## Cotton Ginnings Sale Count At 154,000

## Lighted Christmas Tree On Court House Square

Lynn County farmers have 154,000 bales of cotton ginned or sitting on gin yards already this year as of last Friday, and are expecting to tally in at least another 60,000 to 70,000 bales before the season is over.

full advantage of the continued good weather, compressing an estimate of at least 20,000 bales of cotton into ricks. Last week's killing frost was credited as being especially valuable in helping to dry out the cotton sufficiently to rick. Most farmers are receiving only a minimal number of trailers now as every gin in the county is covered up with cotton, despite the fact that all are running at full speed and are turning out a sizeable number of bales daily.

Tahoka citizens will still enjoy the lighted Christmas tree on the court house square, but on a limited scale. By burning the lights only until midnight, and with a reduced voltage, along with omitting other traditional lighting displays, the use of electricity can be reduced approximately two-thirds of the amount consumed in former years.

The city of Tahoka, Southwestern Public Service, and the Chamber of Commerce are com-

binning their forces to create a festive holiday atmosphere and at the same time comply fully with the President's energy conservation program.

## Coach Reveals Cage Program

Cecil Robinson, Tahoka High's head basketball coach, told Rotarians in a talk last Thursday that this phase of the school's physical fitness program has been stepped up in an attempt to attract more players and the number of games has been increased.

A team, junior varsity, seventh, eighth and ninth grade boys and girls, a total of ten teams, are participating in inter-city games, and will be involved in a total of about 175 contests before the season is over.

Robinson coaches the varsity boys and Coach Harrington the varsity girls.

This year's boys team has one starter, Jimmy Bailey, and one letterman, Steve Miller, returning from last year's squad. So far the boys' attitude and effort have been good and team play excellent. District favorite is probably Frenship, with Denver City and Roosevelt also expected to be contenders.

Wilton Payne introduced the speaker.

## Scout Museum Trip Saturday

Boy Scout Troop 721 will take a field trip Saturday to the Planetarium at Texas Tech in Lubbock. Transportation will be provided and will leave from the Scout Hut at 12:30 sharp. All boys should be in uniform and have paid the 50 cents admission fee prior to leaving. Scouts will tour the museum following the special planetarium show which is being offered to the troop as part of the Astronomy merit badge. All registered Scouts, regardless of whether or not they are working on Astronomy merit badge, should plan to attend.

Boys interested in joining Scouts are invited to visit the troop during regular Thursday night meetings.

Old timers in the county continue to express their amazement over the outstanding weather which has graced this crop from start to finish, despite a small amount of adverse weather in some areas and the usual share of sandstorms. Lynn County's cotton crop has turned a fleecy white from top to bottom. And then, much to the disbelief of most farmers, weather continued to remain fair throughout the month of November, allowing stripping activities to hit an all time peak.

Indications are that the harvest will continue at its already established hectic pace for at least the next couple of weeks before the pace slackens much. Farmers are continuing to take

Indications are that this year's cotton crop will fall a little short in bale count but will make up the difference easily price-wise.

According to estimates the Lynn County cotton crop is 70 per cent out with 154,000 bales on the gin yards and ginned, 20,000 bales in ricks and 40,000 bales of cotton yet to be stripped giving the estimated total of 214,000 bales of cotton raised in the County this year.

## Second Semester Kindergarten Set

Beginning next semester, 5 year old children, regardless of race or family income will be eligible for Public School Kindergarten in Tahoka Independent School District. Children must have been 5 years of age on or before September 1, 1973, to be eligible. As with all children entering school for the first time, new kindergarten students must have a birth certificate or baptismal certificate and must have immunizations up to date.

The kindergarten program is not mandatory but should be very beneficial and all parents are en-

couraged to send eligible children.

To help prepare for the children and plan the program an estimate of the number of children to attend is needed, therefore, all parents of prospective students are urged to call Tubb Elementary School (Phone no. 998-4350) and give names of children who plan to attend the kindergarten. Questions concerning the kindergarten program may also be directed to Tubb Elementary School in person or by phone.

A complete list of required immunizations is as follows:

1. D.P.T. (Diphtheria-Tetanus) with one dose having been received since the age of 4.
2. Oral Polio Vaccine-3 doses with one dose since the age of 4.
3. One dose of Measles Vaccine or have had measles.
4. One dose of Rubella.

Please note that if all immunizations are not complete, students may enroll if immunizations are started. Parents are reminded that immunization records must be from a doctor or a health department.

Parents who have questions regarding immunizations may call the School Nurse, Mrs. Jean Harvick, at 998-4233. Parents may bring immunization records to Mrs. Harvick's office in Tahoka North Elementary School at any time between now and January 2, 1974, and if all immunizations are up to date, Mrs. Harvick can write a clearance validation permitting the student to register.

Tentative plans call for formal registration of kindergarten students to be on Tuesday, January 2, 1974. More specific information on registration will be made available at a later date.

### "TWO BITS WORTH"

BY JOHNNY VALENTINE

The environmentalists long ago blocked quick development of atomic power because of the catastrophic dangers inherent in any plant accidents. But new developments on the atomic power front make it appear that atomic power is now within reach--with-

in a few years at least.

America today is a highly complicated economic society, but this crisis is made to order for American ingenuity. Let's get with it--both the short-term inconveniences and the long-range planning and development to insure the energy future of this nation. We all know this energy crisis was on the way. It's been no secret. It just took the Mideast War to move it overnight from "the future" to today.

The "do-more-for-the-poor" politicians don't seem to have thought about what they will "do more" with after they get everybody's taxes up over 100 per cent of income. Actually, the "do more" disease is double-barreled. Politicians who catch it have a compulsion to (a) do more for the poor, and (b) do more for themselves. So they spend like a man with an inexhaustible golden-egg-laying goose that can't find a stopper. But the taxpaying goose may tighten up when the "do more" gang starts demanding more than he produces.

call by President Nixon Americans to make some and voluntary sacrifices to close the current gap in supply and demand in this energy crisis is the first what may prove to be a road we would resolutely together.

alternative, which may anyway before spring, is governmental restriction and a lot of knot-tying by bureaucracy which would bring us both a black and some disastrous to our overall economy. much the closing of serations, on Sunday will trim the consumption is debated but obviously the political prefer to try this method starter rather than rush into gasoline rationing pump.

ing the thermostat down, ting outdoor lighting, and at 50 miles an hour are energy savers. should all take a positive in complying with the ent's recommendations in ury crisis.

plaints and grumbings up nobody now. Nor is time for a \$100 million investigation in Wash- to try to place the blame know-who.

now is the time for ca to pull itself together mb out of the hole. ainly, it must be done with st damage possible to the working segments of our y.

the citizen level, we need peration with governmen- ts. At the top is the need bine business, political, entific leadership to find range solution which will in the years ahead an dependent upon no one energy sources.

**TAHOKA DRUG**

# AROUND TOWN

BY LEONA WALDRIP

CALL 998-4496

Leaving Lubbock by plane on last Wednesday morning, Mrs. Zella Taylor is now visiting with her granddaughter's family in Nashville, Tenn. She plans to see the "Grand Ole Opry" while there and plans to be home by the end of this week.

