## CAROLYN'S CLATTER

by Carolyn Klaus

The depression of the 1930's made Americans even more conservation conscious in the past. Nearly every nationality that entered the United States had to be careful to "make ends meet" and the depression only intensified those practices. Once conservative, it's hard to break such a habit and many people, adults during the Great Depression, carried those same practices with them the rest of their lives. Generations later, those blessed with plenty and unexperienced in such hardships, never understand the "older generation" and "penny pinching". Many heads shook and tongues clucked at the uselessness of those actions and it left a barrier between the generations.

Now, it seems the gap is narrowing. Inflation has swept our nation those people that made fun of the conservation practices of the older group are now ready to join them. They realize that in order to combat our inflation now they will have to take some of those practices out of hiding, dust them off, and put them back to use.

The only problem is that some of those practices have to be handed down from generation to generation and once the cycle is broken it takes a real effort to pick it up and put the pieces back together again.

To accomplish such a fete the two or more generations have to spend a lot of time together listening, talking and learning. In the process it is learned that neither generation is better and each has a lot to offer the other.

Maybe history does repeat itself but then again, maybe it's good too. Just look at what has been done to eliminate the "generation

## Wade Implement And Hesston Hold Contest For FFA Members

Wade Implement Corporation, with the cooperation of Wade Implement Company, Tahoka, and Hesston Farm Equipment Company, Hesston, Kansas, are sponsoring a contest among members of the Future Farmers of America for their "Salute to Agriculture" which will be held during the telecast of the 1978 National Rodeo in December.

Initially sanctioned by the National Future Farmers of America, the contest calls for members to submit a hundred words or less message they would like to see in the American public magazine to the importance of agriculture to the economy and standard of living in America.

A public service message which will be developed and initially aired over a radio station in the Hesston Rodeo area of about 200 radio stations in the United States and Canada.

FFA member submitting the winning entry in the contest will receive a First Place cash prize, will be four \$250 cash winners and 40 Third Place winners a total prize of \$2,500.

Contest is open to any member of the FFA, 1800,000 bonafide members of the FFA. Entry forms and rules are available from Wade Implement Company, P.O. Box 100, Tahoka, 79373.

## Wilson Jr. Hi. Parents Have Bake Sale

Parents of the Wilson Junior High School football boys will have a bake sale Wednesday, August 30, beginning at 8:30 a.m. at Texas Grocery Store in Wilson.

The proceeds will be used to purchase uniforms for the Junior High football team. They will have homemade baked goods. All help and support of the Junior High football team is appreciated.

## Wilson I.S.D. Is Ready For Another School Year

JAKE JACOBS, Superintendent of Wilson Schools, studies more of the state and federal programs to get ready for another school year.

Mr. L. F. (Jake) Jacobs, Superintendent of Wilson Independent School District, is anxious for school to start. He says the whole month of August is one long build-up for him and by the end of the month he is truly ready for school to start.

The only really new program for the Wilson schools this year will be the phase-in of the bilingual program through every grade. There were not many details available about the procedure except that teachers will attend various

workshops. Mr. Jacobs says the biggest problem in school administration, "Are the uncertainties from the state and federal agencies concerning the operational guidelines of schools." His job would be much easier if those agencies would set up a program and stick to it instead of changing it every other week [sounds like the federal farm programs].

This year Wilson will begin the new accreditation program that is sweeping the state, of necessity. This year the aim at Wilson will be to set up goals, which is executed through committees consisting of school board members, lay citizens, and staff. Mr. Jacobs has gone through one such accreditation program in another school but he says this time they have changed

all the requirements so it will be new to him too.

When asked about the summer responsibilities of a superintendent he said it was to fix up all the things that fall apart during the school year so the place and its program will be ready for the students at the beginning of another school year.

Wilson will employ only two new teachers this year, all the others were here last year or before that. Mr. Jacobs believes this is a good sign that everything is going pretty good.

All students enrolled at Wilson will register Friday, August 25, at the times listed below.  
 10-12 a.m. . . . . Elementary  
 8:30-9:30 a.m. . . . . Seniors  
 9:30-10:30 a.m. . . . . Juniors  
 10:30-11:30 a.m. . . . . Sophmores  
 11:30-12:30 p.m. . . . . Freshman  
 1:00-2:30 p.m. . . . . Junior High  
 Classes will begin Monday, August 28, and all students are asked to observe the set school hours which are 9:00 a.m. to 3:35 p.m.

