## Most Beautiful and Most Handsome Contest Feb. 21

Annual Tahoka High School Most Beautiful and Most Handsome Contest will be held February 21 at 7:30 p.m. in the high school auditorium. Judges are as follows: Robin Stark, Cindy Cravens, Sheri Brooks, Bridget Sterling, Sheri Brooks, Fowlkes, Lisa Atwell, Fowlkes, Betty Curry, Williams, and Sharon D. Boys - Trent Leverett, Thomas, Britt Brooks, Dodson, Randy Strickland, Raindl, Tommy Botkin, Brookshire, Ricky Harold Cole Brecheen.

## Pioneer Gas Increase Shares

Board of directors of Pioneer Natural Gas Company at a meeting today in Amarillo announced the first quarterly dividend of 30 cents per share. This would indicate an annual increase of \$1.20 per share, and is up from the previous annual dividend of 96 cents per share. The dividend will be paid on March 15 to stockholders of record on February 20, 1975.

In making the announcement, company earnings, K. B. Watson, Pioneer president, said, "In spite of the fact that transmission and distribution income for the fourth quarter was less than in 1973, so less than projections, operational improvements in the subsidiaries of the company resulted in total earnings at the level predicted." He said that operations in gas transmission and distribution accounted for nearly 90 percent of the company's net income for 1974.

The company's consolidated net income for 1974 was \$19,316,171, or \$2.59 per share, compared with \$12,397,000, or \$1.55 per share, in 1973. Consolidated net income for the fourth quarter was \$4,511,478, or 61 cents per share, compared with \$1,769,000, or 23 cents per share, in the same period in 1973. Watson repeated a recent announcement, indicating that the company had acquired more than 1 billion cubic feet of new gas reserves in 1974, as well as in excess of sales in the same period. Watson said that the annual dividend for the company's operations for 1974 will be mailed to stockholders about March 15.

**JURY:** Grand Jury convened February 13 and returned 17 indictments. They were: one for theft of \$10,000; two thefts by check; five forgery; six straight forgeries; and three welfare frauds reduced to misdemeanor.

**HEART ASSOCIATION** - The Lynn County Heart Association was organized at the home of Mrs. Alta Thomas, February 10. Pictured above left to right are Darlene Gurley, treasurer; Alta Thomas, president; Macky Turner, Cathy Dorman, vice president; Maxine Edwards, Public Relations chairman; Sue Hagood, secretary; and Mary Johnson, twenty county Regional Director. The association have set aside Sunday, February 16 for the heart drive.

## Heart Fund Drive Set For Feb. 16

Mrs. Alta Thomas was appointed residential chairman of the Tahoka Heart Fund Drive, to be conducted Sunday, February 16. In making the announcement, Mary Johnson, Regional Director of the American Heart Association, said that Mrs. Thomas will head the efforts of volunteers in Tahoka. Local volunteers will join more than two million across the nation during American Heart Month when they visit the homes of friends and neighbors to distribute helpful heart literature and collect funds to support Heart Association programs.

Mrs. Thomas said that heart and blood vessel diseases, the nation's Number One killers, will claim more than a million lives this year. In addition, lost wages and medical expenses resulting from these diseases will cost the nation an estimated \$20 billion in 1975.

Sheree Dunlap, 4-H Tahoka High School 4-H group will furnish the block workers for the drive.

## City Election To Be April 5

The Tahoka City Council has ordered a City election to be held April 5, at the Tahoka Community Center. Mayor and two councilmen are to be elected. The terms of Mayor Mel Leslie and Councilmen H. B. McCord, Jr., and Ed Hamilton expire. March 5th is the last day to file for these offices at City Hall.

## Blood Drive Today At Tahoka

A Community Blood Drive will be held Thursday, February 13, at the Fellowship Hall of the Methodist Church. Blood Services of Lubbock will be on hand to collect blood from 4:00 to 8:00 p.m. The age limit is 17 (with parental permission) to 65. There are other requirements concerning medication, surgery, and previous illnesses but the workers will determine one's eligibility as a donor at the drive. One who donates a pint of blood is entitled to free blood for himself and his immediate family for six months.

Blood Services has had a shortage of blood and is in great need for as much as possible. Be a good citizen and contribute to this worthwhile community activity.

## Bond Sales 107% of Goal

According to County Bond Chairman F. B. Hegi, December sales of Series E and H United States Savings Bonds in Lynn County totaled \$25,633. Sales during 1974 amounted to \$139,353, for 107 percent of the yearly sales goal of \$130,000.

Texans purchased \$29,340,067 in Savings Bonds during the month. Total Bond sales during 1974 were \$242,120,223 for 102 percent of the state's goal of \$236.8 million. One hundred thirty-nine (139) counties have achieved their 1974 sales goal.

## SPAG To Meet Tuesday, Feb. 18

In accordance with Article 6252 - 17, Vernon's Texas Civil Statutes as amended by the 61st Legislature, notice is hereby given to all interested persons

that the Executive Committee of the SOUTH PLAINS ASSOCIATION OF GOVERNMENTS will

meet at 9:30 a.m. on Tuesday, February 18, 1975 at the Flame Room, First National - Pioneer Building, Lubbock, Texas and the

Board of Directors of the SOUTH PLAINS ASSOCIATION OF GOVERNMENTS will meet at 1:30 p.m. on Tuesday, February 18, 1975 at the Flame Room, First National - Pioneer Building, Lubbock, Texas.

## Lynn Co. Livestock Show To Be Held

The Lynn County Livestock Show will be held February 20, 21, 22, 1975 at the Lynn County Show barn in Tahoka.

All swine and lambs must be in place by 5:00 p.m. February 20. Steers must be in place by 9:00 a.m. February 21, 1975.

New classes have been added to the 1975 show. A class for medium weight Spot barrows and a class for heavy weight Fine Wool - Cross Lambs.

Weight on barrows 180 - 240 with 3 pounds gain on over and under weight.

The new rule on weighing bar-

rows is that barrows will only be weighed once. We will not weigh a second time.

The entry fee of \$1.00 per animal is still in force and will be awarded to exhibitors by committee decision.

Swine judging will begin at 10:00 a.m. on February 21 and last all day. Lambs will be judged starting at 10:00 a.m. on February 22 with Steer judging beginning at 1:00 p.m. on February 22.

Presentation of trophies will begin at 2:30 p.m. or after all judging is finished.

## National FHA-HERO Week Feb. 9-15

Future homemakers of America throughout Texas will observe National FHA-HERO Week, February 9 - 15 in conjunction with Vocational Education Week. Using the theme VOCATIONAL EDUCATION FOR PRODUCTIVE CAREERS they join some half a million other young men and women members across the country in demonstrating projects that have real value for youth in preparation for future responsibilities.

Future Homemakers of America is one of six vocational education youth groups. Inter-related with the home economics education program in the secondary schools it provides meaning and motivation for youth working toward educational goals related to home economics and vocational education and reaches beyond the classroom instruction into the home and community.

State President, Joyce Tipton, Lipan, explained that the overall goal of the organization is "to help youth assume their roles in society through home economics in areas of personal growth, family life, vocational preparation and community involvement." "In other words," she said, "it helps us develop leadership, good citizenship, and prepare for the vital work of our country. In our FHA and HERO chapter meetings we analyze member concerns and then develop what we call in-depth projects that are related to our home economics classroom studies. Many people have no idea what is taught in home economics classes today. It isn't just cooking and sewing, it's learning about living, teaching us how to cope with the dual role of homemaker and wage earner in today's fast paced society. During this week we want to impress on the people the importance of vocational education and of Future Homemakers of America as a part of home economics education in preparing us for future living."

Future Homemakers of Amer-

ica was founded June 11, 1945, as an incorporated nonprofit organization supported by membership dues. There are two types of chapters. FHA chapters place major emphasis on consumer education, homemaking and family life education combined with exploration of jobs and careers. HERO chapters, taking the name from home economics related occupations, place major emphasis on preparation for jobs and careers with recognition that workers also fill multiple roles as homemakers and community leaders.

Nationwide in membership and effort, Future Homemakers of America is co-sponsored by the U. S. Office of Education through the Division of Vocational and Technical Education and the American Home Economics Association. National Headquarters are located in Washington, D. C.

The Texas Association, Future Homemakers of America has a membership of 70,000 young men and women in 1,940 chapters across the State. Homemaking teachers serve as advisors to local chapters. The Texas Association is sponsored by Home-making Education, Texas Education Agency, Austin, Mrs. Elizabeth F. Smith, Director and Mrs. Betty Romans, State Advisor.