Veta Ford became ill during church services on Sunday morning and is now hospitalized in St. Mary's at Lubbock.

Mrs. Mary Smith is home from the hospital but has to go back 5 times a week for treatments until 25 treatments are completed.

Mrs. Carl McClintock fell in her home on Thursday and broke a rib. She was not hospitalized but has to "take it easy" at home as it's very painful to move around.

Mr. and Mrs. B.B. Street are back home after a 3 month stay at Port Aransas. Visitors in the home this past weekend were their sons, Weldon, of Jackson, Mississippi, and Mr. and Mrs. Donald Street and family of Earth.

Rebekah Lodge met in regular session on Tuesday night with 12 members present. Nominations for officers were continued, and election will be completed next meeting. The members voted to adopt an 8 yr. old boy from the Children's Home at Corsicana to "do good things for". Each member is asked to bring or send a gift for his Christmas box that will be packed at the next meeting, Dec. 11. This will also be the night for the annual Christmas party. Gifts will be exchanged. Because the second meeting in December falls on the 25th there will be only one meeting in December.

Members of Hazel Bennett's Sunday School class will have their Christmas party at the cafeteria on Monday night, Dec. 10. It will be a "Dutch treat" affair with program and exchange of gifts. Members may bring husbands or guests.

A birthday party idea was born last Thursday, the 29th, when Cindy Park and her mother appeared at the door of her Auntie, Mrs. Canna P. Allen, with a large birthday cake and a can of punch. Aunt Canna, as everyone lovingly calls her, decided that since she had never had a birthday party in her lifetime of 85 years, that this was the time. So she set about to get word to all her friends living at Golden Manor to be at her apt. at 5:00 p.m. Each of the ladies brought an appropriate gift. They sang hymns and Mrs. Carpenter offered Thanks for the refreshments of punch and cake. Guests were Leona Ashcraft, Irene Garrison, Mrs. Carl McClintock, Mrs. J.N. Nored, Beula Atkins, Margreat Nash, Faye Thayer, and Dora Carpenter. Moving here from Cook County Texas twelve years ago, Mrs. Allen has lived half of that time at Golden Manor Apts. and attends Methodist Church when weather permits.

Interest was high when 26 ladies were present Monday night at First Baptist Church to receive instructions on being hostesses for the Loyalty Banquet to be held on Dec. 12. Cards with church members names were distributed and one of the hostesses will be calling each member. Janelle Edwards is

committee chairman.

Mrs. Vera Allen reports her sister, Beatrice Loyd, slowly improving and expects to be back in her own apartment soon. Beatrice recently went surgery and spent over 10 days in Lynn Co. Hospital.

Mr. J.N. Nored fell in front of his home Tuesday morning as he started to the Post Office. He was taken to Lynn Co. Hospital by ambulance and was going X-rays at this writing.

## Helen Johnson Buried Monday

Mrs. Helen Johnson, 71, formerly of Tahoka, died Saturday at 12:25 p.m. in Central Plains Hospital, Plainview, following long illness.

Funeral services were held at that city at 4 p.m. Monday by Rev. Mark Williams, pastor of First United Methodist Church there officiating. Burial followed in Plainview Memorial Park.

Mrs. Johnson was a daughter of the late Mr. and Mrs. J. Brashear, Mr. Brashear having been a prominent merchant in Tahoka in the teens and 1920's. Her husband, whom she married here, was a J.C. Penney store manager for many years, retiring from Plainview in 1945 following retirement some time before his death. Before her marriage she taught in the Tahoka school.

She is survived by a sister, Mrs. Elbert King of Tahoka.

# Baptist Church Plan Banquet

The ladies of the First Baptist Church met Monday night to receive instructions for the Loyalty Banquet. Lead by Rev.

Edward Hartley of Odessa, Texas, the table-hostesses were inspired to be gracious hostesses as they contact all members of the church on this occasion. Sixteen enthusiastic ladies met with Janelle Edwards, the chair-hostess for the banquet, and they saw and learned the groundwork for an interesting church celebration.

The Loyalty Banquet is to be Wednesday night, December 12, at the school cafeteria, at eight o'clock p.m. This hour will not conflict with the Christmas cantata rehearsal which is from 7:30 to 8:30, for you have thirty minutes to get to the school from the cantata rehearsal.

The banquet is different-not what you have experienced before-you bring no dishes nor cook no food; thanks to Tahoka Cafeteria, who is in charge of the food. There will be no charge for food either, as a group paid for the meal Monday night. Mrs. Albert Tankersley leads a committee for table decorations with James Zuma McWhirter, Lennie Cox, Fleda Howell, Leta Warren, Sam Womack, and June Nevill as her helpers. The nursery committee is headed by the church secretary, Wanita Kelley, who has workers at the church nursery who will attend to babies and other small children through 4 years old.

Mrs. Veta Ford has a children's party planned at the church for all 4 year olds through the 1st grade children. A film, "The Long, Long Trailer", will be shown and refreshments will be served.

Randy Pierce, church youth and air director, is in charge of transportation. Those who may need transportation to the banquet, Randy requests, call the church office and leave your name; in order that he may pick you up in the bus and get you and others to the school cafeteria.

Jerry Ford is head usher who will meet you at the door and help you and your family find your assigned table at the banquet. A good time is planned for all members and all ages. The cantata (6th grade through college) and adults will attend the banquet in Floyd Tubb's school cafeteria.

All members of the church will be called, or contacted to be invited to this evening of food, fellowship, and inspiration. There will be no fund-solicitation. Inspirational talks from our own members will be given. Progress reports and explanations of goals and plans for the church will

be given-goals, as seen by the elected leaders of First Baptist Church.

ON THE MOVE

THIS WEEK WE'RE MOVING WITH

Reliable Ricky Jolly, 17, is employed by Blackie Burton at Farmers' Co-op No. 1. The son of Mr. and Mrs. Billy Jolly, Ricky is a first year D.E. student. The Farmers' Co-op No. 1 has been a D.E. training station for 4 years.

Indians once had the hot idea that it wounded the fire god to poke up the fire!

## Safety Opportunity Follows Gift Opening

One of the best opportunities for holiday safety comes just after the gifts have been opened, according to Texas Safety Association.

Paper wrappings left near a heater or water heater are a serious fire hazard.