## Miss Martin Accepts Track Scholarship

Katy Lue Martin, daughter of Jerry Martin, will be entering Prairie View A and M on August 21 on a track scholarship.

She graduated from Tahoka High School. While in high school she won First place in district competition in the 100-yard dash. At the State track meet she won 5th in the 100-yard dash.

Her mother, Jerry Martin, and brother, Tommy, will take her to Prairie View.

## Planning Meeting August 17 Lynn County Pledge Center Muscular Dystrophy Telethon

A planning meeting for all Lynn County citizens interested in helping with the Lynn County Pledge Center for the Muscular Dystrophy Telethon will be held Thursday, August 17, at 7:30

p.m. in the Tahoka Community Center.

Mr. Norman Sharp, District Director of M.D.A. of Lubbock, will be the speaker. He will explain all aspects of the Pledge Center and answer questions.

Tahoka has had a Pledge Center the past two years and have done very well. If you would like to help the worthy cause, attend the meeting.

The number to call this year to make your pledge, during the telethon, is 998-4503.

## Good Samaritan Alive And Well In Tahoka

[The following story was copied as printed in The Record on August 10. Mrs. Pieplow is a teacher in the Canadian schools.]

Don't ever try to tell Sharon Pieplow that there are no Good Samaritans these days! She knows one.

His name is Dayton Parker and he lives in Tahoka, a town about half the size of Canadian, south of Lubbock on Highway 87. Mrs. Pieplow discovered her Good Samaritan on Sunday, July 23, when the new Chrysler in which she and her young daughter, Paula, were driving to Big Spring suddenly broke down. They were about five miles north of Tahoka that hot Sunday and were feeling lonely and helpless when Mr. Parker, who was on his way to a family reunion in Lubbock, turned around and came to their aid.

Went back to Tahoka to get a tow truck and saw Mrs. Pieplow and Paula safely into town. He then opened his drugstore and made his telephone available to the travelers so they could call Canadian and tell Mr. Pieplow about their plight.

And then, he had his own Chevettte serviced, showed Sharon how to manage the "four on the floor" gear shift and sent her and Paula on their way to Big Spring for their visit with family members.

The Chrysler, in which the distributor shaft had sheared, was towed to a Chrysler dealer in Lubbock for repairs and Sharon and her brother picked it up there later in the week, returning Mr. Parker's car to him in Tahoka.

Mrs. Pieplow knows she can't possibly thank her Good Samaritan enough for his help and generosity. When she tried he said he just hoped someone would be as kind to his wife and children if they should ever be in such a situation. If the Pieplows happen by there'll be no question about it!

## Tahoka Schools Registration Schedules

## Tahoka Is Studying The Possibility Of Home-Mail Deliveries Inside The City Limits

The Tahoka Chamber of Commerce heard a program presented by Bill Ashcraft, officer in charge of the post office, concerning the possibilities of home-mail delivery in Tahoka.

There are numerous requirements and standards to be met to qualify for home-mail deliveries and some could present a few obstacles. This article will deal only with the highlights given at the Chamber of Commerce breakfast Tuesday morning, August 15.

The program being considered is for curb-line delivery only--no walk-up delivery to a house. All streets traveled by the mail carrier must be all-weather surfaced. Those streets not meeting this requirement could not receive home-mail deliveries.

Street signs and house numbers must be visibly

marked in order to receive delivery.

Deliveries would begin at approximately 9:00 a.m. which would mean some places in the city would not receive mail until after mid-day.

The deliveries would be made 6 days a week. If the city enters into the home-mail delivery all post office box rates would double whether you receive your mail at your home or not.

Ashcraft also stated that a packet of 17 applicants for the position of postmaster has been compiled and sent on to the next office to be considered.

[This is not a complete study of the situation because more information was not available at this writing but The News will look into the program in more detail and report it in

the paper as soon as possible. In order to get a general idea of the opinion of the town please fill out the brief form below and return it to Bill Ashcraft at the post office.]

