Tahoka Bulldogs Get First Win Of Season

The Tahoka Fighting Bulldogs got their first win of the season last Friday night at Abernathy by playing good hardnose football and cutting down on their miscues. Although the Bulldogs need little polish they looked like a completely different ball club from a week before. The Bulldogs defeated Abernathy by a score of 19-14.

A lot of Tahoka's miscues last week came from the fact that Steve Miller, Bulldog quarterback broke his arm just before the opener against Stanton. Weldon Warren was forced to take over the quarterbacking duties

with only a few days to practice and doing tremendously well with very little practice and playing time under his belt.

Tahoka's first score of the game came with only 7:25 left in the first quarter when quar-

terback Weldon Warren on a keeper ran 25 yards for a six pointer. A passing effort for the PAT failed giving the Bulldogs a 6-0 lead.

The Abernathy Antelopes came right back in the second period

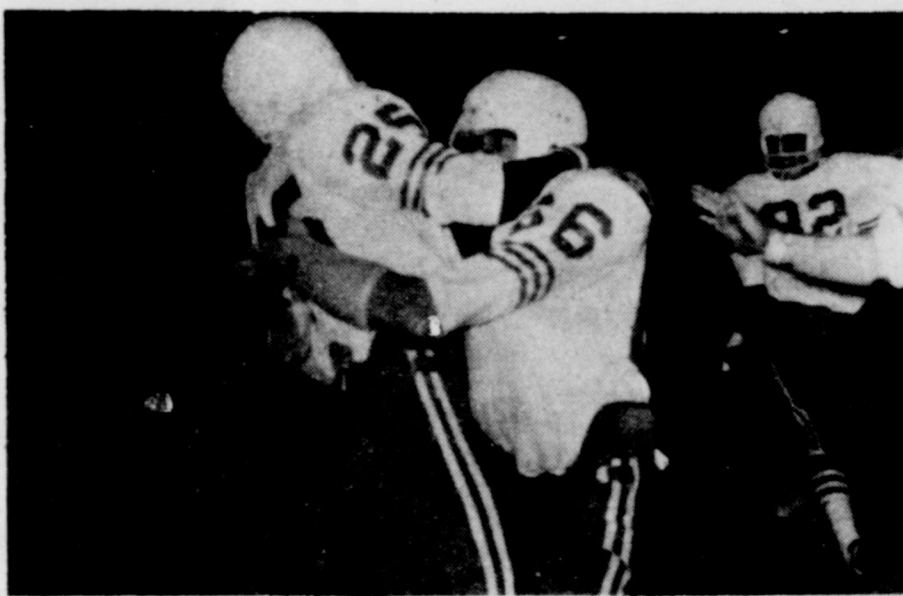

when the Antelopes pushed the ball over from the one and converted the PAT to give the Antelopes a second quarter 7-6 lead.

Following a Abernathy fumble, Quarterback Weldon Warren tossed a scoring aerial to tailback Timmie White and Terry McCord hit the point after touchdown to give the Bulldogs a 13-7 lead.

In the middle of the third period Bulldog Jimmy Bally punched over from the one giving the Bulldogs their final score of the evening and giving the Bulldogs at that point in the game a 19-7 lead.

The Antelopes came back in the final period after numerous penalties and scored with only 1:26 left in the game and converted the extra point to end the scoring and give the Bulldogs a 19-14 win.

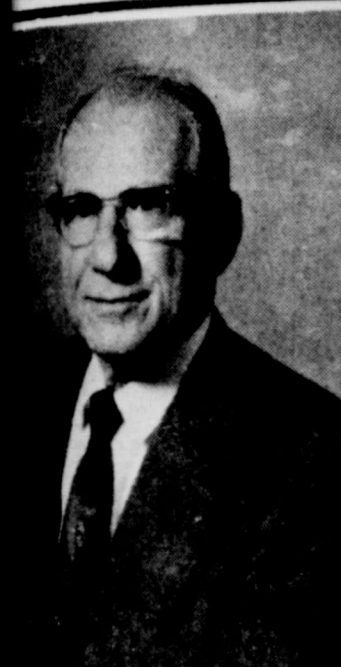

The entire squad played good football this week and will be in action this Friday night against the Idalou Wildcats at Idalou.

DANCE ANYONE -- It looks as if an old fashioned hoe down is underway above, but actually their only happy after Timmie White, No. 25 caught a touchdown pass and the Bulldogs went ahead of the Abernathy Antelopes last Friday night. The Bulldogs won the contest 19-14.

PICKS UP YARDAGE -- Jimmy Bailey, Tahoka back is shown above as he picks up good yardage against the Abernathy Antelopes last Friday night at Abernathy. The Bulldogs won the game for their first victory of the season.

Dr. Prohl Is Nominee For District Governor

Dr. Emil Prohl, retired Tahoka physician, is being nominated by the local Rotary Club for District Governor of District 573, International, for the year 1974-1975. District 573 is comprised of 47 clubs in North Texas.

Dr. Prohl has been a member of the Tahoka club for 36 years, and the club as president in 1950, and has been very active in local and district Rotary work. He has attended 15 International conventions and District Conferences. He has also been active in ci-

vic work, serving as a member of Tahoka school board, Chamber of Commerce, and has been active in Boy Scout and other youth work. A Methodist, he has served his church on the Board of Stewards and Board of Trustees. He is a Mason, a Shriner, and has been active in Eastern Star and Rainbow Girls Work.

His wife, Grace, has accompanied him on nearly all his Rotary trips. The couple have two children, Karl, an attorney in Kerrville, and Mrs. Finis (Martha) Botkin, whose husband is a local farmer; and four grandsons.

Roger Miller Youngest Court Reporter In Nation

A 19-year old Abilene man has been named official court reporter for the Northern District of Texas, making him the youngest federal court reporter in the nation.

The appointment of Roger Miller of 2023 S. 5th in Abilene, was announced Friday in Lubbock by U. S. Judge Halbert O. Woodward, formerly of Coleman. The Northern District of Texas comprises 14 courts at Lubbock, San Angelo and Amarillo.

Miller is a recent graduate of Stenograph Institute of Texas, a court reporting school.

