The Spectator ...

Gladys Stokes was the kind of individual commanded the respect of people in a community. She was a business woman who competed in a man's world, for the most part; however, she was a woman in the strictest sense of the word. I did not know her viewpoints on the women's liberation movement, but having watched her over the years, I am sure that she would have sacrificed her principles even in a world where she was as successful as her business peers of the opposite sex.

Nothing of voter apathy has been kicked up for some time and I am encouraged to think that at least in Tahoka, there is a glimmer of hope.

Melvin Burks' high school civics students are calling each registered voter in the three precincts--just to remind the person to go and to offer his or her assistance in any way possible to the polls, baby sitting, etc. The young Americans are doing their duty and it is to be gracious to them and let them do it if the need is there. Any person needing assistance may call Mrs. Burks at her home or at 788-1111.

Keeping with that trend of thinking, I might add a more choice morsel on which to cogitate. In case you plan to be one of the apathetic non-voters on Election Day, be aware of this and don't say you weren't informed.

One vote (yours, brother) can make a difference. Texas has 26 electoral votes and they are divided. The candidate who gets the most electoral votes (mine, yours, your neighbor's) gets those electoral votes. A candidate must have 270 electoral votes to be elected. Even if Candidate X gets one more vote than Candidate Y, in Texas, he gets all 26 of the electoral votes. I might add that Texas is one of the key states because of its large number of electoral votes.

Alternative? Should no candidate receive 270 electoral votes, then the House of Representatives chooses from the three getting the most popular votes and names a President. And you know, of course, that the Congress is controlled by Democrats and guess who the President would be? To vote next Tuesday!

It seems as though everybody (that's anybody, of course) has his own personal grievance these days. It just appears to me that unless you have been wronged in some way (either by the school, the Governor's office, the loan company, or your neighbor's dog), you really are not very high on the social ladder.

Have you been feeling discriminated against because you don't have a grievance--you know, it's a feeling of wearing hand-me-downs or not having a car on the way up and down Main; you understand the feeling--pure neglect.

However, I now have me a grievance--two of them. It's a matter of fact. You can't believe how much more "in the groove" it makes me feel! Number One Grievance, why are the models in store windows always slim, trim and with their hair so neat? Couldn't that be remedied as discrimination against those of us who have a middle-age spread and need a little help?

Number Two, why do weiners come in packages of ten and the hot dog buns in packages of 12? Why can't they get together on this? I say it's a calculated discriminatory act against me. I talked it around a great deal and those folks who like to complain more than I do tell me the way to get action is to talk enough that I become known as a woman who has nothing on her mind except weiners and weiners. They may have a point.

Farmers Need Dry Weather

Cotton Harvest Gets Underway In Lynn County

In what is considered an early start, Lynn County ginneries say their ginning season is "off and running." A check with Tahoka gins on Monday of this week showed more than a thousand bales of cotton had been ginned.

Random checks with county gins indicate that the harvest is off to a good start. Gins in the area of less hail damage to cotton totaling more bales ginned than others.

Woolam Gin at O'Donnell reported 610 bales ginned by Monday and the report was that the yield is much greater than had been expected earlier.

For the most part, the gins over the county are reporting extra good yields and in many cases, where a grade report was available, the report was very good, according to ginneries.

Gins in the northern part of the county say farmers are just beginning to bring their cotton in.

Dry weather will contribute greatly to the harvest operation.

Area Students To Have Break This Friday

Public school students in the 17-county District XVII of Texas State Teachers Association will enjoy a holiday on October 29 when approximately 5,000 teachers and school administrators gather in Lubbock for the ninth Annual Convention of District XVII.

Dr. Charles L. Allen, pastor of Houston's First United Methodist Church, will be principal speaker at the morning session which begins at 9:30 in Lubbock Municipal Coliseum. Mrs. Ben McGregor, Jr., president of District XVII teachers and a teacher at Frenship High School, will preside.

The House of Delegates for the convention will convene Thursday evening, October 28, at Coronado High School, the business session to follow a banquet at 6:30.

Voters Advised Re Importance Of Water Amendments In The Election

On November 2nd, Texas voters will go to the polls to decide two constitutional amendments of importance to cities throughout the State. These are the only proposed amendments that will appear on the ballot.

Local people, including city administrator Ray Mason, are emphasizing the importance of the two amendments, as is noticed in an advertisement elsewhere in this edition of *The News*.

Tahoka Band Launches Sale Of Light Bulbs

The Tahoka Junior and Senior High School Band will conduct a fund-raising campaign starting on Thursday, October 28 when they will be taking orders for a variety of Westinghouse lightbulb packages at less than factory list price.

The money received from this campaign will be used for the band's portion of the cost of new uniforms and the cost of a spring contest trip. In order that this goal may be reached, the entire community's support is needed.

Band members will be calling at each home, giving the resident an opportunity to order one or more packages of the lightbulbs. A family pack contains eight 125-watt bulbs; four 60-watt; two 75-watt; and two 100-watt bulbs. Also, a 150-watt outdoor floodlight and a package of three 3-way lightbulbs will be offered.

Lynco CB Club Elects Five Directors

The Lynco CB Club, at its regular meeting on October 19, elected a board of directors consisting of Ernest Walker, Retha Dunn, Jimmy McMillan, Dewey Riddle, and Jimmy McCullough.

The club also voted to sponsor a girl scout in a local troop.

It was decided to have the Christmas party on December 14 at the Community Center. All members and prospective members are invited.

The November 16 meeting will be at 7:30 p.m. at the Community Center. All members and prospective members are invited.

Lynn County 4-H, FFA Youngsters Show Prize Winners At State Fair In Dallas

Nine FFA members and seven 4-H Club members from the County took pigs to the State Fair in Dallas October 18-23.

Jayson Knox, Reggie House, Randy Meeks, and Richard Cranford, FFA members from Tahoka, were not able to attend the Show, but provided show animals.

Members attending were Johnny Antu, Doug Barham, Bill Cranford, Alan Curry, Rance House, Bert Short, Darryl Stotts, and Gordon Tomlinson, all of Tahoka; and Timmy Trotter of Wilson.

