Tahoka Bulldogs Win 5 AA Football Crown

Two O'Clock Pep Rally, Caravan Set For Friday

High School Principal Jim Marcus has announced that the pep rally preceding the bi-district game with Colorado City will be at 2 o'clock Friday afternoon, in the high school gym, and all citizens are urged to attend.

School will be dismissed at 10:30, and those fans traveling to Snyder, where the game will be played, are asked to meet at the Tahoka school parking lot by 5:10 Friday and cheerleaders and student council members will be there to decorate cars for a caravan which will depart Tahoka by 5:20. A bus for the pep squad

and student buses will be part of the caravan. Tahoka fans will occupy the east side of the Snyder stadium.

Tickets for the game, \$3.00 for adults and \$1.00 for students, will be available at the school tax office downtown and at the high school office until Friday noon.

The football team will go to Snyder by chartered bus and will leave the school at approximately 3 o'clock Friday. Fans are invited to give them a "rousing send-off," but should not follow the team's bus to Snyder, Marcus said.

FRENSHIP TIGERS Ralph Gonzales (22) and Ricky Morrison (79) bow to the prowess of Tahoka's 195-pound tailback, junior Clifford Bailey.

'Dogs Defeat Frenship; Meet Colorado City In Snyder For Bi-District

BY DARRYL STOTTS
The Tahoka Bulldogs won their first district championship since 1954 last Friday night when they defeated the Frenship Tigers 22-14 and gained the right to play in the bi-district playoffs against Colorado City.

Frenship took the opening kickoff and kept the ball for six minutes before they scored. The TD came on a seven-yard run, and the extra-point attempt was good.

The Bulldogs had to punt after they could not move the ball, and Frenship gained 28 yards before they fumbled the ball to Tahoka. Clifford Bailey scored on a 17-yard scamper and Ed Roberson kicked the extra point, the score being tied 7-7.

The score did not remain tied long. Frenship drove the ball 71 yards in 9 plays for their next TD, and the point after was good.

Tahoka moved the ball 25 yards before punting. Frenship punted the ball after three plays. The Bulldogs then had the ball on the 46-yard line.

Roberson threw a pass to Leslie White that covered 33 yards and took the ball to the 15-yard line. Bailey took the ball in from there, and

Roberson kicked the extra point, the score being tied again, 14-14.

The Bulldogs got the ball back, two plays later. Jerry Hatchett intercepted a Tiger pass and returned it to the ten-yard line. Bailey then scored on a five-yard drive, and he also scored the extra point. The Bulldogs led 22-14 at halftime.

The second half was highlighted with outstanding defensive plays. Neither team scored again in the game.

Bailey had 120 yards in this game and has 1,915 for the season, breaking the old school record of 1,700, set by his brother, Jimmy Bailey.

Randy Meeks led the defense with 21 tackles, and (see **Bulldogs**, page 3)

The Spectator...

By Mary Brecheen

I think a great deal of and have had considerable to say about the legacy we leave to those who follow us, that legacy being good memories.

Really, when the excess of life is boiled away, all we have left is memories--some good and some bad.

The past eighteen months in Tahoka have recorded the younger generation a vast storehouse of things to file in the memory scrapbook--the superb Bicentennial celebration, followed by two Harvest Festivals, and even a Summer Festival, all of which drew enormous crowds to the downtown area.

And all of that has been followed by a district championship in football--with all the trimmings. Football weather has been perfect, the games have been exciting, and there have been no unpleasant situations, such as sometimes go along with the game.

##

The young men who comprise the '77 championship team want it to be known that it is, above all, a team effort--yep, a school effort. Everybody pitched in--the jargon is "they got fired up."

The student body, the faculty, the administrators talk of "a new era in Tahoka," and the folks in town wonder at the amazing turn of events at school.

They chant "We're Number One...We're Number One!" and they mean it...not just in football, but in every activity.

##

Darryl Stotts, junior class president, has kept the statistics and written the football stories for **The News**, for the second year in a row, and has done a magnificent job, considering that he broke the arm early this year!

He manifests more of the prevailing atmosphere--everybody has a part in getting the job done.

##

Clint Walker has "presided" at so many football games in Tahoka that fans have difficulty keeping track of the noticeable lack of such talent at away-from-home games. He is another one of the links in the "chain" which has put the spotlight on the scoreboard.

BY MARY BRECHEEN

"Twice in the '40s and three times in the '50s, the Tahoka Bulldogs were District 5-AA Champions in football, and the title eluded them until November 11, when the Bulldogs defeated Frenship 22-14 to win the title again--the first in 23 years. During the war, in 1942, the Bulldogs were district champions, and again in 1948. In the '50s, they "put it all back" and in '51, '52, '54, they were 5-AA champions. The following titles were taken from the November 26, 1954 issue of **Lynn County News**.

--Tahoka Bulldogs, 1954 football champions of District 5-AA, play highly-touted Littlefield Wildcats, champions of District 6-AA, at Kelley Field today, Thursday, at 2 p.m. for the bi-district title and the right to advance in the Texas Interscholastic play-offs.

A Thanksgiving holiday crowd is expected to fill the stadium, with seats having been provided for 3,500 people.

All 1,750 seats at Kelley Field in the permanent bleachers have been reserved, portable bleachers seating 650 have been

Bill Griffin Enters Race For Lynn County Judge

W. B. (Bill) Griffin of Tahoka, recently retired Lynn County Extension agent, has announced his candidacy for Judge of Lynn County.

Griffin is the first announced candidate for County Judge in the May 6 Democratic primary in Lynn County.

He ended a 33-year career with Texas Agricultural Extension Service on August 31 of this year, thirty years of which were spent as Extension agent in Lynn County.

