including Lubbock, bringing a lot of new business to Tahoka the firm has never had before. For example, the past two weeks, Valentine Printing has turned out football programs for Tahoka, Seagraves, Cooper, and Lorenzo. The firm is handling commercial printing for half a dozen area newspapers who are not sufficiently equipped to handle quality job printing.

New Doctor To Come To Tahoka

Board of Directors of County Hospital District Dr. Kenneth of Sussex, En- have reached an oral agreement concerning Dr. They expect Dr. to arrive in early He has practiced in

Moore at the Lynn County Hospital. Dr. Richard Wright, the hospital's present doctor, is also from England having come here from London.

Unfred Pres. Of PCCA

The officers and executive committee members of Plains Cotton Cooperative Association have been re-elected to new one-year terms by the PCCA Board of Directors.

L.C. Unfred of New Home, Tex., heads the Lubbock-based organization as president and R. D. McCallister, vice-president. Dan Davis of Lubbock is the executive vice-president and general manager.

Ted Aten of Post, Tex., was elected to the executive committee filling a vacancy. Re-elected members of the committee, headed by Unfred and McCallister, include:

- J.W. Johnson Jr., Littlefield, Tex.; Joe Leach, Plainview, Tex.; M.E. Long, Elk City, Okla.; M. Harold Scaief, San Benito, Tex.; J. R. Stanley, Levelland, Tex.; R. H. Whorton, Roscoe, Tex.; Melvin Ocker, Corpus Christi, Tex.; and W.E. Morgan, Slaton, Tex.

Admission Price Change

The Executive Committee of District 5AA met in regular session September 3, in the Slaton Junior High School Cafeteria and set admission prices for all Junior High School, Freshman and Junior Varsity Athletic Events in District 5AA to \$1.00 for Adults and \$.50c for students.

'Permanent' Postal Rates Began Sunday

New money - saving postal rates go into effect today, but the Postal Service aims to seek a fresh round of increase shortly.

Under the legally "permanent" rates effective at 12:01 a.m. Sept. 14, the cost of mailing a letter less than an ounce stays at 10 cents, but each additional ounce will be 9 cents instead of the old fee of 10 cents.

Postage for postcards will cost 7 cents, down from the 8 cents, but sending a parcel will go up by 6 per cent.

The Postal Service is expected to initiate moves next week that will result in an increase in the cost of mailing a letter to 13 cents after Christmas.

Postal officials say the increase to 13 cents will come under a provision of the law permitting "temporary" rate increases within 90 days after a permanent rate schedule goes into effect.

The Postal Service, which is running a deficit of about \$200 million a month, has sought to raise rates for months but hasn't been able to until permanent rates were set.

4-H Club Met Sept. 15

The Lynn County 4-H Club met for the first time, Monday, Sept. 15. The topic for this meeting was to discuss the up-coming poster contest, which will be judged and displayed Oct. 6. The winners of these posters will be given ribbons and participating certificates.

The club also elected officers for the coming year. They are; president, Denise Curry; secretary, Debbie Nettles; reporter, Doug Barham; treasurer, Melinda Terry; Council delegate, Kathy Griffing; and refreshment committee, Becky Harris.

LCCA NEEDS CLOTHING

The Lynn County Community Action is very much in need of children clothes, for needy families.

If you have any childrens clothes, please take them by the office.

New Home Bicentennial Program

A musical Bicentennial program will be presented at New Home Sunday afternoon, Sept. 21, beginning at 3:30 p.m. in the New Home High School Cafeterium.

The "Meister Singers" of Lubbock will present the program. Several area people sing with the group. Everyone is urged to attend this program.

Conservation Tour Thursday

The Lynn County Soil and Water Conservation District will hold its annual tour on Thursday, September 18, 1975.

The bus will start loading at 1 p.m. at the Court House in Tahoka. Everyone is invited. We plan to be back in Tahoka by 5 p.m.

Boys Ranch Steer Roping Art Exhibit

The Annual OS Ranch Steer Roping and Art Exhibit to benefit West Texas Boys Ranch is set for the weekend of October 4 and 5 on the OS Ranch, southeast of Post, Texas, according to Jim Prather, chairman. This year forty cowboys and western artists will be exhibiting their talents and thirty-three steer ropers, many former world champion ropers, will be competing in the main event on Sunday. An open pit cooked barbeque will be served both days. On Saturday there will be an invitational calf roping, a team roping, and a GRA approved girls barrel race. The finals of the barrel race will be run Sunday at 2:00 p.m., Prather said. The art will be on exhibit both days in the headquarters house of the OS Ranch and all art will be for sale. There will also be a big dance in Post on Saturday night with Red Stegall and band. This is the fourth year of the combined event and the fifth for the steer roping. The OS Ranch is located six miles off U.S. 84. Last year over 5,000 people attended the two day event with a larger crowd anticipated for this year. The benefit for West Texas Boys Ranch is the pride of Garza County. West Texas Boys Ranch is located 17 miles west of San Angelo and has cared for over 800 boys since being chartered in 1947. Presently 72 boys from all over West Texas live at the Ranch. The Ranch is dependent on the public for support, receiving all of its income from donations and special projects such as the OS Ranch Steer Roping and Art Exhibit. Last year's steer roping winner was Pake McEntire of Kiowa, Oklahoma. At the Art Exhibit many of the artists will be present to meet the public and sign autographs.

Basic Sewing To Be Held

Basic sewing classes will be held for any interested homemakers of race, creed, color, or national origin. These classes will be held at the Community Action Center in Tahoka, from 4:00 to 5:30 p.m. on the following days: Tuesday, Sept. 23; Wednesday, Sept. 24; Tuesday, Sept. 30; and Wednesday, October 1. These classes will be conducted by Sherry Etheredge, County Agent.

Anyone interested must attend all four sessions and bring the following sewing equipment: straight pins, scissors, tape measure, sewing needles, Material and pattern and sewing thread will not be needed at the first session.

If you have any question concerning the sewing classes call Ester Green at the Community Action Center at 998-5094 or Sherry Etheredge at the Extension office, 998-4650.

Finney On Television

TV Station KMCC is sponsoring a new series for TV called "Two On The Road", where two young men interview colorful characters from all over the South Plains. The first interviewed was Tahoka's own, Mr. C Edmund Finney replies, "The World's Greatest Photographer."

Bulldogs Play Idalou Friday

With one victory and one defeat behind them, Tahoka Bulldogs journey to Idalou this Friday night for a game with the Wildcats.

Idalou, like Tahoka, is in a rebuilding program, and is said to have an improving ball team with a bunch of big boys. Last Friday they tied Petersburg, a team that had defeated Abernathy.

Last Friday in wet, drizzly weather, Abernathy whipped Tahoka on the local field 22 to 6 in a game marred by fumbles, penalties, and other mistakes.

In contrast to Tahoka's win over Stanton, the Bulldogs did not look good against Abernathy.

Opening the game, Tahoka kicked off, Abernathy moved to the Tahoka 39, fumbled, a Bulldog recovered, and the home team drove to the Antelope 32. Held on downs there, Abernathy couldn't move either, punted to the Tahoka 32. After moving to the visitors' 40, Britt Brooks got a quick kick to the Antelope 1 yard line.

Then, in the second quarter, a moved out to the 36, punted to the Tahoka 27, but Tahoka couldn't move either, and from their own 35 Abernathy blocked the punt on the 38. In seven plays Abernathy moved in for the first score with HB Ken Davenport going the last five. Run for conversion was good, and the visitors led 8-0.

After the kickoff to the Tahoka 23, good runs by Bailey, Brooks, and Glenn moved the ball to the Antelope 32, but here the ball was lost on a fumble.