City Police Investigate Accident; DWI Offense

At 12:50 a.m. on Saturday of last week, Tahoka police were summoned to investigate an accident involving a pickup truck at the Rim Rock Grocery in south Tahoka.

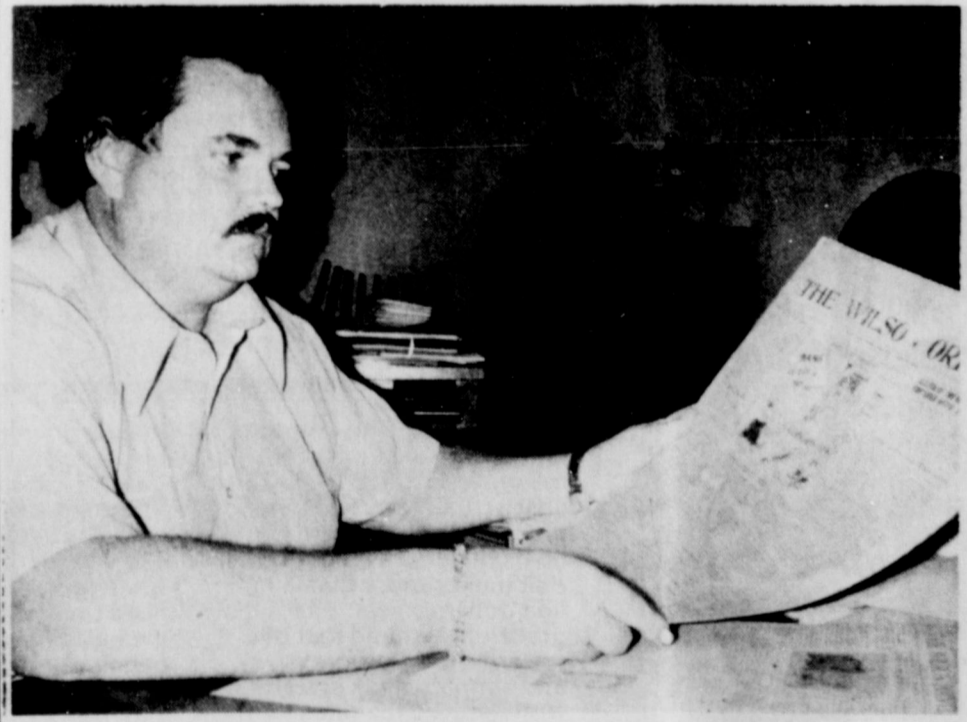

Danny Paris was driver of the '76 model vehicle which hit the pedestrian ramp leading to the grocery store. The vehicle was northbound on Avenue J.

Wayne Farr and Scott Stevens were passengers in the Paris vehicle.

Robert Vega was arrested at his residence in the 1900 block of South Second after he evaded city police at another location. The arrest occurred at 1:14 a.m. on Monday, October 25.

Vega, 33, was charged with driving while intoxicated. Officer Charles Isbell investigated the accident on Saturday and made the Vega arrest on Monday morning.

Abbe's 'Yen' For Antiques Matches 'Ken' For Computers

ROBERT ABBE, JR. admires one of the old Wilson newspapers he has acquired for his collection of antiques. The one he is holding is entitled *The Wilson Orphan*, dateline April 25, 1924. In the background is one of the first file cabinets owned by Lynn County.

Robert Abbe, Jr., a Tahoka accountant, is in the know on 1976 tax procedures and 1924 current events in Wilson, the acquisition of both not being easily attained.

His vocation demands constant study to stay abreast of the latest accounting methods and his avocation calls for a better-than-the-average ken (knowledge) of local folklore. His office is filled with objects that whet the

appetite of any antique buff and in that collection are copies of two Wilson newspapers, one entitled "A School Commencement Edition of The Wilson Pointer" dated May 16, 1924 and another, "The Wilson Orphan," dated April 25 of that year.

One entry of particular interest to him is the biographical sketch of the late Lynn West in the Commencement Edition--"Lynn West, president of the class...is that person you hear so much about, but

seldom see, a model student and gentleman...English is where Lynn shines. He does not care much about Spanish, but solid geometry appeals to him, we know--he has never cut morning periods willingly."

And then there's the article in *The Wilson Orphan* headed "Does Wilson Need a Moving Picture Show?" ...some of our prominent citizens have advanced the idea that there should be some form of high class amusement here for our young people."

A ROLL-TOP DESK, bought second-hand by the late E. I. Hill in 1902, is part of the decor in Abbe's office in Tahoka. On top of the desk are an old posting machine, gum dispenser, candy jar, butter churn, and an antique typewriter.

Abbe owns the roll-top desk which was purchased in 1902, second hand, by the late E. I. Hill, a former owner and publisher of *The Lynn County News* and father of Frank Hill of Tahoka.

Another item of interest is a four-drawer file cabinet, believed to be one of the first used in the Lynn County courthouse.

The list is endless--a Victrola formerly owned by Winston Davies at New Home. When asked if it still

played, Abbe's reply was "Yes, and it has a storage place for my mother's collection of Caruso, Paul Whiteman, and Bob Wills 78 rpm records."

There is a posting machine made by the Dalton Company which merged with Remington in 1923; a Woodstock typewriter, models which are no longer made; a wheel talfan from an old wooden windmill--on and on he goes and where he stops, nobody knows.

This love for antiques is a family thing. He and his

wife, the former Reda Lehman of Wilson, share an interest in obtaining and renovating old furniture and his brother, Donnie, wrote his masters thesis on the history of Lynn County.

Abbe's parents are Mr. and Mrs. Robert Abbe, Sr. of Tahoka and his younger sister, Barbara, is a Texas Tech student.

In the event he becomes carried away by the past, he has a two-year-old daughter, Loretta, who promises to keep his thinking in check with the times.

Danny Moore, Clifford Bailey Tally 13 Points; Bulldogs Lose To Roosevelt

The Roosevelt Eagles put another feather in their nest Friday night when they left the Bulldogs behind, 28-13. The Eagle record is 4-4, compared to the Bulldogs' 2-5.

Danny Moore ran 103 yards for 6 points on the first scrimmage of play in Friday night's game. The PAT was no good. In that same quarter, the Roosevelt team logged 14 points, one TD from the 1-yard line, the PAT good and another from the six. PAT good on that one also.

