County To Mark 75th Anniversary With Reunion, Museum Opening

The Spectator...
By Mary Brecheen

18th-century London, the coffeehouse was the rage because coffee itself was a delicacy and a rarity. You see, it was imported from Java--or somewhere--and was much too expensive for the average household to serve on a regular basis.

Depending on one's "calling" or his interest in life, he went to a particular coffeehouse. In other words, a business man would go to Lloyd's (the forerunner of Lloyd's of London), the person interested in fashion would go to Will's, etc., etc. The clientele, you see, was determined by what was discussed at a given coffeehouse.

For some two years, I have been privileged to be a member of a distinguished group at the Federal Land Bank Building, and my understanding of human nature is much keener as a result of the unique conversations into which I am drawn.

At a "coffeehouse," I must say, attracts a wide variety of folks with varied, even colorful, backgrounds.

My life is much richer for having been a part of the group!

THE FLATLAND BLUEGRASS, scheduled to perform from 2 to 6 p.m. on the courthouse square in Tahoka on Saturday, are, left to right, Mike Murley, banjo; Craig Cunningham, lead vocal and guitar; Jeff Redman, guitar; and Randall Redman, guitar. Murley and Cunningham are both from Lubbock, and the Redman's are from Plains. Not pictured is Troy Wayne Wells, bass player, from Morton.

Lynn County actually had its 75th birthday on April 7, but because of the traditional Old Settlers Reunion held in June each year, the festivities were postponed until that time, and that time has come.

Mr. and Mrs. Rush Dudgeon are president and secretary of the Pioneer Reunion, held traditionally on the Saturday nearest the 24th of June each year, and Dr. Richard White is general chairman of the Diamond Jubilee Celebration. They say that festivities will get underway at 10 o'clock Saturday morning with pioneers registering at Tubbs Elementary Cafeteria, that to be followed by visiting and a barbecue meal at noon.

At the business meeting after lunch, awards will be presented to the oldest man and woman present, and to the person traveling the greatest distance to attend, who have not previously won the award, and to the merchants who have best decorated their windows in the pioneer theme.

Following that, starting at 2 p.m., the Flatland Bluegrass will perform on the courthouse square, until 6 p.m., halted only by a parade which will form south of the post office and begin its way through downtown at 2:30.

At 3:30, the Museum will be formally dedicated, with a ribbon-cutting ceremony, to be followed, on the inside.

RCA Hearing Is Slated For June 27 In Tahoka

"Lyntegar Electric's Community Room in Tahoka will be the site of a public meeting on the future of soil and water conservation programs in Lynn County," said Lit Moore, Chairman of the Lynn County Soil and Water Conservation District.

by an address by Retired District Judge Truett Smith.

Jacky Henry, grandson of the pioneer Luttrell family, will lead a prayer during the Museum's opening ceremony.

Concession stands, more Flatland Bluegrass, games for all ages, and an 8 o'clock street dance will take up the rest of the day.

The meeting has been scheduled for Tuesday, June 27, at 8 p.m.

The 1977 Resource Conservation Act requires each state and each county to hold an open meeting where the general public is invited to (see RCA, page 3)

Speaking of rich experiences--I was inspired last week on a round of "kodaking" by my friend, Belton Howell (alias The Farmer), and his wife, and he was generous, as always, with his gems of wisdom.

As we talked, he told me that time marches on, and I already knew that, but somehow, it was so convincing coming from a near-centenarian that I know whereof he speaks.

That also causes my thoughts to wander into the past.

I always liked the theory of "flowers for the firemen," so I am more than happy to note that the volunteer firemen have honored Mayor Mel Brecheen with their recent donation to the Museum.

Besides the obvious fact that the firemen have again shown their generosity, the Museum is the beneficiary.

Even deeper than that, I like the idea that the firemen recognize one who indeed deserves to be honored in such a way.

Mayor is one of those rare individuals who is the game fair and straight, and he always speaks with a sincere feeling for his fellow man.

It has been our Mayor a long time and he has accomplished many things for Tahoka, but it still seems a "world of good" to see one who sees a "world of good" to see one who puts his talents to work in expecting positive results, and not caring who gets the credit.

Jayson Knox Gets Scholarship To Exclusive Prep School In Oregon

JAYSON KNOX

Jayson Knox, 1978 graduate of Tahoka High School and the son of Mr. and Mrs. Leighton Knox, Jr., has been notified that he is one of twenty recipients of a Falcon Foundation Scholarship to Millard School in Bandon, Oregon, the fall session to begin September 19th.

Millard is a preparatory school for the United States Air Force Academy, and Knox has been instructed to take immediate steps to secure the nomination of Senators John Tower and Lloyd Bentsen and Congressman Omar Burleson for admission to the Academy in June of 1979.

Millard School was established in Washington, D.C., in 1925 as a preparatory school for West Point. Now located in Bandon, Oregon, it serves as a preparatory school for all the federal service academies.

Preparation requires a period of intensive studying and conditioning, and stands (see Knox, page 3)

Parade Up-Date

Saturday's parade will include children's decorated bicycles, a division for eight years and younger and one for nine years and over.

First and second-place ribbons will be given in each category.

Also, persons who are 75 years old this year are invited to ride on a special float in the parade. Those individuals are asked to contact Mrs. Nadine Dunlap at 998-5135 or 998-4377.

MRS. MARY BRECHEEN, who has served as secretary of the Chamber of Commerce since 1976, was honored at the Chamber breakfast Tuesday morning of this week. More than sixty people were present at the breakfast, and Mrs. Brecheen was presented a money tree.

Firemen Contribute To Museum, Honor Leslie

One of the most recent contributions to the Museum Fund is that made by the Volunteer Firemen, honoring Tahoka's Mayor Mel Leslie.

The \$100 donation was announced on Tuesday of this week.

D. W. Gagnat has also given \$100 to the fund, and a total of \$120 has been given, by seven persons, toward the purchase of chairs and tables for the meeting room in the Museum.

Blood Drive Set For Saturday

Persons who wish to donate blood may do so Saturday, June 24, in the fellowship hall of First United Methodist Church, from 10 a.m. to 4 p.m.

Information and/or appointments may be had by calling Mrs. Elmer Owens at 998-4873.

Tommy Guin Is Recipient Of WTC Agricultural Scholarship

TOMMY GUIN

Tommy Guin, son of Mr. and Mrs. Homer Guin, and a 1978 graduate of Tahoka High School has been awarded an agriculture scholarship for the fall semester at Western Texas College in Snyder.

The college is awarding agriculture scholarships for the first time this year, and was recently selected to share in the scholarship funds of the South Plains Fair Association, joining Texas Tech, Lubbock Christian College, and South Plains College in the project.

"We are pleased to have Tommy coming to WTC," Van Righy, assistant professor of agriculture, said. "He has been an outstanding student during his high school career and we feel he has the potential of becoming a leader in agriculture."

Guin was recipient of the 4-H Gold Star Award, the 4-H Citizenship Award and Leadership Award, the Future Farmers of America Greenhand Award, and (see Guin, page 3)

MRS. BRECHEEN IS HONORED AT CHAMBER BREAKFAST TUESDAY

Over sixty people attended the monthly Chamber of Commerce breakfast on Tuesday of this week in Tahoka Cafeteria, and prior to the announced program, a money tree was presented to Mrs. Mary Brecheen, who has served as Chamber secretary the past two years and who is editor of *The Lynn County News*. Mrs. Brecheen has resigned both positions in order to accept employment with Cullers-

Bailey and Company in Abilene.

A representative of L. C. Williams Company in Houston presented a variety of Christmas decorations, as requested by the Chamberettes who are contributing funds toward the project for downtown Tahoka, and who are asking civic clubs and other organizations for assistance.