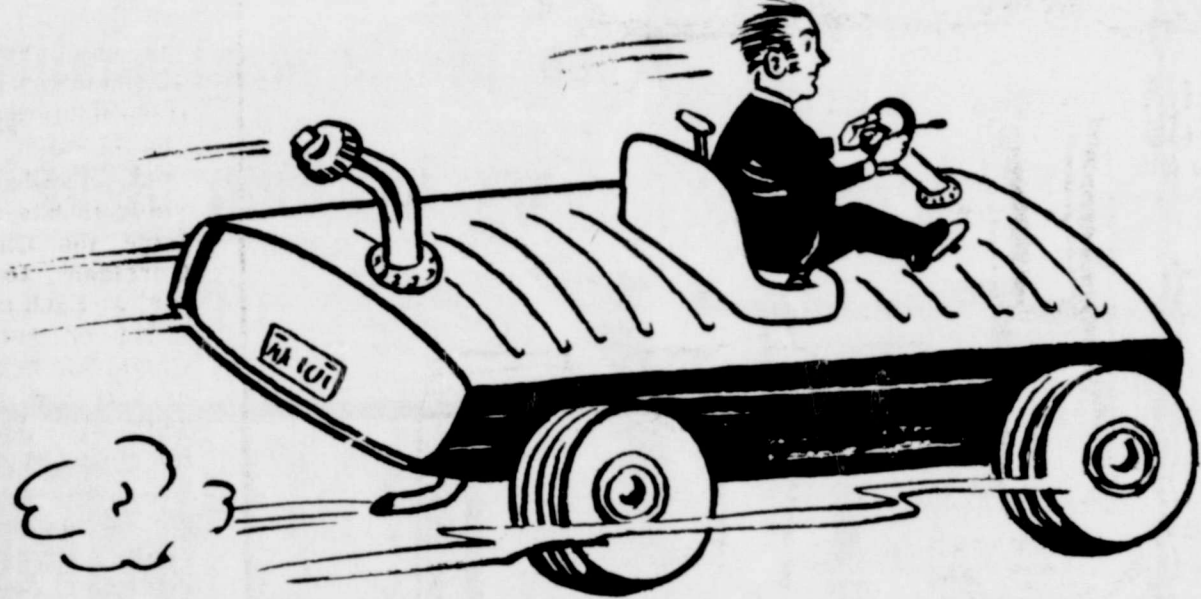

Burning the wrappings in a fireplace is the worst possible way to dispose of them, according to the safety group. The paper may shoot up the chimney and result in a house fire hours later.

Instead, TSA suggests a waste basket or carton should be handy for the discarded wrappings, and they should be disposed of immediately.

## Nursing Home News

Well, it is only 22 days until Christmas. Mrs. Haygood, Mrs. Sammy Turner, and Mrs. June Nevill have been checking on the Christmas tree and the decorations and gifts for all of us patients. So, I guess we will have a busy month. Several patients are planning to spend Christmas with relatives. Corine plans to go to San Antonio to visit during the holidays. Our Christmas party will be the 22nd of December, on Saturday. This will give everyone a chance to be at our party and also spend the holidays with families if they plan to. I bet we will all enjoy it.

Mrs. Price attended the wedding of Rita Barnett and Wayne Taylor Saturday night. Miss Barnett is our Director of Nurses.

Mrs. Gilbert Gandy and granddaughter, Jana Hammond, gave the home four song books. Thank you very much.

Mrs. Boyd Barnes and daughter brought the home a big sack full of cookies and also brought Corine a lemon supreme pound cake. We sure did enjoy the cookies and cake. Thank you very much. All gifts and homemade cookies and such are really enjoyed by all.

The Sweet Street Baptist Church with Bro. Jones and members brought our Sunday services. He used Hebrews, Chapter 12, as his text. We look forward to these services.

Lee and Gertie McFadden went up to their home place Sunday. They said all looked good, even the sand.

Nan Adams dropped by to see Corine Sunday. Almost all of the patients had visitors during the weekend. Our list got so long, it was really hard to get everyone's names in our news so we just decided to not try listing everyone's names anymore.

Our new patient is J.B. Oliver, a long time resident of Lynn County. We hope he will learn to like it here with us. Mr. Thompson

## Rites Held For A. W. Edwards

Albert Wilson Edwards, 99, of Waco died Monday afternoon in a Waco hospital.

Services were held at 10 a.m. Wednesday in Wilkerson and Hatches Chapel, with Rev. Bob Segrest officiating. Burial was in Oakwood Cemetery.

Mr. Edwards was born at Osage

in Coryell County, son of Mr. and Mrs. James L. Edwards, pioneer settlers in Coryell County. He married Della Robertson in Lebanon, Tenn. Mrs. Edwards died May 12, 1967.

Mr. Edwards lived in Crawford and in Tahoka, where he farmed and was the first landowner to utilize irrigation. He drilled the first irrigation well at Tahoka.

He went to Waco in 1921 when he and A.D. Shook purchased and dismantled buildings at Rich Field after World War I. He was a member of the Masonic Lodge and a member of the Calvary Baptist Church.

Survivors include a daughter, Mrs. W.L. Sleeper of Waco; a sister, Mrs. Sallie Burleson of Lubbock; a brother, Sumner Edwards of San Diego, Calif.; one granddaughter and three great-grandchildren.

and Mr. Fortenberry are finding their way around now. Mr. Thompson had an appointment with Dr. Cole Monday and Dr. Cole decided to keep him for a couple of days and run some tests and give him a good check-up.

Oliver Ford has been a little under the weather for the past few days. He has two or three boils on him that really have given him some bad days. He is some better now. Dr. Prohl is keeping a real close eye on him.

Kay Dopson, our Activity Director came last Wednesday. She bought some things at Lubbock and some of us made Christmas stockings. It sure was fun. We also went to town shopping.

Well, as this is Monday, we know singing will be good. There doesn't seem to be much news this week, but with Christmas just around the corner, just wait until next week and the week before Christmas. Bye for now.

## Veterans Entitled To VA Hospital

Many veterans become ill and use their life savings to pay for needed hospital care before they inquire as to their entitlement to be admitted to a Veterans Administration hospital. This announcement was made today by Sid A. Lowery, Veterans Service Officer for Lynn County.

Medical and hospital care are very expensive today, and most people who are regularly employed are covered by some type of health and hospitalization insurance. Many veterans fail to realize that they may be eligible for care in Veterans Administration hospitals even though they are covered by insurance.

Eligible for admission to any Veterans Administration hospital is a veteran who was discharged or released under other than dishonorable conditions from either a peacetime or a wartime period of service in the Armed Forces of the United States. Medical emergencies always have first priority for admission, followed by veterans who require hospitalization because of a disability which was incurred during service.

Some veterans must show evidence of inability to pay for the needed care before they can be admitted. This is not necessary if the veteran is seeking treatment for a service-incurred disability, if he is receiving VA disability compensation or pension, if he was released from service because of a service-connected condition, or if he is 65 years of age or older.

A private doctor may expedite admission by contacting the VA hospital by telephone. Ambulance

travel will be authorized if it is required and is justified by the doctor. Application for admission may be made by mail if accompanied by a medical statement from a private physician or the veteran may present himself at the hospital for examination to determine need for care.

## Immunization Clinic Friday

IMMUNIZATION CLINIC  
An immunization clinic will be held Friday, Dec. 7, from 10 to 4 p.m. in the Community Action Center.

Everyone needing immunizations are invited to attend.

## John Ed Redwine Receives Award

John Ed Redwine of Tahoka, Texas, was recently awarded 1st prize in the Student Division for his entry in the 1973 Annual Competition of Art Instruction Schools of Minneapolis, Minnesota, one of the world's leading home study art schools.

