County Says 'Carter, Bentsen, Newton, Yarbrough; Yes To Water Amendments'

## JIMMY CARTER IS APPARENT WINNER

The Spectator...

By Mary Brecheen

It seems that someone asked Jimmy Carter if it were true that he chopped down the peanut tree. He replied, "Well, yes and no."

Who makes speculations fits some sort of the intellectual type, horn-rimmed glasses, a cigar, pencil behind the ear, a cluttered gray-flannel suit, etc., etc.

Don't boast of more than two of those virtues, but I'll try my hand at speculating.

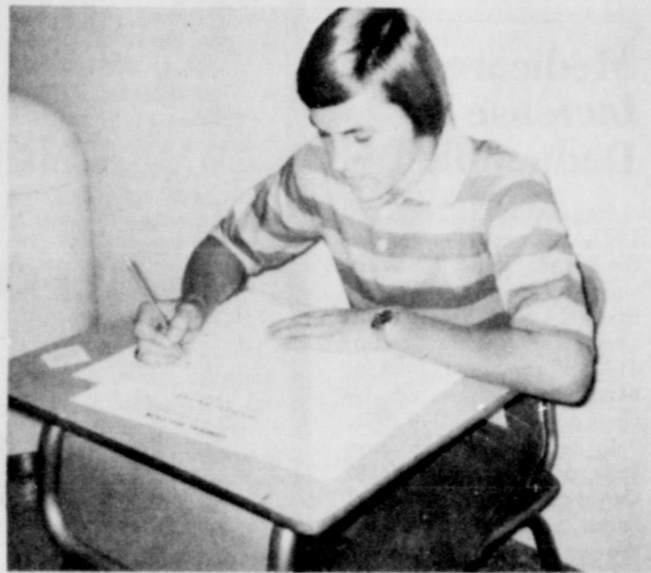

Who in this county, this state, and this nation elected a President who has not faced the world who is totally inexperienced in world affairs and who has shown over and over that he is no more in Rome as the Romans do.

Who has told us that he will sign legislation to repeal the Right-to-Work Law, an invitation to legalize labor that invaded our farms and homes and force laborers to join a union.

Who has told us that he favors a national health care plan, another step toward socialized medicine.

Who says we're tired of uncontrolled government spending, welfare fraud, big-labor control of industry, smooth-talking politicians--and we've elected a President who is going to take us by the hand and lead us into the very situations which we say we are tired of.

Who says we're funny folks.

### Briscoe Reveals Results Of His Study On School District Value

Governor Dolph Briscoe was mandated by HB 1126 to conduct a study of the market value of all school districts in the state and to report his findings on November 1st of this year.

Dr. Edwin Roberson, superintendent of schools at Tahoka, was one of some 4,000 administrators and school tax collectors from the state who heard the Governor's report at the Municipal Auditorium in Austin on Monday of this week.

The Governor's study set Tahoka Independent School District's market value at \$96,332,447, compared to the current \$66,718,138 value.

Also, according to Doctor Roberson, the Governor arrived at an agricultural-use adjusted value of \$71,306,390, both values to be presented to the legislature in January for consideration.

A school's Minimum Foundation Program is presently financed 75 per cent (see Briscoe, p. 5)

When The Lynn County News went to press, it was apparent that Jimmy Carter had won the Presidential election on November 2nd by the narrowest margin in some one hundred years, defeating incumbent Gerald Ford.

In Lynn County a total of 2,778 people voted in ten precincts and absentee. Of that total number, 2,752 voted for a President--1575 for Carter; 1166 for Ford; Anderson, 4; and McCarthy, 7.

In the race for United States Senator, Lynn County cast 1598 votes for winner, incumbent Lloyd Bentsen; 608 for Republican Alan Steelman, and 7 for Pedro Vasquez.

### Festival Workers To Meet

All Harvest Festival Committee members will meet Monday night, November 8th, at 6:30 at Tahoka Cafeteria dining room for a dutch-treat meal.

Members are urged to be present with suggestions for consideration regarding the Festival.

Jon Newton received 1,659 votes in Lynn County and won a place on the Railroad Commission, to 387 for Walter Wendlandt; 43 for Fred Garza; and 1 for Pat O'Reilly.

Don Yarbrough tallied 1198 county votes for a seat on the Texas Supreme Court and did win that position, statewide. Tom Loran received 213 write-in votes; and Sam Houston, 173 write-ins in the county.

Both water amendments were defeated statewide, but approved by a wide majority in the county. Amendment 1 being approved 1551 to 613 and Amendment 2 being approved 1485 to 609.

More than 2800 people voted in Lynn County in the 1952 general election when Adlai Stevenson, Democrat, received 1,769 votes and Republican Dwight Eisenhower, 1352, one of the larger voter turnouts.

Again in 1964, the Democratic candidate received 2281 Lynn County votes, in contrast to Barry Goldwater's 745.

Ironically, in 1972, Richard Nixon got 1766 votes in Lynn County, compared to Democrat George McGovern's 697.

The county has approximately 4,000 registered voters; therefore, some 1300 did not vote in Tuesday's election.

## Area Has Three-Inch Snowfall; Harvest Stopped Temporarily

During four days of wet weather last week, 1.32 inches of precipitation was recorded, including about three inches of snow which fell on Friday, the first measurable October snowfall in Tahoka since 1911.

