Parker Pharmacy

Places Third

Dayton Parker Pharmacy Women's Volleyball Team won 3rd Place in the Talloka Lions Club Volleyball Tournament Saturday, March 13. The Pharmacy defeated the Lamesa Roadrunners at 9:30 a.m. At 12:00 noon, the team defeated Prather's Sheet Metal of Brownfield and Dalby Cattle of Post at 2:00 p.m. At 6:00 p.m. the Pharmacy was defeated by Sunray of the Amarillo Region and at 7:00 was defeated by Tall City of Midland. Sunray and Midland tangled at 7:30 p.m. Sunray of Amarillo took 1st place honors winning Blue Windbreakers. Sunray won 2nd place Trophies and Dayton Parker Pharmacy

won 3rd place Trophies. Due to sickness, the Pharmacy was without their setters: Ellen Wilson and Leslie Beatty but had good replacement in Patsy Brooks and Barbara Roberts. Other members of the team playing were: Doris Pollard. Sandy Teaff, Alta Hale, and Jackie Douglas. Due to sickness Sherry Manley will be out for the season.

Southland Tournament In the Southland Tournament, Parker Pharmacy beat the Have Beens of Post, Wayland Taylor of O'Donnell and Wilson State Bank. They lost to Prather's Sheet Metal of Brownfield. In the first game, Prather's 15, Parkers 13; 2nd game Prather's 15, Parkers 9; and teh third game, Parkers 15

and Prathers 9. The Regional tournament will be held this week end in Tulia. Teams will be from Amarillo, Tulia, Dumas, Prather's of Brownfield and Parker's of Tahoka.

Mr. and Mrs. Frank Hill visited in Pampa last week end with Mr. and Mrs. Dick Taylor and baby daughter.

independence. Mrs. Jess Gurley has been in Austin this past week visiting Dr. and Mrs. Jay Gurley and daughter and their new grandson.

Essay Winners Are Named

The Tahoka Bicentennial Committee sponsored an essay and poster contest during February for school students.

Grades Kindergarten through 5th submitted one poster from each room for judging. The posters all had a Bicentennial Message. The winners were: Kindergarten

Miss Doshier; 1st grade, Mrs. Griffing, 2nd grade, Mrs. Whittington, 3rd grade Mrs. McWhirter, 4th grade, Mrs. Carter, and 5th grade, Mrs. Ellison. Prizes for each room were wooden plaques which read Bicentennial Poster Champs - 1776 - 1976.

Elmer Owens made the plaques. The posters are now on display at Dayton Parker Pharmacy.

In the essay contest all students in 6th through 12th grade entered. The following were chosen as winners; 6th grade - Dustie Cook - 7th grade - Kris Gass; 8th grade Suzy Lawson - Freshman -Jamie Renfro, Sophomore -Jodie Brecheen, Junior -Beverly Harvick, and Senior Cole Brecheen. These students were presented \$10 each provided by the Tahoka High School Student Council and the Tahoka Bicentennial

Committee. Four of the winning essays are printed here so all citizens can have a further part in Tahoka's Bicentennial celebration and see the ideas our young people have about American.

By Dustie Cook The Greatest Moment

The greatest moment in the life of our country is when we won our independence. We needed our independence from the British because they lived so far away that they coul be very good rulers. We needed rulers that lived closer. The British were so strict. They did some of their trading with us but we had to do all of our trading with them and then they started to tax our food.

We wanted to be independent. This is when the Declaration of Independence came in. Many great and brave men wrote and signed it. Also, many brave and courageous men fought for us too. For Example: Sons of Liberty, George Washington, Abraham Lincoln, Thomas Jefferson, and many, many more.

I believe it had a great effect on our country and our freedom. We wouldn't have as much freedom as we have now if the British were still our rulers. We wouldn't be a nation of our own. We wouldn't be an example to other nations. We wouldn't be one of the most independent and strongest of nations. I am very glad to know that people fought for us and I'm sorry to know that

so many lost their life. My freedom means very much to me. Our country has changed alot. We have come from 13 dependent colonies to 50 states and to a powerful nation and we are an example to the whole world of democracy. I couldn't be prouder to be here this year to learn of our countries progress.

By Kris Gass 7th Grade

What America Means To Me America is a special country. I can just give you a few reasons why I am so glad and proud to live here.

One of the most indeportant achievements of America is getting it. First, let us go back 200 years to the Revolutionary war where many men had been killed and wounded. Men that gave their lives for our

Today America is just not thirteen colonies near the coast. It has accomplished so much more. For one thing it has a democratic government and is now a very powerful country. In some countries there is just about one or two men running the whole country but not America.

To me, America will always remain the strongest, most beautiful country in the world. America has many beautiful places like the Rocky Mountains in Colorado, the Mississippi River and the Grand Canyon in Arizona

America has a good government. We have many freedoms and rights and the people make the laws. We have freedom of speech, freedom of press, and freedom of religion.

No wonder people of America are proud and dedicated to this beautiful country. No wonder we want to celebrate it's 200th birthday, more than ever we are proud to live in America.

> By Suzy Lawson 8th Grade

What America Means To Me To me, America is everything I have ever known. It is happiness, sadness, joy, and sorrow. It is where I was born, where I live, and where I always want to live. I feel that I am very lucky to live in such a

America is knowing that men fought for the freedom we have today. We should be proud of these brave heroes who gave their lives

wonderful land.

for our country. American is the beautiful land around me. It is the green pastures, tall trees, snow covered mountains, the blue sea, and the fabulous skyscrapers. I think it is the most beautiful and varied country in the

More than anything else, America is the people. They come in all shapes, sizes, and colors. No matter where they come from, I think they are true Americans if they love her.

