Chamber To Cooperate With Texas Tech

TAHOKA LAUNCHES URBAN PROJECT

The Spectator ...

By Mary Brecheen

... opportunities so "golden" have arisen for individual who has always wanted a chance to ... worth of his opinion than that chance which he ... have, yea momentarily.

TECH STUDENT Jim Delise from Lubbock will be part of the historical research team. He is getting information from Frank Hill, former News editor in Tahoka.

Monday night, January 24, interested citizens in Tahoka met with a class of architectural engineering students in First National Bank community room to officially kick off an urban planning project under the auspices of the Chamber of Commerce, three Texas Tech professors, and thirty-nine University students.

The primary intent of the University and professors is to educate students and through the joint effort with Tahoka residents and civic leaders, the city will gain new insights into various facets of its government, economy, educational and health facilities, etc.

Students attending the Tahoka session on Monday night, as part of their semester's project were from Fort Worth; Hong Kong; El Paso; Lubbock; Richardson; Odessa; Portales, New Mexico; Philadelphia, Pennsylvania; Venezuela; Puerto Rico; and one from Tahoka, Dean Rogers, a 1973 graduate of Tahoka High and son of Mr. and Mrs. Turner Rogers.

The group will consist of twelve research teams who will study the following areas: 1) population trends and composition, health facilities, and housing studies 2) natural and man-made

environments, the group making a land-use and property map for Tahoka 3) social and cultural aspects of Tahoka—educational facilities, recreation, religion, social organizations 4) history—what is precious to Tahoka and what of these things need to be rediscovered, enhanced, and even what may be no longer historically important 5) business, transportation, utilities, and retail sales 6) Tahoka's regional impact 7) political government, revenue capacities, indebtedness, etc. 8) case studies, looking at cities similar to Tahoka, on a comparative basis 9) activities, a study involving a door-to-door survey on all kinds of activities 10) images and perceptions wherein a great deal of photography will be used 11) goals, needs, aspirations—what do Tahoka's citizens want the town to be, and 12) economic activity, a discovery of wealth-creating industries, buying habits, and buying power.

Chamber president H. B. McCord, Jr. expressed the

CHAMBER MEMBERSHIP CHAIRMAN WINSTON WHARTON, right, discusses his goals for Tahoka with Archie Crow, Tech student from Fort Worth.

City Slates Canine Vaccinations Friday

A Lamesa veterinarian will be at the City Hall, in the fire department quarters, in Tahoka from 1 to 6 p.m. on Friday, the 28th, to vaccinate dogs, according to Jack Miller, chief of police.

Because of the recent outbreak of rabies at Del Rio

and because residents of Tahoka have been lax concerning the city regulation pertaining to pets, Miller says that strict measures will be taken henceforth.

City Ordinance 135 pro-

(See Canine, page 2)

City Informs Residents Of Obligations Re Laws

Due to the lax enforcement of ordinances and codes, and failure of citizens to comply with certain ordinances and codes, the City finds it necessary to inform its citizens of their obligations.

When any person wishes to build a new home or building or even add to the present one, it is necessary to check with the City prior to any construction.

Building permits, plumbing permits, and electrical permits must be obtained at City Hall.

A request to build or improve property must also be submitted to City Hall so that the Zoning Board may review the project. The Board will study and review the project and inform the person as to the passing or rejection of such. If the project is rejected, that person may bring the question to the City Council, for the Council will have the final say in the matter.

Any person having a question pertaining to construction or moving of a building should contact Jack Miller, building inspector for the City of Tahoka.

Social Security Representative Sets New Dates

Richard McKeel, new representative of the Social Security Administration, will be at the courthouse in Tahoka on the 2nd and 4th Wednesday mornings each month to assist persons with questions regarding the administering of benefits.

Judge V. F. Jones has emphasized the change in days that the representative will visit Tahoka.

County Vehicle Registration To Begin Tuesday

Lynn County residents may register their vehicles, beginning Tuesday, February 1st, according to George McCracken, county tax assessor-collector.

Registration forms mailed to each vehicle owner from the Highway Department is all that is necessary to register a vehicle.

A person not receiving the

City, School Elections Will Be April 2nd

City and school board elections are scheduled for April 2nd at the Community Center in Tahoka.

The two-year terms of Mayor Meldon Leslie and Councilmen H. B. McCord, Jr. and Ed Hamilton expire this year.

Three places on the school board, all three-year terms, will be filled, those being held by Joe Brooks, Othell Meeks, and Kenneth Turner whose place was vacant after his resignation in June of 1976.

... difficult for me to believe that Tahoka is a "by-word" economically when I consider the number of young people who have come to hang out a shingle here, very recently ... succession of good crops can be expected to ... young farmers, which has certainly been the case, but there are examples in other vocations ... the cuff, I dare say that few towns the size of Tahoka can boast of young men such as Jim ... insurance agent; Jim Wright, attorney; ... dentist, and possibly more that do ... come to mind immediately.

... friend, the Old-Timer, tells me that come to ... of it, a little bit of help only helps a little bit!

Part Of The Past, Plus The Present, Enhances The Future For Tahoka

JIM WRIGHT attorney

Residents of Tahoka and Lynn County have been watching with much anticipation the construction of a new building at Harper and Main.

Those who no longer live in the area will remember the location as that of the Wallace Theater, prior to that the English Theater, and even earlier, the Star. In June of 1975 the building and contents were completely destroyed by fire and until construction began last September, the lot was vacant.

Tahoka's newest building houses the offices of attorney Jim Wright, Tahoka native and 1974 graduate of Texas Tech University Law School.

Wright, son of Mr. and Mrs. Bryan Wright, is a 1963 graduate of Tahoka High School and a '68 graduate of Texas Tech.

From 1968 until 1972, he taught history and government at Richland Hills High School near Fort Worth before returning to Tech for his law degree.

He was associated with a Tyler law firm following his graduation from law school, during which time he also taught some courses at Tyler Junior College.

Unlike the original structure which faced west on Main Street, the new building opens to the south.

It contains three fully furnished offices, counsel room and library, file room, kitchenette, and a large reception area, the entire floor space being just over 2,400 square feet.

The late D. B. English purchased the building, constructed in 1916 or '17 by E. L. Howard, in 1925 and operated a movie theater, the English, therein until he sold it to Wallace Blankenship in the mid-40's. English and his family moved to Tahoka from Lamesa and operated two other theaters, the Ada and the Velta, the Ada being named for Mrs. English and the Velta being named for a daughter, Mrs. Velta Small, both of whom

now reside in Tahoka. According to Attorney Wright, the new building

contains some of the bricks from a wall of the original structure.