The second quarter TD for the Bulldogs was made by Clifford Bailey with a 47-yard run. PAT was not good. The Eagles moved their score to 21 with a 1-yard plunge and a successful PAT.

The Eagles hit pay dirt again in the third period with a 3-yard TD. PAT good.

Bailey was the leading Bulldog rusher with 161 yards in 19 carries. Randy Meeks was high-point tackle man with 22.

Tahoka had 10 first downs, Roosevelt 18. Roosevelt gained 323 yards.

Tahoka 405.

The Bulldogs will host Cooper this Friday night at 7:30, following an open date for the Cooper Pirates last week.

Eagles Lose In Non-District Anton Game

The score between the O'Donnell Eagles and the Anton Bulldogs was 6-6 at halftime, but the Bulldogs came back to win 27-6.

Arthur Garza put the Eagles on the board on the first play from scrimmage when he ran 77 yards for a touchdown. In the second quarter, Anton's Alvarado made a 6-yard run.

In the third quarter, Anton scored again with a 6-yard run by quarterback Zane Butler and the try for two points was good as Butler passed to Timmy Belcher.

In the final quarter, Anton scored two times, once on a 1-yard plunge by Steve Green and once on a 39-yard pass from Butler to Belcher. Timms kicked the extra point.

Hatchett, Brooks, Calvillo Log 3 TDs For Tahoka's JV Team

The Tahoka Junior Varsity team monopolized the scoring in the October 21st game with Roosevelt-until the third quarter when Roosevelt got on the board with 16 points, adding another 8 in the fourth period, to steal the victory from Tahoka.

In the first period, Jerry Hatchett and Roddy Brooks made connection with a Brooks 58-yard pass, Hatchett going in for a TD. The extra point kick failed.

In the second quarter, the Bulldogs went out front with Brooks' 12-yard run. PAT no good.

Business picked up in the third quarter with an 80-yard kickoff return and a 3-yard pass for 2 points for the Eagles, followed by a 90-yard kickoff return and a good 3-yard pass, to bring their tally to 16 points. Johnny Calvillo ran six yards for a Tahoka TD, making the score 18-16 in the Bulldogs' favor.

A 4-yard Roosevelt run with a successful 3-yard extra ran the scoreboard to 24 points for them.

Hatchett rushed for 250 yards, Calvillo 75. Britt Dockery led the roster in tackles.

Tahoka had 10 first downs and Roosevelt had 8.

scored again until after halftime.

The Dawson quarterback scored for the Dragons and Rodd Nieman, New Home Leopard, scored from the 1-yard line with 1:07 left in the third quarter. Both PATs failed. However, New Home tallied 13 more points that quarter with runs by Raul Villarreal.

Dawson's Kitchens scored from the 1-yard line in the fourth quarter, making the score 19-12, in favor of the Leopards.

Dawson dropped to a 1-2 district record.

Paul Hernandez, a C. Wilke to Mikey Ramirez pass, and a field goal by Senior Philip Bednarz. Trevino finished the scoring with less than 4 minutes to go.

As for turnovers, Wilson came up with seven from the plucky but outmanned Klondike crew. C. Wilke had two interceptions, Freshman David Weaver had 1, and Hernandez had 1. Wilson also recovered a fumble courtesy of Weaver and Trevino and Freshman Quitten Talkmitt latched onto one loose football. Trevino had 19 tackles and Senior Mark Brieger had 12.

Next week's contest with New Home will be the biggest game of the season for Wilson and their foe as the winner will probably be king of the hill in District 3-B West. Coach Charles Seagler says his troops are ready to prove their unity as a team though a virus did some early-week damage to several of his starters.

In the opening period of the game between Tahoka Freshmen and the Roosevelt Freshmen, Clifford Oages returned the opening kickoff and ran 100 yards for a Bulldog TD. Ricky Chapa ran for the extra points, making the score 8-0.

Oages threw a touchdown pass of 59 yards to Chapa in the second quarter. Bryan Harston connected with Brad White for the 2-point conversion—score, 16-8 in the Bulldogs' favor.

It was Oages again in the 3rd quarter on a 45-yard TD. QB Harston added the extra points for a 24-8 third-quarter score.

Roosevelt scored 8 points in the fourth quarter, but not enough to keep their 2-year winning record.

Tahoka gained 347 yards, 166 of those belonging to Oages. The Bulldogs had 15 first downs and Roosevelt had 9.

Wilson Whips Klondike In Friday Game

Winless Klondike could do little against the Wilson Mustangs Friday night, October 22, as the area's No. 1 ranked Class B team stampeded to a 64-0 victory. This district contest sent Wilson to a 3-0 record in District 3-B West and 8-0 for the season.

Senior Wes Wilke scored the first 4 Wilson TDs on scrambles from the 1, 33, 14, and 4, finishing the game with 130 yards on 15 carries. Senior Carlton Henderson booted the first of 4 PATs and later passed to Soph Calvin Wilke for the 2nd PAT. Henderson ran for another Wilson tally while Soph Lucio Trevino scored with only 16 seconds left in the half. Other scores included a run by Freshman

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability. Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans. Today's inflation rate of 6% is higher than it was at any time between the Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history. Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American. Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country that makes less than \$10,000 a year actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

JOSEPHINE SANCHEZ AND SANTANA DURAN
Miss Sanchez, Mr. Duran Will Exchange Vows On October 30

Mr. and Mrs. Amancio Sanchez announce the engagement and subsequent marriage of their daughter, Maria Josephina, Santana L. Duran on Saturday, October 30, at three o'clock in St. Jude Catholic Church in Tahoka. Mrs. Julia Duran is the groom's mother. Miss Sanchez is a manager trainee at Payless Store in Lubbock and is a 1972 graduate of Tahoka High School. The prospective bridegroom is employed at King Builders in Lubbock and is also a 1972 graduate of Tahoka High.

From the TAP Kitchen

IT'S A NIGHT FOR WITCHES AND GOBLINS—Halloween means dressing up in colorful costumes, trick-or-treating and parties. The Texas Department of Agriculture home economist suggests serving a snack of Witches' Orange Brew and Honey-Dipped Potato Doughnuts, topped with chopped peanuts or pecans. They'll be a favorite with kids of all ages.

