

**OBITUARIES**

**Velton Smith**

Services for Velton "Bill" Smith, 56, of Morton were October 16 at the First

Baptist Church there with Paul McClunt, pastor, officiating.

Burial was in Morton Cemetery.

Mr. Smith died October 14 following an apparent heart attack. He was the owner and operator of Bill's Furniture and Appliance Store and was a veteran of World War II. He had lived in Morton since 1961.

Survivors include his wife, Mary; four daughters, Mrs. Jan Haggard of Oklahoma City, Mrs. Glenda Elliott of Lexington, Kentucky, Mrs.

Dena Taylor of Lubbock, and Mrs. Lana Lemons of Seminole; his parents, Mr. and Mrs. Walter Smith, Slaton; two brothers, J. W. of Winter Haven, Florida and James of Amarillo; and six grandchildren.

**J. W. Archer**

Services for J. W. Archer, 50, of Seminole were October 14 there.

Archer died at 1:15 p.m. on October 12 in Lubbock's Methodist Hospital.

He was born January 27, 1926 in Granbury and had been a resident of Seminole 14 years, moving there from Seagraves. He was a farmer and veteran of World War II.

Survivors include his wife; three daughters, Mrs. Mary Beth McConal of Seminole and Denise and Marsha Archer of the home; a son, Jay of the home; his mother, Mrs. Mary McCall of Forsan; two sisters, Mrs. Billie Park of O'Donnell and Mrs. Juanita Wash of Forsan; a brother, Leon of Fresno, California; and two grandchildren.

**R. G. Grogan**

Services for R. G. Grogan, 89, were conducted at the First Baptist Church in Tahoka on October 16 with Jim Turner, pastor, officiating. Burial was in Tahoka Cemetery under the direction of White Funeral Home.

Mr. Grogan died in Lynn County Hospital on October 15 where he had been a patient two weeks. He was born January 1, 1887 in Murry, Kentucky and was married to Miss Cora Cranston on December 10, 1911 at Truby, Texas. They moved to Lynn County in 1940 from Anson and farmed until retirement.

Mrs. Grogan died January 31, 1956.

Mr. Grogan was a longtime member of Wells Baptist Church. He is survived by two daughters, Mrs. Melva Bunty of Longview and Mrs. Deleath McLaurin of Roll, Arizona; two sons, Granvil W. of Tahoka and Arvis of Muleshoe; ten grandchildren and six great-grandchildren.

Pallbearers were B. J. McLaurin, J. F. Brandon, Bill Ledbetter, H. W. Cook, James Trammell, and Roger Bell.

Serving as honorary pallbearers were Paul Sherrill, Dick Franklin, and Virgil Bolch.

**Mrs. Chapa**

Mrs. Elodia Chapa, a native of Tahoka, died October 13 and was buried in Chicago on October 16.

Among her survivors are children, Jerry, Henry, and Carmen, all of Chicago; step-sons, Manuel, Jr. and Margarito Chapa of Tahoka and Elvira Sanchez of Lubbock.

**County Tax Collections Exceed 1975**

According to George D. McCracken, assessor and collector of Lynn County taxes, state and county tax collections are good and are exceeding last year's collections for the first two weeks of October.

Many taxpayers are taking advantage of the 3 percent discount given for early payment in October. Discount for November payment is 2 percent and December, 1 percent.

McCracken also asks that farmers bring their registration slips received from the Highway Department when registering farm trailers. If these slips were not received, it will be necessary to obtain the 1975 license number that is on the trailer.

Children under Lynn County Foster Care will have a happy holiday if groups or organizations will sponsor a Christmas remembrance for them.

Any civic organization, club, Sunday School class, fraternal organization, or individual who would consider sponsoring a child or children for a real Christmas is asked to call the Child Welfare Office, 998-4553, for sizes, ages, and specific requests.

that rural hospitals such as Lynn County Hospital are doing well financially, in comparison to the large hospital districts.

Also, of special interest to his audience, Representative Short expressed his feelings that the vice-presidential candidates are vital factors to be considered in the Presidential election.

The Chamber member whose name was drawn for the cash prize of \$75.00 was not present; however, the amount of the drawing will remain the same until it is claimed.

The next breakfast meeting will be November 16 at 6:30.

When you care enough to send the very best.

TO THE PEOPLE OF TAHOKA AS WELL AS THOSE IN LYNN COUNTY, I would like to express my appreciation.