Born at Sylvester in 1921,

Griffin received a B.S. degree in animal husbandry from Texas Tech in 1942. He served in the U.S. Army in the African, Italian, and European theaters of war from 1942 to 1945, joining the Extension service in June of '45 as assistant Agent in Lubbock County.

He served for twenty years as chairman of the Lynn County Chapter of the American Red Cross, and was one of the organizers of the Lubbock and Lynn County Farm Bureaus. He also helped to organize Puka-Lambro Rural Tele-

phone Cooperative, and is a former member of the agriculture committee of West Texas Chamber of Commerce. Under his leadership, Lynn County 4-H'ers

BILL GRIFFIN

have won major awards, scholarships, and numerous state honors.

Griffin received the Texas Superior Service Award in 1976, presented by the Extension Service for his leadership in agricultural and 4-H youth programs. He was selected as an honorary admiral of the Texas Navy in 1969, and in 1958, the Distinguished Service Award was presented to him by the National Association of County Agricultural Agents.

Mrs. Griffin is the former (see **Griffin**, page 3)

Bartley Is President Of Stock Show Association

The organizational Meeting of Lynn County Stock Show Association was held November 8, 1977 in Tahoka and the sixteen area men elected the following slate of officers: Edward Bartley, Tahoka, president; Harold Sanders, O'Donnell, president-elect; Donald Klaus, Wilson, vice-president; Stanley Young, Tahoka, secretary; and Dwain Lusk, Tahoka, treasurer.

Plans were discussed for the 1978 Lynn County Stock Show and it was noted that the show was a county show; therefore, they are seeking assistance and help county-wide.

The association will meet again on Tuesday, November 22nd, at 7:30 p.m. in the Lyntegar Meeting Room in Tahoka at which time bylaws (see **Bartley**, page 3)

Frenship Game Pictures Can Be Purchased

The 5 x 7 pictures made at the Tahoka-Frenship game, copies of which appear on the football page in this edition of **The News**, are available at the news office for \$3.00 each, on a first-come, first-served basis.

County Art Association Slates 4th Annual Show

Lynn County Art Association will unveil its 4th Annual Arts and Crafts Fair Saturday and Sunday, November 19 and 20, at the Community Center in Tahoka.

The public is invited to the

9 a.m. to 6 p.m. showing on Saturday and 1 to 5 p.m. Sunday showing.

The show will feature many items for Christmas, oil paintings, metal sculpture, china, and Indian jewelry.

OEA To Have Bake Sale On Saturday

Tahoka High's chapter of Office Education Association will have a bake sale on Saturday, November 19, beginning at 10 a.m., at Piggly Wiggly and Tahoka Drug.

Museum Plans Aired At Meeting

Twenty persons met on Thursday night, November 10th, in Southwestern Public Service Reddy Room to investigate plans for a museum in Tahoka.

Mayor Mel Leslie was elected general chairman of the committee, and other committees were named.

Leslie says that another meeting will be forthcoming, when more detailed plans will be announced.

Lynn County News...November 26, 1954...

borrowed from Texas Tech, and bleachers seating 1,000 borrowed from Reese Air Force Base.

...Tahoka was declared champion of District 5-AA last Friday night by reason of its defeat of Spur here 26-22.

...Tahoka will be handicapped by an ankle injury to its elusive quarterback, Gordon Smith, who still is unable to run well, but who played the full game against Spur, and the driving halfback Jerry Williams, who is still handicapped by injuries to both knees.

...Though Littlefield is

favored to win, the lighter Bulldogs have no great fear of the highly publicized team from Lamb County and from a school twice the size of Tahoka's.

...Injuries permitting, Gordon Smith and Jerry Williams are likely to turn in some dazzling runs, as they usually do. Tommy Franklin is an equally fine ball carrier, although his shoulder injury has not healed completely; and Ted Pridmore plays at halfback well.

I. V. J. Melton and Donald Blair, who can play either fullback or halfback, are top ground gainers. Melton is

the "old dependable," and Blair has been improving with each game.

...At end, Garland Huddleston, formerly a center, will take care of nearly anything that comes his way, and Carlton Bell is handy at snagging passes. Stanley Stone is outstanding at the center spot.

...Tahoka is well off at the tackle and guard positions, with Duane McMillan and Jimmy Williams doing fine jobs at tackle.

Others in the middle will be Don Reid, Bill Moore, Ronnie Brooks, Guy Witt, and Ware High, one of the

best defensive boys in spite of his light weight, Bobby Paris, Larry Simmons, and Leon Davis. Frankie Jones is another good defensive man.

Tahoka's 7-2-1 record that year went something like this:

- Tahoka 13, Littlefield 28
- Tahoka 32, Denver City 6
- Tahoka 34, O'Donnell 0
- Tahoka 27, Crane 20
- Tahoka 0, Seminole 7
- Tahoka 26, Slaton 6
- Tahoka 26, Spur 22
- Tahoka 26, Brownfield 20
- Tahoka 13, Post 13
- Tahoka 29, Abernathy 18

Gary White Wins Trophy At Muleshoe Tournament

Gary White, senior at Tahoka High School and the son of Mrs. Warren Embree, won second place in the poetry interpretation event at the Muleshoe High School Speech Tournament on Saturday, November 12th.

Brenda Nieman, junior, daughter of Mr. and Mrs. Norvin Nieman, was entered in prose reading and progressed to the final rounds before being defeated.

Twenty-five schools from the West Texas and Panhandle area were entered in the tournament.

Other than White and Miss Nieman, Tahoka students who participated at the tournament are as follows: Debate, Cal Huffaker and Darryl Stotts; John Brecheen and Randall Stotts.