## Sewing Class At Community Action

A sewing class will be held at the Community Action Center, 1404 South 3rd St. in Tahoka, Tuesday, February 18, beginning at 4 p.m. The Tahoka High School

FHA girls along with Mrs. Donna Stone will be the instructors.

Anyone interested in sewing and would like to register call 998-5094 for more information.

## Local Organizations Make Scouting Available To Youth For 65th Year

Nearly 270 organizations in this area are chartered to use the Scouting program in this area with the Parent Teachers Association as the major sponsor with 108 Scouting units.

The 351 Cub Scout Packs, Scout Troops, and Explorer Posts in this 20 county area are sponsored by schools, religious institutions, service clubs, PTA's, civic organizations, Labor unions, military and government agencies, business, industry, and professional associations, according to Jack Baker, Council President of the South Plains, Boy Scouts of America.

sored by schools, religious institutions, service clubs, PTA's, civic organizations, Labor unions, military and government agencies, business, industry, and professional associations, according to Jack Baker, Council President of the South Plains, Boy Scouts of America.

## Carolyn Haley Says...

If you don't use the liquid from canned vegetables you miss about one-third of the nutrition from that canned food.

To get the full value of the minerals and vitamins in the vegetable liquid, use it in gravy, soup, or in a cream sauce or stew.

The drained solids, which usually make up about two-thirds of the can's total contents, also contain about two thirds of the soluble nutrients.

Remember that canned vegetables are already cooked. Drain them with the most flavorful food value, drain off the liquid and boil it down to one-third of its original volume. Add vegetable to this concentrated liquid and heat.

Why does shiny tin over time discolor with use and even begin to brown food too?

This may be caused by the thin tin coating preventing more absorption of oxygen through the pan into the food.

In using tin ware, avoid extremely high cooking temperatures which can discolor and damage the utensil. High heat also damages the tin coating.

If foods burn in tin, scrub cookware in a mild solution of baking soda and water.

Scouring and scraping tends to remove the tin coating. After the coating wears away the iron base is exposed and rust unless the utensil is dried thoroughly right after washing.

### RECIPE OF THE WEEK

#### CREAM PUFF VALENTINE

1 cup water  
1/2 cup butter  
1 cup sifted flour  
4 eggs  
Cream filling  
2 (10 oz.) pkgs. frozen berries, thawed and drained  
Confectioners sugar  
Fold a 9 x 8 1/2" piece of paper in half lengthwise. Sketch of a heart on it; cut out paper to full heart; trace pencil on baking sheet. Bake sheet lightly.

Heat water and butter together; reduce heat. Add flour vigorously over low heat. Mixture forms a ball (one minute). Remove from heat.

Beat in eggs, one at a time, beating until smooth after each addition. Drop mixture by spoonfuls, with sides touching heart outline on baking sheet.

Bake in hot oven (400 degrees) 45 minutes. Cool on rack. Fill; top with strawberries. Replace top. Dust with confectioners sugar. Serve at once. Makes 8 servings.

CREAM FILLING: Mix 1 pkg. vanilla pudding and 1/2 cup milk. Follow directions for cooking. Then fold in one cup heavy cream whipped, add 1 teaspoon

### Elected Officials In Favor of ERA

The Lynn County News received a letter this week from "Texans for Equal Rights Amendment" who support the ERA. Since I am opposed to this amendment, and have voiced my opinion on this subject several times, I can't say that I agree but those of you might be interested to know who of your elected people endorse this bill. President Gerald Ford, President Eisenhower, Kennedy, Johnson and Nixon, Judge Sarah Hughes -- U. S. District Judge Lt. Gov. Bill Hobby, Senator Lloyd Benson, Anne Armstrong, John Tower, Barbara Jordan, Bill Carpenter, and National Platforms of the Major Political Parties.

## Kuntz Tells Of Trip To Europe

Charles Kuntz, teller at First National Bank, showed slide pictures and told of his trip to Europe last September along with his wife and brother at the Rotary Club last Thursday noon.

His pictures were very beautiful and his comment interesting. The group spent 27 days on the tour visiting England, France, Belgium, Holland, Germany, Austria, Switzerland, and Portugal.

Dwain Lusk was in charge of the program.

Dr. Emil Prohl, governor of this Rotary district, headed a delegation of Tahoka Rotarians and wives to a meeting in Falls, Friday night honoring Rotary International President Bill Davis.

President David Midkiff announced the appointment of Binie White as the club representative for local Boy Scouts.

# FACTS FOR YOU

from Texas Farm Bureau

This is the fifth of a series of discussions with regard to Foreign Assistance Programs. The part discussed this week is the assessed contributions to international organizations for the fiscal year ending on June 30, 1973. The entire table is printed on page 28 and represents the U. S. assessed contributions to help finance the budget of the United Nations its specialized agencies and other international organizations in which the United States participates, pursuant to treaties, conventions or specific acts of Congress. The purposes as stated by the State Department, of these organizations include the promotion of peace and security, the development of international standards of conduct and international cooperation in economic and social fields.

The total expenditures in this category for the fiscal year ending on June 30, 1973 was 192.5 million. Of the total, 33.25 percent was listed as contributions to the United Nations (\$64.0 million). The single largest other contribution went to the World Health Organization which amounted to 13.66 percent of the total (\$26.3 million). The third largest contribution went to the Organization of American States which was 10.81 percent of the total (\$20.8 million).

**COTTON PRODUCTION INCENTIVE PAYMENTS:**

Present laws provide cotton production incentive payments for the 1974, 1975, 1976, and 1977 crops. The law authorizing these payments follows:

(C) effective, beginning with the 1974 crop, amending section 103 (e) (2) of the Agricultural Act of 1949, as it appears in such section 602 to read as follows:

"(2) Payments shall be made for each crop of cotton to the producers on each farm at a rate equal to the amount by which the higher of -

"(1) the average market price received by farmers for upland cotton during the calendar year which includes the first five months of the marketing year for such crop, as determined by the Secretary, or

"(2) the loan level determined under paragraph (1) for such crop is less than the established price of 38 cents per pound in the case of the 1974 and 1975 crops, 38 cents per pound adjusted to reflect any change during the calendar year 1975 in the index of prices paid by farmers for production items, interest, taxes, and wage rates in the case of the 1976 crop, and the established price for the 1976 crop adjusted to reflect any change during the calendar year 1976 in such index in the case of the 1977 crop; Provided, That any increase that would otherwise be made in the established price to reflect any change in the index of prices paid by farmers shall be adjusted to reflect any change in (i) the national average yield per acre of cotton for the three calendar years preceding the year for which the determination is made, over (ii) the national average yield per acre of cotton for the three calendar years preceding the year previous to the one for which the determination is made. If the Secretary determines that the producers on a farm are prevented from planting any portion of the allotment to cotton because of drought, flood, or other natural disaster, or condition beyond the control of the producer, the rate of payment for such portion shall be the larger of (A) the fore-

going rate, or (B) one-third of the established price. If the Secretary determines that, because of such a disaster or condition, the total quantity of cotton which the producers are able to harvest on any farm is less than 66 2/3 percent of the farm base acreage allotment times the average yield established for the farm, the rate of payment for the deficiency in production below 100 percent shall be the larger of (A) the foregoing rate, or (B) one-third of the established price. The payment of rate with respect to any producer who (i) is on a small farm (that is, a farm on which the base acreage allotment is ten acres or less, or on which the yield used in making payments times the farm base acreage allotment is five thousand pounds or less, and for which the base acreage allotment has not been reduced under section 350 (f), (ii) resides on such farm, and (iii) derives his principal income from cotton produced on such farm, shall be increased by 30 percent; but, notwithstanding paragraph (3), such increase shall be made only with respect to his share of cotton actually harvested on such farm within the quantity specified in paragraph (3)."

A practical review of the law indicates that the 38 cents per pound target price will be above the loan level established by the program for the 1974 crop. Under these conditions there would be no incentive payments. The average price received by farmers for upland cotton during the calendar year 1974 is reported at 43.7 cents per pound in mid-December. These calculations include payments for cotton being delivered under contracts prior to harvest. This is not intended to be a true market price but an average return received by producers for all cotton produced from all sources.

The most difficult part of the program to explain is the pro-

**Lynn County News**

posal to increase the 38 cent target price as the cost of production index changes. This provision applies only to the 1976 and 1977 crops of cotton. If the law is amended to include the 1975 crop, indications are that the target price would be increased to 44 cents per pound. There are many ways of selecting and putting together the figures indicated in the provisions of the law. The following example is designed to explain the procedure if the cost of production provision is applied to the 1975 crop.