John was a winner in competition with thousands of excellent entries from contestants from every state in the Union, all the provinces of Canada and many foreign countries. This contest is sponsored by Art Instruction Schools for its students, former students and graduates.

### Scouts Selling Light Bulbs

In an effort to bolster sagging troop funds, the Boy Scouts are selling light bulbs. A house to house sale on five major streets Saturday resulted in very few sales. Many people were gone. If you need bulbs and want to help our local troop, call 998-4452, and the bulbs will be delivered to you.

The package contains 8 bulbs, 4 - 100 watts; 2 - 75 watts; and 2 - 60 watt bulbs, for \$2.50 per package. Money derived from sales are used by our local boys.

### T-Bar Bridge Winners

Winners in duplicate bridge play last Tuesday night at T-Bar Country Club were: Mrs. Winston Wharton and John Nickens, first; Mrs. John Nickens and Frank Hill, second; Mrs. Meldon Leslie and Mrs. N.B. Hancock, third; Mrs. Bill Cords and Mrs. Audie Norman, fourth.

The annual Christmas party and quarterly club game will be next Tuesday at 7:00 p.m., and there will be no other games until after New Year's.

### Blevins-Young Plan Wedding

Mr. and Mrs. Roy Blevins of New Home wish to announce the engagement and approaching marriage of their daughter, Sherry, to Choya Young, son of Mr. and Mrs. Janelle Young of Lubbock. Sherry Blevins is a graduate of New Home High School and is presently employed by All-State Insurance of Lubbock. Young is a graduate of Coronado High School in Lubbock and is employed by United Dry Wall. The couple plan to marry Dec. 22, at 7 p.m. in the New Home Baptist Church. All friends and relatives of the couple are invited to attend the ceremony.

Lynn County News

Carolyn Haley Says...

children an opportunity for expressing ideas and trying out new ones.

Imitative, imaginative, dramatic play - dolls, housekeeping equipment, farms and farm equipment, animals and dress-up costumes. The child learns to understand the world around him through imitating and dramatizing adult activities.

Toys and play equipment need not be the most expensive or even bought. Mother's pots and pans or scraps of cloth are often preferred by the youngster.

There are general suggestions for selecting toys for different age groups (but keep in mind the particular child for which you are buying.) Here are a few suggestions for both boys and girls during infancy-balls, bath toys, colored beads, rattles; 1-2 years - blocks, simple picture books, pounding sets, push and pull toys; 2-3 years - still interested in things as 1-2 year olds plus cars, dolls, swings, sand box; 3-4 years-blackboards, scissors, art materials, puzzles, records, tricycles, tools; 4-6 years-books climbing apparatus, costumes, simple construction toys; simple games, play vehicles. At about 6-8 years boys and girls begin to have separate interests, although they still play together much of the time. For more detailed information for play materials for age 6 and up as well as the younger, contact the County Extension Office.

RECIPE OF THE WEEK Make sure your family and friends save room for this holiday dessert. It tastes as good as it looks: Cranberry Custard Dessert (makes 9 servings) 2 beaten eggs one-third cup sugar 3 tablespoons cornstarch 1/8 teaspoon salt 1 and two-thirds cups undiluted evaporated milk 1 3/4 cups boiling water 1 teaspoon vanilla 3-ounce package lemon gelatin 16 - ounce can whole berry cranberry sauce 12 slices (1/4 inch thick) pound cake

evaporated milk. Stir in 1 cup boiling water. Cook over medium heat until mixture coats spoon; stir constantly. Add vanilla. Pour into bowl. Cover custard with wax paper. Chill. Dissolve gelatin in 3/4 cup boiling water. Stir in cranberry sauce. Chill until very thick. Place 6 slices of cake on bottom of 8" x 8" x 2" baking dish. Spoon half of cranberry mixture over cake. Top with half of custard. Repeat layers. Chill in refrigerator 2-3 hours. Decorate with jellied cranberry cutouts, if desired. Cut and serve.

Introducing

Mr. and Mrs. Dewey (Tootie) Engle are the parents of a daughter born Thursday, November 29, at 6:11 p.m. in Mercy Hospital in Slaton.

The baby weighed 6 lbs. 4 ozs. and has been named Jana Gail. She has three older brothers, Larry, Danny and David and a sister, Dena. Mr. Engle is employed by the Texas Highway Department.

Grandmother is Mrs. Nellie Engle of Tahoka.

The Emperor Nero was not only reputed to be a hot violinist, he is also credited with being the first western man to play the bagpipes!

## Minor Boy Stars On Austin Team

Another Minor boy made the headlines in Austin and Houston papers a few days ago when Class AAAA Reagan of Austin defeated Brazosport in bi-district play at Rice Stadium in Houston 42-12. In regional play Saturday, Reagan defeated Harlingen 27-21.

He is Landy Minor, son of Joe Don Minor, the latter being the youngest of five Minor boys who starred for Tahoka High over a period of about 25 years.

At 6-2, 170 pounds, Halfback Landy Minor rushed for 151 yards on 14 carries, scored on runs of

55, three, and 16 yards, recovered a fumble, and intercepted a pass.

Before the play-offs, in 10 games Minor rushed for 436 yards on 59 carries, an average of 7.2 yards per try, scored eight touchdowns and two conversions. He was top punter in the district with a 42.4 average on 22 kicks.

Joe Don, who sent The News clippings telling Landy's performance is a vice president of Coaches of America Live Insurance Co.

Hindu mythology has the earth resting on a tortoise!

## JR-HIGH-LITES

BY - TEAL CORLEY

The Junior High Student Council met today to discuss activities for December. An assembly was planned as well as many other things the Christmas month brings.

Class 6-B of Tahoka Junior High held a class meeting on November 30, 1973. The meet-

ing was called to order by the president, Larry Thomas. Program chairman, Todd Brown, turned the meeting over to Mrs. Adams, and she told of her recent trip to Chicago. To conclude the meeting, Don Porterfield played a record of Cal Smith.

Seventh and eighth grade basketball girls were defeated by Slaton on Monday, December 12, seventh; 37-5 eighth. The girls don't want to talk about either; but we're ready to start Post!!! REVENGE!!

The scores of the eighth grade boys was 51-40 in favor of Slaton, and the seventh grade boys was 30-14 in favor of Slaton. "Eat more Antelope."

The Wilson FTA is sponsoring a bake sale Saturday afternoon at Piggly Wiggly in Slaton. All proceeds will go toward sending all the members of the chapter to the State Convention in Dallas. Help them out by buying a cake.  
 Basketball Games

The Jr. High game with Meadow, Monday, was called off. Thursday, Friday, and Saturday they are in the Southland Tournament. And Monday they will play Sundown here at 5:30.

The High School teams played Lorenzo, Tuesday night.

The Varsity girls and boys teams will play in the Roosevelt Tournament Thursday, Friday, and Saturday. The girls first game will be Thursday (today) at 3:00 against Roosevelt Jr. Varsity, and the boys play Friday at 3:00 against New Deal.

Next Tuesday they play New Home here at 5:30. This will be the first district for the girls.