Rhodes, Candidate For U. S. Congress, Talks At Chamber Breakfast About The American Individual's Responsibilities

Approximately thirty-five members of Tahoka Chamber of Commerce and their guests attended the breakfast meeting on Tuesday of this week and were addressed by A. L. (Dusty) Rhodes of Abilene, candidate for U. S. Congress from the 17th District of Texas.

Rhodes told his listeners that he was born in Hugo, Oklahoma, one of six children. He called his father a brilliant man although he had only a third-grade education. "My father told us, as he awakened us each morning, that 'they' are getting ahead of you," he said, "and I have never known who 'they' were; however, we knew the lesson he was teaching was that life is better served by service."

Rhodes is an Abilene attorney, a Haskell farmer, and he owns an oil company in Abilene. He is a graduate of Abilene Christian University and the University of (see **Rhodes**, page 3)

Also in **The News** that week...Mrs. Elnora Curry told **The News** that her son, Wiley Lee, stationed at Fort Bliss, El Paso, called Saturday to see how the Tahoka-Spur game came out. He said with him were Benny Brookshire, John Paul Lawson, and Billy Bert Stevens, all of whom recently entered the Army and all of whom are in the same "outfit" at Ft. Bliss.

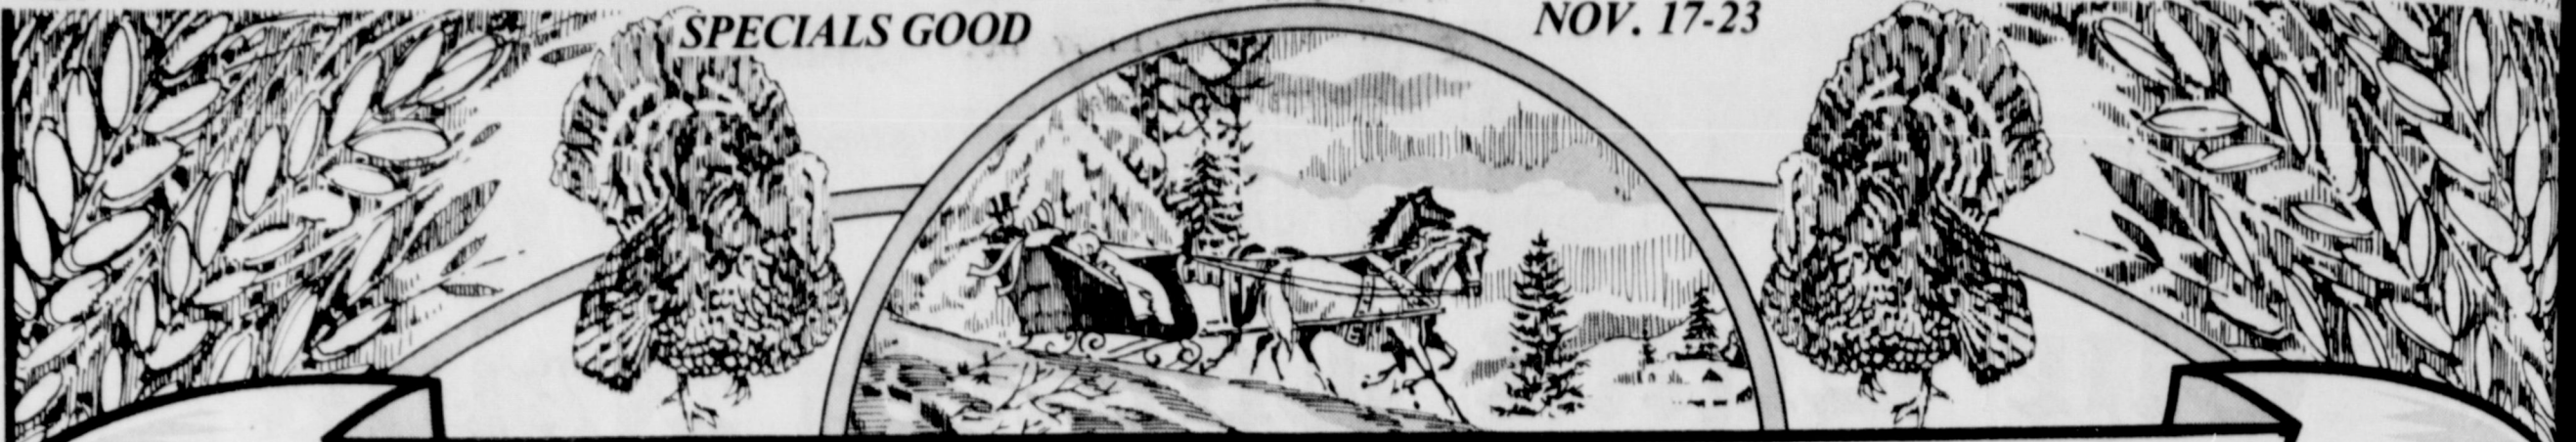

And, there was praise for the coaches...Bill Haralson, Tahoka's head coach, has done a wonderful job during the four years he has been here. In addition to winning

three district championships in these four years, he has been a big influence in character building of Tahoka's boys...Dean Wright, assistant coach, is here for his first year, but he has likewise been a wholesome factor in dealing with the boys, and to him a lot of credit is due for molding a fine line from a group of small boys.

Managers of the 1954 team were Joe Dockery, Leon Anderson, Glen Anderson, and Walton Terry.

...Littlefield defeated Tahoka 33-7 in that Thanksgiving-Day Bi-District Game.

Freshmen End Season With Frenship Game

BY DARRYL STOTTS

Tahoka's freshman team ended the season with a 49-0 loss to Frenship on Thursday, November 10, at Wolforth.