The name of Farmers Co-op was drawn, for \$15; however, no one from the firm was there, so the amount will increase to \$30 at the July 18 breakfast.

CHARLES TOWNES

Charles Townes Retires On Friday As Postmaster; Becomes Bank Teller On Monday

Charles Townes can't truthfully answer the trite question, "How does it feel to be retired?" because he really doesn't know, although he did retire last Friday after 42 years as a postal employee, 38 of those years in Tahoka and 4 years in the military. However, he went to work just across the way on Monday at First National Bank.

Townes can't say what it's like to live somewhere other than Tahoka either, for he was born in the fair city shortly after his parents, the late Dr. and Mrs. C. B. Townes, arrived in 1916.

He started first grade in Tahoka, graduated from high school at sixteen, and after one year at West Texas State and two years at Texas Tech, he came home and began his tenure in the post office, in 1936.

W. E. "Happy" Smith was the postmaster then, and Townes recalls that other employees were A. C. Weaver, M. O. Canady, and Boyd Rice.

From 1942 to 1946, Townes was in the postal service with the 45th

Infantry, and he was stationed many places, not the least of which was Anzio Bay, near Rome, Italy. His discharge credentials read March of 1946, but he was out early enough to start work in the post office at Tahoka by January of that year, and some 19 years later, when Happy Smith retired, he was promoted from Assistant to Postmaster, a position which he has had until last Friday, when he retired and became a bank teller.

He says that one of the really noticeable changes in

the post office business is the mail schedule. "Used to," Charlie said, "the mail came to Post on the train, and the mail car waited there for it, regardless of the train's arrival, and we never knew when it would get to us in Tahoka." All the mail comes out of Lubbock now, and it arrives in Tahoka at approximately 6:50 each morning.

"Back then," Townes says, "there were four rural routes, and there are only two now. There was even a tri-weekly route then, to West Point."

Bill Ashcraft, of Ralls, will be Officer in Charge at Tahoka's post office from four to six months, until a postmaster is named, according to Townes.

Townes' only brother, Reid, lives in Lubbock, and his sister, Mrs. Clint (Lottie Jo) Walker lives in Tahoka. He and his wife, Fredda, plan to spend some week-ends at their home in the mountains of New Mexico, since closing hours at the bank are earlier than at the post office.

Band Students Reminded Of June 26 Clinic

Tahoka Schools' Band Director Don Wise called *The Lynn County News* from Syracuse, New York on Monday of this week to ask that students be reminded of the upcoming band clinic in the band hall June 26-30.

The clinic is designed specifically for Tahoka students, and Wise says the outcome of the overall program next year will be based on the fundamentals learned at this event.

There is no charge to any band student.

Donna Marett, James Chancy Married In Tahoka Church

Wedding vows were exchanged Saturday, June 10, 10 p.m. in the First Church of Tahoka by Sue Marett and James Robert Chancy, both of Lubbock.

Groomsmen were Steve Chancy and Chuck Tipton, brother and brother-in-law of the groom.

Ushers were James and Mark Marett, brothers of the bride; Mike and Billy Marett, cousins of the bride; and Malcolm Chancy, brother of the groom.

Traditional wedding music was rendered by Gary White at the organ. He accompanied Jim and Dot Patrick of Snyder who sang *The Twelfth of Never*. Patrick also sang *You Light Up My Life* and *The Lord's Prayer*.

A reception followed the ceremony, in the Fellowship Hall of the church. The groom's table was covered with a pale blue cloth accented with pewter and crystal. Coffee and Devil's Food Cake were served by Cindy Chancy, sister of the groom, and Pat Bingham. Highlighting the groom's table was a miniature "reluctant" groom and bride.

The bride's table, covered with white lace and laid with silver and crystal, was the background for a three-tiered wedding cake, topped with a traditional bride and groom. Penny Witt and Kay Marett served at the bride's table.

Members of the houseparty were Sherry Tilley, Jerri Brooks, Pat Bingham, Mary Jo Miller, Lacey Scott, and Reno Riddle.

Following a wedding trip to points of interest in New Mexico, the couple will be at home in Tahoka.

Mr. and Mrs. Chancy are both graduates of Tahoka High School.

Guests of honor at the wedding were the grandparents of the groom, Mr. and Mrs. Burl Moore.

The groom's parents hosted a rehearsal supper at their home for members of the wedding party immediately following the rehearsal on Thursday night.

Others receiving scholarships at WTC this year will be Kenneth Levens of Anson, and John and Don Richardson, Snyder.

WTC is expanding its agriculture program. Five new courses are being planned for the fall and spring semesters, and agriculture courses will be offered at WTC's extension centers for the first time.

"We are looking forward to our best year in the agriculture division," Rigby said.

Fall semester classes at WTC begin on September 7th.

Chancy, sister of the groom, registered the bride and groom at the hotel.

Housing Authority Gets Okay On Its Modernization Contract

Congressman Omar Burleson's office called *The Lynn County News* Tuesday of this week to announce the approval of a \$132,000 Modernization of Public Housing Contract by the Department of Housing and Urban Development, to the Housing Authority of the City of Tahoka.

The purpose of the contract is to continue modernization of twenty-six units of the housing project. Priority will be given to energy conservation, toward protecting structural integrity, and to items resulting in cost savings. The contract obligates the federal government through annual contributions to pay the principal and interest of bonds issued by the housing authority over a period of time in the amount of \$132,000.

AROUND TOWN

by Leona Waldrip

If you missed this column last week, it was because the writer was on a short vacation in Oklahoma and Kansas. Leaving here early the morning of June 7, my sister and I drove to Roff, Oklahoma where we visited our aunt until the following Monday. Joined there on Saturday by two cousins from Colorado, we all attended the "Hickory Reunion" on Sunday.

This annual affair, held the second Sunday of June, is for persons born or having lived in the town called Hickory. We cousins were all born there and started school there. The school long ago consolidated with larger nearby towns and no longer exists as such, but the townspeople converted the lunchroom into a community center where the reunion is held.

On Monday, we left for Emporia, Kansas where we visited until Thursday morning with our younger sister, Freida Messersmith, and her husband. Needless to say, the 600-mile drive home on Thursday was not an easy one.

Past Noble Grand Club met with Willie Childress, hostess, on Thursday at 7 p.m. Seven members were present. After the business session and study of the constitution and by-laws, a meal was served.

A large group, including two visitors and one new member, were on hand for the regular noon luncheon of the Lynn County Pioneer Club on Friday, with Fleda Howell and Carrie Bevers as hostesses.

Mrs. Eloise Durham won the afghan that the club has been collecting donations on, and Lois Weathers got the prize at the "lucky member" drawing.

Members wishing to visit the O'Donnell Senior Citizens Club are asked to meet at 10 a.m. Friday where cars will be provided to take those who will be going. Those going are asked to take a covered dish or make a donation at the door there.

Other upcoming events scheduled for the club include the trip to the Governor's Conference on Aging held in San Antonio on June 25-26, the June birthday party on Friday, June 30, and an ice cream supper on Monday night, July 3rd.

Mrs. Mary Ellen Moe, formerly of Tahoka, is visiting her parents, Mr. and Mrs. F. A. Wyatt, this week. She now lives near Anchorage, Alaska.

The Wyatt's other daughter, Jerre, who is attending Texas Tech this summer, was home for the weekend.

Mr. and Mrs. Pat Hutchinson of Minden, Louisiana are visiting with Dr. and Mrs. K. R. Durham.

Mrs. John Fleming reports that her son's family recently spent a very enjoyable week in Hawaii.

Leaving Dallas on June 3rd on a 747 plane, Mr. and Mrs. Layland McMahan and daughters, Kim and Alicia, flew non-stop to the island where they stayed at the Waikiki Outrigger Hotel. While there, they met and had dinner with three Japanese friends of Layland's who were members of

the Wayland College national Choir when were all students during 1950's.