"This young man was one of the brightest students to ever graduate through school," H. Don Stenograph Institute president, said when the Lubbock assignment was made.

Miller spent less than 15 months in school, a course that normally takes two years or longer, and was a shorthand speeds of 225

words per minutes," Rodgers said.

A graduate of Tahoka High School, Miller is the son of Mr. and Mrs. Jack Miller of Tahoka. His father is Tahoka police chief.

While in high school, Miller was a member of the National Honor Society, student body vice president, senior class vice president, and made honorable mention all - district in football on both offense and defense.

While attending Stenograph Institute, Miller worked fulltime as a ward attendant at Abilene State School.

AROUND TOWN

BY LEONA WALDRIP

CALL 998-4496

Mrs. Rosalie Spears, accompanied by her brother Leonard Rhodes of Levelland went to Oklahoma City Thursday to visit a sister who is seriously ill there. They returned Saturday.

Word has been received here that the mother of Mrs. Reno Riddle had a stroke on Monday of last week. She is Mrs. Bertha Jennings of Waxachie. Latest reports say she is improving and was able to be returned to her home on Saturday. Mrs. Jennings spent several days visiting in Tahoka the past summer and made friends here who wish her a speedy recovery.

Mrs. Gladys Cobbs spent Thursday to Saturday visiting her sister Azalee Rhodes in Levelland. Lura Mae Gaither and Elaine McMillan were shopping in Lubbock on Saturday.

Mrs. Thelma Dewbre returned home Tuesday after going to Comanche on Friday for a visit in the home of the M. L. Greens. Another daughter Joyce of Shreveport, La. joined them for the weekend and Thelma's birthday was celebrated on Sunday.

Visiting this weekend in the home of the Charlie Lichey's was his brother and wife, Mr. and Mrs. Kurt Lichey from Prescott, Arizona.

Archie Riddle is still confined to his home, since his recent surgery in Lubbock. Improvement has been slow and after a check-up on Monday Dr. advises continued treatment of weight lifting with increase of weight. The garage remains closed until such time as he will be back on the job.

Mrs. Zella Taylor went to San Antonio on Saturday to visit her mother and sister. While there they will celebrate the 91 birthday of her mother on Tuesday.

Mrs. Edna Brasher has taken a position as companion to Mrs. Jewel Bell of Needmore, near Meadow. The lady is blind and needs someone especially to drive for her as she has always been quiet active in community work.

Mrs. Leona Holden, and the Lee Holden family spent Sunday at the farm, at Hart Camp in Hale Co. They took their lunch with them and made an outing of it.

Fourteen members were present when Rebekah Lodge met on Tuesday night. Members were reminded that the District De-

puty President from Lamesa will make her official visit on next meeting night Sept. 25. Formals are to be worn and a salad supper will be served. The P.N.G. Club will meet this Thursday at the home of Louise Wyatt. They remind us they still have plenty of Extract to sell.

Mr. and Mrs. Don Flippo of Wichita Falls are the proud parents of a new baby girl weighing 7 lbs. 5 ozs. She has been named Miranda Diann. She has a big sister and 2 big brothers. She is in the Air Force, stationed at Shepherd Field and the mother is the former June Riddle, daughters of Mr. and Mrs. Archie Riddle.

Edward Bartley was in Fort Worth last week when his sister Mrs. Jerry Dorsey had surgery on Friday at Harris Hospital there. She is the former Jerine Bartley, daughter of Mrs. Sam Bartley. Friends here wishing to send a card may do so, at the

following address: 3800 Palomino, Fort Worth 76116.

Borden Davis remains a patient in Lynn Co. Hospital, but is improving.

Interest is running high at the Bible class being taught by Mrs. Jerry Lankford on Tuesday morning at 9:30 in Fellowship Hall of First Baptist Church. It isn't too late to start this study and everyone is invited. If you can not attend morning classes the same course is being taught on Tuesday night in Fellowship Hall of First United Methodist Church.

Paul Kenley of Bacon Heights Baptist Church, was speaker at First Baptist Church Wednesday night.

Sew It Cotton Contest Sept. 29

The annual "Sew It With Cotton Contest" will be held in the Wilson School auditorium, at 2 p.m. Saturday, Sept. 29.

Entry blanks may be picked up at any of the Lynn County school homemaking depts. or at the Fabric Place in Tahoka.

1974 Chevrolet A better-than-ever way.

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

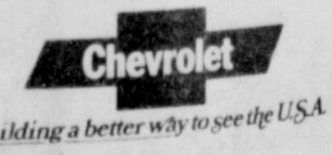

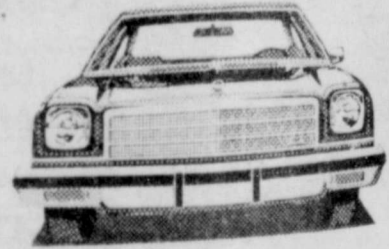

Caprice Classic. Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

Vega GT. This year's version of last year's Motor Trend Economy Car of the Year. (And Car and Driver Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

Camaro. The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

Malibu Classic. A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting. That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

At your Chevrolet dealer's Sept. 20

New Chevrolets On Display At Bray

New 1974 Chevrolet line cars and pickups will be on display today at Bray Chevrolet in Tahoka.

Chevrolet Motor Division takes strides forward as the industry's manufacturing and sales with important advances in ruggedness and roadability in seven different passenger car models for 1974.

The way to a third consecutive record "three million sales" year, Chevrolet will introduce its new cars and trucks.

A total of 44 models are being introduced by Chevrolet for 1974...

four less than in the previous model year.

Greatest change is in the Chevrolet line where a new sporty Laguna Type S-3 coupe is added while a luxurious new Malibu Classic series replaces the Laguna series at the top of the line. The Malibu becomes the standard series replacing the former DeLuxe designation.

"Improvements all across the board add value to all our car lines," says F. James McDonald, Chevrolet general manager.

"Later in mid-year of the 1974 model run," McDonald added, "further excitement will be added with the introduction of the special performance Cosworth Vega. Heart of this limited production option," he said, "will be the Cosworth Vega engine with dual overhead camshafts and 16 valves - four per cylinder."

