THS Sports Banquet May 11

The Tahoka High School All-Sports banquet will be held Tuesday, May 11, at 7:30 p.m. in the School Cafeteria. All boy and girl athletes will be presented awards. Admission price will be \$4.00 and tickets may be obtained at the Superintendent's office or the Lynn County News.

Clint Walker will be master of ceremonies and Rev. Jim Turner and Rev. Frank Oglesby will give the invocation and benediction. Awards will be presented by THS coaches and the speaker will be Spike Dykes.

Dykes is the defensive coach at the University of Texas at Austin. He is a highly successful former Texas high school coach. Dykes was hired in 1971 after guiding Alice to a Class AAAA bi-district championship. The Lubbock native graduated from Stephen F. Austin University in 1959 and began his coaching career as an assistant at Eastland. After tenures as an assistant at Ballinger and San Angelo Central, Dykes became head coach at Coahoma in 1964. During the next eight seasons his teams compiled a 58-28-1 record at four schools. After two years at Coahoma he served a year at Belton before taking over for a three year stint at Big Spring. He moved to Alice in 1970. He is a former director of the Texas High School Coaches Association. Dykes and his wife, Sharon, are the parents of three children, Rick, Bebe and Sonny. He recruits in West Texas, including the Panhandle.

Timely Rains Just Right For Planting

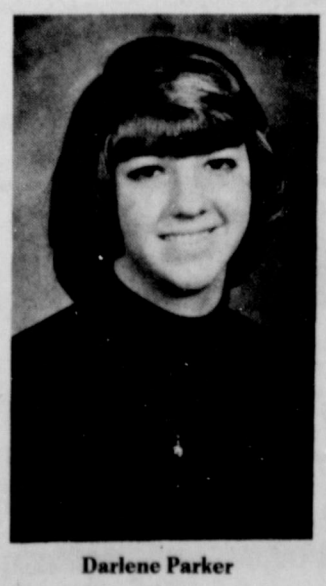

Rains the past week that covered Lynn County came just at the right time for planting crops, farmers declare. An additional rain early Wednesday, added to rains Wednesday and Thursday of last week and those of the middle of April, have soaked the county.

The Weather Service gauge in Tahoka recorded .35 inch early this Wednesday morning, .86 inch last week, and 2.17 in mid-April. This added to a total of only .29 inches the first three months of this year to a total of 3.67 so far this year. Some areas of the county, particularly the north, have received much more than this, while some areas in the south half have had lighter rain but still enough to plant crops.

Some farmers had started long winter drouth, at least for the present time in Lynn County. Some farmers had started planting cotton and milo, but unseasonably cool weather and wet ground since last week's rains have prevented most farmers from starting planting. Four days the past week low temperatures in the 40's have been recorded.

Top Winners Named In District 4-H Contests

99 South Plains 4-H'ers from 13 of the 20 counties in Extension District 2 May 1 qualified to compete in the State 4-H Roundup at College Station next month by taking top honors in district competition.

About 400 4-H boys and girls competed in the one-day event which included 28 contests. Winners received their awards in ceremonies at Texas Tech University Center.

Swisher County 4-H'ers captured the most qualifying wins of any county, with 13 senior wins. In junior competition which was held simultaneously with the senior contests, Swisher County had 27 junior wins (first and second places).

To qualify for the state contest, a team or individual must have a first or second place win in the senior division which is for 14 year olds and older. Juniors do not compete beyond the district level.

Other counties taking a large portion of senior division honors included Hale with 11 qualifying wins, Gaines with 6 qualifying wins, Briscoe and Lubbock came up with 5 qualifying wins each. Lamb had 4 qualifying wins, Hockley had 3 and Parmer County had 2 qualifying wins.

Other counties who will be competing in the state contests include Cochran, Dawson, Floyd, Garza, and Lynn, who had one senior win each.

Hockley county captured 5 junior wins, Cochran, Lamb and Lubbock captured 4 junior wins each. Already, two rounds of

On April 8, 1976, one of Tahoka's creditable citizens came to the Police Department after dark and reported to Chief Jack Miller and Patrolman Charles Isbell that there were some "strange goings on" at a residence near his residence. He reported there was a lot of traffic and that the visitors to the house were staying anywhere from one to five minutes. He also stated that the visitors were Mexican, Negro and white. He then offered his assistance if there was any way he could help out. At this time it was decided that he would start keeping a list of the license plate numbers, the color, make and model of the cars and the time and dates they arrived and left.