Nov. 27 the W.H.S. boys and girls played Welman. Welman girls overtook the Wilson girls 39-34. Brenda Crowson was high point for Wilson with 12 points and Ann Nava followed close behind with 10. Kenya Brashear put in 15 for Welman, and Janna Bass was next with 12 points.

Wilson boys slipped by Welman 59-57. Clyde Wilke put in 14 points, David Savell made 12 and Mike Bednarz had a total of 10 points. Paul Woodard of Welman made 25 points, followed by Kendal Jenkins with 12.

The Wilson boys and girls basketball teams participated in the Hub of the Plains Tournament in New Home last weekend.

In the first round they played

New Deal. The New Deal girls beat Wilson 70-48. Ann Nava put in 28 points, and Brenda Crowson followed with 9 and Kim Coleman had 8 points. For New Deal, Carisse Abbe made 44 points and Suzanne Hayscored 11 points.

The New Deal boys also beat the Wilson boys 55-31. Greg Bednarz, Craig Wilke and David Savell all scored 6 points each. For New Deal, Thiel scored 21 points.

In the second round of play, both teams played Smyer. Smyer came out a victor over all. The score was 60-50 in the girls game. Ann Nava pumped in 30 points, Brenda Crowson, 7, Jan Wilke, 6, and Kim Coleman, 5. Gall Berry put in 25 points and Vivianne Wutrich followed with 16 points.

The boys' score was 62-50. David Savell put in 14 points and Greg Bednarz and Craig Wilke both made 10 points. Gilbert of Smyer put in 21 points and Rackler followed with 18 points.

## American Lung Ass'n Drive Saturday

As you live and breathe-give more!! This is the season for the annual campaign of the American Lung Association (formerly Tuberculosis and Respiratory Disease Association). This association works hard to control lung diseases, clean up the air, and discourage cigarette smoking. More than 35 million people in this country are affected by emphysema, tuberculosis, asthma, bronchitis, and other lung disorders. Money collected by the volunteer workers on Tahoka streets Saturday will go toward research and treatment of these diseases. Give more-it's a matter of life and breath.

# NEW HOME NEWS

BY MRS. W. W. DAVIES

Mrs. D.B. (Lois) Morris of New Home was the first area recipient of a nuclear powered heart pacemaker in surgery performed in Methodist Hospital Wednesday, Nov. 28. The pacemaker will maintain a steady heart beat for at least 10 years. The ordinary battery - operated pacemaker, which Lois had been wearing since December, 1971, would ordinarily have to be surgically replaced every two years. The Methodist Hospital, one of eight in Texas licensed by the Atomic Energy Commission received the first two units this fall. The hospital was authorized in July by the AEC to dispense 20 pacemakers each powered with a radioactive pellet of plutonium. The price tag is approximately \$4,500. The nuclear - powered pacemaker monitors the patients' heartbeat through a tiny logic circuit which determines whether the heart has fired. If no pulse is registered, it sends out a stimulant to keep the organ in its steady rhythm. Mrs. Morris, age 54, and Marion Sanford, age

63, of Lubbock were approved by a committee appointed to determine recipients of the first nuclear pacemakers. Approval was based on age, health and life expectancy. Lois returned home Friday and, except for a little weakness, is doing fine.

Congratulations to Mr. and Mrs. Loyd Caballero of New Home on the birth of a son, Michael Anthony, born at 10:52 a.m. Sunday, November 25 in Methodist Hospital in Lubbock. He weighed 7 lbs. 4/4 oz.

The father is a service station operator for Texaco in Wilson. Grandparents are Mr. and Mrs. Andrew Santos, Lubbock, and Mr. and Mrs. Julian Caballero, New Home.

Mrs. C.G. Eades and Mrs. John Edwards of New Home and Mr. and Mrs. Glenn Cobb of Stamford attended the Golden Anniversary celebration for Mr. and Mrs. James Means in Ropesville Sunday, November 18.

Graveside services for three year old Melinda Zuniga of Lubbock were held at 2 p.m. Wednesday.

Burial was in the Peaceful Gardens Memorial Park. The child died Sunday night in the Lubbock State School. Survivors include her parents, Mr. and Mrs. Raymond Zuniga, a brother and a sister, her grandmother, Mrs. Mary Estrada of New Home, and grandparents, Mr. and Mrs. Hipolito Zuniga, Lubbock.

Several New Home relatives were in Lubbock for the services.

Mr. and Mrs. Stanley Gill of Lubbock visited here Sunday with his parents, Mr. and Mrs. Robbie Gill, and boys. They attended morning services in the New Home Baptist Church. Special music was presented by Julia singing The Fire Song accompanied by Stanley on the guitar.

Eddie Martinez was dismissed from St. Marys Hospital and returned home Friday. The relatives that have been here since his illness have all returned to their homes.

Lt. Col. Carlos Higgins and his wife visited here from Friday until Sunday with Katherine's parents, Mr. and Mrs. Gene Roper. Carlos, who is stationed at Nellis Air Force Base in Las Vegas, Nevada, where the family live, had come to El Paso for three weeks on maneuvers, but because of the fuel shortage were ordered back to their base.

Mrs. Bobbie Sparks left by plane early Sunday morning for her home in Houston. She was here a week with her parents, Mr. and Mrs. Donnie Morris.

Visiting in the home of their parents, Mr. and Mrs. Gene Roper, Sunday were Joe Wayne Roper and family from Seminole and Junie Kreger and family from Welch. Also visiting was Lt. Col. Carlos Higgins from Nellis Air Force Base, Las Vegas, Nevada.

Mr. and Mrs. O.R. Phifer are both at home and doing fine at this time.

Mrs. Joe D. Unfred was dismissed from St. Mary's Hospital and returned to her home Friday. She was in the hospital 10 days for treatment of a broken leg suffered in a fall in her home.

Rhoda Blakney had surgery to remove an ingrown toe nail Nov. 21. Her twin sister, Lorna, will have the same kind of surgery during the Christmas school holidays.

Mrs. C.B. Nowlin and her cousin, Emily Beavers, of Brownfield, visited in Sweetwater Mon-

## Lynn County News

day and Tuesday with a friend, Jewell Horn.

W.W. McNabb was visiting in New Home Monday. Their daughter, Thurleen Norris and boys of Fort Worth recently spent a week with her parents and sister in Wolforth. Thurleen attended homecoming at New Home.

Boswell Edwards fished a few days last week at Lake Brownwood.

L.C. Unfred went to Memphis, Tenn., Thursday for a Cotton, Inc. Committee meeting, and returned home Friday.

Mrs. J.W. Edwards returned home this Monday afternoon from Methodist Hospital where she had foot surgery last Monday.

Mr. and Mrs. Damon Darley, Janet and Bill, of Borger, and Mr. and Mrs. Loyd McCormick were Thanksgiving Day visitors in the Roger Blakney home and again on the following Sunday.

Leonard Crawford of Muleshow remains in room 326 at St. Mary's Hospital.

Mrs. Waltha Nettles is showing slight improvement in Methodist Hospital where she is being treated for injuries received in a car accident two weeks ago.