In addition to the various styling and mechanical advances, Chevrolet is equipping all cars in 1974 with a sequential ignition interlock in the seat belt system that calls for the driver and front seat passenger to be seated with belts buckled before the car will start. Seat sensors and buckle switches operate sequentially to help prevent defeating the system.

Mrs. Langford Rites Held For

Mrs. Viola Langford, 67 died about 10 p.m. Wednesday in the Garza Memorial Hospital in Post.

Services were held at 3 p.m. Friday in the church of the Nazarene in Grassland, with the Rev. Ed Porter, pastor, officiating. Burial was in the Grassland Cemetery under direction of White Funeral Home.

Mrs. Langford was born April 4, 1905 in Carthage and attended school there. She moved to Lynn County in 1927.

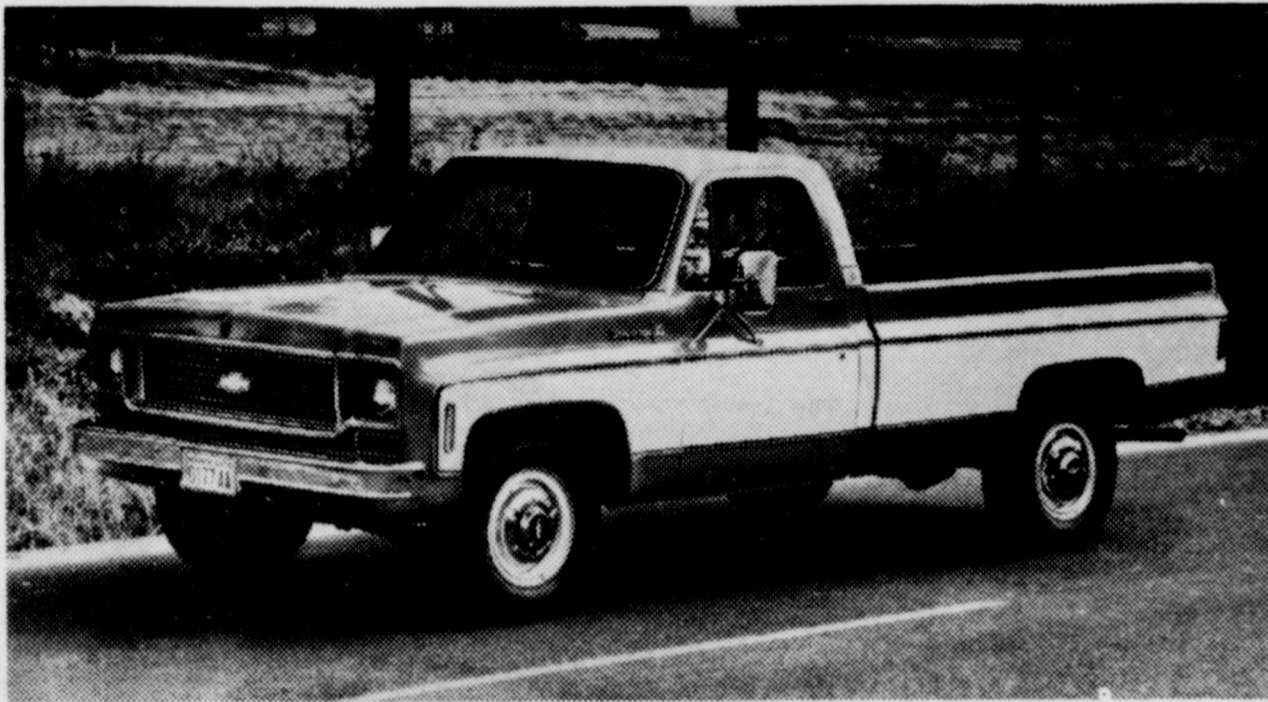

She was married to George W. Langford in Tahoka in 1934. He died in 1969.

Survivors include three sisters, Miss Beulah Tew of Rt. 3, Post, Mrs. Beulah Tew of Rt. 3, Post, Mrs. Joyce Bailey of Rt. 5, Tahoka and Mrs. Lanona Klutts of Gainsville; three brothers, Odis Tew of Rt. 3, Post, F. W. Tew of Rt. 2, Tahoka, and Carvie Tew of Big Spring. Nephews served as pallbearers.

Top-of-the-Line '74 Chevrolet

The top-of-the-line Chevrolet Caprice Classic coupe offers a new colonnade-type roof design with a styled center pillar extending into the roof panel. Rear quarter windows are nearly 50 per cent larger. In 1974 the Caprice Classic line offers five basic models: a coupe, convertible, sport sedan, four-door sedan and both two and three-seat wagons. Other Caprice styling features include inboard parking lights, fender side-marker lights, bright grille with vertical highlights and new standard wheel covers. Introduction date for all Chevrolet models is Thursday, September 20.

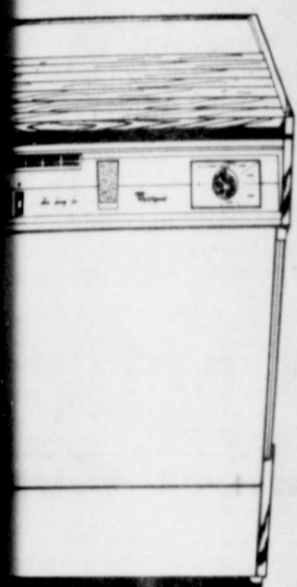

Significant brake improvements are featured in the 1974 Chevrolet pickup line. Computer-selected brake systems are tailored to the loaded weight rating of the truck, as specified by the buyer, to give brake performance similar to that of a passenger car. With loaded weight ratings of more than 6800 lbs., a new hydraulic power assist is standard. Other improvements in the 1974 line include a larger displacement standard engine in most V8 models, full-time four-wheel drive in all 4 X 4 V8 models, interior refinements, four new colors, and optional bright roof drip moldings.

Mustangs Victorious Over Bulldogs

The Mighty Wilson Mustangs began their district play with a winning note, 27-8 over the Amherst Bulldogs at Mustang Stadium last Friday night.

The Mustang offense showed steady movement, and with 7:03 left in the first period, QB Mike Bednarz threw a 45 yard TD pass to Phil Kitten. For the extra point the Mustang offense faked an end sweep and threw a halfback pass from Chris Coleman to Kitten. During the second period with only 4:26 remaining, Bednarz threw a 45 yard TD screen pass to Clyde Wilke with Kitten kicking the extra point, Wilson led 15-0.

