## The Spectator...

By Mary Brecheen

Jim Coulston, superintendent of Tahoka schools, acted on the request of M. L. Brockette, Texas Commissioner of Education, and got the ball rolling so that Tahoka could have a nominee for the Teacher-Of-The-Year award.

Tahoka's choice for the award, Virginia Griffing, is that person who is known in the profession as the "master teacher." Her colleagues respect her and recognize that she has many traits which cause her to be honored thusly. She is not flamboyant, not boastful, not proud, not egotistic—she is quiet efficiency, personified.

To her principal, she is dependability; to her fellow teachers, she's dignity; to her students, she's a "pretty teacher that's as nice as my mother."

She and I have talked many times about public school teaching and she is, without a doubt, truly a dedicated person. At the time of her nomination for Texas Teacher-Of-The-Year, she said, "I don't really expect to win this prestigious award, but it's enough to know that people in Tahoka have confidence in me. It has been an honor for our school for me to have been nominated. She is also quite humble.

###

Mike White, son of Leland and Barbara White at New Home, is quoted in the Angelo State University newspaper on October 13 regarding fraternity life at that institution.

Young White is president of the Inter-Fraternity Council at his school and he says that fraternities at his school are in the process of clearing up a few misconceptions about fraternities, generally speaking.

He says that the old-fashioned concept that fraternities are made up of only a "rich and elite crowd" is untrue and unjustified. According to him, about three-fourths of all fraternity members work, and some are even employed full-time. They aren't all social either, he says, as hours of work and time are spent on community and school projects.

Another misconception is that fraternity membership is limited to the "exclusive few." Not so, he says, as any male student who has at least a 2.0 grade-point-average is eligible for membership. Contrary to opinion, membership fees are not exorbitant.

Fraternizing is thought to be a big part of fraternity membership—another misconception, White says. A pledge can quit anytime during his pledgship—no one forces him to join or continue pledgship.

And he sounds as if he knows whereof he speaks when he says that "fraternities are almost like a second family that helps each member deal with the problems of college life—that's what fraternities are all about. We're a helping organization, not an elite one."

## National Underwriters Award Received By Robert Harvick

Robert Harvick, agency manager of Lynn County Farm Bureau Insurance Bureau, has been named a recipient of the prestigious National Quality Award, by the National Association of Life Underwriters.

Harvick, representing the Lynn County Farm Bureau Insurance Companies, has qualified for this award for three years.

## O'Donnell Baptists Set Special Goal

First Baptist Church at O'Donnell will be observing a "Top O' The Mornin'" day on Sunday, October 30th, when special efforts will be put forth to exceed the highest attendance mark over the past few years.

The O'Donnell church has set a goal of 215. "Since the church has the best of teachers for all ages, we invite all to experience this wonderful day by being among our guests," said Harry Kennedy, pastor.

Bob Fuston, Sunday School Division consultant with Baptist General Conference (see O'Donnell, p. 6)

SENATOR JOHN TOWER

## U.S. Senator John Tower Sets Tahoka Visit Next Wednesday

United States Senator John Tower will be in Tahoka on Wednesday morning, November 2nd, to report on both the accomplishments and the shortcomings of the 95th Congress' first session, as part of his Town Hall meetings November 1-4 in the Panhandle and High Plains.

The Senator is scheduled to arrive at the local airport shortly before 9 a.m. and will speak at the Community Center at 9 o'clock. He will be introduced by Mayor Mel Leslie and County Republican Chairman Larry Hagood.

The senior Texas senator's trip is scheduled following the expected date for Senate adjournment. If the Senate-House conference committee on energy's report is delayed, there is a possibility Tower may be required to remain in Washington for debate and key votes on the legislation. The constituent meetings then would be re-scheduled immediately for another week in late November or early December.

"I am most anxious to return to Texas to listen to the concerns of citizens on the numerous issues dealt with by Congress and to hear their assessment of legislation which affects their lives and businesses," Tower said. "It would be irresponsible, however, to be absent for major Senate deliberations and critical votes on the energy policies so vital to our State and nation."

Besides Town Hall meetings in 21 counties, the Texas Republican will hold news conferences at 5 p.m. on Tuesday, November 1st, at the Regional Airport in Lubbock and at 9 a.m. on Friday, November 4, at the Amarillo Hilton's conference room. At the community gatherings, Tower will report briefly on the record of (see Tower, p. 6)

## Laura McDaniel And Tommy Guin Are Winners Of Gold Star Awards

Laura McDaniel, from the O'Donnell 4-H Club, and Tommy Guin, a member of Tahoka 4-H, were named Gold Star Girl and Boy at the annual Lynn County 4-H Awards Banquet, courtesy of Lyntegar Electric Cooperative, at the Lyntegar Meeting Room, on Monday night, October 24th.