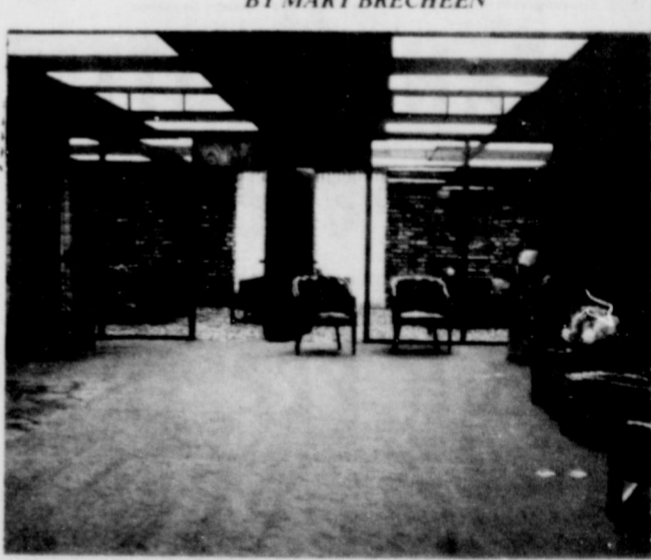

THE NEW BUILDING faces south, on Harper Street.

EVEN THE BACK DOOR, at the east end of the building, is beautifully landscaped.

BY MARY BRECHEEN

LOOKING TO THE WEST, one sees two offices at the end of the reception area.

FLOOR-TO-CEILING WINDOWS grace the west end of the building, on Main Street. Two offices are in the west end of the spacious structure.

LOOKING THROUGH THE FRONT DOOR, a visitor sees brick wall which contains bricks from a wall in the original building.

THE OFFICE TO THE RIGHT of the entry is furnished appropriately to blend with other appointments in the entire building.

Canine

(cont. from page 1)

vides that a dog be kept on a leash or in a pen and that the pet be vaccinated once a year. A veterinarian is in the city two times each year, Miller said.

Owners of pets are subject to fines from ten to one hundred dollars for violating the ordinance.

"In times past, we have given warnings to violators, but the city law enforcement officials will begin issuing citations," Miller warned.

Urban Project

(cont. from page 1)

fact that "Tahoka has everything to gain and nothing to lose" from being a part of the effort. Mayor Mel Leslie emphasized that a study such as this is invaluable to a city in many future endeavors.

Students will begin interviews and surveys by Friday of this week in some instances and plans will gain momentum by next Wednesday. Research and background for the study will be completed by March 4th, the professors say.

One requirement of the in-depth study is that students spend one weekend in homes of Tahoka people. Any person interested in providing accommodations may make arrangements by calling the Chamber of Commerce office in Tahoka.

Attending the session from Tahoka were McCord, Leslie, Carl Reynolds, Winston Wharton, Mr. and Mrs. Jess Gurley, Jay Dee House, Mrs. Mary Brecheen, Harold Roberts, Ben Gwin, Frank Hill, and Mrs. Nadine Dunlap.

County Vehicle

(cont. from page 1)

registration form must bring his title and 1976 registration receipt.

McCracken emphasized that state and county taxes must be paid before February 1st to avoid a penalty.

you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

Q: I've got a cyclone fence along the back of my property, which adjoins an apartment house parking lot. The fence is being pushed down by cars in the apartment complex, and I've written the owner several times. However, the apartment is owned by a large corporation in another city and I can't get them to communicate with me. Can I take steps to get them to repair or replace my fence?

A: If a fence constructed on a homeowner's property is being damaged by an adjoining property owner, the homeowner may sue the neighbor to recover for damages to the property.
Q: If I mail a traffic ticket with a check or money order sufficient to pay the fine for a traffic offense, is this an admission of guilt?

A: Most traffic tickets have a blank where you must sign to enter a plea of guilty. If you desire not to plead guilty, you can mail the ticket without your signature along with the payment of the fine, and a plea of nolo contendere will be entered for you. A plea of nolo contendere, commonly called a "no contest" plea, could become important should a lawsuit be filed as a result of the traffic offense. In a personal injury suit, a plea of guilty in a traffic offense is admissible as evidence to be used in determining who was legally at fault in an accident.

Q: My husband and I are retired and have a 175-acre farm. All of our eight children are married. Neither one of us has a will. When we die, will our children receive all of our property?

A: A surviving spouse would share ownership of the couple's community property with the couple's children after the death of one spouse who left no will. This shared ownership would result because the one-half share of the community property owned by the spouse who died would pass to the children. If the surviving spouse does not remarry or dispose of the land by sale or gift, the remaining one-half ownership would pass to the children at the death of the surviving spouse if no will was left.

Q: We're planning on buying five acres in the country with a house. But we discovered this property is subject to outstanding mineral rights. Because we're buying the property to use as a residence rather than for mineral exploration, we're not concerned that someone else owns this interest. However, we're not sure whether this mineral interest will affect our rights to the property.
A: An outstanding mineral interest may seriously affect the use of property as a residence. The owner of a mineral interest may have the right to enter the property and remove the minerals from around your house in a reasonable manner.

Q: My husband and I are retired and have a 175-acre farm. All of our eight children are married. Neither one of us has a will. When we die, will our children receive all of our property?

A: A surviving spouse would share ownership of the couple's community property with the couple's children after the death of one spouse who left no will. This shared ownership would result because the one-half share of the community property owned by the spouse who died would pass to the children. If the surviving spouse does not remarry or dispose of the land by sale or gift, the remaining one-half ownership would pass to the children at the death of the surviving spouse if no will was left.

A: If a fence constructed on a homeowner's property is being damaged by an adjoining property owner, the homeowner may sue the neighbor to recover for damages to the property.

Q: If I mail a traffic ticket with a check or money order sufficient to pay the fine for a traffic offense, is this an admission of guilt?

A: Most traffic tickets have a blank where you must sign to enter a plea of guilty. If you desire not to plead guilty, you can mail the ticket without your signature along with the payment of the fine, and a plea of nolo contendere will be entered for you. A plea of nolo contendere, commonly called a "no contest" plea, could become important should a lawsuit be filed as a result of the traffic offense. In a personal injury suit, a plea of guilty in a traffic offense is admissible as evidence to be used in determining who was legally at fault in an accident.

A: An outstanding mineral interest may seriously affect the use of property as a residence. The owner of a mineral interest may have the right to enter the property and remove the minerals from around your house in a reasonable manner.