Mist and light rain fell on Tuesday night amounting to .06 inch, a trace on Wednesday to 7:30 a.m., .60 on Thursday, .59 on Friday, and .11 by Saturday morning. Total for the month of October in Tahoka was 1.87, compared to a normal of 1.83.

This brought the total rainfall for 1976 to 20.67 inches, well above the 47-year annual average of 18.12 inches.

Naturally, the rain and snow delayed all harvest operations and most fields were still too wet this Tuesday for farmers to resume gathering cotton.

Farmers report cotton harvested before the rain is of unusually good quality

and mike, and some reports were received of farmers getting up to 75 cents per pound for cotton sold.

The rains and early October frosts are not believed to have cut the production county-wide by any great amount. With warm sunny weather since Saturday, farmers hope the clear weather continues and they can get back into the fields.

## Halloween Mask Construction Proves A Challenge For Parents Of Fourth Graders

Week brought some things to Tahoka--was a bona fide day in October and parents "played" for a day.

The consensus of was that Tahoka need snow in and parents of graders have a appreciation for children's school-day

Time ago, fourth- teachers, Mrs. Anna and Miss Cynthia and Miss Paula decided that parents better understand children and the school had first-hand of the goings-on at school.

Plans were sent and as a result, some parents visited the three days set for the project.

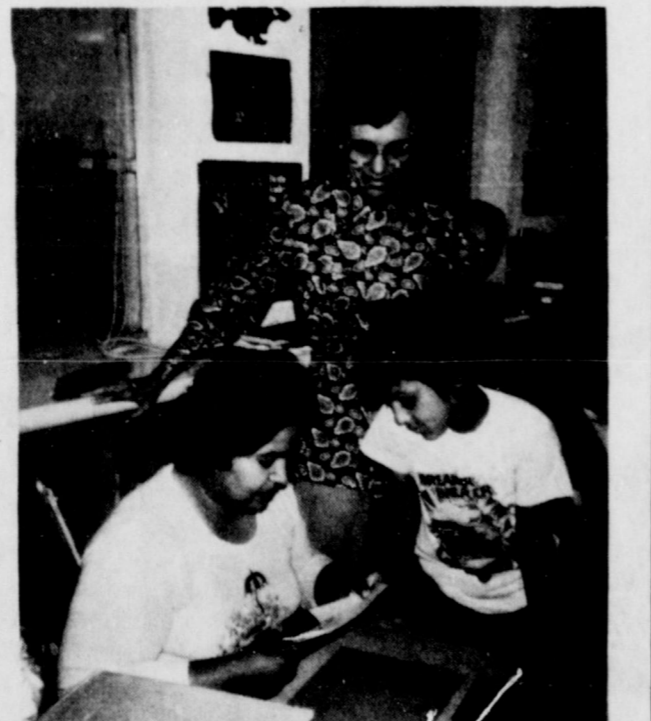

that were special just because parents were invited. Each stressed in the invitation that the day would be very normal--the parent was to do the same work, go through the same routines during physical education, music, and recess periods, and would also eat lunch with the child.

The day was a long one for some parents. Mrs. Guy Witt admitted, "I know now why my child doesn't want to go to Lubbock with me after school!"

Comments were made by parents such as "Teachers are not paid enough," or "I can't get over what kids do at school now."

One mother said, "Giving snack money gets expensive, but I see the need for it now."

Either the routine is more strenuous than that when the parents were fourth graders or Mom and Dad have grown soft because they too welcomed the end of the day.

MRS. ANNA JO CARTER, standing, taught Mrs. Terry Cisneros, seated, when she was a fourth grader and is now teaching her son, Robert. Mrs. Cisneros visited Robert's classroom last week when parents were invited to school for a day.

### McElroy Has Accident On Icy Highway

Ruben McElroy, local farmer, was enroute to Lubbock last Thursday morning when his car hit a spot of ice on an overpass south of Loop 289.

He lost control of the vehicle as it spun into the metal guardrail. He was taken by ambulance to Methodist Hospital in Lubbock and later transferred to Lynn County Hospital where he is still a patient.

### N. E. Wood Injured In Accident

Tuesday morning of this week, Tahoka law enforcement officers investigated an accident involving a vehicle driven by Kent Stone and one driven by Justice of the Peace N. E. Wood, both of Tahoka.

The Wood vehicle was traveling north on Avenue J and Stone was going east on North 4th Street when the collision occurred.

Mr. Wood was taken by ambulance to Lynn County Hospital where he is being treated for minor injuries.

DRAPER shows his dad, John Draper, how to make a mask during fourth-grade parents' day at school in North Elementary.

### Cotton Growers To Learn Of Research And Promotion Plans

Reports on current and projected research and promotion programs in behalf of cotton growers will be presented Friday, November 5th, at a meeting in the Lyntegar Building in Tahoka at 10 a.m.

L. C. Unfred of New Home will preside at the meeting. Staff members of the National Cotton Council and Cotton Incorporated will participate.

The program is expected to detail progress being made through the current dollar-a-bale effort and to outline cotton's research and promotion needs and opportunities. A question and answer period is set to follow the program.