Miss McDaniel, 16-year-old daughter of Mr. and Mrs. Gerry McDaniel, has been involved in many areas of 4-H Club work and is a participant in community, church, and school activities at O'Donnell.

Guin, 17, is the son of Mr. and Mrs. Son Guin and is a senior at Tahoka High School. He has won numerous honors in 4-H work and is the current president of the Lynn County 4-H Horse Club. Approximately 133 4-H members, leaders, parents, and special guests were present for the occasion when Denise Curry served as mistress of ceremonies. (see 4-H Awards, p. 4)

## Wilson School Homecoming Is October 28

Homecoming for ex-students of Wilson school will be October 28th when the Mustangs will play New Home at 7:30 p.m. and the queen will be crowned at halftime of the game.

The Lions Club will serve a barbecue supper from 5 to 7 o'clock in the school cafeteria. Tickets are \$2.50 for adults and \$1.50 for children under twelve.

## County Teachers Will Attend District Convention On Friday; Students Will Have A Holiday

About 5,000 school personnel are expected for the tenth annual convention of District XVII, Texas State Teachers Association, to be held in Lubbock's Civic Center on Friday, October 28th.

Most schools in the 17 West Texas counties that comprise the district TSTA group will dismiss classes Friday.

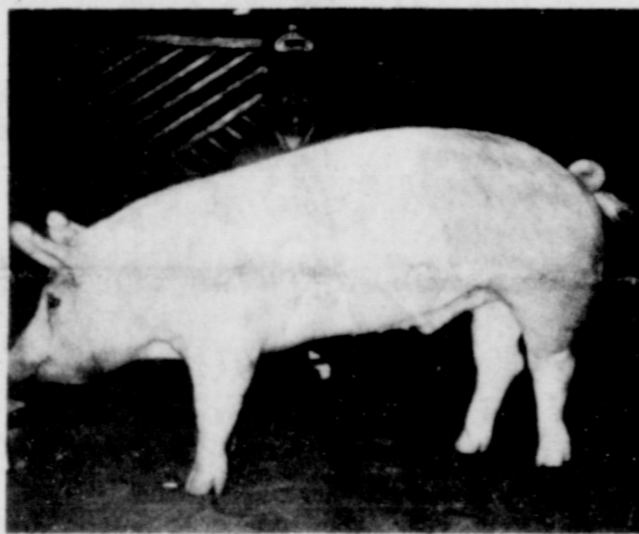

Zig Ziglar, an author and speaker from Dallas, will address the morning session that gets underway at 9:30 a.m. Along with teachers and administrators, educational secretaries will be among the participants at the general session. All members of the teaching profession are welcome to attend the meeting whether (see Teachers, p. 6)

## Nazarenes Will Host Singing Group

The Psalms of Lubbock, a singing group, will perform at the Grassland Nazarene Church on Sunday, October 30th, at 11 a.m. The public is invited.

## First Baptist Church Features Sunday Youth Choir Program

A new musical by William Reynolds entitled *Bold Mission* will be featured during special services at the First Baptist Church in Tahoka Sunday night, October 30th, at 7 o'clock.

Teal Corley, Deanya Wood, Jerri Beth McKibben, and Brenda Nieman. Narration will be given by Mary Ann Owen and Debbie Pinkston.

Also appearing on the program will be "New Creatures," the puppet team of the church.

There will be no admission charge for the program.

## Community And School Doff Hats To Virginia Griffing, Teacher-Of-The-Year Nominee

BY MARY BRECHEEN

School superintendents are asked each year to be instrumental in selecting one of the state's most talented and productive teachers to serve as the Texas nominee for the National Teacher-of-the-Year Award.

In Tahoka, Mrs. Carl (Virginia) Griffing, first-grade teacher in Tubb Elementary School, was selected by her colleagues and a panel of individuals in the community as the school and town's nominee for Texas Teacher-of-the-Year.

The award is sponsored nationally by the Encyclopaedia Britannica Companies, the Council of Chief State School Officers, and *Ladies Home Journal*.

