TAHOKA, LYNN COUNTY, TEXAS 79373

THURSDAY, FEBRUARY 27, 1975 NUMBER 9

Locals Plan Bicentennial

Would you like to see a new "mini-park" in Tahoka complete with playground equipment, picnic tables, and maybe even tennis courts? How about a sparkling and shiny city without dilapidated buildings, overgrown lots, vacated cars, and litter in general? Consider having a city-wide celebration on July 4, 1976 to celebrate America's 200th birthday.

These are some of the ideas discussed Wednesday, Feb. 19 by the Tahoka Bicentennial Celebration Committee. Those serving on the committee and the group are: Mrs. Jim Wells, Chairman, Mrs. David Midkiff, and Mrs. F. B. Hegi, Phebe K. Warner Study Club; Mayor Meldon Leslie, representing the city; Lee Holden, Lions Club; David Midkiff, Rotary; Mrs. Oscar Roberts, Garden Club; Mrs. Jerry McKibben and Mrs. P. B. Hallmark, Girl Scouts; Mr. Robert Abbe, Chamber of Commerce; Miss Sheree Jordan, Future Homemakers of America; and Mrs. Robbie Robertson, Art Association.

Mrs. McKibben is heading a committee to investigate various

lots as a possibility for a mini-park and gathering plans for the lay-out for such a park. Mr. Holden is in charge of organizing a thorough cleanup campaign and Dr. Midkiff is spearheading the planning for a big city-wide celebration on July 4, 1976. Mrs. Midkiff and Mrs. Hegi will be involved in informing the public and the schools and involving them in various projects.

Activities that will be getting underway soon are: a Bicentennial slogan contest, essays, poetry, and poster contests; window displays; and many other activities aimed at generating enthusiasm and patriotism.

The next meeting will be March 5 at 7:30 in the First National Bank Community Room. Anyone interested in having a part in the planning is invited to attend. If you have any questions or suggestions, please contact any of those on the committee. We are anxious to hear from you and involve as many of you as possible. There is a place for every Tahoka resident in the celebration. Share your talents and strengthen your community.

Texas Public Schools Week

The week of March 3rd through the 7th has been set aside as Public Schools Week in Texas and will be observed in Tahoka Independent School District. Public Schools Week is sponsored by the Masonic Lodge and Friday, Feb. 21, Mr. Gene Engle and Mr. W. H. Eudy of the local lodge met with local school administrators and building representatives to plan Public Schools Activities for Tahoka Schools.

Activities planned for Public Schools Week are: Open house on Tuesday night from seven thirty p.m. to nine p.m. in Jr. high school and Senior high school and open house on Thursday from seven thirty p.m. to nine p.m. in North elementary and Tubb elementary. There will

also be a program in North elementary at eight p.m.

A special invitation is issued for parents to eat lunch in the school lunchroom at noon on Wednesday, March 5. Serving time begins with kindergarten at ten-fifty a.m., and continues through twelve-thirty p.m. The cost of the meal is \$1.00. It would be appreciated if those planning to eat would call 998-4538 by noon Tuesday, March 4, and make reservations.

Parents and friends are invited to observe classes in operation at North elementary and Tubb elementary any time during the week. Because of nine weeks examinations in Jr. high school and high school the latter part of the week it is requested that visitors to these schools come on Monday or Tuesday only.

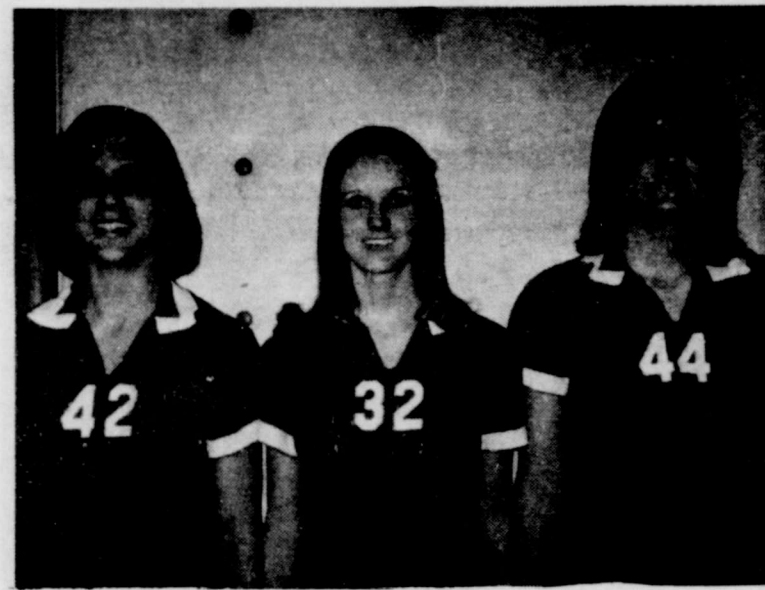

Hospital Board Election Set By Directors

In their regular meeting held February 13th, the Board of Directors of the Lynn County Hospital District set the date for election of four members of the Hospital Board. Date of the election will be April 5th and terms of four directors will expire on that date.

The four directors with terms expiring are Clint Walker, W. T. Kidwell, Joe D. Unfred, and Dr. David Midkiff.

ALL-DISTRICT-Pictured above are all-district from the Tahoka Basketball team. Shown are No. 10, Mitch Raindl, junior, honorable mention, 20. Danny Moore, sophomore, honorable mention, 22-Tommy Botkin, junior, all district and 30. David Graves, sophomore, all district. The team is coached by Dick Wood.

GIRLS ALL-DISTRICT- Shown above are No. 42- Betty Curry, senior guard, honorable mention. 32- Cindy Craig, 2nd team all-district forward and 44- Jackie Roseberry, 1st team all-district Mason.

Week-End Snow Is Benefit To Soil

Light rain turning to snow which began Friday night and continued until near midnight Saturday totaled .63 inch of precipitation, including 5 to 6 inches of snow.

Although winds caused the snow to drift some, that remaining on farm fields will be of much benefit in preserving moisture for crop planting in the spring.

This last precipitation brought the total in Tahoka for February

to 1.89 inches, which added to January rainfall of .44 inch brings the total for the year so far to 2.33 inches, according to Frank Hill, local observer for National Weather Service.

Tahoka's 46 year average precipitation for January is .60 inch and for February .65 inch, or 1.23 for the two months. Thus moisture so far is 1.1 inch above normal.

New Home City Election April 5

The city of New Home will hold their annual City election April 5. The terms of Dick Turner, mayor, Charles Smith and Robert Poer, councilmen, expire.

Absentee voting begins March 17 and continues through April 2. The City wanted to remind everyone that election date is the same time as school is out for Easter vacation. So if you are going to be out of town, be sure to cast your absentee ballot.

Parents who wish to transfer students to Tahoka Schools for the 1975-76 school year are reminded that this must be done on or before May 1, 1975.

Transfer forms are available in the Superintendent's office in the Tahoka high school building, and Mrs. Freda Jeffcoat will

provide the forms and assist as necessary in completing transfer applications.

Child Abuse Is Problem Here

"Child abuse is one of the leading causes of infant mortality in the U. S.," Mrs. Wanda Stewart, service worker of Texas Department of Public Welfare in Lynn and Garza counties, told Tahoka Rotarians in a talk before the club last Thursday.

There were 4,000 cases of suspected child abuse reported in 1973 in Texas and 2,509 were confirmed. Of these, 135 were cases of sexual abuse, and there were 104 confirmed deaths of children from abuse.

Illustrating her talk with slide pictures, mostly of abused children, usually by their parents, she revealed twice as many Anglos as Mexican-Americans and Blacks combined made up the total, about the same percentage as the ethnic make-up of our state.

She said the public would be surprised at instances of child abuse in this county.

She originally worked seven counties in this area, but since her responsibility has been reduced to only Lynn and Garza, she is able to give closer attention to instances of child abuse and child welfare.

Child abuse is divided into three categories: 1. Physical abuse, inflicting personal injury on

a child; 2. Sexual abuse, forcing a child to engage in sexual activities; 3. Emotional abuse, demanding a child to do more than he is capable of doing and criticizing and humiliating him for not living up to the demand, etc.

Neglect is divided into two categories: 1. Physical neglect, failure to provide sufficient food, clothing, shelter, medical care, education, guidance, and supervision 2. Emotional neglect, failure to provide a child with love and affection.

Texas law now makes it a misdemeanor not to report child abuse. Any instances should be reported to Mrs. Stewart, local officers, or by calling toll-free, day or night, Phone No. 1-800-292-5400 in Austin. The caller is not required to give his name, but is encouraged to do so.

Aim of the Department of to keep the abused child in its own home, if possible, and to rehabilitate the home. If this is not possible, a foster home is secured.

Charles Townes was in charge of the Rotary program, and introduced the speaker.

President David Midkiff announced Rotary will participate in the Bicentennial Celebration, along with other civic clubs. Included is a massive city cleanup campaign, tree planting, and city beautification is planned.

March 5 Trustee Filing Deadline

Wednesday, March 5, is the last day to file for Trustee. Interested parties should file with Mrs. Peggy Elliott at the Tahoka School Tax office in the Fenton Insurance Building.

Mrs. Elliott has been designated as absentee clerk for the Tahoka Independent School District Trustee Election. Absentee voting will begin on Monday, March 4, and will continue through Tuesday, April 1.

The election will be held on Saturday, April 5, in the Tahoka Community Building.

BROWNIES TAKE TOUR. Pictured above are Brownies in Troop 112 in front of the box and strip house at Ranch Headquarters. Left to right first row, Jennie Reece, Kathy Cook, Rosie Montemayor, Mafla Huffaker, Lena McKibben, Pamela Patterson. Second row, Nita Stice, Sherri Hudlin, Donna Vasquez, Leigh Furlow, Josie Vega, and Sandra Castellon. Third row, Michell Terry, Kimberly McMillian, Joann Garcia, Cloe Chancy, Latricia Timmons, Misty Cook, Monica McNeely, Leaders are Sonja Huffaker, Shirley Reece, Brenda Stice and Mary Beth McKibben.

Lynn County News Brownie Troop Take Tour

The Tahoka Brownie Troop 112 took a field trip last Tuesday. They were given a show at the Planetarium. The show was enjoyed by all. Next the girls toured the Ranch Headquarters. The tour guides were Karen Blakely and Teresa Thomas. They saw a box and strip house which was built to utilize scarce and expensive lumber to efficiently enclose space. This furnished dwelling of 1903 is from Martin County. The girls were fascinated and awed by it all.

Wilson Board Has Meeting

The Board of Education of Wilson Independent School District met in regular session on February 18, 1975, with the following board members present: Roy L. Kahlich, Curtis Wilke, Tommy Bednarz, C. W. Slone, Thomas Autry, and Donald Klaus; administrators present were Gary M. Gardner, superintendent, and Bob Spence, high school principal;

others present Alvin Mitts.

The following business was transacted:

- (1) Minutes of January 21st and February 6th, 1975 were approved as read.
- (2) The accounts payable for February were approved for payment as presented.
- (3) The Board approved Mrs. Wanda Stegemoeller as tax assessor-collector and secretary for the 75-76 school year. The Board approved the renewal contract of Mrs. Linda Clary as administrative secretary for the 75-76 school year.
- (4) The Board approved contract for repairs and maintenance of school typewriters and calculators submitted by Lubbock Office Suppliers for the 75-76 school year.
- (5) The following school personnel were reemployed for the 75-76 school year:
 - Bob Lee- Vocational Agriculture Teacher
 - James Satterwhite- Band Director
 - Alvin Mitts- Athletic Director and Head football Coach
 - Pat Mouser- Assistant Football Coach and Head Boys' Basketball Coach
 - Phil Warren- Jr. High Foot-

ball Coach and Girls' Basketball Coach
 (6) The Board adopted the 75-76 school calendar.
 (7) The Board decided to begin accepting sealed bids on a 1975 Chevrolet school bus immediately and such bids to be opened March 18, 1975, at the regular meeting of the Board of Education.

The meeting adjourned.