Three preceding calendar years average per acre yield: Yield per harvested acre 1974 - 438 pounds; Yield per harvested acre 1973 - 519 pounds; Yield per harvested acre 1972 - 507 pounds; Average yield per harvested acre 1972 - 74 - 488 pounds.

Three calendar years preceding the year previous average per acre yield: Yield per harvested acre 1973 - 519 pounds; Yield per harvested acre 1972 - 507 pounds; Yield per harvested acre 1971 - 438 pounds; Average yield per harvested acre 1971 - 73 - 488 pounds.

Average 1972 - 74 yield as a percent of 1971 - 73 yield, 100 percent index of prices paid including taxes 12 - 15 - 74 - 654; Index of prices paid including taxes 12 - 15 - 73 - 563. December 15, 1974 index as a percent of December 15, 1973 index - 116 percent.

Multiply 116 percent by the 38 cent target price, which results in the adjusted target price 44 cents per pound for the 1975 crop - if applied. Present law does not authorize this target price adjustment.

**COTTON LOAN PROGRAM:**  
Loans to cotton producers under the price support program are available on eligible cotton, beginning with the harvest of the crop each year through May 31, following the calendar year in which the crop is grown. For example, loans on the 1974 crop are available at any time eligible cotton was harvested, but not later than May 31, 1975.

Cotton loans mature on the last day of the month of the 9th calendar month, following the month in which the loan (or loan advance) is disbursed or upon such earlier date as Commodity Credit Corporation may make demands for payment except that when-ever such date falls on a non-

work day for county offices, the date of maturity will be the next work day. Commodity Credit Corporation may by public announcement, extend the time for repayment of the loan indebtedness or carry the loan in a past-due status.

Commodity Credit Corporation's end of December report indicated the following with regard to 1974 crop loan activities. CCC-owned cotton (uncatalogued) - 33 bales; 1973 Crop Upland Loan Stocks - 7,695 bales; 1973 Crop American Pima Loan Stocks - 100 bales; 1974 Crop Upland Loan Stocks - 710,112 bales; 1974 Crop American Pima Loan Stocks - 280 bales; Total CCC Controlled Cotton - 718,220 bales.

CCC Loan Entries Of The 1974 Crop Cotton reported through December 26 total 916,600 bales. Loan repayments were reported on 206,200 bales through the end of December leaving loans outstanding on 710,400 bales of 1974 crop cotton.

Present regulations indicate that the Commodity Credit Corporation may choose to extend or carry loans in a past due status by simply making a public announcement and none is anticipated at this time by the Department.

### PERCENTAGE INCREASE IN AVERAGE VALUE OF FARM REAL ESTATE PER ACRE, NOVEMBER 1973-NOVEMBER 1974

48 STATES INCREASED 21 PERCENT. DEPARTMENT OF AGRICULTURE. Figure 1 NEG ERS 195-74 (11) ECONOMIC RESEARCH SERVICE

**LAND PRICES:** Land prices in 48 states continue to increase. The map above indicates the percentage increase in each of the states.

**OCTOBER TRADE IN U. S. LIVESTOCK AND LIVESTOCK PRODUCTS:** Reversing the trend of the last months, exports of livestock

and livestock products during October exceeded imports of these commodities. Exports amounted to \$134.5 million, while imports totaled \$113.4 million. Although exports were higher than imports, the October 1974 export level was 16 percent below that of October 1973. Major contributors to the decline in value were the reduced export

values of beef, hides and skins, and live cattle and calves. Exports of pork and tallow and greases, however, increased significantly. Imports were at the lowest level since November 1971, when they amounted to \$87.9 million. While nearly all livestock and livestock product import declined in value, compared to those

for the corresponding period last year, declines in beef and veal imports valued at \$96.4 million, and pork imports, at \$19.7 million were particularly significant.

Pork exports continue above the previous year's level, as they have since July 1974. Cumulative exports for calendar year 1974, however, remain below that of calendar 1973 because of the large exports during the first half of 1973. At that time Japan was making large purchases because domestic prices were high and there were no import duties.

Lard, tallow, and grease exports have continued strong. Principal buyers of U. S. lard are Mexico, Canada and the United Kingdom. With the drop of approximately 3 cents in the unit price of technical tallow below last year's level sales of tallow have increased to Egypt, India, and Bangladesh.

Exports of beef, at 3.2 million pounds, were at the highest monthly level since May 1974, although still less than half the monthly average of Calendar 1973. The decline of live cattle exports of 52,600 head was principally responsible for the corresponding 1973 period.

Regarding imports, the large decline in the value of beef and veal imports resulted primarily from the decline of price. Since January the average price of imported processing beef has declined by 30 cents per pound. The quantity of all beef and veal imports for October was just slightly above the July level.

While pork imports displayed the next largest decrease in import value, import quantity was above that of the preceding months. Seasonal demand for imported canned hams and other pork specialty products was responsible for much of the increase in pork imports. Denmark and the Netherlands are the major suppliers of these hams.

The other category showing a considerable decline in import value was live cattle imports. Because of the poor market for feeder cattle, imports from Mexico and Canada have decreased significantly.

23 state number on feed is the lowest for January since 1965. The number on feed in the 7 monthly States (which are included in the 23 State total) is estimated at 6,369,000 head, 32 percent below a year earlier.

Placements of cattle and calves in the 23 States during the October-December quarter of 1974 totaled 6,009,000 head, down 20 percent from 1973 and 32 percent lower than the same quarter in 1972.

Marketings of fed cattle for slaughter during the October-December quarter of 1974 totaled 5,542,000 head. This was down 14 percent from the same quarter a year ago and 18 percent below that quarter of 1972.

Seven State Totals -- There were 6,369,000 cattle on feed in the seven monthly States -- Texas, Arizona, California, Colorado, Iowa, Nebraska, and Kansas -- compared with 9,353,000 January 1, 1974. Placements during October 1974 -- January 1975 totaled 4,000,000 head and 4,203,000 head were marketed during the same period.

### Steve Hyatt AFB Graduate

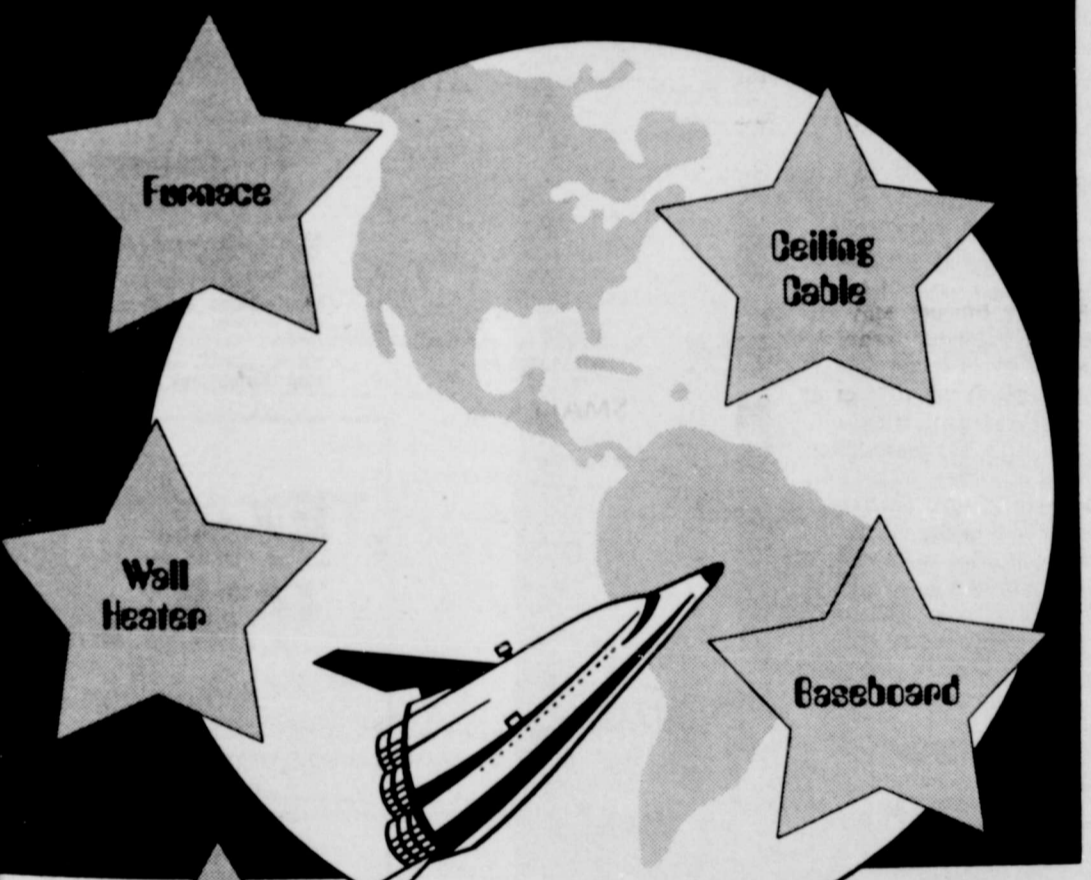

A Tahoka, Texas man has graduated at Chanute AFB, Illinois, from the technical training course for U. S. Air Force aircraft mechanic.