STUDENT OF THE WEEK

ROY SALINAS

Roy Salinas, senior in Tahoka High School, is president of the National Honor Society and has been enrolled in Tahoka schools since first grade.

He is the son of Mr. and Mrs. Marcial Salinas and plans to attend Texas A & M University and major in geology.

YOUR SAFETY I.C.

1. Several synthetic logs, commonly formed of sawdust plus a binder, can be burned at the same time in a fireplace?
 True False

2. A fireplace chimney which draws poorly and occasionally spills smoke into the room is:
A. A nuisance
B. A fire hazard
C. Can be neglected

ANSWERS

1. FALSE. These logs should be burned singly. If two or more are burned piled on top of each other, the overheated binder can cause an explosion.
2. B. A properly designed fireplace which acts this way is telling you it is plugged up with rubbishes, birds nests, goose bricks, etc. It should be examined, cleaned or repaired immediately to avoid filling the house with sparks, smoke or toxic gases.

CANCER ANSWER LINE American Cancer Society
M. D. Anderson Hospital and Tumor Institute

A young woman writes: "My mother died when I was a little girl, and I don't know just what drugs she may have taken during the difficult pregnancy that resulted in my birth. I am afraid that I may be a DES daughter, and may develop cancer because of a drug that she took. What should I do?"
ANSWERline: If you are not already under the care of a gynecologist, a specialist in women's health conditions, please have a checkup and explain your history. Your mother may or may not have taken DES which is an abbreviation for the name of a chemical compound (diethylstilbestrol) that was given to some pregnant women likely to suffer miscarriage. A very small percentage of these women's daughters have developed a form of cancer of the vagina. An annual gynecological examination will uncover any possible suspicious cellular changes in the vaginal area. It is therefore a wise idea to give yourself the protection of professional care.

Tahoka-Slaton Varsity Boys Share Spotlight In First Half Of District Play

BY ROBIN TAYLOR
Danny Moore and David... were leading scorers Friday night, January 21, in the Bulldog varsity... defeated the Roosevelt... 64 to 51, bringing... district record to five... and one loss. The... team tied with Slaton... first place in the first half... district play.

Varsity Boys Champs At Cooper; Girls Lose 58-46

BY ROBIN TAYLOR
On January 18 Tahoka's varsity teams played at Cooper and the Tahoka boys defeated the Pirates 49 to 45. David Graves had 15 points to his credit and Danny Moore put in 12. Earnest Bailey had 10; Clifford Bailey, 8; Randy Meeks, 2; and Jayson Knox, 1.
In the girls' game, Elaine Draper was high-point player with 19 points. Sylvia Salinas had 15; Carmen Garcia, 11; and Jodie Brecheen, 1. Final score was 58-46, Cooper's favor.

Ten Students Are VIP's In Music Field

The 1977 edition of *Who's Who in Music* will carry the names of ten students from Tahoka High School who have been selected as being among the country's most outstanding high school music students.
James Maclaskey, band director and head of the school's nominating committee, and the editors of the annual directory have included the names of these students based on their music ability, academic achievement, service to the community, leadership in extracurricular activities, and future potential.

Students named this year from Tahoka High are Beverly Harvick, Dixie Roberson, Lou Ann McAuley, Carolyn Ash, Donnie Clary, Joe Boles, Jona Valentine, Tammie McKibben, Jamie Gage, and Inola Thomas.

Freshmen Lose One, Win One With Cooper

BY ROBIN TAYLOR
The freshman boys from Tahoka defeated Cooper on January 17 with the close score of 31 to 30 and the girls' score was 25 to 24, Tahoka losing.

Scoring for the boys were Lance Bevers, 12; Clifford Oages, 8; Todd Brown, 4; Ricky Chapa, Brad White, and Alan Curry, 2 each. Brad Hammonds also scored 1 point.
Starrlyn Knox led the girls with 10 points and Suzy Lawson tied with Charlyne Bryson with 8 points each.

Band Students To Perform In Regional Band

Tahoka High School band students Carolyn Ash and Beverly Harvick will be performing with the Texas Music Educators Association All-Region Band on Saturday night, January 29th, at 6:30 in Monterey High School auditorium in Lubbock.

Dixie Roberson will be first alternate on the tenor saxophone.

The students won berths in the All-Region Band when they tried out on January 15 at Lubbock Christian College. Rehearsals are January 27, 28, and 29, according to James Maclaskey, Tahoka band director.

Junior Hi-Lites

BY AMY PORTERFIELD
The junior high basketball teams participated in a tournament at Christ the King in Lubbock last week.

In the first game, the 8th-grade girls played Roosevelt and lost 27-22. Stina Bryson and Amy Porterfield were high-pointers with 8 each. Lani Brown had 6.

The 8th-grade boys won 30-19. Charles Bryson had 13 points, followed by Tracy White with 10; Randall Stotts, 4; Tino Chapa, 2; and Jacky Jolly, 1.

The 7th-grade boys beat Lubbock Christian 34-16. Mark Hudlin had 12; Richard Payne, 8; Danny Thompson, 6; Ricky Graces, 4; Roger Dockery, 4; and Curt Terry, 2.

The 7th-grade girls lost to Shallowater 31-16. Dustie Cook made 8 points, Andra Draper and Debbie Bailey, 4 each.

In the second game, the 8th-grade girls lost 22-12 against Frenship. Stina Bryson, Lani Brown, and Amy Porterfield had 4 points each.

The 8th-grade boys lost 33-22. Tracy White led them with 10 points; Charles Bryson, 7; Randall Stotts, 2; John Brecheen, 2; and Jacky Jolly, 1.

The 7th-grade girls played a good game with Lubbock Christian and won 33-21 for a consolation trophy. Lynia Payne, Debbie Bailey, and Andra Draper split the 33 points with 11 each.

First-string guard Tommy Calderon was named "Most Valuable Player" for Tahoka 7th-grade girls team and also a place on the All-Tournament team.

The 7th-grade boys played Slaton and won 25-21. Mark Hudlin had 11 points; Richard Payne, 10; Curt Terry, 2; and Johnny Alvarado, 2.

In the final game, the 8th-grade boys played Lubbock Christian and won 24-17. Charles Bryson and Randall Stotts had 8 points each; Tracy White, 4; Tino Chapa and Jacky Jolly, 2 each. They won third place.

Charles Bryson was chosen for the All-Tournament team and "Most Valuable Player" for Tahoka.

The 7th-grade boys played a great game against Christ the King and won 58-43. Richard Payne made 16 points; Johnny Alvarado, 14; Mark Hudlin, 10; Curt Terry, 10; Willie Ray Mitchell, Ricky Graves, and Danny Thompson, 2 each. They won first place over all.