A little over a week later he reported back to us and showed us his list. At this time we ran a check on the automobiles and discovered that some known marijuana users were making some of the stops.

At this time we started a close surveillance of the house on our own. The traffic to and from the house was beginning to get heavier and the person living in the house was becoming more and more open. These transactions began to take place a lot of the time on the front porch. During this period we had also learned from checking City records and motor vehicle department that the person renting the apartment at 2120 North 5th was a woman, 21 years old, by the name of Billy Pearson. Pearson was employed at the Highway Department and originally came from Lubbock and is married to a local girl.

On April 27, 1976, Stanley Krause, Chief of Police of O'Donnell met with Jack Miller and Charles Isbell and presented us with the information and evidence that he had been gathering. With the combined information, we had enough to go on to the next phase of our investigation.

Stanley Krause made arrangements with one of the area law enforcement agencies to send several officers in to work under cover and these officers were able to make several marijuana buys from local people, which will be arrested at a later date.

On May 1, 1976 at 3:00 in the morning, Stanley Krause, Jack Miller and Charles Isbell met for approximately 3 hours with the area law enforcement agencies and the plans for the raid and bust were drawn up.

At 11:23 p.m. on May 1, Chief Miller received a phone call from a very reliable source that Billy Pearson had brought a pound brick in from Lubbock. With this phone call and our own observation we proceeded to get our search warrant, and the plan for the bust and raid were put into action.

At 2:00 a.m. May 2, two cars with 11 officers pulled up to the curb at 2120 North 5th. At the same time one car from the west and one from the east pulled into the alley behind the house. These two cars held 8 officers. As soon as the occupants of the house were told it was the police, they tried to get away.

Entry was finally gained through the rear door as one woman and 2 men tried to get out

that way. The woman jumped over the officer's head and was chased down by Chief Jack Miller driving the patrol car. As Chief Miller got out of the car and walked up to the subject the woman took 1/2 package of marijuana out of his pocket and said, "Here, this is what you're after". Chief Miller handcuffed the subject and put him in the patrol car and drove back to the house. The two women were stopped and put back inside the house by Chief Stanley Krause. Billy Pearson was apprehended in the bedroom in the northeast corner of the house as he tried to throw a bag of marijuana out of the window. Billy Pearson the 2 women were handcuffed and set of the couch in the living room and the Miranda warning was read to each one. The woman who had tried to escape was left in the patrol car under guard of Mayor Meldon Leslie. At this time a very thorough and complete search of the house and furniture was conducted. Marijuana seeds, stems, baggies of marijuana and numerous pipes and other objects used in the smoking and selling of marijuana were found in numerous places all over the house. Seized in the search were 18 cans of beer, 19 packages of marijuana, 1 box of sandwich bags (in which the marijuana was being sold), 1 bag of stems and roaches, roach clips, cigarette papers, incense burners and numerous other articles. Taken into custody were Billy Pearson, 21 years old, Tommy Pearson, 18 year old of Lubbock, Elaine Locke, 17, of Lubbock and a 16 year old girl from Lubbock. Both women are out on bond.

Billy Pearson and his younger brother, Tommy Pearson, are at this time in the Lynn County jail. Both had bond set at \$3,000.

Shortly after Tommy Pearson was arrested, it was found that he is a deserter from the Navy and has been AWOL for the last 14 months. There has been a military hold placed on him at the Sheriff's office.

At this time we have pictures of numerous area people making buys. We also have received a long list of names from the marijuana pusher himself. There are many arrests to follow at this time.

Junior High All-Sports Banquet

The Tahoka Junior High All-Sports banquet will be held Tuesday, May 18 at the Tahoka School Cafeteria.

Parents will bring food for themselves and their 7th or 8th grade athletes. The banquet is for the parents and all 7th and 8th grade boy and girl athletes. The athletes will bring home a letter May 10 from the school explaining the banquet.