Opening the second half, Tahoka received and Leslie White brought the ball to the 32, the offense carried to the Abernathy 42 only to lose the ball on another fumble. From here, the visitors moved 58 yards ineffectual plays to score again with Davenport going the last nine. Run for the conversion failed, but Abernathy now led 14-0.

Danny Moore brought the kickoff to midfield, Ernest Bailey picked up 17 yards to the 33, then Ricky Harston carried for one, Britt Brooks went for seven, David Glenn 16 to the 12, a penalty on the Antelopes moved the ball to the six. From there, Glenn

Rains Delay Crop Maturity

Four days of rain beginning Thursday of last week brought a total of 1.9 inches of precipitation in Tahoka, although not especially desired at this time, farmers say they do not expect too much damage if warm, fair weather remains until harvest time.

The rains delayed harvest of sunflowers, a new crop in this area this year, and also delayed the harvest of some maize. Cotton has been set back some, especially late planted cotton, but principal damage, The News is told, could be to the fiber strength.

Beginning late Thursday evening of last week, 1.09 had been recorded in Tahoka up until 7:30 a.m. Friday, followed by .56 the next 24 hours, .23 until Sunday morning, and .02 in drizzle Sunday.

Skies cleared Monday noon and temperatures went back up to 85 degrees, followed by warm weather again on Tuesday.

rolled right, found Tommy Botkin end zone and hit him with a pass for the TD. Attempted pass for the conversion failed, and Abernathy's lead was now cut to 14-6.

Abernathy returned the kickoff to the 42, and the visitors got back on the scoreboard again in six plays, aided by 25 yards in penalties against the Bulldogs with Roddy Shipman going in from the Tahoka two yard line. Conversion was good for two points, and Abernathy led 22-6, the final score.

Early in the fourth period, Harston returned the kickoff to the 32. Rest of the game was scoreless, but the Bulldogs recovered two Abernathy fumbles, but both times hurt themselves with 15 yard penalties. Late in the game Abernathy intercepted two Tahoka passes to hold the Bulldogs in check.

The visitors had 17 first downs and 273 yards total offense to Tahoka's 176 yards and 15 first downs. The coaches expect the Bulldogs to rebound against Idalou, and have made some defensive changes they hope will help.

Burglar Breaks In Lynn Co. Hospital

An attempted burglary Sunday afternoon at Lynn County Hospital Sunday afternoon failed, as nothing was found missing, according to Jerald Moore, administrator.

Mr. Moore said the burglar apparently went in the meditation room, closed the door, removed a section of the ceiling paneling, crawled over to a point over the drug room, removed another panel, and lowered himself

into the room. However, the supply of narcotics are kept in a steel safe, and nothing was found missing. The attempted burglary was believed to have occurred between 4 and 5 p.m. Sunday.

However, that same evening, burglars were successful in getting a supply of demerol, a narcotic drug, at the hospital in Brownfield, where narcotics were stored in a wooden cabinet.

Conservation Meet Sept. 23.

T. B. Mason, Howard Moore, Lit Moore Jr. and W.R. Steen directors from the Lynn Co. Soil and Water Conservation District will be in Fort Worth September 23-25 to attend the Thirty-fifth Annual Meeting of Texas Soil and Water Conservation District Directors.

Others attending from the Lynn Co. district are Eual Davis and Mrs. Davis of the Soil Cons-Service at Tahoka. The theme of this year's meeting is "Land Use Decisions - Private versus Public." Approximately 800 are expected to attend the meeting.

The purpose of the meeting is to review developments effecting conservation programs and to plan future conservation district programs and activities. Other items which effect individual landowners will also be studied.

U.S. Representative Sam Ateiger, (R-Arizona) a nationally noted opponent of federal intervention in land use planning, will address the group on Wednesday evening at the annual banquet.

Other dignitaries to address the group are State Representative Ed Mayes of Granbury; Lyle Bauer, Vice-President of the National Association Of Conservation Districts; Dr. W. Philip Gramm, Professor of Economics at Texas A&M and Dee Brune, president, Association of Texas Soil and Water Conservation Districts.

Rep. Mayes, like his counterpart on the national level, was a strong advocate for the protection of individual land rights in the last legislative session. Bauer, a Kansas wheat farmer and rancher is a member of the U.S. Department of Agriculture's Public Advisory Committee on Soil and Water Conserva-

tion. He was appointed to that position by the Secretary of Agriculture in 1970.

Dr. Gramm is a noted consultant to numerous federal agencies on economic, health and energy problems. He has served as a special consultant on energy, environment and taxation to the Ministry of Natural Resources of the Canadian Government.

Brune, a long time leader in all levels of conservation work, has served on several state association committees and as Association president for the past two years. He was one of 125 persons selected by the USDA to participate in a Pilot Rural Development Leaders School in 1973.

Discussion sessions will take into account moves being made on many fronts to control land use. Management of conservation programs will also be a key issue.

Three Association directors, including alternates will be elected during the area discussion sessions on Wednesday, September 24. In addition, the Association president and vice-president will be elected at the business session on Thursday.

Sherry Etheredge Says . . .

Chronic figure trimmers can prevent those five or 10 pounds from creeping back on--by changing their eating habits.

It's the only way to permanent weight loss, Mrs. Sherry Etheredge, County Extension Agent says.

Since the dieter is really the only one who knows exactly how much he eats, a personal "food diary" is one way to record each day's eating, she suggested.

Write down what and how much was eaten or drunk, where it happened, and what was going on at that moment.

Then analyze the records and change whatever seems to be an unwise eating pattern. For example, if most eating was a result of boredom, try a new hobby or

get started in some enjoyable project, she advised.

Another situation the "diary may show is cleaning up the kids' plates.

Try serving them a little less--let them ask for seconds. Then freeze the leftovers for future meals, casseroles and soups.

Tasting food while cooking is another temptation. And, although it's usually necessary, dieters should take small bites--only after flavoring the food, the agent advised.

Also consider what amount of food was eaten. If a snack was two cookies or crackers, next time eat just one. Ration snacks on a plate or napkin--don't sit down in front of the television with a whole bag of chips or

goodies.

Turning to the "do's" for keeping weight off, she said, try substituting lower-calorie snacks, such as crisp celery and carrot sticks. They can be filling but are low in calories. Cut up an ample supply, store them in cold water in the refrigerator--they'll be crisp and ready for the next hunger pang.

Changing eating habits takes motivation, will power and probably a change in lifestyle, she said.

RECIPE OF THE WEEK

GOLDEN SLAW

1 medium head cabbage, finely shredded (8 cups), 2 cups diced, unpeeled red apple, 2 cups shredded natural Swiss cheese, 2/3 cup mayonnaise, 1/4 cup prepared mustard, 2 teaspoons salt, 1/2 teaspoons pepper.

EARLY IN DAY: In large salad bowl, toss cabbage, apple and cheese; cover and refrigerate. In small bowl or jar, mix mayonnaise, mustard, salt and pepper, refrigerate.

JUST BEFORE SERVING: Toss cabbage with mayonnaise mixture. Makes 12 servings.

Mrs. Dan William Pulattie
... nee Karen Sue Glenn

Glenn-Pulattie Pledge Vows

Miss Karen Sue Glenn and Dan William Pulattie were united in Marriage at 7:30 p.m., Saturday, Sept. 13 in the Tahoka First Baptist Church. Rev. Jim Turner, pastor, officiated the double-ring ceremony.

Parents of the couple are Mr. & Mrs. George Glenn, Jr. of Tahoka, and Mr. Frank Pulattie, Waco and Mrs. Vi Wheeler, Odessa.

The Church was decorated with candelabras covered with greens and a large arrangement of yellow glads, mums, and bronze pom poms. Special pews were marked with bows and pom-pom mums.