ORANGE WITCH'S BREW

- 6 cups (1-1/2 qts.) apple cider
- 1 (6 oz.) frozen orange juice concentrate
- 1 tsp. whole cloves
- 1 pkg. orange drink mix (24 oz., makes 2 qts.)
- 6 inches broken cinnamon sticks

Put cider, orange juice and orange mix into a percolator. Put cloves and cinnamon sticks in the basket and let perk. Serve hot or cold. For cold punch, chill with ice and add one 10-ounce bottle ginger ale. Yield: 10 servings.

BUTTERED HONEY GLAZE

- 6 Tbsp. sugar
- 3/4 cup honey
- 3 Tbsp. butter
- 2 cups chopped pecans or peanuts

Combine all ingredients and boil. Dip doughnuts into glaze, then cover with 2 cups of chopped pecans or peanuts. Any leftover glaze may be served with pancakes or French toast. Yield: approximately 1 cup of glaze.

For additional recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

HONEY-DIPPED POTATO DOUGHNUTS

- 4 cups sifted flour
- 3 tsp. baking powder
- 2 tsp. salt
- 2-1/2 tsp. ground nutmeg
- 1/4 tsp. soda
- 2 large eggs, well beaten
- 1 1/2 cups sugar
- 1/4 cup melted shortening
- 1 cup mashed potatoes
- 1 Tbsp. grated lemon peel
- 1/3 cup buttermilk

Sift flour, baking powder, salt, nutmeg and soda together. Beat the eggs with 1-1/4 cups sugar and shortening; stir in potatoes and lemon peel. Add flour mixture alternately with buttermilk. Turn out onto a lightly floured board and roll to 1/4-inch thickness. Cut with a doughnut cutter. Drop 4 or 5 doughnuts at a time into deep fat heated to 350 degrees. Cook until doughnuts rise to the surface, turning to brown both sides, then drain on absorbent paper. Coat doughnuts with Buttered Honey Glaze, then roll in chopped nuts. Yield: 3 dozen doughnuts.

unexpectitus

You've never heard of it? Well, sooner or later it gets us all.

It usually happens when you're totally unprepared. The TV goes on the fritz. The neighbor's kid hits a home run through the glass door to the patio. Or the lawn mower decides it just can't cut it any more.

That's when unexpectitus gets you right in the pocket book.

But there is a cure. It's called money. So, you've got to make sure you always have some close by. The way to do that is to open a savings account with us. Put a little in every month. And make a habit of it.

Then, when unexpectitus strikes, you've got a way of relieving a lot of the pain in a hurry.

ALAN NETTLES

New Home homecoming activities will begin Thursday, October 28, with a pep rally and bonfire at 7:30 p.m. On Friday, the 29th, the annual parade will begin at 2:30 p.m., consisting of twelve floats and other units. A short spontaneous pep rally will follow in the high school parking lot. The ex-students banquet will be from 5:30 to 7:00 p.m. in the school cafeteria. Flora Dell Nowlin will be the featured speaker at which time she will give her typical, humorous account of the activities of the three honored classes—1955, 1957, and 1958. The reception for ex-students will be in the cafeteria following the 7:30 conference tilt between the New Home Leopards and the Wilson Mustangs. At halftime of the game, the Homecoming Queen and Football King will be crowned. Candidates for Queen are Rhonda Huddleston, senior, daughter of Mr. and Mrs. Lloyd Huddleston; Judi Clem, senior, daughter of Mr. and Mrs. Bobby Clem; and Geneise Tillman, senior, daughter of Mr. and Mrs. T. C. Tillman. Lynna Poer, junior, and daughter of Mr. and Mrs. Wayne Poer, will be one of the attendants.

Cotton Prices Steady To Higher

Trading of new-crop cotton was slow to inactive due to the small amount harvested and classed, Dickson said. Predominant qualities for this week's classing were Grade 41 at 44 percent and Grade 42, 21 percent. Predominant staple lengths were Staple 30 accounting for 18 percent; Staple 31, 41 percent and Staple 32 at 23 percent. Mike readings 3.5 through 4.9 amounted to 88 percent of the total.

Wilson Five Make TV Appearance

Tuesday, October 26, five Wilson seniors went to KMCC-TV, Channel 28 in Lubbock, to present cuttings from their melodrama, *The Angel of Wilson*. The five were Cheryl Wilke, Vicki Kubacak, Philip Bednarz, Ricky Rice, accompanied by their sponsor, Mrs. Judy Womack. Co-sponsor for the Senior Class is Mrs. Elaine Seagler. The group appeared on the TTO Show with Bill McAlister and Bernie Howell. Wilson's Senior Play, an annual event, will be presented at 7:30 on October 30 in the Wilson High School auditorium. A large cast and crew involves all of the 26 seniors at Wilson and the melodrama will be especially good family entertainment, dropping local jokes and familiar names throughout the dialogue. Any area residents will get an enjoyable evening for a moderate price: \$1.00 for students, 75 cents for elementary children, \$1.50 for adults, and \$5 for any family of five or more.

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future. During the past two years, the middle class has paid far too dear a price for a President lacking that ability. Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans. Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon. The 1968 food dollar is now worth 57¢. Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history. Real GNP has actually declined during each of Gerald Ford's two years in office. And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American. Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."
Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."
Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."
Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."
Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."
Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Vote for JIMMY CARTER. A leader, for a change.

Fluoride Treatments Aiding Cancer Patients

A simple preventive fluoride procedure now makes it possible for cancer patients receiving radiation treatments to the head and neck area to avoid many serious dental problems that until several years ago were inevitable. According to Dr. Thomas E. Daly, an associate clinical

dental surgeon at M. D. Anderson Hospital, "While radiation treatments can be very effective in destroying head and neck cancers, they often create numerous dental complications resulting from damage to the saliva glands in or near the field of treatments.

"In the normal mouth," explains Dr. Daly, "saliva serves the important function of removing food particles that lead to plaque and eventual cavities."

For the patient who receives radiation treatment near the salivary glands, damage to the glands is often

permanent and results in an extremely dry mouth. Without proper care, rampant tooth decay and acute sensitivity of the teeth are ever-present complications.