The Tigers scored first on a five-yard run and the PAT was not good. They scored again on their next series, on a 31-yard run, and the PAT was good.

On their next possession, they scored and the TD run was 81 yards and the point-after was good. The Tigers scored once more before the half, on a 36-yard run and the extra point was good.

The Tigers were still going strong in the second half and

they scored on an 81-yard run, the extra point being no good. The sixth TD of the game came on an 18-yard run and that point-after failed too. The last touchdown was on a 59-yard run and the extra point was good that time.

Tracy White led the Bulldogs, with 53 yards. Jacky Jolly had 11 tackles; Ricky Valdez and Tino Chapa had 7 each.

The freshmen ended the season with a 1-4 district record.

Texas Law School. He emphasized to his Tahoka audience that individualism is what built America, and Congress has become seized with the idea that the individual should be controlled.

"People in Washington have an entirely different concept than we, and they have the idea that our country is growing so fast that it's necessary to control the people," he said.

Rhodes said he feels very strongly that American individuals are drifting and have lost "what I feel to be the right to be indignant about the things that are wrong."

Psychotropic drugs such as haloperidol have been of some value in treating patients suffering from a bizarre physical disorder known as Tourette Syndrome. Afflicted youngsters begin showing symptoms-involuntary twitching of face or limbs-between the ages of 3 and 13. Later, Tourette victims may jump, jerk violently, hit, shriek, touch things repeatedly, repeat words from conversations or television, or develop uncontrollable throat clearing or barking cough. Intelligence is not affected, but because of the compulsive body action, the misdiagnosed or untreated victim may suffer ridicule and rejection and subsequently, psychological damage. On occasion, published articles have helped the victims' parents recognize the symptoms and seek assistance from physicians knowledgeable about the little-known disease.

Stew Rice, Billie Lane, and Zana Stanford will have entries in Lynn County Art Association Arts and Crafts Fair.

Howard Griffin of Muleshoe spent Thursday night here with his sister, Mrs. Reta Richards.

Notice, you good cooks! December 1st is the deadline to get your favorite recipes in for the Community Cookbook.

Mr. and Mrs. D. B. Morris went to Albany Friday for funeral services for her aunt, Mrs. R. C. Daniels. The elderly lady died Wednesday night in West Texas Hospital in Abilene, and services were at 10 a.m. Saturday in the First Methodist Church in Albany.

Mrs. Daniels was the daughter of the late Mr. and Mrs. W. M. Medlin and the families lived in the Joe

Stokes community in the late 1920's.

Mrs. Daniels' brother, Kit Medlin, and a sister, Mrs. Schlusmeyer, of Lake Tahoe, Nevada rode back to New Home with Mr. and Mrs. Morris.

Breakfast and morning services were in the New Home Methodist Church Tuesday morning, November 8, with Gene and Bobbie Moore leading the services.

People from O'Donnell and Tahoka attended that part of a four-day revival in the Lynn County Parish, made up of all the Methodist churches in the county--Tahoka, New Home, Wilson, Draw, and O'Donnell.

Bobbie and Gene Moore are conference evangelists, much of their ministry being in music.

Winston's niece, Pat Wood, her husband, John, and three daughters,

Angela, Jodi, and Tina, of Lubbock visited with us here Saturday.

John and Linda Hooser from Dallas will be in Lakeview Sunday, November 20, and John will deliver the message in the morning service.

Don McBrayer was in Midland Sunday for the District SRC Pigeon Show, held in the community building.

He brought home Champion, First Reserve, and six trophies.

The Liberty Bell Home Demonstration Club will have a new membership drive tea Monday, November 21, from 10 to 11 a.m. in the home of Peggy Morrow.

All interested ladies are invited to attend.

Frank Hord of Wolforth had dinner here with us Friday evening, going on to Tahoka to see his home team get beat in football. Sorry about that, Frank!

Mr. and Mrs. George Hasson of Tulsa, Oklahoma spent the weekend here with their daughter, Mrs. Jimmie Webster, and family.

Rev. Jim Lassiter of Seagraves brought the evening services and special music in the New Home Baptist Church Sunday evening.

A pulpit committee was present from Bledsoe.

Mr. and Mrs. LeRoy Nettles were in Sweetwater from Tuesday until Thursday with Mr. and Mrs. Kenneth McClung and Brit.

While there, they helped celebrate Brit's first birthday.

Mr. and Mrs. Clyde Smith spent a few days at Stovall Wells and returned by Lake Whitney.

Mr. and Mrs. Jack Gilson from Santa Anna, California visited with his sister, Mrs. Weldon McClintock, and with the three sisters in Lubbock.

Mr. and Mrs. Weldon McClintock went to Colleyville last Saturday to visit their children and on Sunday attended a McClintock family reunion in Arlington.

They returned by Lake Stamford to see Mutt Harrison. Marie was in Lubbock with their son, Buddy, his wife, and the new baby born Saturday, November 5th.

Mr. and Mrs. J. W. Edwards spent the weekend in Fort Stockton with their grandson, Mr. and Mrs. J. H. Kent, and little Jay, and on Friday night saw Clint play in the last football game of the season, with Pecos.

Mr. and Mrs. Dwain Smith and Stacy visited his parents, Mr. and Mrs. J. B. Smith, in Slaton Sunday, November 6th.

Lynn County 4-H'ers Go To District Show

Eight Lynn County 4-H Club members participated in the District 2 4-H Food Show Saturday, November 12, at Texas Tech.

Those who entered and the award received are as follows:

Junior Division: Breads and Desserts, Rajeania House, blue; Main Dish, Jhoni Caswell, red; Snacks and Beverages, Casandra Brewer, red; Side Dish, Cara Monk, red.