Free vaccine for calfhood vaccination is available in limited quantities but is to be used only in herds having problems with brucellosis. Producers wishing to start a vaccination should contact their local veterinarian. At the recent hearing in Austin, numerous producers stressed the importance of continued research and adequate financing to improve methods for diagnosis and control of brucellosis. A copy of the new brucellosis eradication regulations will soon be available for reference at my office.

McClendon Runs On Record Relay

Baylor's two-mile relay team has been named as Southwest Conference athletes of the week. The Bear quartet of Walker Lea, Arthur Nious, Phil McClendon and Mark Lawless completed an undefeated track season last weekend in this event with a 7:20.7 first place clocking at the Drake Relays in Des Moines, Iowa. This sets a new Baylor school record and in addition is the world's fastest time this year. McClendon ran a 1:59.5 leg in their winning time.

BILL GRIFFIN SAYS....

Texas livestock producers are operating under a new set of regulations aimed at eradicating bovine brucellosis.

The regulations were adopted by the Texas Animal Health Commission at a hearing in Austin, April 15.

The regulations combine federal guidelines of the Animal and Plant Health Inspection Service of the U.S. Department of Agriculture. Federal officials were contemplating a quarantine on Texas breeding cattle if the regulations had not been accepted.

A portion of the regulations deal with the vaccination of heifer calves using the Strain-19 brucella abortus vaccine. Vaccination is recommended to increase the immunity of breeding animals in areas where brucellosis has been a problem. Beef heifers should be officially vaccinated between the ages of 90 to 210 days and dairy heifers, 60 to 180 days.

Sherry Etheredge Says

face it. Grapefruit is a winter fruit, with supplies from January to March.

course, today's miracle food production and marketing system makes grapefruit available all around. And it's amazingly good. This year we may have fresh grapefruit available in large

volume even longer than usual because about 30 percent of the U.S. grapefruit crop remained for harvest on April 1. That's 2.6 million boxes more than on the same date a year ago, according to the U.S. Department of Agriculture.

Market news offices of USDA's Agricultural Marketing Service report a

steady flow of fresh grapefruit from this season's huge crop, estimated at a record 69.8 million boxes. That's 14 percent more than a year earlier and 6 percent more than the previous record set in 1973-74. Substantial increases are noted especially in Texas and Florida, the two leading grapefruit states.

USDA economists have traced striking changes in consumer grapefruit preferences and tastes. Although total sales for fresh fruit went up about 15 percent in the last 20 years, the amount of grapefruit sold fresh, in relation to all other grapefruit products, declined from 53 to 43 percent.

So now, nearly 60 percent of the grapefruit sold are processed into frozen, chilled and canned juice, and chilled sections and salad--about 10 percent more than in the late 1950's.

Consumption of fresh grapefruit decreased from 10.1 pounds per person in 1956-58 to 8.4 pounds in 1973-75. At the same time, fruit consumed in the processed forms increased from 7.8 to 12.3 pounds per person.

Many homemakers say you can't beat a fresh, zesty grapefruit half for breakfast. But many, as well, put a premium on the time-saving convenience of ready-to-serve grapefruit juices and other processed items.

As we look ahead to the summer, we can count on an abundance of canned and frozen grapefruit juice to add zest to summer menus long after the present huge supplies of fresh fruit become less plentiful.

And it's not necessary to confine our use of grapefruit juice to a glassful for breakfast. You may want to think in terms of marinating chicken in grapefruit juice, for example. Here's an idea

that sounds good: Take 6 tablespoons grapefruit juice
1 envelope Italian salad dressing mix
1/2 cup salad oil
2 to 3 pounds chicken, cut in serving pieces

Combine grapefruit juice and salad dressing mix in a crock or jar with a tight-fitting lid. Cover and shake well. Add oil and shake again. Place chicken in a large bowl. Pour oil mixture over chicken pieces, cover and let stand in the refrigerator at least 6 hours or overnight. Place chicken on rack under preheated broiler. Broil about 15 minutes on each side, or until done. Baste occasionally.

THIS IS THE COTTON FOR NEMATODE COUNTRY

Lockett BXL has excellent resistance to nematodes and fusarium wilt with the potential for high yields of long, strong fiber in all types of soil dry or irrigated. BXL is rugged enough to stand up to the tough growing conditions you sometimes have. There are a lot of reasons you will like it.