Having the privilege of being a contestant in the Plains Maid of Cotton Contest will always be one of my most pleasant memories. It was a great opportunity to represent Lynn County as well as meet new friends and learn about cotton. It was a fun-filled weekend with such things as luncheons, a Presentation Ball, interviews, and the contest.

I'm sure I had one advantage over each of the girls and that was the support I received from each of you. It was a great feeling to know that you were backing me. I would like to especially thank the Tahoka Chamber of Commerce and the Farmers Co-op Gin for their financial help; believe me, it was a great help! I would also like to thank everyone for the flowers, letters, cards, and good-luck wishes I received because of each of you that I am proud to represent Tahoka any way I can. Thanks so much.

## Bulldog JV Team Loses Abernathy, 30-22

Bulldog Junior Varsity succumbed to the Abernathy Antelopes on Friday, October 14.

Bulldogs scored two in the first quarter as they ran in from a yard and Hatchett scored extra point. Hatchett scored on a 65-yard pass, but the extra point

was not good. Abernathy scored twice in the second quarter as the quarterback sneaked in for a 5-yard TD run. They also scored on a 19-yard pass. Both PATs were no good and at halftime, the Bulldogs led 14-12.

Calvillo opened the third period with a 2-yard TD. Hatchett scored the PAT.

The Antelopes came back and scored on a 73-yard pass; the PAT was not good. Abernathy scored two times in the final period, the first time on a 41-yard pass and then again on a 66-yard pass. Both PATs failed. Hatchett gained 142 yards and Britt Dockery had 18 total tackles.

JV and Freshmen play Roosevelt here this week. Seventh and eighth-grade teams and the Varsity team all go to Roosevelt this week.

## Lucky No. 7: Wilson 29, Borden 6.

Friday, October 15, it was Number 7 for Wilson High School as the powerful Mustangs put their brand on the Borden County Coyotes by the score of 29-6. Though only 6-0 at halftime, the game soon turned into a typical Wilson game of the 1976 season with quick runs and completed passes spelling doom for their opponents.

Wes Wilke recorded his 1095th rushing yard as he plunged to pay dirt three times. Senior Wilke scored from the 6, the 15, and the 17-yard lines and carried the ball 16 times for 195 yards rushing. He now ranks among the leaders of area schoolboys in both scoring and rushing averages. Senior Carlton Henderson, also at the top in passing yards, completed a timely 8-yard toss to Senior Philip Bednarz for the fourth Wilson score.

Wilson is now 2-0 in District 3-B West play with 3 more opponents to face before grabbing the coveted district crown. Defensively, Mark Brieger made 29 tackles and Bednarz made 24. Freshman Paul Hernandez intercepted a pass from Borden County to turn in outstanding defensive play. Coaches Charles Seagler, Pat Mouser, and Bill West were pleased with their team, but do not take any district games for granted. "We know our opponents are keying on our games and

we have to be ready for every play, every offensive series," said Coach Seagler. "It would be foolish to think that any of our games left are easy ones."

## Cowboys 'Put It On' The Eagles, 69-0

State-ranked Plains Cowboys added one more win to their record Friday night when they beat the O'Donnell Eagles 69-0.

In the first quarter, Chris Winn ran in from the one, four, and twenty-seven-yard lines and Chris Blundell scored with a 20-yard toss and a 45-yard throw from Rusty Howell. Danny Bell had engineered the earlier strike.

Winn, Johnny Willis, and Derrill Sherrin scored on the ground in the second stanza, Sherrin plowing over from the 2.

In the second half, Ron Gayle scored on a 6-yard pass. The fourth-quarter score came when the Cowboys blocked a punt and fell on the kicker in the end zone for a safety.

## New Home Ups Its Season Record, 2-4

Alan Nettles helped the New Home Leopards up their season record on the positive side Friday night, October 15, by rushing 251 yards and rushing for four touchdowns. He also caught

a 40-yard TD aerial in the contest, final score 44-6.

The New Home tailback came in from 46 and 1 yard out in the first quarter and connected on the PAT after the second run.

Second-period action saw Nettles sprint to paydirt from 49 and 35 yards out.

Tracy Smith led in scoring for New Home in the third period, going in from 47 yards out. Marty McClintock, quarterback, upped the New Home lead to 37-0 with his third-period scoring strike of 40 yards to Nettles.

Sands' TD in the fourth quarter was made by Gary Webb. McClintock came back to hit Kim Howle with a 21-yard scoring bomb and Tony Rodriguez kicked the PAT to end scoring.

