NUMBER 13

Two Charged In Knifing Incident

75 Jailants Released \$5,000 Bond

Assault with a knife to commit murder... Sunday against... 27, and Robert... both of Tahoka, an early Sunday morning occurred on the... No. 2 park...

Vega and Fenton were released Sunday from the County jail on \$5,000 bond.

The incident was an apparent climax of a several week old feud between the trio.

Little League Registration

Registration for all interested in playing Little League Baseball will be at 7:00 P.M., Monday, March 31, 1975 in the Community Center. If you played Little League in Tahoka last year, you will not need to register.

VISITS AUSTIN—Pictured above are Candel Quintana and Stephen Gilley of O'Donnell along with Rep. E. L. Short as the boys were working in conjunction with the 64th Session of the Texas Legislature.

Boys Visit Rep. Short

Candel Quintana and Stephen Gilley of O'Donnell, were in the Austin office of Rep. E. L. Short, D-Tahoka, last week working in conjunction with the 64th Session of the Texas Legislature. Candel and Steve are Seniors at O'Donnell High School and spent the week attending and reporting on the progress of the Legis-

lative sessions and committee hearings. Their duties also included general administrative tasks and clerical chores.

and learn how a bill is passed and being there was an experience I'll never forget.

Steve added I really appreciate having the opportunity to see our State Legislature working on our behalf. I have learned very much from this experience which I will long remember.

Lynn County Ginned 54,519 Bales In '74

Cotton ginned in Lynn County from the 1974 crop up until February 1 totaled 54,519 bales according to a survey of the Bureau of Census, U.S. Dept. of Commerce. This compares with 295,226 reported from the 1973 record crop.

This crop was far below the average, and the lowest since 1953, when 48,050 bales were ginned, and 1945 when ginnings were only 7,405.

Likewise, compared with production costs, the price received was one of the lowest on record.

Only a small amount of dryland cotton was harvest in Lynn county, or on the Plains, for that matter, last year. However, low production price support from Commodity Credit was of great help to many farmers.

Production of some neighboring counties was Lubbock, 172,283; Garza, 3,623; Dawson, 44,372; Terry, 92,915.

Due to the current low price of cotton and the high price of grain many local farmers have planted some acreage to wheat, which is looking good at this time. Probably more acreage will be planted to milo this year than in some time, and some farmers will plant sunflowers.

Last year, there was no underground moisture and insufficient spring and summer rains for a crop. This year, there is excellent underground moisture, and farmers say some timely rain fall in April or early May will be just right for planting a crop.

According to a survey by the Dept. of Agriculture Marketing Service, Texas farmers plan to plant 81 percent of the acreage in 1975 in cotton that they planted in 1974. Nationally, planting indications are 71 percent of 1974, or about 9,900,000 acres compared to 13,900,000 in 1974.

Rain and snow so far this year has totaled 2.34 inches

Speaker Tells Of Oil Development

A fantastic story of oil development in the middle of the North Sea, 180 miles off the coast of Norway where Phillips Petroleum Co. is spending a billion dollars on the project was told to Rotarians at last Thursday's meeting.

The speaker was Lyman Garwood, head of the project, who has been here on vacation. His wife is a sister of Mrs. Albert Curry.

Oil companies in the 1950s suspected possible oil under parts of the North Sea, but until the Geneva Convention of 1958 there was no determination of mineral rights ownership. Ground rules were made them for division of these offshore areas.

Phillips and associated companies began exploration in the 1860's and discovered a substantial deposit in the Norway sector adjacent to the British sector 180 south-west of Stavanger, Norway, now the headquarters of the project. Oil and gas was found at 10,000 feet from a strata 700 feet thick, producing 10,000 of oil per day.

A speculator series of drilling platforms were built several wells are already

in production producing 10 to 20,000 barrels per day, and a number of others will be in production this year. A one million storage tank was built on the bottom of the 200 foot deep sea, an oil pipeline is being laid on the sea floor to England and a gas pipeline to Germany. Ultimately, it is believed the field will produce enough oil for all Europe.

The installation out in the rough North Sea, the speaker said, is the most outstanding and revolutionary development in the history of the oil industry.

Norway, he said, has a population of four million, has a Socialistic government that controls all land use in the country. Workers and their families live at Stavanger. The 180 employees work seven days, living in quarters on the tremendous central platform, then are flown by helicopter to spend seven days off in Stavanger.

Mr. Garwood, who was introduced by Calloway Huffaker is a graduate of Colorado School of Mines and formerly lived in Houston.

Vehicle Registration

Are you plated or belated? That's the question motorists may be facing after midnight April 1, deadline for motor vehicle registration in Texas. After that time, law enforcement agencies have been instructed to stop motorists not displaying the 1975 plates to remind them of their licensing responsibilities.

Since February 1, county tax offices and selected substations throughout the state have been conducting registration business as usual. Early reports indicate that the annual procedure, required of the state's 9.2 million motor vehicle owners, is running smoothly. However, many registrants traditionally wait until the last minute to react, resulting in longer lines and necessary delays.

According to a Highway Department spokesman, public response to the new five year license plate, being issued for the first time in Texas, has been good. In fact, motorists have shown an uncommon interest in the label their motor vehicle will wear through 1979.

In lieu of annual replacement, motorists will be issued an adhesive type sticker beginning in 1976, that will update their plate for another year of driving. The sticker will be placed in the debossed upper left corner of the plate. The following year, the tag will be stuck in the upper right corner to cover the debossed '75, and alternated for the ensuing years. Once in place, the tags cannot be easily removed without deterioration, a part of the plan to discourage vandalism or theft.

School Board Absentee Voting

Tuesday, April 1, is the last day to vote absentee for Tahoka School Board Candidates. Two positions are to be filled as incumbents Robert Warren and Dan Curry did not seek reelection. The six candidates in order as their names appear on the ballot are: Walton Terry, Mary Brecheen, Mike Taylor, Lyndell Wood, Marlin Hawthorne and John Curry.

Patrons may vote absentee in the office of Mrs. Peggy Elliot in the Fenton Insurance Building during regular office hours through 5:00 P.M., April 1.

The regular election will be held in the Tahoka Community Building, Saturday, April 5, 1975.

CONSERVATION ESSAY WINNER—Freida Lynn Davis, Wilson High School senior, receives a plaque for the winning conservation essay. Presenting the award for the Lynn County Soil and Water Conservation District is Eual Davis, District Conservationist, Soil Conservation Service. The award was presented at the annual Farmer-Businessmen banquet March 13, 1975. Following is the winning essay:

Our Soil - Our Strength

I walk on it. I live off it. I see it everyday. I never tire of seeing it. It is gentle and wise and it has a restorative power that all the technology in the world cannot give a doctor. It is the land, and it is always there. From it we came and to it we will one day return. As an American teenager, I love this land and its people. I can see all the things the preceding generations have done that weakened this land. I can see what is being done right now to restore it. I see that this land has withstood time and weather and war. Just as the people who live on it have withstood time and weather and war. The durability of the land is passed on to the people who are a part of it.