CHECK THESE CHARACTERISTICS:

- germinates fast, comes up fast
- excellent seedling vigor
- excellent tolerance to cold weather
- good root system for drought resistance
- early fruiting
- resistant to nematode/fusarium wilt
- moderately determinate
- medium early maturity
- storm resistant bolls
- excellent stripper variety
- well-adapted to one-time-over harvesting
- staple length in the 1" and longer range
- exceptional fiber strength
- micronaire in the premium range
- under normal growing conditions)

CHECK THESE RESULTS:

Texas Agricultural Experiment Station (TAES) at Lubbock shows dryland yield 394 lbs. and irrigated yield 544 lbs. of lint per acre over a five (5) year period along with 32 fiber length and very good fiber strength.

Trip tests reported by Bill Taylor, Hockley County Agent, over the past three (3) years show that Lockett BXL has good nematode resistance.

In 1974, Lynn County irrigated strip test conducted by the County Agent on Othell Meek farm, Lockett BXL outyielded the closest competitive variety more than 14% or 143 lbs. of lint per acre.

Dawson County—1974 TAES Irrigated Cotton Variety Test—Lockett BXL had a lint yield of 36 lbs. per acre above the test average—staple length 34—87.1 PSI (X1000) fiber strength.

to raise cotton in this area where nematodes and fusarium wilt are a problem, go with Lockett BXL this year. You can get Lockett BXL planting seed from your ginner.

Baptism? - What Sayeth The Scriptures? (Part 3)

The first two articles of this series established the baptism is immersion and only those who are able enough to believe, repent, and confess their faith in Jesus as the Son of God can receive scriptural baptism. This week we will let the Bible determine "WHY ONE SHOULD BE BAPTIZED!" If one worships God for the wrong purpose it is not its value to both God and man. The same is true of baptism. Baptism without faith is of no value. It is not scriptural baptism. Is baptism for those who are already saved? "He that believeth AND is baptized SHALL BE SAVED." Mark 16:16. Is baptism an induction into a denomination? "For as many of you as have been baptized IN CHRIST have put on Christ." Gal. 3:27 Is Baptism connected with the remission of sins? "Repent, and be baptized every one of you in the name of Jesus Christ FOR THE REMISSION OF SINS." Acts 2:38 Is it incorrect to state that baptism saves? "The like figure whereunto even BAPTISM DOTHS ALSO SAVE US." 1 Peter 3:21 Is the remission of sin connected with baptism "good work" of man? (Jesus Christ) "washed us from our sins IN HIS OWN BLOOD." Rev. 1:5 "For by grace are ye saved through faith--NOT OF WORKS." Eph. 2:8,9 When does Christ's blood wash away our sins? "And now why tarriest thou? Arise and be BAPTIZED, AND WASH AWAY THY SINS, calling on the name of the Lord." Acts 22:16 From all of the above scriptures, we see that baptism is in order to bring us to salvation by the blood of Christ. We are not saved by water, but we are cleansed from sin by the blood of Jesus Christ when we are baptized in water. Man is active, when through obedient faith, he enters the water of baptism. Salvation is passive in that man receives it from God when scripturally baptized. MORE TO FOLLOW.

To The Voters Of Precinct 3

I would like to take this opportunity to express my deepest and most sincere appreciation for the confidence shown me in the first primary. Also to ask for your continued support in the runoff election June 5. I would also like to take this opportunity to publicly thank all of my opponents for the upstanding race that each one ran. There will never be a cleaner race run anywhere. Thanks again. Bart Anderson.

Local Golfers Take Honors At Brownfield

Brownfield Women's Golf Association sends a big "Thank You" to six teams of T-Bar golfers for their participation in a two-day tournament held May 1st and 2nd at Brownfield Country Club.

The John Currys, Robert Drapers, Wayne Huffakers, H.B. McCords, Walton Terrys and Willis McNeil teamed with Joy Brookshire helped make the 7th annual Jack and Jill one of the best tournaments ever held.

Congratulations to Willis and Joy, who won first place in the 1st flight and to

Shirley Draper teamed with Walton for winning 2nd place in the 3rd flight.

We had a fun time with our T-Bar guests and invite them to visit us again.

Public Safety Rotary Topic

The many facets of work covered by the Texas Department of Public Safety was the subject of a talk at the Rotary Club last Thursday by Herb Duncan of Lubbock DPS office.