## Juniors Win In Powder Puff Match-Up

In a hard-fought contest, the Junior girls defeated the Seniors by the score of 12-8 last Thursday night, October 14. Both teams utilized the first period to find the strengths and weaknesses of their opponent.

Katy Martin got the Juniors on the scoreboard with a touchdown in the second quarter. Tight defenses prevented further scoring in the first half.

At halftime, Curtis Stewart, Donnie Clary, and Gary White twirled to Jerry Jeff Walker's hit, "Redneck Mother." Then an "Alumni Band" provided more half-time entertainment. The

band, composed of James Maclasky, Joe Don Nevill, Larry Brito, Kirby Shearer, and Robbie Tyson, played "The Stripper" for the twirlers and exited the field to the "Fight Song."

Junior cheerleaders were Randy Meeks, Richard Cranford, Perry Haney, Rudy Chapa, and Jayson Knox.

The Seniors, led onto the field by cheerleaders Bobby Gunnels, Clint Gardner, Math Bartley, Billy Burks, and Mike Edwards, played good defense, but could not seem to get the offense untracked until the fourth quarter when Donna Maret scored a touchdown which tied the score at 6-6. Carla Stevens hauled down Maret's pass in the end zone for the two-point conversion, giving the Seniors an 8-6 advantage.

The clock ran out and for a moment, the Seniors had the idea they had won, but there was still three minutes left in the game, time enough for the Juniors to score.

Katy Martin ran for the TD and the final score was 12 to 8.

Carla Stevens was top rusher for the Seniors and Katy Martin was the top rusher for the Juniors. Jodie Brecheen intercepted two passes for the Juniors.

The Yearbook Staff, sponsors of the game, netted approximately \$250, to go toward the cost of the 1976-77 Kennel. Appreciation is extended to all who "lent them a helping hand!"

## Letter To Editor

Views expressed in "Letters" are not necessarily those of this newspaper.

Dear Editor:

Last Saturday, October 9, I was traveling through the Panhandle when the fuel pump on my pickup went out. It was closing time when I drove into Bray Chevrolet in Tahoka asking for help. The people there were willing to fix the fuel pump and were very nice about getting it done. What's more, the repair charge was not ridiculous even though I was at their mercy.

The people at Bray Chevrolet certainly deserve public recognition.

Sincerely,

Tom Heffernan, Route 1, Box 58AB, Poteet, Texas.

Dear Editor:

I sincerely hope this finds you well and in the very best of spirits this fine day.

There can be no happier day in my life than that day when a kind friend gave me a copy of your fine paper, the "Lynn County News." I read it from beginning to end and it is now one of my treasured possessions. May God bless you for the good you are doing in your publications and for the help I have found in its pages.

I am a leper patient with already deformed hands and feet, almost an invalid. I have 13 children, five boys and eight girls. All attend school except the four older boys and one older girl who were forced to quit school because of our family financial problems. I have no parents to help me in my poverty and affliction.

It would give me great pleasure to see my humble name in print. I should be very glad and thankful for some of your good readers to write and spare me some love while I'm still in this present life of mine and before kindly death will bring me to our heavenly home.

## Local CB Club Is Commended For Staging Recent Telethon

Mrs. Peggy Jolly, secretary of the local CB Club has received the following letter from the District Director of the Muscular Dystrophy Association and it is being published for the benefit of News readers:

There are really no words to express my appreciation to you and the Tahoka CB Club for your kind and generous donation of time and effort in establishing and operating the pledge center in Tahoka during the 1976 Jerry Lewis Labor Day Telethon. Our final toteboard figure was \$104,876.00, which marked an outstanding increase over the 1975 Telethon. The collective pledge center total doubled this year, which can only be attributed to fine people such as yourself and the Tahoka CB Club.

The generosity and community involvement of the citizens of Tahoka is overwhelming. You and the Tahoka CB Club proved to be the leaders and driving force in building this momentum.

We are honored to count you and the CBs as dear friends of the Muscular Dystrophy Association. Through the help of friends like you, we are able to provide needed medical services to those afflicted with MD, and the hope of one day walking freely through life.

It has been a pleasure working with you this year, and we look forward to working with you in the future. Though our gratitude is beyond expression, on behalf of the Muscular Dystrophy Association and those it seeks to serve, thank you from the bottom of our hearts.

## BILL GRIFFIN SAYS...

Any time after crops mature in the fall is an ideal time to take soil samples. Once plants reach maturity, they virtually stop taking up nutrients. Therefore, the soil's nutrient state will remain about the same until

planting time next spring.