Bob and Judy Nunley and children of Atlanta, Ga., spent a week with his father, Loyd Nunley and family.

Other family members visiting in the Nunley home were Bernice and M.V. Davis and children, Alice and Don Taylor and son, and Mr. and Mrs. Joel Burleson all from Lubbock, and Mr. and Mrs. Phil McAnelly and son from Tahoka.

A fund has been started to help with hospital and medical bills for Paul Garza, 16 year old son of Mr. and Mrs. Juan Garza. The youth lost both hands when caught in the lint cleaner at the Co-op gin in Lakeview about 4 p.m. Friday. He is in room 625 at Methodist Hospital in Lubbock. Contributions may be sent

to The Paul Garza Fund, New Home Co-op Gin, or Lakeview Co-op Gin.

Mrs. Inez Estrada accompanied her father, Raymond Montemayor of Tahoka and two brothers, Augustine and Raymond, Jr. of Tahoka to Houston to see Mrs. Montemayor, who is a patient in the M.D. Anderson Hospital. She has been there for four weeks. Flora, who had been with her mother for two weeks, returned home with them. It is hoped that Mrs. Montemayor will be able to return home in a few days.

Among the visitors in the New Home Baptist Church Sunday were Vicki Smith and Crystal, Austin, Mr. and Mrs. Larry Edwards and girls, Garland, Texas, Steve Vaughan, Rogers, Arkansas, and Miss Karon Mode, Cameron, Texas.

Mr. and Mrs. Marlin Maloney and Montie visited with Ricky at ACC in Abilene Saturday, Nov. 17, and attended the ACC Howard Payne football game. On Sunday they attended funeral services for Mrs. Farrington in Abilene.

Mr. and Mrs. J.W. Edwards, his sister and brother - in - law, Anna and Ernest Stephens of Tye, spent the Thanksgiving holidays with their nephew Joe Bishop and family and other members of the Bishop family in Demming, New Mexico, and with the Stephens' son, Harold Stephens and family in El Paso.

MEMBER F.D.I.C.

## THURSDAY, DECEMBER 6 Melanie Leverett Plans Wedding

Mr. and Mrs. T.E. Leverett are pleased to announce the engagement and approaching marriage of their daughter Melanie Joy, to Mr. Johnny Dale Davis of Dallas, Texas.

She is a 1969 graduate of Tahoka High School, attended East Texas State University, and is presently employed with the Dallas County Tax Assessor-Collector.

Mrs. KENNETH RAY CRUTCHFIELD  
...NEE QUEDA MURRAY

## Murray-Crutchfield Edge Wedding Vows

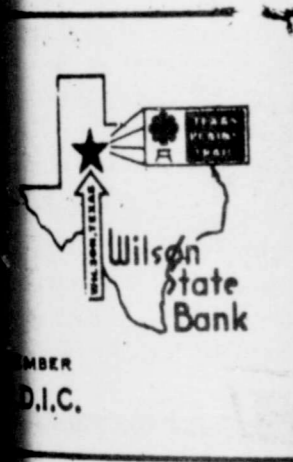

Queda Lawain Murray  
Kenneth Ray Crutchfield were  
wed Thursday, Nov. 22, at  
the Grassland Church  
Nazarene. Rev. Edwin  
pastor, officiated the  
ceremony.

ents of the couple are Mr.  
rs. James Murray, Rt. 3,

Post, and Mr. and Mrs. John  
Crutchfield of Nashville, Tenn.

Given in marriage by her  
father, the bride wore a gown  
of candlelight miramist over can-  
dlelight satin. It featured a  
waist and featured round lace  
yoke with beads and ruffles. The  
sleeves were long with wide cuffs  
trimmed in lace. The dress was  
fashioned with chapel train covered  
with rows of miramist and  
lace ruffles. The front of the  
gown was applique with roses  
and beads. The veil was man-  
tilla which covered the train.  
The gown was fashioned by the  
bride and her mother. She car-  
ried a bouquet of pink carnations  
and burgundy roses with a remov-  
able white cataleya orchid.

Mrs. Lavonia Crutchfield of  
Lubbock was matron of honor and  
Norma Campbell of Post was  
maid of honor. Jarvis Adamson

### Lynn County News

of Lubbock and Janice McDonald  
of Post were bridesmaids. They  
wore gowns of raised burgundy  
velvet bodices with pink floral  
chiffon over pink peau skirts.

Tom Crutchfield of Lubbock,  
brother of the groom served as  
best man. Groomsmen were  
James Crutchfield of Nashville,  
brother of the groom, Quinten  
Murray of Post, brother of the  
bride and Wayne McDonald of  
Tahoka, cousin of the bride.

Other attendants were Sharla  
Riley of Post and Chad Webster  
of Lubbock, serving as flower  
girl and boy. They carried  
Bibles, which the bride and groom  
exchanged. Sharla was dressed  
identical to the bride and Chad  
was dressed identical to the  
groom.

Mrs. Diana Hawthorne played  
traditional wedding music. The  
church was decorated by Grecian  
columns topped with arrange-  
ments of greenery, flanked by  
9-light candlelabra.

A reception followed the cere-  
mony in the home of the brides'  
parents. The bride's and groom's  
cakes and table decorations car-  
ried out the chosen colors of  
pink and burgundy. The bride  
chose a gray and blue suit with  
a blue blouse and the orchid from  
her bouquet for traveling, on  
their wedding trip to San Antonio.  
The couple are at home at Rt.  
2; Tahoka.

Mr. Crutchfield is a 1969  
graduate of Tahoka High School  
and is self employed as a music  
teacher. Crutchfield attended  
Howard High School in Nashville,

## Lynn County Leads In Memorial Gifts To American Cancer Society

At the November meeting of the  
Lynn County Chapter of the  
American Cancer Society, Bill  
McDavitt, district director, re-  
ported that Lynn County led all  
other rural counties in the four-  
teen-county district in total  
memorial collections for 1972-  
73. The Lynn County total was  
\$1,461.50. Mr. McDavitt also  
presented the new charter to the  
directors. Those present were  
Mrs. Macky Turner, Mr. John

Wells, Dr. and Mrs. David Mid-  
kiff, and Mr. Tom Cloe.

A special fund-raising event  
was planned for early spring.  
A film designed for educating  
teachers about cancer study in  
the classroom will be shown  
at the beginning of next year.

Lynn County has earned three  
Golden Achievement Awards  
since being formally chartered  
three years ago. These awards  
will be publicly displayed soon.

in Comfort and Beauty*

**RECLINA-ROCKER®**

The La-Z-Boy Reclina-Rocker is designed for the style-conscious woman and the comfort-minded man. It's the perfect family chair. All you have to do is lean back to enjoy your favorite comfort position, including that of full bed. The exclusive, patented three-position legrest allows all the leg comfort one could imagine. The La-Z-Boy Reclina-Rocker is the rocker that doesn't look like a rocker.

**LA-Z-LOUNGER®**

The La-Z-Boy La-Z-Lounger was created to further add to a wide diversification of classic styles. Sumptuously comfortable, it contains the look of elegance and luxury. The La-Z-Lounger is fully reclinable with a selective built-in ottoman that provides complete stretch-out relaxing for head-to-toe comfort.