To offset these harmful side effects, Dr. Daly and fellow researchers began in 1966 to explore the use of flexible mouthguards which could be coated daily with a near neutral, 1% sodium fluoride on all surfaces of the teeth.

The results were impressive. The risk of developing cavities was virtually eliminated for patients who once would have lost most of their teeth to rapid decay. Of those patients who were not part of the fluoride treat-

ment program, only about a third remained free of cavities, says Dr. Daly.

Today the preventive program is used by all patients at M. D. Anderson who undergo radiation treatments that will involve dental structures or salivary glands. In cancer centers throughout the country the procedure is gaining recognition and enables thousands of cancer patients to protect their teeth and maintain good oral hygiene.

The protective regimen actually begins at the start of radiation therapy, explains Dr. Daly. Working together, the radiation therapist, dentist and patient's physician evaluate radiation dosage, length

of therapy and where radiation will be directed. planning the dental program for each patient.

In many cases, dental work is done before radiation treatment to avoid expected complications before it arises.

Each patient in the program, he says, receives a plastic mouthguard made from impressions of the teeth. The mouthguard is much like the one as any Texas high school ball player would wear. It fits comfortably around the teeth.

The Veterans Administration provides education and training for more than 1 million persons annually.

MRS. LONNIE PAUL DONALD
nee Connie Gickhorn

**Gickhorn-Donald Vows Are
changed In Wilson Church**

Connie Dale Gickhorn became the bride of Paul Donald in a 6:30 ceremony on October 27 at the St. Paul Lutheran Church in Wilson.

Reverend Oscar Sealy, semi-retired minister and the Rev. Richard Rist, pastor of St. Paul Lutheran Church officiated at the wedding ceremony.

Members of the bride are Mrs. Carl Gickhorn and the groom's father are Mr. and Mrs. Donald of Abilene.

The bride, given in marriage by her father, wore a full-length gown of organza fashioned deep scoop neckline with scalloped Chan-

tylly lace and full-length sheer Bishop sleeves with a narrow cuff of lace. A band of scalloped lace extended down the front of the empire bodice continuing onto the softly gathered A-line skirt and extending around the edge of the skirt. A detachable chapel-length train edged with lace and accented with a Dior bow extended from the back waistline. The headpiece was a matching lace edged chapel-length veil of illusion. She carried a flowing bouquet of white roses.

Debra Wuensche, cousin of the bride from Wilson, was maid of honor and Connie Moerbe of Wolfforth was matron of honor. Bridesmaids were Doris

(Teenie) Behrend, cousin of the bride from Wilson, and Carla Pebsworth of Tahoka.

The bridal attendants wore dresses of pink and burgundy. The skirts were pink crepe and the bodice and sleeves were burgundy crepe overlaid with pink lace. They carried a single pink rose accented with baby's breath and burgundy streamers.

Rusty Polk of Liberty was best man and groomsmen were Jimmy Grisham, Baird; Steve Davis, Lubbock; and Edwin Pebsworth, Tahoka.

Twilla and Randy Talkmitt of Wilson were candlelighters and Tammy Gickhorn, niece of the bride from Wilson, was flower girl. Jay Pebsworth of Tahoka was ring bearer.

Guests were seated by Roger Gickhorn, brother of the bride from Wilson, and Mike Edwards of Tahoka.

Wedding music was provided by Jimmie Gickhorn, the bride's brother, from Wilson, and Mrs. Bob (LaVonne) Spence, also of Wilson. They were accom-

panied at the organ by Mrs. Roy (Sharon) Isham of Wilson.

Immediately following the ceremony, a reception was held in the parish hall at the church.

Mrs. Donald is a 1974 graduate of Wilson High School and her husband is a 1967 graduate of Abilene's Cooper High School and a 1972 graduate of Tarleton State University. The couple are co-owners and general managers of Wilson Lumber and Farm Supply and they will make their new home at Route 1, Wilson.

**Boy Scouts
Invite
New Members**

Boy Scout Troop No. 721 of Tahoka will hold a special "join us" open house on Thursday, October 28, at 7:30 p.m. at the Scout Hut, next door to the police station.

All boys, age 11 to 16, are invited to join in on the fun and adventure of scouting and should bring a parent to the Thursday night meeting.

**New Home
News
By Florence Davies**

The New Home Parent-Teacher Club has a number of projects they will be sponsoring in order to raise money for needed school items.

One project will be a Bazaar to be held in conjunction with the basketball tournament December 2-4. Parents, teachers, and any other interested community member is asked to donate something for the Bazaar.

Items might include any type of craft, plants, aprons, pot holders, Christmas decorations, or Christmas foods. All items except food need to be brought to the New Home Elementary School by November 30th. Baked goods should be brought by December 1st.

The New Home Parents-Teachers Club will be meeting Thursday, November 4th, at 2:45 p.m. at the cafeteria. All parents are encouraged to attend.

Mr. and Mrs. Dennis Haley and boys were in San Antonio for the wedding of her brother, William Vasbinder, and Cindy Kerlich on Saturday, October 9th.

Mr. and Mrs. Kenneth McClung were here last week for funeral services for her uncle, Delmon Strickland, in Ropesville.

Kenneth returned to their home in Sweetwater on Thursday and Von stayed overnight with her parents, Mr. and Mrs. Leroy Nettles.

The Nettles returned her to Sweetwater Friday, returning home Sunday.

Mr. and Mrs. V. P. Haley and the Dennis Haley family drove to Portales, New Mexico to see Hava's father, A. R. Pool, who is in the hospital for treatment of a compound fracture of a vertebra in his back.

William Lee Shockley,

grandson of Mrs. Myrtle Shockley, was ordained in the First Baptist Church in Tarzan Sunday, October 24th and has been called as pastor of the church in Tarzan. A graduate of the New Home High School, William Lee has been associate pastor of the Westview church in Slaton.

Mr. and Mrs. Jerry McNeely, Mr. and Mrs. Bobbie Fillingim, New Home; Mrs. June White, Lubbock; and Mr. and Mrs. Harold Reynolds, Morton, visited their aunt, Mrs. Nettie Blair in Farwell on Sunday, the 24th.

Mr. and Mrs. Wayne Nelson and girls, Marian and Shana, of Hobbs, New Mexico came Saturday to be with his mother, Mrs. L. K. Nelson, and his father, who passed away on Monday of this week.