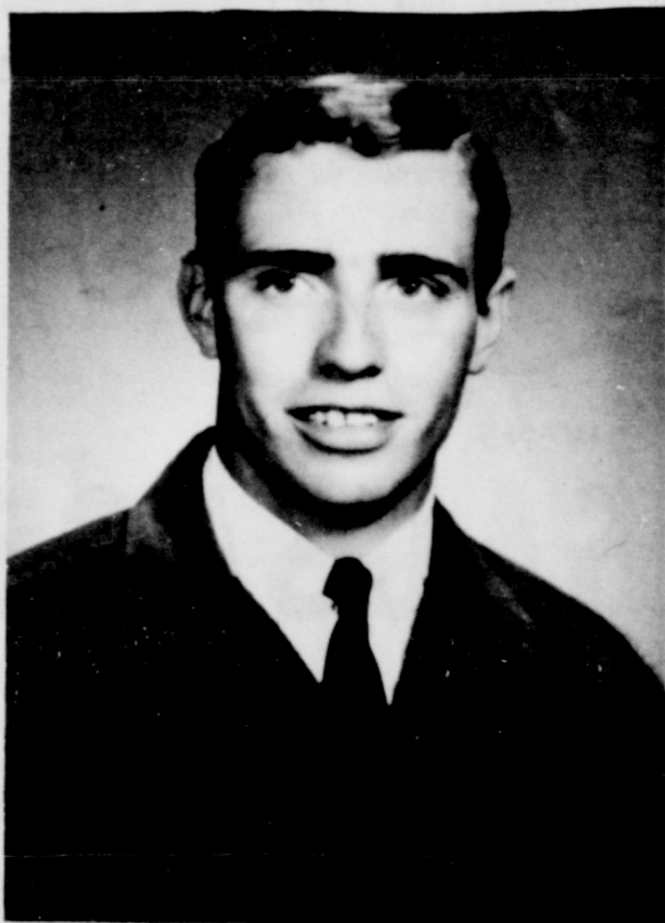

The meeting is one of a series being held across the Cotton Belt to explore issues at stake in the cotton referendum expected to be held late this year on the increased assessment.

Overwhelming support of the need for expanded cotton promotion and research programs was expressed by cotton leaders in recently completed public field hearings conducted by the U.S. Department of Agriculture.

Mr. Unfred explained that producers' programs are getting results, but inflation has eroded the buying power of their \$1-per-bale contribution by more than 40 percent. In addition, federal budget cuts have eliminated supplemental government funding for the programs.

"Cotton is at a big price disadvantage with its major synthetic competitors," he continued, "and we must expand our research and promotion if we are to maintain markets."

Unfred and Robert Warren represent Lynn County on the Board of Directors of Cotton Incorporated.

DR. RICHARD WHITE

### Dr. Richard White Joins Tahoka's Dental Clinic

Richard White, D.D.S., a recent graduate of Baylor University College of Dentistry in Dallas, is now associated with Drs. K. R. Durham and David Midkiff in the dental clinic in Tahoka.

Doctor White, a 1968 honor graduate of Tahoka High School, is the son of Mrs. Billie Embree and the late Martin M. White, Jr. of Tahoka.

He graduated from Texas Tech University in 1972 with a bachelor's degree in zoology. At Tech he was a

member of the Saddle Tramps; Phi Alpha Theta, honorary history fraternity; and Beta Beta Beta, honorary biology fraternity. At Baylor, Doctor White was a member of Delta Sigma Delta Dental Fraternity.

He and the former Miss Karen Sue Pursell, a graduate of Oklahoma State University and Baylor University School of Medical Technology, were married in July of this year. She is a medical technologist at St. Mary's Hospital in Lubbock.

### Phebe K. Warner Club To Host Annual Senior Citizens Lunch

Plans for the annual Senior Citizens Luncheon have been completed and all citizens who have reached the Golden Age of Wisdom are invited to the luncheon on November 9, Tuesday, at 12 o'clock in the Fellowship Hall of the Tahoka First Methodist Church.

Mrs. Elmer Owens, Projects and Finance Chairper-

son, has planned a delightful program of nostalgia, fun and games, and food.

Any person requiring transportation is to call Mrs. Jim Wells, 998-4373, or any club member.

Mrs. David Midkiff is president of Phebe K. Warner Club.

Mr. Sanders' in-laws are Mr. and Mrs. Elmer Rice of Tahoka. A brother-in-law, Stewart Rice, of the Wilson community, attended funeral services also.

## Medicare To Increase Its Deductible

Beginning in January 1977, a person who goes to the hospital under Medicare will be responsible for the first \$124 of his hospital bill. The present deductible of \$104 will remain in effect for Medicare hospital admissions during the rest of 1976.

In announcing the new \$124 deductible, James B. Cardwell, Commissioner of Social Security, noted that the law requires an annual review of hospital costs under Medicare and an adjustment of the portion of the bill for which a Medicare beneficiary is responsible, if these costs have risen substantially. The law provides a formula for determining the amount of any

adjustment in the deductible amount.

Commissioner Cardwell said the increase in the deductible results from continuing increases in hospital costs. He pointed out that hospital costs have been increasing over twice as fast as the overall cost-of-living and said that these inflationary increases in hospital costs are largely responsible for the 19 percent increase in the inpatient hospital deductible.

The hospital deductible amount, the commissioner explained, is intended to make the Medicare beneficiary responsible for expenses approximately equal to the average cost of one day of hospital care. At the present time, the average hospital stay under Medicare costs

about \$1600.

Mr. Cardwell said that when the hospital deductible amount changes, the law requires comparable changes in the dollar amounts that a Medicare beneficiary pays toward a hospital stay of more than 60 days, or a post-hospital extended care stay of more than 20 days.