There are many advantages to soil testing at this time. For one thing, you can now readily identify problem areas in a field. If you think fertility caused reduced yield or unusual symptoms in some areas, sample these areas separately so that a comparative evaluation can be made.

Other reasons for soil testing this time of year include pleasant weather and more favorable soil conditions, he adds.

Although overall short-

ages of fertilizer are not anticipated, there can be a big advantage in having time to make plans with your dealer for the material needed.

The possibility of fall application of all or part of next year's fertilizer soon after harvest is another important consideration, he adds.

Information on how to collect representative samples can be obtained from the county agent's office.

This material should be carefully read for sugges-

Administrator Lauds Lynn County Hospital's Status

A few weeks ago, Ray Hurst, executive vice president of the Texas Hospital Association, stated that Texas hospitals were experiencing the worst financial crisis that he has seen in the past twenty years.

The following services were performed at the hospital during the past fiscal year, as well as the increase over the previous year: Admissions: 1038, up 44% Emergencies: 1424, up 51% Laboratory tests: 29,705, up 52%

New or improved services added this year are as follows: \*Computerized interpretations of electrocardiograms. \*An automated hematology cell counter. \*A respiratory therapy department.

According to Moore, the tremendous growth of the hospital during the past year is the direct result of having two highly qualified physicians, excellent hospital personnel, and a progressive Board of Directors.

## BROWNFIELD NURSING HOME

Sandra Curry-Administrator

The Brownfield Nursing Home located at 510 South 1st in Brownfield, phone 637-4307, is doing their part in the care of the chronically ill and the convalescent. To assist you in selecting the right nursing home, they offer the people of this area this message.

"We Americans are not just living longer, we are living more useful and productive lives. But an increasing number of chronically ill, the old, and the convalescent need some place other than the hospital and their home where they can receive personal health care, round-the-clock attention and the opportunity to continue to live their lives with meaning. As your community health care facility, we want to help you make the right decision. Here are some guidelines:

See your family physician to determine the type of facility you need.

Feel free to visit our facility.

Ask us for cost in writing and financial advice about Medicaid.

Examine all of our facilities.

Verify our safety features.

Finally, observe how our residents spend their time.

There is a lot more to selecting the right nursing home. We want to help-if you have any questions, please call or visit us.

The Editors of this 1976 Review appreciate this message from the Brownfield Nursing Home, who open their doors to all, and highly recommend them to all our readers.

## BROWNFIELD MUFFLER SHOP

Carl Bishop-Manager

Does your car sound like a AA fuel dragster? Maybe it's time for you to visit the Brownfield Muffler Service and have a new muffler installed. If you didn't know it, a faulty exhaust system robs power from your engine, adds greatly to air and noise pollution, and can be hazardous to passengers.

A quick stop at the Brownfield Muffler Shop at 620 Lubbock Road, phone 637-7115, will let these professionals check your car and recommend the exact replacement. A short installation period, and you're back on the road in a safe, quiet car. They have, in stock, mufflers for most any model car or truck and will install the proper unit while you wait. Featuring the famous Cobra exhaust systems, Carl Bishop is ready to serve you with quality service.

If it's performance you want, they have a full line of custom headers and dual exhaust systems as well as pipe bending equipment to make any exhaust system to your exact specifications.

The writers of the 1976 Consumers Message recommend the Brownfield Muffler Shop.

## GALLOWAY'S BODY SHOP

Dwane Galloway-Owner

Many people have looked far and wide for someone who does good body work. The automobiles of today require a specialist to repair or replace body panels and to refinish them to their original beauty by matching the new paint perfectly with the original paint.

The professional body men in this area to see are the Galloway's Body Shop located at 300 Lubbock Road in Brownfield, phone 637-7010.

The personnel of Galloway's Body Shop fully understand body and fender work as well as auto painting. These men work the metal so as to require the least amount of lead or primer and wet sand the surface until it's as smooth as glass before laying on the paint. They have gained a reputation second to none throughout this entire area. So whether your job is a small crease or a roll-over, we know you will be entirely satisfied with their work.

The Galloway's Body Shop carries a complete selection of auto and truck glass for makes and models and will install it while you wait. Your complete satisfaction is guaranteed on all work and they specialize in insurance claims.

Dwane Galloway also operates a fine, 24-hour wrecker service for this area, serving zone 2294. When you need a wrecker, remember Dwane Galloway at 637-7010.