Tahoka School Menu

- MARCH 3-7, 1975**
- MONDAY-** Grill Cheese Sandwiches, Vegetable Soup, Crabs, and Fruit Cobbler.
- TUESDAY-** Pinto Beans with Bacon, Buttered Corn, Seasoned Mixed Greens, Cornbread, and Chocolate Pudding.

- THURSDAY-** Meat and Spiced Rice, English Peas and Carrots, Hot Rolls, Milk and Plum Cobbler.
- FRIDAY-** Hot Dogs with Chili and Cheese, Baked Beans, Lettuce Salad, Milk and Orange Juice with Pineapple.

TEXAS TALK

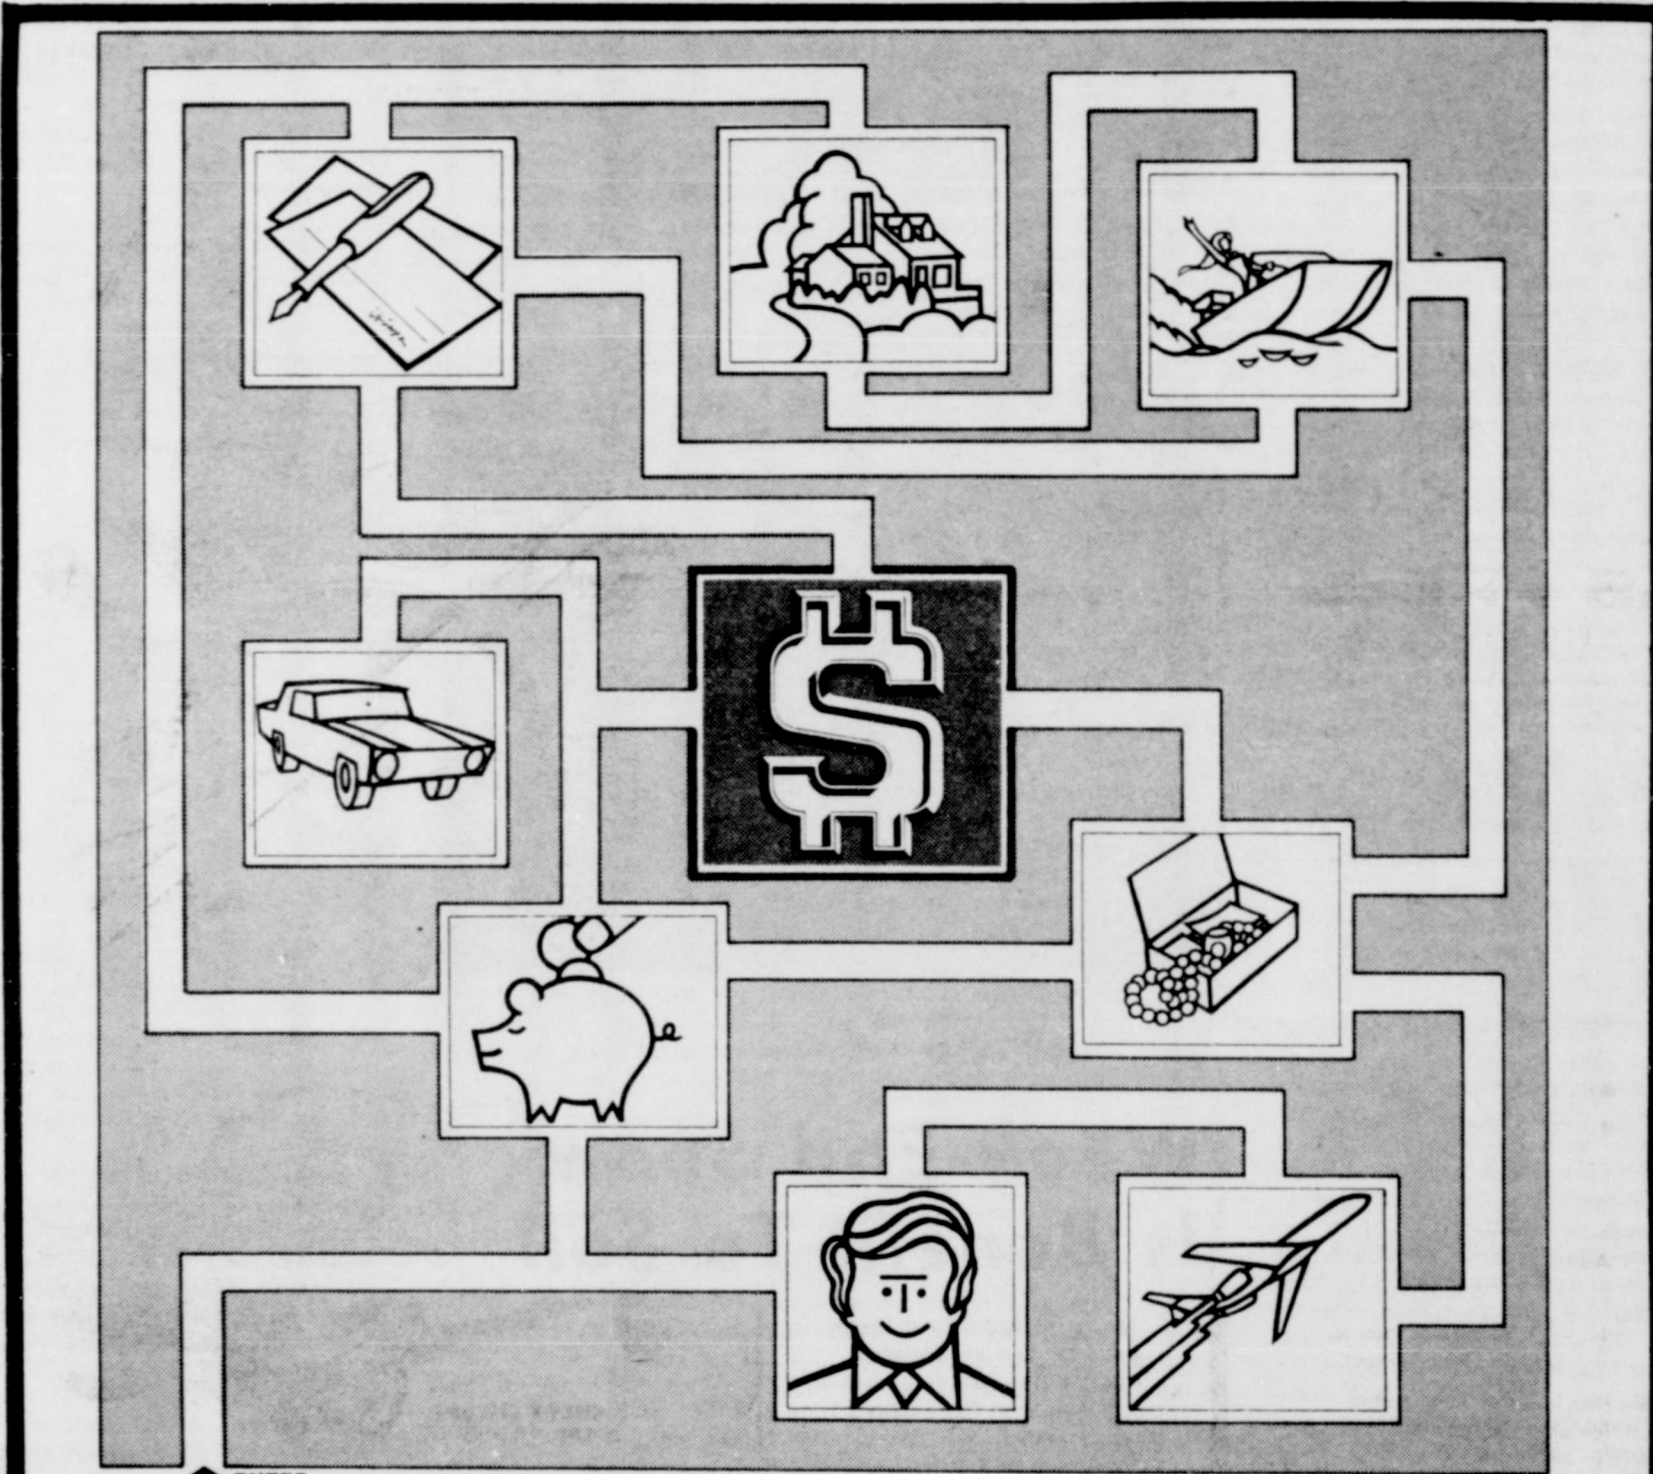

By Fred Myers

Q: I have heard the term bacterial blight used to describe crop disease. Is this a term generally describing all bacterial diseases or is it more specific?

A: BACTERIAL BLIGHT is a specific crop disease. Common victim of this malady is the soybean. Initial symptoms are small, yellow, angular spots appearing on the leaves of the plant. Surrounding the spots may be a yellowish-green halo. As the disease progresses these spots become dark brown or black and can cause serious leaf shredding. The threat of Bacterial Blight is most serious during cool and wet weather.

Many of the other common soybean diseases are given names which often describe symptoms of the particular disease. Some of these are: Brown Stem Rot, Purple Stain, Bud Blight and Soybean Mosaic. Most soybean diseases are avoided by making certain that planting seeds come from non-infected fields.

BASKETBALL QUEEN- Pictured above is Robin Stark as she receives her Tahoka Basketball Queen crown being placed on her head by Cindy Craig, last years queen. Robin is a junior in Tahoka High School and is the daughter of Mr. and Mrs. Jack Stark. Cindy is the daughter of Mr. and Mrs. Harvey Craig.

NEW HOME NEWS

by FLORENCE DAVIES

Mr. and Mrs. Lit H. Moore visited their son Gid Moore in Dallas last week and attended the twenty third joint Annual Co-operative meeting in the Statler Hilton Hotel with a group from New Home.

Mr. and Mrs. H.C. Hemmeline returned home Friday after four weeks in Denver City with their daughter, Peggy Murray and children. Peggy had major surgery in the Hobbs, New Mexico hospital Jan. 20 th., and has made good recovery. Charlie and Dink also visited with their son Royce and family in Denver City.

Five couples from the New Home Baptist Church were at White River Lake Friday, Feb. 14th until Sunday, for the last meeting of the spitiyusi htoup. meeting of the spiritual group. Attending were, Mr. and Mrs. Charles Smith, Mr. and Mrs. Don McBrayer, Mr. and Mrs. Steve Fillingim, Mr. and Mrs. Doug Davis and Mr. and Mrs. Mike Fillingim.

Mrs. Effie Hemmeline spent three weeks in Ft. Worth with her sister, Mrs. J.S. Caughey, returning home Thursday.

Monday of last week, Mr. and Mrs. D. B. Morris took his sister, Mrs. Bernie (Gloella) Finch of Kingsville to the home of her daughter, Mrs. Tonnie Faree at Roundrock. Mrs. Finch had been here and with her mother, Mrs. Bennie Morris in Lubbock a week. Donnie and Lois stayed Monday night in the Faree home and Tuesday night with Pete and Juanita Foster at Kingsland. They returned home Wednesday.

L. K. Nelson had eye surgery last Monday and returned home Thursday.

Mr. and Mrs. G. B. Mayfield, and Mr. and Mrs. Jim R. Mayfield of Manhattan, Kansas went to Kingsland, Friday Feb. 14th. to visit their brother, Otis and Susie Mayfield. Jim and his wife drove on to San Antonio to visit their sister, Mrs. John Peacock and family. The two couples returned here Wednesday and the Kansas Mayfields left for home Thursday morning.

Mrs. Bennie Morris is spending some time with her daughter, Mrs. Red Curtis and family, at Hobbs, New Mexico.

Jerry Harston was dismissed from St. Marys Hospital and returned home Thursday.

Mr. and Mrs. Ronnie Dulin, Tamra and Tawn spent the week end with friends, Mr. and Mrs. Durwood Blagrove, Stan and Steve in Akerly.

Mr. Bill McNeely remains in room 101, Tahoka Hospital.

Don McBrayer, salesman for Gooch meats in the Lubbock District attended a District Managers meeting in Abilene Sat. Running into the snow and ice storm coming home Sat. afternoon he had a "heap of trouble" getting stuck on 211 East of Wilson. He finally arrived home a-

bout eight p.m.