When a Medicare beneficiary has a hospital stay of more than 60 days, he will pay \$31 a day for the 61st through the 90th day, up from the present \$26 per day. Should a beneficiary wish to draw on his "lifetime reserve" days, the extra 60 hospital days a beneficiary can use when he needs more than 90 days of hospital care in a benefit period, he will pay \$62 for each reserve day used, instead of the present \$52 per day.

If he has a post-hospital stay of over 20 days, skilled nursing facilities will pay \$15.50 per day toward the cost of the day through the 100th day from the present \$15.50 per day.

About 24.7 million persons are covered by Medicare insurance under Medicare in 1977. The number of persons in 1977. The Medicare hospital insurance is expected to increase to \$13.6 billion in 1976 to \$14.6 billion in 1977.

**UNKNOWN DIABETICS ARE STILL OUT THERE!**

Every year, in November, it has become traditional to call attention to the millions of people who have diabetes and are not yet aware of their problem. Most of these people are adults who have no symptoms of the disease and will only have it detected if they take the trouble to be checked.

Diabetes can be a killer if undetected so don't take a chance. Especially if there is a history of the disease in your family. Once detected, diabetes can usually be controlled and you can live a normal life.

## Chapa, Oages Make 26 Points In Tahoka-Cooper Fish Game

BY DARRYL STOTTS

Freshmen beat the Pirates freshmen Thursday. Chapa scored first and run and Clifford scored next on a run. Chapa scored a TD. Tahoka led 14-0 at the first quarter. In the second quarter, Chapa scored a 57-yard TD

pass to Chapa; the PAT was not good. Tahoka led at halftime 20-0. The Bulldogs did not score again until the last quarter when Oages scored on a 7-yard run. The PAT was not good. Ricky Chapa had 161 yards and Oages had 145. Doug Barham had 9 tackles. Tahoka had 407 yards; Cooper had 5.

## Grade Girls Score 46 Points In Recent Powder Puff Game

7th and 8th-grade girls had a powder puff game October 26. The seniors Clint Edwards, Mike Edwards, and Bailey. Coach Barham announced the first quarter, eighth grade Gribble kicked a touchdown, but the eighth grade was soon in the ball. Debby made a good pass to Fowlkes. Amy Port made a touchdown, but called back due to a fumble by

the seventh grade. Porterfield made a successful touchdown; extra points try failed. Lynia Payne (7) caught a pass and gained 10 yards, but the 8th grade recovered on a fumble. QB Suzanne Brooks (8) threw a nice pass to Sandra Womack who carried it 11 yards. The eighth grade fumbled on the next play and 7th grade recovered, but couldn't move the ball. Tammie Kelley (8) received a pass, but in the next play, Payne (7) intercepted a pass.

Womack (8) recovered on a fumble, passed to Gribble for a good run, but Debbie Bailey (7) brought her down. At the beginning of the second quarter, the eighth grade received two extra points on a safety. Gracie Villareal kicked off. Lani Brown made a touchdown and Porterfield made the two extra points. Raejeania House (7) made a good run in the next play and Payne and Bailey made some good drives. Womack made a touchdown and Porterfield made the two extra points. Danette Phillips (7) made a good run.

In the third quarter, Payne kicked off. Brooks caught the ball and gained 25 yards before being downed by Sylvia Espinoza. Villareal intercepted an 8th-grade pass, but in the next play Womack intercepted the ball and made a touchdown and two extra points.

Phillips started the fourth quarter with a good run, but Cathy Meeks brought her down. Porterfield made a touchdown, but again it was called back. Womack ran for a touchdown, successfully, and Porterfield made the two extra points. In the last few minutes, Porterfield made a touchdown, making the final score 46-0 in favor of the eighth grade.

Making the most tackles for the 8th grade were Cathy Meeks and Nora Villareal. Most tackles for 7th grade were Danette Phillips and Gracie Villareal. Outstanding runs for 7th grade were Lynia Payne, Debbie Bailey, Rebecca Garcia, and Raejeania House. Most yards rushing 7th, Lynia Payne; 8th, Amy Porterfield. Cheerleaders for the 7th grade were Jay Fowlkes, Roddy Williams, and Ricky Graves. Twirlers were Donald Webster and Terry Randolph. Coaches were Danny Thompson, Mark Hudlin, and Curt Terry. Coaching the 8th graders were Randall Stotts, Tracy White, Charles Bryson, and Jacky Jolly. Eighth-grade

cheerleaders were Roy Burks, Ronnie Clary, and John Brecheen. Twirlers were Kevin Elmore and Brian Simpson. Eighth-grade girls playing were: Tammie Kelley, Suzanne Brooks, Amy Porterfield, Debby Gwin, Elena DeToro, Maritia Fowlkes, Debbie Jolly, Sandra Womack, Cathy Meeks, Lani Brown, Jamie Caswell, Kim Gribble, Gloria Gutierrez, and Nora Villareal.

Seventh-grade girls were: Denise Ehlers, Lupe Villareal, Johni Caswell, Lynia Payne, Gale Jackson, Debbie Bailey, Perry Dunlap, Danette Phillips, Mary Helen Anchondo, Rebecca Sanchez, Barbara Owens, Tammy Calderon, Raejeania House, Gracie Villareal, Dustie Cook, Sylvia Espinoza, Denise White, Becky Owen, and Josie Alvarado.

## Wilson Buries New Home In Record Season

It took less than 60 seconds for the Wilson Mustangs to take command of their game with New Home Friday night and after the final gun had sounded, the hometown New Homers were on the bottom of a 41-12 score. For Wilson it was one more notch on their undefeated belt, their total now coming to 9-0 for the season and 4-0 in District 3-B West.