Mrs. Griffing is the daughter of County Judge and Mrs. V. F. Jones. She was born at Eden and the family moved to Tahoka when she was five years old. She was an honor graduate of Tahoka High and attended Texas Women's University (then known as Texas State College for Women) at Denton, and Southwest Texas State Teachers College (now Southwest Texas State University) at San Marcos.

Her husband, a farmer-rancher, is also a Tahoka native and the couple has three children. Bill, the oldest, is a graduate of West Texas State University and he also farms near Tahoka. His wife, Rubeth, is a teacher in Tahoka High School. A daughter, Susan, is a graduate of the University of Texas School of Nursing and is employed in a Lubbock hospital. Kathy is a 1977 graduate of Tahoka High and is a student at West Texas State.

Mrs. Griffing has taught at Tahoka continuously since 1967 and she says, "During the past ten years, I have been so involved in education and so in love with teaching that it is difficult to believe there was ever a time when it was not my primary concern."

In voicing her philosophy of teaching, she said, "The rewards of teaching are tremendous. I think teaching first-graders must be the most rewarding of all, because they teach me as much as I teach them. They remind me constantly to look at this wonderful world through the eyes of a little child, to remember the joy of being first in line, of having new shoes and knowing how to tie them, of losing that first tooth, of behaving badly and being loved anyway."

She is a member of the Methodist Church, Texas State Teachers Association, National Education Association, and is a director in the Theta Eta Chapter of Delta Kappa Gamma. She also serves on the Advisory Committee of Region 17 Education Service Center.

A fellow teacher's words best describe Tahoka's nominee for the award. "Teaching has been defined as the process by which a person helps other people learn. With Virginia Griffing, teaching is more than a process. It is a philosophy of life. She began teaching when the remuneration was practically nebulous. Her motivation was the intense satisfaction of seeing the light of discovery glow in a child's eyes. Hearing a young voice exclaim in awe, 'I can read,' was and is reward enough to keep her working, striving, hoping for another day, another week or year of achievement for her pupils...She contributes richly to her school and her community...She is indeed a credit to the teaching profession."

\*Mrs. Gail Riley, a social studies teacher at Central Junior High in the Hurst-Euleless-Bedford School District was named Texas Teacher-of-the-Year, on October 13, as announced by M. L. Brockette, Texas Commissioner of Education, in Austin.

MRS. CARL GRIFFING, first-grade teacher in Tahoka, was nominated by the school and town for Texas Teacher-Of-The-Year Award.

## Tahoka Bulldogs Glean 2nd District Win, Defeat Roosevelt Eagles 13-7

BY DARRYL STOTTS

Tahoka Bulldogs beat the Roosevelt Eagles 13-7 in a hard-fought 5-AA District game last Friday night. Clifford Bailey rushed for 20 yards. Leslie White scored in the second quarter on a 40-yard pass from Ed Roberson. The extra point was not good, and the score at halftime was 0-0. Tahoka scored in the third quarter as Bailey romped 45 yards for a TD. Ed Roberson kicked the extra point. Roosevelt then lit up the points on the scoreboard. Warren Royal, the quarterback, snaked over the goal line from the 3-yard line. Randy Meeks led the team with 19 tackles, and Britt Mackery had 16. The Bulldogs, now 4-3 for the season, play at Cooper tomorrow night at 7:30. The Bulldogs' district record is 2-1.

O'Donnell lead to 10-6. The PAT failed.

The Eagles took over on the 2-yard line after an Anton punt, and a fumble furnished the Bulldogs with a second scoring opportunity, with a 1-yard run by Timmy Belcher. PAT was no good and it was 12-10, Anton.

Belcher scored again for Anton, giving the Bulldogs an 18-10 lead. PAT failed, but the winners held on to the lead.

The Eagles' season record is 4-2-1.

### New Home Whips Dawson At H'Coming

Isiah Roberson carried 16 times for the New Home Leopards last Friday night, at their Homecoming game, for 70 yards, and two of the runs took him to pay dirt.

He sprinted 20 yards in the first quarter for a TD and then came back minutes later to carry the ball across for the 2-point conversion.

In the first quarter also, Roberson scored on a 7-yard run, extra-point try not good.

Before halftime, QB Marty McClintock of New Home ran 7 yards for a TD and Tony Rodriguez kicked the extra point.

The Leopards stand 3-4 for the season, and 3-0 in district play.

### Senior Girls Get 'Powdered' In Annual Tilt With Junior Girls

In a hard-fought Powder-Puff match-up between Tahoka High's senior girls and junior girls, the seniors were defeated 12-0.