The Department is not just the Texas Highway Patrol, but includes many other programs including the Texas Rangers; operation of crime laboratories and cooperation in crime detection with national, state and local law enforcement agencies; officer training, vehicle inspection, driver licensing, and education program to prevent accidents.

Cap Wharton was in charge of the program.

Duncan was accompanied by Bert Sinclair, local Highway Patrol officer.

Speaker this Thursday will be Gary Stacy of Levelland, who spent a year in England on the Rotary exchange student program.

Chamber Membership Increases

Additional business firms, as well as individuals, have registered interest in the PROMOTE TAHOKA push begun by the Chamber to prepare for the Bicentennial Sparkle at the first of the year.

Cattle Feedlot Feeding Still On Decline

The number of cattle being fed in area feedlots is still on the decline, it was revealed today in the 1976 Fed Cattle Report compiled by the Agricultural Development Department of Southwestern Public Service Company.

The report covers the 45,000 square mile area served by SPS, including 30 counties on the North and South Plains of Texas, 4 counties in Eastern New Mexico, 3 in the Oklahoma Panhandle and one county in Southwestern Kansas.

Fed cattle production for 1975 was down 19.6 percent with 3,280,443 cattle fed compared to 4,082,142 in 1974. The peak year for

number of cattle fed was 1973 when area feedlots fed 4,962,763 head. The 1975 figure represents a decline of 33.9 percent since 1973. Feedlot capacity since

1974-the peak year-has also declined 5.1 percent while the number of feedlots with 1,000 head capacity and above has gone down from 191 in 1971 to 148 at the beginning of this year.

Sam Thomas, SPS Agricultural Development Manager thinks that the long term future for the cattle feeding industry is bright. "The experiences of the past two years has had a strong similarity to the 1963-64 periods when the profit picture was so bad it

appeared the cattle feeding development was dead. The more recent experience has been complicated by higher grain costs and feeder cattle, but the enthusiasm, dejection, despondency and elation that comes from the feed yards follows a very familiar pattern."

"I am in hopes that fed cattle numbers will increase at a 15 to 25 percent annual rate unless there is a compensatory reduction in fed cattle numbers in other areas," Thomas concluded.

Borden County

Bicentennial Celebration

The Bicentennial celebration will be held Saturday, May 29 and Sunday, May 30 at Gail.

Several activities have been planned for these days. One of the highlights will be an Arts and Crafts Show. The Arts and Crafts Show will open at 9 o'clock on Saturday.

Over 23 artists and craftsmen are expected to display their work on display for sale.

The Arts and Crafts Committee sponsored the making of a quilt which will be given away to some lucky person on May 30th in Gail.

The quilt is unique in that it is the history of Borden County. It is made up of 76 patches of muslin blocks, 8 inches square with a 16 inch border block that is a map of Borden County.

Each block is numbered and represents a historic building, farming and mining theme, native birds and animals. And, of course, there is the first flag, the 17th and 1976 emblems, bringing the quilt up to the present.

There is an oil well and a radio tower sporting a CB radio tower.

The blocks were designed by Jack McPhaul and the work was done by the women in Borden County. The quilt squares are made in red calico print and blue blocks at the corners. Mrs. Herman Hester and Mrs. Shorty Hester were responsible for the construction and Mrs. Edwards of Lamesa assisted in the quilting.

The quilt will be displayed May 29 in the 4-H barn in Gail. Anyone may obtain a chance on the quilt by donating \$1.00.

The Arts and Crafts Committee will sponsor a Country Store on May 29 in the 4-H barn, along with artists and craftsmen. Antique items and baked goods will be furnished by the County women for the store.

A concession stand will serve foods and drinks and everyone is invited to attend the gala event.

The following artists and craftsmen will be featured: W.C. Storey, Santa Fe children's and doll furniture; Theatus Green, oil painting; South Plains Genealogy Society, Lubbock, barbed wire and history related items; Pots and Pans, Snyder, pottery; Gail, FHA cookbooks; Exa, Birmingham, Artesia, N. M., jewelry and pottery; Gail and Jesse Rios, Gail, wire sculpture and wood work; Dotty Wills, Gail, macrame; Teri Sodd, Lubbock, portraits; Deane Hale, Hale Center, oil paintings; Jack Chisholm, Abilene, Western art.