Given in Marriage by her father, the bride wore a formal length gown of soft white polyester peau with a high rise waist falling into a princess skirt with contrasting inset, long sleeves and ruffles of sheer organza accented with lace and tiny

yellow rose buds. The bride wore a chapel length veil accented with lace & yellow rose buds to match the dress. She carried a cascade of white cushion poms, yellow sweetheart roses accented with baby's breath.

Matron of honor was Mrs. Shelby Shearer of Lubbock, sister of the bride. She wore a sheer floral polyester gown of gold & bronze roses, with ribbon tie belt, square neckline, and above elbow length sleeves gathered to sleeve bands falling into a princess skirt. She carried a cascade bouquet of bronze pom pom mums accented with baby's breath & bronze streamers. She wore a floral head piece of bronze pom poms.

Barry Knocke of Lubbock was Best Man. Michael Glenn of Lubbock and David Glenn of Tahoka brothers of the bride seated guests.

Traditional wedding music was played by Gary White at the organ. Johnny Wells sang "The Wedding Prayer."

A reception followed the ceremony in the Community Room at the First National Bank. The Brides table featured a 3 tiered wedding cake and center piece of gold flowers in silver epergne with lighted yellow candles.

The grooms table had a yellow candle & gold bud vase of bronze mums with a Bing Cherry Cake with whipped cream icing. Both the Bride & Groom's table were completed with silver and crystal appointments for coffee and punch.

Mrs. Billy Johnston of Water Valley registered guests and serving were Julie Robinson and Pat Renn of Tahoka, and Carol Marganti and Mrs. Jim Terrell of Lubbock.

Outdoors in Texas

By: J. C. Roberts

Turkey Hunting . . .
One of the most challenging hunts in Texas is not the javalina or whitetail, but the crafty old turkey . . . and the better you know this bird, the better chance you have for success. Game biologists in Texas have predicted a decent crop of birds this fall, due to spring rains in prime turkey country. Wild turkeys were found in this country by early explorers, and were carried back to Europe. During the fall and winter, they feed mostly on winter grasses, acorns and pecans. Hunters will often spot white turkeys in the field, and these are not domestic birds gone wild, but wild turkeys touched by a freak of nature. A full grown Rio Grande turkey will weigh up to 18 pounds. Most hunters prefer a shotgun for turkeys, with heavy loads such as No. 2 or 4 shot. Less than 10% of the turkeys in Texas are killed by hunters, and thousands perish annually by disease, weather, and predators.

Compliments of
J. C. ROBERTS

Lubbock, Texas

Following a wedding trip the couple will reside in Lubbock.

Mrs. Pulattie, a graduate of Tahoka High School, Commercial College of Lubbock, is employed as Office Mgr. with Jefferson Standard Life Ins. Co. Mr. Pulattie graduated from Big Spring High and Texas Tech University. He is employed as Mgr. of Yard Ecology Service in Lubbock.

Stewart - Paris Bridal Shower

Miss Pam Stewart, bride elect of Leslie "Pug" Paris, was honored with a miscellaneous bridal shower Saturday, Sept. 6, in the First National Bank Community room.

Table decorations were carried out in the bride-elects chosen colors of yellow and white. Fruit was served from the centerpiece, which was a scalloped watermelon featuring carved hearts.

Honored guests included Mrs. Bobby Stewart of Lubbock, mother of the bride; Mrs. Leslie Paris of Tahoka, mother of the groom; the brides grandmothers, Mrs. Elmer Stewart and Mrs. Charles Morgan, both of Lubbock and the grooms grandmother, Mrs. Annie V. Hill of Tahoka.

Approximately 70 guests registered. Hostesses were Jean Dorman, Pat Park, Euella Rogers, Helen Ellis, Clifford Tankersley, Betty Jolly, Cal Massey, Anna Jo Carter, Mary Ann Stark and Mary Beth McKibben.

White-Embree Wed Sept

The children of Mrs. Martin M. White Jr. and Mr. Warren Embree are pleased to announce the marriage of their parents on Saturday, September 13, in the chapel of the White Funeral Home. Bro. Bill Looney, minister of the Tahoka Church of Christ, performed the ceremony.

Given in marriage by her eldest son, Richard Martin White, the bride wore a full-length aqua chiffon gown and carried a bouquet of pink roses and baby's breath.

Matron of honor was Mrs. Cathy Ann White, daughter-in-law of the bride. She wore a full-length orchid gown and carried a bouquet of orchid chrysanthemums and baby's breath.

Best man was Robert

Luckey of Arlington, law of the groom, provided by the groom's bride, Gary White.

A luncheon was held after the wedding at the Tahoka Cafeteria. C. Skiles (Alta) handled the arrangements for the reception followed the luncheon.

Special guests were C.D. Reed of Snyder, of the bride; Mrs. White, Sr. of the groom; mother-in-law of the bride; and the children of the bride and groom.

Mr. and Mrs. Randy Richard Martin, Gary Kim White, Mr. and Mrs. Robert Luckey and Mrs. Roger Proctor. After a trip to a lodge, the couple will reside in the White Funeral Home, 1821 Main St., Tahoka.

Clements-Buck Engagement Told

Mr. and Mrs. Jack W. Clements of New Home announce the engagement of their daughter, Shirley Kay Clements to Michael Thomas Buck, son of Mr. and Mrs. Bryan Buck of Pampa. The couple plan to be married February 7th in the New Home Baptist

Church. Miss Clements has been a student at State University, former student at Texas State and is employed by Phillips

leum Co.

Delta County Reunion Sun.

The Delta County Reunion will be held Sunday, Sept. 21, in the Precinct #1 Club House, 5012 50th Street, Lubbock, beginning at 10 a.m.

DECA Officers

DECA Throughfare For Freedom

The Tahoka chapter of DECA clubs of America elected their 1975-76 officers, they are as follows: President Stacy Turner, Vice-President David Glenn, Secretary Denise Jones, Treasurer Gwen Sterling, Reporter Curtis Stice, Parliamentarian Ricky Cloe.

Stacy Turner the newly elected President has already lined a few things up for the upcoming school year.

"First of all I would like to thank all of the members of the Tahoka D.E. chapter. I am honored to hold this position and will to the best

of my ability to uphold the duties of it.

We have many interesting things planned for Deca this year such as our Area Deca Contest, our employer-employee banquet and various other activities which you will be hearing about in the future.

Again my thanks goes to Deca members and I am looking forward to working with you and Mr. Garner."

Brecheen Named To 1976 NMSP

The principal, Mr. Clifton Gardner, has announced that Cole Brecheen of Tahoka high school has been named a Semifinalist in the 1976 National Merit Scholarship Program. This student is among 15,000 who will continue in the competition for about 3,800 Merit Scholarships to be awarded next spring.

Over 1 million students from more than 17,000 high schools entered the 1976 Merit Program by taking the 1974 Preliminary Scholastic Aptitude Test / National Merit Scholarship Qualifying Test (PSAT/NMSQT). The Semifinalists are the highest-scoring students in each state; the number named in each state is proportional to the state's percentage of the nation's graduating high school senior class. The Semifinalists, most of whom will complete high school and enter college in 1976, represent the top half of one percent of the nation's most academically talented young people.

To continue in the competition, Semifinalists must advance to Finalists standing by meeting a number of requirements that include being fully endorsed and recommended for scholarship consideration by their secondary school principals, presenting school records that substantiate high academic standing, and confirming their high PSAT/NMSQT scores with equivalent scores on the Scholastic Aptitude Test (SAT). Over 90 percent of the Semifinalists are expected to qualify as Finalists and to receive Certificates of Merit next February. All winners of Merit Scholarships are chosen from the highly able group of Finalists.