Mark Hudlin was picked for "Most Valuable Player" for his team and chosen for the All-Tournament team. Each player who received the special honors received a plaque.

The junior high teams played Slaton on January 24th.

The 7th-grade girls lost 43-15. Andra Draper made 9 points; Lynia Payne, 4; and Debbie Bailey, 2.

The 8th-grade girls lost 28-11. Stina Bryson and Amy Porterfield had 3 points each; Cara Dockery and Sheri Tomlinson had 2 each; and Lani Brown, 1.

Scores for the boys' games were not available at news time; therefore, they will be published next week.

On January 31st, the junior high teams will play Post. Girls' games will be here and boys there.

Yeou-Shinn graduated from Feng-Chia College of Engineering and Business in June 1973 and from 1973 to 1975 was in military service as a military police. In 1976 he worked at a computer center of Ta Tang Company, Taiwan. Coming to America in August 1976, he attended OSU in Stillwater, Oklahoma for one semester and enrolled at Tech for the spring semester.

+++
He has two brothers and two sisters and he is the first of the Lee family to come to the United States.

+++
We found him to be very interesting and anxious to learn of the American customs and religions. We hope and expect to have him visit with us again.

+++
The New Home Baptist Church and the Petty Mission are involved in the "Good News Texas" Campaign.

+++
February 7th is the date set for a giant Texas-size rally in the First Baptist Church in Lubbock.

+++
"Good News Texas" is an unprecedented evangelistic program for sharing the "good news" of God's love with every man, woman, and child in Texas.

Nursing Home Care Revealed To Rotary Club

Tahoka's Colonial Nursing Home and its work with the aged and ill was the subject of a talk at the Rotary Club last Thursday by Mrs. Lois Bishop, administrator.

+++
She outlined briefly procedures for entering, health care, and the personnel. She also showed color slides to illustrate the care given patients in a nursing home.

+++
The local home, she said, currently has 19 employees, four of whom are Licensed Vocational Nurses, and 12 are Nurses' Aides. On last Thursday, the home had 42 patients, one patient in the hospital, and one vacancy.

+++
Jimmy Wright, new attorney in Tahoka who has recently moved into the new office building on Main Street where the old theater was located, was a guest. Wright is the son of Mr. and Mrs. Bryan Wright.

LOCAL NEWS

+++
Al Jolly returned home Friday after spending 24 days in Methodist Hospital.

+++
His family reports that he is feeling well and is glad to be home.

Sherry Etheredge Says

HOW TO FROST CAKES

Be sure the cake is cool. Brush off crumbs and, with kitchen scissors, trim off any crisp edges, if necessary.

+++
Make fluffy frostings just before using. Most uncooked creamy frostings may be made in advance, but cover tightly to prevent a crust forming. If they are refrigerated and become firm, let them warm to room

temperature or stir well removing from the refrigerator so they will soften properly spreading or tending.

+++
Turning a cake over to work makes frosting easier. Place cake on a turn-table, lazy Susan or top of a bowl.

+++
Layer Cake
Place first layer, top side down, on cake plate, with filling or frosting between layers. If filling is soft, spread only to 1/2-inch edge; weigh upper layer will push edge.

+++
Place second layer, top side up, on frosted layer that flat bottoms of the layers face each other. way the top layer do not tend to slide off. Frost of cake thinly to set (so they won't slide) again frost the generously this time, ing frosting up to 1/2-inch ridge above top. Now frost cake swirling frosting or leveling smooth if you like. Do as you wish.

+++
CAKE DECORATION CLASSES
If you are interested in taking cake decoration classes, to be held in Tahoka, or if you have questions concerning classes, call Tommye Nease, 998-4011.

Letter to the Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed and in good taste before it will be published; however, the writer may request that his name be withheld. Letters are not edited as to grammar, punctuation, and spelling.

To the Editor:

I am concerned about our community. I think it is time for all of us to take a look at our community, and try to plan ahead for it.

+++
Some of our people contacted a district manager for a popular Grocery Company, and ask if he wouldn't be interested in starting a store in Tahoka. He remarked "Why in Tahoka when we can get all of Tahoka's business in Lubbock." He finished by saying I can't get interested in people that are not concerned with their own community.

+++
We should be concerned about our Volunteer fire department and commend our boys who work so valiantly to save our home when we have a fire.

Dr. David Midkiff, Cancer Society President, Enumerates Safeguards Against Disease

"Medical science has yet to develop cures for every form of cancer," says Dr. David Midkiff, chairman of the Lynn County Unit of the American Cancer Society, "but there are known ways to help protect yourself against the disease."

Protective steps against key forms of cancer are outlined in the ACS's free leaflet entitled "Safeguards Against Cancer." The can-st layer, together with their protective steps are the following:

Lungs-Do not smoke only to set cancer.

Skin-Avoid over-exposure to the sun.

Breasts-Do monthly self-examination.

Mouth-Your dentist or physician can spot oral cancer.

Uterus-A Pap test once a year can detect most cervical cancer.

Colon-Rectum-Adults over 40 should have regular "procto" exams.

The most important overall step is a regular physical checkup.

Cancer's seven warning signals are any unusual bleeding or discharge, a lump or thickening, a sore that does not heal, change in bowel or bladder habits, hoarseness or cough, indigestion or difficulty in swallowing, and change in size or color of a wart or mole. If a signal lasts longer than two weeks, see your doctor. Early diagnosis and treatment of cancer is of major importance.

"Fighting cancer is a local responsibility and a challenge that every concerned individual should meet," Doctor Midkiff concluded. "Everyone in our community has a stake in the outcome and each has a responsibility to participate in it. The American Cancer Society provides the opportunity."

Agonizing Pain From Ingrown Toenail? Get Outgro For Fast Relief

Outgro gives you fast temporary relief from ingrown toenail pain. Outgro toughens the skin, eases inflammation, reduces swelling without affecting the nail, and promotes the growth of the nail. Ingrown nail pain fast with Outgro.

MRS. MICHAEL EUGENE FRY
...nee Miss Pamela Lynn Zant

Miss Zant, Mr. Fry Are Wed In January 15th Ceremony

Miss Pamela Lynn Zant became the bride of Michael Eugene Fry in a semi-formal ceremony on Saturday, January 15, at 7 p.m. in the College Church of Christ in Paris. Dr. Jimmie Newman, minister of the church, officiated as the couple pledged their double-ring vows.

The bride is the daughter of Mr. and Mrs. Dudley Zant, Route 4, Paris and parents of the groom are Mr. and Mrs. Edd F. Fry of Tulia.