**Hamilton Furniture**

# BILL GRIFFIN SAYS .....

A little work done now can make the fireplace the center of attraction during the Christmas season.

Why not do some log treating or paper log making now for that special occasion? Ask County Extension Agent, Griffin. You can have flames that are red, green, blue, orange, or purple depending upon the chemicals used to treat the material to be burned in the fireplace.

Calcium chloride can be used to produce orange flames, copper chloride-blue flames, potassium chloride-purple, strontium nitrate-red, lithium chloride-carmin and copper sulfate-emerald green.

Dry pine cones, small blocks or chips of wood can be soaked in solutions of these chemicals to produce the multi colored flames when burned. Most of the chemicals can be purchased from chemical suppliers or local drug stores.

To treat cones or wood, a plastic pail and onion sack are needed. The cones or chips are placed in the sack and immersed in a solution containing one pound of the desired chemical dissolved thoroughly in one gallon of water. The bag must be weighted down so the material is completely covered by the solution. Allow the cones or wood to soak for at least 10 minutes.

After soaking, the treated material may be placed on newspapers to dry. After drying overnight, they will be ready to use in the fireplace.

'Logs' can be loosely rolled newspaper tied with a heavy twine and soaked in a solution of four pounds of copper sulfate and three pounds of rock salt in a gallon of water. They will require several days to dry out. Once dry, a paper log will burn all evening and produce a rainbow of colors, advises the agent.

## Diesel Fuels Allocation Preference

This is to provide clarification as to the intent of Advisory Notice No. 2, published in the Federal Register on November 19, 1973 (38 FR 31857), which established a preference for diesel fuel supply to three categories of customers.

The intent of Advisory Notice No. 2 is that:

1. The diesel fuel needs of customers in each of the three categories be met in full by the appropriate supplier to the customer.

2. Such supply be delivered without formal petition to or approval by representatives of the Office of Petroleum Allocation. That is, suppliers at each level are expected to meet the indicated essential needs of customers in each of the three preference categories in the most expeditious manner possible.

3. Preference category customers will limit demands under these provisions to those volumes essential to the accomplishment of the basic preference

### Lynn County News

function of each customer. It is necessary that customers receiving diesel fuel supplies under these preference categories furnish a written statement certifying to their supplier that volumes requested constitute essential requirements during the period covered by Advisory Notice No. 2. It is not intended that Advisory Notice No. 2 be used as a device for stocking fuels against potential future needs.

4. Records, including customer certification statements, will be kept at each level of supply as to the additional quantities provided in each monthly period to meet essential preference category needs; and such records shall be available on demand for inspection by representatives of the Office of Petroleum Allocation.

5. If suppliers act in accordance with the intent of this Advisory Notice, no sanctions under the Mandatory Distillate Fuel Allocation Program shall be imposed by the Office of Petroleum Allocation as a consequence of any unintended results stemming from implementation of these preference category demands.

The purpose of Advisory Notice No. 2 is to insure that adequate supplies of diesel fuel be delivered to preference category customers in an expeditious and effective manner, with no delays stemming from formal pre-delivery documentation. Expedient fulfillment of preference demand is essential.

### Tahoka School Menu

- MONDAY Turkey and dressing, creamed English peas, cranberry sauce, rolls-butter, orange cake with icing. TUESDAY Salisbury steak, mashed potatoes, tossed salad, wheat rolls-butter, mixed fruit. WEDNESDAY Hot dogs with mustard, pinto beans, cole slaw, peanut butter cake. THURSDAY Hamburgers, French fries, lettuce, onions, pickles, purple plum cobbler. FRIDAY Fried chicken, creamed potatoes, green beans, rolls-butter, fruit jello.

### Ferne Lewis Receives Award

A Tahoka resident was honored Wednesday night at Pioneer Natural Gas Company's annual service award dinner at the Lubbock Country Club.

Ferne Lewis was presented a service award recognizing her 15 years of service to the company.

K. Bert (Tex) Watson, president of Pioneer, presented the award at the banquet which was the second of three such events being held by the company at different cities in its service area. This year a total of 196 employees, representing 3,025 years of service, are being honored.

### Letter To Editor

If school students are going to mess up windows of vacant-down town store windows with inscriptions such as "Beat D. C." shouldn't they be required to wash the same off these windows? Instead of contributing to a shabby down town appearance, we need to improve its looks. Our town could very well stand a general clean-up campaign. A Concerned Citizen

## Harvest Passes One Million Bales

The South Plains cotton harvest passed the one million bale mark during the last week in November, according to Paul R. Dickson in charge of the U.S.D.A. Cotton Classing Office in Lubbock. Samples from 865,000 bales had been classed at the Lubbock, Brownfield, Lamesa and Levelland offices through Friday, November 30 and the four offices had 178,000 unclassified samples on hand at that time. Personnel at the four offices tested and classed samples from 292,000 bales during the week ending the 30th.

Estimates indicate that approximately one-half of this season's crop is now out of the fields. Quality of cotton continued excellent and is considerably higher than last year.

Grades 31 and 41 continued to be the predominant grades at Lubbock, making up 76 percent of all classed. Grade 31 made up 28 percent, Grade 41, 48 percent and Grade 32, 11 percent. Staples were predominantly 30 to 32. Fifty-two percent had staple lengths of 30 and shorter and the remaining 48 percent stapled 31 and longer. Average staple length was 30.7-32nds of an inch.

Micronaire readings continued excellent. Eighty-four percent of all cotton tested at Lubbock had micronaire readings in the premium range of 3.5 to 4.9, 7 percent was in the high micronaire range of 5.0 to 5.2 and 2 percent was in the very high range of 5.3 and above.

The Agricultural Marketing Service of the U.S.D.A. reported that cotton prices advanced \$2.50 to \$15.00 per bale on the Lubbock market during the past week. Demand was strongest for cotton with staple lengths of 31 and longer but was strong for cotton with staple lengths of 29 and 30.

### Stan Musick Joins LCC Society

Stan Musick, son of Mr. and Mrs. Gordon Musick of Box 1177 in Tahoka, has joined the LCC Chapter of the Walter Prescott Webb Society.

The Texas State Historical Society founded the new history society in late summer for undergraduate college and university students.

The society is named for the late Walter Prescott Webb, internationally known historian of the Southwest.

The LCC Chapter, one of the first two charters to be established in Texas, will record oral history tapes from famous South Plains residents. The tapes will be stored by LCC's South Plains American Heritage Program and made available to students and the general public.

Musick, a 1973 graduate of Tahoka High School, is a freshman Elementary Education major. He is also a member of Sub-T-16 men's social club at LCC.

PRETTY FEET a unique beauty cream that changes those dry & rough areas of skin into baby softness. Try it - you'll find PRETTY FEET is like no other. Go On... pamper yourself.

THURSDAY, DECEMBER

Prices ranged from 2800 over the Government Loan short staple cotton up to 40 points over the loan for staple cotton. Typical lots bringing an average of 37 cents per pound over the loan and selling in the price range of 55 cents per pound.