Every Finalist competes for one of the 1,000 National Merit \$1000 Scholarships. A Finalist competes with all other Finalists in a state for the scholarships allocated to that state. The allocation procedure is the same as the method used to name Semifinalists. The National Merit \$1000 Scholarships are one-time, nonrenewable awards supported by business and industrial sponsors and by NMSP's funds. A Selection Committee of professionals in college admissions and counseling is convened to select the 1,000 winners nationwide.

Finalists who meet the qualifications that sponsors of four-year Merit Scholar-

ships designate for winners of their awards will also be considered for about 2,800 of these awards to be offered in 1976. The list of sponsors includes corporations, foundations, colleges, unions, and professional associations. Depending upon the minimum and maximum value established by the four-year Merit Scholarship sponsor, a winner may receive up to \$1,500 (or more) during each of the four college undergraduate years.

The 1975 competition is the twenty-first NMSP has conducted since 1956. In the twenty annual Merit Programs completed to date, over 41,800 students have won Merit Scholarships valued at more than \$113 million.

NMSP will release the names of Merit Scholarship winners through the news media in three public announcements in 1976: winners of corporate-sponsored four-year Merit Scholarships will be announced on April 8; winners of one-time National Merit \$1000 Scholarships will be named on April 22; the announcement of College-sponsored four-year Merit Scholarship winners will be made on April 29.

Park-Erickson Engagement

Mr. and Mrs. Natt Park wish to announce the engagement and approaching marriage of their daughter, Judy, to Randy Erickson of Tahoka.

Erickson is the son of Mr. and Mrs. Alvin Erickson of Freedom, Wyoming. He is employed by ECCO, Inc. in Tahoka.

The couple plan to be married November 21, in the Tahoka United Methodist Church.

Training Opportunities

There are three (3) training slots available to qualified residents of Lynn County under the Comprehensive Employment and Training Act (CETA). Applicants who qualify for this program may choose to be trained in one of the following career fields: secretarial, accounting clerk, medical chemical, welding, auto mechanics, refrigeration.

Tuition costs plus a student stipend are paid by CETA. Application forms are available at the Lynn County Community Action Center, 1404 South 3rd Street, Tahoka.

T-Bar Ladies Play Day

LES DECKER AUTO SALES

"One Of The Cleanest Stocks In Town"

The Les Decker Auto Sales is located in Brownfield at 108 N. 1st, phone 637-6121. As dependable experts in the used car and truck business, they have a reputation known far and wide as leading dealers. In the way of used automobiles, they have an excellent line. These cars are in excellent condition and

will give the buyers the best of service at reasonable rates and are offered on the best terms possible. All employees are familiar with these cars and will be pleased to give you any and all information about them. Demonstrations on any car on their lot will be courteously and accommodatingly given, showing

that their cars are ready to go before being offered to the public. This firm has built an admirable, growing business through the policy of selling high grade used cars. We, the writers of this 1975 Review, would like to take this opportunity to recommend this fine company.

MEANS FLYING SERVICE

James Means-Owner

The special attention of our readers is called to the services provided by Means Flying Service located 1 1/2 Miles West of Ropesville on Highway 41 phone 562-3523. Aerial crop dusting and spraying is rapidly becoming more and more important to ranchers and farmers everywhere. A sudden plague of harmful insects can be

quickly and easily destroyed by an airplane. This firm also renders a service for seeding and fertilizing. In just a few minutes an airplane can effectively cover a large area. You are cordially invited to call for information or estimates. Now is the time to investigate the many advantages of aerial crop dusting

and spraying by writing or calling the Means Flying Service. Don't lose a complete crop when for a small amount you can save it with this service from this reliable, well qualified company. We, the writers of this 1975 CONSUMER'S MESSAGE sincerely recommend this firm.

MEADOW IMPLEMENT COMPANY

C.W. "Bud" & C.C. Brooks

Meadow Implement Company in Meadow on Highway 62 phone 539-2336, does its part to further the agricultural interests of the community by supplying the well-known International Harvester line of farm machinery and trucks at the lowest prevailing prices. They endeavor to see that you receive satisfactory service from items which you purchase by rendering an exceptional repair service

to their customers. The great International Harvester line did a great deal to develop the United States and has always provided the latest improved farm machinery that will do the work in the least time, at the lowest cost. They have invented more labor saving farm machinery than any other company, and have always been in advance

of competition. This leading manufacturer is well represented by the Meadow Implement Company who spares no pains to serve you to the best advantage with the latest in dependable farm machinery. Recommending them to all our readers of this 1975 CONSUMER'S MESSAGE, we the writers, feel it is indeed a pleasure.

CHARLES DARWIN FORD INC.

"Your Friendly Ford-Mercury Dealer"

In this day and age when every car maker has such a wide selection of models to choose from, it is difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is. Obviously all the cars on the market today must have their good points or they wouldn't have survived the ups and downs of the business. We therefore can

conclude that the real difference in buying a car is the dealer you buy it from. The ideal dealer to buy a car from offers a fair price on the new unit as well as an honest dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year. The writers of the 1975 Review would like to point out a dealer that considers the most important part of

selling a car the quality service he can offer you after the sale. We are talking about Charles Darwin Ford Inc. at 120 N. 4th (4th & Hill) in Brownfield, phone 637-3561, & 762-4135 in Lubbock, dealers for the famous Ford & Mercury automobiles. See them today for a new or quality used car, and you'll see why we say "Customer Consideration" is their byword.

GOODPASTURE INC.

Goodpasture Inc. located at the home office at 902 W. Broadway, in Brownfield, phone 637-2541, and locally in Tahoka, Meadow, Ropesville, Welman & Welch, 22 locations to serve you.

bought here *not only go further for the money, but are just right in mixture to produce at profit. They also carry liquid fertilizer custom blended for your particular crop or area ask for Sol-U-Phos by name.

grain and have built up an extensive business. For the highest quality ready mixed concrete see South Plains Ready Mix Inc. in Brownfield at 902 W. Broadway, phone 637-3901. For quick deliveries and the best in materials you can do no better than call this firm.

Specializing as they do in furnishing the farmers in this area with all kinds of quality feeds, seeds, and farm supplies, this concern is doing its part to advance stock progress. Feeds

Goodpasture Inc. has an enviable reputation for being among the city's most dependable and representative business engaged in the grain business. They furnish the farmers of this vicinity top market prices for their

We, the editors, highly recommend them in our 1975 Consumers Message stop in for the best service in town.

ROSS IRRIGATION SUPPLY CO., INC.

Mack Ross-Owner
Shorty Vorbus-General Manager

For information on the effectiveness of agricultural irrigation systems and equipment, contact Ross Irrigation Supply Co., Inc. located at 1019 Lubbock Road in Brownfield also located at Seminole on Hobbs Highway & Plains on Lovington Highway, phone 637-3535 (at nights, 637-3794, or 637-3295).

matic - Pivots, Singer - Layne Pump & AM Sprinkler irrigation systems and equipment, and has the experience and know how behind them to intelligently discuss your irrigation needs.

You will be amazed at how inexpensive their equipment is when you consider the cost factor against profits gained.

This company is your authorized dealer for Zim-

They will examine your property and the soil condition and make any estimate on a system that will effectively water your crops and give you a better and more profitable yield.

The editors of this 1975 Consumer's Message suggest to anyone who is having a difficult time with getting enough water on their property that they contact Ross Irrigation Supply Co., Inc. You find that all business transactions with them will be fair and honest.

The Jon-T Chemicals, Inc. is located at 110 South 5th in Brownfield, phone 637-4571. Here they pay top prices to farmers for their grains. The kind of fertilizer containing the elements that your plants need, whether for a farm or garden are available at the Jon-T Chemicals, Inc. This firm has an enviable reputation for being among the city's most dependable and representative business engaged in the grain

business. They furnish the farmers of this vicinity top market prices for their grain and have built up an extensive business.