Miss Jamie Craig of Robert Lee, Miss Marsha Jackson of Tyler, Mrs. George Hill, Miss Paula Hill, Bo Creighton, Rick Zant, and Craig Zant, all of Paris, sang selections chosen by the couple. "Follow Me" and "If" were presented prior to the ceremony. The bridesmaids entered to the song "More" and the bride entered to the "Wedding Song, (There Is Love)."

Escorted and given in marriage by her father, the bride wore a gown of white micro-mist over white satin, re-embroidered with lace rose appliques, encrusted with seed pearls. The sheer bishop sleeves, neckline, and skirt featured the lace appliques. The gown was made in the empire style and held a chapel-length train. The bridal veil of sheer nylon tulle flowed gracefully from a Juliette cap covered with tiny seed pearls. The bride carried a bouquet of frenched blue carnations, white starburst mums, and gypsophelia.

Miss Zona Renea Zant of Wilson, cousin of the bride, was maid of honor. Miss Barbara Jeneane Zant, sister of the bride, was bridesmaid. Both attendants wore long gowns of royal blue satin.

Randy Harmon of Tulia served as best man. Tony Douglas of Paris was groomsman. Ushers were John Nash and Kenny Hill, both of Paris, and Steve Crawford of Liberal, Kansas.

Immediately following the ceremony, the bride's parents hosted a reception in the fellowship room of the church building. Members of the houseparty included Miss Vicki Perkins of Dallas, Miss Marsha Jackson of Tyler, Miss Paula Hill of Paris, and Miss Kay Fry of Lubbock, sister of the groom. Also, Mrs. Craig Zant, Mrs. Rick Zant, Mrs. Trent Jones, Mrs. Kenneth Hill, Mrs. Robert Ballard, Mrs. Bill Jones, and Mrs. Bo Creighton, all of Paris, were in the houseparty.

The bride attended New Home public schools before moving to Paris. She is a graduate of Paris High School and Abilene Christian University and is employed in the Continuing Education Division of Paris Junior College.

The groom is a graduate of Tulia High School and attended Lubbock Christian College and the University of Texas at Arlington. He is employed by the United States Department of Agriculture Soil Conservation Service in Paris.

Following a wedding trip to the Gulf Coast, the couple will reside at 1151 24th S.E., Apartment 217, in Paris.

Mr. and Mrs. Edd F. Fry hosted a dinner following the wedding rehearsal, in the fellowship room of the church at which time the couple presented gifts to the wedding party.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

AROUND TOWN

By Leona Waldrip 998-4496

Mrs. Helen Maretz of Comanche was guest of honor at a salad supper and 42 party on Friday night in the home of Mrs. Inez Jenkins.

A former Tahoka resident, Mrs. Maretz visited here for a week with relatives and friends. After getting a message that her mother, Mrs. Lela Reynolds, was a patient in a Comanche hospital, she returned home on Saturday.

Hostess for the Past Noble Grand Club on Thursday night was Mrs. Thelma Dewbre. New officers were elected and will be installed at the next regular meeting in February.

Supper was served at the close of the meeting.

Four persons who have birthdays in the month of January were honored with a birthday party on Wednesday afternoon at the Pioneer Club Building.

Bernice Shepherd, Lillian Lambright, Tinnie Meeks, and Jurlene Payne were presented a gift by members of the club. President Teddie Kelley baked and decorated the cake which was served with pink punch, nuts and mints to the 25 persons attending.

The Draw Home Demonstration Club met in the home of Mrs. Rosebud Watson for its regular meeting on Wednesday afternoon.

After the hostess became ill, members went to the home of Mrs. Willie Thomas to continue the meeting.

The regular noon luncheon meeting of the Pioneer Club was well attended on Friday. Five new members were there.

Dr. and Mrs. K. R. Durham were called to Oklahoma City on Friday by the serious illness of his brother who lives there.

Fourteen people made the

trip to Littlefield on Monday for a tour of the denim plant there.

The group left at 8:30 a.m. and began the tour about ten o'clock, returning to Lubbock for lunch.

The tour was arranged by Sherry Etheredge, county Home Demonstration Agent.

Eight members of the T-Bar Sewing Club met on Thursday afternoon in the home of Mrs. Lottie House on North Main.

The meeting had been postponed for a week because of icy weather.

Mrs. Imogene Gregston and Inez Jenkins visited in Midland over the weekend with Mrs. Gregston's daughter who lives there.

Mary Cunningham visited in Anson during the weekend. Mrs. Jordan's daughter from Littlefield stayed with her while Mary was away.

Study Club Hears Program By Attorney

Harold Green, Tahoka attorney, presented the program to twenty-two members and guests of Phebe K. Warner Study Club at a meeting on Tuesday, January 25, in the home of Mrs. Binie White.

Members answered roll call by suggesting a law which they thought would benefit the nation as a whole.

Green spoke on understanding changing laws, inheritance and estate laws, and the different laws that the modern woman should know.

Club president Mrs. David Midkiff presided at the business meeting.

South Plains Health Systems Schedules Meet

It was announced this week that South Plains Health Systems will hold a public meeting at the Southwestern Public Service Reddy Room on Thursday, January 27th, at 7:30 p.m.

The purpose of the meeting will be to give the people of Lynn County an opportunity to discuss the quality and availability of local health services with members of the health planning team from South Plains Health Systems, a designated health planning agency for the federal government.

Using the information gathered during the meeting here and at similar meetings held throughout the South Plains, the health planning team will formulate a regional plan for improving public access to good health care here on the South Plains.

Local leaders went on to make clear the role of local citizens in the health

planning process: "We must speak up and make known the needs of our area. Otherwise, our community could be overlooked by the regional health services plan. Bearing that in mind, all persons are encouraged to attend that meeting on Thursday night."

If you grow sorghum on sandy soils, it's time you tried Igran.

Because Igran* is the sorghum herbicide that really fits the sandy soil conditions in the South High Plains and South Rolling Plains. And because it fits, Igran is easier to use. There's no guesswork or experimenting with rates. Just follow the label directions. Then watch your sorghum come through clean and healthy. Because Igran controls those tough broadleaf weeds like carelessweed and

annual morningglory. Controls them early, before they have a chance to rob your crop of vital soil moisture and nutrients. Igran. Once you try it, you'll keep on using it. Because now you've got a sorghum herbicide that really fits your sandy soil conditions. Agricultural Division, CIBA-GEIGY Corporation, P.O. Box 11422, Greensboro NC 27409

PROPER FRUIT, NUT VARIETIES KEY TO PRODUCTION

Gardeners planting fruit and nut trees with little attention as to their suitability are in for a rude awakening.