We, the editors of this 1976 Review advise you to see Galloway's Body Shop for all bent fenders or repaint work and auto glass replacement.

## LARRY'S CHEMICAL & SPRAYING

Located at 1318 Lubbock Road in Brownfield, Larry's Chemical and Spraying will apply the proper type of fertilizer in a most efficient and professional manner. They also have planes available for special application.

This reputable company specializes in complete sales and service of all types of spraying equipment.

Larry's Chemical & Spraying is favorably known for prompt service and fair prices and best products in town. Much of their popularity is due to the fact that they stand behind every job.

The writers of this 1976 Review urge ALL area growers to contact Larry's Chemical Spraying for all of their spraying and chemical needs!

## B. E. IMPLEMENT COMPANY

Aubrey Cox-Manager

Excellent service to all and a full line of parts are the words of the B. E. Implement Company located on Seagraves Road in Brownfield, phone 637-3594.

They offer the best service in the way of a full line of parts for all JOHN DEERE implements and tractors. Parts are furnished on a minute's notice so that there is no delay for people using the John Deere line. Their service department is one of the best in the area.

The name JOHN DEERE has been one that has been associated with all the great developments in agriculture for over a lifetime. This firm handles the complete John Deere line and has a most complete display. They invite farmers of the surrounding community to come in and look over all the latest in farm implements and tractors.

The writers of this 1976 Review compliment the B. E. Implement Company on the fine service they render to this and surrounding communities.

## IDRIS TRAYLOR COTTON COMPANY

Cotton growers throughout this section of the state have come to respect the fair business practices and community-minded services offered by the Idris Traylor Cotton Company of the area's foremost cotton merchants.

Located at 314 West Main with Laura Hunter (Mrs. George Zant) as Buyer in Brownfield, phone 637-3937 and at night call 637-6477, this respected marketer specializes in serving the interests of the area producers by securing the highest possible prices for their cotton. As a nationwide tradesman, this dedicated cotton merchant is constantly striving to keep abreast of the fluctuating market and increase his grower's profits with shrewd wholesaler techniques. His basic concept over the years has been based on offering the highest fair market prices possible to his producers.

Through the efforts of the Idris Traylor Cotton Company to use grower's products wisely he has been instrumental in the financial growth and prosperity of this region's economy. The prosperity of many people is directly dependent on this broker's dealings and he wouldn't let his friends down!

The editors of this 1976 Review would like to take this opportunity to commend the business practices of the Idris Traylor Cotton Company.

## BROWNFIELD ELECTRIC LIGHT & POWER SERVICE

Jake Geron - City Manager  
Zelma Miller - City Secretary  
Jeff Zimmerman - District Superintendent of Outside Plant

Leonard Isaacs - Superintendent of Power Plants

When we consider the area around us, including all of the businesses and the different types of enterprises, it is hard to forget one prominent name. That is the Brownfield Electric Light and Power Service.

Through their efforts to provide the best of service and growth to the area, they have come to be known as part of the backbone in the structure of this area. From their beginning they have strived to provide the most up-to-date light and power service, with friendly, conscientious efforts at the most reasonable rates.

They employ many local people throughout the area, thus aiding in the financial strength and growth of the area, and are recognized by both the businessman and the homeowner as an inseparable entity of our community.

When needed in an emergency, special help in community projects, or just everyday business, the Brownfield Electric Light and Power Service located at 218 West Main in Brownfield, phone 637-4547, is always there ready to be of assistance.

The writers of this 1976 Review herein announce our complete endorsement and commendation to the management and individuals of the Brownfield Electric Light and Power Service.

# NATIONAL FARMER'S UNION INSURANCE

Leslie R. Fields-Agency Manager

backed by years of dedicated service and reliability are just two reasons why Farmer's Union Insurance is known as one of the leading insurance companies in the South. Most people are more apt to place their trust in a company with this kind of reputation and when they find out that Leslie R. Fields is the local agent for the National Farmer's Union Insurance...that's about all they need to know!

## Sound Town

Leona Waldrip  
Call 998-4496

Willa Smith and her mother in law attended her mother's funeral last weekend.

Six members of Tahoka Rebekah Lodge attended Friendship Night with Berta H. Porter Lodge in Lamesa on Tuesday. A Mexican food supper preceded the regular lodge hour.

Other visitors attended from Brownfield and Lamesa #90 Lodge. Those who went from Tahoka were Louise Wyatt, Hannah Nordyke, Evelyn Burr, Leona Waldrip, Willie Childress, and Iline McMillan.