The game began at 6:30 on October 17, with the juniors driving close to the goal line and maintaining their offensive domination throughout the four six-minute quarters. The seniors' defense, however, proved true several times as they held the underclasswomen scoreless while close to the goal line many times.

Scoring for the junior fems were Ira White and Blynn Roberson. The seniors attempted a come-back with a "surprise" substitute late in the fourth period, but referees Bruce Winn and Scooter Cassler ruled that HE did not meet player regulations.

The senior team was coached by Reggie House, Leslie White, and Ed Roberson. Coaches for the juniors were Britt Dockery, Carlton Ash, and Clifford Bailey.

### Mustangs Ride Over Klondike

At Wilson last Friday night, the Klondike Cougars had a 6-0 lead in the first quarter with a 29-yard run by Ines Casillas.

In the second period, Wilson's Calvin Wilke threw 44 yards to Garcia for a TD, then caught a pass from Lucio Trevino for a 2-point conversion. Wilke then ran four yards for another score and kicked the extra point.

In the third quarter, the Mustangs' Wilke connected with Garcia on a 6-yard toss; the PAT was not good.

Klondike punted on the first play of the fourth quarter, and Wilke returned the ball 83 yards for a Wilson TD, with Garcia adding the extra point.

Dennis Heard, Klondike, took the kickoff then and ran it back 80 yards for a Cougar touchdown. A 2-point conversion on a pass from Tommy Haynes to Johnny Guerra made the score 28-14.

Wilke scored the final points when he intercepted a Klondike pass and returned it 29 yards for a TD and kicked the extra point.

The Wilson Mustangs are 2-1 in district play.

In Friday night's game, Wilson had 18 first downs, 206 yards rushing, and 87 passing.

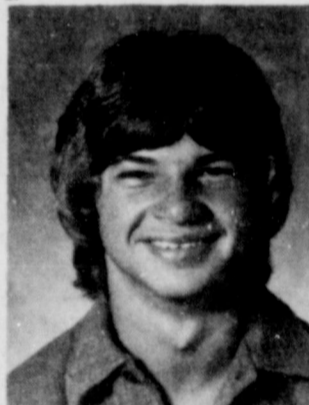

At halftime, a ceremony was held to crown the Powder-Puff Queen. Vying for the title were seniors Ruby Chapa, escorted by Joseph Brecheen, and Rene' Cranford, escorted by Icha-bod Thomas. Junior nominees were Rhoda Brooks, escorted by Robert Taylor, and Scarlet Stevens, escorted by Butch Roberson. Queen Rhoda Brooks was crowned by Football Queen Penny Witt, to a rendition of *I Write the Songs*, by musicians.

The band also performed *The Stripper*, and numerous other spirited tunes.

Supporting the upperclasswomen on the sidelines were senior cheerleaders Othelda Meeks, Penelope Haney, Jaclyn Knox, Ruby Chapa, and Rene' Cranford. Junior cheerleaders were Claudine Huffaker, Cloyetta Roseberry, Marcia Hawthorne, and Jondice Calvillo. "Colorful" play-by-play coverage was provided from the press box by Coach Mike Williamson and Gary White.

The event was sponsored by the *Kenel* staff, and its members are grateful for the assistance and cooperation of all involved.

### Eagles Lose Feathers To Anton 'Dogs'

O'Donnell Eagles had the home Bulldogs 10-0 when the final quarter started last night, October 21st, O'Donnell.

The Eagles' 10 points came on a 6-yard TD run by back Tony Acosta, a PAT by George Casarez, and a 3-yard field goal by Casarez, all scoring being in the first half.

Anton's Roger Harrell had 1 yard for the first TD, to narrow the

### Social Security Man Speaks To Rotarians

Some of the new regulations concerning Social Security, Medicare, and Medicaid were explained at the Rotary Club luncheon Thursday by Carl Thompson, assistant manager of the Lubbock District Social Security office.

He declared that the Social Security fund is not such dire circumstances sometimes reported in the press, but the "deductions" from employees and employers are having to be raised periodically to take care of added recipients, being added to the roll by action of the Congress. Also, increasing medical costs are also putting the fund in jeopardy.

Unless the politicians in Congress show more responsibility in regard to the Social Security program, the fund will be depleted, he said.