Tane-Nashi and Tamopan Japanese persimmons, Methley and Bruce plums, Mohawk and Cheyenne pecans, Broadview walnuts, Black Spanish and Champ-panel grapes, Brazos and Comanche blackberries, and Celeste and Texas Everbearing figs.

Certain other varieties are adapted to particular areas of the state, including varieties of apples, peaches, sour cherries, apricots, blueberries, strawberries, muscadines and citrus.

'Atlas of Texas'

AUSTIN, Texas (Spl.) - Almost everything you ever wanted to know about Texas—from major hurricanes to local liquor options—is captured in maps and tables in a new edition of the "Atlas of Texas."

The atlas, published by The University of Texas Bureau of Business Research, gives an instant picture of Texas' geography, agriculture, weather, transportation, recreation, manufacturing and mining, and the state's culture and history.

Copies of the publication are \$12 each (plus 60 cents tax) and may be obtained from the Bureau of Business Research.

Farm-facts

A Weekly Report Of Agri-Business News Compiled From Sources Of The TEXAS DEPARTMENT OF AGRICULTURE John C. White, Commissioner

Fewer Gobblers, Onions... More Citrus And Cotton Texas agriculture producers are planning a cutback on turkeys and onions this year.

TURKEY PRODUCTION is expected to be down four per cent this year compared with 1976, the Texas Crop and Livestock Reporting Service indicates.

If growers carry out their intentions, about 8,900,000 heavy breed poulters will be raised compared with 9,300,000 a year ago.

In the 20 major turkey producing states, growers intend to raise one per cent more turkeys this year than last.

Texas ranks fourth in the nation in total turkeys produced. About a fourth of the turkey crop in the state is produced in three counties - McLennan, Hill, and Bell.

IF YOU LIKE ONIONS, this may make you cry. Texas spring onion crop is now estimated at 16,400 acres, and that is 32 per cent below the 24,000 acres harvested last year. It is the smallest acreage since 1966.

Cool temperatures and wet growing conditions have slowed crop development. Harvest is expected to begin around the middle of March.

Wet weather from October through December plagued producers in South Texas, particularly in the Rio Grande Valley.

A SEVEN PER CENT INCREASE in citrus production for Texas this year compared to last year is now forecast, based on Jan. 1 prospects. The crop production is now set at 18,100,000 boxes.

Expected grapefruit production is currently 11,500,000 boxes, up seven per cent from a year ago. The forecast for production of all oranges is 6,600,000 boxes, up six per cent from a year earlier.

Early and mid-season oranges are expected to total 4,200,000 boxes and Valencia prospects total 2,400,000 boxes.

Harvest is behind schedule due to weather conditions. As of the first of the year, about 45 per cent of the early oranges and 20 per cent of the grapefruit had been picked.

THE LATEST UPDATE in cotton production for Texas shows an increase of 889,900 bales from the 1975 crop.

The 1976-77 crop year forecast is 3,250,000 bales, up 250,000 bales from the Dec. 1 forecast.

Planted acres are expected to total 4,800,000, which is ten per cent more than a year ago. A 15 per cent increase in harvested acres compared to a year ago is also indicated.

A significant increase in yield this season compared to the past two years is also expected. Per acre yield is now set at 347 pounds per acre.

Cotton Prices Are Higher

The United States Department of Agriculture's Agricultural Marketing Service reported cotton trading was moderate to slow during the week ending January 21, according to Paul R. Dickson, in charge of the Lubbock Cotton Cladding Office.

The Lubbock Cotton Exchange's Spot Quotations

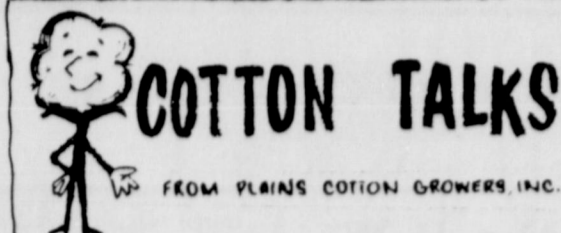

advanced approximately \$12.50 per bale from the previous week. The base price for grade 41, staple 34, mike 3.5 through 4.9 was 61.85 cents on Friday, January 21, up 250 points from the previous Friday.

Cut electric bills

AUSTIN, Texas (Spl.)—If you want to cut your annual electric bill almost in half, don't march on city hall but take some simple steps at home, a University of Texas energy conservation expert advises.

Energy-saving tips offered by Dr. Jerold W. Jones include:

- Increase insulation in the attic to six inches.
-Weather-strip doors and windows, seal structural gaps with caulking, plug air leaks at light switches and electrical outlets.
-Use 60-watt bulbs except in work or reading areas.
-Set thermostats at 68 degrees in winter, 78 in summer.

Good enough to keep, but it can be and should be made better.

That's essentially the verdict handed down on the government cotton program January 18 by the Plains Cotton Growers, Inc. Board of Directors.

The Agriculture and Consumer Protection Act of 1973, of which the program is a part, expires with the 1977 crop. PCG, representing about 20,000 producers in 25 counties surrounding Lubbock, is one of many commodity organizations and other groups across the nation seeking to influence Capitol Hill as a farm law for future years takes shape.

Under the present law the Commodity Credit Corporation loan price on cotton is set at 90 percent of the three-year average price of U.S. cotton in world markets, and the PCG policy says the loan rate should continue to be based on average market prices.

However PCG will be working to "improve the data and procedures under which the loan is calculated..." Officials of the producer organization maintain that USDA has had too much leeway when it figures the average of foreign markets, then applies its own "location and quality" adjustments.

PCG also is asking that the loan be made a more workable marketing tool for producers through lower CCC interest rates, an option to renew loans for at least eight months beyond the present statutory minimum, plus a requirement that the final loan rate for each crop year be announced by November 1 of the preceding year.

Other program improvements called for in the PCG policy include elimination of the inequitable \$20,000 payment limitation, a disaster program administered "in accordance with the intent of Congress," and an end to provisions which perpetuate cotton allotments in areas where cotton is no longer produced.

Points in favor of the current program are included in the opening statement of the PCG policy, which recognizes that under the 1973 Act "... growers have experienced (a) freedom to plant what they can grow and produce most efficiently, (b) new opportunities to avail themselves of market-oriented price opportunities, and (c) an improved image with the Congress and the public which resulted from greatly reduced taxpayer costs."

The sense of the PCG Board's feelings, said Executive Vice President Donald Johnson after the January 18 meeting, "is that the market-oriented philosophy of the 1973 Act should not be abandoned, but that every effort must be made to improve administration of the Act in such a way as to give producers greater protection against weather and market hazards."

