Our munity center is almost to the point of being emned as a hazard, and other meeting rooms, ed by businesses and the school, are restricted

point is, we need a place for activities which ure to come as a result of progress.

MAYOR MEL LESLIE signs a proclamation to the effect that February 12-18 is Office Education Week in Tahoka, as well as the nation. With the Mayor are Tahoka's OEA officers, left to right, Gloria Saldana, president; Claudia Guin, historian; and D'Ann Phillips, secretary. The public is invited to visit the office-classroom at Tahoka High School during the official OEA week, from 1:15 to 3 p.m. any school day.

#### D'Ann Phillips Seeking Office In Area Association; Local Unit Competes In Amarillo Contests

Tahoka High is one of 27 chapters of Office Education Association which will be participating in contests at Amarillo College February 24 and 25, and seven students enrolled in Vocational Office Education at Tahoka High will compete in the various contests.

One of the Tahoka students, D'Ann Phillips, daughter of Mr. and Mrs. J. W. Phillips, will be a candidate for vice-president of the area OEA, the election to be held during the Amarillo contests.

Another student. Vickie Dunn, will be the voting delegate from Tahoka.

Other students and their respective contests are as follows: Claudia Guin, General Clerical I; Sharon Jolly, Stenographic I; Sylvia Salinas, Typing and Related I; Gloria Saldana, Records Management Clerk: Mary Gavle Raindl, Job Interview I; and Linda Sanchez, Prepared Verbal Communi-

D'ANN PHILLIPS

Miss Phillips will enter the Accounting and Related I Contest also

The students will be accompanied to the contests by Mrs. Barbara Jaquess, who teaches VOE at Tahoka; Mrs. Freda Jeffcoat; and Mrs. Jerry Guin.

There are three conferences of the association, made up of 77 chapters, in the state -- Amarillo, Midland, and El Paso.

#### organization's policy-setting Hawthorne, Brecheen Will Seek Second Term On Local School Board

According to Mrs. Peggy Elliott, tax assessor-collector for Tahoka Independent School District, two persons have asked that their names appear on the ballot for school trustees in the April 1st election. Filing deadline is March 1st.

Marlin Hawthorne and Mrs. Mary Brecheen will seek a second term on the board.

Hawthorne, a farmer, is a 1958 graduate of Tahoka

High School. His wife is the former Diana Hensley, and the couple has two children. both students in Tahoka Mrs. Brecheen was a

teacher in Tahoka schools from 1966 to 1974. She is a 1949 graduate of Tahoka High and a 1953 graduate of Abilene Christian University. Two of her three children are students in Tahoka schools, and one is a junior at Abilene Christian.

## 'At Close Of Business On February 3,' Helen Biggerstaff Retires At First National Bank

BY MARY BRECHEEN It was a normal, busy day last Friday at First

National Bank in Tahoka, but employees took time, with mixed emotions, to pay special tribute to a fellow worker, Helen Biggerstaff, who was retiring when the books were closed that day. Actually, her employers wanted to declare it "Helen Biggerstaff Day," but Helen Biggerstaff's modesty and devotion caused her to

decline the honor. After thirty-four years with the business, she knew how much work was to be done on Friday, near the first of the month, and she chose to It was that characteristic

displayed by Mrs. Biggerstaff which prompted directors at the bank to draft a resolution which read in part .Whereas Helen Biggerstaff will retire from First National Bank on February 3, 1978. . . Be it resolved that the directors wish to express gratitude to Mrs. Biggerstaff for her nany years of service. .

devotion and dependability on the employee's part which caused fellow workers to present the retiree with a watch with the following inscribed thereon: "HSB ... 34 Years...FNB...Tahoka."

There was a cake--with icing--and a corsage made of, would you believe,

The former Helen House

came to Lynn County in 1926 from Little River, in Bell County, with her parents, Mrs. Fred House and the late Mr. House, who farmed some of the late Oscar Roberts' land. The family lived in the Dixie and New Home communities for a number of years, but Helen finished high school in Tahoka in 1934.