Airman Stephen W. Hyatt, son of Mrs. Wanda F. Farr of Tahoka, was trained to maintain and service multi-engine jet aircraft. Completion of the course enables him to receive academic credits through the Community College of the Air Force. The airman now goes to Charleston AFB, South Carolina, for duty with a unit of the Military Airlift Command.

Airman Hyatt is a 1974 graduate of Tahoka High School.

### Cancer Society To Meet Tuesday

The Lynn County Unit of the American Cancer Society will meet Tuesday, February 18 at 7:00 p.m. in the Southwestern Public Service Reddy Room in Tahoka. All interested persons are invited to attend.

# SPACE HEATING

**ASK ABOUT OUR BRIGHT STAR IN THE GALAXY OF ELECTRIC HEAT!**

It's called the heat pump... because it actually pumps heat... "in" your home in the winter... "out" of your home in the summer... That's really quite an oversimplification... but, quite simply, that's just what the heat pump does... using otherwise wasted heat and electricity in cooling and heating your home. In fact, in heating the heat pump actually produces more energy than it uses. For more information on the heat pump... call us... we'll give you all the facts in a free personalized electric heat cost survey!

Electric heat, a wise use of precious energy is a clean, quiet, economical and efficient means of heating your "inner space"... Electric heat is 100% efficient at the point of use. Like to know how you can have the space heating of the future, today? Call us this week for a free personalized electric heating cost survey.

### The Future Is Electric!

When the quality of your grass goes down, UP YOUR PROTEIN with our special T-E Liquid Feed Supplement 32

The nutritional value of grass varies from time to time and from place to place. That's why T-E has developed a complete line of liquid feed supplements to meet all the conditions faced by cattlemen.

T-E Liquid Feed Supplement 32 is the one to use when the grass is dry or poor. It delivers protein, phosphorus, vitamins, trace minerals. And it delivers the energy to make them get out and rustle for what grass there is.

Get with the program... the T-E Liquid Feed Supplement Program

### Hobby Club Met Tuesday

The Grassland Hobby Club met Tuesday, February 5 at the Grassland Community Center. The club was called to order by the president, Mrs. LaVerne McCleskey. The opening prayer was given by Mrs. J. E. Yeates. During the business session the club voted to have a hand-

craft and bake sale March 27 from the hours of 2 to 4 p.m. at the club center. You are invited.

The theme of the program was "Weeds" by Mrs. Francis. The drying, dying, and arrangements of weeds, seeds, grasses, flowers and flower pods. When to gather and how to dry and dye these wild plants.

After this interesting program refreshments were served to 13 members by the hostess, Mrs.

### Lynn County News

Johnnie Francis and co-hostess, Mrs. Lorene Gerner.

The hostesses for the March 4 meeting are Mrs. R.M. Stewart and Mrs. E. M. Walker.

The attractive yearbooks were appreciated and the club thanked Mrs. McCleskey and Vice-President, Mrs. Faye Ramsey for their labor and kindness in making these useful books.

### Pythian Sisters Install Officers

Pythian Sisters met Tuesday, February 4 for installation of officers for 1975. Installing officer was Burnice Carter, Grand Senior, Mildred Sherrill, Grand Manager, Emma Halmichek. The following officers were installed: Past Chief - Winnie Spruiell; Most Excellent Chief - Zella Taylor; Excellent Senior - Florine McCracken; Excellent Junior - Lottie House; Manager - Thelma Dewbre who will be installed at a later date; Secretary - Judy Holden; Treasurer - Fern Lewis; Protector - Wilma Smith; Guard - Trudy Schuknecht; Musician - Teddie B. Kelley. Other offices filled were: Capt. Degree Staff - Judy Holden; Temple Duty -

Dorothy Kidwell, Installing Officer - Burnice Carter; Grand Representative - Elsie Dee Brooks; Alternate - Trudy Schuknecht; Temple Mother - Bertha Williams; and Press Correspondent - Winnie Spruiell.

The Charter was draped for past Supreme officer, Mamie Gleason; performing the service were Lottie House, Florine McCracken and Zella Taylor.

Grand Chief, Naomi Frost requested to make her official visit to Lynn Temple, Tuesday, August 2, the Temple voted to have her then.

District Convention will be held in Lubbock November 1st.

Twenty-two sisters were present and hostesses were Fern Lewis and Teddie B. Kelley.

### Rev. Hugh Danial To Hold Revival

Revival to be held at the Methodist Church in Welch February 16 - 19. Rev. Hugh Daniel of Lockney formerly of Tahoka will be holding the Revival, Sunday morning services 11:00 a.m. and evening service though Wednesday at 7:00 p.m.

Thursday, February 13, 1975

### 1975 Easter Seal Appeal To Open

The 1975 Easter Seal Appeal will officially open in Lynn County on Monday, February 24 according to W. H. Eudy, who serves as Easter Seal Representative for the county. Easter Seal Appeal letters will arrive at homes in the county between February 15 and March 15.

The Easter Seal Representative is the person to contact to request services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to be given by the families of handicapped children and adults.

Last year 20,152 handicapped people received help from the Texas Easter Seal Society. The costs of providing professional care rising, more money than ever will be needed to assist more disabled Texas and remain ahead of inflation.

Funds help support professional treatment centers in Texas, where services are provided to those crippled children and adults who cannot provide for themselves and who do not qualify for help from any other source.

"The people of Texas have always responded generously to helping the handicapped, and feel certain they will make it possible to increase Easter Seal services to crippled Texas throughout the coming year," Eudy said.

### Agonizing Pain From Ingrown Toenail? Get Outgro For Fast Relief

Outgro gives you fast temporary relief from ingrown toenail pain. Outgro soothes irritated skin, eases inflammation, reduces swelling without affecting shape, growth, or position of the nail. Stop ingrown nail pain fast with Outgro.

### TEXAS TALK

By Fred Myers

**WHEAT IS NUMBER ONE** — the most important grain crop in the world. Wheat is grown on over 300 million acres of land in more than 60 countries. Although even the top agricultural historians disagree on the exact origin of bread-wheat, they usually concede cultivation of the crop has been under way for at least the past 5000 years. One reason for the world-wide appeal of the wheat grain is the versatility evidenced by the production of both spring and winter crops. **HARD RED WINTER** — is a classification often used for much of the wheat produced on the Plains. When using this particular classification method the other best known types are; hard red summer, durum, red durum, soft red winter mixed and white.

### Tex Watson talks about Natural Gas for the Future

I'm pleased to report to our customers that Pioneer purchased more gas during 1974 than we used. This new gas will be available for future use, of course.

As you know, Pioneer is having to pay more for new gas than we've ever paid before. The competition for the gas produced in our area has never been so fierce. But the higher prices are resulting in lots of new exploration and production. I know of numerous wells which could not have been drilled at prices prevailing three years ago.

The increase in field prices means that our customers will have to pay more for the energy they use in their homes — gas and electricity — but, more important, it means he'll have the gas he needs.

All energy will cost more in the future but gas will remain your best energy buy.

PIONEER NATURAL GAS COMPANY

Mr. Bert Tex Watson, president of Pioneer Natural Gas Company, is a native of West Texas and has spent most of his life in the oil and gas business. He is shown here with a customer.

Earl Nightingale, international speaker, author and broadcaster, is shown here with a customer.

# AROUND TOWN

BY LEONA WALDRIP

CALL 998-4496

Visiting in my home on Tuesday afternoon were cousins, Mr. and Mrs. R. A. Stanton of Steelton, Mo. They were enroute to visit her sister and husband, Mr. and Mrs. Louis Waters of Brownfield, and later other relatives in Lubbock.

