

LOCAL EDUCATORS ATTEND THREE-WEEK INSTITUTE IN COLORADO

'Know Your Enemy And Survive'

MR. AND MRS. MELVIN BURKS will review for some time the material and ideas gleaned at the institute they attended at the University of Colorado.

Teachers in Tahoka public schools are required to get six hours of college credit every three years and they may use workshops, extension courses, or any number of ways to meet these requirements.

Mr. and Mrs. Melvin Burks, she a junior high social studies teacher and he principal of Tubb Elementary School, were among sixty people from all over the world who attended the Institute on Comparative Political Theories and Ideologies at the University of Colorado at Boulder June 21-July 9.

The institute, serving educators, newspaper people, and some military people, is filled on a first-come, first-served basis and only about one-third of the people who apply are accepted.

Each participant pays a fifty-dollar fee and is responsible only for his transportation to and from Boulder. At the conclusion of an intensive period of study, including six hours of lectures per day, and final examinations, three hours of college credit is granted a participant.

The basic purpose of the institute, according to the Burks, was to inform people of the threat of communism. "We are appalled at the people, supposedly well educated people, who take the matter so lightly and as much as say that we just wasted our time and were brainwashed."

Mrs. Burks commented that "It made us so much more aware of things in the newspapers." When asked to be specific, she mentioned the recent launching of a

new aircraft carrier by the Russians and the constant mention of defense cutbacks as part of the Presidential campaign platforms. Mr. Burks said, "Any candidate who advocates strong defense can't get elected."

Lecturers at the institute included Sir Robert Thompson, a British expert on military strategy (particularly guerrilla warfare); two Oxford professors, one an authority on Russian history and one an authority on Greek and Roman history; two Harvard professors, one

in Greek and Roman history and one an authority on the history of justice; and Dr. Walter H. Judd, former Congressman from Minnesota who spent six years as a medical missionary to China before the Communists took over mainland China.

Much was said about the earliest governments--from 1000 B.C. to present--what has happened and how nations can profit from mistakes made by others.

According to the Burks, one impressive, even frightening, statement made was that detente is just another Communist ploy. The Communists have never varied from their goal of taking the United States not by outside threats but from within our own ranks.

Burks said, "We watch Communists get in a tight place and when we could put an end to their oppressive tactics, we succumb to their trickery of 'peace talks'."

Visiting with other participants was an education in itself," said Burks. "One of the most interesting people we met was the former secretary of Joseph Stalin."

Being convinced that we are threatened on many sides by Communism is only one step towards a solution. The Burks gleaned seven

points that the United States and its citizens might incorporate: (1) Study the strategy of Communists. (2) Pray for and never forget people who are captives of Communism. (3) Keep the door open to real negotiations, not just "stalls" on the part of Communists. (4) Learn to react appropriately. (5) Be as wise as a serpent and as peaceful as a dove. (6) Don't be so obviously eager for peace, and (7) Support allies of the free world.

Both Melvin and Thalia Burks are concerned Americans and are in a position to "pass the torch" to leaders of tomorrow.

Ronnie Fowlkes Resigns As Athletic Director for Tahoka Schools

A. D. SHAVER TO HEAD SLATE OF SCHOOL'S COACHING STAFF

The Spectator...
By Mary Brecheen

...knowledge that Ronnie Fowlkes' resignation as head coach means a step up for him softens our regret; nevertheless, athletes, as well as other students, faculty, administration will feel an emptiness as a new year begins.

...he is a gentleman and one who, in my opinion, had a tough job in Tahoka. He worked hard for our kids" and that was no easy job.

...life of a coach is hard--his popularity rests on his win-loss record and how he "plays the game"--pretty hot ashes on which to tread in Tahoka, Texas.

...takes a special breed of person to go to school club meetings after more losses than wins and "tell it like it was"--Ronnie Fowlkes is a special breed. Knowing him as I do, and knowing he has not told me so, I am confident that he would encourage the athletes and others to give wholehearted support and attention to his position, a successful man in his own right.

...I was talking to Melvin and Thalia Burks about the institute they attended recently, one thing kept coming into my mind--and staying. It isn't a new thing with me, but was given impetus as we talked about the threat of Communism and as we approached the threshold of electing a President. It concerns me that the masses are grossly misinformed. And there is no excuse for this. We are deluged with "propaganda", but a clear mind can and must separate fact from fiction and become knowledgeable about his findings.

...is not a new thing--it's always been present, but now I feel that it may mean the difference in our survival and our annihilation. We are going to know if we don't read and think for one, refuse to let someone else do my thinking--and I prefer not to make decisions

Tahoka Woman's Nephew Olympic Gold Medal Winner

U.S. Army Captain Lanny Bassham, nephew of Mrs. Lennie Cox of Tahoka, won a Gold Medal in the Olympics at Montreal last week in the small-bore rifle shooting event.

The twenty-nine-year-old career army man is stationed at Fort Benning, Georgia. His home is in Bedford, a suburb of Fort Worth.

Bassham won a Silver Medal at the Olympics four years ago in Munich, Germany.

Redwine Convention Is Attended

...five people, the crowd ever to attend together, met on at the Community in Tahoka.

...of those attending and their families who are original settlers of communities.

Huffaker Tells Rotarians About Recent Norway Trip

"We were greatly surprised at the beautiful scenery of Norway," Callaway Huffaker told Rotarians at last Thursday's meeting in talking of the recent trip he and his wife took to Europe.

They flew non-stop in a 747 jet-liner, along with an eighteen-member tour party to Amsterdam in the Netherlands, where they spent three days, then to Copenhagen, Denmark, thence on a brief trip to Sweden, and finally a fifteen-day trip by ship up the coast of Norway.

Wilson ISD Board Meets

At its regular monthly meeting July 20, the Wilson Independent School District Board of Education accepted resignations of Peggy Shewmake, Larry Gains, and Doris Behrend and employed Deborah Pendarvis of Lake Charles, Louisiana as a teacher of secondary math; Karen Avery of Lubbock as a teacher for Plan A; Maxine Nolte of Wilson as book-keeper-secretary; and Velma Behrend as a lunchroom worker.

The Board issued a new contract to Tommy Buchanan of Wilson as transportation foreman and accepted bids from Borden Milk Company, Texas Grocery of Wilson, Wilson Oil Company, and the Weather Doctors to provide service for the 1976-77 school year. Also, the Board entered into contract with the Educational Service Center of Lubbock to provide computer service for finance for the 1976-77 school year.

Purchase of a new fifty-four-passenger school bus was authorized and routine bills were approved for payment.

Football Schedule

August 4 - Issue Shoes
9 - Conditioning
16 - Pads

Everywhere they went, they found that the people speak English, live very well, are very friendly, and nice looking.

However, the Norway trip impressed them most. A long, narrow, mountainous country, Norway is 2,500 miles long. Although the north one-third is above the Arctic Circle, the summer climate is mild, warmed by the Norwegian Current. There are said to be one thousand islands along the very rugged coastline, mountains coming down to the sea, and indented by many fjords.

They visited thirteen towns along the coast, back in the fjords. Wherever there was a relatively flat place, there would be a house and gardens, sometimes a small farm. Fishing, agriculture, and forestry are the principal occupations, but oil in the North Sea is beginning to aid the economy.

4-H Members Attend State Camp

Nine Lynn County 4-H members are attending State 4-H Camp at the Texas 4-H Center in Brownwood July 26-30 where they learn and develop skills related to leadership, citizenship, recreation, nature studies, outdoor sports, swimming, crafts, hiking, and special activities.

Those attending from Lynn County are Jhoni Caswell, Ben Franklin, Andra Draper, Rajeanie House, Perry Dunlap, Dusti Cook, Tawn Dulin, Paige Pridmore, and Lana Kieth.

REA Loan Announced

Congressman Omar Burleson has announced the approval of a \$1,037,000 REA loan to the South Plains Electric Cooperative, Inc., with headquarters at Lubbock, serving Crosby, Lynn, Hale, Hockley, and Lubbock Counties.