A low-salt diet, such as is used for high blood pressure or congestive heart failure, can also help relieve part of the discomfort that accompanies a sprained ankle, foot or toe. Reduction of salt intake helps rid the body of excess fluids and it is the accumulation of fluids, along with local swelling, that causes the pain accompanying a sprain. If you are going to cut-back on salt intake for a short period of time, read the labels on the things you eat. You may want to use canned foods that are processed without salt and a salt-substitute for seasoning. Breads, butter and margarine are also available for the low-salt dieter. As any sprain may be serious and because no dietary restriction program should be undertaken without supervision, consult your physician first.

## A Visit With Your County Agent

by Stanley Young  
Lynn County Agent

### Prussic Acid Poisoning In Livestock

Frost will be hitting Lynn County before long, and this could lead to prussic acid poisoning in livestock grazing certain pasture grasses and forages.

Although many plants contain the toxic material that causes poisoning, those causing the highest mortal-

ity in livestock when grazed after they have been frozen and wilted are Johnson and Sudan grasses and sorghum or hybrids of these.

The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt. Livestock should not be allowed access to the wilted

material until it has dried completely. This usually takes three or four days of good sunlight. New plant growth usually becomes non-toxic and can be grazed within 10 days to two weeks following a rain.

As far as prussic acid poisoning is concerned, the poison acts rapidly and can kill animals within minutes. In most acute cases, animals become affected within 10 - 15 minutes after eating toxic material and can die in two to three minutes. Symptoms may include a brief period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), difficult breathing, and frequent convulsions may result. Death is caused by suffocation since oxygen remains in the blood and is not exchanged to the tissues. This also causes the blood to appear bright red.

To prevent prussic acid poisoning in livestock, the following steps are recommended:

\*Allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight.

\*Feed animals hay or a supplement before turning them in on plants that may contain prussic acid. Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited.

\*Remove all animals from the pasture if one in the herd shows any signs of poisoning.

\*Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians.

\*Have suspect plant material checked by the Texas Veterinary Medical Diagnostic Laboratories at College Station or Amarillo. Local veterinarians will be happy to submit samples for you.

The overall key to preventing prussic acid poisoning in livestock is to be aware of plant materials that may cause poisoning and then to keep cattle from grazing such plants until a safe period has passed.

\*The above information is provided by Dr. James Armstrong, Extension veterinarian.

## James Fuller Says...

4-H adult and teen leaders, interested in 4-H Method Demonstrations and Woodworking Projects will be welcomed by the Texas 4-H Center training staff on November 5 and 6.

Leaders who choose Method Demonstration will be led by George McArthur, 4-H and Youth Specialist, College Station, and Miss Georgia Doherty, Assistant County Extension Agent, Lubbock.

For those who elect to receive 4-H Woodworking Project instruction, Wayne Keese, Extension Agricultural Engineer, College Station, will provide training.

A general session for all week-end workshop participants on how youth in 4-H can learn with fun will be led by Ms. Carolyn Gilbert, Assistant 4-H and Youth Specialist, Lake Brownwood.

I have information and registration details available for local 4-H club and project leaders interested in these training opportunities. The deadline is October 28 for registration.

## Producers Seek 20% Set-Aside

Grain Sorghum Producers Association has been appealing to Secretary of Agriculture Bergland for at least a 20 percent set-aside for feed grains.

In a recent letter to Bergland, Elbert Harp, executive director of GSPA, states: "With the October crop report showing a record corn crop and a large increase in grain sorghum production over 1976, we want to plead again for a set-aside program of not less than 20 percent for feed grains. A ten percent reduction will not decrease supply enough to restore prices to profitable levels. Only with a nationwide program, which will cut acreage sharply enough to reduce production, can we bring supplies in balance with demand."

Over a three-year period, the average production per year for corn and sorghum together was 6.6 billion bushels. In the same period, the average per year

combined consumption of the two grains was only 6.1 billion bushels. The yearly carry-overs have produced the 1 billion bushel surplus of grain we now have. Grain Sorghum Producers Association figures show that even if there were an actual 10 percent reduction in production, the yield would be a combined total of 5.9 billion bushels. This amount added to the 1-billion-bushel surplus would still bring the total '78-'79 supply of corn and sorghum well over the present consumption level of 6.1 billion bushels per year.

Therefore, in order to achieve the 10 percent reduction that is necessary, Grain Sorghum Producers Association urges at least a 20 percent set-aside for feed grains because better management of land, fertilizer, irrigation, labor, etc., on the planted land will raise the average yield per acre.

The national policy of planting "fence to fence" in recent years has produced the glut of surplus grain now choking the market. This policy must stop. GSPA strongly contends that (1) if all farmers would cooperate in a nationwide program (the set-aside) to restrict produc-

tion and (2) if all farmers would support organizations which promote their grain with established sales promotion programs, then and only then, will full parity be achieved.