Bob Poer, C. B. Nowlin, Frank Timmons and Shorty Milliken fished last week at Falcon and Amstead Lakes, arriving home just ahead of the snow storm Sat.

Mrs. Leroy Nettles mother, Mrs. G. N. NeWhorter, fell Thur. at her home in Lubbock breaking her hip. She underwent surgery Sat. and is in the intensive care unit in University Hospital.

Loretta Wuensche, freshman student in Levelland Junior College, made the Deans Honor List for the fall semester. Loretta is majoring in accounting.

Charlie and Gladys Wiebe of Saskatoon, Canada arrived here Saturday to visit Jack and Katie Clements. They started a 60 day

tour Feb. 1st., staying one week at Miami Beach, Florida. There they visited Disney World in the Everglade and many other interesting places. They went on a boat tour to Nassau also. When they leave here they will visit relatives in Arizona and California, and then on to Van Couver BC to visit their daughter before returning home. The Clements and Wiebes' met and became friends when the Clements family visited in Canada two years ago.

Stan Musick Pledges Alpha Chi

Stan Musick, son of Mr. and Mrs. Gordon Musick, is among 16 junior and senior Lubbock Christian College (LCC) students initiated into Alpha Chi, a national academic honor society for senior colleges.

The Alpha Chi National Honor Society is made up of the top-ranking 10 percent of students classified as juniors and the top-ranking 10 percent of students classified as seniors.

Affiliated since 1955 with the Association of College Honor Societies, Alpha Chi is that organization's second oldest and second largest general honor society. Its inception actually extends to 1915, when President Charles M. Bishop of Southwestern University at Georgetown, Texas, organized a local society to promote and honor scholarship and character.

Today there are about 120 chapters of Alpha Chi in 37 U. S. states and in two foreign countries. Active members number more than 48,000.

Pink Raiders At Tahoka Tonight

The Tahoka Speech Club is sponsoring a "Pink Raider" basketball game Thursday, tonight at 8 p.m. at the Tahoka gym.

Tickets will be \$1.00 for adults and 50 cents for students. Everyone come out and support your local Speech Club, also for an enjoyable evening.

FACTS FOR YOU

from Texas Farm Bureau

WORLD FERTILIZER PLAN

The Food and Agriculture Organization of the United Nations, acting upon recommendations from that body, established the International Fertilizer Supply Scheme in July of 1974. The Organization states the purpose of this scheme as follows: "The purpose of this Scheme is to insure the availability of adequate amounts of fertilizer for developing countries and to mobilize financial assistance for those having serious payment problems because of high fertilizer prices."

The International Fertilizer Supply Scheme initially embarked on the following four activities: (1) assessment of the uncovered fertilizer requirements of developing countries with special attention to the countries most seriously affected by economic crisis, as defined for the purpose of the United Nations emergency operation; (2) assessment of the supply availability of fertilizers in producing countries; (3) assessment of sources of finance to match short fall of supplies; and (4) practical arrangements to provide fertilizers to needy developing countries on receipt to request.

As of November 29, 1974, 21 official requests had been received for help under the provisions of the International Fertilizer Supply Scheme. The total amount of fertilizer requested by these governments amounted to 544,000 tons of plant nutrients with a corresponding value of \$391 million.

Through November 29, 1974, 12 pledges had been received. Some of these pledges were in the form of fertilizer and some money. An estimate indicates a total tonnage pledge of 217,900 tons and approximately \$50 million. The U. N. organization has contributed \$9.75 million needed by India, Sri Lanka and Sierra Leone.

BONDING REQUIREMENTS OF CATTLE BUYERS

Generally speaking, all cattle buyers, with the exception of packer buyers and feedlots, are covered under the financial responsibility provisions of the Packers and Stockyard Act. Agricultural producers have lost heavily during the past year as a result of non-payment for livestock sold.

There is a procedure that will assist agricultural producers in protecting themselves against losses for non-payment of livestock sales. This procedure is to check with the Packers and Stockyard Administrator in Fort Worth, Texas, Area Code 817 telephone number 334-3286 to determine if the person or firm purchasing the producer's livestock is covered under the provisions of the Packers and Stockyard Act. If the individual or company is not covered under the Packers and Stockyard Act, it would always be advisable to demand payment in cash.

Packers and buyers of livestock have never been covered under the provisions of the Packers and Stockyard Act. This undoubtedly is due to a good lobbying job on the part of the packers. Some feedlots maintained coverage under the Act on a voluntary basis. Last year there was a case filed in the United States District Court for the district of Kansas (Solomon Valley Feedlot, Inc. vs Earl Butz, Secretary of Agriculture). The

status of the case to date is a temporary restraining order preventing administrators from re-

gistering feedlots pursuant to the Packers and Stockyard Act. There is no indication as to when the case will be finally settled.

PROPERTY TAX

The Tax Foundation reported in its monthly "Tax Features 1975" that property taxes have doubled in eight years. The organization estimates that property tax collection in 1974 will total near \$51 billion which is more than twice the total only eight years ago. Printed below is a map for the fiscal year ending on June 30, 1973.

In the case of Texas, the property tax for the fiscal year ending on June 30, 1965 was only \$93 per capita compared to the \$93 per capita compared to the \$161.00 per capita reported for the fiscal year ending on June 30, 1973.

MINIMUM WAGES

There is considerable confusion with regard to the requirements for minimum wages under the Fair Labor Standards Amendment of 1974 which was approved on April 8, 1974. The confusion is generated by the fact that the law (P. L. 93-259) divides the general minimum wage into two categories: (a) increases in minimum wage rates for employees covered before 1966 and (b) increases in minimum wage rates for non-agricultural employees covered in 1966 and 1974 amendments.

Generally, the applicable minimum wage was increased from the \$1.60 per hour to:

EMPLOYEES COVERED BEFORE 1966.

Effective May 1, 1974 \$2.00
Effective Jan. 1, 1975 \$2.10
Effective Jan. 1, 1976 \$2.30

EMPLOYEES COVERED IN 1966 AND 1974 (OTHER THAN AGRICULTURAL EMPLOYEES)

Effective May 1, 1974 \$1.90
Effective Jan. 1, 1975 \$2.00
Effective Jan. 1, 1976 \$2.20

NOTE: All minimum wages will go to \$2.30 after December 31,

Lynn County News

1976 except agricultural labor. The agricultural minimum wage was increased from \$1.30 to: \$1.60 on May 1, 1974; \$1.80 on January 1, 1975; \$2.00 on January 1, 1976; \$2.20 on January 1, 1977; \$2.30 on January 1, 1978.

FOREIGN ASSISTANCE PROGRAM

This is the seventh in a series of discussion in an attempt to explain at least some of the peculiarities of the Foreign Assistance Program. The discussion this week is an attempt to explain the foreign currency payments spent in foreign countries. This might be misleading in some respects in that this currency is spent in the country of origin although credited to the United States.

The program is reported in the following three categories:

following three categories:

(1) Food For Peace (P. L. 480) Data represents the use of foreign currency as authorized under provisions of Section 104 of the Agriculture Trade Development Assistance Act (P.L.480).
a. common defense (Section 104(c))

b. Cooley loans (Section 104(e))
c. economic development loans and grants (Section 104(f))

(2) Advances for technical assistance (including trust accounts to record the payment of foreign currency held in trust by the U. S. government for use in technical assistance programs).

(3) This category includes all other congressional committee expenses and other miscellaneous advances.

Total foreign currency involved in this section of the program for the fiscal year ending on June 30, 1973 amounted to \$388,288,000. The cost of the Food For Peace Program, paid for with foreign currency under the authority of Public Law 480, totaled \$348,222,000 and represented 89.7 percent of the total currency spent in foreign countries.

The two countries accounting for most of this expenditure in order were Vietnam \$190,185,000 and India \$104,159,000. If the amount expended in these two countries is added together the total is \$294,344,000 or 75.8 percent of all currency spent in foreign countries.

PUBLIC LAW 480
PUBLIC LAW 480

The Agricultural Trade Development and Assistance Act (P. L. 480) was enacted by Congress in 1954 as a method of alleviating the domestic market of surplus U. S. agriculture commodities. Public Law 480 authorized methods of exporting U. S. surplus agriculture production to friendly countries by four methods which were designated in the act as Title I, II, III; Title IV was added to the law in 1959. Title I authorized the sale of surplus agriculture commodities to foreign countries for which payment would be accepted in their local currency. Title II ment grants to foreign countries for famine relief and other assistance programs such as disaster relief, child feeding, and economic development. Title III provided for the donation of surplus agriculture products to be distributed by American voluntary relief agencies and the barter or exchange of agriculture commodities for foreign products in need in the United States. Title IV allowed countries to take U. S. agriculture commodities by a program of long term dollar credit sales.

The enactment of Public Law 480 in 1954 combined in one authority, or extended, a number of different existing programs into one overall program uniting farm surplus disposal techniques. P. L. 480 originally was requested by President Eisenhower as a part of a program to dispose of \$1 billion in existing farm surpluses, but now has been changed in purpose and extent of life. The law was enacted because of a need to dispose of surplus commodities that had been acquired by the Commodity Credit Corporation under its price support programs and to remove surpluses from the market before the CCC acquired them. In 1966, a major amendment was added to P. L. 480 called the Food For Peace Act of 1966 which changed the intent of the law. The Agriculture Trade Development and Assistance Act of 1954 then became known as it is known today, the U. S. Food For Peace Program. The 1966 amendment changed the emphasis of the program from surplus disposal to foreign aid.

