Mighty Bulldogs Trounce Slaton

"Ready for the Fair" Tahoka artist Bill Craig puts the finishing touches on a pencil sketch of an eclipse windmill. Craig's paintings, watercolors and welded west sculpture will be one of the exhibits at the upcoming Arts and Crafts Fair.

"Welded West" To Be Fair Feature

Among the many exhibits entering the upcoming Arts and Crafts Fair will be Tahoka artist Bill Craig's welded west metal sculpture.

Raised on a farm near Tahoka and attended Post Office. He has been interested in welding since he was 15 but only started painting seriously four

years ago. Today Bill Craig is well known in Southwest Art Circles.

For the Arts and Crafts Fair, Bill will have a special edition litograph of a windmill scene in addition to his popular metalcraft and paintings in oil and watercolor.

Most popular with the public is Bill's scale model buggys, wagons and windmills each painstakingly handcrafted to intricate detail.

Bill's oils and water colors are vibrant and it is evident that he pays great attention to detail.

His ability is reflected in the fact that he is now represented by several art galleries including Melnhard Gallery in Houston, El Gringo in Taos, Gifts by Gail in Abilene and Mesa Bronze in Lubbock.

He has several one man shows to his credit including shows at Hobbs, Las Cruces, Ruidosa, Lubbock and Tahoka.

His metalcraft and painting have been seen at the State Arts and Crafts Fair at Kerrville, Texas State Fair at Dallas, West Texas Fair, and La Fiesta at Lubbock.

Bill and his wife Margie live at 1828 S. 8th in Tahoka with son Randy and daughter Sherry.

A large crowd is expected at the Fair and some lucky spectators will take home door prizes as fair mementos.

Tahoka merchants and the Chamber of Commerce have heartily endorsed the Fair.

Saturdays show will open at 9:00 a. m. on the 17th and will close at 7:00 p. m. Sundays show will run only from 1 p. m. to 6 p. m.

Plan now to attend the Fair both days. Admission is free to the public.

The Fair is sponsored by the Lynn County Art Association.

The Mighty Tahoka Bulldogs got back on the winning side last Friday night by trouncing the Slaton Tigers by a score of 44-13. The Bulldogs hustle came back Friday night as you could really hear the leather popping.

Tahoka took the opening kickoff, couldn't move, punted, and on Slaton's third down try, Weldon Warren intercepted Slaton quarterback Gary Aycock's pass on the Tahoka 43. The Bulldogs moved downfield in eight plays to the Slaton 12, from which point Tailback Jimmy Bailey broke off left tackle for the first score. Terry McCord's PAT place kick was wide.

But, the Tigers bounced right back to score in five plays, with Fullback Greg Sokora breaking through the middle and raced 46 yards to the goal. Ricky Denzer's place kick was good and Slaton led 7 to 6.

But early in the second quarter, Tahoka took the lead for good when Bailey took a pitchout from Warren, then tossed a completed pass to McCord in the left corner of the end zone, with the latter making a great catch to keep his feet inbounds. An attempted point after by passing failed but Tahoka led 12-7.

Slaton moved upfield goalward, but the drive was stopped when a Slaton fumble was covered by Bailey, and Tahoka in six plays moved 83 yards to score again with Timmie White racing around left end 29 yards for the first of his three TD's in the game. PAT again was no good.

Later in the second quarter, Warren got away on a 40 yard keeper around left end to the Slaton 21, and on the next play White broke through right guard

for 21 yards to score. McCord's place kick was blocked, but Tahoka now led 24-7 at halftime.

With less than two minutes gone in the second half, the first play after Tahoka got the ball, White broke away for a 69-yard touchdown run, and this time McCord's kick was good to put the game on ice at 31-7.

But, the Tigers did not fall over and quit, as Hammond brought the kickoff to Tahoka's 38, and Sokora, who had 170 yards rushing in the game and was in on a big majority of Slaton's tackles, took the ball on two plays to the Tahoka 4. The Bulldogs put up a great goal-line defense, held on at the 1-yard line, but here a Bulldog fumble was covered in the end-zone by Slaton's Ronnie Valdez.