She went to Mary Hardin Baylor College at Belton for a year and took courses which would equip her for a successful career in the business world. She gained valuable experience as an employee in the post office at Killeen, and as a civilian

employee at Fort Hood (then Camp Hood), also at Killeen. However, in August of 1942, she embarked on the career which she would pursue for more than 30

years, with a couple of years out. The late Walter Slaton, president of First National in Tahoka, offered her a job, which she accepted. After his illness and retirement, Mrs. Biggerstaff worked for two more bank presidents in Tahoka, those being Charles Verner, now with First National in Lubbock, and F. B. Hegi, currently president of the Tahoka bank.

In 1949, she was married to Bill Biggerstaff, an employee of a seismograph crew in Tahoka. He died in November of 1976.

Through the years, Mrs. Biggerstaff has been involved in other activities. She is a charter member of Lynn Temple No. 45, Pythian Sisters, and is also an Eastern Star member, having served as Mother Advisor of the Rainbow Girls at one time.

Her only brother, Clint House, is a vocational agriculture teacher at Midway Consolidated School, near Henrietta.

Mrs. Biggerstaff has seen many changes in the banking business--from the hand-operated machines to the computers. She began as a bookkeeper, worked some as a teller, but in the late 1940's, she started working in the loan department and remained in that position until her retirement.

She will not remain idle, although spare time does not frighten her. She does needle work, keeps a home for herseif and her mother, and has plans for some traveling in the not-too-dis-

Someone will succeed her, but, for sure, no one will replace Helen Biggerstaff in the "ranks at the bank." Her qualities are irreplaceable.

#### LYNN COUNTY STORES SUPPORT OUR NO. 1 INDUSTRY

#### HOW COTTON **ABOUT** YOU?

SIXTEEN BUSINESSES ARE LISTED IN THIS ADVERTISEMENT. THESE ARE BUSINESSES WHO SUPPORT FARMERS BY SELLING COTTON IN THEIR STORE. THERE ARE MANY OTHER BUSINESSES THAT HAVE AND DO SUPPORT YOUR LYNN COUNTY COTTON ASSOCIATION BY DONATIONS OF MONEY AND DOOR PRIZES. Bonnie A's, Tahoka---thanks the people Tahoka for their support of cotton merchandise. I would like to take this opportunity to educate the public about cotton garments. The very best cottons do not come from the United States. They are imported. They are woven meticulously. The dye doesn't wreak with odor. They are very soft to touch. It's hard to tell a fine cotton from a silk. The cotton woven in the United States stinks and has a slub in the weave. It's rough and hard to sit on unless it's a pair of blue jeans. We taught the foreigners how to grow the stuff, how to keep the cost down, how to weave it, how to merchandise it, and then helped them ship it back and we pay the bill. Meanwhile, we, The Farmers, who are the originators of the whole process, have bought ourselves beautiful luxurious equipment, driven around in fancy new pickups, afforded the wives big new cars and gorgeous polyester knit wardrobes (so they won't get wrinkled when we high roll). You can't have your cake and eat it too. Meanwhile, our cake has been left in the rain, and it's falling all to pieces. As a merchant and a big supporter of cotton garments, I cannot take love of cotton to the bank. I can take money. Last year, I took markdowns on my beloved cotton merchandise. The knits outsell the cottons 100%. I'll have to preach cottons and laugh all the way to the bank with knit money. If you grow it, wear it! Bloom in the field where you are

Tahoka Food Mart, Tahoka: 100% Cotton gloves and ski caps; other caps

Rim-Rock Supermarket, Tahoka: Hav-A-Hank, 100%; gloves, 100%; Spruce underwear, 50%, and Health-Knit underwear, 50%. Men's shirts with 35% and socks with 75% cotton, towels, 90%, and mop