Senior Division: Breads and Desserts, Karla James, red; Main Dish, Melinda McDaniel, red; Snacks and Beverages, Dusti Cook, red; and Side Dish, Laura McDaniel, red.

Sherry Etherege Says

With relatives you haven't seen in ages coming to help celebrate Thanksgiving, the last thing you want is food poisoning! Thanksgiving is a time for feasting, not upset stomachs! Food poisoning is more common during the holiday seasons because the amount of food being prepared and the number of buffets are increased.

Never leave food at room temperature more than 2 hours. Keep hot food hot--above 140 degrees--and cold food cold--below 40 degrees.

It isn't always easy to tell if food is safe to eat. The best rule is, if in doubt, throw it out.

Salmonella is the major cause of food poisoning. These bacteria don't always alter the appearance, taste or smell of foods, even if present in large numbers.

Salmonella are usually killed by cooking, but may re-contaminate the food if it is left at room temperature long.

Keeping hands and utensils clean during the preparation and serving will

help insure that foods do not become re-contaminated. Never use the same dishes or utensils for cooked and fresh meat because the germs killed by cooking will re-enter the foods.

After the feast, care in storage will help prevent food poisoning. Store giblets, gravy, stuffing and meats separately. Remove all fowl from the bone and store in a covered dish in the refrigerator.

Put food away as soon as the meal is finished, then visit. Letting food remain on the table while you talk is an open invitation for germs to feast and for you and your loved ones to suffer.

Foodborne illness can cause diarrhea, vomiting, stomach cramps and other unpleasant symptoms which can last for hours or even days! Don't let food poisoning put a damper on your holiday fun. Play it safe, and stay healthy.

OBITUARIES

Domingo Salazar

Funeral services for Domingo Salazar were conducted Friday, November 11, in the First Baptist Church in Tahoka, with Jim Turner, pastor, officiating, assisted by Antonio Castillo, pastor of Getsemani Baptist Church in Tahoka.

Burial was in Peaceful Gardens Memorial Park at Lubbock, under the direction of White Funeral Home.

Mr. Salazar died at his home, of natural causes, on November 9th.

He was born February 12, 1922 in Santo Domingo, Mexico and married Dominga Hernandez in Nuevo Laredo, Mexico on December 27, 1952. He moved to Lynn County in 1968 from Cotton Center.

He was custodian for First Baptist Church and was a member of Getsemani Baptist Church where he was church journalist and a Sunday school teacher.

Survivors include his wife; two sisters, Misses Amalia and Gregoria, both of Lubbock; two brothers, Faustino of Matamoros, Mexico and Ezequiel, of Laredo.

He is also survived by six nephews and eleven nieces.

Pallbearers were Monico DeLeon, Gilberto Salazar, Carlos Salazar, Bene Salazar, Juan Rocha, Sam Canales, Faustino Salazar, and Ezequiel Salazar.

Mrs. Thomas

Funeral services for Mrs. J. E. (Bessie) Thomas, a former Lynn County resident who had lived in Lubbock the past twelve years, were held November 14 in Sweet Street Baptist Church in Tahoka, with Ross Spencer, minister, of Lubbock, officiating, assisted by Perry Threadgill, interim pastor of the Sweet Street church.

Burial was in Grassland Cemetery, under the direction of White Funeral Home.

Mrs. Thomas died Novem-

ber 12 in Lubbock's Methodist Hospital.

She was born October 24, 1905 at Eastland. She attended school there and moved to Lynn County in 1931 from Lubbock County, and was a resident of the Garnolia community for a number of years before moving back to Lubbock.

She married John Elmer Thomas September 16, 1924 at Shallowater.

Mrs. Thomas was a member of Central Baptist Church at Grassland for thirty-three years, and was a member of the 25th Street Baptist Church in Lubbock.

She was preceded in death by Mr. Thomas, in 1964, and by an infant son, C. L., and a daughter, Virginia Lee.

Survivors include two daughters, Mrs. Martha McDowell of Adrian, Missouri and Mrs. Harold Ray of Lubbock; five sons, W. L. of McLouth, Kansas, Oscar Ray of Route 2, Post, J. E. of Springfield, Virginia, Frank of Tahoka, and Vandon of Annandale, Virginia; twenty grandchildren; and ten great-grandchildren.

Pallbearers were Larry Smith, Kirk Smith, Jimmy Smith, Mack Ray, Van Ray, Randy Thomas, Steve Thomas, Chan Thomas, and Ronnie Thomas.

E. L. Walker

Funeral services for E. L. Walker of Wilson were held November 15 at First Baptist Church there, with E. K. Shepherd, pastor, officiating, assisted by H. F. Scott of Beacon Heights Baptist Church in Lubbock.

Burial was in Green Memorial Park at Wilson, under the direction of White Funeral Home of Tahoka.

Mr. Walker died at his home on November 13th.

He was born August 6, 1911 in Lubbock and was married Hazel Dale Gossett in Crosbyton on December 17, 1938.

He was a retired grain elevator worker and was also in the butane business. He attended school at Lodge

and was a member of Wilson's First Baptist Church and the Masonic Lodge.

Survivors include his wife, Hazel; two daughters, Joan Burns and Pat Cates, both of Floydada; one son, Lester, of Wilson; one sister, Lola Smith of Alpaugh, California; one brother, Amos Trigg, of California; and three grandchildren.

Pallbearers were Dan Cook, Lupe Apellano, Earl Cummings, Victor Steinhauer, Oscar Follis, and Robert Abbe, Jr.

The family has suggested that memorials may be made to the carpet fund at First Baptist Church in Wilson.