> By Jamie Renfro Freshman

Franklin Delano Roosevelt Franklin Roosevelt was a very great and important man to the United States. He was the son of James and Sara Roosevelt. He attended Groton School, then, on to Harvard University where he graduated in 1904. The following year he married his fifth cousin, Eleanor Roosevelt. Franklin studied law after graduating from Harvard. He went on to serve in the State Senate from 1910 to 1913. Franklin was governor of New York

from 1929 to 1932.

The whole civilized world was suffering from a major depression when Franklin was elected President for his first time in 1932. Millions were out of work and despairing. Trade and finance were in the doldrums. Manufactoring was slowed down, and many factories were closed. The farmers could not sell their produce from their crops. Upon this stage stepped Franklin Delano Roosevelt. He was fifty - one years and not strong, for he had been stricken by infantile paralysis in 1920 and had not fully recovered yet he had confidence and willingness to the responsibility. He served the United States through twelve fateful years. The facts remain that during his first two terms as President the depression abated, and that in his last vears the United States and Allies came gloriously through World War II.

Roosevelt died on April 12, 1945, at the beginning of his fourth term and not knowing Germany and her Allies gave up the fight.

GRAND CHAMPION BARROW- Pictured above is Valton Stephens as he shows the Grand Champion Barrow at the Southwest Junior Livestock Show held in Lubbock March 16. Shown with Valton is Dr. T. D. Tanksley, Jr. of Texas A & M. judge of the barrow show. Valton showed a middle weight Duroc. He is the son of Mr. and Mrs. Roy V. Stephens and a senior of Tahoka High School.

Norman's Land Plowed By Neighbors

Lentz.

W. H. Norman of the Grassland community had so many neighbors respond it didn't take long to prepare a half section of his land for planting Monday and put down the Treflan.

Norman, who fell and broke his hip and then got a touch of pneumonia, is in Garza Memorial Hospital in

The neighbors got their tractors rolling at 8 a.m. and by 1:45 p.m. were all through, including the downing of a big dinner at

Seventeen tractors were in the field at one time.

"It was a beautiful sight to see all those tractors busy plowing in that field," said Bill Lentz manager of the Producer's Coop Gin at Grassland.

The farmers participating in the "plowing" were: James Aten, Dick King, Jerry Pebsworth, Thurman Francis. W. C. Bush. Wendell Norman, Gerald Norman, Jim B. Porterfield, Carolos McCleskey, Pistol Rash, Delbert McClesky,

3 Accidents In County

The Texas Highway Patrol investigated three accidents on rural highways in Lynn County during the month of February, 1976, according to Sergeant H. E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and one person injured.

The rural traffic accident summary for this county during the first two months of 1976 shows a total of six accidents resulting in no persons killed and one person injured.

Tile rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for February, 1976, shows a total of 416 accidents resulting in 17 persons killed and 243 persons injured, as compared to February, 1975, with 435 accidents resulting in 12 persons killed and 199 persons injured. This was 19 less accidents, five more killed, and 44 more injured in 1976 at the same period of time.

The 17 traffic deaths for the month of February, 1976, occured in the following counties; Two each in Bailey, Castro, and Hutchinson; and one each in Dickens, Knox, Lubbock, Parker, Terry, Wichita, Gray, Hall, Hansford, Swisher, and Wheeler.

Amos and Jerry Gerner, R. C. Ray, Frank Thomas, Glen Norman, Chan Thomas, Arturo Gomez, Van Lee Allison, Vic Lauderdale, Mike Aten, Olan Long and

New Home Little League Sign - Up

All boys and girls in the New Home area interested in playing Little League baseball are urged to sign up Tuesday, March 30th at :30 p.m. in the New Home Cafetorium. Any one interested in signing up should bring a parent or guardian.

Weekly TOPS Meeting Held

There were five present at the last TOPS meeting.

A total of 15 lbs was lost Wilma Smith was the leading loser with 8 lbs and her daughter Edna was second with 3 lbs.

The Club started a contest to run to the 4th of May. The one with the most pounds lost without a weight gain will win. The prize is a jar of cream sachet.

All Texans Should Know Weather Warning Signals

Two phrases that should be part of every Texans' vocabulary are "tornado watch" and "tornado warn-

The National Weather Service is constantly monitoring the skies and will issue a "watch" anytime a squawl line which has the potential of spawning tornadoes begins to develop. 'Watches' are usually posted for broad areas spanning hundreds of miles. It is not uncommon for a city or town to be included in a watch dozens of times without ever experiencing a tornado.

For this reason there is a danger of becoming complacent. Although no one expects that people will 'drop everything' when a watch is posted, they should become conscious of the

Tommy Botkin To Play In All-Star Game

Tommy Botkin of Tahoka has been invited to play in the second annual Plainview Jaycees Panhandle Plains All - Star Boys Basketball Game, scheduled for Saturday, March 27 at 7:30 in Hutcherson Center on the campus of Wayland Baptist College.

Two 10 - man teams will be meeting in the contest that pits graduating seniors who are not participating in spring sports since the game is not sanctioned by the University Interscholastic

League. The teams will practice for two hours each on Friday night before the game and for one hour each on

Saturday morning following a 7:30 a.m. breakfast with the Jaycees and other dignitaries. They'll be staying in the homes of Jaycee members.

Tickets for the game are \$1.50 for adults and 75 cents for students and will be available at the gate. Several free tickets have been sent to each participant in the

Coaching the North Squad will be Audie Apple of Frank Phillips Junior College in Borger while Darrell Price of Lubbock Christian College will guide the South. Last year's coaches were Bill McDonald of Amarillo College and Bob Clindaniel of Wayland.