First blood was drawn by Senior Quarterback Carlton Henderson who threw a pass to Senior Wes Wilke for a 69-yard TD. Before much more time had passed, Wilke plunged over from the 1 for his 2nd TD. Soph Lucio Trevino rambled 36 yards, and Henderson completed a 6-yard toss to Senior Philip Bednarz for a score. All of this point accumulation took place in the first period. In the second period, Henderson and Bednarz, the Dynamic Duo for this game, scored again on a 9-yard strike which put the game on ice. New Home did tally at this point, but it was too little too late. Final scoring took place in the third quarter when Henderson ran for 7 and New Home made their second score.

It was a spectacular game for Henderson who completed 7 of 8 passes and ran 8 times for 116 yards. Also good games were turned in by Senior Mark Brieger, Vince Garza, Junior Pete Hernandez, and Frosh Paul Hernandez.

Though looking to Forsan who will meet the winner of District 3-B West, Coach Charles Seagler pointed out that the last game of the season for his Mustangs with Dawson was still a point of pride. "Our boys want to do their best no matter if we have district wrapped up or not, so the game with Dawson won't be considered a pushover. Any team that starts thinking that way is in for a big letdown, and they could be beat by a team that's not supposed to win." The Wilson Mustangs want a perfect record to take against the heavier, more Senior-experienced team of Forsan in bi-district; therefore, the game with Dawson will be important to them.

## Shallowater Is Winner In Bout With Eagles

The only score of the 6-0 game last Friday night between the Shallowater Mustangs and the O'Donnell Eagles was a first-quarter run by the Mustangs' Billy Glenn, giving them a 2-7 standing in District 5-A. The Eagles are 3-5.

Glenn carried the ball for Shallowater 41 times for 182 yards. O'Donnell had four attempted passes intercepted by Curtis Lester. O'Donnell is now 0-2 in conference play.

## County Bond Sales Reported By Chairman

August sales of Series E and H United States Savings Bonds in Lynn County were reported by County Bond Chairman F. B. Hegi.

Sales for the eighth-month period totaled \$85,596 for 66 percent of the 1976 sales goal of \$130,000. Texas sales during the month amounted to \$26,412, 532 while sales for the first eight months of 1976 totaled \$188,888,470 with 69 percent of the yearly sales goal of \$272.4 million achieved.

## Parent-Teacher Committee Is Organized For Tahoka School

Faculty members and interested parents in Tahoka met on Monday, October 4th, to consider forming a parent-teacher organization.

The consensus of opinion was that each building should have its own advisory group, if so desired.

North Elementary parents and teachers agreed to form an advisory committee, consisting of Mr. and Mrs. Adolph Chapa, Rev. and Mrs. Johnny Evans, Mr. and Mrs. James Murray, and Mr. and Mrs. Roy Stice. Mrs. Stice will serve as chairman of the group and Clifton Gardner, North Elementary principal, will serve as co-chairman.

One teacher from the fourth, fifth, and sixth grades will be present at each meeting, every six weeks from 3 to 4 p.m. at North Elementary.

According to Mrs. Stice, the committee's purpose is to give parents and teachers opportunity to air school problems and activities openly. Meetings are open to all parents who have children in North Elementary.

Also, says Mrs. Stice, parents who cannot attend a meeting may contact a committee member with his or her problem.

Notice of meeting dates will be published in **The**

Lynn County News a week prior to the time set for a meeting and a report of what transpired at the meetings will also be published.

Mrs. Stice says, "We need the support of parents, for the program to be successful."

## Wilson Band Boosters Will Meet Monday

Wilson Band Boosters will meet Monday, November 8, at 9 a.m. in the Band Hall and those interested in the junior high or high school band are invited to participate in Booster activities.

Booster president Madeline Rice states that the primary function of the organization is to help the bands with money raising and that the main projects for the year are the spaghetti supper, pie supper, and the carnival.

Also, she states, the club makes out the concession stand work schedules, using the names of all parents of junior high and high school students.

In the past, money has been spent for such things as a tuning fork for the bands, payment on the videotape machine, zipper hanging

bags for uniforms, band uniform replacements, band trips, and prizes and decorations for the carnival. Other offices are Barbara Wilke, vice-president, and Wanda Stegemoeller, secretary-treasurer.

## Plains Area Bridge Meet November 23rd

Duplicate bridge players of the South Plains area are expected in Tahoka the night of Tuesday, November 23rd, at 7:50, for American Contract Bridge League's Unit 197 Continent-Wide Charity Game for benefit of the Arthritis Foundation.

At the same time, bridge players over North America will be playing the same computer-dealt hands for master points and for district and national honors.

All local players are invited to get partners and come out to the game which will be held in the Lynteger Co-op meeting room. Player fees are \$2.50 per person, \$1.75 of which will go to research to help find cures for arthritis.

### Cache Of Stolen Items Discovered By Tahoka Police

Law officers, while patrolling the residential area in northwest Tahoka last Wednesday morning between four and five o'clock, saw a suspicious unoccupied car parked near a residence and in a check moments later.

found the vehicle gone from the original location.

Officers proceeded to the downtown area and saw the suspect car traveling west on Highway 380. The car was stopped and checked and officers found one item

known to have been taken in a previous burglary report.

Later that morning reports began coming in to the police department of merchandise stolen in the area under surveillance earlier. Investigation revealed six citizens band radios, guns, and a case of anti-freeze lying next to a fence at a residence in the area.