Public Law 480 under the Food For Peace Program now is con-

Thursday, February 27, 1975

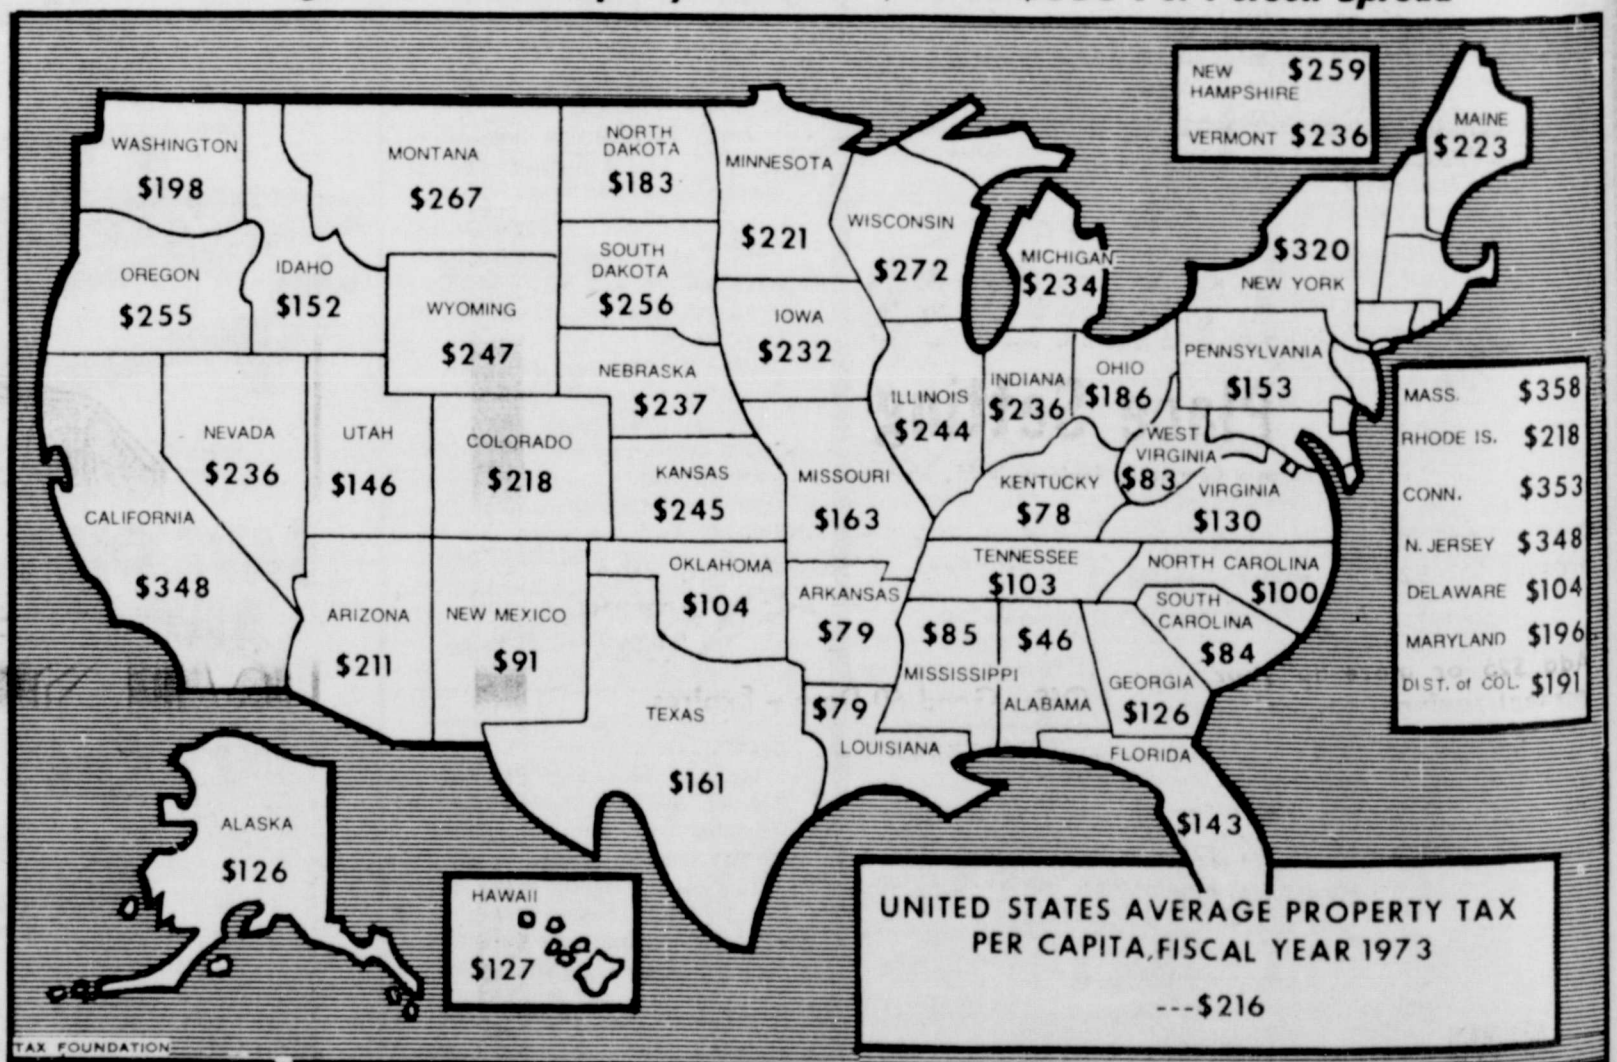

sidered a means of combatting world hunger. The emphasis of the old law to build U. S. agriculture markets in foreign countries has been changed to encourage under-developed countries to take steps to meet their own food problems. To receive agriculture aid from the U. S., the country must show initiative in helping remedy its own problems. The 1966 amendment combined the existing Title I (sales for local currency) and the existing Title IV (sales for dollars under long-term credit agreements) into a new Title I. It also combined the famine relief program of Title II and a section on donations through U. S. voluntary and international agencies in Title III into a new Title II. Several actions of Title III were deleted because most of the section was now incorporated into Title II although Title III still allows for the barter of goods for foreign produced strategic products. Title IV provisions were combined into Title I thereby leaving Title IV as a miscellaneous title that makes available U. S. farmer practices to developing countries. The title also authorizes the Secretary of Agriculture to solicit land grant colleges and other institutions of higher learning to recruit and train Americans to participate in the program.

The following information is an explanation of P. L. 480 programs.

U. S. agricultural exports under P. L. 480 for the fiscal years 1955-74 amounted to \$21,112,000. Money from the sale of agriculture products by terms of sales for dollars on credit are to be used to finance economic development projects in the country participating in the program. Money generated from the sale of U. W. agriculture commodities for foreign currencies is to be spent in the foreign country for economic development, building of U. S. agriculture markets, research, education and defense-support activities. Sales for foreign currency has been phased out and replaced by convertible local currency credit or dollar credit sales. June 28, 1971 was the last agreement signed for foreign currency.

Title II provides government- (See FACTS on next page)

Average Statewide Property Taxes—A \$46-to-\$358 Per Person Spread

As seen above, property taxes vary greatly in dollar totals from state to state. The state averages are taken from data in Tax Foundation, Inc.'s upcoming edition of *Facts and Figures on Government Finance*. The research organization also notes in a new study that property taxes can be significantly different within areas of a state.

The U.S. average of \$216 per capita in 1973 compares to \$118 in 1965. The study points out, however, that localities must consider more than just the revenue effects of this highly influential tax. Generally regarded as "the mainstay of local government finance," it has also received the label of "most disliked tax" in polls.

FACTS-----Continued

to government donations for disaster relief, economic development and donations through international and voluntary agencies. Government-to-government donations authorizes the United States to donate to foreign countries stocks of agricultural commodities held by the Commodity Credit Corporation or to purchase commodities to be given to foreign countries for disaster relief, school feeding, community and other development purposes. The U.S. government provides donations through international agencies such as the World Food Program (WFP) and the Food and Agriculture Organization

(FAO). Both of these organizations are a part of the United Nations family voluntary private relief organizations like CARE, Catholic Relief Service, Lutheran World Relief and Church World Service also distribute food to under-developed nations under authority of this program.

Title III provides grants to governments to participate in the barter of U. S. agricultural products for strategic material programs. This program has been decreasing in importance. On June 30, 1973, the P.L. 480 barter program was suspended and no contracts have been signed since then. Public Law 480 sales represented 5 percent of

Lynn County News

the total dollar value of U. S. agricultural exports in 1974 compared to 7 percent in 1973. During the fiscal years 1955-74, P. L. 480 sales accounted for 17 percent of the total agricultural dollar value export. The Secretary of Agriculture has recently announced the new P. L. 480 budget for fiscal year 1975 to be \$1.6 billion which is a \$637,000,000 increase over the \$963,000,000 budget for the fiscal year ending on June 30, 1974. Or stated another way, P. L. 480 expenditures for the fiscal year ending on June 30, 1974 is estimated to be 170 percent of the previous year's expenditures.

Faith Circle Met Monday

Faith Circle met Monday Feb. 24 in the parlor of the church. The meeting opened with a prayer by Mrs. G. M. Stewart.

The program, which was the first in a series on prayer, was brought by Mrs. E. M. Walker, with members participating. Prayer gives us a closer walk with God.

QUEEN AND PRINCESSES- Shown above are the princesses and queen of the Tahoka basketball team. Shown left to right are Elaine Draper, freshman, daughter of Mr. and Mrs. Robert Draper--Carla Stevens, sophomore, daughter of Mr. and Mrs. Bert Stevens-- Cindy Craig, last years queen, daughter of Mr. and Mrs. Harvey Craig--Robin Stark, Basketball Queen, junior, daughter of Mr. and Mrs. Jack Stark and Jackie Roseberry, senior, daughter of Mr. and Mrs. Jack Roseberry.

Search For Local Heroine

Girl Scout leaders have discussed Bicentennial plans at the service unit meetings. Our theme is to find and honor our hidden American heroines in our area. Each troop should find a woman to honor at least before the year is over. This certain person may be you as a leader, a mother, teacher or someone from the area. Not necessarily legendary figure of the long ago but woman you can easily identify with because of her connection to her own community. A troop might have a tea for her, invite her to attend or visit troop events.

Caprock Girl Scout Council Plan to publish a G. S. Bicentennial Cookbook, The Bicentennial Committee of Caprock Coun-

cil, therefore is interested in collecting old recipes. Girls and leaders might talk to their friends, relatives and neighbors to discover recipes to share. Recipes of much interest would be from various ethnic groups, including recipes for foods, drinks, and remedies too. Please type or print recipes with the name and address of donor respectively and include your name and troop no. Deadline for sending recipes is May 15, 1975. Send them to-

Mrs. Marybeth McKibben
 Service Unit Chairman
 or Mrs. Connie Hallmark
 Bicentennial Committee
 For more information, call the latter at 998-4946.

The Jordans

Jerry Marilyn Colleen Bruce

"The Jordans" At Church Of The Nazarene

Appearing March 2, 1975 at the Grassland Church of the Nazarene will be The Jordans from Brownfield, Texas. The group is composed of Jerry and Bruce Jordan, and their wives, Marilyn and Colleen. The Jordans travel from Canada to California in a full-time ministry. A providential

blessing was provided in the form of a streamlined Motor Home in which they do all of their travelling. They have a way of breaking down all religious barriers, from that first warm smile and hello to the last soul stirring song that is sung. As a result, people from all faiths enjoy their singing and they are heading the popularity list across the land. Their youthful appeal, Christ-centered singing, and old fashioned dedication have been the ingredients to a rapid climb and most unusual success. As Bruce has stat-

GENEALOGY CAN BE FUN

Mr. Odis Tew and his sister Joyce Bailey attended the Water Board Meeting held in the Grassland Community Center recently. The meeting was well attended and refreshments were served following the meeting. Faye Melton of Grassland spent one day in Lubbock this past week shopping. Ella Moore of Draw also visited with relatives and shopped in Lubbock last week. Linda Caswell was home for the weekend, returning to school at San Angelo college. Gary Kent Sherrill and family visited with his parents, Gus and Mary V. Sherrill, while enroute to a new assignment in Wichita Falls. Mr. S. A. Mensch is still recuperating from recent surgery. Joyce Bailey visited her sons and their families in Seminole and Denver City last week. A shower for Mrs. F. W. Tew was given by Mrs. James Murray. Other hostesses were La Quita and La Vonja Crutchfield. Attending were Joyce Bailey, Willie Mae Caswell, Ruby Cockery, Norma Campbell, Mrs. Jewel White, Mrs. Yates, Mrs. Burk McDonald, Beulah Tew, Mrs. W. A. King, Faye Melton,

Josie Ray and Mary Kay McDonald. Mr. and Mrs. Verner Melton and Joyce Bailey attended Birthday dinner and party for Mr. R. V. Blacklock of Post. Joyce Bailey and Ella Moore of Draw attended the H.W. Crawford 50th Anniversary in Lamesa Saturday. Mrs. Waymon Pierce recently traveled to Grapevine for a visit with their son and his family. Cathy Johnson has been hospitalized the past several days in Tahoka Hospital. Mr. Leonard Gribble of Grassland is in University Hospital, Lubbock. Members and or interested persons are invited to assist Grassland Nazarene Church every 4th Monday at State School in Lubbock. The group entertains one cottage of girls, (36) in playing games, singing, and other recreational activities. Any one interested in going with or starting another group to assist the Nazarene Church in this project may call Mrs. James Murray for further details.

ed, "We have experienced a MIRACLE in our lives.. one which we must share with the world" Wherever they sing, be it church, auditorium or on the fairgrounds, they endeavor to present Christ in the most spiritual kind of program possible. Don't miss THE EXCITING JORDONS with their Outreach for Christ in gospel song. The public and all the friends of the church are invited to attend the services at Grassland Community 12 miles East and 2 miles South of Tahoka at five-forty-five p.m.

Hargrave's In Nursing Home

The Lynn County News received a letter from Mr. and Mrs. E. A. Hargrave former residents of Tahoka now of Sulpher Springs. The Hargraves now live in a nursing home there since Mrs. Hargrave broke her leg and Lefty had a stroke. The News is sure that they would like to hear from their friends in Tahoka and their address is- Mr. and Mrs. E. A. Hargrave, 411 Airport Road, Leisure Lodge, Sulpher Springs, Texas 75482.