The purpose of the loan is to finance service for 964 additional consumers, to finance eighty-eight miles of distribution line, to finance one mile of transmission line, and to finance system improvements.

The four million people seemed happy and prosperous in spite of prices being nearly twice as high as here and in spite of the fact that their socialized government allows a person to make only about \$6,500 a year.

He also told of the extremely difficult time Norway had during World War II in trying to remain neutral with pressure from both Germany and Russia.

Dwain Lusk was in charge of the program and introduced the speaker.

Cancer Unit Sets Record For Income

Lynn County Unit of the American Cancer Society announces an all-time high for income from contributions during the 1975-76 year, with one month to go before the end of the fiscal year.

Crusade contributions were \$4561.44 and memorial contributions thus far have been \$1746, making a total of \$6307.44. The local unit qualifies for its fifth consecutive Golden Achievement Award, a result of hard work and cooperation of Lynn County volunteers. Directors feel that much is being done to contribute to the eventual cure of cancer.

The Board of Directors of the Lynn County unit expresses its gratitude to each person who helped with the program this year. "We are especially pleased with the growing participation in the memorial programs," said the Directors. A new living memorial program is being offered for any special occasion. Special honor cards are sent to the person being honored for such events as birthdays, graduation, anniversaries, or a special thank-you. Persons are reminded of this living memorial when sending wishes to a person who is ill either at home or in a hospital.

Tahoka Weather

Rain in 1976 (to July 1)	6.06
Rain this month (through July 21)	6.37
Rain July 22 to 7:30 a.m. July 23	.50

Immunization Clinic Will Be August 6

The Texas Department of Health Resources will hold an Immunization Clinic at the Public Health Region 2 office, 1640 South First Street in Tahoka on August 6, 1976 from 9 a.m. until 4 p.m.

Mrs. Bebe Boren, R.N., Public Health Nurse, will conduct the clinic. She asks that all persons receiving immunizations please bring any records they have concerning immunizations received in the past.

These immunizations will be made available to all ages without charge.

CB Club Will Meet July 29

The Lynco CB Club will meet Thursday night, July 29 at eight o'clock in the Community Center.

Members are urged to attend and be part of a discussion regarding having a local phone for the Jerry Lewis Telethon on September 5th and 6th.

The Board of Education of Tahoka Independent School District, in a special meeting on Monday, July 26, accepted the resignation of Ronnie Fowlkes, athletic director at Tahoka High for the past two years. Fowlkes plans to enter private business immediately.

At the 1:30 meeting on Monday, and at the recommendation of Superintendent of Schools Edwin Roberson, the Board employed A. D. Shaver, head coach at Seagraves High

Junior Class Car Wash Successful

On Sunday afternoon, July 25, some eleven members of the Junior Class washed cars and were able to add more than forty dollars to the class treasury. The class expresses its appreciation for those people who brought their cars to be washed.

Members of the class who worked in the project are: Richard Cranford, Jona Valentine, Randy Meeeks, Gloria Saldana, Perry Haney, Pat Calderon, Jodie Brecheen, Denise Curry, LeeAnn Orr, Jayson Knox, and Jamie Gage.

School for twenty years and at Midlothian High for four years, to be director of athletics and head coach at Tahoka.

Fowlkes, a Brownwood native, first came to Tahoka as a coach in 1970, stayed two years, and moved to Lorenzo where he was athletic director for two years. He returned to Tahoka, this time as head coach and athletic director, in 1974 and has been in Tahoka since that time.

A. D. Shaver received his bachelor of science degree in education from West Texas State University in 1951 and completed work for his masters in education at West Texas in 1961. He has done additional graduate study at Texas Tech.

While at Seagraves, his teams were district champs eight seasons, going to the semi-finals in 1967.

He is a life member of Texas State Teachers Association, past president of the Lions Club, State Commissioner for Babe Ruth Baseball, and is a Baptist. In 1963 he was named South Plains Coach of the Year.

He and his wife, Sue, have three children, ages twenty-eight, twenty-three, and twenty-one.

EIGHT 4-H YOUTH and one leader from Lynn County are part of a group of 150 attending the 4-H Electric Camp, located 28 miles southeast of Cloudcroft, New Mexico, high in the Sacramento Mountains, and sponsored by Southwestern Public Service Company. Dale Ramsey, a Southwestern instructor, is shown talking to, front row, left to right, Kevin James, Charmi Wood, Laura McDaniel, and Travis Meyers. Back row, left to right, Cyndi Wood, Karla James, Sheree Jerden, and Sherry Etheredge, Assistant County Extension Agent.

New Home News

Mr. and Mrs. Glen Kreger, Shawn and Shannon, have moved to their new farm home one and one-half miles southwest of New Home.

Mrs. Rose Crawford of Greensboro, North Carolina is here visiting her sister, Mrs. Jack Clements. She has also visited in Lamesa with her son, Bob Crawford, and her brothers, Fred and Steve Barrington, in Lamesa.

Eight of the eleven children of the late Mr. and Mrs. W. P. Inman, along with members of their

families, attended the Inman family reunion in Crosbyton Sunday.

Attending were Mrs. M. M. Shearer, Lamesa; Mrs. J. W. Nelson, Brownfield; Mr. and Mrs. Winston Davies, New Home; Mr. and Mrs. Sherman Inman, Muleshoe; Mary Ellen James, Colorado Springs, Colorado; Mr. and Mrs. John Inman, Abilene; Travis Inman, and Mr. and Mrs. Luther Wood, Tahoka.

Others were Mr. and Mrs. Charles Freeman and Roger, Gregg Freeman, Crosbyton; Dan Cowan, Richardson; Connie and Denton Cowan, Seabrook; Mr. and Mrs. Wayland Walton and Bryan, Snyder; Mr. and Mrs. Willard Tapley, Welch; Mr. and Mrs. Curtis Shearer, Tahoka.

Also, Mr. and Mrs. Tommie Shearer and children, Waco; Mr. and Mrs. Marlon Inman and children, Farwell; Mr. and Mrs. Jerry Inman and children, El Paso;

Lynn County News

Mrs. Eddie Puckett and girls, Sweetwater; two daughters of Mrs. Pat Halsell from Georgia; Mrs. Kenneth Smith, O'Donnell; Mr. and Mrs. Billy Miller and girls, Tahoka; and friends, Mr. Arvis Moore and daughter, Fern, of Crosbyton.

Ronnie Harmonson was dismissed from Methodist Hospital and returned home last week.

Mr. and Mrs. Richard Westfall visited awhile with us here Tuesday afternoon.

They had birthday dinner with Mr. and Mrs. Floyd Harmonson. Former residents here, they now reside in Southland.

Mr. and Mrs. J. W. Edwards and Mr. and Mrs. Freddie Kieth and children spent last weekend with Mr. and Mrs. Howard Madison and children in Carlsbad, New Mexico.

District Superintendent Dr. O. A. McBrayer of Lubbock visited here Saturday with Mr. and Mrs. Russell McReynolds.

Della Mae Tucker of Dardanelle, Arkansas is here with her mother, Mrs. A. H. Barnett.

Otis Mayfield spent Tuesday night here with his brother, Barney Mayfield. Otis and Susie have sold their mobile home at Kingsland and plan to move back to the plains country.

While visiting his son at the air base in Mt. Home, Idaho, Jim R. Mayfield of Sweet Home, Oregon suffered a heart attack and has been moved to the Veterans Hospital in Boise, Idaho. He is a brother of Barney and Otis Mayfield.

Mrs. John Armontrout enjoyed a two weeks' visit with her grand-daughter and her husband, Mr. and Mrs. Richard Palmer, in Big Springs. Mrs. Armontrout's grandson, Mackie Caudle and family, from Midland, visited with them in Big Spring.