A conversion pass failed and Slaton had cut the margin to 31-13.

After the kick off, Tahoka moved 76 yards to the Slaton 4, but were held on downs. Early in the fourth quarter, Roosevelt Moore covered a Slaton fumbled pitchout on the enemy 16, and six plays later Fullback Kent Payne dove through left guard one yard to score, and McCord's place kick was good again. Score 38-13.

From here on mostly Tahoka reserves saw action, but with only 1:22 left on the clock, Bailey intercepted a Slaton pass and dashed 54 yards to score the final TD and bring the score to 44-13.

Not counting runbacks, Bailey had 103 yards rushing, White 153, and Warren 156, but Sokora was the leading ball carrier of the game with 170.

Tahoka had a total of 457 yards rushing and 19 passing to Slaton's 246 running and 21 passing, and first downs were 20 to 13.

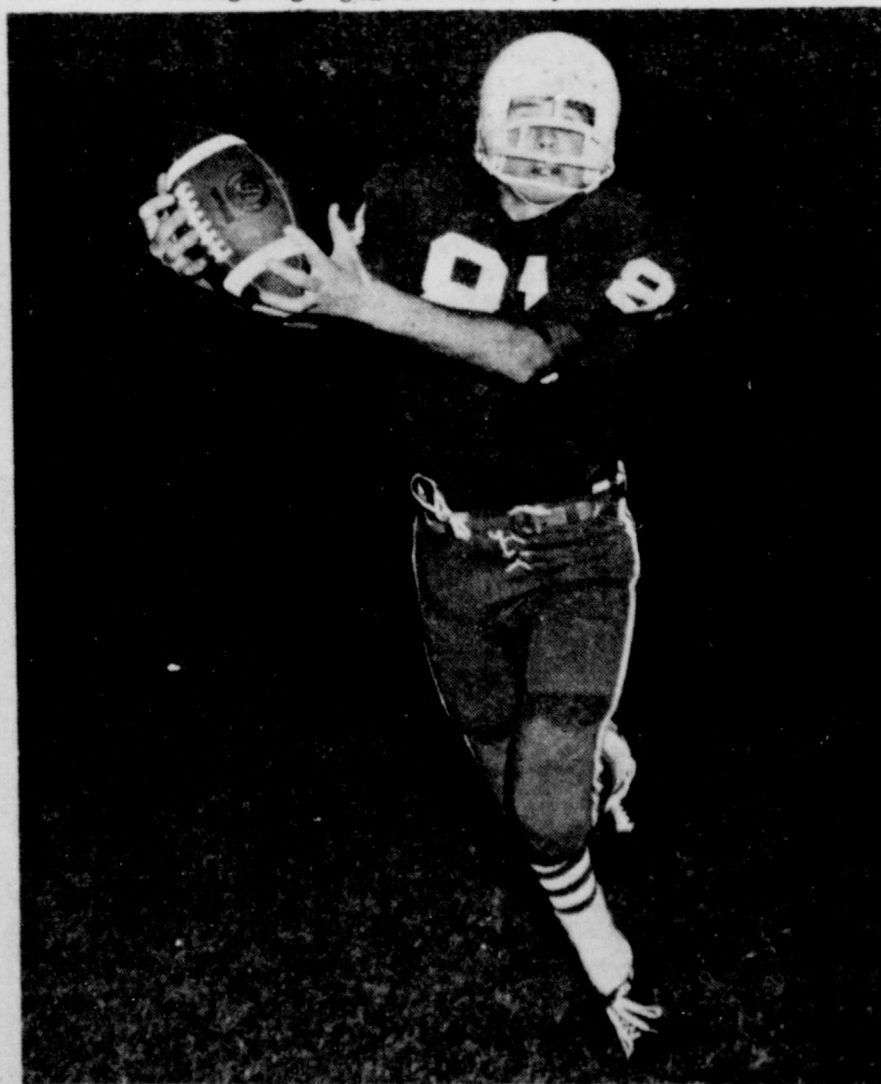

The Bulldogs take one of the toughest teams in the district Friday, playing their last home game of the season against Roosevelt.