H.S. Von Roeder, Ira, lapidary polishing and jewelry; Doris Rudd, Gail, decorative art; Tommy Nez, Gallup, N. Mex., turquoise and silver; Bobbie Dillard, Andrews, representing Foster Parents, baked goods and souvenirs; Mrs. Lee Graves, Lubbock, plants; Laura and Brice Allen,

MONEY!

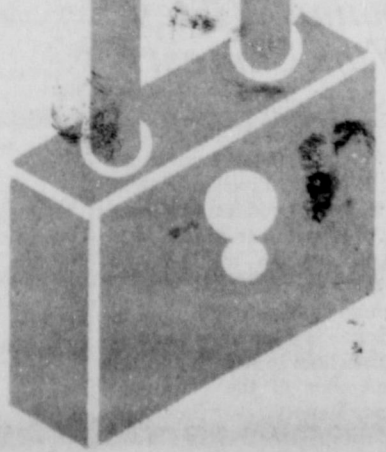

It's been especially tight during the past year. Mainly, because of the lingering effects of the recession. Now, in 1976 things are getting better.

Question: What does a bank do during a recession?

Answer: Try to maintain the daily flow of business as smoothly as possible. We not only help your money grow, but when the economy's slipping, we watch over it and protect it as well. By sound up to date thinking and management. So that when it's difficult to cope with making ends meet at home--what you've put away will still be safe and sound.

Tahoka Fifth Grade Hears President

Approximately one hundred students in the fifth grade of Tahoka ISD went to Lubbock on Friday, April 30, 1976 to see and hear the President of the United States. President Ford spoke to a full house in the Municipal Coliseum at 12:30 p.m. and then answered questions for about 20 minutes.

This was a real thrill for the boys and girls to see the President in person and they did not mind missing their lunch and sitting for 2½ hours. The students displayed excellent citizenship during the entire trip and in spite of the huge crowd, there were no difficulties in getting in and out of the coliseum.

Fifth grade teachers sponsoring the trip were Patricia Bickham, Annette Ellison, Jeanette Harvick and Shirley Holloway. Also

making the trip were Resource Teacher, Betty Amerson and Principal, Melvin Burks.

Students on the trip were: Mrs. Harvick's class, Ray Alvarado, Jimmie Bingham, Sheldon Duncan, Tony Garcia, Lee Richard Holden, Martin Martinez, Danny McKibben, Otis Pendleton, Domingo Rios, Dennis Williams, Rita Chapa, Sandra Cook, Tracy Draper, Diana Lopez, Anna Montemayor, Julie Patterson, Cheryl Quincy, Vicky Randolph, Alma Segura, Suzanna Zuniga.

In Mrs. Bickham's class were Macario Alvarado, Tracy Bryson, Richard Calderon, Gilbert Charo, Shi Dotsen, Jubal Dunlap, Johnny Gonzales, Lupe Hernandez, Jana Hammonds, Nancy Lopez, Benito Martinez, Marci Miller, Mike Montemayor, Denver Merryman, Doug Pumroy, Julie Roseberry, Deana Taylor, Mary Sosa, Amelia Vega, Jimmy Wilson.

In Mrs. Holloway's class were Danny Cook, Eloise Calvillo, Stacie Cogburn, Gerald Craig, Wendi Curry, Gabriel DeLeon, Johnnie Evans, Camille Hall, Lisa Lamm, Ruben Ledesma, Brenda Rogers, Macaria Sastre, Mark Smith, Rudy Sosa, Rene Uballe, Pablo Vasquez, Robert Vasquez, Raul Vega, Mary Alvarez, Jimmy Autry.

In Mrs. Ellison's class were Eddie Alvarado, Margaret Amador, Jesse Antu, Pam Ashcraft, David Benitez, Georgina Cazares, John Curry, Gilbert Gonzales, Lucille Hall, Stacy Lamm, Todd Lockaby, Anna Lopez, Raydell Martin, Cara Monk, Michael Rivas, Linda Segovia, Sylvia Sims, Albert Solorazana, Melanie Terry, Danny Underwood, Jesse Vega, Tom Young, Annie Davidson.