Mr. and Mrs. L. K. Nelson

arrived home Tuesday after fourteen days in Houston where L. K. was to have tests in the M. D. Anderson Hospital. Their son, Wayne, and his family of Hobbs, New Mexico, spent some time there with them and Wayne drove his parents home. Jewell's brother, Boyd Smith, of Lubbock, was also in Houston with them for a few days.

Mrs. Beulah Tucker of Van Alstine is visiting here with her daughter, Mrs. H. D. Davis. Mr. and Mrs. J. W. Goff and family of Burkburnett spent last weekend here with his sister and brother-in-law.

Mr. and Mrs. Ernest Stephens of Tye, Mr. and Mrs. Harold Stephens and children of El Paso, and Miss Beth Brown of San Antonio spent the weekend here with the J. W. and John Edwards families.

Nice rains have fallen again the past week, about one inch being measured here in New Home. Crops are beautiful, the weeds are growing, and the hoe hands are very busy when weather permits.

Congratulations to Mr. and Mrs. Jimmie Fillingim of San Angelo on the birth of a girl, Jacey Leigh, born at 2 p.m. Wednesday, July 14th, in the Shannon Hospital in San Angelo. She weighed six pounds, nine ounces, and has one brother, two-year-old Jerry.

Grandparents are Inez Smith, Don Smith, and Mr. and Mrs. A. C. Fillingim, Jr.; great-grandparents are Mr. and Mrs. Wayman Smith and Mr. and Mrs. A. C. Fillingim, Sr., all of New Home.

Enjoyed a cup of coffee and a doughnut with Katie and her helpers in Katie's Country Cupboard which opened this Monday morning. Jack and Katie Clements are the new owners; Katie will operate the grocery store while Jack continues to manage the New Home Gin.

Mr. and Mrs. C. G. Eades left Thursday to return her aunt, Mrs. Fernie Fortune,

to her home in Breckenridge. She has been visiting here two weeks.

The Eades will be at Lake Stamford awhile before returning.

Attending the State 4-H Show in Amarillo from New Home were Mrs. John Edwards and John Dudley; Mrs. J. W. Barnett, Pam, Russell, and Brenda; Mr. and Mrs. Donald Hancock, Dahlen and Donette, J. D., Russell, and Dahlen were entered in breakaway and judged roping. Dahlen was in the finals for breakaway. Basel Salmon visited with them Tuesday night and Wednesday.

Mr. and Mrs. John Edwards were in Nazareth Sunday visiting Mr. and Mrs. Larry Wells and attended the sausage festival.

Pythian News

Pythian Sisters met Tuesday, July 20, with Most Excellent Chief Florine McCracken in her chair. All other officers were present.

Teddie B. Kelley gave a report on Grand Temple, having been accompanied by Thelma Dewbre.

The report was made that \$10,000 was collected by

Naomi Frost on her project which was beds, dressers, and mirrors for the boys' dormitory at Children's Home in Weatherford. The new Grand Chief's project for the coming year will be new furniture for the girls' dormitory.

Grand Temple Rank of Past Chief was conferred on Mrs. Kelley and the two ladies reported a good crowd for all meetings. Grand Temple was at the Sheraton Hotel in Fort Worth and will be in Tyler next year.

Lynn Temple gave \$100 for the mini-park.

The new Grand Chief will make her official visit October 5th. Clifford Tank-

THURSDAY, JULY 28, 1955

ersley, District 13, named November 13th Convention to be held in Tahoka at which time Grand Chief can also attend. A date will be set soon in order that the quilt can be finished.

Thirteen ladies present were served refreshments. Nina Short.

Bridge Winner

Winners at T-Bar Bridge last week were Mrs. Roy Lemond, Mrs. Winston Wharton, Mrs. Meldon Leslie, Frank Hill, second; Lillian McCord and Arlys Askew, third.

Sherry Etheredge Says

Safe Food Storage Starts With Cleanliness

Take a closer look at your kitchen. Clean is just not good enough. To prevent food poisoning, it's important that your kitchen not only be clean—but safe as well.

Germs and bacteria, which cause food-borne illness, are so small they cannot be seen without the aid of a high-powered microscope. Yet, you can prevent the growth of these

germs by taking proper precautions in the storage of food in the kitchen. Besides that, safe food storage is easy.

Safety starts with cleanliness. Make sure all cupboards, shelves, and drawers which contain food are washed regularly. Always remember to wipe off the lid of a can or jar before opening it. This removes dust particles which could fall into the food and possibly contaminate it.

There are three basic methods of food storage: shelf storage, refrigeration, and freezing. Each method calls for special handling to

avoid food contamination.

Shelf Storage: Check under your kitchen sink and take inventory. One bag of potatoes, a couple of sponges, six onions, some cleanser, a can of tomato juice...Stop there. Three of those items don't belong—potatoes, the onions and the can of tomato juice. Don't store fresh produce or canned goods beneath your kitchen sink. Leakage from water and drainage pipes can damage food products. Cans may rust and deteriorate, providing a feast for growing germs. Never store food items next to potent household chemicals—the two just don't mix.

Avoid storing food products directly above a heat source, such as your oven or range. Instead, use these shelves for dinnerware or glasses. Food is sensitive to heat and should be stored in a cool, dry place.

Check your canned goods carefully for bulges, leaks, or weak seams—warning signals for possible food poisoning. When you find these cans in your kitchen, return them immediately to the store where they were purchased. Also, contact your local public health official.

Refrigeration: Move over to your refrigerator. Is it a safe place to store food? The growth of bacteria and germs is inhibited when food is held at 40 degrees F. or lower. Take a periodic temperature reading by setting a thermometer on the center shelf of your refrigerator. Leave it there an hour or so. If it reads over 40 degrees F., dial down.

Meat and poultry products which you plan to use within two to three days can be placed in the refrigerator to assure wholesomeness. For longer storage, freeze it. Make sure meat and poultry products are wrapped securely. Generally, the grocery wrap is adequate, but if meat juices can escape from the package and drip on other food products, it is best to rewrap these items. Most refrigerators have a special compartment for meat. If yours does, use it. If not, set aside an area to be used solely for this purpose.

During the summer, the refrigerator is popular with hungry and thirsty kids. Frequent opening of the refrigerator door lets warm air rush in and alter the temperature. Keep the door closed as much as possible to maintain a "safe food" temperature.

Leftovers need special consideration. They should be refrigerated immediately after dinner. Cooked meat and poultry left out at room temperature for two hours or more promotes the growth of bacteria and germs.

If you decide to make a spaghetti sauce the night before your party, don't put that full pot of sauce in the refrigerator. Instead, save your sauce in small, shallow containers. Refrigerating food in large quantities can be dangerous. It may be

hours before the sauce in the center of the pot reaches 40 degrees F.

Freezing: Open the freezer door. Has frost accumulated to 1/4 inch or more? If so, it may not be cold enough to keep your food thoroughly frozen. Ice which builds up on the panels may prevent the door from closing and allow warm air to enter the compartment. Partial thawing may result.

Freezing stops the growth of germs, but it does not kill them. For most effective storage, a temperature of 0 degrees F. or lower should be maintained. Take a temperature reading periodically to check the accuracy of your unit.

When freezing, remember to wrap your meat and poultry in an air-tight, moisture-resistant wrap such as aluminum foil or freezer wrap. Carefully label each package. Indicate the type of cut, number of pieces, and date of purchase. Arrange your freezer so that the most recent

purchases are packed in the rear of the compartment.

If you suspect any food to be spoiled—when it smells or looks funny—Don't Taste It! Take it back to the grocery store where you bought it.

With these tips in mind, can you make your kitchen a safer place to store food? Just remember to keep food clean and stored in the proper place.

