Plains on September 6, Dean said "We got such good and such timely coverage in the first application that, based on a drawn-out period of weather, we shouldn't be at all."

Non-toxic ultra low volume Malathion is the insecticide in the control effort. Weevil populations are kept extremely low and thus confined to a relatively small area by breaking the weevil's reproductive cycle in the Spring and then killing as many as possible of the remaining populations in the Fall before they go into winter hibernation.

## SOIL CONSERVATION NEWS

### Farm Tour Tuesday

Lynn County Soil Conservation District will have their farm tour Tuesday, September 18th. Everyone is invited to attend. The tour will start at 1:30 p.m. at the north of the Court House in Tahoka.

Travel will be by chartered bus. This year the tour will visit some varied farming interests.

The tour has planned stops at farms that have diversified operations. These will be at B. W.

Edwards and James H. Sanders. Stops on the tour will also include J. M. Orr's farm and the Cecil Hammonds farm. A sheep operation will be observed at the Orr Farm. At Edward's and Sanders' farms, you can observe livestock operations and conservation practices such as center pivot irrigation systems, range seedings, water warp and parallel terraces. The Soil Conservation District Directors feel that this will be an interesting afternoon.

Civic Clubs and Study Clubs have been extended a special invitation from the Soil Conservation District to attend this annual tour.

## Delta County Reunion Sunday

The annual Delta County reunion will be held Sunday, Sept. 16, beginning at 10:00 a.m. in the District 1 club house at 5012 50th st. in Lubbock.

Cash prizes will be given to person coming farthest distance, largest family present and the oldest person present.

Everyone is invited to attend and bring their lunch and eat at 12:30

## New Home Edged By Loraine

New Home lost to Loraine last Friday night, by a score of 28 to 20. Isalah Williams scored on a 27-yard touchdown run in the fourth quarter to give the Bulldogs the win.

The Leopards took a 14-0 lead in the first quarter as Alan Nettles and Roy Villarreal each scored from three yards out and Villarreal made one two-point conversion attempt good.

Loraine's Mike Jones' 55-yard punt return and a 52-yard scam-

per from scrimmage with Hones providing the PAT's after each score for a 16-14 half-time edge.

Villarreal opened the third period for the Leopards with a five-yard TD plunge before Jones added his third TD. This left the score 22-20, with Loraine ahead.

New Home had 18 first downs behind 368 yards running and 25 passing while Loraine had 10 first downs; 385 yards rushing and 95 via the airways.

Who said it can't rain in West Texas, especially in Lynn Co. Haven't the rains been wonderfull? Everything is so pretty and green, and the putt putt of the lawn mowers is like sweet music. Most everyone we know is busy gathering and preparing peas, beans, corn and other field and garden produce for canning and freezing. Many of us may turn out to be vegetarians this winter.

Recently visiting in the home of Mrs. Lylia Knight, were relatives, Mr. and Mrs. Alvin Duncan and family, Mr. and Mrs. Curtis Stocking and family all of Farmington, New Mexico and Mr. and Mrs. Sid McFall and daughter of Lubbock. They all attended the reunion of the Shepherd families held at the O'Donnell Community Center on Sunday.

Mrs. Dovie Dillard is visiting with relatives in Stanton this week and also taking care of some business while there. She plans to be home by the end of the week.

Mr. and Mrs. Dink Lyons, Mrs. Odessa Smith and Mrs. Gladys Hackett, visited in Roby Sunday with a sister and brother in law Mr. and Mrs. Marvin Ashley. Mr. Ashley has just recently returned to his home after having been in the hospital with a heart attack.

Visitors in the home of the K. R. Durhams the past week were Mr. and Mrs. Bill Luck all of Minden, La.

Mrs. Azalee Rhodes of Levelland visited her sister Mrs. Gladys Cobb on Sunday. Mrs. Rhodes formerly lived in Tahoka.

Mrs. Leo Dulin was a medical patient in Lynn Co. Hospital a few days last week. She is back home and improving.

Borden Davis was taken to Lynn Co. Hospital Sunday with an apparent heart attack. He remains on the "monitor" at this writing. He and his wife own

and operate Davis Hdw. here. Beatrice Loyd whose home is at Golden Manor Apts. remains a patient in Lynn Co. Hospital and is scheduled for surgery on Wednesday. She is a sister of Mrs. Vera Allen who was visiting in Wichita Falls at the time her sister became ill. She came immediately to be at her bedside.

Mrs. G. R. Milliken entered a hospital in Lubbock on Monday and will have surgery later in the week.

Mrs. English, mother of Velta Small was able to go home from the hospital last Wednesday. She had been in Lynn Co. Hospital for several weeks.

Mrs. Merle Wilkins, of Golden Manor Apts. Has been released from Lynn Co. Hospital and is now convalescing at the home of her daughter Mary Grayson. She hopes to be home by the end of this week.

Mr. and Mrs. Pugh Parker and Penny are on vacation and are touring several of the northern states and Canada. They have visited the Mike Shays, former Tahokans, in Michigan and were in Ohio on the return trip when they called home Monday. No doubt they will have much to tell on their return. Pugh works for R. E. A., and Billie operates Billie's Beauty Shop.

Many hearts are saddened with the passing of more of our "old-timers". Mrs. Susie Johnson was buried on Saturday. Mrs. Harley Henderson on Tuesday and arrangements are pending at this writing for Mr. Claud Carter. Our sympathy to the members of each of these families.

Mr. Warren Embree was able to be back at his desk in First National Bank on Monday after having eye surgery in Dallas recently.

Mr. and Mrs. Byron Perce of Monterrey Baptist Church in Lubbock, were visitors at First Baptist Church on Sunday. Mr. Perce directed the choir at both the morning and evening services, in the absence of Randy his son, who is away in Revival. Mrs. Perce sang "Mary Had A Little Lamb" at the night service. It was very well rendered.

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

#### SPECIAL ELECTION NOVEMBER 6, 1973

#### NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

#### NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

#### NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

#### NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

#### NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds

for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers."

#### NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

#### NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million.

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified.

Provide that, in the event of the death of an eligible

Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

#### NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which:

Authorizes and requires incorporated cities, towns, and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

#### NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."