Says. . .

Play is to the child what work is to the adult. Do you believe it's true. You can help your child or someone else's learn new things through play.

For example, using different shapes and sizes and color them. Here's an example using circles. Make circles of three different sizes: 2 inches, 3 inches and 4 inches. They must be big enough so the child can't swallow them. Use the primary colors red, yellow, and blue; cut at least three of all sizes.

Hand the child a circle and say, "Here is a red circle" or whatever it is. If he hands it back to you, say, "Thank you for the red circle." Always repeat the color and shape. This is the beginning of the learning process, and yet, it is fun for the child.

Being a friend is a time-consuming task-- like being a good athlete. Both require the same dedication and hard work.

We develop and keep friendship by continuous practice, by pushing to go the extra distance.

Most people can have only a few close friends among their many acquaintances, because they're unable to devote the time and keep up the "training" for more.

Recognizing which relationships really have the quality and depth of involvement is important, and it leads to the discovery that only in a few cases do people care about the well-being of someone.

A friend may be described as someone with whom we can talk meaningfully after a period of greeting, though we might only see that person once a year.

Friendship is the kind of relationship that makes our lives worthwhile.

gentlemen:
I am indeed grateful and you are honoring memory by changing the name of the school to "Tahoka Elementary School". To know that he was appreciated and felt him worthy of recognition is comfort and his family.

This honor has deeply touched us and we consider it a privilege to contribute that the school's faculty member loved the Tahoka students and the people of Tahoka.

We will always cherish the memory taken by the Board of Education and for the courtesies extended to us in the past twenty-four years. Please express our appreciation to the Class of 1973 for presenting the commemorative plaque.

May God bless you in all your endeavors.
Sincerely,

The recent decision of the Advisory Council and the Board of Tahoka High School Honor Society concerning its student membership is a disappointment.

It is no wonder the organization has mixed feelings. The members, elders, inequities in the brotherhood of man, and the fact that everyone would graze on the same. It is a mistake in judgment, but how can a harsh, self-righteous attitude be expected from a student who has given

most 12 years of loyal, dedicated and respectful participation to the school. Even our civil and federal courts of our land allows its' citizens a warning or probation period for first violations--yet still, our creator allows every human being many mistakes without condemnation.

Perhaps the greatest injustice was done when other N. H. S. members openly admitted similar violations and the council still chose to be a "respector of persons" and make an example of one student over one violation. Much courage was shown by some members as they chose to turn in their membership cards due to the injustice done. At least they are not hypocrites. Who can respect the leadership's double standards? According to N. H. S. constitutional by-laws, there was room for probation unless there was flagrant violations, which certainly is not true of the case in point.

How can adults in places of educational leadership display such a biased, unjust, pompous attitude? I hope they will read James 2: 12-13--"He shall have judgment without mercy, that hath shewed no mercy;" Respectfully submitted (name withheld)

Nursing Home News

October 28th
This cooler weather is sure nice, but several of the patients are grunting with sneezing and drippy noses. Both Mrs. Price and Miss Barnett, our Director of Nurses were feeling real bad Monday with bad colds. That sure makes them unhappy.

All of our new patients are doing good. Mr. and Mrs. Knight are coming out to eat in the dining room at noon. Mr. McFadden says he has good and bad days. He gets out in the sun per wheel chair and can walk some in the halls. We tell him it will take time to feel like his old self again.

Our newest patient, Mrs. Ferma Ortiz from O'Donnell was admitted to the home from the Lynn County Hospital last Thursday and is showing some improvement.