Amherst then came back early

in the third quarter with 8:26 left and scored on a 1 yard dive, but their attempt on the extra point failed. The Mustang offense exploded again with only 1:56 remaining in the third quarter, when Bednarz threw a 35 yard TD pass to his brother, Greg. With 7 seconds left in the game relief QB Kurt McClesky was pushed into the end zone for an Amherst safety. Leading Mustang rushers were: Coleman - 81 yards on 22 carries, Kitten - 43 yards on 16 carries and Wilke 30 yards on 7 carries.

Defense was expertly executed by the Mustangs, holding Amherst to only 8 points. Heading number of tackles were Coleman - 11,

Lester Walker - 10, Johnny Arelano - 10, and Wilke - 9.

The Mustangs will be on the road this week to clash with Sundown.

Come see the '74 Oldsmobiles.

"But dad, all you said was that Cutlass Salon had reclining seats. You didn't say it came in a new coupe, too."

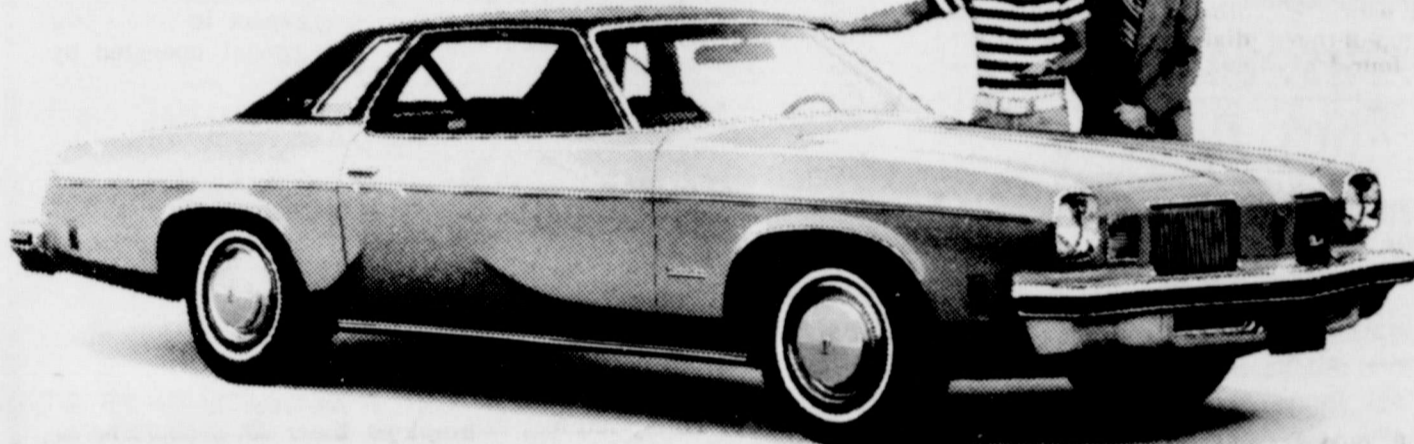

Last year Cutlass Salon was a new kind of American car—a sedan built for its roadability.

This year there's a Salon two-door

coupe. Like the sedan, it has a new, lower steering ratio for quicker response. Steel-belted radial tires to grip the road. Special suspension for tight cornering.

Contoured seats that recline. And you can even order a Landau roof.

Cutlass Salon. Built in the Grand Touring Tradition.

"Look Walter! Now we can get an air conditioner that filters smells."

Not only does Tempmatic regulate temperature inside your car to a preset level, it also charcoal filters the air. The filter acts to reduce many

offensive odors from the air entering the car. It's available on all full-size Oldsmobiles. The '74 Delta 88 coupe has a brand new roofline. Hydraulic bumper systems,

front and rear. And underneath—a suspension system that's as tough as ever. Olds Delta 88. It's really put together. More than just another pretty car.

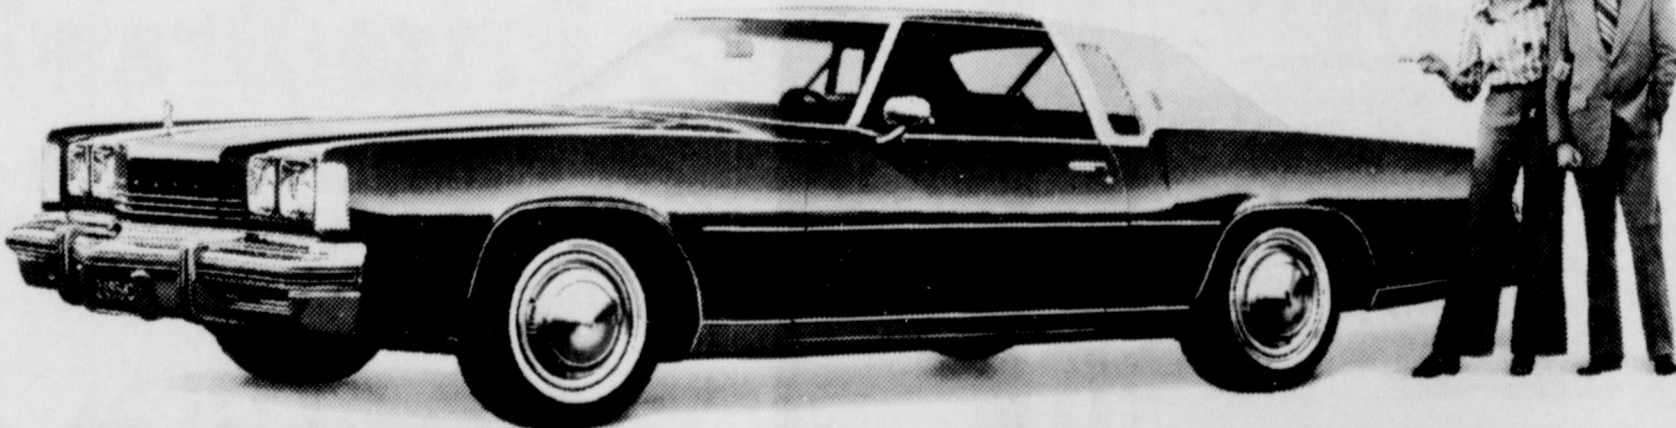

"Hey! I didn't know we could get these new little windows in the Toronado."