The New Home Elementary principal, Harley McCasland, and classroom teachers Mrs. Vern Lewis and Mrs. Scooter Sharp attended a three-day workshop at Wichita Falls October 18-21.

Approximately forty districts throughout North Texas were represented, including New Home, Anton, Ropesville, and Littlefield.

The workshop consisted of phase two of the R & R planning cycle where the reading needs assessment were discussed and evaluated.

"Right to Read" is a process to encourage each school to take a critical look at the existing reading program. The process emphasizes a skill development approach, using the needs of one's own district and existing reading material. The only change that R & R attempts is to ask for a total commitment to reading, from the community, school board, superintendent, and school staff.

An advisory board meets once a month to review the

progress and to chart new steps in the planning process. Members are Wendell Morrow, school board member, Russell Howle, superintendent; Lynn Johnson, junior high principal; McCasland; Mrs. Lewis, 4th-grade teacher; Mrs. Sharp, 1st-grade teacher; and Mrs. Inez Smith, junior high teacher.

The New Home Elementary will be using the school year of 1976-77 to assess, evaluate, and plan the '77-78 reading process.

Jerry and Dorothy McNeely fished a few days last week at Lake Hubbard.

A four-day series of revival services began Sunday morning in the New Home Baptist Church with Jackie Lee, pastor of the Barrett Baptist Church in Pampa, preaching. Mitch Turnbow is leading the music.

Mr. and Mrs. Bob Parker and Brenda went to Oklahoma City Saturday to visit their son and brother, Robert Parker and family. They returned home Monday.

**Study Club
Meets With
Mrs. Durham**

Members of Phebe K. Warner Study Club met Tuesday, October 26, in the home of Mrs. K. R. Durham at which time Mrs. David Midkiff, president, presided at the business meeting.

Club members answered roll call with a favorite quote by a President.

Mrs. Maurice Huffaker was in charge of the program which was on the background and platforms of the Presidential and Vice-Presidential candidates.

On Tuesday, November 9, the club members will have a luncheon for senior citizens at the First United Methodist Church. All senior citizens are invited and those who need transportation may call Mrs. James Wells, 998-4373.

The club will sponsor a blood drive at the First United Methodist Church on November 15 and the club will again sponsor the Christmas card project with proceeds going to scholar-

ship funds. A minimum of five dollars will enable participants to have their names listed on the Christmas card ad in The Lynn County News.

Federation counselor, Mrs. Harold Green, reported on the fall board meeting held at Ralls on October 16.

More than 40 million Americans have borne arms in defense of their country, the Veterans Administration reports.

The Veterans Administration medical budget is more than \$4 billion.

AROUND TOWN

By Leona Waldrip

998-4496

Earl Campbell of Plainview passed away on Sunday, October 17, and funeral services were conducted in Apache, Oklahoma on Tuesday, the 19th.

He was an uncle of Walter Lee Smith and the Smiths attended the services.

Leona Waldrip and her niece, Betty Tow of Amarillo; her sister, Leta Brown, and cousin, Eupha Bentley, both of Lubbock, met for lunch in the Gold Room at Hemphill-Wells last Saturday.

Thursday night was Circle

Meeting for I.O.O.F., with Tahoka being the host Lodge. Visitors from Brownfield were present.

Members of Tahoka Rebekah Lodge served supper preceding the meeting and while their meeting was in progress, the Past Noble Grand Club held the October meeting, with Evelyn Burr as hostess. Eight members were present.

Progress is being made on the quilt which will be sold at a later date.

Mr. and Mrs. Charlie Lichey visited with her sister in Big Spring on Sunday.

They were met there by two other sisters and a brother.

Rebekahs announce that the pecans are in! Orders may be called in to any member.

Activities at the Senior Citizens Center last week included making a quilt on Tuesday and Wednesday. A dutch lunch on Wednesday was enjoyed by those who quilted.

A get-acquainted fellowship was held in Fellowship Hall at First Baptist Church after services on Monday night.

Revival services will continue throughout the week, climaxed by a goal of 399 in Sunday School on

October 31st.

Rebekahs announce that the pecans are in! Orders may be called in to any member.

Lubbock Art Sale Will Be November 5-7

The Fifth Annual Lubbock Jaycee-Ette Starving Artist Sale will be held this year on Friday, Saturday, and Sunday, November 5-7, at the former Woolworth Building, southside Monterey Shopping Center at 50th and Gary.

The hours of the sale are 10 a.m. to 8 p.m. Friday and Saturday; 12 to 6 p.m. on Sunday.

Artists from Texas, New Mexico, and Oklahoma have entered the sale and time still remains for artists to enter original works. Art works and crafts range from paintings, pottery, batik, sculpture, needlework, to macrame and jewelry. The monies raised from the sale's commission go back to the community to help local service organizations.

Persons wishing further information may contact Janice Gott at 795-0552 or June Weathersby, 745-2521.

Wilson ISD To Alter Meeting Time Schedule

At the regular meeting of the Board of Education of Wilson Independent School District recently, the date for regular board meetings was changed from the third Tuesday to the second Monday night of each month.

Also, a teacher in-service day scheduled for November 12 was changed to November 15. Students will observe November 15th as a holiday instead of November 12th.

The board entered into contract with Pritchard and Abbott of Fort Worth to appraise mineral and personal property for 1977-78.

In other business, the board decided that Wilson would not participate in any basketball games during the Christmas holidays. Routine bills were approved for payment.

Faith Circle Has Silver Tea On October 25

Faith Circle of the United Methodist Church met Monday, October 25, for a Silver Tea and program.

Mrs. R. M. Stewart, Mrs. A. C. Weaver, and Mrs. Mittie Walker were in charge of decorations and Mrs. V. F. Jones, Mrs. G. M. Stewart, and Mrs. Cap Wharton were in charge of refreshments.

After a social hour, Mrs. Walter Mathis called the meeting to order and introduced Mrs. John Roberts who spoke on the history and mission work in Venezuela. Mrs. Roberts has visited her daughter and son-in-law who are missionaries there; therefore, she had many first-hand things to relate.