Last year's game was an exciting one with the North winning, 81 - 77 behind 32 points from Pampa's Billy Wilbon and 25 from Joe Kerr of Borger, Chris Fairley of Lubbock Coronado led the South with 25 and he and Wilbon were voted most Valuable Player for their respective squads.

North teamers are 6 - 1 David Bergin of Gruver, 6 - 4 John Johnson of Canvon, 6 -0 Eddie Milton of White Deer, 6 - 1 Richard Lane of Pampa, 6 - 5 Mike Hull of Hereford, 5 - 10 Edward Thomas of Wellington, 5 - 10 Jon Weatherred of Kress, 6 -2 Steve Stout of Tulia, 6 - 0 Denny Roark and 6 - 3 Lewis Moore of Amarillo Tascosa. South team selections are

6 - 0 Vic Henry of Lubbock Coronado, 5 - 10 Ken Standmire of Morton, 6 - 3 Wes Henry of Hale Center, 6 - 0 Tommy Botkin of Tahoka, 6 - 2 Michael Curry of Floydada, 5 - 8 Ernest Osuna of McAdoo, 6 - 0 Jerry Hearn of Plainview, 6 - 6 Donnie Seale of Lubbock Cooper, 6 -4 John Daniel of Plainview and 6 - 6 Richard Holland of Lubbock Coronado.

Tommy is the son of Mr. and Mrs. Finis Botkin of Tahoka, and a senior in Tahoka High School.

weather and monitor broad-

casts for developments. In spite of great technological strides, the human eye is still the best instrument for locating a tornado. Since radar isn't effective in spotting most tornadoes, many communities have organized networks

of trained volunteer spot-

To be effective, a spotter must be trained because there are many weather conditions which resemble tornadoes but are not. These tornado look - alike will confuse one untrained eye. More often than not, the classic funnel tornado will be clearly visible in West and Central Texas. In the Eastern states and East Texas the funnel will often be obscured by rain so that it is heard rather than seen

As potentially dangerous squawl lines pass through an area, that community's trained tornado spotters are deployed to scan the skies for trouble.

If a twister is spotted, a "tornado warning" is signaled. Warnings are issued for much smaller areas and may mean that residents may have only a few minutes to take shelter. If a warning is issued, persons in that area should immediately watch for danger and be ready to take cover at a

second's notice. Interviews with people who have lived through tornadoes indicate that the most prevalent sound associated with tornadoes is that of freight trains passing close by or jet planes roaring

overhead. Anyone who thinks they have spotted a tornado should immediately notify law enforcement officials. Spotters do a good job in protecting their community but they cannot be every-

where at once. While the community goes about its business during a tornado watch, the spotters become the first line of defense against tornadoes striking without warning. The work can be dangerous. A volunteer spotter was killed by the tornado which wrecked Lubbock in 1970.

Clothing Program To Be Held

A county wide clothing program will be held Tuesday, March 30, 7:00 -9:00 p.m. at the Lyntegar Electric Cooperative Meeting Room, Tahoka. This program is for anyone interested in clothing. The topics which will be discussed are fabrics and fashions for spring, quick sewing techniques, wardrobe coordination, and recycling of one's wardrobe. The program is sponsored by the Texas Agricultural Extension Service of the Texas A & M University

Local Merchants will contribute to the presentations. These are: Cinderella Shop, Fabric Place, Pins & Needles, Togs and Curls, Hendersons, & Tahoka Dept. Store.

This program should be fun and interesting. Those who attend are sure to gain information which will benefit their wardrobe and personal clothing. If you have questions, call county agents office, 998 - 3650, according to Sherry Etheredge, County Extension Agent.

Kathi Stevens-Johnny Brandon Exchange Nuptial Vows

Kathi Jo Stevens and Johnny Lynn Brandon exchanged nuptial vows Friday the 19th at 6:00 p.m. in The First Baptist Church with the Reverend Jimmy A. Turner officiating at the double ring ceremony

Parents of the couple are Mr. and Mrs. Bert Stevens and Mr. and Mrs. J. F. Brandon both of Tahoka.

Honor attendants were: Miss Carla Stevens, sister of the bride and Mr. J. F. Brandon, father of the groom. Georgia Thomas served as bridesmaid and Eugene Brown as groomsman. Candle Lighters were Kevin Grammer and Lance McNeely

Ushers: Bruce Franklin Kelly Grammer, nephew of the groom, Scott Stevens brother of the bride, and Steve Miller. Suzanna Franklin registered guests.

The bride wore a Victorian wedding gown of white Peace - d - ange and Cluney lance accents. The moulded bodice featured a duchess neckline, full cluney lace bishop sleeves fell to deep cuffs of matching lace. A graceful bell shirt swept to form the chapel train. Kathi wore a Victorian Capulett of cluney lace loop and flowerletts from which fell her bouffant mantilla veil which swept beyond her chapel length train of her wedding gown. The Bridal attendants

wore Doar blue garden gowns of Quiana with Quaker collars and cuffs of white, with cluney lace edging. The attendants wore Victorian Cluney lace Capuletts of white with wide blue ribbon bows at the back.

Both bride and groom are Tahoka High School Graduates. After a wedding trip to the West Coast the couple will live and farm near

The National Weather Service reports that during 1975 there were 917 reported tornadoes across the nation resulting in the death of 59 persons. Ten of the deaths occured in Texas where 118 tornadoes were reported.