Order a Toronado with an opera roof and you get opera windows and a padded canopy of oxen-grain vinyl. You can also order a new interior with rich velour upholstery, a high-energy ignition system,

and True-Track braking. The 1974 Toronado has a new instrument panel with a message center that lights up to warn you when certain things such as your gas, oil pressure, seat belts,

etc., require your attention; there's even an exceptionally accurate digital clock, with quartz-crystal controlled movement. Front-wheel drive Toronado. Engineering can be beautiful.

Stop in at your Olds dealer's. He's got surprises for every member of the family in all the other '74's, too: Ninety Eight Regency, Cutlass S and Supreme, Omega and station wagons.

REGENCY COUPE — Oldsmobile's popular Eight Regency series has been expanded to a hardtop coupe for 1974. Velour fabrics and saddle and nylon knit fabrics in three cover the standard 60/40 divided front seats. and rear seat center armrests and a quartz controlled electric digital clock designed by

Tiffany also are standard. A deflectable stand-up hood ornament, 455-cubic-inch Rocket V-8 engine, Turbo Hydra-matic transmission, power steering and power brakes with front discs are among the standard equipment on all 1974 Ninety-Eight models. The Regency also is available in a four-door sedan.

CUTLASS SALON — Oldsmobile has expanded its popular Cutlass line in 1974 with the addition of the Cutlass Salon as a top-of-the-line. Available in both two and four-door, the Salon features reclining front contour covered with corduroy-like velour fabric or

perforated vinyl and a handling package built around 15-inch GM specification steel-belted radial-ply tires. The Salon coupe (shown) also is available with an optional landau vinyl top and distinctive accent stripe.

Charlton Motors To Show Oldsmobiles

Charlton Motor Inc. will display the new 1974 Oldsmobiles GMC trucks today in Tahoka. Oldsmobile's 1974 lineup includes two new coupes - the Cutlass Salon and the Ninety-Eight Regency. The Cutlass Salon coupe features an expanded offering of nylon velour covered and perforated vinyl reclining seats and a handling package built around GM specification steel-belted radial-ply tires. The new Ninety-Eight Regency coupe also features nylon velour fabrics formerly available on the Regency sedan, a 60/40 divided front seat with controls and a Tiffany-controlled electric digital clock. The new GM specification steel-belted radial-ply tire

is standard on the Cutlass Salon models and optional on all other 1974 Oldsmobiles. The tire was designed and developed in cooperation with several tire manufacturers to match the requirements of GM vehicles in the areas of handling, ride, tread life, endurance, hazard resistance and traction. The unique tread pattern has been designed to provide long tire life and high traction while maintaining a low road-noise level. Tread life and traction on wet pavement have been significantly increased over bias-belted tires and hydroplaning tendencies have been reduced. Increased show traction may eliminate the need for snow tires for many customers.

Tahoka High Happenings

By . . .
DEBBIE RAINDL

For most students at THS, activities have slackened somewhat in the past week.

Saturday, the Speech Club had their first money-making project, as they made quite a "haul" on their bake sale. This coming Saturday, the National Honor Society will try their luck at a bake sale. Members will be selling at Piggly Wiggly No. 1, and Parker Pharmacy.

Last week, football season got in full swing as all THS teams had a game. The Freshmen travelled to Littlefield where they came out short by a score of 12-6. The Junior Varsity, also at Littlefield, had quite a bit of bad luck and ended up on bottom,

33-0. This week, these teams will host Abernathy, beginning at 5:00 p.m. Thursday.

To the delight and excitement of the Varsity team and fans, the Bulldogs came home last Friday with a 19-14 victory over Abernathy.

The spirit has risen at THS this week and the Bulldogs are preparing to be on the road once again Friday, as they take on the Idalou Wildcats at 8:00. The pep rally will be held Friday afternoon at 3:35. Everyone is urged to continue to support the Bulldogs, not only by coming to the games, but also by coming to the pep rallies.

Spears Writes From Peru

Former local school superintendent Otis Spears and wife, Irene, have written local people they are now settled in Ilo, Peru, where they expect to teach two years in a school operated by Southern Peru Copper Co. for children of its employees.

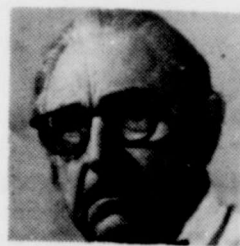

They say they received a wonderful welcome from the people, have a very nice home furnished them, fresh vegetables and meats are cheap but canned goods very high. Five teachers are employed for 25 students grades one through eight.

The copper corporation which employs them is a combine of four American companies with 3,800 employees in three locations and turns out copper ingots worth about \$1 million per day, of which the Peruvian government gets 68 percent.

Ilo is a seaport town of 35,000 people on the coast with the Andes, and Otis says he can look out his office window over the blue Pacific.

They are already anxious to hear from old friends. Their address is S.P.C.C., Casilla 35, Ilo, Peru, S. A.

Stanton Beats O'Donnell, 19-

The Stanton Buffaloes triumphed over the O'Donnell Eagles 19-12, last Friday night.

The Buffaloes had a half-lead of 13-0 as Mark Eiland in 10 minutes left in the second quarter made a 43-yard pass and eight minutes later scored his second TD. The kick for the second touchdown failed. O'Donnell came back strong in the third quarter on a 58-yard pass from Bennie Hancock to Scotty Childress with nine minutes left in the quarter. PAT failed.

An Eagle pass was intercepted by safety Gordon Eiland who returned it 45 yards for another Stanton tally.

O'Donnell's air-minded "cock" connected with end Haney for a 46-yard scoring pass in the final quarter.

The Eagles will play Longview next Friday night at O'Donnell.

Nursing Home News

These cooler days and nights
reminds us that winter is on its
way. Most all of the patients
are feeling O. K. Mrs. Connell
states she is not up to par.