The family returned to Dallas, where their home on June 11th.

Mrs. Annie Bell Stice, her daughter, Mary Owen, of Post attended family reunion in Abilene Sunday. About 125 uncles, and cousins, and grandchildren of the Clements side of the family were in attendance. Mother Clements, Stice's mother, who Eastland was able to the affair.

MRS. GARY LEE FINE
...nee Challis Ann Carter

Challis Carter, Gary Fine Say Marriage Vows In Louisiana

Challis Ann Carter of Breeze, Florida, and Lee Fine of Lafayette, Louisiana, were married at 10 a.m. on Saturday, June 17, at the East Bayou Baptist Church in Lafayette, Louisiana. The ceremony was officiated by Rev. Troy J. Carter, pastor of Eastside Baptist Church in Baytown, Texas.

The bride is the daughter of Cdr. (Ret.) and Mrs. James Duane Carter of Gulf Breeze, and the granddaughter of Mrs. Beulah Pridmore of Tahoka, and the late Mr. and Mrs. J. D. Carter. The groom is the son of Mr. and Mrs. Wilburn Fine of Lafayette, Louisiana.

Given in marriage by her father, the bride wore a formal-length gown of candlelight chiffon and Venise lace. The princess-line gown featured a modified V neckline, formed of the lace, and was sleeveless with lace caplets. The paneled skirt was edged in lace and bridal pearls and flowed to a chapel length. Her fingertip veil was held by a Juliet cap of lace that was highlighted with the bridal pearls.

Mrs. Randall Trammell of Dallas, sister of the bride, was matron of honor, and Miss Pat Higgs of Gulf Breeze, Florida was maid of honor. Mrs. George Meier of Topeka, Kansas, sister of the groom, Mrs. Bob Fine of Baton Rouge, Louisiana, and Miss Ann Olmsted of Shreveport, Louisiana were bride's matrons and bridesmaid. All the bridal attendants were attired in peach floor-length dresses.

The groom's father was his best man, and groomsmen were Bob Fine of Baton Rouge, brother of the groom, Sammy Pridmore of New Home, Kenneth Tracey of Monroe, Louisiana, and Bert Coco of Baton Rouge.

The flower girls were Kaycie and Tamara Meier of Topeka, Kansas, who wore peach candlelight floor-length dresses.

The candlelighters were Sammy Pridmore of New Home, and Tim Pridmore of Lubbock. Paige Pridmore of New Home registered the guests, and Angie Pridmore of Lubbock presented programs to the guests.

Mrs. Fine is a graduate of Gulf Breeze High School, and is presently attending the School of Nursing at the University of S.W. Louisiana in Lafayette. Fine is a graduate of St. Elmo High in Illinois, and Louisiana State University at Baton Rouge.

Following the ceremony, the couple left for a wedding trip to New Orleans.

He is a 1963 graduate of Roby High School and has studied at Cisco Junior College.

Historian Tanner Laine Relates Story On Meaning Of 'Tahoka'

The following article was written by Tanner Laine, in the Lubbock Avalanche-Journal.

There were mixed ideas on the meaning of the name "Tahoka" back in 1902, but this did not keep the pioneers from going ahead and getting their town started.

Historians say it was a cloudy, cool day in early December of 1902, when 100 to 200 persons "from far and wide" met in a ravine at the southwest side of Tahoka Lake, made a big bonfire, and decided to petition Lubbock County for organization of Lynn County.

Plans also were initiated for establishment of a county seat town in the center of the county.

The name "Tahoka" was selected for the county seat town because 200 years before this, a historian for LaSalle's expedition into Texas, had mentioned the word "Tahoka," identifying Indians.

Pioneer ranchers and cowboys thought the word meant "bad water," but some Indians and Mexicans, who were earlier inhabitants, thought "Tahoka" meant "good water" or "fresh water."

Both may have been right. For it is said there were springs of fresh water on one side of the lake, but when the water got out into the large lake (Tahoka), it became alkaline or salty to the taste.

Anyhow, plans for organization of Lynn County and establishment of Tahoka went on.

At its February term in 1903, the Lubbock County Commissioners Court ordered an election for Lynn County on April 7, 1903. It was approved and establishment of a county seat town also was the first order of business. An application for a post office was authorized April 30, 1903.

A section of land was bought and shares of stock at \$25 a share were sold to settlers, with a limit of four shares per person entitling a buyer to one town lot. The Tahoka Townsite Company was started by B. G. Sweet, Jack Alley, and W. T. "Bill" Petty.

Tahoka was on its way. And, by the way, the water in the town is "good." Tahoka Lake, 7 miles away, has long since dried up.

A copy of the above article was borrowed for this special edition of The News from Belton Howell, Tahoka.

WHY SPS MUST HAVE A RATE INCREASE

The costs of labor, materials and other items necessary to the company's operations continue to skyrocket. Despite the fact that we have adopted programs for cutting expenses and capital expenditures, it becomes increasingly difficult for us to keep up with these rapidly rising costs.

Although we have been operating in a highly inflationary atmosphere for the past several years, there has been no general increase in SPS electric rates since 1974. Now, however, we are forced to seek rate relief if we are to continue to provide the electric service needs of our customers.

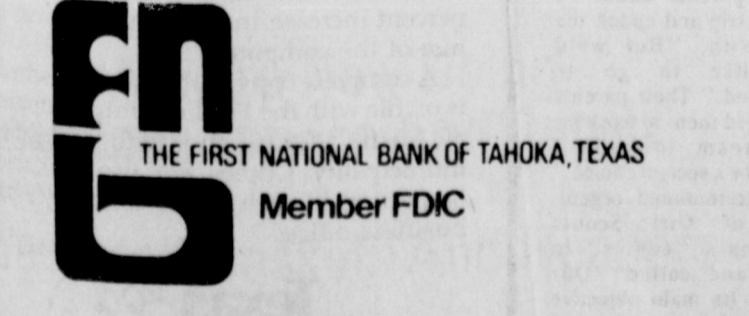

Our goal is to provide the best possible service at lowest possible cost, now and in the future. The increase in our rates that we have requested will allow us to realize that goal.

CAR LOANS

There's always something special about a new car. The way it smells. The way it drives. The way it turns out after you've spent your Saturday afternoon waxing and polishing it. A new car is an old love affair that's been going on a long time. But today's car buyers are more sophisticated and careful about what they're getting and what it does than they used to be. Today, a new car's got to have more than chrome. Today's buyers are concerned about gas mileage, efficiency and maintenance. Naturally. A new car today represents a lot bigger expenditure than it used to. So what are we advising you? Just this: shop wisely, compare prices, features, overall efficiency and warranties. Then when you've made up your mind, come to the First National Bank of Tahoka for your new car loan. Our rates will compete with any you'll find in West Texas. We want your business today, and tomorrow. Come to us for the best in automobile loans.

People are our best assets.