## Results Of E. L. Short Barbecue

A check for \$14,986.92 was given to the E. L. Short Campaign for State Senator Fund as a result of the July 14th appreciation barbecue.

Winston Wharton, general chairman of the event, again expressed appreciation for the many long and thoughtful hours of work and the various contributions of different wholesale distributors for making the affair a huge success.

Short added that on his trips around the district, people are still discussing the barbecue and the wonderful hospitality of Lynn County people. Most long-time political observers believe it to have been the largest gathering of Democratic leaders in West Texas history. There were approximately 1100 people who attended the barbecue.

Short expressed his appreciation to all the workers and planners of the barbecue and to everyone who aided him in his primary election to the State Senate and solicited their continued support in the General Election in November.

## Tahoka Reserve Seat Tickets To Sell

The Tahoka ISD has announced that the reserve seat football tickets are now on sale at the new business office at the High School. The office is located at the northeast corner of the high school building, beside the gym.

## Rotary Club Hears Music Selections

Miss Mary Starnes of Houston, daughter of Rev. and Mrs. Newton Starnes, presented a musical program of vocal numbers at the Rotary Club last Thursday noon.

Her songs ranged from spirituals to parts from operas. A friend, Mrs. Ann Adcock of Lamesa accompanied her at the piano.

Miss Starnes was here on vacation, visiting her parents. She is music director of Fairhaven Methodist Church in Houston and holds a bachelor and master degree in music from Louisiana State University.

Dr. Richard White was in charge of the program.

ever knew what organizations are required by the state. Mr. Jacobs listed the following lines.  
**MEASLES:** All pupils entering kindergarten or first grade for the first time must present a certificate of immunity by a competent physician that a vaccination against measles (German measles) has been given. For children in kindergarten through grade one (except nineteen months of age or older), at least one dose of oral vaccine has been provided since the fourth birthday.  
**TUBERCULOSIS:** For children in kindergarten through grade one, a minimum of three doses, with at least one dose having been received since the child's birthday.  
**TUBERCULOSIS:** For children in grades one through five, a minimum of three doses, with at least one dose having been received since the child's birthday.

year. They began their two-a-day workouts Monday, August 14, so by now they should just about have the soreness worked out. He says he knows a lot of the boys have been working out and running on their own and that alone should help them this season in football as well as the other sports.  
He says if they can maintain their health they should have a good season. He says they are not making many defensive changes this year but are planning to move some of the boys around to cover some depth.  
Coach Chissum is proud of the Booster Club in Wilson and has some plans ready and waiting for the club to work on this year. The Club supports all sports and all athletes.

According to Chissum he will try to improve the tennis program with more meets and to develop the track program and have more meets in track as well.  
The basketball program is shaping up good this year and one of the strong points is that all the teams will be playing 5 on 5. That should make the coaches jobs a little easier but probably no less hectic during the basketball season.  
Chissum says all athletes need to bring their gym clothes the first day of school because they will try to get started right away.

Pictures of the football players will be taken by a professional photographer Wednesday, August 23, at 3:30 p.m. at the school. The pictures will be in color and packets of various sizes will be available for the players to purchase. Chissum says he hopes this works out well and that the service can be extended to all sports.

Students may buy an extra carton of milk for 5c. Adults may buy extra cartons of milk for 15c.  
Children from families whose income is at or below levels shown on the income scale below are eligible for free or reduced-price meals. Students in Tubb Elementary on reduced-price meals are not eligible for an extra carton of free milk. However, they may buy milk during the break.

If the family income is greater than shown on the scale below, but you have unusually high medical bills or shelter costs, special education expenses, disaster or casualty expenses, your children may still qualify for free or reduced-price lunches.  
In certain cases, foster children are eligible for these benefits. Anyone having foster children in their homes may apply for free or reduced-price meals.  
To apply for free or reduced-price meals, some adult member of the family should submit an application to the office of Tubb Elementary School between 8:00 a.m. and 4:00 p.m. on any school work day, starting Monday, August 21. The school will let you know within 10 days whether or not your children are

eligible for free or reduced price lunches. If you do not agree with the school's decision, you have a right to a fair hearing. This can be done by calling Jim Couston, Superintendent of Tahoka Schools, at 998-4538, or by writing him at P. O. Box 1230, Tahoka, 79373. All children are treated the same regardless of ability to pay and lunch tickets are disbursed to all students at the same location in each building. In operation of the child feeding program, no child is discriminated against because of race, creed, or color.