The closer we are to the land, the more able to cope with a changing world we are. We are a part of something strong and endless, it is our soil - our strength.

by Freida Davis, Wilson High School

OUTSTANDING CONSERVATION FARMER - 1974 - Kenneth Eaker and wife Ann receive a plaque from Eual Davis, District Conservationist, Soil Conservation Service, at the annual Farmer - Businessmen banquet, March 13, 1975. Eaker was cited for his conservation work on several places which he owns or operates in Lynn County. Also cited was his community leadership and the selling of conservation ideas to others.

CONSERVATION HOMEMAKER AWARD - 1974 - Mrs. Vermell Wood with her husband, Jack, receives the first Conservation Homemaker Award in the Lynn County Soil and Water Conservation District. Presenting the award at the annual businessmen banquet is Eual Davis, District Conservationist, Soil Conservation Service. She was cited for farm conservation work and knowledge of the work, conservation practices followed in the home, and leadership and community life.

W. Gwin Named Tahoka G Manager

W. Gwin, an employee of Natural Gas Company since 1963, has been named Pioneer's new manager in Tahoka. Gwin will assume his duties on April 1, replacing Clark, who resigned. Gwin has served as a general manager and as a production clerk with Pioneer in Lubbock, and since lived in Amarillo. Gwin is a management man with Pioneer during his 10 month Amarillo residence. Gwin is moving to Tahoka with his wife, Carolyn, and two children, Debbie, 12, a 6th grader. Mrs. Gwin was born in Tahoka.

An Army veteran, Gwin served for three years as a missile launch crewman, and following his tour of duty was trained in accounting through LaSalle Extension University.

He has been president of the Consumer Credit Association of Lubbock, and has served as Region 7 president of the Consumer Credit Association of Texas.

From the International Consumer Credit Association, Gwin received that organization's highest award called the Certified Consumer Credit Executive, since his affiliation with Pioneer.

We are very happy about moving to Tahoka," he said, and we look forward to living again in a small town. "Carolyn and I are from small towns she is from Tahoka and we are very excited about the prospect of working with the people of Tahoka," he added.

Mr. and Mrs. Gwin are members of the Baptist Church, and will make their home at 1821 Ave. L in Tahoka.

TAHOKA POLICE REPORT

Four traffic tickets were issued for speeding; one ticket for speeding, illegal turn and failure to signal; one ticket for no drivers license.

Don Martin, 19, of Tahoka was charged in Lynn County Court with the possession of marijuana and is out on a \$500.00 bond.

Park Plans Underway

Plans for a mini park in Tahoka are progressing rapidly. After meeting with City Council, March 3, the committee of local citizens was given the go ahead for the land north of City Park.

On Monday, March 17, Thayer Cooper from the South Texas Association of Government met with Mayor and several committee members to discuss funding for park equipment.

At a meeting March 24, Cooper took recommendations from the committee and will, with SPAG draft the layout for the park.

Application for funding to be sent to the Texas Parks and Wildlife Department by June 30. In order to receive a grant from this agency, Tahoka must be able to match the amount of money to us. Tahoka's match will be made up of volunteer labor costs, donations of equipment, land and cash.

The park project is a major part of the Bicentennial celebration for Tahoka. Anyone interested in working on the park project is to contact Mayor Les-Mrs. Jim Wells.

AROUND TOWN

BY LEONA WALDRIP
CALL 998-4444

Visiting here last week from Panora, Iowa were Mr. and Mrs. LaVern Johnson. They are cousins of Mr. and Mrs. C.W. Burr.

Mrs. Mary Cunningham returned Wednesday from Aason where she visited her daughter for several days.

Undergoing major surgery in Methodist Hospital on Monday, Mrs. Don (Mary)

McKibben is doing well at her home in Lubbock at this writing. The McKibbens formerly lived here and in Odonnell.

Mr. and Mrs. J.D. Atwell went to Brownfield on Friday to attend services for her father who passed away late Thursday. Services were held at 2 p.m. Saturday in Morelock Funeral

Home Chapel.

My aunt and I went to Amarillo Friday p.m. after school and were guests in the home of my son, Kay that night. On Saturday we visited with a niece and her family. I returned home late Saturday, but the niece will take auntie home to Roff, Oklahoma first of the week. She has spent the winter in Tahoka and become very much attached to the people here.

Present for the ribbon cutting and grand opening ceremonies for "Texas Boy's Ranch" in Lubbock on Sunday afternoon were Mr. and Mrs. J.E. Dulin of Tahoka. They were very impressed by the beautiful \$80,000 cottage that will house 10 boys and a sponsoring couple and by the lovely furnishing which had been donated. Mr. Johnny Moffitt is supervisor of Farm and Ranch Activities for the home and is a brother of Mrs. Dulin. After the ceremonies and tour of the ranch Mr. and Mrs. Dulin went to the home of their daughter, Jimmie Lou who lives at Reece Village, for a birthday dinner honoring J.E. They were joined for this occasion by Mr. and Mrs. Jack Dulin and Eddie of Plainview and Mr. and Mrs. Jim Dulin, Tom, Terri and Toye all of Slaton.

Mrs. Thelma Dewbre has announced the marriage of her daughter, Joyce to Kenneth McCord, head of the accounting department at East Texas State University Commerce. The ceremony

took place, Wednesday, March 19 at 11 a.m. in First Presbyterian Church at Bryan, Texas. Joyce is a veterinary librarian at A&M College, College Station, Texas. Professor McCord holds a P.H.D. in accounting from University of Oklahoma, at Oklahoma City. The couple will make their home in Commerce.

On Monday night Thelma Dewbre and myself attended revival services at Challis Baptist Church, 6 miles north of Brownfield. The evangelist is Rev. McCole of Brownfield and the singer is Weldon Lemon of Parkway Drive in Lubbock, who happens to be my brother. We have a cousin who is a member at the Challis Church and Monday night being family night, between the two of them they got 23 members of our family to attend. Needless to say with all the other guests, the Church was filled to capacity and visitors outnumbered the homefolks. At the close of Church services members of our family Lemons, Willsons and Dumas all cousins to each other stayed another hour for an old fashioned sing-song. Those in attendance were from Lubbock, Tahoka, Brownfield, Tokio, Amherst, New Deal and Stephenville. As children we grew up going to singings so it comes natural for us to sing when that many of us get together.

P.N.G. Club met with Iline McMillan in Odonnell Thursday. Only five members were able to be there. Next meeting will be with Louise Wyatt.

4-H Food Show Winners Named

The District 2 4-H Food Show was held Saturday, March 22 in Lubbock.

The annual event, said County Extension Agent Carolyn Haley, is a critical test of culinary skills and nutrition knowledge. Over 150 4-H'ers from 20 South Plains counties vied for top honors in senior and junior divisions at this year's show, held at Texas Tech University.

Karla James from Odonnell 4-H won top honors in the junior breads and desserts class with her "Apple Kuchen" recipe. Junior division winners will not complete beyond the district level. For them the contest provides experience and incentive.

Other junior participants from Lynn County were Melinda McDaniel, Odonnell, side dish; Karen Stewart, Tahoka, snacks and beverages; and Lisa Steinhauer, Wilson, main dish. They all received blue ribbons.