We have had a few changes in our staffing of the home. Dora Montemayor has gone on the 3-11 shift, Gertrude Alvarado is on the 7-3 shift now. We have a new aide, Debbie Garland who is now working on the 7-3 shift in training. Johnnie Rhodes, Ollie Brown, and Cora Bowman are on the 11-7 shift. Nannie

Littrell, and Diane Chapa are also on the 3-11 shift. Timmy White is our new weekend housekeeper. Dixie Newsom is in Laundry every day, and oh yes, Rogers Riddle is on the 7-3 shift.

Avis Henry brought her brother, Roy Campbell a good carrot cake October 25 for his birthday. He shared it with us all. The First Baptist W. M. U. Ladies brought each patient a Halloween plate of cookies. We sure did enjoy them.

Mrs. Bob Barnett reports her husband is a patient at Lynn Co. Hospital again.

Dr. Wright made rounds Sunday morning before leaving for England. His patients will all miss him while he is away. He will be back the first week of Dec. Dr. Emil Prohl, (retired) will take care of his nursing home patients while he is away.

Margrette Gerieterriz, a former nurses aide and a friend visited us Sunday.

Brother Frank Oglesby and members from the Methodist Church brought our services this Sunday. He spoke on how we each should always be willing to help others. Romans 12-10. How our Lord was always for-

giving people, so we must try to overlook our fellowmen's faults.

Mr. and Mrs. Gene Roland from Arkansas visited Mr. and Mrs. Owens, Arthur Dial, and Corine Izard.

Mrs. Molly Brumett and Mike visited Mr. Huffman. They brought him fruit candy and some winter clothes.

Mrs. Mary Jo Miller and Mrs. Margaret Norwood, with several girls in action, G.A.'s, brought tray favors for Halloween. Thank you very much little ones. It's so sweet to be remembered by you young ones. God bless all of you.

Mrs. Harter had 3 of her sisters, Mary Shaw, Shawnee, Okla., Elda Lay, Los Angeles, Calif., Marylen Tippli, Rhome, Texas and others of her family take her out for a while Oct. 25th.

Mrs. Ortiz had lots of company since she was admitted to the home. The McFadden's still have lots of visitors and Lee seems to be better.

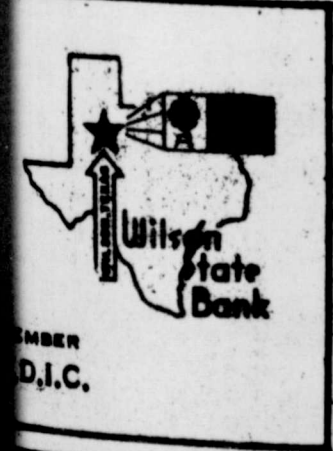

Oh, this windy cold weather sure should make the cotton loose leaves.

John Anderson visited relatives in Lubbock. The Alex Wyatts drove him to Lubbock for the day.

Our singing will be wonderful. I'm writing this early so Mrs. Price can get it typed up when she feels up to it.

LOCAL

Mr. and Mrs. Reb Burkhalter, Richard and Kathy of Carrollton visited her parents, Mr. and Mrs. Dave Hubbard and other relatives last week end. Also visiting were Mr. and Mrs. Billy Hubbard and girls of Lorenzo.

JR-HIGH-LITES

BY - TEAL CORLEY

The undefeated Bulldogs are 6-0 for the 1973 season. Both seventh and eighth grade teams are coming off with their best year ever and they have one more game to play. On November 30 they will play at Post. We're sure they'll win " 'cause we know they're bad!!" (That is about the most-used expression around Jr. High these days!) In the Slaton game on October 23, the seventh grade caged the Tigers by a score of 14-6. Scoring the touchdowns were Mike Nettles, QB, 10; and Gilbert Gutierrez, FB, 30. Extra points were scored by Gilbert Gutierrez.