MR. AND MRS. JESS GURLEY, center, listen to Dr. Dudley Thompson, Tech professor, explain to his architectural engineering students their role in an analysis of Tahoka's urban projects. Sitting behind the Gurley's, in the center, is Tahoka ex-student Dean Rogers, a member of the engineering class.

PRACTICING PHARMACY IS AN ART

Most prescription drugs are now pre-compounded by the pharmaceutical firms. But, many of them are so potent, have such similar names, that it requires expert knowledge to always be certain we dispense exactly what the physician prescribes.

There are still prescriptions for ointments, lotions, capsules, eye preparations, etc. which require individual compounding. We welcome these prescriptions, even though they take more time to prepare.

A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?

Jack Miller Named To SPAG Criminal Justice Advisory Committee

Tahoka's chief of police Jack Miller was notified recently of his appointment to the South Plains Association of Governments' Criminal Justice Advisory Committee.

Linda Caswell On Dean's List

Linda Caswell, student at West Texas State University in Canyon, is one of 738 students who were named to the Dean's List for the fall semester. Those students had a semester grade point average of 3.25 or higher for a completed semester load of 12 hours. She is the daughter of Noel Caswell of Route 5, Tahoka.

nal Justice Advisory Committee.

The purpose of the Committee is to advise the Association in all matters related to criminal justice and to recommend plans and programs to reduce crime and improve the criminal justice system throughout the region.

Twenty persons, representative of the professional, socio-economic, ethnic, and criminal justice interests in the region, compose the Committee and members are appointed for a three-year term.

Miller was advised of his appointment by Glenn W. Thompson, Cochran County Judge and President of SPAG.

OBITUARIES

Mrs. H. W. Pennington

Funeral services for Mrs. H. W. (Atha Tilford) Pennington were conducted January 24th at First United Methodist Church in Tahoka. Frank Oglesby, pastor, officiated, assisted by Jim Turner, pastor of First Baptist Church.

Mrs. Pennington died January 22nd in Lynn County Hospital.

Burial was in Tahoka Cemetery under the direction of White Funeral Home.

She was born in Clark County, Arkansas December 29, 1883, attended school, and was married there on October 20, 1901. Mr. Pennington died in 1964.

Mrs. Pennington was a member of First United Methodist Church.

She is survived by two sons, Garland and Willis, both of Tahoka; two grandchildren; five great-grandchildren; and three great-great-grandchildren.

Pallbearers were Oran Short, Boyd Smith, Graham Hensley, Elwayne Crowell, Jerry Ford, and J. C. Womack.

Mrs. Prosser

Funeral services for Mrs. Dorothy Prosser, 64, of Lubbock were January 25 in Southern Baptist Church there with Paul Jantzen, associate pastor of Trinity Church, officiating, assisted by Charles Broadhurst, pastor.

Burial was in Resthaven Memorial Park.

Mrs. Prosser died January 22nd at her home.

She is survived by her parents, Mr. and Mrs. Hoyt Gray of Munday; two sisters, Mrs. Wayne Warren of Tahoka and Mrs. Lee Rice, Jr. of Lubbock; and a brother, Bob Gray of Haskell.

Fontaine Reeves

Services for Fontaine Reeves, 67, of Ropesville and formerly of the Lakeview community, were January 22nd in Lubbock's First Baptist Church.

Johnny John, Hereford Baptist pastor, officiated, assisted by Wayne Perry, chaplain of Highland Hospital, and Merle Rogers, pastor of the Ropesville church. Burial was in Ropesville Cemetery.

Reeves died January 20th at Methodist Hospital.

He lived in Ropesville from 1950 to 1962 before moving to Dalhart. He returned to Ropesville six years ago where he was a deacon in the First Baptist Church.

Survivors include his wife, Ollie; two sons, Preston of Ropesville and Mack of Wolforth; two brothers, Roland George, both of Dalhart; three sisters, Mrs. Beatrice Hayes of Rotan, Mrs. Jewel Fincher of Cave Junction, Oregon; and Mrs. Charlotte Brown of Dalhart; and six grandchildren.

Dale Thuren's Father Dies In Illinois

Sherman A. Thuren, about 85, father of Dale Thuren, passed away on January 12 at Sharrard, Illinois after an illness of several weeks. He was a member of the Lutheran Church.

Mr. Thuren visited in Tahoka several times while his son and family lived here.

He is survived by the one son, Dale, and two granddaughters, Sharman and Shannon Thuren. Dale's wife is the former Miss Billie Swafford, daughter of Mrs. Viola Swafford of Tahoka.

Dale came here to farm in the Wells area and, for a number of years, operated a farm store here. While in Tahoka, he was very active in civic affairs.

Introducing

Mr. and Mrs. Jim Doelling of Odessa are the parents of a son, James Trevor, born January 9th.

He weighed seven pounds and thirteen ounces and has a brother, Troy, who is two and a half. His mother is the former Beverly Falls.

Grandparents are Mr. and Mrs. G. H. Doelling of Odessa and Mr. and Mrs. C. J. Falls of Route 1, Meadow.

Miss Wood, Miss McDaniel Are Princesses

Cindy Wood, daughter of Mr. and Mrs. Lyndell Wood of Tahoka, has been named princess of the Tahoka 4-H Club and Melinda McDaniel, daughter of Mr. and Mrs. Jerry McDaniel of O'Donnell will represent the 4-H Club there.

Miss Wood was chosen at the January meeting of the Tahoka club.

Robert Spence Course To Be Offered Here

Brenda Becknell, director of Robert Spence School in Lubbock, is forming a six-week self-improvement course to be taught in Tahoka, classes scheduled to begin March 1st. Registration deadline is February 21st.

Classes will be offered for pre-teens, high school and young adults, and adults who are interested in gaining confidence and poise. Classes will meet one time per week for one and one-half hours.

Additional information may be obtained by contacting Mrs. Nadine Dunlap at 998-5135 or 998-4377.

Area Lung Association To Meet Friday

The annual meeting of the West Texas Area of the American Lung Association of Texas will be at Lubbock's First Christian Church at 7:30 p.m. on January 28. The dinner meeting will be preceded by a reception for members and guests.

Guest speaker will be Danny Rodriguez, director of the School of Respiratory Therapy at South Plains College, whose subject will be "The Right To Die?"

Mrs. Clint Walker of Tahoka will be among those commended for fund-raising activities.

Pythian's Installation Is Friday

Tahoka's Pythian Sisters will have an open installation on Friday, January 28, at 7 p.m. to which the public is invited.