THURSDAY, MARCH 25, In Memory Of Teddy Fitzwater

Teddy left many precious memories behind; a precious little son. She planted in the hearts of those she came in contact with love, respect and good will toward all

This was expressed in so many ways; by the beautiful floral offering. The abundance of food brought by friends and neighbors. The great host of people that came to pay their respect and to mourn her passing. By the comforting words in message and song by those that assisted. Her life on earth was short

if we count time as days, months and years, however time according to God's measure doesn't coincide with our thinking or timetable Not only the love of her

friends, and loved ones expressed for her and the family. But Teddy's love and the person that she was, was expressed in a vivid and a very special way, by a little step - son; as he met me on the walk at the home at New Moore after the service. I felt a tug, I looked down he was looking up at me, he said, "Are you the preacher?" As if to say, I've lost someone that I loved very much. I don't understand what has happened, I need help. I reached down and took his hand in mine, we

Teddy Fitzwater

talked for awhile. He sta with me for awhile then back to play with the children. This little be me something more Teddy. By the touch hand the look in his e and the question as Teddy gave of herse love, no higher honor be given a person than t she gave because she lo

BIBLE AUTHORITY AND RESTORATION OF NEW **TESTEMENT CHRISTIANITY**

Christ's continual appeal to the Scriptures ets His concern for the word and its' authority: is written -- have you never read in the tures? -- you do err, not knowing the scriptures The reformation of the fifteenth and sixteenth was a result of committement to the of the Bible in matters of faith and Let us now examine four requirements that ecessary if we desire to submit to the Bible as le authority in religion.

WE MUST FREE OURSELVES OF HUMAN

Everyone of religious conviction has beliefs and en these beliefs are defined they become creeds. ong as these creeds are in harmony with the ptures they are not human origin --- They are e Creeds or beliefs of human origin are fallible the authority of such creeds should always be ordinate to God's revealed wisdom as recorded

e Scriptures. WE MUST FREE OURSELVES OF RSONAL OPINIONS.

If we are to approach the Bible objectively we st free ourselves of private opinions. We must our minds and receive the word of truth estly. Never should one use the scriptures to firm what he has previously decided to believe. this case opinions become the authority for our th. If we are to restore New Testement ristianity we must recognize that our erstanding of the truth may be incorrect in some

WE MUST STUDY THE BIBLE IF IT IS TO OUR AUTHORITY OF FAITH.

Without prayerful study it is impossible to restore w Testement authority to religion. Remember the eans who searched the scriptures daily to ermine whether or not the great apostle Paul ke the truth. (Acts 17:11) How much more should be concerned with false doctrine in this time of roximately four - hundred denominations in this ntry. The apostate Roman Church that came ut in 606 AD was a direct result of Biblical

4. WE MUST OBEY BIBLE AUTHORITY.

we fail to have an attitude of submission ards God's word, meeting the conditions of the vious three requirements will be useless. If we y with a sincere honest mind and then obey the ority of God's Spirit, the Bible will have become sole rule of faith. We can purify religion and ore the church of God.

he purpose of this article as well as others which recently appeared is to motivate our readers to dy the Bible and see for themselves what the otures teach. Church of Christ members have no oply on scriptural understanding. We are le. I urge you to give us the opportunity to mine the word of God with you. tablespoons of cocoa plus one tablespoon of shortening. This is equal to one ounce of unsweetened chocolate, the specialist expla-

-- White chocolate is a term given to a white coating that cannot legally be labeled as "Chocolate." It has less fat in it than regular choclate. When white chocolate is used in a recipe, the recipe will call for more fat than if dark chocolate were

"In storing chocolate above 85 degrees F, the cocoa butter in it melts and rises to the top. When the temperature is lowered, this butter hardens again and gives the chocolate a grayish color. The only harm done is to the appearance of the chocolate -- the flavor is fine," she noted.

Try this recipe by Jewel Parker:

Chocolate Fudge Cookies 2 cups sugar, 1 stick margarine, 1/2 cup milk, 3 tbs. cocoa, 2 1/2 cups quick cooking oats, 1/2 cup peanut butter, 1 1/2 tesp. vanilla, 3/4 cup chopped nuts, optional.

Combine sugar, margarine, milk, cocoa. Bring to rapid boil and boil for 1 to 1 1/2 minutes (start timing after mixture reaches full

Remove from heat, add peanut butter, oatmeal, vanilla, and nuts. Beat until blended then drop by teaspoon onto wax paper. Optional - 3/4 cup shredded coconut or 3/4 cup chopped dates maybe added if

"Consumers of the future" will see noticeable changes in capacity measurements of kitchen appliances, Mrs. Lillian Chenoweth, a family resource management specialist, pre-

"Under the metric system, capacity of appliances probably will be given in liters. And the capacity of containers, milk for example will also be measured in liters. This will make it easier for tomorrow's housewife to know how much her refrigerator will actually hold," she daid.

Mrs. Chenoweth is with the Texas Agricultural Extension Service, the Texas A & M University System.

Square feet of shelf area will be changed to square meters, physical dimensions will be given in centimeters instead of inches, and weight in kilograms, not pounds," she added

The specialist offered hope for "metrically confused consumers" in saying that initially the size of appliances probably won't change. But to overcome difficulties involved with conversion into odd metric amounts -- 167.3 cm, for example -- designers may shift in time to easier dimensions, such as 165 or 170 cm.

"And even temperature will be affected. A typical food compartment temperature reading may be 2.8 degrees Celsius, rather than 37 degrees Fahrenheit. The freezer compartment may be set at -17.8 degrees Celsius, in stead of 0 degrees F, Mrs. Chenoweth said.

Symbols, rather than temperatures or words such as "Hot," are also beginning to appear on some appliances. To comply with an Underwriters Laboratories regulation effective in September 1975, symbols will be used to show clearly with range burner is operated by a given control, she said.