Conference March 6

The nutritional value of sorghum versus corn will be the topic of discussion during the March 6 session of the annual Grain Sorghum Research and Utilization Conference in Lubbock, Tex. Participating in the panel discussion will be leading nutritionists from throughout the area including Dr. L.S. Pope, secretary as moderator, Dr. T.D. Tinsley Jr., swine specialist, Lloyd Sherrrod, cattle specialist and Dr. James Osborn, agronomist. Sponsored by Grain Sorghum Producers Association and the Grain Sorghum Producers Board the two-day research conference opens at 4 p.m. March 6 and will conclude at noon March 7 with an awards luncheon. Activities will be conducted at South Park Inn on Loop 17. More than 300 plant scientists and animal nutritionists are expected to attend. A. W. "Dub" Anthony, Jr. Friona, Tex., president of the Sorghum Producers Association will serve as general chairman for the March 6 activities. C. "Pap" Reed of Kress, Texas, chairman of the March 6 activities which include discussions on exports and the foreign stock industry, as well as grain sorghum physiology. The Plains Nutrition Council and the Sorghum Improvement Committee of North America will conduct their meetings in conjunction with the two-day conference. GSPA will conduct its annual business meeting following adjournment of the conference March 6. Highlight of the GSPA meeting will be a talk by Gene Weir of Washington, D. C. associate administrator of the USDA's Agricultural Stabilization and Conservation Service.

Easter Seal Stepped Up

Because of the steady gain in numbers of crippled children and adults in Texas, the Easter Seal Society for Crippled Children and Adults of Texas has stepped up its rehabilitation services. W. H. Eudy, who is the Easter Seal Representative for Lynn County, said 20,152 handicapped Texans received Easter Seal treatments during 1974. "Despite medical scientific advances," Eudy explained, "the rank of the crippled are growing. This is because of population growth, increased number of accidents and medical treatments which saves victims of crippling diseases who might not have lived in past years." Quoting the annual report of the Easter Seal Society for Crippled Children and Adults of Texas, as affiliated treatment centers in Texas provide treatment and rehabilitation, speech and hearing and educational programs, and many other services required by the physically disabled to live normal lives. The largest group served includes those with major deformities of bones and joints, severe speech defects, cerebral palsy, arthritis, muscular atrophy and multiple sclerosis stroke. The Easter Seal Campaign, which provides funds for continuation of these services begins February 24, and continues through March 30, Easter Sunday.

BRIDGE WINNERS Last week's duplicate bridge winners at T-Bar were- Mrs. H. Cords and Mrs. Jess Currier first- Mrs. Juanita Szydlo and Mrs. Jackie Chesshir, both of Brownfield, second- Mrs. T. Leverett and Mrs. Gene McKee third- and Mrs. Coye Collier and Mrs. Wilmer Smith, fourth.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION APRIL 22, 1975

NUMBER ONE ON THE BALLOT (S.J.R. No. 3)

Repealing Sections 48a, 48b, 51e, and 51f of Article III and Sections 62 and 63 of Article XVI of the Texas Constitution, Article XVI of the Texas Constitution is amended to:

Provide for the revision and consolidation of provisions relating to state and local retirement systems and programs and to provide that all general laws that have established retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this constitutional amendment will remain in effect, subject to the general powers of the Legislature.

Provide that the amount a participating officer or employee contributes to the employee retirement system or the teacher retirement system shall be established by the Legislature but may not be less than 6% of current compensation and providing further that the amount contributed by the state may not be less than 6 nor more than 10% of the aggregate compensation paid to participating persons, except that in an emergency, as determined by the Governor, the Legislature may contribute more than 10% of the aggregate compensation paid to persons participating in state retirement systems.

Provide that the Legislature shall provide for local retirement systems created by any city or county for its officers and employees and shall further provide for a state-wide system of benefits for officers and employees of counties or other political subdivisions of the State which may voluntarily participate, and

to further provide that a state-wide system of benefits shall be provided for officers and employees of cities which may voluntarily participate.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising and consolidating provisions relating to state and local retirement systems and programs and providing for a maximum state contribution to state systems of 10 percent of the aggregate compensation paid to individuals."

NUMBER TWO ON THE BALLOT (H.J.R. No. 6)

Amending Article III, Section 24 of the Texas Constitution to:

Provide an increase in salary for members of the Legislature from \$400 per month to \$600 per month.

Provide an increase in the per diem rate for members of the Legislature from \$12 to \$30 for each day during each Regular and Special Session of the Legislature.

Provide an increase in the transportation allowance for members from \$.10 per mile to the rate prescribed by law for employees of the State of Texas.

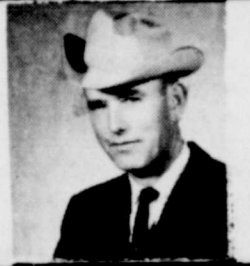

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment setting the salaries of members of the legislature at \$600 per month and setting a per diem of \$30 per day during legislative sessions and a mileage allowance at the same rate provided by law for state employees." 9-200

RECEIVING GIRL SCOUT COOKIES- Shown above are girls in Troop 112 of the Tahoka Girl Scouts receiving their cookies to sell to all their friends and neighbors. Watch out for these pretty little smiles, they'll be knocking at your door.

BILL GRIFFIN SAYS

Quality cotton planting seed may be in short supply due to delayed harvest operations last fall caused by unfavorable weather. But producers should buy the best seed available to get this year's crop off to a good start.

The High Plains area of Texas was especially hard hit by adverse weather.

Maximum lint and seed quality occurs at open boll. Therefore, quality goes in only one direction-down. How fast and how far quality drops in the field is determined by two factors--how long open bolls remain in the field and the type of weather conditions during field exposure.

However, seed quality can be further reduced if wet seed cotton is stored in trailers, ricks or modules. Good seed can be ruined for planting purposes in a matter of hours if it heats in storage. Seed cotton should be ginned immediately and not stored if it exceeds 12 percent moisture.

Why is high quality seed so important in getting a crop off to a good start? First, high quality seed tolerates cold, wet soil conditions that cause seedling disease. This means full early stands even with unfavorable spring weather. Secondly, good seed means rapid emergence and seedling growth with the advent of favorable weather after planting. High quality seed also contributes to uniform seedling growth and fewer abnormal seedlings.

Due to the generally poor quality seed produced this past season, germination standards for certified seed have been reduced from 80 to 70 per cent germination. So, producers in some cases may not have a choice and must use lower quality seed than desired.

If low quality seed must be used, delay planting until soil has warmed. Avoid planting too deep as low quality seed cannot tolerate too much covering soil. Increase seedling rates, but not more than 25 per cent.

Current high production costs and low prices demand that producers get an early stand with a minimum of replanting to pro-

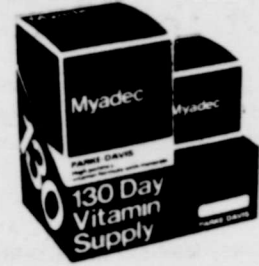

duce a profitable crop. Seed cost represents only five to six per cent of the total production cost. So, investing in the highest quality seed available is essential in getting a cotton crop off to a good start.

LOCAL

Spending an enjoyable weekend in the home of Mrs. Louis Brash, daughter Vickie and Mrs. Frank Raindl Sr. of Lubbock, were Mr. and Mrs. Harold Moss of Odessa, Mrs. Juanell Raindl and son Mitch of Tahoka, Mr. and Mrs. Roger Miller of Lubbock, Mr. and Mrs. Frank Raindl Jr. of Lubbock, Mrs. Jim Raindl of San Antonio, Mrs. Harry McKinney of Big Spring, Mrs. Greg Raindl of Houston, Mr. Bill Clark and son Jim of Austin, Mike Angerer, Carol and Anita Kahlick and Belinda Gaines of Slaton.

The Houston and San Antonio party left for their homes on Monday.

Tomas Reyes Funeral Held

Tomas Reyes, 25, of Tahoka died Monday, Feb. 24 at approximately nine forty-five in Lynn County Hospital after an extended illness.

Services were held at 3 p.m. Wednesday, Feb. 26 in St. Jude's Catholic Church in Tahoka with the Rev. Pat Hoffman officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Reyes was born July 6, 1949 in Gause, Texas and came to Lynn County in 1950. He was a member of the Catholic Church.

Survivors include his mother Mrs. Carmen Reyes of Tahoka, his grandmother, Mrs. Clara Saldana of Tahoka, three sisters, Mrs. Dominga Chapa of Fort Worth, Martina Tijerina and Jessie DeLeon, both of Tahoka, 2 brothers, Cecelio Reyes of Lubbock and Domingo Reyes of Tahoka.

Pallbearers were Cris Reyes, Pat Reyes, Alberto Reyes, Edward Daldana, Alex Saldana and Celto Saldana.

Youth Rally This Sunday

The young people of the Church of Christ will host an area wide youth rally this Sunday afternoon.

Three outstanding youth speakers are scheduled to speak on the theme, "Be Thou An Example". John Renwick, an evangelist from Scotland, will be the first speaker. Ted Kell, instructor at the Sunset School of Preaching will bring the second lesson. Jim McGuigan, dynamic Irish evangelist, will be the keynote speaker at the 6 p.m. service. Bob Connell, songwriter and preacher from Post, Texas, will direct the singing the afternoon long rally. Ladies from the church will provide a meal for the visitors at four-thirty p.m.

The Hard Travelers, a well known singing group from Lubbock Christian College, will provide entertainment after the keynote speech.

The group will perform from approximately seven-fifteen until eight p.m.

All Tahoka youth are invited to come and be a part of the activities.

T-Bar Club Annual Meeting

A delayed annual meeting of T-Bar Country Club members will be held this Thursday night, Feb. 27, at eight p.m. in the party house.

Robert Harvick, current president, asks all members possible to attend since new directors and officers are to be selected.

Nominated to fill three places on the board of directors are Robert Smith, Glenda Dunagan, Albert Curry, Lit Moore Jr., O. R. Phifer Jr., and Robert Draper. Other nominations may be made from the floor. A term on the board is for three years.

The terms of Robert Harvick, G. W. White and Walton Terry expire at this time. Holdover directors are Joy Brookshire,

Thursday, February 27, 1975

John Curry, Frank Hill, and Capland James.

Reports will be presented by officers, and other possible business presented.

Refreshments will be served following the business meeting.

Garden Club Met Feb. 18

The Tahoka Garden Club met Tuesday, Feb. 18, at 10 a.m. in the home of Mrs. Harold Banks in Lubbock with Mrs. Tom Gill and Mrs. Joe Arrington Sr. acting as co-hostesses. Mrs. Sharon Menault, a member of the Lubbock Audubon Society gave a most interesting and informative slide review and commentary of "West Texas Birds".

Mrs. E. M. Walker, Mrs. D. R. Proffitt and Mrs. H. R. Tankersley were elected delegates to the District One Spring Convention to be held in Lubbock March 4 and 5 at the Hilton Inn.

The next regular meeting of the Tahoka Garden Club will be in the home of Mrs. Francis Reed, Tuesday, March 18 at two-thirty p.m. Mrs. Peggy Jennings and Mrs. E. M. Walker will serve as co-hostesses. The Clubs activity project will be a plant and seed exchange of which Mrs. C. M. Greer is chairman.

Preaching Mission At Methodist Church

The Tahoka First United Methodist Church will be hosting a "Preaching Mission" March 7, 8, and 9. Services begin at 7:30 p.m. Friday with Dr. Claus H. Rohlfs preaching. An all church breakfast will be held at 7 a.m. Saturday with services following and an all church dinner, Sunday. The nursery will be provided for all services.

The Reverend Dr. Claus H.R. Rohlfs is a Professor of Church Administration, Director of Intern Program and Field Education, and Director of Courses of Study School Southern Methodist University-Perkins School of Theology.

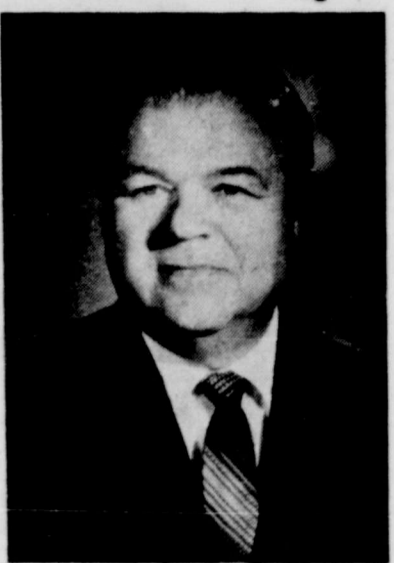

Dr. Rohlfs was born in Innien, the State of Schleswig-Holstein, West Germany in 1921. He came to the United States with his mother and three sisters in 1931. His father preceded the family in 1929.