The installation is being held in conjunction with a membership drive.

Mrs. Carroll Hosts Bridge Benefit For Heart Association

Mrs. Eldon Carroll, special events chairman for the American Heart Association, was hostess for a benefit bridge party on Thursday night, January 20, at the T-Bar Country Club.

Winners were Bill Cords, high; Jeanne McCord, second high; and Maxine Lusk, low.

Following the bridge play, door prizes were awarded to Mary Taylor, O'Donnell, a dress donated by the Cinderella Shop; Andra Solomon, pocketbook, donated by First National Bank; overnight case, won by Judy Caswell, ice bucket won by C. R. Burleson of O'Donnell, and table and chairs won by Lottie Jo Walker, the last three prizes having been purchased with trading stamps donated by various individuals.

Total proceeds, to go to the Heart Association, were \$320. The Association expresses its gratitude to all who contributed toward the success of the benefit, especially to those who contributed trading stamps for the purchase of prizes.

Relieves Pain and Itch of Hemorrhoidal Tissues

promptly, temporarily, in many cases. There's a medication which relieves occasional hemorrhoid symptoms within minutes. Then it goes beyond and actually helps shrink the tissue of hemorrhoidal tissues to inflammation. The Preparation H Doctor-tested Preparation H with its exclusive formula America's leading hemorrhoid remedy by far. Ointment, suppositories.

INTRODUCING... Your GIFFORD-HILL Dealer Western Ag Sales Co., Inc.

"The largest retail sales outlet for irrigation products in the central United States with twenty-three offices in Texas, Colorado, Kansas, Oklahoma and Nebraska."

Gifford Hill's 360 Good to the last drop

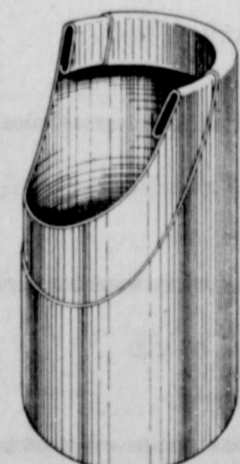

Gifford-Hill's 360 Pivotal Sprinkler System is the most sophisticated system available today. They build in more automation, more control and more plain old durability than you can find in any other system.

Available in Standard, Long Span and Mini-Pivot

Rubber Gasket Joint PVC Irrigation Pipe

The watertight seal has been tested every way possible. It allows the pipe to shift with the earth without breaking the seal. It's available in pressure pipe and LOW HEAD.

FOR EVERY PIECE OF ALUMINUM PIPE GIFFORD-HILL MAKES, THERE'S A MAKE TWO.

Not two pieces of pipe, but two layers of aluminum alloy, permanently bonded together. Gifford Hill's 360 Aluminum pipe has an outer wall of high strength 3004 alloy metallurgically bonded to a tough inner wall.

See Us for a Complete Line of Irrigation Products

Office located at 2224 Marshall Street [across the street from Gifford-Hill] in Lubbock, Texas Phone 806-747-0291

Legal Notice

NOTICE TO BANKS
Notice is hereby given by the Commissioners' Court of Lynn County, Texas that at 10:00 o'clock A.M. on the 14th day of February, A.D. 1977, the same being the first day of the regular February Term of said Court for 1977, the Commissioners' Court will receive bids and enter into a contract with a banking corporation, association, or individual banker in Lynn County for depositing of the public funds of such County and County School Funds in such bank for the next two years. Dated this 25th day of January, A.D. 1977.
s/ V. F. Jones
County Judge, Lynn County, Texas 4-1tc

Let's face it!

TO PROTECT THE UNBORN AND THE NEWBORN

March of Dimes

THIS SPACE CONTRIBUTED BY THE PUBLISHER

Homemade Eggnog

- 6 eggs
- 3/4 pint whipping cream
- 1 1/2 oz. milk
- 1 1/2 oz. rum or brandy flavoring
- 1 c. sugar
- Nutmeg

Separate the egg whites and yolks. Beat the whites until they are stiff, adding 1/2 cup of the sugar. In another bowl, beat the cream until fluffy. In a large mixer bowl, beat the egg yolks until lemon-colored. Add the remaining 1/2 cup of sugar and blend. Keeping the beaters moving slowly, add the milk, flavoring, and 5/8th "spirits", if desired. When these are mixed well, fold in the egg whites and whipped cream. Serve with a shake of nutmeg on top. Serves 10 to 12.

Mystery Vegetable Dip

- 2 c. mayonnaise
- 1 10-oz. package frozen chopped spinach, cooked and drained.
- 1/2 c. chopped green onion
- 1/2 c. chopped fresh parsley
- 1 tsp. salt
- 1 tsp. pepper

Combine ingredients and blend well. Serve with cucumber, carrot, and celery sticks. Makes about 3 cups.

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of Tahoka, Texas will be received at the office of the City Secretary in Tahoka, Texas until 2:00 P.M., C.S.T., February 14, 1977 for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing lighted double tennis court.

Bidders shall submit their bid on the forms attached to the specifications and submit therewith a Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Tahoka, Texas in an amount not less than five per cent (5%) of the largest possible bid submitted on the Project as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within fifteen (15) days after notice of award of contract to him.

The successful Bidder must furnish bonds on the forms attached to the Specifications in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "Unbalanced") unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, Page 91, Chapter 45, (Article No. S159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wage established by the Owner. There must be paid on this project not less than the following prevailing wage rates:

Mechanic, Workman or Type of Labor	General Prevailing per diem wage based on 8 hour working day	General Prevailing Hourly Wage
Skilled	\$ 24.00 to 44.00	\$ 3.00 to 5.50
Semi-skilled	20.00 to 26.00	2.50 to 3.25
Unskilled	18.00 to 22.00	2.25 to 2.75

(Detailed Labor Classifications and corresponding wage rates are set out in the Specifications.)

Information for bidders, proposal forms, specifications and plans are on file at the office of the City Secretary, Tahoka, Texas and copies can be secured at the office of the Consulting Engineer, A. C. Bowden, 1716 Avenue M, Lubbock, Texas, upon deposit of \$10.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned to the Bidder on submission of a bonafide bid on the work, with such plans and specifications, or upon returning the plans and specifications immediately after examination of same but before the time of receiving bids and advising the Engineer that a bid will not be submitted, otherwise, the deposit shall be forfeited. Suppliers may secure copies of the plans and specifications as outlined above but will be given (5) five days after bids have been received to return said documents to the Engineer's office before the deposit shall be forfeited. No obligation is assumed to return the deposit under other conditions.