Senior participants from Lynn County and honors received were Sharon Ernst, New Home, breads and desserts, blue ribbon; Tamara Dulin, New Home, snacks and beverages, red ribbon; and Sheree Jerden, Tahoka, main dish, red ribbon.

All winners received 4-H award ribbons, and senior division champions were presented miniature silver bowls by Morrison Milling Company of Denton.

Members of the 1975 District 4-H Food Show Committee were County Extension Agents Patricia Honea of Silverton, Carolyn Haley of Tahoka, and Judy Carlisle of Tulla.

Program chairman was Karen Miller of Plainview. The District 4-H Food Show is conducted by the Texas Agricultural Extension Service, Texas A & M University System.

A SHORT REPORT

By REPRESENTATIVE E. L. SHORT

Representative E. L. Short of Tahoka, today introduced a bill which would protect the priority of Texas institutions and public bodies to use of natural gas or casing head gas produced from leases of state-owned mineral reserves. Co-sponsors are Representatives Tom Chaddick, R-Midland, and Joe C. Hanna, D-Breckenridge.

A similar bill passed in the Texas Senate by Senator Walter Mengden, R-Houston. HB 1449 gives authority to the Texas Railroad Commission to establish by hearing that before gas can be exported from the state the producer must first show that needs of this state health facilities, schools of all levels, state and local governments, agricultural producers and industry have been met.

The legislation would provide that such provisions be included in all future leases of the 23 million acre of Texas minerals controlled or owned by the state.

Short, who is a member of the National Legislative

Conference on Federal State Relations said that the bill was introduced in order to

Thursday, March 21, 1975

prevent the federal government from pre-empting state's rights to enter into contracts with state-owned minerals. It also should send a message to state-owned mineral owners that they have been unwilling to share their own energy resources while at the same time attempting to control resources through regulation.

EVERYONE INVITED

We are now entering the season when politicians are willing to give the taxpayer the shirt off his own back.

The neighborhood dogs were romping together one day when Scottie came along. "Heavens, Scottie, what's wrong with you?" asked the little Peke. "You look simply awful!" "I feel awful. I'm nervous, can't sleep, have no appetite." "You ought to see a good vet."

Gandy's gains international recognition and a new symbol

We're mighty proud! After 41 years of consistent quality and service, Gandy's has been honored with international recognition! Aware of Gandy's high standards, the Quality Chekd people invited Gandy's to join their international association of more than 100 independent dairies. To become a member of the Quality Chekd group, Gandy's products underwent 38 rigid "special exams" for everything from cows to cartons. Gandy's products passed with honors; therefore, Gandy's only changed its carton designs. The same high standards of quality, freshness and service which have made Gandy's Texas' largest independent dairy REMAIN THE SAME.

You will receive the same great Gandy dairy products produced by the same Gandy people right here in West Texas. Look for our new Quality Chekd cartons at your grocers. We look forward to sharing our honors with you!

Gandy's
Texas' Largest Independent Dairy Serving West Texas Since 1934

DRAW MEMORABILIA

By ...
Ruth Newsom

GENEALOGY CAN BE FUN

Glenn Bratcher, former president of the Draw community, stopped at Thrift Grocery and visited old friends and relatives.

Man Jackson of another former community, visiting relatives and other friends.

Guests in the S.A. home, were Mr. and Mrs. Terry Bradshaw, Mrs. W.E. Pierce and Mrs. Pierce recently returned to Sweetwater.

Mrs. Eddie and son Robbie, Durbin, attended the Snake Show and Museum.

Guests in the home were Leslie Coleman and Mrs. A. D. Kyle, Bulah Tew and Mrs. Y. Grassland; Mrs. J. O. Anderson of Tahoka, Mrs. Noel Caswell,

tives for the chartered 10 day trip and contest.

Mrs. Kelly Laws of Grassland is reported to be improving in the Tahoka Hospital.

Introducing

Mr. and Mrs. Alton Cook are the parents of a son born Thursday morning at 12:07. The baby weighed 6 lbs. 2 ozs. and has been named Bruce Alton.

Grandparents are Mr. and Mrs. Bud Cook of O'Donnell and Mr. and Mrs. Odes Anderson of Lamesa. Great grandmothers are Mrs. J.O. Petty of O'Donnell, Mrs. J. O. Anderson and Mrs. Ethyl Parter.

Open Door Policy

It may be tempting on a chilly winter morning to warm your car engine with the garage door closed. But to do so, warns the Texas Safety Association, is to court death.

Carbon monoxide poisoning can quickly overcome you in a closed space. It is odorless, tasteless, colorless and difficult to detect. TSA urges that you do yourself a favor of life and warm your engine with the garage door wide open.

Mrs. Noel Caswell and her daughter, Mrs. Cathy Anderson, are students at San Antonio College. Cathy has been named to represent the college at the National Pi Kappa contest in Philadelphia this week. Traveling with Mr. and Mrs. Anderson are other college students.

GIRL SCOUT SERVICE CENTER OPENS-Mrs. John Ed Redwine (right) of Tahoka, a director of the Caprock Girl Scout Council, attended the weekend formal opening of the new Girl Scout Service Center in Lubbock. The Service Center is the hub of Scout activities in the Council, which stretches from Tulla to O'Donnell. The Service Center was constructed with a portion of the revenues from the annual Council cookie sale. With Mrs. Redwine are (left) Mrs. W. C. Griggs of Lubbock, Council President; and Mr. Whitelaw Hunt of Plainview, a director. The Service Center at 2567 - 74th Street in Lubbock, is open to visitors during normal business hours.

Prepare For Slippery Going

Although snow and ice are not daily hazards for drivers during Texas winters, there is bound to be some slippery going before spring, even in the warmer reaches of the State.

Safe winter driving means getting a grip on the road, says the Texas Safety Association. Drivers should check tires to make sure they have plenty of tread for traction on ice and snow.

Be aware that even with new tires, braking distances will be greatly lengthened and a car's acceleration capability will be decreased on ice and snow as compared with dry pavement. According to safety experts, the average car needs 17 feet to come to a stop once the brakes are applied on clear, dry pavement from a speed of 20 miles per hour. On loosely packed snow, the same car needs 60 feet to stop, and on glare ice at 25 degrees F., braking distance is 149 feet.

Smooth steering is one key to safe driving under tricky conditions. Avoid abrupt changes in direction. Anticipate movements and make lane changes and turns gradually.

Try to keep plenty of room between yourself and the next guy in traffic, since you need more room to stop on wintry roads. The trick to stopping on snow and ice is to keep the wheels from locking. Jamming on the brakes only sends you into a slide. Use rapid, hard jabs on the brake pedal for an on-course stop.

If you do lose your grip on the road, and the rear end begins to slide, don't brake. Immediately steer in the same direction the rear of the car is sliding. Don't oversteer, and you will feel the car come back under control.

Services Available to Cancer Patients

The Lynn County Unit of the American Cancer Society is in a position to offer services to cancer patients in our area. Hospital beds, mattresses, wheel chairs, walkers, crutches, and bedside commodes are among the equipment available to loan to cancer patients residing at home. Dressings, comfort items such as tape, alcohol, bed pans, etc. are also available at no cost to cancer patients.