Average prices paid for most predominant qualities range were: Grade 31, 30-51.65 cents per pound, Grade 31, 31-57.90, Grade 31, Staple 32-59.90, Grade 41, 31-56.75, and Grade 41, 32-58.45.

Cottonseed prices were and farmers received \$110 per ton. Average was \$100.40 per ton.

### Baby Contest At Pleasant Grove

The Pleasant Grove Baptist Church Matrons sponsored a Contest with proceeds to buy the building fund.

Michael Dell Barleson, son of Mr. and Mrs. Michael Barleson was the winner of the contest in which he raised the sum \$350.00. Second place went Alwin Hatchet, son of Mr. and Mrs. Ervin Hatchet, raising amount of \$150.00.

Mrs. Dora Moore is president of the PGB Matrons and wishes to express their appreciation to all that contributed.

## COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Arrival of two open-end frames at the Texas Textile Research Center the week of November 25 added hope that the recent development of three commercial open-end plants on the Plains is a beginning," says Ray Hart, President of the Lubbock-based Plains Cotton Growers, Inc.

The open-end system is being hailed as a major innovation in

the textile industry," Riley states, "and it could be the means for turning an already promising future into a brilliant future for the production of High Plains cotton."

Open-end spinning of cotton yarns, in addition to being three or four times as fast as conventional ring spinning, does not require or even favor raw cotton with micronaire readings in the premium priced 3.5 to 4.9 range.

### Lynn County News

On the contrary, testing to date has shown that low micronaire cottons, normally in abundant supply from the High Plains crop, may well produce yarns on the open-end system superior to those made from higher micronaire cottons.

"These tests are conclusive enough to serve as one of the reasons that an existing mill on the Plains is switching much of its production from ring to open-end spinning, and two other such mills are on the way," Riley notes, adding that "PCG will be doing additional, more extensive research on the two machines at Tech, with the results used to encourage both the establishment of other spinning mills on the Plains and the use of High Plains cotton in open-end operations around the world."

Careful plans are being laid by PCG, the Textile Research Center and others toward these ends. A meeting at the PCG offices November 30, for example, drew research recommendations from PCG, the Textile Research Center, the South Plains Research and Extension Center, the Federal Ginning Laboratory at Lubbock and from principals in the existing and planned commercial operations.

"PCG is also looking ahead to possibilities for other new and perhaps even more revolutionary yarn forming methods yet to be proven commercially," Riley states, "as well as considering research of new weaving and finishing techniques."

"The objective," he continued, "is to make sure our cotton's ability to perform on these new systems is recognized far and wide."

The existing mill to which Riley referred is Southwest Textiles, Inc. of Abernathy. The plant is replacing some of its ring spinning with seven open-end frames (1400 spinning units). Three of the frames should be in operation before the end of this year and the other four in place by the Spring of 1974.

One of the two mills mentioned as "on the way" is Feather Fabrics, Inc., a joint venture between Lubbock area investors and Nijverdal-Ten Cate, the Netherlands' oldest and largest integrated textile firm. This plant will be located in Lubbock,

will begin with 2400 spinning units, and should be in production by the Fall of 1974.

The other mill slated for the Plains will be known as Daiwa Spinning Company and the Marubini Corporation. A specific site for the plant has not been announced but it has been confirmed for the High Plains area. It is expected to be in operation by late 1975 with about 4000 spinning units.

### Gas Rates To Be Adjusted

Pioneer Natural Gas Company announced today that, effective January 1, 1974, the rate under which several classifications of customers are receiving gas service will be adjusted, upward or downward, each month, based on the monthly current cost of gas purchased for the company's West Texas system. This adjustment will not change the present base rate being paid by these customers. Presently, these rates are subject to the same adjustment on an annual basis.

In making the announcement, K. Bert (Tex) Watson, company president, pointed out that because of the energy crisis facing the nation, the cost of new gas supply in the field is changing at an unprecedented rate.

He went on to say, "The adjustment must be made on a monthly basis in order for Pioneer to remain in a competitive position for future gas supply." Watson continued, "Pioneer is fortunate to have pipelines into two of the most promising areas for acquiring additional gas supply. However, there are a number of gas companies with pipelines in these areas who are aggressively acquiring gas as it becomes available. Through the joint efforts of the company and its customers, the company is confident its ability to serve its customers' needs will continue to be favorable."

When this new rate plan becomes effective, more than 60 percent of the gas delivered from the West Texas system will be subject to the monthly cost-of-gas adjustment. In addition, the company has filed applications in all incorporated cities and towns on

its West Texas system for approval of this same adjustment. To date, 19 of these cities and towns have approved the request. The adjustment is also being placed in all new industrial contracts and the existing ones as they expire and are renegotiated.

Letters detailing the rate plan and tariff sheets reflecting the new adjustment clause will be mailed to the customers to be affected by this January 1, 1974 adjustment. These letters will go to irrigation customers, small industrials, temporary industrials and large air conditioning customers.

### Area Farmers To Receive Awards

Two area producers have been named to receive special awards for their outstanding sorghum yields in Funk's-G Project: 25 high yield sorghum growing program. The announcement was made by Jerry D. Ross of Wilson, representing The Producers of Funk's G-Hybrids.

Award-winning growers, their hybrids and yields are: Keith M. Wied, Wilson, 3,326 lbs.-acre (dryland), with G-522, and B.L. Hatchel, Wilson, 4,148 lbs.-acre (dryland), with G-522.

Project: 25 challenges producers to increase sorghum yields on their land for greater productivity and profit. Each grower benefits through increased knowledge of high yield sorghum production.

Participants agree to harvest a minimum of 25 acres on one parcel of land and submit harvest weights, moisture test and land area measurements. All information is validated by a disinterested witness.

Information about Project:25 entries is computerized by Funk Seeds International, Inc. It is then summarized and made available to all sorghum growers so they can compare their methods with those of other top sorghum growers.

### COMMUNITY CHORUS TO PRESENT CANTATA

"Rejoice" by Otis Skillings will be presented at 7:00 p.m. on Sunday, December 16, in the sanctuary of the First United Methodist Church by a 45-voice choir, organ and piano, under the direction of Mrs. Harold Green.

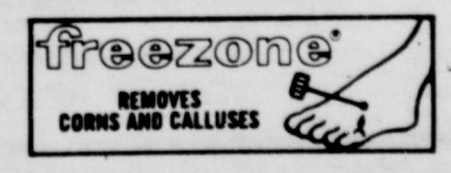

The community chorus is composed of singers from the First Baptist Church, Berry Flat Baptist Church and the Methodist Church.

Soloists will be Miss Jeanie Inklebarger, Mrs. Ike Carter, A.J. Viertel, Randy Pierce, Mrs. Phil McAnelly, Mrs. Danny Wright, and Johnny Wells. Also featured will be a violin solo by Randy Pierce.

Accompaniment will be provided by Miss Southern Wells, piano, and Haney Wells, organ. Narrator will be Harold Green.

### FREEZONE IS FOR CORNS THAT HURT.