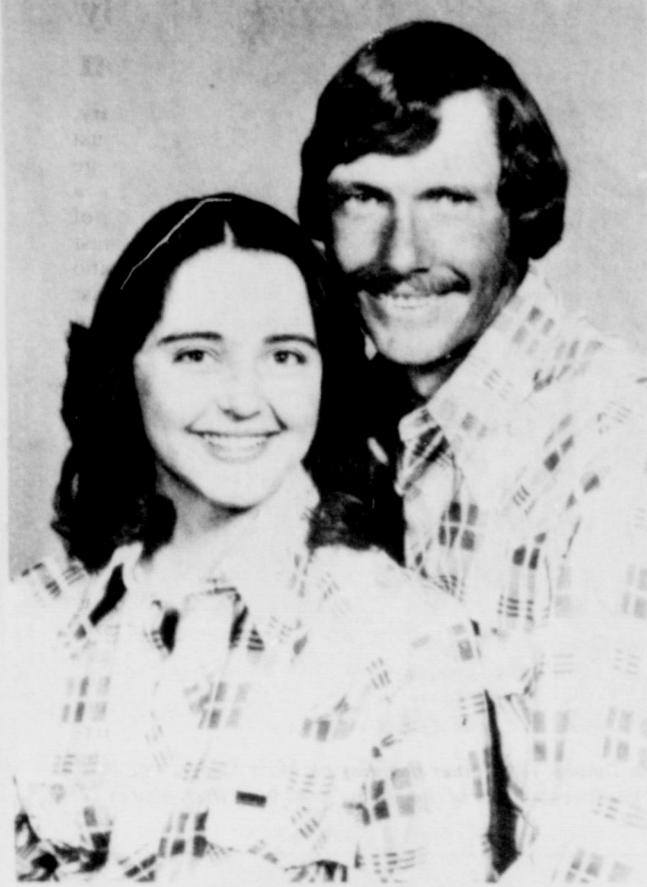

OVER-THE-COUNTER MEDICINES AND DRUGS

It is very important for you to realize that non-prescription, over-the-counter products are drugs. And, as such, it is very possible for one of these drugs to interfere or have an interaction with a prescription medicine you might be taking.

Always inform your doctor of any non-prescription drugs that you are taking. And, it is also a good idea to mention these to your pharmacist when you are having a prescription filled. We can help you to use needed medicines more intelligently.

A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?

Lamesa Church To Be Setting For Tyler-Ray Wedding Vows

Mr. and Mrs. Bill Pearce announce the engagement and forthcoming marriage of their daughter, Sharla Michelle Tyler, to Rodney Dale Ray, son of Mr. and Mrs. R. C. Ray of Route 4, Tahoka.

Miss Tyler is a May graduate of Lamesa High School and is employed at Sports Toggery there. The prospective groom is a 1973 graduate of Post High School and is currently employed by Supreme Feed Mills in Slaton.

The couple will be married the evening of August 19 in Second Baptist Church at Lamesa.

Pioneer Dentist And Judge, Singleton And Garrard, Meet For Second Time In Tahoka...

*The following material was submitted by Magann Lamb Rennels, only grandchild of Dr. and Mrs. J. R. Singleton. Mrs. Rennels resides at 1011 West Third, Muleshoe.

Dr. James Robert Singleton, a dentist in Jefferson, Texas, received a letter dated December 18, 1914 which changed his life, the lives of his entire family, and generations to follow him. The letter was an invitation from his brother, Hal, to come to Tahoka, Texas during the Christmas holidays, bring his dental chair, and work the town.

Rob Singleton did just that. Being of pioneer spirit, he liked Tahoka and sent for his wife, Mag, and two children, Olabelle, 9 years old, and Dan, 6, who came at the close of school in the spring of 1915.

Mrs. Singleton, like her husband, was born and reared in the piney woods of deep East Texas, and many times told how she and the children left her parents, her brothers and sisters and their families, her husband's family, and friends of a lifetime, and boarded a train for West Texas. She departed from the tree-lined streets of Jefferson, on Caddo Lake, with its ante-bellum homes and arrived in tears in Tahoka during a blinding sand-storm.

Tahoka, at that time, was un-established as a functioning city. It was a town of about 1,000 inhabitants, a good school building, two lumber yards, and dirt streets. None of the Singleton's ever returned to Jefferson except on visits and Lynn County became home.

In early 1903, Mr. and Mrs. Samuel Fleming Singleton homesteaded ranchland southwest of Tahoka and originated the Singleton Ranch at what is now New Moore. Their daughter and son-in-law, Daisy and Hal Singleton, brought their family to Tahoka in December 1914 and later moved to O'Donnell.

As pioneers, the family

contributed much toward the development of Tahoka and Lynn County. Dr. Singleton was elected the first mayor of Tahoka in 1916, and was re-elected term after term until 1928 when he voluntarily retired. During his term in office, a municipal light, power plant, water, and ice plant were all built and a sewer system installed. Also, brick paving was laid on about twenty blocks in the business district, including the public square and the street leading from the square to the Santa Fe Station. This lifted a large portion of Tahoka out of the mud and proved to be a great impetus to its growth.

While James Robert was attending Vanderbilt University in Nashville, Tennessee, one of his college mates was a young chap named Tom Garrard who was there studying law. The two became fast friends, and both started their professional careers in Fort Worth, Singleton as a dentist, and Garrard as a lawyer. But the doctor later went back to his hometown of Jefferson, and when he married Miss Mag Wurtsbaugh, he took his bride on their wedding trip in 1905 to Fort Worth, and Tom Garrard met them at the train station. Time rolled on, and they drifted apart, but fate, at length, brought them both back together again in Tahoka, and here in their declining years, Judge Garrard and Dr. Singleton were fast friends.

Upon Dr. Singleton's death April 9, 1945, Frank Hill wrote in *The Lynn County News* that "Dr. Singleton was a progressive citizen and a man of strong convictions, frank and outspoken in his view of public affairs. While many men differed with him at times on public issues, he retained the respect and confidence of all."

The Singleton's were all active members of the Republican Party, and it has been said, and truthfully, so that Lynn County had two political parties. They were the Democrats and the Singletons, as there were no other Republicans here for many years.

The J. R. Singleton's built their home soon after they came to Tahoka, and it still stands just a few blocks west of the courthouse square. Both of their children were graduated from Tahoka High School.

Dan Wurtsbaugh Singleton, named after his maternal grandfather, settled in Lamesa, where he and his wife, Marie, still live. He attended Texas Tech and is now retired from the tailor shop business.

Olabelle, a graduate of John Tarleton College in Stephenville, took her first job as bookkeeper for the Tahoka City Secretary, Charlie Tunnell, a man with deep interest in writing. There, at a salary of \$40 a month, she was able to look over the shoulder of a man who utilized his talent as a writer. This was a great benefit to her later in life.

In 1935, she went to Austin with Senator G. H. Nelson and soon became secretary to Texas Governor James V. Allred from 1935-39. She also acted as Mrs. Allred's personal secretary in the Mansion.

When Harley Sadler and His Own Company, the best tent show around, came to a memorable occasion, but in October 1925, when the show came to Lynn County, it was more than that for Olabelle Singleton. She had a blind date with one of the young actors, Gilbert Lamb. After she returned from Austin, they were married November 21, 1939, in Tahoka.

Their daughter, Magann, attended school in Tahoka until the Lamb's moved to Muleshoe in 1954 where they went into the radio station business. In 1956, they put Radio Station KMUL in Muleshoe on the air, which Lamb still owns and operates.

Mrs. Singleton lived in Muleshoe with her daughter and family the last seven years of her life, until she died June 7, 1962. Olabelle died in Muleshoe January 12, 1964, and both she and her mother are buried next to their husband and father

in the Tahoka Cemetery. Magann Lamb is now Mrs. Jack Rennels of Muleshoe, and she has one son, Gilbert, 3 years old, named after his great-grandfather Singleton.

Holiday Safety Urged By Slowing Down

Major C. W. Bell, Regional Commander of the Texas Department of Public Safety, said, "Traffic speeds are up and more people are expected to be on Texas Highways this Fourth of July holiday."

Operation Motorcade for the Fourth of July will be in effect beginning at 6 p.m. Friday, June 30, and ends at 11:59 p.m. on Tuesday, July 4. All deaths resulting from traffic accidents will be reported to the Austin Department of Public Safety Headquarters immediately through the various Texas Law Enforcement agencies.