A new service available is payment of patient's transportation costs to a distant treatment center. Costs for treatment trips only will be paid. No money is allocated for check up only visits. Also application has to be turned in ten days prior to the trip.

People who are in need of services or equipment available for cancer patients

may contact John Wells at 998-4041 for further information.

Hunter Safety

The Texas Safety Association advises hunters who head for the hills this season to take along some basic survival knowledge. The six simple rules for extended trips outlined by TSA are:

- Tell someone where you are going and when you plan to return. If you move from one area to another, advise someone.
- Never go hunting alone.
- Take enough food for a few extra days in case of an emergency.
- Take along a compass and map of the area and know how to use them.
- Wear proper clothing and equipment and keep in mind that the weather can change.
- Plan your hunt to get back to camp before dark.

T-BAR BRIDGE

Winners in duplicate bridge play at T-Bar last week were: Mrs. Klydie Scudday and Mrs. Juanita Szydoski, both of Brownfield first; Mrs. Betty Hancock and Mrs. Winston Wharton, second; Mrs. Clint Walker and Mrs. Wilmer Smith and Mrs. Jess Gurley and Frank Hill, tied for third and fourth.

A MEMORIAL GIFT

Says...

Easter is probably the only time of the year when putting all your eggs in a basket is appropriate. Even then, you'll probably be saving a few eggs for frying or poaching or for making that special Easter bread.

If you understand the U. S. Department of Agriculture (USDA) grade system for eggs, you'll probably know which eggs to put in your Easter baskets.

There are three consumer grades for eggs: U. S. Grade

AA, U.S. Grade A and U.S. Grade B.

The grade of the egg is determined by the interior quality of the egg and by the appearance and condition of the shell. Interior quality is checked by running the eggs over lights in a process called candling. A top quality egg has a thick white and the yolk is firm and high. The white in a grade B egg will spread more than grades AA or A and the yolk may

be flatter.

The higher quality egg (AA and A) are ideal for frying and poaching where appearance is important. They are also the best choice for hard-cooked eggs.

Grade B eggs are seldom found in retail stores. If they are available they are good for general cooking and baking and for other uses where appearance is not important. They are just as nutritious as the higher grade eggs.

After deciding the quality egg you prefer, select by size. Some people think that eggs are better if they are bigger. This is not necessarily true. Size and quality are not related -- they are entirely different. For example large eggs may be of high or low quality; high quality may be either large or small.

Size refers to the minimum weight per dozen eggs, not the size of an individual egg. The sizes most often found are Extra Large (minimum weight per dozen 27 ounces); Large (24 oz) and Medium (21 oz.)

When buying eggs, getting the most for your food dollar depends on a number of factors. Higher grades of eggs are usually more expensive. But egg prices also vary by size for the same grade. The amount of price variation depends on the supply of various sizes.

Since the price you pay relates to size of eggs, you can find the best value by calculating the cost of eggs per pound.

Remember that accurate comparisons can be made only between eggs of the same grade. And, when buying eggs for your Easter baskets, consider the color of the shell. This is the only time that you need to consider the shell color. White shell eggs are better for decorating but for any other purpose shell color doesn't matter. Shell color is determined by breed of the hen and does not affect the grade, nutritive value, flavor, or cooking performance of the egg.

Your handling could affect the quality of the eggs. Time and temperature variations cause the egg white to become thin. So, buy eggs from refrigerated cases and refrigerate them promptly at home. Buy only the number of eggs that you need for a cooking, use low to moderate temperatures -- high temperatures and over cooking toughen eggs.

RECIPE OF THE WEEK:

Almost every country has a particular holiday bread that is served during this time of the year. The recipe that follows is one from Italy:

ITALIAN EASTER BREAD

2 1/4 to 3 1/4 cups unsifted flour

1/4 cup sugar

1 teaspoon salt

1 package active dry yeast

2/3 cup milk

2 tablespoons margarine

2 eggs (at room temperature)

1/2 cup mixed candied fruits

1/4 cup chopped blanched almonds

1/2 teaspoon anise seed, crushed

1/2 cup melted margarine

5 colored, uncooked eggs,

Confectioners sugar frosting Colored sprinkles

In a large bowl thoroughly mix 1 cup flour, sugar, and undissolved dry yeast. Combine milk and 2 tablespoons margarine in a saucepan. Heat over low heat until liquid is warm. (Margarine does not need to melt). Gradually add to dry ingredients and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add 2 eggs and 1/2 cup flour or enough flour to make thick batter. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover, let rise in warm place, free from draft until doubled in bulk, about one hour. Combine fruits and nuts and anise seed. Punch dough down; turn out on lightly floured board. Knead in fruit mixture. Divide in half. Roll each piece of dough into a 24 inch rope. Twist ropes together loosely and form into a ring on a greased baking sheet. Brush with melted margarine. Place colored uncooked eggs in spaces in the twist. Cover, let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Bake at 350 degree oven about 30 to 35 minutes, or until done. Remove from baking sheet and cool on wire rack. Frost with confectioners sugar frosting and decorate with colored sprinkles. Yield 1 ring.

15-9. Immediately following that game, Dayton Parker Pharmacy played Dumas, Texas of the Amarillo Volleyball League, after Dumas defeated Prather's two of three games. After another 1 1/2 hours of play, Dayton Parker Pharmacy won 15-10 and 15-13. Meanwhile, Prather's Sheet Metal of Brownfield defeated Nelson's which gave them the chance to play Dumas, again since each team had been defeated once. Prather's defeated Dumas this time so Dayton Parker Pharmacy had to battle Prather Sheet Metal for 1st place. Dayton Parker Pharmacy won the game with a 15-12 and 15-9 victory. The team will participate in the T.A.A.F. State Volleyball Tournament in Austin April 12 and 13. Members of the team are Doris Pollard, Sandy Teaff, Patsy Brooks, Marsha Shafer, Ellen Wilson, Leslie Beatty, Sally Berry, and Rita Crowson.

Corley of San Francisco, California; two brothers, Weldon of New Home and Wayne of Las Vegas, New Mexico; nine grandchildren and nine great grandchildren.

Grandsons served as pallbearers.

Mrs. McWhorter Funeral Held

Services for Mrs. G.N. McWhorter, 88, of 2409 21st St. were at 10:00 a.m. Monday in the Ford Memorial Chapel in the First Baptist Church with the Rev. Wayne Perry, chaplain of Highland Hospital, officiating, assisted by the Rev. J.T. Bolding retired minister.

Burial was in the City of Lubbock Cemetery conducted by Rix Funeral Directors.

Mrs. McWhorter died about 5:30 p.m. in University Hospital following a short illness.

She was a native of Grimes County and a member of the First Baptist Church. She moved to Lynn County in 1925 before moving to Lubbock in 1944.