Try this recipe:

Fresh Peach Upside Down Pie
Pastry for two-crust 9-inch pie
2 tablespoons soft butter
1/2 cup (4 oz.) toasted sliced almonds or pecans
1/2 cup brown sugar
5 cups sliced fresh peaches (about 8 medium size)
1/4 cup sugar
1/4 cup brown sugar
2 tablespoons tapioca
1/2 teaspoon nutmeg
1/4 teaspoon cinnamon

Line 9-inch pie pan with 12-inch square of foil. Let excess foil overhang edge. Spread with butter, press in

nuts and 1/2 cup brown sugar. Fit bottom crust into pan over nuts and sugar. Mix rest of ingredients. Pour into crust. Cover with top crust. Seal, flute, prick with fork. Brush lightly with milk. Bake at 450 degrees for 10 minutes, then at 375 degrees for 35 to 40 minutes more. Cool thoroughly. Turn upside down on serving plate. Remove foil.

Shower Fetes Miss Gattis, Mr. Robnett

Miss Judy Gattis and Jack Robert Robnett, who will be married July 31st, were honored with a wedding

shower Saturday, July 24th, from 7 to 9 p.m. in the home of Mr. and Mrs. F. B. Hegi. Special guests, in addition to the honored couple, were Mr. and Mrs. Eldon Gattis, parents of the bride-elect, from Tahoka; and Mrs. Myrtle Robnett and Mrs.

Naomi Thompson, mother and aunt of the prospective groom, both from Lubbock. Assisting the Hegi's with hospitalities were Mr. and Mrs. Harold Leslie, Mr. and Mrs. Harold Green, Mr. and Mrs. Maurice Huffaker, and Mr. and Mrs. Elmer Owens.

WORSHIP OF THE LORD'S CHURCH (1)

God created man with the natural compulsion to worship. To satisfy this urge, all men either glorify the creator or the created. New Testament worship is normally one of two kinds. The most frequent type of Christian worship spoken of in the Bible is a distinctive act (John 9:38) which is spontaneous, from the heart (John 20:28), and never accidental or ritualistic. This kind of worship is rendered PROSKUNEIO in the Greek New Testament.

A second type of worship is rendered LATREUO in the Greek—it means "to serve" as in Romans 12:1—"I urge you therefore, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual SERVICE of worship". This worship is the submitting of one's will to the will of Christ. It is to accept Him obediently as Lord of our lives and to do so from the heart.

The distinct identity of Christian worship was revealed by Jesus in John 4:23,24: "But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for such doth the Father seek to be his worshippers. God is a Spirit: and they that worship must worship in spirit and truth".

Now from the above scripture we can understand that true worshippers worship the Father in SPIRIT or out of an attitude of gratitude. The true worshipper also worships in TRUTH or according to God's instructions. It should be pointed out at this time that truth by its very nature is not relative, but actual and identifiable. The word of God always determines the worship to be performed, yet it is not a performance.

The word "MUST" in John 4:24 indicates that there is no other way to worship than the way God designed and spelled out in the New Testament. We MUST "hold the PATTERN of sound words" (2 Tim. 1:13) and do so in spirit (want to, rather than have to).

The opposite of worship in truth and spirit is false worship. There are three basic types of false worship:

Vain Worship

"Then the Lord said, Because this people draw near with their words and honor me with their lipservice, but they remove their hearts far from Me, and their reverence for Me consists of traditions learned by ROTE." (Isaiah 29:13 NAS).

Ignorant Worship

"For I bear them witness that they have a zeal for God, but not in accordance with knowledge. For not knowing about God's righteousness, and seeking to establish their own, they did not subject themselves to the righteousness of God." (Romans 10:2,3 NAS)

Will Worship

Read Colossians 2:18,23

"Voluntary adopted worship, whether unbidden or forbidden, not that which is imposed by others, but which one effects"—W. E. Vine
It is simply addition to or subtraction from God's authorized pattern of worship to satisfy self.

ANOTHER MILES OPEN HOUSE

OPEN HOUSE

FOR DO-IT-YOURSELFERS

SUNDAY ONLY: AUGUST 1st, 1-6P.M.
POST, TEXAS, RT.#3

DIRECTIONS TO OPEN HOUSE
Near Post, Texas, Take HWY 380, two miles west of Post. Turn left on first paved road and go one mile. Watch for Open House signs.

Come on out — inspect a new MILES HOME under construction. See more and more do-it-yourselfers are building their home the MILES WAY.
When how MILES puts it all together... plans, precision-cut lumber, step-by-step assembly instructions, beautiful kitchen cabinets, quality painting... and more. Handle a hammer and save the high cost of professional workmen. No previous carpentry experience necessary.

USE MILES MORTGAGE MONEY
MILES has mortgage money and will trust you before you start. Ready cash isn't important. Neither is a paid-for lot. You'll enjoy your home plus low, rent size payments. Stop paying rent, start toward financial security.
MILES has the selection in homes — ranches, two stories, split levels, 2 to 4 bedrooms. Or use your own plan.
Bring the whole family, and your plans. A Miles Man will be on hand to answer your questions.
You may be the start of a new life.

Sorry I can't attend. Please rush me a catalog of homes

Jill Meholin, David Rogers Are Engaged

Mr. and Mrs. Jack Meholin of Lubbock announce the engagement and approaching marriage of their daughter, Jill, to David E. Rogers, son of Mr. and Mrs. Turner Rogers of Tahoka.

The wedding will be September 4th at the Austin

Avenue United Methodist Church in Waco at three o'clock.

Miss Meholin attended Richfield High School in Waco, Texas Tech University, and received a bachelor of science degree in physical therapy from University of Texas School of Allied Health Sciences in Dallas. She is currently employed as a therapist at Parkland Hospital in Dallas.

Rogers is a graduate of Tahoka High School, Texas

Tech, and is a senior at Southwestern Medical School in Dallas.

Terri Aten Is Honoree At Shower

Miss Terri Aten, bride-elect of Lawrence William Lee was honored at a wedding shower on July 10th at Graham Community Center.

Her chosen colors of blue and white were carried out in table decorations, the table being laid with a white cloth with a blue and white floral arrangement, accented with blue candles.

Special guests were her mother and grandmother, Mrs. James Aten and Mrs. Era Aten; the prospective groom's mother and grandmother, Mrs. Don Shannon of Lubbock, and Mrs. L. N. Farris of Slaton.

Hostesses for the occasion were Mmes. C. E. Short, J. P. Lawson, Elmo Bush, W. C. Bush, Emory Stevens, LouAnn Dubree, Lowell Scribener, Gerald Norman, Jim Norman, and Earl McBride.

OBITUARY

Marvin McDonald

Funeral services for Marvin McDonald, 48, of Lamesa and formerly of Tahoka, were at 2 p.m. Tuesday, July 27, at the Sweet Street Baptist Church in Tahoka.

The Rev. Joe Webb of Lubbock and Rev. Ed Porter of the Church of the Nazarene in Grassland officiated. Burial was in Tahoka Cemetery under the direction of White Funeral Home.

McDonald died at 9:30 p.m. July 25 at Lubbock's Methodist Hospital after a short illness.

He was born July 3, 1928 at Henrietta and attended school at Ralls. He had moved to Lynn County in 1955 from Springer, New Mexico where he married Wandeen Williams July 24, 1949.

McDonald was branch manager for Lyntegar Electric Co-op in Lamesa.

Survivors include his wife; two daughters, Miss Jeanie McDonald of Littlefield and Mrs. Ellen Fant of Sonora; two sons, Mike of Lorenzo and Johnny of Lamesa; his mother and stepfather, Mr. and Mrs. A. E. Riley of Tahoka; four sisters, Mrs. Lillian Hicks of Seagraves, Mrs. Pauline Hamm of Kingsville, Mrs. Joy Spears of Wilson, and Mrs. Nancy Ferguson of Texas City; five brothers, Bert McDonald of Post, Ted McDonald of Selah, Washington, Royce McDonald of Stinnett, Donald Riley of Post, and Billy Riley of Stinnett; three stepbrothers, Cleo Riley of Arizona, Virgil Riley of Littlefield, and Elmer Riley of Andrews; and three grandchildren.