16-6 was the outcome of the eighth grade game with Tahoka on top. Touchdowns were scored by Dan Long, TB, 20 and extra points by his brother, Van Long, FB, 30. Both were very exciting games and drew a good crowd. Talent Show tryouts were held as scheduled on October 24. All the acts were so good that the judges, Mr. McAnelly, Mrs. Miller, and Mrs. Harrington had to eliminate only a few. The Student Council met on Thursday, October 25 and discussed preparations for the Talent Show, which was held on Wednesday, the 31st. Winners will be announced in next week's column. The judges for this event were Mrs. Linda McAnelly, Mrs. Linda Massey, and Mr. David Weaver. The Council also discussed and voted to have a full-length Walt Disney movie, "Son of Flubber" to be shown at the end of the third nine-weeks, March 8.

Due to the great increase in harvest activities, the seasonal classing office at Lamesa opened business on Thursday and the Brownfield and Levelland offices will begin operations on Monday.

The U. S. D. A. offices at Lubbock and Lamesa classified

was approximately one inch (32). Micronaire readings were excellent. These readings indicate that most of the early harvested bales were fully mature. Eighty-seven percent of all cotton tested at Lubbock had micronaire readings in the premium range of 3.5 to 4.9, 8 percent was in the high micronaire of 5.0 to 5.2 and 4 percent was in the very high range of 5.3 and above.

The Agricultural Marketing Service of the U. S. D. A. reported active trading on the Lubbock market. Prices were \$40 to \$50 per bale lower than the previous week. Prices averaged 3400 to 3800 points over the loan at the end of the week.

samples from 16,500 bales during the week ending Friday. This brought the total for the season to 21,900. At this date last year, samples from only 1,000 bales of the 1972 crop had been classed.

Grades of this early harvested cotton were excellent. Middlings made up one-third of all cotton classed during the week at Lubbock and Strict Low Middlings made up 44 percent.

Staple varied widely according to the variety of cotton harvested. Staple lengths varied from 13-16" up to 1-5-32" (37). Average staple length during the week

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Middling (31) staple 30-56.65 cents per pound, Middling (31) staple 31-57.40, Middling (31) staple 32-58.40, Strict Low Middling (41) staple 30-55.70, Strict Low Middling (41) staple 31-56.25 and Strict Low Middling (41) staple 32-56.95.

FARM BUREAU NEWS

Farm Bureau has definite positions on two of the nine proposed amendments to be voted on in the Nov. 6 general election, according to Charlie Beckham, president of the Lynn County Farm Bureau.

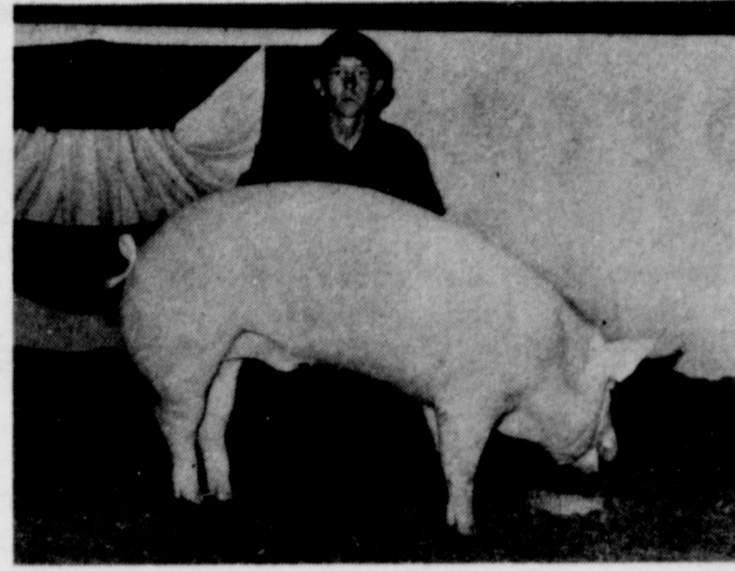

These are propositions No. 1 and No. 9, the county leader said. Amendment No. 1 provides for annual regular sessions of the Legislature and provides for an annual salary of \$15,000 and a per diem allowance of \$18 for members of the Legislature.