Here on Sunday to speak for the First Baptist Church in the absence of the pastor, was Raymond King from Lubbock. He is a fine Layman and a grocery store owner. This was not his first time to supply here on the people's ways enjoy hearing him. Rev. Turner was in revival in Okla.

Fourth and Fifth Grade rooms at school are buzzing with plans for the usual Valentine Parties on Friday.

Mrs. Carter is still not able to be back in her room, but does hope to attend the Valentine Party with her 4th graders.

Funeral services for Mrs. Mae Henry, 82, of Sapulpa, Oklahoma, were held Tuesday at 10:30 a.m. in Open Funeral Home there. She passed away in Bartlett Hospital late Saturday afternoon from a severe case of the flu and complications. Survivors include two sons, a daughter, and two sons, Mrs. Ruth Koch, a sister, accompanied by Leta Brown and Weldon Lemon both of Lubbock attended services and returned late Tuesday. Mrs. Henry had visited in Tahoka with another sister the late Mrs. W. I. Lemon several years ago.

Paul Noble Grand Club is to

meet on Thursday night with Audrey Akin as hostess.

The foundation was run last week at the new Post Office site with some frame work up and several stacks of building materials on the grounds. Building should be taking shape soon. At least there is a lot of activity going on.

In honor of the birthdays of my Aunt Ruth who is 77 and my oldest brother, Weldon Lemon, who is 60, a birthday dinner was held on Sunday in my home. Their birthdays are on the same day February 7. Another sister, Leta Brown and Mrs. Weldon Lemon were also guests.

Visiting in the home of Mr. and Mrs. Jim Elrod, Wanda and Allen last Saturday for a family get-together were Mr. and Mrs. Bobby Lee of Garden City, Kansas; Mr. and Mrs. Townsley and Terrell and Juanita Curtis all of Austin; Leslie Jones of Lubbock, Mr. and Mrs. Jimmy Curtis and Michelle, Mr. and Mrs. Elgin Harper, Mr. and Mrs. Raymond Bagby, Pat Williams and Jodi and Mrs. Dovie Dillard all of Tahoka.

A ten-year-old boy rushed into the shop. "Father's being chased by a bull," he cried.

"What can I do about it?" asked the shopkeeper.

"Put some film in my camera," said the boy.

## Senate Bill 69 Increase Interest

An enormous increase in interest rates on a \$1000 loan will be the result of Senate Bill 69, a high interest bill introduced on January 22. Under the present law, the interest cost on \$1,000 is \$339.17 over 37 months. Under the proposed law, the cost jumps to \$462.50 a full 36 percent increase over dollar charges for interest alone. Loan companies now enjoy 19.72 percent return on their money from one-year \$1,000 loans. A new rate of 26.62 percent is authorized by SB 69 for the same outlay.

In addition, the borrower may be required to pay life, health and property insurance premiums to cover the loan. When these costs are imposed, the annual percentage rates on a \$1000 loan for 37 months would jump to 33.18 percent under Senate Bill 69. In many cases, the loan companies profit heavily from insurance charges.

If a person dealing with a finance company expects to carry home much from his transaction, he may be shocked to compare his cash advance with the figure on the loan company papers which describe his repayment obligation. The total amount which he must repay may in some cases be over twice the cash amount he obtains. Take the person who wishes to borrow \$3,000 for 60 months. His interest on that loan is \$1800, a 50 percent increase over the present \$1200. Just by deducting the insurance premiums at the time the loan is made the loan company is able to reduce the cash to the borrower from \$3000 to \$2306.10 less than half of his \$4800 obligation.

Senator Bill Patman strongly opposes the Senate Bill 69. The borrowing public will be gouged

by exorbitant interest rates. These will greatly aggravate the problems of inflation and rising prices. Committee action on this legislation is uncharacteristically hasty. Unless the public is aroused, and soon, this bill will surely become law. Patman wants to bring as much public attention to this matter as he can, not only in his district but throughout the State. Those who oppose this bill and those who are affected by it need help urgently. Senate Bill 69 will affect all the people of Texas directly and adversely.

some chance you were missed drop by the First National Bank and you can make a donation. The National Foundation, financed by the March of Dimes is the largest single national source of private support for basic and clinical research in the field of birth.

Birth defects can be prevented through treatment with vaccines. They point to conquest of RH Blood and defects from German measles. Disability from other defects can often be prevented or reduced by medicine or surgery. Prenatal care is another prevention of birth defects. A doctor can often discover danger signs during pregnancy and prevent their consequences.

A very big thank you goes to the Tahoka Rainbow girls and the Madeline Hegi FHA Chapter for doing the drive. The biggest thank you goes to the residents of Tahoka, they contributed \$291.02.

## March Of Dimes Big Success

The Lynn County director of the 1975 March of Dimes campaign is Mr. Monte Dodson of Tahoka. The main drive was held January 26, 1975. If by

Monday - Awareness Day; Tuesday - Hat Day; Thursday - Teacher Appreciation Day; Friday - Auction (sweets); Sunday - Church at the Catholic Church in Slaton. The FHA voted on the March of Dimes Drive and they decided to have it on Wednesday, February 19.

They talked about money making projects, also voted on having Daddy Date night. FHA also talked about having FFA-FHA party together.

**LIONS QUEEN CONTEST:**  
 Wilson's Annual Lions Queen Contest was held Saturday, February 8, 1975 at 7:30 p.m. in the Wilson High School Auditorium.

The 1975 Lions Queen Janet Francis Wilke, daughter of Mr. and Mrs. Carlton Wilke, first runner up was Carrolle Rice, and second runner was Kim La'ree Rice, daughter of Mr. and Mrs. Stewart B. Rice.

**Water, Inc. Meet Saturday**

Members of Water, Inc., converge on Amarillo Saturday, February 15 for the organization's Eighth Annual Membership Meeting. Featuring presentation by a Congressman, the Speaker of the Texas House of Representatives and two State Senators, the get-together opens at 9 a.m. at the Quality Inn (1-40 East) with registration beginning an hour earlier.