Operation Motorcade will last 102 hours with every available Trooper on the road at all times. Drivers License, Motor Vehicle Inspection, and License and Weight Troopers will assist the Texas Highway Patrol in an all-out effort to assist and aid the motorist in Texas.

The Texas Department of Public Safety will be on full alert on all highways in the area to control traffic, lower speeds, and get the drinking driver from behind the wheel. It is anticipated that with all uniformed troopers on conspicuous patrol, that traffic violations will be greatly deterred throughout this Fourth of July holiday.

Major Bell urges each and every driver to do his part this holiday period, by not drinking and driving.

Miss Rogers, Thomas Feted At Shower

Mr. and Mrs. Elmer Owens were hosts, on June 10, for a gift shower honoring Miss Maureen Rogers and Jim Thomas, who will be married July 15 in First United Methodist Church in Artesia, New Mexico.

Special guests for the occasion were Mrs. Lauranne Haskins, sister of the bride-elect, from Artesia; Mr. and Mrs. R. M. Thomas, the prospective groom's parents; Mrs. J. E. Parker of Post, grandmother of the groom-to-be; and Mr. and Mrs. John Thomas of Dimmitt, brother and sister-in-law of the honoree.

Assisting with hospitalities in the Owens' home were Mmes. Roy LeMond, Morris McClendon, Mary Brecheen, H. B. McCord, Jr., O. C. Harrison, Turner Rogers, and Maurice Huffaker.

New Lynn Reunion Slated

The New Lynn Reunion has been scheduled for Sunday, June 25, at the Tahoka Community Center, and persons are asked to bring food for their families.

Those planning the reunion have invited out-of-town people to come a day early and celebrate the 75th anniversary of Lynn County, as well as attend the Old Settlers Reunion on Saturday, June 24th.

THE TOWN HISTORIANS say the Santa Fe Depot was built in 1910, and that marked the beginning of the building in Tahoka, especially the brick structures, because the bricks had to be shipped in. From Fireworks-- To Switzerland

BY CAROLYN J. KLAUS

Wilson Girl Scout Troop 286 is definitely hoping "fireworks" will send them to Switzerland. They are planning a trip to that beautiful country of mountains and tranquility and are selling fireworks in Wilson to finance the trip.

The fireworks stand is located just outside the Wilson city limits, on Highway 211. The stand will open Saturday, June 24, and stay open until July 4. It will be open for business each day from 4 p.m. to 10 p.m. and all day on July 4.

So, help send some Girl Scouts to Switzerland--buy your fireworks in Wilson.

The trip idea began as a daydream. The girls talked to their parents about an alternate trip and ended the report with, "But we'd really like to go to Switzerland." Their parents encouraged them to work for their dream instead of settling for a second choice.

The international organization of Girl Scouts maintains a "center" in Switzerland called "Our Chalet." Its main objective is to provide a place for Girl Scouts from all over the world to meet and share experiences.

The members of Troop 286 are Tonya Houchin, daughter of Mr. and Mrs. Gary

Steinhauer; and Dean Daniel, daughter of Mr. and Mrs. Dean Daniel, troop leader in California.

Ray Adams Recognized By American Angus Association

Ray Adams, area Angus breeder who is actively involved in the Angus Herd Improvement Records program, will be recognized in a new program recently adopted by the American Angus Association, the Pathfinder Cow Recognition Program.

The new Pathfinder Program identifies superior Angus females in the breed based on important production traits including regularity of calving and weaning weight production. Superior cows in the breed based on performance records will be listed in a *Pathfinder Cow Report* published annually by the Association.

To qualify, the breeder must have been actively involved in Angus Herd Improvement Records. The top cows in his herd are identified from these records. The top cows in his herd are identified from these records. In summary, the qualifying cows must produce a calf at a young age and continue to wean a heavy calf on an average of 12 months. Each calf must have a weaning weight ratio of 105 or higher with at least ten herdmates evaluated each year. A minimum production of three calves is required for a cow to be listed in the Report.

In the first *Pathfinder Report*, 1129 cows are listed. That represents less than one-half of one percent of the 238,691 head reviewed for the first publication.

The *Pathfinder Report* is available in booklet form from the American Angus Association at \$5 each. Copies can be obtained from the Performance Department, American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri 64501.

Bucy, Mr. Coogan Marry at Dallas Church On June 17th

Linda Roxanne Bucy and Mr. Keith Roger Coogan were married June 17 at five in the afternoon in the Park United Methodist Church in Dallas, with Rev. Benton of Lovers Methodist Church officiating.

The bride is the daughter of Mr. and Mrs. J. Fred Bucy, and the groom's parents are Mr. and Mrs. Coogan of Paris, Texas.

The ceremony was decorated with greenery and flowers on each side of the altar, and there were two bridesmaids in matching dresses.

magnificent chapel train. The skirt was accented with bandings of the Alencon lace, and the hemline was underscored with a banding of the lace that encircled the hem and edged the lovely train.

Her full-length veil of imported illusion fell from a caplet of beaded Alencon lace and was completely bordered in the scalloped lace banding which framed the hairline, creating a mantilla effect.

Miss Glenna Diane Bucy, sister of the bride, was maid of honor, and bridesmaids were Ms. Margaret Madden, Dallas; Mrs. Debi Harper, Houston; and Mrs. Laurie Shackleton of Mundelein, Illinois. Bridal attendants wore floor-length gowns of apricot chiffon, accented with Venise lace, and they carried apricot and yellow roses.

Best man was William Dean Ingram, Jr. of Paris, Illinois, and groomsmen were J. Fred Bucy III, Dallas; Michael Pritscher, LaFayette, Indiana; and Fred Beu, Tallahassee, Florida.

James Madden and Michael Gruber, both of Dallas, were ushers.

Phil Baker, organist at Highland Park Methodist Church in Dallas, accompanied Miss Kay Bucy of Dallas as she sang *The Lord's Prayer*. Other music was *The Wedding Hymn* by George Hederick Handel.

Approximately two hundred guests were greeted at a reception at Northwood Club, following the ceremony at which time champagne, drinks, and a light buffet were served. The bride's table was draped in ivory, and it and the groom's table, the cheese table, and buffet tables were decorated with large cut-flower arrangements. Tables other than the bride's were draped in apricot.

Gary Lee Trio played background music.

Special guest at the ceremony was Mrs. Wesley Greer of Slaton.

The bride is a graduate of Southern Methodist University where she was treasurer for Chi Omega Sorority and president of Daughter of the Diamond. She is employed at Republic National Bank as a Senior Financial Analyst.

Coogan was graduated from Indiana State University, and he is a senior auditor at Price Waterhouse and Company, Dallas.

After a wedding trip to the Virgin Islands, the Coogan's will be at home in Dallas.

LYNN COUNTY'S FIRST COURTHOUSE (Picture loaned by Frank Hill)

County's First Courthouse Was Frame 2-Story Structure

*The following information was copied from *The History of Lynn County, a masters thesis written by Donald R. Abbe.*

The overriding concern of the Lynn County Commissioners was the obtaining of a courthouse for the county. On April 17, 1903, an agreement was made between the County Commissioners for each one to perform a specific task in the building of a county courthouse. This structure was to be paid for by the county without the use of bonds or loans and was built by the County Commissioners and other Lynn County citizens. When it was finished, the building was a two-story, frame structure measuring thirty-two by forty feet.

This original courthouse lasted until December 1916 when a new, three-story brick courthouse was officially opened.

On July 31, 1915, a bond

election had passed for \$100,000, by the citizens of Lynn County, to build a new and modern courthouse on the same location as the previous courthouse, in the middle of the public square. The contract was let to A. Z. Rodgers, a Lynn County contractor, and was fulfilled by December 8, 1916. This building subsequently modernized and modified over the years still serves as the courthouse for Lynn County.