Farm Bureau policy is against annual regular sessions, Beckham said. He added that the organization has no policy regarding legislators' salaries.

Amendment No. 9 authorizes the Legislature to exempt certain water supply corporations and cooperatives from the property tax on certain facilities.

Farm Bureau favors this amendment, the County Farm Bureau president said.

Farm Bureau state policy is adopted each year in Texas Farm Bureau annual meetings, the local farm leader said. Voting delegates from counties comprise the House of Delegates which adopt policies. The voting strength of counties is based on number of paid-up members in the county, he added.

RESERVE CHAMP--Kevin James of the Lynn County 4-H Club exhibited the reserve champion Yorkshire barrow of the Junior Livestock Show at the 1973 State Fair of Texas held Oct. 6-21 in Dallas.

BILL GRIFFIN SAYS

The application of fertilizer this fall, or as soon as possible after harvest, is a matter worthy of immediate consideration and decision.

All reports clearly indicate shortages of nitrogen and phosphate will be with us throughout 1974 and for an undetermined period thereafter. Contributing to shortages at the dealer level are insufficient supplies of natural gas, fertilizer exports, release of reserve acreage back into production, higher sale prices of crops, and transportation difficulties.

The effectiveness of fall fertilizer application on the heavier soils of the High Plains is well established. On sandy soils, phosphate may be applied in the fall but nitrogen application should perhaps be delayed until spring to prevent possible leaching loss. Advantages of fall application include getting the fertilizer while it is available and incorporating it into the soil in the initial tillage operation so as to avoid weather problems likely to occur in the early months

of 1974. Here are some suggestions on fertilizer use for the next crop.

Find out what your soil really needs by having a soil test made on each field. Information on sampling and mailing is available in the County Extension Office.

Soil test data from the High Plains clearly show that less than half of the soils will respond profitably to applications of phosphate. Applying available material only to deficient areas will stretch the supply without reducing the yield potential.

An appreciable nitrogen carry-over may be detected. If this is the case, nitrogen rate can be reduced or in some instances omitted.

Consider using feedlot waste. There is much evidence to indicate that a 10-ton application of "average" manure is sufficient to produce near maximum grain sorghum yields without additional commercial fertilizer.

Plan your fertilizer needs as soon as possible and finalize an agreement with your supplier.

Fertilizers have become a major contributor to profitable yields. By keeping the above facts in mind, maximum profits from limited supplies can be realized.

Joe D. Unfred's Cotton Contract

My 1973 cotton contract was for 925 over the loan, which is approximately \$.28 per pound. . . . cotton costs \$.24 to produce. . . Now that I'm contracted for \$.28 there will be a \$.04 profit, but if I sell on the open market for \$.70 I can make \$.42 over the contract and pay off my bank debts Since there was a \$.04 profit on the original deal, I take that away from the \$.42 and that leaves \$.38 net profit, which in reality is a gross loss to my contractor.

To pay my contractor off, I'll have to borrow \$.38 from the bank at 10 1/2 per cent interest which in turn will eat up the \$.04 profit that I started with. . . . Since I broke even on the cotton, I'll have to hire a cheap lawyer to defend me from the IRS who will not believe you can sell cotton for \$.70 and have no income tax to pay. Beyond a doubt I will end up in jail. This way I'll miss next year's crop and avoid contracting too cheap. . . . While in jail, I'll take a correspondence course in marketing from the Aggies therefore people will not be surprised in the event I contract too cheap in the future.