TFWC Gets Denver City President

Texas Federation of Women's Clubs installed officers for 1976-78 at their 79th Annual Convention in Lubbock at the South Park Inn Friday. The Honorable Jim Denton, Associate Justice, Texas Supreme Court, Austin, addressed the new leaders of the organization and challenged them to

TFWC Votes To Dissolve HEW

Approximately 600 delegates of the Texas Federation of Women's Clubs approved Wednesday a resolution calling for the "immediate and complete dissolution of the Department of Health, Education and Welfare." The TFWC members from throughout Texas also voted to join the Texas and Southwestern Cattle Raisers Association and Independent Cattleman's Association in urging the passage of Senate Bill #2875, which raises the estate tax exemption to \$200,000, announced TFWC President Harriette Williford Whatley.

Along with these two emergency resolutions, delegates also voted to encourage Congressional re-study of the National Health Planning and Resources Development Act of 1974. Mrs. Ramon Liles serves as TFWC Resolutions chairman.

In their action on HEW, the Texas Federation cites the extensive growth of HEW, an excessive budget, the increasing bureaucracy of the National Health Service and the deficiencies in the education system as prime reasons for the proposed HEW dissolution.

"We feel strongly that the control of education should be returned to the local community and that the financing of education should be a duty of the state, with tax monies remaining within the state," say TFWC members in the resolution.

The organization is also sharply critical of the present Welfare system, saying that it "discourages free enterprise and encourages dependency upon the government."

Addressing themselves to Senate Bill #2875, the organization has urged the raising of the estate tax exemption to \$200,000, for "immediate and direct relief to farm and ranch businesses essential to the economy of the country."

TFWC delegates are urging the General Federation of Women's Clubs, the world's largest organization of women, to act upon both of these emergency resolutions.

By encouraging a restudy of the National Health Planning and Resources Development Act of 1974, the Federation voices serious doubt on the necessity of this massive reorganization of all health service delivery systems in the U.S. In the resolution, TFWC points out that the plan will "cause the people to lose their freedom of choice of hospital and physician." This plan will also "increase the federal bureaucracy, and, therefore, the already high cost of medical care."

In other action during the session, TFWC recognized newly affiliated clubs of the organization. The new clubs are the Woman's Club of Seguin, the Lydra Club of Lappoyr and the Junior Woman's Service League of Center.

The TFWC Convention continues through Friday at the South Park Inn.

Donna Wildey Wins Contest

Donna Wildey, daughter of Joy Philpot Wildey won first place in the Accounting and Related I division of the VOE State Leadership Contest at Houston on March 20. She will go to Topeka, Kansas for National Competition on May 1-4.

Donna is a junior at Lanier High School in Austin and is a member of the National Honor Society.

Donna is the granddaughter of Mr. and Mrs. Elvis Philpot of Tahoka.

emphasized the importance of women becoming involved in ways that will be "productive and pleasant."

"We shall dream of great accomplishments knowing well that we must have action with unity, continuity, dignity and happiness to reach our goals."

Some of the current TFWC projects which will be continued through the upcoming two years include leadership development through summer workshops, maintenance of the Headquarters building, cooperation in the "Hands Up" crime reduction program

THURSDAY, MAY 6, 1976 and support of Polli Proulx. TFWC will also aid Anderson patients in ways needed. Clubwomen will be involved with Girlstown by having at least one program on Girlstown by helping to meet service needs of girls in three Texas homes.

In closing, Mrs. TFWC said, "I have chosen our dreams we join hands in action" as a theme for Administration, Year, dream, even of greatness but we know that we will be effective until we act."

VISTA TRAILBLAZERS--Pictured above are Russell ...

Pack 782 Say Thanks

The Tahoka Cub Scout Pack 782 wishes to express its sincere appreciation to Wendall Patterson for many years of assistance and work to the Pack.

He had worked with the Webelos for six years and always responded to any calls for help promptly and without complaint.

Wendall had been active in scouting ever since he was a boy and worked hard till he became an Eagle Scout. At the Pack Meeting last Thursday, Ronald Wyatt, Cubmaster, presented him a plaque in appreciation for services well rendered.

Again we all say "Thanks".

VISTA Needs Volunteers

The South Plains VISTA Project will be accepting until May 10, 1976, applications from interested persons who would like to work at developing senior citizen's activities for one year.