Mr. and Mrs. Bert Sice attended a Baptist Association meeting in Levelland on Thursday night.

Miss Beatrice Loyd spent Monday through Saturday visiting her sisters in Lubbock and Levelland.

Mr. and Mrs. Jacky Johnson and daughter of Fort Stockton visited in the home of his brother, Mr. and Mrs. Morris Johnson, this weekend.

They attended church services at First Baptist Church on Sunday morning.

Gary Paul and Tara Ford of Lubbock visited on Sunday with their grandparents, the J. L. Fords.

Betty Williams of Lubbock visited her mother, Faye Thayer, on Friday and on Monday afternoon. Mrs. Thayer's nephew and wife, Mr. and Mrs. Ray Eldridge of Hereford, visited with her.

Mrs. Margaret Nash has been released from Lynn County Hospital and is spending a few days with a daughter in Lubbock.

Mrs. Ora Curry entered Methodist Hospital Monday where she will undergo surgery to remove the pin in her leg that was used when her leg was broken several months ago. She expects to be there only a few days.

Rebekah Lodge has the pecans ordered and shipment will arrive shortly. Regular customers should contact a member and reserve an order. The pecans sell quickly and members do not wish to miss those who regularly buy from them.

COTTON INDUSTRY LEADERS, left to right, Dan Martin, Wayne Huffaker, Jimmy Bragg, and Roy Stephens, all of Tahoka, examine "Natural Blend" permanent-press shirts that offer consumers more cotton comfort. Now being marketed by 13 leading firms, the shirts were developed by Cotton Incorporated with grower dollar-a-bale funds. The shirts contain at least 60 percent cotton instead of the 35 percent they did a year or so ago. This development, the growers point out, is building markets and profits for growers and giving consumers a better product.

## Need For Increased Research And Promotion Stressed By National Cotton Council Recently

The vital need for cotton producers to maintain and build momentum for their fiber in the marketplace through increased research and promotion was stressed at a meeting here today.

Presiding was Lloyd Cline, Lamesa producer. He explained the meeting was one of a series being arranged by the National Cotton Council to discuss cotton's research and promotion needs and opportunities and a proposal to meet those needs.

Details of the proposal were explained by Producers L. C. Unfred, Tahoka, and Donnell Echols, Lamesa.

"Under the proposal, producer assessment for research and promotion would be increased by four-tenths of one percent of the gross sales price of each bale of cotton, beginning with the 1977 crop," Echols stated. "This would be in addition to the current \$1 per bale."

He added that after 1977 the supplemental assessment could be increased in increments up to one percent on the recommendation of the Cotton Board and the Secretary of Agriculture.

"The Cotton Board has made it very plain, however, that this would be done only after an in-depth study showed conclusively that the program was being conducted with maximum effectiveness, that its effectiveness could be increased only with additional financing, and that producers themselves indicated an overwhelming sentiment for an increase," Echols stated.

He further explained that all other aspects of the program remain virtually unchanged, including the right for any producer to obtain a refund.

The speaker stated that testimony at recent U.S. Department of Agriculture hearings across the Belt indicated strong producer support for the proposal.

He added that the enabling legislation calls for a referendum in which producers would vote on increasing the assessment.

He explained that in 1975 producers of synthetic fibers spent \$230 million in fiber research compared with \$5.4 million by growers through Cotton Incorporated (CI). The odds in fiber advertising ran \$60 million versus \$3.4 million for cotton.

Pointing out that inflation has hurt cotton's research and promotion effort, he said the \$1 per bale approved by growers in the 1966 referendum will buy only 60 cents worth of these tools today. In addition, supplemental government funds now have been eliminated.

Cited as areas where "we can expect to get more for our money" were the following:

- 1. Increased textile research in durable press, fire retardance, and knits;
- 2. Agricultural research in specific problem areas, such as byssinosis and pest management;
- 3. Stepped-up fabric development and fashion support to keep mills thinking about cotton and higher cotton blends;
- 4. Much heavier merchandising and advertising support to increase consumer demand; and
- 5. More work in the international field to increase exports.

It was emphasized that in most areas, additional funds will go directly into programs since CI already has an efficient and professional staff in place. A film depicting how the CI staff is conducting the current program from its New York and Raleigh offices was shown. Additional details on a number of the activities were presented by members of

additional volume markets. The staff explained that success in this project was achieved through a total marketing approach—fabric development, mill contacts, fashion design, merchandising and advertising.