Oh boy, the good eats that
were brought to us this week.
Mrs. Dean Bartley brought us
13 big watermelons, Mrs. Leta
Warren and Ruth Edwards
brought us yellow squash. Mrs.
Lena Short brought us a pan
full of small tomatos, and Mrs.
Louise Wyatt brought us a sack
of big tomatos. Mrs. Corbin's
daughter brought some tomatos
and sweet pepper. Thank you
all so much.

Birthday cake and ice cream
was served Friday evening hon-
oring Mrs. Lallie Black's birth-
day and Mr. Arthur Dial's birth-
day who says he is just 17 years
old. But we know better and
know he was just funning with
us all.

Corine ate out twice this week
with Ruby Harvick and Avis
Campbell. Also Roy Campbell has
been out three times during the
week. Mr. Roy Moreman goes
to Brownfield each weekend to
spend time with his family. Mr.
John Anderson reports cotton
crops sure do look good as he
was out riding around.

Thanks to the Claud Carter
family for the beautiful flowers.
Our hearts are sad and we pray
for you in your grief.

Helen Collins visited Saturday
She is looking good, recovering
from her surgery. It will be
some time before she will be back
doing her volunteer hairstyling
she has been so good to do for
all of us. It sure was good to
see her up and about. We miss
her very much. We do want to
say a big thank you to Mrs. Veta
Ford as she has been coming
down every week for Helen since
she has been unable to come
and doing our hair for us. We
hope we can do something very

nice for both these two fine ladies
sometime in the future.

Mr. and Mrs. Owens daughter,
Winnie, brought them supper one
night.

Mrs. Price will have to be in
Lubbock Monday and Tuesday of
this week for meetings.

Kate Jones was carried to the
doctor Saturday for treatment
and returned to the home.

The Church of Christ members
brought the Sunday Service Sun-
day evening. Brother Musick
brought several verses of scrip-
tures on God's Love being free
to all, rich or poor, but we must
repent of our sins to become
God's chosen ones. There were
14 or 15 members signing our
guest book. We enjoyed the ser-
vice very much. We still have
the second Sunday of the month
open for any church group who
will get in contact with Mrs.
Price.

Lucille Bean spent Sunday vis-
iting her father, Clark Allen.

Stephen and S. A. Lawson,
Palmsdale, California, Gene and
Astena Lawson, visited Mrs. Har-
ter.

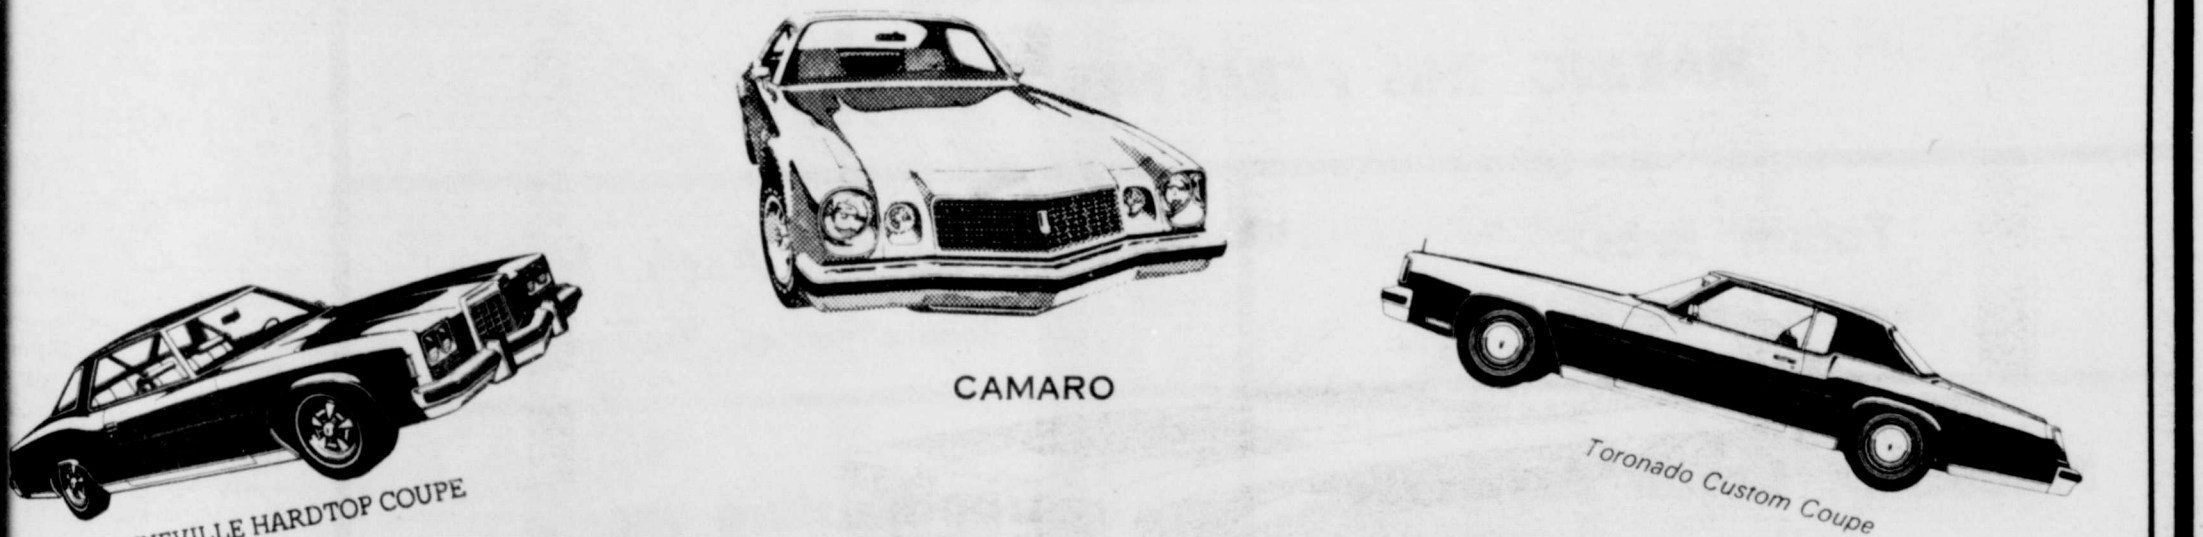

Otto Hill, Robert Writing, Mad-
del Oklahoma, Curtis Baker, Ida-
lou, visited Mrs. Hill.