Club Hosts Senior Citizens November 8th

Phebe K. Warner Study Club hosted a luncheon honoring senior citizens on Tuesday, November 8, at the Methodist Church fellowship hall in Tahoka.

Mrs. David Midkiff, club president, welcomed guests, and Reverend and Mrs. Gene Moore sang some inspirational songs.

Dwayne Lynch, with the MBFA Foundation, presented a film entitled "Love Without Regard," and Dr. K. R. Durham presided at the program.

The club's next meeting will be Sunday, November 20, in recognition of Federation Day, and the program will be presented by Mrs. Robert Tippis, president of Texas Federated Women's Clubs.

Tax Collections Are Good, Says Assessor

According to George McCracken, tax assessor for Lynn County, collections for the month of October were good, with approximately 49 percent of the current roll paid in.

November collections are also satisfactory, and a 2 percent discount is being allowed for taxes paid in November. A 1 percent discount is allowed for December payments.

TAHOKA HIGH SCHOOL'S FUTURE HOMEMAKERS chapter met last week for a demonstration on Christmas decorations. In the top picture are, left to right, faculty advisor, Mrs. Kathy Waincott; Deanya Wood, area treasurer; Pat Calderon, president; Cindy Havens, secretary-treasurer; Flora Antu, executive assistant; and Gloria Saldana, historian. In the lower picture are, left to right, Brenda Nieman, 1st vice-president; Wanda Elrod, 2nd and 3rd vice-president; Teal Corley, 4th vice-president; Alma Hallmark, 5th vice-president; Inola Thomas, 6th vice-president; and substitute teacher, Mrs. Rambo.

Texas Motorists To See Change In Registration

Texas motorists will get their first exposure to year-round motor vehicle registration beginning January 1, 1978.

Registrations will begin a month earlier this year because of anticipated unfamiliarity that may slow the initial year's collections.

For the first time, registrations will be issued on a monthly expiration basis, instead of having some 11 million all expire at midnight April 1 each year, as before.

Spreading registrations through 12 months is

expected to reduce or minimize the annual long, frustrating waiting lines stretching from county tax assessor-collectors' offices.

Immediately after Christmas, new registration application forms will be mailed to vehicle owners, in preparation for "System '78" was it is described by the Motor Vehicle Division of the State Department of Highways and Public Transportation.

Tax collectors and their staffs throughout the state have been preparing for this moment for the last year. Intensive workshops, seminars, and individual meetings with department field supervisors have centered on the new procedures.

The department has been working up the overall operational plans for some three years. Other states--including California, Washington, and Kentucky--already have initiated year-round registration programs.

Another first will be the appearance of two validation stickers on the multi-year license plates, first issued in 1975. The new stickers will represent month of expiration and year of expiration for that vehicle.

"System '78" will be relatively simple for the motorist submitting his application for registration. The real complications fall in the tax assessor-collectors' offices, primarily because of accounting procedures incident to collection and reporting of registration

fees.

There will be some complications resulting from special vehicle registrations, but the county collection personnel have been briefed to anticipate every eventuality. Principal ingredient needed by vehicle owners will be--as always--patience.

The new system provides that regular and special disabled persons passenger vehicle registrations will be converted to monthly expiration dates. All other registrations, including personalized plates, will remain on the April 1 - March 31 registration period.

Motorists will receive a complete explanation of how expiration dates are to be converted to a monthly system with their vehicle registration applications for 1978, to be mailed and received on or about December 26 - January 1.

Special considerations involved in 1978 registrations will be explained at the county tax assessors-collectors' offices, or by direct communication from the Motor Vehicle Division.

David Williams Graduates At Chanute AFB

An official at Chanute Air Force Base, Illinois has announced the graduation of Airman Joseph D. Williams from the U.S. Air Force's aircraft pneumatic repairman course conducted by the Air Training Command.

Williams, whose parents are Mr. and Mrs. L. F. Williams of Tahoka, is now trained to repair aircraft hydraulic and pneumatic units, and will serve at Travis AFB, California. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Williams is a 1976 graduate of Tahoka High School.

MRS. TODD McNEELY ...the former Rhonda Huddleston Huddleston-McNeely Wedding Rows Said On November 11th

Miss Rhonda Huddleston and Todd McNeely were married in a 7 p.m. ceremony on November 11 at the Home Baptist Church, officiated by Clarence Tedder, minister of Smyer Baptist Church. The bride's parents are Mrs. Lloyd Huddleston of Route 1, and the groom is the son of Mrs. Deanie Bingham and the late Todd McNeely. The church was decorated with yellow and green ribbons and candle holders. Organists Sheila Fillingim and Nedra Young played 'We've Only Just Begun' and 'If'. The bride, given in marriage by her father, was in a long dress with a net train. The dress had a back, and the ring cuffs on the sheer sleeves also buttoned. The bride was sheer, circled in ribbons. For the traditional Something Old, she wore her Great-Grandmother Smith's wedding kerchief which is sixty-years old. The bride attended New Home High School and is employed by Barnell Enterprises.

Donna Smith of New Home, matron of honor, wore a pale yellow dress with white daisies, accented with mint green ribbons. Cindy Johnston of Lubbock, Judi Clem of New Home, and Lisa Boardman, the bride's cousin from Crosbyton, were bridesmaids and they were attired similar to the matron of honor. Bill McNeely, grandfather of the groom, was best man, and Brian Kieth, cousin of the groom, and Monte Maloney, both of New Home, were ushers. Jennifer Bingham of Tahoka, the groom's cousin, was flower girl, and Timothy Young, the groom's cousin, also of Tahoka, was ring bearer. Groomsmen were Jimmy Dorman, Danny Huddleston, and Waymouth Roberts. A reception followed the ceremony, and the couple went to Red River, New Mexico for their honeymoon. They will be at home in New Home.