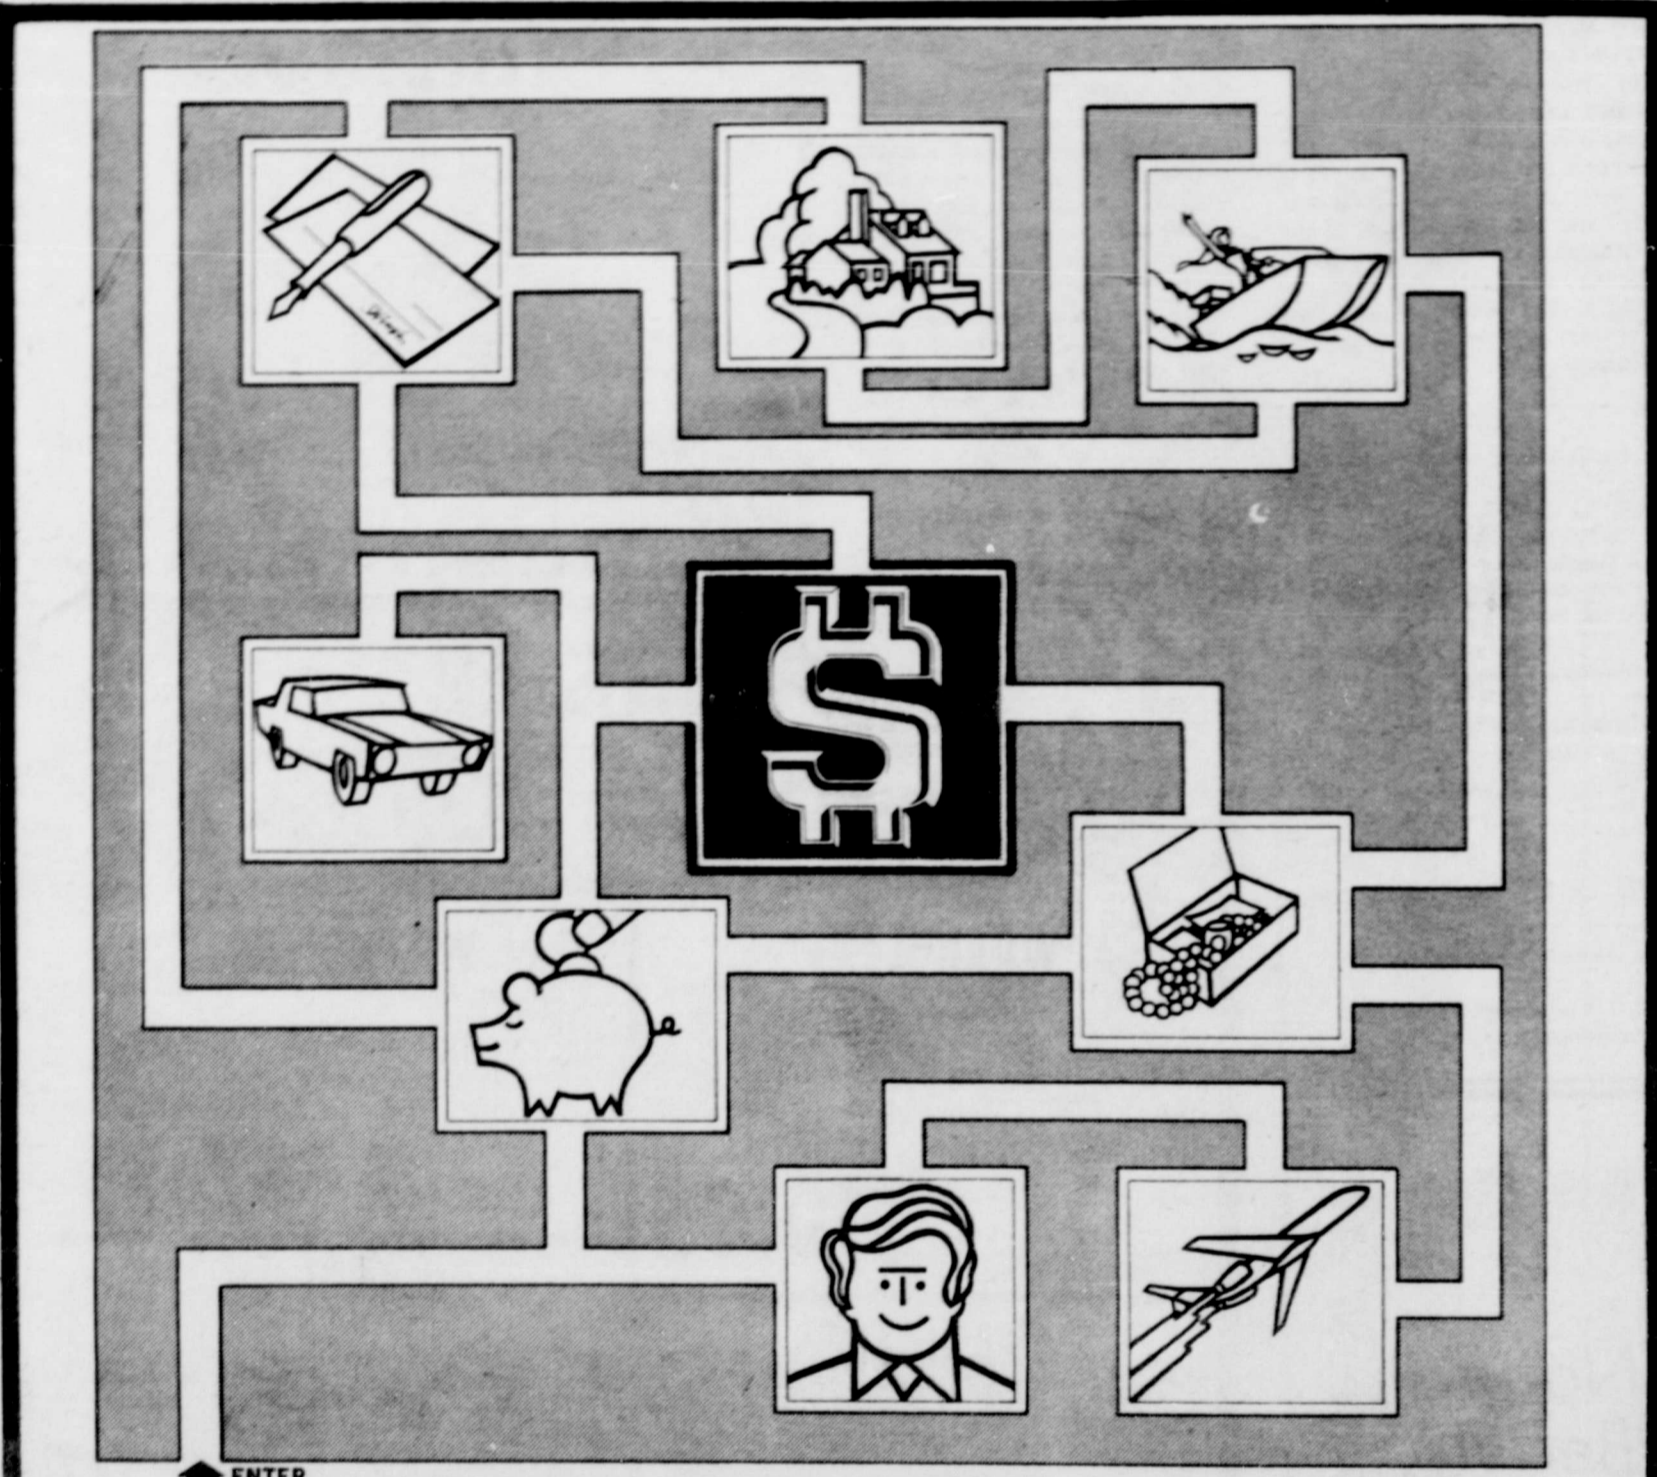

Keynoting the annual meeting will be U.S. Representative Jack Hightower, making his first appearance in his district since Congress convened in mid-January. The president of the regional organization dedicated to providing supplemental water reported to West Texas and Eastern New Mexico, George W. McCleskey, Lubbock, issued a special invitation to the general public to attend the session. Although this meeting is officially designed as our annual membership meeting, it is in fact which is of great interest to the general public," he said. The productive capacity of the area is to be preserved for the nation and the world, supplemental water is an absolute necessity and our program is designed as an information update on the status of our program. McCleskey noted that Dolph Briscoe's Water Task Force has just completed a range action program for the state and one of the highlights of the Amarillo meeting will be a report by Gen. James Burleigh, the governor's director of planning coordination and chair of the Task Force. Other speakers on the program include State House Speaker Bill Clifton, State Senators, Max Burleigh, executive director of the Texas Water Development Board.

**Turkey Shoot At Seagraves**

Epsilon Sigma Alpha will sponsor a Scholarship Shotgun Turkey shoot on Saturday, February 15 at Seagraves. It will be held at the 5-Points Club, which is located 4 1/2 miles south of Seagraves on U.S. Hwy. 67. The shoot will begin at 9:00 a.m. and end at 6:00 p.m. All types of shotgun shoots will be held throughout the day. Prizes from the shoot and concessions stand will be given as scholarships to senior high school students to continue their education. In conjunction with the Turkey Shoot, the Seagraves Youth Council will have a drawing for a Remington automatic shotgun. The shotgun will be given away at 4:30 at the Turkey Shoot.

**Garden Club Meet In Lubbock**

The Tahoka Garden Club will meet Tuesday, February 12, 10 a.m. in the home of Harold Banks, 3730 - 64th St. Lubbock. Mrs. Tom Gill will be co-hostess. Club members are requested to meet at the United Methodist Church parking lot at 9 a.m. Mrs. Stewart Menault of Lubbock will be the program.

# NEW HOME NEWS

by FLORENCE DAVIES

Mrs. Chloe Russell had foot surgery Monday in Highland Hospital. She is in room 202.

Mr. Fritz Speckman is at home and doing good after several days in Methodist Hospital.

John Hord of Wolforth remains in serious condition in Methodist Hospital.

Mrs. Mattie Arms is improving after a second surgery last week. She is in room 803 in Methodist Hospital.

Mr. and Mrs. J. H. Kent have moved to Ft. Stockton where he will be working for the Big Three Machine and Supply.

Mr. and Mrs. Robbie Gill and Mr. and Mrs. Orvel Ray Phifer returned home Saturday, February 1st. They left Friday, January 24 with a group of 450 on the Northrup King tour to Hawaii. Landing in Honolulu where they stayed three days, and on the island of Hawaii Kona one day and back to Honolulu for another day and departed for home. Wanda's parents, Mr. and Mrs. Martin of Lubbock stayed there with Stony.