Pallbearers were Ronnie Shaw, Bobby Pendleton, Gary Cartwright, Jerry Bennett, Kenny Wilson, and Raymond Lopez.

Honorary pallbearers were Lyntegar employees.

MRS. GREGORY WIED
...nee Terie Sue Steen

Steen-Wied Exchange Vows July 24 in Wilson Church

Miss Terie Sue Steen and Gregory Coy Wied were united in marriage Saturday, July 24, at 10:30 a.m. in the First Baptist Church of Wilson with the Rev. E. K. Shepherd officiating the double ring ceremony.

Parents of the couple are Mr. and Mrs. W. R. Steen of Wilson and Mrs. Joe Miles of Slaton and the late Mr. M. G. Wied.

Given in marriage by her father, the bride wore a formal-length gown of white organza, fashioned with a narrow band of scalloped chantilly lace at the high neckline, on the lantern sleeves, and on the cuffs. Bands of lace accented an empire bodice, encircled the waist, and continued down the front of the A-line skirt with lace at the hemline.

A picture hat fashioned and made by the bride's mother featured rows of matching chantilly lace. The bridal bouquet was a cascade of yellow rosebuds, white daisies, and baby's breath.

Mrs. David Wied attended her sister as matron of honor. Bridesmaids were Miss Kay Stephens of Slaton and Miss Nancy Puckett of Floydada. Junior bridesmaid was Miss Sharon Briggs of Junction, cousin of the bride.

Attendants wore formal-length gowns of yellow crepe fashioned similar to the bridal gown. They carried nosegays of white daisies and baby's breath and wore matching headpieces of flower circlets.

David Wied, brother of the groom, served as best man. Groom's attendants were Keith Wied, brother of the groom, and Steve Teinert of Victoria, cousin of the groom. Serving as junior groomsman was Phil Teinert of Victoria, also a cousin of the groom. Ushers were Don Steen, brother of the bride, and Danny Crowson.

Mrs. Jimmy Blankenship of Lubbock, soloist, accompanied at the organ by Mrs. G. H. Nelson, sang "Whither Thou Goest", "Morning Has Broken", and "Time In a Bottle".

Mrs. Keith Wied registered guests. Honored guests were Mr. H. H. Hewlett, Mr. and Mrs. Hugo Maeker, Mr. and Mrs. A. A. Teinert, and Mrs. Selma Wied.

A reception followed the ceremony in the educational building of the church. Serving at the bride's table were Debbie Wuensche, Lou Lyn Moore, Rene Zant, and D'Lynn Briggs. Heather Turnbow of Snyder presented guests with rice bags.

The bride chose a beige voile dress for traveling. Complementing her costume was a corsage of yellow roses removed from her bouquet.

After a wedding trip to Acapulco, Mexico, the couple will make their home in Bryan where the groom will be attending Texas A & M School of Veterinary Medicine.

The bride was graduated

from Texas Tech University in May and will enter graduate school at Texas A & M University.

Mrs. Cox Attends Institute

Mrs. Lennie Cox, junior high language arts teacher in Tahoka, received a fellowship to attend the Petroleum Institute for Educators at the University of Houston in June during which time she spent three weeks on the campus attending the lectures.

Mrs. Cox was one of seventy teachers from the state of Texas who attended the institute, sponsored by oil men from over the state. Lectures were given by experts in the oil industry.

After completion of all assignments, Mrs. Cox received three hours of graduate credit in education.

Mrs. Georgie Lee Cook Celebrates Her 90th Birthday

MARY BRECHEN

Sunday, July 25, 1976 was a special day for Mrs. D. (Georgie Lee) Cook of Tahoka. She celebrated her 90th birthday four days early and was joined in that celebration by some one hundred friends and relatives. Host and hostess for the occasion were Mrs. Cook's grand-daughter and her husband, Mr. and Mrs. T. Stone, also of Tahoka. Georgie Lee Crabtree was born July 29, 1886 and was married in 1904 to D. G. Cook. The couple had two daughters and moved in 1915 to Draw in Lynn County Hill County. They farmed and operated a grocery store at Draw and in 1934 moved to Grassland where they had a grocery business, turning to farming later date.

MRS. GEORGIE LEE COOK, mother, grandmother, great-grandmother, and great-great-grandmother, has a life full of memories that spans ninety years.

widow, at 1617 North Sixth Street in Tahoka. Her other daughter, Mrs. Tressie Kenley, died in 1953. Two years ago, Mrs. Cook broke her hip and spent some time in a nursing home; however, this did not cast a shadow on her cheerful attitude and enjoyment of her friends and family. Her four grandchildren

are Jim Bob Porterfield and Margaret Stone of Tahoka, Dr. D. G. Porterfield of Abilene, and Bobbie Burkey of Midland. There are twelve great-grandchildren, and two great-great-grandchildren. Guests registered from places as far away as Dallas; Boise City, Oklahoma; Athens, Dalhart, and Stratford.

trial illustrate the advantages of feeding cactus. Twelve heifers weighing an average of 550 pounds were fed a ration of hay and cottonseed meal for approximately three months. Half the heifers also were allowed to eat as much cactus as they wanted.

At the end of the feeding period, cattle which had eaten the cactus and hay diet had gained 62 pounds more, on the average, than those on the hay diet.

Furthermore, the study showed that cactus is more readily and completely digestible than hay.

"If tools and more practical methods of harvesting and singeing can be developed, feeding cactus as a winter supplement may become common practice in Texas," White said.

'75 Vegetable Statistics Published

AUSTIN--According to the recently-published 1975 Texas Vegetable Statistics book, Texas ranked fifth in the nation in total vegetable production.

The publication also contains such information as the leading Texas counties in production of various vegetables and peak harvest times of vegetables.

A free copy of the statistics book is available free by writing Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Cactus Is Nutritious

AUSTIN--Cactus is a sticky problem no matter how you look at it.

Many Texas ranches are well-stocked with prickly pear cactus, but cattle turn up their noses at it, even during the winter when rangeland is at a minimum.

Recent studies, however, have shown that singeing the spines off prickly pear cactus makes the desert weed a palatable, nutritious winter forage for livestock.

Agriculture Commissioner John C. White noted that this development could be especially important in the arid Plains region of Texas.

The study showed that heifers fed singed prickly pear cactus gained an average of 1-1/2 pounds per day, compared with less than one pound gained by heifers fed only enough hay to approximate the nutrition normally acquired from winter forage.

The results of one feeding

Mrs. Cox And Mrs. McWhirter Tour Mexico With Other Texas Teachers

MRS. LENNIE COX AND MRS. ZUMA McWHIRTER model sombreros during their recent tour in Mexico.

BY MARY BRECHEN International relations between the United States and its neighbor to the south, Mexico, were certainly at an all-time high on the positive side in July when two Texans, Tahokans no less, toured the interior for two weeks.

Mrs. Ivan (Zuma) McWhirter and Mrs. Lennie Cox left Lubbock on July 5th on a flight to San Antonio where they joined the Texas State Teachers Association Mexican Fiesta Tour. A total of twenty-eight people made up the tour.

According to Mrs. Cox, both she and Mrs. McWhirter were amazed at how much they did not know about the country of Mexico, especially having lived this near the country. Outside Mexico City they visited the Pyramids to the Sun and Moon. "Zuma climbed all the way to the top, but I just went half way," said Mrs.

Cox, leaving the writer puzzled as to the sudden burst of energy and strength shown by Mrs. McWhirter or the lack of it shown by Mrs. Cox.

The group left their bus and took a taxi to their hotel on the side of a mountain in Taxco, that part of the city having remained the same for the past one hundred years. They walked down the narrow cobblestone streets to silver shops.

In Acapulco, of special interest to the tourists, were the homes of movie stars John Wayne, Frank Sinatra, and Joan Crawford. They saw the Princess Hotel, shaped like a pyramid, where Howard Hughes stayed, and the golf course once owned by Paul Getty. The Tarzan movies were made in the small jungle near the Princess Hotel.