New terminology also will be needed to describe room air conditioner cooling output, now certified by the Association of Home Appliance Manufacturers in terms of British Thermal Units (BTU).

"Watts or kilowatts of heat and cubic meters of air circulation are being considered, but final industry wide decisions will be made in the future," the specialist

said. Some progress has been made already in the shift to metric measurements. Swimming pools may be built to metric dimensions, skis are sold in centimeter sizes and the width of photographic film is ex-

pressed in millimeters. 'Metric scales are beginning to appear on bleach dispensers in automatic washers, in microwave oven cookbooks and in home freezer use and care manuals," she said.

Spicy Oven-Fried Chicken 1/2 cup enriched corn meal, 1/2 cup sifted all purpose flour, 1 1/2 teaspoons salt, 1/4 teaspoon pepper, 1/2 teaspoon oregano leaves, crushed, teaspoons chili powder, 1/4 teaspoon garlic powder, one 3 1/2 lb. frying chicken, cut up, 1/3 cup butter or margarine, melted. Heat oven to moderate (375 degrees F.) Combine

corn meal, flour, salt, onion salt, pepper, oregano, chili powder and garlic powder. Dip chicken pieces in milk and then in corn meal mixture. Place skin side down on rack in large shallow baking

skin side up; brush with butter again. Bake uncovered in preheated oven (350 degrees) about 40 minutes or until juices run clear.

pan. Brush with butter. Turn

Quick Pan Rolls Makes 4 doz.

Two 8 oz. packets instant grits product, 1/3 cup sugar, 1 tablespoon salt, 3 cups hot water, 1/3 cup vegetable oil, 7 1/2 to 8 cups sifted flour, 2 pkg. dry yeast, Poppy seed or Sesame Seed.

Combine instant grits product, sugar, and salt in large bowl of mixer. Add water, oil and 2 cups of the flour. Beat 2 minutes on low speed. Add 1 cup additional flour and yeast. Beat 1 minute on low speed. Stir in enough additional flour to make soft dough.

Turn out on well floured board or canvas. Knead until smooth and elastic, about 10

Divide dough into 4 equal parts. Shape each part into 12 balls; place 2 dozen balls in 2 greased 8 - inch round cake pans. Place in the remaining 2 dozen balls in greased 13-9-inch baking pan. Baste tops with melted butter and sprinkle with poppy seeds or sesame seed. Cover; let rise in warm place about 1 hour until nearly doubled. Bake in preheated hot oven (400 degrees F) 25 to 30 minutes or until golden brown. Remove from pan; baste tops with melted butter. Serve warm.

Pioneer Club Met Friday

At the regular meeting of the Pioneer Club on Friday. only 19 members were present. Mr. and Mrs. Pat Hutchinson of Mendin La. were special guests. At the business meeting Teddie B. Kelley, pres. presided and Mrs. Robert Abbe reported on a building that may be available in the near future. A new date was set for the group to tour the Post Mills. It will be April 9. More about this later. After the noon luncheon games were enjoyed. Next regular meeting will be April 2 with another noon meal. Come bring a friend and enjoy the fellowship. There are no dues to this club but donations are accepted. Everyone 60 or over is

The state contest is being sponsored by the Texas Broiler Council with the cooperation of the Texas Department of Agriculture Nacogdoches Chamber of Commerce. The National Broiler

Chicken

Council and the makers of a flavor enhancer and corn oil are sponsoring the national cook-off. To enter the state contest,

persons must submit one or more recipes to the National Chicken Cooking Contest, 614 Madison Building, 1155

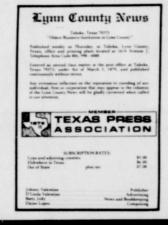

15th St. N.W., Washington, D.C. 20005. Contest officials will choose the top five recipes from each state and the District of Columbia. Entry deadline is April 1.

Contest rules state that the predominant ingredient of each recipe must be a broiler-fryer chicken. Each recipe must contain at least 1 teaspoon of flavor enhancer and ¼ cup corn oil. If cooked chicken is an ingredient, instructions for cooking it must be included.

Name, address, birth date and telephone number must be written on the front page of each recipe. Contestants must be at least 18 years old and residents of the United

Recipes will be judged on the basis of five equal points: recipe simple enough to appeal to most people; different enough interesting; familiar and nationally available ingredients; appearance; and

More than 7.8 million veterans saw service during the Vietnam era, from Aug. 5, 1964 and May 7, 1975.

Faith Circle Met Monday

Faith Circle met Monday March 22 in Fellowship Hall. Mrs. Walter Mathis opened the meeting with a prayer and conducted a short business session.

After the business meeting, Mrs. G. M. Stewart led the study on the prophets. The book to be used is 'Decision for Destiny.' Monday, by way of introduction we learned that a prophet is "God's man for Others", and a "Holy Adventurer." Each prophet had a different message, and their messages are relivant

The next meeting will be Monday, March 29th.

Says

We live in the most marvelous century in the history of the world. We are blessed with inumerable gadgets to make life more pleasant. Our automobiles are a pure joy; we drive in air conditioned comfort, listening to strains of beautiful music. over our stereo music system or tape players.

It is a far cry from driving the old family hack with a pair of spanking bays. We should be happy, but happy we are not.

Our modern age has complicated our lives with problems that are really frustrating. You know What? -- to

get away from it all----We are going to close our studio on April 12 and go to California and not return until May 6.

We hope you will be compassionate enough to put up with the inconvenience of our being closed. But we have a rendezvous with the coast line of California and Oregon.