Mrs. Gurley Is Honored At Lubbock

Mrs. Jess Gurley of Tahoka was one of eight area Life Masters, the highest ranking in duplicate bridge of the American Contract Bridge League at Lubbock Bridge Center in a two-session game Saturday. Paired with Mrs. Winston Wharton, Mrs. Gurley and Mrs. Wharton also won first place, overall, in the game. Each new Life Master was presented an LM charm, and thirty-three tables of players participated.

T-Bar winners last week were Mrs. Meldon Leslie and Mrs. Wilson Edwards, first; Mrs. C. R. Burleson, O'Donnell, and Mrs. Winston Wharton, second; Mrs. Margie Maddox and James McAllister, Lamesa, third; and Mrs. "Bob" Knott, Brownfield, and Mrs. Mary Brewer, O'Donnell, fourth. The club is now meeting at 7 p.m. on Tuesday nights instead of 7:30, as in the past.

Concrete bridges lead 'double' lives

AUSTIN, Texas (Spl.) — A process has been developed by University of Texas engineers that could double the life of concrete bridges. The process impregnates concrete with a polymer (a plastic-like material similar to Plexiglas) that seals the surface without changing its appearance. The treated concrete is stronger, skid resistant, highly resistant to acid and water adsorption, and able to withstand up to 15 times the average freeze-thaw stress of non-treated surfaces. The first commercial application of the sealant process was made recently on a railroad overpass in Big Spring.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

HOW MUCH HEAT DOES THE HEAT PUMP PUMP?

Neither glacial January winds nor a simmering August sun can affect the heat pump's year 'round circulation of air, at just the right temperature.

Now you can stop fussing with the thermostat on those in-between days, too. The heat pump is an automatic climate control system that switches from heating to cooling to maintain the precise temperature you want. On very cold days, resistance heating coils (installed with the heat pump) automatically supplement the heat extracted from outside air. THE HEAT PUMP IS AN ELECTRIC SAVINGS MACHINE. LOW ON COST, HIGH ON COMFORT!

Winterize Cows For Profit

With winter approaching, stockmen can take certain steps to "winterize" their cow herd for a more efficient operation.

Efficiency is increased mainly by culling unproductive cows that would otherwise consume costly supplemental feed.

The following steps are part of a cow herd "winterizing" checklist:

*Sell all cows found open in a pregnancy test.

*Treat eyes for injury, blindness and tumors.

*Check teeth for excessive wear and decay--both cause problems in eating and loss of weight.

*Inspect ears for ticks and treat as needed.

*Treat any cow showing signs of stress from internal parasites.

*Remove all cows in poor condition since they probably will not conceive next year.

*Watch for lameness and any other problem in structural soundness that might limit the cow's ability to forage.

*Check udders and teats for injuries that may limit the milk when the calf does arrive.

*Search last year's records for health problems that may limit a cow's future usefulness, such as retained placenta, calving difficulty or prolapsed uteri.

"Winterizing" the cow herd is just good, sound management. This saves on supplemental feed and also reduces the competition for range grasses.

*The above information is provided by Dr. Delmer Davis and Donald Bynum, Extension area livestock specialist and Extension area communications specialist, respectively, at San Angelo.

Recycle--Don't Burn

Rather than burning leaves or hauling them to the dump this fall, why not use them for a compost pile? The resulting compost will provide a good source of organic matter for potted plants, for topdressing the lawn, and for building up the soil in flower beds, shrub borders

and vegetable gardens.

A simple method of composting leaves and other vegetable matter is to alternate four-to-six-inch layers of vegetable matter such as leaves or grass with two-to-four inches of good garden soil. If available, add manure to the soil layer. Make the compost pile four to six feet wide and any desired length depending on material and space available.

Sprinkle a commercial fertilizer on each layer of vegetable matter to hasten decomposition. Use about one-half pound, or one cupful, of any good commercial fertilizer with a 1-1-1 ratio per 10 square feet.

The top layer of the compost pile should be soil and the surface of the pile should be dish-shaped, forming a basin to hold water. Water each layer of organic matter thoroughly before adding the soil layer. This is especially true when composting leaves as they can be extremely slow to decompose if too dry. Water the pile thoroughly when completed and add additional water as needed to keep the material moist but not soggy.

Turn or mix the compost with a garden fork or shovel every three or four months. This aerates the material and speeds up the composting process. Most compost should be ready to use in six months to a year. The use of commercially available compost activators will reduce the time required for decomposition only if used according to directions.

Well prepared compost can be used anywhere peat moss is used and is an excellent way to dispose of garden debris, leaves and other organic material.

*The above information comes from Everett Janne, Extension landscape horticulturist.

Lynn County Hospital Records Best Year Since 1970 Opening

Gerald Moore, administrator of Lynn County Hospital, reports that the hospital has just ended its fiscal year, the biggest and best year statistic-wise, since its opening in late 1970.

Admissions were up 26 percent, there being 1,335. Other records reported are as follows: Surgical procedures, 188, up 45 percent; births, 116, up 208 percent; laboratory examinations, 33,035, up 11 percent; x-ray examinations, 9,964, up 17 percent; emergency-room visits, 1,683, up 18 percent; total expenditures, including depreciation, \$872,979, up 26 percent; and total income, including taxes, \$898,728, up 30 percent.

"While this was a record

year, we are not without problems," Moore said. "After marking off more than \$50,000 in bad debts and indigent care, we still have \$154,655 in accounts receivable. This is creating problems in our cash flow and indicates that sterner measures must be taken in our collection procedures."