They are building up a reputation as extensive dealers in grain. Through straight forward, and above board policies this firm has established an excellent reputation in this section of the state and farmers and people generally have come

to look upon it as one of the most important concerns in this area.

The Jon-T Chemicals, Inc. brings thousands of dollars into this community that would otherwise go to some other center if their policies and services were not satisfactory in every particular.

It is with pleasure that we, the copyists, endorse this fine firm in our 1975 Consumer's Message.

EDDINS WALCHER CO.

J.L. Wright-Manager

The Eddins Walcher Co. located on the Plains Hwy. in Brownfield, phone 637-4567, and for the new home area be sure to call James Walker at 924-5513, is well known among our readers as one of the leading oil companies in this vicinity and handles L.P. Gas products, and the best in oils and lubricants. They maintain trucks which cover a large territory making deliveries every day.

Here they feature only the best of L.P. Gas and fuels. It makes no difference if it is for the auto, truck, or tractor, you will find they have the most economical fuels and lubricants to suit your needs. The management of this growing concern has always been interested in the growth and development of the agricultural districts and they believe in giving the farmer a square

deal in every transaction regardless of the size of the order.

Farmers and the people in general have come to look upon this firm as one of the prominent firms of this area.

This firm has always been a booster for the community and the writers of this 1975 Review compliment them upon their admirable manner of serving the public.

JOE'S PIPE LINE SERVICE

"Joe Herring-Owner"

OUONSET METAL BUILDINGS

In the estimate of many people in this area who have had Joe's Pipe Line Service located at 1001 W. Stockton in Brownfield phone 637-6510 handle any of their pipe line, excavating, ditching or oil field construction, there is not a better qualified contractor anywhere.

shortest time possible. Unlike so many other construction companies, this firm is noted for their reliability, fair prices and general business like policies.

They are authorized dealers and erectors of OUONSET metal buildings. They offer the most modern answer to building construction in the last century. These metal buildings give you economy with versatility. They can construct a building of

permanence in any length of width you desire without changing construction or building detail.

It can truly be said that the Ouonset metal building is "America's best building buy".

Without hesitation, we, the authors of this 1975 Review take this time to make public our commendation of the Joe's Pipe Line Service, and suggest to our readers that they have them handle their construction needs.

RUNNELS AND RUN CO.

"Acidizing & Fracturing"

The Runnels and Run Co. is located in Brownfield at 1107 Stockton, phone 637-4591. They feature professional acidizing and fracturing.

mere profit as measured by dollars and cents because there has been a real genuine satisfaction to this firm to be able to render this service.

Through all periods of economic fluctuation this firm has always been ready to serve the best interests of the oil industry and general public of this area. They have derived more than the

The management and assistants are men of practical experience in the oil industry and for many years they have added to the growth & prosperity of this area.

A business of this kind is essential to the entire section. By fair and honest methods they have gained the confidence and patronage of the people of this community.

A fine spirit of cooperation has always been in every transaction with this firm and we, the writers of this Review, wish to compliment them.

STAR TOOL COMPANY

"Tommy Smith-Manager"
"Pat Hoover, General Manager, Hobbs"

The Star Tool Company is located at 1215 W. Main in Brownfield, phone 637-6444 or 505-397-1533. Featuring oil well fishing tools & reverse drilling.

the oil and gas industry in this area.

The management, through untiring efforts to secure for its trade the best that can be obtained, has built up the concern to the present leadership it enjoys among

Sound business management is one of the main basis in the operation of any successful business. Intelligent merchandising, combining best quality at a fair price is another. They have combined these essential factors and are the best

place to go for oil well fishing tools and reverse drilling.

In this 1975 Review we, the compilers, wish to take this opportunity to recommend this concern to the people throughout this district. For a pleasant business relationship we suggest that you let the STAR TOOL COMPANY serve you.

LARRY'S CHEMICAL & SPRAYING

Lloyd Yowell & G.W. Henson-Owners

When service for which you cannot go window shopping such as spraying & chemicals are needed, it then becomes more important to know the reputation of the firm with which you do business. The Larry's Chemical & Spraying located at 1318 Lubbock Rd. in Brownfield, phone 637-3429, is a firm with which one can do business with confidence and assurance of receiving satisfaction.

only competent, well trained men who have the desire to please every customer.

They know the business perfectly and insist that each job be perfect. They employ

Larry's Chemical & Spraying is favorably known for prompt service and fair prices and the best products in town. Much of their popularity is due to the fact that they stand behind every job.

The editors of this 1975 Consumer's Message suggest that you consider this reliable firm. We're sure you will be pleased with any and the products they do for you.

BROWNFIELD SEED & DELINTING

Bob & Jerry Dumas - Owners

Find this popular company on the highway in Brownfield 637-6282 and for convenience J & B located at 802 Broadway, phone

etc., and are so close that planters in this section may seek their advice and in return keep them posted on the results of their own progress on experiments. The progressive planter recognizes the great value of this contact, and the fact that it is economy to deal with the local merchant where adjustments are more easily made and personal interest is maintained.

THE SPUDNUT SHOP

Edmarena & Hubert Singletary - Owners

Any bake shop can make donuts, but no bake shop can make Spudnuts except The Spudnut Shop at 302 South 1st in Brownfield phone 637-3252. Watch for their new grand opening of the Bake & Supply Shop. They have built an enviable reputation in this area for their high quality Spudnuts, turnovers, and other assorted pastries.

HOLMES VAN SERVICE

"George Zant-Owner"

INSURED - PACKING - CRATING - STORAGE

The Holmes Van Service in Brownfield is located at 410 Lubbock Rd. Phone 637-2353. This firm features every type of moving, packing and storage service available.

A moving company should be chosen with as much care as you used when selecting your furniture. Don't just pick a name out of a hat. They have an excellent reputation for reliability, careful handling, courtesy, and promptness. Their years of experience and their impeccable reputation is your guarantee.

Don't take chances by doing your own moving. Let these moving experts do the job quickly and efficiently. You'll be glad you did.

For all types of local and distance moving, call the HOLMES VAN SERVICE, for dependable moving and storage service.

The compilers of this 1975 Review endorse with our complete recommendation this highly reliable moving and storage company.

Nursing Home News

It seems all the residents are complaining of some ailment. They will start Sept. 20 with our flu shots and booster, then they will have something to complain about.

All our residents that were in the Lynn County Hospital are back in the home. The Lee McFaddin's are feeling better, Cruz Guerrero is feeling better, and Carrie Harvick is feeling better.

Thanks to Mrs. Ruth Martin who brought us some real good tomatoes.

J. Wright Edwards spent one night with his son at Wolforth and went to a Gin Co-op supper, he reported a wonderful meal and he saw several of his old friends.

Our gospel singing was good, most of our drop-out singers were back.

Archie Riddle brought in an open boll of cotton that dry weather had popped open, but the rain and drizzling weather we are having isn't helping our arthritis.

Garland Pennington was back on the job of passing out Sunday's paper to several residents, he had been under the weather as a cow kicked him on his left leg and it gives him trouble. We miss him when he can't come.

Brother Bishop, Intrim pastor at O'Donnell, and Jim Lester brought our church services. Brother Bishop, read chapter 16 Psalms on "God bring our Hero". He brought out the teaching of Christ, where without him our lives would be blank. Jim Lester the singer reported he was leaving O'Donnell and we will miss him, as he is such a good singer, he can make anyone sing, we wish him success in his new church.

The washer broke down and Mrs. Harris is doing the washing and Reno Riddle brings them here. Rita Taylor, D.O.N. is taking a well earned vacation. The new L.V.N.'s are learning the way this nursing home is operated, so glad to have them.