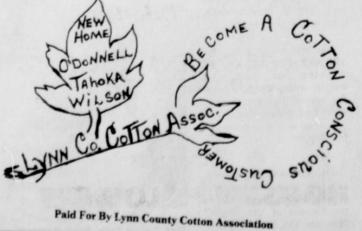

Fabric Place & Shirt Corner, Tahoka: Latest pastel colors of Crinkle gauzes in 50-50 for long dresses, blouses, florals to match, in 50-50. Blue denims in 100%. banquet this spring also. Club members express their appreciation to all who supported the tournament by their presence, and by eating at the concession

#### Freshmen Play In Cooper Tournament

The freshmen boys and girls from Tahoka played in the Cooper basketball tournament February 3 and 4th, and the boys won third

Their first game was with Morton, and Tahoka lost 65-59. Charles Bryson made 28 points; Tracy White, 25; Jacky Jolly, 4; and Tino Chapa, 2.

The boys beat Cooper for the third-place position, 67-55. Jolly was high-pointer, with 24; and White had

The girls defeated Morton 39-11. Making Tahoka's scores were Lani Brown, 11: Amy Porterfield, 9; Nancy Lawson, 7; Sandra Womack and Sheri Tomlinson, 4 each; Cathy Meeks and Elena DelToro, 2 each.

The girls' team was hampered by several of its members being ill or out of town for the Saturday game. They were defeated by Cooper 46-23. Brown had 13 points; Womack, 5; Meeks, 2; Porterfield, Lawson, and Tomlinson, 1 each.

The girls also won the third-place trophy.

#### Barbecue Is Feature Of Stock Show At O'Donnell On 18th

The 4-H and Future Farmers Livestock Show at O'Donnell will be highlighted by a barbecue from 11:30 to 1:30 on Saturday, February 18, in the school cafeteria, cost being \$2.50 per plate.

Wayland Taylor, Inc. and O'Donnell Farm and Ranch will donate the barbecue. and profits from the sale of it are for maintenance and improvements of the show

From last year's profits, a new show ring was constructed, the concession stand was remodeled, and the barn will be painted. New lights and re-wiring has been done by Jim Anderson and paid for by the O'Donnell Young Farmers.

A workday has been set for Wednesday, February 15, at 9 a.m., and all interested persons are asked to attend.

The barn will be open at 12 noon on Thursday, February 16, to receive animals for the 4-H and FFA Show, in which all 4-H and FFA members in the O'Donnell school district are eligible to participate. All animals must be in the

barn and weighed by 6 p.m. on Friday, February 17. Judging of hogs begins at 9:30 a.m. on the 18th, with Marcus Phillips of Hereford doing the judging. Lamb

judging will begin at 2 p.m.,

and steers thereafter. Kyle Smith of Seminole is the lamb and steer judge.

Those who are not contacted for a contribution may leave such at First National Bank in O'Donnell.

#### **Donors of Prizes**

The following organizations/individuals have donated trophies and ribbons: Grand Champion Steer, Dawson County Farm Bureau; Reserve Grand Champion Steer, O'Donnell Young Farmers; Grand Champion Barrow, Dawson County Farm Bureau; Reserve Grand Champion Barrow, O'Donnell Young Farmers.

Also, Champion Fine Wool Lamb, Dawson County Farm Bureau; Champion Medium Wool Lamb, the O'Donnell Young Farmers; Champion Cross Lamb, O'Donnell Young Farmers; Champion Southdown Lamb, O'Donnell Oil and Butane; Steer Showmanship, First National Bank; Lamb Showmanship, First National Bank; Swine Showmanship, First National Bank; Boy Overall Showmanship, Rotary Club of O'Donnell; Girl Overall Showmanship, the O'Donnell Young Homemakers; Banners, Rosettes, and Ribbons, Taylor Tractor Company, Tahoka; and \$50 donation to exhibitor of

#### High School Diploma Available Through Local Night Classes

Adults wishing to complete their high school education have an opportunity to do so through the Adult Education Program in Tahoka's Community Action Center, sponsored by Tahoka's school system in conjunction with Texas Education Agency.