Lela Wood visited several of
the patients.

Gertrude and Dennia Polk vis-
ited Papa Polk and took him out
for supper Sunday night.

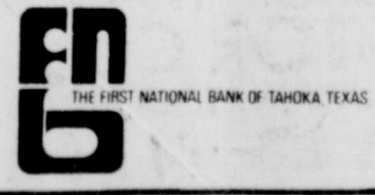

Our Monday evening singing
was good as always. It is such
a dreary day that singing is
just what we needed to lift our
spirits.

We have a new patient who mov-

SOIL CONSERVATION NEWS

Is it possible to have another Dust Bowl in America? According to the National Association of Conservation Districts, it is very possible. They had this to say about the situation.

"The nation faces new and grave risks of widespread, accelerated soil erosion by wind and

water. Veteran conservationists are beginning to worry out loud about a possible return of Dust Bowl conditions comparable to those of the 1930's. Reasons for the growing concern are the sharp increase in commodity prices, the end of the set-aside program, and the announced decision

of the government to call for all-out farm production in 1974."

"Approximately 60 million acres of farmland that has been under grass or otherwise held out of cultivation in recent decades because of various farm programs could now be headed for the plow. To many farmers, the price looks right. Even so, the probability at this stage is that something less than the full 60 million acres will be returned to cultivation in the year ahead. It is common knowledge that a very large share of the land put into set-aside and other land reserve programs was the least productive. It tended to be the marginal or submarginal acreage because of low fertility or other handicaps. Some of it was too steep, too shallow, too wet, too sandy, or too rocky for cultivation in relation to former market conditions. Now the situation has changed. Volume productions using all available acreage has become more attractive, especially for owners of large equipment."

"Conservation is the safe, effective expansion of the American farm plant. The nation needs increased production of farm commodities and America's farmers have the land and capability to meet the needs. It is going to be imperative, however, that expansion is not pushed at the expense of lasting damage to the land itself. We should not have

to learn all over again the tragic lessons of Dust Bowl days."

"The two cardinal rules of efficient conservation farming are to use each acre within its scientifically-determined capabilities and to treat each acre according to its individual needs for protection with such proven measures as terracing, contouring, strip cropping, stubble mulching, and windbreaks. If large areas are brought under the plow without attention to these rules, the price could be a marked increase in soil blowing, dust storms, gullying, and heavy sediment pollution of the nation's rivers and lakes."

"Conservation district leaders will be called on to intensify their work with their cooperators and other farmers during the coming months. They will need to stress the importance of attaining production with conservation, and not by disregard for conservation principles."

"Conservation technicians of the Soil Conservation Service will also face a critical test. Their ranks have been decimated in recent years by government-wide cutbacks of personnel. Technical assistance to farmers in many areas is virtually on a skeletonized basis. The means must be found to increase this aid of the eventual price in land damage and lost productivity could be grievous."

The seventh and eighth Bulldogs walloped Abernathy week by score of 18-8 and 20-0 respectively. Scoring for the th grade were: Leslie White, touchdown, and an interception; Dan Long, 3 touchdowns and 2 extra points; Van Long, 1 touchdown; and Reggie House, 2 extra points. Outstanding defensive players were Thompson, David Walker, Jolly, Reggie House, Perry, and Joe Gutierrez. Outstanding offensive players were Long, Van Long, Reggie House, Randy Meeks, Jabo Chaney, Mike Raindl, Mike Harvick, Thompson, David Jolly, Knox, Joe Gutierrez, and White.

Both teams are to be congratulated for excellent games!

Lee Ann Orr and all the cheerleaders are making Bulldog each Tuesday to help promote school spirit. The teachers being helpful in the effort as well as the student body. Positions are all over the hall, and are being chanted between classes. The first pep rally went well as the eighth graders won the competition yell. Cheerleaders are doing a job and most of the credit to the students for backing Bulldogs as they have.

The next game will be September 25 in Idalou.

The student Council met Tuesday, September 13 in Mrs. Corle's room. The Council discussed preparations for the assembly on September 27. Various assemblies were discussed and the assembly committee gave its report. They voted to buy clocks for all seventh and eighth grade teachers who did not already have them.

The students voted on Citizenship of the month for September. This will be presented at the assembly September 27.

NEW HOME NEWS

Mrs. Carlos Edwards of Dover City spent Wednesday here with her brother and sister in law, Roswell and Marjorie Edwards.

Boswell Edwards is on crutches after breaking a bone in his right foot, last week. The New Home FHA Chapter held its first meeting on September 17, 1973 in the New Home Homemaking Cottage. There were 26 members present. The program, IMPACT, was presented by Mandi Lee of Wilcox and Betty Curry of Tahoka.

Mr. and Mrs. Don Sharp, Ronnie, New Home, Mr. Clifton Fewell of Carlisle went to Hermeleigh Saturday for the New Home Fewell Reunion, which was the Hermeleigh Community Center Saturday and Sunday September 15 and 16. Forty four relatives and friends of the late Will Elizabeth Fewell registered for the moment of Silent Prayer was served for the late Will Fewell.

year after year. Johnson grass
control in grain sorghum is usu-
ally a losing battle, but by ro-
tating to cotton, a preplant in-
corporated herbicide coupled with
directed postemergence sprays
can keep johnsongrass under con-
trol.

If weeds are building up which
are resistant to presently used
preemergence herbicides and ro-
tation to another crop is imprac-
tical, the answer may be to use
postemergence directed sprays
which will kill the weeds after
they emerge.

Griffin points out that a record
of herbicides used in various fields
is also of value determining
possible causes of damage to later
crops. If an accurate record
of herbicides and rates applied
is kept on each field, it is easy
to trace possible carryover or
residue problems that may occur
in fall planted crops or those
planted the next spring.

A weed map and a field by field
record of herbicide usage are
valuable aids in planning next
year's weed control program, be-
lieves Griffin.

New Brucellosis
Regulations Listed

The livestock producers will
be faced with new regulations on
brucellosis control following a
statewide public hearing in Aus-
tin on Oct. 1, reports County
Extension Agent Bill Griffin.