Radios reported stolen and subsequently found abandoned were owned by Eldon Carroll, Billy Davis, Wayland Craig, Wayne Huffaker, and Fred Martin.

Lubbock officers picked up one of the suspects from the Tahoka lawmen's warrant and as yet, no other suspect has been apprehended.

### Junior High-Lites

BY AMY PORTERFIELD

The Junior High boys played October 28 on a cold night.

They began playing after the freshmen. In the first quarter, Cooper kicked off and within a couple of plays, Johnny Alvarado made a good 65-yard touchdown.

Danny Thompson made a 15-yard run, but it was called back due to illegal procedure. However, Thompson made a good 50-yard touchdown and Mark Hudlin made the two extra points.

In the second quarter, they let Cooper get by with a touchdown in the last 25 seconds, but we pitched in a couple of good tackles. Halftime score was 14-6, our favor.

In the third quarter, Cooper got by with two points, due to a safety.

In the fourth quarter,

Cooper made a touchdown. Later in the game, Cooper kicked off. Hudlin caught it and ran 10 yards. The game ended 14-14.

Tahoka had 297 yards rushing; Cooper had 233. Tahoka had 1 complete pass; Cooper had 0. Tahoka had 1 attempt; Cooper 0. Tahoka had 3 first downs and Cooper had 2. Danny Thompson had the most yards, 198. Johnny Alvarado had the most tackles.

+++  
In the eighth-grade game, Cooper kicked off. Tracy White caught the ball, but he was brought down within ten yards. Now the boys started hustling!

Kurt McMillan made a good run. White made an 11-yard touchdown. Extra points failed. Charles Bryson was making quite a few yards, but he fumbled the ball as it was wet and slick.

Cooper made a touchdown and two extra points.

In the second quarter, Cooper fumbled in the beginning and we got the ball, but we couldn't do much with it. Cooper made a touchdown, but no extra points. They tried for another TD, but McMillan got him down. Halftime score was 12-6, Cooper's favor.

In the third quarter, Cooper pitched in an extra TD, but Tino Chapa and McMillan put in some good tackles.

In the fourth quarter, White made another TD and the two extra points. The game ended 14-20, Cooper's favor.

+++  
The 7th and 8th-grade girls had their Powder Puff game October 26th, eighth grade winning 46-0.

Making the touchdowns and extra points were: Sandra Womack, 3 touchdowns and 2 extra points; Amy Porterfield, two TDs and 6 extra points; Lani Brown, 1 TD. Eighth grade also had a safety.

Both teams played a good "clean" game. We thank the referees, coaches, cheerleaders, and twirlers for both teams and also Coach Graham for doing the announcing.

Tonight our boys will play Frenship there, beginning at 5:00.

### Denise Curry Will Chair 4-H Council

Denise Curry, junior at Tahoka High School, was elected chairman of the Lynn County 4-H Council at the October 20 meeting at the County Extension Office.

Other officers elected are Mike Edwards, vice chairman; Charmi Wood, secretary-treasurer; and Karla James, reporter.

The Council has purchased signs to be erected in Lynn County saying, "Lynn County 4-H Welcomes You."

A 4-H rifle project will be conducted and a person may obtain further information about it at the Extension Office.

The 4-H Food Show will be on November 20 at the Lyntegar Building in Tahoka and the Council operated a concession stand at the pig sale on November 1 and 2 at Tahoka.

### New Home Parents Group Will Meet

The New Home Title I Parents Advisory Committee will meet November 8 at 8 p.m. in the school cafeteria. All parents with children in either the Title I or the migrant program are invited to the meeting.

### Wilson Lions Sponsor Poster Contest

Wilson Lions Club sponsored a poster contest, the purpose of which was to encourage registered voters to exercise their right on November 2nd.

Each class in the Wilson school was asked to make a poster and fourteen posters were submitted to be judged by a committee of Lions appointed by Lion president, Donald Klaus.

First prize of \$25 was given to Kathy Skinner's third graders; second prize of \$15 went to Jane Graham's fifth-grade class; and the \$10 third prize went to Mrs. Pat Roberts' first grade.

Because of the unusually high quality of the posters, three other places were named-fourth place to Mrs. Dorothy Meador's third grade; fifth place to Mrs. Mary Downey's second grade; and sixth place to Donna Woosley's fourth grade.

All posters were displayed in the windows of Wilson businesses.

The Lions Club expresses its gratitude to the faculty and students for their cooperation and participation in the contest.

### New Home News

By Florence Davies

Mr. and Mrs. J. B. Edwards returned home October 26th from a 16-day visit with their son, John Lynn Edwards and family.

They met their new little grand-daughter, 3-month-old Amanda, for the first time and, of course, 5-year-old Scott and Christopher, 2, received their share of attention.

John Lynn has recently begun a new job as a civilian employee of the Alameda Naval Air Station as director of special recreational services.

The Edwards made the trip by plane.

Jack Clements drove to Mangum, Oklahoma Friday for funeral services for a friend, Odie Standefer. Mr. Standefer, 79, died October 26th in the VA Hospital in Oklahoma City and funeral services were in the Greens Funeral Chapel.

Mr. and Mrs. Doug Davis and Valerie were also in Mangum for his grandfather's funeral.

Mr. and Mrs. John Edwards spent last weekend in Canyon with their son, John Dudley, student in West Texas State University.