Classes are conducted twice weekly, on Tuesday and Thursday, from 7 to 9:30 p.m. Two certified teachers teach the classes which consist of English, literathre, math, social studies, and science.

Any person who did not finish high school and who would like to prepare to take a high school equivalency test is welcome. Classes are given free of charge, and all materials and books are free. More information may be

obtained by calling the

#### Texas Farms

AUSTIN -- Indications point to a continued decline in the number of Texas farms in 1978, Agriculture Commissioner Reagan V. Brown reports.

Forecasts by the Texas Crop and Livestock Reporting Service indicate that the pattern of losing 3,000 farms a year has slowed to 2,000. "But when you consider that we have lost 12,000 farms since 1974, this steady decline is an alarming one," Brown said. "Total Texas acreage is expected to be 139,800,000.

Mrs. Kenneth McClung and Bret, of Sweetwater, were here from Sunday until Wednesday with her parents, Mr. and Mrs. LeRoy

Mr. and Mrs. Bill White and Georgia went to Borger Wednesday after learning of the illness of her brother-inlaw, C. C. Garvin, of Fritch. He suffered a stroke and is North Plains Hospital, Room 263. Borger.

Mr. and Mrs. George McCracken and Mrs. Kittie McCracken went to Borger Saturday and all returned home Sunday, except that George stayed for a few days with Meady and C. C.

Funeral services for Mrs. Myrtle E. Westfall of Spur were at 2 p.m. Friday, February 3, in the Church of Christ at Spur. Charles Wilson of Lubbock officiated, assisted by Rev. Norris Taylor, pastor of the First Baptist Church at Spur.

Mrs. Westfall, age 85, died Tuesday in Gipson Memorial Nursing Home in Aspermont, after a long illness.

Survivors include one son, Richard, of Southland; two daughters, Grace Kimmel of Quitman, and Mrs. Olan Daugherty, Spur; a sister; one half-brother; ten grandchildren; nineteen greatgrandchildren; and six great-great-grandchildren. 111

Mr. and Mrs. Boswell Sherry Edwards and Mrs. Bessie Strain went to Borger Etheredge Monday and spent the night with Mr. and Mrs. Pat Says Chapman, returning Tues-

> Homemakers, and anyone who likes to sew can take part in a new feature of the South Plains Farm Show to be held March 30-April 1 at the Lubbock Memorial Civic Center.

The Natural Fibers Fashion Revue is one of the major events on opening day of the show, March 30. Adults and youths from Texas, New Mexico, and Oklahoma will compete for hundreds of dollars in prizes and model apparel they have created from fabrics which are predominantly cotton, wool

The revue is designed to emphasize elements of good clothing construction, home sewing and fashion, as well as the use of natural fibers, said Becky Culp, chairman of the planning committee. Mrs. Culp is area clothing specialist with the Texas Agricultural Extension Service, Amarillo.

The competition will have three divisions: Junior high, senior high, and adult.

Each complete ensemble must be made from fabrics which are at least 50 percent cotton, or 50 percent wool, or wool and mohair comprising 50 percent or more of the fabric. Accessories such as blouses, trims and inner construction fabrics are excluded from this require-

Each ensemble must be made and modeled by the contestant, Mrs. Culp noted. Contestants may enter only one ensemble, and it must be worn to be entered.

Ensembles entered in the competition must have been made during the last six months preceding the con-

The entries will be judged on construction as it affects the overall appearance, compatibility of fabric and design, quality of work, creativity, overall appearance, accessories, becomingness, fit, poise, and representation of current fashion trend.