TFWC Meet IN Austin

"Your Proposed Constitution", a discussion of the pros and cons of the new Texas constitution by several leading authorities, will highlight the Annual Fall Board Meeting of the Texas Federation of Women's Clubs, September 30 - October 2, at the Driskill Hotel and the Austin Headquarters.

Among the invited officials slated to participate in the debate are Chief Justice Joe Greenhill, Judge Robert Calvert, House Speaker Bill Clayton, and Representative Ronnie Earle, TFWC Presi-

TEXAS TALK

By Fred Myers

Although promoting the producer is customary fare for this column, seeing farmers get "good press" from one of the country's financial magazines is refreshing. In the July issue of FORTUNE, a major article compliments today's farmer as being a talented businessman. In part the article says, "... a farmer must be a tolerably good chemist, mechanic, market analyst and cost accountant ... must be able to judge when to sell his crops, when to hold back, and when to hedge with futures contracts, requiring not only a deep understanding of the commodities markets, but also a grasp of U. S. economic policies at home and abroad." When talking about management ability ... "When it comes to managerial skill, a first-rate farmer can hold his own with businessmen in industry." In short the article states what a lot of us have realized for a long time ... a successful farmer or rancher means being a true professional!

LYNN COUNTY BRANCH
LATON SAVINGS
and Loan Association
1900 Lockwood Ph. 998-4556

dent Harriette Williford Whatley announced today.

More than 300 of the State's most influential leaders of women are expected to convene in Austin for the event. We want to encourage the public to be informed voters, to increase leadership effectiveness, and to cast aside apathy, both statewide and in the local communities. This meeting is vital to the accomplishment of these goals," says Mrs. Whatley. Centered around the theme "The Art of Survival," the meeting will offer sessions on leadership, written and verbal communication, "winning" and a variety of special interest workshops.

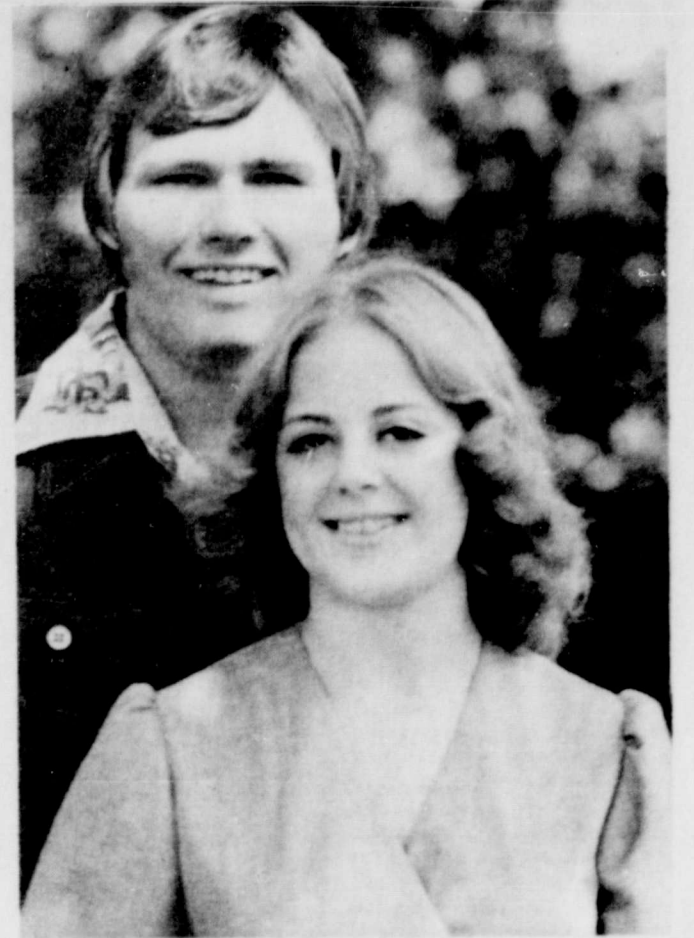

Mrs. Oscar Sowards, Kentucky, GFWC Treasurer; Mary Jane Brodie, Austin, Assistant Attorney General; and Doug Leggett, San Angelo, past president of the Texas Future Farmers of America will take part in the look at leadership. Mr. Peter Kelton, editor of AUSTIN PEOPLE TODAY magazine and Jerry Green, operations manager of Austin's KHFI-FM radio station will demonstrate the basics in written and verbal communication and offers pointers in publicizing activities in print media and on radio and television.

The panel of experts scheduled to present ideas on "How to be a Winner" includes Mrs. Renee D. Blaschke, Smithville; Mrs. Claude Riley, Victoria; Mrs. Howard Weant, Falfurrias; Mrs. W. V. Wheeler, Albany; Mrs. Albert Roberson, Dallas; Mrs. W. E. Jones, Gordon and Mrs. Floyd Shumpert, Kaufman.

Mr. J. Fred Bucy, Jr. of Dallas, executive vice president of Texas Instruments, Inc. will deliver the keynote address, titled "The Tribe That Repealed the Law of Supply and Demand." Other speakers on the program are Mrs. Larry Brandon, Canyon, who will lead a federation orientation session and Mrs. J. M. Barber, Jr., Refugio, scheduled to discuss the metric system.

In addition, TFWC department chairmen plan concurrent workshops which will concentrate on their respective areas: Mrs. W. V. Wheeler, Albany, Conservation; Mrs. Ernest Pierce, Gordon, Public Affairs; Mrs. Felipe Ramon, Rio Grande City, Home Life; Mrs. J. M. Barber, Jr., Refugio, Education; Mrs. Jesse L. Coffey, Beaumont, Texas Heritage and Mrs. Orval Perry, Seagraves, The Arts.

Mrs. Harold Green of Tahoka is the President of the Caprock TFWC.

Leah Dennis & Tony Spears

Dennis-Spears Plan Wedding

Mr. and Mrs. J. W. Dennis of Route A, Lamesa announce the engagement and forthcoming marriage of their daughter, Leah to Tony Spears, son of Mr. and Mrs. Carl Spears, 1705 - South 8th, Lamesa.

Miss Dennis attended Klondike High School and is presently employed as dental assistant for Doctor H.M. Stover. Spears, who attended Lamesa High School, is engaged in farming in the Klondike Community.

The wedding will be Oct. 25 in the Klondike Baptist Church. Tony is the oldest grandson of Mr. and Mrs. Carl Spears Sr. of Rt. 4, Tahoka.

THS SOPHOMORE NEWS

The Sophomore Class held a class meeting last Wednesday. The purpose was to elect the class officers, set class dues, and appoint the Homecoming Project Committee.

Class officers elected for the year '76 are: President Richard Cranford; Vice President-Randy Meeks; Secretary-Treasurer - Jona Valentine, and Reporter - Gary White.

Class Favorites elected for the year are Penny Witt and Ed Roberson. The amount to be paid for class dues was set at \$3.00. This money is to be turned in to a Sophomore Class sponsor no later than October 3, 1975. Every member of the Sophomore Class is urged to pay his class dues. Future money-making projects will be

decided on at a later date. The Homecoming poster committee was selected to be in charge of the arrangements for the class. The committee consist of the combined talents of Jody Brecheen, Leslie White, Reggie House, Gary White, Elaine Draper, Jayson Knox, and Bridgett Fowkes.

Due to the recent downpour of rain, the Sophomore Class of Tahoka High, will sponsor a car-wash on Saturday, September 20, on the parking lot of the United Methodist Church. The wash will start at 9 a.m. and continue through 4 p.m. The prices are 2.50 for a wash and 3.00 for a wash and a vacuum. Come out and help support the Sophomore Class activities!!!