## Wilson News

By Marsha Chisum

According to Charlotte Freitag, Wilson Band Booster Club President, the summer band program will begin Monday, August 21, at 9:00 a.m. for grades 8-12.

Five Wilson High School band members attended the Texas Tech band camp July 18-28. Representing the 1978 Mustang Band were drum majors Randy Steinhauer and Cindy Freitag, and twirlers Tracy Ray,

Debra Hagens, and Ginger Kimbrell. The students participated in twirling and drum major classes, instrumental sectional groups, and concert band rehearsals. Tracy Ray was selected floor captain of her dorm thus receiving a scholarship to the camp. The finale to the days of hard work was the concert presented the last evening of the camp.

Lions Club members from

all over the state of Texas recently gathered for the Council of Governors and Crippled Children Camp Directors meetings held at Kerrville. Members attending from Wilson along with their families were Tommy Bednarz, Roy Lynn Kahlich, and Jerry Don Ross. Tommy Bednarz is a newly-elected director of Texas Lions Camp for Crippled Children.

The Wilson Athletic Booster Club will meet Tuesday, August 22, at 8:00 p.m. to make plans for the "Meet the Mustangs" night which is scheduled for Tuesday, August 29. All persons interested in the Wilson Athletic program are invited to attend the meeting.

The Wilson Band Booster Club will meet Monday, August 28, at 8:00 p.m. to make plans for the upcoming year. The time will be announced later. Anyone interested in the activities of the Mustang Band is invited to attend.

Wilson Senior Girl Scout troop 343 used a portion of their earnings from this past year to see "Texas" at Palo Duro Canyon. Everyone was greatly impressed by the musical production. The troop also toured the canyon and learned quite a bit about Texas history. They all reported having had a terrific time.

Laurie Ross, daughter of Mr. and Mrs. Jerry Don Ross, returned home Saturday, August 12, after a

four-week visit in Canada where she was a Lion's exchange student. Laurie spent the first week with her host family in their home in Crosshill, Ontario. Next she attended a Lion's International Camp at Wildwood Park along with 60 other students from all parts of the world.

Other places Laurie visited were Niagara Falls, Woodstock for the horse races, Toronto and Goderick where she swam in Lake Huron. Laurie says she saw some beautiful country and visited some interesting places but is happy to be back home in Wilson.

It is back to school for the Wilson faculty Tuesday, August 22. The in-service training will begin at 8:30 a.m. with a 9:00 a.m. general meeting in the cafeteria under the direction of Mr. L. F. Jacobs, Superintendent.

See the Wilson School write-up for student registration times. Any new students are invited to come register with their age group. Students will begin attending classes, Monday, August 28.

On August 9, twenty-five boys signed up to play football for the Wilson Mustangs. They were issued socks and lockers. An ice cream social followed the meeting.

Two-day workouts began Monday, August 14, at 7:00 a.m. and again at 7:30 p.m.

Lion's International sponsors a Julian C. Hyar Camp near Dallas where 40 exchange students from 16 different countries recently toured by bus parts of New Mexico, Colorado, and Texas. All along their journey these students were housed by Lion's families. Three of these students spent two days in the home of the Jerry Don Ross family. They were Tilo Bollinger from Zurich, Switzerland, Jean-Marc Cornut from Basel, Switzerland, and Oliver Leruth from Vigali, Rwanda Africa. Each of these boys spoke four languages.

While with the Rosses the students attended the ice cream social for the football boys followed by a backyard barbecue. Also attending the barbecue were Mr. and Mrs. Hack Lassater from Slaton with their two exchange students, Gioviante from Italy and Joel from South Africa, and Mr. and Mrs. Gerald Devault and family from Lubbock.

The students were also honored with a social sponsored by the Redbud Lion's Club in Lubbock after which they toured the city and shopped at South Plains Mall. The boys returned to camp after their visit in the South Plains area.