A panel of judges will determine first, second, and third place winners in each of the three divisions, Mrs. Culp said

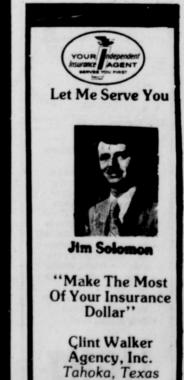

Entry forms may be obtained from West Texas omemaking teachers. ty Extension agents, or implement dealers, or by writing to Natural Fibers Fashion Revue, Route 3, Box 213AA, Lubbock, Texas 79401

Completed entry forms must be returned to the above mailing address to be received by March 10.

Serving with Mrs. Culp on the planning committee for the fashion revue are Patricia Horridge and Marilu Grace, both of the Department of Clothing and Textiles, Texas Tech University; Kay Caddell, Textile Research Center, Texas Tech; and Catherine Crawford, Linda Pittman, Debra Salley, Georgia Doherty, and Mildred Patterson, all of the Texas Agricultural Extension Service, the Texas A&M University System.

NURSING HOME TO HAVE

VALENTINE PARTY Residents of Colonial Nursing Home will have a Valentine Party on February 14, to which all interested persons are invited.

#### Lynn County News

#### Jack Edwards, Tahoka Native, Is Dimmitt's Man-Of-The-Year

Jack Edwards, 1965 graduate of Tahoka High School and the son of Mr. and Mrs. H. W. Edwards, Jr. of Tahoka, was named Dimmitt's Citizen-of-the-Year on January 28th at the Chamber

of Commerce banquet there.

Edwards is an attorney in Dimmitt, an associate in the Burkett, Ross, and Edwards law firm. He and his wife, the former Jan Curry of Hale Center, have two children. Holly and David.

According to The Castro

County News, Edwards guided the 1977 United Way Campaign in Dimmitt to Immediately upon his

moving to Dimmitt in 1972, he became active in civic work, including such activities as Little League coach and manager, Junior Babe Ruth Baseball, and Little Dribblers.

LITTLE DRIBBLERS' SUPPLEMENT

TO The Official Basketball Rules as adopted by the National Basketball Committee of the United States and Canada.

Little Dribblers' Basketball, Inc. has adopted The Official Basketball Rules with the following changes and Special Rules.

SPECIAL LITTLE DRIBBLER RULES Little Dribbler Rule 1. Each player on the team roster who is present ten (10) minutes before the scheduled starting time of the game shall be required to play one complete quarter of play. In the event one team has one player less than its opponent, the team having the greater number of players may draw at random from the opponent's players. The player drawn shall be required to play two quarters of play. If a team has two or more players less than its opponent, the team having the drawn shall be required to play two quarters of play. If a team has two or more players less than its opponent, the team having the greater number of players may either continue to draw or the team may designate two or more players of its own team who will not be required to play a full quarter.

It is the duty of the official scorer to enforce this rule.

Little Dribbler Rule 2. (Not applicable to Senior Division\*) A zone defense shall not be permitted. A zone defense is usually called when a player chooses to play the ball or chooses to guard an area of the court as opposed to guarding an opposing player. This is a judgment call of the official.

Little Dribbler Rule 3. (Not applicable to Senior Division\*) Defense in the backcourt is prohibited except during the fourth quarter of the game. This rule shall not be interpreted to allow a "free" outlet pass starting a fast break.

Penalty: No penalty for first violation. Subsequent violations will receive technical fouls.

Little Dribbler Rule 4. (Not applicable to Senior Division\*) No isolation type offense involving one or two players will be permitted. Clearing the floor to one side for a one-on-one or two-on-two offense is prohibited. Teams must involve all of its players in the offensive pattern. This will be a judgment call of the official.

Little Dribbler Rule 5. All-Star teams must have ten (10) players before entering any official Little Dribblers' Tournament. All leagues are encouraged to select a sufficient number of alternates to avoid forfeiture of tournament participation. Allowances will be made for sickness or injury during

Little Dribbler Rule 6. (Not applicable to Senior Division\*) The 3-second rule in Rule 9, Section 3, is changed to a 5-second rule.