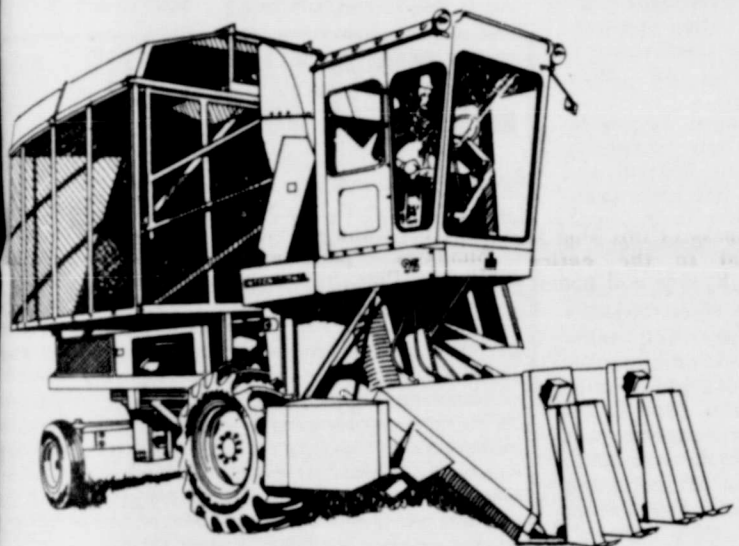

Freezone is for corns that hurt. Absolutely painless. No dangerous cutting, no ugly pads or plasters. In days, Freezone eases the hurt... safely helps ease off the corn. Drop on Freezone—take off corns.

FACTS FOR YOU

from Texas Farm Bureau

VOTING RIGHTS ACT 1975

The U.S. Justice Department said 464 counties in 27 states, including all counties in Texas, New Mexico and Arizona will be required to conduct their elections in two languages, beginning in the Fall of 1975. Recent amendments to the Voting Rights Act of 1965 require that bilingual elections must be held in all states or political jurisdictions that have 5 percent or more "language minority" voters. The law defines such voters as Spanish-speaking people, American Indians, Asian Americans and Alaskan natives.

In addition, 273 of the counties, for the first time, will have to obtain federal preclearance of all changes in voting or election procedure, according to the Justice Department. This

will include all counties in Texas.

The 1975 amendments to the Voting Rights Act of 1965 originally passed the House on June 4, 1975. The Congressional voting record indicates that the following 14 Texas Congressmen voted for the amendment in their final form: Brooks, de la Garza, Eckhardt, Hightower, Jordan, Kazen, Krueger, Mahon, Milford, Pickle, Steelman, White, Wright and Young. The following 6 Texas Congressmen voted against the Amendments: Archer, Burleson, Casey, Collins, Poage and Roberts. Congressman Gonzales answered present without voting. The following three Texas Congressmen did not vote: Patman, Teague and Wilson. The Voting Rights Act amendments of 1975

were discussed in the Senate and approved on July 24, 1975. Senator Bentsen voted for the amendments and Senator Tower voted against the amendments.

There is some doubt that Texas can qualify for the Fall election under the guidelines announced by the U.S. Justice Department. Planning and printing take time and money. There is not enough money in the present state budget to print the extra material. (House vote - CONGRESSIONAL RECORD, H. 4913, June 4, 1975. Senate vote - CONGRESSIONAL RECORD, S. 13674, July 24, 1975.)

STATE FINANCIAL HANDBOOK

The Texas Research League has put together a small booklet entitled TEXAS STATE AND LOCAL GOVERNMENT: A FINANCIAL HANDBOOK. This book is available from the Texas Research League, Box 12456, Austin, Texas 78711 at a price of \$2.00. There are a large number of very interesting facts and figures with regard to state and local government that might be of some help to county Farm Bureau leaders.

FOOD COST

The cost of marketing all foods grown on the farm, and bought by the public in 1929 was 58.26 percent of the total expended and 62.37 percent in 1974. The major cost of food is the cost of getting the food from the farm to the table. The Department of Agriculture has divided this cost as follows: labor 51 percent; transportation, 7 percent (intercity rail and truck); business taxes, 4 percent;

advertising, 3 percent; depreciation, 3 percent; rent, 3 percent; packaging, 12 percent; corporate profits, 6 percent (before taxes); interest, repairs, etc., 4 percent other costs, 7 percent.

The cost of the market basket of farm foods during the second quarter of 1975 at \$1,837.81 is 6.2 percent above the \$1,730.83 reported during the second quarter 1974. The farm value of the market basket of farm foods during the second quarter of 1975 at \$766.19 is 8.2 percent above the \$708.37 reported for the second quarter of 1974. The farm - retail spread, or the cost of marketing at \$1,071.62 is 4.8 percent above the figure reported for the second quarter of 1974.

FARM LABOR UNIONIZATION

The Executive Board of the National Alliance against Racist and Political Oppression, headed by black Communist Angela Davis, has announced a resolution that the National Executive Committee of that organization go on record in full support of Cesar Chavez's Farm Workers struggle against the Teamsters Union for the control of farm workers. (LAYMEN'S DIGEST, September 15, 1975.)

CATTLE DISEASES

It is generally understood that the movement of cattle from one state to the other is a major problem in controlling any cattle disease. However, the figure often missed in dealing with Texas cattle disease such as brucellosis, is the fact that livestock producers and traders move cattle into the State of Texas as well as out of the State of Texas. The Texas Animal Health Commission issues health certificates for the movement of cattle across state lines. There are movements that are not recorded and the total number involved is not known. A tabulation of these figures indicate for the period of January through July 1975 cattle and calves shipped out of Texas amounted to 1,529,233 head compared to 1,761,672 head during the same period a year ago. California is by far the largest importer of Texas cattle; during the first 7 months of 1975 this state imported 374,487 head of Texas cattle and calves or 24.5 percent of all recorded cattle and calves shipped out of Texas. New Mexico imported 260,623 head of Texas cattle and calves during the first 7 months of 1975 or 17.04 percent of the total recorded. Kansas imported 242,699 head of Texas cattle and calves or 15.7 percent of the recorded total. Arizona imported 238,495 head of Texas cattle and calves, representing 15.59 percent of the

recorded total, and Colorado imported 192,913 head of Texas cattle and calves, representing 12.6 percent of the recorded total.

Texas imported 976,201 head of cattle and calves from other states during the first 7 months of 1975, compared to 837,059 head during the same period of 1974. New Mexico sent to Texas 375,877 head of cattle and calves during the first 7 months of 1975, or 38.5 percent of the total. Oklahoma sent 259,791 head to Texas, or 26.61 percent of the total. Mississippi exported to Texas 67,324 head during the same period, or 6.9 percent; Florida 48,425 head or 4.96 percent; Colorado, 35,372 head or 3.62 percent of the total and Kentucky 26,344 head, representing 2.7 percent of the total.

There is little doubt but that rules and regulations regulating the movement of livestock across state lines have been motivated by states seeking to limit imports from other states. This "tug of war" will continue in the future, as it has in the past, and the only effective method of dealing with the problem is to keep before each state the benefits of the free movement of products across state lines on an equal basis.

CONSTITUTIONAL AMENDMENTS

Representative W. J. "Bill" Blythe, Jr. of Houston, has accused the University of Houston of using state money illegally to plug passage of the proposed Constitution. He asked Comptroller Bullock to look into the publishing of a booklet that Blythe claims urges Texans to vote for the document. (AUSTIN REPORT, August 31, 1975.)

MEAT IMPORTS

U. S. imports of red meat for the period of January - June 1975 was 634,324,000 lbs. compared to 636,628,000 lbs. a year ago.