Dr. Rohlfs has a B. S. degree from Temple University, Philadelphia, Penn, a B. D. degree from SMU, Dallas, additional work summers of 1955, '58, '59, '61, and '65 at Union Theologi-

cal Seminary, Austin Presbyterian Seminary, Perkins School of Theology, Princeton University- and Germany in summer of '57. He is a member of the Southwest Texas United Methodist Annual Conference, a member of Blue Bonnet Lodge no.1219A.F. and A. M. , and also the San Antonio Consistory, he is a member of The Association of Seminary Professors in the Practical Fields.

Dr. Rohlfs has served in many churches as a full-time pastor and was D. S. of the San Antonio District. He has served as delegate to General Conference of The Methodist Church, delegate of the Southwest Texas Conference to the South Central Jurisdictional Conference, delegate to World Methodist Conference, London, 1966, he has served as chairman of Conference Board of Evangelism and in many other capacities.

Tenderfoot: "Why are hurricanes named after girls?" Meteorologist: "Because they're spinsters."

Acid Indigestion, Painful Stomach Gas

...this is "Gasid Indigestion." Take DI-GEL for Fast Relief.

DI-GEL® gives more complete relief because it does what plain antacids can't. It reduces excess acid. Also contains Simethicone to get rid of gas, too. Heartburn, gas, bloating go fast. Get DI-GEL.

S-O-O-O-GOOD! Have you bought your Girl Scout cookies yet? Pictured above are 12 of the 17 members of Jr. Girl Scout Troop No. 396, receiving their cookies for sale, last Friday. Girls pictured are- back row- Amy Porterfield, Marcy Raindl, Genell Wells, Sandra Womock, Kim Paynes, Cindy Chancy and Cathy Meeks. Front row- Suzanne Brooks, Lena Del Toro, Teresa Arellano, Karen Stewart, and Denise Dodson. Other Troop members are Lani Brown, Kim White, Cindy Lawson, Sheri Tomlinson and Nancy Lawson. If you haven't bought your Girl Scout cookies yet, be sure to help out our local Girl Scouts and do so before March 8.

Larry Monk Receives Award

Certificates of achievement will be awarded Tuesday (Feb. 18) to 36 Pioneer Natural Gas area servicemen who have completed a course in basic applied electricity.

The course is being co-sponsored by Pioneer Natural Gas Co. of Lubbock and the Regional Occupational Center at Lubbock, a division of South Plains College.

Ceremonies will be at the Pioneer Natural Gas Service Center, located on Quirt Avenue in Lub.

Awarding certificates will be B. P. Robinson, dean of the Regional Occupational Center in Lubbock, Homer McLean, associate professor of physics at SPC and Joe Price, division manager and Phil Mast, service coordinator, both of Pioneer Natural Gas.

Lubbock recipients will include Troy Adkins, Michael Baldrige, Robert Byers, Jerry Drake, Joe Franklin, John Giles, George Hartin, JR., Wesley James, Bobby McGann, Connie Murray, Mike Muschalek, Randy Parkman, Leonard Pringle, Glenn Roberts Thomas Rone, Bill Swinney, Paul Tabor, Tom Terrett, Ralph Thard and Bob Todd, all of Lubbock.

Other recipients include Charles Cheyne and Martin Edwards, both of Crosbyton. Charle Cooper and H. Gene Moore, both of Post-James Downey, Larry Lindsey, Denny Sneed and Elbery Sperry, all of Idalou; Edward Esparza of Ralls- Bill Hart and Donnie Townsley, both of Shallowater- Weldon Self of Slaton- Lawrence Monk, of Tahoka and Clayton Lisenby Millard Thinkstun and Larry Turner, all of Abernathy.

By May of this year 180 servicemen for Pioneer Natural Gas Panhandle Service Area will have completed the basic electricity course.

Phebe K. Club Serve Dinner To Husbands

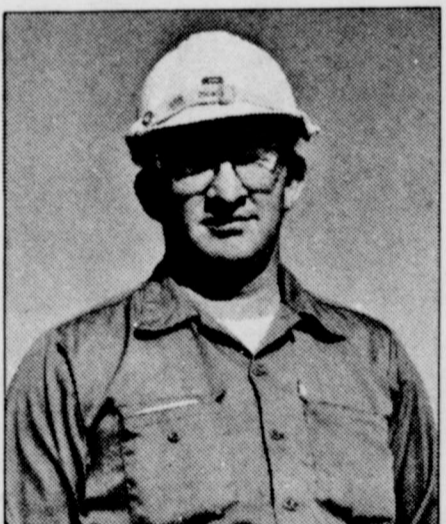

Phebe K. Warner Study Club members entertained their husbands Tuesday, February 18 at Fellowship Hall of the First United Methodist Church.

A covered dish dinner was served to several members and guests and afterwards everyone enjoyed dominoes and cards.

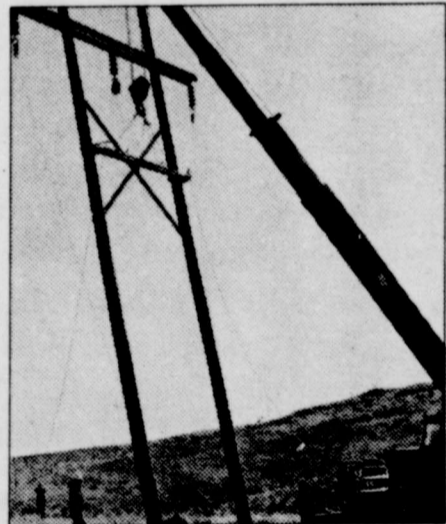

The next meeting will be held February 25 when Mrs. F. B. Hegi, Home Life Chairman will present the program.

HOW'S The Electric Company DOING?

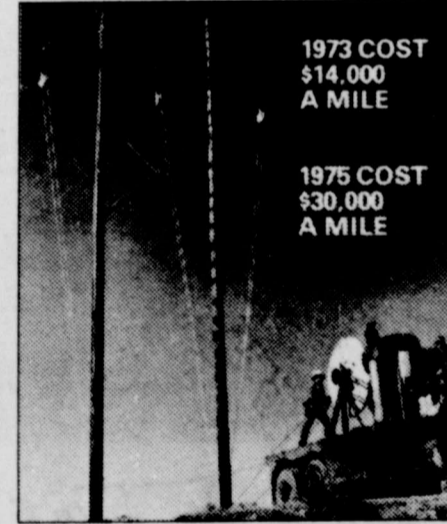

Let's ask Don Webber, transmission line foreman . . .

"What's going on here, Don?"

"We're putting in a new 115,000 volt line . . . gives us another feed to back up our dependability . . ."

1973 COST \$14,000 A MILE

1975 COST \$30,000 A MILE

"Cost us about \$14,000 a mile just two years ago, now it's running \$30,000 a mile."

Higher costs to keep your electric service dependable . . . part of the reason your electric bill may be higher these days. But without dependability, electricity wouldn't be worth much . . . would it?