## Faith Circle Meets For Silver Tea

Faith Circle of the Methodist Church met at 4 p.m. on October 24th, at the parsonage, for a Silver Tea.

The meeting opened with a prayer by Mrs. R. M. Stewart and was followed by a short business meeting with Mrs. Walter Mathis presiding.

Mrs. Newton Starnes was in charge of the program and she chose for the devotional the story of Dorcas, a woman of the Bible, and a believer who was always doing kind things for others. She read from Acts 9:36-43 and elaborated on the reading, suggesting that all Christian women should be like Dorcas.

After the program, coffee, punch, and cookies were served and those present toured the parsonage.

NOT ONLY IS ART new to Tahoka Junior High, but it is new to the students as well. The 7th and 8th-grade students are busy exploring the world of color. One of their first learning experiences with color has been its relationship on a color wheel. Using tempera paint, the students have mixed the basic colors and incorporated these into a geometric design. From looking at color, experimenting with it, and using it to make a true understanding and real feeling for it. The teacher is Miss Cindy Slack, graduate of West Texas State University. Eight members were present on Thursday night when Past Noble Grand Club met in the home of Willie Childress near O'Donnell. A business session was held after which a meal was served. Those attending from Tahoka were Evelyn Burr, Leona Waldrip, Thelma Dewbre, Zella Taylor, and Louise Wyatt. Callie Massey and Iline McMillan were also present. About thirty-five persons were on hand for the noon luncheon Friday at the Lynn County Pioneer Club, and Teddie Kelley won the Lucky Member drawing gift. Jinney Therabe of the Office of Aging, Lubbock, was present and brought some new ideas on Christmas decorations. Fleda Howell and Myrl Mathis served as hostesses, and L. D. Howell led the group in a sing-song after lunch. On Saturday, the club had a garage sale which was termed a big success. The

club wishes to thank each one who donated sale items and all who participated in any way. The 53rd annual session of Lubbock Baptist Association was held Monday and Tuesday nights of this week in Lubbock, theme of which was "Let the Church Reach Out." The annual message was brought by E. K. Shepherd, pastor of Wilson Baptist Church, and the inspirational address was brought by Dr. Presall H. Wood, Dallas, editor of *Baptist Standard*. Those attending as messengers from Tahoka, on Monday night, included Mr. and Mrs. Morris Johnston, Mr. and Mrs. Jacky Henry, Juanita Kelley, Mrs. Chang Terry, Leona Waldrip, Rev. Jim Turner, and Rev. A. C. Castillo. The annual Missions Banquet was on Tuesday night in Oakwood Baptist Church.

MRS. LARRY DEEN DAVIS  
...nee Mary Ann Sumrow

**Miss Sumrow, Mr. Davis Wed October 22nd In O'Donnell**

Mary Ann Sumrow became the bride of Larry Deen Davis in a 4 p.m. ceremony on Saturday, October 22nd, in the First United Methodist Church of O'Donnell. Reverend C. J. Uzzle of Amarillo, uncle of the bride, performed the double-ring ceremony. The bride is the daughter of Mrs. Darus Sumrow and the late Darus Sumrow of O'Donnell. Parents of the groom are Mr. and Mrs. Deen Davis, also of O'Donnell. The couple stood before an arch adorned with greenery and pink carnations, centered with a pair of white doves. On each side of the altar, columns held baskets of pink gladiolas, flanked by two five-branch candelabra. The bride was escorted by her uncle, J. W. Gardenhire, of O'Donnell. Before reaching the altar, she paused and presented her mother with a long-stemmed pink rose. Following the ceremony, she presented her mother-in-law with an identical rose. The bride wore a formal gown of white silk organza fashioned with a Queen Anne neckline, edged in scalloped Venice lace that continued down the front bodice to meet the band of lace encircling the empire waistband. The long full bishop sleeves had lace motifs adorning them, with a small lace band at the cuff. The slightly gathered A-line skirt was accented with a deep ruffle at the hemline, edged in scalloped Venice lace. A lace band also adorned the ruffled top and encircled the skirt which flowed to a chapel-length train. Her headpiece was a matching Juliette cap holding a waltz-length Venice lace-edged tier of bridal illusion. The bridal bouquet was a cascade fashioned of pink rose buds and carnations with white streamers. Traditional items carried by the bride included a blue garter. Something borrowed was a ruby ring belonging to the groom's Grandmother Warren. Something old was a white linen handkerchief embroidered with pearls, belonging to her late Grandmother Brewer. Something new was the bridal gown, and she had the traditional penny in her shoe. Debbie Trett of Lubbock was matron of honor, and Marsha Barton of O'Donnell was a bridesmaid. They wore identical burgundy crepe formal gowns featuring a bodice with spaghetti straps and an empire waist with a cluster of pink rosebuds with streamers. Their wrist corsages were of pink rosebuds and carnations accented with burgundy ribbon. Robbie Vestal of Lubbock was best man, and Bobby Vuicich of Lubbock was groomsmen. Mary Evalina McKibben of Tahoka, cousin of the bride, lighted the candles. She wore a pink formal-length dress accented with a burgundy sash and a wrist corsage of pink carnations. Johnny Wayne McKibben of Tahoka, cousin of the bride, and Mitchell Davis of Garden City, nephew of the groom, seated the guests. Guests were registered by Tammie McKibben of Tahoka, cousin of the bride. Following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was covered with white lace over a pink cloth. Silver and crystal appointments were used. The bridal bouquet served as the centerpiece and the tiered decorated