COOKING LUNCH--Pictured above are sixteen of the seventeen members of Girl Scout Troop 396; cooking their lunch at McGinty's ranch. Girls pictured are: Nancy Lawson, Denise McNeely, Teresa Arellano, Kim White, Sheri Tomlinson, Sandra Womock, Lani Brown, Cathy Meeks, Denise Dodson, Suzanne Brooks, Karen Stewart, Cindy Chancy, Elena Del Toro, Kim Paynes, Tammie Kelley, and Amy Porterfield. Marcy Raindl was unable to attend.

Girl Scout Troop Meets Thursdays

By Kim White, Amy Porterfield and Suzanne Brooks.

Girl Scout Troop 396 has been meeting each Thursday.

We elected a treasurer, Suzanne Brooks and Patrol Leaders. These are Amy Porterfield for Patrol 1; Lani Brown for Patrol 2; Tammie Kelley for Patrol 3.

We've been doing interesting projects. We're working on our Indian Lore badge. We learned a Comanche greeting, sign language, counting in Indian song and an Indian dance. We each made an Indian scene. We made a tepee with outdoor fire and fur on a drying rack. Another project was Indian tom-toms. We did an Indian dance with them. This week Mr. Frank Hill is going to tell us about the Indians that used to live here.

We had a hike and cookout Oct. 20. We went to Fred McGinty's ranch. We hunted for arrowheads and flint. We cooked our dinner over a camp fire. Everyone had a lot of fun, even when we saw a grass snake.

Several members of our troop did the flag ceremony for the District Women's Club meeting.

We participated in the "thank you" tea for Mrs. Thornton and Mrs. Meeks.

We had a Halloween party Oct. 23. Some girls decorated the Scout Hut. Mrs. Jolene Tomlinson made us nice refreshments. We played games and won prizes and everyone fished a plastic monster from the fish pond. Everyone learned their

fortune on the fortune board. Time to go came too soon.

We're having a good time in Girl Scouts and are looking forward to more interesting projects and good times.

Sandwiches and drinks were served at noon after registration. Grand Chancellor, Dewey Wright and Grand Secretary A. L. Weatherred attended the meal then went to Lubbock where the Knight of Pythian held their convention.

The Grand Chiefs colors of aqua and pink were used throughout the hall, in candles and flowers. District Deputy, Dorothy Kidwell made a lovely flag using the G. C., Dovie Wrights colors and her motto, this she

presented to her.

Lamesa exemplified the Memorial Service. Thelma Sherrod read the eulogy. This was a very impressive service. The Reobligation Service was exemplified by Lynn Temple. A written and an oral ritual quiz was given.

There were 3 Grand Line officers present, Grand Chief Dovie Wright; Grand Junior Willie Mae Newton; Bernice Kern, Setting Post Chief; Post Grands present were Florine Loflin, Grand Ritualistic officer; Katie Lou Ashley, Post Supreme Representative also P. G. C. Thelma Oliver; Velma Middleton; Hazel Walker and Lucille Weatherred.

A banquet was served at 6:30 at which time Randy Pierce sang "He Touched Me", accompanied by Hazel Bennett on the piano. Leona Holden gave a reading "at Eventide". Lynn Temple was happy to initiate two members into the order, Joy Laws and Wilma Smith.

Dovie Wright reported on the childrens home; her project for the year is a new tennis court and hopefully a color t.v. for the lounge.

Katie Lou Ashley, who is a board member for the home for the aged at Greenville, reported it debt free and now are financing a couple to recruit for the Knights and Sisters Organizations.

The Sisters wish to thank the business people of Tahoka for the donation of several lovely and useful figts as door prizes.

Lamesa Temple will hold the convention for 1974.

Lamesa and Lubbock each had 7 Sisters to attend the meeting, Pampa 2, Ft. Worth 2 and Tahoka 27 for the afternoon, and 31 for the night session.

loved ones for their kind-
ness, love and compassion shown
during the passing of our dear sis-
ter and loved one, Mrs. Minnie
Smith.

Thanks for the beautiful, and
fragrant flowers and all the good
words, and words that helped bear
my grief. May God bless and
comfort all of you.