Our grandson, Brian Walton of Snyder will enter Methodist Hospital in Lubbock, Thursday, February 13th for knee surgery Friday. Brian was injured November 23 in the car wreck in Snyder. His parents, Mr. and Mrs. Wayland Walton are making slow recovery. Mrs. McCathren who was seriously injured got a good report from the specialist in Lubbock this Monday. Her husband was less seriously injured is doing fine and back at work as Minister of Education in the First Baptist Church in Snyder. Brian had not been able to return to school because of a back injury, but is keeping up with classes with a home bound teacher.

Mrs. Bernie (Gloella) Finch, Donnie Morris' sister of Kingsville arrived in Lubbock this Monday to spend some time with their mother, Mrs. Bennie Morris, who is recovering from illness. She is in the home of another daughter, Mrs. Jewel Carter.

Congratulations to Mr. and Mrs. Johnnie Vasquez on the birth of a son, born Friday, February 7 in the Tahoka Hospital. He weighed 7 lbs. 13 oz. Johnnie is employed by the Petty Gln.

Mr. and Mrs. Aubrey Smith went to Amarillo last Monday and spent the week end with Kay and Larry Brown and children Kay and Kristal. They returned home with them Monday and stayed until Thursday.

Mr. and Mrs. Barney Mayfield went to Seminole Monday after learning of the death of his brother, J. C. Mayfield. Funeral services were at 2 p.m. Wednesday.

Mr. and Mrs. Barney Mayfield went to Seminole Monday after learning of the death of his brother, J. C. Mayfield. Mr. Mayfield age 62, died at home after suffering a heart attack about 10:00 a.m. Monday. Funeral services were at 2 p.m. Wednesday in the First Baptist Church in Seminole. Survivors include his wife, two sons, Bobbie and Richard, four daughters, Glenna, Sandra, Paulette and Betty, four brothers, three sisters, and eight grandchildren.

Mrs. Loyd Nunley visited in Lubbock last Monday with Mrs. Harold (Linda) Lindsey and children, three year old Niki and nine month old Monty. Linda's mother, Charlene Farr and sister, Laree both of Odessa, were staying the week with Linda and the children. Loree and Robert who have been living in Bakersfield, California, were in the process of moving back to Od-

essa, where he will be working as an electrician. Jimmie and Denna Farr now reside in San Angelo where he is with a lumber company. Ronnie and his wife, Debby and baby have moved from California to Dallas. He has been promoted to the accounting department with Taylor Publishing Company.

Congratulations to Bruce and Sherron Lafferys of Clyde, Kansas on the birth of a son, born January 26th at 10:02 p.m. Weighing 9 pounds and 2 ounces, his name is Jon Chad. Mrs. Elvie Renfro is one of the grand mothers.

Mr. and Mrs. Marlo Rudd and Carey were in Eunice New Mex-

## Lynn County News

ico Monday and Tuesday with her parents, Mr. and Mrs. Ross L. Robinson. Mr. Robinson recently stayed 10 days in Methodist Hospital in Lubbock and he was dismissed and returned home January 30.

Mrs. Fred Parker of Knot, Texas is in room 791 Methodist Hospital. She had major surgery performed Tuesday. Mr. Parker and Bob and Monroe Parker are cousins.

Mr. and Mrs. L. C. Unfred went to Phoenix, Arizona Thursday, January 30 for the thirty seventh annual meeting of the National Cotton Council, February 3 - 4. The general sessions were in the Grand Ball Room of the Del Webb's Townhouse in Phoenix. In the Monday afternoon session, L. C. Chairman of Public Relations and Promotion presented the 1975 Maid of Cotton, Miss Kathryn Tinkhoff. On Tuesday L. C. presided over a business session. They returned home Wednesday.

The Sweetheart Party will be in the New Home Baptist Church Fellowship Hall 7:00 p.m. Saturday, February 15. Informal, western motif, floor sittin, campfire, entertainment "Pickin' & Grinnin'" by Jim Bennett and Clifton Trull. All high school and junior high students in the community are invited.

Mr. and Mrs. Calhoun and children went to Portales, New Mexico, Saturday and Jubie's mother, Mrs. Stella Lee returned home with them. She attended morning and evening services in the New Home Baptist Church, Sunday.

Mrs. Kenneth (Rhonda) Timmons and children, Tara and To-

bi of Seminole are here with her brother, Stony while Robbie and Wanda are in Dallas for the Coop Convention.

### Lynn County News 50th Anniversary Is Planned

An invitation is extended to all friends and relatives of Mr. and Mrs. H. W. (Dutch) Crawford to the 50th Anniversary Tea, to be held Saturday, February 15 from 1 to 5 p.m. at their home, 1405 North 7th St, Lamesa. The hosts for the occasion will be their children and families; W.R. and Dee Carpenter, Herman and Donna Crawford, and Paul and Squeaky Todd. The couple have seven grandchildren and 2 great grandchildren. The former Clara Dale Morrison and Dutch Crawford were married February 15, 1925, at Draw. They have lived in the Draw Community for 48 years and now reside in Lamesa.

**BOY'S RANCH RECEIVES \$40,000 GRANT** - Westview Boys' Home of Hollis, Oklahoma is happy to report that the J. E. & L.E. Mabee Foundation Inc. of Tulsa, Oklahoma recently gave \$40,000 to match funds sent in by ardent supporters for the construction of another cottage. Superintendent Jack Sikes states that this is the second cottage to which the Mabee Foundation has given their assistance. The boys' ranch presently has four cottages with 15 boys living in each cottage in a rural setting in Southwest Oklahoma. It is sponsored by the Churches of Christ and interested individuals. The Tahoka Church of Christ actively supports this benevolent work. Pictured above is Jack Sikes and Johnie Luker, his assistant, as they study over the plans for the construction of Cottage No. 5 which will begin this spring.

# BILL GRIFFIN SAYS .....

A good health management program is important for your cattle operation because disease problems can mean the difference between a profit or a loss. Herd health is especially important due to current low cattle prices.

Several ways of improving health management of cattle operations, are providing adequate nutritional feed, adopting a good vaccination program and controlling internal and external parasites.

It's important to provide e-

nough forage and stored feed to sustain a herd for a year.

A good vaccination program is vital to herd health. Every calf over four months of age and every yearling should be vaccinated against Black leg and other infections. Vaccinating against leptospirosis is also suggested and should be carried out in consultation with a veterinarian.

New animals should be given blood tests to determine whether they have brucellosis (Bangs disease).

External parasites can be controlled by treatment with insect-

## Lynn County News

icides while properlytimea worm ing can rid animals of internal parasites.

### Basketball Concession Workers

## A ding-a-ling orders Gas air conditioning now.

A telephone call to Pioneer Natural Gas brings an air conditioning specialist to your home for a free survey and cost estimate at no obligation to you. He'll answer all your questions, and tell you what it will take to install GAS air conditioning in your home. It's the first easy step toward having your dependable GAS air conditioning installed before the first hot, windy days are here.

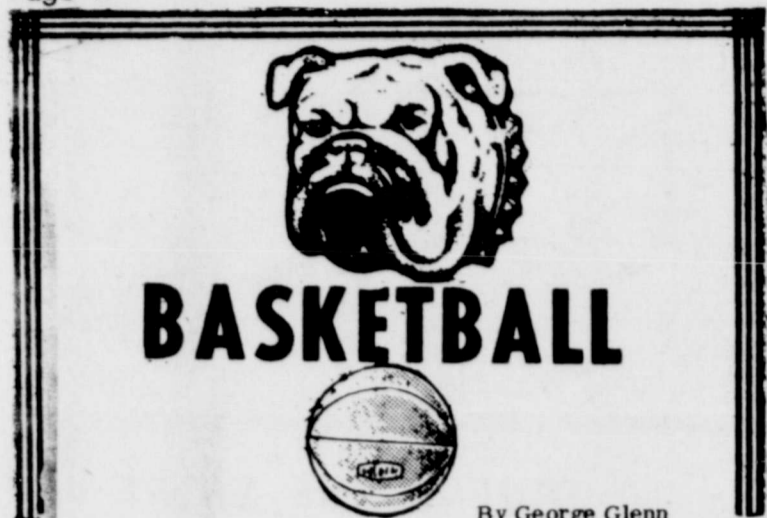

A GAS air conditioning system is ruggedly built to cool quietly and efficiently. There are fewer moving parts, and no compressor to break down or wear out. Heat from the steady blue flame circulates a refrigerant through the system to cool the air. It's this simple principle that gives GAS air conditioning its long life with no loss of cooling capacity and easy maintenance.