Survivors include three sons; Garland of 2213 30th St., O.R. of San Angelo and Preston of Abilene; two daughters, Mrs. D. Strickland (Irene) of Ropesville and Mrs. Leroy (Marjorie) Nettles of New Home; two brothers, Carl Ratcliff of Lubbock and Virgil Ratcliff of Abilene; a sister, Mrs. Inez Ratcliff of 2323 20th St.; ten grandchildren and eight great grandchildren.

Tahoka Garden Met Tuesday

The Tahoka Garden met Tuesday night at 7:30 in the home of J. O. Reed, hostess.

Mrs. E.M. White held the meeting after the roll call of the minutes and the business report. The Profit fund was reported. District meeting at hoka Garden Club place on the third place on the report. Plans for a bake sale will be held on March 26.

A very interesting program was given by Aubrey Cade. Slides and talk trip to Russia.

Refreshment special hour very successful before the program.

Never use hot boiling water in a covered pan. The steam comes to a rapidly -- and energy!

Rites Held For Carl McClintock

Services for Carl W. McClintock, 79, of Morton were held at 2 p.m. Friday, March 21, in the First Baptist Church in Tahoka with Rev. Jim Turner, pastor and Rev. Paul Kenley, pastor of Lakeview Baptist Church, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home of Tahoka.

Singleton Funeral Home in Morton handled the Morton arrangements for McClintock, who had been a resident of Lynn County the past fifty years.

McClintock died at 9:05 a.m. Wednesday in Morton following a lengthy illness.

McClintock was born February 26, 1896, in Limestone County. He married Dora May English, November 23, 1913, in Navaro County. He was a retired farmer.

Survivors include his wife; three daughters, Mrs. Pauline Durden of Del Rio, Mrs. Opal Brown of Fort Worth and Mrs. Johnnie Littlepage of Tahoka; three sons, F.D. of Floydada, and Durwood and Carl both of Morton; four sisters, Mrs. Glenn Driver of Lubbock, Mrs. Imogene Driver of Fort Worth, Mrs. Beatrice Westbrook of San Antonio and Mrs. Lena

Parker Team Wins Regional VB Tourney

Dayton Parker Pharmacy Women's Volleyball Team won the Regional Volleyball Tournament in Lubbock, Saturday, March 22, after five hours of consecutive hard playing with only ten minutes rest between games and a 30 minute rest before the last game started. Two out of three 15 point games were played in the double elimination tournament. The team was matched with Nelson's Pharmacy of Brownfield in the first match. Dayton Parker Pharmacy won the long enduring contest 15-12 and

Letter To Editor

The views expressed in "Letters to the Editor" are not necessarily those of this newspaper.

Top of the Morning to You: I was wondering if some of your readers might be able to enlighten me with some information about a quilt that I have which bears "SOUVENIR OF TAHOKA", Lynn County, Texas. The comfort is made up of 17 inch squares bearing the names of about thirty firms of Tahoka, in a 15 inch square. The names of the various merchants are printed on this brown cloth with black ink. Among the churches listed are the First Christian Church, Pastor John Welch, 1st and 3rd Sunday of each month, First Baptist Church, Pastor T. E. Dork every Sunday; Now those using the name of Tahoka as part of the name of business were TAHOKA Auto Co., TAHOKA Hardware, TAHOKA Mercantile Co., Real Estate Co., of R. A. Chambers and G. W. Small, TAHOKA Hotel; G. W. Alexander was manager of the State Plains Telephone Co.

Was wondering if your readers could enlighten me the occasion for the printing of this cloth and about when it was printed and by whom. Could some early newspaper or print shop in Tahoka have done this? Avery Von Blon 1111 Colcord Waco, Texas

The four day forum will be devoted to the theme, Commitment to Action, and will be highlighted by two keynote speakers who will talk on motivation and inspiration in leadership development. They are John D. Jack Jackson, of the American Airlines Flight Academy, Fort Worth, and John N. DeFoore, executive director of the Pastoral Care and Counseling Center, Abilene.

The forum is being planned by a committee of adult leaders who have participated in the annual Southern Region 4-H Leader Forum in Georgia the past two years. Heading the committee is E. H. Grote of Pearsall.

The forum will open with registration beginning at 3 p.m. on April 2, with the first general assembly at 8 p.m. Following a keynote address each of the two days, forum participants will engage in group discussions designed to bring about interaction and the sharing of ideas. The forum will conclude following breakfast on April 5.

Hopefully, both leaders and agents will gain new insights into leadership development that they can effectively put into practice in their particular areas of the state. Adult leaders are a vital part of an active 4-H program, and additional leader involvement is important to the success of 4-H.

Health and Art in the Round badges and also, My Troop. We plan to work on Songster after the Easter holidays. We will also choose a hidden heroine and honor her.

Annual SPD Meet March 28

The annual SPD meeting will be held on Friday, March 28, 1975 in the Koko Convention Center, Lubbock, beginning at 1:30 p.m. All area producers and agribusinessmen are invited and urged to attend this meeting.

The program will be as follows: Opening remarks will be by SPD President, Donnell Echols; Concept of Area Program - Dr. John E. Hutchinson; Outlook for Grain Sorghum, Corn and Soybeans by Dr. Roald E. Smith; Outlook for South Plains Cotton; Economic Status of the South Plains - Marvin Sartin; Selection of the Most Profitable Enterprise, by Norman Brints, Area Economist - Management, Vernon. Then, there will be an election of officers.

Tahokans To Attend 4-H Leader Forum

Some 200 4-H adult leaders along with about 26 county Extension agents will gather April 2-5 at the Texas 4-H Center at Lake Brownwood for the first event to the newly constructed facility.

The occasion will be the Texas 4-H Leader Forum, which is designed to bring leaders and county agents from each Extension Service district together to share ideas and methods in leadership development.

Mrs. Jake (Nadine) Dunlap, Tahoka 4-H club organizational leader and Robert Harvick, President of Lynn County 4-H Adult Leaders Organization, will attend from Lynn County.

BILL GRIFFIN SAYS

Producers who feel that they are backed to the wall by deepening profit losses will want to consider enrolling for the second annual Texas Animal Agriculture Conference April 10 and 11, at Texas A & M University.

If you are concerned about the price of cattle, the cost of feed and fertilizer, the availability and cost of operating capital or the effects that the world economy may have upon your operation, you may obtain the most current information in these

area at the Animal Conference at the Animal Agriculture Conference.

This conference is literally a survival course, he adds, because the situation is so serious that the fine points of understanding and latest technical background can determine who may survive.

The 1975 Animal Agriculture Conference will include general sessions each morning, directed to the price outlook for livestock and grain, along with factors that affect our world monetary

situation and outlook. Another feature will be a panel of financial experts, who will discuss various outlooks for farm and ranch credit in the months ahead.

Forest Gotsch, president of Doones Agricultural Service, Inc. will be lead off speaker on the opening day, while Kenneth Monfort, president of Monfort of Colorado, Inc., will be featured the morning of April 11.

Besides the general sessions, separate Short Courses are planned each day for Beef Cattle, Dairy, Horses, Swine, and Pastures and Forages. Range and wildlife discussion will be keyed to the Beef Cattle program.