At the next meeting, the Circle will begin the study of "The Nation Yet to Be," by James Armstrong. The study will be led by Mrs. Jessie Clinton.

Pythian News

Pythian Sisters met in regular session October 19th with Most Excellent Chief Florine McCracken presiding.

An application for membership was made and a membership drive was discussed.

Clifford Tankersley, District Deputy, made her official visit and read plans for the District Convention to be held here November 13th. She also made her official visit to Lamesa the 12th when nine ladies accompan-

ied her; on Monday night, the 18th, she visited in Lubbock's Temple when five Sisters also visited.

Dorothy Kidwell, Temple Deputy, gave a ritual quiz which was very helpful.

Fourteen ladies were present at the meeting; Dorothy Kidwell and Tiny Lee McNeely were hostesses.

D. R. Proffitts Make Tour Of Southern Area

Mr. and Mrs. D. R. Proffitt have returned home from an 18-day vacation trip

THURSDAY, OCTOBER 21, 1976

through the southern area where they visited Claude Harris, in Tahoka residents, in Tallahassee, Florida, and in Georgia.

They also visited relatives in South Carolina, East Tennessee and Arkansas. Places of special interest enjoyed were the Battleground at Tallahassee, Alabama, Calloway Park in Georgia, Clemson University in South Carolina, the Smokey Mountain National Park.

They reported the colors were beautiful.

WIND IS COMING IN from many quarters that this area is in for a rough winter. This means windy weather ahead. With the windy weather comes blowing dust and all the misery expense associated with it. Now is the time to head off some of the problems of blowing by seeding small grain on turnrows, bar ditches, property lines, terraces, and any areas to severe wind erosion. Interested parties should contact the local Soil Conservation office.

SCS Persons Attend 36th Annual Meet

Lit H. Moore and T. B. Mason, directors of the Lynn County Soil and Water Conservation District, and Eual Davis, District Conservationist, and their wives attended the 36th Annual State Meeting of the SWCD on October 12-14 in McAllen.

The theme of this year's meeting was Resource Manage. Present and Future. Speaking on this theme were Senator Lloyd Bentsen; David A. Witts, attorney and general counsel, Texas and Southwest Cattle Raisers Association; Speaker of the House Bill Clayton; General James Rose, executive director, Texas Water Development Board; and Mel Davis, administrator, SCS, Washington, D.C.

A number of activities were planned for the ladies in conjunction with the meeting.

Sherry Etheredge Says

Your jack-o-lantern can be the springboard for good things from the kitchen, Sherry Etheredge, County Extension agent, says.

To cook the pumpkin, remove all seed and membrane and use a knife to remove the outer skin. Cut into one-inch cubes and cook until tender in a small amount of water. Drain the water and mash the pumpkin.

Pumpkin Muffins, Fancy Pumpkin Pie, and Pumpkin Freeze can all be made with your own fresh pumpkin or with canned pumpkin. And don't forget to roast the seeds for a delicious snack, she added.

Pumpkin Muffins
 1/2 cup vegetable oil
 2 eggs
 1/2 cup water
 1 cup cooked pumpkin
 1 1/2 cups sifted self-rising flour
 1/4 cups sugar
 1/2 teaspoon ground cinnamon

1/2 teaspoon ground nutmeg
 1/2 cup chopped nuts
 1/2 cup raisins
 Preheat oven to 350 degrees F.
 Grease and flour muffin tins. In a large bowl, stir together oil, eggs, water, and pumpkin. Sift together flour, sugar, cinnamon, and nutmeg. Add dry ingredients to first mixture and beat until dry ingredients are moistened thoroughly. Fold in nuts and raisins. Pour into muffin tins and bake for about 30 to 35 minutes at 350 degrees F. Yields 1 1/2 dozen large muffins.

Roasted Pumpkin Seeds
 Preheat oven to 375 degrees F. Put seeds in a pan with a little butter. Place in hot oven and toast until golden brown. When toasted, shake and rub lightly to remove husks. Salt lightly.
 A five-pound pumpkin will yield about six cups of cooked, mashed pumpkin

which can be used in all of the recipes included. Pumpkin can be frozen for later use.

How To Freeze Pumpkin
 Wash, cut into small pieces, remove seeds and peel. Cook until soft in boiling water, pressure cooker, or oven. Mash pulp or put through sieve. Cool by placing pan containing pumpkin over chopped ice and stir pumpkin occasionally. Package and freeze immediately.

Lamesa Man Celebrates His 70th Birthday

Robert Weatherby of Lamesa, father of two Grassland residents, celebrated his 70th birthday last Sunday at which time his four daughters were with him.

Helping him celebrate were his wife, Mable, and four daughters and families: Joyce, Vic, and Stanley Bullard; Vera, Donnie, and Shawn Fairweather, all of Lamesa; Katie, Sheila, Jimmy and Bryan Warren; Mary Lee, Dean, and Cindy Laws, all of Grassland.

K. C. Cogburn also attended the dinner celebration.

The Weatherbys will be celebrating their 47th wedding anniversary on October 30th.

Texas farmers and ranchers have had too few friends in Washington in recent years. Now, it's time to support a friend who's fought for us, Senator Lloyd Bentsen.

Beef Price Ceiling. Bentsen opposed Nixon's beef price ceiling, successfully fought for exemption for Texas cattle buyers and voted against controls.

Grains and Oilseeds. Bentsen vocally opposed the Administration's export embargos and introduced legislation to create a process to avoid the controls in the future.

Beef and Dairy Imports. Bentsen has repeatedly called for restrictions on the increasing imports of beef and dairy products and has introduced legislation to reduce imports.

Cotton. Bentsen has supported higher loan and target prices, strongly opposed cotton export controls and stood up against the payment limitations.

Agricultural Research. Bentsen launched a two-year effort to reverse the decline in Ag research funding and is credited with an \$11 million increase.

Federal Land Use Planning. Bentsen is fighting against the bill his Republican opponent has authored — the Steelman-Udall Land Use Planning Act.