Little Dribbler Rule 7. (Not applicable to Senior Division\*) The free throw line shall be 13' 6'' from

the plane of the face of the backboard.

Little Dribbler Rule 8. (Applicable to Junior Division Only) The basket shall be 8' 6" from the

Little Dribbler Rule 9. The official Junior-size ball shall be used in Junior League play. Little Dribbler Rule 10. Section 4 of Rule 3 regarding numbers on uniforms will not be enforced.

He is a charter member of Dimmitt Kids, Inc., and has served on the board of directors and as an officer of the Dimmitt Chamber of

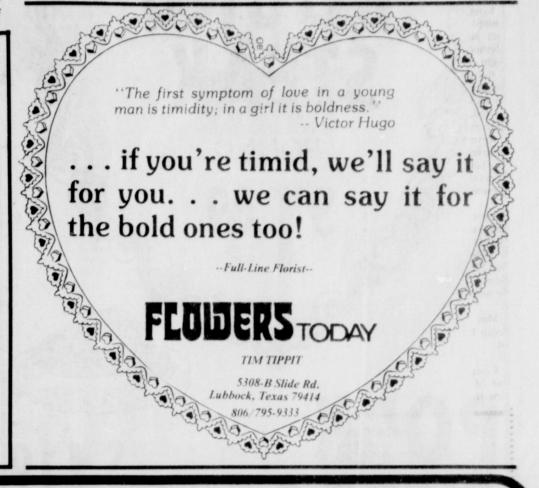

Commerce. He is a 1969 graduate of Texas A & M, where he was a member of the Ross Volunteers, the Governor's

honor guard. He then entered Texas Tech Law School, graduating in 1972. It was then that he moved to Dimmitt where he has been city attorney since 1973.

He was named to Who's Who Among American Lawyers last year.

In 1810 there were 366 newspapers in the country

Because Igran<sup>®</sup> is the sorghum herbicide that really fits the sandy soil conditions in the South High Plains and South Rolling Plains.

And because it fits, Igran is easier to use. There's no guesswork or experimenting with rates. Just follow the label directions.

Then watch your sorghum come through clean and healthy. Because Igran controls those tough broadleaf weeds like carelessweed and

annual morningglory. Controls them early, before they have a chance to rob your crop of vital soil moisture and nutrients.

Igran. Once you try it, you'll keep on using it. Because now you've got a sorghum herbicide that really fits your sandy soil conditions

the series on

Citing domestic use U.S. Department of Agriculture figures will total near or below the record level for the 1976-77 crop year due to relatively low farm commodity prices and the set-aside programs. Supplies will be more than adequate to meet the needs of U.S. farmers in 1978 unless production is curtailed.

With adequate fertilizer supplies anticipated, farmers who buy early should be able to get the kinds of fertilizer they want and receive a price advantage.

Fertilizer inventories are good this winter with nitrogen well above yearearlier levels. Anhydrous ammonia capacity increased sharply during 1977 and phosphoric acid and potash capacity remains close to a

Of the primary nutrients, nitrogen use in Texas during 1976-77 was 750,000 tons. about the same as 1975-76; phosphate use increased two percent to 277,000 tons, and potash use was up 15 percent to 98,000 tons.

Anhydrous ammonia production capacity in the U.S. rose 16 percent the past year to 22.7 million tons. Total phosphoric acid production capacity at 9.3 million tons is expected to remain about the same for the 1978 fertilizer

According to USDA estimates, application rates of the three primary nutrients on U.S. acreage harvested in 

wheat but were mixed for cotton and soybeans. The percent of acres fertilized in 1977 was about the same as a year earlier for corn, down for wheat, and up for cotton

and soybeans. This year fertilizer application rates per acre are expected to increase, but not enough to offset the

reduction caused by setaside programs.