Perhaps these ladies, both teachers in Tahoka schools, will be able to capture the

attention of their students when they tell them about the cliff divers they saw and the thrill of seeing a cock fight at the Fiesta Mexicana. Mrs. Cox breathed a sigh of relief as she said, "Thank goodness, they didn't fight to the finish. Instead of having sharp razor blades on their spurs, they were wearing boxing gloves, so the master of ceremonies said."

Both teachers were impressed by the many churches and cathedrals whose interiors were inlaid in gold leaf.

One place they stayed was the Hotel Castillo Santa Cecilia in Guanajuato which resembles a castle and rises from the remains of a seventeenth-century mine where minerals extracted were refined. Also at Guanajuato they visited one of the largest mines in the world that produces gold, silver, copper, zinc, and lead.

The health spa at San Jose Purua was of particular interest to the group. People go there for mineral baths; it is a beautiful spot with lush gardens of flowers, grass, and trees and is surrounded by a range of picturesque mountains.

Two other particularly interesting sites were the Museum of Anthropology in Mexico City and the Island of Janitzio where primitive Indians lived.

Besides the value of two weeks of fun and relaxation, both Mrs. McWhirter and

Mrs. Cox felt that it was good for them to have been in situations where they were unable to communicate because of a language barrier. "We can more readily identify with our students whose parents have not spoken English at home and who have difficulty in our classrooms," Mrs. Cox said.

MRS. MICHAEL THOMAS LEARY
...nee Sheila Diane Spence

**Miss Spence and Mr. Leary
Are Married July 17**

One fifteen-branch candelabra flanked on either side by a spiral candelabra formed the background as Miss Sheila Diane Spence and Michael Thomas Leary exchanged nuptial vows at 5 p.m. on Saturday, July 17, at The First Baptist Church in Wilson. The Rev. E. K. Shepherd performed the ceremony.

Parents of the couple are Mr. and Mrs. Bob Spence of Wilson and Mr. and Mrs. Thomas Leary of Marathon. The bride was given in marriage by her father. Her dress was formal-length

ivory organza fashioned with a high neckline of scalloped val lace and full-length sheer bishop sleeves and a deep cuff of lace. The empire bodice had an overlay of lace and a deep-flared ruffle formed the hemline of the skirt and train. The headpiece was a flat cap of matching lace holding a chapel-length, lace-edged veil of illusion.

She carried a bouquet of red and ivory rosebuds, baby's breath, and greenery atop a lace-covered Bible.

Maid of honor was Sheryl Spence, sister of the bride,

Lynn County News

and bridesmaids were Miss Belinda Flores of Clint; Mrs. Belinda Harris of Lubbock; Mrs. Regina Hablinski, of Laredo, cousin of the bride; and Miss Venie Drake of El Paso. Junior bridesmaids were Shelly Spence, sister of the bride; and Melinda Langston of Roscoe. Flower girl was Mary Elizabeth Langston of Roscoe and ringbearer was the bride's brother, Roger Spence.

Each attendant was attired in a formal-length gown of the bride's colors of red and white and each wore a white picture hat.

Harris Mattieu of Dallas was best man. Tim Leary of Alpine and Pat Leary of Marathon, brothers of the groom, were groomsmen and Anthony Hablinski of Laredo and Roger Gickhorn of Wilson were ushers.

Traditional wedding music was provided by Mrs. Victor Steinhauser, organist, who accompanied Mrs. Nancy Ross as she sang "If" and Steve Bowen of Lubbock accompanied himself on the guitar as he sang "The Wedding Song". For the benediction, the bride's mother sang "The Lord's Prayer".

Immediately following the ceremony a reception was held in the fellowship hall. The serving table was covered with a white cloth and a red lace overlay and featured a white candelabrum holding an arrangement of red roses. In the center of the table were four small cakes on revolving stands that set off three sumptuous tiers that soared above small red roses and scrolls of snowy icing. The groom's cake was covered with white icing and clusters of red roses.

Mrs. E. R. Alley of Sweetwater and Mrs. Bob King of Lindale, Georgia, aunts of the bride, served the punch and groom's cake and Mrs. John Roberts of Wilson served the bride's cake.

Rosebuds of red satin held the rice which was distributed by Shelly Spence. For the wedding trip, the bride wore a multicolored two-piece doubleknit suit with white accessories.

After the groom's graduation from the University of Texas at El Paso in mid-August, the couple will be at home in Oklahoma City.

REPRESENTING THE 1976-77 WILSON MUSTANG MARCHING BAND are, left to right: Randy Steinhauser, sophomore, assistant drum major, son of Mr. and Mrs. Gilbert Steinhauser; Tracy Ray, sophomore, twirler, daughter of Mr. and Mrs. Bob Ray; Cheryl Slone, junior, twirler, daughter of Mr. and Mrs. C. W. Slone; Carla McCleskey, junior, twirler, daughter of Mr. and Mrs. Carlos McCleskey; and Cheryl Wilke, senior, drum major, daughter of Mr. and Mrs. Curtis Wilke.

Southwestern Public Service Approves Generator Building

Directors of Southwestern Public Service Company meeting Tuesday in Boston, approved construction of a third 350,000-kilowatt, coal-fired electric generator for installation at Harrington Station, northeast of Amarillo.

The unit approved Tuesday will go into service in mid-1980. Roy Tolk, chairman of the board and chief executive officer of Southwestern, said that both 1980 and 1981 had been considered as completion dates while the unit was in the planning stage, but that load growth and customer gains in the last few months made it advisable to move forward to the 1980 date. Earlier, Tolk had reported to the board that the company had gained nearly 8,000 customers in the last twelve months.

New officer posts went to two Amarilloans as a result of Tuesday's meeting and an earlier meeting of the board of TUCO, INC., Southwestern's fuel subsidiary. Coyt Webb was named treasurer and assistant secretary of TUCO, and Doyle Bunch was elected assistant secretary and assistant treasurer of Southwestern.

Webb, who is a graduate of Texas Tech and a certified public accountant, joined Southwestern as a system auditor in 1964. He was named supervisor of internal auditing in January, 1975, promoted to executive assistant in October of that year and elected assistant secretary of Southwestern and TUCO last January.

Bunch, a native Amarilloan and Tascosa High School graduate, earned his bachelor of business administration degree at Texas Tech. He is also a certified public accountant and joined Southwestern in June of this year from a national accounting firm.

The directors approved also an amendment to the by-laws, reducing the number of directors from 12 to 11. This action came after they had accepted, with regret, the resignation from the board of Murrell R. Tripp, Tripp, who had served on the Southwestern board since 1962, resigned for personal reasons.

All of the directors signed the necessary consent forms to stand for re-election at the annual meeting of stockholders which will be held in

Amarillo in January of next year.

A price of \$12.00 per share was established for one million, fifty thousand shares of the company's common stock which was offered to the public Tuesday. Proceeds from the sale will go for the construction of new facilities.

The regular quarterly dividend of 24-1/2 cents per share on the common stock, payable on September 1 to holders of record or August 16, was approved. The dividend will apply to the new shares which were being offered to the public Tuesday.

Other dividend action included declaration of the regular quarterly dividends on all outstanding issues of preferred stocks. These dividends will be paid on November 1 to holders of record on October 20.

H. Frederick Hagemann, Jr., of Boston, served as host director for the meeting.

Henry Farnily Has Reunion

The family of Mrs. Dan Henry and the late George Henry were together July 24th and 25th at the Dan Thomas home.