## Sherry Etheredge Says

Before sending the children back to school, check their immunization records.

The Texas School Immunization Law requires immunization of children before they enter school.

However, preschoolers also need immunization, she points out.

Younger children are sometimes left unprotected because parents wait until the child is ready for school before starting the immunization series. Most doctors, however, recommend that infants of two months begin the basic series against DTP (Diphtheria-tetanus-pertussis) and polio.

These immunizations are given in a series and just one or two shots will not give the child full protection.

The Texas Department of Health recommends the following as a suggested immunization schedule:

**Basic series:** 2 months-DTP, polio; 4 months-DTP, polio; 6 months-DTP, polio; 12-18 months-DTP, polio; 15 months-measles, mumps, rubella.

**Booster doses:** 4-6 months-DTP, polio; 14-16 years (tetanus-diphtheria); thereafter every 10 years.

Every year in the United States, children with these diseases they should never contacted. Others disabled, even though means for preventing readily accessible.

Don't let this happen. Check with your family doctor or local health department to make your children properly protected.

nee Glenna Diane Bucy

Alencon lace. The lovely A-line skirt, of filmy organza veiled over taffeta, fell from the arched waistline and unfolded across the center back to release a magnificent wide sweeping chapel train. A deep banding of the Alencon lace traced the hemline in a scalloped design and completely encircled the magnificent train.

Her lovely long train length veil of imported illusion, edged in pearls, fell from a caplet of Alencon lace.

Mrs. Roxanne Bucy Coogan, Dallas, sister of the bride, was the matron-of-honor and the bridesmaids were: Miss Kathy Jordon of Dunwoody, Georgia; Miss Nancy Mathias of Dallas; and Miss Laurie Brown of New Orleans, Louisiana. Their dresses were floor-length gowns of light blue knit with a matching blue cape. The gowns were designed halter style and had an A-line skirt.

Miss Kim Gruber, Dallas, served as flower girl and wore a dress of matching blue and carried a basket of white roses.

The bestman was Mr. Robert Carris, Dallas, and groomsmen were: Mr. Chuck Briant; Mr. Kevin Thomason; and Mr. Robert Gruber, all of Dallas.

Ushers were J. Fred Bucy II, Keith Coogan, Ron Greico, Jim Gawley, Dan Greaves, Steve Seward, Richard Erler, Gordon Gruber, all of Dallas.

Ring bearer was Jeffery Erler, Dallas.

Phil Baker, organist at Highland Park United Methodist Church in Dallas, accompanied Miss Kay Bucy of Dallas as she sang "The Lord's Prayer" and "O Lord Most Holy" by Frank. Professional music was Trumpet Voluntary by Purcell and the recessional was Tocatta from Symphony V by Widor.

Approximately 500 guests were greeted, immediately following the ceremony, at a reception at the Dallas Country Club. Champagne, cocktails and a light buffet were served. All of the tables were draped in white, with large all-white assorted cut flower arrangements on each table. The 3 tiered, 3 stack bride's cake was all-white with all-white decorations.

Gary William Trio played background music at the reception. Special guest at the ceremony was Mrs. Wesley

Greer of Slaton, grandmother of the bride.

The bride is a graduate of Southern Methodist University where she was on the Dean's List and a member of Chi Omega Sorority. She will be employed at Republic National Bank as a Home Sales Account Administrator.

Mr. Gruber is also a graduate of Southern Methodist University where he was on the Dean's List. He will attend Southern Methodist University School of Law in the fall.

After a wedding trip to Manzanillo, Mexico, the Grubers will live in Dallas.

Pioneer's Rate Application Study

Pioneer Natural Gas Company today provided the cities on its West Texas Distribution System a supplement to the rate application made by the company on June 30.

In filing the original rate application K. B. Watson, company president, had told the cities that a comprehensive study was being made of Pioneer's operations by H. Zinder and Associates, Inc., as well as company personnel. This study was to determine the amount of deficiency in the gas service revenues at Pioneer.

In his letter to the city officials, Watson said that study, as well as the company's related research, has now been completed and the company was submitting its formal Statement of Intent to Change Rates.