Mr. and Mrs. Don B. Rudd and son of Andrews spent last weekend here with their parents and other relatives.

Tim Parker of Houston landed in the snowstorm at the airport in Lubbock Wednesday and was met by his parents, Mr. and Mrs. Monroe Parker. He returned to Houston Sunday.

Visitors with Boswell and Margaret Edwards last week were Joe and Lola Boles, Denver, Colorado; Carlos and Don Mac Edwards, Denver City; Wilson and Polly Edwards, McAadoo; Mrs. Velma Godwin and Mrs. Irma Dankiefs, Lubbock.

Mr. William J. (Donna) Fienza of Lubbock was honored with a bridal shower Thursday, October 28th, in the home of Mrs. Clifton Clem.

Mr. and Mrs. Warren Hendon, Stephanie and Derek, and Miss Debbie Thompson of Mangum, Oklahoma spent the weekend here with the Clements family.

Ed Follis, New Home city maintenance man, was taken to Highland Hospital in Lubbock Saturday morning. He was slightly injured in a two-car collision, but was kept in the hospital after it was determined by the doctors that he had suffered a light stroke earlier.

A lullaby shower, honoring Mrs. Harvey Schoppa, was in the homemaking cottage Tuesday, October 28th.

Hot cinnamon punch and Hungarian coffee cake were served from a table covered with a green cloth and centered with a stork and a yellow satin cloud with "Winkin, Blinkin, and Nod." There was also a white lamb with blue, pink, and white flowers.

Hostess gifts were a car seat and a folding umbrella stroller. Several out-of-town guests registered.

Mr. and Mrs. J. W. Edwards spent last weekend in Fort Stockton with their grandson, Jay Kent, and family.

They attended a football game between Fort Stockton and Odessa's Ector High; their grandson, Clint Kent, a junior, played with the Fort Stockton team.

Mrs. Leo Cole was in Silvertown on Wednesday for funeral services for a friend, Mrs. Laveta Norris.

Mrs. Norris died Monday in a Plainview nursing home, and services were in the Assembly of God Church there.

Mrs. John (Neva) McCurdy of Santa Maria, California came Wednesday to be with her sister, Mrs. L. K. Nelson.

The ladies went to Hobbs, New Mexico Saturday with Mrs. Nelson's son, Wayne, who had been here the past two weeks. They returned home Monday.

L. C. Unfred was in Taylor and Austin Thursday for a cotton meeting.

Natalie and Mr. and Mrs. J. P. Unfred accompanied him and they stayed at Lakeway from Tuesday until Friday.

### Denise Jones, Lynn C. Long January 1, 1977 Wedding

Denise Jones and Lynn C. Long announce the imminent and forthcoming marriage of their daughter, Denise, to Lynn C. Long.

The wedding will be on Saturday, January 1, 1977, at three o'clock in the afternoon at the Sweet Street Baptist Church in Tahoka.

Denise's parents are Mr. and Mrs. Frank Long of Tahoka. Lynn's parents are Mr. and Mrs. Lee R. (Tut) Jones of Tahoka.

Denise is a 1976 graduate of Tahoka High School and is employed at Bray Chevrolet in Tahoka. The prospective groom is pastor of the Stoneburg Baptist Church. He is a graduate of Seagraves High School and attended Baptist College in Plainview.

### Sherry Etheredge Says

Who received the preservation Mailout from the Lynn County Extension Office are interested in the results of the mailout of 110 persons. The information and forms returned the results are:

- 1. How much food did you preserve this year?  
1279 pints, 958 quarts.
- 2. How did you acquire food?  
Gift: 23; Own Garden: 23; Bought: 5.
- 3. Total value of preserved food: \$3443.80 (estimate)
- 4. How many did you help? 41. As a result, how much did she preserve?  
Canned: 363 pints, 186 quarts.  
Frozen: 238 pints, 197 quarts.  
Pickles: 10 pints, 10 quarts.  
Jellied: 218 pints, 2 quarts.
- 5. Have you ever had any assistance from county Extension agent before?  
Yes, 21; No, 11.

Many participants expressed appreciation for the mailout series. Approximately one-third returned evaluation forms. The agent sent a certification of completion to each participant; many appreciated this recognition. The mailout series was definitely a success and will be offered again in 1977.

### Faith Circle Begins Study

Faith Circle met Monday, November 1, to begin the study based on the book, "The Nation Yet To Be" by James Armstrong, a South Dakota bishop. The study is being led by Mrs. Jessie Clinton and the next lesson will be on November 8 at 4 p.m.

**BILL GRIFFIN SAYS.....**

**Prussic Acid Poisoning In Livestock**

Frost has occurred in Lynn County and this could lead to prussic acid poisoning in livestock grazing certain pasture grasses and forages. Although many plants contain the toxic material that causes poisoning, those causing the highest mortality in livestock when grazed after they have been frozen and wilted are Johnson and Sudan grasses and sorghum hybrids of these. The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt. Livestock should not be allowed access to the wilted material until it has dried completely. This usually

takes three or four days of good sunlight. New plant growth usually becomes nontoxic and can be grazed within 10 days to two weeks following a rain. As far as prussic acid poisoning is concerned, the poison acts rapidly and can kill animals within minutes. In most acute cases, animals become affected within 10-15 minutes after eating toxic material and can die in two to three minutes. Symptoms may include a brief period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), difficult breathing, and frequent convulsions may result. Death is caused by suffocation since oxygen remains in the blood

and is not exchanged to the tissues. This also causes the blood to appear bright red. To prevent prussic acid poisoning in livestock:

1. Allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight.
2. Feed animals hay or a supplement before turning them in on plants that may contain prussic acid. Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited.
3. Remove all animals from the pasture if one in the herd shows any signs of poisoning.
4. Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians.
5. Have suspect plant material checked by the Texas Veterinary Medical Diagnostic Laboratories at College Station or Amarillo. Local veterinarians will be

happy to submit samples for you. The overall key to preventing prussic acid poisoning in livestock is to be aware of plant materials that may cause poisoning and then to keep cattle from grazing such plants until a safe period has passed.