Some seeds, notably the legumes, may sprout after a century or more.

The famed Italian opera "I Pagliacci" — the story of a jealous clown who kills his wife — is based on a real-life murder.

The New Pneumovax vaccine is causing considerable excitement among researchers. Not only is the vaccine a sturdy new weapon against pneumonia, it seems to have almost no side effects. Now it looks as if the vaccine has the potential for many new applications. Researchers are currently testing it for use against several other diseases caused by the pneumococcal infection. They believe that, in time, the vaccine could be useful in treating lipid nephrosis (non-inflammatory kidney diseases,) meningitis, and otitis media (hearing loss.) This prevention of hearing loss should be another bonus. Since hearing loss is a prime factor in the learning process, the lowering of learning capacity for children, due to otitis media, may be greatly diminished. Scientists also believe that the vaccine may be useful in helping to regulate chemotherapy and radiation treatment for cancer patients.

functions, 50 or 60 people.

... The first car in town was owned by Grandpa Leavitt--Model T Ford--caused quite a stir in the community.

... Another "first" family in the community was the L. G. DePriest family. They came from Gustine in Comanche County on July 4, 1907 and moved on land where the Will Harris's now live. Mr. DePriest and his son, E. K., were two of the men who helped build the first schoolhouse. They came to this country with 7 children, a wagon, and a team. Bobbie White (nee DePriest) tells of her encounter with the "bad" winds of West Texas. "When I was 10 years old, there were only two houses between New Home and Tahoka. Mama and I had gone to shop and visit my married sister there. We left for home around 4 o'clock when we noticed heavy, black clouds building in the northwest. We had curtains on the hack, so Mama told me to put them down, which I did. The storm was getting worse so when we came to one of the houses, I begged her to stop, but she thought we could make it. We passed Mike Redwine with a load of lumber and he said later he wanted to stop and have us get into his wagon, but being just women, he decided against it. The storm hit and the wind was so bad the team turned their back into it. Mama got on the driver's side of the wagon hoping to steady it, but the wind blew it over, pinning Mama under the hack--how it hailed and rained! As soon as it cleared, Mr. Redwine came back to our rescue. He set the hack up, hooked his teams to our mules, and took us home. We checked on the house where I had wanted to stop and found it had been partially blown away and the 15-year-old girl killed. How lucky we were!"

... She continues, "Mama and Papa traveled to Slaton frequently. We had a large garden of vegetables. Papa would take the back seat out of the hack, stack the vegetables and the extra fryers we had and peddle the

groceries from house to house. People were happy to see him with the fresh produce. It was an all-day trip to Tahoka.

... Sometimes Mama would load the chuckbox with food and Papa would head toward the Breaks (near Post) to pick wild plums. He would come back with bushels of them for the family. Occasionally we would go shopping in Lubbock--there were two stores, Hodges Grocery and Carter's Hardware."

Churches

On February 16, 1908, a small group of nineteen Baptist believers met in the one-room schoolhouse of New Home for the purpose of organizing a Missionary Baptist Church. The following were the charter members: A. J. Hilton, Jane Hilton, C. R. Hutto, Delle Hutto, Lealus Hutto, B. T. Sumner, Della Sumner, Hattie Sumner, Bessie Sumner, A. E. Lane, J. B. Miller, Amanda Miller, J. H. Miller, Tiny Miller, J. H. Smith, Effie Smith, Hattie Smith, S. L. Smith, and Lucy Smith. The church recognized J. H. Smith as a deacon.

... Bro. J. R. Miller, an old-time rancher and preacher, assisted in the organization and became the first pastor. He served as pastor until the close of the year 1909. Bro. A. L. Estes came to serve as pastor on October 31, 1909.

... Six months later, March 20, 1910, two years after the church was organized, a very progressive step was taken--a Sunday School was organized, with J. H. Smith as superintendent.

... Bro. Estes served as pastor until January, 1912. On May 26, 1912, the church called W. B. Izard who served until September 1912 when J. R. Balch became pastor. He served until the end of 1913 when W. B. Izard again was pastor until September 24, 1916.

... J. M. Rankin came to the church as pastor in September 1916. The first year of his pastorate he led the church in its very first building campaign. S. L. Smith gave 2 acres of land located where the present Texaco Station is situated, on which was constructed the New Home Baptist Church--a one-room building cost \$800. The church was dedicated on October 21, 1917 with Rev. R. E. L.

Farmer of Lubbock preaching the dedicatory sermon. Bro. Rankin continued as pastor until September 1922. During this time, the church had their first salaried janitor--J. H. (Jim) Izard--at a salary of \$4 per month.

... Charles Burnett followed as pastor, then Calvin McGahey, who only pastored 5 months. In May 1926, Bro. R. E. Bost became pastor and immediately led the church into building a new building as the present one was too small. The building committee was Rev. W. H. Izard, J. B. Lowe, F. H. Hancock, S. L. Smith, and J. H. Newman. It was decided to move the building out of the congested part of town, and again S. L. Smith gave the land on which to construct the building--present site of the high school. This building consisted of an auditorium, 3 Sunday School rooms, and the cost was \$1,800.

... Bro. E. K. Horn was the next pastor, in 1928, and served until 1931. Because of the depression, the church voted to go on a one-fourth basis, but next year voted on half time.

... In 1932, Bro. Ben Richburg was the pastor, followed in 1935 by Bro. Guy Self.

... In 1935, S. K. McCulloch became pastor and the church once more had a full-time pastorage. In June 1938 electric lights were installed in the church. McCulloch resigned in September 1938 and Bro. E. J. Cobb was called. At this time, a 5-room parsonage was built at a cost of \$1,600.

... Collins Webb became pastor in 1941. At this time a baptistry and church library were built by the men of the church, headed by Henry Heck--total cost \$202. The first to be baptized in the new baptistry was Loveta Izard. On August 15, 1943, Bro. Webb resigned. In October 1943, Rev. E. C. McDonald of O'Donnell became pastor.

... The Church of Christ in New Home began its work about 1927. In 1935, the church was recognized and entered a period of more activity which included regular services on Sunday, revival meetings, and preaching services. In September 1935 R. R. Prather and J. I. Parham began acting as elders, with J. F. Caffery

and J. W. Clements acting as deacons. In the summers of 1935 and 1936, Bro. J. T. Stanfill of Lubbock conducted revival meetings. Their building was built in 1938, and a minister's home was added in 1946.

... The Methodist Church was organized on September 8, 1940, with 40 charter members. C. E. Roper and Donald Caudle are credited for the planning which led to the organization of the New Home Methodist Church. At a meeting in the office of the co-op gin, they made plans for contacting the Methodists of the community to determine their interest in an organization. A revival was held the first week of September 1940--during the week services were held in the Baptist Church and in the school auditorium on Sunday. At the close of the meeting, the church was organized with C. E. Roper elected as steward and Sunday School superintendent, and M. C. Ball was elected secretary-treasurer of the church. Bro. L. M. Morrison of Posey was appointed to serve as pastor. He met with the church 2 Sundays per month and Sunday School each Sunday. At the first Quarterly conference, Joe W. Armstrong, M. C. Ball, C. E. Roper, and Donald Caudle were elected stewards, and the trustees chosen were J. R. Strain, H. A. Parris, and B. A. Morrow.

... Rev. J. R. Wood was appointed as the first regular pastor. Services were still being held in the school auditorium, but building plans were being considered. On April 13, 1941, the first services were held in the new church. Two years later, May 30, 1943, the church was dedicated, with Rev. O. M. Addison as pastor. Plans were now being made for a parsonage, as the pastor was serving the half-time charge came from his home in Lubbock. In November 1943, a parsonage containing five rooms and a bath was purchased, and Rev. Ellis Todd came as a full-time pastor. At the quarterly conference on June 16, 1948, the members voted to build an addition to the sanctuary which was completed in August 1948. The work was done entirely by the members of the church.