Those attending were Katherine and Jana Little Rock, Arkansas; Cecile, David, and Ken Henry, Kingfisher, Oklahoma; Betty, Doyal, Brenda Spinks, Wooten, Loretta, Charles, Jack, Linda, and Greg Hain, Lubbock; Jack, Dolores, Lynn, Mickey, and Dan Henry, Tahoka; Sue, Cass, and Karen Reynolds, Fort Worth; Mrs. Daisy Henry,

Also, Dan, Clara Lee, Larry Thomas; Don, Tina and Donna Thomas; Dean, Linda, Jamey, and K. Thomas; Mrs. Dovie L. Trent; and Mrs. Ruby Hain, all of Tahoka; Mr. and

W. T. Rhodes, Malak, Mr. and Mrs. Tom Hain, Whitesboro; and Mr. and Mrs. Gary Hill, Houston.

CHRISTI REDWINE, daughter of Mr. and Mrs. Vernon Redwine of Brownfield, was named "Over-All Mini League Queen" at Brownfield's Coleman Park earlier this month. She was escorted by her brother, Jim Bob, right. Grandparents are Mr. and Mrs. F. E. Redwine and Mrs. Gena Fay Adams, Tahoka.

"A FREAK OF NATURE" is the way Kenneth Turner described the potato he dug up on his parents' farm at Grassland.

Certification Changes Made Seed

Seed producers shopping certified planting seed in the 1977 season will see a change in the certification label accompanying each seed. Starting next year, seed will be certified genetic identity only.

Although the new certification label assures that the variety stated on the label, the big change is the fact that it does not guarantee any seed quality factors such as purity, inert matter, other crop seed, and germination. The new seed law, however, requires that this information be truthfully stated on the analysis label accompanying the seed.

The change in seed certification which becomes effective January 1, 1977, means that producers will have to pay particular attention to the labels on the

seed bag," emphasizes Dr. Robert B. Metzger, cotton specialist for the Texas Agricultural Extension Service. "The certification label will tell them what variety the seed is, and the analysis label will provide information on quality factors."

Both labels tell the complete story about the seed, but keep in mind that quality factors can vary even though the seed is certified, notes Metzger.

Certification for genetic identity means that seed has been produced and processed under standards and procedures established by the Texas Seed and Plant Board and enforced by the Texas Department of Agriculture to assure that the variety is as represented by the certification label accompanying the seed.

"Reading the label has always been of importance in purchasing seed, but the new standards will place even greater responsibility on the producer to carefully read both labels to determine if the seed meets his

quality requirements," points out Metzger.

The Texas A & M University System specialist lists a number of reasons for the change in seed certification standards:

- To assure a more dependable supply of seed officially certified as to genetic identity.
- To establish uniformity with the Federal Seed Act.
- To encourage international seed trade.
- To allow production of certified seed having quality characteristics for different market needs.

"The change gives seedmen more flexibility in producing seed for different markets," notes Metzger, "and at the same time promotes a plentiful supply of high quality seed."

"Quality is by no means being sacrificed by this change," he emphasizes. "Quality standards will be as important as ever. The main thing the seed certification change does is place greater responsibility on the producer to select the proper seed for his particular needs."

MRS. RICHARD WHITE
...nee Karen Sue Pursell

Richard White-Karen Pursell Marry In Dallas Ceremony

Miss Karen Sue Pursell and Richard Martin White were united in marriage on Saturday afternoon, July 17, in a family wedding at Lover's Lane United Methodist Church in Dallas. Rev. Tom Shipp officiated at the double ring ceremony.

The bride is the daughter of Mrs. Edith Pursell, Wichita, Kansas and Walter Lee Pursell, Tulsa, Oklahoma. The groom is the son of Mrs. Billie Embree and the late Martin M. White of Tahoka.

The bride wore an ivory floor-length gown of voile trimmed with eyelet lace. She wore a wide-brimmed straw hat adorned with fine net streamers and carried a hand-made lace handkerchief first carried in the late 1890's by the grandmother of a friend of the bride, Mrs. Ned Smith. She also wore a cameo locket which was worn by her mother on her wedding day. Her bouquet was a nosegay of daisies.

Mrs. Gloria Pursell, the bride's sister-in-law, and Randy White, the groom's brother, attended the couple.

A reception in the home of Mr. and Mrs. Ned Smith followed the ceremony after which the couple went to San Antonio. Upon their return and after a brief stay in Dallas, they will reside in Tahoka.

Attending the wedding were Mrs. Edith Pursell; Mr. Lee Pursell; Mr. and Mrs. Jerry Pursell, Chicago, Illinois; Mr. and Mrs. Warren Embree, Gary and Kim White, of Tahoka; Mr. and Mrs. Randy White, Lubbock; Mrs. Clint Reed, Snyder; and Michael Jones, Sudan.

The bride is a graduate of Oklahoma State University and Baylor University Medical Center School of Medical Technology. She is a medical technologist at Baylor Hospital in Dallas.

White is a 1968 graduate of Tahoka High School and a graduate of Texas Tech University. He is currently a senior at Baylor College of Dentistry in Dallas.

Shew-Gunnells Wedding Plans Announced

Mr. and Mrs. R. J. Underwood of Lubbock announce the approaching marriage of their daughter, Barbara Shew, to Gary Gunnells, son of Mr. and Mrs. Elmer Gunnells of Tahoka.

The wedding will be on Friday, August 6.

Gunnells is employed by White's Auto Stores and the couple will make their home in Lubbock.

BILL GRIFFIN SAYS...

Good labor records are important to a successful farm business.

Labor records are necessary for calculating social security tax on regular employees and to meet the requirements of the Wage and Hour Division of the U. S. Department of Labor, says the county agent.

All that's needed to keep records on each employee for a year are two columned sheets of paper. It's a good idea to make the first column the end of the employee's pay period.

Eight columns are needed for the time worked each day and the total hours worked each week. Five columns are needed to record the amount paid for each unit of work, total regular earnings, earnings for overtime, other

earnings, and total earnings. Also, keep separate columns for information on deductions, such as social security withheld, income tax withheld, other tax deductions, and loans or advances. Then use a column for net pay received by the employee after deductions have been taken out.

Each employee's record should contain his name, address, social security number, occupation, age,

and sex. A good accurate payroll record on employees can save employers a lot of time and trouble in the future.

Guy-Foerster Engagement Announced

Mrs. C. D. Guy of Lubbock announces the engagement of her daughter, Patti, to David Foerster, son of Mr. and Mrs. Luther Foerster of New Home.

The couple plans to be married September 3rd in Redeemer Lutheran Church in Lubbock.

Miss Guy is a graduate of Monterey High School in Lubbock and attended Texas Tech University. She is presently employed in Lubbock. Foerster is a graduate of New Home High School and is engaged in farming.

Draw People Honored With Gift Shower

Blanche Wells and Myrtle Newton, both of Draw, were honored with a shower in the home of Mrs. James E. Williams after the recent fire in their home.

Hostesses were Mrs. Williams and Joyce Cook.

According to the recipients, they received many useful gifts, but the most treasured was the friendship and helpfulness of concerned neighbors in a time of need.

from the TAP kitchen

Texas Department of Agriculture John C. White, Commissioner
OVEN BARBECUED BEEF BRISKET

- 5-6 lb. boneless beef brisket
- 1 tsp. onion powder
- 1 tsp. garlic powder
- 1 tsp. celery salt
- 1-1/2 tsp. salt
- 1/2 tsp. black pepper
- 1/4 cup liquid smoke
- 1/4 cup Worcestershire sauce
- 1 cup barbecue sauce

Place brisket in heavy duty aluminum foil and sprinkle on both sides with liquid smoke. Then sprinkle with onion and garlic powders and celery salt. Place in covered container in refrigerator and let marinate overnight (at least 8 hours). Next day, sprinkle both sides with salt, pepper and Worcestershire sauce. Wrap securely in aluminum foil and bake covered at 275 degrees for four hours. Uncover and pour barbecue sauce over the brisket. Cover and bake one hour longer. Cut in 1/2-inch slices and serve with additional barbecue sauce. Can be served hot or cold. Yield: 8 to 10 servings.