Six organization viewpoints will be presented by a panel, to be moderated by Dr. L.S. Pope, associated dean of agriculture at A&M.

short business meeting the following officers were elected for the coming year: Fredda Townes, President; Beth Phifer, Vice - President; Lee Moore, Secretary; Treasurer; Social Chairmen Vanita Hamilton, and Glenda Dunagen, Play Day Chairman. The association is in good financial shape with no outstanding bills.

The first meeting of the South Plains Ladies Golf Association will be in May at the Meadowbrook Course.

The Club would like to request that anyone having silverware, pots and pans, dishes, etc. belonging to the Club House, please return them to Glenda Dunagen. The ladies are especially interested in obtaining the return of several white bowls that match the dishes in the Club House. Possibly someone took home leftover food and forgot to return these bowls. Please check for them. In the future, The Board of Directors request that members not remove furniture, dishes, pots and pans, silverware, etc. from the Party House or the Pro Shop.

T-Bar Ladies Have Brunch

The T-Bar Ladies Golf Association met Tuesday at 10:00 and started off the spring golf activities with a brunch. Approximately 30 people attended, and after a

Lynn County News

Gardening Time Again

It won't be long until homeowners in Lynn County will begin putting in spring gardens in their backyards or wherever they can find space. To have a successful garden, a number of important factors enter into the picture, reports Bill Griffin, county agent with the Texas Agricultural Extension Service.

First of all, select a site that is well drained and has fertile soil. Of course, many home owners have little choice regarding the location of their garden. If possible, the site should receive plenty of sunlight although most leafy crops can be grown in areas receiving partial shade.

Selecting of the proper vegetable is a key item to a successful garden. Many home gardeners start off by planting varieties not adapted to this area. The county Extension office has a list of recommended varieties for Lynn County.

Proper soil preparation is another important key for a good garden. A tight, heavy clay soil can be improved by adding from one to two inches of sand and two to three inches of organic matter. Till these items into the garden area prior to planting.

In absence of a soil test, apply a complete fertilizer such as 10-10-10 at the rate of two to three pounds per hundred square feet of garden area. Work the fertilizer into the soil and then form the beds for planting.

Use transplants (young seedling plants whenever possible to get the crop off to head start.

Once the crops are up, water sufficiently and regularly so that the water penetrates the soil to a depth of at least six inches. Light sandy soils may require more frequent watering. Griffin suggests watering in the morning or at least not later than mid afternoon so that plants can dry out before night. This will help prevent foliage diseases.

Weeds are a problem in most gardens and a long handled hoe is still the best means of controlling them. However, adding a mulch of straw, leaves, grass, bark, gin, trash, sawdust, peat-moss, or other organic material around the growing plants will help reduce weeds and will also conserve moisture.

Keep a close check on crops once they begin to approach maturity. Harvest vegetables only at full maturity because that is when they have their best flavor and nutritional content.

Growing your own vegetables can be a lot of fun and it helps reduce the grocery bill.

and nutritional content.

Growing your own vegetables can be a lot of fun and it helps reduce the grocery bill.

Kitchen Safety Check Advised

The kitchen, a popular family gathering place in most homes, becomes even more attractive when the weather turns chilly and the holiday cooking begins. That's why fall is a good time for a kitchen safety check, says the Texas Safety Association.

Are curtains, dish towels, paper and other flammable items kept away from the range?

Is the range in good repair with exhaust hood and ductwork free of grease?

Are electrical appliances in good operating condition with proper insulation and grounding? Are circuits adequate?

Do you have an extinguisher suitable for grease and electric fires close at hand?

What about hazards to children? Are handles of hot utensils on range out of reach? Are matches, lye, bleach, pesticides and other dangerous compounds stored out of children's reach? Is your kitchen equipped with protective racks for knives, ice picks and other sharp instruments stored out of children's reach?

TSA points out that the kitchen is the number one location for home accidents. Make it your number one target for hazard removal.

Easter Seal Support Urged

A further request for support of the Easter Seal Society for Crippled Children and Adults and its program of services to the handicapped was issued today by W. H. Eudy who is the Easter Seal Representative in Lynn County.

The Easter Seal Society provided treatment and services for 20,152 physically handicapped children and adults in Texas last year, and this program needs to be expanded. Many people are going without services that would increase the productivity of their lives and make them happier. Increased public support of the Easter Seal Society will enable more and more of these people to be reached.

The Society is carrying out a continuing program to seek out the disabled who are doing without services and see that they receive the help they need. As Easter Seal Representative, Eudy is the person to contact for services from the Easter Seal Society.

WE CAN HOLD YOUR INTEREST

for as long as you will let us!

Yes, there really is a best of all Savings Account. And it's no optical illusion. The extra high earnings on savings is a real incentive to put that money aside regularly.

THE BEST OF ALL POSSIBLE BANKS

It makes you happy to have us hold your money for as long as possible because you know — it's your interest we have at heart.

A good bank has more Answers than Questions!

Wilson State Bank

Diabetes ?

Research gave us insulin and some day research will give us a CURE. We all know insulin allows diabetics to live, but we also know juvenile diabetics will in most cases develop horrible complications that come from this illness. Most lay people think that since insulin is available, there is no problem at all. They are unaware of the facts that diabetes is the leading cause of new cases of blindness. Half of all heart attacks and two thirds of all strokes occur in diabetics and ninety five percent of all leg and foot amputations not caused by war or accidents are due to diabetes.

Goals must encompass our hopes, our dreams, our ambitions --wont you give some of your time to help us achieve our goals?? Ask yourself a question and answer it truthfully; am I doing enough? Call today and volunteer to help!!!!

Phone 998-4817 or 998-4487, in Lubbock call 744-4020.

The Lubbock Chapter is joining other chapters in a Bike-A-Thon in May, we can use more volunteers to help in this.

The Lubbock Chapter meets the 2nd Thursday of each month in Southwestern Public Service Reddy Room at 1120 Main in Lubbock at 7:30 P.M.

All donations are tax deductible.

You may mail your donations in honor of, and memorials to: American Diabetes Association Lubbock Chapter, c/o Billie J. Scoggin, 2001 - 41st Street, Lubbock, Texas 79412

ACTS FOR YOU

Texas Farm Bureau

AGRICULTURE:

producers elect to both houses of the Legislature. Added first Tuesday in Sept.; 1879, proclamation October 14, 1879.

INTERPRETIVE COMMENTARY:

In 1870 Texas was in the throes of an economic depression. In order to offset some of the effects of this depression, Art. 8, Sec. 19 was added to the constitution to exempt farm products, and incidentally family supplies, from all taxation at least temporarily. This could only be accomplished by an amendment because of the proviso in Art. 8 Sec. 2, declaring, all laws exempting property from taxation other than the property mentioned above shall be null and void.

The general exemption provision of the constitution Art. 8, Sec. 2, permits the legislature to exempt certain property from taxation. This is amere authorization and there is no exemption until the legislature has acted in pursuance of this authority. On the other hand, this provision of the constitution declares that farm products and family supplies are tax exempt, and this is a self executing provision which needed no legislation to make the exemption effective.