... Two years later, March 23, 1950, the property just south of the church became available for purchase, and as the parsonage used at that time was some distance from the church, this property was bought and the other parsonage sold. In March 1951, two bedrooms were added to this parsonage.

... The community of New Home applied for a statute to become a city on September 9, 1963. The oath of office was taken on September 24, 1963 by J. W. Edwards, mayor, Morris Renfroe, G. B. Mayfield, Robbie Gill, Winston Davies, and O. R. Phifer, Jr.

... Don Sharp was appointed city marshal at \$25 per month for car expense. May 2, 1964, all water had been metered. September 10, 1964, the water and sewer rates were set. February 8, 1965, a bookkeeper and maintenance man were hired. September 13, 1965, final payment was made to Panhandle Construction on water and sewer.

Mrs. Joe Neal Barnhart
...formerly Sharon Ann Sparks
Sparks, Barnhart Wed In Candlelight Service

Sharon Ann Sparks and Joe Neal Barnhart were united in marriage June 16 in Westminster Presbyterian Church, Lubbock, during a candlelight ceremony. Rev. Sam Laine, pastor of the church, officiated.

... The bride is the daughter of Mr. and Mrs. Sam Park of Lubbock, and the granddaughter of Dr. and Mrs. K. R. Durham of Tahoka. The groom is the son of Mr. and Mrs. J. N. Barnhart of Lubbock.

... Double-ring vows were exchanged before an altar centered with a brass chapel arch of sixty lighted tapers entwined with greenery. Two candle trees with greenery were on either side of the arch, with palms interspersed.

... Christy Adcock of Irving and Loretta Lester of Lubbock, both nieces of the groom, lighted the candles prior to the ceremony. Family pews were marked with greenery and apricot bows.

... Given in marriage by her grandfather, Dr. K. R. Durham, the bride wore a white gown of chiffon and Alencon lace designed by Bianchi. The moulded bodice featured a sculptured Alencon sweetheart neckline. Alencon lace highlighted the soft, Juliet style sleeve which fell gracefully to give a multi-layered effect. The full circular skirt fell from an empire waistline and flowed into a two-tier chapel-length train.

... To compliment her wedding gown, Miss Sparks wore a two-tiered chiffon picture hat, with a rose gracefully placed in the back for accent.

... Don Smith of Lubbock provided organ selections and accompanied Cherise and Craig Felty as they sang *The Wedding Song*, prior to the ceremony, and *The Lord's Prayer* during the ceremony.

... The bride carried a cascade bouquet of silk bridal white roses, stephanotis, gypsophelia, and white satin streamers.

... For something old and borrowed, the bride wore a string of pearls belonging to her grandmother, Mrs. K. R. Durham, and something new was her bridal gown. She wore the traditional blue garter.

... Laura McMeans of Greenville, cousin of the bride, was maid of honor. Miss Debbie Jones, Mrs. Paul

Lynn County News Is 'Born' In 1903; Oldest Business Institution In County

The banner on *The Lynn County News* which reads "the oldest business institution in Lynn County" is not there for decoration. It really is the oldest business institution in the county, and

at one time the only telephone in Tahoka was in the News Office.

The News was established six months after the formation of Lynn County, on October 8, 1903, by Inez

and Otis Lilly, and a few months later, because of ill health, Lilly sold the paper to H. M. Boyd of Snyder, but he too published the paper only a short time, stopping on October 8, 1904.

Reliable history says that T. M. Bartley, superintendent of schools at Floydada in 1903-04, was a friend of Mr. and Mrs. H. C. Crie there. After school closed, the Crie's heard that Bartley had moved to a county to the south, and later, Bartley wrote the Crie's that there was no newspaper in publication at Tahoka, Lynn County, and that *The Lynn County News* could be bought. Crie came to Tahoka, looked the situation over, and liked what he saw, so the Crie's started the publication again on June 2, 1905.

For some thirteen years, they published the paper, and then sold the business to James L. Dow, owner and publisher of the *Lubbock Avalanche*, and Dow sent one of his employees, R. B. (Bob) Haynes, to Tahoka to publish *The News*. After a few weeks, Haynes bought the paper from Dow.

Haynes published *The News* until October of 1923 when he sold to E. I. Hill, then District Attorney in the Sweetwater District and a former publisher of *The Roscoe Times*.

Hill's sons, E. I. Jr. and Frank, were associated with him in the publication, but a few years later, E. I. Jr. went to the U.S. Government Printing Office in Washington, D.C. where he advanced to a high position before retiring to live in Fort Lauderdale, Florida. Frank remained with the paper until his father retired in 1949 at which time he became manager. Frank's wife, Mae, served most of the time the Hill's had *The News* as advertising manager.

The Hill Estate sold *The News*, effective April 1, 1967, to Wendell Tooley and Associates, of the *Floydada Hesperian*, who in turn sold it to the present owners, Mr. and Mrs. John Valentine, effective July 1, 1969.

Doctor White Speaks At Rotary

In presenting the program at Rotary last Thursday, Dr. Richard White gave a brief review of Tahoka and Lynn County history, and showed on a screen a number of early-day pictures.

He also told of the annual Lynn County Pioneer Reunion this Saturday and the accompanying celebration of Lynn County's and Tahoka's 75th anniversary on the same day.

The Pioneer reunion begins with registration at 10 a.m., the meal at noon, followed by a program, all in the school cafeteria. That will be followed by a parade at 2:30, dedication of the re-conditioned building which is to become a museum, games, concession stands, music by the Flatland Bluegrass from 2 to 6 p.m., and a street dance at night.

White is the overall chairman for the 75th Anniversary Celebration.

Actually, the anniversary was in April, when the county officially began, but the celebration was delayed to tie in with the reunion of pioneers.

Jesse Dorman was in charge of the program.

Bridge Winners

At the June 7 meeting of the Wednesday Duplicate Bridge Club, Velta Small won the McCord Motor Company trophy for the spring series.

Other winners that day were Coye Collier and Mary Brewer, first; Lena Burleson and Velta Small, second; and Jean Dorman and Doris Ashcraft, third.

On June 14, Velta Small and Lena Burleson won first; Jean Dorman and Catherine Barham, second; and Mary Brewer and Coye Collier, third.

††† Last week's winners at the T-Bar Duplicate Bridge Club Tuesday were Mrs. C. R. Burleson, O'Donnell, and Mrs. Auda Norman, first; tied for second and third were Mrs. Clint Walker and Frank Hill, and Mrs. Margie Maddox and James McAllister, both of Lamesa; and Mrs. Meldon Leslie and Mrs. Frank Hill, fourth.

MR. and MRS. J. S. WELLS

Wells Family Moves To Tahoka In 1903; She Starts Pioneers' Reunion

*The following information and the accompanying pictures were provided by Johnny Wells, Tahoka.

J. S. Wells and family came to Tahoka in August of 1903, three months after Lynn County was organized.

They immediately established a general mercantile business under the firm name of J. S. Wells and Sons.

In 1906, Mr. Wells built one of the first gins on the South Plains, located where the present Sweet Street Baptist Church now stands. The gin had two stands and was capable of ginning several bales a day. The nearest gin up to that time was at Snyder.

Mr. Wells was the second sheriff in Lynn County, succeeding Charlie Doak, who was the first. Mr. Wells also served his community as county commissioner.

school trustee, and city councilman, in addition to being a political leader in this section of the state.

He and Mrs. Wells helped organize the first Primitive Baptist Church and they were both loyal members until their death. He was a man of medicine and used his medical skills and knowledge for the benefit of others.