**Cotton Prices Remain Steady**

Grower contracting prices were steady during the week ending October 29, according to Paul R. Dickson, in charge of the Lubbock Cotton Classing Office. Contract prices for new-crop cotton ranged from 3400 to 3500 points over 1976 loan rates. About 15 percent of the High Plains 1976 crop has been contracted. Trading of new-crop cotton was slow to inactive. Mixed lots of mostly grade 42 staple 31, mikes 3.3 through 4.9 brought 69.75 to 70.75 cents per pound. Predominant qualities for

this week's classing were grade 42 at 32 percent, grade 32 at 21 percent, and grade 41 was 20 percent.

Predominant staple lengths were Staple 30 accounting for 15 percent; Staple 31, 32 percent; and Staple 32 at 28 percent. Mike reading 3.5 through 4.9 amounted to 76 percent of the total. Pressley tests indicated breaking strengths over the Texas High Plains averaged 85,000 pounds per square inch. About 14,800 samples were classed by the Lubbock Cotton Classing Office during the week ending October 29. This season's total stands at 18,800 samples compared with 3900 on the same date a year ago, according to the USDA's Agricultural Marketing Service.

**Wise Named To Dawson Agent's Office**

Joe Ed Wise of Seminole has been named county Extension agent for Dawson County, effective December 1, 1976, according to Billy C. Gunter, district agent for the Texas Agricultural Extension Service, and Dawson County Judge Leslie C. Pratt. Currently the county Extension agent for Gaines County, he assumes that spot in Lamesa which was vacated when Lee Roy Colgan announced his retirement. Colgan stepped down after serving 33 years with the Texas Agricultural Extension Service, including 28 years in Dawson County. Wise, the son of Mr. and Mrs. Joe W. Wise, was born in Brady on November 7, 1946 and was reared in Rockwood in Coleman County where his parents now reside. He graduated from Santa Anna High School and attended San Angelo State University and Howard Payne University. He received the B.S. degree from Texas Tech in 1968 and the M.S. degree in 1974. He has done graduate work at Texas A & M University.

**Rotarians Hear Optimistic Talk By County Agent Bill Griffin**

Lynn County's 1976 gross farm income can reach a record \$58 million, County Agent Bill Griffin declared in a talk before Tahoka Rotary Club Thursday of last week. He also touched briefly on some of the newer strains of cotton and gave some detail on new chemicals which should help in combating insects and weeds in crops. The usually conservative county agent estimates the county will produce at least 130,000 to 140,000 bales of cotton from the 260,000 acres planted of which at least 225,000 will be harvested, not counting some of the acreage destroyed or badly damaged by hail. About 2,000 cotton acres were damaged by hail on July 4, 35,000 acres on August 5, and 20,000 acres on September 27. However, a lot of these acres are being harvested and turning out better than anyone would have thought. Breaking the projected 1976 gross farm income down, he estimates cotton will bring about \$45,000,000, cottonseed \$5,950,000, sorghum \$3,375,000, hay \$500,000, wheat \$400,000, and sunflowers \$1,800,000. From livestock, the income is estimated at \$800,000 from beef cattle, hogs \$375,000, sheep \$35,000, and horses \$90,000. In estimating the cotton crop proceeds, he based his estimate on cotton bringing 64 cents per pound average. On cotton harvested so far, the mike, grade, and staple have been good to excellent. Some cotton was hurt by the early frosts on October 8 and 17, especially in the northwest sector of the county and in other sectors in low places and where cotton was unusually late. Turning to new problems faced by Lynn farmers, Griffin said the boll weevil infestation is growing in the east-southeast and the dreaded insect is moving further west. Nematode damage to cotton plants is prevalent this year in the county, Griffin says. The nematode is a microscopic worm of many species and the one doing damage here is the

Root Knot Nematode. Some cottons are tolerant to nematode, including AP 23, Dunn 120, Lock BXL, Auburn M, McNair 511. In severe infestation, fumigation necessary. In white weeds (Sida Leaf Nightshade) nematode affects the leaves and stems of the weeds. Infected weeds have thickened leaves that stunt the weed and defoliates it in later stages. This nematode does not affect any agricultural crops grown in this area and does not affect other weeds in same family. New chemicals in production include a white weed control produced by Elanco which turns white weeds purple emergence and actual control of the weed. Round-up is an effective control of Johnson grass when applied at boot bloom stage. It is widely in Johnson grass non-cropped fields, ditches, etc. New weeds in the county are Lance Leaf Sage, woody plant native to area and spreading in fields. The Star Weed (Cotton Weed) located in many fields, looks like cotton until grown, same color different shaped leaves. Thron Apple Weed has moved into the county has seed pod and probably be similar to the cockle. An overlay treatment Sandcap, Caparol, Karmex would help control the weeds. H. B. McCord arranged the program introduced the speaker.