Exemption provisions are usually the cause of heated debate for they favor one group of taxpayers over all others. This is particularly true of this section for farmers here receive benefits which no other producer

of goods or services in the state can claim. Therefore, in order to secure passage of the amendment, it was agreed that a stipulation would be included permitting the legislature to recall the exemption when the immediate need therefore passed. Although various attempts were made to secure the enactment of such legislation, to date they have met with no success.

(8) No money shall be drawn from the treasury except in pursuance of specific appropriations made by law. (Section 6, Article 8)

The State Constitution has been under review for over a year and there is a drive this year to completely rewrite the State Constitution. These facts are called to your attention in order that Farm Bureau leadership be in a position to act intelligently with regard to removing any of the eight provisions outlined above from the Constitution. These provisions are: a protective provision removed from the Constitution for a good purpose which in turn opens the gate for additional taxes.

U.S. CONGRESSIONAL COST

The cost of the U.S. Congress in estimated to be \$882 million for the fiscal year ending on June 30, 1976 compared to \$744 million for the fiscal year ending on June 30 1975 -- an 18.55 percent increase.

The Federal cost of legislation functioning for the fiscal year ending on June 30, 1976, is estimated to be 0.7 percent of the total budget compared to 0.2 percent in 1966. The cost of the U.S. Legislative functions for the fiscal year 1976 at present estimates would be 350 percent of what it was in 1966 -- a 250 percent increase. The cost of all general government at the national level for the fiscal year ending for the fiscal year 1976 is estimated at 3.2 percent of the budget, which is 228.6 percent of the amount spent in 1966 -- a 128.6 percent increase.

WHEAT SALES EXPORTS OUTSTANDING:

USDA reported that on February 23, 1975, there was 309.7 million bushels of wheat sold in foreign countries that had not been exported. Sixteen and three-tenths (16.3) million bushels of this total is a part of the 1974 - 75 wheat to Russia.

COTTON LOAN 1974:

Commodity Credit Corporation's loan entries of 1974 cotton reported through February 27, totaled \$2,098,400 bales. Loan repayments were reported on 451,100 bales through the end of February, leaving loan outstanding on 1,647,300 bales. The following is a summary of the end of February CCC owned and loan stocks of all cotton.

CCC owned cotton (uncatalogued) 34 bales.
CCC loan cotton: 1973 crop upland loan stock - 2,022 bales; 1973 crop American Pima loan stock - 93 bales; 1974 crop upland loan stock - 1,619,484 bales; and 1974 crop American Pima loan stocks - 27, 838 bales; Total CCC controlled cotton - 1,649,472.

Cotton producers are permitted to place cotton in the loan program either through a county ASCA office or their cooperative marketing association from the beginning of harvest of the crop through May 31, the following calendar year. Cotton placed in the loan will mature at the end of the 9th month following the month it was placed in the loan. Cotton coming out of the loan goes into the Commodity Credit Corporation's inventory.

Cotton placed in the loan can be redeemed either by the producer or his marketing cooperative at any time before it matures, by simply paying to the government the charges against the cotton. If the producer or his marketing co-op does not redeem the loan before the maturity date, title is transferred to the Commodity Credit Corporation. Cotton owned by CCC can be sold for unrestricted use in the domestic market at not less than 110 percent of the loan rate for Middling one inch cotton (micronaire 3.5 through 4.9) adjusted for such current market differentials reflecting grade, quality, location and other value factors as the Secretary determines appropriate, plus a reasonable carrying charge. CCC also has authority to sell for unrestricted use at current market prices in each marketing year a quantity of upland cotton equal to the amount by which the production of upland cotton is less than the estimated requirement for domestic and export use.

In summary, cotton placed in the loan is basically under the control of the producer or his marketing co-op until the loan matures at which time it may be sold as indicated above or stored. For example, upland cotton coming out of CCC's inven-

tory for domestic use in the Fall of 1975 would be at an one inch average location, micronaire 3.5 - 4.9) above 37.70 cents a lb. (loan level 34.27 x 110 percent, plus reasonable carrying charges.) CCC is authorized to sell cotton for exports at any time without price restrictions.

CITY SALES TAX

The State Controllers Office reports that \$64,228,027.15 has been paid to the various cities who collect a city sales tax for the quarter ending on 12-31-74. In addition to this refund to the cities, the state kept for audit payments \$482,836.96 plus a service fee of \$1,313,542.41.

LAND USE PLANNING:

The State Legislature in 1971 passed an act and the Governor approved, permitting the Val Verde County Land Use Planning Program around Lake Amistad. The law is coded in VERNON'S CIVIL ANNOTATED STATUTE books as Article 2372-L-1; entitled Zoning A Portion of Val Verde County Surrounding Amistad Recreation Area. Section 2 of the law authorizing the Commissioner's Court to do land use planning in the area reads as follows:

Sec. 2 For the purpose of promoting health, safety, peace, morals and the general welfare of the community, including the recreational use of county land, the Commissioners Court of Val Verde County may regulate and restrict the height, number of stories, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other spaces, the density of population, and the location and use of buildings, structures and land for trade, industry residence, or other purposes and regulate the placing of water, sewerage, park, and other public requirements for those areas of the county which would be on the lake ward side of the following described boundaries:

-- Liberal retirement and benefits after five years of service. Top basic pension: \$34,000 a year after 32 years of service.

-- Rent free office -- one in Washington, D.C. and one or more in home districts.

-- Large payroll allowance for staff, based on number of constituents. For Senators, top allowance now is \$751,980, up from \$450,766 in 1969. For House members, top allowance is \$204,720, up from up from \$141,733 in 1969.

-- Free mailing privileges on office business mail, plus postage allowances up to \$1,740 a year for Senators \$1,140 for Representatives.

-- Telephone and telegram allowances based on number of constituents as high as 375 hours of long distance telephoning per year for Senators and up to \$20,000 for telegrams.

-- Stationery allowance for Senators of \$5,000; for House members, \$6,500.

-- Free official round trip home - 18 a year for House members, 44 for Senators from the biggest States. Also: travel allowances for getting to and from Washington and London at start and finish of a session.

-- Free underground parking on Capitol Hill.

-- Free emergency medical care from physicians and nurses at Capitol Hill medical center, which contains examination room, laboratory.

-- Free drugs if prescribed by capitol physicians.

-- Government subsidized health insurance plan.

-- A \$45,000 life insurance policy at special rates, plus widow's benefits.

-- Free swimming pools and one for each chamber.

-- Free steam rooms, massages, physiotherapy.

-- Free haircuts for Senators, \$2 for House members at special barbers shops; beauty shops at reduced rates for female members.

-- Free plants and flowers.

-- Reduced rate meals, free of sales taxes, at private dining rooms in Capitol.

-- TV and radio studio service, at discount rates.

-- Free access to Congressional research service for help on speeches, answering constituents queries.

Survivors include his wife; the former Alma Spikes; a daughter, Mrs. James Moeser, of Lawrence, Kansas; a sister, Mrs. W.T. Bovell of Muleshoe; and two grandchildren.

He served in the Marine Corps during World War II, was a member of Lubbock Country Club, and was a past senior golf champion.