Mrs. Wells was instrumental in starting the Old Settlers Reunion and called the first organizational meeting at the American Legion Hall around the first of May. Later they had their first meeting at the George Small farm on the Post Highway (where John T. Tippit now resides). Mrs. Wells suggested the 24th of June would be an ideal time of the year for the reunion, and besides, it was her birthday. The reunion has

been held on the Saturday closest to June 24th since that time.

The Wells' 50th anniversary was March 6, 1929 at the family home. Cleone Wells and M. O. Bridges,

now of Tyler, were married on this occasion. Mr. and Mrs. Wells remained active in community until they died in 1937 and he in 1938. Five generations descended from them.

CARD OF THANKS

We want to say thank you for the prayers, kind words, flowers, cards, food, and all of the contributions in our time of sorrow. Thanks to Bro. Starnes and Bro. Turner for being so kind.

The family of Allen Jolly 25-1tp

We would be ungrateful if we made no effort to thank our friends and customers for their patience following the robbery of our store on June 10th.

We are also indebted to the law enforcement people who have given of their time to assist us.

Our fifty-one good years in Tahoka are certainly proof that the good, in most cases, far exceeds the bad.

We thank you for being so kind.

Mary V. and I would like to thank everyone who was so kind to us during my illness and convalescence.

We greatly appreciate our many friends, their concern, visits, cards, gifts, food, and especially their prayers.

We would also like to thank those who took care of our crop and our yard while we were away from home, as well as the doctors and nurses at Methodist Hospital for the care I received.

Thanks so much for everything.

Lynn County News Is 'Born' In 1903; Oldest Business Institution In County

The banner on *The Lynn County News* which reads "the oldest business institution in Lynn County" is not there for decoration. It really is the oldest business institution in the county, and

at one time the only telephone in Tahoka was in the News Office.

The News was established six months after the formation of Lynn County, on October 8, 1903, by Inez

and Otis Lilly, and a few months later, because of ill health, Lilly sold the paper to H. M. Boyd of Snyder, but he too published the paper only a short time, stopping on October 8, 1904.

Reliable history says that T. M. Bartley, superintendent of schools at Floydada in 1903-04, was a friend of Mr. and Mrs. H. C. Crie there. After school closed, the Crie's heard that Bartley had moved to a county to the south, and later, Bartley wrote the Crie's that there was no newspaper in publication at Tahoka, Lynn County, and that *The Lynn County News* could be bought. Crie came to Tahoka, looked the situation over, and liked what he saw, so the Crie's started the publication again on June 2, 1905.

For some thirteen years, they published the paper, and then sold the business to James L. Dow, owner and publisher of the *Lubbock Avalanche*, and Dow sent one of his employees, R. B. (Bob) Haynes, to Tahoka to publish *The News*. After a few weeks, Haynes bought the paper from Dow.

Haynes published *The News* until October of 1923 when he sold to E. I. Hill, then District Attorney in the Sweetwater District and a former publisher of *The Roscoe Times*.

Hill's sons, E. I. Jr. and Frank, were associated with him in the publication, but a few years later, E. I. Jr. went to the U.S. Government Printing Office in Washington, D.C. where he advanced to a high position before retiring to live in Fort Lauderdale, Florida. Frank remained with the paper until his father retired in 1949 at which time he became manager. Frank's wife, Mae, served most of the time the Hill's had *The News* as advertising manager.

The Hill Estate sold *The News*, effective April 1, 1967, to Wendell Tooley and Associates, of the *Floydada Hesperian*, who in turn sold to the present owners, Mr. and Mrs. John Valentine, effective July 1, 1969.

Doctor White Speaks At Rotary

In presenting the program at Rotary last Thursday, Dr. Richard White gave a brief review of Tahoka and Lynn County history, and showed on a screen a number of early-day pictures.

He also told of the annual Lynn County Pioneer Reunion this Saturday and the accompanying celebration of Lynn County's and Tahoka's 75th anniversary on the same day.

The Pioneer reunion begins with registration at 10 a.m., the meal at noon, followed by a program, all in the school cafeteria. That will be followed by a parade at 2:30, dedication of the re-conditioned building which is to become a museum, games, concession stands, music by the Flatland Bluegrass from 2 to 6 p.m., and a street dance at night.

White is the overall chairman for the 75th Anniversary Celebration.

Actually, the anniversary was in April, when the county officially began, but the celebration was delayed to tie in with the reunion of pioneers.

Jesse Dorman was in charge of the program.

Bridge Winners

At the June 7 meeting of the Wednesday Duplicate Bridge Club, Velta Small won the McCord Motor Company trophy for the spring series.

Other winners that day were Coye Collier and Mary Brewer, first; Lena Burleson and Velta Small, second; and Jean Dorman and Doris Ashcraft, third.

On June 14, Velta Small and Lena Burleson won first; Jean Dorman and Catherine Barham, second; and Mary Brewer and Coye Collier, third.

†††
Last week's winners at the T-Bar Duplicate Bridge Club Tuesday were Mrs. C. R. Burleson, O'Donnell, and Mrs. Auda Norman, first; tied for second and third were Mrs. Clint Walker and Frank Hill, and Mrs. Margie Maddox and James McAllister, both of Lamesa; and Mrs. Meldon Leslie and Mrs. Frank Hill, fourth.

Wells Family Moves To Tahoka In 1903; She Starts Pioneers' Reunion

*The following information and the accompanying pictures were provided by Johnny Wells, Tahoka.

J. S. Wells and family came to Tahoka in August of 1903, three months after Lynn County was organized.

They immediately established a general mercantile business under the firm name of J. S. Wells and Sons.

In 1906, Mr. Wells built one of the first gins on the South Plains, located where the present Sweet Street Baptist Church now stands. The gin had two stands and was capable of ginning several bales a day. The nearest gin up to that time was at Snyder.

Mr. Wells was the second sheriff in Lynn County, succeeding Charlie Doak, who was the first. Mr. Wells also served his community as county commissioner.

school trustee, and city councilman, in addition to being a political leader in this section of the state.

He and Mrs. Wells helped organize the first Primitive Baptist Church and they were both loyal members until their death. He was a man of medicine and used his medical skills and knowledge for the benefit of others.

Mrs. Wells was instrumental in starting the Old Settlers Reunion and called the first organizational meeting at the American Legion Hall around the first of May. Later they had their first meeting at the George Small farm on the Post Highway (where John T. Tippit now resides). Mrs. Wells suggested the 24th of June would be an ideal time of the year for the reunion, and besides, it was her birthday. The reunion has

been held on the Saturday closest to June 24th since that time.

The Wells' 50th anniversary was March 6, 1929 at the family home. Cleone Wells and M. O. Bridges,

now of Tyler, were married on this occasion. Mr. and Mrs. Wells remained active in community until they died in 1937 and he in 1937. Five generations descended from them.

We would be ungrateful if we made no effort to thank our friends and customers for their patience following the robbery of our store on June 10th.

We are also indebted to the law enforcement people who have given of their time to assist us.

Our fifty-one good years in Tahoka are certainly proof that the good, in most cases, far exceeds the bad.

We thank you for being so kind.

Mary V. and I would like to thank everyone who was so kind to us during my illness and convalescence.

We greatly appreciate our many friends, their concern, visits, cards, gifts, food, and especially their prayers.

We would also like to thank those who took care of our crop and our yard while we were away from home, as well as the doctors and nurses at Methodist Hospital for the care I received.

Thanks so much for everything.

"Now you can be sure" your source of water is "pure." Approximately 68% of your body is water. Make it "pure" water with a portable "home" water distiller today, no filters, no chemicals. A most needed appliance for the '70's. Distillation lifts water from chemicals and impurities.