wedding cake was topped with white satin and bells. Serving at the table were Jerri McKibben, cousin of the bride, and Cheryl Clapp. A brown cloth covered the groom's table. Coffee, German chocolate cake served with silver pottery appointments, Ann McMillan served the groom's table, assisted by Vinita McCoy of Lubbock. Rice bags were carried in a wicker basket by Sherry Gaye Ash, cousin of the bride. Others in the house included Mmes. Ruth Smith, Clyde Winans, Beth Vestal, Wayne P. M. A. Bowles, and Knight. Both the bride and groom are graduates of O'Donnell High School and attended Texas Tech. She is employed by Stenocall of Lubbock. He is employed by the State Bank. Following the wedding trip to New Mexico and Colorado, they will home in Lubbock. Mr. and Mrs. Deen Davis had a rehearsal dinner at a restaurant on October 21st in the Fellowship Hall of the First United Methodist Church in O'Donnell.

## The heat pump

"THE ELECTRIC SAVINGS MACHINE"

### A good bargain now that will get even better!

Of course, any machine that works as efficiently as the heat pump has to save you money. And for many people, that's the key appeal of the heat pump. Initial costs may be slightly higher than those for a combination heating and air conditioning system, because the heat pump is in a class all by itself—so unique it can't be compared for quality and comfort. Day-to-day operating expenses are the lowest of any other electric heating/cooling system available on the market today. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will reward your financial foresight for years. Then, too, unlike other forms of energy, electricity can be generated from a variety of sources. You can count on having plenty to run your heat pump. Always!

OUR GENERATION IS FOR YOU!

Homecoming Committee for his fraternity and the student body, and his fraternity, Lambda Chi Alpha, won second place with their float, in the parade.

Angelo State won over Howard Payne College 34-13.

Leland and Barbara entertained at Sunday dinner the following: Robert Hunley, Debbie Arrant, Richard Gill, Chris Dean, Debbie and Mike White.

The White's also visited in the home of Mr. and Mrs. Lloyd Allsup, formerly of Plains and owners of the John Deere house.

There is a group of ladies meeting for Bible study and fellowship each Tuesday morning, 10 o'clock, at the church of Christ building. Anne Gray, the minister's wife, is guiding the study, and they have been having a most profitable study and discussion on the women of the Bible, beginning with Eve and going right through the Old and New Testaments.

Each study period has grown steadily in attendance, beginning with 13 and now with 17 in number.

Any lady in and around New Home is invited, regardless of her religion. There is babysitting provided during this hour of Bible study and fellowship. Anyone who is interested may contact this number, 924-7579, or just come at 10 next Tuesday. The Bible character, Rebekah, will be the topic under discussion.

Randy Unfred is at the home of his parents, Mr. and Mrs. L. C. Unfred, recuperating from surgery on his left ankle, performed Monday, October 10 in Methodist Hospital.

He plans to return to his work in Saudi Arabia when he is able.

Kim Howle, student in Angelo State, was home for homecoming Friday night and spent the weekend with his parents, Mr. and Mrs. Russell Howle.

Ella Sousares of Austin and her son, Jimmy, of College Station visited here with her brother, Fred Roper, and family and her sister-in-law, Melba Roper, going on to Plainview and Tulsa to visit before returning home.