NEW HOME NEWS

by FLORENCE DAVIES

Mr. Bill McNeely was taken to the Tahoka Hospital by ambulance Friday evening. He expects to be released to return home this Tuesday.

Mr. and Mrs. Bob Parker and Brenda spent the weekend in Lovington, New Mexico with her brother Charles

Lyles and family.

Bo Cornett of Lubbock was in the Lubbock Hospital for four days last week, for treatment of an eye injury. He was injured while playing on a soft ball team, a ball hitting him in the eye. It is hoped the sight isn't permanently damaged.

A stroke shower for Mrs. Julio Hiracheta was given Sunday, March 23rd, in the New Home Methodist Church. A nice array of gifts were presented the honoree. Hostess gifts were an assortment of baby clothes. Cake and punch was served the guests.

Mr. Claude Fewell of Carlisle and Mr. and Mrs. Cecil Fowler of Buffalo Lakes visited here Saturday with Mr. and Mrs. Don Sharp. Larry Wells of Tulsa and a friend Paul from Michigan visited here Thursday night with Mr. and Mrs. John Edwards. The men had been to a horse shoeing school in Sperry, Oklahoma.

Miss Donna Cole of Lubbock and Miss Anita Hinter of Tahoka visited here Sunday evening with Donna's parents, Rev. and Mrs. Leo Cole and Lorle and attended evening services in the New Home Baptist Church.

Plan now to attend the revival meeting in the New Home Baptist Church, April 6-13. Good preaching - good singing led by Evangelist

Larry Heard, Idalou and Jim Patrick, Tahoka. Everyone welcome.

Robert Poer and Roy Blevens are both expected to be released from Methodist Hospital and return home this Tuesday.

Mr. Bob Poer entered Methodist Hospital Tuesday and on Friday had surgery. He is in room 823, West.

Mrs. C.G. Eades and Mrs. John Edwards were in Levelland Thursday visiting Mrs. Eades mother, Mrs. Bessie Pyne and with John Payne in the Cook Memorial Hospital.

Mr. and Mrs. Richard Palmer of Big Spring spent last week end here with her parents, Mr. and Mrs. Joe Mac Armontrouf and Jolene.

Roy Blevens had surgery last Tuesday in the Methodist Hospital and expects to return home by the middle of this week.

Mrs. Friona Smith of Lubbock spent the week end here with her daughter, Mrs. C. B. Nowlin.

Mrs. Clyde (Ila Bea) Timmons died Friday in Ft.

Worth after a lengthy illness.

Mr. and Mrs. Clarence Kopecky returned Monday last week from El Campo where they visited about two weeks with his mother, Mrs. Joe J. Kopecky and other relatives. Mrs. Cynthia Crawford of Muleshoe went to El Campo with the Kopeckys and after visiting there went on to Ed Couch to spend some time with her sister, Mina Odom and her husband.

Thursday was Clean up Paint up day at the Lakeview Baptist Church. Working all day and with lunch at noon. While others worked some of the ladies helped the Spanish women with learning to sew.

Mrs. Blanche Patterson of Lubbock is spending some time here with her daughter, Mrs. Jim Bob Smith.

Gerry Sherrill At Sheppard AFB

Gerry K. Sherrill, son of Mr. and Mrs. Gus Sherrill of Rt. 5, Tahoka, Texas, has been assigned to Sheppard AFB, Texas, from Cannon AFB, New Mexico.

Sherrill, an Air Force technical sergeant, is an accounting and finance supervisor with the 3772nd Instructor Squadron, a unit of the Air Training Command.

He is a 1955 graduate of O'Donnell (Texas) High School. Sergeant Sherrill's wife, Elaine, is the daughter of Mr. and Mrs. B. A. Mitchell of 501 W. Seventh, Post, Texas.

Farm Bureau News

The Texas Farm Bureau is seeking defeat of bills which would permit strikes by postal workers and make possible compulsory union membership for those workers.

TFB President Carrol Chaloupka has urged two Post Office and Civil Service Committee to help defeat the "dangerous" bills in committee. The Congressmen are Reps. James Collins (R.) of Dallas and Richard White (D.) of El Paso.

H. R. 55 amends the Postal Reorganization Act of 1970 to permit strikes by postal employees.

The other bill, H. R. 56,

provides for possible compulsory union membership for postal employees.

Chaloupka said he understands the proposals are part of an overall plan by organized labor to provide for collective bargaining and the right to strike of all public employees - federal, state, and local.

"Similar power has been abused in other lands and has brought nations to their knees," Chaloupka said. "We will not stand idly by while any group is given the power to do such harm to this country."

The state farm leader said the Farm Bureau membership has spoken in no uncertain terms on this subject.

We are strongly against giving the strike weapon to public servants at any level of government, Chaloupka said. We also believe that no one should have to join any organization in order to work.

Pythian Sisters Met March 18

Lynn Temple No. 45 met Tuesday, March 18 with MEC Zella Taylor presiding. The Service of Initiation was performed with Ruth Lamp as the new member; members working were Grand Chief, Bertha Williams, Grand Manager, Dorothy Kidwell; assisted by the Sisterhood.

Ten Sisters attended Lubbock Friendship night, March 17th where a salad supper was served and Lynn Temple furnishing a skit as the entertainment.

A gift was presented to Burnice Carter, a long time member, who is moving down state.

Twenty-four ladies were present for the evening. Hostesses were Burnice Carter and Nina Short.

Alcohol Council Service Project

Headquarters of the South Plains Alcoholism Counseling Services Project has been moved to the Lamb County Community Action Neighborhood Center Building on North U.S. Highway 385, Littlefield, according to Howard Maddera, Executive Director of the South Plains Community Action Association, Inc. Prior to moving to Littlefield, the headquarters of the alcoholism counseling service project was in Levelland.

Mrs. Paula Valdez is Alcoholism Counselor for Garza, Lynn and Terry Counties and is stationed in Post. One unique feature the project has brought about is six groups of Spanish speaking people and two programs designed for Blacks, Mexican-American and Black people have not been able in the past to enter alcoholism programs offered within the area in an acceptable and feasible way. Goal of the ethnic minority groups is to design programs where people actually feel that they have their own group in which they may study the results of alcohol abuse and alcoholism on home turf.

Robert Pool Completes Training

Army Private Robert E. Pool, 19, son of Mrs. Ima L. Pool, Tahoka, Texas completed the new One Station Unit Training (OSUT) program here. OSUT provides basic and advanced training with the same unit, on the same post.

LEGAL NOTICE

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING) The Texas Highway Department is planning the construction of F.M. 3332 in Lynn County from U.S. 87, 7.2 miles south of U.S. 380 east to F.M. 1054.

This proposed project will consist of the reconstruction of 4 miles of existing paved county road and construction of 4 miles along a dirt county road. The proposed construction will be a farm to market type pavement consistent with other farm to market highways in the area. Proposed right of way width will be 100 feet.

Maps and other drawings showing the proposed location and geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Lamesa, Texas.

Information about the State's Relocation Assistance Program, the benefits and services for displacees, and the relocation assistance office, as well as information about tentative schedules for acquisition of right of way and construction, can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before April 14, 1975.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 11-2tc