U.S. imports of pork for the January - June 1975 period was 167,921,000 lbs., compared to 195,564,000 lbs. a year ago.

U. S. imports of mutton and goat during the January - June 1975 period was 820,734,000 lbs., compared to 857,301,000 lbs. a year ago.

Cattle imported during the January - June 1975 period was 82,021 head, compared to 473,259 head during the same period a year ago. Sheep imported were 213, compared to 160 a year ago. Hogs imported were 12,259, compared to 98,028 a year ago and horses, asses, mules and burros, 3,671, compared to 1,400 a year ago.

Practically all the beef and veal imported in the United States during the January - June period came from two countries, Australia and New Zealand. These two countries sent a total of 507,947,000 lbs. (or 80.1 percent of the total) beef and veal to the U.S. during the January - June 1975 period. About half of the pork imports came from Denmark and Poland during the January - June 1975 period. Practically all the live cattle, including breeding animals coming into the United States came from Mexico.

U. S. exports of beef and veal during the January - June 1975 period were 19,278,000 lbs., compared to 232,716,000 during the same period a year ago. Most of the beef and veal exported went to the following areas: Caribbean, Canada and Japan.

Port exports during the January - June period 1975 were reported at 82,815,000 lbs., compared to 28,405,000 lbs. for the same period a year ago. Practically all of this export business went to Canada and Japan.

Live cattle exported during the January - June 1975 period amounted to 101,408 head, compared to 98,891 head during the same period a year ago. Most of these cattle went to Mexico and Canada.

U. S. exported 7,904 hogs during the January - June period 1975, compared to 7,496 during the same period a year ago. Most of these hogs went to Belgium - Luxembourg and Mexico.

Lynn County News

SOIL CONSERVATION NEWS

Soil Conservation Service employees are increasingly called upon to serve environmental education as school site planners and conservationists, and as resource people - furnishers of information about soil and water resources.

This is the gist of an editorial by SCS Administrator R.M. Davis which appeared in the agency's August issue of Soil Conservation, the official organ of the agency.

"SCS's nationwide conservation education program is leading the way in helping schools plan and use outdoor classrooms," Davis said. "Now, outdoor learning areas, providing such features as animal and plant identification, nature trails, and soil and aquatic studies, are established in almost every soil and water conservation district in the United States. Many are designed with SCS and district help.

"The typical citizen today is confronted with a bewildering lineup of controversies over the environment. He receives conflicting information on practically every resource issue, being assured one minute that all is well and the next told that doom is imminent. On the basis of all the divergent reports the citizen must make informed decisions about the future of our resources.

Rep. Short On Committee

Representative E. L. Short of Tahoka has been appointed by Speaker Bill Clayton to serve on the Consumer Protection Committee of the Southern Legislative Conference of the Council of State Governments.

The Southern Legislative Conference was established in 1947 to foster and encourage intergovernmental cooperation in the South. The various committees of the Conference, made up of members from fifteen states, consider problems common to the region and share knowledge and experience.

"I am confident that Representative Short's service on this committee will be an asset to the work of the committee in particular and the Southern Legislative Conference as a whole," commented Speaker Clayton.

"We are learning that helping teachers gain an understanding of conservation is an efficient way of reaching a large audience of future leaders and decision-makers," Davis said.

Facts relating to the environment and gained from years of actual conservation practice are also passed on by SCS district conservationists to women's clubs, service clubs, and scouts.

"Providing this kind of assistance is where districts and SCS can be of increasing service to all Americans. We cannot afford to shrink from our responsibilities in environmental education. There's too much at stake," Davis concluded.

BILL GRIFFIN SAYS

The farmer who mismanages his finances may be forced out of business.

It is much easier to go broke today than it was some years ago because the keys to success are shifting from land and labor to capital and management.

Farmers today rely much more heavily on purchased inputs and heavy machinery investments.

And, financial statements play a vital role today. These should include net worth, profit and loss, and cash flow statements.

Most farm financial problems arise because too little cash is generated after expenses to cover both living

Thursday, September 11, 1975

costs and current commitments. A general financial net worth analysis is required for a future position, a farmer defend against financial chaos before it occurs. deficit is forecast, he consider decreasing expenses or increasing receipts. The important continuous analysis to a financial crunch that be large enough amount enough to put the farmer financial stranglehold.

Scholarship Turkey Shoot

Epsilon Sigma Alpha sponsor a Scholarship Turkey Shoot Saturday, September 13, 10 a.m. to 6 p.m. at the 5 - Points Gun, located 4 1/2 miles S.E. of Seagraves on U.S. Highway 12. The Shoot will begin at 10 a.m. and end at 6 p.m. All types of shotgun will be held throughout the day. Proceeds from the Shoot and the contest stand, which will be available, will be given to senior high school students to continue their education. In conjunction with the Turkey Shoot E.S.A. have a drawing of a Remington 12 gauge automatic shotgun. The will be given away at the Turkey Shoot.

Bridge Winners

Duplicate bridge winners last week's game were W.K. Scudday of Brown and Mrs. Audie Norman first; Mrs. Gene McKee, Mrs. Winston Whaley second; Bobby Stone, Wilson and Frank Hill, Mrs. Wilmer Smith, Mrs. Cove Collier, fourth.

INSUR-MATION

Robert Harvick
Lynn County Farm Bureau, 998-4320

What is an annuity? How does it apply to insurance? Literally, an annuity means an amount payable at regular intervals. Annuities and life insurance have functions which are opposite. Life insurance protects the beneficiaries while the annuity provides income to the insured. An annuity is a guarantee that life insurance company and an individual, using assigned rates of mortality tables, whereby the company agrees to pay a specified income to the annuitant. Effectively, there is an annuity built every life insurance policy... with settlement options in which may take the cash value of the policy at time of retirement or annuity, receiving a monthly income for life.

CHURCH OF CHRIST, "OH YES, THEY THINK EVERYONE ELSE IS GOING TO HELL."

The above is the response of many people when the church of Christ is mentioned. The reason is often a lack of understanding of the term "church of Christ". The church of Christ is not a denominational name, nor is it a title for the Lord's church. We have no monopoly on truth, but we accept only the "written word" as truth. THE CHURCH OF CHRIST IS A DESIGNATION OF RELATIONSHIP. It is the blood purchased redeemed (Eph. 1:7; 1 Pet. 1:18,19). It is the saved of Christ throughout the world (Matt. 1:21). The very nature of God and the church prevents it from being a denomination or any part of a denomination (Eph. 4:4-6). Members of the Lord's church wear the name of Christ (Christians) only. We see no need to join a denomination and commit spiritual adultery by wearing its name above that of the Bridegroom (Eph. 5:31-32). There is not one thread of evidence in the Bible to support the deceitful doctrine that all religious divisions make up the church of Christ (Jude 17-19).

Acts 2:47 states that as soon as one is saved, the Lord adds him to His own church. Now I ask you, can one be saved without being in Christ's church? How is that possible when the saved are IMMEDIATELY added to it?

If after reading this, you would like to discuss this matter in detail, please contact us. We will gladly schedule a Bible study in your home at your convenience. If you have reservations about a study of this type, please ask your minister to be present.

Please clip out and send to: CHURCH OF CHRIST, Box 1177, Tahoka, Texas 79733. Please send me your 8 Lesson Bible Correspondence Course:

* Card of Thanks

We deeply appreciate the many expressions of sympathy from friends on the passing of our wife and mother, Mattie Hargett. Also, our special thanks go to those who sent memorial gifts, flowers, cards, food, or came by to offer their consoling words; to the doctor and nurses for their kind attention during her long illness; to the funeral home; and to those who helped in any way. May God bless each of you, is our prayer. H.O. Hargett, the W.T. Hines and Boyce Evans families. 38-1tp