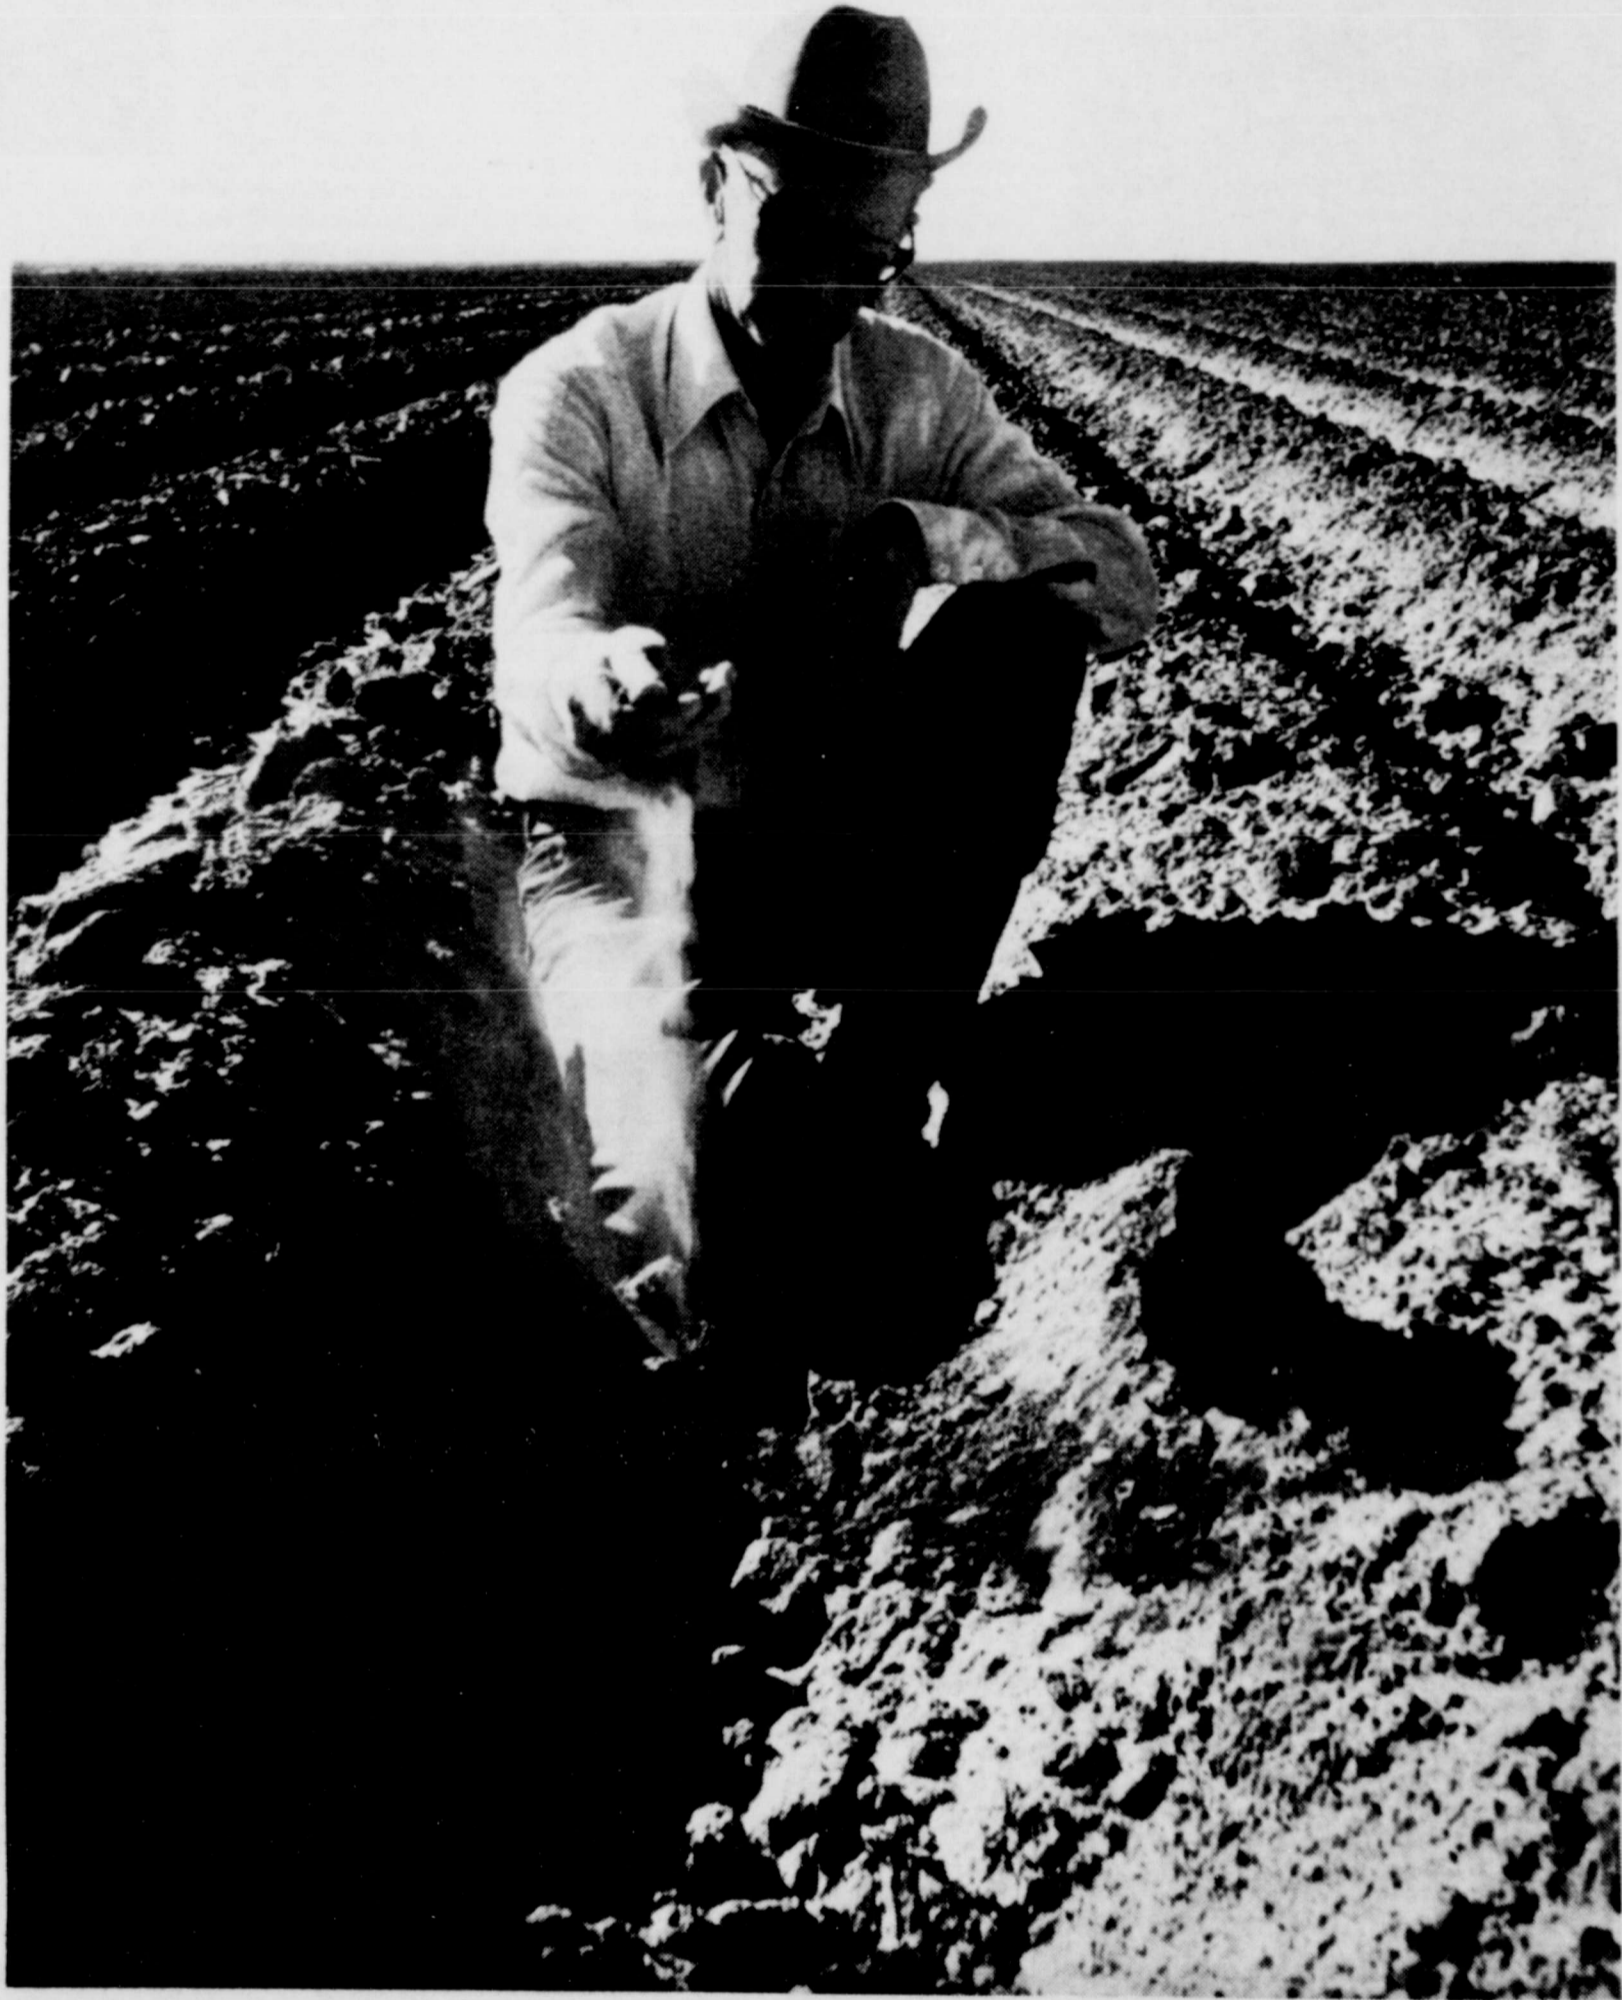

The Future IS Electric!

Why gamble on a herbicide that's not made for sandy soils?

Now you can get one that is.

SANCAP.[®] It's made specially for your sandy soils. It's made for cotton on your land.

You can forget about experimenting with rates to adjust for sandy soils. Just follow the recommendations, and you'll get weed control you can depend on—without injuring your cotton.

You'll get control of the most troublesome weeds in this area—carelessweed and Russian thistle.

And you can forget about moisture loss due to incorporation. Just apply Sancap at planting, or within two days after.

Then watch your cotton come through, clean and healthy. No more experiments. No more mistakes.

Because now you've got a herbicide for sandy soils.

Agricultural Division, CIBA-GEIGY Corporation, P.O. Box 11422, Greensboro, NC 27409.

Sancap. The first and only herbicide made for sandy soils.

Fulbright-Worden Repeat Double Ring Vows

In an evening ceremony Feb. 26 at First United Methodist Church in Hobbs, N. M., Miss Bertha Ann Fulbright became the bride of G. R. Worden with Dr. John Carpenter performing the double ring ceremony.

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Joe Fulbright. Parents of the bridegroom are Mr. and Mrs. G. W. Worden, of Hobbs.

The couple stood beneath an archway trimmed with red and white carnations and greenery. The church railing was decorated with greenery, white candles and white bows.

Lavonne Worden, aunt of the groom, sang "More" and "Twelfth of Never" accompanied by Reese Nelson, organist.

The bride wore an a-line styled gown of white satin fashioned with a lace over satin bodice and long lace sleeves. The gown featured a long scalloped lace train attached at the bodice. The brides elbow length veil was attached to a Juliette Cap.

The brides cascade bouquet of red carnations trimmed with white streamers was carried atop a lace covered bible. For something old, the bride carried a handkerchief belonging to her grandmother Mrs. Bertha Jolly,

something borrowed, was a diamond pendant belonging to her mother, and something blue was the traditional blue garter.

Sue Perry, of San Jose, Calif., sister of the bride, was Matron of Honor. She wore a gown of red polyester knit fashioned with an empire bodice and short puffed sleeves. She wore a white wide-brimmed hat trimmed with red, and carried a nosegay of white carnations trimmed with red streamers.

Candlelighters were Kay Fulbright, sister of the bride, and Ronnie Worden, brother of the bridegroom. Miss Fulbright wore a gown fashioned identical to the Matron's of Honor.

The bridegroom was attended by Ray Simmons as Best-Man. Ushers were Bobby Fulbright, brother of the bride, and Raymond Worden, uncle of the bridegroom.

After the ceremony, a reception was held in the Fellowship Hall of the Church.

Miss Belinda Jolly of Tahoka Texas, registered guests.

Portions of a three tiered cake and red punch, was served from a table covered with a white lace trimmed linen cloth, and centered with an arrangement of red carnations and white candles.

Serving guests were Miss Becky Dycus of Lubbock, Miss Sharon Jolly of Tahoka, and Mrs. Debbie Fulbright of Hobbs.

For a wedding trip to Marfa and Big Bend, the new Mrs.

Worden wore a pants suit of light blue and tan polyester knit and a red carnation corsage.

The bride is a mid-term graduate of Hobbs High School and is employed by the Hobbs Police Department.

The bridegroom is a 1974 graduate of Hobbs High School and is employed by Kerr-McGee

Those attending from Tahoka were Mr. and Mrs. Allen Jolly, grandparents of the bride, Mrs.

Genay Jolly and Belinda, Mrs. Reva Jolly, Sharon and Ronny.

Other out of town guest were from California, Arkansas, Oklahoma, Texas, and New Mexico.

Mr. and Mrs. Ed Hamilton will leave next week on a trip to Europe and visit Germany, Austria, and Switzerland. The tour is being sponsored by an Amarillo wholesale firm.

The 1975 Cub Cadet Tractor

INTERNATIONAL HARVESTER

MODEL 1250

Hydrostatic direct drive

NOW QUIETER THAN EVER. They said you couldn't make a gasoline-powered tractor run this quietly. We did it. We started with the engine. Instead of mounting directly to the frame, we use sound-deadening iso-mounts. Which also protect against wear. Then we enclosed the engine-top, sides, front, back in extra layers of steel insulation. And added a super-sized muffler, twice as big as the old one. Result—the end of annoying "engine racket" those sounds which measure higher than 70 decibels. The difference means a more pleasant ride as you cut your lawn. And maybe even a decent break for your neighbors on weekend mornings.

 March 2- Kurt McCleskey, Judy Moczygemba.
 March 5- Carla Wilke, Cynthia White.
 March 7- Blanche Kirbie, Chris Coleman.

FHA-
 The Wilson FHA girls held a sweets auction on Valentines Day as a part of the National FHA Week. Proceeds amounted to \$79.00.

Wilson FHA girls collected for the March of Dimes through Wednesday.

WHO'S WHO

Their are four girls from Wilson that have been named to Who's Who among American School Students. They are Se-

A five-year old showed up at kindergarten one day dressed in faded blue jeans under a frilly petticoat and a beautiful ruffled party dress. Pinned to the dress was this note from the girls mother: "I hope you don't think this was my ideal"

niors Mandi Lee, and Becky Verkamp, and Juniors are Lessia Clary, and Camille Rice.

WRITING CONTEST

Irene Hernandez, a junior at Wilson High School, has been selected to go to the Achievement Awards in writing contest.

BASKETBALL

The junior varsity boys played New Home last Tuesday, Feb. 18. The junior varsity boys lost 69 to 55 and Joe Zavala was high pointer with 20 points. The junior varsity boys were defeated by Meadow last Friday, Feb. 21. The score was 50 to 43 and Joe Zavala scored 26 points for the Mustangs.

The varsity boys were defeated by New Home last Tuesday, Feb. 18. The score was 94 to 92 and Craig Wilke was high pointer for the Mustangs with 30 points. The varsity boys played Meadow last Friday, Feb. 21. The varsity boys lost 91 to 76 and Craig Wilke, and Carlton Henderson were tied with 20 points for the Mustangs.

Lynn County News

Chamber Banquet Set March 13

The annual Chamber of Commerce Farmer - Businessman banquet will be held Thursday, March 13, at seven thirty p.m. in the school cafeteria. Grady Nutt will be the featured speaker. Mr. Nutt sings, tells humorous stories, juggles, plays half-a-dozen musical instruments, and performs before groups across the country.

Tickets for the event are now on sale at \$5.00 each. If you would like tickets contact any Chamber director or write to Monte Dodson in care of the First National Bank.

Lynn Schools Receive Money

Four Lynn County school districts will receive a total of approximately \$80,059 from the funds in the bill providing supplemental appropriations for the Central Education Agency, passed by the Texas Legislature earlier this month. Tahoka Independent School District will receive \$36,282, followed by O'Donnell Independent School District- \$19,410, Wilson Independent School District- \$12,926, and New Home Independent School District- \$11,441. This emergency legislation provided for each affected school district to receive supplemental monies based on their respective Average Daily Attendance (ADA) figures and percentages of state support. "I was pleased to see the emergency appropriations bill for public schools passed," commented Representative E. L. Short.