For additional beef recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

MRS. JIM MCCORD
...nee Nancy Leverenz

Leverenz-McCord Vows Are Said In Perkins Chapel

Miss Nancy Leverenz and Jim McCord were married Saturday, July 24, in SMU's Perkins Chapel in a setting of greenery and tapers. Judge Leonard E. Hoffman, Jr. of Dallas officiated at the ceremony during which Organist Russell Hellekson, also of Dallas, played a medley of wedding selections from Bach. Mr. and Mrs. Jim Leverenz of Dallas are parents of the bride and the groom's parents are Mr. and Mrs. H. B. McCord, Jr., of Tahoka. Cary Leverenz was her sister's maid of honor and bridesmaids were Julie Leverenz, the bride's sister, of Dallas; Linda Davis,

Dallas; Beth Renegar, Levelland; Barby Johnston, Austin; and Mary Gaye Ratliff, Dallas. Best man was H. B. McCord, Jr., father of the groom. Gary and Terry McCord, the groom's brothers, of Lubbock; Randy Evans, Michael Vanderwoode, both of Dallas; and Greg Thomas of Tahoka were groomsmen. Rob Rogers and Michael Langston of Dallas; David Rogers, formerly of Tahoka and now from Dallas; and Martin Warren of Tahoka seated guests.

The bride's dress, of white quiana, was designed with a mandarin neck trimmed with pearls at the neck and down the center. She wore a white organdy hat with an organza net train and the bridal bouquet was white roses and baby's breath. Bridal attendants were attired in yellow quiana and carried white baskets of daisies.

Following the ceremony, there was a reception at Walls of Dallas. Both the bride and groom are graduates of Texas Tech and they will be at home at 605 Barcelona Place in Garland, following a trip to Houston. She is a teacher in Richardson Junior High School and he is employed by Bekins Moving and Storage in Dallas.

McCord is a 1970 graduate of Tahoka High School and his bride is a 1970 graduate of a Dallas high school.

Teddie Kelley, Cordia Swann, Leona Waldrip, Thelma Dewbre, Zella Taylor, Mildred Abbe, Leo Dulin, of Tahoka, and Jessie Russ of O'Donnell attended a workshop last Friday in Lubbock, sponsored by the South Plains Regional Office on Aging.

The program included such topics as "Why Have a Center", "How to Begin", and "Tips on Operation". Programs and services were discussed and a film entitled "Step Aside, Step Down" was shown.

The E. B. Gaither's home was the scene of "killing three birds with one stone" instead of the proverbial two birds on the past Sunday when there were two silver wedding anniversaries and one birthday celebrated.

It was Mr. Gaither's birthday and the twenty-fifth anniversary of Mr. and Mrs. Bentley Gaither and Mr. and Mrs. R. J. Miller.

Other visitors Saturday night and Sunday included Mrs. Leroy Akin and Kenneth of San Antonio; Adron and Tommie Miller, Mr. and Mrs. E. M. Askin and Jerry; Mr. and Mrs. Robert Harris, Jr. and Robert III; and Mr. and Mrs. Terry Fortner, all of Lubbock; and Mr. and Mrs. C. T. Nicklas of Mineral Wells.

An overnight visitor in my home on Thursday night was my sister, Leta Brown of Lubbock.

Mrs. K. R. Durham was the victim of a freakish accident in her home Thursday afternoon when she stepped upon a stool in a closet to get a game for her grandson. A leg on the stool broke, causing her to fall backward. She cut a gash in the back of her head that required several stitches to close.

Mr. and Mrs. A. D. Riddle had visiting them this weekend a son, Glen, and his wife, Joy.

Mr. and Mrs. J. E. Dulin had as their guests on Sunday his sister and her husband, Mr. and Mrs. Dayton Short of Amarillo.

Visiting here from Corona, California are Mr. and Mrs. Floyd Brasher. He is the son of Mrs. Edna Brasher and she is the former Mary Alice Roberts, daughter of Mrs. Lillian Lambright.

Mrs. Cordia Swann and Mrs. Teddie Kelley attended the birthday party on Saturday afternoon for Mrs. Dixie Coleman in Wilson.

Mr. and Mrs. Kenneth Durham and family of

Longview are visiting his parents, Dr. and Mrs. K. R. Durham.

Mr. and Mrs. Lynn Seals, who now live in Oklahoma, were visiting here Sunday and attended services at First Baptist Church on Sunday night. She was church secretary when they lived here.

In the absence of Pastor Jimmy Turner who is on vacation, Rev. Doyle Holmes of Lubbock filled the pulpit at First Baptist Church both services on Sunday.

Tamara Dulin of New Home is spending a few days with her grandparents, the J. E. Dulin.

Relatives visiting in the

home of Mr. and Mrs. Willis Pennington from Saturday until Tuesday were Mr. and Mrs. Ed Williamson, Mr. and Mrs. Floyd Williamson, Mr. and Mrs. Joe Williamson, and Mrs. Leon Lowery, all of Houston.

The group went to see "Texas" in Palo Duro Canyon on Monday night.

THURSDAY, JULY 29, 1976

The Pioneer Club will have an ice cream supper and 42 party on Friday night at 7:30 at the new Center building.

The Center is now equipped with all new padded chairs and desks have been donated for the kitchen.

JANE WILLIAMS

HAS LIFE FINALLY BEGUN?

HAPPY BIRTHDAY

The most important step towards saving money on heating and cooling costs is really inside a home. The Energy Efficient Home makes sure that heating and cooling stays inside your home, where it belongs. It's really not a new concept at all. With the days of cheap energy gone, it is important to use electricity more wisely than ever before. The Energy Efficient Home is today's best method of enjoying clean, comfortable electric living at the lowest possible cost.

LOOK INSIDE...

WALLS conform to one of three options: #ONE - 6" walls with R-19" insulation. #TWO - tongue and grooved styrofoam sheathing, 4" walls and R-11" insulation, or #THREE - R-15" minimum insulation. Walls must include a vapor barrier of 6 mil polyethylene or foil-backed sheetrock. Sill insulation or sill caulking (under bottom plate) is also required.

FLOORS (if pier and beam construction) must be insulated with R-13". In slab floors choose between Option #1, rigid urethane or styrofoam (3/4" minimum thickness) from top of floor along the outside edge of the slab down to the brick ledge, or Option #2, vermiculite poured in the cavity between bricks and slab up to the top of the floor.

WINDOWS AND DOORS are weather-stripped and caulked. Double pane glass or storm windows and insulated core or storm doors also ensure energy efficiency. It is recommended that glass area not exceed 8% of floor space.

OTHER RECOMMENDATIONS include the use of cool fluorescent lighting, a heating/cooling system like the heat pump that maximizes efficiency, an electronic air cleaner to be used with mechanical air systems.

Today there is no need to sacrifice comfort to save energy and money. The Energy Efficient Home - like everything else electric - is as good as tomorrow. Call your Southwestern Public Service Company manager. He'll give you the details on the modern, comfortable way to save energy and money with the Energy Efficient Home.

*The "R" value in the guidelines indicates the "insulating" value of the insulation to flow of heat.

Travelers Checks?

1. Yes-we have them.
2. Yes-vacation time is the time to be thinking of traveler's checks.

Mr. and Mrs. John A. Roberts returned home last Monday after attending funeral services in Lampasas for her brother, J. W. Martin. Services were on Saturday at 3:30.

On the trip down, the Roberts spent Friday night with a sister-in-law, Mrs. Bessie Martin, of Stephenville, who accompanied them to Lampasas.

My son, Randall, from Levelland, and his son, Mike, and daughter, Judy, visited in my home Thursday and helped with some repairs.

'75 Livestock Statistics Available

AUSTIN - The 1975 Texas Livestock Statistics book has been published, Agriculture Commissioner John C. White has announced.

"The book presents up-to-date county estimates for cattle, hogs, sheep and goats on ranches and farms," White said. Information such as imports and exports of cattle and calves into and out of the state, receipts of livestock at Texas auction markets and consumption of red meats is also contained in the book.

A free copy of 1975 Texas Livestock Statistics may be obtained by writing Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.