We hope to bring back some outstanding pictures for our exhibitions. We can still make your portrait before April 12.

Mrs. Nickey Kim Hodges ... nee Randalynne Warren

Warren - Hodges Pledge Double Ring Vows

Randalynne Warren, daughter of Mr. and Mrs. Jack Warren of 1900 - 10th Street and Nickey Kim Hodges, son of Mr. and Mrs. H. C. Hodges of Route 4, Tahoka, were united in marriage in a candlelight double ring ceremony Friday, March 19, 1976, at 7:00 p.m. in Jones Chapel Baptist Church with Rev. Del Kennedy officiating.

The Church was decorated with a heart shaped candleabra flanked on each side with baskets of pink roses and white carnations.

Minnie Glasscock of Tyler, aunt of the bride, sang 'Because" and "The Twelfth of Never.

The bride given in marriage by her father, wore a gown of cascading ruffles of scalloped Chantilace sweeping to a cathedral train. Pearled Chantilace scalloped the sabrina neck line. Her tiered, waist length veil was held in place by a headpiece of illusion, accented with petals and pearls. She carried a bouquet of pink and white carnations atop a white lace Bible, a gift from the groom.

Suzie Warren of Goldthwaite, cousin of the bride was maid of honor. She wore

a long hot pink double knit dress with puffed sleeves and an empire waist line trimmed with lace and

flowers. Debbie Warren of Goldthwaite, cousin of the bride, and Judy Shaw, aunt of the bride, were bridesmaids. and wore light pink dresses fashioned like that of the maid of honor. Flower girls were Connie Warren and Melody Shaw, cousins of the bride, and wore light pink dresses featuring pink lace and puffed sleeves. Cris Reynolds of Brownwood was ring bearer.

The bridal attendants wore white picture hats and carried bouquets of pink

Best man was Sidney Burrow of Girrard, and Groomsmen were Steve Perry and Bruce Perry of Brownwood. Ushers were Barry Nettles of San Angelo and Bobby Brewer of

Only one cotton herbicide really fits the sandy soil conditions in West Texas.

Sancap.* The cotton herbicide made for sand, loamy sands and sandy loams. Made for the soil conditions that make growing cotton in West Texas different from most any other place in the world.

Sancap controls your toughest weed problems. Carelessweed and Russian thistle.

And Sancap does the job without injuring your cotton. Just follow the label. There's no guesswork about rates—no worry about applying too much or too little.

So build your weed control program around Sancap this year. Then watch your cotton come through clean and healthy. Because now you've got a herbicide that really fits your conditions.

Development Program Meet Set For March 30

Energy for agriculture will be the theme of the annual meeting of the South Plains Development Program set for Tuesday, March 30 at South Park Inn in Lubbock.

Discussions will center around current problems. trends and future outlook associated with the supply and demand for energy in agriculture.

Heading the lineup of speakers will be representatives of Southwestern Public Service Company, Lighthouse Electric Cooperative, Pioneer Natural Gas Company and Exxon Oil Company, plus the associate director of the Texas Agricultural Extension Ser-

The South Plains Development Program (SPD), is a volunteer organization composed of members of county program building

resource persons from throughout the South Plains.

The one - day meeting will include a morning session beginning at 10:00 in which task forces for cotton, feed grains, swine and family living will convene, and an afternoon session getting underway at 1:15 which includes a special panel on energy.

According to Billy C. Gunter, district agent for Texas Agricultural Extension Service, the annual meeting brings together agriculture leaders to review progress of South Plains agriculture and how current problems and needs should

"This region," said Gunter, "is an intensely cultivated, productive agricultural area that is the standard by which many

other agricultural areas are measured. This agriculture has evolved because of the desirable physical characteristics of the land, the endurance of the inhabitants, and favorable economic factors.

'Plentiful, inexpensive energy for agriculture has played a significant role in the development of large scale commercial crop farms. Recent substantial increases in energy costs have spurred concern for agriculturalists, since this area is dependent upon intensive utilization of energy to maintain the current level of agricultural product-

Dr. Daniel C. Pfannstiel,

associate director for the Extension Service at College Station, will provide the opening address entitled. Texas Agriculture -- A Proud Achievement." Marvin Sartin, area Extension economist in farm management, Lubbock, will discuss the role of pump efficiency in reducing irrigation costs. He will be followed by the four member panel on "Energy for Agriculture -- Current Problems and Future Outlook." Moderating the panel will be Lee Roy Colgan, Dawson County Extension

Panel members will include Bill Helton, manager of industrial development. Southwestern Public Service Company, Amarillo; Alton Higginbotham, manager of

Lighthouse Electric Cooperative, Floydada; Harry Walden, vice - president of Pioneer Natural Gas Company, Amarillo; and Charles Wyatt, distributor relations coordinator of Exxon Oil Company, Dallas.

The gathering of agricultural industry officials, businessmen and guests will hear a presentation on food prices by Dr. William J. Vastine. Extension Service economist from College

The afternoon portion of the event will be chaired by S. M. True of Plainview. chairman of the SPD program.

SPD task forces, said Gunter, are made up of leaders in cotton, feed grains and swine industries. In their deliberations they will focus primarily on current achievements, problems and concerns of their respective

The feed grain task force is a newly formed entity of SPD, reflecting the increasing importance of corn and sorghum in the South Plains area. County Extension agents, farmers, program building committee chairmen and industry officials will be among those involved. Interested citizens from throughout the South Plains are encouraged to attend the task force meetings of their choice.

Sponsoring the annual meeting are the county program building committees of SPD, the Texas Agricultural Extension Service and Texas A & M University System.