Another example cited was the producer-financed effort to increase the percentage of cotton—and thus its market share—in broadcloth, oxford, and other lightweight fabrics.

CI staff members reported that as a result of these efforts, six mills and converters now are producing "Natural Blend" shirting fabrics. Thirteen prominent shirt brands are using the fabric which must contain at least 60 percent cotton. The next step is to change blend levels in

Texas farmers and ranchers have had too few friends in Washington in recent years. Now, it's time to support a friend who's fought for us, Senator Lloyd Bentsen.

**Beef Price Ceiling.** Bentsen opposed Nixon's beef price ceiling, successfully fought for exemption for Texas cattle buyers and voted against controls.

**Grains and Oilseeds.** Bentsen vocally opposed the Administration's export embargo and introduced legislation to create a process to avoid the controls in the future.

**Beef and Dairy Imports.** Bentsen has repeatedly called for restrictions on the increasing imports of beef and dairy products and has introduced legislation to reduce imports.

**Cotton.** Bentsen has supported higher loan and target prices, strongly opposed cotton export controls and stood up against the payment limitations.

**Agricultural Research.** Bentsen launched a two-year effort to reverse the decline in Ag research funding and is credited with an \$11 million increase.

**Federal Land Use Planning.** Bentsen is fighting against the bill his Republican opponent has authored—the Steelman-Udall Land Use Planning Act.

**Federal Permits.** Bentsen fought to protect farmers and ranchers from bureaucratic red tape in making ponds and landfills.

**Personal Experience.** Bentsen understands the problems of the farmer and rancher; he has personally engaged in row crop, cattle and citrus production.

**Let's keep our Democrat in the U.S. Senate. Vote for the winning combination... Texas and Lloyd Bentsen.**

## Vicissitudes In Schools Are Aired For Rotarians

BY FRANK HILL

Vast changes in our schools of today, not all for improvement, were emphasized in a thought-provoking and sometimes humorous talk at the Rotary Club last Thursday by Mrs. Mary Brecheen, former teacher, a parent, school board member, Chamber of Commerce secretary, and Lynn County News editor.

The speaker expressed fond memories of her days attending a small rural school in comparing the educational process of a few years ago with our present-day schools and the problems of schools, teachers, students, and communities in trying to meet the demands of the new trends.

Today, she emphasized, the local school district has so little control of the educational process because it is harassed and humiliated by regulations of Federal officials of Health, Education and Welfare Department, State and Federal laws, and Texas Department of Education.

guidance in the home, too much TV, and filthy literature.

H. B. McCord, Jr. arranged the program and introduced the speaker.

President Gerald Huffaker announced the annual Rotary-Teacher banquet held Monday night of this week, the Lubbock Inter-City Rotary meeting this Thursday night, and the upcoming Rotary Institute in Plainview on Thursday of next week.

Huffaker also revealed the club made a profit of \$937.00 on the sale of sausage during the Harvest Festival, \$300 of which went to pay for the band at the street dance and the remainder will be used on other Rotary community projects.

## Absentee Voting Good To October 29

Lynn County Clerk's office states that absentee ballots may be cast until October 29th for the November 2nd General Election.

The number of registered voters in the county is 4,368.

WINNERS OF THE GOLDEN ARROW AWARDS were those who had been most creative in making their costumes.

Teachers had originally planned to present only eight awards, but could not limit it to so few.

## Marla Jones Is Honored At FHA Meeting

Marla Jones, a freshman in Tahoka High and the daughter of Mr. and Mrs. Dwain Jones, was named "High Point Girl of the Month" for September and was presented a rose at a recent meeting of the group.

She is an active member of FHA, some of her activities including work in the concession stand, selling candy, and attending Daddy-Date Night. The activities earned her 131 points for the month.

## Wilson Seniors Stage Drama On October 30

A melodrama is an old-fashioned, exaggerated, sentimental farce--and that's what the Senior Class of Wilson will display on October 30 at 7:30 in the Wilson High School Auditorium.

The Angel of Wilson, or "How Much Good Can a Good Girl Do If a Good Girl Can Do Good?" is an original and wacky farce with the standard villain, heroine, and hero plus an assortment of characters that will never be in any award-winning play! The cast is a large one, 19, with a crew of seven others to assist with tickets and stage management. Cost for this family fun night is \$1.50 for adults, \$1.00 for high school students, 75 cents for elementary students, and a special ticket for \$5.00 for any family of five or more.