Most observers agree that public school finance is the biggest problem facing the 64th Legislature. Such factors as the growing financial instability in various school districts across the state, disproportionately low teachers' salaries, and the continued fiscal integrity of budget balance schools combine to complicate the legislators' job.

No plan has been debated in committee as yet. There will be a plan recommended by the Governor, as well as a Texas State Teachers Association (TSTA) proposal.

"It could be May before a law is enacted to correct the inequities of teachers' salaries and education finance," Representative Short said.

SOIL CONSERVATION NEWS

HOME GROWN

America is bullish on family vegetable gardens. In recent years seedsmen have consistently sold more seeds of vegetables than of flowers. Now comes additional evidence of this burgeoning interest. A national public opinion polling organization reports that one of every two U. S. households plants a vegetable garden. Moreover, the poll indicates that millions of other Americans would plant them if they could find available plots of land.

Not unexpectedly, those polled gave two main reasons for vegetable gardening- to save on the weekly food bill and to enjoy right-out-of-the-garden freshness and flavor. Unfortunately, the poll also disclosed a high rate of dropouts among beginning gardeners. Experts say that beginners often attempt too large a garden, lack a good garden plan, and fail to practice basic skills. Perhaps beginners need to realize that successful gardening calls for a commitment to time and to acquiring knowledge of elementary gardening lore.

It is an easy and pleasant road to such a commitment. First, experts suggest that the beginner hold next spring's garden size to no larger than 15 by 25 feet- an area, that given a little proper daily tending, will yield surprisingly rich and varied harvests. Second, now that winter has set in, he should invest some fireside time to studying some of the lore so generously shared by the vast fraternity of gardeners. For the price of a few post-cards, he can obtain a wealth of garden information in the catalogs of seedsmen and nurserymen. Their pages brim with descriptions and photos of plants, their planting and harvesting dates and growing requirements. By following the typical catalog's instructions, the beginner can sketch a garden plan encompassing the varieties he wants with the amounts of each needed. There are other sources of information- Garden center, local gardeners and clubs, county agents, State and Federal publi-

cations. Gardeners also enjoy the constant support of ARS scientists and their colleagues in government and industry who provide improved varieties, cultural practices, and disease and plant control methods.

Many new gardeners will discover the Green Kingdom with the onset of the growing year. Soon they will learn that gardening does more than save money and provide flavorful vegetables. For gardening also sustains the human spirit and teaches vital lessons about living in peace with the earth. They will enjoy the roll of the reasons, and endings that flow to beginnings, seeds and the springtime of planting them.

SOIL AND HOMES

No experienced camper would

pitch a tent without studying the soil for smoothness, drainage, rocks, and ditches.

And he'd make sure it was close to a wood and water supply if he planned to stay more than a day. Shade and shelter from wind would be important too.

Sounds simple, doesn't it ?

Yet did you know that people often spend less time studying the soil before buying a home than they do before pitching a tent?

Yet an unlucky choice of homesites can result in cracked walls, erosion, high maintenance costs, and other problems for years and years to come.

If you plan to buy a building lot, study the soil at least as thoroughly as you would if you were going to make camp for a few days.

Contact your local Soil Conservation Service office for literature telling you how.

"Have you ever been troubled by diphtheria?"

"Only when I tried to spell it."

Rites Held For Mrs. Eaton

Mrs. Addie Eaton, 89, of Lubbock died at twelve-fifteen a.m. Monday in West Texas Hospital following a lengthy illness.

Services were held at two-thirty p.m. Tuesday in Sanders Memorial Chapel with Dr. E. Harold Henderson, pastor of Central Baptist Church, officiating.

Burial was in Tahoka Cemetery.

Mrs. Eaton, a native Texan, lived in Lynn County from 1925 to 1942 and lived in Lubbock and California before moving to Albuquerque, N. M., in 1951. She had resided in Lubbock since 1973.

Survivors include two sons, Cleveland of Lubbock and Claude of Phoenix, Ariz., five daughters, Mrs. Irene Roberts of Odessa, Mrs. Johnnie Smith of Mountainview, Ark. Mrs. Juanita Deer of Albuquerque, N. M. and Mrs. Donnie Barber and Mrs. Dannie Nalley, both of Atlanta, Ga., two sisters, Mrs. Estella McCarthy of Lubbock and Mrs. Colmer McAnaer of Slaton, 17 grandchildren, 25 great-grandchildren, and 11 great-great-grandchildren.

Nursing Home News

Evelyn Russell
Administrator

Colonial Nursing Home, Feb. 24, 1975. This month will soon be gone then comes March and the good old sand storms. The snow looks so pretty, but the people who get out on their way to work claim the driving is rough. Some of our aides failed to make it to work.

Oh this early getting up in the morning isn't going over some forgot to run the clocks up.

We sure do need help on Monday as our gospel singing needs more people to come help us. So please pray over the matter and come out and help.

The United Methodist Church with several good helpers were here to help Brother Frank, he used the Lord's prayer found in St. John.

Mrs. Cook, Mrs. Sessum remain in the hospital. Mr. Allen is back with us. He is doing just fine.

As the weather has been unsettled Kyle Adams is here checking us.

Mrs. Russell reports that Mrs. Lena Short brought some nice turnips.

Leo Martin Services Held

Leo Martin, 54, of Estes Park, Colo., died Feb. 14 of an apparent heart attack. Martin is a former Tahoka resident. He is the son of the late Lee Martin and Mrs. Martin of Tahoka. He was a veteran of WWII and graduated from the University of Texas. He was formerly employed by the Haney's at Tahoka Drug. He was presently owner and pharmacist at an Estes Park drug store.

Survivors include his wife, his mother, Mrs. Lee Martin of Tahoka, 2 brothers, Gordon of Levelland and Maurice of Friendswood.

Burial services were held Feb. 19, in Rest Haven Cemetery in Lubbock.

Pallbearers were Grady and Mike Lankford, Bill Garrett, Ed Wisdom, Howard Kemp and James Martin.

Seniors To Have Clean-Up Day

This year the '75 Senior class is planning a short trip to Dallas. This will only be possible because of your support and help. On March 1, 1975, they will hold a clean up day beginning at 9:00. This will include yards, alleys, flower beds, haul off trash, pruning and about anything else you may want done. Please call in advance so the class can have a planned out day and not miss someone. 998-4797 or 998-4906.

Carolyn Haley Says...

Lightweight or forage fed beef is gaining consumer acceptance. This is due partly to the lower price of this product.

In light weight beef, there is a reduction of marbling and fat covering which affects flavor and juiciness. However, on a lean for lean basis the nutrition is the same as grain fed or heavy beef.

The preparation and cooking of lightweight beef is similar to that of veal. Moist heat methods of cooking are recommended for less tender cuts of lightweight as well as grain fed beef. More tender cuts of lightweight beef can be prepared by dry heat methods of cookery provided the beef is basted with fat. Also Marinades are recommended to enhance the flavor of lightweight beef. A new free publication available from the County Extension office explains the met-

hods for cooking lightweight beef. You can obtain "Let's Cook Lightweight Beef" by calling the County Extension Office at 998-4800 or writing Box 668, Tahoka, Texas 79373.

Here's a recipe for lightweight Beef-

- MARINATED ROUND STEAK
- 1 cup salad oil
- 1 cup soy sauce
- 1/4 cup wine vinegar
- 1/2 cup minced onion
- 1 clove garlic, minced
- 1/2 teaspoon coarsley ground black pepper
- 1/2 teaspoon dry mustard

Combine all ingredients and pour over steak in a flat dish. Cover dish and leave in refrigerator overnight. To grill meat, move from marinade and drain well. Use marinade to baste the meat as it cooks. Yields about 2 3/4 cups.

A ding-a-ling orders Gas air conditioning now.

A telephone call to Pioneer Natural Gas brings an air conditioning specialist to your home for a free survey and cost estimate at no obligation to you. He'll answer all your questions, and tell you what it will take to install GAS air conditioning in your home. It's the first easy step toward having your dependable GAS air conditioning installed before the first hot, windy days are here.

A GAS air conditioning system is ruggedly built to cool quietly and efficiently. There are fewer moving parts, and no compressor to break down or wear out. Heat from the steady blue flame circulates a refrigerant through the system to cool the air. It's this simple principle that gives GAS air conditioning its long life with no loss of cooling capacity and easy maintenance.

Install GAS air conditioning now. You'll avoid the rush, and be enjoying the quiet, cooling comfort of GAS air conditioning while everyone else is waiting. Give us a ring... a-ling.

Call Us.

TAHOKA, TEXAS

A SHORT REPORT

By REPRESENTATIVE E. L. SHORT

My term as Chairman of the Texas Delegation expires...

appointed by Speaker... subject matter is... cities, water districts, capital districts, redistricting, annexation and land...

Legislation I am looking at... closely is. A way to make... Unclaimed, unknown mineral interest owners;... suppression or weather modification would be permitted...

Municipal Courts to hear cases... parents of delinquent children; Amend the family code so that...

a stepchild may be adopted with the least amount of expense and legality;

A requirement that addresses and legal descriptions of instruments be filed with the County Clerk.

Atty. Gen. Hill ruled (added expenses at the local level)... "all foundation schools must furnish special educational programs to "exceptional children" by Sept. 1, 1976."

An Amendment to aid balance budget schools under emergency appropriation failed- 103-34.

Feb. 7, Dallas Times Herald says "TSTA is asking for a \$2.5 billion program"....also quoting "the Governor will balk at spending more than \$650 million".

My wife (Dink) and Maxine Tarbox of Lubbock were asked by Darrell Royal's staff to inspect

Lynn County News

the U. T. football players rooms... they did-- many were still not up it was mid-morning--Saturday. Many wall hangings were evident--even a fireplug was seen--(Rooms were in good order they reported).

It's reported 300 million of the 999 million surplus has been spent.

Governor presents water plan--(to come from Mississippi).

As expected-- I was placed on the State Affairs Subcommittee for H. B. 255- known as Barbers VS Cosmetologists.

Melinda Hittson of Levelland and Karen Awbrey of Sundown were in the Austin office last week participating in my one-week student intern program.

Common Cause selected for its top goal a utilities commission and listed on their priorities- opposition to efforts to rescind the ERA Amendment.

"Oh, I've seen them all, and they all say the same thing: 'Nothing wrong organically.'" "Maybe what you need is to see a good psychiatrist." "Oh, I couldn't--you see, I'm not allowed on couches!"

DECA - THE WAY TO TOMORROW

This week we're introducing Cindy Park. Cindy is 17 years old. She is employed at White

Funeral Home. Her employer is Mrs. Billie White. Cindy works as a receptionist. Her activities

in school are a DECA member and officer, FHA member and chapter officer, Senior Class

President, and is active in the Rainbow for Girls Organization. Her parents are Mr. and Mrs. Natt Park.

Hickory Inn

Ty Cooke & Wimp Lawrence : Owners

amous for their delicious... the Hickory Inn is located... 99-4033. from 11 a.m. to midnight, from miles around frequent... que house of fine food... es. Their menu is one of... t exciting you'll find any... the food they service is

equally delicious. In an atmosphere you can relax and enjoy, friendly waitresses will serve you in the most courteous and polite manner.

This restaurant specializes in hickory broiled steaks.

In their clean, modern kitchen, their food is prepared by experts

in the art of fine cuisine, and out of only the highest quality of foods.

The editing staff of this 1975 Review take this opportunity to give our wholehearted recommendation to this fine restaurant for delicious food and friendly service, and suggest that our readers enjoy a dinner soon at the Hickory Inn.

Card Of Thanks

I would like to thank Dr. Cole
and the nurses for being so kind
to me during my stay in the hos-
pital. Bro. Tut, Bro. Turner and
many friends helped so much
with their prayers, visits, cards
and flowers.
God bless each of you.
Mrs. G. A. Henry 9-1tc

LOWER RATES

for most Texas drivers

For most Texas drivers, State
Farm has rates that are 15% less
than rates set by the State. See
me.