The 19 - county SPD area extends from Floyd, Hale, Lamb and Bailey counties southward to Midland, Andrews, Howard and Martin counties. The organization was founded in 1965 to promote the economic growth of the South Plains area through increased agricultural production.

Farmers Urged To Be Careful With Herbicides

Agriculture Commissioner John C. White urges all Lynn County farmers who use 2, 4 - D and other hormone - type herbicides to be especially careful this spring and observe regulations for application of that material.

This county is one of 76 in the state which have elected to operate under the regulations administered by the Texas Department of Agriculture.

White reminded farmers that they must have a permit to use hormone - type herbicides on plots of ten acres or more. On smaller plots, the operator must notify the Texas Department of Agriculture of his intent, prior to spraying. 'These hormone - type

herbicides are essential in production plans of some farmers, but they can be a serious problem to others if wise practices are not followed," White explained. Herbicides can drift dur-

ing application from the target area and will affect susceptible crops such as cotton and other broad - leaf plants. In addition, fruits, vegetables, and ornamentals can be damaged severely by herbicides.

Before applying them, the farmer should check the surrounding fields for susceptible crops. White advis-

Easter Seal 1976 Appeal

Lynn County's Easter Seal Representative reported today that the 1976 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well but urged all citizens who have not responded to the Appeal to do so. W. H. Eudy, of Tahoka

serves as Easter Seal Appeal Treasurer for the County.

The 1976 Easter Seal Appeal will finance the Easter Seal Society's rehabilitation program for crippled children and adults in Texas. Last year the Society helped 10,768 persons through its program of assistance in finding and making effective use of services for the week. Seasons total stands

disabled and their families. The Easter Society Society helps support 11 treatment facilities in Texas where children and adults not eligible for other assistance are treated. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and

more useful lives. The Easter Seal Representative is the person to contact for services from the Easter Seal Society and for the request form to be sent to the Texas Easter Seal Society to determine the needs of the disabled person. The Society will provide the services or will direct the handicapped person to the best resources available to help him.

Contributions to the Easter Seal Appeal should be sent as soon as possible. The Annual Spring Appeal continues through Easter Sunday, April 18.

He also suggested that a spray pressure of 20 to 30 pounds is best for applications of these herbicides.

"Proper pressure for ground rigs is one of the best ways to assure safety. Spraying is best done when winds are from 0 - 3 mph. and temperatures are less than 90 degrees F. When winds reach 10 mph. and temperatures exceed 90 degrees F., the operations should be halted," White

"The best advice we can give anyone -- farmers or home owners -- is that in using any type of agricultural chemical, one should first read the label and follow the directions to the

Cotton Prices Are Weaker

Grower prices were weaker during the week ending March 19, according to Paul R. Dickson in charge of the Lubbock Cotton Classing

Farmers sold mixed lots of mostly grades 52 and better; staples 29 through 32; mikes 2.7 through 4.9 for 45.00 to 46.00 cents per pound. Mixed lots of mostly grades 41, 32 and 42; staples 29 through 31; mikes 3.0 through 4.9 brought 47.00 to 48.00 cents

The USDA's Agricultural Marketing Service reported trading was slow and growers offered cotton in ight volume, Dickson said. Demand was light.

Grades 33 and 44 were the predominate grades classed this week for the High Plains. Grade 33 accounted for 30 percent and Grade 44 was 30 percent also. Bark reductions were assigned to 30 percent of samples.

Staples 26, 30 and 31 were the predominate lengths. Staple 26 amounted to 20 percent, staple 30 was 40 percent and staple 31 accounted for 20 percent.

Samples miking 2.7 - 2.9 accounted for 50 percent of samples, while mike 2.6 and below are assigned 30

High Plains samples classed totaled 73 for the at 1,228,000. Total on this same date last year was 1,105,000 the USDA's Agricultural Marketing Service reported Friday.

Wilson Lunch Menu March 29 - April 2, 1976 Monday

Corn Dogs, Beans, Potato Salad, Milk, Mustard, Cooked Prunes.

Tuesday Meatloaf, Candied Yams, Green Beans, Hot Rolls, Milk, Peanut Butter Cake.

Wednesday Roast Beef & Gravy, Cream Potatoes, Veg. Salad, Hot Rolls, Milk, Banana

Thursday Cheese & Macaroni, Blackeyed Peas, Spinach, Cornbread, Milk, St. Jello

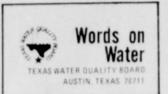

Pudding.

Friday Hamburger, French Fries, Tomatoes, Milk, Catsup, Butter Cookies.

DECA Thoroughfare For Freedom

Benny Arellano

PERMITS WEREN'T BORN YESTERDAY

The permit system for water pollution control is no new thing in Texas. Fourteen years ago-back in 1962, five years before the TWQB was established-the first permit was issued to an industry, specifying how much of what the company could discharge into the waters of the state.

Every city, town and inwhich discharges treated wastes to Texas waters is required to have a numbered permit issued by the Water Quality Board. All told, 3,126 permits are in force, 1,844 of them held by cities and towns and 1,282 by industries

Each permit contains specific information as to the quantity and the quality of the discharge which a city or an industry may make, and many contain numerous "pages," in cases where the permit holder has more than one "outfall," or discharge pipe, since each outfall is regulated separately.

Some years before the TWQB was created by the Texas Legislature, the need

Garden Club Met Tuesday

The Tahoka Garden Club met Tuesday, March 16, in the home of Mrs. J. T. Tippitt. Mrs. Tippitt was assisted by Mrs. G. B. Sherrod and Mrs. R. M. Stewart. The idea of St. Patrick's Day was used in the refreshments.