The proposed effective date of the rate increase in September 15, and will apply on a system-wide basis to all domestic and commercial type; small industrial; and large gas air-conditioning and/or electric generating gas service customers served by Pioneer.

As Watson pointed out in the original application on June 30, Pioneer's last base rate increase was effective in 1970. He said that since that time, in spite of the increased cost of gas to the consumer, the company's rate of return has decreased substantially due to many factors. He went on to point out that the increase in the customers cost of gas over the past several years has come about by the "cost-of-gas adjustment", an adjustment that is designed to pass the increased cost of gas in the field directly through to the consumer. "Pioneer does not retain any of the increased cost of gas and, in fact, fails to recover much of the increase because of several cost items not recoverable in the cost-of-gas adjustment," Watson said at that time.

The rate requested in Pioneer's Statement of Intent to Change Rates will result in an average increase for all classes of service of 26.36 percent over the rates presently in effect. The increase to the average domestic customer on the Pioneer West Texas Distribution System will be about \$6.00 a month.

The rate requested is

Fatal injury can result when a small child accidentally swallows one of the new, tiny, alkaline batteries. Now in use in home movie cameras, light meters and similar equipment, the batteries are disk-shaped and about 25 x 5 millimeters in size. When ingested by a toddler, the electrolytes leaking from the miniature power source causes burns to body tissues, particularly if the battery lodges in the throat or other areas. Although the size of the batteries makes them fairly easy to remove, surgically, the burns they produce can cause death. All alkaline substances must be considered potentially lethal and should be stored in locked areas, well out of reach of children. Besides batteries, other sources of alkaline danger are household cleaning products, drain cleaner and some lawn and gardening aids.

calculated to produce a gross revenue increase of \$19.8 million which is below the deficiency determined by the Zinder study.

In his letter of transmittal, which was addressed to mayors and members of the various city councils, Watson said, "The enclosed Statement of Intent is being filed simultaneously with all 63 cities and towns served by Pioneer on or West Texas Distribution System. As we advised you before, we stand ready to meet with you and representatives of all our cities to consider this application."

Those cities and towns in Lynn County served by Pioneer Natural Gas Company's West Texas Distribution System are: O'Donnell, New Home, Wilson, and Tahoka.

Miss Childress & Mr. Cogburn Exchange Vows In O'Donnell

Miss Connie Fern Childress and Kenneth Ray Cogburn were united in marriage August 11 in a 5:00 p.m. ceremony at the First Baptist Church of O'Donnell. Officiant for the double ring ceremony was Jim Mosley of Ackerly.

Parents of the couple are Mr. and Mrs. Elton Childress of Route 1, O'Donnell and Mr. and Mrs. W. N. Cogburn of Route 5, Tahoka.

Musical selections were presented by Miss Sharla Pace, pianist and vocalist. "Evergreen" was played as the mothers and grandmothers were being seated. Other selections included "Wedding Song", "There is Love", "The Twelfth of Never", and "We've Only Just Begun".

Vows were exchanged before a brass archway decorated on each side with greenery and garlands of blue and yellow carnations.

The bride presented a yellow silk rose to her mother as she entered and one to the groom's mother following the ceremony. Escorted and presented in marriage by her father, the bride wore a formal length dress of ivory cluny lace fashioned with a deep V neckline. Three tiers of ruffles formed a caplet sleeve. The bodice was fitted with a wide band encircling the waist. The A-line skirt had a deep flare ruffle at the hemline. A Juliet cap of matching lace held two tiers of lace edged illusion veiling. She carried a cascade of white daisies.

To carry out tradition, the bride wore a gold wedding band belonging to her great-great aunt; a lace edged handkerchief was borrowed from her maternal

grandmother; her gown was new and she wore a blue garter.

Dinah Sue Doggett of Midland served as maid of honor. She was attired in a formal length gown of blue polyester knit fashioned with a halter neckline.

Stacie Cogburn of Tahoka, sister of the groom was the bridesmaid. Her gown, styled like that of the maid of honor, was of yellow polyester knit. Both attendants carried bouquets of white daisies, blue african violets and yellow cosmos.

Serving his brother as best man was Wayne Cogburn of Tahoka. Joe Childress of O'Donnell, brother of the bride was a groomsman.