Install GAS air conditioning now. You'll avoid the rush, and be enjoying the quiet, cooling comfort of GAS air conditioning while everyone else is waiting. Give us a ring . . . a-ling.

Call Us. PIONEER NATURAL GAS COMPANY

By George Glenn

Over the past week the Tahoka Bulldogs lost to the Post Antelopes at home and beat the Denver City Mustangs at Denver City. In a 52 - 40 loss to Post, the Bulldogs were held to their lowest point total of the year. Holding a 10 point lead at the half (25-15) the Bulldogs, facing a 1 - 3 - 1 zone defense in the second half, were held 15 points in the entire second half, with the Antelopes winning by the score of 52 - 40. Moore had 15 and Graves 10 for the Bulldogs, who hit on only 23.5 percent from the field. In the Denver City game, the Bulldogs played a much better

**Lynn County News**

ball game, working the ball smoothly the Bulldogs had five men score in double figures. Moore 16, Bailey, 15, Graves 13, Botkin 12, Dodson 10 with Glenn and Raindl adding 5 each, with Tahoka winning 76 - 66. Tahoka hit 46.5 percent from the field. Tuesday February 11 the Bulldogs travel to Frenship and Friday February 14 are at home against Cooper. Tuesday February 18 the Bulldogs play at Roosevelt the last scheduled game. The Bulldogs need to win their last three games with Post losing one to set up a playoff with the first half winners Antelopes. The Antelopes have two games remaining, against Slaton and Denver City.

Tahoka girls lost two games over this week. Losing 82 - 62 to Post and 60 - 45 to Cooper.

**9TH GRADE BOYS:**

The Tahoka freshman boys lost to Frenship in a close game last Monday night. The score was Frenship 36, Tahoka 32. Ronnie Thompson tossed in 11 points for the Bulldogs.

**8TH GRADE BOYS:**

The Bulldog 8th grade team beat Frenship 26-18. Rene' Ledesma was leading scorer with 10 points.

**7TH GRADE BOYS:**

Frenship 35, Tahoka 10, was the score of the seventh grade boys game played last Monday night. Leading scorer with 8 points was Clifford Oages.

**9TH GRADE GIRLS:**

The Tahoka freshman girls were beaten by Frenship, 54-25. Garcia tossed in 16 points for Tahoka.

**8TH GRADE GIRLS:**

Brenda White tossed in 9 points and Jamie Renfro 5 in a losing cause to Frenship. The score was Frenship 18, Tahoka 14.

**7TH GRADE GIRLS:**

The Tahoka seventh grade girls lost to Frenship, 31-9. Scoring for Tahoka were Knox 3, Tekell and Lawson 2 points each.

February 10, the sun is shining but we were disappointed when the snow flakes stopped falling as a beautiful snow white world would be pretty even when the snow melted it would be messy.

Clark Allen is still in the hospital also Mrs. Georgia Cook's report is not good.

There is no one having a birthday this month but there will still be a Valentine Party, where we will crown a Valentine King and Queen. Refreshments will be served by the Co-op Homemaking class. Thanks to the Rainbow girls for the beautiful flower, Dub Harvick brought them to us.

Mrs. Ola Wilkin is our newest resident she is in room 14 and invites her friends to visit.

We are hoping to get our flower beds and rose bushes pruned in our February 8th news some very important news was left out, as I wrote about meeting several of my relatives who I haven't seen in 20 years.

Our church services were held by Bro. Jim Mosley from O'.

Donnell. He read from Roman chapter 3, verses 35 and 36 where Christ is always with us in everything. He said we here in the nursing home gave him to the outside world for when he came in and saw us it thrilled him as he knew several were in pain.

Bible study Tuesday by Betty Jones she taught Galatian chapter 5, verse 13. Thank you.

**Dave Hubbard  
Sister Dies**

Mrs. E. A. Smith of Dallas, sister of Dave Hubbard of Tahoka died Friday night of an apparent heart attack.

Services were held at 11:30 a.m. Monday in Dallas.

Other survivors include her husband, a son, a daughter, a sister and five grandchildren.

Those attending services were Mr. and Mrs. Hubbard and Mrs. Billy Hubbard of Lorenzo.

# Why gamble on a herbicide that's not made for sandy soils?

## Now you can get one that is.

SANCAP.<sup>®</sup> It's made specially for your sandy soils. It's made for cotton on your land.

You can forget about experimenting with rates to adjust for sandy soils. Just follow the recommendations, and you'll get weed control you can depend on—without injuring your cotton.

You'll get control of the most troublesome weeds in this area—carelessweed and Russian thistle.

And you can forget about moisture loss due to incorporation. Just apply Sancap at planting, or within two days after.

Then watch your cotton come through, clean and healthy. No more experiments. No more mistakes.

Because now you've got a herbicide for sandy soils.

Agricultural Division, CIBA-GEIGY Corporation, P.O. Box 11422, Greensboro, NC 27409.

**Sancap. The first and only herbicide made for sandy soils.**

### \* Card of Thanks

Words seem so meager when you try to say "Thank you" to friends who comfort, console and care during the loss of our loved one.

To you who called, sent cards and memorials, all we can say is: God bless you and thank you so very much.

The family of Mrs. B. A. Woodard; Mr. and Mrs. H. D. Daniell, Mr. and Mrs. L. J. Woodard, Mr. and Mrs. L. L. Glass and Mr. and Mrs. J. R. Laseter. 7-1tp

### LEGAL NOTICE: NOTICE OF INTENT TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES:

Notice is hereby given that Colorado River Municipal Water District, 1318 E. 4th, Big Spring, Texas 79720, who holds License Number 75-5 of the State of Texas, intends to engage in an operation to change or attempt to change by artificial methods the natural development of atmospheric cloud forms for and on behalf of the Colorado Municipal Water District located at P.O. Box 869, Big Spring, Texas 79720, and will conduct the program of weather modification designed to increase precipitation by means of the aerial application of silver iodide or other artificial nuclei as follows:

1. The area over, or within which, equipment may be operated shall include the counties of Lynn, Garza, Kent, Dawson, Borden, Scurry, Fisher, Martin, Howard, Mitchell, Nolan, Glasscock, Sterling, and Coke.
2. The target area, within which the precipitation is intended to be enhanced, can be described as follows: The boundary may be described by a line beginning at a point of origin at Big Spring, Texas, and running along Hiway 87 in a northwesterly direction to Lamesa, thence north-northeast on Hiway 87 to the north border of Dawson County, thence east along the north border of Dawson, Borden and Scurry Counties to Hiway 84; thence southeast along Hiway 84 to Roscoe, in Nolan County; thence southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Hiway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Hiway 87 to the point of origin at Big Spring, Texas.

3. The materials, equipment and methods to be used in conducting the operation within this area of approximately 3500 square miles include a 3 cm radar system, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The person in charge of this program shall be Owen H. Ivie, Colorado River Municipal Water District, Big Spring, Texas.

5. The program will be operational during the period from

April 15, 1975 to October 15, 1975.

6. Any persons who feel they may be affected in some adverse way by this program may file a complaint to the Texas Water Development Board, P. O. Box 13087, Capitol Station, Austin, Texas, 78711.

Signed: Owen H. Ivie, Colorado River Municipal District. 6-3tc

## Dental Hygienist In Tahoka

Gwen Jordan, a licensed dental hygienist, is now associated with the Durham - Midkiff Office in Tahoka. As a hygienist, she will perform such services as cleaning teeth, taking dental x-rays, and educating patients about preventive care of their teeth.

As a 1965 graduate of Caruth School of Dental Hygiene at Baylor Dental College in Dallas, she has had almost ten years of professional experience. She has worked for general practitioners and specialists in California, Alaska, and Texas. Three years of this time was spent in Plainview.

Mrs. Jordan was born in Lubbock county and is the daughter of Mr. and Mrs. Charley Huff. Her eleven year old son, Jeff, attends school in Cooper.

Mrs. Jordan will provide a necessary dental service for this area, and we welcome her to our community.

## Corlos Lewis Aboard Ship

Corlos W. Lewis, of 2120 S. Fourth St., Tahoka, Texas, is serving aboard the Navy's newest nuclear-powered guided missile frigate, the USS South Carolina.

He took part in commissioning ceremonies January 25 at the Naval Station, Norfolk, Virginia. Since the ship was delivered to the Navy in November, Lewis has been involved in the testing of its systems and final installation of equipment.

A former student of Tahoka High School, he joined the Navy in May 1974.