A new physician's office will be completed in the near future, and the hospital board is optimistic about adding another physician to the medical staff.

When the county tax evaluation was raised from \$18,000,000 to \$27,000,000, the board of directors of the hospital lowered the tax rate from 75 cents per \$100 valuation to 55 cents per \$100.

December 2nd Is Deadline For FmHA Emergency Farm Loans

The U.S. Farmers Home Administration (FmHA) has extended to December 2nd the deadline for farmers in Lynn and Garza Counties to apply for farm emergency loans to cover losses caused by this year's drought.

The agency's County Supervisor, Billy H. Stewart, said the extension has been ordered by Secretary of Agriculture Bob Bergland for applications under drought that would expire before December 2, provided the designations are based on disasters that have occurred on or after July 1,

1976. The Secretary's action was taken under requirements of recent emergency loan legislation (PL 95-89) signed by President Carter.

Farmers lacking other sources of necessary credit may apply to FmHA for loans to offset losses or revive farming operations. Under the schedule of interest rates as revised by PL 95-89, loans are made at a rate of 3 percent on the first \$250,000 borrowed against actual loss, 5 percent for additional amount offsetting actual loss, and 8 percent for loans not based on loss but needed to continue farming or make major adjustments in farm operations.

FmHA emergency loan applications for farmers in Lynn and Garza Counties are received at the agency's county office located in the Federal Land Bank Building in Tahoka.

Wilmer Smith Speaks To Rotary Club

The trip of 35 Texans interested in promotion of trade in agricultural products to Japan was the subject of a talk by Wilmer Smith of New Home at the Rotary Club in Tahoka last Thursday.

The Japanese-Texas Association, organized six years ago, met in Dallas last year, and the trip this year was to further increase sales of farm products. Japan is the chief importer of Texas products from the American "Sun Belt."

The session lasted two days, and Smith said the Japanese conferees included representatives of the ten largest corporations and five largest banks in Japan.

He also told of visits to several cities and factories, a ride on the famed Japanese train that travels at a speed of 125 miles per hour, on schedule to the minute. But, he warned that anyone visiting Japan should take along plenty of money because food and lodging over there are extremely high.

He declared that the Japanese people spend 65 to 70 percent of their disposable income for food, whereas American people spend 17 percent of their income for food.

Smith has long been a leader in American agricultural affairs, and currently is a chairman of the board for the Bank for Cooperatives in Denver.

Dr. David Midkiff was in charge of the program.

James Fuller Says...

Get Into Action With 4-H

How would you like to join 4-H? You can, you know, if you really want to, and we'd be glad to have you.

4-H is a national youth program for all youth between the ages of 9 and 19, regardless of race, color, ethnic background, economic status or cultural differences. The program is administered by the Cooperative Extension Service in each state.

The purpose of 4-H is to develop leadership and character in young people. 4-H'ers learn by doing through actively working on projects and participating in club meetings and 4-H activities.

4-H Clubs are organized in such places as rural, suburban and urban neighborhoods. Groups may be organized among neighborhood families in one or two city blocks, housing complexes or anywhere they are needed.

Youth can participate in a variety of projects in 4-H, such as foods, clothing, animal projects, electricity, pigeons, arts and crafts, and many, many others. In fact,

almost anything you want can be a project.

Most important and most of all, 4-H is a lot of fun! Where else can you get together with other people your age and have fun while you learn? Boys and girls in 4-H are always on the move doing something and participating in various activities. For instance, the 4-H rifle project attracts numerous youngsters each year who are interested in learning to shoot and observe gun safety. Livestock projects give youngsters a chance to be responsible for an animal and enter stock shows where they learn competitiveness and sportsmanship. 4-H'ers can even learn to make their own clothes through clothing projects.

Besides projects, other activities such as the Share-the-Fun Contest give youngsters the chance to participate in organized recreation.

Members in 4-H can go on trips, take tours of interesting and educational places, and can help finance their college education with scholarships awarded through 4-H.

In an effort to meet the ever-changing needs of youth as we enter the third century of American history, a set of recommendations designed to guide 4-H programming, "4-H in Century III," has been developed. The recommendations include doubling the number of volunteer leaders serving 4-H during the next decade, which should result in doubling the number of 4-H clubs, special interest groups and 4-H participants.

"4-H in Century III" views the 4-H program in eight major areas of emphasis:

- *Economics, jobs and Careers.
- *Animal, Plant and Soil Sciences.
- *Environment and Natural Resources.
- *Home and Family Resources.
- *Health and Safety.
- *Leadership, Citizenship Education and Community Development.
- *Creative and Performing Arts, Leisure Education and Communication.
- *Mechanical Sciences and Energy.

These areas of emphasis provide the program thrust of the National 4-H Council as it assists the 4-H program, its leaders and members under the direction of the Cooperative Extension Services in the various states.

Boosting the 4-H program is the private sector which provides great resources of money, personnel and materials for the advancement of 4-H. The many business and industrial leaders who have supported and continue to support 4-H give significant testimony that 4-H is a valuable educational program for America's youth.

Remember, you are what you want to be in 4-H. It is educational, interesting, challenging, and lots of fun.

HOW TO COMBAT STRESS!

Here are some helpful rules to cope with a problem we all encounter at one time or another--stress. First relax. It is likely that you will adapt to most stresses anyhow so why get "worked up." Second, try to look at the situation favorably and convince yourself that the source of the stress is useful or necessary.

Try to make your environment more predictable. Stress is easier to handle when you know it might be coming. At the same time, try to arrange situations so you have the possibility of controlling the stress. All this can help make a stressful world more liveable and pleasant.