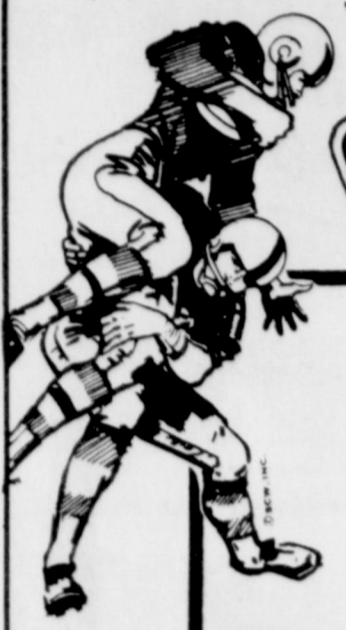

Federal Permits. Bentsen fought to protect farmers and ranchers from bureaucratic red tape in making ponds and landfills.

Personal Experience. Bentsen understands the problems of the farmer and rancher; he has personally engaged in row crop, cattle and citrus production.

Let's keep our Democrat in the U.S. Senate. Vote for the winning combination . . . Texas and Lloyd Bentsen.

you and the LAW
PRESENTED BY THE STATE BAR OF TEXAS

Q: My husband and I have been separated for two years. Our teenage children are living with me. We cannot afford divorce proceedings. Is there any way I can have any property I buy put solely in my name so I can specify my children as the only beneficiaries if I die?

A: State law presumes that property held in the name of either a husband or a wife belongs to both parties until proven otherwise. This is true whether the husband and wife live together or apart.

Q: I've been living in our family home, which became my homestead when my husband died seven years ago. When our last child reaches the age of 18, can I sell the home and keep the proceeds?

A: The husband's one-half interest in a home acquired during marriage passes to his children if he dies without a will. In order for the widow to sell a home in this situation, the children would have to join the widow in the sale, or a court order would have to be obtained to force the sale if one of the owners refused to sell. Each of the owners would be entitled to their proportionate share of the proceeds from sale of the property.

Q: Can a doctor refuse to release the patients personal medical file and all x-rays and test results to a patient or his agent when his services are terminated?

A: In absence of an express agreement to the contrary, the patient's medical file and x-rays are the property of the physician rather than the patient, even though the cost of the x-rays are paid by the patient. Therefore, the patient would have no absolute right outside of the judicial process to the release of his records; however, a physician has an ethical duty to make a patient's records available on request to another physician presently treating the patient.

Q: My husband has a 10-year-old daughter from a previous marriage. She receives social security benefits from her mother's death. If my husband dies without a will, who would be entitled to property he owned before our marriage, who would become guardian of his daughter, and what Social Security benefits could we receive?

A: A husband's separate property, if he dies without a will, passes one-third to the widow and two-thirds to any children, except that the widow has only a life estate in her share of any real property. Grandparents and other blood kin are given first priority in a judge's selection of a guardian for a child whose parents die without appointing a guardian in a will. Social Security benefits to a widow would replace any survivor's benefits for the stepdaughter.

LYNN COUNTY FARMER

Your Vote For President Could Mean

COMPULSORY UNIONISM

Jimmy Carter promises that he will sign any legislation which takes away the State of Texas' Right-to-Work Law.

[Duane] Howell's Cotton Letter

September 20, 1976

There is outrage among California farm leaders. They are angered by Carter's endorsement of a California farm labor legislative proposal of Cesar Chavez's United Farm Workers Union, an AFL-CIO affiliate. Rep. B. F. Sisk, D-Calif., has resigned as California chairman and Western region vice chairman of the Carter farm campaign forces. He quit after the Democratic presidential candidate voiced support for the hotly controversial Chavez-backed program, known as Proposition 14, in a long-distance telephone call to the union's first political endorsements convention earlier this month in Fresno. The proposition, vigorously opposed by all producer organizations, will be on the November ballot in California.

Carter's convention call was amplified over a public address system to about 2,500 UFW members.

Loud applause, almost drowning out his voice, greeted Carter's declaration: "I support the objectives of Proposition 14 to establish for farm workers the permanent right and procedures of collective bargaining, free elections and the right to reach workers whom the unions are trying to organize in the fields. In Spanish, Carter then asked for the union's help in California...CALIFORNIA IS SEEN BY THE AMERICAN FARM BUREAU FEDERATION AS A TESTING GROUND FOR UNIONIZATION OF ALL U.S. AGRICULTURE."

The Taft-Hartley Act of 1947 includes a provision familiarly called "Section 14(b)." It provides that states may enact laws safeguarding the right to work by saying workers may not be required to join a union to get or hold a job, while permitting workers to join unions if they wish. The right-to-work laws simply provide for voluntarism, freedom of choice, an absence of compulsion.

Ideally, the Taft-Hartley Act should as a matter of national policy provide freedom of choice for everyone. Instead, it lets states make that decision. **Twenty states (including Texas) have right-to-work laws.** Thirty do not and their citizens do not have freedom of choice on union membership and may be denied the right to work if a union forces a contract that requires employees to join and pay dues.

Republican Platform

"Union membership as a condition of employment has been regulated by state law under Section 14(b) of the Taft-Hartley Act. This basic right should continue to be determined by the states."

Gerald Ford

"I am vigorously opposed to the repeal of Section 14(b) of the Taft-Hartley Act. I think if a state wishes to have the Right to Work...under our Constitution this is the right that they ought to be able to exercise..." from a Fairchild News Service interview, quoted in the New York Daily News Record, August 17.

Democratic Platform

"We will seek repeal of Section 14(b) of the Taft-Hartley Act, which allows states to legislate the anti-union open shop."

Jimmy Carter

"I think Section 14(b) should be repealed, which would permit the abolition of Right to Work laws, and if the Congress passes such legislation, I'd be glad to sign it," quoted in the AFL-CIO's Memo from COPE, August 2.

EDITORIAL
Lubbock Avalanche-Journal
October 26, 1976

One of the major issues, which not surprisingly Jimmy Carter has played down, has been his controversial stance on Sec. 14-B of the Taft-Hartley Act...The fact is that Texas today enjoys one of the better and brighter economic pictures of all states in the nation. Numerous industries and business firms have moved their operational and headquarters units to Texas because of the favorable climate and the availability of good labor, which earns good wages, incidentally.

This is just one issue among several Texans can use in helping arrive at a decision about whom to vote for next Tuesday.

A vote for President Ford, in effect, will be a vote for the Right-to-Work, a vote for oneself.