Mrs. Clyde (Olive) King of Altus, Oklahoma visited here with us Wednesday. She has spent the week in Lubbock with her son, Mike

Grandparents are Mr. and Mrs. J. E. Brown, Tahoka, and Mr. and Mrs. Carl Armes, New Home.

Great-grandmothers are Mrs. Marvin Holt, New Home, and Mrs. Will Armes of Lubbock.

Johnny and Teresa have another son, 3½-year-old Jeffrey.

Visitors in the New Home Baptist Church Sunday were Mr. and Mrs. O. L. Davis and Cletus of Willows, Oklahoma, Mr. and Mrs. Mike Buck of Pampa, Robin Stark and Karen Meeks of Tahoka, and Tara and Tobi Timmons, Seminole.

Mrs. Bill Ueckert, Lisa and David, came Friday to visit her brother, Wendell Morrow, and family and to attend homecoming at the school.

Mrs. A. M. Spikes of Lubbock and her son, Jim Spikes, of Kentucky visited with us Saturday evening.

Sunday, October 30th, is designated High Attendance Day in the New Home Baptist Church, with a covered-dish luncheon in Fellowship Hall.

Pictures for the directory will be made from 1 to 6 p.m., and a "thanks-praise" service will be from 4 to 5 p.m.

Mrs. Juaniece Henson of Lubbock visited here Tuesday with her daughter, Mrs. Don McBrayer, and family.

Mrs. Gilbert Wuensche was carried to Methodist Hospital Tuesday morning by the Tahoka ambulance after suffering an attack at her home.

She is in Room 839 at Methodist.

Mr. and Mrs. Cates Zant visited her parents, Mr. and Mrs. W. G. Reid, in Ackerly before attending the football game between New Home and Sands.

Mr. and Mrs. Kenny Timmons and children of Seminole were here for homecoming Friday night and spent the weekend with her parents, Mr. and Mrs. Robbie Gill, and family.

Rhoda Blakney Villareal was honored with a bridal shower Saturday, October 22nd, in the fellowship hall of the New Home Baptist Church.

The colors of blue and white were carried out in decorations and the serving table was laid with a white lace cloth over blue. Silver and crystal appointments were used to serve cake, punch, and hot spiced tea to 35 guests and 30 hostesses.

Hostess gifts were a complete set of cookware, canister set, toaster, and electric broom.

Honored guests were her mother, Mrs. Roger Blakney, and Mrs. Lupe Villareal; grandmothers, Mrs. Loyd McCormick and Mrs. Dora Blakney of Lubbock.

Assisting her sister was Lorna Hernandez, and a cousin, Sid Suddens of Borger.

Out-of-town guests included Anna Laura Gasper, Lubbock; Mrs. Miles Davis, Pampa; Darla Davis, Plainview; Mrs. Roy Kahlich and Jennie Gatski, Wilson; and Dorothy Meader and Pat Grochowsky, Slaton.

Guests in the John Edwards home Friday night were Basil Salmon and son, Chad, of Amarillo; Mr. and Mrs. Larry Durham and Kary, Lubbock; and John Dudley Edwards, Canyon.

They all attended the homecoming football game and reception for the exes.

While working Tuesday night stripping cotton, Stanley Gill received a badly mashed thumb on his right hand. He was taken to St. Mary's Hospital in Lubbock for treatment. A skin graft was done and he returned home Wednesday. Fortunately, no bones were broken.

**R** **ABDOMINAL PAIN IN CHILDREN**  
 Abdominal conditions of some urgency in children are most usually found in the lower part of the abdomen. Appendicitis is characterized by pain in the lower right side and pain on either side can be an obstruction due to one part of the bowel lapping over another. With an obstruction there is usually blood and mucous in the stool.  
 It is not safe to assume that an abdominal pain is due to a virus just because you have heard a virus is "going around." Often a suspected stomach virus can turn out to be appendicitis.

IMPORTANT NEWS FOR BACKACHE SUFFERERS!  
2 Momentum Tablets as powerful as 8 Doan's Pills!

Before you take Doan's Pills for muscular backache, remember there's as much pain reliever in just 2 MOMENTUM Tablets as in 8 Doan's—and that's a dose you'd never take! There's no stronger medication you can buy without a prescription than MOMENTUM Muscular Backache Formula. MOMENTUM Tablets reduce pain and soothe inflammation so muscles loosen, you can move more freely in minutes. Remember, for relief of backache pain, just 2 MOMENTUM Tablets give you the strongest medicine possible without a prescription. Take only as directed.