Ushering the guests were Scotty Childress, brother of the bride and Leon Cogburn, brother of the groom.

Following the ceremony, a reception was held in the fellowship hall.

The bride's table was centered with a five branch candelabra surrounded by blue, yellow and white silk flowers. The two tiered cake was accented with blue and yellow flowers.

Registering guests was Mrs. Rex Childress.

The couple will make their home at 1807 16th St. in Lubbock. Both are graduates of O'Donnell High School and the bride is a trained dental assistant. The groom is employed by Neal Owens of Slaton.

#### CARD OF THANKS

We would like to thank all our friends for their sympathy at the loss of our mother.

Especially we want to thank those who brought food, sent flowers, and cards. Our deepest thanks also for all the visits and the words of comfort.

The family of Alma Ragan

Words cannot tell everyone how much we appreciate your love and concern during the loss of our mother. The prayers, cards, food, flowers, memorials and every act of kindness was greatly appreciated.

Ethel Lynn, Dale and family  
33-11p

At the passing of our mother, we wish to extend our thanks to Colonial Nursing Home staff, to Dr. Chamblor and nurses at Lynn County Hospital for the excellent care given so tenderly.

Also to Sweet Street Baptist Church, Pastor Grover Hall and Brother Anderson of Lubbock. To the members and others for the nice meal served and all that helped in many ways.

Your prayers, flowers and cards were deeply appreciated.

The children of Lillie Owens  
33-11p

Words could never adequately express our thanks to you, our friends, for your support during the past months and in the days since Payton's death. You all have shown your love and concern through deeds and prayers and thus have sustained us. Thank you. God bless you all.

Jean Perkins  
Jerry Perkins Dunsford

### STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

AUSTIN — Texas legislators completed action on a \$1 billion tax relief program in their special session which closed out last week.

About half of it will be submitted to voters November 7 in the form of a Constitutional amendment.

Already signed into law and effective October 1 is repeal of the state's four cent tax on home utilities bills. The one cent city sales tax on gas and electrical charges will be lifted October 1, 1979, unless city councils vote by May 1 to keep it.

Also approved in the same law is an increase in inheritance tax exemptions from \$25,000 per beneficiary to \$200,000 per estate.

Included in the omnibus amendment to be voted on at the general election are the following:

—A mandatory increase in homestead exemption of \$5,000 for school tax purposes.

—An additional school tax exemption of up to \$10,000 on values of homesteads of persons over 65 and the disabled.

—Assessment of farm and ranch land on the basis of productivity rather than market value. The legislature would be authorized to provide for taxing of timber lands on the same basis.

—A limitation on state spending to the rate of economic growth, but legisla-

tors could exceed the "limit" by emergency vote.

—A watered-down tax "reform" section prohibiting statewide appraisals.

—A requirement that tax increases must be advertised and made subject to hearing.

—Removal of intangible property such as bank deposits from the mandatory tax base, but the legislature would be allowed to provide for taxing of the intangibles.

—Authorization for the legislature to exempt household goods and personal autos from taxation.

A \$450,000 fund was established to reimburse local school districts for lost revenue due to the property tax reductions.

#### Taxes Up

Income from the state general sales tax is up \$237.8 million for the first nine months of the fiscal year.

Comptroller Bob Bullock said revenue totalled \$1.4

billion, 20 percent higher than last year.

The motor vehicle sales tax totalled \$227.5 million, up 19 percent; cigarette and tobacco taxes, \$221.1 million, a six percent increase and motor fuel tax, \$332.8 million, a 10 percent hike.

Natural gas production taxation produced \$389.8 million during the period, an 11 percent increase, and the oil production tax \$319.1 million, up just one percent.

Total revenues came to \$5.9 billion, \$691 million more than for the first nine months of the last fiscal year. State spending came to \$6 billion during 1978, \$964 million above 1977. Highway spending was up 40 percent and contributions to

teacher retirement 47 percent.

#### Mondale on Way

Vice President Walter Mondale will address \$100-a-plate dinner honoring retiring State Democratic Chairman Calvin Garner here August 25. Mondale will also campaign in the Rio Grande Valley for Democratic Senate candidate Bill Krueger.