The changes are being pro-
posed by the Texas Animal Health
Commission so that Texas will
be able to move toward a "cer-
tified - brucellosis free status"
and thereby be able to comply
with the standards of other states
to which cattle are shipped.

Griffin outlines the major
changes in the brucellosis test-
ing program as follows:

- 1. Testing of all animals two
years of age and over at local
auction markets rather than just
testing those that terminate at
slaughter.
2. Maintaining cattle in groups
until they are tested and found
clean or are quarantined, with
testing expense to be paid by the
seller.
3. Herds found to have the dis-
ease will be tested until they
have two negative tests, not to
exceed 120 days apart.
4. Retesting must be done with-
in 60 days.
5. Animals may move from
ranch to ranch owned by the
same individual within a county
or similar certified area with-

out testing.
6. Animals moving and chang-
ing ownership must be tested.
Numerous other conditions and
procedures are also specified
in the proposed changes, points

Says. . .**

In these days of hurry, hurry, hurry many of us look for shortcuts. Here are a few along the foods line.

Recipes often call for chopped, grated, diced or minced ingredients. Do this time-consuming

work ahead of time -- then freeze the various ingredients until needed.

For example, grate cheese a pound or two at a time. One pound makes about four cups grated cheese. Measure it in

Lynn County News

one-cup units -- or in the amount wanted most often.

Place cheese in air-tight containers or wrap in moisture-vapor-resistant plastic wrap, and freeze. American process cheese freezes well.

Chop a pound or two of onions at a time, either with a knife or in a blender for finely chopped pieces. Wrap in 1/2 cup or 1/4 cup units in air-tight plastic wrap.

Place packaged in a glass freezer jar that can be tightly closed, to keep the onion odor from escaping, and freeze.

Green peppers also can be copped and frozen. Mince parsley and then put in the freezer. Both should be packaged in con-

venient-sized units, then placed in air-tight containers.

Keep bread crumbs on hand in the freezer, too. Save bread heels until you have several. Crumb them in the blender, or between two sheets of wax paper with a rolling pin.

Store in an air-tight freezer container. If preferred, lightly butter the heels before crumbling to make buttered crumbs.

RECIPE OF THE WEEK:

OATMEAL PANCAKES

Makes 10 to 12 pancakes

- 2 cups milk
- 1-1/2 cups oat meal (quick or old fashioned, uncooked)
- 1 cup sifted all-purpose flour
- 2-1/2 teaspoons baking powder
- 1 teaspoon salt
- 2 tablespoons sugar
- 2 eggs, beaten
- 1-3 cup vegetable oil or melted shortening
- 1. Pour milk over oats; let stand.
- 2. Sift together flour, baking powder, salt and sugar.
- 3. Stir eggs into oats-milk mixture
- 4. Add sifted dry ingredients.
- 5. Stir in oil.
- 6. Bake on hot, lightly greased griddle or fry pan until golden brown, turning only once.
- 7. Serve hot with syrup, jam,

Jelly or preserves.
VARIATIONS
Sprinkle one of the following on pancakes before turning.
1. Chopped apples; 2. Fried chopped luncheon meat; 3. Cooked corn; 4. Cooked sausage; 5. Chopped cooked ham. Turn pancakes and cook on other side.

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource . . . natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 6, 1973

NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds

for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers."

NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million;

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified;

Provide that, in the event of the death of an eligible

Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which:

Authorizes and requires incorporated cities, towns, and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

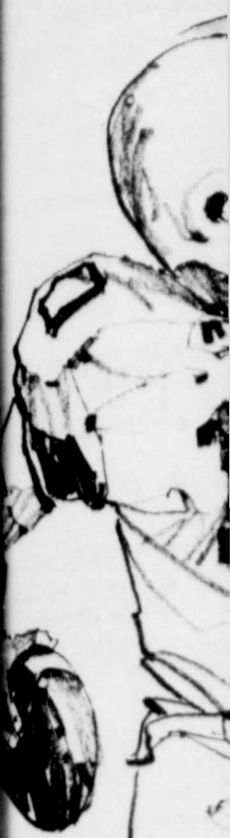

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

Mrs. Abbe Hosts Phebe K. Club

The Phebe K. Warner Study Club held its first meeting of the year Tuesday afternoon in the home of Mrs. Robert Abbe with Mrs. Jerry Brown serving as co-hostess.

The program, a play entitled "Jennie June - Mother of Clubs", was presented by Mrs. J. D. Atwell. The play was based on Mrs. Jane Cunningham Crowley who became interested in the idea of a woman's club and worked to form one despite ridicule and criticism from the press and men. The first club meeting was held in her home in March 1868

in New York City and women's clubs have continued to be formed out of her efforts. Those participating in the play were Mrs. Jerry Brown, Mrs. Elmer Owens, Mrs. Truett Smith, Mrs. Emil Prohl, and Mrs. Ray Adams.

Some of the coming projects were discussed by Mrs. Elmer Owens, project chairman.

Mrs. Maurice Huffaker, president, conducted the meeting. Phebe K. will have its next meeting September 25 in the home of Mrs. Truett Smith.

Pythian Sisters Visit Lamesa

The Tahoka Pythian Sisters visited the Lamesa Temple, Tuesday, Sept. 11, when District Deputy, Dorothy Kidwell made her official visit. A salad supper was served in her honor and a warm "Sisterly" evening was enjoyed by all.

The ladies attending from Tahoka were Miss Kidwell, Darlene Gurley, Temple Deputy, Emma Halamicek, Lottie House, Helen Biggerstaff, Pauline Warren, Clifford Tankersley, Trudy Schuknecht, Florine McCracken and Winnie Spruiell.

Dorothy Kidwell, District Deputy, made her official visit to Lubbocks Friendship Temple

Monday, Sept. 17. Darlene Gurley, Temple Deputy, Lynn Temple No. 45 also attended. A salad supper was served and the District Convention plans were discussed.

Other sisters attending the meeting were Emma Halamicek, Lottie House, Trudy Schuknecht, Judy Holden, Lura Mae Galther, Fern Lewis, Evelyn Burr, Hannah Nordyke and Elnora Curry.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.