Potash production capacity remained unchanged during 1977. U.S. production capacity is currently about 3 million tons, while North American capacity is about 11.7 million tons. U.S. demand for potash continues to exceed domestic production so the nation remains a net importer of potash from

#### **James Fuller** Says ....

4-H'ers Squelch Insect Pests Don't let hungry bugs reap the harvest of all the hard work you've put into planning and planting a garden.

Through the national 4-H entomology program supported by Hercules, Inc., youth can learn many pest control tips

These tips include: -Checking the garden each week crop by crop for pests. -- Controlling pests right away by using a recommended pesticide.

-- Following directions and precautions on pesticide labels, and observing the waiting period specified from time of application to time of harvest.

-- Giving the garden sand its surroundings a good cleanup season. Fall plowing also

40° Cotton needed to recover costs

Now is the time to be planning your next year's cotton crop.

Let us plan with you! We can apply a balanced liquid

fertilizer designed for South Plains cotton production, and

at the same time time, apply your cotton herbicide.

So why not shoot for

in 1978?

THESE TAHOKA FIRMS ARE

MAKING THIS FARM NEWS POSSIBLE

MAXIMUM PRODUCTION

GOODPASTURE, INC.

kills many destructive insects.

Girls and boys who take part in 4-H entomology projects and activities have a variety of opportunities to learn-by-doing about the insect world. Harmful insects like cabbage worms and helpful ones like honeybees can be found in the garden, backyard, home or practically anywhere. In fact, there are more different kinds of insects than all other living things--plants and animals--combined.

Under the supervision of the Cooperative Extension Service, 4-H members 9-19 can collect and identify insects or rear live insects in captivity. They learn how insects interact with the environment, plant life, other insects and man himself. And they examine career opportunities in entomology.

4-H'ers can also work for awards donated by Hercules and arranged by National 4-H Council. Recognition includes six \$800 scholarships at the national level and 16 expense-paid trips to the National 4-H Congress in Chicago, awarded on a sectional basis.

One program member per state can earn a \$50 U.S. Savings Bond, and up to four members in each county are eligible for medals of honor.

To encourage young people's interest in the 4-H entomology program, a slide-tape presentation. 'Exploring the Curious World of Insects," is available from the National 4-H Council. 111

Wilson 4-H Club will meet Thursday, February 9, 7:30 p.m., in the school cafeteria. A special program on photography will be presented by Beverly Kercheval, a photographer from Slaton.

All 4-H Club members and

#### Tynn County News

parents are urged to attend this special program and to bring a friend.

4-H is open to all between the ages of 9-19, regardless of race, color, creed, sex, religion or national origin.

#### Llano Estacado To Elect **New Board**

Lynn County Advisory Committee of Llano Estacado will elect new board members for the committee on Thursday, February 23, at 8 p.m. at St. Jude's Catholic Church hall, on South 4th Street in Tahoka.

Board members are urging community residents to attend the meeting. Refreshments will be served.

Some people believed it good luck for a butterfly to fly through their coat sleeves.

## Card of Thanks

Please accept our gratitude for contributions to the Seal Drive.

Disabled American Veterans

kindnesses extended to us

during Laura's stay in the

hospital and her convales-

Chapter 34 May we take this opportunity to express our appreciation to our friends and neighbors for the many

ence at home. The food, flowers, and visits were greatly appreciated. A special thanks goes to Dr. Chambler and the hospital staff for their care and concern. Such experiences make us realize what a blessing our friends and

neighbors are.

The Eimer Wilson Family

We would like to thank everyone who was so nice to visit, send flowers, gifts, cards, and food while I was recovering from surgery. Your thoughts and prayers helped greatly in my recovery

May God bless each of you is our prayer.

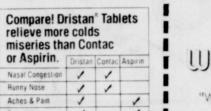

Louie and Lois Weathers