A U.S. House committee approved legislation overriding Gov. Briscoe's objection to federal purchase of 69,000 acres of Texas coastal wetlands which local hunters wanted to retain in private hands.

Texas may get two congressmen if population continues to grow.

**HE'S MAKING YOUR ELECTRIC BILL HIGHER WHO CARES? YOU DO AND...**

**WE DO**

If your electric bill has jumped this summer, take a good look up at that Texas sun. Sure, we all like sunny days, but our friend the sun can be a villain in disguise. On these Texas scorers, you'll need your air conditioning to run more. Sometimes running day... and night... all night. Well, that runs up your electric bill. Just when vacation and school expenses are here.

We know you care about higher electric bills. And we want you to know that we care, too. We can't cool off the sun, but there are still time and ways to keep your bill from going much higher. Here are just a few:

- Turn the thermostat to at least 78, or until you find the highest possible setting that feels reasonably comfortable to you. If you have window air conditioning units, run them only as much as is absolutely necessary.
- Check your insulation.
- When you buy major appliances, including air conditioners, be sure to check the EER (Energy Efficiency Rating). The higher the EER, the more energy and money you'll save.
- Clean and replace the filters regularly.
- Keep your drapes closed to block out direct sunlight.
- Weatherstrip around doors and windows.

At Southwestern Public Service, we care about you getting the most for your energy dollar. Call us for suggestions to help you change the size of your electric bill for the better.

# AROUND TOWN

by Leona Waldrip

Visiting here since Saturday are Mr. and Mrs. Donald Pullins Jr. and four children from Rensselaer, Indiana. He is a grandson of Mrs. Myrtle Lovelady.

Mr. and Mrs. Bert Stice returned Monday after a 10 day visit with son, Walter Lee Stice, and family at Midlothian.

On Thursday of last week, Leona Waldrip made a business trip to the SPAG office in Lubbock and visited at the Lubbock Adult Center, 2600 Ave. P, during the noon hour.

Lloyd Craig of Vista, California is visiting this week with his sister Eunice Tollison.

On Sunday the annual Craig reunion was held in the community center at Grassland. Sixty-nine persons were on hand for the occasion with 14 Craig children included. Cities represented were El Paso, Pecos, Waco, Austin, Brownfield, Lubbock, Post, Artesia and Amargosa, New Mexico. As usual there was food in abundance with much fun and fellowship thrown in.

Friendship Past Noble Grand Club will meet Thursday night, August 17, at 7:30 p.m. with Evelyn Burr as hostess.

Recent visitors in the home of Mrs. Edna Brasher have been: Mr. and Mrs. Raymond Cook and Ronda of Longview; Mr. and Mrs. Wayne Brasher, Stacye and niece, Suzan Dillard of Senora; Mr. and Mrs. M. V. Brasher of Hot Springs, Arkansas; Mr. and Mrs. Jay Streeter and Jason of Placerville, California; and Mrs. Meredith McComb and 3 children of Oklahoma City area.

On Sunday the Brasher reunion was held at the American Legion Hall in Plainview. More than 100 relatives attended the affair.

Leta Brown of Lubbock visited me on Sunday afternoon.

Senior Craftsmen are excited about the Show and Sale to be held in Lubbock Thursday, Friday and Saturday, August 17, 18, and 19, this week. Those at Lynn County Pioneer Club have been working diligently the past month getting hand-made articles ready. Members will take turns keeping the booth open in the open-air mall of Monterey Center.

Friday, August 18, is the regular luncheon day for the club. Hostesses for the day will be Lois Weathers, Lula Greer and Katie B. Hawthorne. Those unable to prepare a dish, may eat for a donation. Persons 60 years old or older are welcome.

## Tahoka Baptist To Study "Death"

The film "If I Should Die" will be aired at the First Baptist Church in Tahoka Sunday night, August 20, at 7:00 p.m.

The 46-minute film reveals how no one is immune to the sting of death—it's grief or sorrow; yet, through personal testimonies the film shares a living hope for man to face not only death itself but also the loss of loved ones.

The film examines life-after-death experiences and asks several pertinent questions related to these experiences and a Christian faith.