The plot (or what there is of it) goes like this: Jonquil Joyful who is adorable is also faced with the problem of paying the mortgage on the family farm near Wilson. She has a sister, Jasmine, and a brother, Juniper, but the three of them have no

solution to the problem. Their parents have been missing since they were all babies, and up to now, they have managed to make payments. Banker Spiro T. Skinflint has come for his money--what is Jonquil to do? Neighbor Obie Sure and farmhand Ellwood can't help for they are in an intoxicated condition with Juniper after having discovered apple cider in the cellar. And what does the Avon Lady or the FFA boy selling magazines have to do with all this?

**Parents Of Tahoka 4th Graders Will Be "Student-For-A-Day"**

Fourth-grade teachers in Tahoka are interested in having the parents as well as the child.

To accomplish that, it will be necessary for the parent to go to school and those who have made the necessary arrangements for the day will mean some work sacrificed, but the child looks something

like this:

**Tuesday, October 26**  
**Miss Earthman's Room**  
 8:20 - School begins  
 8:40 - 10:25 - Language Arts and Music  
 10:25 - 10:55 - Physical Education

**Miss Jones' Room**  
 11:00 - 11:40 - Reading  
 11:40 - 12:20 - Lunch (Either bring your lunch or pay

\$1.00 for a meal in the cafeteria. You need to stay for lunch.)

**Thursday, October 28**  
**Mrs. Carter's Room**  
 12:20 - 1:00 - Science and Health  
 1:00 - 1:50 - Math  
 1:50 - 2:10 - Recess  
 2:10 - 2:53 - Art

Parents are reminded that they should dress comfortably and that younger brothers and sisters cannot be accommodated. One parent should come in the morning and one in the afternoon.

Teachers stress that it is an opportunity to learn firsthand about a child's life at school.

The Lynn County Pioneer Club is now open daily, Monday through Friday, and a telephone was installed recently--998-5264.

Mrs. Myrtle Lovelady and Mrs. Anna Bell Stice are the Green Thumb workers on duty. The center is in need of a sewing machine and a vacuum cleaner.

At the regular meeting on Friday, L. D. Howell, second vice-president, presided in the absence of Mrs. Teddie Kelley. Several regulars were out of town and the attendance was down.

The club's regular luncheon meeting will be Friday, November 5th.

**Art Association Will Meet On October 26**

Lynn County Art Association will hold its regular monthly meeting next Tuesday, October 26, at 7:30 p.m. in the Reddy Room of Southwestern Public Service Company in Tahoka, Mrs. Stewart Rice announces.

All members are urged to attend and anyone else interested is invited to the meeting.

**Special Thanks Due SWPS, Firemen**

The Harvest Festival Committee owes its gratitude to members of the Fire Department who gave of their time and equipment the day of the Festival and to Southwestern Public Service for use of their Reddy Room. All planning sessions were held in the Reddy Room.

**Sherry Etheredge Says**

Here are a few tips to follow when you purchase potatoes:

\*Most potatoes marketed are U.S. No. 1 grade and are often labeled both as to grade and size. U.S. No. 1 potatoes must be firm, fairly clean and of good shape. Defects should not materially affect their appearance or eating quality.

\*Avoid potatoes with large cuts or bruises. This generally means waste when peeling.

\*Avoid potatoes with green discoloration; this blemish is caused by sunburn or exposure to light in the store.

\*Avoid potatoes that show any signs of decay.

\*Avoid sprouted or shriveled potatoes.

There's lots of good eating in the potatoes coming to market now. Shop carefully, but wisely, and don't let a day pass without including some potatoes in your menus. They're nutritious and low in calories when served without high-calorie toppings.

A different way with potatoes is to use them in your biscuits.

**Potato Biscuits**  
 1 medium potato, peeled and cooked  
 3/4 cup flour  
 1 tablespoon baking powder

1 teaspoon salt  
 1 tablespoon diet margarine  
 6 tablespoons skim milk  
 1. Put potato through ricer or mash. Set aside.  
 2. In large bowl, stir together flour, baking powder and salt. With pastry cutter or 2 knives used scissor-fashion, cut in mar-

garine.  
 3. Stir in potato, then milk, blending lightly with fork.  
 4. Spoon into twelve mounds on non-stick cookie sheet. Bake at 400 degrees for 15 to 20 minutes or until golden brown.  
 Makes 12 biscuits, about 40 calories each.