Those eligible to apply include: senior citizens on social security and any family of two, not earning more than \$3,700 annually. Applications are available from Community Action Centers in Brownfield, Crosbyton, Levelland, Littlefield, Plainview and Tahoka.

The centers have all the information and applications needed to apply. The nine selected volunteers will be working in the six counties where the Community Action Centers are. On April 1, 1976, six nationally recruited VISTA (Volunteers in Service to America) began working in the South Plains area for one year.

The goals of the project are to improve existing social service projects and to develop new programs with special emphasis in the senior citizens area of Rural Transportation, Referral and Information Service and social services.

The project sponsor will make the selection along with ACTION, a federal social service agency which screened and selected the national volunteers. ACTION provides the local volunteers with financial support throughout training, which lasts in Dallas for at least one week, and through the one year period of service in the form of bi-weekly allowances.

For more information, please contact Paul Tims at the Lynn County Community Action Center, 1404 South 3rd St., Tahoka. Phone 998-5094.

Tahoka Educator Completes Drug Course

A team of educators from the Lubbock-based Education Service Center and a similar group from Tahoka Independent School District along with those from six other nearby schools have completed training for a regional program in drug education and crime prevention; the program is to be implemented in all grades, K-12, during the 1976-77 school year.

The 65 schools in the 20-county region served by the Education Service Center formed a cooperative in October of 1975 for a two-year approach to combat the misuse of drugs and prevent crime. "A regional program, a regional program" is the rationale; the program is designed to operate as an entity with a regional needs assessment, common instructional guide, objectives, activities, evaluation and dissemination. School districts under the direction of a local school management team serve as components of the Regional Cooperative; each school district has one representative on the Regional Advisory Committee for Crime Prevention and Drug Education as appointed by the Education Service Center Board of Directors.

The Education Service Center staff has trained local teams who in turn work with the school staff, students and community.

The two-year Regional Cooperative goal is to minimize crime and drug abuse by providing a variety of educational experiences designed to increase self-esteem, develop interests, appreciation, and the capacity to relate to others; improve skills for making decisions and clarifying values, and strengthen staff competencies in providing these learning experiences, which will be consistent with the Texas Goals for Public Education for all students.

Shower For Miss Adams

Miss Jo Anna Adams, bride-elect of Jay Tol Thomas, was honored with a miscellaneous shower Saturday, April 3, in the home of Mrs. Robert Warren.

Guests were registered by Miss Cindy Parks.

Miss Georgia Thomas, Miss Southern Wells and Miss Becky Burks served guests coffee, fruit juice, mock strawberries and sweets from a table decorated with pink carnations and silver appointments.

Special out of town guests included Mrs. Wayne Thomas, Mrs. David Nichols and Gendie Thomas, mother and sisters of the future groom, all from Port. Also attending were his grandmother, Mrs. L.G. Thuet and Mrs. Gene Mason or Port. Mrs. Larry Phillips of Amarillo, cousin of the honoree, Mrs. Ted Day and Miss Janna Thompson of Lubbock.

The hostess gift was a vacuum cleaner.

Tahoka Elementary Story Tellers Win

In the Elementary Inter-scholastic League Meeting held at Slaton, Texas on Monday, May 3, 1976, Leigh Furlow, daughter of Mr. and Mrs. Danny Furlow placed first in Story Telling and Wylie Stice, son of Mr. and Mrs. Roy Stice placed second in this event. Other Tahoka students participating in Story Telling were Marla Huffaker and Christy Cole.

In picture memory the Tahoka team composed of David Garcia, Paige McInroe, Tami Pebbworth, Alecia Reid, Deanna Stanley and Jeff Wyatt tied for second place.

Tahoka students participating in Fifth Grade spelling were Pam Ashcraft, Marci Miller, Julie Roseberry and Wendi Curry. Fifth grade Oral Reading students participating in the contest were Jana Hammonds, Otis Pendleton, Todd Lockaby and Vicki Randolph.

Teachers who accompanied the students to Slaton were Zuma McWhirter, Anna Jo Carter, Gay MacLasky, Jeanette Harvick and Melvin Burks, principal. Tahoka placed fourth in over all District competition with Post getting the winner's trophy.

Children are like wet cement, whatever falls on them makes an impression.