Mrs. Jim Boren from the Texas Health Resources office told of the How's, Who's and Why's of the clinic and said it was for all residents of the community.

The program was on weathered driftwood and its uses. Members brought pieces of wood they had collected and told something interesting about where it came from and how it had been used. Mrs. R. M. Stewart was in charge of the program and made an analogy between people who drift and driftwood. Something useful and beautiful can be made from both.

Floral arrangements entitled "Speak to Me of Love" were made by Mrs. Vera Witt, Mrs. J. T. Tippitt and Mrs. E. M. Walker. Mrs. Witt won first place award.

Following the program a social hour was enjoyed. Plants and seeds had been brought and were exchang-

Besides Mrs. Boren two other visitors, Mrs. Oreu Ramsey and Mrs. Raymond Ashbrook, were present.

Rites For Mrs. DePriest

Services for Mrs. Arty May DePriest, 84, of Lubbock were held at 10 a.m. Thursday, March 18, in Sanders Funeral Home Memorial Chapel with Horace Coffman, associate minister of Broadway Church of Christ, officiating. Burial was in Resthaven Memorial Park.

Mrs. DePriest died about 11:30 p.m. Tuesday in University Hospital following a lengthy illness.

A Van Zandt County native. Mrs. DePriest had been a Lubbock resident since 1943. She lived most of her life in the Tahoka area.

Survivors include two daughters, Mrs. Lorenza Isom and Mrs. J. F. Vance, both of Lubbock; four grandchildren and five great grandchildren.

Mrs. DePriest was a sister of the late Ed McManus and sister - in - law of Mrs. Delbert White.

Party For E. Carpenter

A going - away party for Mrs. Edna Carpenter will be held Sunday, March 28th, from 2 to 5 p.m. in the Gary King home in New Home. Mrs. Carpenter is moving from the New Home Community to Post.

Officials have announced that the Annual membership meeting of Plains Cotton Growers, Inc. will be held April 7 from 1:30 to 5:00 p.m. at the Southpark Inn, Lubbock. An estimated 500 cotton producers and allied businessmen are

expected to attend. In addition to standard reports, three authoritative speakers will be heard on subjects related to markets for the area's two

Billed as principal speaker is Richard Bell, Assistant Secretary of Agriculture for International Affairs and Commodity Programs. Bell will be followed by David Cox, head of Cotton Incorporated's Supply-Demand Economics Division and

Bell is one of the most knowledgeable men in Washington on top level thinking and planning that affects foreign markets vital to High Plains cotton.

"Bell was asked to be on our program because we know that decisions by the Federal Government, translated into action through Bell's office, can and do enhance or detract from our opportunity to sell High Plains cotton in markets outside the " Johnson said, adding that "those export markets more often than not are the dominant factor in determining High Plains cotton prices.

Bell, known as a "real pro" in U.S.D.A. circles, joined U.S.D.A. in 1959 as an international agricultural economist. He has served as Assistant Agricultural Attache in Canada, Belgium and Ireland and was with the Foreign Agriculture Service in Washington from 1968 to 1973. He was appointed Deputy Assistant Secretary for International Affairs and Commodity Programs by Secretary Butz in 1973, and was elevated to his present post by President Ford in 1975.

and Conservation Service, the Federal Crop Insurance Corporation, the Foreign Agriculture Service and the Commodity Credit Corporation. In May 1975, he was awarded the Agriculture Department's Distinguished Service Award for his work in

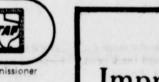

Cox, a strong believer in the ability of producers to influence cotton prices through improved marketing practices, will speak on "Producers - Cotton Marketing Force of the Future.

As author of CI's monthly "Cotton Summary" Cox maintains a continuous accounting of U.S. and world cotton production, supplies, consumption and attendant economic factors that

Ms. Dawson, who stages fashion shows for the five major U.S. apparel markets each year, is thoroughly familiar with fiber-use trends in fabrics designed for everything from evening gowns to denims. Closely associated with all U.S. mass merchandising concerns, she is uniquely qualified to project

will outline for the membership what PCG has done, is doing and expects to do to make cotton production and processing a better business on the High Plains.

Following the membership meeting, the 50-member PCG

with 180,000 cwt. being

harvested from 900 acres.

Beat egg whites until stiff; then set aside. Using same beaters, cream butter and sugar. Add egg yolks. Combine flour and salt; sift three times. Combine sour cream and soda. Add flour and sour cream alternately to creamed mixture. Fold in beaten egg whites. Then add vanilla and almond extracts. Spoon batter into a greased and lightly floured 10-inch tube pan or Bundt pan. Bake at 300 degrees for 1-1/2 hours. When cool, sprinkle lightly with powdered sugar, it desired. Yield: one 10-inch cake.

Texas Spring Onion Harvest Expected to Hit All-time High

A USTIN-Texas onion producers will have a record harvest this spring, according to preliminary indications

The 1976 Texas spring onion crop is forecast at 4,440,000 hundredweight a whopping 49 percent increase over last crop of only 2,975,000 cwt. and 11 percent above the previous record of 4 million cwt. set 1956, Agriculture Commissioner John C. White has reported.

Harvested acreage estimated at 24,000, up 41 percent from the 17,000 acres harvested last year. Yield per acre is expected to average 185 cwt., 6 percent

above the 1975 yield but still 5 cwt. below the record yield of 190 cwt. in 1971, White

The bulk of the onions will come from the Lower Rio Grande Valley, where production is estimated at 3,667,000 cwt. from 19,300 acres. The crop, about two weeks early, is healthy and shows virtually no sign of blight. Mild temperatures and low humidity have resulted in a near-perfect growing season.

Remainder of the onions will come from the Winter
